## BTD parade starts building

Have you signed up for the big Border Town Days parade yet?

If not, you need to do it by calling BTD Chairman Mike Pomper by noon on Monday -- 481-3681. That way you are eligible for cash prizes (\$75, \$50, \$35 and \$25) given to the top four floats. This year's theme is "Real Heroes," such as teachers, nurses, firemen, police, etc.

You can sign up after Monday noon, but that means you will not be eligible for prizes and you will be placed at the rear of the parade lineup.

The parade kicks off at 11 a.m. Texas time on Saturday, July 29, at Griffin Street and the highway in Texico.

The highway will be closed to traffic during the parade. A by-pass route through Texico on Hereford Street has been set up by Texico police. Residents are asked not to park their vehicles on Hereford Street during the parade.

## Senior citizens group offers many activities

by Brittany Anderson:

Organized in 1974, and still very active today, the Texico/Farwell Senior Citizens group holds many activities for seniors to get involved, eat, play games, and simply just hang out at the Texico Community Center.

The group, consists of one active charter member, Aileen Teel, and 28 active paid members. It was interesting to hear Aileen talk about starting the foundation by donating \$10 for paper supplies and how it has grown ever since.

In fact, the senior center is the fun place to be every Thursday night as they have potluck starting at 5:30 and then games to follow.

"It gets me out of the house," says Mildred Autry. The seniors added that the most popular night is "Fish Night" and every 5th Thursday, Long John Silver's food is served!

At Thanksgiving and Christmas, members get together and prepare special meals. "It's good eating," added Ed Autry.

Also, an exercise class is starting back up that will be held once a week, plus a new computer class.

"The center always has reading material available at its library and an exercise machine as well as computer for members who want to use them," added Roy Richardson.

What else does the Senior Center have to offer?

"We do a shoe fair once a year for the diabetics," said Mrs. Duncan. "A volunteer comes in and will fit them for shoes. We also have volunteers who will mow yards and clean houses for those who are unable."

"I would like to see the Texico/Farwell senior center continue," says Bertha Kelley, the newest member of the center. "It's very relaxing and I really enjoy the fellowship and fun we have with each other."

Anyone over the age of 50 is welcome to join, and the annual dues are only \$5 per person. Also, the City of Farwell pays the Center for members of its community who participate.

"The center is a wonderful place to come, enjoy meeting new people, and talk to those you already know," said the Robinson's from Farwell.

## Steak dinner raises funds for junior livestock show

The 2006 Parmer County Stock Show Dinner is set for Aug. 26 at 7 p.m. at the Farwell Community Center.

This year, local volunteers will prepare the meal. The meal will include rib-eye steak, green beans, new potatoes, salad, and green chile corn.

This dinner is a major fund-raiser for the county junior livestock show. Last year, all kids who participated, no matter what place they got at a show, received at least \$100 from the fund.

Each community in the county sells tickets. However, a maximum of 200 tickets will be sold, and two people may attend on one ticket.

To purchase tickets call Gary Patterson, Farwell; Ed Terry, Lazbuddie; or Al Kerby, Bovina.

**Home valuations increase 15 percent**

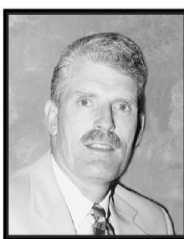

Parmer County Tax Appraiser Curby Brantley reports that all homes in the county had their appraised valuation increased 15 percent due to higher market sales.

As for farmland, he said their market value (what it sells for) went up slightly, while their taxable value (productivity) went down slightly.

The county Appraisal District board held seven hearings this month on folks unhappy with how their valuations were, but Brantley's decisions were upheld on all of them.

**You never know...**

by Brittany Anderson  
Have you ever wondered what you would do if you had say one, two, four hundred million dollars? Quite a far-fetched dream, but it could happen if you were a lucky lottery winner.

On Tuesday, I asked customers and workers at Lowe's grocery store in Farwell, "What would you do if you won the lottery?" Here is what a few of them had to say:

"I would praise God and thank him first," said Lizzie Beckham. "Then I would give 10 percent to my church, sell my house, buy a new house, give money to my family, and finally set up a college fund for my son."

Sandra Beavers said she would get her parents out of debt and then invest the money.

Steve Castillo mentioned, "I would quit working, retire, and spend the rest of the money."

