

FOUR TO PRISON Stored Milo Movement Being Urged

Parents Asked To Turn In Census Reports

Supt. Jack Williams, of the Farwell school, today issued an urgent appeal to all residents of the Farwell school district (who have not already done so) to turn in census blanks on all school-age children.

Following the consolidation last year we have a number of children of school age in the district who have never been properly enumerated on the census," he pointed out, adding, "consequently, the school is not credited with all scholastics."

Census blanks are available at the school and should be properly filled out by all residents of the school district as of April 5, 1949.

Pre-School Clinic Slated
In addition, the school head went on to announce a clinic for pre-school children, which will be held in the homemaking department of the school on Thursday, April 28th, at 2 o'clock.

Dr. H. Hamilton Cooke, of Friona, Parmer County health officer, will be on hand at that time, to administer smallpox, whooping cough, tetanus and diphtheria shots to children who have not been previously immunized. There is no charge to the youngsters who will enter school in the fall. The clinic is open to older children, also, who can receive shots for fees, Williams explained.

Important Dates Are Given For Bovina

Supt. W. O. Cherry today announced a number of important dates for students and patrons of the Bovina school, as the 1948-49 term goes into its final stages.

At the school auditorium this Thursday evening April 14th, the Rainbow chapter will sponsor an amateur night, and entries are invited from all over the county.

The school's negro minstrel presentation is slated for April 22, with the faculty play on deck April 30th. Members of the junior and senior classes have two prominent social affairs pending. The Baptist ladies will entertain them with a banquet on the night of April 19th, and the annual class banquet is slated for April 29th.

Rev. Weldon Franks, Baptist minister, has been invited to address the class for baccalaureate services on Sunday, May 15th, with Stuart Condon, of Station KGNC, Amarillo, as the commencement speaker on the evening of Friday, May 20th.

HAS RHEUMATIC FEVER

Little Beverly Joy Hubbell, 7-year-old daughter of Mr. and Mrs. Bill Hubbell of Clovis, formerly of Oklahoma Lane, is confined to her home with rheumatic fever. The youngster recently jumped from a brooder house and dislocated two vertebra, with the subsequent examination revealing that she had rheumatic fever. Beverly will be confined to her bed for six or eight months, her mother reports.

Mrs. S. C. Hunter has been here the past week from Dallas, visiting with friends and attending business matters.

Breeding Program To Start Monday, 18th

Actual operation of the Parmer County Dairy Cattle Club Artificial Breeding Association will get underway on Monday, April 18th, it was announced today by Agent Olie Linder.

With Herschel Morgan serving as technician, the service is available to all herd owners of the county who wish to put up \$6.25 per animal. Semen is provided from registered stud animals at Texas Tech, and the initial fee per cow includes insemination three times, if necessary.

When the cow is ready for service, herd owners are instructed to call the technician between 8 a. m. and 1 p. m. stating the breed of bull to be used, either Jersey or Holstein, and giving directions for reaching the farm. The cow is to be penned and owners are asked to have some one on hand to assist the technician.

Linder went on to explain that there will be possibly two weeks out

of the year when the bull stud at Lubbock will be closed, but breeders will be notified in advance. Any individual with one or more cows within the radius of 28 miles of Farwell can secure the services for his animals. Those outside the mile limit can bring their animals to Farwell, preferably during the morning after making a date with Morgan.

A breeding certificate will be furnished when a registered cow is bred, providing registration papers are available and the cow can be identified by tattoo or color markings. Owners taking advantage of the program are required to pay \$1 per year membership fee, along with the service charge, at the time the cow is bred.

Those desiring service or further information are advised to call Farmers Supply in Texico, phone 3701; Herschel Morgan, home phone 2567, Texico, or John Getz, phone 3602, Farwell.

Four young men entered pleas of guilty in the Parmer County District Court Tuesday before Judge C. D. Russell of Plainview, and were sentenced to terms in the Texas penitentiary.

A fifth young man, against whom an indictment for theft was returned by the Grand Jury, was under 18 years of age, and his case was transferred to the County Court. He was Fred Sunderland, charged jointly with two others in the theft of an automobile belonging to Claude Rose. Officials said that Sunderland was an escapee from a juvenile home in California, and would likely be returned to that institution when his case comes up in County Court.

Two of the four, who were sentenced to the pen were Milford Bickford and Kenneth Graham, charged with burglary in connection with entering at least three places of business in Bovina last fall, were tried jointly. They were sentenced to three years each on their guilty plea.

The other pair, Clarence Palmer and Theodore Torrence, charged with the theft of Claude Rose's car, were each given three years in the penitentiary. Sentence was passed on the four Tuesday by Judge Russell, and Sheriff Charley Lovelace said today that he planned to take them to Huntsville next week.

CIVIL DOCKET
Judge Russell pretty well cleaned up the civil docket during the two-day session of the Court, which he adjourned Tuesday afternoon.

During the two days 21 cases were disposed of in rapid-fire order. They were:

Judgment for the State rendered in 17 delinquent tax suits, involving town lots located in Farwell.

Adoption paper of Dickie Lee Renner to Mr. and Mrs. Lee Renner approved.

Elmer Euler vs. James Reader, trespass to try title, judgment for plaintiff.

O. E. Stevick vs. Pete Jacoby, TTT, judgment for plaintiff.

Leroy W. Berggren vs. Nathaniel D. McNish, TTT, judgment for plaintiff.

Oswell Jones et al vs. James F. Thomason, TTT, judgment for plaintiff.

Sam Jones vs. Thomas F. Sanders, TTT, judgment for plaintiff.

Lucille Sudderth vs. Haskell Sudderth, divorce, judgment for plaintiff.

Lawrence Dorsey vs. Willie Dorsey, divorce, dismissed on motion of plaintiff.

Gene Lovelace vs. J. L. Smith, et al, TTT, judgment for plaintiff.

Hal Wade McSpadden vs. Imogene McSpadden, marriage annulment, judgment for plaintiff.

Thompson Resigns As Farm Bureau Head

Explaining that he was forced to the decision by ill health, Charley Thompson, of Farwell, on Monday night tendered his resignation as president of the Parmer County Farm Bureau chapter.

Friona FFA Chapter Exhibits Winners

The Friona FFA chapter, which specializes in raising registered Jersey animals, under the supervision of J. T. Gee, director, walked off with both grand champion honors in the bull and female divisions of the Parmer County FFA and 4H Club Dairy Day, held last Friday at the FFA show barns in Friona.

A. M. Meekma, Extension dairy specialist of College Station, who rated the numerous animals paraded at the show, paid high praise to the boys and their sponsors for the excellent quality of stock shown, and attendance at the one-day exhibit expressed a keen interest in the affair.

All animals were rated on points, with ribbons of various colors denoting the class to which they were assigned by Meekma. In addition to the ribbons, the young owners were also presented with cash prizes.

The prize list was as follows:
Bulls under one year—Bue ribbon, Friona FFA. Red ribbons, Friona FFA, Lewis Gore, Dean London, Lester Barnett, Ray Strickland.

Bulls one year and under two—Red ribbon, G. A. Collier.

Bulls two years and under three—Blue and red ribbons, Friona FFA.

Bulls three years and over—Blue ribbon, Friona FFA.

Grand champion—Friona FFA.

Cows under one year—Blue ribbons, Joe Fallwell, Jimmie Gore.

(Continued on Last Page)

Faculty Members Are Named At Bovina

The Bovina school board was in session on Monday night, at which time a number of pertinent school details were worked out, Supt. W. O. Cherry reported today.

Accepting offers to return to the school next year are R. E. Everett, as principal; Mrs. W. O. Cherry, language; Mrs. Otie M. Ellison, social science; Miss Grace Paul, Mrs. Leola Williams and Mrs. Myrna Hammonds, elementary; Miss Helen Hanna, home economics. Supt. Cherry was re-elected some weeks ago.

In addition, the board selected Vernon Ward as transportation manager for the school, and named R. N. Williford as custodian of the school property.

Wilson Is Board President
At a recent meeting of the official body, Joe Wilson was named as president of the board, with Sam Sides as vice president and George Trimble as secretary. Bedford Caldwell was named as assistant secretary.

Other members of the board include Jack Waltman, Jess Walling and Eddie Redden.

Supt. Cherry has announced the following men as chairmen of the various standing committees maintained by the board: Jess Walling, building and grounds; George Trimble, transportation; Sam Sides, budget and finance; Bedford Caldwell, board policies; Eddie Redden, improvements and additions; and Jack Waltman, standards and qualifications.

Pre-School Clinic At Texico On Monday

All children of the Texico school district who will enter school for the first time next year are urged to be present at the school next Monday morning, April 18th, from 1 to 3 p. m. Texas time, for a special clinic.

Supt. B. A. Rogers, in making the announcement, reminded parents that inoculation against contagious disease is compulsory before the children can enter school, and urged that parents have their children present for medical attention.

Mrs. Wiggins, Curry county health nurse, will be present, and it is possible that Dr. Newman, district health officer, will also be present.

The health nurse asks that the clinic be confined to children who will enter school next fall. Each child is to bring two bath towels and two safety pins, she added.

Follow-up meetings, to be held each third Thursday afternoon of the month are also announced by the nurse, when a doctor will examine the children and give advice on health habits and problems, as well as administering immunizations.

Miss Ailene May, from Pomona, California, is visiting friends in Texico, and will leave here the last of the week to return to her home.

Lineman Meets Death At Lariat Monday

Contact with a high-voltage electric wire at Lariat, Monday afternoon, caused sudden death to Joe Dillard, 22, Muleshoe lineman, employed by the Southwest Public Service Company.

Dillard, a member of a three-man crew, was engaged in resetting some telephone poles in front of the George Houser home at Lariat when the tragedy occurred. Crewmen who were working with Dillard gave it as their opinion that a ground wire, fastened to the telephone pole, accidentally came in contact with a high-voltage line and conveyed the high charge of electricity through his body. Dillard was standing on the ground near the company service truck, and was killed instantly.

