OFFICERS FIND COUPE OF DANIELS' SLAYERS

BULLET MARKS MUTELY TELL OF DEATH BATTLE

Evidence Indicates Policeman Was Killed As He Drove Near Assailant.

The death car, a Ford coupe of 1924 model, from which was fired the bullet that pierced the heart of Police Officer Jim Daniels just before daybreak on the morning of Sunday, Feb. 1, when he is supposed to have stopped a band of automobile thieves for investigation, was found Sunday in a pasture about four miles west of Ranger.

It was partially hidden in a dense clump of bushes and was found by stockman, named Williams, lessor of the Jim Barnes pasture while rounding up cattle. He reported it to the police and the car was brought in Sunday afternoon.

The coupe was taken to the city hall and throughout the day attracted hundreds of persons, who discussed its appearance and how long it had been hidden in the pasture where found and where it presumably had been since the tragedy in which it played a part.

Killed While Advancing.
The windshield of the car was broken, showing that the bullet that killed Daniels was fired by a person sitting in the driver's seat. Daniels could not have been on the step of the car at the time; in fact he must have been in front of it, a little to one side. It would seem as though he must have been shot as he approached.

Five scars on the side of the car indicated where Daniels' bullets had hit it. None had penetrated to the inside of the car, although one bullet, hitting near the rear of the car, had made a little hole in the body. It is possible that the car was moving when the shooting took place and had passed Daniels when he fired the last time. That would explain the bullet near the rear of the car.

License Plate Missing.
The license numbers had been removed from the car and it will not be known positively that it is the coupe thought stolen from Seymour until it has been identified by the owner. The car showed scratches where it had been driven through the brush, but showed few traces of having been exposed to the storm Saturday night and Sunday morning. The tires were clean and did not appear to have been used much. There was only a small amount of gasoline in the tank.

Sunday's rainfall obliterated all footprints, destroying any hope of tracing the murderer through that source, according to the police.

MINE VICTIMS BURIED; FAMILIES ARE SUCCORED

SULLIVAN, Ind., Feb. 23.—Sullivan today went to the work of burying its dead, the 51 victims of Indiana's most disastrous mine blast. The first of the funerals was held yesterday. State mine inspectors, in an official statement, said they believed the miners had dug into an old entry filled with gas and a spark from the flame in a miner's lamp probably caused the explosion. Meanwhile food and other forms of relief are being administered to the stricken families by state and local officials of the Red Cross.

JOHN WINSTON BURIED WITH MASONIC HONOR

More Than 100 Eastlanders Attend Pioneer's Funeral Services at Cisco.

More than 100 Eastland people, many of them Masons, attended the funeral of John J. Winston, who died at his home in Cisco last Friday, which was held in the First Christian church of Cisco, Sunday morning at 11 o'clock.

The funeral services at the church were conducted by Pastor W. C. Holmes. This was followed by the Masonic funeral services, which began at the church and were completed at the grave.

The large auditorium of the church was crowded to capacity. The floral offerings were many and very beautiful.

Active pall bearers were Judge D. J. Scott, William Reagan, Dr. W. P. Lee, R. A. St. John, A. L. Meyhew, Mayor J. M. Williamson, R. F. Weddington, G. E. Bedford, and Roy Wilson. Honorary pall bearers were A. J. Ward, Connie Davis, R. F. Davis, C. H. Fee, Judge J. J. Butts, John H. Garner, of Cisco; Col. G. B. Waters of Moran and H. C. Overby of Eastland.

John J. Winston was born in Rutherford county, Tennessee, on Nov. 19, 1852, and came to Cisco Jan. 6, 1886. He married Miss Ella Barlow of Cisco on Dec. 9, 1891. To this union only one child, Lieut. Barlow Winston of the United States Army, was born. Besides his widow and son he is survived by one sister, Miss Ada Winston of Cisco.

Mr. Winston was made a master Mason in Cisco lodge in 1887 or 1888, the records giving the exact date having been destroyed in the cyclone that did so much damage in Cisco about that time. He was exalted to the sublime degree of a Royal Arch Mason in Cisco chapter, No. 190, R. A. M., on June 25, 1890, being one of the first three exalted in the Cisco chapter after its institution. He was created a Knight Templar in Cisco commandery, No. 47, K. T., in June, 1906. He was past master of Cisco lodge No. 556, A. F. & A. M., and high priest of Cisco chapter No. 190, R. A. M.

