It's time for the 39th Border Town Days!

It's time for the 39th Border Town Days!

The 39th annual Border Town Days celebration kicks off Saturday and it promises to be another superb family event for the Twin Cities of Farwell and Texico.

The day begins with the decorated bicycle contest at 10 a.m. (all times in this article are cdt - Texas time). It will be held adjacent to the Texico branch of the Citizens Bank on Anderson Street.

The deadline for entering this contest is Friday, July 29, at noon. You need to sign up at the State Line Tribune office, 404 3rd St., Farwell. The theme is "Farwell's 100th Anniversary."

Cash prizes will be awarded to the top placers, and the grand champions (a boy and a girl) will receive brand-new bicycles, courtesy of Master Tech Auto Service and Tedson Trailers; both of Texico. Linda Moss and Joy Stanton are in charge of this contest.

The bicycle contest judging starts promptly with three judges from Clovis, picked by the Clovis Chamber of Commerce, serving in that capacity.

At 11 a.m., the Big Parade kicks off from Griffin Street in Texico. A map showing where participants need to line up is elsewhere in today's Tribune.

This year's parade again will feature a large contingent of antique tractors and cool cars. Parade Marshal Hal Helton will be assisted by Cynthia Reynolds, Charlie Bowers, and Nita Wilson in lining up the entries. Participants are urged to be at the parade start half an hour early.

Because the highway will be closed during the parade, Hereford Street will be used as a bypass for traffic moving through the area. Hereford Street residents

Stock show dinner coming

The 2005 Parmer County Stock Show Dinner is set for Aug. 20 at 7 p.m. at the Farwell Community Center.

This year, local volunteers will prepare the meal. The meal will include rib-eye steak, green beans, new potatoes, salad, and green chile corn.

This dinner is a major fund-raiser for the county junior livestock show. Last year, all kids who participated, no matter what place they got at a show, received at least \$100 from the fund.

Each community in the county sells tickets. However, a maximum of 200 tickets will be sold, and two people may attend on one ticket.

To purchase tickets, call Gary Patterson, Farwell; Ed Terry, Lazbuddie; or Al Kerby, Bovina.

All Texico football players who have played for Coach Mike Prokop are asked to ride the team's float in the Border Town Days parade.

are asked not to park their vehicles on that street while the parade is held. The Border Town Days Committee appreciates your help.

Texico Police Officer Gilbert Salguero will give the signal to kick off the parade, which proceeds down the highway (closed to traffic both ways). The parade goes to 5th Street in Farwell, turning south past the Farwell Convalescent Center, and ending at the Farwell City Park.

Helping out in this area will be David Pollard, who will be stationed at the railroad crossing, and J'Dan Sudderth, who will be at the end point of the parade to direct participants where to park.

After the parade, which normally takes about 45 minutes, folks will congregate at the Farwell City Park for a large variety of food and entertainment, highlighted by the Texico-Farwell Rotary Club barbecue. Walter Hughes & Co. is in charge of the barbecue, which is known for its delectability throughout the area. The BBQ opens immediately after the parade.

Also at noon, the Merchants Giveaway will start. Thirty merchants are participating in giving away goodies to folks who have signed up at their businesses. Jerry Adams and the folks from the Farwell Convalescent Center are in charge of this event.

Announcements of winners will be made by master of ceremonies Fred Chandler periodically, until the giveaways end. Folks will have a few minutes to get to the gazebo to collect their winnings - or new names will be called.

The opening ceremony starts at 12:30 p.m. at the gazebo with Allie Brooks singing the National Anthem. Then the Twin Cities mayors will give their tradition welcome, after which Honorary Parade Marshal Mike Prokop, Texico football coach, will be honored.

The float contest, tractor contest, car contest, decorated bicycle contest, and animal unity contest winners will be announced and cash prizes handed out. Providing funds for these awards were Security State Bank, the Texico branch of Citizens Bank, the Farwell Banking Center of Muleshoe State Bank, the Texico and Farwell Chambers of Commerce, and the anonymous donor.

One special note about this year's BT.D. To go along with the theme of Farwell's 100th anniversary, the cur-

rent and two former Farwell mayors will be in the parade along with two former Farwell School superintendents - Jack Williams and Willie Roberts.