W. W. Barber and W. B. Winn, other members of the crew, escaped injury. Oris Huggins, lineman of this city, said that the line carried a load of 12,000 volts, and was a secondary line in Lariat. The main line carries a voltage of 32,000, he added.

Dillard, who had been employed by the utilities company for the past four years, took his examination at Plainview just last Friday and was given a journeyman linesman's rating. He is survived by his wife and two small children, a baby eight months and a daughter, three years.

Funeral Services Held For Mrs. E. Keffer

Funeral services were held the past Thursday afternoon at 2:30, in the Charles V. Steed Memorial Chapel in Clovis, for Mrs. Susan Evelyn Keffer, following her death on Monday, April 4, in a Lamesa hospital. Burial was made in the Texico cemetery Thursday afternoon.

Mrs. Keffer was born on July 31, 1860, in Burnett County, Texas, and lived there until 1910, when she moved to New Mexico, filing a claim south of Texico and residing there until 1946. She moved off the homestead to Lamesa, where she was making her home at the time of her death. She was predeceased in death by her husband, the late Jacob Miller Keffer, who passed away at the home south of Texico in 1923.

She is survived by three daughters, Mrs. Annie Swinnen of Mullins, Texas; Mrs. Louellen Johns, of Selma, California and Mrs. Nellie Curry of Santa Fe, four sons, O. C. Crawford of Patricia, Tex.; Albert E. Crawford of Portales; Jessie Crawford of South Gate, California; and Billie Keffer of Phoenix, Ariz., 35 grandchildren; 105 great-grandchildren and 11 great-great-grandchildren.

NOW A NOTARY

Mrs. J. E. Stone of the Stone Variety Store has been commissioned as a notary public in Texico. The town has been without the services of a notary since the death of S. C. Hunter several months ago.

HAS SECOND OPERATION

Gene Lovelace, who has been receiving treatment for high blood pressure in a Boston, Mass., hospital the past several days, underwent a second operation recently and is reported to be getting along nicely. He will be able to return to his home within the next two weeks.

Paving Routes Outlined By Committeemen

Committeemen from over the county met at Bovina last Thursday night and tentatively approved the routes of the 140-mile proposed paving of farm-to-market program in Parmer County.

The next move is to have the District Highway Engineer come here and make a tour of inspection of the proposed routes to see if they will be acceptable to the State, which is to pay 25% of the cost of construction under the proposed move.

When all routes have been agreed upon it is the plan to call a bond issue election for the construction of the 140-mile road program.

Members of the committee said today that it would likely be "four or five weeks" before all details incident to calling an election can be ironed out. Complete accord has not yet been reached on the routes of the proposed paving, and some time may be required to settle that detail.

The biggest "snag" seems to be in the fact that routes suitable to the State Highway Department do not touch enough of the thickly populated areas of the county.

Farwell Board Names Teachers, Monday

Re-election of faculty members and formation of a new board was the business transacted on Monday night, when trustees of the Farwell school held their April meeting.

Claude Rose was re-elected as president of the group, with A. W. Gober as secretary-treasurer, replacing Boone Allison retired. Members of the board are Dick Gerles and C. C. Christian, one-year terms; Lee Jones and Claude Rose, two-year terms; and A. W. Gober, A. J. Jones and Lester Norton, three-year terms.

The following teachers were re-elected for the 1949-50 term: Mrs. John Lovelace, home economics; Robert Morton, agriculture; Miss Ruth Bonds, Miss Wilma Snider, Mrs. Mary Whitley, Mrs. Lauretta Pool, Mrs. C. E. Sanders and Mrs. R. D. Hensley, elementary; Jack Caves, science; Mrs. Earl Booth, English; Mrs. Mary Peyton, commercial; Mrs. Erma Jobs, music.

Shelby Jobs, grade principal, Coach Louis Purvis and Supt. Jack Williams were re-elected previously.

Bovina Supt. In Car Accident, Friday

Supt. W. O. Cherry, of the Bovina schools, figured in a car crash Friday morning that sent a Clovis man to a hospital and injured another Clovis man.

Cherry, according to information furnished this newspaper, was traveling alone, and as he entered Highway 60, west of Bovina, from Highway 86, his car collided with another vehicle occupied by J. L. Massey and John Stewart, both of Clovis, who were enroute to Amarillo.

Massey received two broken ribs, while Stewart and Cherry escaped with minor bruises and scratches. The Stewart machine was badly damaged, and the Cherry car escaped with only minor damage.

In an urgent effort to rid Texas elevators of stored milo, B. F. Vance, state director of the Production and Marketing Administration, has wired Joe Camp, local ACA secretary that effective at once milo now being held in terminal and sub-terminal storage are made subject to release by the producers.

Vance said that an effort was being made to make room for 100 million bushels of storage space in elevators in the State of Texas, and that at present that goal was not even approached.

As an indication of how the producers of this county are accepting the Government's offer to move the grain now, Camp said that only 30 growers, representing about 50,000 bushels, had signed releases at the local office.

Camp further said that "about 1300" loans on milo had been made in this county, which shows that a large percent of the milo on which loans have been granted still remains in storage here and at terminal elevators. All loans mature on April 30 at which time the Government will take over the grain stored.

Camp further explained that the Government was now ready to accept delivery on white milo as well as yellow milo that is being held in elevators. But only yellow milo will be received from farm-stored bins.

All local elevator operators announced today that they were authorized to accept released grain for movement now. Releases must be signed at the ACA office in Farwell.

Car Rams Truck In Highway Accident

An automobile driven by E. J. Bingham of Portales, rammed into the rear of a truck driven by W. N. Foster at the Oklahoma Lane underpass southeast of this city last Saturday, slightly injuring Mrs. Bingham and Mrs. Foster.

Foster is said to have been entering Highway 70 from the underpass and failed to stop. The truck ran across the pavement and came to a stop. Bingham, who was approaching from the west, rammed his car into the rear of the Foster truck to avoid colliding with another car approaching from the opposite direction.

Foster explained that he was driving his son's truck and did not know that the brakes were not in good repair. He entered a plea of guilty to entering a highway without stopping in Justice Jess Newton's court and was fined \$1.00 and costs.

Mrs. Bingham was taken to a Muleshoe hospital to receive treatment for face lacerations, and Mrs. Foster was taken to the Parmer County Community hospital at Friona for similar treatment.

Eye Operation May Restore Sight To Aged Resident

Reports from Amarillo the first of the week are that the chances for sight being restored to J. H. Stone, age 70, are extremely favorable.

Removal of a large cataract from one of his eyes was completed last Tuesday, and the bandages were lifted the first of the week for the first time, with the patient reporting that he was able to see objects. Continued improvement in his eye is expected with additional time. Only one eye was treated, since it was believed by the specialist that all visual strength would go to the one member, making it stronger.

Mr. Stone, who is a patient at St. Anthony's hospital, was expected to be able to be removed to his home in Farwell by the latter part of the week, family members said.

County Buys More Series G Bonds

The County Commissioners, in session here Monday, voted to invest an additional \$28,000.00 in Series G US Bonds, and County Treasurer Roy B. Ezell was authorized to make the purchase of the interest-bearing certificates.

This purchase brings the county's investment in these securities to \$138,000.00, County Judge A. D. Smith stated.

Income from oil leases on Parmer County school lands located in Andrews and Gaines counties was used in purchasing the bonds. All such funds belong to the Parmer County

Permanent School Fund and the only part of it that can be spent is the interest from the bonds which is drawn semi-annually and divided among the schools of the county on a per scholastic basis.

Parmer County has several hundred acres of school land, located in Gaines and Andrews, and some attractive offers have been made to the Commissioners Court during recent weeks for a share of the royalties on the lands. All offers to this date have been turned down. A number of oil wells have been brought in near the Parmer County

holdings, but to date no actual production has been brought in on the school land belonging to this county.

Some dry holes have been drilled on the Parmer County holdings, but all have been shallow wells. During the past year, many deep wells in that area have been drilled and a number of good producers brought in. Members of the Commissioners Court take the position that it is possible some deep oil may be located under the county's holdings and they are not inclined to dispose of any holdings until further development.

Health Notes

By State Department of Health

AUSTIN.—The month of April usually brings the first days of near-summer weather to Texas, and literally thousands of Texans commence to make serious and detailed plans for their normal vacation which is of great importance to the health and well being of every man and child.

A vacation can relax nervous tension, bring renewed vigor, and usually supply an opportunity for more sunlight and outdoor activities than is customary for office workers and those of sedentary occupations. But traveling to vacation spots for the purpose of "roughing it" can also bring a serious health menace in the form of typhoid germs from impure water supplies, and for this reason, Dr. Geo. W. Cox, State Health Officer, advises all persons contemplating such a vacation to first be inoculated against typhoid.

"Persons planning a vacation where sanitation standards may not be carefully observed, should protect their health by typhoid inoculation, and thus avoid the risk of serious illness from this debilitating and sometimes fatal disease," Dr. Cox said. "An individual not previously rendered immune, can establish immunity by having one typhoid vaccine injection administered each week for three weeks; if he has kept his immunity from a previous inoculation, one 'booster' shot each year will keep him protected from typhoid."

Dr. Cox warned that impure water is not the only means of spreading typhoid, and cautioned against the careless exposure of food and milk

to flies, roaches, rodents, and other germ-spreading pests.

Take Your Family To Sunday School

It is a treat to take your family to Sunday School. Yes, a treat that will be the cause of rejoicing in your household. And, with this joy will come the moral strength and the soul-satisfying experience that only religious worship can give.

From the good Book we learn, "Train up a child in the way he should go; and when he is old he will not depart from it."

The spiritual guidance of Sunday school is more important than ever before in world history, for "righteousness exalteth a nation; but sin is a reproach to any people."

Peace throughout the world can only be founded on the firm rock of religion. Religion is the very heart of our being—our most precious asset. It is our strongest bulwark for peace. If it touches us in childhood, it will remain the rod and staff of our adult life.

