

TEXANS HEAD SCOTTISH RITE HOSPITAL

Eight prominent Texans—all High Masons—will direct the policies of Texas Scottish Rite Hospital for Crippled Children in Dallas for the ensuing year. The new officers shown above were unanimously elected at the annual meeting of the Board of Trustees recently. Reading from left to right (top row) they are: Nathan Adams, chairman of the board; Judge Hiram F. Lively, vice-chairman; W. A. Browning, president; E. B. Germany, 1st vice-president; (bottom row) John L. DeGrazier, 2nd vice-president; Judge Towne Young, 3rd vice-president; George R. Jordan, treasurer, and Asher Mintz, secretary. Dr. Brandon Carrell was re-elected chief surgeon and Miss A. L. Little, superintendent. The Scottish Rite Hospital is nearing the end of a successful state-wide drive for funds with which to operate the hospital for crippled children. A major portion of the funds received have come from the "general Texas territory," according to reports.

Benefit Ball Games for Legion Hall Fund

The Texico and Farwell senior boys and girls will meet in a double header at the Farwell gym next Tuesday night, Feb. 18th as a benefit program for the American Legion hut fund.

Sponsors of the event have announced that there will be no direct admission charge at the door, but attendants are asked to make a contribution to the Legion hall fund, and to help a worthy local cause.

Legion members announced today that their campaign to raise funds for the hall was making only fair progress and the basketball games are aimed at stimulating the fund-raising. The hall, when completed, will serve as a community house, where local gatherings of various nature may be held. Such a gathering house is badly needed and it is hoped that the people of the community will give it their support.

Red Cross Campaign During Next Month

County Financial Chairman H. Y. Overstreet today called attention to the American National Red Cross drive to be staged during month of March, and asked that contributors be prepared to make their usual generous response.

He said that the national quota had been reduced this year and that the askings from this county would be lowered accordingly, but he was not prepared to give the exact figure. Following the policy of recent years, Chairman Overstreet said that he would name the community workers at an early date.

For the past several years, Parmer County has oversubscribed its quota and Overstreet is expecting the record to be maintained in the forthcoming campaign.

Triplett Sells Home

B. S. Triplet, pioneer Texico merchant, today announced the consummation of a deal that has been pending a few weeks to sell his residence, probably the most pretentious home in Texico, to Ira S. Levines, recently from Purcell, Okla. Possession will be given on or before April 1st.

In disposing of his home here, Triplet had no plans to announce for the future. "I don't know what I'll do or where we'll go," was his comment, adding that he and his wife may go to Mineral Wells or some resort for a few months.

CO. AGENT ATTENDS SHOW

Ollie Liner, county agent of Parmer County, attended the Panhandle Poland China Breeders show and sale, held in Plainview, last Saturday.

County Agent Liner, stated that there will be a Duroc sale, by the West Texas Duroc Breeders Association, held in Lubbock, Feb. 22nd.

License Plates Going On Sale Early

Tax Collector Earl Booth announced today that automobile license plates for the year 1947 would go on sale at his office in Farwell on Saturday, Feb. 15th, which is 15 days earlier than had been previously announced.

Booth said that all the supplies had been received here and the tag sale was being advanced in order to accommodate drivers who have been wanting their new tags.

He called attention to the importance of presenting certificates of title and the 1946 registration receipts when applying for the new plates. "It is imperative that we have the certificate of title," he emphasized.

The new plates—both front and back this year—must be displayed on or before April 1st.

Meeting Of 4-H Clubs Planned By Agent

County Agent, Ollie Liner, has announced the following schedule for the meeting of the 4-H clubs, in the different parts of the county.

Oklahoma Lane will hold its meeting on the 3rd Monday of each month, at 9 o'clock a. m., Lazbuddy will meet on the 3rd Tuesday of each month, at 9 o'clock a. m. Black on the 2nd, Wednesday, at 10:30 a. m., Friona, on the 2nd Wednesday at 1:00 o'clock p. m., Farwell on the 3rd Wednesday at 9 o'clock a. m., Bovina, on the 3rd Wednesday, at 1:00 o'clock p. m., Rhea, 2nd Thursday at 10:30 a. m.

All these meetings will be held at the school houses as per date and time.

Anyone who is between the ages of nine and twenty-one years inclusive, is eligible to become a member of the 4-H Clubs.

Scout Troop No. 30 Elects Scout Master

Last Monday night, Scout Troop Number 30, of Texico at its regular meeting, elected a new scout master, Warren G. Harding, who will be assisted by Graham Thornton.

Mr. Thornton has been acting scout master for some time, although he has been the regular assistant scout master.

Officials present at the meeting were: R. H. Paul, chairman; L. A. Pierce, Jack White and B. A. Rogers. W. L. Freeman who is also a member of the board was unable to attend.

MRS. BRUCE RESIGNS

Superintendent B. A. Rogers of Texico school announced that Mrs. Elizabeth J. Bruce, English and Commerce teacher, has resigned her job due to illness, and that Mrs. A. D. Smith is acting substitute until another teacher may be secured.

FARWELL TO GET THEATRE

Chamber of Commerce Feed Thursday

County Polio Fund At \$1,295.70, Tuesday

With only five communities of the county reporting up to noon on Tuesday, the infantile paralysis fund in Parmer County had reached \$1,295.70, it was announced by B. N. Graham, chairman of the drive in this county.

A break-down of the contributions show that Bovina and Farwell were the heaviest contributors with Oklahoma Lane coming in for a good showing. Friona, Black and Rhea are yet to be heard from and Chairman Graham urged solicitors in these communities to file their reports as soon as possible with L. S. Pool at the Security State Bank in Farwell, who is authorized custodian of the funds.

One-half of the money raised in the county will be retained here to be used in assisting local patients of the dread malady.

The following reports had been made up to noon Tuesday:

Okla. L. Baptist Church	\$ 9.21
Okla. Lane School	133.43
Lazbuddy School	53.00
Farwell School	738.45
Bovina School	347.92
Lazbuddy Church Christ	13.69
TOTAL	\$1295.70

Open Way For Paving Main Street

The Parmer County Commissioners Court, in session here Monday, cleared the way for the paving of Main Street in Farwell from curb to curb by passing an order entering into a contract with the State Highway Department for the paving job.

The route to be paved lies along Highway 70, which passes through Farwell on Main Street in this city, and the Highway Department has agreed to pave the route from curb to curb after the right-of-way and curbing has been provided by the property owners along the affected route. County officials made it plain that Parmer County funds were not to be used in the project, but their official action was necessary before work could be started.

Chamber of Commerce officials and property owners along the route are backing the paving move and they have agreed with the Commissioners that the curbs and right-of-way will be financed with funds other than that of the county.

This has been one of the major projects of the local Chamber of Commerce for the past several months and it begins to look like it will be a realization before too long. The principal delay has been in arranging a contract between the Highway Department and the proper official body here.

Just when actual work will be started was a matter of purely speculation, but it was assumed locally that it would be delayed until construction work starts on the farm to market road between Farwell and the Oklahoma Lane community.

Attends Meeting In Amarillo, Feb. 8th

Superintendent H. A. Clift and Mr. S. C. Leach of the Farwell High School, attended the school administrators meeting on Saturday, February 8th, held in Amarillo.

There were several speakers from different parts of the county, and a good program was rendered. One of the speakers being Dorando Bond, who was formerly a teacher of Farwell, and is now head of the journalism department at the West Texas State Teachers College, at Canyon.

Need letterheads? Dial 2131.

BRO. BENJAMIN BEDFORD of Ranchvale, N. M., who will open a series of revival services at the Oklahoma Lane Baptist Church on Sunday, Feb. 16, continuing through Feb. 23. Services will be held twice daily at 10:30 a. m. and 7:30 p. m. Rev. J. J. Terry, pastor of the church, extends a cordial invitation to the public to attend.

