### Farwell dump closed

The Farwell City Council last week proposed a tax rate for next year of .5100 cents per \$100 assessed valuation, the same as last year.

However, two public hearings must be held because it is higher than the effective tax rate of .4681 cents. An ad elsewhere in today's Tribune has more details.

In other business, the council:

-- Closed the Farwell Dump. Mayor Jimmie Mace said it has actually been closed since before he became mayor, and for the last several years the city has used a roll-

off box to move trash from the site to Clovis.

Mace said he was contacted by the Texas Commission on Environmental Quality (TCEQ) who said a concerned citizen said the dump was being used.

Mace said representatives came to Farwell and did not find evidence that the dump was in use, but since it was reported, the TCEQ closed off the site.

No fine was issued and no action was taken against Farwell.

Since the roll-off site was on land connected to the dump, Farwell will have to purchase land elsewhere in the community for a site.

Mace said it could take up to 9 months to get land and to get it certified. Until that time, there will be no public roll-off site in Farwell.

Mace apologized for any inconvenience, and recommended folks use the Clovis dump.

- Approved building permits for roofs for Robert Vidaurri at 109 8th St., and for Vickie Stohmayer at 708 4th St., and for an expansion and remodeling of the BBQ

### Stock show dinner is here!

The 2011 Parmer County Stock Show dinner is scheduled for 7 p.m. Aug. 27 at the Farwell Community Center.

Local volunteers will again prepare the meal, including rib-eye steaks, green beans, potatoes, salad and green chile corn.

This dinner is a major fund-raiser for the Parmer County Junior Livestock Show held in January each year.

Each community in Parmer County sells tickets. However, a maximum of 200 tickets will be sold, and two persons may attend on one \$100 ticket.

To purchase tickets, contact Patti Johnson, Steve Schilling, Keith Hadley or Darren Haseloff in Farwell; Ed Terry in Lazbuddie and Friona; Al Kerby Jr. in Bovina, or any Farwell 4-H or FFA member.

**Notice of Public Hearing on Tax Increase**

The City of Farwell will hold two public hearings on a proposal to increase total tax revenues from properties on the tax roll in the preceding tax year by 8.951079 percent (percentage by which proposed tax rate exceeds lower of rollback tax rate or effective tax calculated under Chapter 26, Tax Code). Your individual taxes may increase at a greater or lesser rate, or even decrease, depending on the change in the taxable value of your property in relation to the change in taxable value of all other property and the tax rate that is adopted.

The first public hearing will be held on September 6, 2011 at 5:30 PM at Farwell City Hall.

The second public hearing will be held on September 20, 2011 at 5:30 PM at Farwell City Hall.

The members of the governing body voted on the proposal to consider the tax increase as follows:

|                         |   |
|-------------------------|---|
| FOR:                    | Ysletta Kittrell, Joe Stanton, Ron Anderson, Gary White, Mario Lara |
| AGAINST:                | None  |
| PRESENT and not voting: | Jimmie Mace   |
| ABSENT:                 | None  |

The average taxable value of a residence homestead in City of Farwell last year was \$61,216. Based on last year's tax rate of \$0.510000 per \$100 of taxable value, the amount of taxes imposed last year on the average home was \$312.20.

The average taxable value of a residence homestead in City of Farwell this year is \$63,913. If the governing body adopts the effective tax rate for this year of \$0.468100 per \$100 of taxable value, the amount of taxes imposed this year on the average home would be \$299.18.

If the governing body adopts the proposed tax rate of \$0.510000 per \$100 of taxable value, the amount of taxes imposed this year on the average home would be \$325.96.

Members of the public are encouraged to attend the hearings and express their views.

## Border Banter

--Mike Pomper

My secret passion is music.

I love all kinds of music except for heavy opera.

Light opera? Fine. Gilbert and Sullivan are the cat's meow.