By placing a high value upon church and Sunday school attendance, regardless of creed, we deepen the faith of our children and make a lasting spiritual contribution to their growth.

We fathers and mothers of America must "take" not "send" our boys and girls to Sunday school, for religion is likewise the strongest link in the chain in family unity. And united families, with firm spiritual faith, not only spell happy, wholesome childhood, but furnish one of the surest and best ways for the preservation of democracy.

Sunday school attendance makes for the well-balanced life!

So, fellow Americans, let's take the family to Sunday school, and give them a heavenly endowed fellowship in the greatest educational institution on earth.

Tom C. Clark, Attorney General of the United States

Two pounds of lead arsenate and three pounds of hydrated lime in 100 gallons of water is recommended for a spray to kill the curculio. Plum and peach trees should be sprayed at the first petal fall.

VETERAN'S QUESTION BOX

Q.—Will VA pay my bill if I go to a private hospital in my home town instead of a VA hospital in a distant city?

A.—Yes, but only for a service-connected disability and if you have secured prior approval from VA.

Q.—My brother plans to go to school this summer for the first time under the GI Bill. I am already attending a school under the same Bill. I wish to attend the same school my brother attends this summer. Do we have to make application in advance to attend summer school?

A.—Yes. Your brother should apply now for a VA certificate of eligibility; and, if you intend to continue your education this summer in a different school, you should apply as soon as possible for a supplemental certificate of eligibility.

Q.—I am a disabled veteran and would like to know on what basis compensation for service-connected disability is granted?

A.—The disability must result from disease or injury incurred in or aggravated by active military or naval service, in line of duty.

Q.—What interest rates are lenders permitted to charge on business loans?

A.—In most cases, 4 percent is the maximum. However, the interest rate may be slightly higher for certain types of insured business loans.

It's Ant-Killing Time Around The Place

COLLEGE STATION.—The time to kill a colony of cut ants is when the colonies are weakest, when there aren't any young queens, and when there is ordinarily very few young ants being produced.

The time is now.

What ants are present are gathered in the central town, and the queens are found grouped together in a central cavity in this town. Since the queen's job is to lay eggs to keep the colony going, you can get rid of the colony by killing all the queens.

The main town may be 15, 20 or even 100 feet in diameter, with many entrances leading from the surface to the underground cavities. It won't do much good to treat the smaller ant hills surrounding the central town, says Allen C. Gunter, associate extension entomologist of Texas A. and M. College. You've got to get the central colony where the queens are.

The smaller ant hills are connected to the main colony by underground passages, which may some-

times be a quarter of a mile long. It's through these subways the workers carry the cut leaves to the central town. A two or three percent chlordane solution, made up of a chlordane wettable powder or an emulsion form, may be used in the control of cut ants, says Gunter. Pour about a half gallon of this solution down each opening of the colony.

Another good method is to dig up a shovelful of dirt at the surface opening to the passageway into the

interior, then pour a barrelful of water down this passageway. As the last gallon or two runs down into the ant hill, add one quart of carbon disulphide (highlife). Then cover all the colony entrances in the vicinity. Gunter warns the ant killers not to set fire to the highlife. Just let it soak into the ground.

In either case, whichever way you decide to kill the queens, the treatment may have to be repeated in three of four weeks, says Gunter. But it isn't always necessary.

A Change is in Order...

Change to OIL-PLATING!

QUIET! . . . There's an added ingredient in husky Conoco Nth Motor Oil that fastens a shield of lubricant right to your engine's working parts . . . protects them from wear. So change to Nth motor oil . . . and an OIL-PLATED engine.

READY TO GO!

. . . because Conoco Nth's OIL-PLATING can't all drain down, even overnight. Cylinders are lubricated, ready to go, at the touch of the starter!

RUNS SMOOTH!

. . . because another exclusive additive in Conoco Nth combats combustion acids and power-robbing sludge and carbon due to wear.

CUT COSTS!

. . . because Conoco Nth is made from fine paraffin-base crude—has wonder-working additives to reduce wear. You'll save on repair bills!

Oil-Plate today at your Conoco Mileage Merchant's!

Outlook on Grain Prices For The Season Given

COLLEGE STATION,—What about the price of grains?

Nobody knows exactly what price wheat will bring Texas growers this season. But if they can get enough rain at the right time, they'll likely get a heavy crop. The outlook is about the same with grain sorghums, corn and other feed grains.

C. H. Bates, extension farm management specialist of Texas A. and M. College, says there is one thing that looks pretty certain. That is, that the market prices at harvest time will be below the government support price level. How much below will depend on a couple of things. First, is the total production or prospective national crop, and the second, is the amount of storage facilities available for placing the grain under government loan.

Grain must be properly stored before the farmers will get the full benefit of the guaranteed price support loans. Late reports indicate that about two-thirds of all elevator capacity still holds last year's crops, Bates says. And it doesn't look as though this grain will move into export channels very fast during the next few months.

It is a case of a pretty heavy carryover of grains. Government storage facilities will probably not be able to handle more than average production, Bates says. So, farmers will have to take the storage business into their own hands on the farm.

Any grain storage building must be weather tight and strongly built to qualify for a crop loan. The type selected will depend on the farmer's needs, and the cost per bushel of storage will depend on the size build-

ing erected. W. S. Allen, extension agricultural building engineer of Texas A. and M. College, says that a small 500-bushel bin costs around 50 to 60 cents per bushel of storage. Larger storage bins—the 40 thousand bushel size—may be built for 15 to 20 cents per bushel of storage.

Many farmers are building facilities that can be used for other things when not needed for the storage of grain, Allen points out.

With a bumper crop this year, wheat producers might pay back a large amount of the first cost of granaries on the spread between the market price and the loan price this year. If the extra storage is needed, Bates says, it might be wise to build it in time to cash in on this extra dividend in 1949.

Looks like a case of being able to raise the price while raising the crop, he concluded.

Be Sure About Farm Machinery And Equipment

COLLEGE STATION,—In too many instances groups of Texas farmers have bought used gins only to find the machinery and equipment, which they thought to be good, almost worthless for ginning purposes, says M. C. Jaynes extension organization and cooperative marketing specialist of Texas A. & M. College. Old machinery must be torn out, often in the middle of a busy season, and replaced with expensive new machines. It is not unusual for farmers to find they have purchased little more than land, buildings, and the right to do business, says Jaynes.

Cooperatives interested in buying a used gin should employ a competent and disinterested engineer to check over the plant before signing

a purchase contract. The engineer should indicate which machinery is still usable and which must be replaced. He should test the motor under load. If possible, gin a bale of cotton. He should submit a list of new machinery necessary to make the plant serviceable and an estimate of its installed cost. With this information a board of directors can determine the value of a plant and can work out an intelligent plan for financing the purchase, adds Jaynes.

There is an over-supply of used gins in many sections of the state. Gins that can be cranked up and do a fair job of ginning have sold for as little as \$5,000 to \$6,000, but inexperienced groups of farmers often pay several times as much. It pays, cautions Jaynes, to take plenty of time to determine the actual condition of the plant before buying. New machinery is expensive, but junk is cheap.

New cooperative gin associations have uncertainties and hazards which they can hardly escape such as low crop yields and competition. They should take every precaution not to obligate themselves to pay a big price for unserviceable facilities, says Jaynes.

The Houston Bank for Cooperatives appraises the facilities when an association applies to it for a loan. This appraisal is for credit purposes and not for establishing a reasonable purchase price. Generally, a price has been set before the Bank comes into the picture.

These hints are given says Jaynes, not to suggest that farmers pay less than the value of a gin, but that they know what they are buying and pay no more than a fair price for it.

Seed Treatment Is Good Insurance

COLLEGE STATION,—Nobody can guarantee that your cotton will produce a good crop, but there is a good insurance in chemical seed treatment.

There's often quite a difference in a cotton crop that has been planted with chemically treated seed and a crop that wasn't. Here's the difference. With chemically treated seed, chances are good for better stands and greater yields because the chemicals kill seed-borne germs and protect the seeds against molds and fungi in the soil.

Without seed treatment, it is hard to get a good stand for producing a good crop, says E. A. Miller, extension agronomist of Texas A. and M. College. Unprotected seed rots easily in the soil before it has a chance to germinate, especially if

the ground is too cold or wet for quick germination. Even after the seed germinate, many young seedlings are killed by angular leaf spot, soreshin or bacterial boll rot.

One of the worst cotton diseases is angular leaf spot. It often shows up first on the young seed leaves, and during damp weather after the seedlings come up, many of them will die unless they were treated with a chemical before planting. This same disease also destroys some of the early buds, and may prevent the growth of early fruiting branches. As the cotton plant grows, the disease shows up as angular spots on the leaves, and also as bacterial boll rot, Miller says.

Brown spots or cankers at the ground level or slightly below on a stem is a good sign of soreshin. Many plants will recover from this disease, but they are often late in developing. Experiments have shown that seed treatment greatly reduces these troubles and helps to promote more vigorous seedlings, which often can be chopped and cultivated earlier.

In a four-year test by the Texas Agricultural Experiment Station with chemical seed treatment, results showed good increases. There

was a 25 percent increase in the Brazos bottoms near College Station, and a 4 percent increase in the average yield at Lubbock.

The Texas plentiful food list for March includes eggs, cheese, dry beans, onions, cabbage, potatoes, carrots, evaporated milk, butter, prunes and raisins.

"THE WOMAN PAYS" * * * Read why lax congressmen do nothing to remove the discriminating luxury tax. For an expose of the unfair luxury tax that will make you, Mrs. America, want to fight for its repeal, read this interesting article in The American Weekly, that great magazine, distributed with next Sunday's Los Angeles Examiner.

Do you tell time by Baby?

