

COAST GUARD SCHOOLS AT SEA . . . From the bowsprit of the coast guard cutter Eagle, new training bark for cadets of academy at New London, Conn., the ship exhibits its manifold. The Eagle came from Bremerhaven, Germany, where she was taken over from the defunct German navy. During World War II the ship was the German training vessel for naval officers and was named the Horst Wessel.

Rains Offset Damage Caused by Hail

Make Preparations for Wheat Storage

Despite the damage occasioned by hail stones over this section during the past week, the opinion is generally expressed that the accompanying rain will more than offset the damages done by the hail when the losses and benefits are balanced against one another in a county-wide basis.

Two rather severe hail storms have swept Parmer County wheat fields during the past week, but both of them appear to have been confined to limited areas. Last Wednesday night a heavy hail claimed some of the best wheat in the Lee Sudderth neighborhood, six miles northeast of Farwell. On the same night, fields were damaged in scattered sections southwest and northeast of Texico.

Then on last Friday afternoon, several farmers in the Oklahoma Lane-Midway section lost heavily from a hail that swept that section. Most of the damaged area lay east of the Oklahoma Lane School and west of the old Midway school location. Some fields suffered losses that were reported up to 100 per cent.

Offsetting this damage, was .77 of an inch of moisture that seems to have covered the entire county pretty thoroughly. Some localities report considerably heavier moisture.

Hail also hit in several spots over the county over the weekend, but damage is not reported to be extensive.

The month of May has brought 4.32 inches of rainfall, as recorded in Farwell, and the overall wheat picture is the best ever known at this time of the year. No rust has been reported in this county, but farmers are saying that the wheat is approaching the stage when continued rains will induce rust in the fields.

With all indications pointing to a record wheat crop in Parmer County, elevator men and farmers alike are now making arrangements to store the vast crop in the face of a predicted car shortage when the crop begins to move by the middle of June.

Elevator men contacted this week say that all their bins are being cleared of stored wheat and arrangements made for the utilization of every inch of storage space for this year's crop. In Farwell and Bovina additional storage space is being provided and hope was expressed this week that all new additions would be ready to accommodate the crop. J. P. Macon of the Macon Elevator at Bovina, who is increasing his storage to 110,000 bushel capacity, said that his elevator will be ready to go "in another week." Lee Thompson, manager of the Bovina Wheat Growers, said that his enlarged elevator will be ready this week. The capacity is being increased to 50,000 bushels.

In Farwell, C. M. Henderson of the Henderson Grain and Seed Company, expressed confidence that his new storage facilities, increasing his capacity to half a million bushels, will be ready when the wheat begins to roll.

The new Sherley elevator, with a 200,000 bushel capacity being erected at Bovina, is being rushed to completion. But delays, occasioned by material shortages and weather conditions, have slowed the progress, and it was being feared that this job would not be completed as early as had been planned. Most of the concrete structure is up, but installation of machinery will require several weeks yet. However, a 24-hour schedule is being maintained and every effort is being made to have the new grain storage ready when harvest begins.

In addition to the work being rushed by elevator men, individual farmers, foraging a bountiful crop, are making arrangements for storage on the farms. Gene Lovelace is building an elevator on his farm just north of town and many more farmers are getting smaller granaries in shape for storage.

Plan New Church At Lariat By Early Fall

Minister Ebb Randol of the Lariat Church of Christ announced today that the Lariat congregation was planning a new church building at this place. Plans for the new building were completed at a meeting of church officials Monday night, he added.

The new structure will be 42x66 with a main auditorium and four-class rooms. A baptistry will also be installed, he said. Minister Randol said that it would likely be early this Fall before actual work will begin.

Plans now call for the present building to be sold and a new building in its entirety to be erected.

NEW ARRIVAL

Mr. and Mrs. Glen London, who reside in Clovis, owner and operator of the City Cafe in Farwell, announce the arrival of a son, born at a Clovis hospital last Thursday night. The infant weighed eight pounds and 14 oz. at birth and was named Jackie Dean.

Arrested In Houston On Swindling Charge

C. C. Dooley has been apprehended in Houston, and transferred to a jail in Fort Worth, where he is being held for Parmer County on a charge of swindling with worthless checks, local officials announced here.

Dooley is alleged to have passed two worthless checks to two separate Friona parties in the purchase of automobiles, officers stated. One of the checks was for \$400 and the other was drawn for \$450. Officials expressed the opinion that Dooley would be returned here to face the charges.

Attending Annual Church Meeting

Rev. Harvey E. Carrell, and Mr. and Mrs. B. N. Graham are in Carlsbad, N. M. this week, attending the meeting of the New Mexico Annual Conference of the Methodist Church, which opened in that city Wednesday.

Rev. Carrell closed out his conference year here last Sunday, and will be up for re-assignment at conclusion of the conference. The board of Stewards of the local church has asked for his return for another year. In speaking of his appointment for next year, Rev. Carrell merely stated that "that was in the hands of the Bishop."

When English peas are grown under warm weather conditions, they need an application of dusting sulphur once each week to prevent powdery mildew.

Rev. Sharpe Speaker For Texico Grads

Rev. Luther Sharpe, pastor of the First Presbyterian Church, Clovis, was the highlight speaker at the commencement exercise at the Texico School, last Thursday night, using for his subject, "Dreams."

Rev. Sharpe started from the time of the first landing of the Pilgrims to the present day events of country wide interest, using the word 'dream' all the way through, stating that man has dreamed from the beginning of time, giving dates through history, starting with the forming of the landing of the Mayflower at Plymouth.

"Everyone has dreams and from the time of record, many of the prominent men have brought to reality, their dreams," stated the speaker, "including the forming of the constitution, the making of laws that effects a body of people, a nation or nations."

He talked on the forming of the United States Constitution, which was framed at Philadelphia in the year 1776 by a convention called because of the failure of the Articles of Confederation to provide an effective national government, stating that the forming of this constitution and the making of amendments, were the dreams of men, as we are today.

"Some people dream of higher education, and services they may render to their country, while others dream of religion and means in which they may make the best use of it." The speaker stressed the fact that from childhood until we are through here on earth, we are surrounded with dreams, along various channels, mentioning that we, as Americans, have dreamed of safety and security for many years; until the day of Pearl Harbor, after which our dreams were shattered, and we realized

Rev. L. B. Collins of Dallas, who is doing the evangelistic preaching at a revival meeting now in progress at the Texico-Farwell Baptist Church.

Revival Opens At Baptist Church

With Rev. L. B. Collins of Dallas, doing the evangelistic preaching, a revival meeting opens tonight (Wednesday) at the local Baptist Church and will continue through June 1st.

Rev. Virgil E. Hunton, local pastor stated that arrangements had been made for special youth conferences and the young folks will also be assembled into a special choir.

Services will be held twice daily during the revival, at 10 a. m. and 8:30 p. m. (Texas time). The pastor extends a cordial invitation to all people of the Texico-Farwell community to attend any and all of the services.

Local Pastor Attends St. Louis Convention

Rev. and Mrs. Virgil E. Hunton of the Texico-Farwell Baptist Church, returned home Thursday from St. Louis, where they were in attendance at a meeting of the Southern Baptist Convention.

"I believe I would be safe in saying that it was the greatest and most successful convention we have ever held," Rev. Hunton said upon his return.

Rev. and Mrs. Harlod Dye of the Central Baptist Church in Clovis, and Rev. H. R. Starling, assistant pastor of the First Baptist Church, Clovis, accompanied Rev. and Mrs. Hunton on the trip. They returned home via Dallas, where they attended business matters and had a brief visit with relatives, including the Hunton's new grandbaby.

Mr. and Mrs. Wiley Culbertson, of Blair, Oklahoma, visited early this week in the home of his sister, Mrs. O. C. Pullum. Mrs. Pullum's mother, who has been here the past several weeks, returned to her home in Blair with them.

No Local Stops Listed For New Fast Train

Local persons desiring passage on the Santa Fe's new fast train, the Grand Canyon, to be placed in service on one 8th, will have to catch it at Clovis, it was revealed here today when the schedule was released.