But I went to a regular opera once and didn't have a clue to what was going on since it was in a foreign language. And the music wasn't so hot, either.

I was fortunate to grow up with the advent of rock and roll. What a great time for innovative music.

It's true -- Buddy Holly will never die.

Back in Chicago, I knew nothing of country music. And it's only after being married to DeeDee that I have gained a love for that, too.

Sugarland is boss.

I do hope, though, that Toby Keith will be honored for his brand of patriotic music. It seems he is always nominated for his songs, but never chosen.

Sort of reminds me of John Wayne's movie career. He was finally honored for his body of work when he played the Rooster Cogburn character.

Down the road, I believe Mr. Keith will be honored likewise.

When I watch movies or TV shows, I have a tendency to listen for the music which so often sets the tone for a scene.

Most of that background music is generic and instrumental. But I always enjoy it when real hit songs are used.

Recently, I watched some old episodes of "Sons of Anarchy" on TV.

It's about a motorcycle gang but the real theme is about family, and the relationships therein. I don't know how to rate this show against others, but the script writing is A-1.

Two of those episodes used songs to set the tone for the final dramatic scenes. One song was "Bird on a Wire," the other "John the Revelator," a gospel/blues song which features call and response.

It was the first time I had ever heard "John the Revelator," and it really

struck a chord. Fine piece of music.

I've always felt it was a weakness of many shows that good music isn't really considered part of the plot.

With comedies, of course, all you get is a sound track of "hahaha-ha."

But with a drama, music can reinforce the structure being presented. I love it when music achieves that.

The folks who produce "Sons of Anarchy" get it right.

Of the State Line Tribune

## Newspapering was in their blood

John and Joann Getz began their publication of the Tribune with the first issue of September 1965.

They took over the operations of the Tribune from former owner and publisher W.H. Graham Jr., who had purchased a daily paper in Lovington, N.M., and had moved his offset printing press from Friona there.

Joann had worked for the Graham family from the early 1950s and John began working at the Tribune in the late 1950s.

This was the extent of their knowledge of the newspaper business. But newspapering was in their blood and they decided to make it their career.

They accepted the Tribune on a lease basis from Graham. In February 1969, they were able to outright purchase the property and continue the weekly paper.

The Tribune was then composed by a punch tape operation with Dolph Moten, of Bovina, who published the Bovina Blade. The Tribune was taken to Hereford for printing.

The Getzes learned of a new offset computerized system of setting type that would be available for small weekly papers. They purchased it in April 1972 and produced the first issue by this method on May 12.

The Tribune had the first of these offset machines in the state of Texas and set a trend that soon swept the small weekly field.

During the years of the Getzes' ownership, the Tribune won numerous awards in three press asso-

ciations for general excellence, column writing, news writing and advertising composition.

John was further honored by being elected president of the Panhandle Press Association in 1971 and the West Texas Press Association in 1981.

Due to the advancement of time, the Getzes sold the Tribune in September 1984 to Mike and Judy Pomper. The Getzes then retired.

## Longhorns split scrimmages

The Lazbuddie Longhorns held a three-way scrimmage with Silverton and Headley last week.

Coach J.K. Hester reports that the Longhorns topped Silverton, 2-0, with Alex Lopez catching a pair of TD passes; and lost to Headley, 2-1, with Jared Timms scoring on a run.

No injuries were reported but only 7 of the 9 Longhorns played.

Due to precautionary measures, Hester kept out Albert Solano, who he hopes to get back next week; and Angel Samarron, who may be able to return in 2 or 3 weeks.

Hester said his defense is coming along, but the offense needs more work.

## Wolverines, Steers scrimmage

The Texico Wolverines and Farwell Steers scrimmaged last week.

Farwell had one score and Texico had none.

Texico Coach Ryan Autrey said it took awhile for his squad to get going well since it was their first scrimmage while it was Farwell's second.

Autrey thought his defense hit and tackled well, showing good aggressiveness. On offense, he used basic formation. And he reported no injuries.