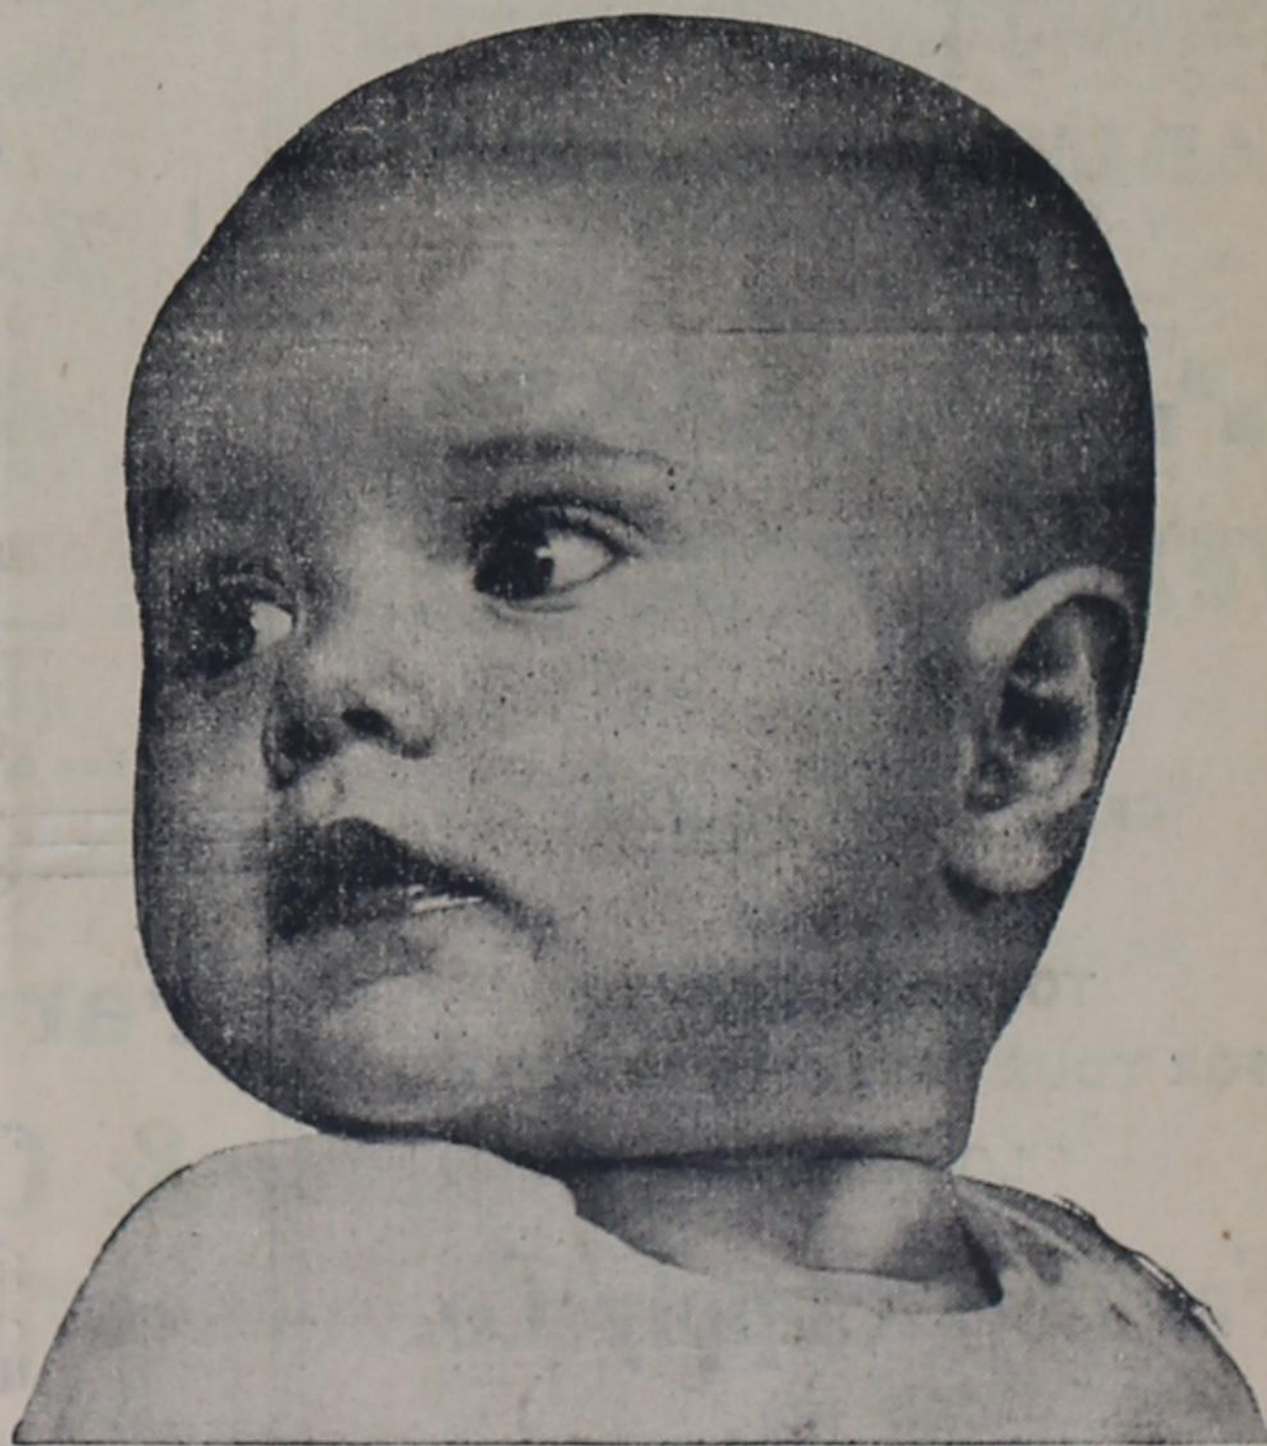

At his feeding times, yes. He sounds off on the dot when a meal's due. But the rest of your day, you're wise to depend on electric clocks.

With a baby in the house, it's surprising how much you depend on electric service—to prepare and refrigerate his food, heat water for his bath and laundry, wash his clothes, and so on.

Of course, you depend on electricity to help take the work out of your housework too. Always ready, it lends a willing hand with heavy chores, provides comfort, ease and even entertainment. And best of all, you can depend on its economy—for what other item in your budget does so much for so little?

Your friends and neighbors in this company—under sound business management—are continually using their technical skill and practical experience to keep electricity the biggest bargain in that budget of yours. You can depend on that too!

Mrs. Lunsford Honoree At Stork Shower

A lovely pink and blue shower, honoring Mrs. Buster Lunsford, was held the past Thursday afternoon in the home of Mrs. Sol Morgan in Farwell.

The reception room was beautifully decorated with bouquets of pastel sweetpeas and each guest was presented a small pink and blue cradled filled with mints as favors.

After an evening spent in games and visiting, a sandwich plate was served to Mesdames T. E. Levy, V. C. Venable, Joe Crume, W. W. Hall, G. W. Magness, Ted Sheets, R. L. Magness, H. D. Fought, Charles Lunsford, and Miss Janean Lunsford, all of Texico-Farwell; and Mrs. E. V. Plaster of Clovis, Mrs. Jess Hines of Friona and Mrs. Neil Lloyd of Brownwood.

Regrets were received from Mesdames O. C. Pullam, Claude Rose, Willie Smith, Noble Goldsmith, W. J. Goldsmith, Lewie Paul, Harry Whitley, Glenda Deatheridge, J. D. Thomas, S. O. Billington, Floyd Milstead, A. Milstead, Travis Brown, J. A. Jones, Les Means and A. J. Wilmeth, of Texico-Farwell; Mrs. Odie Hines and Mrs. Carl Hall of Friona, Mrs. Earl Watkins and Mrs. Foster, both of Brownwood.

Delegates Attend Roswell Assembly

Local delegates of the Hamlin Memorial Methodist Church were in Roswell last week, attending the state conference for WSCS and Wesleyan Guild members, with Mrs. Roy B. Ezell representing the local WSS and Mrs. Lenora McDermitt and Mrs. Mary Cason as the Guild representatives.

The WSCS sessions were held from Wednesday through Friday, and the Guild assemblies opened on Saturday evening and continued through Sunday morning.

Mrs. Beatrice Blocker, Guild conference secretary presided at the Saturday session, held in the first Methodist Church, with the theme of the program being "Forward Through Faith." A banquet concluded the evening.

On Sunday morning Mrs. Alma Riley directed the workshop program, with the topic, "Every One Win One." This session was held in Trinity Methodist Church and representatives from the various organizations were given pointers on building up membership in all phases of womens' work in the church.

Mrs. North Hostess To Golden Circle Class

The Golden Circle Sunday School Class of the Baptist Church held its regular monthly meeting in the home of Mrs. W. T. North, in Texico, on Tuesday night, April 5th.

During the business session, plans were made for the clothing of "Martha", an orphan girl in the Baptist home at Portales, whom the church body has adopted.

It was decided that a tea would be held on Thursday afternoon, April 14th, from 2:30 until 4:00, at the church parlors, to which all members and prospective members are invited.

At the close of the social hour delicious refreshments of hot chocolate and cake were served to Mesdames Jack Caves, Buck Bradshaw, Verney Townes, Raymond Martin, John Lockhart, Dale McCuan and the hostess, Mrs. W. T. North.

Rev. Harvey E. Carrell and son, Horace Lynn, were visitors in Amarillo, the past Saturday.

Mrs. Porter Hostess To Wesleyan Service Guild

The Wesleyan Service Guild of the Hamlin Memorial Methodist Church, met in the home of Mrs. John Porter, Tuesday night, April 12, in their regular monthly meeting.

The reception room was beautifully complimented with lovely bouquets of mixed cut flowers placed about the room.

Mrs. John Lovelace gave a very interesting discussion on "Light In Latin America," assisted by Mrs. Paul Wurster.

Following the discussion, Mrs. Lenora McDermitt, class president, gave a report on the Conference held in Roswell last week. She stated that approximately fifty delegates were present for the meeting.

