SECTION I

Answer Expected In Three Months

Plans are being made for Farwell to have a radio station.

Theo Rozzell and G. D. Anderson, Sr., owners of Station KZOL in Muleshoe, announce that station may be moved here.

Before the change of location may be made, approval of Federal Communications Commission must be granted. FCC is expected to grant the approval. However, the owners explain, it may be as long as 90 days before they receive an answer.

The station will be moved "as quickly as possible" after approval is granted. In Farwell, it will be located on the east side of town one block south of Highway 70-84.

The location, which includes 10 acres, was purchased from Farwell Schools by Anderson

earlier this year. The station will face the proposed Farm-to-Market road loop which will circle the town.

Rozzell, a long-time resident of Clovis, has worked with both radio stations there. He was a partner in KBIM in Roswell and has served six years in New Mexico's house of representatives. He was a member of the governing body in 1947-'53. He has also been in the insurance and abstract business in Clovis and has served as Curry County tax assessor.

Anderson is president of Farwell's Security State Bank.

Rozzell opened the Muleshoe station in April of this year. Anderson became a partner in June.

Plans aren't complete as to what kind of studios will be constructed here, the owners say. They're waiting for approval by FCC before making other plans. But, the complete setup will be located in Farwell if and when the government agency signals the OK.

Call letters, of the station are expected to remain the same and 1570 will continue to be the station's position on radio dials.

The station will be the first in Farmer County. Farwell will possibly be the smallest community in the Southwest to have its own station.

In announcing their plans, the owners expressed faith in the continued growth and development of this area.

Texico Banquet Date Set

Reservation cards for the annual banquet of the Texico Alumni Association have been mailed, according to Dee J. Brown, president. The 8 p.m. event will take place Monday, Dec. 29, in the Texico school auditorium.

The association is comprised of all ex-students and teachers of the Texico, Pleasant Hill, Fairfield, Locust Grove and Union schools. Also invited to the banquet, which will be served for \$2 per plate, are the current faculty and senior class at Texico.

Since the mailing list is incomplete, cards may not have been sent to some former students or teachers living in the Texico-Farwell area. Those who did not receive cards may contact the association's secretary, Carolyn Curd of Texico, for reservations.

The committee in charge announces there will be no special program or speaker, but the banquet will be marked by informal visiting of the various classes which date back to the early 1900's.

Farwell Outlasts Texico

Farwell took a pair of games from Texico Tuesday night in cross-Twin Cities basketball contests.

The Steers outlasted the Wolverines, 39-38, in the nightcap. Farwell's girls won the opener, 50-23. The games were played in Farwell's gym.

Farwell led throughout the boys' game. It was in the final period that the Texico boys began to close the gap. Trailing, 31-21, going into the final period, they raked up 17 points to Farwell's eight to narrow the margin.

Hadley was high scorer for Texico. He made 14. Huffaker led the Steers with 15.

Other Texico scorers were Singleterry, with 11; Bowers six, Reid five, and Stover two. For Farwell, Lovelace made 12, Freddy Magness and Phillip Berry made five each, and Martin had two.

Farwell was in the command of the girls' game all the way. They had a 31-15 lead at the half.

SANTA'S COMING!--Santa Claus, who will be in Texico-Farwell Saturday afternoon stopped by The Tribune earlier this week for a publicity shot. Posing with Santa is Vicki Lynn Smart, daughter of Mr. and Mrs. Jim Bob Smart.

MOD Supplies Distributed

Supplies were distributed to Farmer County community chairman for 1959 March of Dimes Tuesday night in Bovina.

The action was taken at a regular monthly meeting of the county chapter of the National Foundation.

Cary Joe Magness, campaign director for the 1959 drive, explained collection methods which will be used and passed out the supplies to community chairmen.

Magness explained that the county goal for this year has been set at the same figure

as was collected in the best year in the past. From a March of Dimes standpoint, 1955 was Farmer County's best year. A total of \$4038 was collected. "Last year's figure was well under half that," Magness pointed out.

Baptist Bond Sale Complete

First Baptist Church in Farwell has completed its \$60,000 bond sale.

The money will be used to construct a new auditorium for the church.

Members of the congregation had first chance to buy the bonds. After that, they were sold to the public. The bonds were sold in denominations of \$100, \$250, \$500, and \$1000. They will bear six per cent interest.

Interest payments will be made semi-annually--January 1 and July 1 of each year--as long as bonds are outstanding.

Rev. T. L. Denton, vice-president of Providence Church Plan, Inc., Atlanta, Ga., handled the bond sales here. Rev.

Sidney Cox, pastor of the church, was pleased with the

result. "We could've sold more," he says.

Security State Bank will be paying agent for the interest as well as for the bonds when they reach maturity. A sinking fund will be established by the church at the bank. A total of \$125 will be placed in the fund each week. This amount will be sufficient to pay the interest on the bonds and retire part of them each half year. All of the bonds will be retired at the end of a 13-year period.

Before taking further action, the church is waiting for blueprints of the addition to be completed. Architects for the building are Butler-Kimbell, Lubbock. Contractors' bids will be advertised for in January and it's possible construction will begin the same month.

Vandals Knock Street Lights

Vandals in Texico-Farwell hit a high percentage of their shots last week as far as shooting at street lights is concerned.

Otis Huggins, manager of Southwestern Public Service Company here, reports that 18 new street lights were installed week before last. In one week's time, 16 of the lights were knocked out.

BB guns and rocks are the weapons used by the street light fighters, Huggins suspects. The 16 expensive, vandal-destroyed bulbs were replaced, Huggins reports. He asks cooperation of citizens of the community to help curtail the malicious play.

Courthouse Closes for Christmas

Farmer County courthouse will be closed five days Christmas week, Hugh Moseley, county clerk, announces.

Tuesday, Wednesday, Thursday, Friday, and Saturday are the days established as Christmas vacation period for county officials and deputies. The courthouse will open again Monday, December 29.

Steers Dominate All-District Team

Eleven Farwell Steers earned berths on the 24-man All-District 3-A football team for 1958 season.

Selection of members of the mythical team were made at a meeting of District 3-A coaches and officials at Springlake Wednesday night of last week.

Offensive and defensive units were named with 12 men being placed on each squad.

Johnny Lovelace and Phillip Berry, Steer backs and captains, were unanimous choices for both the offensive and defensive units.

Larry Jesko, tackle, was the other Farwell player to be named to both the offensive and defensive groups. Eight boys received Farwell's 11 berths.

Coach J. D. Atwell's champion Steers had two other firsts as far as all-district honors were concerned. Fullback Jerry Lovelace was the only freshman honored with a position of the team and Tackle, Robert Carthel, was the only sophomore making the select group.