Here is the entertainment schedule at the gazebo after the opening ceremonies:

1:00 p.m. - Allie Brooks
1:30 p.m. - Cheerleaders
1:40 p.m. - Thumbtack Kids
2:00 p.m. - Tae Kwan Do demonstration
2:30 p.m. - Garhett Von Hoene
2:45 p.m. - Native Connection
3:15 p.m. - Cindy Berma
3:30 p.m. - Tena Spitsberger
3:45 p.m. - Lauren Carpenter
4:00 p.m. - Giveaways

This year's BT.D will have lots of fun things for kids, including carnival rides, volleyball, and train rides.

Also going on during the day will be the arts and crafts fair on the courthouse lawn.

Some extra notes:

-- It's urged that you bring lawn chairs or blankets with you to the park - makes the day much more comfortable.

-- Senior citizens are invited to park their vehicles in the parking lot at the Hamlin Memorial United Methodist church on 5th Street to watch the parade.

-- An area for handicapped parking is located in back of the county courthouse at its south side (4th Street). Ramps have been added to the park for persons in wheelchairs.

-- And, again, persons living on Hereford Street are asked to not park their cars on that street during the parade.

Lazbuddie School's story started in '25

By Leon Watson
Lazbuddie Class of 1966

It was no more than a wide place in the road in 1925, when the first students enrolled at Lazbuddie School. They walked, rode in Model T's, and occasionally horse-back to school, and it was the start of a long, rich heritage that continues today.

While many small country schools have consolidated, or went to either elementary or high school grades only, Lazbuddie School will celebrate its 80th anniversary on Aug. 6 with ex-students, teachers and friends gathering for a special all-school reunion.

Donna Glover, reunion coordinator, said events will start at 8:30 a.m. that day with a golf tourney, then registration at 10 a.m. at the school. A concession lunch will be served at noon, and a general assembly will be held at 4 p.m. in the auditorium. The day will conclude with supper at 6:30 p.m. in the cafeteria.

The original "Old Red" school building was built in 1928, and the campus grew in 1948 with the addition of a new high school building, just north of Old Red. An elementary school was built on the south side of Old Red in 1956.

E.R. Haskins was the first superintendent, from 1929 to 1935. He was also the first boys' basketball coach. The first girls' coach was George Foreman.

"There was a quonset barn out behind the school where they played basketball," said Barbara (Hinkson) Lust. "I remember sitting in my grade school classroom and looking out the window and seeing the quonset on fire. We formed a bucket brigade, but it burned down."

Mrs. Lust, who authored a history of Lazbuddie School, said parents and teachers formed the first PTA in 1929, and the school participated in the first UIL contest in 1930.

"Home economics classes were started in 1931", she said. "and vo-ag in 1932. Also, in 1932, the school played football for the first time. The first graduation ceremony was in 1931, and Lazbuddie became a fully accredited high school in 1934."

