Leslie Cargile wins 9th contest

Ten was the best any entrant in last week's football contest could do -- and nine folks got that many games picked correctly.

By virtue of being closest to the tie breaker (Muleshoe 58, Brownfield 6), the winner of the first place cash prize of \$20 was Leslie Cargile. She was 20 off the tie breaker.

Winning the 2nd place cash prize of \$7 was Silvino Silva, who was 23 off the tie breaker.

Others with 10 right and their totals off the tie breaker were:

Willie Roberts, 49; David Jimenez, 66; Valerie Mullin, 38; Diego Munoz, 38; Cindy Cargile, 53; Chad Griswold, 45; and Jeremy Hernandez, 39.

Results of last week's games were:

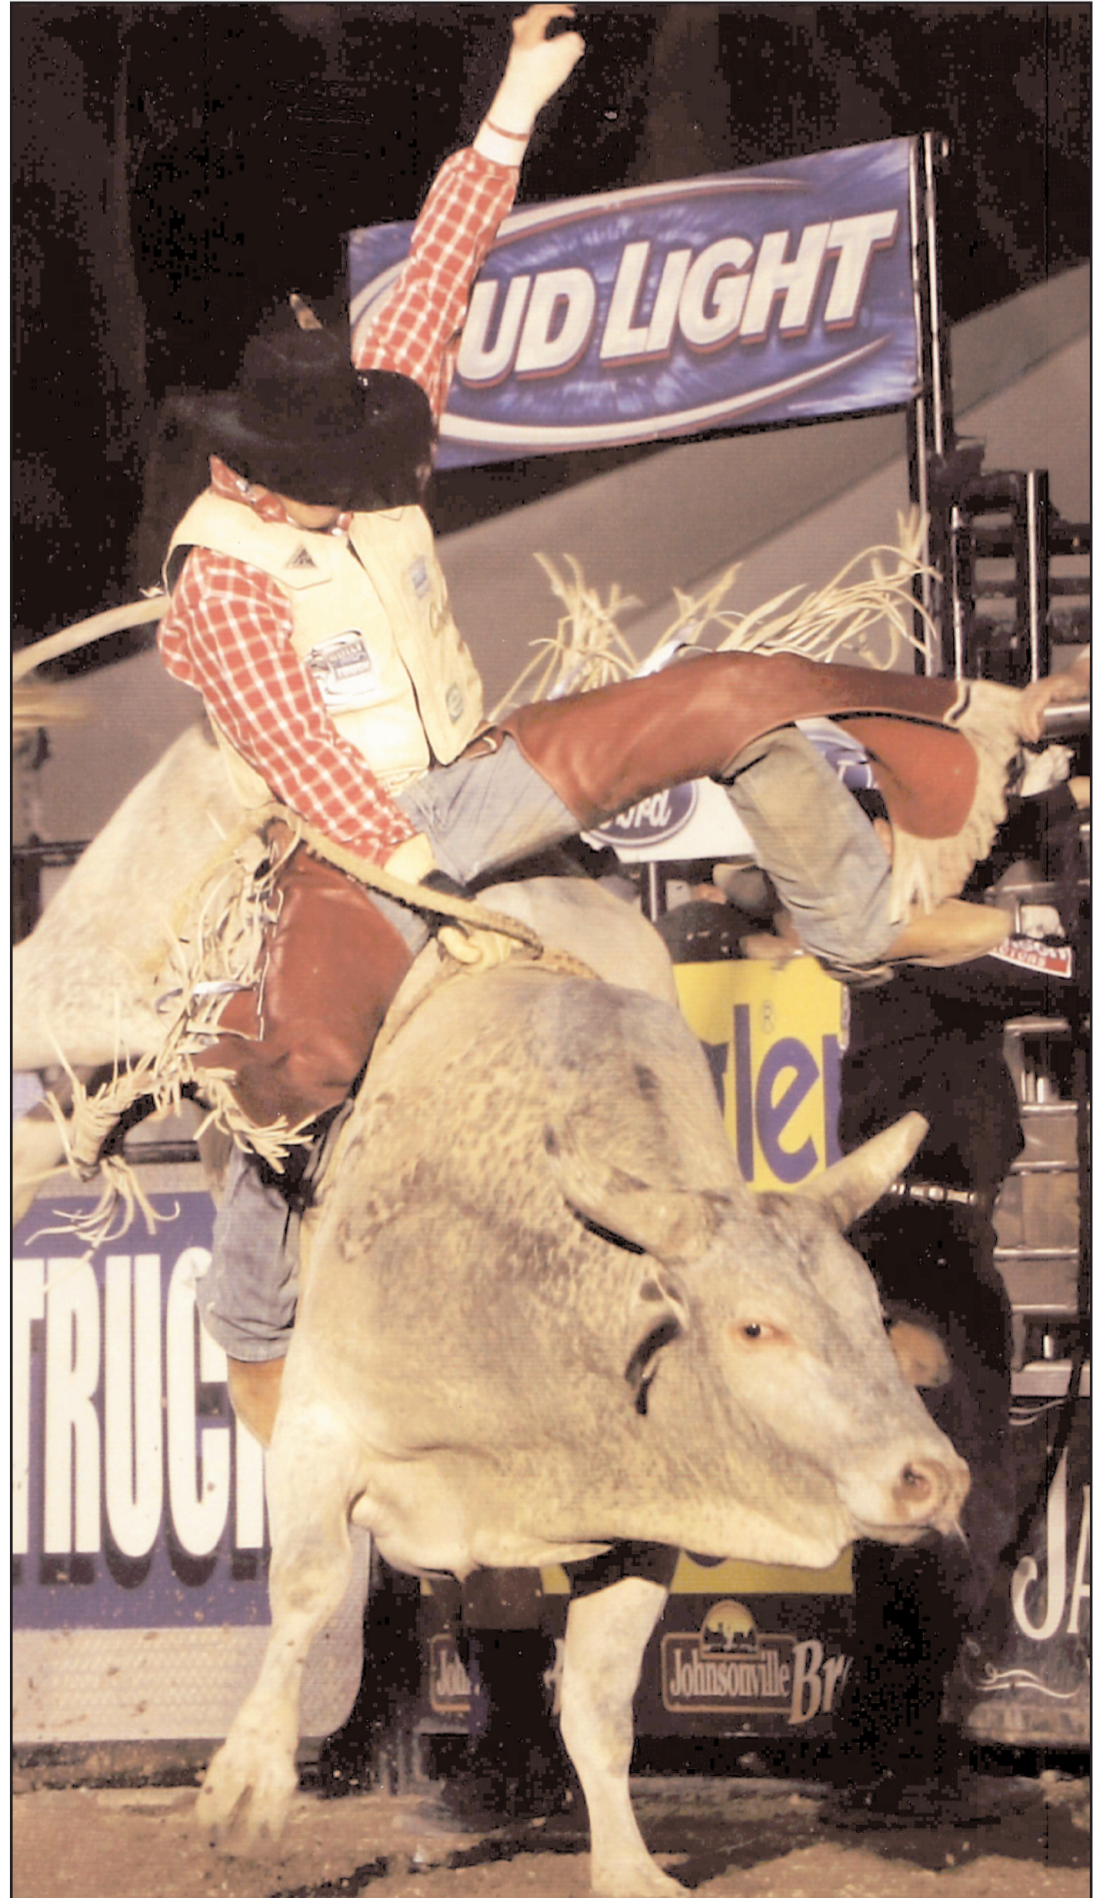

Frona over Olton, Texico over Jal, Bovina over Farwell, Oklahoma over Nebraska, Colorado State over New Mexico, Florida over Georgia, Kansas over Missouri, Idaho over New Mexico State, Dallas over Arizona, Cincinnati over Green Bay, Oakland over Tennessee and St. Louis over Jacksonville.

Here's a look at the Leader Board after 9 weeks, with the overall champion winning \$200 and the Dallas Cowboys tickets:

L.J. with one of his oversized rodeo winning checks.

Go, L.J., go

Texico's L.J. Jenkins has been on a heckuva run since becoming a professional bull rider in July. Since July 17, his winnings have totaled \$122,424.97. Even though he has been constantly on the go, he is also getting home schooled during his high school senior year. Former Texico High counselor Janice Jenkins is helping with this.

L.J. earned a name for himself after riding a bull named "Reindeer Dipping" in Laughlin, Nev., on Oct. 2, for a score that is the high point ride of the year, shared by the No. 1 rider in the world, Justin McBride.

Then on Oct. 16, he won his first Built Ford Tough bull riding in Columbus, Ohio, good for \$70,000 total for the weekend.

L.J. has continued to donate 5 percent of his winnings through the PBR finals (Oct. 28 -- Nov. 6) to Hurricane Katrina victims.

L.J. wanted to thank everyone for the support from Texico Schools and the community. The school sent his posters, and the FFA gave him a gift basket.

Currently, L.J. is riding in the PBR World Championships in Las Vegas, Nev. He is ranked 10th in the world.

The championships began last weekend and conclude this weekend.