The other unanimous choices were Doug Goen, Anton's fine

halfbacks. Players on the defensive unit, their school and classification: ENDS--Doug Goen, Anton, senior; Morris Reed, Farwell, senior; and John Humphries, Sudan, junior;

TACKLES--Ronald Powell, Sunan, junior; Larry Jesko, Farwell, senior; MIDDLE GUARD--Jess Starkey, Springlake, senior;

LINEBACKERS--John Lovelace, Farwell, senior; Norman Humphries, Sudan, senior; Jerry Lovelace, Farwell, freshman; Phillip Berry, Farwell,

senior; HALFBACKS--Macky Ballard, Sudan, senior; and Harold King, Kress, junior.

The offensive team included: ENDS--Doug Goen, Anton, senior; Owen Huffaker, Farwell, senior;

TACKLES--Larry Jesko, Farwell, senior; Ronald Powell, Sudan, junior; Robert Carthel, Farwell, sophomore;

GUARDS--James Burleson, Farwell, junior; Leroy Grant, Anton, senior; CENTER--Steve Fisher, Sudan, senior;

BACKS--Johnny Lovelace, Farwell, senior; Macky Ballard, Sudan, senior; Phillip Berry, Farwell, senior; and Dean Jones, Springlake, senior.

This was the third consecutive year for Johnny Lovelace to be named to the dream team. It was the second time for Berry.

Representing Farwell at the Wednesday night meeting were Superintendent, Jack Williams, and Coaches J. B. Atwell, Shelby Jobs, and R. B. Tucker.

Of Interest To THE WOMEN

Miss Routon, Derrell Garner Married in Sunday Ceremony

Miss Faye Routon and Derrell V. Garner exchanged wedding vows in a double ring ceremony in Oklahoma Lane Baptist Church Sunday, December 14.

Rev. Irving Looney officiated before an altar banked with ferns and centered with a tall basket of chrysanthemums and gladioli. Six bridesmaids in candelabras held aqua tapers.

Parents of the couple are Mr. and Mrs. Earl Routon and Mr. and Mrs. Howard Garner, all of Route 1.

Organist was Miss Darlene Hromas. She also accompanied Miss Patsy Sprowls, soloist.

Miss Joyce Routon was her cousin's only attendant, Johnny Gulley of Muleshoe served the bridegroom as best man. Candelighters and ushers were Donnie Carpenter of Canyon and Glyn McDorman.

The maid of honor wore an aqua two-piece suit with black accessories. She carried a bouquet of white carnations. Her father gave the bride in marriage. She was attired in a floor-length gown of white lace over taffeta. The long-waisted fitted bodice had a square neckline and long sleeves and fastened with tiny covered buttons in the back. A lace cap held her waist-length veil and she carried a bouquet of gardenias and stephanotis on a white Bible.

Her wedding gown was something new. To complete the wedding tradition she carried a handkerchief of imported lace, given her Mrs. O. G. Gulley; she borrowed a single strand of pearls from Mrs. Delbert Garner, sister-in-law of the bridegroom; and pearl earrings from Miss Belva Christian; and wore a blue garter belonging to her sister, Mrs. Herbie Ramage of Muleshoe. In her shoe was a penny minted in the year of her birth.

Mrs. Routon chose a gray dress with pink accessories and a pink carnation corsage for her daughter's wedding. The mother of the bridegroom wore a navy blue dress with white accessories and corsage.

Mrs. Rex Miller registered guests at the reception in the church social hall. The bride's table was covered with lace over aqua and the bouquets from the wedding party formed the centerpiece. Tiny wedding bells decorated the tiered cake. Mesdames Oscar Hubbell and R. D. Dale served using crystal and silver appointments.

Floating hostesses included Mesdames Delbert Garner, Kenneth Johnson, and Harold Carpenter.

Following a wedding trip to El Paso, the couple will be at home on Route 1, Farwell, where Garner is farming with his father. For traveling Mrs. Garner chose a coral suit with brown accessories.

At the time of her marriage, Mrs. Garner was a senior in Farwell High School. She was a cheerleader and served as FHA president. A candidate for Farm Bureau Queen last

year, she was a runner-up for Miss FHS this year and has received a number of additional honors.

Her husband played football for Farwell and was graduated here in 1957. He attended West Texas State College.

Out-of-town guests included Mr. and Mrs. Bill Black and family of Amarillo, brother-in-law and sister of the bridegroom, and Miss Barbara Garner and Donna McGuire of Lubbock, sister and niece of the bridegroom.

Cubs Close Program For Texico Women

Climaxing the program at a Christmas party for Texico Woman's Club Monday night at the woman's club building was a candlelighting ceremony conducted by Cub Scouts directed by Mrs. Allen Rogers. Cubs participating were Billy Curtis and Robert Allan Rogers.

During a brief business meeting plans were made to serve

food at the Curry County '42' tournament in March.

Features of the social hour were group singing, a gift exchange, and musical selections by Mrs. Mark Fairman. Hostesses were Mesdames Doran, Agrie Jones, and Grace Sanders. They served punch and cake squares from a table covered with lace over red. Christ-

Gleaners Collect Gifts For Shut-ins

Gift for shut-ins were brought to the annual Christmas party of Gleaners Class of First Baptist Church, Farwell. Mrs. Asa Smith was hostess to the group in her home at Lariat Monday night.

Mrs. Wanda Walker gave the opening prayer and Mrs. Smith presented a devotion on shopping.

Following a game session, members exchanged gifts, revealed secret pals and redrew names.

Husbands Honored By ESA

Members of Theta Rho chapter of ESA entertained their husbands or guests with a traditional Christmas dinner at a Clovis restaurant Saturday night. Members of the group then revealed names of their secret pals and exchanged Christmas gifts.

Centerpiece for the table was a seasonal arrangement featuring a large candle, with smaller tapers on either side of the central design. Long-stemmed red carnations served as runners for the long tables, and placecards also emphasized the red and green color motif, with green cards featuring small Santas.

Following the dinner, Mr. and Mrs. Roberts were hosts to the group in their new home in Clovis.

Mr. and Mrs. Clyde Tillery of El Paso left Tuesday after visiting a few days with Mr. and Mrs. Mem Sprowls and family. Mrs. Tillery is Mrs. Sprowls' mother.

Bobby Johnsons Move to Coast

Mr. and Mrs. Bobby Glenn Johnson planned to leave Friday for San Diego where he is stationed with the Navy. Johnson recently completed six months of duty with the 7th Fleet in the West Pacific. During the tour Johnson was promoted to BT3.

Mrs. Johnson, the former L'Orchid Latham, made her home with her parents, Mr. and Mrs. Jess Latham, while her husband was overseas.

Johnson arrived here December 5 and couple spent several days in Dalhart visiting relatives and friends recently.

Mark Liethens Have Parties

Home of Lt. and Mrs. Mark Liethen in Farwell was the scene of two parties over the weekend.

