

By HOP JR.

The question of how long the balmy, unseasonal days we have been having will remain with us is intriguing. Weeks ago we lit the new furnace and endured the stench and smoke with the thought in mind that it would be nice to have the unit "broken in" for cold weather.

Likewise, the unseen clothing accessories for frigid temperatures were de-mothballed and sweaters, jackets and overcoats taken out of storage.

Still, nothing but short-sleeve weather. Must be the Republican administration again.

At the state fair about a month back, we spent a few moments gazing at what is supposed to be regarded as the magnificent contribution of the Chrysler Corporation to the automotive industry—the Chrysler Special.

Unlike a lot of experimental models that are getting so much publicity these days, the Special is a production item. For a price (reportedly about 7½ thousand) you can step into a metropolitan Chrysler agency and drive one of these things off.

The thing that stunned us—almost turned our stomach—was the gaily colored illustration near the car which pointed to the hood said "Four-hundred and four horsepower."

This is the most diabolical act of the automotive industry to date. There is not a public highway in the United States upon which this machine can safely operate.

Turning such an instrument of potential destruction over to the general public is something akin to letting eighth graders make nitroglycerin in their chem labs.

To market more than two tons of machine capable of hurtling down our already overcrowded highways at speeds of 150 miles per hour or more is an error in judgment of fantastic proportions.

"Well," say the glib-tongued auto moguls, "We put more power in a car for safety's sake. You have a 'reserve' when you need it. We don't intend for the public to use the maximum horsepower available."

Then why, we wish they'd tell us, do they put a speedometer on a car like the Special that registers 220—not just 120—miles per hour, if it's not there for a temptation to "see what she can do?"

Three Men Jailed In Connection With Burglaries

Three men are in Parmer County jail this week in lieu of \$1000 bond each, and they are being connected with two burglaries in the Rhea community last week.

The men are Johnnie Hyden, 34, Ft. Worth; Theodore Hines, 47, Hereford; and A. I. Hines, 25, also Hereford. The latter two are father-and-son.

Unable to make bond this week, they are awaiting the next session of the grand jury, which doesn't convene until April.

They are linked with the burglaries of the rural homes of Tilden Slagle and Ernest Woods. Clothes were stolen from both residences. The homes were broken into Tuesday night, Oct. 20.

The three men had been picking cotton in the area, and a warrant was sent out for their arrest. They were picked up in Mulshoe last Friday, and found in possession of some of the clothing stolen.

A portion of the loot had been sold in Bovina and Friona.

Three Farm Sales Booked by Team

The sales team of Dick Doshier and Orval Francis announces booking of three farm sales for the month. They include those of Melvin Sudderth, Albert Magerus, and Graham Thornton.

Sudderth, who lives near Bovina, will have his sale Nov. 17. He will feature dairy cattle, putting his Jersey and Holstein herd and dairying equipment on the auction block.

The Magerus sale will be Nov. 23, at Elmwood Farm southwest of Texico. Magerus is heavily-equipped and has a large consignment of dairy and beef animals.

Graham Thornton's sale, scheduled Dec. 1, will see both his Black Angus herd and farming equipment go to highest bidders.

Two Latins Fined For Drunkenness

Feladelfio Gutierrez, Clovis, was fined \$100 and costs given three days in jail through action of the county court Tuesday. He was charged with drunken driving.

A passenger in the car, Polo Chavez, also of Clovis, was fined \$16.25 in JP court for drunkenness. They were picked up Sunday in Friona.

Bovina School Bond Vote Is Saturday

Faced with replacing the main school building which burned a few weeks ago, patrons of the Bovina School District will go to the polls Saturday, Nov. 7, to vote "yes" or "no" on a \$750,000 bond issue.

If supported by the taxpayers, the measure will provide for a cafeteria with a capacity of 300 people, an auditorium which will seat 800, rooms for band, chor-

us, piano, chemistry, biology, mathematics, social science, English, journalism, shop, agriculture department, two book rooms, a library, one laboratory, nurse's room, two principal's offices, and an administrative office.

"An area in the elementary school is designed to allow for future expansion with very little cost. A similar area is to be de-

signed for the high school," says W. H. Willoughby, superintendent. The election will be at the Bovina Legion Hall. To be eligible, citizens must be taxpayers of the district and have paid their 1953 poll tax.

If the bond carries, the architect will begin plans immediately for the building. If it does not, all plans will have to be done over and another election date set.

Judges will be Steve Calhoun, Wilbur Charles, and Eddie Redden.

The board turned down bids on the removal of the rubble from the burned building Monday night. The board will sell bricks at \$7.50 per 1000, tile blocks will be given to anyone who will carry them off.

Five new sewing machines have been purchased for the homemaking cottage.

OPEN FOR BUSINESS SATURDAY

J. H. "Johnny" McDonald and Clay Henson, owners of the new Farwell Hardware, take a breather for a picture Monday night when they were hard at work stocking shelves. The business will open Saturday.

New Hardware Opens Saturday

McDonald, Henson Partners in Venture

This community's newest business venture — Farwell Hardware — opens for business Saturday. Johnny McDonald and Clay Henson are partners in the firm, which is located in the Ed Muckelroy building on Main Street.

McDonald has made his residence in Farwell for almost a year, having moved here from Lazbuddie. Henson until recently was a resident of Tokio, near Brownfield. Both men were farmers.

The two say it is their intention to have a "formal" opening at a later date. They are opening this weekend, because they are anxious to get their business in operation.

The building has been remodeled and redecorated. Shelving and display islands have been installed, and by Saturday, the two men hope to have everything ready to do business.

Two display rooms will be partitioned in the front of the building, featuring 2000 feet of display space. Storage for larger items and crude hard goods will be toward the rear of the building.

Farwell Hardware will place heavy emphasis on shelf hardware, plumbing, and irrigation supplies. In the near future, plumbing contracting probably will be made available, the owners say.

Funeral Services Held For Mrs. Carpenter

Funeral services were held for Mrs. Lynn Carpenter, daughter of Rev. and Mrs. Vernon Willard of Oklahoma Lane, who was accidentally shot at her home in Carlsbad. Burial was in the Oklahoma Lane Cemetery under the direction of Wolf and Roberts Funeral Home. Rev. S. M. Dunham and Rev. U. S. Sherrill officiated over the services, at Oklahoma Lane Methodist Church.

Mr. and Mrs. G. W. Dyer are in Midland visiting a daughter and family, the M. D. Rutherford. They left here Sunday.

A large portion of the hardware stock was purchased from C. R. Elliott Company in Bovina.

Henson has been in Farwell two weeks. He and his wife have two boys: Jerry, 14; and Ronny, 8. They are living in the rental house of Mrs. Roy Ezell.

Both Mrs. Henson and Mrs. McDonald will help with clerking duties in the store.

Robert Berggren Wins Football Quiz

Robert Berggren, although picking Bovina over Petersburg and Mississippi State over Texas Tech, won last week's "pick the winner" football contest. He gets \$4 in trade at John's Farm Supply Store.

Other winners include Fred Roberts, second—\$4 in trade at The Tribune; Neal Smith, third—\$2 in trade at Esquire Cleaners; and Mozelle Moore, fourth—\$2 in trade at Paul Jones Service Station.

This is the final week for the contest.

Ellison To Be Dist. 2 Delegate

Aubrey Ellison, president of the Parmer County Farm Bureau, will represent Dist. II this week at Mineral Wells during the meeting of resolutions committee members. This group will forward policy to the state convention.

The first directors' meeting of the new FB officers was held in Bovina this week. Members discussed the recent cotton meeting in Lubbock, and talked the compromise allotment program (determining allotments on the basis of either a 3-year average or the top year in three).

The delegation to the state convention will go unrepresented.

BACK WITH DEER

Joe Helton, Ralph Humble, and Scott Levins Jr. returned home recently, all with a deer. They were deer hunting west of Monticello, Utah.

Texico Businessman Dies in Hale Center

Funeral services for J. C. Moore, owner and operator of Jim's Cafe, Texico, were scheduled for 2 o'clock yesterday (Wednesday) afternoon at the Hale Center Methodist Church with burial in Hale Center cemetery. Woods Funeral Home of Plainview was in charge of arrangements.

Moore, 55, passed away at the Hale Center hospital Sunday at 1:05. He had been taken there for treatment of his asthmatic condition, but a heart attack was believed to be the cause of death. He had been in failing health for the past year.

The Moores had operated Jim's Cafe in Texico for about eight years with the exception of the first six months of 1953, when the business was leased because of Moore's health. Since expiration of the lease, Mrs. Moore has operated the business. The family formerly lived in Hale Center.

Survivors include his wife, Mrs. Ola Moore; two daughters, Mrs. Bob Drace of Abernathy and Mrs. Buck Burns of the Navy; one son Jimmy, of the home, of the immediate family. He is also survived by two grandchildren, and several brothers and sisters.

Legion Sets Turkey Shoot For Nov. 15

Legion members met in the hall Monday night for a called session on the coming annual turkey shoot, and to start work on the indoor target range.

The shoot was scheduled for Nov. 15, and as has been the custom, will be held in the caliche pit north of Texico school. The winners choice of either a ham or turkey will be offered at the conclusion of each round. Another new feature this year will be the permission of "sighting in" practice—for a fee.

The legion hopes to have its indoor small-bore target range set up this weekend, and will sponsor shooting matches with .22 caliber rifles and pistols.

IN HOSPITAL

Rev. Dewey Horton, pastor of the Farwell Baptist Church is in the West-Texas Hospital in Amarillo after having a tooth pulled which became infected. He is reported to be much improved.

Rev. Leonard Watkins was in the pulpit for both morning and evening services.

Drouth Committee Invited to Parley With Two Senators

The drouth committees of Parmer and four other High Plains counties have been singled out to meet with two members of the senate agricultural committee Saturday.

The legislators are Sen. Clinton Anderson of New Mexico and Sen. Andrew F. Schoepel of Kansas who will stop in Amarillo Saturday morning, accompanied by several high department of agriculture employees, and continue to Clovis for a meeting at 4 p. m., Texas time.

