By HOP JR.

No one (except weekly newspaper publishers) could know the unspeakable joy that engulfs us each Thursday afternoon when the Headache has been delivered to the mails.

All at once the worries and strain of getting out The Tribune are dissolved as we shove the bundled fruits of our labor across the window to the waiting postmasters.

As best we can figure it, the only thing that explains why we stay in the game is like the fellow who was asked by a friend why he was pinching his finger with a pair of pliers.

"Because it feels so good when I stop doing it", he replied.

Isn't it funny how just about the time you get full, you have eaten up all the soggy crackers and are down to a new package of nice fresh ones?

The jeep is gone, and with it an era of misery; but the kind of misery that always produced a laugh. That old wagon had real personality.

Where else could you find a car that would start on cold mornings, but balk on nice days? Or a door that two strong men couldn't pry open, but would spring free when the car rolled down a paved street?

Where else could you find a vehicle so distinctive in style that everyone stared (in wonderment, no doubt) when you went by? What other car on the road ever had an emergency brake handle that came right out in your hand when the emergency arose.

In winter time the jeep's heater worked more like an air conditioner, and in summer, the floorboards got so hot you couldn't put your feet on them.

That jeep had more room that you couldn't use than anything else on the road. It got 25 miles to the gallon of gas, which was fine, but required a new engine every six to eight months.

Motherhood has sort of an inborn educational quality, the like of which is never approached in anything as formal and public as the schoolroom.

But even Mama's teaching can be imperfect. The wife has worked for two weeks to teach the Little Man how to crawl. She's now meeting with some success. The only trouble is that he goes backward. It's pretty tough for him to see where he's going, but he has a heck of a good view of where he's been.

We read in the papers where the weathermen on the East Coast are really showing some red faces over their failure to predict the "freak" storm that whammed into lower New England.

No snow had been predicted by Washington weathermen even after it had been falling for an hour and a half. Then they issued a bulletin saying there would be "no accumulation on the streets."

Six hours later traffic was stalled, motorists were stranded, rural areas were cut off from supplies, and telephone and power lines were down. The snow fell for 22 hours straight.

This little incident brings to mind another miscue by the high-titled meteorologists a few weeks back, in Dallas. Weathermen had scheduled a party and a picnic in a Dallas park. The affair was rained out by a 3-inch downpour.

We listen to the radio reports on weather predictions, just like a lot of other people. But we do it for entertainment, not enlightenment.

The wife, in her weekly search for material suitable for her column, sought out Calvin Murray, Farwell athletic director. Murray has fostered for himself quite a reputation for being able to cook, you know. The Mrs. was out to get his recipe for Italian spaghetti and meat sauce.

"Do you reckon they'd all think I was a sissy if they found out I like to cook?" he asked of the columnist when she contacted him.

Not if you eat it, too, Calvin.

W. M. McCuan of Tolar, N. M., one-time resident of Farwell, died of a heart attack Wednesday night of last week at his home in Tolar, according to word received here. He is a brother of Buck McCuan of Lubbock, formerly of Bovina.

The deceased had not been ill, previous to the attack that took his life so suddenly.

**1954 Cotton Allotment Expected Out Soon**

**Growers Fear Sharp Cutback in Acreage**

By W. H. GRAHAM Jr.

We've nothing official on it as yet, but anybody who knows anything about the outlook of Texas and Parmer County cotton for 1954 is expecting a severe allotted acreage setback next month, when individual quotas will be passed out.

Nationally, acreage has been reduced from about 24,000,000 to 17,000,000 acres. That's a national decrease of roughly 30 per cent. Comparable reductions are expected for state quotas, and of course, on down to county and individual growers.

It wouldn't have been in the cards for Parmer to have a big allotment next year anyhow, even if the national crop had not been curtailed.

Because the USDA is figuring allotments on the basis of the past five years, excluding 1949. And only in the last three has cotton acreage been a substantial part of the county agricultural industry.

For that reason, growers are privately speculating that whereas there are about 100,000 acres planted to cotton this year, the figure may plunge to from 17,000 to 30,000 for 1954. Just what will be the actual figure will not be known for several days yet.

One other thing: Joe Camp, PMA secretary, says he understands there will be "some consideration" given to counties which have had a marked swing to cotton production in recent years. Parmer County is one of them.

This will be possible, he says.

**Street Signs Goal Of Texico Chamber**

The Texico Chamber of Commerce this week began work on its street-marking project. The organization has as its goal the erection of two signs at every intersection in town.

Members of the Chamber say that metal, of which the signs will be fashioned, has already been ordered. From 45 to 50 individuals have volunteered to purchase the signs for their property.

Vocational agriculture classes of Texico School will donate labor to have the signs installed. They will be set in concrete. Cost of the signs will be from \$3 to \$3.50, officials say.

The Chamber is also working on a project to provide street lighting for the city. Main Street already has this improvement, but residential areas are lacking illumination.

The Chamber made an announcement that it was buying a new string of lights that will come out for Christmas decorations next month. In addition, one individual businessman also announced that he has purchased a new string.

Four new members were taken into the Chamber at the meeting Tuesday night.

**Wheat Support Peg Will Be \$2.20 Bushel**

A national average price of "no less than \$2.20" in 1954 has been announced by the U. S. Department of Agriculture, says Joe Camp, Parmer PMA secretary.

The secretary advises that to be eligible for wheat support price in 1954 a producer must (1) be in compliance with his 1954 wheat acreage allotment and all other 1954 allotments, which have been or will be established for basic commodities in which he has an interest on the farm;

(2) Obtain wheat marketing cards for all farms in the county on which he has an interest in the wheat crop.

According to a statement by the Secty. of Agriculture, Ezra Benson, farmers who seed between 90 per cent and 100 percent of their 1954 wheat acreage allotments will not be penalized for underseeding in the establishment of any future farm allotments.

because there are some counties (owing to drouth and other conditions) where cotton acreage is on the decline. This will permit adjustment in other areas of the state.

The county allotment is scheduled to be received here soon. As quickly as possible, the local PMA office will begin breaking down individual allotments. These will be in the mail on or after Dec. 1, but in any event before Dec. 15 when the national cotton referendum is scheduled.

In this referendum, cotton growers will be asked to vote for (1) controls and a support price of 90 per cent of parity; (2) allotments but only 50 per cent of parity support, with no support in either instance for planting over the allotment figure.

But the thing that has most officials worried is how to explain to individuals how their allotment will be arrived at. It's pretty complicated at first sight, and involves some figuring.

However, let's go through an illustration. It might help clarify matters when you get that allotment next month. First, county allotments are broken down to individuals on a "percentage of cropland basis."

The government will consider any farm which had cotton in any one of the years 1951, 1952, or 1953 as an "old" farm. These are the allotments in the illustration.

Suppose a farmer has 400 acres, 50 of which are in wheat. His highest planted figure for cotton for the three years was say, 100 acres. On his records will be entered the sum of 350 acres as his "adjusted cropland" figure. That represented his total acreage minus the 50 acres of wheat.

Now, all these figures are added up for every grower in the county. There are around 650 of them. The total cropland figure might be 250,000 acres. Wheat might be 50,000. This would give a county-wide "adjusted cropland" figure of 200,000 acres.

Then, the 200,000 acres would be divided INTO the county allotment, which let us say (keep in mind it's not official) is 20,000 acres. That gives us a factor of 10 per cent, which will be used to MULTIPLY against the individual's "adjusted cropland" total.

The result in our illustration would be 10 per cent of 350 acres, or 35. Thirty-five acres would be his allotment. In no case will the allotment be permitted to exceed his highest planted figure, which in this case was 100 acres, so he was okay there.

That takes a heap 'o figurin', but that's how it'll be done next month.

At the present time, no applications are being taken for new grower allotments yet. They won't be until after Dec. 1. There will probably be acreage set aside for these growers, however, say PMA officials.

**Winners Announced For Game Contest**

Winners for last week's football contest were E. F. Ferguson, Texico, first; Robert Read, second; M. E. Ezell, third; and Darrell Read, fourth. The latter three are all from Bovina.

First place prizes: \$2 in trade at Bonds Service Station and Williams Mercantile; second, \$2 in trade at Wilson Grocery and Esquire Cleaners; third, \$2 in trade at Rhinehart Agency; and fourth, \$2 in trade at Paul Jones Ser. Sta.

**Santa Claus To Be Here Dec. 12**

Santa Claus is coming to town to distribute treats to all Texico-Farwell youngsters, and children of the surrounding territory on Saturday afternoon, December 12 from 1:30 to 3:30, members of ESA announce. This is the third year that ESA has sponsored Santa Claus in the Twin Cities, and have taken this as their annual project.

"Because of the success of the Womanless divorce staged recently ESA will be able to assume complete financial coverage of the purchase of treats, unless something unforeseen should develop," says Gladys Kaltwasser, president. In the past, the group had to ask assistance from merchants to buy goodies for the Christmas sacks, which were distributed while Santa was in town.

As in the past, plans are to have 1000 sacks to include peanuts, fruit, candy, bubble gum and balloons. Further details will be announced later, Mrs. Kaltwasser says.

dividuals on a "percentage of cropland basis."

The government will consider any farm which had cotton in any one of the years 1951, 1952, or 1953 as an "old" farm. These are the allotments in the illustration.

**Mercury Dealership Goes to Hardage**

The Mercury dealership for Bailey County has been secured by Walter Hardage, local Hudson dealer. He announces that the building south of the Ford agency in Muleshoe, one block west of Main, is being prepared, and he will open his office this month or early in December.

No plans have been made to move to Muleshoe, says Hardage, and he will engage a business associate to manage the business there. Hardage will continue with his Hudson lines in Farwell, although he says he plans to sell Mercurys here, too.

**Sudderth Sale Is Booked for Tuesday**

The farm sale of Melvin Sudderth will be Tuesday, Nov. 17, at his place 4 1/2 miles north and 4 1/2 east from Farwell; or 4 miles south, 3 west of Bovina; or 4 north and 3 west Oklahoma Lane.

He will sell 28 head of Jerseys, one Holstein bull, and his dairy equipment. The sale will start at 1 o'clock, say Doshier and Francis, local sales team.

Another sale is coming up Monday, Nov. 23, when Albert Magerus, southwest of Texico, will sell his Holsteins, registered Short-horns, Hampshire hogs, and machinery.

**County Okays New FM Proposal**

Parmer County commissioners, in session Monday, accepted a minute from the State Highway Department, calling for a new farm-to-market road which will link Lazbuddie with the crossroads or old "twin houses" location.

As is customary, the Department requires that the county provide the right-of-way for this road. The proposed new hardtop addition to the county road system will be from the intersection of FM 299 (Friona-Muleshoe) and FM 690 (Farwell-Crossroads), east and thence north 6.6 miles to the community of local weather.

**A Thought for Thanksgiving**

In this bountiful country called America, where well-fed, well-clothed citizens are laying plans for a lavish Thanksgiving feast in a few short days, a square meal is seldom regarded as a luxury.

But it's not that way in some other parts of the world.

Word is coming back to the people of the United States—even Texico-Farwell and other small cities—of the pitiful plight of millions of South Korean people who have had their homes, the families, and their possessions taken from them.

For them, the future holds nothing but an empty belly, a shivering back, and a broken heart. They did not ask for war, yet war has come, and left behind it one of the worst-wrecked countries in the history of the world.

JeDon Porter, a local man, is stationed with the U. S. Army in central Korea. He is only a few short miles north of Seoul, capital of South Korea. He is in command of a company in an outpost near the neutral zone between North and South Korea.