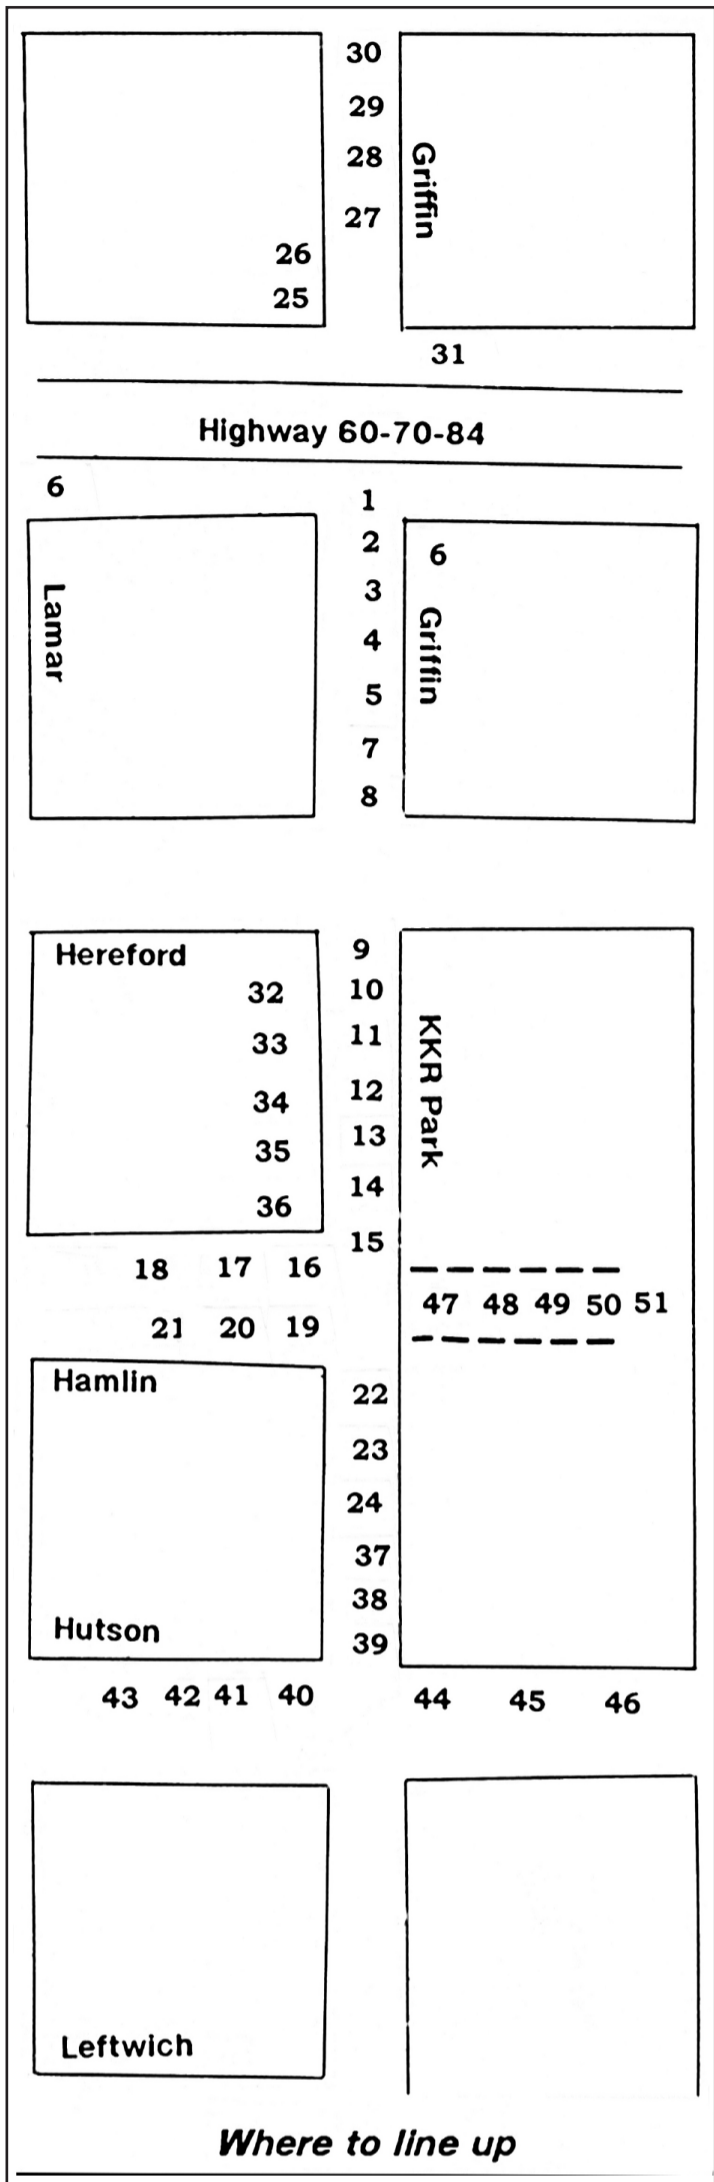

Old Red was torn down in 1965 to make room for a new cafeteria, offices and classrooms. The new building joined together the high school and elementary building, which stand today.

Blanco is the name of this Leucistic American Alligator at the Houston Zoo. For a display of the talents of local photographer Rebecca Trevino see page 1 of the second section of today's Tribune.

It's time to celebrate

by Danielle Cargile

Time to celebrate... Border Town Days is finally here! Here at the Tribune, we started wondering what people looked forward to all year long about Border Town Days. This event has special meanings to a lot of people in this area. Let's see what some had to say...

Pam Carpenter likes to visit. "I get to see people I haven't seen in a long time."

Gia Hardage enjoys the food and the entertainment. "I also enjoy seeing people I haven't seen in a while, even if they do live down the street."

Vicky Bermea is really looking forward to Border Town Days because her daughter, Cindy, is singing. Vicky also likes to see her friends after the long summer, hear good news, eat the good food, and meet people that are visiting from out of town.