A. F. Phillips Jr., chairman of the Parmer drouth committee, said this morning (Thursday) that the meeting will be held in the district courtroom, and that the Parmer group in all probability would be on hand.

The purpose of the solons' visit to this part of the country is to sound out "grass roots" ideas on matters relating to the drouth, the cattle market, and associated agricultural subjects. What Sens. Anderson and Schoepel learn here may have influence on what the committee will recommend for drouth relief and stabilization of the cattle industry.

It has been stressed that the meeting is public, and although only the drouth committees have "engraved" invitations, a public audience from High Plains farmers and ranchers will be sought.

Members of the Parmer committee include Phillips, farmer; Joe Jones, county agent; G. D. Anderson, banker; Walter Johnson, FHA; and Jack Woltman, cattleman.

★ PLEASE, NO MORE DUMPLINS, HE SAYS

Ray Mears is finding that the life of a garbage collector isn't any bed of roses. He agreed to collect trash and garbage in Texico and Farwell with the stipulation that the two would be separated.

Now, he finds, cooperation isn't so hot. Instead of separating the trash from the wet garbage, Ray says housewives are taking an apparent delight in blending the two.

"I picked up one load of cans that had chicken and dumplings poured all over it," he says. "That wasn't much fun, and it's going to have to stop if I'm expected to continue my service."

The Farwell Sanitation Department was having its own trouble. Some wise guy had flushed a big hunk of cheddar cheese down the drain and plugged one of the city's sewer lines.

Billy Jo Doshier Killed in Crash

Mr. and Mrs. Frank Doshier Sr. received word Thursday, that their nephew, Billy Jo Doshier, 24 years old, of Friona, had been killed in a pickup crash, eight miles east of Amarillo.

He had been to Amarillo to get repairs for the Massey Pump Co., where he was employed.

Funeral services will be held at the First Baptist church in Littlefield, Thursday at 2 o'clock.

Billy Jo is survived by his wife, Louise and small son, Terry, age two. Mr. and Mrs. Frank Doshier Sr. and daughter, Shirley, Mr. and Mrs. Jimmy McGuire, Mr. and Mrs. Harold Harlow of Clovis, Mr. and Mrs. Frank Doshier Jr. and Mr. and Mrs. Dick Doshier, and Mr. and Mrs. Ronald Anderson are planning to attend the funeral rites.

Mr. and Mrs. Warlick Thomas have been visiting his mother, Mrs. Ethel Thomas. They left to go to Missouri where he will enter the service.

DOWNTOWN PARADE, FOOTBALL GAME PLANNED ARMISTICE DAY

Armistice Day will go off in a colorful and meaningful fashion in Texico-Farwell Saturday. When the Legion will sponsor a downtown parade and pre-game flag raising at Farwell football field.

Bands from Bovina, Texico, and Farwell will march in the parade that will begin in Texico and extend to the football field, where an

SCHOOL DISTRICT ELECTION IS IMPORTANT MATTER

(AN EDITORIAL)

Needless to say, this Saturday, Nov. 7, will be a day of decision for the taxpayers of the Bovina School District. They scarcely have a choice but to dig down and provide for their children a replacement for the school which was consumed by fire two months ago.

There are wide differences of opinion on just how much money to spend for the rebuilding, however. The bond election calls for the endorsement or refusal of a sum of \$750,000 for that purpose. If accepted, it will be a heavy investment for the district. If turned down, valuable time will be lost, much to the consternation of the school board, which has labored steadily since the night of the fire.

It would be ridiculous for The Tribune to assume a position either pro or con concerning this matter, for in reality it is none of our business.

But we make it our business to inform the voter on what issues he faces, and we have done so as comprehensively as possible. Read the news story on this page. Turn to the second section and read what individuals on both sides of the fence have to say in paid-for space. Then vote according to your decision.

RECEIVES HER CROWN

King Robbie Foster crowns Agnes Meissner Queen of Farwell Schools following the carnival Saturday night. The coronation was the climax of a hotly-contested race for the royal throne.

Cotton, Grain Crops Soak in Fields

Parmer County farmers, with millions of dollars worth of cotton and grain in the field, are still waiting for wet weather to let up so they can resume harvesting.

Thursday morning, a heavy fog and drizzle again set in, typical of the way the weather has been for some time.

For wheat pasture, it's just the thing, but for men with fall crops, things are getting pretty rough.

If it would dry out for a few days in succession, harvest would get underway in earnest. Meanwhile, as one Oklahoma Lane farmer says: "Looks like I'll have to run my cotton through Ma's wringer before I take it to the gin."

Rundell To Give Away Large Doll

Knowing how much the little girls like big dolls, Cecil Rundell, local 66 retailer, announces that he will give away a 20-inch-tall doll as an advertising feature.

Customers interested in making themselves eligible to win the realistic toy should see him for details. It is Rundell's plan to award the doll sometime before Christmas—in December.

Destructive Pranks Here Halloween

Persons with a perverted sense of "fun" caused damage in at least two instances in Farwell Halloween night. A car parked near the school during the carnival was doused with fuel oil, and since its windows were open, the upholstery was damaged.

Elsewhere, a residence received the same treatment, and its owners reported a fire hazard for several hours until the thoughtlessly-applied mess could be cleaned up.

Agnes Meissner Is Queen of High School

Agnes Meissner and Robbie Foster took the spotlight at the Farwell Halloween carnival Saturday night, when they were made king and queen of the annual carnival. Over \$1000 was taken in.

All high school groups sponsored a candidate, and members worked for their selection. The junior class won.

Back round for the coronation was vari-colored flowers on white, with blue as the supporting color to represent the school colors, blue and white. The thrones were covered with aluminum foil.

Princes and princesses participating included Rita Joy Gregory and John Herington, freshmen; Betty Hubbell and Truitt Hardage, sophomores; and Peggy Woodson and Wayne Morris, seniors. Dukes and duchesses were Mary Ann Walls and Larry Cooper; Dixie Turner and James Norton; Peggy Hardage and Lavon Jones; and Mary Joyce Rolland and Vane Doshier.

Crown bearer was little Steve Foster and flower girls were Sandra Rundell and Barbara White. Train bearers were Sherry Austin and Dwayne Billingsley and gift bearer was Mark Hopkins.

Farwell school board will meet Monday night, officials announce.

THE TRIBUNE'S EDITORIAL COMMENT

Postal Subsidy Argument Just Doesn't Stack Up

When Dad tans Junior's little hide for climbing into the pantry to sneak a bite of cake between meals, and then later is discovered by his son as he smuggles out a slab of chocolate goodness at 5:30 p. m., somehow the whipping doesn't have the effect for which it was intended.

Ipsa facto, it occurs to us that newspapers and magazines are punching themselves in the nose when they harangue about the tremendous taxes which the nation must bear, and the disgraceful national debt.

Second class mailers are getting a subsidy somewhere around a billion dollars yearly. All these privileged patrons, to be sure are not newspapers.

But it occurs to us that if newspapers are the enlightened servant of the American public that they pretend to be, they should be the first to publicly wash their laundry of government assistance.

A popular daily High Plains newspaper recently printed the following:

"The policy of subsidizing the distribution of literature has grown up with the postal service. The entire structure of modern publishing is grounded in this philosophy. Any radical change would result in fantastic complications".

They then go to some length to explain that if the newspapers and periodicals were not subsidized for mailing, the cost of subscriptions be impaired, advertising revenue was down and so on.

Hogwash it just doesn't add up. The boys with the slide rules don't look at the other side. Think of the increased buying power the American taxpayer would have if he didn't have to shell out nearly a billion bucks. And all the taxes paid to subsidizing mailing never reach the beneficiaries, you may be sure of that. Uncle Sam is the "middle man" and he enjoys a pretty high standard of living.

The newspapers have been great ones to accuse the postal department of antiquated methods of business. Okay, let's get up to date Mr. Summerfield, with realistic approach to mailing rates.

Anytime you think you can do a better job running this newspaper, stop in and talk it over with us. You're probably right.

New Oilseed Crop Bears Looking Into

Meteorologist tell us that this part of the world is getting hotter and dryer with each succeeding year. There are periods of wet years, and periods of dry years, but the cycle seems to indicate a very distinct trend toward less moisture per year.

Farmers of this area will be the first to admit that in the last twenty-five years it has become increasingly evident that there is not enough rainfall in "normal" years to raise very profitable crops—unless special preparation is made, such as irrigation contour farming, deep plowing, chiseling, and what-not.

The introduction of new oil seed crop that seems particularly well adapted to our dry climate is sesame. Ever hear of it? It's the world's oldest oil seed crop, so it isn't very accurate to call it "new". But it's new to this continent.

Ali Baba and his forty thieves knew the pplant. Remember their password, "Open Sesame"? Sesame was growing in the Nile valley when Pharoah's daughter found Moses in the rushes. The plant used as food in India and China about 1000 B. C.

Oil from the sesame seed is used in the manufacture of many essential products such as paints, drugs, insecticides, soaps, cooking oils, margarine, and shortenings. The whole seed is used extensively in making candies, cookies and bread, and cake left after oil extraction is an excellent protein feed for livestock.

Sesame is well adapted to the climate and soils of Texas. It thrives under high temperatures and droughty conditions. There is a waiting market for sesame. It now brings around 15 cents per pound. Farmers may expect around 800 pounds of seed per acre. If you are interested, stop by the Parmer County SCS office for additional details.

Did you know taxes were going to increase next year? Read a good daily newspaper. Keep informed of the world. Then read The Tribune for local interpretation.

We should strive to be as independent of government as possible. That was the way of the founding fathers. They built a strong nation. What is being done now?

about it all—we think he might be afraid we will learn that maybe he can cook, after all. We feel that we wives should know about the talents our husbands might possess—and up to now, we haven't had any reason to believe that cooking is one of Sonny's.

We missed the mixmaster from our kitchen and were informed that it was used to make waffles, and we do know that he left the house at five o'clock Tuesday morning, so the meal could be served at 6:30. Of course, there was Wilfred Quickel, John Getz and the preacher to work too.

We understand there was some difficulty when the sausage shrank to marble size, and the waffles were put in the oven to be warm and the syrup wouldn't pour from the bucket. And they lost a fork in the big batch of beaten eggs that they say they never did find. How was the breakfast, fellows?