He identified himself with the Christian church at an early age and was always faithful to his church vows.

"MILLIONAIRE ORPHAN" DEATH PROBE REOPENED BY ILLINOIS OFFICERS

CHICAGO, Feb. 23.—It has been definitely decided to exhume the body of Dr. Oscar Olson as a result of testimony so far introduced in the death of William McClintock, "millionaire orphan."

Dr. Olson, a close friend of the McClintock family and a brother of Chief Justice Harry Olson of the Chicago municipal court, died more than a year ago after eating fruit given by William D. Shepherd, chief beneficiary in young McClintock's will.

Judge Olson, who insists the McClintock fortune was connected with the death of his brother as well as that of the "millionaire orphan," was chief instigator of the present probe, Shepherd, he said, was jealous of Dr. Olson's interest in the McClintock affairs.

RECOVERY OF KU KLUX LEADER IS DOUBTFUL

GAINESVILLE, Ga., Feb. 23.—Col. William J. Simmons, founder and former emperor of the Ku Klux Klan, passed a bad night and chances for his recovery have been considerably lessened, it was admitted by his physicians today.

Simmons suffered serious injuries in an automobile accident near here Friday night. He is in a Gainesville hospital with a punctured lung, four broken ribs and a fractured collar bone.

BLOOM WOULD SUPPLY FUNDS FOR INQUIRY

New York Congressman Insists Upon Finding Secretary Weeks' Motive.

WASHINGTON, Feb. 23.—With the house aircraft investigation dead, attention today was focused on Secretary of War Weeks, who said recently he would ask punishment in the case of Brigadier General Mitchell, prime leader in a stormy probe, when the committee's activities had ended. Weeks is expected to announce his refusal to recommend the reappointment of Mitchell as assistant chief of the air service.

Meanwhile one more effort will be made to pump life back into the defunct investigation. Representative Sol Bloom, New York democrat, announced he would offer to pay the expenses of the committee if it would resume the hearings and continue them until March 4.

The official reason given for ending the inquiry Saturday was that the committee had only \$700 left out of the \$25,000 appropriated for the investigation, and was forced to choose between discontinuing the hearings or having no money to take testimony and make public its findings.

Representative Bloom believes his offer will establish by its acceptance or rejection whether it is really a shortage of money or administration pressure which killed the only important investigation during this session.

Weeks may go further in disciplining Mitchell for his sensational testimony before the committee and order a court-martial to try him on charges of insubordination and conduct unbecoming an officer.

Whether court-martialed or not, it is considered little short of certain that Mitchell will be relieved of his present position and given command of an inland landing field away from Washington, at the same time reverting to a colonelcy, his regular rank.

Legislators Plan \$200,000 Savings On Auto License Plates

AUSTIN, Feb. 23.—The house today dropped back to consideration of the state highway department's budget in the departmental appropriation bill, and lopped off an appropriation of \$220,000 for the next biennium, substituting an item of \$50,000 in its place.

The amendment involved the manufacture of automobile license plates in the state penitentiary instead of their purchase from outside sources. The amendment, offered by Bonham, provides \$40,000 for the purchase of a license plate casting machine to be installed at the Huntsville penitentiary, with an additional \$10,000 for installation costs and repairs during the next two years.

The item struck out provided for the purchase of the license plates from a Chicago manufacturer, as has been the custom.

The house concluded its consideration of separate department items shortly before the noon recess by whittling down the appropriation for the state ranger force to approximately \$40,000.

Parnell Suggests That 'Jim' Turn In His Passes

AUSTIN, Feb. 23.—Rising to a point of personal privilege, Senator J. D. Parnell declared on the floor of the senate today, "James E. Ferguson should send back to the railroads he represents his hippocket full of passes."

Parnell took issue with Governor Ferguson's veto of the bill to allow the legislature free passage upon state railroads and criticized newspapers for alleged unfair attitude on the question.

Funeral services for Hodges will be conducted by the Odd Fellows lodge at Necessity, where interment will be, tomorrow afternoon at 1 o'clock. Hodges is survived by a wife and seven children and two brothers.

WOMEN'S CLUBS PLEDGE SUPPORT TO BOYS' CLUBS

Joint Meeting of Organizations Largely Attended—Judge Flewellen Speaker.

The February meeting of the Eastland County Federation of Women's clubs was well attended on Saturday when the session was held in Ranger at the Gholson hotel, about 80 people present. As the delegates arrived tea was served by the hotel management under direction of the 1924 and New Era clubs.

