

The wife is a great cook and often loves to dish us up big servings of ham, pancakes, eggs, and all the trimmings for breakfast (when we can get her out of bed). Sunday was an exception, however, and as we rose to greet another day and prepare for it, we spied a bright colored box sitting on the breakfast table. This, we warned ourselves, was to be breakfast. True enough, the box was full of cereal intended for our early morning pleasure. Something that caught our notice and caused us considerable enjoyment (not to mention the delectable crunchiness of the product as we munched along) was what was printed on the sides of the container.

The product: Wheat Chex, made by Ralston Purina. We managed to subdue the sensation that we were sitting eating chicken food (Ralston Purina is the famous "Checkerboard" feed manufacturer) and noticed a compelling line printed on the box, "Look, Ma, No Premiums!" This, we thought to ourselves, catching a glimmer of what a historic mark in the advertising age we had just stumbled across, is going to be something. We have no idea whose brainstorm the advertising copy was, but we thought it pretty terrific.

See if you don't agree:

In this box you'll find no trading cards, space ships, fission guns. Nothing that rips, roars, or rolls, goes sh-boom or even ptttt.

No venetian poison rings, slave bracelets, car jacks or pictures of Yosemite.

If you want gadgets instead of gastronomics, your local Five and Ten will gladly help you. We take pride in bringing you the yummiest ready-to-eat cereal you can buy. Why should you be bribed to eat it?

That, we thought, was pretty sharp. But a "quiz" on the reverse side of the box was just about as subtle. It was entitled, "Is Your Husband a Grownp?"

1. Does he always compare your cooking with his mother's? (Bad sign of childishness, particularly if mom's always there to support him. However, Wheat Chex require no cooking and will taste just as good as if mother opened the box.)

2. Does he read comic magazines? (If he reads comic magazines, don't worry. If he reads horror comics, you should be terrified. However, the ability to read anything is encouraging.)

3. Does he take money out of your purse? (If Pop picks your purse, it's a serious indication of immaturity. However, it may be he simply needs a bigger allowance.)

4. Does he use baby talk? (If you're his "itty bitty sweetums" it's okay. However, if he talks that way to all women, better keep him in his playpen.)

This unveils a new age in advertising, we guess. Anyway, we vote for Wheat Chex.

### Fire Destroys Shop, Motor At Lazbuddie

Wyle Bullock had the misfortune of losing his shop by fire Thursday morning, January 17. Two neighbors, Gene Briggs and Billy Hunt, were working on their pickup truck when the fire started. Gasoline was being used for cleaning parts when it suddenly caught fire from a heater.

The shop was immediately engulfed in flames. The fire department from Earth came to fight the flames, but were late in arrival and hampered by the lack of water.

The shop building and all the equipment were lost, with the exception of one welder. Also lost was the pickup truck motor, belonging to the Hunts. Both young men were burned about the legs. Gene suffered the more serious burns, but was not hospitalized.

### GOC Meeting Is Tonight, At 7:30

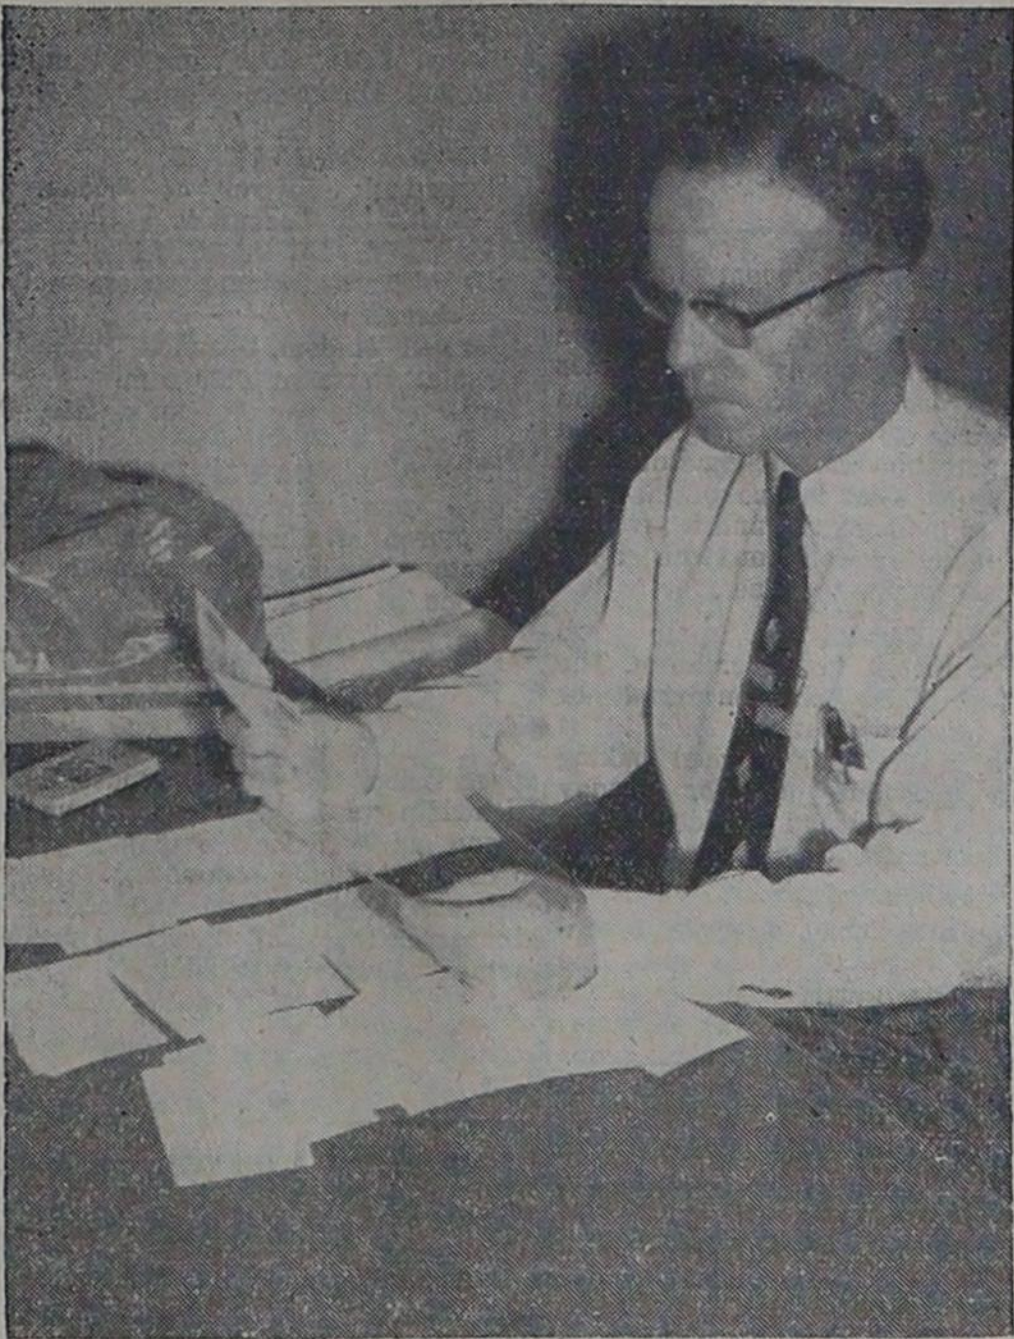

Regular meeting of the Texico-Farwell Ground Observers Corps is tonight at the City Hall, getting underway at 7:30. All interested parties are asked to be present.

Members are also reminded of the practice alert scheduled for the Southwest area, including Texas, Oklahoma, New Mexico, and Colorado, on Sunday, January 27, from 2 to 5 p.m.

The alert was originally scheduled for last Sunday but was called off by Oklahoma City officials.

### FINED FOR DRUNKENNESS

Abelino Duran, Muleshoe, was arrested early Sunday morning in Farwell and charged with drunkenness. He appeared before Walter Loveless, justice of peace at Friona, Monday morning and was fined \$25 and court costs. He was picked up by Frank Smith, Parmer County deputy.

"IT'S LOOKING GOOD—But many more are needed," says Jess Landrum as he looks over the cards received from the survey on the proposed swimming pool project for Texico-Farwell. "I am disappointed in not having received more replies to the cards mailed, but highly gratified by the wholehearted support of those who did take time to vote." Landrum hopes to have a complete plan and more definite information on the project in the next few weeks.

## Susan Levins Off to New York Sunday

Miss Susan Levins and her mother, Mrs. Ira S. Levins, plan to leave from Amarillo by plane Sunday night for New York City where Susan is to audition for an appearance on the Ted Mack Original Amateur Show.

The audition is set for Tuesday, January 29, and if Susan makes it, she will probably appear on the Ted Mack Show the following Sunday night, which is February 2.

Auditioning for this show is the award presented Susan for being the winner of the Amarillo Jaycee's "Search for talent" promotion which started back in September. Candidates for the contests, which were held through November 10, appeared Saturday nights on the J. Sissom Show over KFDD-TV, Amarillo.

Winners of these weekly shows were selected by write-in votes, and Susan was a guest artist on the program several times after she had won a berth for herself in

### Final Rites For R. N. L. Clark

R. N. L. Clark died at his home southwest of Texico on Wednesday, January 16.

Final rites were held Saturday with Ebb Randol, Church of Christ minister of Clovis, officiating. Burial was in the Texico Cemetery with Steed Funeral Home of Clovis in charge.

Clark, who has been a farmer for 50 years, is survived by his wife, Nannie; two daughters, Miss Octa Clark and Mrs. Raymond Franklin of Lawton, Okla.; and one brother, Finas Clark of Levelland. Pallbearers were Barney Harding, Woodrow Hegler, Luther Moss, Bert Moss, Ray Smith and Sam Randol.