In fact the new train will make only three stops as it sweeps across the Texas Panhandle, and only two stops in New Mexico. The schedule calls for stops at Pampa, Amarillo, Hereford in Texas; and Clovis and Belen in New Mexico.

As originally announced the train will replace the present Grand Canyon Limited and will make available a much faster train, without extra fare, between Chicago and the Pacific Coast. Courier-Nurse service and a complete range of sleeping car accommodations including drawing rooms, compartments, bedrooms, roomettes, open section berths and streamlined coaches. It will be diesel powered.

Minor changes in the schedules of east and west bound Scouts will also be made, which will be announced later.

Biggest Wheat Crop Predicted For Panhandle

Robert E. Ford, Associated Press staff correspondent, has compiled the following comprehensive survey of the wheat situation in the Texas Panhandle and comes up with the conclusion that this area will produce the biggest wheat crop in history.

By ROBERT E. FORD
AP Staff Correspondent

Texas wheat farmers this week were gazing at the skies and keeping their fingers crossed while a bumper wheat crop stood in the fields at the mercy of the weather.

Particularly in the Panhandle, grainmen chortled at their prospects of a big yield, extensive acreage and a price that a few years ago was too fantastic for dreams.

Only on the southern fringes of

the Texas wheat belt was there gloom, for around Abilene and Big Spring, blistering suns and moisture sucking winds had cut deep swaths into what had promised to be a bumper crop.

Farther north, rain, not drought was the only specter troubling grainmen's dreams. The panhandle and North Texas needed dry, clear, warm weather for the wheat to mature properly.

Rust, a disease that comes with too much moisture and which can destroy square miles of wheat had appeared on the North Plains.

Hail damage this year has been light and spotted but it remains a threat until the grain is harvested.

Farmers faced the problem of what to do with the bumper harvest if it materializes. Boxcars are too few to haul the crop and storage space is

insufficient.

The Department of Agriculture may forecast a Texas wheat yield of 112,425,000 bushels this year, nearly 10 per cent of the national estimate and 37 percent above estimates made April 1.

The Panhandle alone will harvest 75,000,000 to 80,000,000 bushels, private forecast indicated.

Areas whose crops mature first will get their wheat moved by boxcar, railroadmen indicated, but at that, it was anyone's guess as to the transportation situation.

Members of the Southwest Shippers Advisory Board estimated last Thursday in a meeting at Oklahoma City that the five states represented by the board would need 15 percent more freight cars during July, August and September than were seeded last year.

Price for cash wheat at Fort Worth Saturday (May 17) was \$2.83-\$2.85, but from this must be deducted 20 cents or more for transportation, plus several other costs.

Farmers' estimates of the price they will receive at their nearest grain elevator when the crop starts rolling range from \$1.90 to \$2.25 per bushel.

Harvesting will get underway in about two weeks with binders probably being the first to move. Later, combines will start work, and by June 10-15 the harvest is expected to be in full swing.

Contributing to the big Texas crop is the increased acreage. The Department of Agriculture estimates that wheat acreage this year in Texas is 7,382,000 compared with last year's 5,992,000 and an average of 4,409,000.

"Cost of Choices" Sermon Theme to Bovina Graduating Class of '47

Using the words of David from the 15th verse of the 106th Psalm, Rev. George D. York, pastor of the Bovina Methodist Church, brought an inspiring message to the fourteen members of the Bovina graduating class, who sat in a semi-circle directly in front of the speaker's stand in the Bovina High School auditorium last Sunday morning.

"He gave them their request, but sent leanness into their soul," reads the verse which the speaker used as his text, and observed at the outset that "in turning through the dry pages of history we have always noted that man has always had the night and privilege of choosing what he wants to do." Then turning to a more sober thought, he added, "Choice always finds a price attached."

Explaining that he wanted to "talk directly to this graduating class," the pastor invited the large audience "to listen in with us."

He referred to the choice of the children of Israel who wanted to escape the Egyptian bondage, which meant that "they had come to a decision," and for them was the greatest thing they wanted." Then turning to the cost they paid for that liberty, he recalled the many years of wanderings in the wilderness. "He gave them their choice but sent leanness into their souls."

Making the application, the speaker observed, "just as sure as we pursue any one desire, we are going to have to pay the price for that desire." Citing King David as an example, Rev. York pointed out "he seemed to have everything that would make a man happy. . . but in conclusion it was a different story."

"A desire for a life of ease is no new desire. . . men all ages have had this desire. . . yet if we will turn to the Book of Life we will discover that such choices were unwise ones."

Comparing the lives of two great men, the speaker referred to Benedict Arnold and St Paul. He observed that Arnold was "possibly one of the greatest men to cross the pages of American history. . . he began to look for a life of ease. . . this life of ease brought him every thing he desired. . . yet when we turn to the final chapter of his life, we hear him saying, 'Would to God that I had never been born.'"

Emphasizing that "these characters are not fictional, but real," he then paraded another character across the scene. He reviewed briefly the life of St. Paul, and characterized him as "the most despised man of his time. . . yet in the final chapter of his life we hear him saying, 'Be not ashamed of the testimony of the Lord.'"

In conclusion, he warned again that every desire must be paid for. "This is the end and this is the beginning. . . Tomorrow you go forth with a burning desire. . . weigh well the cost of your desires."

FAIR BONDS FAIL
The voters of Curry County have apparently turned down a fair grounds bond issue on the basis of early, incomplete returns in a special election held Tuesday. With three boxes still out the vote stood: 252 for the issue, and 385 against. Melrose voted almost solidly against the \$100,000 bond issue.

Edd Eason Passes Away In Arkansas Hospital

Edd Eason, age about 45, who had made his home in Farwell for the past several years, passed away in a hospital at Heber Springs, Ark., on Monday, May 12, after an extended illness.

Eason had been suffering with a heart ailment for some time, and a few months ago he disposed of his holdings here and returned to his old home in Arkansas in order to get in a lower altitude. For a time his condition improved, but his health had been failing gradually since the first of the year and the end came 13 days after being removed to a hospital.

Funeral services were conducted at the First Baptist Church in Heber Springs on May 14 by Rev. Othar Smith, pastor, assisted by Associational Missionary Rev. W. H. Lansford. Burial took place at Heber Springs.

He is survived by his wife, Mrs. Dorothy Eason of Heber Springs; one brother Carrel Eason, Edgemont, Ark.; one sister, Nellie Brady, Rison, Ark.; a half sister, Mrs. Dona Stark, Miller, Ark.; one half brother, Bob Eason, Texico, N. M., and a number of other relatives.

B. L. Hillock, father of Mrs. Eason Ernest Hillock and family, and Myron Hillock and family, all of this city, were present when Mr. Eason passed away. Mr. and Mrs. Otto Hillock did not arrive in Heber Springs until after the funeral.

Governor Mabry Visits Texico-Farwell Thursday

Governor and Mrs. Mabry of New Mexico were visitors in Texico and Farwell last Thursday morning, making informal calls at local places of business.

"We are just out getting a little fresh air, awaiting time for a luncheon engagement in Clovis," the Governor said as he alighted from his large automobile. Mrs. Mabry remained in the car and conversed with passersby as the car stood parked at the curb.

Governor and Mrs. Mabry were Clovis residents before they were married, 31 years ago, and frequently visited here back in those days. The New Mexico Governor was unaccompanied on their call here.

ACA News

Harold W. Carpenter, Secretary

You still have about a month left to patch up that old granary to where it will hold wheat. From all indications, we'll need every old hull made ready in order to save this wheat crop. It isn't the largest acreage Parmer County has ever had, but it's crowding it pretty close. Our records show 226,195 acres reported for this year's harvest with a few farms not reported estimated at 8,000 acres or more. In addition to this, farmers over the County will harvest an estimated 5,000 acres of pretty good volunteer wheat. Although this acreage is approximately 4,000 acres short of last year's record acreage, favorable weather conditions have given us a chance at a much higher average yield and therefore more bushels to take care of.

A breakdown of the wheat acreage in the seven school districts in the County look like this: Rhea, 21-177, Friona, 82,574, Black, 10,593, Bovina, 33,619, Oklahoma Lane, 24,072, Farwell, 16,407 and Lazbuddy, 37,750.