His letters home tell of the indescribable misery of the Korean people. They are penniless, unclothed, and hungry. They are facing another terrible Korean winter without sufficient shelter, let alone clothing and food.

To Mrs. Mae Porter, he writes, "Mother, you simply cannot imagine the terrible conditions which these people face. Whatever you can get together—clothes, canned food—send it over and I'll see that these people get it."

She has responded with several shipments. Two or three organizations in town have also, but the need is far greater than these.

In Porter's company are several South Korean soldiers — "ROK'S." Their wages, says the local man, are eighteen cents per month. That's not dollars, but CENTS.

Before you sit down to another hot meal . . . before you buy a new winter overcoat . . . before you adjust yourself in a comfortable reading chair while the cold wind whips by your window . . . think of the people in the world who have not been so fortunate.

Mrs. Porter says she is sure her son will be most happy to personally take care of anything sent for these war-struck people. His address:

**Bovina Votes Bonds**

Voters of the Bovina School District turned out in substantial numbers Saturday in a special bond election, and voted in favor of a \$750,000 issue to rebuild their school destroyed in a fire two months ago.

An even 300 votes were recorded, 174 endorsing the proposal, and 126 cast in opposition. The school board is reported as very well pleased with the result of the election.

Following this action, the board went back to work with bonding attorneys and architects. Tuesday night the first issue, \$225,000, was sold to the C. N. Burt Company of Dallas, at an average interest rate of 3.745.

The school architect was scheduled to sit with the board last (Wednesday) night to get "down to brass tacks" on the planning of the new school.

When completed, the new plant will have many features not found in the building which burned. A cafeteria, an adequate auditorium, and many minor improvements have been planned.

"The old building simply was not adequate to our present needs when it burned down," said Supt. W. H. Willoughby, discussing the plans of the school.

"We were then using storage space for class rooms, and the problem was growing all the time."

**New Screen Is In At Border Theatre**

A new "Panoramic" wide, curved screen has been installed at the Border Theatre in Farwell, says Scott Levins, owner. The total cost of the conversion will run around \$2000.

With this improvement, the local house will be able to show modern projections such as Cinemascope and Warnerscope, which the audience sees without aid of supplementary glasses.

The new screen is as wide as the building itself, and consequently, heating and conditioning facilities have had to be moved to permit installation.

The screen was installed Tuesday, and no shows were missed.

Dry and warmer weather returned to the Plains this week, and brought with it a sigh of relief from harassed Parmer and surrounding area farmers who were beginning to think that fog and drizzle was a permanent fixture of local weather.

**REPORTS NO BUCK FEVER**

Mutt Magness (standing), has a nice trophy for his efforts in a Colorado deer hunt recently. Mutt bagged this big 15-pointer on the first day out. It was the first time he had ever hunted deer. "Didn't get buck fever," he said. "Didn't have time." He got the deer through the head with one shot. Mutt's luck is typical of several local boys who have brought back venison on the hoof.

**Turkey Shoot Date Is November 15**

If you're a good shot (or think you're one), you'll have a chance to prove it and earn a good meal at the same time November 15 when the third annual American Legion turkey shoot will be staged.

The event, sponsored by Justice Williams Post No. 516, will be in the Paul Caliche pit, one mile north of Texico Schools. Shooting will begin at 1 p. m., and continue until sundown.

Ammunition will be furnished for 22 rifles and 12 gauge shot guns. No scope sights are permitted, but target sighting will be available. No limit will be placed on the number of prizes. It all depends upon how long the nimrods care to line up. Winners will be given their choice of a turkey or ham.

CALENDAR OF EVENTS

# THE TRIBUNE'S EDITORIAL COMMENT

## Secretary Benson Is The Agriculture Whipping Boy

The year of 1953 is almost at a close, and with congressional elections once again coming forth next year, the political mud-slinging has already begun. There is always a certain amount of this activity in a two-party political system, we'll admit, but it looks like the boys are getting down to business now.

One of the most severely castigated figures in government has been Secty. of Agriculture Ezra Benson. His reputation as a competent administrator has been so undermined by his political enemies that he had just as well have been accused of being in sympathy with the communist party by Sen. Joe McCarthy.

A lot of people are predicting Secty. Benson is out of long for his cabinet post. We predicted it quite while back, though we never said we wanted him to quit. It was simply an appraisal of the situation as we saw it. Now things are looking worse for him very day.

Secty. Benson is a devoted individual. He was a leader in Church work (Mormon) when called to be secretary of agriculture. He accepted his post only after the insistence of President Eisenhower.

Secty. Benson, contrary to what is being circulated, never guaranteed high prices for farm products when he came into office. Neither did he party which appointed him.

Secty. Benson is dedicated to a high level of agricultural prosperity, or as Sen. Hope of the agriculture committee puts it, he will do everything he believes to be right to maintain this high level.

It just so happens that Secty. Benson has never accepted the philosophy that rigid farm support prices are desirable for either the nation or the agriculture industry. His viewpoint is that supports should be used to avert disastrous market conditions, but he doesn't think any farmer should be unconditionally guaranteed a high profit for what he produces. Neither do we.

The caravan of farmers and ranchers that marched on Washington recently represented a radical segment of American agriculture. We believe this in spite of the fact that the move was conceived and motivated by a nationally-prominent farming

organization.

Typical of the asinine reasoning that was taken to Washington by the caravan was the statement of one man, "Benson, if you don't support cattle prices at 100 percent of parity right quick, you're as sure as hell going to hear from me and a lot of my friends".

The unreasonable attitude taken by many members of Farmers Union is shameful. Secty. Benson is frank to say he knows of no way in which live cattle may be supported. You can't store a cow for three years in a concrete elevator.

To date no one has been smart enough to figure out what to do with surpluses of perishable commodities—save shooting cows and letting them rot.

Secty. Benson has presented a plan for partial reorganization of the agriculture department. His ideas have drawn fire more because they were not completely understood than for any other reason.

The key to a great many of our problems today—both large and small—is understanding.

The only thing that the Buick sale in Amarillo proved is that you can sell about anything if you are willing to spend some money to advertise it.

Several Clovis businessmen have told us, "Boy we don't know where we'd be if we didn't have some of that West Texas farming money." Some West Texas farmers have told us they don't know where they'd be either if it wasn't for those West Texas bankers.

J. Edgar Hoover says less than two percent of the criminals in the United States come from Christian homes that insisted that their children attend Sunday school and church.

We're not worried about the threat of television. There'll always be garbage to be wrapped up and the household kitten.

Some thoughtless and destructive "pranks" were perpetrated on decent and law abiding citizens Halloween night. When are we parents going to put a stop to this?

This isn't the best weekly newspaper in Texas, but it's good enough to keep us busy 18 hours a day.

When asked what her favorite recipe was, she immediately replied, "Calvin Murray's spaghetti."

So we interviewed Calvin, who is athletic director of the school, and found his secret recipe. He says it can be found in the Presto cooker cook-book. Using a pressure cooker, about 2 tablespoons of salad oil is warmed, then add 1 lb. of hamburger. Brown.

Add 1 large onion, 1/2 cup celery, green pepper, 1 clove, minced garlic, and 2 tps. salt. Cook together. Then tomato paste, sauce or ketchup is added (about 1 1/4 cups) mixed with a dash of curry, chili powder and cayenne. Cook about 10 minutes with cooker at cook position.

In the meantime, spaghetti is prepared. When everything is ready, the spaghetti is placed on the plates and the sauce is poured on top. Parmesan cheese is then sprinkled over the food.

We asked Calvin if he cooked very much, and he replied that he used to, when his wife was teaching, but now he finds little time for it. He adds that he enjoys

cooking, but he can't do any baking.

In the press bulletin from Texas Press, we were informed that if we want a place to stay the weekend of the OU-Texas football game in Dallas in October of 1954, reservations should be made now. Hmmm! At the rate we're going now, we don't know if we'll be interested in football games a year from now.

Gaylon and Byron Brewer, small sons of Mr. and Mrs. Loyde Brewer really enjoyed the state fair in Dallas last month with their parents, and particularly enjoyed watching the cars from their "high up in the air" hotel room. But Gaylon saw something that just made his hair stand on end. They were in the lobby of the hotel waiting for the elevator, when Gaylon started insisting to his daddy something about "the lady carrying the dead dog", and was so excited. Upon investigation Loyde noticed the lady, carrying a fashionable fur piece. Bet it was a pretty expensive "dead dog"!

## Why more than a million owners this year have chosen the "Worth More" FORD!

They have discovered first hand what the surveys show... Ford, with all its fine-car features, is worth more when you buy it, and worth more when you sell it!

OVER A MILLION OWNERS can't be wrong! Ford is the one fine car in the low-price field. It gives you the "Go," the style, the comfort, and "build" of cars that sell for far more. And, it's only natural that Ford keeps its value better, in resale, than any other car on the American Road. Check the features below for some of the "Worth More" reasons for the swing to Ford.

**Lowest-priced V-8 in America!** And the only V-8 in the low-price field. Ford's high-compression V-8 power plant delivers its "Go" on regular gas!  
**Most Modern Six of all its kind!** Ford's high-compression, low-friction Mileage Maker. With Overdrive, it beat all other cars entered in 1953 Mobilgas Economy Run.  
**Smoother Ride,** with front end road shock reduced up to 80% is another Ford big-car feature... and you get it without gas eating extra weight.  
**Fine-Car Build** means using steel of the same quality and thickness as in the costliest cars. And Ford is the most completely insulated car in its field.  
**Fordomatic Drive** is the only "automatic" in its field to offer the "Go" of an automatic intermediate gear plus the smoothness of a torque converter.  
**Finest Power Steering** — that's Ford Master-Guide. It does up to 75% of the steering work yet retains the normal steering "feel" on the straightaways.

## Farwell Boys Overrun 39-6 at Petersburg

Playing ball in a heavy drizzle Friday night, Farwell Steers were defeated 39-6 on the Petersburg field in the last conference game of the season. "Petersburg showed us why they are the only undefeated team in the conference", stated Calvin Murray, athletic director.

The local boys were outweighed quite a bit, and ran up against a wall every time they tried to gain. The Petersburg team scored 20 points before Farwell managed a touchdown.

The touchdown for the Steers was made on a pass from Gene Hardage to Jerry Poteet for about 25 yards. It went right to the hands of the receiver.

The Farwell game cinched the district title for the Petersburg boys.

## Juniors Present Assembly Program

Juniors of the school presented a special musical assembly program last week. A boy's trio, and a girl and boy duet were among features of the assembly. Mr. and Mrs. Herman Milford, sponsors were given corsages, in appreciation of their work with the junior class.

Snuffy Anderson presented a take-off on "Dragnet," and the octette sang a number. Betty Billingsley was presented in a solo. The grade school sextette was also on hand for a round of singing. Don Gerles was master-of-ceremonies for the assembly.

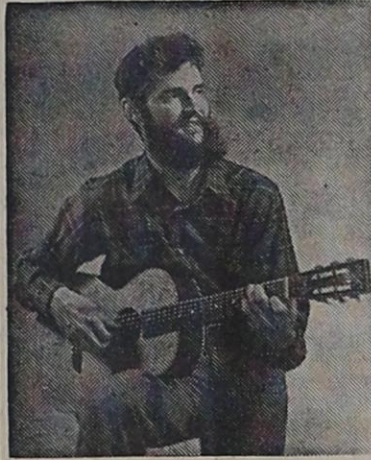

### OFFICE NEWS

We would like to express our gratitude for the wonderful turn out for the carnival. The gross income from the carnival was a little over \$1100. We assure you that this money will be put to a good use for your school. Each room will use their own money to help buy many things that

will make their school work just a little better.