Jennifer Encinias likes to watch her kids and watch the parade.

Michael Johnson simply likes to win prizes. (We all do!)

Jackie Grimes enjoys the parade. "It's fun to see all of the class reunions drive by."

Belva Bowers loves seeing old classmates (of all ages) and visiting with them. "I also enjoy the parade. I get to see a lot of people."

It's a good thing Danielle brought back souvenirs

by Danielle Cargile
I just had one of the most awesome experiences of my life. Well, it wasn't that out of the ordinary, but I still have never had more fun in one week. I just got back from my week long vacation (the State Line Tribune staff really missed me). I traveled to my aunt and uncle's house in Lockhart, Texas. Lockhart is about 30 minutes out of Austin. I had such an amazing time with them. Having no kids of their own, they really treated me like a daughter and gave me a place to call home for an entire week.

I flew down on a Friday, my first plane ride. It was great. I can't believe how much faster you get there than by car. I even had a layover, so that made me kind of nervous. But, by the end of the day, I was a pro.

My aunt and uncle picked me up at the Austin airport and that's when my whole vacation started. But can you believe that they made me help them clean their church on the first day of my break? Nah, I'm just kidding. I was happy to do it and I got to meet and see a lot of people that I hadn't in a long time.

You see, the end part of my vacation was going to a church meeting. I'll get to that later...

On Monday, the three of us went to San Antonio and its "Fiesta Texas." This was my first time there and I love amusement parks. At first, I was a little down-hearted because my aunt and uncle aren't really the "roller-coaster ridin'" people, but they were good sports and went on a few rides with me. Trust me, that made some memories.

In honor of Border Town Days

A poem from Linnie Mae Crook:
We're proud of our town; that is easy to say
And we all support it on Border Town Days.
We're proud of each booth. Our floats do quite well.
We're proud of our talent and of the things we sell.
We're proud to be Americans. We're happy and free
We're proud of our town and its history.

Lazbuddie baseball team

This Lazbuddie team played in the Bovina baseball league this summer: Ashley Scott, Priscilla Salazar, Gabriel Imery, Gage Brockman, Kenla Barnes, Gentry Hicks, Arrick Estrada, Devon Pacheco, Cambree Glover, Regan Agee, Hunter Corrales and Jacob Ketner.

On Tuesday, I actually got to sleep in. It was so nice, but I found myself waking up early. Bummer. Oh well, I got some reading done. We went to Austin for lunch (and had a really cute waiter, FYI) and then went to the movies and saw "Bewitched."

After we took a break by looking around Austin, I got my picture taken by the Real World Austin house. That might sound kind of corny, but I thought it was pretty cool. That night we went to a semi-famous restaurant called Hills Café, where we heard some live music by Joel Stokes. The name might not ring a bell, but he is a really good singer.

Finally, on Wednesday, we went shopping. This is what I was looking forward to the whole trip. My aunt and I went into San Marcos and walked all of the outlet malls there were. I didn't

buy that much stuff, but let's just say that that room I saved in my suitcase when I packed for the trip was filled up, and then some.

Then came Thursday. This was the first day of the Camp Meeting. The Camp Meeting is a church meeting that happens every year. It's like having church all day for three days. (With a few breaks in between.)

I always look forward to this all year because it's when I get to see all of my church friends that I talk to, but don't see, for an entire year. It was nice to get to spend three days with everyone, but I was so sad to leave.

I love the Austin area. I could really picture myself living down there some day. However, it was nice to come home to my family. (I know what they really wanted was their souvenirs.)

Whoa Pardner!!

Enjoy all the Fun Border Town Days events on Saturday!

Texico receives rate hike request from Duncan Disposal

The Texico City Council on Tuesday met with Duncan Disposal representatives to discuss a rate hike.

They asked for a 4 percent cost of living hike to go into effect the first week in October.

Don Foard, Duncan's municipal marketing director, noted that Duncan hasn't asked Texico for a rate hike since 2001 although they could have sought a cost of living hike annually under the terms of the contract.

Also attending was Robert Searls, Duncan's general manager.

Duncan's reps indicated that the fuel surcharge will be maintained because the cost of fuel continues to be high. As for the future, there is no way of knowing which way it will go.

Councilman Oran Jay Autrey suggested a 6 percent hike because that would include any proposed fuel surcharge hike by Duncan.