During the business session, Mrs. Paul Wurster, class secretary, read a letter of thanks received from a Polish woman that had recently received a CARE package from the local group.

At the close of the meeting delicious refreshments of cookies and punch were served to the following ladies, Mesdames Lenora McDermitt, Harvey E. Carrell, Paul Wurster, Loyde A. Brewer, John Lovelace, Leroy Faville, and the hostess, Mae Porter, members; and one visitor, Mrs. W. H. Graham.

Mrs. Stone Hostess To Ruth SS Class

The Ruth Sunday School Class held its regular meeting in the home of Mrs. Jud Stone on Wednesday night, April 6th, with Mrs. D. J. Brown acting as co-hostess.

It was decided by the class that sewing would be done for the adopted orphan child in the Portales Home.

During the business session, new officers were elected. They are as follows: president, Mrs. Mae Porter, succeeding Ruby Stone; vice-president, Maxine Cook, relieving Velna Seale; and secretary-treasurer, Estelle Billington, replacing Marie Cox.

At the close of the meeting delicious refreshments of wafers and coffee were served the nine members present.

Farwell PTA Will Meet Thursday Evening

The Farwell Parent-Teachers Association will hold a regular monthly meeting on Thursday night, April 14th.

Rev. A. D. Moore, Methodist pastor at Oklahoma Lane, will be guest speaker of the evening, choosing as his subject "Better Homes With the Help of the School".

Hostesses for the meeting will be Mesdames Travis Brown, Joe Crume, Albert Smith, H. H. Petree, Harvey Carrell and Ramond Martin.

Easter Egg Hunt Is Slated, Saturday

The teachers of the Primary Department of the Baptist Sunday School will entertain six, seven, and eight-year-old boys and girls with an Easter Egg hunt next Saturday afternoon.

The children are asked to meet at the church at 3 p. m., and to bring their baskets.

Here For Easter

Mr. and Mrs. Bill White and children, of Albuquerque, plan to arrive here Wednesday afternoon to spend an Easter holiday with relatives and friends. Bill is a junior student at the University of New Mexico.

Lovely Post-Nuptial Fete Is Held In Legion Hall

Mrs. Warren G. Harding, the former Dorothy Paul Hallman, was the honoree at a lovely post-nuptial shower held in the American Legion Hall on Monday, April 4th.

Mrs. Jimmie Allman, Mrs. Jimmie Neill, Mrs. Ed McDaniels, Mrs. Jerry Paul, Mrs. W. J. Matthews, Miss Wanda Boss and Mrs. Frank Seale were hostesses.

Refreshments of punch, cookies and mints were served from a table attractively laid with a lace cloth and crystal, with a very appropriate centerpiece of yellow jonquils on each side of which were large gold wedding rings centered with nosegays of white and yellow daisies. Tall green tapers on either side of the centerpiece completed the decorations.

Miss Wanda Boss presided at the guest register and Mrs. Ed McDaniels poured. During the receiving hours, Mrs. C. M. Henderson gave several fitting piano selections. Mrs. Clyde Magness also entertained with two readings.

Those calling during the evening were Mesdames Birdie Paul, R. J. Klump, LeRoy Faville, B. O. Faville, Marvin Doolittle, Leona Bailey, Gladys Johnson, John R. Hadley, Edward Engram, C. C. Curry, Paul Skaggs Marie Ham, Ruth Reid, C. M. Henderson, Riley Boss, P. M. Owens, Roger Grissom, Reece L. Bennett, E. G. Blair, John Porter, Clyde Magness, W. H. McDaniels, M. H. Poteet, Hershel Morgan, Leroy Wilkinson, B. L. Harding, Bub Snell, N. R. Harding, Misses Vida Sue and Selma Bledsoe.

Those sending gifts included Mesdames Paul Wurster, B. A. Rogers, Otis Prescott, W. W. Vinyard, Roscoe Burris, Orval Francis, Luther Pearce, C. E. Sanders, Perry Crawley, Ralph Humble, Judge Stone, Jack Great-house, Olen Schleuter, James Paul, J. R. Sheriff, E. R. Daniel, Lynn Rice, J. D. Harding, Rip Snodgrass, T. T. Doolittle, D. J. Brown, Gladys Paul Skaggs, Lewie Paul, Henry Minter, Melvin Snider, Johnnie Williams, J. C. Moore, Bob Drace, J. C. Moore, Coy Gooch, John Aldridge, Sam Aldridge, Caroline Martin, Dorothy Lovelace, Jessie Levins, Austin Jones, Bert Williams, M. C. Roberts, F. J. Park, Wilbur Charles, Otis Branscum, C. W. Wilthe, Gladys King, Luther Moss, A. D. Smith, Elton Vaughan, Sam Randol, Jack Holt, H. H. Carlyle, Roy Sheriff, Winnie Johnson, Ernest Kalbas, Ebb Randol, Preston Martin, James Spurlin, C. G. Davis, Loyde Brewer, J. R. Thornton, Dorothy Quickel, Misses Iris Thornton, Wilma Louise Snider and Mildred Moore; Mr. Jim Harding.

Sprawls Is Member Of Agriculture Society

Duane Sprawls, son of Mr. and Mrs. Aubrey Sprawls of Farwell, is a senior Agricultural Engineering student at Texas A and M College.

During his junior year at A and M, Duane held the rank of cadet master sergeant and now holds the rank of cadet major. He is also a member of the American Society of Agricultural Engineers, the Student Senate, and the Senior Court.

Sprawls is a member of the Agricultural Engineering Rural Electrification Exhibit committee. The committee will prepare an exhibit for the Little Southwestern Fat Stock Show to be held May 6 and 7. The Little Southwestern is held in connection with the annual Open House at Texas A and M College.

To Abernathy

Mr. and Mrs. Jess Coburn spent Sunday in Abernathy, visiting in the home of Mr. and Mrs. Bob Drace. They were accompanied home by Mrs. J. H. Ross, who had spent several days in the Drace home.

Variety Club Meets At Okla. Lane

The Oklahoma Lane Variety Club met with Mrs. Sam Shelley, on last Tuesday. The evening was spent in quilting.

Each lady was presented a corsage and refreshments of punch, cake, ice cream and Easter candy was served. Attending were Mesdames Sam Sides, J. R. Caldwell, Thad Watkins, Clyde Perkins, Moore, J. M. Pruitt, Katherine Merriman, Clarence Christian and Phyllis Kay, Ellis R. Barry.

The next meeting will be with Mrs. Edd McGuire.

Easter Banquet Held

Mothers of the Ideal Intermediate Class of the First Baptist Church, of Bovina, entertained with an Easter banquet in the dining room of the church in Bovina on Friday evening, April 8th.

Guests were members of the class, the pastor, Rev. Weldon Franks, and the class teacher, Mrs. Alice B. Moore.

After a very inspirational talk by Rev. Franks, games were enjoyed by the youngsters.

Spring Banquet Comes On April 22nd

The spring junior-senior banquet for Farwell students will be held in the Justice-Williams Legion Hall in Farwell next Friday night, April 22nd.

R. B. McAlister, of KICA, Clovis, will be the guest speaker, with Carey Joe Magness as junior president, serving as emcee.

The banquet will be in charge of women in the Farwell school cafeteria.

Surprise Supper Honors Johnson Children

Gloria Ann and Bill Johnson were honorees at a surprise birthday supper the past Monday evening, in the home of their parents.

Those present for the occasion included T. J. Randol, Ira W. Taylor, of Roseville, Calif., Miss Aileen May of Pomona, Calif., Buddy Pearce, Talma Randol, Vernon Blain, Gerald Spies, Aileen Richey of Clovis, Delphine, Jerry and Don Johnson, the honorees, Bill and Gloria Ann, and the parents, Mr. and Mrs. Russell Johnson.

Methodist Kids Will Have Egg Hunt

Youngsters of the beginner-primary department of the Methodist Church are invited to an egg hunt on Saturday of this week, department officials said today.

The children are to meet on the church lawn at 3 o'clock, Texas time, Saturday afternoon, bringing eggs and baskets.

Refreshments will be provided by sponsors of the group.

Two marriage licenses were issued last Wednesday, April 6th, at the office of County Clerk Loyde Brewer. The licenses went to James Benton Glaze and Miss Betty Jo Tarter, and to Charles Hugh Womack and Miss Pat Higgins.

Les Means left recently for Needles, California, where he is visiting in the home of his daughter, Mrs. R. C. McReynolds. Means has been in ill health for the past several months and hopes a change of climate will prove beneficial.

Mr. and Mrs. Lee Renner and son, Dickie Lee, of Hereford, attended business matters in Farwell on Monday morning.

Mr. and Mrs. Choice Scarbrough of St. Vrain, N. M., spent Sunday in the home of Mr. and Mrs. C. A. Casady.

Members Reminded Of PTA Social, April 14th

Members of the Texico PTA are reminded today that a covered dish supper will be held at the school on Thursday night, as the last meeting of the current year.

Newly-elected officers will be installed during the business session and each patron is invited to attend. The various committees and their attendant duties will also be announced.

Mrs. Clara Green, of San Jon, spent the past Sunday night in the home of Mrs. Mae Means.

Mr. and Mrs. Marvin Hamrick were Sunday visitors in the home of Mr. and Mrs. Bob Byrd in Muleshoe.

Mrs. Harvey E. Carrell, who was called to Dallas last week by the illness of her father reported this week that Mr. Patterson was showing improvement. He underwent surgery to remove a cyst on the lung, but surgeons decided against removing the growth.

Mr. and Mrs. T. F. Wortham of Medina Lake, who have been visiting in the Joe Magness home, departed for their home on Tuesday. They are Mrs. Magness' parents.

Mrs. J. L. Nally is in Amarillo visiting in the home of her son, D. H. Nally and family.