We would like to call the attention of our patrons a very serious thing that is happening practically every day on our school bus routes. Many people without thinking are passing our school buses when they are stopped, while loading or unloading your children. We have warned our drivers to be very careful, and to watch out for cars or trucks that might not stop when they should. This is a very serious matter, and we feel that if you would stop and consider just what the consequences might be that you would not be one of the guilty parties.

The law states that you should come to a stop, and if there is no danger, that you might pass the bus at not more than ten miles per hour. Won't you help make your children's rides to and from school just a little safer by talking this among yourselves and neighbors? Some school districts are having to take drastic measures to see that this law is carried out to the letter.

Terry Golden

## "Folk Songs with Guitar" Slated

"Folksongs with Guitar," by Terry Golden is slated for Farwell assembly program November 18, school officials says.

Golden presents a widely varied program of folksongs and explanatory comments that takes the listener to all parts of the country, and readily makes the songs a part of the listener's life. He accompanies himself on the guitar, using no special costuming, props, or stage effects, a publicity release says.

He brings to his profession an unusually varied and well-suited background, inasmuch as both of his parents were musicians, and stage people, having met as members of the traveling Ben Greet Shakespear Company, familiar to audiences of thirty-five years ago.

His life has been almost as varied as his background. After concentrating on biology, music, and romance languages in school, he has been a dude-wrangler in every capacity from horse-doctoring and bus-driving to cooking and entertaining. He was a Border Patrolman along the Mexican border; a school teacher at the Fountain Valley School in Colorado Springs, Colorado; a rock-mill operator; a folk singer; and a square-dance caller and teacher.

Golden presents his program in the manner of an informal concert, building a structure of songs and attendant commentary so as to give an idea of the development of folksong from early to modern, and an idea of what folk-song is, and how it relates to present day life.

He has appeared on stage, radio, and television before audiences in California, New Mexico, Colorado, Texas, Oklahoma, Missouri, New Jersey, New York, and Connecticut, and has made recordings for Folkraft Records, Newark, New Jersey.

## "Too Many Relatives" Is Play Selection

"Too Many Relatives" is the title of the play to be presented by members of the junior class November 20 at the school auditorium.

Characters in the play include: Harry Savage, Jerry Collins; Mable Savage, Peggy Hardage; Mrs. Donnelly, Dean Walls; Gracie Evens, Lavoyda Billington; Jasper

Wilkins, James Roberts; Officer Butterfields, Phillip Crume; Lucy, Agnes Meissner; Ermitude Evans, Gloria Dial; Otto B. Savage, Deon nscum; Smokey McGee, Dick Felts.

## FFA Boys To Care For Magness Sheep

Cary Joe Magness has reached

an agreement with the Farwell agricultural department for the boys to care for his herd of sheep while Magness is in the service, reporter says. The ag

farm will be fenced as a place to keep the animals. Plans are also being made to purchase pigs, and for the FFA and 4-H show.

Monday night school board meeting was a routine session, officials say.

## Plans Begun For Santa on Dec. 12

Plans for the coming Santa Claus to Texico-Farwell were made Monday night, in a business meeting in the home of Jean Graham, by ESA members.

Santa is slated to come to the Twin Cities December 12 to distribute treats to the children. Contents of bags to be given away were discussed, and members were informed that the recent Womanless divorce staged by the group was successful enough to mean the 1000 treats to be given away.

Members are to meet at the Legion Hall to get treats ready for distribution.

Plans were also made for the annual Christmas party honoring husbands or boyfriends of the members. Secret pals are always revealed at this party. The party will be in the home of Gladys Kaltwasser on December 14 at 7 o'clock in the evening. A buffet dinner is scheduled.

Mrs. Kaltwasser and Jeanne Graham are to buy Christmas baskets for older people in the city, and members decided to send a box of clothing to JeDon Porter in Korea to be distributed to the needy people there.

Dorothy Quickel gave a report on the recent district meeting held in Portales.

Tuna sandwiches, sugar cookies and spiced tea were served to Nell Walling, Dardanella Helton, Gladys Kaltwasser, Elizabeth Kaltwasser, Sylvia Watkins, Joan Williams, Margie Crooks, Gloria Miller, Wilma Liner, Iris Thornhill and the hostess.

## License issued

Records at the clerk's office indicate Ernest Joseph Gonzales and Mary Angie Armijo, Portales, were issued a marriage license Oct. 26. They were married the same day by County Judge A. D. Smith.

## Texico WMU Has Special Speaker

WMU of the Texico Baptist Church met Thursday at the Church in a special meeting. Mrs. S. G. Billington, president, opened the meeting with the group singing "Jesus Saves". A scripture reading and prayer was then given by Mrs. Nora Day. The meeting was then turned to the guest speaker, Mrs. W. C. Hubbard, from the Children's Home in Portales, and she taught the WMU Manual, a very inspirational message. Visitors entertained by the group were from Farwell WMU. Attending from there were Mesdames E. G. Williams, Otis Branscum, Joe McWilliams, S. O. Billington, J. C. Banks, and W. M. Roberts.

Members of Texico WMU present were Mesdames S. G. Billington, O. S. Alford, Wilma Nell Whitener, B. A. Kelly, J. O. Ford, C. C. Morgan, Nora Day, Olan Schlueter, Buddy Pearce, D. J. Brown, M. H. Poteet, and the guest, Mrs. W. C. Hubbard.

Next meeting will be in the home of Nell Walling. Gladys Kaltwasser will be the speaker, discussing "England". Members are to bring articles of clothing to be sent to Korea.

JAMES CORNETTE

## Seniors Honored At Thanksgiving Meal; Hear Dr. Cornette

Seniors were special guests of Farwell Parent-Teachers association Tuesday night, when a Thanksgiving supper was held. A potluck meal was served to about 70 attendants.

The motif of Thanksgiving was used in the decorative scheme for the evening, with tables bedecked in fall flowers. Minute centerpieces featured squirrel figurines surrounded by nuts. The table at which guests of honor, the seniors, were seated, had individual favors. Bronze Steers, representing the Farwell Steers, were by each plate, and had a tiny diploma extending from the horn of each animal.

Rev. M. H. Stroup gave the invocation, and seniors were then recognized. Included were Dudley Hughes, Shirley Smith, Ann Whitley, Peggy Woodson, Mary Joyce Rolland, Eurith Crook, Betty Lovvorn, Marye Pair, Darlene Sprawls, Jo Anne Cochran, Vane Doshier, Jimmy Turner and Clarence Kube. Dr. James P. Cornette, president of West Texas State College, Canyon, was then introduced by Jack Williams, superintendent. Mrs. Cornette, who is president of district PTA, was also present and was introduced.

Dr. Cornette discussed "Building Your Life," speaking more to the seniors. He emphasized that some day the seniors would be looking back, and they should remember that yesterdays cannot be lived again. He reminded them that the future is in their hands.

Hostesses for the evening were Mesdames Maud Brown, Lenton Pool, Elsie Cain, Elva Ruth Davis and Gladys Hromas.

Next meeting will be December 10 with a Christmas program by the primary grades. W. H. Graham Jr. is to discuss "Better Human Relations."

Mr. and Mrs. A. T. Watts were in Plainview the past weekend visiting her parents, Mr. and Mrs. Homer Vining.

## Nortons Here on 15-day Leave

Airman and Mrs. Darrell Norton were in Texico-Farwell visiting in the home of his parents, the L. L. Nortons, and her parents, the Everette Christians, and friends and relatives. They were on a 15-day leave previous to being sent to Mercedes, California. The Nortons have been in Amarillo. They left here early Thursday.

## "Footlight Revue" Goes on Stage Friday

Friday night at 7:30 the curtain will open on a musical presentation of Farwell school, "Footlight Revue", under the direction of Mrs. Erma Jobs and feature all divisions of the department.

Script for the show is original, and Gloria Dial will present a song with words and music written by Miss Dial. Announcer is Dudley Hughes and pianist is Betty Billingsley. Tickets are to be sold at the door.

Mrs. Jobs found the music for the show in an antique shop in Colorado the past summer. Each decade since 1900 will be characterized by musical numbers in the show.

Soloists will include Jo Ann Cochran, Shirley Smith, Darlene Sprawls, Betty Billingsley and Pat Aldridge, also Charles Phillips and Jerri Allison. A duet is scheduled by Dick Felts and Dudley Hughes. Octette features Mona McDorman, Peggy Hardage, Lavoyda Billington, Ysleta Brown, Elaine Martin, Betty Billingsley, Agnes Meissner and Gloria Dial.

A boy's sextet is composed of Jimmy Hardage, Loyd Allen Cain, Larry McDorman, Donald Crume, Mickey Rundell, and Joe Hughes. Other duets are by Darlene Sprawls and Doyle Vaughn, Jeanette Hughes and Betty Smart, Darlene Sprawls and Glenna Davis.

Radio broadcasts with reviews of the show are slated some time this week, Mrs. Jobs says.

## Negro Minstrel To Be Given Tuesday

Approximately 35 students will participate in the first school Negro minstrel to be presented at the Texico School gymnasium Tuesday night at 8.

Admission is 25 cents, students; 35 cents, adults. Advance sales of tickets are underway now and may be obtained by phoning the school or contacting members of the cast.

Under the direction of Fred Danforth, band director, skits, songs, dance routines and gags from the End Men will provide approximately one and a half hours entertainment. Professional costumes and special lighting will be used. The end men, Rex and Darrell Harris, J. B. Taylor, and Marvin Pendergrass have all new, funny jokes. Jimmie Moss, senior, is "Mr. Interlocutor."

Among the specialties to be given, it is expected that the boys quartet, girls' quartette, and a trio of little first grade girls will prove popular.

"We are having fun producing this show and we hope the people of this community and surrounding communities will attend," the director said.

## HONORED ON BIRTHDAY

## Esther Class Meets With Frances Fields

Frances Fields was hostess to the Esther class of Farwell Baptist Church Monday night with 11 members and one visitor present.

Edwina Owen gave the devotional in 107 Psalms, then visitation was held. It was decided to have a coffee, Friday in the home of Clytie Dial.

Next meeting will be in the home of Eugenia Murray December 14.

Pie, ice cream, Cokes or coffee were served to Meble Merritt, Clytie Dial, Gladys Hromas, Alta Gerles, Evelyn Curtis, Edwina Owen, Helen Thurman, Ruth Reed, Viola Rundell, and one visitor, Georgia Rundell and the hostess.

## Orphans Home Gives Program at Church

The Texico Baptist Church had 161 in Sunday school Sunday, and 62 in training union. Nineteen orphans of the Portales home presented the program Sunday morning. The WMU ladies of the church served dinner for them in the basement of the church following the services. Everyone is reminded that next Sunday will be Thanksgiving offering, which will go to the orphan's home.

Rev. C. C. Morgan has chosen as his topic next Sunday, "Responsibility of a home". He will preach on the "Seven New Things" Sunday night.

Mrs. T. E. Roth, Ted and Bill were dinner guests in the home of Mr. and Mrs. Ansel Doolittle Sunday.

**Texico WMU Has Royal Service**

Texico WMU met at the church for Royal Service program, under direction of Mrs. Wilma Whitener. "Faith of Our Fathers," was the opening song. "Advance through suffering in Korea" was the topic of the program. Service was closed by the group singing one verse of "Blest be the Tie that Binds."