The tea tables, which were tastefully arranged, were presided over by Mrs. C. N. Ochiltree and Mrs. C. Patterson. Other members of the two clubs assisting were, Mrs. J. M. Dodson, Mrs. L. L. Neal, Miss Sue Dean, Mrs. C. F. Underwood, Mrs. D. L. Jameson and Mrs. R. A. Jameson.

Musical numbers which opened the program were furnished by Miss Gillian Buchanan, Miss Jennie Robison, Miss Marguerite Adamson, Mrs. J. M. Dodson and Mrs. W. W. Housewright.

Following a talk on the work of the Bankhead Doury association by County Agent B. H. Bush, the federation agreed to assist in helping some of the county poultry club boys to get a start. This plan will be worked out and put in operation soon.

A splendid talk on "Citizenship" by Judge L. H. Flewellen of Ranger impressed the listeners, this being the topic of the program.

The meeting was presided over by Mrs. Fred Robertson of Rising Star. Interesting papers were given on "The Ideals of Citizenship," by Miss Snodgrass of Desdemona, and on "Every Club a Training Camp for Citizenship," by Mrs. O. M. Jones of Rising Star. A discussion of election methods was conducted by Mrs. Pitts of Gorman and Mrs. Blount of Cisco.

The next meeting will be March 21, in Desdemona.

WOMEN SAVED FROM ASSAULT BY THEIR CRIES

Mrs. Dell F. Woodel and her niece, Mrs. Leonard Nolley, were recovering from the shock of an attempted attack late Saturday night by would-be kidnapers. The assailants were driven away before either of the women was injured, but both were much frightened and sick all day Sunday following their harrowing experiences.

Mrs. Woodel and Mrs. Nolley had attended a picture show and were going home. Mr. Nolley was to have accompanied them, but was indisposed. As Mrs. Woodel and Mrs. Nolley were crossing Elm street at Austin, two young men in a touring car with curtains up drove by and stopped and asked the two young women to ride. Neither replied, but walked ahead faster. The young men drove on by and stopped the car near a vacant house at Mesquite and Austin. They were seated in the car, though seen but dimly in the dark, when the two men passed along Austin street, which they expected to follow until near the Blackwell road, when they would cross the field to their home.

They had gone only a little way when Mrs. Nolley's arm was grasped from behind and an unidentified man apparently attempted to carry her back towards the waiting car. She screamed and struggled and Mrs. Woodel also screamed. They made so much noise that the assailant dropped Mrs. Nolley. A whistle was heard by Mrs. Woodel, apparently coming from the car. She also heard footsteps like someone running. At a moment, and the car was started and moved rapidly away.

BANK STATEMENT FORCEFULLY SHOWS PROSPERITY'S RETURN

BRECKENRIDGE, Feb. 23.—Prosperous conditions in this territory are indicated by a published statement of the First National bank here showing its condition at the close of business last Friday.

The bank shows totaling \$5,226,093.08, which might not be considered so remarkable in itself, but when compared with deposits at the close of business Dec. 31, last, totaling \$3,859,574.64, when the last statement was called for by the comptroller of the currency it is indicative of improved conditions that augur well for the future here.

The bank's statement shows cash in its vault and deposited with other banks aggregating \$2,740,518.83, as compared with \$1,684,761.27 at the beginning of the year.

SUNDAY'S GALE BLEW UP HEAVY LOCAL SHOWERS

Duststorm From North and Electrical Disturbance Accompany Winds.

Following a slight electrical disturbance with a light rainfall late Saturday night, a heavy thunderstorm with brilliant electrical display and rainfall of about one-half inch between 3 and 4 o'clock Sunday ushered in a rushing wind from the northwest, unaccompanied, however by cold weather.

The wind blew strong all day Sunday, at times almost reaching the velocity of a gale. It tore down a few fences and dislodged a few small buildings from their posts, but did no material damage. It did, however, cause a cloud of dust to settle over Ranger and Eastland.

The wind died down during Sunday night and this morning the sun shone brightly and only a gentle breeze was blowing. The temperature rose steadily all day.

Rainfall was reported general over Texas and Oklahoma Saturday night and Sunday morning. Over Stephens county the precipitation was reported averaging one inch. Stockmen were jubilant. Rain was reported from various points along the Fort Worth & Denver railroad far into the Panhandle, where the winter drouth has been very scarce.