Autrey said it would be better to have residents accept one hike rather than two -- one now (the 4 percent requested) and one this winter (if fuel costs remained high, it is possible Duncan would seek another hike here).

If the council accepts Autrey's proposal, the cost to

Sheriff's Report

Here is the weekly report from Parmer County Sheriff Randy Geris:

On July 19, LeAnn Jackson, 34, of Friona, was arrested by Friona police on a charge of endangering a child. Case pending before the grand jury.

On July 19, Ricky Jackson, 43, of Friona, was arrested by Friona police on a charge of endangering a child. Case pending before the grand jury.

On July 20, Juan Villarreal, 38, of Bovina, was arrested by the sheriff's office on a charge of forgery. Case pending in district court.

On July 23, Joshua Dunigan, 18, of Amarillo, was arrested by Texas Highway Patrol on a charge of evading arrest. Case pending before the grand jury.

On July 26, Salvador Rocha, 46, of Dumas, was arrested by the sheriff's office on a charge of violation of probation. Case pending in district court.

On July 26, Elias Garza, 45, of Roswell, was arrested by Texas Highway Patrol on a charge of possession of marijuana under 2 oz. Case pending in county court.

the average residential customer would increase from \$12.75 to \$13.26 a month.

The council plans to vote on this in September after surveying other towns to see what their costs are.

Searls also said the company plans to modify some of the dumpsters, and replace others which have been vandalized.

In other business, the council:

-- Heard Autrey report that the city is still waiting word from Santa Fe on whether Terry Martin can legally do city building inspections. This wait has been going on for some time.

But Autrey said Martin is helping with the city's master plans on water, sewer, etc., so he recommended that Martin's contract be renewed for a year for \$6,000. The council okayed this.

-- Called an executive session at the request of councilman Doug Scioli to discuss personnel matters.

-- Was told that the old city hall property on Wheeler was appraised at \$20,700. The council was unhappy that the appraisal was that high and will check into ways of selling the property at a cheaper price, if possible, since the state insists that city-owned property does not get sold unless it's at the appraisal price or higher.

-- Was told that Chuck Bradley is now watering the trees at the city cemetery.

-- Heard Autrey report on the possibility of putting a sleeve under Wheeler Avenue for a future water line during next month's road repairs. He is getting cost estimates.

Autrey has said that the best time to improve the water situation (in the future) to the south side is during this road project since the street is being torn up anyway.

If the city doesn't have enough money to put the sleeve in, he suggested the council seek emergency funding from Santa Fe.

-- Discussed a junk pile that has been placed near the

The Latest

Latest word on the "Three Wishes" TV program that they are coming to Clovis next week to set up a "wish tent" and grant folks wishes.

There still is no word on whether any wishes requested last month by

Texico, Farwell and Bovina folks will be granted.

Bovina football practice starts on Aug. 1 with weight workouts and practice the first week from 8 a.m. to noon. and at 2 p.m.

About 40 to 45 players are expected.

Allsup's building.

-- Was told that Sharon Askew wants to place a mobile home behind her barn on State Street. It would face State Line Road. A variance is not needed and it apparently meets city codes.

-- Voted to hike the cost of cemetery plots from \$300 to \$400. This includes a \$75 deposit that is returned if the plot owner puts up a headstone within a year after a burial.

-- Heard Autrey report on a problem involving the proposed road from Hereford Street to the city landfill.

Autrey said the survey, taken by Lydick Engineering, of Clovis, put the road west of where it was supposed to go. The council was unhappy about this because they have to pay for the survey, which has to be redone.