Those attending this were Mesdames Olan Schlueter, Buddy Pearce, Howard Whitener, J. O. Ford, C. C. Morgan, D. J. Brown, T. H. Richey, B. A. Kelly, and S. G. Billington.

**Attends District WMU Meeting**

Three ladies of the Farwell Baptist church attended the district WMU meeting in Lubbock Monday. One of the most inspirational parts on the program was when the song "Jesus Saves" was being sung. During this time, an artist drew a picture of the world with a cross between the North and South America continents. On the bottom were two hands holding up the world.

Attending from here were Mesdames Joe McWilliams, W. M. Roberts, and Estellene Billington.

**Auxiliary To Plan Dinner at Meeting**

All Auxiliary members are asked to be at the Legion hall Monday night at 7:30 to make plans for the Thanksgiving dinner for the Legion and Auxiliary, which is to be held November 30. ## Grade School Column

### First Grade—Mrs. Cain

The first grade had a wonderful time at the carnival. Our fishing pond was very interesting place for the first grade and their little friends to visit. We thank all the parents who donated to our booth and the mothers who helped to run the booth the night of the carnival.

Thanksgiving is just around the corner and you can tell by looking at our turkeys, Indians and other Thanksgiving posters.

We are reading The Big Snow now and are enjoying it very much.

### First Grade—Mrs. Ford

We want to thank the mothers and fathers who helped our room with the carnival. We did very well and are sure we will put the money we made to good use. There are many things our room needs.

We have now started work on a Christmas program to be given in assembly December 1.

We have finished Tip and Mitten and are beginning on Big Circus, the last of our pre-primers.

Johnny Atkinson has been absent from our room with scarlet fever. We hope he gets well soon and can come back to school.

## HOT DOG STAND IS A SUCCESS

Mrs. Pool

Our hot dog stand at the Halloween carnival was quite a success. We made \$44.45 profit. We want to thank the following mothers for all they did: Mrs. John Armstrong, Mrs. Mutt Magness, Mrs. Asa Smith, Mrs. Charlie Lovelace, Mrs. Wilfred Quickel, and Mrs. W. S. Adams.

We were sorry to lose Sandra and Janice McKee, who moved back to Ft Worth. And we are also happy to have Clarence Ethridge in our room.

Leon Lovelace brought a beautiful bouquet of chrysanthemums for the room. Janice Meeks brought twelve Little Golden Books for the children to read. She also brought several playtime magazines. Everyone is quite thrilled over these and can hardly wait to get to read them.

Roy Donaldson did a large background picture for our reading bulletin board. Each child has made a duck which will fly on this bulletin board when he reads in our supplementary reader without missing a word. The children are very happy over the prospects of the flying ducks, and the teacher hopes no ducks are shot down during the duck season.

Those having birthdays in November are Sylvia Smith, on November 13, and Bill Quickel on November 26th. Happy birthday, Bill and Sylvia.

## HOPKINS NEWS

We are happy to have Ronny Henson to enroll in the second

grade. We are from Plains, Texas. Tommy Williford has been absent for two days with an upset stomach. Mr. Dodson from Plainview visited with Darwin Billingsley and his parents Monday night. Mr. Bob Hightower and Mrs. Whitehill from Calif. visited with Barbara Moore and family. Johnny Vestal of Calif. visited with Ronnie Vestal. Mr. and Mrs. Earl Deaton, Mr. and Mrs. Chester Johnson of Calif. have visited Shirlene Martin and family.

The "rides" at the carnival was almost a failure. I want to thank the ones who loaned us the toys for rides and I want to thank the mothers who helped me with it all. We want to thank Bobby K. Kube and Ronnie Vestal for the nice bouquet for our room.

The following statements are what some say. Mrs. Hopkins is my teacher, she maketh me show my ignorance before the whole class. She giveth me more than I can learn. She lowerth my grade, Yea though I walk through the Valley of knowledge I learn not. She fireth questions at me in the presence of my classmates. She annoieth my head with slavish, my eyes runneth over. Surely out-lines and notebooks shall follow me all the days of my life, and I shall remain in the house of learning forever.

## Third Grade News—Mrs. Huffaker

We are happy to start a new Science book named, "How do We Know." The children said they really did enjoy the Wonderland of Science book. The children have been so happy all week exchanging pictures as you know our pictures for the annual came in.

Thanks to all our third grade mothers for bringing a cake and helping with the Halloween Carnival. We made \$38.45. With part of this money we have in mind to buy library books, records and some paints. The children are enjoying 12 new library books bought by the school, by Thornton W. Burgess. Some are from the "Smiling Pool Series", "Mother West Wind Series" and "Green Forest Series".

For our rest period every day, Mrs. Huffaker is reading "Little Brown Koko." The children really get a lot of laughs from it. Barbara Beiler brought the book for us to read, she thought the class would enjoy it and they are. The next book she will read to us will be Pecos Bill and it was bought by the school. A few have been absent for a day because of illness. They are Bobby Atkinson, Velda Paine, Scooter Pipkin and Joe Tom Reed. We are learning Safety First Rules, and are making posters of them.

## Mrs. Stroup's Fourth Grade

The Halloween Carnival was a great success. We would like to thank Mrs. Bob Hammonds, chairman of our Halloween committee, and all the ladies who helped her for their time, thought and effort. We shall use our profit to purchase supplies needed by our room. We

also want to thank Mr. Tucker, Mr. Morton and the FFA boys for their work in building booths and clearing up after the carnival. Mr. Milford and the committee for the planning of the carnival, and all those who helped us in any way.

The room would like to take this opportunity to express our sympathy to Virginia Willard and her family in the loss of her sister, Maurice Smith has been ill 2 days. We are glad he is able to be back. The class drew pictures of our sweet potato plant, and we are enjoying the results. Several of the pictures have been put on the bulletin board.

## Fourth Grade—Mrs. R. B. Tucker

We take this opportunity to express our appreciation to our parents for their cooperation with our carnival booth. The ice cream was delicious. We made \$41.15 clear. We plan to buy 1 library book and 1 record player. In our social studies we are studying the history of the Pilgrims and their effect upon our lives. We have a small stage, equipped with curtains, footlights and all. The present picture is the Mayflower on its journey across the Atlantic. Did you ever try reading a blank page? Well we have. You would be surprised at all the information to fractions. For further information about this fact, contact one of the fourth graders.

## FIFTH GRADE NEWS

The carnival is over, the confetti cleared away, the fifth grade can almost see a new clock on the wall big enough to see across the room, and one that will run all day. Maybe we can get new books. We have a new pupil, Margaret Ortiz from San Miguel, N. M. who enrolled Monday. Welcome Margaret. The boys and girls were very busy this week making the cute little squirrels to be used as table decorations at the teachers meeting Tuesday night.

Four new tether balls put up this week are being used and enjoyed a lot. Fifth graders have been getting numbers of letters and booklets from many places of interest in the U. S., Canada, and Alaska. We got ten new library books last week and they are being read and enjoyed by all. Gerald Gober got his tooth capped. He likes it. It is hardly noticeable, we think.

## Sixth Grade News—R. B. Tucker

At our Halloween Carnival we made good. Mr. Fields bought 15 new library books. Carole Ann Latham hurt her eye, and was absent a day.

## 8th GRADE NEWS

We went to the show Tuesday; it was written by Robert Louis Stevenson. We did it for literature because we are studying about him, but we enjoyed it anyway.

We got our pictures Wednesday of last week. Some of us aren't too pleased with them. We lost the ball game with Friona, but we will do better at Bovina next Thursday night.

Our jail did pretty well at the

carnival. We made about \$47.00 on the jail. We have seven absent Monday.

We missed our party the first nine weeks, but we have one already planned for the next nine weeks. I think we all survived the nine weeks tests.

## SENIOR NEWS

Seniors wish to congratulate the juniors on walking off with carnival honors, and for the striking stage.

If you have never read "Macbeth", you don't know what you have missed. It is just another spine tingling murder mystery (for all the Sherlock Holmes fans.)

Seniors would appreciate it if students would buy some of the "favorite" pictures. They are 75c each and will help defray expense for the annual.

Here it is report card time already. This year is certainly passing fast. Just three more nine week periods and seniors will be graduates of FHS. "If your grades are a little low this time, don't give up; just grit your teeth and keep your chin up and go to your classes with the idea set firmly in mind that you are going to do better. And do you know what? I'll bet you do better" the reporter says.

## FRESHMEN NEWS

The Freshmen surely did enjoy the carnival, and thank everyone who visited their booth at the carnival. The class cleared better than \$18. "Many people left the carnival happily married for we saw to that," the reporter says.

The nine weeks test period has left many very limp. It also makes students realize that they are going to need to spend more time on studies to make good grades. "What do you say gang, lets burn some midnight oil for a change, and I mean books," the reporter continues.

Junior boys won in football last Saturday afternoon with Whitharral. It was a good game, the score was 13-0 in favor of Farwell. Jerry Dee Owens helped make the game with Friona a success. He played good ball after he was injured and returned to the game. See you next paper day.

## JUNIOR NEWS

Juniors won the queen's race and we are happy. So happy, in fact, that when the announcement was made we could not get quiet so we could make final arrangements.

Agnes Meissner was our queen, and she made a lovely one. We were very happy for her and wish for her everything nice. Robbie Foster was king and did a bang-up job of crowning the queen.

We wish to thank Mr. Morton and the ag boys, Mr. Milford, Mrs. Milford, Mrs. Jobs and everyone who helped us in staging our successful carnival.

The boys and girls of the class had a race to see who could raise the most money. The boys won. Girls, we are now ready for our party.

The juniors are having their play Nov. 20th. We are having an advance ticket sale, and you can buy from any class member.

## WHO AM I

The "who am I" last week were Billy Watts and Betty Lovvorn.

I have brown hair, brown eyes; my height is 5' 3"; my weight is 141. My favorite boy is (one that's polite); favorite place to go, root beer stand; my pet peeve is impolite people. My main interest is to pass geometry; my favorite teacher is all of them; my favorite subject is English.

I have brown hair, brown eyes; my height is 5' 9"; my weight is 140. My favorite car is Mercury; favorite food is chicken; favorite place to go is Lubbock; favorite subject is geometry; favorite teacher, all of them; my pet peeve is high-tempered people; my main interest is getting along with everyone.

## SOPHOMORE NEWS

Sophomores made around \$30 on our carnival booth of which we are very proud. We will be able to use this money during our high school days. We would like to call attention to several who promised to bring money if they did not bring cakes have not done so to this date. Please class, lets be a unit of work for the good of our class, for just think, in a few short months we will be juniors and every bit we do this year will help in the next two years.

Thanks for a very nice party from our room mothers. It was held at Mrs. Ernest Kube's house, and we all certainly did enjoy the games.

## SENIOR OF THE WEEK

Betty Lovvorn, daughter of Mr. and Mrs. A. M. Lovvorn, Farwell, is the senior of the week. Betty plays guard on the basketball team and was elected most athletic girl of high school. Her main interest is practicing on her commercial subjects; her pet peeve is gossip; her childhood ambition was to be a teacher; her present ambition is to finish high school; her future ambition is to be a stenographer. Betty's favorite sport is baseball. When asked about school ending, she said, "I can hardly wait."

## TO HAVE HOLIDAY

Students will have a holiday at Farwell the latter part of the month, when they are dismissed for Thanksgiving. School will be dismissed Thursday and Friday, November 26-27 and students return to classes Monday.

## DEFEATED BY AMHERST

Farwell girls' basketball team, in a scrimmage game with Amherst Monday night, were defeated by a scant two points, with final score being 15-13. The local girls were fighting, but couldn't get the momentum to get in the lead.