The 1947 loan value on wheat, based on 90% of parity, will be released by Commodity Credit Corporation on June 15. The loan program will be administered about the same as in previous years with loans being made on both warehouse and farm stored wheat and will be open until the first of next year.

We have no way of knowing exactly what the loan rate will be this year, but a wild guess would be \$1.70 per bushel as compared with \$1.48 of last year.

Planting is due to start all over the County as soon as the ground dries up.

Don't forget to contact the local office for prior approval for payment of contour farming row crops before you fire up. Drop us a card or come in some day to request this assistance.

Questions and Answers For Discharged Vets

Q—Will the government pay for a correspondence course at the same time it is paying my tuition in night school?

A—The government will pay for the correspondence course only if you are unable to obtain such instruction at the school you are attending. In addition, such course must be in lien with your general educational objective.

Q—I am a World War II veteran and would like to know if I can get a guaranteed loan to pay off a debt that is past due?

A—Yes. It can be arranged under certain conditions. Your lender will be able to advise you concerning them.

Q—What must a veteran, who has lost his original discharge, do about getting a replacement?

A—He must apply for a certificate in lieu of the discharge paper from the branch of the service from which he was discharged.

Q—Will a certified true copy or a photostatic copy serve in place of the original discharge paper in getting a guaranteed loan?

A—No.

Q—What loans can be insured by Veterans Administration?

A—Any loan eligible for guaranty is eligible for insurance when made by a supervised lender.

MARCUS ICE AND PRODUCE

Farwell, Texas

and Thomas T. Reagan GREETINGS:

You are commanded to appear and answer the plaintiff's petition at or before 10 o'clock A. M. of the first Monday after the expiration of 42 days from the date of issuance of this Citation, the same being Monday the ninth day of June, A. D., 1947, at or before 10 o'clock A. M., before the Honorable District Court of Parmer County, at the Court House in Farwell, Texas.

Said plaintiff's petition was filed on the 26 day of April, 1947.

The file number of said suit being No. 1398.

The names of the parties in said suit are: L. E. Meeks as Plaintiff, and A. H. Neil, Harry R. Neil, Ed T. Massey, Richard A. Tudor, H. R. Neil, F. C. Herbert, Felix C. Herbert, and Thomas T. Reagan and the unknown heirs, assigns and legal representatives of the aforesaid defendants and Waples-Platter Grocery Company, a domestic corporation as Defendants.

The nature of said suit being substantially as follows, to wit: Plaintiff brings this suit in trespass to try title alleging that on April 1, A. D., 1947, he was the owner in fee simple of the following described lands:

Lots 30, 31 and 32, Block 17, Original Town of Farwell, Parmer County, Texas

and that thereafter on the second day of April A. D. 1947, the defendants and all of them entered upon and dispossessed him of said land.

He asks for damages in the sum of twenty dollars and for title and possession of said lands.

If this Citation is not served within 90 days after the date of its issuance, it shall be returned unserved.

Issued this the 26th day of April A. D., 1947.

Given under my hand and seal of said Court, at office in Farwell, Texas, this the 26th day of April A. D., 1947.

ARMY UNVEILS CAREER PLAN

Washington—A career plan for Army enlisted personnel providing a merit system of promotion, opportunities for specialized education and commissions in the Officers' Reserve Corps and the Regular Army will be placed in effect early next year.

STOP MUSTERING OUT PAY

Washington—The War Department has asked Congress to repeal the payment of mustering-out pay for all persons entering the active service on or after the first day of the first month following approval of the proposed act.

DEADLINE FOR WOUNDED VETS

Washington — Partially disabled combat-wounded veterans of World War II now have until June 30 to apply for reenlistment in the Regular Army and retain the grade which they held at time of discharge.

Social Security Act Provides More Money For Retired Workers

A change in the Social Security Act that will benefit a number of retired workers in the Texas Panhandle Area was made by the 1946 amendments to the Act, according to an announcement made today by John R. Sanderson, Manager of the Social Security Administration office in Amarillo.

The amendment provides that the retirement payment may now be refigured as of the date which will give the highest benefit rate. This provision will provide a raise for those who waited for some months after retirement or after leaving covered employment before filing this Social Security Applications. Retired workers who think that this provision might cause an increase in their payments should get in touch, in person or by mail, with the nearest Social Security Administration office at once.

Although this amendment gives added protection to the retired worker, it is still advisable for each worker to contact the Social Security Administration when he becomes 65 years of age and to file his claim as soon as possible after retirement. Any Social Security Administration field office will furnish assistance in filing.

Another Parasite?

COLLEGE STATION—Texas stockmen may have another cattle parasite problem on their hands.

In a report received by the Texas A. and M. College Extension Service, entomologists of the U. S. Department of Agriculture state that they have discovered in Florida and Texas an African cattle parasite, the "tail louse". The scientists say that heavy infestations of the lice can be a serious threat to cattle production. The lice sap cattle of their vitality and can make them too weak to wall if infested heavily.

How the louse got to the United States is a question, the entomologists say. Previously, it was known to exist only in West Africa, where it was discovered in 1915. It has been most recently reported in Texas.

The lice infest the brush of the animal's tail, and Florida cattlemen have named it the "tail louse". Stockmen can recognize serious infestations by the matted appearance of

the animal's tail.

The USDA entomologists say that sprays containing 1.5 per cent DDT in a wettable powder form, have proved to be effective means of controlling the louse. They state that although the tail is the central point where he lice gather, spraying the entire animal thoroughly is advisable. One and one-half to two pints of spray per animal is usually enough to do the job.

All In Six Months

COLLEGE STATION—Milk companies in the Panhandle are saying that Wheeler County farmers have made more progress in dairy development in the last six months than most counties make in two years.

In September of 1946, relates Wheeler County Agricultural Agent J. H. Martin, there are only four grade A dairies in the county. The last time he made a count, which was near the end of March, there were 25 in operation and six others going up. The dairymen are now shipping milk to Amarillo and Pampa that will reach a 3,000,000-pounds per year mark.

Dairy farmers have brought over 400 head of dairy cows into the county in the last few months, the county agent says. Many of the producers have bought registered females as a foundation for their herds, and high quality sires are in wide use throughout the county.

The herds are made up of both Jerseys and Holsteins.

County Agent Martin, whose office has assisted the dairymen by sponsoring dairy schools to bring producers up on recent information, reports that milk company representatives are surprised at the work accomplished by the dairymen. They have made two year's progress in six months.

SELF-GOVERNING UMT COURT

Old Rigs Feature of Lubbock Parade

LUBBOCK, TEXAS—A colorful parade of the Old West featuring \$100 in cash prizes for the best old time rigs will open the 1947 ABC Rodeo in Lubbock, June 11-14. The parade will be at 2:30 p. m. and will be led by the Amarillo Range Riders.

Gene Autry, stage, screen and radio star, will be presented as the top attraction of the World's Championship Rodeo from the Lightning C Ranch in Dublin, Texas. This is the same rodeo that is presented annually in Madison Square Garden in New York.

With the possible exception of merchant floats, there will be no motor driven vehicles in the parade. Lambert Eaton, chairman of the rodeo parade committee, urged all people owning covered wagons, buggies, buckboards, stagecoaches or any other type of old time vehicle to enter the old timers contest. Contact him by writing in care of the ABC Rodeo Committee, 1007 Main, Lubbock, Texas, or by telephone at Lubbock 4651. He also issued a special invitation to people owning horses and to roping clubs to join the parade.

Marketing eggs at least once a week will help to reduce the loss in quality due to thin egg whites.

Bovina Happenings

SENIOR TRIP
By Bobbie Edwards and Louise Fuller

The Seniors of Bovina High have returned from their Senior trip. Everyone enjoyed themselves very much, but was glad to get back to Bovina.

The Seniors left Bovina, Sunday morning, May 11th, at 5:30 a. m. We drove to Trinidad, New Mexico and ate dinner there. We arrived at Pueblo, Colorado and spent the night there.