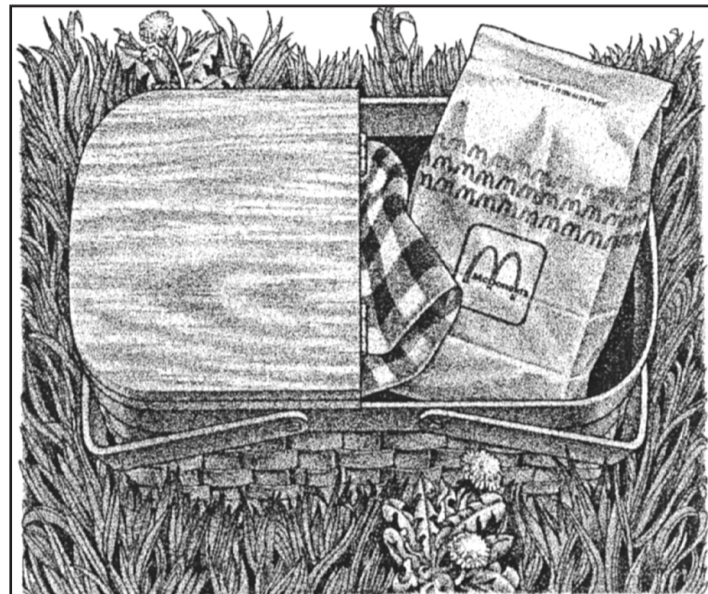

It was inferred that city attorney Marion Ty Rutter was involved.

Rutter, who was not at the meeting, was contacted for comment Tuesday night by the Tribune. He said he didn't order the survey and was still working on easements for the project.

Problems with access to the landfill were discussed, also, because adjacent property owners are involved. Autrey has been working on this project with them.

-- Heard City Clerk Mike Hannagan report that the Three Wishes TV program have told him they will not make KKR Park improvements as the city had wished for.

Apparently, the TV folks put together an overly-ambitious improvement plan totalling about \$150,000, which exceeded the program's budget. Autrey said the TV plan boosted what the city had asked for by three times.

This has been a rough year for him -- he had surgery on his right shoulder earlier.

Also, he reports that son Brandon has healed 100 percent after his run-in with a horse.

Clarification: In the story about the Texico boy surviving three snakebites, it should have stated that Parmer County Community Hospital had 4 vials of anti-venom available at the time, and had immediate access to 4 more if needed.

Texico High grad Amber Parmer has signed to run track at Eastern New Mexico University.

Woodrow Hoskins, of Clarksville, Texas, the father of Susie Dale, of Farwell, passed away recently.

A volleyball tourney is in the works at Border Town Days. To sign up, call Lisa Graham at 481-9500.

Reminder: Friday noon is the deadline for signing up for the Border Town Days' decorated bicycle contest.

Cash prizes are given top winners, with the two Best of Show champions (a boy and a girl) will receive brand new bicycles.

To sign up, stop by the Tribune office, 404 3rd St., Farwell.

Deadline nears for decorated bike contest

All youngsters are reminded that registration is open for the Border Town Day's Decorated Bicycle contest.

Youths must sign up at the State Line Tribune, 404 3rd St. in Farwell. The deadline is 3 p.m. Friday, July 29th.

-- Two brand new bicycles are being given away. Tedson Trailers and Master Tech Auto Service, both of Texico, have donated the two bicycle. One is for a boy and one is for a girl.

This year's BTD theme is "Farwell's 100th Anniversary." It is very important to follow the theme since that is a large part of judging.

The judging is done by Clovis residents recruited by the Clovis Chamber of Commerce.

Also, an anonymous donor has provided funds for cash prizes to be given away in each category.

"Everything is ready at the Tribune for kids to register," said Linda Moss, who once again will honcho the annual bike contest. And, once again, she is being assisted by Joy Stanton.

Mrs. Moss said that youths planning to enter the contest need to register, giving their name and age, to be eligible for all the prizes.

The contest will be held one hour before the Border Town Days parade kicks off on Saturday, July 30. The contest takes place adjacent to the Citizens Bank branch in Texico. Entrants need to be here at 10:00 a.m. Texas time.

After the bicycle contest ends, all participants will ride in the parade to the Farwell City Park.

Prizes will be announced at the beginning of the day in the part activities at 12:30 p.m. cst, at the Farwell City Park gazebo.

All participants need to be on hand at that time to receive their prizes. No motorized bikes are allowed in the contests.

All riders must bring their decorated bikes and trikes to the west side of the Texico branch of the Citizen's Bank building in Texico by 10:00 a.m. Texas time (that's 9:00 a.m. New Mexico time).

Room is available for the contest, and the Texico City Council has approved closing the street next to the bank to traffic during this time. Thus, there will be complete safety for the kids during the judging.

"You must be on time or you will not be judged," alerted Mrs. Moss.

She added, "Contestants need to be sure to stick to the theme - 'Farwell's 100th Anniversary' - if they are going to be counted. The judges will be looking for adherence to the theme."

Road graders to be bought for Friona, Bovina areas

The Parmer County Commissioners on Monday heard some good news from the insurance company rep.