Wolverines capture district championship

by Buddy Vaughan

In a battle for the district championship, the Texico Wolverines proved to be too much for the Jal Panthers, winning 47-7, on Friday here.

Scoring quickly on their first two possessions, the Wolverines dominated with 488 rushing yards -- led by Eddy Segovia with 299 yards of his own. On the other side of the ball, Texico forced the Panthers to punt nine times. The Wolverines never punted.

Jal got the ball first and went 3 and out thanks to a good stop by Zac Morgan and a tackle for a 6-yard loss by Michael Johnson. The Wolverines wasted no time scoring when Segovia scampered from 17 yards out, capping a 6-play 39-yard drive.

Jal punted again, after three straight plays for losses, highlighted by a big hit on the QB by Aaron Vaughan. This time Texico went 36 yards in four plays, thanks to a big run by Brandon Bare of 29 yards to the 1-yard line. QB Zane Anderson plunged over on the next play making it 14-0 at the 3:36 mark in the 1st quarter.

The Panthers got a 1st down on their next series before an 8-yard loss forced them to punt again. Six plays and 46 yards later, the Wolverines were on the board again with Bare going in from 4 yards out. The kick failed making the score 20-0.

Jal managed their only score on a 49-yard pass from Zack Thomas to Eric Samaniego with 8:24 remaining in the half.

On the next drive, Texico lost a fumble at their own 35-yard line, but it didn't hurt them as the defense forced the Panthers to punt again after only three plays.

The Wolverines scored again, in just four plays. Set up by a 23-yard Segovia run and an 11-yard dive by full-back Carlos Meza, Segovia raced for 39 yards to the end zone. The two point conversion failed and the score was 26-7 with 4:44 to go in the half.

Jal went 3 and out, thanks to a good tackle by Anderson and a QB pressure by Dustin McDaniel and Vaughan. The Wolverines took over on the four yard line after a good punt from the Panthers but it took just four plays for them to score when Segovia broke for a 93-yard run to the 1-yard line. Anderson snuck it in. The two point conversion failed and the score at halftime was 32-7.

In the 2nd half, the Panthers turned a short kickoff

Wolverines of the Week

Coach Prokop named Wolverines of the Week: defense - the whole team; and offense -- the line, Eddy Segovia and Zane Anderson.

into an onside kick as the kicker appeared to not get all of the it and a Jal player fell on the ball at the 39-yard line. But, their offense couldn't do anything thanks to a 9-yard sack by Johnson.

Aided by four Jal penalties and a 28-yard run by Billy Scott, the Wolverines moved the ball down the field with ease and scored on a 3-yard run by McDaniel. The two point conversion made the score 40-7 with 5:00 remaining in the 3rd quarter.

The Panthers got close to getting a first down but were stopped just short on third down by Kyle Teitz thanks to a QB pressure and good lick by Casey Crist. The Wolverines lost a fumble, giving Jal the ball at the Texico 16. A tackle by Segovia for a 5-yard loss and an incomplete pass on 4th down ended the threat.

Texico moved the ball to the Jal 27-yard line, with big runs by Segovia of 19 yards and Anderson of 22 yards, but lost a fumble. Jal went 3and out thanks to good pass defense by Weston Casey setting up the Wolverines final score, a 5-play 63-yard drive highlighted by a 47-yard run by Segovia.

The Wolverines dominated the game and made an impression with the state playoff selection committee. They received the 2nd seed in next week's state playoffs behind No. 1 seed Fort Sumner. They will play 7th seed Questa on Saturday at 1 p.m. mt in Texico.

In the other games, Fort Sumner will host Ramah,

Drawer A, Lazbuddie, Texas 79053, has applied to the Texas Commission on Environmental Quality (TCEQ) for a renewal of Permit No. 13553-001, which authorizes the disposal of treated domestic wastewater at a daily average flow not to exceed 15,000 gallons per day via non-public access subsurface drainfields with a surface area of 32,000 square feet. This permit will not authorize a discharge of pollutants into waters in the State. This application was submitted to the TCEQ on February 10, 2005.

The facility and disposal site are located approximately 3,500 feet northwest of the intersection of Farm-to-Market Roads 145 and 1172 in Parmer County, Texas. The facility and disposal site are located in the drainage basin of White River Lake in Segment No. 1240 of the Brazos River Basin.

The TCEQ executive director has completed the technical review of the application and prepared a draft permit. The draft permit, if approved, would establish the conditions under which the facility must operate. The executive director has made a preliminary decision that this permit, if issued, meets all statutory and regulatory conditions. The permit application, technical summary and executive director's preliminary decision, and draft permit are available for viewing and copying at Lazbuddie ISD, 675 Farm-to-Market Road 1172, Lazbuddie, Texas.