Friday night Mrs. Liethen honored her husband with a buffet dinner marking his promotion to Captain, effective March 1. Guests were 10 officers from Cannon Air Force Base's Instrument Training School.

Sunday night the couple was host to a group of friends at a dinner party.

Who says money doesn't grow on trees? Mrs. Shelby Jobs is shown picking dollar bills right off the tree at Farwell Study Club's annual Christmas party. The yield of the usual plant will be sent to a Boys Ranch youngster for Christmas.

Unusual Christmas Story Highlights Study Club Party

Highlighting Farwell Study Club's annual Christmas party Monday night was the Christmas story told from Joseph's point of view by Mrs. Pat Pat-

rick. Also appearing before the group was Farwell High School's mixed chorus directed by Mrs. Shelby Jobs. They sang a number of traditional carols.

Center of attraction in the living room of the school home economics building was a large Christmas tree. On a smaller tree each member placed a dollar to be sent to a youngster at Boys Ranch for a new

suit for Christmas. Mrs. Rosa Roberts, assisted by Mrs. Patrick, distributed the gifts and Mrs. E. G. Williams offered the closing prayer.

Hostesses were Mesdames Patrick, T. J. Glenn, and Mose Glasscock. They served red and white cake squares and spiced punch.

Mr. and Mrs. Duke Nally of Amarillo visited over the weekend in the home of his mother, Mrs. Dolly Nally and brother-in-law and sister, Mr. and Mrs. Felix Monroe.

Following a Christmas reading, Cubs Billy Curtis, left, and Robert Allan Rogers, back to camera, helped Mrs. Allen R. Rogers, their Cub Den Mother, light candles for the closing ceremony at the Christmas party of Texico Woman's Club Monday night.

mas greenery circled the punch bowl.

Mrs. Ival Hesser, a member who is moving, was presented a gift from the club.

Mr. and Mrs. Lee Rothwell of Childress were guests last Thursday of her brother-in-law and sister, Mr. and Mrs. L. R. Vincent.

JIMMY MOORE HERE FOR HOLIDAY VISIT

Arriving Tuesday morning to spend a 15-day leave with his mother, Mrs. Ola Moore, was Jimmy Moore who has just completed a Navy hospital corps school in San Diego. He will report to Oakland, Calif., December 31 for assignment.

EXTENSION CLUB HAS CHRISTMAS PARTY
Home of Mrs. Helen Wilks was the scene of the annual Christmas party for Pleasant Hill Extension Club last Thursday. Each member placed a gift under the tree for her secret pal.
A short business meeting followed a luncheon and a program was directed by Mrs. Minnie Weatherford. Mrs. Frances Barnett gave a reading and the group sang carols.
Next meeting will be January 5.

SHOWER FETES FUTURE BRIDE
Miss Elaine Pierce, bride-elect of Gene Boatwright, was feted with a shower in the community center recently.
Guests were registered by Miss Phyllis Kelley and Miss Donna Kay Pierce provided music.
White lace over pink covered the refreshment table. It was centered with a large gold wedding ring, white wedding bells, and miniature bridal couple.
Pink punch and white cake were served.
Hostesses were Misses Kelley and Pierce and Mesdames Ogatha Langford, Nell Lovett, O. L. Guthrie, Barney Kelley, Dorothy Pierce, Clarence Smith, Maurine Winkles, Minnie Weatherford, and Maurice Clark.
Approximately 35 attended and others sent gifts.
Mr. and Mrs. Doyle Vaughn announce the birth of a son, Gary Lynn, December 9, in a Hereford hospital. Mrs. Vaughn will visit her mother there for about three weeks before returning home.

Friends Honor Dewey Pierce Family
Mr. and Mrs. Dewey Pierce and family were surprised in their new home Tuesday night with a housewarming by friends and relatives.
Hosts were Mr. and Mrs. Jimmie Weatherford, Mr. and Mrs. Troy Lovett, Mr. and Mrs. Lowary Winkles and Mr. and Mrs. O.L. Guthrie who presented them with a chemille bedspread.
Refreshments were served to approximately 75 guests.

Mr. and Mrs. Jimmie Weatherford and boys were in Lubbock Sunday to visit her mother. Mrs. Lucille Singlettery and Mrs. Lynell Jones were guests at the Rosedale Baptist workers' conference last Tuesday.
Attending baptismal services in Texico Baptist Church Sunday were Rev. and Mrs. Charles Jones and children, Mr. and Mrs. Walter Crocker, Mr. and Mrs. Glenn Singlettery, and Mr. and Mrs. Buck Taylor, and Donnie Lovett and Donna Kay Pierce.

Parmer, Nation's Farmers Approve Marketing Quotas

By W. H. Graham Jr.

By a vote of 264 to 48, Parmer County cotton growers Monday approved marketing quotas for the 1959 crop, and in so doing added their collective voices to the upland growers throughout the nation in endorsing the referendum's affirmative choice.

In so doing the local farmers helped make history for the nation's farm program. The significance of this vote is yet to be measured, especially locally where so many are yet undecided as to how the change may affect them, but it cannot be doubted that the big "option" provision endorsed in Monday's voting portends many possibilities.

ASC office manager Prentice Mills said Tuesday that he considered this vote as "average" so far as the turnout—312 ballots—was concerned. Although much could hinge on the new change that now will become farm law, area farmers apparently didn't get their feathers ruffled a bit by the prospects.

There was, in fact, an almost

complete lack of campaigning—at least openly and in public places. Considerable more interest has been stirred in previous years when farmers were offered what was then regarded as a "fool's choice" and not nearly the discretion in selection that the Monday ballot presented.

Unless one had been informed of the details of the referendum, he could have become confused this week. The issues were in juxtaposition. Heretofore, those who have voted against marketing quotas have usually been those who favored less government regulation in farm affairs.

Monday, however, that wasn't the case. An affirmative vote was taken to mean, by the USDA and most onlookers at least, that the voter approved of the choice A and choice B option plans for a two-sided cotton program in 1959.

In that case, it might well be wondered just what (or who) the 48 who cast votes against marketing quotas were turning down. The government's refer-

endum have seldom drawn laurels for their clarity of choice at the polls. Monday could have been another one of those days when some of the voters were slightly muddled. It also may have helped to explain why the turn-out was anything but sensational.

The exact price support that will be available for the two groups of upland staple next year hasn't been announced by the USDA yet. It won't be until the early part of next year.

That could have some bearing on which way farmers will set their course, but not a whole lot. For one thing, supports are likely to continue at a level comparable with what they have been in the last few years.

The actual amount (if any) that grain sorghum supports will be increased is predicted to have more bearing on the farmer's choice than the small fluctuation of cotton prices themselves.

Something that probably will play as an important part as any is purely intangible. It might be called a hunch. Will next year be a "good year" for cotton? (Speaking here of weather and general conditions.)