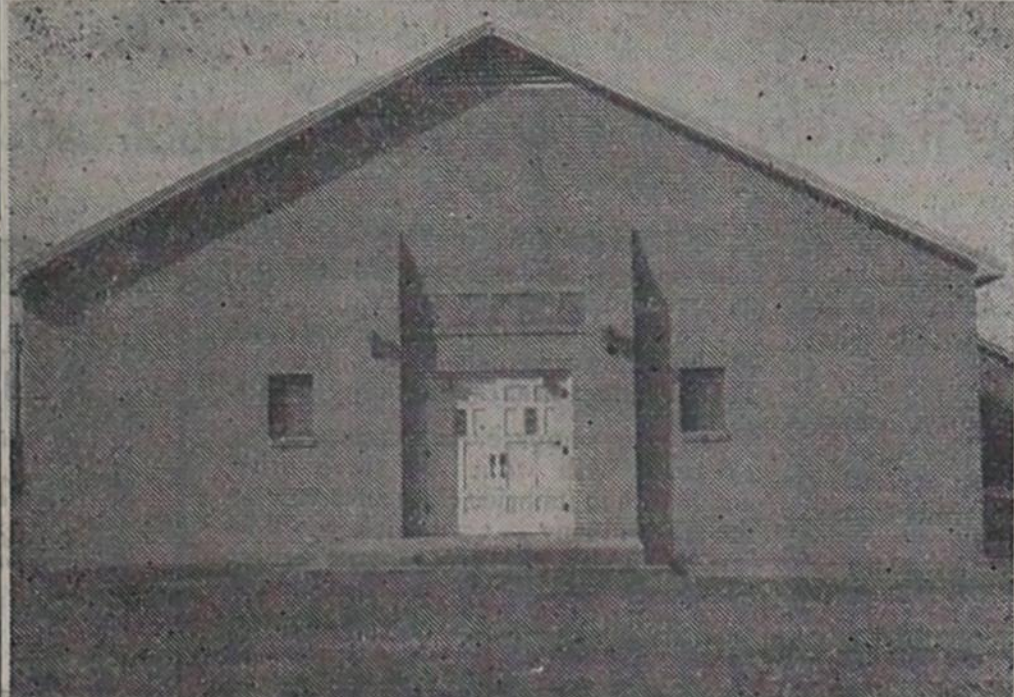

## Church Dedication Is Sunday

Dedication of the new Lazbuddie Church of Christ is scheduled to begin this Sunday, January 27, with R. A. Hartsell, new minister, the speaker. The services will continue through next Sunday, February 3.

The theme of the minister's

talks during the week will be "The Church." "Everyone is invited to attend this special series of services each evening at 7:30 on week nights and at 7 on Sunday," Hartsell says.

Built by Heathington Lumber Company of Muleshoe, the new

# Coach Young Resigns

## Steer Mentor To AAAAA McAllen

Russell Young, football coach at Farwell Schools for the past two seasons, announced his resignation to his football squad Tuesday morning. The Steer mentor has accepted the first assistant coaching position at

McAllen High School, a AAAAA school in South Texas.

"It was one of the hardest decisions I ever had to make," Young said after addressing his Class A bi-district champions. "It was an opportunity that I couldn't pass up."

Young will leave Farwell next weekend for his new position. He will begin his duties at McAllen on February 8, when spring training gets underway. McAllen is 16

miles from his home town of Alamo.

In vacating his post at Farwell, a District 3-A school, the coach said, "I appreciate the backing the citizens of Farwell have given me and I especially want to express my appreciation to the boys. They have been a wonderful group and I have enjoyed my association with them."

Jack Williams, superintendent at Farwell Schools, stated, "We re-

gret losing Coach Young, but we thoroughly understand his position, and wish him nothing but the best at his new post."

While at Farwell, Young molded together one of the finest teams in the school's history. This past season the Steers, composed chiefly of sophomores and juniors, went through an undefeated season and a bi-district title before bowing to Stinnett in the regional playoff.

Before coming to Farwell the coach was at Tulia for three years. The Tulia job was his first following his graduation from Texas Western College at El Paso.

No replacement for Young will be hired at the present time, according to the superintendent. For the remainder of this school year, there will be some reshuffling to handle the science courses, taught by the resigning coach.

A replacement will be hired before the start of next year, Williams says.

### Student Council Plans Bake Sale

Members of the Farwell High School Student Council have scheduled a bake sale to be held this Saturday, January 26, at Piggly-Wiggly in Farwell. The sale will begin at 9:30 a. m. and the money derived from this project will go into a fund for sending representatives of the local council to the state student council convention. Everyone is invited to participate.

### Farwell Elections Scheduled In April

Voters of the City of Farwell and the Farwell School District will be going to the polls in April to name the city commissioners for another term and two school board members.

The city election is set for April 2 and the school election is on April 6. The deadlines for candidates filing are 10 days prior to the elections (this does not include the day of filing and the day of the election).

Petitions for the city commission must be signed by five qualified voters and filed with Wilfred Quikkel, city clerk. The terms for the mayor and two commissioners are for two years.

Candidates petitioning for the school board of trustees must have seven signatures of qualified voters and file with County Judge A. D. Smith. The terms are for three years.

### More Cat Added To Pleasure Lake

Loaded down with 22 big catfish, ranging in weight from five to fifty pounds, the Dick Doshers rolled in from Lake Dallas Friday night after an all-night haul from there to their Pleasure Lake southwest of Texico.

That was the second in a series of loads of fish for the lake on the Doshers farm, which the family is working into a combination fishing-boating-swimming project.

The big, flopping catfish were unloaded with great fanfare Saturday morning from the icy tanks in which they made the trip. It was cold weather, and handling the fish was a rugged chore.

Attracting the most attention was the one extra large cat, a 50-pounder, which required the efforts of both Dick and his son, Alfred, to lift from the transfer tanks.

Going into the lake were 720 pounds of fish in all.

The Doshers plan to be gone again this weekend to Lake Dallas for another load to stock their recreation development.

### Has Heart Attack

Weedy Coffman, who suffered a mild heart attack Saturday at noon, is reported to be "getting along all right" this week.

Although he is required to rest several extra hours each day, Coffman is still working part time at McKillip Motor Co.

## MOD Events Planned

### Projects Are Many For Texico People

A talent show for the benefit of the 1957 March of Dimes is being staged tonight (Thursday) at the Texico School starting at 8 o'clock, announces Mrs. John Adams, Texico community MOD chairman.

Twenty-three entries for the talent show had been turned in late Tuesday. Deadline for entering was Wednesday afternoon.

Prizes are to be awarded the winners with the first prize being the opportunity to appear on the Meads' Talent Show on KICA-TV, Clovis on this Friday night.

Other prizes have been donated by Campbell's Dairy and Ice

### Mrs. Irene Graham Assumes Ownership

Announcement was made this week by Mrs. Irene Graham, widow of B. N. Graham, pioneer resident and insurance businessman who died two weeks ago, that she has assumed the ownership and will be active in the management of her husband's business.

The announcement, which was made effective immediately, also was to the effect that Mrs. Jo Veta Glenn, previously employed by Mr. Graham as office secretary, will be retained in that capacity.

No interruption in the policies now in force will be effected by the change in management, Mrs. Graham pointed out.

### Weldon Burlesons Receive Burns

Mr. and Mrs. Weldon Burleson of the Oklahoma Lane community suffered burns when a water heater in their home exploded on Sunday night about 9 o'clock. Rev. Vernon Willard and Melvin Suddarth took Mr. and Mrs. Burleson to the hospital in Friona where they were treated.

Burleson was released and returned home, but Mrs. Burleson remained there for further treatment although her burns were not believed to be too serious.

The Burlesons' three children were in another room at the time of the explosion and were uninjured.

building is 100 feet long and 60 feet wide. Installed seating capacity is 250 and there is room for 400, Hartsell says.

The building includes men's and ladies cloak and rest rooms, a nursery, minister's office and study, baptistry and dressing rooms.

Equipped with automatic heating and air conditioning, the cream-colored brick building has been under construction since summer. It has a concrete floor with rubber-tile covering.

With the addition of this building plans are to convert the old building into educational rooms, according to Hartsell. An L shape structure, it is 78 feet long and 40 feet wide. "When converted, it will give 14 rooms for classes, making the entire building one of the largest in the county," the minister says.

The construction project for the church is not yet complete, as a new minister's home will be erected in the spring, Hartsell adds.

Hartsell has just recently been employed as minister of the church, conducting his first services at Lazbuddie last Sunday. He was pastor at Bovina before going to Lazbuddie.

Cream of Clovis and the following Texico citizens and merchants: Red Cross Pharmacy, Jim's Cafe, Texico Cafe, Camp-fire Drive-In, Stone's Variety, Furniture Mart, Dot's Beauty Shop, Powder Puff Beauty Shop, Mabel Sharp, Mrs. John Adams and Border Theatre.

Everyone is urged to attend this benefit tonight. Admission is 25 and 50 cents.

Other activities being sponsored in Texico for the MOD fund include a "coffee day" at Jim's Cafe on Saturday, January 26, when all proceeds from the coffee sold that day will benefit the March of Dimes. The Texico Cafe will sponsor a like promotion on Monday, January 28.

Sam Lewis of the Texico Recreation Hall says that "domino money" on Saturday will be donated to the fund.

Mrs. Adams also reports that teen-agers in the community are sponsoring MOD parties and that some individuals are sponsoring coffees at their homes for this campaign.

### ESA To Conduct Mothers March

Along with more than 200,000 women who are participating in the 1957 March of Dimes campaign, Theta Rho chapter of ESA, will conduct the annual Mother's March, according to Sylvia Watkins, local president.