Rosa Roberts is a proud and dotin' grandmother, and Little Bill, her only grandchild, is living up to her expectations. She announced to us only last week that not only does he have a tooth, he has three. That's quite a record, and since he is just about the same age as

our Ronny, we ran home to investigate our offspring's gum structure and found no swelling, no tooth, and no indication of one, but how we love that toothless grin!

We were then bemoaning our son's toothlessness to Alta Sheets whose son, Gene, is only one day younger than Ronny. He wasn't producing either, but the next day we saw her, and Gene was sporting his first tooth. Oh well all the baby books tell us that children vary in all these things, and Liz Phillips says her Cindy was over a year old before she evidenced any dental work.

But the best record we've heard was by a relative of Mrs. Ben Smart, whose youngster was born sporting a tooth.

This is one for the girls. Are you unmarried, between the ages of 19 and 25 and born in a cotton growing state? If so, you might be eligible for the 1954 Maid of Cotton contest. Qualifications of the contestants include: be at least 5' 5" tall, in good health, photogenic, be willing and able to meet people, be able to make an international tour beginning in January and lasting until August, be willing to travel by air.

The Maid of Cotton receives no financial remuneration except that her expenses are paid for the tour. She is given a Ford convertible, and other gifts such as luggage.

South Plains Maid of Cotton contest is to be November 23 in Lubbock High school auditorium. A parade is scheduled in downtown Lubbock that morning. The winner will then be contestant in National Finals in Memphis, Tenn.

If any of you know of a girl who would make a good candidate for such a contest, we have the entry blanks and would be more than glad to give you one. Entries must be in by November 15.

Girls are judged on poise, personality and background, as well as appearance.

FARM BUREAU TO MEET

Texco Farm Bureau will meet in regular session Monday night in the school lunchroom at 8 o'clock. The meeting will be presided over by Olan Schlueter, local chairman. Minutes of the last meeting will be read by Barney Harding. A business meeting will follow. Refreshments will be served.

Home for the weekend from Texas Tech in Lubbock was Ted Magness, son of the Joe Magnesses.

Bobby Poteet of Texas A&M in College Station was here over the weekend.

Howard Leavell spent a few days last week in Tucumcari working for Mansell Cranfill.

Mr. and Mrs. Paul Clark of Almagordo, New Mexico visited in the J. H. Leavell home Sunday.

Mr. and Mrs. Joe Crane of Clovis had supper in the J. H. Leavell home Saturday night.

"Prima Facie" means "on first appearance".

Juniors Win Over Whitharral, 13-0

Farwell junior high boys topped Whitharral 13-0 Saturday afternoon on the home field. Douglas Hillock made a touchdown on an end run; while Tommy Lovelace made a six-pointer on a reverse.

They have two more games this season, November 5, with Bovina at Bovina, and November 12 will close the season with Lazbuddie at 2:30 on the home field. The football queen will be crowned at this game.

Coach Jobes states that he has a good team this year considering the fact that he had all new boys.

YWA Plans Supper At El Monterrey

YWA of the First Btptist church met at the church Wednesday, for their regular business meeting. In this meeting they decided to have a Dutch Luck Spanish Supper, November 11 at the El Monterrey. All prospective members and members are to come. They will meet at the church between 7:30 and 8 o'clock.

We had the nicest spook on Halloween night — one that can come calling at our house most any time. When we got home Saturday night our visiting goblin had left a big cut of venison in our freezer. That is quite a contrast to the usual Halloween visitors.

After a telephone call the next morning, we found who the ghost was, Johnnie Williams, who had just returned from the hunt. And his wife promised us that she will give us her best recipe for preparing the meat, who could ask for more?

Remember when bath towels

were just plain ordinary items that one included in the household for practical uses! Not any more—they are used in home fashions and are an integral part of the bathroom decorating scheme. And we, as well as many others, have found pretty towels make exceptionally nice curtains for the bath.

You can buy towels of most any design—in stripes, checks and even tweedy shades.

The best thing about towels used as curtains is that they absorb the dampness without growing limp and are so easy to launder, no ironing gither.

Men hold three times as many church offices as women, but the women do twice as much of the church work.

These facts were found in a study of 412 farm families in six southeastern states.

Nearly all the families said they had "grace at meals". Practically none have family prayers morn-

ing or evening. Nearly all said they read the Bible "regularly", but few could recall the last time they read it.

Eighty-four per cent of the men belonged to a church and 92 per cent of the women.

Their soil conservation practices and their standard of living improved in the same proportion as their church attendance. Their religion made of them better farmers and better parents.

This survey, entitled "The Church and the Land", was made by the Rural Department of Drew Seminary, Madison, New Jersey, and is being sent to farmers on request.

The study shows the relation between good farming and family religion.

We would appreciate any comment any of the men who attended the Methodist men's breakfast recently might have to make. Our husband was one of the chefs, and he has very little to say

English II Holds Debate

"May minors be permitted to quit school?" was the subject discussed in a debate held by the English II class recently.

On the affirmative side were: Sue Doolittle, Connie Bakkerud, and Allen Kelley, while the negative side was represented by Anita Tharp, Sue Reid, and Bessie Vaught.

Acting as chairman for this debate was Leon Doolittle. The class made a vote by secret ballot in which the affirmative side won. A good point for the affirmative side was made when they said, "Abe Lincoln quit school and there have been few greater men."

In another debate, the question, "Are Examinations in High School Beneficial?" was argued. On the affirmative side were: Mary Harriman, D'Tanis Caldwell, and Leon McDaniel. Representing the negative side were: W. E. Harvey, Rex Harris, Lester McDaniel. Chairman of the debate was John Peterson. The affirmative side won this debate also.

"Goodbye, Hollywood" Planned for Nov. 13

Texico seniors will present "Goodbye, Hollywood", their annual play November 13, in the high school auditorium at 8 o'clock. The production is a three-act comedy by Ruth and Nathan Hale. Given below is a short synopsis.

Make way for the Kelton family! They've joined the big rush; are located in sunny California and very much intent upon crashing the movies. Their crash may not get them in the movies, but it gets the audience in a laughing mood. The Keltons are bent on suc-

ceeding, Papa Kelton, Marvin Walton, is employed as milkman while awaiting his big break—so far, it's only been milk bottles.

Mama Kelton, Phyllis Tucker, is an aspiring playwright with ideas, ambition, and three effervescent daughters.

Daughters are Beatrice, Madge Richardson, who was cut out for the movies, but apparently cut out wrong; Lindy, another daughter, Aloma Palmateer, the little one of the family—who finally succeeds in getting the whole family practically booted out of their tired apartment (the last in town); the eldest daughter, Julie, Roxie Henson, the only really sensible one of the whole crop.

Other characters are: Eloise, Catherine Bell; Mr. Peekin, J. B. Taylor; Mr. Beammer, Kenneth Allred; Mr. MacDouglie, Jimmy Moss; Mrs. MacDouglie, Wayne Hagler; Miss Mennen, Ruby Hopkins; Gertie, Bobby Richardson; Kenny Leroy, Darral Harris; Emil, Carlton Kyle; Bill, Paul Crooks; Pollynkoff, Mel Bakkerud; and Mr. Bounce, Walter Curd.

FILL-INS BY PHYLLIS

Well everyone is just about in routine again after our teachers were gone to teacher's meeting.

We wish to express our thanks to everyone for coming out and supporting our F. F. A. boys in their recent barbeque.

NOTICE: Senior play has been postponed until November 13.

We are sorry that Carlton Kyle is out with a broken arm, and we wish him a speedy recovery. Everyone really misses him.

More Fill-ins next time from yours truly, Phyllis

How Can I Help Prevent Fires

by Frances Harriman

I can help prevent fires by putting out matches before throwing them away. I should always put out my camp fires when I am on a trip. I should never strike a match by any sort of gasoline.

I should always put out cigarettes before throwing them down. I will never throw down a cigarette or match in a forest. I should not throw down a match or cigarette in dry grass or hay.

I must not throw paper near a burning fire or let anything get near a campfire. When I am burning dry grass or weeds, I should not let fire spread when I am burning grass or weeds.

When I am shooting fire crackers, I should be sure that my match is out before throwing it down. I should never carry matches in my pocket because they might strike. I should not leave matches where smaller children can reach them.

I should never play with an iron cord or any kind of electrical cords.

This theme will teach me never to play with matches and be more conscious of fire hazards.

by Jerry King

I can help prevent fires by studying my own habits because a majority of the fires are caused by carelessness.

Although the loss of fire in the United States is gradually being reduced by the construction of fire proof buildings and other protective measures, fires still cause 250 million dollars worth of damage and brings death to ten thousand persons a year.

To prevent fires the following rules should be followed:

Matches: Always strike a match away from you; always put them out.

Keep all pipes and flues in good repair and free from soot. Do not let stoves, furnaces or pipes become red hot.

Smoking: Never let anyone throw away lighted cigars or cigarettes; PUT THEM OUT. Do not allow smoking in a garage, or in a car when the gas tank is being filled. Keep a watch on careless smokers!

A meter is 3.37 inches longer than a yard.

WMU Has Good Turn Out

Farwell WMU met at the church Monday in regular session. Eva Branscum gave the opening prayer.

In the business meeting, Mrs. Bill Liles resigned as program chairman; Audie McManigal was elected. The program was on Bible study, led by Dickie Magness.

The group accepted an invitation from Texico WMU to a meeting Nov. 5. They will have a special speaker from the Portales orphan's home who will teach the WMU manual. All are urged to attend.

Next week's meeting is postponed due to the district meeting. The Royal Service program will be Nov. 16.

Present were Mesdames Beulah Williams, Eva Branscum, Beulah McWilliams, Letha Jo Roberts, Audie McManigal, J. C. Banks, Gladys Hromas, Viola Rundell, Blackie Williams, Estellene Billington, G. M. Dial, Dickie Magness, Fern Hardage, and Carry Hardage.

CARD OF THANKS

A. L. Tandy wishes to thank all his nice friends and neighbors for all the kindness, flowers, the pretty cards and the visits, during his stay in the Clovis Memorial hospital. God bless everyone.