The health insurance rates will be decreased for the second year in a row.

Currently, the county has about 53 employees. The county pays \$509 per month per employee for health insurance, said county judge Bonnie Clayton-Heald.

In other business, the commissioners:
 -- Hired Irma Hernandez, of Bovina, to fill the post of janitor for the county courthouse and jail.
 -- Agreed to seek bids for road graders for Pct. 1 (the Friona area) and Pct. 2 (the Bovina area).

Geryl Roach, left, and Jerry Cunningham, owners of Master Tech Auto Service, of Texico, have donated a brand new girl's bicycle that will be given away to one of the top two winners in this year's Decorated Bicycle Contest at the Border Town Days on July 30. Registration is open at the State Line Tribune. This year's theme is "Farwell's 100th Anniversary."

Ted Lopez, left, and his son Teddy, of Tedson Trailers, of Texico, have donated a brand new boy's bicycle (for the 26th consecutive year) that will be given away to one of the top two winners in this year's Decorated Bicycle Contest at Border Town Days on July 30. Registration is open for the contest at the State Line Tribune. This year's theme is "Farwell's 100th Anniversary."

Texico and Farwell School Districts. Also, the BTD committee has voted to allow children and grandchildren of local folks to enter, also, even if they live elsewhere.

The contest is open for youths from 6 to 12 years of age.

Other rules are:
 -- All participants ride in the parade. Their folks can go along, too. The parade ends at Farwell City Park and a bicycle rack will be set up just across the street on the property of First Baptist Church of Farwell.

-- Riding bikes in the park during BTD is not allowed, for safety reasons.

-- You must be present at the park to receive your cash prizes (or if you win the bicycles!) when the announcements are made during the 1 p.m. ceremonies.

Bovina ISD is announcing its policy for providing free and reduced-price meals for children served under the National School Lunch/Breakfast Program. The Office of the Superintendent has a copy of the policy which may be reviewed by any interested party.

The household size and income criteria identified below will be used to determine eligibility for free and reduced price benefits. Children from households whose income is at or below the levels shown are eligible for free or reduced-price meals. Foster children who are the legal responsibility of a welfare agency or court may also be eligible for benefits regardless of the income of the household with whom they reside. Eligibility for the foster child is based on the child's income.

Application forms are being distributed to all households with a letter informing households of the availability of free and reduced price meals for their children. Applications also are available at the principal's office in each school. To apply for free and reduced-price meals, households must fill out the application and return it to the school. Applications may be submitted anytime during the school year. The information households provide on the application will be used for the purpose of determining eligibility and verification of data. Applications may be verified by school officials at any time during the school year.

For school officials to determine eligibility for free and reduced price benefits, households receiving food stamps or TANF only have to list their child's name, food stamp or TANF case number. An adult household member must sign the application.

Households who do not list a food stamp number or TANF case number must list the names of all household members, the amount and source of the income received by each household member, and the social security number of the adult household member who signs the application. If the adult who signs the application does not have a social security number, the household member must indicate that a social security number is not available by writing the word "none". The application must be signed by an adult household member.

Under the provisions of the free and reduced price meal policy the school secretary will review applications and determine eligibility. Parents or guardians dissatisfied with the ruling of the official may wish to discuss the decision with the reviewing official on an informal basis. Parents wishing to make a formal appeal for a hearing on the decision may make a request either orally or in writing to Charles Carter, Supt., P.O. Box 70, Bovina, TX, (806) 251-1336.

Households that list a food stamp or TANF case number must report when the household no longer receives these benefits. Also, if a household member becomes unemployed or if the household size increases, the household should contact the school. Such changes may make the children of the household eligible for benefits if the household's income falls at or below the levels shown above.

Letter to the Editor

In the July 21, 2005 issue of the State Line Tribune an article was published regarding the amazing story of the 5-year-old Taylor McCoy. I only hope I could match Taylor's courage in defending my own dog should she encounter the same unfortunate circumstance. Taylor sounds like an extraordinary young boy, and I wish him a full, speedy recovery.

I would, however, appreciate the opportunity to provide some clarification regarding information which was misreported in the article. Specifically, the article indicated that while Plains Regional Medical Center in Clovis possessed adequate supplies of antivenom, "Friona hospital only had one vial available," a statement which engenders the notion that Parmer County Community Hospital (PCCH) is not adequately prepared to treat snakebite victims. It is vitally important that the residents of PCCH's service area understand that such a notion is entirely false. At all times PCCH maintains recommended levels of antivenom, and we remain fully prepared to administer high-quality healthcare to victims of a snakebite, as we have done five times during the last two years. Please allow me to provide a cursory explanation of standard treatment protocol for snakebite victims, as it relates to the standard protocol at PCCH.

