### A really dumb bad guy

The new TV season has begun and it's fun to watch some of our favorite shows, like "CSI" and "Boston Legal."

But I saw the dumbest "premiere" episode ever the other week when "CSI Miami" started. I don't know who the scriptwriters were, but I presume they have been fired.

Get some of this: The hero guy, played by David Caruso, flies down to Brazil to get even with the bad drug-trafficker guy who killed Caruso's wife. No problem there.

How to find the bad guy?

## Logan Carpenter wins 4th contest

It was another tough week for Area Merchants Football Contest participants with only one of the hundreds of entrants last week getting 11 games picked correctly.

For that nifty feat, the first place cash prize of \$20 went to Logan Carpenter.

Four entrants had 10 right. By virtue of being closest to the tie breaker (Friona 21, Bovina 0), the 2nd place cash prize of \$7 went to Ben McDaniel.

Others with 10 right and their totals off the tie breaker were:

Mike Prokop, 28; Deanna Curtis, 28, and Keith Hadley, 31.

Results of last week's games were:

Farwell over Morton, Vega over Dimmitt, California over Arizona State, Arkansas over Alabama, Washington over UCLA, Army over Baylor, Air Force over Wyoming, NY Jets over Buffalo, Green Bay over Detroit, Miami over Tennessee, Chicago over Minnesota, and Carolina over Tampa Bay.

The contest is now one-quarter of the way through.

The overall champion will receive \$200 in cash plus two tickets to the Dallas Cowboys -- New Orleans Saints game at Texas Stadium.

Here's a look at the Leader Board after

Logan Carpenter, right, receives his check for winning last week's football contest from Greg Actkinson, of Security State Bank, one of the contest sponsors.

# Police investigate rash of robberies

by Teresa Mesman

The rash of burglaries and robberies throughout Parmer, Bailey and Lamb counties has area law enforcement officials and concerned citizens on alert.

It was reported in the Tribune last week that several homes along Highway 70 were burgled and several Lazbuddie homes were targeted while the residents were at church the previous Sunday.

"The break-ins and robberies aren't showing up in any sort of pattern," said Bailey County sheriff Richard Wills. "The crimes are all across this county and the neighboring counties, too."

The items that have been reported stolen range from horse saddles, air compressors – both portable and mounted, a variety of tools and drills.

Copper theft is also on the rise due to the price increase for the metal.

According to law enforcement officials, copper tubing, pipe and fittings are being stolen from electrical and plumbing company yards, construction job sites and off of service trucks.

Ted Treider, owner of Treider Hardware and Supplies of Lazbuddie, has been alerted to this fact and is being cautious and careful with his supplies.

"I heard about all the copper stealing going on down in Lubbock a little while ago," he commented. "Now it's in our area and we all need to be on the lookout."

Ted also reported that one area resident was definitely on the lookout two weeks ago. He said a Lazbuddie man witnessed a theft in progress. He was able to give a very detailed description of the vehicle involved to deputies.

Parmer County Sheriff Randy Geries said they have promising leads in the case. They don't want to give specifics and tip off the culprits. But he said he is looking forward to reporting that some of these cases have been closed.

Crime is also affecting area farmers and ranchers in both Curry and Parmer counties as well. According to reports, both dairy and beef calves are being stolen. At this writing, reports of 12 or more calves had been filed with law enforcement in both counties.

Law enforcement officials need all the help they can get from area citizens. The more eyes and ears that they have, the faster they can get crimes solved and items recovered.

"If anyone sees something or knows of the whereabouts of any stolen goods, please contact my office or the Parmer County sheriff's office immediately," Wills said.

The numbers to reach the Bailey County Sheriff's office are (806) 272-4268 or 272-3434.

The number to the Parmer County Sheriff's office is (806) 481-3303.

Lamb County Sheriff's office can be contacted at (806) 385-7900.

If you witness a crime in progress, you can also call 911 to report information and location details. Do not put yourself in harm's way, however. To remain anonymous, contact Parmer County Crimestoppers at 1-800-774-TIPS (8477) or 481-9178.