We left the next morning for the Royal Gorge and went across the beautiful Suspension Bridge, the highest in the world, spanning the great abyss of the Gorge. We also went down the Incline to the bottom of the Gorge, claimed to be the steepest in the world. This was a very thrilling trip.

We then continued on toward Denver. We stopped at Canyon City and visited the Colorado State Prison. Everyone bought souvenirs in the Prison Curio Shop.

We arrived at Denver, Monday night, and spent Monday and Tuesday night there. While we were in Denver, we visited the Colorado State Museum, the Colorado Museum of Natural History, the Mint, the State Park, and the State Capital. All this was very interesting.

From Denver, we returned to Pueblo and ate dinner. We arrived at Raton, New Mexico and spent the night. We went to the show near-

ly every night of our trip.

We then returned to Bovina at 3:15 p. m. Thursday.

We wish to thank the School Board for making this trip possible, and also Vernon Ward for driving the bus, and Mr. and Mrs. George Trimble for going as chaperons.

PINK AND BLUE SHOWER

A pink and blue shower was given in the lovely home of Mrs. O. W. Rhineheart on the afternoon of May 15th, honoring Mrs. R. W. Standefer. Co-hostesses were Mrs. Hester Rhineheart, Mrs. Otho Hammonds and Mrs. Gladys Tidenberg.

Various games were enjoyed during the afternoon, followed by a dessert course served to the following: Mesdames R. W. Standefer, E. V. Isham, M. Hammonds, Earl Richards, Otho Hammonds, Harvell, Flossie Rhineheart, Gladys Tidenberg, June Rhodes, Gladys Everett, L. Williams, Mrs. O. W. Rhineheart.

Regrets were sent by: Mesdames N. E. Bonds, J. Sam Gaines, E M Ware, Lacy Armstrong, Aubrey Brock, Lulu White, Bill Bradshaw, Paul Jones, Tom Hastings, Doris Wilson, Alice Moore, Esther Eberling, J. C. Denney, Pearl Hammonds, Luther Johnson, Buck Ellison, Charles Ross, Clarence Jones, Vernon Ware, Elton Venable, Otie Ellison, Eunice Thornton, Willie Fuller, Edith Cherry.

BUFFET SUPPER GIVEN BY FRESHMAN CLASS

Mrs. Thornton, and the freshman homemaking class, gave a lovely Buffet supper in the home economics department at school on Monday evening of this week. Hostesses to the affair were Midgie Tritsch, Patsy Nan Eberling, Janean Ellison, Dorothy Ann Moorman, Almeda Huff, Gladys Hopingardner, Patsy Loflin, Audrey Lea Boxford, Roberta Boatman, and Rowlene Hawkins.

Spring flowers and pastel colored candles were used as decorations, and the program consisted of music and singing. Their guests for the evening were: Mrs. Cherry, Mrs. Rhodes, Mrs. A. J. Ellison, Mrs. Williams, Miss Louise Moody, Rosa Lee Denny, Lera Dell Cherry, Martha Williams, Beth Hardy, Sara Marie Venable, Patsy Ellison, Mr. Standefer, Mr. Williford, and Mr. Thornton.

A very lovely time was reported by all.

Inell Elliott spent the weekend at home in Bovina.

Local Happenings

Farwell Juniors-Seniors Enjoy Trip

The Junior and Senior Classes of the Farwell High School returned late Monday morning from a short vacation trip to Ruidoso, N. M.

The group left early Friday morning in the school's new 40 passenger bus, and students reported that in the early stages of the trip, things didn't look so good as far as weather was concerned—they were soaked three times on their trip up. Things rounded up pretty well though, and all the kids had a swell time.

The announcement that they would return home early Monday morning was not exactly welcomed by all, but blistered faces, aching muscles, sore hind-ends from riding horses, and extinguished money supplies prevented the voicing of much opposition from the group.

Seventeen class member and their sponsors, Mr. and Mrs. Jack Williams and home economic teacher Ann Nabors made the trip.

Mrs. J. M. Carrell, mother of Bro. H. E. Carrell, pastor of the local Methodist Church, will return to Snyder, Texas following a week's visitation in the home of Bro. Carrell. Bro. Carrell and his wife will then go to Carlsbad to the annual conference and Kathy and Horace Lynn, their small children, will visit their grandmother in Snyder.

Paul-Smotherman Exchange Vows

Jerry Paul, son of Mr. and Mrs. Rupert Paul, of Texico, and Miss Minnie Smotherman, daughter of Mr. and Mrs. F. H. Smotherman, also of Texico, were united in a simple single ring ceremony, last Sunday afternoon, at 2:00 o'clock, at the Texico-Farwell Baptist Church.

Rev. Virgel E. Hunton officiated the ceremony, with only relatives and a few close friends present.

Frances Smotherman, brother of the bride, acted as best man and Mrs. Dorothy Hallman, sister of the groom, was matron of honor. The bride wore a navy blue street length dress with white accessories, including a white carnation corsage. For something new—her dress; something borrowed—a sweetheart bracelet, belonging to Mrs. Jimmie Charles; and for something old, she wore her mother's ruby ring.

The bride's mother wore a black and white pin-checked, tailored dress with a corsage of deep pink carnations. Mrs. Rupert Paul wore a black crepe tailored dress and a pink corsage, while the matron of honor was dressed in icicle blue with white accessories and a deep pink carnation corsage.

A reception was held later, in the home of the bride's parents, where the couple cut the first piece of a three tier wedding cake. Mrs. Jimmie Charles presided at the punch bowl and Mrs. Dorothy Hallman served the cake.

The young couple were graduates of the 1946-47 class of the Texico School and are very active in the young peoples' society.

They will make their home west of Texico, where they have built a home near the groom's parents.

Mr. Tom Mordecia of El Paso, Texas, is visiting here, in the homes of Mrs. Alvenia Sharpe and Mr. and Mrs. A. F. "Bunk" Phillips, Jr.

Ruth Sunday School Class Meets

The Ruth Sunday School Class of the Baptist Church, met last Monday night in the home of Mrs. Marie Cox, with Mrs. Mary Whitley as assistant hostess, and with the Victor Class as guests.

After the business meeting, a social hour was enjoyed and refreshments were served to the following: Mesdames Evelyn Hadley, Margaret White, Kathryn Lockhart, Morene Davis, Juanita Pruitt, Billie Phillips, Onie Bradshaw, Alvina Sharpe, Lucy Brown, May Porter, Currie Hamrick, Hazel Lance, Lois Smith, Dickie Magness, Jack White, Susie Schlueter and the hostess, Marie Cox and Mary Whitley.

Fish Fry Enjoyed At M. E. Church

Fifty people gathered in the dining room of the local Methodist Church last Wednesday evening, where they enjoyed a generous fish fry, the compliments of Mr. and Mrs. W. H. Graham.

About 50 pounds of fresh catfish was served to the visitors. With Mr. and Mrs. Graham furnishing the fish, other attendants brought salads, bread and desserts, to round out a generous luncheon. Following the feed, Rev. Carrell conducted the concluding lesson study on race relations.

Mr. and Mrs. F. H. Smotherman of Texico, left Tuesday for a two-weeks vacation in California, where they will visit their daughter, Mrs. G. A. Wilcox, and other relatives in Bakerfield.

Mrs. Modina Hardberger spent last week in Morton, where she visited with relatives and friends.

Glenn Barlow, who is employed by the Santa Fe Railroad, and is working at the Farwell-Texico depot, left last Wednesday night, for Liberal, Kansas, for a ten day vacation, where he will visit his parents.

Miss Eunice Humphrey of Texico, is recuperating from a major operation, in the home of her mother, Mrs. Dane Humphrey, at Progress.

Mr. and Mrs. Orval London, of Amarillo, were here visiting relatives, over the week end.

The County Clerk's books reveal that marriage license were issued May 9th, to Jack N. Tedford and Miss Betty M. Hassell; May 12th, to Stephen F. Bratina and Miss Birdie Dreyes, and on May 15th, to Jerry Paul and Miss Minnie Smotherman, of Texico.

James Frances, son of Orval Frances, is here from Hot Springs, where he will spend several weeks visiting his father, after which he plans to enter school at the Colorado University sometime in June.