## FIRST GAME 21ST

Basketball workouts for Farwell boys' basketball team began this week, with the first game for both boys and girls slated for November 21 with Texico in the Farwell gym.

## BUSSES ARRIVE

Two new school buses have been received by the school. Both are GMCs and are 28-passenger and 42 passenger.

Kyle Sheets, small son of Mr. and Mrs. Harry Sheets, had his tonsils removed last week.

A cygnet is a young swan.

## It's Fun To Be a Senior

By EURIETH MARIE CROOKS

Everyone at some time or another looks forward to being a Senior. A lot of people have the idea that it's nice, because it means the task of learning High School subjects is almost over. But if you think hard, you'll see its more than that.

There's the satisfaction of owning a Senior ring. This ring is something that will forever remind us of things past, but not forgotten. Then the day comes, when we primp before mirrors, "even the boys noticed", posing first one way and then another. With a great big smile, no, just a tiny one. First, the Senior pictures have been taken and it's back to class.

Seniors are upper classmen and take the lead in most things. Of course, now and then our examples are losing ones, but we try.

If you never receive any mail, then the senior year will be appreciated. A letter of introduction comes now and then, to some college. These letters are really fun to read. Each one makes you feel so important.

Then comes the topic every student should look forward to reading, "Macbeth". Its really fun, everyone gets killed and there are so many dramatic speeches, "to memorize".

Really I think all will agree it's fun to be a Senior. To those of you who haven't made it yet, well don't quit now.

## MERRY MAKINGS

By Marye Pair

Congratulations to the juniors on winning the Halloween Carnival queen's race. We tried, but there is always a loser. Also on that pretty stage we give our compliments, it was decorated beautifully.

I guess everyone was pleased with his pictures, even if they did look like you. Heard lots of kids say, "Oh did you see those things; they looked just like me." Naturally.

It won't be long until time for Santa Claus. It's surely lots of fun to write out your list and go Christmas shopping; of course, I agree we all like to talk to Santa.

I see where Baylor and Rice lead the SWC. Maybe the Aggies did lose to Baylor and Arkansas, but wait until they play Texas.

Football season's over and we are surely proud of our Steers. Even if they didn't win everything; they were good losers. Let's win every one of our basketball games.

See you next week.

"Schnapps" is strong Holland gin.

## ACTIVITY BUZZ

By Mary Joyce Rolland

The school pictures came in last week. Isn't it fun to look at everyone's pictures and exchange laughs? There always seems to be something funny about them.

The girls start their basketball season November 21, with Texico. Several fans seemed to enjoy the pre-season games very much. If you want to get the season off to a good start, come on out. Let's make our games display a lot of good sportsmanship on the part of the players as well as the fans. The chorus has a wonderful program planned for next Friday night. Mrs. Jobs sure has some wonderful ideas, and this seems to be the best as the plan is to present music from the "gay nineties" to the present day.

Congratulations to the juniors on winning the Queen's race at the carnival. They really displayed some fine work on the stage. I think it was one of the most beautiful coronations Farwell has ever had. I hope this is a challenge to all junior classes of the future.

Speaking of the Juniors, they are very busy working on their play. The title sure sounds good, "Too Many Relatives". It will be presented on November 20.

Many of the students seem to be trying to do extra deeds to get their parents in a good mood. Why? Report cards will be sent out next week! Here's hoping for the best.

Mrs. W. H. Graham Jr. and Ronny were in Silvertown Sunday to visit with friends and relatives.

## IS YOUR HOME READY?

It was the night before Christmas And all through our home The walls were unsightly wherever we roamed. The floor and the ceilings were cause for chagrin The kitchen a mess—oh, where to begin! Why worry our brains until they are limp? We'll straighten things out If we just talk to Kemp! We have never seen a more helpful place, Where everybody's wearing a smile on their face. There's Kem-Tone for the walls, nice color for the ceiling Oak flooring by Bruce, and paint to stop peeling. Cabinets for the kitchen, nice tile for the floor, Plywood, paneling, and many, many more. Our visit with Kemp has solved our plight And our home will be beautiful on Christmas night!

## KEMP LUMBER COMPANY

FARWELL, TEXAS

PUZZLE: Who got the hundred million dollars?

He walked into our office seven years ago, sat down. We knew the customer. And a wonderful credit rating he had, too.

Said he wanted airplane engines. By that time blueprints were littered all over the place.

He was taking no chances. Not one engine would he accept without testing first, stripping apart, building up again, and testing once more. Hmm!

And more. Every engine he bought would be overhauled after 15 running hours.

He didn't say so, but he must have known we would have ideas, too. (Lights burn all night when engineers at our place see ways to improve things we make.)

The climax was last August. The customer announced that he would allow 1,200 hours flying time from these G-E engines before an overhaul.

In other words, 80 times as many hours without overhaul as seven years ago. And today only every tenth engine is tested twice before delivery because of what has been referred to as the "perfection rate" of G-E jet engines.

Oh, yes. The hundred million dollars. With General Electric engines now giving extended service, not so many are needed. Improvements have saved the customer that much in five years.

P. S. Who's the customer? The U. S. Air Force. And what was the engine? The J-47 jet engine.

And who got the hundred million dollar saving? Who profits from more Air Force per dollar? The taxpayer, everybody. This story is one more example of what happens where research men and engineers are at work. Products gain in efficiency, do more. New products emerge, and the public is always the gainer.

**MUSTANGS TRAMPLE FUMBLING STEERS TO FINISH SEASON FOR BOTH**

Bovina wound up its 1953 football season with a vengeance yesterday afternoon, as the heralded Mustangs stomped underdog Farwell 30-7 in beautiful weather.

For the Steers, it was the second smashing from the visitors this year. They fell 27-0 earlier in the season. The Mustangs, who looked like conference champs at the start of the season, were tripped by Friona and beaten by Springlake last week.

Only once in yesterday's Memorial Day encounter did the Blue and White look as though they might give the Mustangs a tussle. That was shortly after the start of the second quarter when Farwell had managed to drive to the Mustang 2. The score was 6-0 at that time.

The Steers had two downs to make their score, but fumbled and Bovina recovered. There was a heavy amount of fumbling for both teams in the first half. Both teams exchanged pass interceptions, too.

Bovina kicked off, Farwell made only one first before losing the ball on downs. Setup for the first score for Bovina came after the Mustangs took the ball on their own 48, made four first downs, putting them on first and goal with only five yards from paydirt. Don Suderth then scored from the one, smashing through the line.

The pass was no good and left Bovina with no extra; the Mustangs didn't make an extra point in the entire game.

In the second quarter, Farwell worked up to the Mustang's 2, fumbled and lost the ball. With a series of first downs, the Bovina eleven worked up to the 30, then fumbled and Farwell took over again. Don Geries attempted a pass which was intercepted by Darrell Read of Bovina. On the next play, Leon Ware took the ball, started around left, cut to the right, and sailed all the way downfield for a score. He made a 79 yard run.

Farwell couldn't make much headway, before the half whistle.

**Queen Crowned**  
At halftime ceremonies, football queen for Farwell Steers was revealed. Miss Peggy Woodson was given the honor in a special coronation. King, named

by the pep squad was then crowned—Jerry Poteet. Band formed a heart around the group as they played "You, You, You". The Bovina band then formed an F for Farwell and B for Bovina; and as a special number, formed an anchor as they played "Anchors Away."

Back to the game the third period, Leon Ware scored again on the first play, when Bovina broke from the huddle, Ware took the ball and ran all the way to paydirt. Score was 18-0. It was rough going for both teams at this time, with a series of penalties, and the quarter ended with a score of 18-0, Bovina.

Next count for the visitors came when Jerry Rogers smashed through from the one, giving the Mustangs 24 over Farwell's 0.

Farwell took the kickoff and worked up to the 10 yard line on downs, then lost the ball on a fumble. But the Bovina boys couldn't hold the pigskin either and Farwell recovered on the 11, setting them up for a score. Gene Hardage made the tally on a 2-yard smash. Point was good making the score 24-7.

Last count of the game was by Ware on a pass play from Read. Final score was 30-7.

**Two PMA Men Meet Senators at Clovis**

Joe Camp, PMA secretary, and A. F. Phillips Jr. of the Parmer County drouth committee, went to Clovis Saturday to meet with Sens. Clinton Anderson and Andrew Schoepel.

Agricultural subjects were discussed at length during the afternoon, but everything at the meeting was unofficial and "off the cuff." The senators were touring the Southwest on a fact-finding mission.

The two Parmer men said they believed they were the only county residents to visit the session. Several from Parmer are understood to have gone to Amarillo Saturday morning for a similar meeting.

The early Greeks did not have family names.

**Officers Announce Plans for Annual Ex-Students Banquet**

The time is drawing near for the annual banquet for ex-students and teachers of Farwell Consolidated Schools and president of the association, Ben Smart, and other officials are busy with plans to make the annual exes banquet a memorable occasion.

The banquet will be held Nov. 27, at 8 o'clock in the evening at Farwell schools. Cards and letters to a large list of exes will be put in the mail in the near future inviting the exes to homecoming.

A prize will be given the person who travels the farthest, and to the person who is present and represents the oldest class. On the menu for the evening is turkey with all the trimmings with each plate to be \$1.50 if tickets are bought in advance. Tickets at the door will be \$1.75 per plate. Membership cards are issued for 50c each.

"If you know anyone who was an ex-student of either Farwell, Oklahoma Lane or West Camp, call them up on the telephone if available, or drop them a card and give them a personal invitation to this annual meeting. We have a nice program planned and we want to make this our best year ever," Smart says.

Other officers of the association are John Aldridge, vice president; Wilma Whitener, corresponding secretary.

Correspondence should be addressed to Mrs. Whitener, Route 1, Texico, N. M.

**Trial Scheduled Today for Woman**

A female hot checker who is charged with passing a \$40 instrument at the Farwell Piggly Wiggly store last May 17 is scheduled for trial today (Thursday).

She had been brought here from Lubbock, where she had been sitting out fines for crimes similar to the one she is charged with in Farwell. She also is wanted in several other Plains cities.

Four Texico-Farwell youths pled guilty in county court last week to a charge of destroying property. They were involved in the Halloween activity last Saturday night. All were fined \$5 and costs of court.

Last week eight boys from Friona were also tried for destructive pranks in that city. They paid similar fines when charged with destroying property and blocking a public highway.

**IN HONOR SOCIETY**

Beale Stewart has been initiated into Pioneer Cacique, ENMU honor service society. Membership of the club is limited to 25 men and 25 women and candidates must have an accumulative grade-point average of 1.5 and be at least a second semester sophomore.

**NEWS FROM LAZBUDDIE**

By BARBARA HINKSON

**Lazbuddie Grasps Another Victory: Wins over Three-Way**

Friday, November 6, the Lazbuddie Longhorns traveled through the fog to Three-Way where they tangled with the Three-Way Eagles. The game was quite exciting and the Longhorns came from behind to win 20-14.

To get the game rolling, the Eagles kicked to the Longhorns, but they lost the ball on downs. Three-Way, after a sustained drive down field went over for a touchdown and made the point, making the score 7-0 with the Eagles in front. Both teams had possession of the ball several times during the remaining minutes of the quarter, but neither team again got over the goal line and the quarter ended with the score 7-0.

In the second quarter, both teams scored one touchdown; however the Eagles again lunged ahead as they ran over the extra point and the Longhorns kick was no good. Both teams were near paydirt several times, but the other team always held and the ball was lost on downs. The half time score stood 14-6 with the Eagles still in the lead.