ESA Has Formal, Attends District

Miss Jo Ann Williams was given her pledge pin for Theta Rho chapter of ESA in an impressive formal ceremony Thursday evening at the Westerner in Clovis. Gladys Kaltwasser, president of the group, directed the ceremony.

Previous to the initiation, ESA members were served a dinner of shrimp cocktail, soup, charcoal broiled steak, baked potatoes, peas, salad, rolls, coffee and sherbert. Decorations included a Halloween centerpiece, depicting a black cat sitting amid a bouquet of fall flowers, and arranged in a pumpkin. A flat arrangement featured the words, ESA, spelled out in yellow flowers in a background of white flowers. Favors were ESA matches and gold wristlets inscribed with "ESA".

Attending were Margie Crooks, Jeanne Graham, Dardanella Helton, Gladys Kaltwasser, Wilma Limer, Dorothy Quicquel, Iris Thornton, Nell Walling, Sylvia Watkins, Maxine Williams, and Jo Ann Williams.

Sunday afternoon a district meeting of the organization was held in Portales at the Cal Boykin hotel. Chapters were represented from the hostess group, Farwell, Clovis, Artesia, and Hobbs. The state president of ESA was special guest, and Nell Walling of this city was district director and presided over the session.

A buffet turkey dinner was served, with relishes, coffee, rolls, and dessert to about 50 attendants. Following the dinner, a short business meeting was on the agenda and women then discussed individual chapter activities.

Attending from Farwell were Jeanne Graham, Dardanella Helton, Wilma Limer, Dorothy Quicquel, Nell Walling and Jo Ann Williams.

A business session is planned Monday night in the home of Jeanne Graham. Time is 8 o'clock.

Bovina People To Legion Zone Meet

Lee Hopingardner and Mable Newberry represented the Bovina Legion Post at Hereford zone meeting recently. Jim Halberton of Vega, zone commander was in charge.

Jim Bates of Dimmitt was accompanied by boys and girls from Dimmitt who presented the program, and Rhea Smith of Amarillo discussed membership and urged posts to get their quotas. Smith also asked that more publicity be given on the zone meetings.

Seventy-four Legionnaires and Auxiliary members were present, and the hostess group served pie and coffee.

Next meeting is in Vega Tuesday night, and the Auxiliary ladies will serve turkey dinner to all at 7:30.

TO MARRY BOVINA BOY

Mr. and Mrs. Foy Balley, Rt. 3, Clovis, announce the engagement and approaching marriage of their daughter, Virginia, to Thomas Rhodes Jr., son of Mr. and Mrs. T. E. Rhodes of Bovina. The young couple will repeat wedding vows Thursday, Nov. 25, Thanksgiving day. Scene of the wedding will be the home of the bride's parents.

Uncle Tom Prepares Luscious Dinner

Uncle Tom Randol was host to a dinner last Tuesday for Mr. and Mrs. Frank Curry, long time friends and pioneers of this community. Uncle Tom visits in their home quite often.

Mrs. Curry quips about the two men "I enjoy their visits, but wish they would get some new yarns, I've heard the old ones so many times".

Uncle Tom, who is past 80, prepared all the dinner himself except a blackberry cobbler, made by his daughter, Mrs. Russell Johnson. Menu included roast beef, brown gravy, creamed potatoes, sliced tomatoes, baked sweet potatoes with jacket, fresh cabbage with bacon, blackberry cobbler, rolls, butter and coffee. The Johnsons also attended the dinner.

After the meal, the group went riding to see all the new buildings in the twin cities, and discussed the changes of the past 50 years. They then looked at Uncle Tom's picture collection, and had some amusing incidents recalled. Curry and Uncle Tom both served on the old Locust Grove school board many years ago.

Mr. and Mrs. R. C. Ross of Morton visited in the B. N. Graham home Sunday.

CARD OF THANKS

The E. A. Hromases Return from Trip

Mr. and Mrs. E. A. Hromas returned last week from an extended trip to south Texas and to see their daughters in Ft. Worth. Mrs. Hromas visited friends and relatives in El Campo and Houston where she lived fifty-one years ago. Her old home in Houston, which was out in open spaces, still stands; but is now surrounded by progress for many miles.

They drove down to Brownsville and passed through Mission while President Eisenhower was visiting Governor Shivers at Sharyland. Mrs. Hromas said she still prefers the Panhandle of Texas, that has been home for thirty-four years.

Mr. and Mrs. Joe McWilliams and Mr. and Mrs. Sterlyn Billington were in Amarillo Sunday visiting Rev. Dewey Horton who is in the hospital there.

NEWS FROM THE FARM BUREAU

By RAYMOND EULER

Cynthia Bell, our office secretary and her husband, Bill, left Sunday for Michigan where they will attend to business and spend Christmas with her parents before returning to Friona. Consequently, Tuesday mornings there will be no one in the Friona office, while the service agent is in Farwell.

Next week the office will be vacant until about Thursday or Friday while the state convention is being held. Bill Hannold has agreed to assist with any emergency that may arise.

Parmer County Farm Bureau has grown and gained in prestige and influence in the last three years. Part of this growth, of course, came quite naturally for an organization that offered something to its members and then began to make the offer good. At the same time, however, Bruce Parr became president and entered into the duties of office with a determination to see if such an organization could serve the farmers' needs.

This spirit of determination resulted in a net increase of 325 memberships at the close of the first drive under his leadership. Since that time, membership has shown a marked increase each year.

No one, except those closely associated with the projects on which he worked, knows how many hours he gave, and how many miles he drove to discharge his responsibility to the membership.

METHODIST CHURCH NOTES

The evening service at 7:30 p. m. will feature a Singers' separation service led by B. A. Rogers and the youth choir. The pastor's subject will be, "Are You Detached?"

The Sunday Hour is 10 A. M. Loyde Brewer is general superintendent.

The Senior and Junior-Intermediate Methodist Youth Fellowships will meet at 6:30 p. m.

The Wesleyan Guild Service will meet at 7:45 p. m. Wednesday, November 11th. Mrs. Jim Moss will be hostess. Mrs. John Armstrong will be the leader.

The choir will hold the regular weekly rehearsal at the church at 7:30 p. m. Wednesday, November 11th.

The regular men's breakfast will be served at the church Thursday, November 12th at 6:45 a. m. The cooks will be Buck Gregory, Claude McShan, and O. W. Pair.

The WSCS will sponsor a "Birthday party" at the church Thursday, November 12th. The sponsors will be Mesdames W. H. Graham, W. N. Foster, Albert Thomas, and Gilbert Watkins.

Farwell Girls Play Scrimmage Games

The "A" and "B" girls basketball teams went to Muleshoe recently to scrimmage the Muleshoe teams. The "B" team played first in a low scoring, but very close game. The final score was Muleshoe 17, and Farwell 11.

The A team also had a low scoring and hard fought game. They were tied almost all of the game until the last three minutes when Darlene Sprawls made a free shot and took the ball outside. Sprawls topped the teams with 13 points and Jean Montgomery of Muleshoe was next with 12.

Playing on the "A" team this year will be, Darlene Sprawls, Carolyn Huffaker, Glenna Ruth Davis, Gloria Dial, at forward positions and Ysleta Brown, JoAnne Cochran, Mary Pair, Betty Lovvorn, and Barbara Christian at guard.

Lions Have 11 Present

Texico-Farwell Lions met at the Legion hall last week. Two films were presented for the program, one on Pigeon Holes and Progress, (mail service) and the other on Fire.

The only business transacted was plans for the coming Negro Minstrel.

Mr. and Mrs. Orville London of Amarillo, were here Saturday visiting in the home of Mrs. Jess Newton.

Saturday Poppy Day In Texico-Farwell

Saturday is Poppy Day, and members of the local American Legion Auxiliary will canvass Texico-Farwell in an effort to raise money to be used for rehabilitation of veterans and their families.

Poppy Day is always the Saturday before Armistice and the tiny red flowers sold by the Auxiliary are made by disabled Veterans, who make their living in this manner. Workers Saturday will include Gladys Kaltwasser, Dardanelle Helton and Julia Symcox.

"When you are asked to buy a poppy, we hope you will make as large a contribution as possible to help those who need help," says Dorothy Quickel, reporter of the group.

Next meeting will be Nov. 16, when members will plan the Thanksgiving supper for the Legion and Auxiliary.

Has "42" Get Together

A forty-two get together was held in the Charles McDaniel home Saturday night. The group enjoyed an evening of playing forty-two.

Refreshments of pumpkin pie, cake, coffee, and pop were served to Mr. and Mrs. Levi Reid, Mr. and Mrs. Jerry Paul, Mr. and Mrs. Olan Schuler, Mr. and Mrs. James Gilleen, Mr. and Mrs. Eddie Hudson, Mr. and Mrs. Barney Harding, Mr. and Mrs. Clyde McDaniel, Joyce Gilleen, Sue Reid, Mary Beulah, and Hazel McDaniel, Don, Jerry, Bill and Kenneth Reid, Lester, Earl, and Leon McDaniel, Jane

Paul, Roy McDaniel, Vera Mae Hudson, and the host and hostess Mr. and Mrs. Charles McDaniel.

NAME JURY OF VIEW

Commissioners' Court last week approved a road petition of Pearl Hand and others for a road in the east part of the county. A jury of view was appointed, composed of Edward Massey, Fred Barker, D. G. Hand, A. S. Grubbs, and Otho Whitefield.

ONE BLANKET PLENTY SINCE I HOOK UP WITH REDDY!

In the old days, it took three or four blankets to keep the Chief warm when the wintry winds began to blow across the reservation. But, now that he's "wired for winter", with one electric blanket, he finds that one does the job—even better than a big pile of old-fashioned blankets did.

You, too, can enjoy complete winter-time sleeping comfort with one blanket—electric, of course. And don't forget, they come with dual controls, so that each sleeper can have the comfort setting desired.

Fifth Graders Lose Pet Fish

Class members have enjoyed having guppy fish in their room, but tragedy struck them and only one is left.

Students of the fifth grade enjoyed making Halloween masks from paper plates and other materials and drawing Halloween pictures.

Ninety five percent of the students made one hundred in spelling this week.