The years 1954, 1956, and 1958 have been considered "good years" for cotton. Is the cycle of poor growing years (1955 and 1957) to repeat, or will the alternating pattern be broken?

Weather, insects, and other practically uncontrollable fac-

Cotton Quality Continues High

The fifth Texas High Plains cotton quality report for the 1958 cotton crop, representing total ginnings of more than one million bales, still indicated that this year's crop may be one of the best on record.

George W. Pfeiffenberger, executive vice president of the PGC, says statistics on the report which covers ginnings of 1,250,000 bales as of November 30, indicate that white cotton accounted for 78.9% of the crop with 24.7% being midling light spot and better. Light spots could have a world to do with whether growing 40 percent more cotton for less money is smart—or whether it was a drain on the grower's pocketbook.

Things like these can't be figured on. They are "played." Just how area farmers will play the coming crop is still anybody's guess.

spotted cotton was only 20% and that, 15% was middling light spot and better. Full spotted cotton was only 0.1%.

Pfeiffenberger says ginnings are running much faster the past two weeks and many observers feel the crop will be 95% harvested by Christmas. Estimated total production is around two million bales.

Statistics show in the fifth quality report that the average staple length is still holding close to an inch, being 31.2 thirty-seconds of an inch. There is 32.8% of the staple that measures one inch and longer and only 4.6% measures below 15/16 inch.

The micronaire average is 4.1 with 90.5% of the crop above the tenderable micronaire limit of 3.5. The majority of the crop, or 59.7% falls between 4.0 and 5.0.

In fiber strength the data show the average is 75,100 pounds per square inch with 47.1% between 75,000 and 90,000 pounds.

Pfeiffenberger called attention to the uniformity of the new crop in grade, staple and micronaire and pointed out that this perhaps is one of the most uniform crops ever harvested on the High Plains.

THE FARMER COUNTY IMPLEMENT CO.

NEWS

"The Place Where Most People Trade" Friona, Texas Wednesday, December 17, 1958

The Parmer County Implement Company employees had their annual Christmas party at the club house Tuesday evening. Following a covered dish supper, everyone played forty-two awhile.

PCICN Speed up every lifting, carrying, and loading job on your farm with a McCormick loader. Loads manure, dirt, sand, gravel, crushed rock. Lifts loads to 8 1/2 ft. height—low slung—easy to maneuver. Let us show you one of these loaders.

PCICN Be sure to take your children to town to see the Christmas decorations after dark. Friona's decorations rank with the big towns, both the street decorations and those in the stores. Before you leave home to "see the sights" better see those in your hometown.

PCICN Hope you attended the meeting at the Hub Community Center Wednesday about Farm Income Taxes and Social Security. If you missed it, there's a new government bulletin out that you should read. Ask Joe Jones, County Agent, for a copy. It could save you some money.

PCICN McCormick trailing type disk plows may be obtained in sizes to match the power of any tractor. These plows cut deep in hard, dry stubble and do an excellent job of stubble coverage. Better buy one now for the most efficient use of your tractor power.

PCICN We moved our sheep to a

safe distance from the house and everything was pleasant in our kitchen until the expressman knocked on the back door and said, "I have some birds for this house, collect, please." We paid and moved twenty chucker quails into our garage. (It opens into the kitchen.) If there's anything that smells worse than three baby lambs, it's twenty grown chucker quails.

PCICN Farm 20 feet at a clip—plant or cultivate well over 100 acres a day with a Farm-all 450 tractor and 6-row McCormick equipment. Cut field time labor and fuel cost to a new low!

PCICN You'll really go for the new "Glide" ride behind the quietest most efficient Rocket Engine ever built. Discover the New mobility of Oldsmobile in the new Oldsmobile on display at the Parmer County Implement Company.

PCICN We visited a few days in the Davis mountains last week. Saw antelopes by the hundreds, a few deer, some buffalo, two coyotes, and the fastest finest Herefords that we'd seen outside a show barn.

PCICN For toy tractors, wagons, trailers, trucks, pickups, and plows that are made to scale, see the International models that will please any boy as a gift from Santa on display at the Parmer County Implement Company.

PCICN Dr. Paul Spring stopped for

a minute to talk to a small boy who was visiting his mother at the hospital the other day. "I'll bet you are proud of the new baby," said the doctor. "Well," replied the youngster, "I guess if it is a boy we will take it home and it is a girl we will leave it in the showcase."

PCICN Check our rock-bottom prices on Goodyear's new tubeless DeLuxe supercushion tires. More people ride on Goodyear tires than on any other kind.

PCICN The wording on a stone turned up in the ruins of a bombed church in England during the last war could very well be applied to the present time and some people's tendency to be alarmed about it. "Fear knocked on the door. Faith answered, and there was nobody there."

PCICN For dependable, low-cost pumping power from gasoline, LPG, natural gas, or diesel, men who know prefer International. International power is fast, economical, and always dependable. International power units give power, economy, and dependability.

PCICN Cub Scouts of pack 56, den 5, had their Christmas party Monday at the First Baptist Church. Every boy colored a chalk figure of a lion's, wolf's, or bear's head. After playing some games and having a gift exchange, Mrs. Helen Potts served refreshments. Mrs. Estep and Mrs. Gibson are den mothers.

THE HAPPY HOMEMAKER

BY JUNE FLOYD

In almost any personal improvement course, the first thing that is mentioned is the importance of remembering a person's name. Someone came up with the following instructions as being helpful along this line. THE ART OF REMEMBERING NAMES: From both a business and social standpoint, it is important to remember names. What can be more embarrassing than to meet a person to whom you have been introduced, but whose name has slipped your mind? Here are five rules that may help you to remember names:

- (1) When introduced make certain that you have heard the name correctly.
- (2) Repeat the person's name as often as possible as you stand talking to him.
- (3) Learn as much about him as you can and study his features.
- (4) Mentally associate the name with something.
- (5) Later in the day test your memory of the name.

From our observation it seems that the fourth point is something most of us do automatically. One of Plains Publisher's newest employees is Peggy Pond. She is new here and a week after she came almost everyone remembered that her last name had something to do with water, but it was difficult to decide whether it was Lake, Pool, Pond, or some other like term.

It also seems to us that if everyone of us would concentrate on making certain that we have heard the name correctly at the

time the introduction is made, we would have less difficulty recalling it later.

Thanks to Fay Wilcox, we have a most interesting item for our column this week. It was originally printed in a Kentucky paper about 110 years ago. It was re-printed in the Poteau News at Poteau, Okla. It is quite different from sale bills we see lying around local business houses at this time of the year.