Mrs. R. O. Pearson of Abilene, Texas advisor on women's activities for the National Foundation of Infantile Paralysis, released the above figures. She says that women are conducting coffee parties for polio, making vaccination drives and direct solicitations for the campaign, other than the Mothers March, in Texas. Activities of the same nature have been planned in New Mexico.

The Mothers March is to be conducted on a state-wide basis in Texas on January 31. The local drive will get underway at 6 o'clock on Thursday evening and conclude when all the houses in

## Local Elections Set

### Thursday Deadline For Texico School Board Filing

Thursday, January 31, is the deadline for filing for the two Texico School board of education vacancies, announces Agrie Jones, superintendent. The election for filling the two positions will be February 5 at the City Hall.

Candidates may file in the Texico School office, Jones says. A candidate's petition must also be

signed by two qualified voters. The terms will be for six years.

Retiring members of the board are John Hadley, who has been serving as president and is completing his first term in office, and Glen Singletery, who was appointed to fill out an unexpired term.

Holdover members of the board are Murray White, Claud Curry, and Truman Doolittle.

Texico-Farwell is a good town in which to live—if you're a good citizen.

THE BIG 'UN—Alfred and Dick Doshers manage a grin in spite of the fact that their hands are frozen and their arms about to break in this picture. They have just lifted a big 50-pound catfish from the icy water in which he journeyed from Lake Dallas to Pleasure Lake last week. The temperature was below freezing and the wind quite high.

# THE TRIBUNE'S EDITORIAL COMMENT

## Underpass Death Trap

With the manufacturing of higher horse-powered automobiles each year, there is not too much that can be done to curb the ever-increasing number of accidents on our highways. But every now and then, a few signs and markings can help in certain places.

We have one spot east of Farwell which has been the site of several accidents in past years and it appears that something could be done to make it less hazardous than it is.

To be sure, the underpass at the intersection of Highway 70-84 and the Oklahoma Lane Farm-to-Market road should be widened, which would make it possible for two cars to pass through at the same time. However, that is not the main factor which makes it the death trap that it is.

Being located in somewhat of a draw, strangers driving along either road cannot see the underpass until getting right up on it. Motorists driving along the east-west highway probably are never aware that the underpass is there.

Something that would help to prevent accidents at this point would be the painting of yellow lines, forbidding motorists to pass on 70-84 at that particular place. Yellow lines could have prevented a crash that occurred there just recently when one car was being passed as it was making a left-hand turn.

Another point that makes this seem practical is that a car approaching from Oklahoma Lane would invariably come through the underpass, the driver glancing to the left and if there was nothing coming he would probably swing onto the road heading toward Farwell.

What could something like this result in if a car traveling east was passing another one at that point?

Since most motorists aren't too overcautious in their driving, there isn't too much that a highway department or patrolmen can do to make the highway safer. However, in some instances there is something that can be done, and we think this is one of them.

and urges everyone to be present this Sunday to "fill in the gap." Despite the low attendance, however, Rev. Keith reports that a special offering for the building fund was good.

At the training union hour Sunday evening, the second film of a series of pictures on the life of Christ was shown. Its title was "Escape to Egypt." The films are shown each third Sunday night during training union.

Rev. Keith reminds everyone of the present study course which is being held Wednesday nights at the church. The book of Romans is being studied and everyone has an invitation to attend.

Sunday night, a five night study course for all departments of the church will begin, with Rev. Vance Zinn, former pastor of the Oklahoma Lane Baptist Church, teaching the young people and adults. (See complete story elsewhere in Tribune.)

Choir practice is being held weekly on Wednesday nights at the church and the group will begin practice for a special Easter cantata in the near future. Mrs. Shelby Jobs is in charge of the special music which is being planned. Rev. Keith urges all interested to report for choir practice.

A sectional Sunday School study course will be held at the Okla-

homa Lane Baptist Church February 18-22 for the churches in this end of the Tierra Blanca Association, including Farwell, Friona, Lazbuddie, Oklahoma Lane and Bovina churches.

Sixteen courses will be taught and the courses are especially designed to help Sunday School teachers and officers in their duties.

The revival will begin at the church on February 24 and will continue through March 3. Rev. Eugene Brand, pastor of the First Baptist Church of Skellytown, will be the guest evangelist.

## News from PLEASANT HILL

MRS. ROBERT SERVATIUS

### March Of Dimes Party Monday

Eugene and Pauline Servatius entertained friends with a March of Dimes party at the home of their parents, Mr. and Mrs. Robert Servatius, on Monday night of this week.

Refreshments of open face sandwiches and pops were enjoyed by Myrtice Shockley, Margie Ortiz, Darlene Boatwright, Anna Thatcher, Jerry Thigpen, Lee Spears, Kenneth Murdick, Billy Hukill, Sharon Hendrix, Leslie Dyer, Glendon Moss, Janice and Judy Adams, Pat Patterson, Bill Roth, Donald Caillouet, Crayton Weisler, Carol Bell, Virginia Crocker, Gary Singleterry and D'Rene Danforth.

Attending as sponsors were Mrs. John Adams, Mrs. Buck Taylor, Mrs. Amos Shockley and the hostess and their parents.

### In Neely Home

Wives of the members of Pleasant Hill's "42" team met at the home of Mrs. Elsie Neely on Monday night for a party.

Attending were Mrs. Susie Donahy, Mrs. Ida Whitener, Mrs. Peggy Singleterry, Mrs. Sides, Mrs. Maurine Horton and the hostess.

Mr. and Mrs. Royce Hargrove of Lubbock visited during the weekend with Mr. and Mrs. Robert Servatius and children.

Mr. and Mrs. Cecil Osborn of Friona spent the weekend with Mr. and Mrs. Buck Taylor.

We are glad to have Homer and Maxine Redwine as new members of our community. They recently moved to the Glasscock farm. Misses Darlene Boatwright and Anna Thatcher spent Monday night at the home of Miss Pauline Servatius.

Everyone at The State Line Tribune takes pride in his work.

One of our recent pleasures was a real get-acquainted visit with Mrs. W. E. Curtis, whom we've met casually several times in the past. But we actually had a chance to talk to her and had a grand time exchanging stories on our kids. That is one of the true joys of motherhood, and it gives us something in common with many of the women we meet.

Mrs. Curtis had some good stories to tell on her children. The one we liked best concerned her son, who was about 2½ at the time. Mama had finished baking fresh chocolate pies for Sunday dinner, and rushed outside to help her husband who needed some help on a chore.

The little one's favorite of favorites was chocolate pie. And when Mrs. Curtis returned to the kitchen the evidence was all there. The innocent young man was standing in front of the ice box with his hands to his sides exclaiming "but, I jus' took two bites." He was more concerned with the quantity he had eaten than the mess he had made. Sure enough, he had been helping himself to the pie with his hands, right out of the center of the dessert. Chocolate was all over the boy, the refrigerator, the floor and the kitchen.

And he only ate two bites.

A snowy January day last Wednesday seems to have put a spring in the steps of Texico-Farwellites. Like a tall cold drink in July, the little moisture brought smiles that were broader, and greetings that were friendlier.

But this week the drouth is still with us. We know it can snow however.

We get mail addressed to the Texico Trumpet, which did actually exist back in the boom days at Texico, to the Texico Tribune, just addressed to Newspaper or what-have-you. Our mail box is a study at any time.

But the one that amused us most was a Christmas card from a high school chum. Not ever having met our husband or any of our family, we could see how it would happen. The card was addressed to "Mr. and Mrs. Hal Graham, Farwell, N. M." As most of you know, Hal is the baby and not quite two.

# THE MIGHTY CHRYSLER

Most glamorous car in a generation

Look how little it costs to own the world's most modern motor car

If you have believed the cost of a Chrysler to be out of your reach, you owe it to your pocketbook to stop in and inquire about the new Chrysler Windsor illustrated above.

Here is a car which in beauty, brawn and engineering quality has always been compared with the most expensive cars made. Yet it is priced right smack with the medium-price cars.

Remember, too, that this is all Chrysler... full size outside and in. It brings you

all of Chrysler's triumphant new 1957 achievements... the new Torsion-Aire suspension that eliminates rock and roll... new TorqueFlite transmission... a 285-horsepower airplane-type V-8 engine, Total-Contact brakes and many others.

When you compare these pace-setting advances with what the three other major cars in its price class offer you for the same money... we think you'll be satisfied with nothing less than the most glamorous car in a generation. Come in soon and drive it!

MR. AND MRS. WILLIAM RAY MAGNESS

from Hastings, Neb., were ushers. Max Magness of Clovis served his brother as best man. Another brother, George Magness of Far-honor.

Given in marriage by her father, the bride wore a princess style waltz length dress of white lace featuring a wide neckline and long, pointed lace sleeves and a bouffant skirt. Her veil of illusion was attached to a cap of seed pearls, and she carried a white Bible covered with white lace and topped with garlands of stephanotis and orchids.

The bride's mother chose a lace sheath dress of aqua for her daughter's wedding. Her accessories were black and she wore a corsage of white carnations.

Immediately following the ceremony, a reception was held in the church parlor with members of the wedding party, the bride's parents, her grandmother and the bridal couple attending. The refreshment table was centered with a large white cake with a salmon coral flower in the center of it.

Presiding at the bride's book was Miss Carolyn Magness, sister of the groom.

The bride changed to a light blue two-piece jersey dress for a wedding trip to Lubbock. Her accessories were of black and blue.

Out of town guests for the wedding were the bride's grandmother, Mrs. John B. Bonds of Sacramento, Calif., Mr. and Mrs. Doc Fox of Lubbock and Mrs. Loucile Foster of Abilene.