"I don't play the lottery, so I wouldn't do anything," said one customer. "I find that I am better off saving the money I already do have."

For Gilbert Mirelez, investing the money in a business would be the best thing to do.

"I would build a bridge between Texico and Farwell. A very nice bridge that kept us from waiting on trains," said Gilbert Albuerto.

If Rueben Rivera won the lottery he would simply, quit working!

"I would take care of all my necessities first ... my kids, my family, etc," said Patricia Phelps.

## It's time to sign up

In case you didn't know, Border Town Days is coming up soon.

Have you signed up yet? Gonna participate and have a great time?

Well, get on the stick. The deadline is approaching for signups, and there's plenty of room in the Big Parade and the Decorated Bicycle Contest, with lots of prizes offered.

So take advantage of a great hometown event, and get involved.

Have fun!

By the way, I really would appreciate you buying one of our LTD buttons, \$2 each, which have been placed at several

local businesses.

This is our only fundraiser for LTD. We need these funds to carry on this great activity each year.

A lot of small town celebrations get funded by their governments. We don't get a dime.

In the last 22 years, the only time government has funded LTD was when the Farwell City Council provided the money for the portable toilets for two years.

I like the fact that citizens fund LTD, and not government.

An Associated Press article this month said the percentage of bank cards 30 or more days past due has jumped from 2 percent (1990) to 4.4 percent (2006) of card customers.

So what is happening is that many Americans are putting off their severe economic problem for awhile. I believe the average American credit card debt has now topped \$10,000.

Will it ever come due? Oh, yeah. But a few more

years down the pike. That's when it will hit the fan.

Can it be prevented? Oh, yeah. But not by our current leadership. They don't have a clue. What's more our national politicians could care less.

Isn't that sad that I have to write that?

The situations confronting us won't change, regardless of who you vote for. Not until we kick those folks out after one term. Every one of them.

In Texas, for example, Kinky Friedman is looking more and more attractive as a candidate for governor.

That's called a "protest" vote. And more and more folks I talk to are looking in that direction.

I watched 3 or 4 World Cup soccer games this year. That's about 3 or 4 than I have ever watched in my life.

The game is really boring. When two good teams play, if one goal is scored, it's a miracle.

Why not skip the 90 minutes, plus 30 minutes of

overtime, and just start off with the penalty kicks? Sure saves a lot of time.

I think the world soccer association needs to tweak their rules so that a tad more offense is allowed.

Baseball did this years ago when it lowered the height of the pitching mound, and that sure worked.

Who says the Republicans and Democrats in Congress can't agree on anything?

Take a look at that recent case where the FBI raided the office of that Democrat congressman who was caught on videotape taking money and bragging how the feds couldn't catch him. And they found close to \$100,000 in cash in his ice box.

Well, congressmen on both sides of the aisle blasted the FBI for this "illegal search," as they called it.

Last week, a federal judge upheld the search as legal.

Shucks, and just when

our Congress folks were starting to work together!

You can rest assured that Congress will work as one when it comes to their "dealings."

Last week, big shot politician Newt Gingrich

announced that World War III has begun.

Why it is that a yoyo like me, living in the middle of nowhere, can write that five years ago, and only now our nation's leaders are cognizant of it? You tell me.

## Auxiliary plans bake sale

The Farwell Convalescent Center Auxiliary on July 10 noted the Border Town Days bake sale is coming up on the 29th.

Members are asked to bring their baked goods ready and priced and at the city park by 9:30 a.m. that day. If necessary, you can drop off your baked goods early at the Beauty Box, and someone will take them to the park.

Some Auxiliary members will be in the LTD parade, so they may be shorthanded for awhile at the park. If anyone has a friend who can help, please assist.

Debbie Parmer will provide posters and chairs. And more donated baked goods are always encouraged.

The Auxiliary added Lou Scioli to its membership. An ice cream social, with toppings, will be at 3 p.m. on Aug. 17. The dietary department will order the supplies, and the Auxiliary will reimburse the facility. Folks are needed to help serve.

A watermelon feed will be held for residents in September, with the date to be determined. The Kalbas family usually donates the melons.

It was noted that Ruby Craft's husband is in a Lubbock hospital.

The next meeting will be at 4 p.m. on Sept. 11 at the center. Members present were Mary Mesman, Anne Locke, Mary Lynn London, Louise Brigham, Frances Kube and Liz Kaltwasser, plus Mrs. Parmer.