Buddy Spears reports his grandmother is ill.

Third Grade Prepares For Halloween

Halloween decoration are everywhere! Witches, bats, owls, cats, and Jack-o-lanterns are scattered here and there over the third grade room.

"Free hand drawing is the most fun!" say the boys and girls. They each made a scene of Halloween, picturing four pumpkins in a row, a bold scarecrow, a black cat hiding by a tree, a witch which is really spooky looking, a campfire and a bright moon.

Fourth Grade Welcomes New Pupil

The fourth grade boys and girls welcome another new pupil this week. He is Johnny Taylor, son of Mr. and Mrs. Carl Taylor. He is from Tucumcari, New Mexico.

The fourth grade has an enrollment of thirty-eight, sixteen boys and twenty-two girls. We are very proud of each of them," says Mrs. Patterson, fourth grade teacher.

First Grade Reports News

The boys and girls are enjoying the book, "The Big Show."

Practice on the number words is still in progress, with most of the class ready for new work.

Last weeks most popular poem was "Rain" by Stevenson. The class had their physical education in the gym for the first time. They liked the games they played there.

GENERAL ASSEMBLY HELD

General assembly was presented recently by the band and chorus in the new combination gym and auditorium.

Several numbers were played by the band with majorettes, Catherine Bell, Doris Harriman, Susan Levins, Madge Richardson, and Barbara Templeman, performing.

Next on the agenda were numbers from the choral group. Rex Harris sang the solo part of "Battle Hymn of Republic" with the chorus forming the background.

Doris Harriman, a freshman rendered a solo, "If You Want Some Lovin' Just Let Me know", while another freshman, Susan Levins sang, "Can't Help Lovin' that Man". "Lucky Old Sun" was presented as a solo by J. B. Taylor, a senior.

Boy's quartet, Darrel Harris, Marvin Pendergrass, J. B. Taylor, and Rex Harris sang, "Swing Low Sweet Chariot", while the girls' quartet, Susan Levins, Catherine Bell, Bobbye Richardson, and Madge Richardson rendered, "Put Me in Your Pocket".

One of the highlights of the assembly was, "How Much Is That Doggie in the Window", a trio by Kathy White, Patsy Rogers, and Gwenette Lovett, first grade students.

At this time the softball teams were also recognized for taking

SENIOR PERSONALITY

In the news again is Catherine Bell, chosen senior of the week.

Catherine is a very busy person, she takes part in all school activities. Some of her activities are reporter of student council, vice president of the press club, reporter and librarian of band, president of chorus, and a member of business education and F. H. A. clubs. Among the special honors coming to Catherine was being chosen candidate for Wolverine beauty and Drum majorette for the past three years. A salesmanship trophy will be awarded her in the near future for selling the most magazines in the first week of the sale.

She is enrolled in American government, Typing II, band, chorus, annual, and journalism. Catherine stated, "I like band best because I like any kind of music."

Basketball is Catherine's favorite sport, but she takes part in all others.

She is the daughter of Mr. and Mrs. A. B. Bell of Texico.

FFA BARBECUE SUCCESSFUL

"It was a success", sponsor Cecil Dykes says of the FFA barbecue, which was held Tuesday night.

Entertainment was provided throughout the evening by a western band, the Rhythm Wranglers. They presented a wide variety of songs.

Approximately 300 people attended the barbecue, and the boys made about \$100.

SENIOR PICTURES MADE

Senior class pictures were made last week at Sullivan's Studio in Clovis. After having their pictures made in street clothes, they enjoyed a picnic lunch together at Hillcrest Park.

Then returning in the afternoon to the studio, they had cap and gown pictures made. The proofs have been received and orders have been sent in.

Girls' Basketball Season Begins

Basketball began Monday for the senior girls with only six lettermen back for the opening season. Nine more girls are coming out also.

The lettermen include: Roxie Henson, Aloma Palmateer, Phyllis Tucker, Katherine Curd, Shirley Stover and Wanda Griffin.

Going out as forwards are: Phyllis Tucker, Aloma Palmateer, Shirley Stover, Ruth Winkles, Sue Reid, and D'Tanis Caldwell. Filling the guard shoes include: Roxie Henson, Nadine Thornton, Sue Doolittle, Katherine Curd, Wanda Griffin, Bessie Vaught, Naomi Hapke, Anita Tharp, Connie Bakkerud, and Bobbye Richardson.

Coach Frederick states "This group of girls need improving and will improve a great deal before their first game which will be played with Ranchvale at Ranchvale, November 20."

New suits are going to be distributed to 12 of these girls.

Bobbye Richardson is to be manager.

LIBRARY REARRANGED

The library is being rearranged under the direction of Mrs. Agrie Jones. Magazines which were ordered for the library are arriving.

A complete new set of real books consisting of the following titles: Horses, Andrew Jackson, Abraham Lincoln, Baseball, Ben Franklin, Language Etiquette, General Eisenhower, and Bugs and Insects have been purchased for the library.

three seconds and one first place in the Curry County Softball Tournament recently.

21 Boys Out For Basketball

With grim determination and a winning spirit, twenty-one senior boys are out to make the basketball team this season.

Six lettermen are back to help the team pace victory: Jimmy L. Moss, Kenneth Doolittle, Kenneth Allred, J. B. Taylor, and Paul Crooks.

Coach Charles Stockton, with the assistance of Curtis Miller, will be in charge of this group of boys.

Others going out for this sport include: Robert Wylie, Roy Harvey Snodgrass, Jimmy Don Moss, Marvin Walton, Mel Bakkerud, Darrell Smith, Johnny Peterson, Kenneth Reid, Allen Lockhart, Jerry Johnson, Rex Harris, Bob Spears, Marvin Pendergrass, Leon McDaniel, Allen Kelly and Walter Curd.

Large Number Out for Jr. Girls' Basketball

Monday, the junior girls had a large number coming out for basketball, in which they are expected to have a winning team.

Those participating in this sport are: Susan Levins, Barbara Caldwell, Sandra Hall, Garlene Seale, Fay Autrey, Joyce Gillean, Doris Harriman, Verlene Thigpen, Geneva Harriman, Karen Brehm, Carolyn Curd, Gloria Johnson, Lillian, Pichardo, Betty Crawley, Melba Doshier, Mikala Faville, Lynell Lovett, Sue Stover, Mary Pichardo and Audrey Hapke.

Coaching this group is Paul Frederick.

Bettye Pendergrass is the manager.

Teachers Attend State Meeting

Sixteen faculty members of Texico school attended State Teacher's Convention in Albuquerque October 28-31.

The students were really thrilled to get out of school for five whole days, and of course the teachers enjoyed it too.

Others making the trip were Leroy Faville and daughter Mikala, and N. W. Peyton and daughters.

Ronny Dial of Eastern New Mexico University in Portales was here over the weekend to visit his parents, the Murray Dials.

EDITORIAL GOOD MANNERS ARE NEEDED
by Patricia Morgan

Good manners should be practiced in the school lunchroom just as they are at home.

One of the most obvious of bad manners in the lunchroom is that of pushing. You won't get to eat any quicker by pushing. This only makes the lunchroom workers nervous, and perhaps slows down their work.

Would you throw things at each other across the table at home? More than likely you wouldn't, so why do you do it at school? Other people must eat too, so students should eat quickly and make room for others, not delay by fighting across the table.

Another thing which shows poor manners is yelling and talking noisily in the lunchroom. Think of other people. Do you like to eat with someone yelling across the room to someone else? If not, then why do you do it yourself? Just remember the Golden Rule, Do unto others as you would have them do unto you.

It seems that the grade school children have better lunchroom manners than high school students do. Rarely are they seen pushing, or heard yelling in the lunchroom. They don't throw things at one another across the table. The majority of them are very nice-mannered.

What would visitors to our school think of the manners of our students? Would your manners cast a poor reflection on the school? If so, a change is needed. Good manners are another essential factor of school life.

Business Ed Group Discusses Dinner

The Business Education club met Wednesday afternoon to discuss a dinner meeting they will have in the Silver Grill Green room. They will have a guest speaker.

They also discussed a Christmas party and carolling plans. Names were exchanged for Christmas gifts.

Other work projects for the year were discussed.

Annual Staff Gets New Members

The annual staff received two new members, one a senior, Catherine Bell, and a junior, Pat Morgan.

Mrs. Fred Danforth, sponsor, said, "The girls have done good work and I am sure they will keep it up."

A few pages of the annual will be sent to the News Photo Publishing Company at San Angelo, Texas soon.

Band To March at Homecoming Parade

Texico Band is to march in the homecoming parade which is to be November 7, at Portales. They also plan to perform in the half time festivities at the football game between ENMU and Kansas State.

Another enjoyable feature which all the band members like is the free barbecue served on the campus during the noon hour.

Marie Turner of Wichita and Fred Kaiser have been guest of their sister, Mrs. Harry Jesko.

Curry County Farm Bureau Has Meeting

Curry County Farm Bureau met in the Clovis Armory for the annual meeting Saturday. Several speakers were heard throughout the day, and free barbecue lunch was served. Dr. Herbert E. Stotts, professor at Liff School of Theology of Denver, Colo. gave the main address on the value of farm bureau and the work it is doing.

In the business meeting, about 20 resolutions were passed. Present officials, including Luther Pearce, vice chairman, were all re-elected to their positions for the coming year. In the fair board meeting, Luther Pearce, Buddy Pearce, Olau Schlueter, Harry Donahey, J. M. White, B. A. Kelly, D. J. Brown, Hugh Tucker, and Jim Grisham.

Attending from Texico were Mr. and Mrs. Barney Harding, Mr. and Mrs. Bill Matthews, Mr. and Mrs. Roger Grissom, Sue Reid, Jim Harding, Mr. and Mrs. James Gillian and Joyce, Mr. and Mrs. Albert Magerus, Mrs. W. H. McDaniel, Mrs. Clyde McDaniel and children, Mr. and Mrs. Luther Pearce, Orval Francis, Mr. and Mrs. John Hadley Jr. and family and J. R. Hadley.

Good Turnout In District Brotherhood

Sixteen men from the Texico Baptist church attended the District brotherhood rally meeting Monday night in Clovis. They report a good supper and fellowship.