Mr. and Mrs. Magness are at home at 812 East 13th street in Clovis where he is a National Guard administrator. The bride was graduated from Clovis High School and is a graduate of Walker and Burke Beauty School in Clovis. She has done post graduate work at Jessie Lee's in Lubbock.

The groom was graduated from Farwell High School.

## Mrs. Fleming Is Honored at Shower

A bridal shower honoring Mrs. Johnny Fleming, the former Miss Minnie Medley, was held Thursday evening, January 17, at the Farwell School home economics building.

Hostesses for the shower were Miss Shirley Ham, Mrs. Bill Craft, Miss Billie Pay Heckman, Mrs. Phil Cassidy, Mrs. Dean Jones, Miss Dixie Turner, Mrs. Smokey Gast, Mrs. W. T. Meeks, Mrs. Gloria Mahaney, Mrs. Grayson Roberts, Mrs. Kirt Crume, Mrs. Joan Branscum and Mrs. Bill Glenn.

Refreshments of coffee, pops and individual cakes were served from a table covered with lace over a lilac colored cloth. A floral arrangement centered the serving table.

Among those attending and sending gifts were Mesdames Lee Thompson, J. H. Stone, Ted Sheets, James Spurlin, Lee Nutt, Prentice Mills, Guy Cox, Bill Medley, Noble Goldsmith, Russell Johnson and Gloria, C. M. Meeks, John Holland, Buster Cochran, Lee Sudderth, Judge Stone, A. N. Walls, Olan Schlueter;

Also, Mesdames Lester Norton, L. E. McKillip and Ima Jean, Claude Rose, J. B. Sudderth, C. J. Huffaker, H. H. Petree, Buck Bradshaw, Carl Davis, Bob Brooks, G. L. Medley and the hostesses.

Visiting briefly in Farwell on Sunday afternoon with Mr. and Mrs. W. H. Spurlin were their son and his wife, Mr. and Mrs. Sonny Spurlin, of Amarillo.

## Miss Walls Receives Betty Crocker Award

Betty Crocker Homemaker of Tomorrow in Farwell School is Mary Ann Walls, who received the highest score in a written examination on homemaking knowledge and attitudes, administered December 4, to senior girls. Her examination paper will be entered in competition to name the Texas candidate for the title of All-American Homemaker of Tomorrow and will also be considered for the runnerup award in the state. For her achievement, she will receive an award pin designed by Trifari of New York. The award was presented in an assembly program this week.

The national winner in the third annual search conducted among 300,526 young women in 1,636 of the nation's public, private and parochial high schools will be named May 2 at the American Table banquet in the Waldorf-Astoria Hotel, New York City.

General Mills is sponsor of the program designed to assist schools in education for home and family living and to emphasize through a sound scholarship award program the personal qualities and sense of values necessary to successful homemaking. A total of \$106,000 in scholarships will be awarded.

Each state Betty Crocker Homemaker of Tomorrow will receive a \$1,500 scholarship and an educational trip with her school advisor to Washington, D. C., colonial Williamsburg, Va., and New York City. A \$500 scholarship will be awarded the runnerup girls in each state. The school of the state winner will receive a set of Encyclopedia Britannica.

The scholarship of the young woman named All-American Homemaker of Tomorrow will be increased to \$5,000. This year for the first time girls who rank second, third and fourth in the national finals will receive \$4,000, \$3,000 and \$2,000 scholarships, respectively.

Mr. and Mrs. Walter Hardage plan to leave Saturday for Dallas where she will attend market for her ready-to-wear store in Farwell. The Hardages plan to return home the middle of next week.

## NOTICE! TO PARENTS of School Age Children

The school census is being taken during the month of January this year. All children who are six years old on or before Sept. 1, 1957, but will not be 18 or older on or before that same date should be counted in this census. It is very important that all children six to 18 years be counted in the census. The child should be counted even though he may not be in school and even though he or she may be married.

If you, as a parent, have not received and filled out a school census blank you are being overlooked and should do one of the following:

1. Phone 8-6682 and ask for a census blank.
2. Call in person at the Farwell High School and get a census blank and fill it out.

Remember, if your child will be six years old next Sept. 1st he should be counted in the census now, even though he is not in school now. If he is six but not 18 or older on next Sept. 1st he should be counted now. All children from six to 18 should be counted. The six years old who start next September to school are the ones most often overlooked in the census. Failure to count them costs the school and taxpayers extra money. Please help us not to overlook anyone.

### Rev. Zinn To Teach Study Course Here

Beginning Sunday night, January 27, Rev. Vance Zinn of Melrose will teach a study course for adults and young people at the First Baptist Church of Farwell. This course, which is being held through next Thursday night, is in connection with "Alcohol Education Week" at the church, announces Rev. E. J. Keith, church pastor. Topic of the study Rev. Zinn will teach is "Shadow Over America." Other courses to be taught during the five night session include "It's Up To You," to be taught by Herman Gerie to the intermediates. Jerry Henson, Mem Sprowls, Asa Smith, Clay Henson and Joe McWilliams will teach "Highway to Health" to the juniors; and "The Life of Samuel" will be taught to the primary youngsters by Mrs. Asa Smith and Mrs. Dick Gerie.

The studies will be taught during the regular training union hour at the church Sunday at 6:30. Rev. Keith says that the time for the week day meetings next week have not been set.

The nightly studies will be held for an hour and 15 minutes, then the groups will adjourn for a general assembly period. Films concerning what has been taught during the study periods will be featured Monday, Tuesday and Wednesday nights. Films to be shown are "The Choice," "With His Help" and "Yesterday, Today and Forever."

Rev. Keith urges everyone in the community who possibly can to attend these informative sessions. He says that the church thinks the study is really an educational one and that it is timely and worthwhile for everyone, whether or not they are members of the church.

with the Sunday School attendance rising to 172 and the training union attendance coming up to 101.

A large crowd was on hand for the morning worship hour and one addition was made to the church by letter.

Members of the WMU were in charge of the evening worship service and presented a program on mission work in the Mississippi basin. The program included an imaginary trip in a river boat down the Mississippi River with the boat making stops along the way to hear reports from missionaries working there.

Mrs. Sid Thomas acted as the boat's captain and missionaries giving reports were Mesdames J. T. Lockhart, B. A. Kelley, D. J. Brown, C. C. Morgan and Nora Day.

Mrs. Murray White sang a Negro spiritual, "Swing Low, Sweet Chariot," and at the close of the program presented the solo, "How Long Must We Wait." Mrs. S. G. Billington gave the devotional.

The inspirational and entertaining program was enjoyed by the large crowd attending, and members of the WMU thought it a worthwhile program because of bringing the study of mission work to more people in the church.

Regular meeting of the WMU was held at the church last Wednesday when members rehearsed for the Sunday night program. Attending WMU were Mesdames

Nora Day, S. G. Billington, Sid Thomas, B. A. Kelley, M. H. Poteet and C. C. Morgan.

WMU members met Wednesday of this week for a business session.

Rev. Morgan extends a cordial invitation to everyone to attend the Bible Study course which began at the church Wednesday night of this week. The study, which is the book of Romans, is being taught by Rev. Morgan and will continue through the next four Wednesday nights.

The worker's conference which was scheduled for Tuesday of this week is being held today (Thursday) at the Calvary Baptist Church at Clovis. Rev. Morgan was to appear on the program.

Members of the Junior Girls' Auxiliary presented their program

and enjoyed their meeting Wednesday at the home of Mrs. Hattie Gerie. Refreshments were served.

## Melrose Teams Cop Texico Tournament

Melrose made a clean sweep of the third annual Texico Girls Invitational Basketball tournament last weekend. The senior high team copped the title by downing the Rosedale girls 46-43 in a hard-fought contest and the junior high girls slipped by Texico 20-19 in the final game for their crown.

Games for third place saw the Texico Whirlwinds outscore the Ranchvale lasses 50-29 in the senior bracket while the Ranchvale juniors were coming from behind to defeat Rosedale 20-18.

The Field team won the consolation championship in the senior division Saturday afternoon by beating Forrest 50-44, while Center was the consolation winner in the junior division, winning a 16-13 contest from the Texico B squad.

The feature attraction of the tournament Saturday night was a thriller as a large crowd saw the Rosedale girls come within two points of the Melrose girls, after they had been behind 13 points at one time in the last quarter.

Glynis Pulliam of the Cowgirls grabbed the scoring honors with 29 counters. Ellard and Reagan led the winners with 19 and 17 points, respectively.

It was a similar situation in the junior championship game as the Texico team overcame a seven point deficit to come within one point of Melrose before the final buzzer sounded.

Connie Tharp led the scorers with 11 points while Hine and Reagan led the winners with nine and eight points.

**Mrs. Crume Reviews Book At Club Meet**

Mrs. Vance Crume of Hereford reviewed the book, "The Nun", by Katherine Hulme at the regular meeting of the Farwell Woman's Club held Monday evening at the Farwell School cafeteria with several members of the Bovina Woman's Study Club as special guests.

Theme of the January meeting was "Our World and Our Literature." Other entertainment for the evening included three vocal

selections by a trio composed of Susan Levins, Betty Pendergrass and Barbara Sapp. Miss Levins also sang a solo.

Hostesses for the evening, Mesdames Jack Williams, Shelby Jobs, Ollie Burton and L. R. Vincent, served refreshments of spiced punch and cake to the guests. A Valentine motif was featured in the refreshments.

Guests from the Bovina club included Mrs. Lloyd Battey, Mrs. Buck Ellison, Mrs. Bill Bradshaw and Mrs. Ike Quickel. Mrs. Eugene Naugle of Hereford accompanied Mrs. Crume as a guest.