# Want to win a new bike?

All youngsters are reminded that registration is open for the Border Town Day's Decorated Bicycle contest.

Youths must sign up at the State Line Tribune, 404 3rd St. in Farwell.

-- Two brand new bicycles are being given away. Tedson Trailers and Master Tech Auto Service, both of Texico, have donated the two bicycles. One is for a boy and one is for a girl.

This year's BTD theme is "Real Heroes" -- folks such as teachers, firemen, coaches, nurses, police officers and other role models. It is very important to follow the theme since that is a large part of judging.

The judging is done by three Clovis residents recruited by the Clovis Chamber of Commerce.

Also, an anonymous donor has provided funds for cash prizes to be given away in each category.

"Everything is ready at the Tribune for kids to register," said Linda Moss, who once again will honcho the annual bike contest. And, once again, she is being assisted by Joy Stanton.

The registration deadline for the contest is at 4 p.m. on July 27.

Mrs. Moss said that youths planning to enter the contest need to register, giving their name and age, to be eligible for all the prizes.

The contest will be held one hour before the Border Town Days parade kicks off on Saturday, July 29. The contest takes place adjacent to the Citizens Bank branch in Texico. Entrants need to be here at 10:00 a.m. Texas time.

After the bicycle contest ends, all participants will ride in the parade to the Farwell City Park.

Prizes will be announced at the beginning of the day in the part activities at 12:30 p.m. cst, at the Farwell City Park gazebo.

All participants need to be on hand at that time to receive their prizes. No motorized bikes are allowed in the contests.

All riders must bring their decorated bikes and trikes to the west side of the Texico brand of the Citizen's Bank building in Texico by 9:45 a.m. Texas time (that's 8:45 a.m. New Mexico time).

Room is available for the contest, and the Texico City Council has approved closing the street next to the bank to traffic during this time. Thus, there will be complete safety for the kids during the judging.

"You must be on time or you will not be judged," alerted Mrs. Moss.

She added, "Contestants need to be sure to stick to the theme -- "Real Heroes" -- if they are going to be counted. The judges will be looking for adherence to the theme."

The contest is open to all youths who live in the Texico and Farwell School Districts. Also, the BTD committee allows children and grandchildren of local folks to enter, also, even if they live elsewhere.

The contest is open for Twin City area youths. There are two categories -- 7 and under, and 8 to 12 years of age.

Other rules are:

-- All participants ride in the parade. Their folks can go along, too. The parade ends at Farwell City Park and a bicycle rack will be set up just across the street on the property of First Baptist Church of Farwell.

-- Riding bikes in the park during BTD is not allowed, for safety reasons.

-- You must be present at the park to receive your cash prizes (or if you win the bicycles!) when the announcements are made during the 12:30 p.m. ceremonies.

# Giveaway under way

A multitude of Twin City businesses will be participating in the 30th annual Border Town Days Merchants Giveaway program in conjunction with the BTD celebration on July 29 at the Farwell City Park.

This year's giveaways will start promptly at noon at the Saturday festivities. To enter, you must be at least 12 years of age, and you must be present to win.

In charge of the giveaway are J'Dan Sudderth and Debbie Parmer.

Each participating business has a box in which customers may register for the prize to be given away by the merchant.

A person may sign up once each time he or she is in a store until July 27, when the boxes will be picked up and taken to the park for the drawings.

A list of where all the boxes are can be found elsewhere in today's Tribune.

Drawings will be held from each individual business's box and the person whose name is drawn will be allowed a few minutes to claim their prize. If the winner doesn't show up in that time, another name will be drawn.

It is essential that a winner be at the park to hear when his or her name is called. No entrant can win more than one prize each, thus allowing for more winners.

No purchase is necessary at any of the participating merchants in order to register for the prizes. Boxes will be placed at the participating merchants today.

Following is a list of participating merchants and the prizes they are offering. Some prizes will be announced later.

-- ENMR • Plateau, 2 gallon Craftsman wet/dry vac, Black & Decker auto tape and Black & Decker single speed jigsaw.

Juan Carlos Vidaurri

## Vidaurri accepted into WTA&M music program

Juan Carlos Vidaurri has been accepted into the music program at West Texas A&M University.

The program is only open to students who try out on All-State music pieces on their favorite instrument.

Juan Carlos used the trumpet and was one of 10 accepted. The other nine students were from 5A schools.