In fact, as we read it we wondered just what some of the articles were used for and why a farmer would possess them in the first place. It goes like this:

PUBLIC SALE

"Having sold my farm and I am leaving for Oregon Territory by Ox team, will offer March 1st, 1849, all of my personal property to-wit:

All ox teams except two teams, "Buck and Ben" and "Tom and Jerry," 3 milk cows, 1 grey mare and colt, 1 pair of oxen and yoke, 1 baby yoke, 2 ox carts, 1 iron foot of Popular weather boards, 1 plow with wood mould board, 800 to 1000 three foot blap boards, 1500 ten foot fence rails, one 60 gallon soap kettle, 85 sugar troughs made of white ash timber, 1 large loom made by Jerry Wilson, 100 gallons of maple syrup, *two spinning wheels, 30 lbs. of mutton tallow, 1000 poles; 100 split loops, 100 empty barrels, one 32 gallon barrel of Johnson-Miller whiskey seven years old, 20 gallons of apple brandy, one 40 gallon copper still, some oak tanned leather, 1 dozen real books, 2 handle hooks, 3 scythes and cradles, 1 dozen wooden pitch forks, 1/2 interest in tan yard, one 32 calibre rifle made by Ben Miller, 1 bullet mold, powder horn, 50 gallons of soft soap, hams, bacons, and lard,

WINTERTIME PRE-WATERING

The value of wintertime watering has long been known. Evaporation is only about 15% compared to a summertime loss of as much as 70%. But, most important, wintertime watering eliminates the dangers that can come from early freezes

A case in point is the experience of J. T. Pinkston of Slaton, Texas. Mr. Pinkston practices wintertime pre-watering on his cotton land. Many grimly recall the early freeze of 1957 which lowered cotton quality to a price averaging 17c per pound. That year, Mr. Pinkston's cotton brought an average of 32c per pound.

Says Mr. Pinkston, "In that 1957 season, I did my last watering back in the month of

May, consequently, when the freeze hit, my cotton was already matured and not loaded with watery sap. Out of my 45 acre cotton allotment, I made 46 bales. Only one bale graded as low as strict low middling; the other 45 graded strict middling."

"While it's not easy to water in the wintertime — sure, it's cold and sometimes nasty — the effort pays off in good cotton, which is really what we're all looking for," Mr. Pinkston concludes.

County agents are ready, willing and able to give additional information on wintertime watering for individual soil conditions. It will pay you to look into wintertime watering for your land.

"Agribusness," Income Tax Books Available

Two recently released Extension Service publications, L-408, "An Inside Look At Texas' Agricultural Industry" and L-409, "Farm and Ranch Income Tax Management" should be of interest to many Texans.

In L-408, Extension Economist A. B. Wooten points out that agriculture contributes about one-third of the total in-

come for Texas. Agriculture each year contributes approximately \$4.5 billion to the economy of the state.

Present-day agriculture involves much more than the farm and ranch, says Wooten. The industry is composed of three closely related segments; producers of agricultural products, suppliers of the items farmers and ranchmen must have to produce and the processors and distributors of farm and ranch commodities. Each is a vital part of the industry.

R. G. Cherry, extension economist and C. H. Bates, extension farm management specialist, are co-authors of the publica-

tion on income tax management. The authors have made many suggestions which farm and ranch families should find useful in their business planning.

The authors point out that like other farm and ranch costs, income tax may be reduced by good management. The publication suggests how business transactions may be handled throughout the year to the advantage of farmers and ranchmen.

Copies of both publications are available at the office of the county agent.

The Parmer County Home Demonstration Council sponsored recreation school, which was held at the Black Community House all day Tuesday, was well attended. It was under the direction of Mrs. Joe White of Oklahoma Lane, Mrs. John D. Sanders and Mrs. Joe Douglas of Friona.

"It's Fun To Be A Leader" was the theme of the school. Games, stunts, songs, and skits were taught to the group. Ideas were given for games, toys, and amusement for temporary or permanent shut-ins.

Each person attending took a sack lunch and members of the Black Home Demonstration Club served coffee. Five clubs were represented.

Those present were Jimmie Lou Wainscott of Farwell; Mrs. John L. Ray of the Northside club; Julia Symcox, Lois Billingsley and Jean Travis of the Oklahoma Lane club; Cherry Ann Mingus, Gertrude Renner, and Lillie Mae Baxter of the Hi-Point club; Mrs. Wesley Hardesty of the Friona club; Also Mrs. Jerry D. SOIL CONSERVATION DISTRICT NEWS

Do you know what Soil Conservation Districts are?

The Parmer County Soil Conservation District is a legal sub-division of the state of Texas, governed by the board of supervisors who are land owner-operators within its boundaries.

Farmer-district cooperation is voluntary in the form of an agreement entered into by the farmer and the district. The district agrees to furnish the necessary technical help through the Soil Conservation Service employees. The farmer agrees to start his conservation plan that will lead to the treatment of each acre of his land within its capability and needs.

Combating soil erosion and encouraging good land use is a job Soil Conservation Districts can do well.

Why? Because from the very beginning, Americans have

Mr. Farmer

Since Cotton Prices are now very close to the loan price, we feel that this is the time to put your cotton into the Pool Sales. Most cotton in the grades SLIM and lower has a good chance of selling on actual samples, and all of your light spotted cotton has a very good chance of selling. When we sell the cotton, the producer receives back all of the over the loan net profit that his individual bale brings.

For cotton that is already in the loan, either Form A or Form G loan, all that is necessary is to bring or send us the equities along with \$1.00 per bale.

Your local ginners can get in touch with us for you and get the full details if they do not already have them.

We are organized to help the producers realize more money from West Texas Cotton.

THE FARMER FARMER

by W. H. Graham Jr.

January 12 is supposed to be the day that farmers will find out what the price support of their grain sorghum will be next year. Nearly everybody we talk with is betting on an increase, and there is an overwhelming amount of evidence on the national scene to support this contention.

The date we mention which is shortly after the first of the year is the day on which Secretary of Agriculture Benson is supposed to make public his findings "as of January 1." He will figure parity for corn for the first of the year, and reveal grain support prices on the 12th.

That's a day we all will watch with great anxiety. Everyone is keeping his fingers crossed for about a 10-cent increase. Here's hoping it jells.

One of the fellows we were talking with about this during the past few days was Bill Dollar of Lone Star Elevator. Although indications are so favorable for a price increase for next year's crop, Bill says as a warehouseman he can't notice much effect on the market at the present time.

We were under the impression that if grain buyers believed that prices were due for an increase in the not-too-distant future, they would lay in a store before the jump takes place.

That's not the case with milo this winter, according to Bill. The price is pretty stable. He

says that most buyers are still making purchases on a day-to-day basis.

Glenn Phillips of Farwell feels right down-trodden this week. His favorite brown mule has strayed off the place and can't be located. Glenn bought this and another mule from a Fort Sumner farm last fall to help get in his corn.