A heavy rain was reported at Brownwood and throughout Central Texas and Central West Texas. Only slight rain was reported in West Texas beyond Eastland county.

Eastland and vicinity was visited by a light shower of rain Saturday night but the fall was not sufficient to be of any benefit to crops.

While the rain has not been sufficient to help the farmers very much, there is a feeling generally that the drouth has been broken and that abundant rain is destined to fall throughout Texas within a very short time.

CONDEMNED MAN MARRIES SO WIDOW WILL GET ANNUITY

WINNIPEG, Man., Feb. 21.—While the scaffold on which he was to have been hanged next Wednesday was being erected in the courtyard outside, Harry Tetterniak, condemned murderer and father of four children, was married in his cell in the death house of the provincial jail here today. Two hours after the wedding the cabinet at Ottawa decided to spare his life and commute his sentence to life imprisonment, but when Tetterniak stood beside the mother of his children while a Greek priest performed the marriage rites he had no notion that his life would be spared. He was marrying the girl so that she could benefit by the annuity the government pays widows of executed prisoners.

PHILLIPS PETROLEUM COMPANY BUYS LEASE

BRECKENRIDGE, Feb. 23.—The Phillips Petroleum company has bought the 200-acre Allen lease, about three miles northeast of this city, and will start work this week on the rig for its first well. The lease is about one mile north of the Pender wells, big producers when they came in several years ago.

RELIGIOUS MUSIC LOVERS UNITE IN SONG MOVEMENT

Directing Heads Are Named in Promising Countrywide Song Activities.

With representatives in attendance from throughout the affected territory, more than 800 church workers and music lovers at the fourth monthly community sing in Eastland, Sunday afternoon, organized the Tee Pee Singing convention, including in its scope the entire chain of oil belt counties. Judge R. L. Rust, former county judge of Eastland county, was elected president; S. C. Hunt of Eastland, first vice president; F. A. Jones of Eastland, secretary-treasurer, and S. H. Williams of Atwell, chaplain. Eastland and adjoining counties are included in the organization, which will hold its first meeting in Eastland on Saturday and Sunday, June 20 and 21. At this meeting an additional vice president will be elected for each county in the organization.

Prof. G. R. Erwin of Nimrod, president of the Eastland county singing convention, conducted the singing. After a brief talk in which he stated that the purpose of these singings was to promote the interest of music, especially vocal music, and to praise God in song. He appointed a program committee composed of S. C. Hunt, Eastland; H. H. Mansfield, Breckenridge; J. E. Meroney, Ranger; Ernest Rippetoe, Dublin; J. J. Stephens, Albany, to arrange a program for the afternoon.

The opening song, "I Want to Be a Worker," was led by Conductor Erwin and was followed by prayer by H. S. Williams. Judge Rust then made a motion that the organization of the district convention be effected and this was done in short order.

800 to 1,000 Present.
While the program committee was busy, Rev. J. H. Stewart, pastor of the First Methodist church, made a short talk in which he extended a welcome to the large crowd present, conservatively estimated at 800 to 1,000 people, and told them that he and his congregation was more than pleased to have them use the tabernacle. At about this time the wind blew the glass out of a window high in the west wall of the building and it fell on one or more persons and injured one man. This caused some disturbance but it was quickly over when it was learned that no one was seriously hurt.

With only two hours in which to sing, the program committee was compelled to leave the names of many leaders off the program and each leader was restricted to one song.

Besides the congregational singing, which was participated in by the majority of those present, there were a number of special songs by the large audience. Roy Cannon, the blind bass, well known to singers of this section, received repeated applause each time he sang.

Vocal Program.
Following is the program rendered: Trio, "God Is Love," E. L. Brummett and others of Ranger. Duet, "I Wonder Where My Friends Have Gone," H. H. Mansfield and son of Breckenridge. Quartet, "Skies Will Smile Again," Ernest Rippetoe of Dublin and others.

Double quartet, "Praising My King," Z. D. Hille of Abilene and others.

Trio, "Tell Him Now," J. E. Meroney of Ranger and others.

Solo by Roy Cannon. Quartet, "The Call for Reapers," Prof. S. W. Jones of Abilene and others.

Solo by Clyde Mansfield of Breckenridge. Quartet, "Sail Away Home on the Wings of Glory," Judge W. H. Sewell of Eastland and others.