Those attending were Rev. C. C. Morgan, Tommy Morgan, Frank Seale, S. G. Billington, Ray Tadlock, Ansel Doolittle, O. S. Allred, Luther Pearce, Buddy Pearce, Olau Schlueter, Harry Donahey, J. M. White, B. A. Kelly, D. J. Brown, Hugh Tucker, and Jim Grisham.

Johnnie Williams, M. A. Snider, Junior Snider, Alvin Mace, Buddy Jones, Bert Shackelford, of Friona, Bill Sherley, and M. Barger from Ft. Worth have returned from a deer hunt in Colorado. They brought back their quota of deer.

Rejuvenated Steers Come Back in Last Quarter to Whip Friona Chiefs 20-14

Fans rooting for Friona and Farwell really got their money's worth Friday night here when the Steers upset the Friona Chiefs 20-14. The Chiefs, as most people in this part of the country remember, shattered Bovina's unblemished season record three weeks ago.

For that reason, they were supposed to have taken Farwell, in spite of the fact that Friona had gone winless up until then. Farwell was crushed 27-0 by Bovina two weeks ago.

Petersburg is now the team to beat in Dist. 3-B, as they have gone undefeated in conference play.

In Friday night's game, Farwell fans were apprehensive of the outcome when the visitors led 7-0 at halftime and pushed their lead to 14-0 in the third quarter.

The red-shirted Chiefs were relying almost altogether on ground plays. Their power was too much for the light and inexperienced Farwell line, and most line plays carried into the Steer secondary before they could be stopped.

Late in the third quarter, Farwell caught on fire with its passing game. The Steers gained the Friona 14-yard line because of a pass interference penalty, and two plays later Don Geries plunged through the line from the 2. Eddie Smith's kick was no good.

Behind 14-6 as the fourth quarter started, Farwell still had a long way to go. Things brightened up as the Steer defense stiffened, and when Farwell got possession, Geries was off around right end for a 57-yard run to the Friona 18. A pass from Gene Hardage to Smith moved the ball to the 1, and Hardage scored the next play. Geries ran over the point after.

Farwell again capitalized on a chance to score when James Norton recovered a Friona fumble on the Chief 44. Hardage swept to the 12 from a right tackle smash, and then passed to Smith for the winning touchdown. Hardage also

ran over the extra point.

Friona's chance to tie or beat Farwell was rubbed out by a clipping penalty late in the last quarter which called back a touchdown play. Dixon had walked the chalk line for 17 yards. Desperate passing characterized the Friona offense in the fading minutes. Once, a touchdown pass seemed imminent when Truitt Hardage deflected the ball from his secondary position. The Chief receiver was behind him and in the clear.

Glenn Reeve was the spearhead of the Friona attack Friday night. He rolled up 115 yards and both touchdowns on the ground, mostly through the line. Once, he got loose for 46 yards. Virgil Phipps, backfield teammate, accumulated 60 yards including one 25-yarder.

Geries had a total of 98 yards, including his 57-yard ramble. Hardage garnered 71 yards on the ground, and one pass good for 6.

The difference between the two teams was shown in the rushing and aerial statistics. Farwell had 183 on the ground, compared with Friona's 282. However, passing was a different story: Farwell 180, Friona, 20.

Both teams received several crucial penalties, including the one for clipping which cost the Chiefs a TD. The Steers were assessed 75 yards, 45 of these in the fourth quarter when they needed them badly. Friona's penalties totaled 45 yards for the game.

NOTICE FARMERS

LET US CONVERT YOUR TRACTOR TO BUTANE AT A SPECIAL LOW PRICE!

During the month of November only, Consumers will convert your gasoline tractor to butane fuel at a COST PRICE.

Why waste money with your old-fashioned gasoline tractor? Convert to Butane and you'll NEVER want another gasoline-powered tractor! Now is the time of the year to get this work done. Be ready to go when you need your tractor. This is one way to offset increasingly high costs of production for the farmer.

NOTICE

Because of the low prices, this conversion will be done on a CASH basis only.

Friona Consumers

FRIONA, TEXAS

CHECK THESE REASONS

WHY BUTANE GAS WILL SAVE YOU TIME AND MONEY:

1. The average price of gasoline is approximately twice the price of butane per gallon. You get just as much work done on a gallon of butane as you do on a gallon of gas. The difference in price will pay for your conversion job in one year.
2. You save on oil because you don't change so often. Butane has no carbon and your oil stays clean.
3. Since Butane is a cleaner fuel with no carbon, your engine stays clean, and there is less wear.
4. There are no open tanks or barrels. You do not lose fuel due to evaporation as you do with gasoline.
5. Butane tractor tanks are easy to fill. With larger tanks, you have less stops and lose less time.
6. No tax refund to worry about, since there is no tax. This alone is enough to cause many to change to butane.
7. We guarantee a streamlined installation, placing tank where it is no more noticeable than the gasoline tank.
8. Most farmers can fill tractors from present house or irrigation well tank, eliminating additional storage.

Mustangs Lose To Petersburg

The Bovina Mustangs lost their conference game on Friday night against the Petersburg Buffaloes, by a close margin of 13-6. The game was important and with the loss the Mustangs probably lost their chance for the conference title. They now have two defeats in conference play and Petersburg is undefeated.

Bovina kicked to the Buffaloes, to get the game underway and the Buffaloes returned it ten yards to their own 30-yard line for their initial try at a first and ten. They made a first on two downs up to the Bovina 49. On their next try they failed to pick up a first down with a 15 yard penalty for off-side on Bovina moving the ball up and down the field. They finally kicked on the fourth down with a nice punt going into the end zone for an automatic first and ten for Bovina on their own 20.

Bovina picked up a first down to their own 31 on two plays and then picked up nine yards on a nice run by Neal Smith. On their try to push it another yard for another first down, they fumbled in the backfield and Petersburg recovered on the Bovina 35.

Petersburg took over and after racking up two first downs, Calvin Gustin ran around end for eight yards, and the first tally of the game. They failed to convert and led 6-0.

On the kickoff, the Mustang backfield men huddled around the ball on the ten yard line and when they broke out of the huddle, Read was carrying the ball, and he returned it to the 30 before he was dropped. On a couple of plunges through the line the Mustangs picked up five yards and then on a nice pass going from Read to Owens they went to the Petersburg 32-yard-line. Rogers then made a nice run taking the ball to around the 10 yard line. It looked like the Mustangs were going all the way, but their push was stopped inside the ten yard line and they lost the ball on downs.

On third down, the Buffaloes got away a nice quick kick that caught the Mustangs off guard, and the ball went all the way to the Mustang 40 where they had first and ten as the quarter ended.

The Mustangs started another drive as the second quarter began,

picking up three first downs and pushing down to the Petersburg 28 yard line where they again fumbled with the Buffs recovering on their own 27. The Buffaloes drove down the field scoring three first downs, and then they fumbled with Bovina recovering on their own 11. They couldn't pick up enough yardage and were forced to punt on fourth down. Petersburg took over on their 30-yard-line, and they picked up one first down before they bogged down and had to punt on fourth down.

The Mustangs had a first down on their own 24. On the first play Darrell Read faked back faking a pass and then he picked up his interference and ran all the way for 76 yards and paydirt to tie up the game 6-6. The kick was no good and the half ended with the score tied.

There was no scoring during the third period with Bovina making four first downs and pushing down around the Buffs 25 yard line. Petersburg picked up seven first downs, and pushed as far as the Bovina five where they lost the ball on a fumble. Petersburg had a first and ten on the Bovina 45 as the last period got underway. They continued to push with Jackie Young carrying the ball over from the four yard line with the winning touchdown. Young also ran over for the extra point and the Buffaloes led 13-6. Petersburg threatened to score during the last period when they had a first and goal within the ten yard line but lost the ball on downs. Bovina never made another scoring threat.

This was the last home game of the season for the Mustangs. They will close their season with a non-conference tilt with Farwell on Armistice day.

TO MEET MONDAY

The Bovina PTA will meet Monday night in the school cafeteria at 8:00 p. m. A very interesting program is planned with a review of the book "Children are People" by Emily Post to be given by Mrs. W. H. Willoughby. Everyone is urged to be present for this meeting.

Visiting in the Lloyd Killough home on Sunday were two of his sisters and their families, the E. S. Townsends of Cisco, the Walt Belknaps of Dimmitt, also Miss Lanell Curtis of Dimmitt.

Donna Smith Crowned Queen

The annual Halloween carnival held on Saturday night was quite successful this year with numerous booths, bingo and food stands. There was a good crowd and they took in a total of \$494.00. After the expenses are paid, the remainder will be used to buy school equipment.

The climax of the carnival was the crowning of the Carnival Queen. Honored this year was Donna Smith of the senior class who was escorted by Ted Walling. The throne was placed at one end of the gymnasium and was beautifully covered in royal silver sparkle. The queen and her attendants entered from one side and the King and the escorts from the other side. They met in the center and walked down the white carpeted aisle to the throne. Recorded music provided the background for the lovely coronation.

Queen Donna was crowned with a royal purple velvet crown encrusted with pearls by King Ted Walling and presented with a beautiful bouquet of fall flowers. Attendants to the queen and their escorts were: Dyalitha Bradshaw and Edmund Hobby of the Junior class; Janie Alverson and Bobby Calaway of the Sophomore class; Joyce Whitfield and Denny Ware of the freshman class; Sandra Martin and Julius Bradshaw of the eighth grade; Janice Richards and Billy Burnam of the seventh grade.

Little Jimmy Redden and Sandra Patterson of the first grade were the crown bearer and flower girl. The crown was carried on a purple satin pillow decorated with pearls.

Following the coronation pictures were made of the entire royal court and of the king and queen.

Let's Keep the Record Straight

It is being talked in a general way that I am opposed to the School Bond Issue which will be voted on Saturday, November 7th.

I just want to say to any or all who might be concerned that I have never criticized the Bond Issue in any manner except to say that I hoped the School Board would not be influenced to over-economize the building program to the extent that it would be necessary to leave out some of the vital services that our school can offer.