Farwell Coach Mike Prokop said it went well for the Steers but he wants them to be sharper. The younger kids did a good job moving the ball.

Prokop said Bretton Stancell, a linebacker who was used as a lineman in the scrimmage, stepped up and did some good work.

And Prokop reported no injuries.

## 1940

The 1940 review of important events included the death of District Judge Reese Tatum, after more than 20 years on the bench; the building and opening of the underpass to connect Hwy. 86 and Hwy. 60 in Bovina; the initial tenant purchase program for Parmer County; the election; and the draft registration and first call.

The REA program was granted an extension of some 200 miles; a serious ice freeze in late November laid waste to REA, telephone and telegraph wires, as well as the majority of trees, particularly in northern Parmer County; one of the worst train wrecks in the history of our area occurred near Muleshoe; and a bonded warehouse was built in Bovina for wheat storage.

The proposed bond election for road work was refused by the voters; the City Cleaners establishment was burned; the defense program got into operation in the Farwell School and was slated for Texico; Sanford James Storms was the first draftee in the national lottery; and Verna Miller won the subscription campaign held by The Tribune.

Rev. A.M. Dupree, of Lubbock, was struck by a car driven by W.C. Payne and instantly killed; W.C. Rabon was shot and killed by Ray Tittle, who was later sentenced to the New Mexico penitentiary and just last week Wanda Lee Martin was shot by an unknown assailant.

T.D. Evans, of Friona, won a 4-H medal in national meat work; the first city park was started in Texico; the Phillips petroleum wholesale business was robbed three times; and new buildings housing the State Line Grocery, the City Cleaners, Gus and Mabel's Cafe, and Billington's Barber and Beauty Shop were built while B.M. Graham improved the home of his insurance agency.

Gilbert Watkins, of Oklahoma Lane, was named state Gold Star Boy for 1939; the Farwell FFA and FHT groups held their first project shot; the annual livestock show was staged in Friona, with around 2,500 attending; some 3,000 students went through the local Port of Entry on school tours; Leo Forrest resigned as Farwell superintendent, and J.T. Carter was elected.

W.J. Matthews was re-elected mayor of Texico; Security State Bank deposits hit a record high in April; storage capacity for the Henderson Elevator was doubled; a co-op dairy association was formed, embracing Parmer, Curry and Roosevelt counties; Chas. Jones Jr., of Bovina, was awarded damages from the West Texas Utilities Co. for the loss of his leg in an accident.

The E.H. Young children near Farwell had a bunch of skunks as pets; the State Line Road north of Texico was hard-surfaced; new track was laid between Texico and Clovis, and also north of here; the home demonstration groups and AAA sponsored a mattress-making program from surplus cotton.

The Texas Utilities office located here was moved

to Muleshoe; the county gained 1 resident per year for the past 10 years as shown by the official census; a sanitation program was launched in Parmer for WPA workers; Sam A. Young, of Oklahoma Lane, was a national 4-H winner in farm and home accounting; and Gilbert Watkins, of Oklahoma Lane, was a state winner in the same contest.

The wheat harvest was small due to dry weather; Mr. and Mrs. S.C. Hunter were in a serious car wreck while on vacation; the Texas 4-H boys were tops in both county and state, and Preston Martin, Texico FFA member, was named New Mexico State Farmer.

Mrs. W.J. Matthews was succeeded by Mrs. Lucy Brown as Texico postmaster; the Red Cross Pharmacy was enlarged; the FSA medical co-op paid out in full for its first year; the Red Cross roll call hit a new high with about 400 memberships sold; Miss Ruth Boyd resigned as county demonstrator and Miss Elsie Cunningham was named; the home demo ladies held a quilt bedspread and table linen show in Friona as a new project.

In sports, the Texico basketball and track teams with the former 2nd in district and attending the state meet for the first time in history, while the latter won 1st in county and district and 4th in state. Frank Thompson, athletic star, was high in both county and district track and tied for high at state.