During a business session which followed the program, the group voted to join the Texas Federation of Women's Clubs. Members also decided that the February meeting, which will feature flower arranging by Mr. and Mrs. Harold Maderly of Flowerland, Clovis, will be held at the cafeteria instead of at the home of Mrs. John Aldridge as originally planned so that all persons interested in flowers and arranging may attend.

Attending Monday night's meeting were Mesdames E. G. Williams, Bill Garrett, Johnnie Williams, Ollie Burton, Jack Williams, D. W. Bagley, Sam Ruddled, Shelby Jobs, Austin Jones, Claude Coffey, M. A. Snider Sr.; Also, Mesdames W. W. Vinyard, L. R. Vincent, Joe Crume, Ethel Thomas, W. H. Graham Sr. and Dr. Mary Leone McNeff.

**Mrs. Morgan To Lubbock**

Mrs. C. C. Morgan of Texico, accompanied by her daughter, Mrs. Amos Shockley of Bovina, visited Monday in Lubbock with her parents, Mr. and Mrs. L. L. Reese. Mrs. Morgan and Mrs. Shockley helped Mrs. Morgan's father observe his 80th birthday. Reese, who has been quite ill for some time, is still in serious condition, but Mrs. Morgan says he was feeling "pretty good" on Monday.

**Tiptons Visit With Relatives**

Mr. and Mrs. Percy Tipton and Fern visited Sunday in Plainview with their son and family, Mr. and Mrs. Bert Tipton.

The local family also visited that afternoon with his aunt, Mrs. Ol Tipton, who is hospitalized in Muleshoe. Mrs. Tipton, who is 96½ years old, is in very serious condition following a siege of double pneumonia. In all her 96 years, this is Mrs. Tipton's first trip to a hospital. Friends here may write to her at Box 36, West Plains Hospital, Muleshoe.

### Farwell Divides With Springlake

Playing host to a conference foe, Springlake, Friday night, the Farwell Steers rolled up a 60-32 win, while the girls team was dropping a 45-30 decision. The win for the Steers was the second straight in district play.

Fielding a small, inexperienced squad, the visitors were no match for Coach Calvin Murray's Steers, as the host team built up a 16-6 lead in the initial period and coasted to the win. Reserves played most of the second and fourth period for the home team.

Halftime score was 28-8, and by pouring 23 points through the hoop in the third period, Farwell went ahead, 51-19. Johnny Lovelace and David Willard led the Steer scoring, with 12 and 10 points, respectively.

Coach R. B. Tucker's young girls team had a rougher time of it in losing their second straight district game. The visitors jumped ahead 16-10 in the first period, increasing it to 26-20 and 37-24 at the other stopping points.

Angela Williams hit 12 points for Farwell and Mary Ann Walls connected for 10. Wayne Rutherford was high for the winners with 21.

## Texico Cage Teams Score Double Win

Texico's Wolverines and Whirlwinds scored a double win over the Ranchvale teams Tuesday night on the Texico court. The Wolverines caught fire in the final quarter to smother the Trojans 45-31 while the Whirlwinds edged by the Trojannes 47-46 in a game that had fans on their feet until the final buzzer sounded.

After trailing 23-14 at halftime, the Wolverines hit the basket for 31 points on the final half while holding the Trojans to only 8 points to take their eighth win of the season. Jerry Henson and Raymond Hadley led the Wolverine's

attack with 17 and 12 points respectively. Jameson led the Trojans scoring with 8 points.

After trailing at halftime by a 29-23 count, the Whirlwinds came back in the third quarter to take a 44-35 lead, only to see the Trojannes come within one point of them before the game ended. Betty Cole, Ranchvale, and Melba Doshier, Texico, tied for high scoring honors with 24 points each.

Next game will be Friday night when the teams meet the Melrose squads at Texico.

### TB Patient Grateful For Contributions

AUSTIN, JANUARY 17—"Thanks to all the people in Farmer County who bought Christmas Seals in the 1956 campaign to raise funds to fight TB."

Those were the words of Mrs. Alice Naylor Spoon in a letter received today by the Texas Tuberculosis Association from McKnight State Tuberculosis Hospital near San Angelo.

A patient in the hospital since March 25, 1955, Mrs. Spoon said she hoped to be well enough to return home to Andrews by next Christmas.

"You can be sure I'll be one of your Christmas Seal volunteers wherever I am next year," she said. "I want to tell people what it means to be separated from your

family and friends by tuberculosis. I've had to watch my little three-year-old daughter grow up through a hospital window."

For Farmer Countians who bought Christmas Seals she had this message: "The contribution you made to our tuberculosis association may help prevent this from ever happening to you."

To those who haven't got around to sending in their contribution she said, "Get out your Christmas Seal letter and answer today. With your contribution the tuberculosis association can increase its efforts to check the spread of TB. We must all share in this work, as we hope to share in the benefits."

### Band Mothers Sell Candy For Funds

Mrs. Sterling Donaldson, president of the Farwell Band Mothers organization, announces that the

group is now selling candy to make funds for the purchasing of band uniforms.

Mrs. Donaldson reminds all active Band Mothers to get candy to sell from Mrs. Dale Price, secretary-treasurer of the organization.

Anyone interested in helping the group with this project may buy candy from any Band Mother.

### ESA—

the community have been canvassed.

"In the past, many people have forgotten to turn on their porch lights, so we urge you to remember to do this," Mrs. Watkins says. The burning porch light is a signal that contributions are ready to be picked up by women participating in the March.

This is the third year that members of ESA have undertaken the Mothers March as a portion of their civic work in the community.

### School Census Being Taken At Farwell

The annual school census at Farwell is underway and all parents of the school district have been asked to fill out and return their blanks before February 1.

All children who are six years old on or before September 1, 1957, but will not be 18 or older before that date should be counted in the census, says Jack Williams, superintendent. "It is very important that all children six to 18 years of age be counted in the census," he says.

Should any parents not receive a census blank they may obtain one by calling at the school office.

### Jerrel McDaniel Receives Degree

Mr. and Mrs. E. E. Booth received word recently that their grandson, Jerrel Dave McDaniel, recently received his Bachelor of Arts degree from the University of Texas Law School.

Jerrel, who attended Farwell Schools, is well-known here. He and his wife often spend their holiday vacations with his grandparents.

The Booths say that Jerrel plans to continue his studies at the University, to further his studies in law.

### Bridge Party Held Wednesday

Mrs. Don Williams entertained with a bridge party at her home last Wednesday afternoon.

Attending were Mesdames Bob Hart, Glenn Phillips, Junior Snider, Elmer Hargrove, Marilyn Edwards, Mitz Walling, Sam Rundle and the hostess.

When you see someone from The Tribune, you can always say, "There goes a hard worker."

## Farwell Teams Bow To Morton Tuesday

Farwell's basketball teams played their first district games on the road Tuesday night and both squads suffered defeats. The Steers fell to the Morton Indians 75-55 and the girls team dropped a close one, 60-54. In a preliminary game the Farwell B boys won over the Morton B squad 27-16.

For the Steers it was the first loss suffered in district play against two wins, and for the girls it was the third straight defeat.

The sharp-shooting Indians proved to have too much for the Farwell lads as they built up a 21-12 lead in the first period, increasing it to 44-26 at halftime, and 62-38 at the third-quarter point.

Derrell Garner and David Willard led the Farwell attack, each getting 16 points. Top point-getter of the game was Morton's

Brownlow, who accounted for 26. The Farwell girls team played one of its better games of the season in pressing their opponent most of the way. The local team fell behind 17-13 in the early minutes and could never quite catch up. Quarter scores were 21-15, 36-31, and 51-39.

Angela Williams turned in the top performance of the night, dunking 31 points for Farwell while Mary Ann Walls scored 19. Stephenson and Fincher each had 26 points for the winners.

In the boys B game Farwell had little trouble with the opposition, jumping to a 12-0 lead in the initial period, increasing it to 22-6 at halftime and 24-12 at the third-quarter mark.

Philip Berry and Dickie Williams each hit eight points for the winners.

## Grade School Reports New Pupils; Illnesses

Happy New Year!  
 After a very nice Christmas vacation, grade schoolers find it a little hard to stick to their school work as they should.  
 Gregory Anderle and A. J. Anderson have moved away. Gregory moved to Hereford, Texas. First graders are sorry to have the two boys leave.  
 Debbie Doolittle, first grader, has been absent because of illness.  
 A new student is welcomed to Mrs. Faville's first grade room. The new girl is Shirley Foosee coming here from Wheeler, Texas.  
 Second graders have just received new song flutes and are very eager to learn how to play them.  
 Oliver Ray Cavett is a new student from Gilbert, Arizona. Oliver met with a misfortune his first day of school at Texico, as he broke his glasses. He is now happy to report he has them replaced with a new pair.  
 The second graders are learning to write, and have changed from manuscript to cursive writing.  
 Jackie Billingsley and Marsha Palmateer have missed school since the holidays because of illness.  
 Donnie Morris is wished a speedy recovery by fellow stu-

dents. Donnie was taken to the hospital last week for the removal of his appendix. Second graders are saying, "Donnie, hurry back to school."  
 Third graders are sorry to report the illness of their regular teacher, Mrs. Frank Seale, but they do like the substitute teacher, Mrs. Anson Bowers, who is filling in for Mrs. Seale.  
 Harold Morin, third grader, has been in the hospital, because of an allergy, but is home now. Remonia Parrish and Benny Lawson have also been absent because of short illnesses.  
 Sarah Elizabeth Walker from Three Way School, Maple, Texas, was welcomed here by fourth graders.  
 James Roberts and Wanda Raye Burris have been reported by Mrs. Patterson as having a perfect attendance since the starting of the 1956-57 school term.  
 Fourth graders in Mrs. Byrd's room welcome Isidra Navarro from Mexico. This is Isidra's first time to attend a public school and is doing wonderful in her school work.  
 Harry Henry is also back to Texico. Harry went to school here some last semester and fourth graders welcome him back.  
 "Toy Day" has been observed in the lower grades since the holidays. "Toy Day" is a day when the children bring a toy Santa Claus brought them for Christmas.