# Cleanup of fuel spill continues in Texico

The diesel truck that overturned and split open Sept. 20 in Texico caused an evacuation of about a dozen homes in the area and closing of local businesses, like the Town & Country store, Helton Oil and the Texico post office, for part of the day while the mess was cleaned up.

Helton Oil could not reopen until Monday.

The driver, from Amarillo, received minor injuries.

About 6,000 gallons of gasoline and diesel fuel were spilled. A portion of the roadway was closed for several hours. The residents who were told to leave got to return home on Friday.

Cleanup crew flushed the storm drains around the site, and removed fuel-contaminated dirt from the area. The work is expected to be completed in a few days.

What a biggie!

Farwell's R.C. Davis shows off his Beefmaster tomato plant. This single plant measured 5' wide by 5' tall and 10' long. R.C. wasn't sure if it was a record sized plant, but it sure is a record for him.

## EQIP is topic at meeting

Recently, the Program Development Group of the Parmer County Soil & Water Conservation District met to make recommendations on 2007 conservation programs.

Led by local NRCS District Conservationist Earl Behrends, the group of local farmers, ranchers, dairy and feedlot operators and others focused on Environmental Quality Incentives Program (EQIP) practices.

with Seth Meeks for a 40-yard gain, and Garrett Presnell and DeLeon gained some yards rushing behind their offensive line.

On their final drive, the Steers made it inside of Morton's 10 yard line but were unable to convert on 4th down.

\*\*\* The 8th Grade Farwell Steers defeated Morton, 6-

0. Farwell's defense managed to keep Morton out of the end zone the entire game due to some good tackles by the defensive line, linebackers, and secondary.

Offensively, Landry Actkinson hit Caleb Christian for a 20-yard TD pass

The entire team played hard.

## Farwell captures 1st at Friona meet

From Coach Korey Conkin:  
The Farwell Lady Blue cross country team did it again -- claiming another championship on Saturday at the Friona Trails Cross Country Meet. Our runners finished an east 1st place, despite missing 2 of their 7 runners on the team.

Freshman Laura Martinez stepped up and filled a varsity spot, helping the girls run to their 3rd first place finish this season.

I was glad to see the girls rise to the challenge at this meet after they found out they were going to be minus two teammates from the original seven. They seem to have a lot of confidence in their abilities to compete right now. They have realized how important it is to trust in each other and rise above and beyond when they meet a challenge.

Chanel Castillo let the pack again with a 3rd place finish in the small school division. Due to that ranking, she received an individual trophy.

Chanel was frustrated in hearing her teammate, Megan Langdon, would not be able to compete because of an ankle injury she encountered just before the race. I guess she just turned that frustration into energy to aid her in her top 3 finish.

Along with the varsity girls' win, the JV had success, too. Sarahi Saenz finished in the top 10 as our JV team finished 4th, just below some much larger schools like Hereford and Randall.

The varsity girls will be our only team competing

this weekend. They travel to Lubbock and will vie against some of the best Class 1A and 2A schools in the state.

Varsity results from Friona:  
Chanel Castillo, 3rd; Melinda Castillo, 6th; Taylor Fillpot, 12th; Salida Edwards, 13th; Laura Martinez, 56th; Brenda

Cano, 76th.

JV results:  
Sarahi Saenz, 9th, 15:12; Megan Patrick, 30th, 15:56; Keegan Langford, 16:30; Brenda Delgado, 16:31; Hayley Fowler, 16:49; Gaby Vidaurri, 17:06; Amanda Martin, 17:12.

Kelsey Jones

## Kelsey Jones honored

Kelsey Jones, bride-elect of Clinton Hill, was honored with a bridal shower Sept. 23 in the home of LaDonna Scott of Muleshoe.

A pear green lace trimmed cloth covered the table which was accented with a fall arrangement of silk foliage and rust chrysanthemums in a tall glass vase draped at the base with sheer bronze organza. Guests were served a variety of breakfast casseroles, mini cinnamon rolls, and fresh fruit arrayed on brass trays, along with coffee and orange juice.

Special guests were Kelsey's mother, Mrs. Becky Jones, of Muleshoe; her sister and niece Katy and Kenna Williams, of Lubbock; her grandmothers, Nona Milner of Lubbock and Flo Jones of Muleshoe; her aunt and cousin, Rhonda and Addison Milner of Lubbock; and Kim and Kira Cousatte, of Lubbock.