Ted and Elane Magness, children of Mr. and Mrs. Joe Magness, underwent Tonsilectomy at a Clovis hospital last Thursday.

Lee and Lynn, small daughters of Mr. and Mrs. Lee McElroy of Brownfield, Texas, spent the weekend visiting in the home of Mr. and Mrs. John John Aldridge of this city while their father was on a fishing trip to the mountains.

Mrs. M. C. Roberts has gone to Dallas, Texas, to visit a sister. After a short stay, she will continue to Greenville to visit her mother and father. From there her mother will join her and both will make the trip to Kentucky to see Mrs. Robert's brother. Final lap of the extended journey will take them to Chicago, Ill., to visit her son Bill, and his wife. Bill is attending school in Chicago.

Jimmie Temple of Albuquerque, spent last weekend in the home of his grandmother, Mrs. J. C. Temple.

Texico-Farwell Teachers Have Varied Plans

The teachers of the Texico and Farwell Schools have announced a variety of plans that they will use to spend the summer months. Many of them plan to return to school for further work in getting their degrees, and some will take short vacations and return home to spend the summer.

Mr. B. A. Rogers, superintendent of the Texico School, announced that he and his family will make a hurried trip to Florida, then remain home where he will keep up with his school work. Mr. C. E. Sanders stated that he has no plans for anything but rest throughout the summer. Mr. Warren G. Harding will work on his masters degree at Texas Tech and Mrs. Frank Seale plans to remain at home. Mrs. Jimmie Allman, who lives in Clovis, plans a quiet summer at her home.

Miss Mable Davis will spend the vacation season with her parents, in Mountaineer, New Mexico. Mr. Horace Woodburn has no plans other than to stay in the quiet of his home, in Portales. Mrs. Neill will go to Colorado for a short visit with her husband, then attend school at the E. N. M. C.

Superintendent H. A. Clift of the Farwell schools has not come to any decision as to what he plans to do as yet. Vocational Agricultural teacher Robert R. Morton will take a short course in marketing under the Swift Co. in Ft. Worth, about June 7th. In August he will spend a week in Summer Conference and a week of encampment with the F. F. A. boys. The rest of the time he will be on the job, working with the ag. classes. Jack Williams plans a short visit with his parents in Hollyce, Oklahoma, where he will attend Alumni Day of the school from which he graduated. The date for the annual affair is June 6th.

Mrs. Harry Rose, whose home is in Clovis, has no plans other than to be a full time housewife. Mrs. Lenton Pool expects to go to school at E. N. M. C. Miss Ann Nabors will work through the summer with home activities, and conduct a summer class for a short time. Wilma Snyder plans to go to E. N. M. C. Mrs. Mike Tarantola will spend a few weeks with her mother in Weatherford, Texas, and if her plans are not upset, will leave for Japan some time in June to be with her husband.

Mr. S. C. Leach states that he has no plans, other than to visit with his parents in Ft. Worth and Mrs. Leach's parents in Weatherford, after which they will return here. Mrs. Earl Booth will remain at home with her family. Mrs. Harry Whitley stated that she has no plans but to remain home for the summer.

HERE ON BUSINESS

Mr. O. T. Loyd of Smyer, Texas, who was selected to head the Farwell School as Superintendent for next year, his and mother, Mrs. F. A. Loyd and sister, Miss Silvia Loyd, were here Thursday, attending to business.

Mr. Loyd will take up his new duties July 1st. Mrs. Loyd will also teach here, but no definite plans have been made as to what subjects she will have.

GET NICE CATCH

Olen Schlueter, Texico farmer, and Jack Sprague of Clovis, returned home the first of the week from a successful fishing trip to Elephant Butte Lake in New Mexico. Olen says only, "we got our limit," adding that they brought in one 24-pound catfish. They also took some bass and crappie, but the bulk of their catch was catfish, taken from the upper end of the lake on trotlines.

SHOWING PROGRESS

The basement for the American Legion Hut has been completed as far as the excavating is concerned and is ready for the pouring of the concrete.

Progress on the building has been held up due to the weather, but it is expected that the erection will get underway within a few days, as plans are being worked out for the completion of the building.

LEVY BROUGHT HOME

County Commissioner T. E. Levy, who has been in Las Vegas, N. M., under treatment of a lung specialist, was returned to his home the latter part of last week and is reported to be showing satisfactory progress at his home east of town. Willis Magness and Leonard Ginnings drove to Las Vegas and returned Mr. and Mrs. Levy here.

MOVES TO NEW MEXICO

Col. Dick Doshier, of the Doshier-Francis Commission Company, announced that he and his family have moved to their new home, three miles South and West of Texico.

A GOOD INVESTMENT...

About the best investment you can make before putting your planting seed in the ground, is to see that they have been properly treated.

Coppercarb and Ceresan are the recognized treatments... and we have both in stock, ready for you.

RED + PHARMACY

The Doshers have lived in the Lariat Community for the past fifteen years, but having recently sold his place and bought one in New Mexico, where they will make their future home.

Mrs. Edwin Campbell and baby of Hollene, spent Monday in the home of her mother, Mrs. Albert Thomas, in Texico.

Mr. and Mrs. Clifford McGuire, of Coachella, Calif., are visiting here with relatives, Mr. and Mrs. H. H. Henson and J. E. McGuire and family.

SPECIAL YOUTH NIGHT AT PENTECOSTAL HOLINESS CHURCH

Thursday night of this week has been designated as "Special Youth Night" at the Bovina Pentecostal Holiness Church where special revival services are currently in progress, according to announcement by the Rev. D. R. McNew, pastor.

Invited workers of the campaign, The Rev. and Mrs. Samuel J. Todd, of Tallapoosa, Ga., will conduct the Thursday evening services around the "Youth Night" theme. Mrs. Todd, in charge of Junior Services at 8 o'clock each evening will present the theme of "The Living Christ—The Christ of Youth" in a special service featuring Technicolor Slides. At the 8:30 hour, the Rev. Mr. Todd has announced that the subject will be: "What Christ Would Preach to American Youth."

The pastor and Church extend a very special invitation to everyone in the Bovina vicinity as well as elsewhere to attend these services throughout this week beginning at 8 and 8:30 p. m. respectively.

ANNOUNCEMENTS

Mrs. E. T. Caldwell announces that she will begin her Summer Class in Piano at her home, the first week in June. Will also teach classes for Pre-School and early grades in Piano, Singing and Rhythm Band. Please register on or before May 31st. All students registering are invited to her home on May 31st at 4 o'clock for opening party.

IRRIGATION FOR PLAINS

COLLEGE STATION—What does agriculture on the High Plains of Texas need in order to stay permanently on an even keel?

Many Hockley County farmers think the answer is irrigation, says Hockley County Agricultural Agent, A. B. Forehand. They believe that irrigated pastures, hay crops, cotton and grain sorghums will keep Plains agriculture on its feet, and tend to prevent the livestock industry from falling up in the future.

Since equipment and labor have become more plentiful, Hockley County farmers are becoming irrigation conscious. County Agent Forehand says that by the time the year is out thousands of acres of dry cropland in the county will be fed by irrigation wells.

Some of the problems to be worked out in putting a farm under irrigation are: separating types of soil on one farm into different plots or fields, so the use of water will be most efficient; laying out rows which will have the proper slope and still be spaced so they may be worked with four-row equipment; building elevated ditches and sub-ditches to carry the water; and locating well sites. The county agent says all these points must be considered if a farmer puts in a proper irrigation system.

Ann: "This dance floor is certainly slippery, isn't it?"
Dan: "It isn't the dance floor dear, I just had my shoes shined."

Customer: "Are you sure these are new potatoes?"
Grocer: "New. Why, lady, they haven't even got their eyes open yet!"

Grandmother: "My dear, if I had worn the sort of dresses you young girls do now..."
Granddaughter: "What, Granny?"
Grandmother: "What a grandfather I could have given you!"

And what driving pleasure we can give you, if you come here regularly for gas oil and lubrication and for the many helpful services we provide. It pays to drive in here.