He also received the maximum scholarship that the music department gives out -- \$1,000 a year for the next four years.

He will in both the marching band and the concert band next year.

The music program at WTA&M just opened a \$23 million facility for the arts and Juan Carlos is looking forward to being among the first students to use it.

### Hammit to retire

Longtime Farwell water and street Supt. D.E.S. Hammit announced at Tuesday's Farwell City Council meeting that he was retiring, effective Dec. 31.

Hammit has worked for the city since 1971.

He will be replaced by Joe Servin, who Hammit has been training and schooling for some time.

In other business, the council:

-- Hired Anthony Raney, of Portales, to be a police officer. He began his new post immediately.

He and his wife, Sarah, have rented a home in Farwell.

The council is still seeking a new police chief. Councilman Wayne Gruben said they are at "square one", meaning the application process has to

begin all over again.

-- At Fxire Chief Henry Garcia's request, approved paying \$500 toward two residents' fire department training at Texas A&M at College Station. Grants also help pay for their expenses.

-- Heard fireman Lee Hutchins report that a \$2,500 grant has allowed the fire department to buy a 3,000-gal. porta-tank.

-- Heard Hutchins also report that , down the road, a new fire truck will be needed and it would be good for the council to begin budgeting funds for it.

-- Received the annual budget, which includes 3 percent pay raises for city employees. Mayor Jimmie Mace said they will need to look at raising water and sewer rates later.

**Live Cattle:** Cash trade is expected to trade \$1 lower this week and futures prices have been somewhat reluctant to confirm a turn back up. We have been looking for a bottom around mid July and still lean this direction. A move up into early August would probably catch a long term top which may hold into later this year. The August contract needs a close above \$85 to turn higher.

**Feeders:** The market continues to follow along behind fed cattle prices. The last couple of weeks have been volatile as cash trade has seen some fairly large swings this week. The market has probably topped but I would continue to look for a retest of contract highs around the \$118.00 level basis the August contract. Should pull higher into early August.

**Corn:** The market has rallied in a normal seasonal fashion and should be close to making an important top around these levels. The weather has helped to support this move up and the fact that prices normally top around mid July and then move lower into the September time frame. The heat predicted to cover parts of the Corn Belt could support prices for a couple more days?

**Soybeans:** Prices continue to trade sideways to lower which is a normal tendency from mid July into the September/October time frame. Weather has helped to support prices to some extent, but overall, expect softer prices in coming weeks.

**Wheat:** The market basically topped on the KC and Chicago Wheat contracts last week after trading and stopping at major resistance levels. Prices have a very strong tendency to bottom during harvest and those years in which prices are trading at historically high levels, expect a top as we move into harvest? Short and long term trends are pointed lower.

**Cotton:** The market has remained erratic over the last few weeks with crop conditions swings from both sides of the pendulum. Weather in China and Australia have both changing along with weather across the US. This weeks estimates for the crop in good to excellent categories was unchanged. Demand is still expected to remain strong while trends are still pointed down at this time.

Futures and Options Trading involves risk of loss and may not be suitable for everyone.

# 'Soaring to Success'

"Soaring to Success" was the theme of the 2006 Texas 4-H Roundup at College Station in June and Parmer County 4-H'ers participated.

The Roundup consisted of 39 individual competitive contests whose participants qualified for the opportunity to compete at the state level by their success and competency at the county and district levels.

Parmer County Extension Agents Cody Hill and Suzanne Reese led a group of eight 4-H'ers and two volunteers to the state qualifiers contest held at Texas A&M University. Participants competed in five different contests with all participants placing in the top half of the field.

The Parmer County Livestock Judging team, coached by Gary Patterson, competed at the state contest and placed 16th. Teams were expected to judge eight classes (three beef, two sheep, three swine) and give oral reasons on four classes. Team members were Dan Patterson, Colton Christian, and Drew Johnson, all of Farwell and Rochelle Smith of Lazbuddie.

Dan Patterson and Kade Foster placed 11th with their team presentation on Swine Identification. Educational Presentations are research-based public speaking opportunities on current events and emerging issues that are supported with visual aids. Use of technology is encouraged and the extension agents thanked Hamlin Memorial United

Colton Christian, Sara Horn (participant from Yoakum County), Kade Foster, Dan Patterson, Emily Allen, Rochelle Smith, Drew Johnson, and Alisha Wauson.