Other special guests were Clint's mother, Dee Hill, of Melrose; his sisters, Kari Hill, of Portales, and Callie Hill of Melrose; his grandmothers, Gene Terry and Judy Hill, both of Clovis; his aunt, Mona Burns, of Melrose; and aunt and cousin Terry and Sydney Sorley of Clovis.

Hostesses were Pat Randolph, Tanya Embry, Rhonda Hodges, Mandy Seaton, LaReta Barber, Marca Morris, Debbie Weir, Janice Bradshaw, Vicki Morris, Debbie Nickels, Terri Loudder, Glenda Dale, Sarah Black, LaDonna Scott, Debbie Gallman, Jana St. Clair, Linda Martin, Reta Mimms, Janette Thorn, and April Coker.

The couple, who will exchange vows Oct. 21 in Clovis, plans to live in Portales.

Kelsey is an FCS major at ENMU in Portales. She is the daughter of John and Becky Jones, of Muleshoe.

Clinton is the youth minister at the First United Methodist Church of Muleshoe while he majors in theology at ENMU.

Caruso does that easily. He wanders into the bad guy's turf, and is stopped by a huge gang. While standing there, a kid turns up to tell him all about the bad guy and how to find him. Yeah, while the bad guy's gang watches.

All I can say is that kid had a whole lot more guts than I have.

So Caruso finds the bad guy on a heli-pad. The bad guy has no bodyguards, no gang with him. Yeah, right.

But the bad guy does have a small knife. Of course, Caruso wrestles it away from him easily. The bad guy might be one of the meanest drug traffickers in the world, with a huge gang, but he apparently was very poor at handling a small knife.

So the knife-less bad guy gets ticked off, sneers, and charges Caruso, who

is holding the knife. And the bad guy impales himself on the knife, and dies.

Personally, I don't consider it very prudent to fight a guy with a knife by charging into the knife. But what do I know?

This was the stupidest bad guy I have ever seen in a TV show. But he was good at sneering.

By then, we were laughing so hard, I don't remember the ending.

Thankfully.

Some Tribunes were delivered late last week -- on Saturday.

The Tribune is taken to the Farwell post office every Wednesday afternoon and trucked to the Amarillo post office that day.

They are then sent to the area post offices early Thursday morning.

So if the paper is late,

it's because something went wrong at the Amarillo post office.

And, yes, we call them, as does the Farwell post office.

We are having a great turnout for this year's football contest, and that is great to see. But we want to remind all entrants that the space for "name" means your full name -- first and last.

Does anyone know who some of these entrants are?

"Cook." "John." "Carmelita." "Backus." "Sterling."

There is one that I do know: "Prokop."

## 'Character counts'

Texico Schools won't have Red Ribbon Week in October. Instead, they will stress "character counts," reports high school counselor Robbie Allred.

**Longhorns in action**

**Longhorns of the Week**

Coach Thompson named as the Longhorns of the Week for their play against Southland -- Devlin Thompson, left, and Trevor Coker.

**Southland tops 'Horns**

The Lazbuddie Longhorns fell to Southland on Friday, 50-12.

The score could have been a lot closer because besides Lazbuddie scoring two TDs, the Longhorns got into the red zone four other times but couldn't find paydirt.

"It's a young team, but we're competing," said Coach Beau Thompson. "This was our first game when all our kids were healthy. The future looks bright."

Scoring in the 1st half was Jesse Gomez, on a long run. And in the 2nd half, Jason Davis literally "stole" the ball from a Southland runner, and took it in from about 8 yards out for a score.

Besides Davis' fumble recovery, on defense, Devlin Thompson knocked down a pass and had a good game, said the coach.

Also, Trevor Coker snapped the ball well from his center's post throughout the game.

On offense, Esteban Pacheco had a run over 20 yards, and Bryce Haney caught three passes for good gains. "We were very physical and won respect," said Thompson.

**Muleshoe Coop Gin**

We would like to thank our loyal customers for their continued patronage, welcome all our new customers and wish everyone a successful growing season.