I want to commend all members of our school board in their diligence while making the survey of our school needs and at the same time giving serious consideration to the taxpayers, and we must remember that they, too, will be paying taxes.

Our School Board is made up of good sound-thinking men who have sacrificed an awful lot of their valuable time in meeting after meeting in an effort to work out the best possible school program for our community. So, naturally I would feel like an ungrateful penny-pinching heel if I failed to cooperate with their profound interests in our community.

We pay thousands of dollars into the Income Tax program, most of which is spent for equipment to defend, destroy, and kill, and only hundreds of dollars in local funds for Churches, Schools, and the training of our youth.

Yours for the best possible School for the Bovina Community.

O. W. RHINEHART

Here is Seoul, Korea, the City of Blood. Will Seoul be the last terrible tribute to man's lust for war? Pictured here as U. N. Troops enter, she is beautiful but "it is the beginning of the end for Seoul." Today she is a city of devastation! Houses and land and humanity, children and women and men... stunted, starved and spiritless, huddled in masses of helplessness. That is what we must see when we look at Seoul today. War is no solution. We fail when war takes the place of discussion and prayer and concession and adjustment. May History claim Seoul as the Front Line of Defense for God.

Let no man glorify war. It becomes more terrible as weapons make it more destructive. May God forgive a world that could find no better way! Destruction, famine, suffering, sorrow, rapine, hatred, degradation are found in Korea. Homes and schools and churches are gone and thousands of innocent and helpless people. Let's pray divine mercy on men who can find no better way. Drop a tear of penitence for the part you had in this terrible destruction. May God richly reward those who suffered most. May the miracle of Grace give our sons and speed the day of understanding and goodwill. . . . A-men.

Mrs. Bultemier Visits Here

Mrs. Tillie Bultemier from Deshler, Nebraska arrived here last Tuesday, to visit friends and relatives. Mrs. Bultemier is a sister-in-law of Mrs. Clara Sachs. Since she lived here a number of years ago, she renewed her friendship with many old friends and also met new ones. Mrs. Bultemier has been caring for an invalid sister at Deshler. She was enroute to her home at Mission, Texas where she plans to spend the winter.

Mr. and Mrs. Jack Patterson,

BUY NOW FOR CHRISTMAS!

You probably don't realize it, but Christmas is just a few short weeks away (seven, to be exact). As always, furniture is a wonderful buy this year for Christmas shoppers. What is more durable, more lasting, more enjoyable than a fine piece of furniture?

Nothing, of course! The Furniture Mart Stores, in Texico-Farwell and Clovis, are still selling BETTER FURNITURE AT LOWER PRICES than anyone else in the country. To boot, we like to trade. YOU CAN'T GET MORE FOR YOUR MONEY ELSEWHERE.

MORE BOVINA
(Continued from page 2)
Hunters From Bovina Are Numerous

Billy Ray Horton and Robert Hopingardner returned home from deer hunting in Colo. on Thursday night. Robert had a little luck bringing home one deer, but Billy Ray failed to score a kill.

Tom Griffith and Lawrence Dorsey were two more from Bovina who were in Colo. deer hunting. They each brought home one deer with Tom getting an eight point buck. The other deer hunting party from Bovina didn't have much luck. Reagan, D. C., Howard Looney, Bill Bradshaw and Aubrey Brock were among the hunters who were snowed in. They were snowed in for about seven days, and they didn't get to hunt until they got back down to lower elevations. They only brought home one deer with D. C. Looney killing it.

Ellen Berry Named Queen

Miss Ellen Berry, daughter of Mr. and Mrs. E. C. Berry, was crowned football queen at half-time ceremonies on Friday night at the Petersburg-Bovina game. Miss Berry is a freshman in high school.

Miss Berry was escorted by the football co-captains, Leon Ware and Eddie Gale Steelman. She was crowned with a football helmet.

Attendants for the queen were Lavonda Carter, escorted by Huey Lowrie; Irene Jones, escorted by Larry Ezell; Dorothy Jones, escorted by Jerry Rogers; and Joyce Whitfield escorted by Darrell Read. Each of the girls was given a corsage from the football boys.

METHODIST CHURCH NOTES

Saturday Morning Breakfast
At 6 a. m. Saturday morning the men of the Church will have a breakfast at the church. J. T. Hammonds, president of Methodist Men, stated: "We are planning for Methodist Men to be one of the most effective organizations in our church, and we hope to have enough men registered to have our Charter Night presentation within the next month or two. We believe that Methodist Men is an organization that will provide spiritual guidance for our church."

Rev. J. T. Bunts, minister of the Trinity Methodist Church in Clovis, will be speaker for Saturday's breakfast. The men serving the breakfast are: Jimmy Charles, M. E. Ezell, W. E. Williams and Durwood Bell.

Worship Services
Sunday morning at 9:45, we will have Sunday school, and will still be trying to keep a high attendance average. Last month we broke our all time record with an average of 154 at Sunday school, and last Sunday our attendance went up to 158. The church School staff is hard at work studying and preparing weekly lessons for guidance of the members of the church.

Rev. Walter G. White's morning worship sermon topic this Sunday is "Peace is The State of Mind — And Not The Affairs of State", his Sunday evening topic, "The Unknown Disciple."

The Young people in charge of morning MYF devotionals are: for seniors, Pauline Lloyd; Intermediate, Neil Smith. Sunday evening MYF will be led by Leon Richards, Denny Ware, and Julia Kelso.

Has Monthly Social
Monday evening the Friendship Class met at the home of Mr. and Mrs. Oral Kunselman Jr. for their monthly social. The class planned their Christmas activities, both for the class and others. For themselves, the class planned a Christmas dinner to be held at the church on their regular meeting night in December, and for others they planned to go carolling as well as to prepare to dispense gift boxes to the aged. Mrs. Kunselman and Mrs. Margaret Charles kept the group entertained with provoking games. After games, refreshments were served. Those attending besides those already mentioned were: Mr. and Mrs. Durwood Bell, Mr. and Mrs. Bill Whitesides, Mr. and Mrs. Oral Kunselman, Miss Rita Caldwell, Rev. and Mrs. W. G. White, Keith Frost, A. E. Hammonds and Mrs. R. G. Morgan of Plainview.

Class Has Covered Dish Luncheon

The Dorcas Sunday School class of the Baptist church enjoyed a lovely covered dish luncheon on Thursday, in the home of Mrs. H. L. Tidenberg. Hostesses for the social were Mesdames Tidenberg, Piercecon Adams, Jess Walling and Frank Truitt.

Fall arrangements of chrysanthemums were used to decorate the home of Mrs. Tidenberg and following the delicious luncheon, Mrs. Piercecon Adams brought the devotional. They closed with their business meeting.

Those present were Mesdames H. D. Bradshaw, Sam Sides, F. O. Turner, Reagan Looney, Amos Steelman, Lester Rhinehart, E. H. Moody, Ernest Sandel, A. P. Hobdy, N. L. Wilson, Troy Fuller, M. D. Durham, A. M. Martin, Willie Smith, Roy Hawkins, and the hostesses.

BAPTIST CHURCH NEWS

This week is R. A. Focus Week. The counsellors are planning a breakfast for all the R. A. chapters in the church next Sunday morning. Also the boys will be used in the service in the choir in ushering and some testimonies. Mrs. H. D. Bradshaw, Mrs. P. A. Adams and A. L. Glasscock and P. A. Adams will have charge of the arrangements.

The finance committee has recommended that next Sunday's plate offering go into the building fund. They are trying to raise as much money as possible to continue the construction of the new building. The foundation has been laid, the plumbing installed and the floor poured; the frame work will be started this week.

The Spring revival has been set for the date of March 3 through 14 of 1954. Rev. George Ray, pastor, First Baptist Church Dimmitt, Tex. will be the guest preacher.

Last Sunday's attendance report was Sunday school, 179, Morning Worship, 218, Training Union, 109, Evening Worship, 152.

A cordial welcome awaits you at the Bovina Baptist Church.

Witch Serves Punch At Brownie Party

A wonderful time was had by Browne Troop 3 on Friday night, as they met in the home of Mrs. M. D. Durham for their annual Halloween party. Witches, cats, bats and pumpkins were scattered about, a miniature witch on the coffee table and a large pumpkin dominated the candlelit room. Each guest was greeted with an icy handshake as she arrived.

After games were played, the little girls were frightened at moans and groans coming from the back room. As each girl investigated the noise, she found a real witch stirring a pot of punch. The witch served refreshments of sandwiches, Brownies, ears and Brownies' teeth, cookies, moon punch. She talked to the girls after unmasking, the girls found her to be Mrs. Pricer. The witch accompanied one group of the Brownies as they made a few calls and presented gifts of fruits and magazines to the homes they visited.

Those attending were Christine Wassom, Sherri Langer, Kay Looney, Charlene Sheril, Betty Mae Stephens, Janice Leake, Sherry Bookless, Marvalynne Durham, Janet Gooch, Dianna Henson, Jacqueline Perkins, and a visitor, Fay Pricer, Mrs. J. W. Gooch, and Mrs. Clifford Leake, leaders and the hostesses, Mrs. Durham, Mrs. Henson and the witch, Mrs. Pricer.

The Brownies would like to thank Mrs. Rhodes, Mrs. Durham, Pricer and Mrs. Henson, the troop committee for making the party possible and Mrs. Pricer for being such a realistic witch.

Brownies Have Spook Party

Troop 1 of the Brownies enjoyed a Halloween party on Wednesday afternoon during their regular meeting time at the Methodist Church. The group enjoyed playing games, with Joyce Marshall winning a prize for bursting a balloon the fastest and Elaine Fuller and Mae Ellen Whitfield won prizes for pinning the nose on the jack-o-lantern.

After the games, the troop committee members, Mesdames Troy Fuller, Billy Marshall and A. L. Kerby, served cookies and punch to the children.

They also received Halloween noise makers as favors.

Those attending the party were Paula Kay Kerby, Joyce Marshall, Shirley Ann Joplin, Mae Ellen Whitfield, Elizabeth Drager, Joyce Burnett, Dixie Hartzog, Donna Sudderth, Patricia Patterson, Viva-leigh Steelman, Karen Sue Weems, Barbara Hillock, Gail Hillock, Gail Sherril, Elaine Fuller and one guest, Billy Marshall. Leaders present were Mrs. Fred Langer and Mr. Billy Ray Horton.