Farwell track boys took the Parmer meet while the Lazbuddie girls captured the district volleyball crown. Bovina took both county interscholastic league cups. For the first time in years, the Bovina Chiefs walloped the Farwell Steers in grid games. Texico held its first Homecoming banquet.

Weddings included: Bonnie Kepley and Turner Paine; Ernestine Hromas and Erwin Lovell; Norma McGuire and Leon Billingsley; Cora Jones and T.G. Hudson Jr.; Wessie Randol and Hugh Edwards; Oleta Crow and Ralph Boone; Georgia Bolton and Conrad Nelson; Martha Williams and Audie Barker.

## Lazbuddie's community cook out

Lazbuddie's community cook out was another success as folks filled up the school cafeteria for good food and to meet the Longhorns and cheer leaders for the year.

**Piece of cake...**

Will Anderson shared his special "State Line Tribune" cake with friends at the Aldridge law firm on Aug. 16. Anderson is now the Tribune's senior editor.

There were tables filled up with older books for the kids to take with them.

## American Legion post may be established

Bill Dannheim reports that a successful meeting of veterans was held on Aug. 15 at A-Me-De's Restaurant in Texico.

The meeting was to begin organizing a Parmer County American Legion post.

Persons interested in joining the group are asked to call Dannheim at (575) 309-4905.

The group will apply to the state American Legion for membership. Some veterans also have to apply to be individual members. Dannheim has the application forms.

Dannheim said up to 20 veterans have expressed interest in joining the new group.

Currently, Friona has an American Legion post but Dannheim reports that two leading members of that post are moving to Amarillo and the remaining members may sign up with the new countywide post.

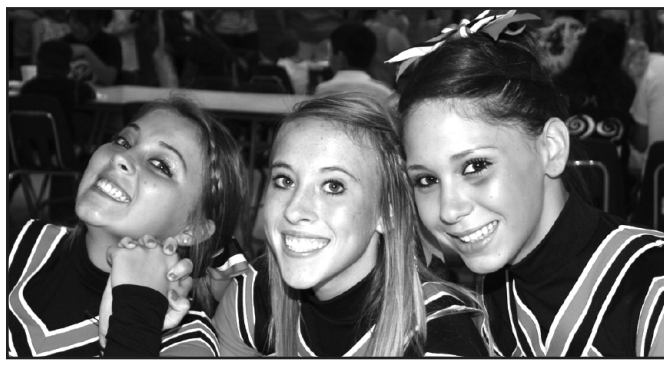

First up on the group's agenda is to put up the flags at all the football home games at Lazbuddie, Farwell, Friona and Bovina.

Dannheim will be doing this when the National Anthem is played at W.M. Roberts Stadium in Farwell on Friday. He asked that any veterans who would like to participate should join him at the football field flagpole before the National Anthem is sung.

Richard Villarreal will spearhead a similar task for Bovina Mustang home games.

Dannheim will be working with Friona vets and Lazbuddie School officials to try and achieve the same at those communities.

The new post if approved, would meet in various communities each month. The next meeting is planned at 7 p.m. Sept. 15 at the American Legion Hall in Friona.

## Workshop, tour, field day set

From Parmer County extension agents Benji Henderson and Monti Vandiver:

\*\*\*

A cotton plot tour is scheduled at 11 a.m. Sept. 6 at the Luke Steelman farms.

The plot is directly behind Steelman's house. The tour will be held on the west side of the circle at CR 14 and one mile north of CR N and just south of

## It rained!

Parmerton Dairy.

Representatives of various companies will be on hand to describe the varieties. A meal will follow at the Friona gin after the tour.

\*\*\*  
A Cotton Field Day will be Aug. 30 at 9 a.m. at the Mark Williams farm 5 miles northwest of Farwell on U.S. 60., then 2 miles east on FM 3333

and will conclude by noon or shortly after.