Muleshoe Co-op Gin strives to give its customer-owners the best value for their ginning dollar. When choosing a gin, customers should examine up-front seed prices, ginning costs and cotton grades. Sometimes, better cotton grades can mean a difference in excess of \$20.00 per bale. With quality in mind, we endeavor to gin our customers' cotton as soon as possible after it is harvested to eliminate any possible deterioration that could occur from modules being left in the fields for a prolonged period of time.

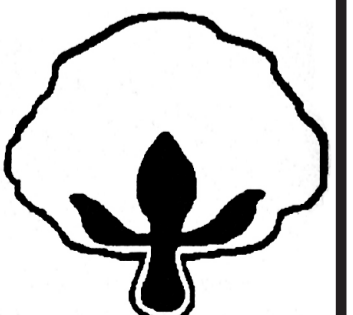

In a continuing effort to bring ginning excellence to our customers, Muleshoe Co-op Gin returned \$463,000.00 cash, on 43,000 bales ginned, to its customers in 2004.

This monetary return, plus the quality of service provided, makes Muleshoe Co-op Gin an unbeatable choice for ginning your cotton crop.

## Texico Council to take look at owners rights

After the recent pipeline work done in front of Master Tech Automotive and continuing through the parking lot of Borderline Cuts on Wheeler Avenue, the Texico City Council will be looking at the procedure for projects around the city to repair and replace anything that is involved in construction.

In this instance, pipeline work was done on the city right-of-way in front of two businesses and several homes, and most of the area was repaired to the same way it had been. In some cases, there are furrows left where they had dug up the ground and then replaced it. Councilman Jerry Bradley questioned what rights the city had to ask the construction companies to rebuild things like driveways, and yards back to their original condition.

In the case of Borderline Cuts, the parking lot out front has a lot of stone work that was moved and then replaced. Bradley wanted to know if there were any provisions in the law that would protect a resident or business person if the job was not done correctly. The question was tabled until City Attorney Marion Rutter can look into rights.

In other news, the council on Tuesday:

- Heard from Fire Chief Lewis Cooper that the Ute Water Project will be looking at a public meeting in the near future to get more public input on support for the project.

- Looked into buying a vehicle for the public works department to drive around and check meters. They are looking at several different options, but postponed a decision to see which of the vehicles the city's insurance would cover.

- Got water samples back on the two wells they are negotiating for water rights on. Both of the samples looked good, so the city negotiations will move forward.

- Voted to send Cooper to a City of Clovis cooperative buying group meeting to see if Texico would be interested in joining

- Discussed the tires on Texico Police Chief John Meres' police cruiser. Several months ago, the cruiser got decals and new tires and rims. Questions had been raised about how professional they looked, but the council voted to leave the tires and rims as they are and cited another instance several years ago when the police chief was allowed to do the same thing.

### Letter to the Editor

Dear Mike, I am mad. Why? When did we start celebrating Mexican Independence day in the United States Of America, They don't celebrate July 4th down there.

This is the good ole U.S.A. and we don't need to be allowing this in our public schools. We already educate them, teach them English and allow them to use our free benefits. I will now boycott all events at Farwell Schools until this practice is stopped.

Respectfully,  
Hobbie Coffman  
P.S. I heard an answering machine message that fits here: Dial 1 for English; Dial 2 to disconnect until you learn English...

**LIVE CATTLE:** The market rebounded back fairly strong on Friday after making new lows on the week early in the day. Cash prices also traded \$1 plus higher on the week in the face of falling beef prices. The Cattle on Feed report showed total cattle on feed increased 10% over year ago levels. Placements were up over 15% from last year and marketed cattle were up about 2%. With all the mixed news, we wouldn't be too surprised to see a bounce back up for a while. Prices have dropped over \$6.00 in just the last couple of weeks. The downside may be a over done at this time?

**FEEDER CATTLE:** Basically a repeat with the feeder prices. The market has dropped \$7.50 in the last couple of weeks which is probably a little overdone. Look for some stability around these levels. Long term trends are still down into November.

**CORN:** The move back above \$2.50 basis the December contract came as a surprise as yields in many areas are coming in as expected. This move turned long term trends back higher even though the seasonal tendency is down into harvest. We are expecting to see some wild fluctuations in prices over the coming year. This may be the beginning of a ibouncyi road?