## New Teacher Employed In School

Entering Texico School at the beginning of the second semester was Mrs. Marion Travis who resides on a farm near Farwell. She is replacing Edward Choate who has recently accepted a position in Roswell, N. M. Among the duties accepted by Mrs. Travis are: English teacher in the seventh, eighth and ninth grades, junior sponsor, and Pep Club director.  
 Mrs. Travis received her B. A. degree from North Texas State College at Denton, Tex., and her M. A. degree from Texas Tech in Lubbock.

## EDITORIAL Better Attendance

By BETTY PENDERGRASS  
 Teachers have discovered that the student who has the most perfect daily attendance is, in almost every case, the student whose grades are highest when a semester has been completed.

A person having average intelligence knows that if a student is absent from any classroom activity, that it is necessary for that student to accomplish extra work or he gets no grade at all. In either case, his position is difficult for students and teachers alike.

In the lower grades, the trend for perfect attendance promoting higher grades can easily be detected. In one of the lower classes several of the students had a perfect attendance record at the completion of the semester. A large percentage of those students didn't misspell a word on any of their spelling tests and were on the honor roll for each six weeks period.

Parents are responsible for giving their children an interest in school life, activities or even honors. This is especially helpful in the lower grades because it keeps the student from being absent for petty excuses.

If more absences were prevented, many of the students could expect and obtain a higher average and receive a greater benefit from their school work.

## FHA Girls Attend Candy Demonstration

A demonstration on candy-making was the order of the day, Thursday for 17 FHA club members and their sponsor, Mrs. Jimmie Allman, who made their annual trip to the REA building in Clovis.  
 Mrs. Eula Mae Madole prepared an array of many different types of candy with the club members assisting. Candy recipes included those for chocolate nut fudge, bread mixer candy, candy sandwiches, pulled molasses-mint taffy, grape divinity, nougat bars, no-cook fondant, butterscotch and peanut butter candy, and dream nut fudge.

Members attending the demonstration were Virginia Lawson, Garlene Clear, Glenda Richardson, Becky Richardson, Carolyn Curd, Betty Matthews, Anita Watts, Joyce Gillean, Gloria Johnson, Anita Moss, Betty Pendergrass, Glenda Weisler, Melva Burns, Mikala Faville, Lynell Lovett, Dorothy Maedgen, and Janell Seal.

## TEEN TALES By MIKALA FAVILLE

Tradition requires the making of New Year's resolutions and so a list of some high school students' and high school teachers' resolutions have been compiled and follow:

- Anita Moss To feed her dog every day.
  - Glenda Richardson To be exempt in all subjects this term.
  - Jerry Bowers To get his studying done while the news is on television.
  - Betty Pendergrass Check library books in at least 2 weeks after they are due.
  - Gloria Johnson Not to flirt any more, except with Glen.
  - David Lockhart Not to bite fingernails.
  - Mr. Adams To do a better job at teaching.
  - Joyce Gillean To study harder so she won't be a senior again next year.
  - Garlene Clear To get short-hand on time.
  - Jerry Henson Be kind to dumb animals, especially girls.
  - Anita Watts Not to wear hair in a pony-tail.
  - Mrs. Allman To go to church every Sunday.
  - Bobby Patterson Stop beating up sister, Pat.
  - Becky Richardson Practice guitar lessons every day.
  - Melva Burns Not to eat any more candy.
  - Monte Singletery Not to break any more bones.
  - Susan Levins To help her mother and dad more.
- It is all summed up in a poem written by Ella Wheeler Wilcox when she says:  
 I tell you, the future can hold no terrors  
 For any said world while the stars revolve  
 If he will but stand firm on the

grave of his errors  
 And, instead of regretting, resolve, resolve!  
 It is never too late to begin rebuilding,  
 Though all into ruins your life seems hurled.  
 For look! how the light of the New Year is gilding  
 The worn, wan face of the bruised old world!

## Records Top Grade News

The fifth grade students are boasting a series of good attendance records this week. Nine students have perfect attendance records for the first semester of school. They include Kathleen Smith, Callayla Roberts, Willard Richardson, Terry Niece, Hazel McDaniel, Allan Hill, Hap Danforth, Linda Crocker and Oral Curtis.

Six fifth graders have perfect spelling records for the first semester. Bonnie Lawson, Mary Porter, Willard Richardson, Callayla Roberts, Kathleen Smith and Sue Walton are members of this group.

Eleven members of the sixth grade class have not been absent or tardy for the last six weeks of the first semester. They are Jean Morris, Jenness Weisler, Carole White, Kay Hall, Carol Brown, Shirley Huber, Lynn Doshier, Jackie Dyer, David Seal, Buddy Spence and Tommy Wakefield.

During the holidays, sixth-grader Judy Tharp went to New York with her family to visit her sister, Anita Zachrel. Judy reports that she enjoyed her trip very much.

## News From LAZBUDDIE MRS. CALVIN EMBRY

Janice Oliver Gets Recognition  
 Betty Crocker Homemaker of Tomorrow in Lazbuddie High School is Janice Oliver, daughter of Mr. and Mrs. F. L. Oliver.

She received the highest score in a written examination on home-making knowledge and attitudes, administered December 4, to senior girls in the graduating class. Her examination paper will be entered in competition to name this state's candidate for the title of All-American Homemaker of Tomorrow and will also be considered for the runnerup award in the state. For her achievement, she will receive an award pin designed by Trifari of New York.

The national winner in the annual Search conducted among 300,526 young women in 11,636 of the nation's public, private and parochial high schools will be named May-2 at the American Table banquet in the Waldorf-Astoria Hotel, New York City. General Mills is sponsor of the

program designed to assist schools in education for home and family living and to emphasize through a sound scholarship award program the personal qualities and sense of values necessary to successful homemaking. A total of \$106,000 in scholarships will be awarded.

## Lazbuddie Girls Have Close Ones

Lazbuddie's high school girls basketball team had two close ball games last week in their race for the district crown. In a game against Happy the Lazbuddie girls dropped a 72-66 decision, but they came back to whip Nazareth, another rugged foe, 63-62.

Joy Smith was the leading scorer in the Happy game, pouring 39 points through the net. The loss was only the second of the season for the high-flying lasses and they now sport a 24-2 record for the season. In conference play they stand at 3-1.

The Nazareth game was a close one all the way as the lead changed hands numerous times. Lazbuddie jumped ahead 18-17 in the first quarter but fell behind 38-34 by halftime. By the end of the third period Nazareth had increased its lead by two points, 53-47, but a strong rally in the final period gave Lazbuddie the win.

## What's ahead for NEW MEXICO in 1957?

Here's a short, factual review and forecast for telephone users in New Mexico which may interest you—and could offer a surprise or two!

- In 1956, your Telephone Company**
- ... provided the means for a total of 328,000,000 local and long distance calls
  - ... added nearly 16,000 new telephones
  - ... paid nearly \$4,800,000 in federal, state and local taxes
  - ... employed over 2,600 men and women with a \$9,700,000 annual payroll
- Of course, we're proud of these achievements. But, like other businesses in this expanding economy, we've got to grow with our state.

**So, in 1957, your Telephone Company** will need to spend over \$14,000,000 on new telephone buildings, the equipment to put in them, and the lines and cable to bring better service to our customers' homes.

That's a big order, requiring lots of time, lots of money. But we think we can deliver if our earnings are sufficient to attract investors to place their savings in the business.

It's also a challenge, and one we're proud to accept.

## Farmers Eye Sources Of Possible Income

Parmer County farmers, just like thousands of others on the High Plains of the Southwest, today are anxiously casting about for additional farm enterprises that might possibly lead to more income.

Curtailments of cotton and wheat allotments, plus declining prices, has brought about a revival of interest in types of farm operations which have been minor in nature since the development of big-scale irrigation.

One thing already is apparent: There is no one crop or any one product that the farmer of the High Plains can undertake to produce that offers him a solution to the need for more income.

There is, in fact, no simple solution to be had. Conditions of the nation's farm program place tight restrictions on new enterprises.

Here are several things that you may expect to see more of in 1957:

**Corn**

Several thousand acres of corn were grown in Parmer County last year, and corn probably made the best all-around showing as a "new" crop in the county in 1956. The average irrigated yield probably ran about 65 to 70 bushels, believes County Agent Joe Jones. Most of the corn sold for about \$2.25 per hundred, shelled.

This produced a gross income

not possible with milo last year. So far as is known, all the corn was disposed of on the open market, and the government loan program was not utilized, though it is offered.

Parmer County is a non-commercial corn territory in the eyes of the USDA, and as such is eligible for a price support of three-fourths the prevailing support in the corn states.

There are no acreage controls on corn production in non-commercial areas.

Some of the disadvantages of entering corn production include the fact that raising this crop will mean greater investment in new and specialized machinery.

A few Parmer County farmers purchased pickers last year, but the number is very small.

One factor that may not have left its full impact is the corn borer. It was this insect which drove large-scale corn production from the Plains a generation ago.

Farmers growing corn in 1956 reported increasing trouble with borers, and with big acreages, an increase of the insects may be expected. There is no effective means of control.

Growers now say that they will cut the corn early next year and lay it in the turnrows for a while before shelling. They thus expect to

"beat Mr. Cornborer to it," should he be much of a problem.

Corn requires more water than does grain sorghums, and timing on watering is more critical. That is, when the corn plant needs a drink, it needs one immediately.