To Receive Texico's New Fire Truck

Chas. A. C. Green of the Texico Volunteer Fire Department, plans to leave here Wednesday for Chicago, where he will accept delivery on the new fire fighting truck, which has been on order for about ten months.

Green said that he would probably fly to the Windy City from Amarillo and planned to receive the new machine the latter part of this week. He said that he would test the machine and all the equipment before accepting it.

The new fire fighting truck, mounted on a Ford V-8 chassis, and purchased through the Sikes Motor Company of this city, is completely equipped for general fire-fighting purposes and will be a badly needed addition to the equipment. Green said that he would drive the truck through and would probably return here the first of next week.

Want To Attend Fort Worth Stock Show?

Adult residents of this community who would be interested in attending the Fort Worth Fat Stock Show March 7-16, should contact T. B. Allen at Heavys Garage in Texico.

Allen, who has the school bus contract for the Texico schools, stated today that he was taking a number of students to the show and would have room for extra passengers. He has three new buses and each bus has a seating capacity of 36. He will take one or three buses, according to the demand for passage.

According to present plans, the buses will leave here on March 7th, returning two days later. Another trip a week later can be arranged if necessary, he said.

Cotton production goal for Texas in 1947 is 2,996,000 bales.

T. C. Root, assistant president of the Texas Tech College at Lubbock has been secured as the principal speaker at the Farwell Chamber of Commerce feed to be held Thursday evening of this week in the Farwell school cafeteria. Mr. Root is also acting dean of the Division of Commerce of the College, and is recognized as one of the outstanding speakers on civic matters in West Texas.

The gathering will get underway at 7:30 p. m., and arrangements are being made for 80 to 100 plates to be served. The Farwell Parent-Teachers Association will serve a turkey dinner for the occasion.

C. M. Henderson, president of the C. of C., said today that matters pertaining to the local organization would be taken up at the meeting and he urged a full attendance on the part of the membership and their guests.

County Tax Rate To Be Set On Feb. 24th

The Commissioners Court will meet in an adjourned session on Monday, Feb. 24th, at which time the county tax rate for 1947 will be set.

Action on this matter was held over from Monday of this week in order to allow the Collector's office time to submit figures needed in determining the financial needs of the county.

At Monday's session, the Commissioners transferred \$4000 from the Jury Fund to the General Fund, and also added \$12,000 to the Road and Bridge Fund from the Road and Bridge Auto Fund.

Kick-off Breakfast For Scout Drive

A kick-off breakfast was served this (Wednesday) morning at the Farwell Cafe by workers who will head up the financial drive for the Boy Scout fund to be raised in Texico-Farwell.

The local Men's Club, sponsors of the Scouting program in Texico-Farwell, is behind the move to raise funds to carry forward the work here and also pay the connection assessments. C. M. Henderson, president of the Men's Club, said that the solicitors expected to complete their work within a few hours.

Brother of Ralph Cox Dies February 2nd

William Cox, formerly of this part of the country, died at Aztec, New Mexico, February 2nd, it has been learned here. Cox was a brother to Ralph Cox, who lives in Texico, and was known by many from the twin cities.

Takes Over Store

R. E. Wilson of Dimmitt has taken over the grocery and market at Bovina he recently purchased from Mansell McNew. Wilson said that Nat Reid would be in charge of the store and that Aubrey Rhodes would be employed as a regular clerk. Wilson also has a store at Dimmitt and said that he would continue to make that city his home.

Miss Marjorie Moore of Clovis, spent the past Monday visiting with her mother, Mrs. Ima Moore.

Excavation work is expected to be started today on Farwell's newest industry—a modern theatre building, and it is hoped that the theatre will be ready for business within 90 days.

This was the announcement made here late Tuesday afternoon by Ira S. Levines, who comes here from Purcell, Okla. Mr. Levines closed a deal a few days ago with Claude Rose for the location site on the vacant lots just east of the Fox Drug store location. Since purchasing the lots, Mr. Levines has been busy locating building materials and equipment, and said that he expected to have the new show house ready to open within 90 days.

The building will be 28x100 feet and will be constructed of tile with a stucco exterior and plastered inside.

"We expect to build a theatre that will be up-to-the-minute in the last detail, and one of which the people of Texico-Farwell will be duly proud," Levines declared. The projectors will be of the Century type and R. C. A. sound equipment will be used. Seats will be well upholstered and the building will have a seating capacity of 350. Full provisions will be made for the comfort of the patrons with a heating system of hot air for winter and air-conditioning for use during the summer.

Asked about the pictures that he would be able to obtain, Levines said that he had already made the necessary contacts and would be able to secure the best in films for the local theatre-goers.

Levines has recently bought the B. S. Triplett home in Texico and will move his family here as soon as he can get possession of the Triplett property.

1947 Farm Plan Sheets Being Mailed Farmers

Harold W. Carpenter, secretary of the Parmer County ACA, today issued the following information relative to compliance farmers in the county:

Farmers of Parmer County are being mailed notices to come into the local AAA office and sign their 1947 Farm Plan Sheets. At this time, they may report any change in their farming operations from last year.

They are also asked to secure a Prior Approval form for any contour listing or chiseling that they may do on land that will be in row crop or summer fallow for wheat this year.

Farmers are also signing up to level land for irrigation, drill wells for livestock, or chiseling pasture. Any of these practices must have a Prior Approval issued before work is actually started before it will qualify for payment. Any of this business may be transacted by mail.

STERLYN BILLINGTON BUYS COMPETITOR

Sterlyn Billington announced that he has bought out the T. M. Templeton barber shop, and has moved the equipment into his place, where he will now operate a three chair shop, with the aid of Louis Meeks and Bob Kyker, who are now connected with the Billington Barber Shop.

ATTEND PLAINVIEW MEET

Harold Carpenter, Leon Billingsley and Mr. and Mrs. Henry Ivy attended a AAA meeting at Plainview on Feb. 4 and 5th.

The purpose of this meeting was to discuss plans for making the 1947 Conservation Program available to farmers.

Roy Veal, District Performance Supervisor was the principal speaker.

REA Extensions Making Progress

Extensions of REA lines in Parmer county, particularly north of Friona and in the Lazbuddy area, is going forward as fast as material can be secured, Leo Forrest, of Hereford, head of the Deaf Smith Cooperative, which embraces REA work in Parmer, Castro and Deaf Smith counties, reported this week.

"Actually," Forrest said, "we have under contract some 237 miles of additional electrical lines in the three counties served. Approximately 75 miles of extension are located in Parmer county." He went on to add that this work had been approved by Washington before the war,

when lack of material put a halt to all extension and improvement of REA facilities. As to the 1946 extension requests, Forrest said "that application is now in Washington for consideration by the higher officials."

The first extension in Parmer County likely to be energized, the supervisor said, will be the line running north of Friona to the Bootleg community on the extreme northwestern edge of Texas. Poles were set along this line during the past two weeks, and "with luck," Forrest said, "those families whose homes are wired will be using electricity within three

weeks, possibly within the next 10 days." A checkup along the line the last of the week, however, revealed that workmen had completed wiring only about one-third of the residences to be served by REA. Around 85 homes in this county are listed for service, it was stated.

Due to shortages of material, Forrest said, the contractor is doing many of the short lines, rather than starting a long run which could not be finished. "We hope," he added, "to have all lines now approved completed by the end of the current year."

Fertilizer Returns Handsome Dividends

COLLEGE STATION,—Any farmer is likely to agree that if he could put money in the bank and draw 95 per cent interest, he'd have a very profitable deal.

While he won't find a bank that will offer him a proposition like that, there is a deal that will bring him profits on the same basis, says Dr. Roy L. Donahue, Farm Unit Demonstration supervisor of the Texas A. and M. College Extension Service. And Dr. Donahue is talking about fertilization as a part of a soil building, crop rotation program.