**SOYBEANS:** Beans were able to turn their short term trends up last week, but still had a soft close on the week. Similar to corn, yields have been running as expected and even higher in many areas. This may be a record soybean year and near record corn. Prices have had to struggle to gain any ground whatsoever on the upside. A move back below \$5.37 would take the market lower.

**WHEAT:** Prices got a boost from a sharp decrease in Australian production this week. Australia has steadily dropped their production from an estimated 22.5 mmt in June to just under 16.5 mmt this week. World stocks are expected to remain tight, but planted acres across the world are also expected to reach record levels this year. Resistance is \$5.00 and support is \$4.50.

**COTTON:** The market has stabilized this week, but most of the decline has been blamed on USDA production estimates remaining at much higher levels than private forecaster's and a slower than expected export demand. The world economy has slowed down and demand for cotton has also become weak. Short and long term trends are still down at this time.

# Steers knock off Morton

by Jon Beaubien

The Farwell Steers hiked their record to 3-1 on the season with a 24-6 pounding of Morton there on Friday.

Brett Howard returned the kick to the 32. Neither team scored in the opening period. Our defensive line held and made a lot of great tackles.

The 2nd quarter started with the Indians with the ball deep in Steers territory. On the first play, Daniel Cantu recovered a fumble, and we ended up with possession on our 11.

Brett Howard caught a great pass that moved us up to our 34. A few plays later, he snagged it in again on an amazing long pass from Derrick Chandler that ended on the Morton 29.

Alex Olmos had a couple great carries, and then scored from the 11. The extra point kick was blocked and we led 6-0.

Roper Ledbetter stopped the kick returner at their 31. We saw takedowns by Finus Nolte, Bryce Howard and Olmos. But the Indians kicked a 30-yard field goal to pull within 3.

Farwell got the ball back at its 11. Chandler knocked off a huge run, all the way to the Morton 22. Olmos then ran it in from the 20 for a TD and a 12-3 lead.

Morton was held and an "airball" punt gave Farwell the ball near midfield. The Steers made short work of the next couple of plays and then Chandler threw a beautiful pass to Brett Howard for an 18-yard TD with 1:14 left in the half.

Morton moved quickly, despite a QB sack by Logan Carpenter, and hit a 25-yard field goal with 16 seconds left in the half, leaving Farwell ahead, 18-6.

It was Homecoming for Morton and the 2nd half kick-off was interrupted by a horse and carriage moving around the field with the homecoming court.

Farwell was stopped, and then Carpenter recovered a fumble at the Morton 26. Quickly, Farwell put more points on the board when Chandler hit Brett Howard with an 8-yard score.

On defense, Chandler strained a knee and came out. He may miss the next game. Roper Ledbetter took over at QB.

The 4th quarter opened with the Indians possession on the Steers 30. Nolte and Olmos had great tackles and then Carpenter had his second QB sack.

After a change of possession, the Steers kept the pressure on, forcing the Indians to punt. There was great coverage on the runback and an amazing block by Nolte that allowed Olmos to scramble over to the Morton 45 yard line.

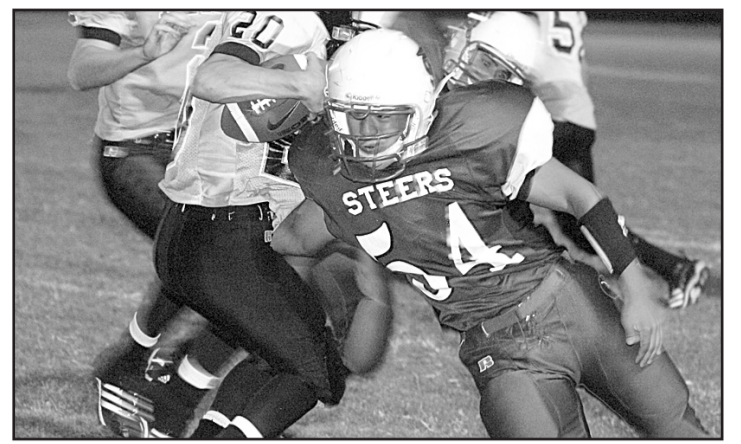

Team stats: 1st downs, Farwell 11, Morton 7; rushing, Farwell 186, Morton 44; passing, Farwell 86, Morton 102.