The Field Day will focus on three replicated cotton variety trials in which 27 cotton varieties are being evaluated. Most cotton seed companies will have varieties represented.

## The Latest

Farwell football coach Mike Prokop said it's still a question on whether the school will field a JV team this season.

It will depend on the number of athletes who turn out.

The scheduled first JV game, against Olton, is cancelled. After that, decisions will be made on a week-by-week basis.

New Mexico State Police report an altercation late Saturday night resulted in a Texico woman allegedly being shot in the arm by a Texico deputy, who has been placed on administrative leave with pay while the incident is being investigated by the state police.

The officer was called to a home when it was reported that there had been a burglary there, police said.

\*\*\*

The big news in first-day enrollment stats for our area schools involved Lazbuddie.

Lazbuddie School reported 157 students, up strongly from the 137 first-day total last year.

Farwell School reported 569 students, down slightly from 574 last year on the first day.

Texico School reported 552 students, down slightly from 562 on the first day last year.

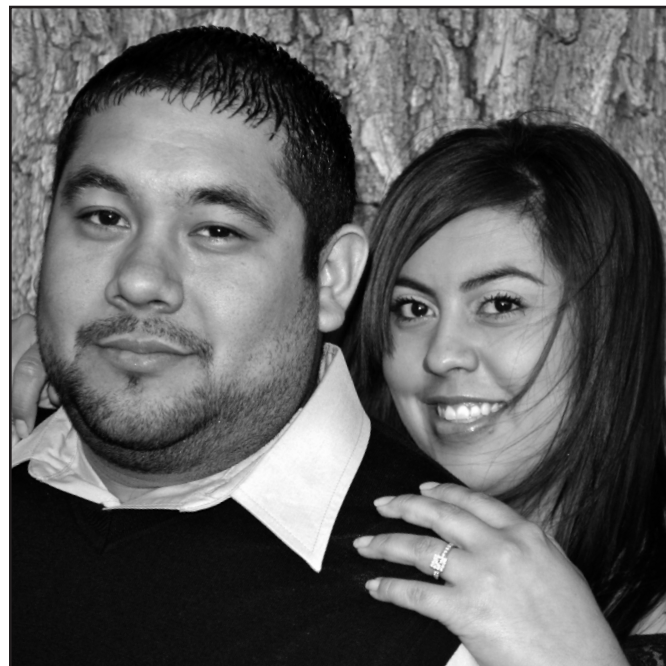

As always, first day stats climb quickly after Labor Day.

The Farwell cheerleaders will be hosting a mini-cheer camp on Aug. 27 at the Farwell High School gym from 10 a.m. until 2 p.m. for kids in Pre-K through 6th grade. Cheerleaders will receive lunch and a t-shirt. The cost is \$30, and discounts are offered for additional children.

Annabel Loe and Juan Carlos Vidaurri

# Annabel Loe to wed Juan Carlos Vidaurri

Vicente and Cristina Loe, of Bovina, announce the upcoming marriage of their daughter, Annabel Loe, to Juan Carlos Vidaurri, son of Juan and Carla Vidaurri, of Farwell.

The couple will exchange vows Aug. 27 at St. Ann's Catholic Church of Bovina.

The bride-elect is a Bovina High graduate and a graduate of Clovis Community College in Cosmetology.

The prospective groom is a Farwell High graduate and a graduate from West Texas A&M University with a degree in Criminal Justice. He is employed by Randall County as a Juvenile Supervision Officer at the Youth Center of the High Plains.

The couple will reside in Amarillo.

Tuesday.

The Arlington, Va., resident was in a medical clinic in Washington, D.C., when the quake hit.

"At first, you didn't know what was going on. Then you realize, as the walls were shaking, that it was a quake ... and it was time to go outside." The "shakings" lasted about 30 seconds twice.