A farmer can put into the soil five pounds of minerals—lime, phosphorus, potash—and take out 100 pounds of dry grass, explains Dr. Donahue. He can look at the 95 pounds as interest on the fertilizer investment. And where does the 95 pounds come from? From the air and water says Dr. Donahue, which the good Lord has provided free. In fact, 95 per cent of the dry weight of plants comes from air and water.

CONSTIPATION Risky in BAD COLDS

Retained undigested food becomes putrefactive, causes toxins, which overload the liver and other vital organs of the body, lessening your resistance to colds and other winter ills and interfering with their treatment. Why take this chance when you can take Calotabs? Calotabs thoroughly yet pleasantly act on every foot of your intestines, sweeping out toxin-laden putrefactive foods and virus-laden mucus, enabling you to more effectively avoid or fight a cold. Nothing acts like good old Calotabs. Use as directed. 10c and 25c at all druggists.

Take **CALOTABS**

OKLAHOMA LANE

The annual Farmer County singing convention will not be held the third Sunday of February since Portales is having a Saturday night and Sunday State Convention.

The date of the Farmer county convention will be announced at a later date.

Mr. and Mrs. W. A. Doshier of Tipton, Oklahoma, are visiting in this community and Portales, N. M.

Bro. and Mrs. Newton Starnes were dinner guests of Mr. and Mrs. F. E. Kepley, Sunday.

The Oklahoma Lane basketball teams were visited by Texico, Saturday night. The junior girls played the first game and the scores were; Oklahoma Lane-27; Texico-7.

The junior boys' games followed by a win over the visiting boys, Oklahoma Lane-25 and Texico-20.

The senior girls game was a close race from start to finish, with the visiting girls downing the Laners by one point; Texico-22, Oklahoma Lane 21.

Louise Rundell spent Saturday night with Jo Veat Billingsley.

Mr. and Mrs. Earl Billingsley held a family dinner in their home Sunday. Attending were Mr. and Mrs. Howard Billingsley and family of Bovina, Mr. and Mrs. Billy Frank and son of Farwell, Mr. and Mrs. Leon Billingsley and Judy, of Oklahoma Lane and the host and hostess, Mr. and Mrs. Earl Billingsley.

Mr. and Mrs. Joe McWilliams, Mr. and Mrs. Hugh Tucker and family, Mr. and Mrs. Clyde Sparks and Mrs. Joe Donaldson visited in the Jessie Terry home Sunday.

Miss Vashti Fowler and Earl Roberts visited in the home of Mr. and Mrs. Jack Roach, Sunday afternoon.

C. W. Grissom and Gloria Kepley of the Oklahoma Lane basketball team were awarded gold basketballs as favors of good sportsmanship. Barbara Foster also of Oklahoma Lane won a gold basketball for making the all tournament girls team.

Mrs. Jesse Terry assisted by Mrs. Joe Donaldson, Mrs. Dick Gerles, Mrs. Jack Roach, Mrs. D. W. Carpenter, Mrs. Harold Carpenter and Mrs. Wendol Christian, sponsored a shower for Mr. and Mrs. Kenneth Watkins of Muleshoe, who were recently married.

Many nice gifts were received.

The Oklahoma Lane Methodist church will have a church night, on Wednesday, February 12, at 7:30 p. m. There will be a devotional meeting and business meeting of the

Board of Christian Education and the Board of Stewards.

A social hour will be conducted by the WSCS. All Stewards are urged to be present.

Ordainment services were held at the Oklahoma Lane Baptist church Sunday afternoon at 2:30.

Services were opened with the audience singing, "There is Power in The Blood", followed by a prayer by Mrs. E. Young.

Those ordained were Paul Young, Dick Gerles and Willie Hardage.

Visiting ministers and deacons included Bro. Hunton J. O. Ford, and Joe McWilliams of Farwell, and Bro. Giles of Bovina.

Bro. Giles gave a short talk on "A Charge to the Deacons and to the Church. Bro. Virgil Hunton delivered the main sermon of the evening.

The song entitled "Footsteps of Jesus" was sung at the close of the

meeting followed by the Benediction by Joe McWilliams.

The Volunteer Mission Band of Wayland College of Plainview, will be at the Oklahoma Lane Baptist church for services Saturday night and Sunday. The young people will be in charge of the programs. Lunch will be spread at the noon hour on Sunday. A revival will follow the special band services. Bro. Benjamin Bedford of Ranchvale, New Mexico will be the speaker during the series of revival services, each night at 7:30.

Mrs. Claude Primrose spent the past week in the home of Mr. and Mrs. Lowell Primrose of Pampa, Texas.

Bob Nichols and Francis Henson of the west coast are visiting in the home of Earl Roberts.

Mr. and Mrs. R. L. Barber of Bovina and Mr. and Mrs. Lloyd Gober of

Farwell, spent the weekend in the home of Mr. and Mrs. Jack Roach.

Mr. and Mrs. W. A. Doshier spent Tuesday with Earl Roberts.

"George Washington's Spies."

When the British enlisted a secret service system in its war against the colonies, General George Washington quickly countered with an American spy network. Read this dramatic account of espionage, plus the colorful story of the famous benedict Arnold Case in the American weekly the magazine distributed with next Sunday's Los Angeles Examiner.

NATURAL GAS

On the Job!

A CROSS the country, 220,000 miles of pipe are laid underground, running from field to market, supplying Natural Gas for domestic, industrial and commercial use throughout the country. Through highly skilled engineering techniques, this choice fuel is transmitted to areas which have no fuel supply at hand. This underground delivery service now accounts for deliveries amounting to more than three and three quarter trillion cubic feet of natural gas yearly, equal in heating value to about 150 million tons of coal. Natural Gas is the fuel that is always on the job. Whether it is traveling to work or actually working, Natural Gas is ready when you need it, in abundance, doing a consistently good and dependable job.

Applying fertilizer and growing soil building legumes is like reversing the process of investment—putting in the interest and drawing out the principal. The interest, in this case, is lime, phosphorus and potash.

Health Notes
By Texas Department of Health

AUSTIN.—Mental disorders today represent a real problem and it is estimated that more than fifty per cent of all hospital beds are filled by persons suffering from mental or nervous diseases, declares Dr. Geo. W. Cox, State Health Officer. It thus appears that modern civilization is exacting a terrific toll. High speed living, with its cruel exactions upon nature, is responsible for a large part of the trouble. But improper personal conduct must also shoulder much of the blame. The fact is that nearly fifty per cent of the patients entering hospitals for

mental disorders are there because of organic or toxic causes.

For example, general paralysis is the direct cause of one-fifth of the mental troubles in males entering hospitals and one-tenth of the disorder for all groups. This condition is an organic disease of the brain due to the germ responsible for syphilis. It is a preventable disease. Early and effective treatment of acquired syphilis will block the end results of general paralysis in the insane.

The excessive use of alcohol is responsible for a number of mental disorders, at least in males. Alcohol and syphilis combined are responsible for approximately one-fifth of the hospitalized insanities. Nevertheless, improper living habits continue to impair many brains. Insufficient sleep, neglect of bodily care and an over forcing of nervous energy are the pitfalls to avoid in this connection.

Nature demands that her fundamental laws be at least reasonably observed. A constant outraging of the physiological economy takes its toll not only in bodies but in minds also. Insanities and lesser nervous disorders could be spectacularly red-

uced if this fact was more generally respected. Training for mental health must be started in childhood as that is the time when corrections can be made to the best advantage.

Fewer Acres, Higher Yields

COLLEGE STATION—Secret to getting higher cotton yields in West Texas is "not so much acreage, and more attention to production per acre", is the belief of Hudspeth County Agricultural Agent C. M. Knight, of Sierra Blanca.