PUBLIC COMMENT/PUBLIC MEETING. You may submit public comments or request a public meeting about this application. The purpose of a public meeting is to provide the opportunity to submit written or oral comment or to ask questions about the application. Generally, the TCEQ will hold a public meeting if the executive director determines that there is a significant degree of public interest in the application or if requested by a local legislator. A public meeting is not a contested case hearing.
Written public comments and requests for a public meeting should be submitted to the Office of the Chief Clerk, MC 105, TCEQ, P.O. Box 13087, Austin, TX 78711-3087 within 30 days of the date of newspaper publication of the notice.

OPPORTUNITY FOR A CONTESTED CASE HEARING. After the deadline for public comments, the executive director will consider the comments and prepare a response to all relevant and material, or significant public comments. The response to comments, along with the executive director's decision on the application, will be mailed to everyone who submitted public comments or who requested to be on the mailing list for this application. If comments are received, the mailing will also provide instructions for requesting a contested case hearing or reconsideration of the executive director's decision. A contested case hearing is a legal proceeding similar to a civil trial in a state district court.

A contested case hearing will only be granted based on disputed issues of fact that are relevant and material to the Commission's decision on the application. Further, the Commission will only grant a hearing on issues that were raised during the public comment period and not withdrawn. Issues that are not raised in public comments may not be considered during a hearing. The TCEQ may act on this application to renew a permit without providing an opportunity for a contested case hearing if certain criteria are met.

EXECUTIVE DIRECTOR ACTION. The executive director may issue final approval of the application unless a timely contested case hearing request or a timely request for reconsideration is filed. If a timely hearing request or request for reconsideration is filed, the executive director will not issue final approval of the permit and will forward the application and requests to the TCEQ Commissioners for their consideration at a scheduled Commission meeting.

MAILING LIST. In addition to submitting public comments, you may ask to be placed on a mailing list to receive future public notices mailed by the Office of the Chief Clerk. You may request to be added to: (1) the mailing list for this specific application; (2) the permanent mailing list for a specific applicant name and permit number; and/or (3) the permanent mailing list for a specific county. Clearly specify which mailing list(s) to which you wish to be added and send your request to the TCEQ Office of the Chief Clerk at the address above. Unless you otherwise specify, you will be included only on the mailing list for this specific application.

INFORMATION. If you need more information about this permit application or the permitting process, please call the TCEQ Office of Public Assistance, Toll Free, at 1-800-687-4040. Si desea información en Español, puede llamar al 1-800-687-4040. General information about the TCEQ can be found at our web site at www.tceq.state.tx.us.

Further information may also be obtained from the Lazbuddie Utility Water Supply Corporation at the address stated above or by calling Mr. Ted Treider at (806) 965-2191.

Fillpot elected to alumni board at New Mexico Military Institute

Bryon Fillpot, of Ag Marketing and Management in Farwell, was elected to a 3-year position on the New Mexico Military Institute Alumni Board of Directors.

In a national election, he beat out candidates from California to New York.

He joins his brother, Bruce Fillpot, who is also on the board.

This is the first time in the 114-year history of the

school that two brothers have served on the Alumni Board of Directors at the same time.

Longhorn of the Week

Coach Jones named Steven Pacheco as the Longhorn of the Week for his defensive play against Happy.

Happy defeats Lazbuddie

The Lazbuddie Longhorns fell to Happy last Friday at home, 62-12, in a game ended in the 3rd quarter due to the 45-point rule.

Lazbuddie got on the board first, on a 53-yard pass play from Steven Pacheco to Arturo Lucio.

After Happy scored 5 TDs, the Longhorns scored again, this time on a 71-yard pass play from Pacheco to Aaron Chavez.

Happy then scored four more TDs to end the game.

While the Longhorns couldn't move the ball on the ground, they did have

some success in the air -- as Pacheco completed six passes in 17 attempts for 163 yards.

Coach Don Jones was happy about his team's play, saying they were much improved over the previous week. He noted that Happy has an excellent team.

Lady Spikers win district title

The Texico Lady Spikers kayoed Santa Rosa to win the district title on Saturday at home, 27-25, 25-7, 27-25. "It was a good match. We were a little bit rusty from our 8-day layoff," said coach Michael Littlejohn.

Texico thus won the right to host regionals. Here is this weekend's schedule:

Texico vs. Dexter at 5 p.m. mt on Friday, followed by Eunice vs. Santa Rosa. The two Friday winners play for the regional title at 10 a.m. mt on Saturday, with both teams advancing to state.