Important Notice

During the past several weeks we have been receiving numerous complaints about the practice of dumping garbage in the bar ditches and even in some fields. Such practices are a violation of the law and we would like to get it stopped without prosecuting anybody, and to this end we are asking the cooperation of all individuals.

Another practice that has been responsible for considerable complaint is that of throwing loose paper and cardboard boxes out in the open, to be blown to adjoining property. We are asking that this practice be stopped. Will such offenders please burn their surplus paper and boxes? We are hopeful that this reminder may be all that is necessary . . . otherwise we may be compelled to resort to sterner measures.

Parmer County Commissioners Court

Business Activity On Downward Trend

Continuing the downward trend in February, the index of business activity in Texas dropped 2 per cent from January, after adjustment for seasonal variation, the University of Texas Bureau of Business Research reported. With the exception of small increases in November and December, the Bureau's index has been declining since August when it reached a postwar high of 233 per cent of the 1935-39 base period.

Dr. John R. Stockton, statistician for the Bureau, said the widespread nature of the decline throughout the various phases of the economic activity of the State, combined with the fact that business all over the country is showing the same kind of weakness, gives rise to the belief that a major turning point in business activity is at hand.

Whether or not this is the turning point in a major cycle of business, or is a minor cyclical decline such as the last quarter of 1937, cannot be determined this early in the decline, Dr. Stockton stated. The composite index has dropped only two times since 1935 for enough consecutive months to represent more than an erratic fluctuation in business. Since one of these declines, in the last half of 1945, represented the period of reconversion from the expanded war production, there has been only

cyclical recession in business activity since 1935. It is generally considered that the upswing in business after the long decline of the early thirties began in March 1933, which means that for 16 years the level of business activity has been expanding almost all the time.

All but one of the components of the composite index of Texas business declined in February. Miscellaneous freight carloadings dropped 12 per cent; department and apparel store sales and pay rolls, 4 per cent; crude oil runs to stills, 2 per cent; and employment, a fractional dip. The only component rise was electric power consumption, up 5 per cent.

Dr. Stockton said the decline that has been underway since last August has carried three of the components to levels below that of February 1948. Miscellaneous freight carloadings were down 17 per cent from a year ago, and crude runs to stills and department and apparel store sales were down fractionally from February 1948. Electric power consumption and pay rolls were up 11 per cent from a year earlier; and employment, 5 per cent.

Retail trade in February showed a substantial rise from the January level, with the Bureau's index rising 4 per cent after adjustment for seasonal variation. It is significant that all of the increase in the index of retail sales was in the sales of durable goods stores. The sales of nondurable goods stores declined less than

CHILDREN DEFY FATHER AND PRAY . . . A father who doesn't want his young daughters to believe in God is under court injunction to stop trying to teach them atheism. Camera study above typifies triumph of faith over sterile skepticism as the two girls, Nanette, 11, (left) and her sister Peggy Lynn, 7, sing hymns of worship before stained window of a Chicago church. The father, Duane Free, a printer, is in Detroit. The mother, Mrs. Esther Free, who lives with her daughters, is suing for divorce.

Bring the spirit of Easter right into your home with a bouquet of dewy, fresh flowers from our florist shop. Fresh cut flowers or a blossoming plant rich in natural beauty add so much to the appearance and atmosphere of your home. Come in and choose your favorites from our unsurpassed selection of breath-taking beauty—and they are inexpensive, too.

Clovis Floral Company

Phone 120

Clovis, New Mexico

1 per cent from January, while sales of durable goods stores increased 12 per cent.

Building activity as measured by permits issued in February registered a substantial rise to carry the Bureau's seasonally adjusted index up 12 per cent from January. However, this level is still considerably below the rate of building during 1948, and it was down 21 per cent from February 1948. Except for erratic month-to-month fluctuations that characterize all building permit series, the course of the Bureau's index has been consistently downward since the beginning of 1948. However, the level of building is still extremely high in comparison with pre-war standards, and at no time during the past year has the value of permits issued during a month been less than four times the value of permits issued in the prewar years.

Gibson Warns Against DDT For Insects

COLLEGE STATION, — Texas dairymen are warned not to use DDT for insect control. The warning comes from G. G. Gibson extension dairy husbandman of Texas A. and M. College, who adds that small amounts of DDT in a food such as milk might prove harmful in time.

And the presence of DDT in milk

goes strictly against the grain with the Food, Drug, and Cosmetic Act. So it's best to use another chemical in the control of dairy cattle insects.

Entomologists recommend methoxychlor or pyrethrum in place of the DDT for dairy cows, and go on to say that DDT is still good for insect control on other livestock, including beef cattle. Dairy animals or livestock being finished for slaughter should not be fed forage treated with DDT or other chemicals in the same class, cautioned the Bureau of Entomology and Plant Quarantine.

It's a different matter when it comes to fly control in and around farm buildings. DDT is all right for this. So is chlordane and BHC. But methoxychlor is the one recommended for use around dairy barns where milk is being processed.

Even better than the chemical sprays, Gibson suggests that dairymen get to the bottom of the fly situation with proper clean-up and other sanitation measures.

With a clean dairy, only a small amount of chemicals may be needed, he concluded.

An ALL Purpose Machine for Dirt Moving Land Leveling and Seed Bed Preparation

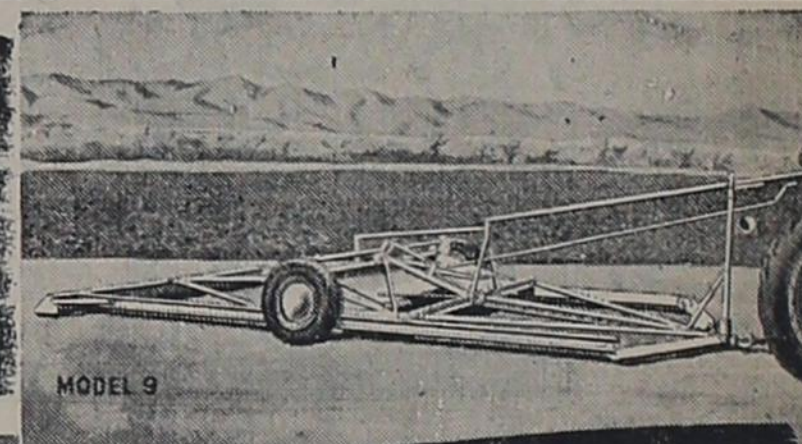

MODEL 25 - Width 12' 10", length 32', cutting blade length 9' 3", depth 22" requiring 38 H.P. (drawbar)

MODEL 12 - Width 12', length 21', cutting blade length 9' 3", depth 16", 3 plow tractor. Model 9 shown at top of page slightly smaller for 2 plow tractor.

MODEL 35 - Larger, longer, more dirt capacity than Model 25. Both 25 and 35 have main frame spliced for converting in field to maneuverable DIRT MOVER. Shown above in shortened form.

The Patented **EVERSMAN** AUTOMATIC Land Levelers and Dirt Movers

Made in 4 Sizes - a Model for Every Farm Operation

Here's an ALL PURPOSE machine that you'll use year after year. The EVERSMAN will not only do your initial job of dirt moving and leveling, leaving your fields in perfect condition for irrigation and drainage, but it is a machine you need every year for maintaining contours and preparing seed beds.

The EVERSMAN is truly an AUTOMATIC leveler. It has the patented eccentric (crank) axle - when wheels go on high place the blade AUTOMATICALLY lowers to gather a load - when wheels go into a low place the blade raises to release enough dirt to fill. Front clod buster and rear smoother blade firms the surface as the machine moves along producing a finely pulverized seed bed while AUTOMATICALLY LEVELING. Also equipped with patented wheel lift for DIRT MOVING which raises and lowers the whole machine and gathers or releases a big load of dirt wherever you wish.

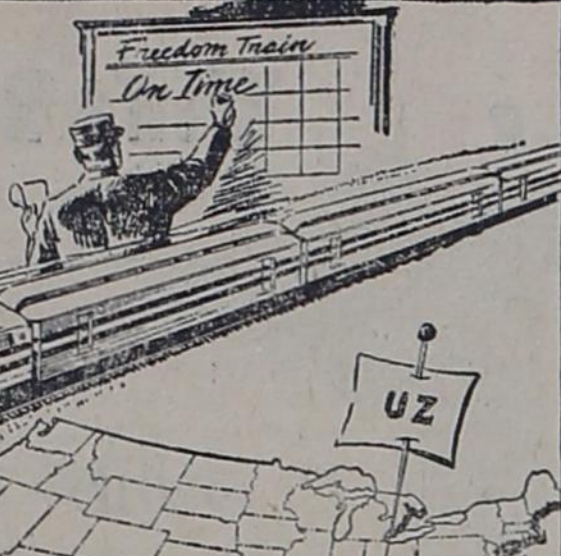

One inexperienced man driving your present tractor handles this ALL PURPOSE machine. Moves fast on rubber tired wheels. Inexpensive!

BOVINA NEWS

(Continued from preceding page)

Word was received here Thursday that the former Donna Brito, now Mrs. R. L. Chavantez, has a new baby girl, born Wednesday, March 30 in a Clovis hospital. The Chavantezs now live in Portales.

The Bovina people were very sorry to hear of the death of the infant baby of Mr. and Mrs. Shelby Jersig, which only lived a few hours. Mr. and Mrs. Jersig lived in Bovina for several years and are now living in Clovis.

Work on the Bovina Theatre has been started, so we hope it won't be long until we can go to a show in Bovina.

Mrs. Charlie Jefferson is having her teeth pulled in Clovis. She made her first trip Friday.

Mrs. Tommie Horton returned from Amarillo, Tuesday, after spending the past six weeks visiting in the home of Mr. and Mrs. Pete Frazier.

Mrs. Alma Vassey left Tuesday for Vernon, Texas, to make her home.

Mr. and Mrs. Herbert Potts have bought and moved into the Alma Vassey home.

Mrs. Guy Morgan of Plainview is spending the week visiting in the Frank P. Wilson home.