County Agent Jones says that corn isn't any harder on the land than grain sorghum production; in fact, it may be a little easier. The most popular variety of corn in this area is Texas 30, a hybrid.

Farmers who grew corn for the first time last year admit that they learned a lot, and expect yields to increase as their experience progresses.

Most farmers seem to feel that the Plains ought to be able to produce between 90 and 130 bushels consistently under irrigated, fertilized, conditions.

**Silage**  
Corn again ranks high in this field, and when cut green, provides a succulent silage crop for beef or dairy cattle operations.

Farmers raising corn, sargo, or some other crop for sale as silage did fairly well last year.

**Legume Seed**  
One phase of the national farm program which farmers of the area are eyeing with great interest is the soil bank. The laying out of many acres and planting them to soil-building crops is expected to result in an increased demand for legume seed.

Because of this area's long-proven ability to produce quality seed, commercial legume seed farming may not seem so impossible after all.

Sudan seed has long been a steady, although minor, crop for many farmers of the western High Plains. The high, dry climate provides ideal conditions for superior seed.

Little special equipment would be needed for this possible new farming offshoot, believes Agent Jones. It can be combined, or mowed and threshed. The drills, rakes, mowers, and combines are already on hand.

Alfalfa, clover, or vetch seed is most likely to be most adaptable in this area. Producing this seed will require careful management, cautions Jones.

### Certified Sorghum Seed

Certified grain sorghum seed is another possibility for some farmers, although their numbers are limited. Isolations and special management pose hurdles.

Also, the effect that coming new hybrids may have on the certified grain sorghum seed market is a consideration.

### Soybeans

Like sesame, soybeans are an oilseed crop. They are grown on huge acreages in Southeast and Midwest states. They are only a very minor part of cropping on the High Plains at the present.

As a legume, they are a soil-building crop. The past year, they sold for about \$2.50 a bushel, and average yields ran from 25 to 35 bushels per acre.

They are eligible for price supports as a non-basic crop. At present, the beans must be hauled to Littlefield or Lubbock for marketing.

### Sesame

Sesame, an old, old oilseed crop, but only recently produced on the Plains, came into the area farming picture with much fanfare two years ago. However, interest in this crop has sort of fizzled out.

Generally, farmers were disappointed with yields and regarded the crop as being more trouble than it is worth. Strengthening of the grain sorghum prices last year caused interest to decline further.

Agricultural observers aren't expecting sesame to make any sudden comeback. It may, however, return a few score acres at a time. Its future place in the area's farming picture is not as yet defined.

### Sorghum Alum

This is another much publicized, but very new crop for the area. Its commercial production was started in Collingsworth County, near Wellington.

Sorghum alum, claim its boosters, is a prodigious producer of grazing for cattle on the unusually dry pastures of the great Southwest. It is a hardy plant—not too much unlike Johnson grass—and seems particularly suited to this climate.

Several Parmer County farmers have indicated they may be interested in growing some sorghum alum next year for seed. This year, the seed has been retailing for about \$3 per pound—something that is widening the eyes of would-be seed growers.

### SOIL CONSERVATION DISTRICT NEWS

There has been a great deal said about the Soil Bank program and there is a lot of interest being shown in the program on dry land acres in Parmer County. If you are going to or have already put land in the Conservation Reserve Program, you now need to be on the lookout for suitable grass seed for planting these reserve acres.

Grasses that will be suitable in Parmer County are Blue Grama, Side Oats Grama, Weeping Lovegrass and Sandlove grass.

It will probably be desirable to plant the lovegrasses only on the medium or sandy soils. The other grasses mentioned are good on all soil types in the district.

Prior to planting these grasses, however, it will be necessary to establish a cover crop or high residue crop to plant the grass in. Seedings of grain sorghum, sweet sorghum, sudan, and millet planted at approximately double the regular seeding rate, will be accepted. This high seeding rate is to keep the sorghum or sudan from making seed to germinate in competition to the grass seed when it is planted.

For complete information on planting rates and other information, be sure to check with either the county agent, ASC office or the Soil Conservation Service before starting any part of the program.

As of January 1, 1957, 3,322 acres had been signed up in the conservation reserve in Parmer County.

The first quarter of this year the SCS has received 191 requests for service on the ACP program. All but three of these requests were for pipelines. The three were for bench leveling land. The 191 is just nine requests short of the total requests received during 1956.

This has placed a very heavy load on our two technicians, along with our regular duties of assisting cooperators of the District with their soil and water conservation problems. We request your patience if we are unable to get to you as quickly as you would like, but we will be there.

### NEWS FROM THE FARM BUREAU

By RAYMOND EULER

Your directors and officers in Farm Bureau feel the great loss of a faithful friend and worker at the passing of Ralph Miller, Mr. Miller was elected to a second term as director at the annual convention in October, 1956. He served as chairman of the legislative committee in 1955. His sense of individual responsibility for himself and his fellow farmers in working out solutions to problems consistently magnified the value of his services to his fellow man through the organization. His conservative and Christian approach to every occasion commanded the respect of all who were associated with him.

We are proud of President Kaltwasser's presentation of Parmer County Farm Bureau's recommendations to the president at the Lamesa drought relief meeting. A re-broadcast of his remarks was heard by many on Cotton John's program, and the report carried in county papers was complimentary in a factual way.

We have learned that TFB President J. Walter Hammond had breakfast with President Eisenhower in San Angelo, and was given a 30-minute audience to present TFB's recommendations for drought relief. Parmer County's recommendations, in general, were included in the state recommendations.

Vice-president Jack Patterson is getting his committee lined up for membership acquisition in February and March. Efforts are being made to increase mail renewals to save time and expense of so many farmers having to call on you for your renewal. If you intend to renew, says Patterson, you will be doing some farmer a great favor by mailing your dues in when you receive your first statement.

Consider this: Whoso rewardeth evil for good, evil shall not depart from his house. Proverbs 17:13.

## Five County Men To Lubbock Meet

Five Parmer County farmers attended a meeting of over one hundred District II Farm Bureau leaders in Lubbock last Thursday. Purpose of the meeting was to give information on executing Farm Bureau legislative policies during the year, keeping informed, and gaining information from local farmers and ranchers. Both objects are contributory to a truly representative organization, believe Bureau leaders.

Speakers heard were Millard Shivers, TFB organization director, who taught a class on legislative execution. Hub King, State TFB director from District II, reported to the group on the American Farm Bureau convention held in Miami last month. TFB field representative, Oliver Grote, instructed the group on the workings and duties of committees. John Gregg of the National Cotton Council addressed the group on progress of that organization's activities.

Dr. Wayland Bennett, head of the agricultural economics department of Texas Technological College, and Dr. Stangel, dean of agriculture, Texas Tech, made some observations of great interest to farmers of this area, according to Kaltwasser. They predicted that the present production of cotton and wheat will be

sufficient for domestic and foreign markets as late as 1975. But of further interest was their belief that an increase of 50 percent in cattle production and 40 percent in hogs will be needed by then. This, in turn would mean that more feed grains (sorghums to this area) would be needed in about the same percentage. They expressed the belief that the feed grains would not be marketed as such, but that they would be used mainly by the producers in feeding the additional livestock population, thus fading the importance of market prices on those commodities.

The trend, according to these agricultural experts, will be toward livestock production, possibly making this the cattle and hog center of the world. Attending the meeting from Parmer County were Jack Patterson, PCFB vice-president, Rhea; T. L. Kent, Lariat FB member; Donald Christian, Bovina director; Vernon Symcox, FB legislative committee member of Oklahoma Lane, and Gilbert Kaltwasser, PCFB president.

The American Veterinary Medical Association says that no rat poison is completely harmless to livestock and pets, and for that reason should be placed where farm animals cannot get at it.

# THE PARMER FARMER

One of the doggondest articles on farming we have run across was handed us the other day by J. G. "Red" McFarland. It was in a copy of the West Texas Livestock Weekly, a tabloid-size publication which many of our readers no doubt have seen.

The issue of November 1 of last year carried a story about a farmer in the Upper Rio Grande Valley of Texas (southeast of El Paso) who claims to be an "organic" farmer.

Idus Gillett frowns on just about everything the modern farmers of the High Plains consider absolutely essential in the way of up-to-date farming practices. He doesn't believe in spraying his crops, fertilizing his land, using insecticides around his livestock, or even breaking his land!

To care for his soil he gathers up manure (he runs a dairy) and other refuse and makes large piles of compost, wetting down the pile to increase the activity of bacteria

and generate heat. This compost is applied to his land. In reality, it is home-made fertilizer. It stimulates the activities of animals in the soil, especially common earthworms. The earthworms is, in effect, Gillett's "plow." He depends on hundreds of millions of these minute and little respected animals to drill so many passages in his soil that the land is friable and easy to farm.

We don't know what your reaction to these revolutionary ideas would be. Some may be okay—some a little far fetched. We would class in the latter category his theory that people eat less bread today than they did a generation or two ago because of a preservative in it. He says, "I understand that the preservative, which has a long name, is the same that is used in the morgue for preserving human bodies."

Gruesome outlook, isn't it?

## ROBBING PETER TO PAY PAUL

Do you "Rob Peter to Pay Paul" in your farming operations?

Well, perhaps that is really a hard way to look at it, but in the case of irrigation farmers who continue to deplete their soil's vitality with heavy cropping, and not returning any fertility, that is just about what it amounts to.

After the lessons learned in the Valley of the Nile, the Eastern Coast cotton fields, and the Texas Blacklands, farmers have about decided that it's ALWAYS a paying proposition to keep your land just as good today as it was when you started farming it—or even better, if possible.

It IS possible through modern fertilizer techniques. See us for details.