Against Santa Rosa, Texico had 36 kills, 33 assists, 16 aces and 10 blocks. Littlejohn said he won't list individual totals any more because it causes problems in the team.

Texico has won 41 of its last 42 district matches.

Letter to the Editor

Dear Editor:

How 'bout those Stangs? Not only have they become a great football team; but they have been growing into fine young men and women.

Case in point: One day this past week, it came to my attention through my high school kids that some "other school" students had come to our football field and had painted a great big blue X through our maroon B that was on the 50 yard line. Apparently they also desecrated our practice field with their blue paint; along with writing some pretty low-down and dirty things. I did not see the actual "crime scene" but at Thursday's junior high game there was still some blue paint left on the green area of the field.

Now, let me tell you what, there were some pretty mad high school and junior high students here in Bovina. And yes, there was some talk about revenge. But did they stoop to the level that the pranksters were at? No, they did not. They rose above it and stewed about it and showed that Bovina students are better than that. They did the right thing and took the anger to the field and won the game on their field. In their house. With pride.

It takes a lot of courage to do the right thing - and it takes even more when you are a kid and are expected to not do the right thing. I am very proud of our Bovina students - not for their win, although that is exciting in itself - I am proud of our students for doing the right thing.

We have a great team here in Bovina; but more importantly, our Bovina Mustangs students and coaches are above the pettiness of the rivalry that exists between the two towns. I definitely know some adults that could take lessons from our kids.

Vote FOR Marriage November 8

FACT: Marriage increases the likelihood that fathers will have good relationships with their kids.

What seems clearly obvious is also clearly confirmed by research. That if a father stays married to the mother of his children, not only will the kids be stronger, but they're also more likely to have strong marriages, too. That's why marriage, more than any other living arrangement, is healthier for you, is best for families, and remains the one structure that's indispensable in shaping our communities. So instead of inventing new forms of marriage, we should be protecting the one that protects our future.

It's election time in Texas

Texans go to the polls on Nov. 8 for the Constitutional Amendments election.

Voting will occur at the following polling places in Parmer County:

- Box 101, Calvary Baptist Church.
- Box 201, Bovina EMS building.
- Box 202, Friona Community Center.
- Box 203, Rhea Community Center.
- Box 301, Farwell Community Center.
- Box 302, Oklahoma Lane Methodist Church.
- Box 303, Bovina Ridgelea School.
- Box 401, Lazbuddie School.
- Box 402, Friona Public Library.

Probably the amendment most folks are interested in is Proposition 2, which says only men and women can marry each other.

Texico JH, Ft. Sumner tie

**Please attend
vets' program**

Next week is special in the Twin Cities when the Farwell Chamber of Commerce hosts the annual Veteran's Day program.

You can read all the details in the story elsewhere in today's Tribune (and it will be repeated next week). And a very special thanks to Ralph Franse, who heads this annual project -- he is an outstanding community-minded citizen.

As you know, I'm a veteran myself, of a war we didn't do very well in. I didn't serve in combat, but gave three years of my life in my nation's service.

So I know first-hand of the sacrifices our veterans have made in order to support our nation. They all deserve special recognition.

For those of you who have yet to participate in one of our Veteran's Day programs, all I can say is that you are missing something special.

The tears that flow freely each year from folks who attend testify to the strength of this annual tribute to the men who gave their lives for you and me.

If you are a veteran reading this column, consider it a personal invitation to attend the program. It has been moved inside, to the Farwell School auditorium, because this is far more comfortable for our vets and their spouses.

And if you are not a veteran, but wish to say "thank you" to the men who sacrificed for our nation and its future, please come, too.

One of the pluses of having this ceremony at the school is that many students attend it. And it is so important for our young citizens to know about the past and what has been given for their benefit.

So whether you are a veteran or just a citizen and live in Friona, or Bovina, or Lazbuddie, or Texico, or Farwell, or Muleshoe, or Clovis, or Timbuktoo...

Come to this very special service where our veterans will be recognized. It's important.

The Lazbuddie robotics team was in Lubbock last weekend but without sponsor Debbie Weir, who has done an outstanding job in this area the past several years.

Mrs. Weir was in Houston for an important science workshop, which is well-known for the useful information given science teachers to take back to their classrooms.

But who would shepherd the Lazbuddie kids to Lubbock?

High school principal John Jones stepped up, and volunteered, thus allowing Mrs. Weir to attend the Houston workshop.

Good job, Mr. Jones.

Potts participates

Texico FFA'er Logan Potts was one of 49 state winners participating in the National FFA Extemporaneous Public Speaking Career Development Event in October in Louisville, Ky.