To get the 2nd half of play going, the Longhorns kicked to the Eagles. Three-Way could not get going as Lazbuddie started playing some good defensive ball and they had to punt on the fourth down. The Longhorns managed to go over the goal line for another 6 points on a pass play to Chuck Smith in the end zone. The attempted conversion was no good and at the end of the third quarter the score stood 14-12 with the Longhorns still trailing by two points.

In the last period of play the Longhorns held the Eagles scoreless again; however, they came to life and went over for a touchdown with about four minutes of playing time left. Gleason's kick was good and the Longhorns went ahead by a 20-14 score. Several times during the remaining time, the Longhorns were able to get nearly over for a touchdown, but each time the Eagles held; and the game ended 20-14 proving another victory for the Longhorns.

This was the Longhorn's last game of the season and they ended out their season with eight wins and only one loss. Lazbuddie is now tied with Pettit for second place. They have a very good chance for a tie for first place, as Bula, who is leading the district, plays Pettit Friday night. Good Luck Pettit!

Mr. and Mrs. Elbert Landrum visited relatives in Wichita Falls over the weekend.

**HOLDS FORMAL OPENING**

Clay's Corner, a new grocery and market, at the Lazbuddie-Friona intersection held its formal opening Saturday, November 7. Free ice cream bars, coffee and doughnuts were served to all who visited the store that day. Balloons were also given to the children.

A large crowd attended the drawing which was held at 8:00 p. m. Six baskets of groceries were given to Bob Jones, George Haskins Jr., G. E. Redwine, L. S. Putman, and C. C. Garcia, Ollene Talley, and C. W. Bradshaw.

Jose Vila was given a lovely doll and a traveling case. Mr. and Mrs. Clay invite everyone to come visit them in their new location.

**Special Armistice Parade Wednesday**

Texico-Farwell American Legion sponsored a parade and special Armistice observance Wednesday. The parade was held at 1:30, preceding a football game between Bovina and Farwell.

Bands from Texico, Farwell and Bovina were on hand to march as well as a group of Legionnaires with a color guard. The parade began downtown, with participants marching to the Farwell stadium, where a short program was held. As the flag was raised, the three bands played the Star Spangled Banner. Post offices, the bank, and courthouse offices were closed Wednesday, but the majority of businesses were closed only for the Legion program.

**HOME FROM GAUM**

Petty Officer 3-c Manuel Kesner, son of Mr. and Mrs. Shirley Kesner, has arrived in Gaum, and will leave there Nov. 26 for the States. He is to be home on a 30-day leave Dec. 15. The boy has two more years of service. His parents operate City Cafe, Farwell.

**PLEASE HELP ME OUT, FOLKS**

Picking up trash and garbage is a pretty messy business to start with. When you dump wet garbage into your trash barrel it's twice as bad. Please help me out by doing the following:

1. Provide a barrel for trash and a can or receptacle for the wet garbage. Keep them separated.
2. Keep these containers in the ALLEY. Not on your doorstep. You'll help out a lot by doing these two things.

## Wet Weather Delays Harvest Past Week, First Frost on Saturday, Repeated Sunday

The first frost of the fall was recorded here Saturday night, to be followed up by a repeat Jack Frost job on Sunday night, putting a quick end to all growing periods for the season.

Reports from over the territory indicated that the frost seen on Sunday morning was much heavier locally than that in evidence on reports in from other areas over the Plains. However, it did freeze, and with that, the tempo of fall harvesting will be quickened.

Green cotton pods which were nipped by the frost were already beginning to burst on Monday of this week, as the sun finally returned to the Panhandle. Maize fields which had continued to show some greenery past the customary time will quickly take on the look of fall.

As to what the wet weather has done to crops: Cotton quality was down considerably the very early part of last week, but had begun to climb back to normal when drizzly weather returned here on Thursday. Grain men report that very little loss has been occasioned thus far by intermittent rainy spells—but add in the same breath that they are anxious to get into the fields.

Both elevators here said on Monday that business was at a standstill until the fields could dry out some, adding that they had expected a bit of grain which was excessively wet last week, but would be forced in the future to reject such cuttings for storage.

Estimates place the grain remaining to be cut at from one-half to around two-thirds. On one point they all agree: there is plenty of grain still in the fields, and the combines will be rolling in droves once the heads are sufficiently dry for cutting.

Down at the gin, Wright Williams reported that only 1207 bales had been turned out this year up to Monday noon, and added wryly, "We had figured to have around 3,000 by this time." He went on to add that some loss to the quality of cotton could be expected by the rains which came—so far as cotton farmers are concerned—at the wrong time, but added that no great loss is expected.

## Trades Day Event To Begin Saturday

The first of a series of six trades day events will be held in downtown Friona this coming Saturday afternoon, November 14, it has been announced by the sponsoring body, the Friona Chamber of Commerce.

Cooperating merchants are issuing tickets to their customers, and slated to be given away are six television sets, sponsors added. The weekly gathering will be held on the vacant corner across from the post office, to continue each Saturday through December 19th. Time is set at 3 o'clock.

Mr. and Mrs. Charlie Baxter and sons of Clovis, and Mrs. Darrell Robbins of Blunt S. D., Mr. and Mrs. Billy Dean Baxter were Sunday dinner guests with Mr. and Mrs. Clarence Martin and children.

## Street Markers Will Be Erected Locally

More than one hundred concrete street markers are slated to be erected around the city within the next few weeks, to be placed at intersections both down town and in the residential area.

The program, sponsored by local clubs and the fire department, has been in the making for some time, according to Roy Wilson. Forms for the markers have recently been completed and the blocks will be poured soon, he said. These markers will be similar to those used in Hereford, Wilson explained, being located high enough from the ground that they are easily read from automobiles.

Current plans are to put two at each downtown intersection, on opposite corners, with only one each being placed at residential intersections.

Wilson also reported that house numbers, which were bought through public subscription in a campaign conducted by the Progressive Study Club, are still on hand in the city office, and urged homeowners to come and get their numbers and get them affixed to their homes.

## Student Council Goes to Brownfield

Friona Student Council went to Brownfield Monday to attend the South Plains association of Student Council. They attended assembly, then listened to a talk. They attended a magic show, majorette show, saxophone quartet, and western hit tunes program. They were served refreshments.

Those making the trip were, Virgil Phipps, Paul Coker, Donna Miller, Carol Blackburn, Jimmy Robason, Glenn Reeve, Don Reeve, Harold Taylor, Marie White, Patsy Anthony and Phyllis Trieder and the sponsor, Miss Tracy Smith.

Student Council officers are, president, Virgil Phipps; vice president, Paul Coker; secretary and treasurer, Donna Miller; parliamentarian, Carol Blackburn; reporter, Phyllis Trieder.

## Pictures Taken Of Favorites

Senior pictures were taken last week by Melton's Studio of Clovis. High school favorites also posed for shots. Seniors are: Mary Bell McGlothlin and Glenn Reeve; juniors, Evelyn Ray and Don Lewis; sophomores, Elizabeth Grubbs and Micky Ready; Freshman, Barbara Deaton and Jerry Chiles; and all-high-school-favorites are Deniese Magness, Jimmy Robason; FFA sweetheart, Glenna Mae Pope; FHA beau, Teddy Fangman; band sweethearts, Deann Buske and Charles Beaton; football queen, Carol Blackburn.

Farm Demonstration Skill will go to Muleshoe for a contest Saturday, November 14. Both seniors and juniors of the FFA will attend this meeting and the agriculture teacher, J. T. Gee.

Miss Phyllis Dean spent Sunday in the home of Mr. and Mrs. Fern Barnett and family.

## McLellan Takes Over As Local Postmaster

Leo McLellan, Friona resident for some years, has taken over his duties as postmaster of the Friona postoffice, on a temporary appointment. He became active the past week.

Resignation of the appointment as postmaster had been tendered some weeks ago by Sloan Osborn, who had served for a number of years.

## Ordinance Requires Sewer Hook-Ups

An ordinance passed recently by the City of Friona now requires that all residential and business property in the city limits make connections with the city sewer for disposal of waste, Mayor Charles Allen said Monday.

In brief, it is now a violation of the law to have out houses or cess pools in Friona. The new ordinance became effective the past Thursday, November 5th.

As to the ruling, city officials pointed out that the residents themselves voted a bond issue for city sewerage, and now, four years later, some houses and establishments still are not connected. Primarily, the ordinance is aimed at ridding the city of public health menaces where waste is carelessly disposed, or where cess pools are not covered. However, the ruling is mandatory for all homes and businesses.

Asked as to a "deadline" for hook-ups, Allen said such a matter had not yet been considered by city officials, indicating that it was official opinion that the majority of property owners would cooperate as rapidly as possible.

The cost in some instances, may be a strong factor in holding up sewer connections it is admitted. To date, a total of 308 out of possible 425 connections have been made within the city, according to records at the office of Roy Wilson, city manager.

Cost of connections will vary, Wilson explained, pointing out that the city has a flat charge of \$12.50 for hookups where a riser was left in the main line. If such is not the case, and the main has to be tapped, the cost is upped \$3.50. From the property line, the connection will average around \$1 per foot for length, and around \$3 per foot down to the main. General average of the city's charge, which does not include laying line from property to the alley or property line, will run around \$15.60, Wilson believed.

## Stockholders Meet Called for Nov. 19

The annual meeting of stockholders of the Parmer County Community Hospital has been announced for Tuesday, November 19th, according to Jimmy Baxter, manager of the hospital.

Stockholders are invited to meet at the Legion Hall at 7:30 in the evening, Baxter said, urging a good attendance for the meeting.

Mr. and Mrs. Joe Moyer and his father, E. O. Moyer went to Canadian, Sunday to visit their brother and son, Mr. and Mrs. E. R. Moyer.

Mr. and Mrs. Elwood Vaughn were Sunday dinner guests of Mr. and Mrs. C. D. Day.

**Believe It Or Not**  
Banker Frank Spring found himself in the position many of his patrons are familiar with, on Monday morning. Strolling casually out the door, headed for coffee, Frank sheepishly had to retrace his steps, he explained "I don't even have enough money for coffee".

Most of the business houses around town were closed on Wednesday of this week, as employer and employees observed Armistice Day.

Susan Elaine Mills, niece of Mrs. Lucy Jones, was here from Muleshoe to spend the weekend with her aunt.

Lee Burnett has been playing host to his parents, up from Imperial for a visit in the home of their son.

Also visiting here during the weekend was Shirley Coonauger who is studying at Texas Tech.

Understand that Jimmie Gore, who has been spending a furlough with his parents, Mr. and Mrs. Newt Gore, and other friends and relatives, is getting ready to return to duty at the Roswell AFB.

Doris Young who is one of the nurses at the local hospital, is getting itchy feet these days. Her husband, S. Sgt. Billy M. Young, is now stationed in France and Doris is practically packing clothes for herself and three-months-old youngster to go over seas. They hold hopes of having a reunion with Young by Christmas. She is the former Doris Taylor.

Haven't even bought the Thanksgiving turkey yet, and here the stores are filling up with Christmas toys. Might not be a bad idea to do a bit of "lay-awaying" while stocks are complete.

### METHODIST CHURCH NEWS

WCS met Tuesday at the church. They had the last discussion of Spanish speaking people Mrs. Joe Moyer was the teacher. A film strip on the subject was shown at the close of the meeting.

The fall district meeting of the WCS will be at the First Methodist Church in Canyon, today (Thursday).

These young people have perfect attendance records as indicated Adelle Smith, Jimmy Bainum, six months; Pat Foster and Irma Drake, three months.