## Farmers Union SPEAKS

By W. L. EDELMON

Now that the president has made his recommendations concerning emergency relief for the drought area, we are wondering if such action will be taken and if so, will it be taken in time to do any good or will it be postponed until the emergency is over.

Except for this immediate area, the drought recommendations have been overshadowed by tremendous budget for the coming year. With the division over the Middle Eastern plans it may be some time before congress can get to work on any farm legislation.

One might still be wondering about the feed grain picture for 1957 as it is past the time the support program is usually announced by the department of agriculture. To say the least we are entitled to know what can be expected from Mr. Benson.

Recognized economists no longer consider the full flexibility "sliding scale" formula as fulfilling the need for reduced production nor for providing parity income for farm families. This was one of the promises made during the recent political campaign. During 1956 with more and more farm commodities coming under the "sliding scale" formula, the highest farm production on record was reached, and farm income was far below that of 1952.

With the largest peacetime military and foreign-aid budgets ever proposed, it is wondered why someone does not consider setting up a food and fiber reserve for use in the emergency for which we have been asked to provide in the 72 billion dollar budget proposed by the president. Are our memories so short that we have forgotten how farmers were urged to all out production during the last two military efforts required of this country?

Our present supplies of food and fiber could not last until another crop year in case an all-out military effort should be required. The costs of providing for this contingency would be negligible compared to the benefits it would bring. Its benefits to the farmers of this country would be no different to those received by the holders of military contract under the president's proposed budget for 1957. Each would be providing a necessary service or commodity needed in case of a military conflict.

Farmer County will be represented in Washington next week by two members of Farmers Union. Mr. and Mrs. James Welch of the Lazbuddie local of Farmers Union will leave Wichita Falls Friday morning and be a part of the Texas "bus trippers" delegation to visit congressmen and government departments during the first four days of next week. This is a part of Farmers Union plan to have six busloads of farmers in Washington each week for the entire session of congress. Last year more than three thousand farmers took part in the "bus tripper" program.

Welch is the vice-president of the Lazbuddie local of Farmers Union and while in Washington will be privileged to talk with congressmen telling them what he thinks we need in a farm program. Other farmers are urged to avail themselves of this opportunity. A second trip is planned for this year from Texas and announcements concerning it will be made at a later date. Welch will be invited to appear on the program of the annual Parmer County Farmers Union banquet to relate his experiences while in Washington.

### Cummings Farm Store Hosts Caged Hen Meet

Several persons who are interested in caged layer projects were guests of Cummings Farm Store at an educational meeting Thursday evening. Harry C. Harvey of Portales, who is the district representative for Ralston-Purina Company, conducted the meeting.

Harvey showed a film on cage management and pointed out the small things which operators might overlook which would cut down on their profits. He also listed a number of things which successful operators had learned that should or should not be done.

### Extension Course Offered By WT

Everyone interested in taking an extension course from West Texas State College is asked to meet at the Friona High School building Monday evening at 7:30, January 28.

The course can be counted toward graduate or undergraduate work. It is not known at this time what the course will be. The initial meeting will decide this, and early attendance is important.

Twenty-three people are needed to enroll before the course will materialize.

### County 4-H Boys In Hereford Show

Three Parmer County 4-H boys showed their animals at the Hereford Junior Livestock and Poultry Show Friday and Saturday.

Taking 12th place in a class of 25 was Cooper Young, who entered his Whiteface calf.

Richard Chitwood took 8th in a class of 16 with his Angus calf.

Tommie Tatum entered a Hampshire pig, reports County Agent Joe Jones.

Several FFA boys from over the county had entries also, but all their names are not available.

### To Meeting At Panhandle

Miss Jimmie Lou Waincott, Parmer County Home Demonstration Agent and Mrs. Dee Chitwood and Mrs. L. B. Lookingbill are in Panhandle today (Thursday) to attend the district Texas Home Demonstration Association training meeting for county council chairmen, THDA chairmen and county home demonstration agents.

## THE HAPPY HOMEMAKER

If a felt skirt is on the list of "musts" for your growing daughter and you hesitate to make one because she will outgrow it so soon, here is an idea you will welcome. When cutting the skirt, just cut it two or three inches longer than it needs to be. Then cut this extra length off and store it for future use.

When the skirt gets too short, just use some decorative tape to hide the extension on the bottom of the skirt. Extra bands of tape may be added to give the skirt a new look.

Your adjustable ironing board can be used for many things around the house besides ironing. If you have a portable sewing machine, the ironing board will make a very satisfactory sewing table. By using a plastic cover,

the ironing board may be converted into a temporary snack bar or play table for the children.

When planning your spring gardening, don't overlook the possibilities of rhubarb. Several large two or three eye roots, planted now, will give the average family enough rhubarb for pies and sauce. There just isn't a better or easier vegetable to can or freeze.

Strawberries are another garden item which should be set out now. In this section of the country it isn't uncommon for a plant to yield a quart of fruit. You might measure the number of plants you should put out by the number of quarts of strawberries you would like to have this summer and fall.

Once you get a bed started, strawberries require very little care. They need to be in a well drained place and do better if the soil is rich. There is nothing that gives a gardener more pleasure than being able to step out in late spring or early fall and pick a basket of fresh vine ripened strawberries.

If you are planning a get-together and like to have something hot to serve with coffee, here is a recipe that you should try. It is called Orange-Cinnamon Bread and is real simple to make.

Sift flour, then measure out 2 cups. Sift again with 1 1/2 teaspoons baking powder, 1/8 teaspoon salt, 1/2 cup sugar, 1 teaspoon cinnamon and 1/2 teaspoon nutmeg into mixing bowl. Cut in 1/3 cup shortening with a pastry blender until mixture resembles fine crumbs. Add 2 tablespoons grated orange rind and 1/3 cup chopped nuts. Combine one well beaten egg and 1/2 cup milk. Add to flour mixture and mix enough to moisten flour.

Spread batter evenly in a greased 9-inch square pan. Sprinkle with a topping made by combining 1/2 cup sugar, 1/2 teaspoon cinnamon and 2 tablespoons melted butter. Bake in a moderate oven for 25 minutes. Cut in squares while hot and serve. Makes nine medium servings.

A man was reading the birth and death records in a public library. After doing some figuring on a piece of scrap paper, he turned to the man next to him and said, "Do you know that every time I breathe a man dies?" "Very interesting," replied the neighbor. "Would you mind breathing in the other direction?"

Stains on wood furniture sometimes present a problem; so I thought that these tips might be helpful.

Heat marks or alcohol stains on wooden furniture are not easily removed. Often furniture so damaged can be restored only by refinishing. Here are a few suggestions offered by extension home furnishings specialists for home treatment of such damage on woods: When you spill any beverages, perfumes or medicines containing alcohol on furniture, wipe up the liquid immediately before it has time to penetrate into the finish. If the liquid goes completely through the finish, there is only one remedy—spot refinishing job temporarily and a complete refinishing job later.

For temporary protection, polish with wax, using a colored wax for dark woods. If this is not effective, mix powdered pumice and oil into a creamy paste and apply it to the stain, rubbing with the grain of the wood, then polish with a clean soft cloth.

Try treating burns the same way, first trying wax, then the pumice and oil mixture. When penetration

is not too deep, heat marks may be eliminated by light stroking with a cloth moistened in camphorated oil, followed by buffing with a clean cloth. Water rings may respond to waxing or to treatment with camphorated oil.

Eggs take the feature spot on the February plentiful foods list announced for this area by the U. S. Department of Agriculture. Beef, lamb, broilers and fryers, and certain sea foods also are included on the February list.

Other foods expected to be plentiful supply during February are rich, milk and other dairy products, potatoes, canned sweet corn, canned purple plums and dried prunes.

January is a good time to take stock of your supply of sheets, towels and other household linens. This is one of the best times of the year to restock linens. Many department stores and shops offer excellent values in sheets, towels, table linens and other household cottons at this time.

The January white sales have become an annual custom with many homemakers. For best values, read the ads first, then read labels and prices at stores and compare offerings.

Tetanus in farm livestock can be confused with several other diseases including cerebral meningitis, acute muscular rheumatism, "tetany" and rabies. It is always wise to obtain a veterinary diagnosis promptly when any such conditions are suspected.

## BRILLION PLOW PACKER

"Makes Once-Over Tillage A Reality"

Come in and see this new piece of equipment that promises much for High Plains farmers. The Brillion machine is a "crow's foot" implement that breaks clods and mulches your soil—right behind the plow.

Soil moisture is precious—the Brillion Plow Packer will conserve it. It "seals in" your moisture by lightly compacting the rows, and is a great aid to seedbed preparation in this respect. These packers come equipped with a hitch that fits all lifts or pull type plows.

You're sure to want to see this new and moisture-saving implement. We will be glad to show it to you.

scorer, racking up 33 points. She was followed closely by Janice Oliver who had 27. Regina Gerber and Carolyn Huserman led the losers with 24 and 23 points, respectively.

The Lazbuddie Longhorns also played the two foes and they too lost to Happy and won over Nazareth. Their loss to Happy was in an overtime, 50-45. Nazareth proved to be an easier opponent and the Longhorns came up with a 40-27 win.

Glen Watkins was high man for Lazbuddie in both games. Against Nazareth he hit 18 points. He was followed by James Gilmore with 16.

The Lazbuddie boys have improved steadily in recent weeks, having won five out of seven since the Christmas holidays. The season record for the Longhorns stands at 9-10 and they have a 3-1 conference record.

Schedule for the week:  
January 25—Bovina at Lazbuddie, 7:15

January 29—Lazbuddie at Vega February 1—Happy at Lazbuddie February 5—Nazareth at Lazbuddie, 7:15.

The Lazbuddie grade school boys and girls will play Bovina at Laz-

buddie, January 28. Game time is 6:15.