Parmer Among Highest Sorghum Producing Counties of State

LUBBOCK, TEXAS—Nine of the ten top ranking grain sorghum producing counties in Texas for 1945 were on the South Plains, according to figures recently released by the United States Census Bureau.

No. 1 county in the state was Lamb which grew 5,614,128 bushels of grain sorghum. The only county off the South Plains to break into the first ten was Nueces which raised 2,493,000 bushels and ranked ninth.

Other South Plains counties and their rankings were Terry, second, 5,149,219 bushels; Lynn, third, 4,685,052 bushels; Lubbock, fourth, 4,462,905 bushels; Bailey, fifth, 4,071,344 bushels; Hockley, sixth, 3,827,482 bushels; Dawson seventh, 3,125,906 bushels; Parmer, eighth, 2,919,001 bushels; and Castro, tenth, 2,464,483 bushels.

The South Plains produced 57.5 per cent of the state total of 94,389,395 bushels of grain sorghums during 1945.

Underground Hangar Facilities

Washington—Complete underground facilities for the protection of military aircraft and final aircraft assembly as insurance against any future air attack are being considered by Air Forces military strategists.

OFFICERS' CANDIDATE SCHOOL

Washington—Qualified civilians as well as enlisted men now in the service will be eligible to attend Army Air Forces and Army Ground Forces Officers' Candidate Schools beginning in July. A pay increase setting the minimum student pay scale at Staff Sergeant level has also been announced.

All-Purpose Poison For Bean Pests

COLLEGE STATION—This year, for the first time, Texas vegetable growers can have an all-purpose poison that promises to control all the major insects and diseases that hit snap beans.

The remedy, says Entomologist Paul Gregg, of the Texas A. and M. College Extension Service, is merely a new mixture of three already well-known materials—DDT, rotenone and sulphur. Proportions of the mixture are one part 3 percent DDT, one part of one half of one percent rotenone and two parts sulphur. The DDT kills leathoppers and beetles, including the black-spotted mahogany-colored bean beetle that feeds on the plant leaves; the rotenone gets plant lice; and the sulphur controls the disease, powdery mildew.

Recommended time for dusting the mixture is two weeks before the beans bloom, says Gregg, followed with a second application when the crop is in full bloom. If the dust is applied before the bean pods are formed, it cuts down danger of trouble caused by poisonous residue left on the crop.

Gregg emphasizes that the mixture is an all-purpose insecticide only for the one crop, beans. But in field trials conducted by the U. S. Department of Agriculture last year, the DDT-rotenone-sulphur combination upped bean yields as much as 57 to 99 bushels an acre.

Health Notes

By Texas Department of Health

AUSTIN—If every case of suspected communicable disease could be promptly visited either by the family physician or the local health officer, thousands of susceptible persons would be protected from disabling illnesses, according to the State Health Officer.

To quote Dr. Geo. W. Cox, "The old fashioned theory that it is a good thing for children to have a number of the catching diseases and get them over with, has long since been known to be a serious and sometime fatal error. The longer a child can keep from having these diseases, the better it is for him. Every child should be completely protected by vaccination or inoculation against any such diseases where an immunity can be produced."

Prompt diagnosis, isolation, good medical and nursing care give the patient the best chance for a satisfactory recovery without the serious complications that sometimes accompany even the mild forms of communicable diseases. Dr. Cox emphasizes that obeying the public health laws regarding isolation and quarantine of communicable diseases protects not only the patient, but helps prevent others from contracting the illness.

LEGAL NOTICES

SENATE JOINT RESOLUTION NO. 4

proposing an amendment to Article VII of the Constitution of the State of Texas by the addition of two new sections to be known as Sections 17 and 18 providing a special fund for the payment of Confederate pensions and providing a method of payment for the construction and equipment of buildings and other permanent improvements at state institutions of higher learning; providing for a five-cent reduction in the maximum allowable state tax on property; providing for an election and the issuance of a proclamation therefor.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Article 7 of the Constitution of the State of Texas be amended by adding thereto Sections 17 and 18 which shall read as follows:

"Section 17. In lieu of the state ad valorem tax on property of Seven (7c) Cents on the One Hundred (\$100.00) Dollars valuation heretofore permitted to be levied by Section 51 of Article 3, as amended, there is hereby levied, in addition to all other taxes permitted by the Constitution of Texas, a state ad valorem tax on property of Two (2c) Cents on the One Hundred (\$100.00) Dollars valuation for the purpose of creating a special fund for the payment of pensions for services in the Confederate army and navy, frontier organizations, and the militia of the State of Texas, and for the widows of such soldiers serving in said armies navies, organizations or militia; provided that the Legislature may reduce the tax rate hereinabove levied.

"Also, there is hereby levied, in addition to all other taxes permitted by the constitution of Texas, a state ad valorem tax on property of Five (5c) Cents on the One Hundred (\$100.00) Dollars valuation for the purpose of creating a special fund for the purpose of acquiring, constructing and initially equipping buildings, or other permanent improvements at the designated institutions of higher learning; and the governing board of each of such institutions of higher learning is fully authorized to pledge all or any part of said funds allotted to such institution as hereinafter provided, to secure bonds or notes issued for the purpose of acquiring, constructing and initially equipping such buildings or other permanent improvements at said respective institutions. Such bonds or notes shall be issued in such amounts as may be determined by the governing boards of said respective institutions, shall bear interest not to exceed three (3%) per cent per annum and shall mature serially or otherwise not to exceed ten (10) years from the first (1st) day of January of each year in which such funds are allocated or re-allocated to said respective institutions; provided the power to issue bonds or notes hereunder is expressly limited to a period of thirty (30) years from the date of the adoption of this amendment; and provided further, that the Five (5c) Cent tax hereby levied shall expire finally upon payment of all bonds hereby authorized; provided further, that the state tax on property as heretofore permitted to be levied by Section 9 of Article VIII, as amended, exclusive of the tax necessary to pay the public debt, and of the taxes provided for the benefit of the public free schools, shall never exceed Thirty (30c) Cents on the One Hundred (\$100.00) Dollars valuation. All bonds shall be examined and approved by the Attorney General of the State of Texas, and when so approved shall be incontestable; and all approved bonds shall be registered in the office of the Comptroller of Public Accounts of the State of Texas. Said bonds shall be sold only through competitive bids and shall never be sold for less than their par value and accrued interest.

"Funds raised from said Five (5c) Cents tax levy for the ten (10) year period beginning January 1, 1948 are hereby allocated to the following institutions of higher learning, and in the following proportions, to wit:

Institution	Per Cent of Total
John Tarleton Agricultural College	5.72107
North Texas Agricultural College	6.17028
Texas State College for Women	11.52992
Texas College of Arts and Industries	4.75551
College of Mines and Metallurgy	4.71936
Texas Technological College	16.54877
East Texas State Teachers College	8.10657
North Texas State Teachers College	12.64522
Sam Houston State Teachers College	5.55068
Southwest State Teachers College	6.78474
Stephen F. Austin State Teachers College	4.55414
Sul Ross State Teachers College	2.15315
West Texas State Teachers College	5.41643
Prairie View Agricultural and Mechanical College of Texas	5.34416

"Not later than June 1st of the beginning of each succeeding ten (10) year period, the Comptroller of Public Accounts of the State of Texas based on the average long session full-time student enrollment for the preceding five (5) year period of time, shall re-allocate, to the above designated institutions of higher learning then in existence, all funds to be derived from said Five (5c) Cent ad valorem tax for said ten (10) year period; and all such designated institutions of higher learning which participate in the allocation or re-allocation of such funds shall not thereafter receive any other state funds for the acquiring or constructing of buildings or other permanent improvements for which said Five (5c) Cent ad valorem tax is herein provided except in case of fire, flood, storm, or earthquake occurring at any such institution, in which case an appropriation in an amount sufficient to replace the loss so incurred may be made by the Legislature out of other state funds. This amendment shall be self-enacting. The State Comptroller of Public Accounts shall draw all necessary and proper warrants upon the State Treasury in order to carry out the purpose of this amendment; and the State Treasurer shall pay warrants so issued out of the special fund hereby created for said purpose.