His advisor is Tod Pinnell.

**Volunteers needed
for cemetery clean-up**

From Gladys Spring:

In the 1920's, a young cowboy's body was found in a line shack north of Bovina. A group of men transported the body to Farwell for an autopsy which deemed the cause of death as strychnine poisoning. Apparently he had accidentally sprinkled strychnine powder, which was kept there to poison rats, in his biscuit makings by mistake.

The body was transported to Olivet Cemetery, south of Farwell along the state line road, for burial the next day. If the young cowboy's name was known, it was never released and his name is not listed on the tombstone.

Just one of the many interesting stories that make the history of Parmer County so intriguing. I have no idea where they got the name Olivet Cemetery.

Olivet is the original cemetery for Farwell with the earliest burial there in 1907.

Right now the weeds are so thick that the headstones are not visible from the roadway and are barely reachable on foot. Headstones read like the rich heritage of Farwell and Parmer County. Hamlin, Overstreet and others so tied in with the early days of this area have been buried in Olivet Cemetery as well as the infamous Mr. Hassell who killed his family and buried them in the basement of his farm home. So the significance of Olivet is huge and the task at hand is even more so.

About 100 persons are buried there though only 11 have recorded deeds to their plots.

The Parmer County Historical Commission has asked permission to clean up and restore the site for the sake of the families of the folk buried there as well as for the residents of the whole county. We believe that any area with such high tradition and heritage should certainly be a place of pride for everyone in the county, and that is why we have accepted the challenge of restoration.

The clean-up of Olivet Cemetery will begin with the mowing of weeds and cleaning around the grave sites. Just keeping the cemetery clean will be an ongoing project.

Eventually the Parmer County Historical Commission would like to get grass or a ground cover planted to keep the weeds under control. The cemetery also is in need of being fenced for its preservation. Plans are to apply for a historical marker for the cemetery.

The above mentioned plans will require volunteers to help keep the cemetery clean. A fund has been opened specifically for the beautification and upkeep of the Olivet Cemetery. Volunteers or donations for this project may contact Gladys Spring at (806) 251-1552.

Change made in Farwell girls' hoop schedule

A change in the Farwell girls' basketball schedule:

The Lady Blue varsity and JV teams were scheduled to play Nov. 11. vs. Happy.

These games have been changed to Nov. 12, with the JV teams to start at 2 p.m., followed by varsity.

There is a chance that Happy will not have a JV girls' team so if this happens, the varsity teams will play at 2 p.m.

An account has been opened to assist David Rush, 46, with travel and medical expenses while he awaits a double lung transplant.

The account is under the name of Farwell's Michelle Chadwick, his sister, at all Citizens Bank branches.

Steers-Mustangs From page 14

On 4th and 6, Bovina QB Trent Quitana kept but came out a yard short. Farwell was held and punted to the Bovina 37. Bovina was stopped and punted, with Matthew Edwards returning it to the Farwell 44, tackled by James Lara.

The 2nd quarter began with Bovina's Chris Heinzman intercepting at the Bovina 40, and returning it to the Farwell 21, tackled by Colby Norton. After 3 runs only gained 3 yards, Lara kicked a 35-yard field goal at 9:42 for a 3-0 Bovina lead.

Norton had a good kick return for Farwell, tackled by Josh Ramirez. A big tackle for a loss by Garcia forced a Farwell punt to Justin Guevara, who returned it to mid-field.

For Farwell, Luis Olmos and Colton Sudderth combined on a good tackle, and Roper Smith had a QB tackle for a 3-yard loss. Bovina punted to the Farwell 15, with Edwards making a twisting runback to the Farwell 36. A screen pass from Derrick Chandler to McFarland gained 11. Farwell was held and punted, with Bovina fumbling and recovered by Mario Vidaurri.

A pass interference penalty against Farwell and a good tackle by Corn Ortiz stopped Farwell.

The 3rd quarter opened with Bovina fumbling the kick-off, and recovered by Vidaurri at the Bovina 32. Runs by Chandler gained 5 and 6 yards. McFarland connected on a 36-yard field goal at 9:12 to tie the game at 3-all.

Bovina's kick returner was tackled by Smith at the Bovina 30. On 4th and 1 and in their own territory, Bovina went for it. Zach Bickel tripped up the runner inches short of the first down at the Bovina 39.

McFarland had runs of 4 and 9, and Chandler for 7. Good tackles were made by Bovina's Ortiz and Isaac Tavera. McFarland gained 8 more to the Bovina 9, tackled by Lara. Robert Knoll had a tackle for a 2-yard loss, and Corn Ortiz intercepted at the Bovina 4 to end the Farwell threat.