"It's not the big farmers that always make the largest yields per acre on cotton", Knight reports. He points to the case of Marge Guigliardi, Fort Hancock farmer, who owns a "dandy good small farm". Guigliardi produced 145 bales of cotton on 50 acres last year.

Knight says the high yield was a result of "rotation of cotton and alfalfa, and the use of barnyard manure". Guigliardi hauls to his farm all the manure his neighbors will let him have.

Another point in favor of high cotton production per acre in West Texas is the level land, Knight believes. Level land makes irrigation much cheaper and very easily done.

Guigliardi's high yields "prove that it is better to have fewer acres of land and increase the production per acre", says Knight. "It means less trouble, more pleasure and better profits."

A scientist maintains that it isn't the eyes that reveal one's thoughts, but the lower part of the face. Meaning the mouth, of course.

A STITCH IN TIME -

Adequate wiring is like that proverbial "stitch in time."

Today, many businessmen are finding, as they improve their lighting, that present wiring is inadequate. Luckily it costs little to replace present wiring with adequate wiring, but it is frequently troublesome.

The lesson is obvious. If you are building a place of business or a home, check carefully and make sure that you have adequate wiring for today . . . and tomorrow.

PLANT FLOWER BED NOW

COLLEGE STATION.—Gardeners have a wide variety of flowers to choose from that can be started now in frame gardens of hot beds.

Miss Sadie Hatfield, landscape gardening specialist of the Texas A. and M. College Extension Service, lists the following flowers that can be planted this month:

Alyssum, arctotis, babysbreath, blue salvia, calendula, candytuft, Chinese forget-me-not, coreopsis, cornflower, daisy, everlasting, forget-me-not, four-o'clock, gayfeather, hollyhock, larkspur, lobelia, marshmallow, mignonette, petunia, phlox, pinks, rosemallow, scabiosa, snapdragon, stock, sweet pea, sweet william, and verbena.

The landscape gardening specialist warns gardeners that it is easy to start more flower in the hot beds and frames than they really want. She advises careful planning to avoid an over supply.

Sunny Side

(By Sonny Graham)

Farwell, Parmer County, Texas, isn't what you would call a nationally-famous city. However, there is always room for improvement. In order to promote a greater popularity to our small town, why not make it famous? "Easier said than done," say the pessimists. True, but I have an air-tight scheme to make this town renown all over America. Here it is: Why not a candidate for Georgia's governorship?

Foolhardy? Certainly not! Every-one else has tried to be Georgia's governor, why not someone from here? We would be the first town in history to put into office a man who was born, raised, and educated out of the home state.

All we need is a man with integrity, fidelity, verbosity, and able to handle a sawed-off shotgun at close ranges.

Surely the Georgia legislature would sustain out claims to office when we told them of our candidates fine qualifications. For a platform, we could use the song "Atlanta, Ga." and have our candidate audition Ed Hardage's band and tour the state singing. A somewhat unstable platform, but as steady as any I have heard of in Georgia.

With the election of our citizen, occasionally we could borrow our governors' private train, and every-one who had a hand in his election in Farwell and surrounding territories, could take a vacation to Florida, Mexico, California, Alaska, or anywhere our little hearts desired.

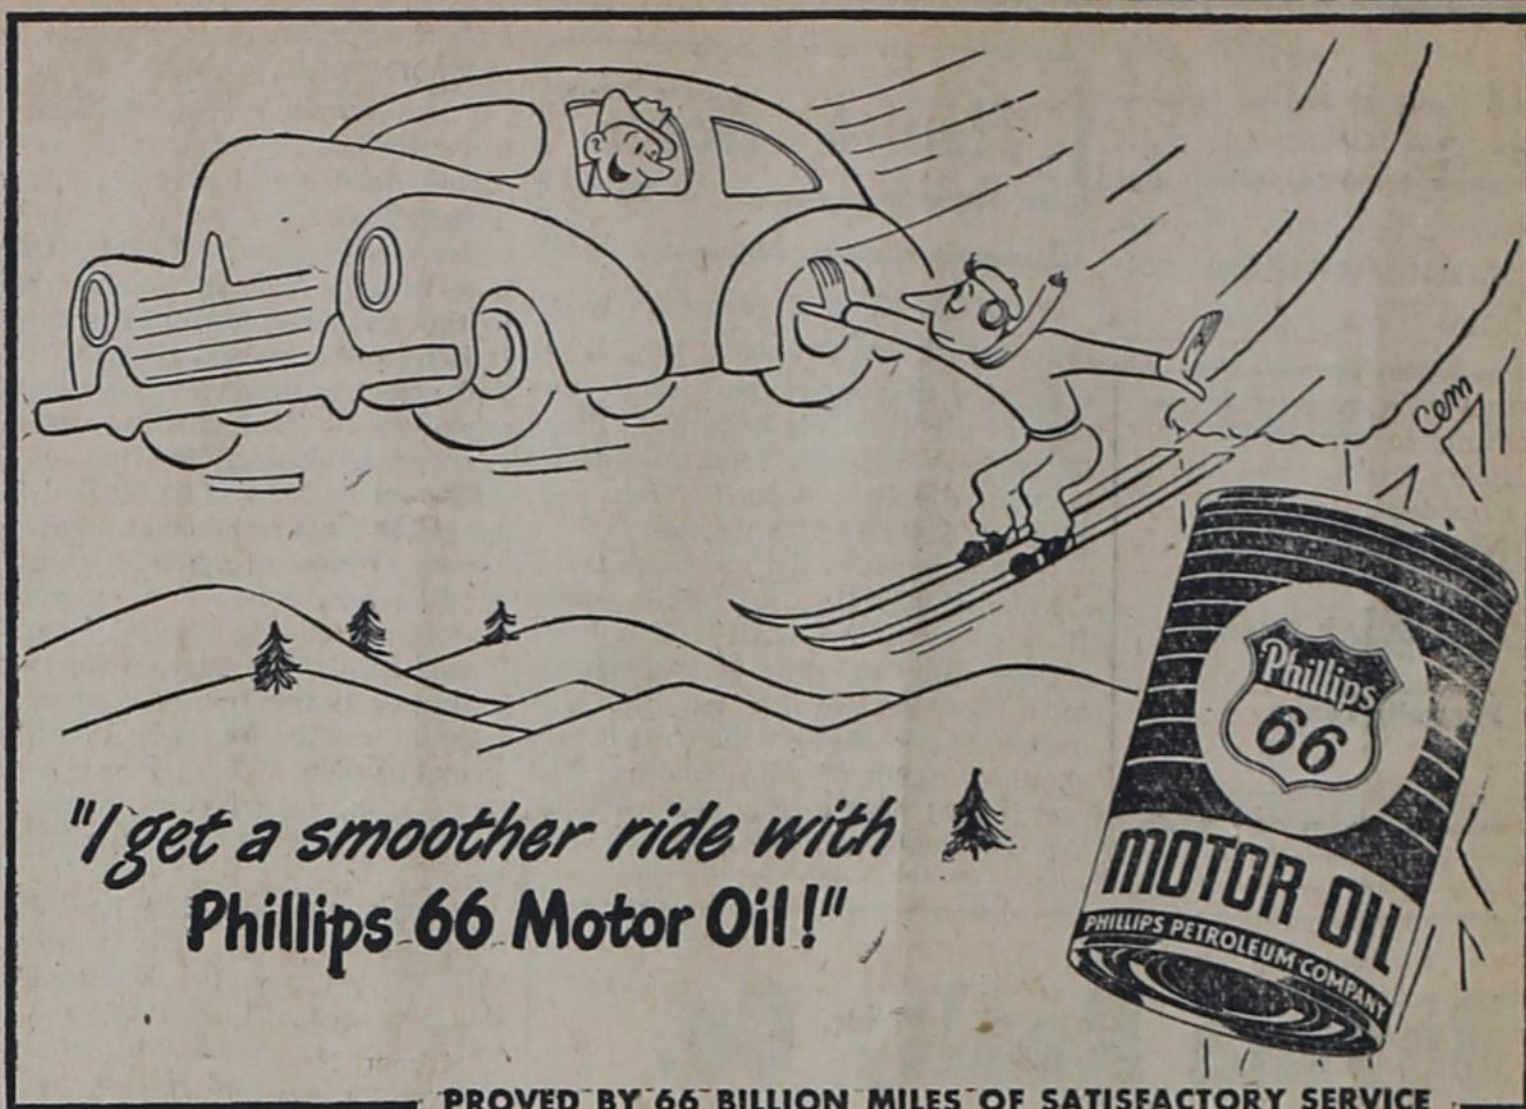

So let's all join hands and get behind a worthy citizen and put him on the ticket in Georgia. Who knows—it might be well worth the effort! (In case Talmadge or Thompson or some other nitwit has been elected to office at this writing, the Governors and Horses department of this newspaper suggest you consign the ideas here expressed to the wastebasket.)