### PASSES 103rd BIRTHDAY

MRS. NANCY THORNTON

### She Lived A Century and More

Mrs. Nancy Thornton celebrated her 103rd birthday November 7th. Grandmother Thornton lives with one of her granddaughters, Mrs. Roy Williams of Friona.

Mrs. Nancy Thornton was born in Mississippi near Double Springs in 1850. Her family later left Miss. in 1858 to come to Johnson County, Texas by wagon. She had a twin brother who died several years ago. Mrs. Thornton was one of a family of 13 children. She can remember the Civil War.

She married N. B. Thornton on August 29, 1869.

The Thorntons had four children. All are living, Mrs. Julia Hoover of Clovis, 83; Mrs. Sue Bussell of Portales 81; Mrs. Lou Bussell of Friona, 72; and one son W. C. Thornton, of Clovis, age 70.

Mrs. Thornton has been a widow for over half century and seen many hardships. The worst were in the 1930's here in the Panhandle during the "dust bowl". Today Mrs. Thornton is in good health, and in good spirits. She loves to visit with her friends and neighbors.

She fell about three years ago and broke her hip and injured her right arm, she has been in bed since.

She is a member of the Baptist Church and can still read the headlines in the newspapers. The relatives that helped her celebrate were her daughter, Mrs. Lou Bussell of Friona and her son W. C. Thornton of Clovis. Her grandchildren and nieces and nephews were Mr. and Mrs. Marey Bussell of Friona, Mr. and Mrs. Sam W. Liker of Amarillo, Mrs. Martha Shelton, Albany Texas, and Mrs. Maureen Loving of Clovis, and Mr. and Mrs. Rich Bussell of Tulsa.

Lots of neighbors and friends came to visit during the day with Mrs. Thornton.

### In Parents' Home

Mr. and Mrs. Walter Jasper of Amarillo were guests over the weekend with his parents, Mr. and Mrs. T. N. Jasper. He has been quite ill and Mrs. Jasper is suffering from high blood pressure.

Senior women's bridge met Saturday afternoon with Mrs. W. B. Stark. Hostess served date pudding with whipped cream and coffee.

High went to Mrs. Stark, second high to Mrs. Bert Chitwood.

Those present were Mesdames H. C. Kendrick, Bert Chitwood, J. C. Wilkinsen, Carl Maurer, Pearl Kinsley, Roy Salge, O. F. Lange, and the hostess, Mrs. W. B. Stark.

**NEWS FROM THE FARM BUREAU**

By RAYMOND EULER

Ladies, here is a tip to you, if your husband burns gasoline in his farm tractors. Keep an eye on the mail. When you see a post card stating that your husband's invoices for tax exemption will expire soon, ask him if he will have time to come in and take care of it right away. If he's too busy, then you can come file it for him. By preforming this extra service for your husband (it's actually beyond the regular call of duty), you may save your family \$2.20 for just one barrel of fuel, to \$25 or \$30 for more. Now if it inconveniences you in the least to do this, then you should tell your mate, and because he is devoted to keeping you happy, the chances are very good that he will suggest that you use some of the money to buy a new hat, or even a new suit. If he doesn't volunteer this favor, then perhaps you will know how to influence him—you see, you can endorse the check too. (This is not legal advice, consult your lawyer.) The moral of this suggestion is: Please do not let invoices expire through neglect. File for the refund and spend it with your local merchant.

Aubrey Ellison, county FB president, left Wednesday, the 4th, for Mineral Wells where he will work with the state resolutions committee in screening and preparing resolutions sent in from all Texas counties. Bruce Parr, former president, was invited by Walter Hammond, state FB president to sit in on this committee. When he found out he could not go, he arranged for Ellison to sit in his place. We consider this a compliment to Parmer County, since only one man from each district was invited. There are 17 counties in district 2.

Monday morning, the 9th, four or five more Parmer County men joined Ellison in Mineral Wells for the State Convention. We don't know their names yet, but they are on hand to support the county in all matters presented. Cotton will be one of the liveliest subjects for discussion. We hope for a satisfactory settlement of this commodity question.

We appreciate the voluntary payment of Farm Bureau dues recently, bringing us to our quota of 550 at convention time. Economically you save the organization about 10c by paying before billed, 2% of the county's portion.

Alfred Petty returned home Saturday from a Hereford hospital. He has been in serious condition.

**Farm Bureau Meets Friday**

The Farm Bureau met at the parrrish hall last Friday evening. Due to the bad weather there wasn't a big crowd. The pictures were not shown as scheduled. Suppose Carl Maurer didn't want to get his car muddy. They elected new officers as follows: president, Raymond Schueler; vice president, Paul Koeltzow; secretary, Florence Sifford.

Refreshments were served by Mr. and Mrs. Floyd Schlenker, and Mr. and Mrs. Walter Schueler. Several games were played.

**REFORMATION PROGRAM**

The Lutheran Church observed the Great Reformation with a program in the parrrish hall Sunday evening. Melvin Sachs gave a talk on "The Blessing of the Reformation". Rev. George Pullmann gave an address on "Katie Luther". Paul Koeltzow gave a reading, "Luther before the Diet at Worms". The children had questions and answers on the life of Luther. Several songs were sung by the choir and children.

The program was well attended. A large number of welcome guests attended from Grady. The H. L. Hoffmans from Hereford also attended.

**A WET COUNTRY**

Rev. and Mrs. George Pullmann and family from Kinsley, Kansas and Mr. and Mrs. Carl Pullmann of Arnold, Nebraska visited their parents, Rev. and Mrs. George Pullmann several days last week. Rev. Pullmann said he had quite a time convincing his sons that west Texas is dry. It drizzled and rained all the time while they were here.

Mrs. Mary Smith from Amarillo has been visiting in the Gilbert Schueler and Franklin Bauer homes last week. Mrs. Smith is a great aunt of Mrs. Schueler and Franklin Bauer.

Mr. and Mrs. Frank Meir and family spent the day in the Martin Wagner home Sunday. Cordie Potts, Jake Patterson, and Jack Patterson are gone deer hunting.

The Carl Schlenker children have been on the sick list. Mrs. Schlenker reports they are much better now.

Mr. and Mrs. Billy Sifford had their parents, Mr. and Mrs. Sifford from Umbarger, as guests Sunday.

Floyd Schlenker attended the polled Hereford association in Clovis Monday evening.

Rev. George Pullmann attended a conference at Wilson last week.

**NOTICE**  
To All Farmers, Business Men and Laborers  
We who depend upon Agriculture for a livelihood have reached the time when we must "hang together or hang separately." When the farmer goes broke, business and labor go broke, too. That is a fact of history.  
Now we have many problems in agriculture that affect all people in Parmer County. One of these immediate problems is the drastic cut in cotton allotments.  
The national cotton allotment, at present, calls for a cut to 17,910,448 acres. It is proposed that this cut will allow production of 10,000,000 bales next year and wipe out the surplus. We of Farm Bureau say these figures are in error, as consideration was not given for cotton that would have been planted except for the drouth, and cotton that will not be harvested because of floods and other unavoidable disasters. Allotment of 17,000,000 acres cannot be expected to produce 10,000,000 bales of cotton. We advocate that we can plant 22,500,000 acres of cotton and STILL lower the surplus 2,000,000 bales. This increase would mean an increase in allotments for Texas from 7,304,000 acres to 8,989,600 acres, a gain of 1,635,600 acres.  
Based on a yield of 200 lbs. per acre, and a price of \$150 per bale, this increase would have an approximate value of \$98,136,000 to Texas Cotton Producers. Parmer County would profit greatly by this increase of 20 to 30 per cent. Each acre is worth about \$60.  
To you fellows who are not Farm Bureau Members: Numbers mean strength when it comes to legislative matters like this. There are now 550 paid up members in Parmer County, including business members. There are about 777 farmers in the county, which indicates that about 250 of you are not backing the attempt to obtain an equitable adjustment in this matter. \$10 membership dues right now could mean money to you and your neighbor next year.  
Farm Bureau is the only organization in Parmer County, or in Texas, that can or will help you in problems of this nature, and many others. Each new member adds influence, strength and money toward accomplishing these objectives.

## Mustangs Close Season with Win

Friday night the Mustangs closed their conference football season when they took a decisive 24-0 win over Anton on the Anton gridiron. The game gave them a conference record of three wins and two losses. They played their last game of the season on Wednesday afternoon in a non-conference tilt.

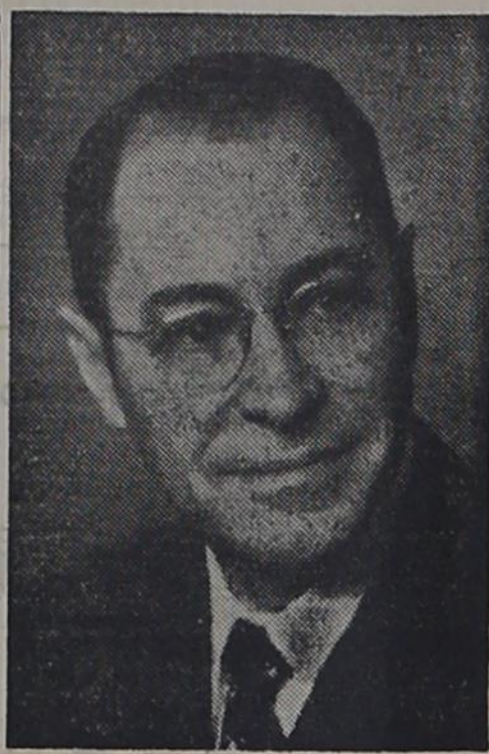

Darrell Read scored two of the touchdowns in the game Friday night and Leon Ware scored the other two runs. They were all scored on long runs with Read making the longest run of the evening when he went 98 yards for the first score. His other run was 70 yards while Ware ran 45 and then 55 yards for two tallies.

The Mustangs will begin their basketball practice very soon after their last football game on Wednesday. They should have one of the better basketball teams in the district this year. They tied for second with Friona last year and then lost the play off game. They did not lose a man off their squad last year and they have several additions. They will have a rather tall team this year with several boys six foot and over.

They have almost completed their basketball schedule and it will include two tournaments here at Bovina. On December 11, 12, and 13, they will have their invitational tournament for both boys and girls and Bovina will also be host this year to the district tournament to be held sometime in February.

## It's a Girl!

Mr. and Mrs. Elman Stark of Abilene became the parents of a daughter born to them Nov. 4. She weighed seven pounds and 10 ounces, but at last reports they didn't know what she'd be named. She is the granddaughter of Mr. and Mrs. I. W. Quickel and Mr. and Mrs. Lewis Pesch all of Bovina.

Wayland Prexy To Speak at Bovina

Dr. A. Hope Owen will be guest speaker at First Baptist Church, Bovina on Nov. 15 at morning and evening services. He is president of Wayland College, Plainview. He has been pastor of First Baptist Church in Plainview for nearly seven years.

During these years, Dr. Owen has served as a member of the Board of Trustees of Wayland College, working closely with Dr. J. W. Marshall, who served as president from 1947 to July 1. Before coming to Plainview, Dr. Owen was pastor of First Baptist Church, Shawnee, Oklahoma, and a member of the board of Trustees of Oklahoma Baptist University.

Dr. Owen has been a member of the Southern Baptist Foreign Mission Board since 1947. The First Baptist Church sent him and Mrs. Owen on a missionary journey to the Orient in the summer of 1952. He preached in Hawaii, the Philippines, Hong Kong, and Japan, visiting the mission fields in those areas during the three months they were overseas. The Owens were the guests of the parents of many Wayland college students, as well as guests of many former students of Wayland. Since 1947 Wayland College has, with Dr. Owen's encouragement, developed a unique international program that has made the college known around the world.