Bovina was held and punted out of its end zone to its 25. Quintana broke up a pass, forcing a 4th and 9 situation. Farwell lined up for a field goal but instead, McFarland passed to Norton for a gain to the Bovina 5. But a penalty nullified the play, and a 45-yard field goal try was short.

In the 4th quarter, Farwell punted to Justin Guevara, who had a good return to midfield. Quintana hit a 13-yard pass to Heinzman. A pass to Ortiz gained 8, but a penalty put Bovina back to midfield. A QB pressure by Edwards forced a punt, but a high snap gave Farwell the ball at the Bovina 38.

Farwell was stopped and punted to the Bovina 15. Bovina was held and Lara boomed a 40-yard punt to near midfield.

Farwell was held, with a tackle by Bovina's Espinoza and Lara forcing a punt to the Bovina 22.

For Farwell, Norton broke up a pass, and Bryce Howard had good pass defense, forcing a punt to Edwards, who returned it to the Bovina 43.

Tavera had a QB pressure for Bovina, and Luis Munoz had a strong tackle, as Farwell punted to the Bovina 17.

Bovina got a first down on the ground, then Quintana hit a long pass to Ortiz at the Farwell 27 with 18 seconds

left. Bovina set up a 45-yard field goal try, but instead Ortiz, the holder, ran the ball to the Farwell 22, after a problem with the snap, setting up the game winner.

Team stats: 1st downs, Bovina 4, Farwell 7; rushing yards, Bovina 38, Farwell 59; passing yards, Bovina 63, Farwell 17; and penalties, Bovina 6 for 45; Farwell, 7 for 60.

Farwell JH Steers tie Tulia

From Coach Gabe Rodriguez:
The Farwell Junior High Steers tied Tulia last week, 30-30.

Tulia got on the board first by scoring on a 34-yard pass. They moved up to 14-0 on a 70-yard TD run.

As time ran out in the first quarter, Farwell tallied on a 36-yard pass play from Roper Ledbetter to Ross McClaran, closing the score to 14-6.

In the first half, three Steers had fumble recoveries -- Bo Mitchell, Max Bermea and Trace Stevenson.

The only other scoring in the first half came with 1:47 left, when Finus Nolte scored from 7 yards out, then ran in the 2-point conversion to know the game at 14-all.

After a quiet 3rd period, action got intense in the final period. Tulia re-took the lead on a 15-yard run, and added a 2-point conversion.

Farwell came back on a 3-yard TD run by Jonathan Edwards, followed by a 2-point conversion pass from Ledbetter to McClaran.

Again, Tulia forged ahead, this time on a 6-yard TD run and a 2-point conversion with just a minute left in the game.

But Nolte returned the kickoff 60 yards. And with 15 seconds left, Ledbetter hit Stevenson with a 17-yard TD pass. Nolte ran in the 2 extra points.

Shannon Sanders and daughter Abbey

A 'thank you' from Louisiana

Shannon Sanders and daughter Abbey are the family from Louisiana that the Bovina Student Council raised money for.

Mrs. Sanders sent Bovina teacher Pam Lockmiller the photo and a card of thanks -- it took her awhile to send this because she didn't have postal service until recently. Mrs. Sanders wrote:

"Dear faculty, staff, students, student council and the townspeople of Bovina.

Thank you cannot express the appreciation we hold toward all of you. You restored our faith in what is good and gave us new blessings to count in a rather dismal time.

Your efforts allowed us to do a few things that were out of the question for awhile. We eat out a few times, took Abbey to play Putt-Putt and to an arcade. It was priceless to be able to distract her thoughts from the harsh reality of what was taking place.

We're home now and taking days one at a time. Abbey will return to school at the later end of October and I'll find out if I have my teaching job in November. In the meantime, keep us in your prayers as we do all of you."

Specializing in commodity futures & options trading

LIVE CATTLE: Cattle prices have been trading in a sideways range between \$89-92 basis the December contract for over 2 weeks. Cash prices have also traded between \$87-88 for the most part and everyone is waiting to see where and when the next direction will lead? A move to new highs could take the Dec contract to \$95 or a break below \$88.75 would lead to \$85. Either way, the market is indicating that long term charts are now in a 'topping' area and normally drop into November.

FEEDER CATTLE: Since falling over \$4 off their highs, feeder prices have been much more reluctant to trade back up a retest highs made just a couple of weeks ago. This market normally will drop from October into November before turning back higher into January. The January contract will now be the lead contract and a drop below \$113 would turn charts down.