Sunday School Visits Synagogue

Saturday, the Junior Sunday school class of the Methodist Church was taken to Lubbock to visit the Jewish Synagogue. There were ten Juniors who made the trip, and they were taken by their teacher, Mrs. Vernon Estes, and Mrs. Bedford Caldwell.

Doctor Phillipsborn, the Rabbi, told them about the Torah and they also learned about some Jewish festivals and the mezuzah. The Torah is the Jewish Bible containing the first five books of the Bible as we know it. Hebrew is read from right to left instead of left to right. The synagogue was very beautiful and looked like any modern church on the inside and out.

They also learned about the kit the Jews send to their servicemen. It contains a Jewish prayer book written in Hebrew and other supplies.

After the group had visited the Synagogue they went to a cafe for lunch and then a short shopping tour before returning to Bovina.

Mrs. R. W. Smith and Mrs. E. A. Meals of Vallejo, California are here visiting with their parents, the R. A. Kelly's and their sister and family, the Odis Whites. On Sunday they went to Earth to visit with their brother and family, the Lester Kellys.

The Ellisons Become Grandparents

Mr. and Mrs. J. R. Ellison became the proud parents of a son on Saturday, Oct. 31 at the Clovis Memorial Hospital. The little boy weighed eight pounds and eight ounces, and has been named Charles Aubra after his two grandfathers. This is the first child for the couple.

Grandparents of the new arrival are Mr. and Mrs. Charles Quinn of Farmington, N. M. and Mr. and Mrs. Aubra Ellison of Bovina. The proud new grandmother, Mrs. Ellison, said on Monday that he was really cute and didn't even resemble a spook, even if he did arrive on Halloween.

Health Is Subject Of Women's Program

Health is the subject of the program for Bovina Women's Study club November 12, under the leadership of Mrs. David Carson.

Mrs. A. L. Glasscock will reveal that "Mental Illness is No Longer Hopeless" and Mrs. Rouel Barron will talk about "Mental Health Begins at Home". "Psychiatrists Are Needed in Our Schools" is the subject of Mrs. A. B. Wilkinson.

Hostesses for the meeting are Mesdames Buck Ellison, and Lloyd Battey.

There will be a football game between the Farwell and Bovina Junior high school teams on Thursday night in Bovina. Game time will be 7:30. The girls basketball team will go to Sudan on Friday night for a pair of practice games.

Visits Here

Mr. and Mrs. Roscoe Frederick and their two sons, George and Roscoe Jr., visited several days last week with his two sisters and their families, the Allen Cumpstons and the Al Kerbys. On Friday they went to Rosedale to visit with their parents, Mr. and Mrs. Walter Potts. On Saturday, Mr. and Mrs. Frederick and Mrs. Al Kerby went to Albuquerque, to attend the homecoming parade and football game at the University of New Mexico.

Mr. and Mrs. Harold Combs and children of Clovis visited Sunday with his parents the J. O. Combs. They are going to move to Amarillo to make their home very soon. Their daughter, Gwen, remained for a day or two to visit her grandparents.

HOW WILL YOU VOTE ON THE THREE-QUARTER MILLION DOLLAR MORTGAGE ON YOUR HOMES AND FARMS IN THE BOVINA SCHOOL DISTRICT?

A disastrous fire destroyed our schoolhouse in September. We are now confronted with a serious problem of rebuilding. We invite study and thought by all taxpaying voters since on November 7 we are asked to vote for or against a gigantic, (and we think ruinous), bond issue of \$750,000.00. We think the District's taxpayers in giving mature judgment to this question will vote NO on November 7, for one or more of the following reasons:

1. With a bonded debt of nearly \$150,000 now outstanding, BOVINA SCHOOL DISTRICT IS UNABLE TO ISSUE ANOTHER \$750,000.00 IN BONDS, since that would make the total mortgage against the District almost \$900,000.00, which is more than one-fourth (25%) of the total assessed valuation of all property in the District as reflected by the 1953 tax roll.
2. These bonds, IF APPROVED WOULD NOT FINALLY MATURE UNTIL 1988. 35 YEARS IS FAR TOO LONG A PERIOD FOR US TO MORTGAGE OUR PROPERTY.
3. We are told the \$750,000.00 will build a SCHOOL PLANT WHICH WILL PROVIDE FOR TWO-THIRDS (66 2-3%) MORE ROOM THAN IS NOW NEEDED. This drastic plan of overbuilding in view of the District's present condition is ridiculous and unthinkable.
4. TO PROVIDE AN AUDITORIUM TO SEAT AROUND 900 IS OUT OF THE QUESTION.
5. A CAFETERIA LARGE ENOUGH TO ACCOMMODATE 300 STUDENTS IS UNREASONABLE.

Other schools serve lunches at different periods.

We taxpaying patrons of the Bovina School District fully realize the importance of a sound reconstruction program—one that will afford the classroom space we need today, with reasonable expansion. This unreasonable bond issue of \$750,000.00 if approved would close the door on any other needed building in the District for the next 35 years. In rejecting this outlandish \$750,000.00 bond issue, we would willingly support a reasonable bond issue, say of around \$300,000, which amount, together with the \$90,000 recovered by the School in insurance adjustment, would make available almost \$400,000 which surely will build and equip a good school plant, especially since we already have a new gym, home ec cottage and bus barns, untouched by the fire.

We have made some comparison of the two suggested plans of financing the rebuilding of our school, and invite your particular attention to the righthand column which shows the difference or saving to taxpayers, between the \$300,000 plan against the \$750,000 school board plan:

	School Board	Taxpayers	Saving to Taxpayers
	\$750,000	\$300,000	
Probable interest rate on bonds	4 1/2 %	3 3/4 %	
Final payment on proposed bonds....1988—35 yrs.		1973—20 yrs.	
Probable tot. interest cost \$	815,625	\$132,712	\$ 682,913
Probable overall cost of bonds,			
Principal and interest....\$1,565,625		\$432,712	\$1,132,913
Estimated Tax Valuation Required to finance bonds	\$11,000,000	\$6,900,000	
Present Valuation Approximately....	\$3,500,000		
Valuation Increase Necessary to sell bonds.....	\$ 7,500,000	\$3,400,000	

The \$300,000 Taxpayers' plan outlined above will require the present total tax valuations to be practically doubled, which is certainly drastic enough, while the \$750,000 plan which we have been asked to approve or reject would call for our assessments to be more than tripled. In other words, property assessed at say \$1,000 for 1953 would have to be raised to \$3,150 if these bonds are approved.

Payment on our present debt runs around \$10,000 per year. If this huge issue of \$750,000 is approved and sold, **our annual payment for debt will then exceed \$50,000 or more than 5 times the amount we now pay.** In other words, we would then be paying just about as much for this debt each year as was collected on our entire tax roll for 1952 for all purposes, including teachers' salaries, transportation, maintenance, and upkeep of buildings, capital outlay and payment on our present debt. This is something the District **cannot** afford.

One further comment about the expansion program as set up by the School Board; that is in providing two-thirds (66 2-3%) more room in building as proposed than is reasonably required with today's enrollment: We think it would be like a homesteader confronted with the problem of building a house with borrowed money, and rather than building six rooms as needed for his family, constructing a ten-room house. This is poor business for a family, and is equally poor business for the School.

REMEMBER—More than 85% of the tax burden in the Bovina School District is placed on local property—our homes and farms.

REMEMBER—Cotton acreage allotment has been drastically reduced for 1954.

REMEMBER—We are obligated solely to our children. Certainly we are not obligated to an architect, contractor, or bond salesman to build a monument to his memory by this excessive and unreasonable thirty-five-year mortgage plan.

Let's Vote NO on November 7.

At Least In West Texas . . .

Betty Tally, quizzing her Baptist Sunday School class on Biblical knowledge, asked the youngsters, "What happened to the man that built his house on the sand?"

Promptly one child replied, "It washed away," to which there was a chorus of denials, as the High Plains kids put it concisely, "It BLEW away!"

Hear that the Ralph Millers and Nelson Welches made a trip to the New Mexico mountain area near Cowles, not to long ago to close up Creste del Norte, locally-owned lodge which serves as a summer-time retreat for a number of residents. From the snap in the air Monday morning, they timed their trip pretty close to winter.

The Hayden Casons recently installed a new automatic washing machine at their home, and Hayden reports they're having trouble.

Hayden gathers up his and son Wayne's clothes, tosses them in and at that point figures he's done his "half" of the chore. Trouble comes when wife Mary Lou declines to cooperate by accepting her half to be the removal of the clothes from the washer and hanging them on the line.

Mr. and Mrs. Otis Jones of Tucumcari spent the weekend with Mr. and Mrs. Duane Wylly.

Carol and Mary Hadley visited Saturday night with Lugene and Judy Guinn.

Mr. and Mrs. Paul Cantrell of White Deer, visited her brother E. R. Day, Thursday.

Brother Otis T. Jones of Tucumcari, preached at the Church of Christ in Friona Sunday.

Mrs. Gene Quinn and Larry were shoppers in Clovis, Monday.

LETTERS TO THE EDITOR

Letters to the editor.

Dear Mrs. Graham, We enjoy the paper very much, although there have been many changes, many old names missing and many, many new ones.

It seems strange to read of the "little kids" when I was there, being married and having families of their own. Thanks for changing our address.

IS FERTILIZER WORTH THE INVESTMENT?

Don't take our word for it—listen to what a fellow has to say who has actually tried it! This is the farm of Mac Bainum, located south of Summerfield in the far eastern edge of Parmer County. Mac contracted this summer with Maurer Fertilizer to apply 80 pounds of Anhydrous Ammonia per acre.

The kafir field in the picture is a 6000-pound-per-acre crop, Mac reports. He also says that he imagines the yield would have been between 3500 and 4000 pounds without the use of fertilizer. It cost Mac \$8 an acre to fertilize this year. He realized from 200 to 2500 pounds more per acre because of it. Figure out the gain for yourself. As Mac says, "If we keep making big grain crops like these, we've got to put something back into the soil."