Dr. Owen has served as pastor of both Santa Fe and Albuquerque as well as Muskogee and Clinton, at Santa Fe he served as chaplain of the New Mexico State Senate. He has also been a member of the Southern Baptist Sunday School Board and of the executive committee of the Southern Baptist Convention and of the Baptist General Convention of Texas.

Dr. Owen's college work was done at Decatur Baptist College and Oklahoma Baptist University, which also conferred the honorary Doctor of Divinity degrees on him in 1942. His undergraduate seminary work was done at Southwestern Baptist Theological Seminary Fort Worth, and his graduate work at Southern Seminary, Louisville Ky.

## Girls' Teams Have Scrimmage Games

The high school girls basketball teams went to Sudan last Thursday night for a pair of practice games. They won their "B" game point by a close 34-33 score. The winning point came on a free throw with only ten seconds left to play. They didn't fare so well in the "A" game losing by a 60-37 score. They had several players injured with Pat Steelman receiving a head injury that required hospitalization. Marcella Verner also suffered a sprained arm. After these girls had been hurt, they couldn't seem to get going.

Their next home game will be Tuesday night, Nov. 17, when Sudan will come to Bovina to play. They will have "B" and "A" games and game time will be 7:30 p.m. They will begin their conference play on December 18.

## BOVINA BAPTIST CHURCH

Dr. A. Hope Owen, president of Wayland College, will be the guest speaker for both services Sunday in the absence of the pastor, who will preach at the First Baptist Church in Chillicothe Texas.

This week is community missions week for the WMU. They are visiting for the Church, also will pick up used clothing, canned goods, and any kind of food for the orphans of our state.

A special offering was taken for the building fund last Sunday gaining over \$1300 in this offering. This will enable the carpenters to continue with the framework of the new building, when they get the floor poured and completed.

The brotherhood will meet Monday night November 16. They will have supper and a program following.

Last Sunday's attendance was Sunday school 196—Morning Worship, 235, Training Union, 113, Evening worship—153.

A cordial welcome awaits you at the Bovina Baptist Church.

## LEAVE SATURDAY

Sgt. and Mrs. Robert Read left Saturday morning for Camp Stoneman, Calif., near San Francisco where Robert will embark for Korea. They will visit with her sister and family, the C. W. Grisoms, and her aunt and family, the Byron Turners, enroute to camp Stoneman.

Mrs. Read will return to Bovina in a few weeks.

Weldon Moody arrived home on Sunday for a visit here with his family, the E. H. Moodys, and with friends. He's stationed at Camp Erwin Calif. with the army.

## Bovina PTA Hears Book Review Monday

The Bovina PTA met Monday night in the auditorium of the Methodist Church with around 70 members present for the meeting. Mrs. W. H. Downing was the leader for the evening, and she led the PTA prayer and the objectives of PTA were read. Verna Marie Estes then presented two piano selections. Mrs. Downing then introduced Mrs. W. H. Willoughby who brought the program for the evening which was a review of the book "Children are People" by Emily Post.

In her review Mrs. Willoughby gave a list of the more important "do's and don'ts for parents". She also pointed out that it didn't make much difference the size of the home or the material it was made of, in what the parents gave their children in the home. Even the humblest of homes could be a wonderful home for children giving them the things that count in life. She also stated that the heritage of every child is a knowledge of God and no matter what else, of anything, that parents give to their children, they should give them a correct concept of God.

Mrs. Willoughby is a wonderful speaker and has a charming way of presenting book reviews.

Following the review, the group adjourned for a social hour in the Fellowship hall. The hostesses, Mrs. Billy Sudderth, Mrs. Bedford Caldwell, and Mrs. Grace Paul, served cookies and hot spiced tea from a lovely table covered with a lace cloth and centered with an unusual arrangement of fall foliage colored in all the fall colors. Miss Paul presided at the silver tea service.

With the members enrolled last night the PTA now has a total membership of 102. They are very proud of this number since it is over the number enrolled. They are also proud of the good attendance they have had this year. They still urge the parents who have not become members to join and enjoy the PTA work for the remainder of the year.

## Bridal Shower Fetes Mrs. Kelly

A lovely bridal shower was held on Thursday afternoon, in the Buck Ellison home honoring Mrs. Bobby Kelly, the former Margaret Laing of Portales. The bride's chosen colors of red and white were carried out at the shower.

Too Late For Last Week

**Lazbuddie Romps Over New Home**

In an interesting ball game played Thursday October 29th, at New Home, the Lazbuddie Longhorns won over the New Home Leopards 34-13. The Longhorns have suffered only one defeat so far this season, and at the present are tied for second place in their district.

To get the game rolling, the Longhorns kicked to New Home,

Tom Mann of Albuquerque spent the week end visiting with his sister and husband, Mr. and Mrs. J. O. Combs.

Bobby Englant and Wesley Ayres were in Clovis Thursday on a business trip.

and were able to set the Leopards back a long way. New Home punted on the fourth down and Lazbuddie made a first down, but didn't quite make it as they lost the ball on downs. New Home again punted on the fourth down. White received and returned the ball all the way to the Leopard 26 yard line. On the next play on a pass from Oliver to Gleason the Longhorns made a touchdown. Gleasons attempted conversion was no good. New Home received the Longhorn kick deep in their own territory as the quarter ended. The score at the end of the first period of play was 6-0.

As the second quarter got underway the Longhorns held the Leopards in their own territory and they lost the ball on downs. The Longhorns took over, and after a sustained drive down field White lumbered over for a touchdown. Gleasons kick was good, and the Longhorns led by a score of 14-0. New Home received the Lazbuddie kick, but had to punt on the fourth down; however they soon had the pigskin in their possession again as they recovered a Longhorn fumble. This seemed to give the Leopards some spark, and they went over for a touchdown. They ran the extra point over to make the score 14-7. The quarter ended before either team could get underway again, and the halftime score stood 14-7 with the Longhorns out in front.

Both teams played on an even plane during the third quarter as neither team scored during the entire period. New Home kicked to Lazbuddie the second half, but the Longhorns fumbled and New Home recovered. The Leopards had to punt on the fourth down, and the Longhorns made continuous progress down field. They got deep into New Home territory and knocked at the goal line, but were unable to push over before they lost the ball on downs. The third quarter ended with the score still 14-7.

In the fourth quarter Gleason intercepted a pass. On the next play the Longhorns made a long pass down field. Then Joe Briggs got away, and went over for a touchdown. The attempted point after kick was no good making the score 20-7. After the Leopards had received the kick they again had to punt on the fourth down. White received the punt, and went all the way for a touchdown. The attempted conversion was no good making the score 26-7. Lazbuddie kicked, but the Leopards fumbled and Lazbuddie recovered. Leon Smith made a beautiful drive down field, and went all the way for a touchdown. White's kick was good and the score stood 34-7. New Home received and after a continuous march down field got away for a touchdown. The kick was not good making the score 34-13. Lazbuddie received the kick, and Johnny Gammon, who is one of the reserves, made a beautiful sweep to the left carrying the ball deep into New Home territory. The Longhorns still had possession of the ball as the game ended. The final score was 34-13 with the Longhorns in the lead.

There was some good defensive work contributed by both teams during the game. The New Home team did very well in the third quarter, holding the Longhorns scoreless that period. The Longhorns played good defensive ball the entire game holding the Leopards to only two touchdowns during the game. They were also able to set New Home back several times.

**Men Make Honorary Members of Chapter**

The officers of the Lazbuddie Chapter of Future Farmers of America, presented Mr. Williams and Mr. Jones, of the Muleshoe Motor Co., with plaques making them honorary members of the Lazbuddie FFA. Virgil Merriot, president, presented the plaques; Jimmy Ivy, secretary, invited the men to attend any of the regular meetings which are held on the second Monday night of each month. Mr. Jones stated that they would be very glad to be of any service to us any time that it was possible, and he also said that both he and Mr. Williams would be very glad to attend the meetings of the chapter.

The chapter is very happy about the red Ford-6 that the Muleshoe Motor Co. through Mr. Williams and Mr. Jones, made possible for FFA use to take care of any chapter business that may require the use of a pickup.

**PTA HAS MEETING**

The Lazbuddie PTA held its regular meeting, Monday November 2, at 8:00 p. m. Mrs. Juel Treider, president, presided. The goal for the year was discussed and it was decided to build up the library and to buy folding chairs and tables for the lunchroom, and for banquet purposes. The fourth grade won the prize for having the most parents present at the last meeting. The Thanksgiving supper was set for November 23. Tickets are now on sale.

Fred Wilbanks, grade school principal was the speaker for the evening; his topic was, "Our American Way of Life". The FHA girls then had charge of the program. It was presented in the form of a panel discussion bringing out the purposes, goals and achievements of FHA. Charlene Graef was leader with Jimmie Carpenter, Barbara Hinkson, Clara Jean and Threse Jesko, and Louise Ham taking part in the discussion.

**CARNIVAL BIG SUCCESS**

The Halloween Carnival held Friday night was well attended and everyone seemed to have lots of fun. The main point of interest seemed to be the ducking board. Some of the teachers surely got their share of baths. The evening was climaxed by the Coronation and crowning of the queens. The pageant being presented in the form of a Halloween Ball. The kings were escorted to their places by cats, witches, goblins, and ghosts. The lights were turned out and a skeleton dance was presented. Gail Ivy was crowned

grade school queen by Eugene Vaughn, Carolyn Hinkson was crowned Junior high queen by Dean Watkins, and Betty Littlefield was crowned High School queen by Jerry Gleason.

**BOOSTER CLUB MEETS**

The Lazbuddie Booster club held its regular meeting last Tuesday night in the Grade School Auditorium. They received their Booster Club pins which they were very proud to get. Their next meeting will be Monday November 9. All members are asked to attend.

**IN APPRECIATION TO PATRONS OF BOVINA SCHOOL DISTRICT**

The members of the school board of Bovina Independent School District take this opportunity to express to the patrons of the district their profound appreciation for the manner in which the voters endorsed the plans for rebuilding the system which was burned two month ago.

The board, made up of taxpaying residents of the district, was not unaware that the issue presented represented a large investment. But then, our loss was a large one, too.

By their acceptance of the bond for rebuilding the Bovina School system, voters in the District have shown that they still put the interests of their children and what the future may bring, first.

We congratulate the voters for their progressive spirit, and pledge that the money in this issue will be used to the very best of our ability to provide for our youth—who are our future Americans.

The "stamp of newness"—and another new Santa Fe freight car is ready to roll

**21 miles of new freight cars added by Santa Fe last year!**

Remember when you used to count freight cars as a kid?

How would you like to count and stencil the "stamp of newness" on 21 miles of them?

That's what Santa Fe did last year—added 21 miles of new cars to its great fleet of modern freight cars.

And so it goes—year after year after year—until today there are 84,898 freight cars serving shippers on the Santa Fe.

With this building new program, Santa Fe is meeting the ever-growing need for moving vast tons of

wheat, livestock, perishable foods, minerals and merchandise to the markets of America.

And many of these cars are new and special types to serve shippers in new and better ways—like the "MTC 3150" mechanical refrigerator car that works like your home freezer.

It costs Santa Fe millions of dollars—earned dollars—to acquire this great fleet and maintain its own "steel highway."

But it doesn't add a penny to the taxes you pay.