Methodist Church for allowing them to use their power point projector.

Emily Allen, of Friona, earned 8th place in the Food Show with her entry in the Fruits and Vegetables Category, "Baked Potato Salad." The Food Show provides an opportunity for youth to explore current food and nutrition issues, prepare a nutritious dish in a commercial kitchen, and interview with industry representatives on the nutrition of their dish, food preparation, and food safety.

Her entry in the Accessories Division of the Fashion Design Competition earned her a top ten placing, as well. The Fabric & Fashion Design Competition gives 4-H members a chance to demonstrate their abilities and skills in developing ideas, sketching designs, and interviewing.

Alisha Wauson, of Farwell capped off her 4-H Career by earning a \$2,000 Scholarship presented by Ultimate Genetics. Alisha was one of the Texas 4-H members that were invited to interview for a 2006 Texas 4-H Opportunity Scholarship. For 2006, there were 333 applications submitted for con-

sideration and judging. 4-H members were awarded about 200 scholarships with a total value of more than \$1.9 million.

Patsy Allen and Gary Patterson attended the event as adult volunteers.

"We are really proud of our 4-H'ers and the way they performed this year. Most of them were attending state competitions for the first time. We expect great things out of them in

the future, but they did really well for a "rookie" group. We also have to commend Alisha on her years of achievement and service in 4-H. She spent 9 years earning this reward and will put it to work on her education at West Texas A&M University. We took a really great group of kids and volunteers and they should make Parmer County very proud," said Ms. Reese.

Published today is the Pct. 2 (the Bovina area) warrant list. The Tribune also will later publish the list for Pct. 3 (the Farwell area). The Friona paper has published the lists for Pct. 2 and Pct. 1 (the Friona area).

Violators listed as Pct. 2 should see JP Vi Hutto at her office in Bovina by Aug. 7 or face the prospect of police coming to see them.

Although it may seem like a lot of money is still outstanding, it should be noted that the majority of fines are being paid. For example, Mrs. Hutto said that last year her office collected over \$200,000 in fines.

Mrs. Hutto also noted that folks who don't pay their fines can have their vehicle licenses suspended, even if they live out of state.

**Robin Hood**

*Pace Fly, son of Kirk and Emily Fly, of Hartley, Texas, and formerly of Farwell, was one of about 80 persons who tried out for parts in "Robin Hood," a play presented earlier this month at the Spencer Theater in Ruidoso, N.M. Pace got the lead role.*

## Hot temperatures return

From Monti Vandiver, Parmer County extension agent-IPM:

Hot temperatures have returned to the Northwest Plains, ramping up moisture requirements of area crops.

Recent rains have been a huge benefit, and in some cases, may have saved a crop. Heat unit accumulations are well above last year and the long term average, but many of the area crops do not appear to be ahead of normal development. This is likely due to very dry and windy conditions limiting the crop's ability to utilize the abundant solar energy.

Spider mites continue to persist in some area cornfields while others are relatively mite free. Corn should be regularly monitored for mite infestation.

# PARMER COUNTY WARRANT LIST PRECINCT 2

The violators listed will be allowed until August 7, 2006 to contact the appropriate court.

Officers will began making arrests on August 8, 2006

and a warrant fee of \$50.00 will be added to the current fines.

Judge Vivaliah Hutto, Box 849, Bovina, Tx 79009, 806-251-1356.

Bovina ISD is announcing its policy for providing free and reduced-price meals for children served under the National School Lunch/Breakfast Program. The Office of the Superintendent has a copy of the policy which may be reviewed by any interested party.

The household size and income criteria identified below will be used to determine eligibility for free and reduced price benefits. Children from households whose income is at or below the levels shown are eligible for free or reduced-price meals. Foster children who are the legal responsibility of a welfare agency or court may also be eligible for benefits regardless of the income of the household with whom they reside. Eligibility for the foster child is based on the child's income.

FEDERAL INCOME CHART For School Year 2006-07			
Household size	Yearly	Monthly	Weekly
1	18,130	1,511	349
2	24,420	2,035	470
3	30,710	2,560	591
4	37,000	3,084	712
5	43,290	3,608	833
6	49,580	4,132	954
7	55,870	4,656	1,075
8	62,160	5,180	1,196
Each additional person:	6,290	525	121

Application forms are being distributed to all households with a letter informing households of the availability of free and reduced price meals for their children. Applications also are available at the principal's office in each school. To apply for free and reduced price meals, households must fill out the application and return it to the school. Applications may be submitted anytime during the school year. The information households provide on the application will be used for the purpose of determining eligibility and verification of data. Applications may be verified by school officials at any time during the school year.