Leaders, who lead the congregation in singing were John Pope, Eastland; S. H. Williams, Atwell; N. W. Allphin, Abilene; Horace Minnick, Thurber; Elmer Abernathy, Desdemona; J. J. Stephens, Albany; Allen Jones, Parks camp; Mrs. T. J. Ernest, Ranger; R. N. Hazelwood, Mitchell; Mrs. Glenn Liles and Mr. Abernathy played the piano.

Eastland County Singing.
Mr. Erwin announced that the Eastland county singing convention would meet with the Mangum class on the second Saturday and Sunday in April, which is also the date for the meeting of the Taylor county (Continued on Page Four)

Took a Friend's Advice
 Houston, Texas.—"When I was comparatively a young woman I became afflicted with woman's trouble and got so I could hardly walk. I had a delicacy in submitting my case to the doctors. Finally a friend advised me to try Dr. Pierce's Favorite Prescription. I did so, and before I had taken three bottles I was all right. Later on in life I became afflicted with a kind of poison in my blood; for this I took the 'Golden Medical Discovery' and gradually my blood became pure. I never again had anything like either of these afflictions."—Mrs. D. M. Wilson, 1521 Fulton St. All dealers

WICHITA JURY HEARS DETAILS OF RECENT KILLING OF ROBERTSON
 WICHITA FALLS, Feb. 23.—Details of the slaying of Elzie Robertson, 17, by ex-Mayor Frank Collier, was told the grand jury today.
 Mary Frances Collier, daughter of the ex-mayor and widow of young Robertson, and the latter's mother were the first of a score of witnesses called. Attaches of the county attorney's office said that testimony would probably be completed tomorrow.
 Elzie was slain 10 days ago. He was on his way to keep an rendezvous with Mary Frances, who had been forbidden to see him. Three weeks previous Collier had learned of her secret marriage to Elzie at Waters, Okla., last June. He filed petition to have the marriage annulled.
 Mrs. Robertson was with the boy when he was slain. It was expected she would disclose to the grand jury a remark made by Collier as he shot and killed the youth. She has refused repeatedly to reveal what was said and it is expected the remarks will have a direct bearing on the motive for the slaying.

DID YOU EVER STOP TO THINK

By E. R. Waite, Secretary Shawnee, Okla., Board of Commerce.

That no city can be a success without the aid of its public utilities. Because public utilities do for a city what a city can not do for itself. Because the service given by electric light, power, telephone and transportation is vital to the success of the business and social life of every city. Because public utilities are the anchor for a city; the basis upon which they offer their services is that of mutual helpfulness. Because their officers and employees adopt every means that their energetic minds can conceive to as-

Boils! Ouch!

S. S. S. will rid you of boils, pimples, blackheads and skin eruptions!

DON'T CLOSE your eyes to the warning which Nature gives when angry, painful boils appear on your neck, face or other parts of your body. Boils, pimples and so-called skin disorders are the result of an impoverished condition of the blood and are not to be trifled with. It is nothing more than folly to expect to get absolute relief from the use of local treatments, such as ointments, salves, etc. Such remedies may afford temporary relief but you want more than relief; you want a remedy which will rid you forever of the torturing disorder. And the one remedy which has no equal is S.S.S. S.S.S. stops boils and keeps them from coming. S.S.S. builds blood-power! That is what makes fighting blood. Fighting blood destroys impurities. It fights boils! It fights skin eruptions—pimples, blackheads, eczema! It always wins! S.S.S. has been known since 1826 as one of the greatest blood builders, blood cleansers and system strengtheners ever produced. There are no unproven theories about S.S.S., the scientific results of each of its purely vegetable medicinal ingredients are admitted by authorities. Begin taking S.S.S. today and clear your skin of those blood disorders! S.S.S. is sold at all good drug stores in two sizes. The larger size is more economical.

BOOTLEGGERS BLAMED FOR VANISHING OF TWO MEN

By United Press. KANSAS CITY, Feb. 21.—After a vain hunt, police tonight abandoned search for two men believed captured by moonshiners and secreted in a bootleggers' rendezvous known as "The Willows."

The men, B. J. Lovejoy, a patrolman, and George Peters, motorcar salesman, were last seen Tuesday when they were known to have gone to "The Willows" district to visit a customer. Lovejoy intended to look for stills, it was said. Eight murders have been committed in "The Willows" region. Deep mud made the search more difficult.