And some side notes from Robyne Beaubien:  
 -- After last week, I have figured out the most challenging thing about writing articles about football games is not only paying attention at the game, but reducing pages of notes into a few paragraphs!  
 -- Trace Stevenson had to leave the game with an injury and we wish the best for him.  
 -- We were sitting next to the Chandler's, and Rowdy Chandler said Morton was not going to make that first field goal ... and then they did! His wife said it was all his fault!  
 -- At halftime, I checked out the snack bar and rest-

room. Here are my "services scores" -- stands - 4; bathroom - 3.75; and snack bar - 3.5. Remember the scale is 1 (bad) to 5 (great!). I gave an extra point in each category because they had restrooms and a snack bar on the visitor side.

-- While I was checking everything out, I returned to find that someone had left a message for me in my notebook. Now I am not one to cast aspersions on anyone's character, but if you leave a notebook at a football game and return to find a little note written on it, I would check to see if Annetta Hadley is sitting somewhere nearby.

# New Deal defeats Wolverines

by Cary Crist

The Texico Wolverines tangled with another top 5 Texas opponent on Friday at home, losing to New Deal, 34-6.

There is no doubt that the Wolverines have taken an aggressive non-district schedule. The Lions have one of the largest lines in small school football, with 7 players ranging from 260 to 340 pounds.

The Lions opened the game with a 65-yard march, ending with a 1-yard TD plunge at 8:30.

Jonathan Sullivan took the kick and had a great return to the Lions' 46. Three tough runs by Justin Garrison produced a 1st down. Seth Bailey then made a tremendous 25-yard reception on a throw from Casey Crist. Bailey made the catch even though he was being tackled before the ball arrived!

New Deal recovered a fumble at its 4. The Lions were held and punted. Texico then went on a 12-play drive, capped off by a 16-yard TD gallop by Garrison, tying the score at 6-all with 10 minutes left in the 2nd quarter.

The Lions responded with a 70-yard drive to take a 13-6 lead. Texico came back well but New Deal intercepted. Crist then intercepted a Lions' pass.

On offense, New Deal completed a 28-yard pass to take a 20-6 lead at the half.

In the 3rd quarter, New Deal scored on a 3-yard run. Texico was stopped on offense, but on New Deal's 2nd play, Ryan Morgan recovered a fumble at the Lions' 27. Brett Anderson hit a pass to Edgardo Meza for 9 yards, but the drive was stopped.

On offense again, Texico moved inside the Lions' 20. Sullivan provided a spark to the offense with his fine running.

The Lions put together a drive, going inside the Texico 30, but two outstanding plays by Ethan McDaniel allowed Texico to get the ball back on downs.

The teams traded possession until New Deal took advantage of a short field to score on an 8-yard run.

Despite being significantly outsized, Texico plays an exceptional game. Although only scoring one TD, the Wolverines penetrated the Lions red zone 3 other times. Texico had some minor injuries but all should be okay for this week's game against Carlsbad JV on Sept. 28 at home.

Team stats: 1st downs, New Deal 19, Texico 8; rushing, New Deal 329, Texico 56; passing, New Deal 128, Texico 63.