Leadership Contest Held February 5th

The Hereford district leadership contest was held last Wednesday at 2:00, in the vocational agriculture building at the Farwell high school, with four teams competing in Chapter Conducting. Although Friona did not have a team they did participate in the demonstrations.

The contest was supervised by Robert Morton, Vocational Agricultural instructor of Farwell, who graded the competing teams according to their work. Canyon won first place in Chapter Conducting, followed by Farwell, Bovina and Dimmitt.

All District members were picked from the teams which consists of Bob Loe and Hershell Harding, of Canyon. Following the contest, several farm

"I get a smoother ride with Phillips 66 Motor Oil!"

PROVED BY 66 BILLION MILES OF SATISFACTORY SERVICE

demonstrations were presented and the teams graded accordingly. Dimmitt won first place in electric fencing, Canyon took first place in worming of livestock, Friona led in the demonstration of castrating ruptured hogs, Farwell was high in planning farm steads, while Bovina won first place in rope making.

Morton reported that the contests were very interesting and that all the teams did some good work.

Dates Set For Texas Cowboys Reunion

STAMFORD.—Texas Cowboys Reunion directors set the dates for the 17th annual showing on July 2, 3, & 4 in a call meeting of the board.

The American Quarterhorse Association was again invited to hold their 7th official American Quarterhorse Show here in conjunction with the Texas Cowboys Reunion. Among many improvements to be made this year is another stall barn to house the quarterhorses.

Mr. W. G. Swenson, president of the Texas Cowboys Reunion, Inc., was authorized by the directors to make other improvements which have been suggested. A cowboy bunkhouse will be constructed which will contain a lounge room, rest-rooms for both men and women, a powder room for cowgirl sponsors, and a soft drinks sales room. Exhaust fans in the Pavillion Building to provide fresh air at all times is planned. Additional stall barns for cowboys and cowgirls horses, improvements and renovation of bleachers, increase of size and facilities of the cowboy cook shack will be completed before this year's show.

Present at the directors meeting in addition to President W. G. Swenson were: Charles E. Coombes, Roy Arledge, K. K. Francis, A. H. G.

Swenson, George Pryor, and L. M. Hardy.

Girl Scout Activities Of Local Troops

Officers of the Farwell Girl Scouts Association were re-elected at a recent meeting to serve during 1947. These officers are Mrs. Hamlin Overstreet, President; Mrs. Grady Herington, Vice President; Mrs. W. T. North, Treasurer; Mrs. Sam Aldridge, Secretary-Registrar.

Chairmen of Standing Committees were also elected Mrs. Gene Lovelace, Program; Mrs. Roy Cook, Public Relations; Mr. C. M. Henderson, Finance.

The Association voted to hold their regular meetings at six week intervals, the meeting date to be on the Tuesday following six-week exams at the school. Mrs. John Aldridge was named chairman of a committee to study and revise a Constitution for the Farwell Girl Scout Association. This Constitution is to be submitted at the March meeting.

The Farwell Girl Scout Troops I and II will be the guests of the Friona Girl Scouts at a Valentine Party Saturday afternoon at the Friona Women's Club House. The Farwell girls are to meet at the Fox Drug Store in Farwell at 1 p. m. and are urged to be in full uniform.

The three Brownie Troops made Valentines last week and enjoyed Valentine parties at their meetings Tuesday.

The Fourth Grade Brownies are studying Girl Scout Laws, preparing themselves for the "Flying Up" Ceremonies in April when they will become Girl Scouts, Tenderfoot Rank. They will be the first Farwell Girl Scouts wearing the Wings insignia indicating Brownie training. Their leader, Mrs. W. D. Hardage, plans to "fly up" with the troop.

The Intermediate Girl Scouts are all working and studying to attain Second Class Rank so that they can receive their rank at the Court of Honor to be held in Clovis in March.

The program of the meeting this week will include the following activities: International friendship, Mrs. Brewer, adviser; Flag etiquette, Mrs. Cook, adviser; Knots useful to Girl Scouts, Mrs. Seale, adviser.

Mr. and Mrs. W. W. Hall visited with relatives in Amarillo, Sunday.

Local MYF Sponsors Spanish Supper, 17th

The newly reorganized Methodist Youth Fellowship of the Hamlin Memorial Methodist Church of Texico-Farwell has set Monday, Feb. 17, at 6:00 p. m. as the date of an enchilada supper, to be given in the basement of the local church.

At a meeting last Sunday evening at the church, the young people secured the services of Mrs. Dick Walker to help prepare the supper and outline the menu. Enchiladas and chicken pie are to be served as a dish, complete with beverages for 75c a plate. Tickets for the supper can be obtained by contacting any of the young people or Rev. Harvey Carrel, pastor of the church.

The purpose of the occasion is to help raise money for the youth department.

Texico Alumni Plans Banquet March 14

Joe Blair, president of the Texico High School Alumni, announced today that plans were being made to hold the annual alumni banquet on Friday, March 14th.

The annual get-together of Texico graduates was planned for last December 23, but was called off when heavy snows made it impossible for some to attend. All ex-students and teachers are being invited to be present. The banquet will get underway at 8 o'clock, and a cover charge of \$1.25 per plate is being made. Invitations are being mailed this weekend, Blair said.

Local Girl Pledged To Pi Epsilon Organization

PORTALES.—Eight Eastern New Mexico College secretarial science students were pledged to Pi Epsilon sorority recently. The organization is an honorary group and requires a "B" average to be eligible.

Students meeting the requirements and accepted as pledges were Vera Mae Smith, freshman, Portales; Beryl Brown, freshman, Texico; Jimmie Alford, freshman, Causey.

Grace Melendez, freshman, Frowell; Jean Woodburn Henderson, senior; Helen Christian Warnica, freshman; Martha Brown, freshman; and Ruth Mauldin, freshman, all of Portales.

Mr. and Mrs. Claude Thomas and Edna Ruth of Fields, N. M., Mrs. Horace Sihloss of Hereford, Mr. and Mrs. Olen Scheuleter and Peggy, and Mr. and Mrs. Bunk Phillips spent Sunday with Mrs. Alvenia Sharpe.

Minister Lewis Cox, J. W. Magness, T. E. Levy and Sam Randol attended a business meeting at the Church of Christ in Portales, Sunday.

Junior Ambassadors Honored With Supper

The Junior Royal Ambassadors of the Baptist Church were guests Monday night to a supper given by the Brotherhood, held in the basement of the Baptist Church.

Special recognition services were held in the honor of those who had advanced in rank. Those receiving rewards were Deon Branscum, Jerry Jackson, Allen Lockhart, Jimmy Don Moss, Jerry Max Poteet and Robert Tucker.

Other boys present were Sammy Cox, Walter Curd and Dick Lockhart.

The Royal Ambassadors will meet in the home of Mrs. John Lockhart on Friday evening for special Valentine project and all members are urged to attend.