CORN: With no new news to drive the market in either direction, prices have continued to drift lower since last week. At this time, the market is trading about 3 cents below the \$2.00 support level with some analysts thinking that the market could move towards the \$1.90 before stopping? This is normal during this time of the year and this market truly has 'value' at current levels.

SOYBEANS: Beans have trading along side the corn with basically no direction. Prices have formed a sideways market and are expected to remain inside this area until the December/January time frame. There should be potential to the upside going into early next year.

WHEAT: The December KC wheat is now inside a tight box between \$3.63-3.83. This weeks rally stopped at a 2/3rds retracement of the initial drop from the \$3.93 area. Seasonally, wheat will usually work higher into the December/January time frame. The sharp move up in October will need to be followed by another new high if prices are to continue the current uptrend. There is still potential, but it may take longer to turn the market back up. Maybe into the March time frame?

COTTON: The market checked the \$57.50 area just a few weeks ago and pulled back to major support around the 53 cent level. This level broke this week which indicates another test of the 49-50 cent area. Technically, the market is somewhat 'oversold' at this time. Pressure on prices during this time of the year is normal. Odds are still good that major lows were made last August?

Futures and Options Trading involves risk of loss and may not be suitable for everyone.

A UFO in Bovina?

10 years ago: A UFO in Bovina?

On Oct. 24, the History Channel on TV had an interesting special called "The UFO Files, UFOs: Then and Now."

They looked at different reports of UFOs from around the world that had been reported. They avoided shaky pictures and went with eye-witness accounts with as much credibility that they could find. Many were ex-military or ex-government employees.

One of the most interesting parts of the show was a segment about US West flight 564 that reported seeing a UFO over Bovina on March 25, 1995 at 10:25 p.m.

They played the cockpit recording of the pilot asking the air controller about a 400 foot long object that was flying at around 30,000 feet and following their course. The air controller then called Canon Air Force Base and asked if they had any idea what it might be.

None of the radars showed anything, except for the airline that was supposed to be there.

After a short time, a thundercloud lit up the UFO, allowing the pilots to get a good look at it. They reported it to be a large disc that had flashing lights on it.

Interestingly, none of the crew that saw the UFO allowed their names to be used on the report. They were afraid that their chances of being hired again, or being taken seriously in general, would be zero.

Of the other stories they reported, Area 51 and Roswell were prominently covered, as well as two other instances of UFOs landing at US military bases around the world.

MUSTANGS, STEERS GO AT IT

Bovina trips Farwell on last-second field goal

The Bovina Mustangs earned a berth in the state playoffs with a 6-3 victory over the Farwell Steers on Friday at Farwell, thanks to a 40-yard field goal by James Lara as time ran out.

Bovina is 4-0 in district and tied with Nazareth for the division lead. The two teams play this weekend, with both going into the playoffs.

Farwell is 2-2 in district after the loss, and ends its season this weekend at Springlake-Earth.

Farwell opened on its 30, with Logan McFarland running for 11. A Frank Martinez tackle caused a 2-yard loss and a QB pressure by Robert Knoll forced a Farwell punt to the Bovina 27.

Bovina went 3 and out, and Matthew Edwards returned the punt to midfield, but a penalty pushed Farwell back to its 35. For Bovina, good tackles were made by Martinez, Alfie Espinoza and Mauricio Garcia. Then an Espinoza tackle of the QB forced a punt, which was blocked by Michael Ortiz, with Bovina recovering at the Farwell 38.

Cemetery designated historical

After three years of red tape with the Texas Historical Association, Bovina now has recognition and a sign designating the Bovina Cemetery as a Texas Historical Cemetery. The sign was placed in the ground by the Bovina Public Works. Gladys Spring and Mayor Stan Miller are pictured with the sign.

Highway clean-up day nears

The Bovina Chamber of Commerce has scheduled a Clean-Up and Paint-Up Day for Nov. 12.

The area along U.S. Highway 60 will be worked on.

Volunteers are asked to meet at 9 a.m. next to Charles Oil. Lunch will be provided volunteers.

Among those who will be participating will be members of the Bovina Boy Scouts and Tri-City Red Raiders, the area youth football team that will be heading to a national tournament in Las Vegas.

Besides picking up trash, volunteers will be painting some buildings in dire need. Donations of painting supplies are being asked. If you can help with a donation, call Chamber President Mindy Neal at 251-1300.

One-vehicle accident

This vehicle carrying two passengers, Marisa Marquez, of Bovina, and her 2 year old child, went off the road on Oct. 27. Bovina EMS personnel arrived and found she was wearing her seat belt, and the child was in a child seat. Both were okay -- no EMS transport was needed.