The corn borers have really been rough on the corn boys this year and Glenn says that with his two mules and a couple of braceros he can get in his crop cheaper than with a mechanical picker.

The team, a wagon, and a couple of hands can harvest the corn for about six dollars an acre, he says. Picker work usually runs about seven dollars an acre, and then there's a lot of corn left on the ground that the mules and hands have to gather up anyway, so the old-fashioned method may be the best, Glenn figures.

Incidentally, the farmer told us last year that the mules don't understand anything except Spanish. Might remember that if you run onto Glenn's stray.

While listening to NBC's "News of the World" broadcast featuring Morgan Beatty the other evening, we were somewhat surprised that a special feature of the program was on "milo maize" supposedly grown and processed under scientific conditions in some Midwestern state. We think it was Indiana.

Anyway, the newscaster was going on no end about what a wonderful new product "milo

maize" was and how it had been discovered that it could do everything corn could and so much more.

Special note was made of industrial applications such as plastics and other non-farm uses.

Now, was it a mix-up in nomenclature we were listening to, or have the scientists really found out that our old favorite "milo maize" is slightly terrific?

We don't know the answer, but figure on reading the farm journals a little more closely to see if we can discover any clue connecting us with this interesting coincidence.

Gilbert Kaltwasser says he's surprised that farmers don't seem to be more worked up about the "option" plan offered cotton growers the coming year.

Gil has already made up his mind that he's going for more cotton for sure. He figures that even without the assurance of a pretty good price for his lint he'll be much better off than raising grain sorghum.

From that standpoint he's surprised that there seem to be so many farmers who either haven't made up their minds yet or appear more or less aloof to the possibilities.

The south Parmer County farmer admits that part of the explanation is probably due to the fact that it's a lot more within the reach of his sandy-land farm to produce outstanding cotton than it is an outstanding yield of milo.

NEWS FROM THE FARM BUREAU

By RAYMOND EULER

If everything goes well, we expect to be located in our new office one block north of our present location within the next few days. We will have a little more room and expect to be able to serve you a little better than in the past. The phone number will be the same, 3521.

Since we are sending out notices for tractor gas tax exemptions only twice a year, we want to mention that if you have not filed within the last six months you probably have some that need to be sent in. We would be glad to have you come in. The ladies can still take care of this if the husbands are too busy. Remember that five cents per gallon can add up to some good spending money.

According to USDA reports, 93,000 more families moved to the farm in 1957 than moved from the farm. The percentage of the United States population on the farm remains about the same, twelve percent. The increase in numbers of people is possible because of the birth rate, in case you wondered.

Cary Joe Magness of Farwell, campaign chairman for the March of Dimes this year, is doing a good job getting his workers lined up for the annual drive in January. Supplies have been received and will be distributed to community chairmen Tuesday night at the regular chapter meeting. We are glad to see the interest evidenced by all these people this year, since other youth problems have been added to the work of the chapter. Sometime in the early part of 1959 the Foundation will begin providing patient aid for children through age 18 for arthritis and birth defects. We hope clubs and schools will use the film which is available from Cary Joe. It is very educational and interesting.

CANDIES

Easy Do Pralines

- 1 package butterscotch pudding
- 1 cup sugar
- 1/2 cup brown sugar
- 1/2 cup evaporated milk
- 1 tablespoon butter or margarine
- 1 1/2 cup pecans

Combine all the ingredients and cook slowly until dissolved. Add the pecans and boil slowly until candy reaches the soft ball stage, 235 degrees F. to 240 degrees F. Remove from heat and beat until mixture thickens. Drop by teaspoonsful on waxed paper. Makes 30 2-inch patties. Store in covered container in cool place.

HOW TO BE UNHAPPY

By Ruth Millet

America is full of women waiting to be happy.

Some of them think they are going to be happy when all their children are in school and they have a little time for themselves.

Some are waiting to be happy until their husbands get a larger or a more convenient house.

Some even kid themselves into believing they would be happy if they could redecorate the house.

It's amazing how many excuses a woman can find for not being happy here and now and how easily she can deceive herself into thinking she would

be happy is she just had this or had that.

But of course, the woman who is always going to be happy sometime in the future never ends up by being happy at all.

As soon as she gets one thing she wants another. The freedom she thinks she is going to enjoy when the children are able to look after themselves, more often than not turns into a feeling of loneliness and frustration. As soon as she gets time on her hands she begins to worry because nobody seems to bother her any more.

The only happy women are those who realize that it is today that is important, today that counts; that today is the

A GOOD QUESTION —

WHY JOIN THE FARM BUREAU?

This question is being asked by a lot of people today--both those who honestly and sincerely inquire into Farm Bureau's program for the betterment of agriculture, and those who would seek to damage and tear down the principles that Farm Bureau has always stood for.

As we end a farming year here in Parmer County, and look forward to what the future may have in store, we think that it is an especially good time to take stock of Farm Bureau and what it means to LOCAL farmers. This week the nation and Parmer County too, endorsed marketing quotas in the cotton referendum, which will mean at least one step toward a return to sanity in agriculture where the farmer has some choice in how he wants to run his business. Cotton farmers will have a choice of price protection and reduced acreage next year. The individual can decide for himself. That is the first real choice offered cotton farmers since 1953.

At the time of this writing, it appears very likely that the price of grain sorghum, Parmer County's biggest crop, is due to increase next year, due to the new farm program that places our milo in a support position comparable to its feeding value of corn. The amount of increase cannot be accurately forecast, but it should fall somewhere around 10 cents per hundred-weight. This alone could mean upwards of an additional \$1 million to the farmers of this county.

Farm Bureau does not get everything it seeks. Not all of our recommendations become a part of the farm program. But the fact remains that as the nation's most influential farm organization, Farm Bureau can and does do more to shape the destinies of its member farmers than any other group. Farm Bureau, because it represents such a wide cross-section of agriculture in all of the 48 states, seeks a farm program that will benefit not just isolated segments, but farming as a whole.

Your Parmer County Farm Bureau, though sometimes the object of criticism by those who misunderstand or distort our objectives, is working for the betterment of local farming interests by means of programs based on sound economic and moral principles. We do not believe that a "pie in the sky" philosophy can long endure, and that any financial gains attained under such pretenses will be shortlived.

The coming year has every indication of being an improved one for Parmer County farmers--at least so far as our main commodities are concerned. Your Parmer County Farm Bureau points out that this is the result of much thought, time and effort on the part of dedicated individuals working cooperatively and giving a unified voice through our farm organization.

We think it would be well to remember these things the next time someone asks you, or you ask yourself, "Why join Farm Bureau?"

time to be happy.

They have ambitions and plans and dreams, just like unhappy women. But they don't kid themselves that they can wait to be happy until they have whatever seems vitally important at the moment.

They are willing to be happy with what they have while working toward their future goals.