"Section 18. For the purpose of constructing, equipping or acquiring buildings or other permanent improvements, the Board of Directors of the Agricultural and Mechanical College of Texas is hereby authorized to issue negotiable bonds or notes not to exceed a total amount of Five Million (\$5,000,000.00) Dollars, and the Board of Regents of The University of Texas is hereby authorized to issue negotiable bonds or notes not to exceed a total amount of Ten Million (\$10,000,000.00) Dollars. Any bonds or notes issued hereunder shall be payable solely out of the income from the Permanent University Fund. Bonds or notes so issued shall mature serially or otherwise not more than twenty (20) years from their respective dates, and in no event later than twenty-five (25) years after the date of the adoption of this amendment. This amendment shall be self-enacting.

"Said Boards are severally authorized to pledge the whole or any part of the respective interests of the Agricultural and Mechanical College of Texas and of The University of Texas in the income from the Permanent University Fund, as such interests are now apportioned by Chapter 42 of the Acts of the Regular Session of the 42nd Legislature of the State of Texas, for the purpose of securing the payment of the principal and interest of such bonds or notes. The Permanent University Fund may be invested in such bonds or notes.

"All bonds or notes issued pursuant hereto shall be approved by the Attorney General of Texas and when so approved shall be incontestable."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this state at a special election to be held throughout the state on the fourth Saturday in August, A. D. 1947, at which election all ballots shall have printed thereon:

"For the amendment to Article VII of the Constitution of the State of Texas, adding Sections 17 and 18 providing for the levying of a state ad valorem tax on property in lieu of the present state ad valorem tax of Seven (7c) Cents for Confederate pensions in order to create special funds necessary for the payment of Confederate pensions and for the financing of the construction and equipment of buildings and other permanent improvements at state institutions of higher learning, in the amounts of Two (2c) Cents and Five (5c) Cents respectively; providing for a Five Cent reduction of the maximum allowable state tax on property, making such tax not to exceed Thirty (30c) Cents on the One Hundred (\$100.00) Dollars valuation; providing a method of payment for the construction and equipment of improvements and buildings at the Agricultural and Mechanical College of Texas and The University of Texas."

"Against the amendment to Article VII of the Constitution of the State of Texas, adding Sections 17 and 18 providing for the levying of a state ad valorem tax on property in lieu of the present state ad valorem tax of Seven (7c) Cents for Confederate pensions in order to create special funds necessary for the payment of Confederate pensions and for the financing of the construction and equipment of buildings and other permanent improvements at state institutions of higher learning in the amounts of Two (2c) Cents and Five (5c) Cents respectively; providing for a Five (5c) Cent reduction of the maximum allowable state tax on property, making such tax not to exceed Thirty (30c) Cents on the One Hundred (\$100.00) Dollars valuation; providing a method of payment for the construction and equipment of improvements and buildings at the Agricultural and Mechanical College of Texas and The University of Texas."

Sec. 3. The Governor shall issue the necessary proclamation for said election and have the same published as required by the constitution and laws of this state.

Sec. 4. The sum of Ten Thousand (\$10,000.00) Dollars, or so much thereof as may be necessary, is hereby appropriated out of any funds in the treasury of the state, not otherwise appropriated, to pay the expenses of such publication and election.

(May 15, 22, 29 & June 5, 1947)

CITATION OF PUBLICATION THE STATE OF TEXAS

To: Western Tire Manufacturing Company, Farmer's State Bank of Texico, E. T. Maddux Hardware Company, M. J. Fooks, Ivy Alice Riggins, C. B. Riggins, J. C. Kingsberry, T. I. Presley, C. B. Wilson, J. F. Vineyard, C. E. McCallum, John Siler, Walter Reynolds, Chas. A. Malone, Edwin B. Doggett and G. H. Rogers, a co-partnership doing business under the assumed and firm name of Doggett Grain Company, A. Holloway, Earl Deaton, C. D. Fitts and E. H. Robinson whose residences are unknown, and the unknown heirs, assigns and legal representatives of the said defendants whose names and residences are unknown; GREETINGS:

You are commanded to appear and answer the plaintiff's petition at or before 10 o'clock A. M. of the first Monday after the expiration of 42 days from the date of issuance of this Citation, the same being Monday the 23 day of June, A. D. 1947, at or before 10 o'clock A. M. before the Honorable District Court of Parmer County, at the Court House in Farwell, Texas.

Said plaintiff's petition was filed on the 9 day of May, 1947.

The file number of said suit being No. 1399.

The names of the parties in said suit are: C. M. Henderson as Plaintiff, and Western Tire Manufacturing Company, Farmer's State Bank of Texico, E. T. Maddux Hardware Company, M. J. O'Fallon Supply Company, Texas State Bank of Farwell, Cannon Ball Motor Company, Cannon Ball Motor Company and Southland Warehouse and Storage Company, corporations, whose offices and principal places of business and residences are unknown and the unknown stockholders of said corporations whose names and residences are unknown and the unknown heirs, assigns and legal representatives of the said unknown stockholders whose names and residences are unknown; John H. Barry, M. M. Craig, R. E. Brown, J. W. Thompson, T. D. Thompson, M. S. Favor, J. F. Hill, R. C. Vineyard, J. O. Wade, Jo Wade, W. W. Hungate, C. A. Roberson, A. C. Wooten, Frank Brown, M. C. Fooks, Ivy Alice Riggins, C. B. Riggins, J. C. Kingsberry, T. I. Presley, C. B. Wilson, J. F. Vineyard, C. E. McCallum, John Siler, Walter Reynolds, Chas. A. Malone, Edwin B. Doggett and G. H. Rogers, a co-partnership doing business under the assumed and firm name of Doggett Grain Company, A. Holloway, Earl Deaton, C. D. Fitts and E. H. Robinson whose residences are unknown, and the unknown heirs, assigns and legal representatives of the said defendants whose names and residences are unknown; GREETINGS:

owner in fee simple of the following described lands: Being a part of Capitol Lea, No. 549 described as follows: 5.15 a. of land out of Cap Lea No 549 beginning at a point 300 ft. N and 580.4 S 8656 E of the NW corner of Block No 96 of the town of Farwell, Texas, as where the easterly right of way line of the Wye Survey intersects the Northerly right of way line of the Pecos & Northern Texas Railway Company line running to Lubbock, Texas, a stake for the SW corner of this tract; Thence S 86 56' E at 17 3.1 feet a stake in said northerly right of way line for the SE corner of this tract; thence N at 540 ft. a stake for the NE corner of this tract; thence W at 510.5 ft. a stake in the easterly right of way line of said Wye Survey; thence in a southeasterly direction following the curve of the said easterly right of way line of said Wye Survey to the place of beginning, which above described land is a portion of the said land which was subdivided and platted into lots, blocks, streets and alleys in the town of Farwell by an instrument dated the 28th day of December, 1905, recorded in the deed records of Parmer County, Texas, in Volume 2 at page 499.

and that thereafter on the second day of April A. D. 1947, the defendants and all of them entered upon and dispossessed him of said land.

He asks for damages in the sum of ten dollars and for title and possession of said lands.

If this Citation is not served within 90 days after the date of its issuance, it shall be returned unserved.

Issued this 9 day of May A. D. 1947.

Given under my hand and seal of said Court, at office in Farwell, Texas, this 9 day of May A. D. 1947.

(SEAL)

LOYDE A. BREWER, Clerk, District Court, Parmer County, Texas. (May 15, 22, 29 & June 5, 1947).

Rev. Luther Sharpe Speaks To Texico Graduates

(Continued From Page 1)

the danger of being attacked by the enemy.

Pointing out the fact of the present day situation, and the officials of our country, who are dreaming of a way to secure a permanent peace for all the world.

In conclusion he stated that it is only a natural to dream, telling the graduates that they have already begun dreaming of the future and will continue to do so as long as they have any ambition to progress, and to lead a normal life.

The professional and recessional was played by Mrs. C. M. Henderson, Invocation, Minister J. E. Randal; Salutatory Address, Marvin Doolittle; The girls' chorus sang the songs, "Indian Dawn" and "Just A Wearyin' For You"; Valedictory Address, Claudian Curry; Main Address, Rev. Luther Sharpe; Presentation of Diplomas, R. H. Paul; Acceptance, Clarence Fought; Presentation of Awards, Supt. B. A. Rogers; Benediction, Rev. Virgil E. Hunton.