Is Visiting Parents

Pvt. Bill Martin, who has been stationed at Fort Lewis, Washington, for the past few months, arrived in Farwell last Thursday to spend an eighteen day delay enroute to Camp Kilmer, New Jersey, with his parents, Mr. and Mrs. V. L. Martin of southeast Farwell. He is scheduled to report for duty the first part of next week.

Martin had completed his basic training before his transfer. He is with the Army Engineers.

PTA Meeting Will Be Postponed

The Tribune was asked to remind everyone that the regular meeting of the PTA of Farwell, would be postponed until the next regular meeting night.

The Chamber of Commerce is sponsoring a banquet on that night and the meeting was postponed in order that everyone could attend the banquet.

Visits Hot Springs

Mr. and Mrs. W. H. Graham and daughter, Sammie Lee, returned home Sunday evening from a weekend pleasure trip to Hot Springs, N. M. They report very delightful weather down in the Rio Grande Valley, with an overflowing crowd of visitors in the health resort. Suitable accommodations were almost out of the picture. Persons planning to go to Hot Springs are advised to insure reservations before making the trip.

Son Born To Kessies

Mr. and Mrs. W. A. Kessie, Jr., of Canadian Texas, have announced the arrival of their firstborn, Charles Logan, on Monday, February 3rd. The young man weighed 6½ pounds at birth. Mrs. Kessie is the former Miss Lovilla Clay, who spent several years here with the FSA office.

Mrs. Sanders Improving

Mrs. Grace Sanders, former local resident, who sustained injuries in a car wreck near Friona two weeks ago, is convalescing at the Deaf Smith County Hospital in Hereford. Mrs. Sanders received a fractured hip, and will likely remain in a cast for another week, attending physicians indicated.

Mr. and Mrs. Walter Hardage and children were Amarillo visitors Saturday.

Miss Martha Webb, from the Portales Orphans Home, visited in the home of Mr. and Mrs. Walter Hardage, over the week-end.

BTU ENJOYS PARTY WEDNESDAY NIGHT

Mmes. N. E. Bonds, Tidenberg, Bowen, Grey, and Giles were co-hostesses to a lovely party given for the Baptist Training Union, at the home of Rev. and Mrs. Giles Wednesday night. Various games were played, one out-standing game, the men chose their partners and had to try their hand at costume designing as they had to take news papers and pins and pin the dress on the ladies. George Trimble took high prize. Wonder if him being a tailor would have had anything to do about that? Refreshments were served to Mr. and Mrs. Bradshaw, Mr. and Mrs. George Trimble and Loyce Marie, Evon.

Sonnie and Alfred Lee Moody, Mr. and Mrs. Van Bowen and Kay Collins, Mrs. Vernon Ward & Billy, Mrs. Charlie Grey and Mr. Lawrence Grey, Mrs. Arnold Hromas and Charley, Mrs. N. E. Bonds, Mr. and Mrs. Hillary Tidenberg and Phyllis Kay Stagner, Patricia Sue Cherry, Billy Ray Horton and Audry Boxford and Rev. and Mrs. Giles and two children.

SUB DISTRICT MEETING OF MYF OF METHODIST CHURCH

Sud district meeting of the MYF of the Methodist church met at Earth, Texas, Wednesday night, February 5th. The various churches represented were as follows: Y. L., Progress, Oklahoma Lane, Friona, and Bovina. Those who represented Bovina were, Charles Ross, Nancy Lou Williams, Jerry Jones, Durward Bell, Delores Wilson, Fred Hoffer, J. R. Ellison, Bobby Berggren and the sponsors, Mrs. John Wilson and Mrs. W. E. Williams. After the business meeting was held, the Friona group had charge of the program. Following the program the young people assembled in the basement for the recreational hour.

Refreshments of sandwiches, potato chips and punch were served. The next sud-district meeting was voted to be held at Friona, Texas.

MRS. CHARLES HOSTESS TO WSCS WEDNESDAY

Mrs. Wilbur Charles was hostess to the Womens Society of Christian Service, on Wednesday, February 5th. They met in an all-day meeting. A lovely luncheon was served at the noon hour. After dinner the evening was devoted to the WSCS opened by prayer by Mrs. Louis Pesch. Special lessons on Africa, given by Mrs. John Wilson. Then the business session.

Those attending were: Mesdames Bridges of Texico, I. W. Quickel, Mable Newberry, Hoppingardner, Lloyd Batty, Doris Wilson, Frank H. Wilson, Louis Pesch and the hostess, Mrs. Charles.

The GRAHAM-HOEME PLOW

WE HAVE 'EM ON HAND

Manufactured by GRAHAM-HOEME PLOW CO., Inc. AMARILLO, TEXAS

Self Sharpening Points • No Side Draft
Extra Light Draft • Nothing to Grease
Plows All Types of Land Without Adjustments
Prevents Erosion by Wind and Water
Cuts Plowing Cost in Half
Doubles Sub-Soil Moisture
BUILT TO LAST A LIFETIME
KEEP VEGETATION ON TOP
Nature's own method is to keep vegetation on top. That cuts down evaporation, keeps the soil in place in spite of heavy winds. The Graham-Hoeme Plowing Method with the two-inch chisel, as shown in illustration, permits water to by-pass the top soil into the sub-soil. It's a moisture storage center.

PROVEN FACTS

On the average, enough rain falls on your farm every year to make fine crops. But, after the first few minutes of rain a smooth surface seals itself, causing run-off. It has been scientifically proven that the same field will NOT seal itself when plowed with the Graham-Hoeme All Purpose Plow with a 2-inch chisel furrow every 12 inches. This method by-passes the rainfall through the top soil and keeps a straw mulch on TOP. Upwards of three times the moisture enters the ground.

If the next day is fair and hot, the bare soil would soon be steaming and losing its moisture rapidly. BUT NOT IF THAT GROUND IS COVERED. The Graham-

Hoeme Plow leaves vegetation on top to shade and protect, and moisture stays in the soil longer to bridge between rains.

These are not just opinions, but proven facts. A covered corrugated field in a good, brisk rain, will absorb 200 per cent more moisture than a bare field and 60 per cent more than a field with vegetable matter plowed into the surface. To supply this covering for the soil without the expense of artificial cover, and to place the soil in a condition to by-pass the moisture through the top soil is the purpose and achievement of the Graham-Hoeme Plow.

C. R. Elliott Company

BOVINA, TEXAS.

THE MAVERICK

Hairbrain Harry (Part IV)

SYNOPSIS: Slick Slime, unscrupulous lawyer of Polecat Gulch, has given fair Gravel three days to make up her mind on the question of marriage or mortgage.

Slick Slime mounted his Sherman-Williams and rode away to town, leaving Gravel much saddened by his demands.

However, Hairbrain soothes her feelings by reminding her that if she feels blue, just try a dose of Salsasser, (that's Nature's spelled sideways.)

The following day finds the boys at the ranch going about their usual chores, pitching goatshoes and enjoying a game or two of mumble-peg. Saddling up his Cushman, Hairbrain resolves to ride into Polecat Gulch and have it out with Slick. Upon his arrival at the metropolis of the desert, he observes Slick playing penny-ante in the "Dead Men Have No Tales" saloon. Depending upon the element of surprise, Hairbrain steals silently upon his opponent. Suddenly Slick whirls draws his seven shooter, and fires. When the commotion dies down, all the bar flies are singing "Smoke Gets in Your Eyes". Has our hero been dealt a fatal blow by this cunning lawyer? Don't miss the next thrilling episode!

Dear Abigale & Phoebe,

I like a boy very much. He is 16 and I am 15. When we meet he is cold shouldered (that is, in public) but when I see him while no one else is around, he is very friendly. I know he likes me and the feelings are mutual, but should I snob him too?

Please help me, WORRIED.