## Wolverines of the Week

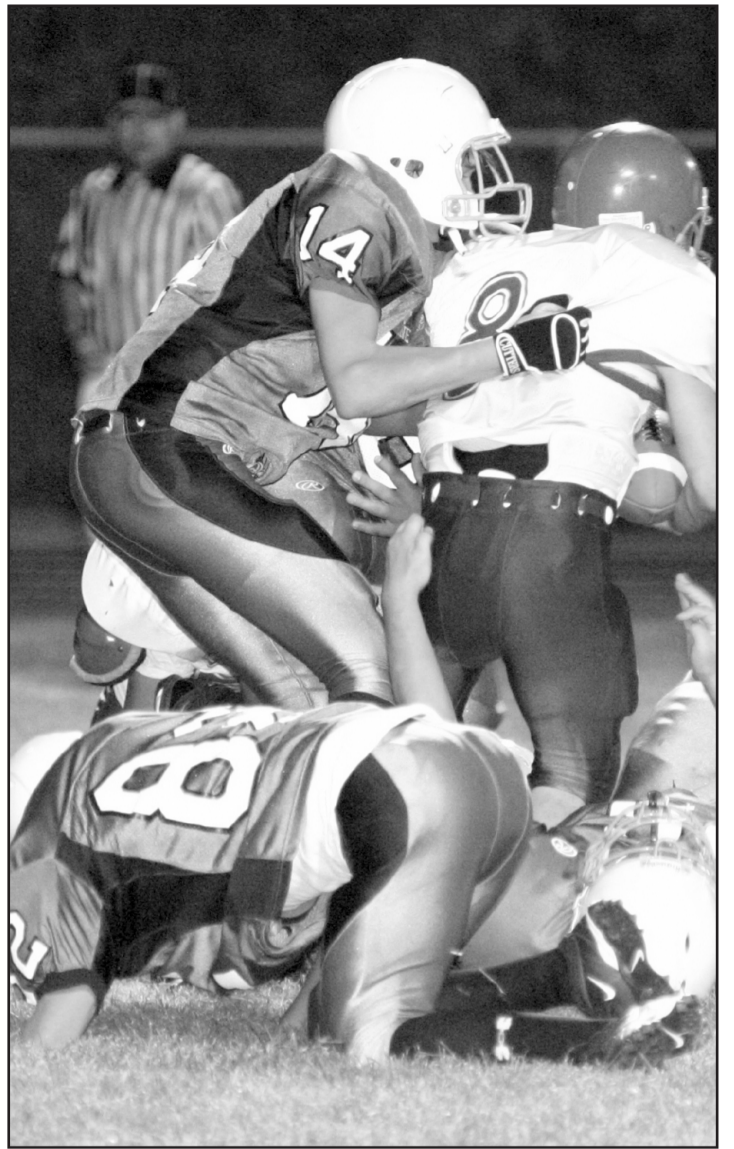

*Coach Prokop named as the Wolverines of the Week for their play against New Deal: Ethan McDaniel, Jonathan Sullivan, Eduardo Rodriguez and Marco Rivera.*

# SIGN OF THE TIMES

These signs will be placed at Bovina's new well site. Recently, there was some trespassing there, and it was pointed out that the city site was not marked, thus the signs were purchased. The signs will be placed apart on the site, with the left sign showing first and the right sign being last (and showing some humor...)

of the ball and gave a great effort.

The Bovina Colt 7th and 8th grade football teams were in action again last Thursday night when Friona came to town.

The 7th grade Colts took an early lead in their game on a long run by Luis Sanchez in the 2nd quarter. The conversion didn't work.

The score stayed 6-0 until midway through the 4th quarter when the Friona Braves drove down the field and punched the ball across the goal line for six points to tie the score. The Colt defense held strong and did not allow the Braves their two point conversion.

The Colts took the ball back and began marching down the field, but a fumble stopped their last effort at the win.

The game ended in a 6-6 tie.

\*\*\*

In 8th grade action, the Friona Braves were just too much for the Colts. Friona was firing on all cylinders scoring early and often.

Ashkon Covalt played well for the Colts on defense, and Gerald Salazar ran the ball hard on offense for Bovina.

The Colts could not get anything started and failed to score, losing 30-0.

On Saturday, the Mustangs and Fillies cross country teams ran at the Friona Trails Cross Country Meet. All teams that participated ran well and posted some great times.

For the Mustangs, Isai Saucedo placed 17th as an individual in 18:46. Jesus Rocha also ran well, and placed 26th in 19:26. German Montes gained the only medal for the Mustangs, placing 5th in the JV Boys division with 19:19.

The Fillies ran in both Varsity and JV divisions.

The Varsity placed 8th as a team. Finishing well were Esmeralda Saucedo (27th, 14:36), Alicia Lopez (36th, 14:56), and Lorena Newton (38th, 14:58). The rest of the team included Lucero Saucedo, Dora Garcia, Gabriela Castro, and Yesenia Guevara.