The class selected for their song, "Holy, Holy, Holy", Claudian Curry received the offer of a scholarship to the Eastern New Mexico College and to Highlands University at Las

Vegas, while Marvin Doolittle received an offer of a scholarship to the Highlands University.

"In Honor Of Our Parmer County World War II Departed"

That is the heading of the inscription on the monument erected in the Friona City Park by the American Legion Post No. 206, in remembrance of our buddies who lost their lives that we may live.

The Legion Post of Friona wishes to remind the ones who had relatives or friends that lost their lives in World War II from this county, that they may bring wreaths and place them at the monument in remembrance of their loved ones.

The unveiling of the monument took place May 30th of last year, and on the same date of the years to come, will be a day of remembrance, by the placing of flowers at the foot of the monument.

Those who wish to bring wreaths, may do so at their own convenience.

1946 marketing troubles may force farmers to cut back this year's potato acreage to the smallest since 1884. But sugar beet farmers will harvest about 850,000 tons more than last year—20% above the last 10 years' average.

Court Sessions Now In April, October

Judge C. D. Russell of Plainview, judge of the 64th Judicial District, of which Parmer County is now a part, has announced that the semi-yearly session of the Parmer County District Court would be held during the months of April and October, opening on the second Monday's.

Governor Beauford Jester has attached his signature to the bill detaching Parmer County from the 69th Judicial District and placing it in the 64th (Plainview) District. The 64th district now comprises six counties in a compact area—Lamb, Swisher, Castro, Hale, Bailey and Parmer.

Application for changing Parmer County from the 69th district to the 64th district was made by members of the Parmer County Bar Association and made for geographical reasons, it being contended that Parmer County was merely a "kite tail" to the 69th district, causing much inconvenience to members of the bar, the court and litigants with the office of the District Judge being located in Dalhart, approximately 200 miles from here.

With the office of the district judge now being located in Plainview, the distance between here and that city would be reduced more than 100 miles over the Dalhart location.

BOVINA NEWS

(Continued From Page 4)

and the evening was a very enjoyable one.

SEW AND CHATTER CLUB MET ON THURSDAY

The sew and chatter club met in the home of Mrs. Paul Jones last Thursday afternoon. The afternoon was spent in doing needlework, and in the usual manner, plenty of chatter. Refreshments were served to the following members and visitors: Mrs. Pete Davies, Mrs. Byron Turner, Mrs. Robert Calaway, Mrs. Morris Means, Mrs. Fred Carson, Mrs. T. G. Hudson, and one visitor, Mrs. C. L. Calaway, and the hostess. The next meeting will be in the home of Mrs. T. G. Hudson.

Dorothy Moorman and Janean Ellison were guests in the A. G. White home Monday night.

Mr. and Mrs. J. I. Rury has received a telegram from their son Delbert, who has spent the last year in Korea. He tells them that he has landed in the U. S. A. and hopes to see them before the summer is over.

The 7th grade children with their teacher, Mr. Everett, enjoyed a wicker roast at the park on Monday of this week. Refreshments were served to all, they report a good time.

Mr. and Mrs. Bruce Giles and children have returned home after a week in St. Louis.

Miss Lucile Akers left last week for Mayo's at Rochester, where she will stay a while for medical care.

Mr. and Mrs. Dave Wines have a new house under construction in Bovina.

Mrs. Guy Ashby and son, Bobby Joe and Mrs. S. S. Ashby and son Ralph, and Mrs. Chester Smith, from Elmond, Oklahoma, spent this week with Mr. and Mrs. Levi Johnson, and family.

Miss Evelyn Bender of Los Angeles, California, visited in the home of her sisters, Mrs. Tom Griffith and Mrs. Gene Ezell this week. She was enroute to see her parents, at Shattock, Oklahoma.

Miss Marilyn Wassenmiller and bother Max of Higgins, Texas, were guests in the Gene Ezell home the past week.

Mr. and Mrs. F. W. Ayres and Charles Rury Sunday afternoon.

Mr. and Mrs. R. S. Johnson and children of Lubbock, spent Sunday in the home of Mr. and Mrs. Bob Johnston.

Mr. and Mrs. Elbert Ashcraft, and J. W. Ashcraft, Mr. and John Wilson, Durward Bell, and Pat Kunselman were dinner guests in the Frank

Wilson home Sunday. Paul Smith, and Jackie Barnett spent the weekend at home.

RECRUITER IN BOVINA

The Regular Army Recruiting Sergeant, Leon A. Reynolds, from Clovis, N. M., will be in Bovina from 2:00 P. M. to 4:30 P. M. on Thursday, 29th May. He will be located in the Post Office and will interview anyone interested in seeking information about the conditions and advantages of the present day Regular Army. He wishes to remind all Seniors that there is an excellent opportunity to continue their education through the Army policies.

ATTENDS MEETING

A. C. Green, Chief of the local fire department and agent for the Kaiser-Frazer cars was in Roswell last week, where he attended a dealer's meeting.

Green stated that all dealers of the Kaiser-Frazer cars were present, and with the factory representatives to give shows on the progress of items that will soon be on the market, including all kinds of farming equipment, tractors, combines, wheat drills, plows, feed mills, and garden tractors.

The dealer said that the Company has a diesel powered tractor, in the making, which will be a new thing in the way of farm machinery. This item is not perfected as yet and will be some time before it is ready for production.

Mr. Green stated that he is getting a few cars along, from the district representative, who is located in Roswell.

CHUNKY WRITES FROM MO.

The Tribune is in receipt of a short letter from T. B. (Chunky) Morse, former well-known local character, who now lives at Linn Creek, Mo., in which he says in part:

"Everything is fine up here. Everything has been backward so far, but is beginning to advance now. The timber is all green and the flowers are in full bloom... and the fish are beginning to bite! The pastures are fine now and the cattle are doing good. Tell everybody hello."

SANTA FE CARLOADINGS

Santa Fe System carloadings for week ending May 17, 1947, were 23,946 compared with 23,281 for same week in 1946. Cars received from connections totaled 10,049 compared with 9,418 for same week in 1946. Total cars moved were 33,995 compared with 32,699 for same week in 1946. Santa Fe handled a total of 34,715 cars in preceding week of this year.

J. B. SHERLEY PASSES

J. B. Sherley, who lived south of Friona near the Hub Community, died last Saturday of a heart ailment. It is reported that Mr. Shirley had been having some teeth

FOX DRUG STORE

TEXICO-FARWELL LEAGUE HOST TO SUB-DISTRICT YOUTH FELLOWSHIP

Mr. Shirley was about 65 years of age, and had moved to his present home, last year from near the center of the Hub. He is survived by six children, two girls and four sons, and three or four grandchildren.

Funeral services were held in the Friona Cemetery Sunday afternoon.

BOVINA BACCALAUREATE

(Continued from front page)

Mrs. W. O. Cherry played the professional and the recessional. The invocation was offered by Rev. Giles and the Girls' Chorus led the audience in singing, "Onward Christian Soldiers." Miss Martha Williams sang "The Lord's Prayer," as a solo, accompanied by Mrs. John Wilson.

The Girls' Chorus then sang, "Have Thine Own Way, Lord" and Rev. Giles pronounced the benediction.

Density of air at sea level is only about one eight-hundredth part that of water.

The local members of the Methodist Youth Fellowship were host to the monthly sub-district meeting last Sunday afternoon in the Texico-Farwell Methodist Church.

Guest speaker for the afternoon was Fred Phelps, visiting member of the Clovis Chamber of Commerce. Local musical talent was also displayed at the meeting and helped to round out the program. After the devotional and business sessions, the group retired to the undercroft of the church and enjoyed refreshments of ice cream and cake, served by the local members.

About 15 members were in attendance at the meeting, with Inez, N. M. taking the banner for attendance for the third consecutive time.

Cash assets of American farmers increased from less than \$5,000,000,000 to more than \$20,000,000,000 during the war period.