Dear Worried,

I will give you a few suggestions, you should get with him sometime when no one else is around and ask him what his idea is, try to break the ice and tell him if he likes you to be nice to you all the time not just when the two of you are together. By all means act nice to him, for he should appreciate that. Wishing you Luck.

Abigale & Phoebe.

Home and Community by Mary Ruth Petree.

The community has responsibilities to the home which most homes could not be without. It protects the home by having a sheriff to enforce the laws, making laws to protect the people and also by having an insurance agency to insure homes, properties, cars, and etc. The community has facilities to make conveniences such as lights, water, gas, sewage and garbage disposal possible in the home. Most communities have recreational facilities. The people can get enjoyment out of these. There are organizations such as Churches, boy and girl scouts, mens clubs, women's clubs, parents and teachers associations, chamber of commerce, etc. The community would not be a very good community without them.

The homes have responsibilities to the communities which make it a better community in which to live. Without homes there would not be a community. There is public property in the communities which should be taken care of and not damaged by the people, because after all this property is really the people's property. Care should also be given

to our own premises. When there is a worthy project in your community, do you get behind it? You should! The community needs help to control all disease. You should quarantine your home when some of your family has a disease than can spread. If you obey the laws of your community your children and probably other people will follow suit. If any of your law enforcing officers ask you for help, give it to them. Don't persecute laws you don't know anything about, they were probably made for your own good. You should maintain your community's standards.

I should try to help my community in every way I have mentioned and any other way possible now and I will be a better citizen tomorrow.

First Grade—

We are quite anxious for Doyle Goldsmith to get back to school. He has been out three weeks.

Cleovis Byford come to our room this past week. She is from Clovis.

Connie Potts is pretty proud of Steven Kent, her new baby brother. We hear about him every morning.

Johnny Armstrong spent Tuesday in Lubbock.

Big plans are being made by the boys and girls in our room for the Valentine party, Friday. We hope Doyle, Martha and Gary will be back for that.

Danny Loe is going to have her tonsils out Wednesday. We will miss you, Danny. So hurry and come back.

Second Grade —

We enjoyed a picture show in the third grade room last week about pets.

We are glad Darry Lynn is back after a week's absence. Also, we are glad Angela is here again.

We hope Odie, Elmo and Arlin Lee will soon be back.

Friday is Valentine Day and we are going to have a party in our room. We have been making Valentines.

Today is Elaine's and Jerry's birthday. They are eight years old. We wish them many more happy birthdays.

Third Grade —

Last week we made a Movie on our pets at home. We invited the 1st and 2nd grades in to see the pictures and hear the stories. We hope they enjoyed it as much as we did getting it ready.

We plan to have a Valentine Party Friday. We will make our box Tuesday.

Eddie Brian is absent today.

Joe Roark's, Grandmother is very ill at this writing.

Gerald Hardage went to Amarillo with his mother and came home with some new boots.

Who ever borrowed our Log Cabin on Lincoln's life, when they are through with it, would you please

return it to the third grade room? We need it this week.

Sixth and Seventh Grade —

We have a new boy in the sixth grade. His name is Tommy Crow.

We wonder how Lou Ellen and Bob G. are getting along????

We are decorating our room for Valentines Day. We are going to have a box and a party.

SCANDAL —

Poor Ivydell. Valories trying to get Charles since she moved away.

Well, we wonder who Joan Allison really does like, first it's Orie, Gerald Norton then Arthur Storrs. Which one Joan?

We just discovered two new love birds, Hazel and A. C. poor Dwight! Irene and Alvah are still going strong, accidents will happen you know.

Wonder how Rosie enjoys staying at home, since her mother is punishing her? What about it Mrs. Booth?

Girls, Don Ford is still on his own. What about it? (Grab him Hettye) Alta and Herman are still desperately in love, it really looks it doesn't it?

Cary Joe is really happy, now that Lone is back again and Cary Joe has a smile again!!

Pauline and Wanda can't see Kenneth and Fred, now that they can't go skating. (?) or can they?

Wilda what is this we hear about you going with Howard Hamm, Sunday night???

Week-long Celebration Scheduled For April

SAN ANTONIO—This city is planning to stage its annual Fiesta de San Jacinto in April on a grander scale than ever before. It will be the

fifty-second year in which it has paid homage to the heroes of San Jacinto and the Alamo with a week-long celebration.

The fiesta will be held from April 21 through 26 and will be highlighted by solemn patriotic memorial services, brilliant parades, magnificent river spectacles, stirring massed band events, "royal" processions and numerous private parties, conventions and other events. Special events are being planned for every day of the week.

Traditionally, the fiesta week program opens with the inspiring pilgrimage to the Alamo, in which floral tributes are carried to the "Shrine of Texas Liberty" in memory of Texas heroes who died for independence. Public officials, old trail drivers, civic and patriotic organizations, cowboy groups, distinguished military leaders and thousands of school children take part in the procession. Other highlights of the week's program will be the entry of King Anto-

nio XXV, who will preside over the festivities; the famed "Battle of Flowers" parade, the band fete in Alamo Stadium, the coronation of the Fiesta Queen and a trades display parade. King Antonio will arrive in a brilliant procession on the San Antonio river. Bands from high schools and colleges from all parts of Texas will be seen in the band fete in Alamo Stadium.

Veterans who have been denied Veterans Administration benefits for which they have filed claims may appeal to the Administration of Veterans Affairs for final decisions by the Board of Veterans Appeals.

Family Sugar Bowl Gets New Lease

WASHINGTON, — The family sugar bowl took a new lease on life Thursday, thanks to government action pushing validation of the next sugar ration stamp ahead one month. The new sugar stamp will become valid April 1. It will be worth ten pounds of sugar instead of the traditional five. It's number will be announced later.

As a result of this action, sugar obtained with stamp 53, which became valid Jan. 1, must be stretched over only three months instead of the scheduled four. Stamp 53 must be used by March 31 to avoid confusion which might result if stamps of different value are in use at the same time. After that date it will be void. Ration officials said they doubled the value of the new stamp and all those succeeding it to stretch out the supply of unused sugar stamps. This served to avoid the considerable expense of printing and distributing new ration books.

The doubled ration also will help to compensate for the lack of a home canning sugar allotment, which is being eliminated this year.

Although officials refused to commit themselves, it appeared likely that they are getting ready for a sizeable increase in the household sugar allocation.

Fords Feature Automatic Windshield Washer

An automatic windshield washer, now being marketed by the Ford Motor Company through its authorized Ford and Lincoln-Mercury dealers, is designed to insure clear driving vision in bad weather.

When the windshield becomes clouded, the driver presses a button on the instrument panel and a spray of solvent enables the windshield wiper to wash it clean of dirt, dust, bugs and mud. A winter solution,

prepared especially for use in freezing weather also is available.

Ford parts and service officials emphasize the safety factor in the new device, which reduces the hazards of driving when visibility is poor.

Questions and Answers For Dischargees

Q. May I claim my husband as a dependent in my income tax report, even though he is receiving compensation for disability incurred while in the service during World War II?

A. A veteran's compensation or pension is not subject to Federal income tax. Therefore, if you are the family breadwinner you may claim exemption for him.

Q. May I transfer part of my eligibility for education and training to my wife who is also a veteran but who does not have sufficient entitlement to complete her college course?

A. No. A wife, even though she is a veteran, cannot use any part of husband's entitlement under the Servicemen's Readjustment Act.

Q. For how long can I carry the World War II National Service Life Insurance that I bought while in service?

A. National Service Life Insurance is issued originally upon the 5-year level premium term plan, which was extended three years for all policies issued before January 1, 1946. However, veterans have the privilege of conversion after one year from date of issue to permanent plans. The law provides that all level premium term policies shall terminate at the expiration of the term period unless exchanged for permanent policies on or before the expiration date. If term insurance has been converted, it remains in effect as long as the premiums are paid.