Clovis shoppers Tuesday were Mrs. Otis White, Mrs. Joe Wilson and Nancy, Mrs. Paul Jones and son, Mrs. Pat Kunselman, Mrs. Frank P. Wilson, Mrs. Guy Morgan and Mrs. Elton Venable.

Mrs. Jack Waltmon and son and Mrs. Stanley Barber shopped in Clovis Monday.

Mr. and Mrs. Buck McCuan purchased a new Hudson this week.

Mrs. Fred Langer shopped in Clovis Monday.

Mrs. John Byler Jr., and children of Amarillo spent Sunday with relatives and friends here.

SURPRISE BIRTHDAY PARTY

A surprise birthday party for Mr. Will Parker was held Friday night, April 1, on which he celebrated his 66th birthday.

Several friends gathered in the Parker home with gifts for Mr. Par-

ker, and taken him by surprise. Present were Mr. and Mrs. Mel Gunn, Mr. and Mrs. Tom Rhodes, Mr. and Mrs. Levi Johnston and children, Mr. and Mrs. S. A. Calhoun, Mr. and Mrs. Hubert McKenney and James, Mr. and Mrs. Tom Griffitt, and Mr. and Mrs. Oscar Combs.

Several games of forty-two were played and everyone had a nice time.

SURPRISE BIRTHDAY DINNER

A surprise birthday dinner was held in the home of Mr. and Mrs. H. L. Tidenberg, for Mrs. Bob Williford, Tuesday, March 29. Those attending brought gifts and covered dishes.

Present were Mrs. J. Sam Gaines, Mrs. Norman Wilson, Mrs. Melvin Stagner and children, Mrs. John Stagner, Mrs. Carol McCleaskey and son of Clovis, Mrs. Vernon Ward, Mrs. Mel Gunn, Mrs. John Kimbrow, Mrs. Mildred Moody, Mrs. Pearl Ray, Mrs. Ward Thompson, Mrs. Mabel Sharp, Mrs. H. D. Bradshaw, Mrs. H. L. Tidenberg, Mrs. Joe Wilson, Mrs. Troy Armstrong. Several gifts were received from people unable to attend.

ATTENDS FUNERAL

Among the out-of-town people who attended the funeral of Mrs. Icie Bonds, and her daughter, Miss Dorinda Bonds, were the following.

Mr. and Mrs. Rush Looney, and Horace Dorsey of Hot Springs, N. M., Mr. and Mrs. D. A. Atkins, Mr. and Mrs. Hall Looney and Perry, Mr. and Mrs. N. J. Looney, Mr. and Mrs. Waldon Slaton and family, Mr. and Mrs. Marvin Looney, and Mr. and Mrs. Huyley Rush all of Lubbock; Mr. and Mrs. Joe Smith, Mr. and Mrs. John Aldridge, Mr. and Mrs. Nora Cantrell, of Dallas; Mr. and Mrs. Alfred Fourmentin and Leslie Jones of Clovis; Robert Bonds, Mrs. Carrie Lee Bond, and son of Fort Worth; and Mr. and Mrs. Aubrey Brock of Littlefield.

CHILI PORK CHOPS

Pork chops take well to tomato flavor for an interesting new combination. One way is to cook the chops with a topping of chili sauce. Brown the chops well first, then top each with 1 tablespoon chili sauce, cover and braise slowly until tender.

Tuberculosis Control Will Be Subject Of Annual Meeting

Tuberculosis control will be the subject of the 39th annual meeting of the Texas Tuberculosis Association to be held in Tyler, Texas, on April 8-9. The Blackstone Hotel will be headquarters for the 2-day meeting, at which physicians, public health workers and lay leaders from every section of the State will gather to discuss the problem of tuberculosis in Texas in view of present day methods and procedures.

Meeting concurrently with the Association will be its medical section, the Texas chapter of the American Trudeau Society, and also the Texas Conference of Tuberculosis Secretaries.

Highlighting the conference will be the Friday afternoon general session, at which Dr. Elliott Mendenhall, Dallas, president of the Association, will preside. Principal speaker will be Dr. Konrad Birkhaug, Albany, New York. Dr. Birkhaug, who is of the Department of Health, state of New York, Division of Laboratories and Research, will speak on "BCG Immunization Against Tuberculosis." Other subjects included in the program are minimal tuberculosis, streptomycin, pneumoperitoneum, genitourinary tuberculosis diseases, virus of the common cold, home treatment of tuberculosis, X-ray survey, use of radio in health education, and determining health needs of a community.

Texas physicians on the programs include Dr. Howard T. Barkley, Houston; Dr. John A. Wiggins, Jr., Fort Worth; Dr. C. B. Young, Tyler; Dr. John Marietta, Dallas; Dr. John S. Chapman, Dallas; Dr. Daniel E. Jenkins, Houston; Dr. James E. Dailley, Houston; Dr. Vincent Vermotten, Dallas; Dr. Harry M. Spence, Dallas; Dr. Jerry Miller, Dallas; Dr. Pollard, Galveston; Dr. Duane Carr, Edwin G. Faber, Tyler; Dr. Morris Memphis, Tennessee; Dr. David McCullough, Kerrville; Dr. Howard E. Smith, Austin; Dr. D. A. Reekie, Fort Worth, and Dr. R. W. Ross, Tyler.

Other participants are Miss Pansy Nichols, Austin; Arthur Stout, Waco; Mrs. Gertrude Gardiner, El Paso; Mrs. Ada B. Smith, Lufkin; Dale W. Knotts, Dallas; Mrs. Marie C. Peik, Austin; Mrs. Louis Gayer, San Angelo; Reverend John Anderson, Tyler; Miss Stella McCullough, Austin; Dr. A. L. Chapman, Austin; Miss Elizabeth Suiter, Winnsboro; Dr. Ruth Abernathy, Austin; Mrs. Frances W. Greene, Austin; Miss Sula Fleeman, Fort Worth, and Mrs. Frances C. Rains, Austin.

GO TO GALVESTON

LUBBOCK—Forty-five students in petroleum engineering at Texas Technological college who will graduate in 1949 will make a field trip to Galveston April 25 to observe an oil company's offshore drilling operations.

The group expects to visit a number of other petroleum industry installations in the Galveston area. Faculty members William Ducker and Phillip Johnson will accompany the students.

A red dye is made from the cochineal bug.

LEGAL NOTICES

CITATION BY PUBLICATION

THE STATE OF TEXAS

TO: John R. Havens, Cora Havens, Willis M. Wilmore, Ona Wilmore and Thurza O. Wilmore, and the unknown heirs, assigns and legal representatives of the aforesaid defendants, if said defendants be dead, GREETING:

You are commanded to appear and answer the plaintiffs' petition at or before 10 o'clock A. M. of the first Monday after the expiration of 42 days from the date of issuance of this Citation, the same being Monday the 9th day of May, A. D., 1949, at or before 10 o'clock A. M. before the Honorable District Court of Parmer County, at the Court House in Farwell, Texas.

Said plaintiff's petition was filed on the 21 day of March, 1949.

The file number of said suit being No. 1466.

The names of the parties in said suit are: C. W. Dixon, George Messenger, and W. M. White, Trustees for Friona Baptist Church, as Plaintiffs, and John R. Havens, Cora Havens, Willis M. Wilmore, Ona Wilmore, and Thurza O. Wilmore and the unknown heirs, assigns and legal representatives of the aforesaid defendants if said defendants be dead, as Defendants.

The nature of said suit being substantially as follows, to-wit:

This is a suit in trespass to try title. Plaintiffs allege that on March 1, 1949, they were the owner in fee simple of Lots 1, 2, 3, and 4, Block 73, of the original Town of Friona, Parmer County, Texas, and that thereafter on the second day of March, 1949, the defendants and all of them unlawfully entered upon said lands and dispossessed plaintiffs thereof their possession thereof and withhold possession thereof for a period of ten days to plaintiffs' damage in the sum of \$10.00, and plaintiffs ask for their damages and specifically plead the five-year statute of limitations, and asks for title and possession to the above-described lots and their damages and general relief.

If this Citation is not served

within 90 days after the date of its issuance, it shall be returned unserved.

Issued this the 21 day of March, A. D., 1949.

Given under my hand and seal of said Court, at office in Farwell, Texas, on this the 21 day of March, A. D., 1949.

LOYDE BREWER, Clerk, District Court, Parmer County, Tex. (SEAL)

By: Dorothy Lovelace, Deputy. 23-4tc

Green and Harry Green, and the unknown heirs, assigns and legal representatives of the foregoing defendants, whose names, residences, and whereabouts are unknown, as

Defendants, and O. W. Rhinehart, Plaintiff.

The nature of said suit being substantially as follows:

This suit is brought in Trespass to Try Title. Plaintiff alleges that on January 1, 1949, he was the owner in fee simple and in possession of Lots 1 and 2, Block 116, original Town of Bovina, Parmer County, Texas, and thereafter, on the second day of January, 1949, the defendants, and all of them, unlawfully dispossessed plaintiff thereof his possession thereof and withhold from him the possession thereof, to his damage in the sum of Ten Dollars, and plaintiff further pleads the five and ten year statutes of limitations and prays for judgment for title, possession of said lands, and damages and costs of suit.

If this Citation is not served within 90 days after the date of its issuance, it shall be returned unserved.

Issued this the 21 day of March, A. D. 1949.

Given under my hand and seal of said Court, at office in Farwell, Texas, on this the 21 day of March, A. D. 1949.

Firestone

CHAMPION GROUND GRIP

Tractor Tire

OUTPULLS THEM ALL . . . BECAUSE IT TAKES A CLEAN, FULL TRACTOR BITE

OUTCLEANS—No tractor tire can pull unless it cleans. Firestone Champions outpull because they outclean. The full-traction tread bars flare outward like the moldboard of a plow and channel the soil out as the tire rotates and flexes. There are no trash-catching "bar-stubs".