For school officials to determine eligibility for free and reduced price benefits, households receiving food stamps or TANF only have to list their child's name, food stamp or TANF case number. An adult household member must sign the application.

Households who do not list a food stamp number or TANF case number must list the names of all household members, the amount and source of the income received by each household member, and the social security number of the adult household member who signs the application. If the adult who signs the application does not have a social security number, the household member must indicate that a social security number is not available by writing the word "none". The application must be signed by an adult household member.

Under the provisions of the free and reduced price meal policy the school secretary will review applications and determine eligibility. Parents or guardians dissatisfied with the ruling of the official may wish to discuss the decision with the reviewing official on an informal basis. Parents wishing to make a formal appeal for a hearing on the decision may make a request either orally or in writing to Bill Bizzell, Supt., P.O. Box 70, Bovina, TX, (806) 251-1336.

Households that list a food stamp or TANF case number must report when the household no longer receives these benefits. Also, if a household member becomes unemployed or if the household size increases, the household should contact the school. Such changes may make the children of the household eligible for benefits if the household's income falls at or below the levels shown above.

## PRPC receives 911 complaints from Bovina

Bovina City Manager Ernest Terry last week fired off an angry E-mail to Pam Nielsen, the Panhandle Regional Planning Commission (PRPC) 911 coordinator.

Terry said Bovina sees a need for a change in the current way the community is served by the 911 system.

The county's 911 system came under attack three years ago after the death of a Lazbuddie man. Now, a problem has emerged again.

The investigation by the PRPC after the Magy incident basically showed that communications equipment improvements were needed.

In July of 2003, Doyle and Debbie Weir, representing the Lazbuddie EMS, and representatives of West Texas Services met with the Parmer County Commissioners to present a proposal for a repeated for Friona and Muleshoe control stations and paging systems that would allow direct paging to the Lazbuddie EMS personnel.

The commissioners then spent \$21,000 on

such equipment.

Also as part of the follow-up to the Lazbuddie case, the PRPC asked the various county governmental entities for any suggestions to improve the 911 paging.

"This week, we had several 911 calls that were taken by Friona, and Friona transferred the calls to Farwell for dispatching," wrote Terry. "This is fire, EMS and police calls. A good example was a call from Jake Steelman, who had cut an artery in his arm and was bleeding to death. He called 911. He was four miles south of Bovina on 1731.

"Friona delayed the call by 5 minutes by transferring the call to Farwell. Friona was on the phone with Jake and relaying the fragmented info to Farwell to relay over the radio..."

Terry went on to say that a 5-minute delay could cost an injured person his or her life sometimes.

Terry cited another example of Bovina's problem with 911. This concerned a call from South 1731 that turned out to be

kids playing with a phone. But when Friona got the call, they didn't dispatch it to Bovina. Instead, Terry said they transferred it to Farwell, who dispatched it to the county deputies.

"What is it going to take before someone wakes up? Which is more important, politics or someone's life?" asked Terry.

Other complaints involved Bovina callers to 911 who were put on hold.

The 911 dispatchers in Parmer County work for the Friona police department. Financial aid is given by the county and the PRPC to Friona.

Asked to comment on Terry's E-mail, Ms. Nielsen said on July 13 that she plans to look into it.

Some feel that the 911 system should be under the county's auspices, and that Parmer County Sheriff Randy Gerries should be in

charge of it.

Contacted about Terry's E-mail, Gerries acknowledged that there are problems in the current system. "There are some inconsistencies and some delay," he said.

Gerries said it is feasible for the 911 system to be put under the sheriff's department but that the decision is up to the Parmer County Commissioners.

Gerries, a Friona resident who served as Friona police chief before becoming county sheriff, doesn't plan to push the project.

Friona Police Chief Tino Salinas was on vacation and unavailable for comment.