Any woman who kids herself that she will be happy as soon as she can have this or is able to do that is just pushing happiness ahead of her - always a little beyond her grasp. Taken from San Antonio News

to fit that development at any stage.

For example, push-and-pull toys, wheel toys, balls, sports and gym equipment are all typical playthings which aid physical development . . . Blocks, construction toys, drawing and painting equipment, train systems and dress-up costumes are typical of the kind of equipment which stimulates imitative and dramatic play. How much you spend is not important--it is important to consider the child's play interests and his stage of development.

Wolverines Win Another Pair

Texico's Wolverines continued their winning ways over the weekend. Friday night they bashed Floyd, 52-46, and Saturday night they took the measure of Grady, 41-27.

The Floyd game was close and Coach Paul Frederick's boys had only a slim 27-25 lead at the half.

Hadley was high scorer for the Wolverines with 14. He was trailed by Reid and Bowers with 10 each. Singleterry had six.

The game with Grady Saturday night was also close. The Wolverines pulled it out of the fire in the final period.

At the end of the first quarter, the score was tied, 7-7; at the half, Texico led, 19-18; and at the end of the third quarter, it was tied again, 24-24. In the last stanza, the winners poured 17 points through the hoop as Grady was manag-

ing for only three. Hadley was again top scorer. He had 16. Bowers made eight, Reid and Singleterry five each, Stover four, and Engram three.

Also Friday night, the Bboys won a tight, 33-32, verdict from Floyd. Texico had an eight point lead at the end of the first period, but after that it was close. The score was 26-26 at the end of the third quarter.

Saturday night, Coach Frederick's girls lost to Grady, 52-33. Grady led 25-19 at the half. Three Texico guards fouled off before the final whistle sounded. Anita Moss was high scorer with 16. Christina Bowers made 10.

Both boys and girls teams meet Melrose here Friday night in the final pre-holiday action. The teams won't play again until January 9 when they go to House.

Evidence Heard In Will Case

In county court Monday, evidence was heard in regard to the will of George W. Bolton, deceased.

County Judge A. D. Smith was on the bench. No decision had been returned at mid-week. Bolton, an Oklahoma Lane farmer, died several months ago.

Vo-Ag Teachers Attend Conference

Parmer County vocational-agriculture instructors attended an Area 1 conference in Amarillo last Friday and Saturday. They included Robert Morton of Farwell, Roy Crawford of Bovina, and Jack Black of Lazbuddie.

in their opening games. The boys play at 3:45 Thursday and the girls follow at 5.

Other boys teams in the tournament are Tulia, Turkey, Kress, Quitaque, Muleshoe, Hedley, Nazareth, Olton, and Adrian.

Girls teams, other than Farwell and Silverton, are Adrian, Dimmitt, Olton, Nazareth, Hedley, Muleshoe, Kress, Tulia, Quitaque, and Turkey.

Future PTA Programs Outlined

Two approaching programs were announced at Thursday night's meeting of Farwell PTA. A report from the Hale-Aiken Committee will be heard at the January 15 meeting in the school auditorium. Members of the group are Jack Williams, Webb Guber, C. C. Christian, Bob Anderson, Rev. Irving Looney, and Mesdames Loyd Cain and A. F. Phillips.

Dr. Martin L. Cole, academic dean of Eastern New Mexico University, will give an illustrated lecture on Russian education at the February 12 session. Dr. Cole recently made a tour of Russia and will be speaking from first hand experience.

A nominating committee will be elected at the latter meeting, also, announces Mrs. Phillips, program chairman.

Guest speaker Thursday was Rev. W. H. Hardwick, minister of Hamlin Memorial Methodist Church. Refreshments were served in the cafeteria following a program by sixth grade students.

MISS RICHARDSON EUTERPEAN INITIATE

Miss Bobbye Richardson, a senior at Eastern New Mexico University, is one of seven new members of the Euterpean society.

County Singers To Meet

Parmer County Singing Association will have its regularly scheduled meeting Sunday in Oklahoma Lane Methodist Church at 2 p.m. Officers of the group decided against cancelling the meeting as had been

considered last month, it was announced this week. The "old fashioned singing convention" attracts singers not only from Parmer County but also from many surrounding communities in both Texas and New Mexico.

Steers Second At Friona

Farwell's Steers took second place honors in Friona Invitational Tournament last weekend.

With wins over Friona B and Sudan, the Steers advanced to the finals. They lost a heart-breaking 43-41 decision to Friona's Chiefs in the game which climaxed the tournament.

Johnny Lovelace led the Steers in the final game with 22 points. He was trailed by Owen Huffaker, eight; Phillip Berry and Gerald Christian four each; and Dickie Williams three. Williams, who is one of the Steers' leading scorers, received a dislocated shoulder in the second quarter and didn't see further action.

The game was close throughout. Friona led 12-11, at the first quarter mark; Farwell was ahead, 25-16, at the half; and the Chiefs were back in possession of the lead at the end of the third quarter, 32-31.

This was the fourth meeting of the year of the two squads. Farwell has won one game—the first.

In their opening game of the tournament, Coach Calvin Murray's hoopers won over Friona B, 45-26.

Dickie Williams was top

scorer with 17. That game was played Thursday.

Saturday morning, in the championship semi-finals, Coach Murray's team beat Sudan, 57-30.

Lovelace, with 17, and Williams, with 11, led the scoring in that game. Christian, Benny Dial and Freddy Magness had six each; and Berry and Jimmy Martin made two.

Coach R. B. Tucker's girls lost in the consolation finals to Springlake, 37-27. They advanced to the finals by losing to Sudan, 61-37, in the opener and winning from Friona B, 40-24.

Jane Ritchie was the leading scorer in the Sudan game with 17 points. In the Friona B game, Jeanette Lindop took scoring honors with 15. Ritchie was again high in the consolation championship game. She made 12 points. Highpoint-maker of the game was Springlake's Minnie Wheat, a freshman. She put 27 points through the hoop.

This weekend, the teams enter their third invitational tournament of the year. This time the action will be at Tulia. Boys teams meet Silverton

NOTICE OF INTENTION TO ISSUE WARRANTS FOR RIGHTS-OF-WAY TO THE RESIDENT PROPERTY TAXPAYING VOTERS OF PARMER COUNTY, TEXAS:
TAKE NOTICE that on the 12th day of January, 1959, the Commissioners' Court of Parmer County, Texas, will pass an order authorizing the issuance of claims and accounts against the Road and Bridge Fund of the County, for the purpose of acquiring and purchasing lands necessary for the rights-of-way in respect of Federal and Texas State Highways, Farm-to-Market and Lateral Roads in said County, and to defray all expenses incidental thereto, and which said proposed indebtedness will not

exceed the principal sum of ONE HUNDRED SEVENTY-FIVE THOUSAND DOLLARS (\$175,000). FURTHER TAKE NOTICE that by the same order, the said Commissioners' Court will authorize the issuance of time warrants, bearing interest at a rate not exceeding FOUR AND ONE HALF PER CENTUM (4-1/2%) per annum, for the purpose of paying and cancelling the indebtedness evidenced by such claims and accounts against the Road and Bridge Fund of the County, and which said time warrants will mature serially over a period of years, the maximum maturity date to be not later than the 31st day of December, 1969, and the said Court will levy a continuing direct annual ad valorem tax out of the Road and Bridge Fund Tax authorized by Section 9, Article 8, of the Constitution, for the purpose of paying the principal of and interest on the indebtedness hereby proposed to be created, and which said indebtedness will be in due course represented by such time warrants when and as the same are issued and delivered.