OUTPULLS—The real test of a tractor tire is how it pulls when the going is tough. You can depend on Firestone Champions to outpull because their traction bars are built higher for a deeper bite, longer for a bigger bite. Triple-braced for a stronger bite, and connected at the center for a full traction bite—all the way across the tread.

OUTLASTS—Firestone Champions outlast because their Triple-braced bars cannot wobble and wear, cannot punch their way through the cord body like unbraced bars. The higher, longer, stronger bars of the Champion ride smoother, last longer. It's easy to see why Champions continue to give full traction tread life long after other tires have worn smooth.

HELPING BUILD WEST TEXAS

When Your Back Hurts

And Your Strength and Energy Is Below Par

It may be caused by disorder of kidney function that permits poisonous waste to accumulate. For truly many people feel tired, weak and miserable when the kidneys fail to remove excess acids and other waste matter from the blood.

You may suffer nagging backache, rheumatic pains, headaches, dizziness, getting up nights, leg pains, swelling. Sometimes frequent and scanty urination with smarting and burning is another sign that something is wrong with the kidneys or bladder.

There should be no doubt that prompt treatment is wiser than neglect. Use Doan's Pills. It is better to rely on a medicine that has won countrywide approval than on something less favorably known. Doan's have been tried and tested many years. Are at all drug stores. Get Doan's today.

Bovina Wins Track Meet For District Contestants

The Bovina contestants rated tops in the number of points compiled at the District 10B track and field meet held on Tuesday of last week at Friona, according to figures released by Supt. W. O. Cherry, athletic director for the district.

Bovina's total points stood at 63 1-3, with Farwell in second place, having 36 points, and Vega a close third with 32.

Following is a list of senior placements at the event:

High hurdles—Jones, Bovina, 1st; Tabor, Bovina, 2nd; Roark, Adrian, 3rd. Time, 18.5.

100-yard dash—Booth, Farwell, 1st; McKinney, Bovina, 2nd; Richardson, Vega, 3rd. Time, 10.8.

440-yard dash—Ellison, Bovina, 1st; Massey, Friona, 2nd; McNabb, Vega, 3rd. Time, 55.9.

Low hurdles—Tidenberg, Bovina, 1st; Jones, Bovina, 2nd; Ellison, Bovina, 3rd. Time, 27.2.

440 relay—Farwell, 1st; Vega, 2nd; Bovina, 3rd. Time 48.2.

880-yard run—Ford, Farwell, 1st; Tabor, Bovina, 2nd; Thomas, Farwell, 3rd. Time, 2:17.

220-yard dash—Stone, Adrian, 1st; Booth, Farwell, 2nd; Hoffer, Bovina, 3rd. Time, 26.6.

Mile run—Ray, Bovina, 1st; Tidenberg, Bovina, 2nd; Jones, Friona, 3rd. Time, 5:15.2.

Mile relay—Bovina, 1st; Friona, 2nd. Time 3:55.

Vault—Harris, Vega, 1st; McKinney, Bovina, 2nd; Fewell, Adrian, 3rd. Height: 10'3".

High jump—Christian, Farwell, 1st; Pool, Farwell, 2nd; Jones, Bovina, 3rd. Height 5'7".

Shot put—Harris, Vega, 1st; Cotton, Vega, 2nd; Lowrie, Bovina, 3rd.

Distance, 37'5".
Broad jump—Pool, Farwell, 1st; Thomas, Farwell, 2nd; Ray, Bovina, 3rd. Distance, 18'7".

Discus—Harris, Vega, 1st; Tidenberg, Bovina, 2nd; London, Friona, 3rd. Distance 116'3".

In tennis, Pat Deaton of Friona took the senior boys singles, with Bainum and Cranfill, also of Friona, taking the senior boys' doubles. The Friona girls' senior team made it a clean sweep by taking their championship.

Literary Winners Named

Cherry also released the following list of winners of the recent literary division of the interscholastic league activities:

High school declamation Willard McNabb, Vega boys; Mary Smith, Vega, girls.

Ready writers: Lunell McFarland, Friona; Donald Fortenberry, Adrian.

Typing: Janean Lunsford, Farwell, 1st; Charles Bond, Adrian, 2nd; Betty Ingleking, Lazbuddy, 3rd.

Number sense: Donald Fortenberry, Adrian, 1st; James Welch, Lazbuddy, 2nd; Pat Deaton, Friona, 3rd.

One-act play: Friona, 1st; Bovina, 2nd; Wildorado, 3rd.

Three-Way Honors Go To Wolverines

Entertaining representatives from Melrose and Field the past weekend with an invitation track and field meet, the Texico squad grabbed its second title of the current season.

Final point tally gave Texico 75, with Tucker leading the parade at 33 1/2. Second in the team rating was the Melrose aggregation, which had a score of 59 1/4, while Field garnered only 9 1/4 points for the afternoon.

Winners for the various events were as follows:

100-yard dash—Tucker, Texico, 1st; Richards, Melrose, 2nd; Pearce, Texico, 3rd; Barlowe, Melrose, 4th. Time, 10.9 seconds.

Broad jump—Tucker, Texico, 1st;

Pearce, Texico, 2nd; Saxton, Melrose, 3rd; Downey, Melrose, 4th. Distance, 19'11".

High hurdles—Tucker, Texico, 1st; Saxton, Melrose, 2nd; Sparks, Texico, 3rd; Houghtling, Texico, 4th. Time, 17.6 seconds.

Shot—Barlowe, Melrose, 1st; Tucker, Texico, 2nd; Richards, Melrose, 3rd; Cowley, Melrose, 4th. Distance, 38'11".

Javelin—Saxton, Melrose, 1st; A. Doolittle, Texico, 2nd; Pearce, Texico, 3rd; DeGraffenreid, Melrose, 4th. Distance, 136'9".

440-yard run—Tucker, Texico, 1st; Downey, Melrose, 2nd; Skeen, Field, 3rd; Sparks, Texico, 4th. Time, 57 seconds.

Vault—Saxton, Melrose, 1st; Doolittle and Sparks, Texico, and Melton of Field, tied for 2nd.

Discus—Cowley, Melrose, 1st; Gant, Texico, 2nd; Barlowe, Melrose, 3rd; Saxton, Melrose, 4th. Distance, 106'.

220-yard dash—Tucker, Texico, 1st; Richards, Melrose, 2nd; Pearce, Texico, 3rd; J. Doolittle, Texico, 4th. Time, 27.3.

High jump—Doolittle, Texico and Saxton, Melrose, tied for 1st; Tucker and Sparks of Texico, Downey of Melrose and Melton of Field tied for 3rd. Height, 5'3 1/2".

Low hurdles—Tucker, Texico, 1st; J. Doolittle, Texico, 2nd; Swope, Melrose, 3rd; Saxton, Melrose, 4th.

Mile run—A. Doolittle, Texico, 1st; J. Doolittle and Houghtling, of Texico, tied for 2nd; Richardson, Melrose, 4th. Time 1:44.7.

Three Meets Slated For Texico Squads

Three track and field meets are on the docket for the Texico track men during the next three weeks. Coach C. E. Sanders said today, the first events slated for Friday of this week, April 15th, when the Fox Relays will be run off at Fort Sumner.

Sanders reported that he had not definitely determined which boys would go to Fort Sumner, but indicated that young Wayne Tucker, who has been making quite a name for himself, would participate.

On April 23rd, the county meet will be held in Clovis, with entrants from the majority of schools in the county taking part, and the following weekend, on April 30th, ENMC will be host to the district six meet at Portales.

State activities are slated for Albuquerque, May 5-6-7.

HOME FROM OKLAHOMA

Mrs. H. H. Barlow and son, Bobby Jack, returned home the first of the week from a visit with relatives and friends in Oklahoma. They visited with Mrs. Barlow's brother, who is quite ill with tuberculosis at Ponca City, another brother at Enid, and with the J. V. Bohannon family, formerly local residents, at Checotah, Okla.

STOUT STRICKEN

F. D. Stout, ag teacher in the Texico schools, was stricken while attending the state judging contest with his FFA boys in Las Cruces last weekend. He received medical attention there and was returned to his home here on Monday. Mrs. Stout said today that he was suffering from virus pneumonia and would likely be absent from school for the remainder of this week.

Friona FFA Chapter Has Prize Animals

Grand champion female—Friona FFA.

Local Board Attends Budget Meeting

Members of the Texico board of education and Supt. B. A. Rogers were in Clovis Tuesday morning, attending a budget meeting.

Although Rogers could not be specific on the budget, he indicated following the meeting that the local school would see a raise in faculty pay, and the possible addition of one or two teachers next fall.

Attending as board representatives were Claude Curry, president, Edward Engram, vice president, John Hadley, secretary-treasurer; Truman Doolittle and Perry Crawley.

YOUNGSTER IS ILL

Charlene Allen, 12-year-old daughter of Mr. and Mrs. T. B. Allen of Texico, is partially confined to her bed, following a medical examination which revealed that the youngster had rheumatic fever. Mrs. Allen reported that Charlene would be allowed part-time school duties until the close of the term, after which she will be on bed-rest.

NEW BOOKKEEPER

Miss Bobby Edwards, of Bovina, has been employed at the Sikes Motor Company, in this city, as bookkeeper.

LEAVES FOR GERMANY

Staff Sargent Ernest Justice, son of Mr. and Mrs. S. J. Justice, of this city, who has been visiting here since April 1st, will leave for camp on Thursday of this week. Sgt. Justice has been stationed at Shreveport, La., for the past several months and will report there, expecting to be sent to Marburg, Germany, for occupational duty.

HAS TONSILECTOMY

Mrs. Olan Schleuer underwent a tonsilectomy at a Clovis hospital on Monday morning. She is reported to be recuperating satisfactorily.

MAKE EASTER SELECTIONS NOW

Naturally, you'll want some Easter eggs and other trimmings for the small fry this year, so drop in during the next few days while our stock is complete. For the adults on your Easter-gift list, we have a complete assortment of Pangborn's fine candies, appropriately boxed for the season.