The aftermath was like 9/11 in Washington. Offices closed immediately and thousands of workers were out in the streets. Due to the massive influx, it was nearly impossible to get a Metro train.

Fortunately, Patty was close enough to her home to walk the distance -- about four miles.

She found some of her wall hangings at her condo on the floors; otherwise, there was no damage to her place.

# Ermon to run Cal-Maine plant

Michael Ermon is the new general manager of the Cal-Maine egg plant near Farwell. Ermon and his wife, Jennifer, have two children, Hayden and Grason. He has been running a facility in Louisiana for the last 4 years. The Farwell plant employs around 70 folks and has around 1.3 million hens that produce around 3,000 cases of eggs a day.

Anyone wishing to volunteer can call Gladys Spring 251-1552 or 265-7282.

## Notice of Public Hearing on Tax Increase

The City of Bovina will hold two public hearings on a proposal to increase total tax revenues from properties on the tax roll in the preceding tax year by 1.578679 percent (percentage by which proposed tax rate exceeds lower of rollback tax rate or effective tax calculated under Chapter 26, Tax Code). Your individual taxes may increase at a greater or lesser rate, or even decrease, depending on the change in the taxable value of your property in relation to the change in taxable value of all other property and the tax rate that is adopted.

The first public hearing will be held on September 6, 2011 at 5:30 PM at EMS Building.

The second public hearing will be held on September 19, 2011 at 5:30 PM at EMS Building.

The members of the governing body voted on the proposal to consider the tax increase as follows:

|                         |   |
|-------------------------|---|
| FOR:                    | David Curtis, Gaylon Rhodes, Richard Villarreal, Radford Venable, Brenda Riddle |
| AGAINST:                | None  |
| PRESENT and not voting: | Stan Miller   |
| ABSENT:                 | None  |

The average taxable value of a residence homestead in City of Bovina last year was \$39,258. Based on last year's tax rate of \$0.598400 per \$100 of taxable value, the amount of taxes imposed last year on the average home was \$234.92.

The average taxable value of a residence homestead in City of Bovina this year is \$40,019. If the governing body adopts the effective tax rate for this year of \$0.589100 per \$100 of taxable value, the amount of taxes imposed this year on the average home would be \$235.75.

If the governing body adopts the proposed tax rate of \$0.598400 per \$100 of taxable value, the amount of taxes imposed this year on the average home would be \$239.47.

Members of the public are encouraged to attend the hearings and express their views.

## Bovina Banter

Deanna Curtis • 251-1405

Folks, we are just one week away from the BIG Area Merchants Football Contest in the Tribune.

As always, the Tribune has placed a pick-up box at the Parmer County Appraisal District office on 3rd Street in Bovina where you can drop off your ballots.

The deadline there is 3 p.m. each Friday; they will fax them to the Tribune.

\*\*\*  
A look back at Bovina happenings.

Jan. 25, 1940:

The small son of Mr. and Mrs. French Crook hurt his leg while riding his bike.

Mrs. Bill Venable and daughter Lillian are under a doctor's care.

Mark, small son of Mr. and Mrs. Wilbur Charles, is very ill.

Work is progressing on the new underpass west of Bovina.

Earl Richards is adding several rooms to his home.

\*\*\*  
The Mustangs open at Hale Center on Aug. 26 at 7:30 p.m.

The JV opens on Aug. 25 at 6 p.m. by hosting Hale Center, then plays at Boys Ranch at 6 p.m. on Sept. 1.

\*\*\*  
Grade levels at the high school met last week to elect class officers. The Tribune will run those photos next month.

\*\*\*  
Reminder: there's no school on Labor Day, Sept. 5.

\*\*\*  
First day enrollment at Bovina Schools was down from last year's first day total, 482 to 466.

But numbers can be deceiving. For example, 10 students who have enrolled were not here the first day but are expected. So it is likely this year's enrollment will be very close to last year's.