In the JV division, the Fillies also placed 8th as a team. Outstanding runners were Yoselin Rueda (19th, 15:41), Yvette Mejia (29th, 16:16), and Jessica Bachicha (30th, 16:19). The rest of the Fillies JV team also turned in a great effort -- Audrie Terrones, Ruby Vela, Kimberly Casas, Denise Larrea, and Haylee Hughes.

This was the second meet for the Junior High Fillies.

Finishing in the Medals was Blanca Herrera (8th, 14:45).

Also finishing in high places were Yadira Garcia (28th, 15:51), and Mayra Gomez (46th, 16:27).

The rest of the team consisted of Blanca Vidana, Cynthia Lara, Bianca Roldan, Lynda Rodriguez, Angelica Mejia, Regina Quintero, and Kyla Salinas. Each of these girls posted great times and helped the Fillies in placing 8th as a team.

# Colts take on New Deal, Friona

From the coaches:  
 The 8th grade Colts faced off with a tough New Deal team on Sept. 14, falling 28-8.  
 The Mustangs had a tough time getting things rolling in the first half, and New Deal's size and speed proved too much.  
 Sergio Hernandez scored the Colts' TD on an 86-yard run to begin the 2nd half.  
 Rosendo Lara and Dorian Vela played well on defense.  
 \*\*\*  
 The Colts' "B" team lost to New Deal, 16-0. It was the first time most of our kids played competitive football.  
 Shining on the offensive side were Jose Lara and Miguel Guerrero.  
 Starring on the defensive side were Gonzalo Reyna and Raymond Fuentes.  
 Overall, our kids did an outstanding job on both sides

## Friona tops 'stangs

The Mustangs fell to Class 2A's Friona Chieftains at home on Friday, 21-0.

The game opened with Friona at its 32. Josh Ramirez had a good tackle. Jesus Rocha played good pass defense twice in a row, forcing a punt to the Mustangs 20.

Trent Quintana kept for 7, but Bovina was held and punted to its 41. Mauricio Garcia had two good tackles and Friona punted to the Bovina 5. On 3rd and Long, Quintana surprised Friona with a quick kick carrying 41 yards into Friona territory.

Friona hit a long pass, and then its QB ran for a 16-yard TD. The kick was wide and it was 6-0.

Bovina was stopped and Frank Martinez boomed a 46-yard punt. Quintana had a big tackle. Garcia recovered a fumble at the Friona 45 as the 1st quarter ended.

Quintana ran for 22 yards, but Friona intercepted. On defense, Ramirez had a TD-saving tackle. Jesus Rocha had a strong tackle. David Rojas had a tackle for a 6-yard loss. Ramirez broke up a pass, then Rocha intercepted at the Bovina 8.

Bovina couldn't move the ball, and the snap for the punt went over the punter's head for a safety, boosting Friona's lead to 8-0.

Friona started at midfield. They moved the ball well, and scored from the 1. The kick made it 15-0.

Alfie Espinoza had a good kick return to the Mustangs 25. A run by Martines gained a 1st down as the 1st half would down.

Bovina opened the 3rd quarter with its best drive. Garcia ran for 13. A pass from Quintana to Lara gained 9. Martinez shrugged off tacklers for a 26-yard rush. But a penalty hurt and a run on 4th and 5 came up just short.

On defense, Abriel Terrones's tackle caused Friona to punt. Friona then intercepted. Isaac Tavera had a strong tackle. But Friona scored. The kick was blocked by Tavera.

The Mustangs opened the 4th quarter at their 26. They were held and punted. On defense, Quintana had a good tackle. A Tavera tackle was good for a 4-yard loss. Quintana had a big QB sack for minus 10 yards, followed by the same from Espinoza for a 7-yard loss. So Friona

#### What happened to the paper?

What happened to the usual delivery of Bovina papers last week?

It took until Saturday for the Tribunes to arrive.

All we can ever say is what we have said in the past: In the last 22 years, the Tribune has never been delivered late to the post office.

The Bovina papers are taken every Wednesday afternoon to the Amarillo post office, which sends them to Bovina the next morning.

So if the papers are late, it means something went wrong at the Amarillo post office.