Mr. and Mrs. Harold Dixon of Albuquerque visited with relatives here Thursday.

SPORTS

Oklahoma Lane Plans Basketball Tourney

Postponed early in January on account of weather conditions, the Oklahoma Lane school will be host to an invitation basketball tournament on Thursday, Friday and Saturday, Feb. 13-14-15.

Brackets were drawn early this week, with eight boys teams and seven girls teams being entered. The double-elimination method will be used with the losers in the first games playing losers for consolation placings, and the winners playing winners for first places.

In the boys' bracket, Lazbuddy and Muleshoe will tangle in the opener at 7 p. m., Thursday, to be followed at 9 o'clock with the Bovina B team meeting the Farwell B aggregation. Friday's opener will be between Adrain and the B string from Oklahoma Lane at 7 p. m., with Bovina and Oklahoma Lane meeting at 9 p. m.

The quarter-finals will get underway Saturday at 11 a. m. when the losers in the Bovina-Oklahoma Lane game meet the losers in the Adrain-Oklahoma Lane B contest. At 12 noon Saturday, the losers of the Muleshoe-Lazbuddy game will meet the losers in the Bovina B-Farwell B go. Next will come the winners of the Muleshoe-Lazbuddy fray meeting the winners of the Farwell B and Bovina B tussle.

The semi-finalists will square off at 6:30 p. m. Saturday to be followed by the finals at 8:30 p. m.

The opening gun in the girls' bracket will be at 6 p. m. Thursday with the Muleshoe team meeting the Oklahoma Lane lassies. Bovina drew a bye in her first game. At 8 Thursday Farwell and Lazbuddy will tangle. The next game will be between the winners of the Oklahoma Lane - Bovina B and Bovina. Winners will play winners and losers will meet losers in the remaining games of the tournament with the finals set for 7:30 Saturday night.

An admission charge of 25 cents will be made to students and 40 cents for adults.

Texico-Oklahoma Lane In Triple Header

Last Saturday night, the Texico Jr. boys and girls and the Sr. girls, paid a visit to Oklahoma Lane, to drop two games and win one. Both the junior boys and girls lost to their opponents by a good margin, while the Sr. girls won by only one point.

The final score for the junior girls was 27-7 in favor of Oklahoma Lane, while the junior boys settled for 15, and their opponents racked up 25 good ones.

The local senior girls ousted the Oklahoma Lane girls with the final score of 22-21, both teams were missing part of their players, who were visiting the tournament at Muleshoe.

Texico Drops Two Games To Rogers

Both the "A" and "B" string boys of Texico, were defeated in a two rounder, with the Rogers "ten" basketballers last Friday night, Feb. 7th, on the local court.

The first game was between the

Opening Of Curry County Tourney

Thursday, February 13th is the date for the Curry County Athletic Association basketball tournament to start, which will be held in the Clovis Junior high school gym, beginning at 7 o'clock the Ranchvale girls will meet the Grady girls, to be followed, in the same bracket, by the Pleasant Hill and Texico girls. The third and final game for the evening, will be the Grady boys meet the Rosedale Cowboys.

Beginning Friday, at 1 p. m., the winner of the Ranchvale and Grady girls will play the Rosedale girls, who drew a bye in the first round. In the second round, the Melrose Buffaloes will meet the Ranchvale Trojans, followed, Friday night, by the Field girls, who also drew a bye, will tackle the winner of the Pleasant Hill and Texico girls. At 8:15 the Pleasant Hill Indians and the Texico Wolverines will battle it out.

Beginning Saturday afternoon, the Semi-finals, will be played, in the boys bracket, also the consolation finals in the girls bracket, while the evening session will bring on the finals of the boys games. To be followed, at 9:30, with the championship finals in the boys bracket.

Those who will officiate the games are Charles Fischer, David Covington, and Charles Holmes, with Bill Hall, of Grady as time keeper.

"B" string boys, with Rogers taking the honor by one point, with the final marks of 14-15.

Bobbie Potete was high point man for his team, with 11 counters to his credit, while Whissel was high for the Rogers boys with 8 points.

The first string lineup did not do so well in holding their opponents to a close score, as did the "B" string but did put up a good battle, to lose by 11 points with the Wolverines counting 37, while Rogers marked 48. The game was a good one and all the players showed plenty of sportsmanship.

Fought was high point man for the Wolverines, with 19, followed by Baldoock with 9 points from Rogers. McCormac led for high points of the game with 22 counters to his credit, followed by Harris with 8.

David Covington officiated the games.

Farwell Splits Two With Lazbuddy

In their last conference game of the season, the Farwell Steers won over the Lazbuddy Longhorns 39-19, in the Farwell gym last Friday night. The Farwell girls were unable to do as well as the boys, and went down under the Lazbuddy attack 19-33.

The opening minutes of the first quarter of the girls game put Lazbuddy in an early lead over their opponents by ending that period 2-6. Lazbuddy pushed still further ahead in the second to outscore Farwell 15-7. Both girls' teams did additional scoring in the third; ending that period 15-33. The visitors clinched the game in the final go-round of the fray by trimming the locals 33-19. Crain of Lazbuddy was leading scor-

er of the game, bagging 15 points, pulling alongside Morton 11-12. Morton and Meeks and M. Petree tied for Farwell with 8 each.

In the main event of the evening, which placed the local boys against the visiting Lazbuddy aggregation, Farwell took a running start on her opposition, holding the Longhorns down 11-4 in the first quarter. Both teams did a good deal of shooting in the second, but the Steers were again able to outscore the visitors, the score set at 19-9 at half time.

The third quarter sowed a repetition of the preceding rounds, going to Farwell by a margin of 25-16. Farwell buckled down in the last mile, using some subs who accounted quite well for themselves by racking up enough points to polish off the game and mark the tally at 39-19, Farwell.

Hart of Farwell hit 10 points for his team, and Conser of Lazbuddy led their attack with 8.

Grhame of Hereford refereed the game.

Steers Bow To Morton Last Thursday; 21-13

Taking their second defeat of the current season, the Farwell Steers were smothered by the crack Morton team 21-13, in their first round of the Muleshoe Invitation Tournament. The battle was fought in the Muleshoe gymnasium Thursday afternoon at 3:00.

Previously, the Farwell quintet had defeated the Morton boys in a hotly contested ballgame in the local tournament held here; 29-30. Despite this early pre-game edge, the Morton team came back in strength to take the game and put the Steers out of the Tournament running.

Both teams showed their strong defensive status in the initial quarter, doing little shooting and setting the score at 6-9, Morton. The second quarter showed less scoring than the first, but the ball-handling contest between the two teams kept the period interesting. Morton was still ahead at half-time; 8-11.

The Steers showed renewed determination to pull ahead of their opponents in the third quarter letting them score only one free shot and

last meeting, were C. M. Henderson, H. Y. Overstreet and John Aldridge.

Former County Agent Buys Into Rowland Co.

Jason O. Gordon, former county agent, of Parmer County, has bought half interest in the Rowland Company, in Lubbock. Mr. Gordon served as county agent for Parmer County from 1936 to 1941, when he took up like duties in Floyd County, where he served till 1944 then went to Lubbock to take a job as county agent of that territory until last week, when he resigned to go into business for himself.

The Rowland Company deals in livestock supplies, fertilizer, and insecticides.

AMERICAN LEGION MEETING LARGEST

The American Legion of Farwell, met Thursday night, February 6th, with the largest attendance since the local post was organized. There were several business men present, which shows that everyone is interested in the progress of the Legion and are helping with contributions for the purpose of building a hut, which is badly needed.

The Legionaires invite all non-members to meet with them, and assist in the drive in any way. The local post is getting off to a good start and now is the time to keep pushing toward the objective.

Those who were visitors at the last meeting, were C. M. Henderson, H. Y. Overstreet and John Aldridge.