THIS NOTICE is issued pursuant to that certain order passed by the Commissioners' Court of Parmer County, Texas, on the 8th day of December, 1958, which order is recorded in Volume 4, page 195 et seq., of the Minutes of said Court, and such order is hereby adopted by reference and shall be considered as much a part of this notice as if incorporated herein in full detail. WITNESS MY OFFICIAL SIGNATURE, this the 8th day of December, 1958.
A. D. Smith
County Judge, Parmer County, Texas 10-2tc

LINERS--
seems that Turner decided to go ahead and eat it even if it was rubber. That was nothing but right. If a man takes on a project--and it is a project to eat a piece of rubber candy--he should go ahead and finish it.

Don't forget that Santa Claus is going to be in Twin Cities Saturday afternoon

RADIO--
games were broadcast over the station this year. Ten of the games were tape recorded and broadcast on Saturday morning following the games on Friday night. The two playoff games, which were played in the afternoon, were broadcast live.

Exactly when a yes or no will come from FCC is not known. Rozzell explains that it is the commission's custom to act on all matters within 90 days and an answer is expected by that time if not before. The request to move the station here was submitted earlier this month.

FARWELL--
Ritchie was the games leading scorer with 17. Other pointmakers for Farwell were Parker, 14; Hubbell 10, and Lindop nine. Bowers had 10 for the Whirlwinds. She was followed by Moss with nine and Patterson with four.

TRIB EARLY NEXT WEEK
Next week's Tribune, the Christmas issue, is scheduled to be out two days early. The paper will be mailed Tuesday afternoon instead of on Thursday afternoon. This two-day-early schedule will make the paper available to Texico-Farwell subscribers Tuesday. It will go on the routes Wednesday.

Weekend visitors in the home of Mr. and Mrs. Claude White were his sister, Mrs. W. T. Ferguson, and his nephew, E. W. Ferguson, of Pecos. They left Sunday and Mrs. Ferguson will visit her son at Pecos before returning to her home in Laredo.

MOD WORKERS--Final plans for Parmer County's 1959 drive were mapped at a meeting of Parmer County chapter of the National Foundation Tuesday night in Bovina. Here, Raymond Euler, left, county chairman, Cary Joe Magness, campaign director, center, and Roy Whisler, Bovina community chairman, talk over the drive following the meeting.

MOD--Raymond Euler, county chairman, presided at the meeting. He said it has "never been the policy of MOD to buttonhole people and tell them how much they should give and it won't be that way this year. The March of Dimes is a program of information and education."

Dates of the drive are January 2-31. Beginning this year, the program has been expanded to include virus diseases, arthritis, and birth defects as well as polio. It was pointed out at the meeting the expanded program tends to make the drive more important than ever. "Just because there's a vaccine for polio now doesn't mean that we can cut down on our March of Dimes work," Jack Patterson, Rhea community chairman, reminded. Also pointed out Tuesday night was the fact that all polio patients in the county have been taken care of through the foundation. "Our county has had, and will have, all the money it needs to care for its patients," Magness said.

Lela Raulie Rites Read Tuesday

Last rites for Lela Gertrude Raulie were read Tuesday afternoon by Rev. C. C. Morgan at Rose Chapel of Roberts Funeral Home in Clovis. Burial was in Mission Garden of Memories. A resident of Curry County for 50 years, Miss Raulie died Sunday morning at her home two miles north of Texico. She was 54. Survivors are three brothers, C. A., Ray, and W. W. Raulie, a sister-in-law, Mrs. W. W. Raulie, and a niece and nephew, Barbara Ann and Wesley Raulie, all of Texico. Pallbearers were Ernest Loke, Jack Dunn, Olan Schlun-ter, Les Means, Raymond Mears, and B. A. Rogers.

Aubrey Sprawls, a former resident now living in Shattuck, Okla., visited friends here this week.

Mrs. Boddy Buried Here Tuesday

Funeral services for Mrs. E. R. Boddy, a long-time resident of Texico, were conducted Tuesday from Calvary Baptist Church, Clovis. Rev. Earl Landtroop officiated and Steed Funeral Home was in charge of arrangements. Interment was in Texico cemetery. Mrs. Boddy, 81, died Sunday morning in Athens where she was visiting her sister, Mrs. Della Riley. Mrs. Boddy and her husband, who died last year, moved to Curry County in 1920. Survivors include three sons, Philo of Perryton, Robert of Santa Fe, and Glenn of Albuquerque; one daughter, Mrs. Reuben Boone, Grants; 12 grandchildren; 26 great-grandchildren and the one sister. Pallbearers were Edward Engram, R. C. McDormick, J. A. McDaniel, George Osborne, Reuben Rumbaugh, Albert Ethridge.

United Pentecostal Church Schedules Christmas Play

Public is invited to attend a play entitled "The Inn at Bethlehem" to be presented, Friday night at United Pentecostal Church in Texico. Background music for the play which will begin at 8, will be recorded Christmas carols. Speaking parts will be played by Mesdames Jim Bob Smart and Euell Watts as the maids at the inn, Truman Gaines as the innkeeper, Misses Anna Gaines and Velma Martin as the princess and her maid, and Mrs. Audrey Fielding as Mary. Other members of the congregation will be seen as shepherds and wisemen. Rev. B. L. Barnes is pastor of the church.

District Court Scheduled Friday

Two cases are docketed for district court in Farwell Friday. They include A. C. Teter, charged with embezzlement, and Jackie Hyman, charged with car theft. The cases will be tried without a jury. Special District Judge, Bill Street, will be on the bench.

Mrs. Jason Gordon and son, Dickie, of Plainview visited her parents, Mr. and Mrs. C. Frank Elliott, and her brother-in-law and sister, Mr. and Mrs. John Armstrong, over the weekend.

C. C. Christian and Wendol Christian left Sunday for Jefferson City, Mo., on a business trip. They were to return the middle of the week. Guests of Mr. and Mrs. Sam Jones of Friona Sunday were Mr. and Mrs. Juan Eskew.