\*\*\*  
Sue Fowler got 9/10th of an inch of moisture last Friday, in addition to 2/10th on Aug. 16.

\*\*\*  
The Mustangs scrimmaged with Plains last week and both teams scored a couple of times, reports Coach Hector Guevara.

"Overall, our kids played well. We have a lot of details to work on, though," he said. "Our 2nd teams got at it well and the defensive front 7 looked good. Plains ran a lot."

The coach said youngsters David Vela and Kris Antillon did well.

No injuries were reported.

\*\*\*  
Senior Center hosts its monthly luncheon on the last Wednesday of each month at noon.

The meal cost is strictly donation basis. It's a great opportunity to see a lot of folks and visit. Come on out and support our Senior Center.

\*\*\*  
Coach Guevara is looking for an announcer for the varsity home football games. If you or anyone you know may be interested, please contact him at 251-1317 ext. 248.

If no one is available, please leave a message.

\*\*\*  
Panhandle Community Service will be at Bovina EMS on 3rd Street on

Monday from 1:40 to 4:15 pm. If you need assistance with your utility bills or weatherization, you might want to check with them.

\*\*\*  
School lunch menus for next week:

Monday - corn dog, western beans, celery & carrot dippers, apple, pudding cup.

Tuesday - meaty macaroni, garden salad, seasoned corn, corn bread, cherry fruit bar.

Wednesday - oven crispy chicken, mashed potatoes, gravy, green beans, fruity gelatin.

Thursday - nachos grande, spanish rice, LT, orange smiles, cinnamon sugar cookie.

Friday - pizza choice, broccoli salad, corn coblette, apple sauce, chocolae cake.

\*\*\*  
Our sympathies and prayers go out to the Tommy Scaff family. Tommy and Bonnie have been a big part of the Bovina community. God bless you and your family during your loss.

\*\*\*  
Bovina Booster Club meets every Wednesdays at 6 p.m. at the Home Economics building. To join, just drop by and join in.

\*\*\*  
Rigo Gonzales and Yvonne Espinoza got married Saturday. The bride looked beautiful and the groom was on his A game. Congratulations to the newlyweds.

\*\*\*  
God Bless and have a great week!

\*\*\*  
Interesting Fact of the Week: There is no video footage of Super Bowl 1. It is rumored to have been taped over for a soap opera.

## Clinic hires new P.A.

The Friona Rural Health Clinic has hired a new physician assistant, Irene Balderas.

She moved here from San Angelo and worked at the ER at the San Angelo Community Medical Center.

## Jimenez promoted to police sergeant

The City of Bovina Council voted on Aug. 16 to propose keeping the tax rate the same for next year -- .5984 cents per \$100 assessed valuation.

However, two hearings must be held because the rate is higher than the effective tax rate of .5891 cents. See ad elsewhere in today's Tribune for more information.

The council will make the final decision on Sept. 6. In other business, the council:

-- Heard that Police Chief Gary Sinclair promoted Manny Jimenez to police sergeant.

-- Approved fencing off an area behind the city barns on North Street and placing dumpsters there for the use of the county residents who will be billed a monthly fee.

-- Approved renewing its contract with Republic Services which included a 1% rate increase.

-- Discussed relocating streetlights from the 200 block of North Street (where the community center will be built) to the 300 block of Avenue G.

-- Set the next meeting for Sept. 6 at 5:30 p.m.

## Parmer County extends burn ban

The Parmer County Commissioners on Monday extended the county's burn ban for another 30 days.

While the western part of the county has received some good moisture recently, the eastern half has not fared that well.

In other business, the commissioners:

-- Approved a tax rate of .4782 cents per \$100 assessed valuation for 2011, down from the current .4949-cent rate.

-- Tabled a request by county clerk Colleen Stover to adopt a record archive fee. Currently, there is no fee. If approved, the fee would be \$5 or less. She will research the topic further.

-- Reappointed Ronald Byrd as a director on the