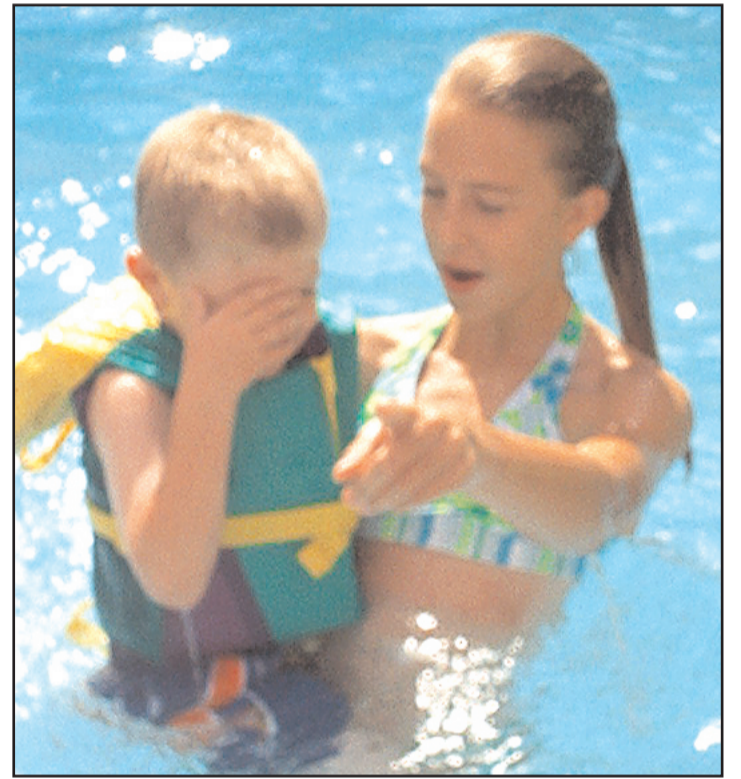

Parmer County Judge Bonnie Heald, who is the presiding officer of the commissioners court, said on Monday that the Ms.

## What would you do if you won the lottery?

by Brittany Anderson

Imagine...If you could have anything in the world? What would it be?

I know this question is not likely to come true, but for someone who won the lottery it just might!

I went to Lowe's grocery store last Thursday to ask customers, "What would you do if you won the lottery?" Here is what they had to say:

"I would build a swimming pool for Bovina," said Emilia Contreras.

Brandie Munoz would buy a car, a house, and give her in-laws money.

"I would buy my family everything they wanted," said Fernando Madrid. "I would also buy Michael the Yukon he has always wanted."

Cathy Riley said she would send her kids to college. "I would give the money to my mom," said Romy Ruiz.

Mona Contreras would want to buy a house. Wanda Russell, visiting from Sunnyville, Calif., said, "I would give 1/10 of the money to the church and then live happily ever after."

"I would pay off my current house and then buy a new one," said Scott Riley.

Marie Venable said she would go to Indiana to visit her daughter.

"I would waste the money on everything I wanted," said Billy Marquez.

"I would go around the world for awhile, see Mexico and other parts of the world," said Rosa Chavez. "Then I would buy a house."

Roberto Marquez said he would donate half the money to a good cause.

Dr. Neal to the rescue

The Red Raider mascot horse at Texas Tech University was brought to the Bone Joint Clinic in Bovina last week for treatment. The horse needed an adjustment to he could move properly. Shown is Dr. Mindy Neal doing just that. Tony Neal and Ashley Hartzog also were on hand to help out.

## Letter to the Editor

Dear Editor:

I am proud to write to you and praise our City Councilmen and our Mayor. They have done many things over the years to improve our city. I do believe most of the

people are unaware of the time that is spent during their tenures. They only do what they think is best for the city. It is very hard to please over 2,000 people and I am thankful these people, past and present, have been willing to give us their time.

I am proud of the new things they have purchased for the citizens of Bovina lately. I am especially proud of the new dump truck they purchased. The alleys look great. It has been two or three years since they have had time to clean up brush by the dumpsters. It is no fault of the city employees but they have been limited on time and the equipment they have needed to do this job. Has anyone looked at the old equipment they have been trying to do a good job with?

I know we have not had

## City park to be closed from 11 p.m. to 6 a.m.

The Bovina City Council on July 13 unanimously approved an ordinance closing the city park from 11 p.m. to 6 a.m. every day.

In other business, the council:

-- Agreed to have OJD Engineers, of Amarillo, build the lift station for the sewer project. OJD was the only bidder, and is also doing the sewer work.

-- Reviewed the 2007 budget.

-- Voted 3-2 to allow Saul Marinelarena keep horses on his property within the