The snakebite therapy of choice in the medical community today is called CroFab (crotalidae polyvalent immune fab). Administration of CroFab should be initi-

Meeting planned for beef, forage producers in Farwell

An Aug. 10 beef cattle and forage meeting will give producers on the South Plains new insights on livestock health and nutrition, stocker management, forages and grazing, beef quality assurance and the national livestock identification program.

The event will run from 8:30 to 1:30 p.m. at the Farwell Community Center, said Cody Hill, Texas Cooperative Extension agent in Parmer County.

"This meeting should appeal to beef and forage producers in Texas and New Mexico," Hill said. "We'll cover the gamut, from health and nutrition to forages, beef quality and livestock regulations. Our speakers will include Extension specialists and agents, Texas Animal Health Commission representatives and agribusiness specialists."

Registration will begin at 8:30 a.m. There is no fee to attend.

"We will serve lunch, courtesy of Hi-Pro Feeds," Hill said. "Please let us know if you plan to attend, by calling the Extension office at 481-3619."

This event is sponsored by Extension offices in Bailey, Castro, Lamb and Parmer counties.

ated as soon as possible after snakebite in patients who develop signs of progressive envenomation. The initial dose of CroFab, which is 4 to 6 vials, may be repeated, if necessary, until control of the initial symptoms has been achieved. Following initial control of symptoms, maintenance doses (2 vials) of CroFab may be administered, and additional doses may be required for recurrence of symptoms as time progresses.

Sean P. Bush, M.D., FACEP, Associate Professor of Emergency Medicine at Loma Linda University Medical Center, where he is also on staff in the ER as an emergency physician and envenomation specialist, advises that all hospitals should maintain in stock at least one dose (4 to 6 vials) of CroFab. As advised by Dr. Bush and required by protocols established by the Medical Staff of PCCH, we maintain one dose (4 vials) of CroFab at all times. To provide and added measure of security for our patients, we enjoy an ongoing agreement with Hereford Regional Medical Center which provided PCCH with access to addition supplies of CroFab. Dr. Bush further recommends that all snakebite victims should be transferred to a facility with an appropriate Intensive Care Unit following administration of the initial dose of CroFab, as is the standard protocol at PCCH.

Occasional encounters with rattlesnakes are an unfortunate reality of life here in rural north Texas, and I want to assure the residents of Parmer County and the surrounding area that the team of healthcare providers at PCCH stands ready and able to provide the necessary treatment for snakebite victims in our area.

I appreciate the opportunity to clarify any misconceptions resulting from the noted article, and I invite anyone to contact me should there be questions related to the services available at PCCH.

Swafford hiring praised

From City Manager Ernest Terry:

Bovina took a very important step recently, by establishing an economic development coordinator and hiring Jim Swafford.

The Bovina Economic Development Corporation (BEDC) made the decision, after consulting with other economic development corporations, to hiring a coordinator to synchronize the community efforts and assets and to make the necessary business contacts to invite businesses to Bovina and the area.

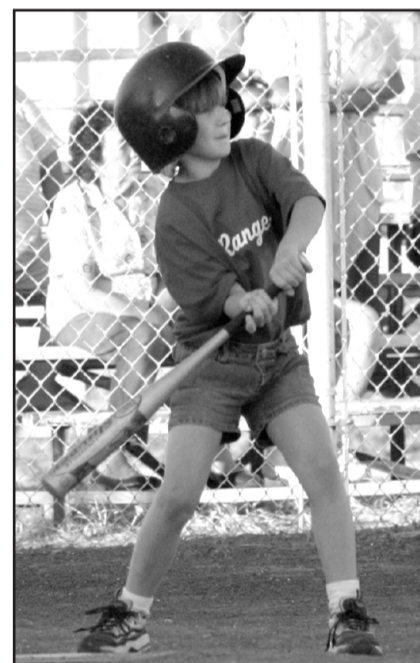

Jim has his plate full with opportunity. Remember, the long time slogan for Bovina, seen on what remains of the Granny Gaines Hardware Store is "Nothing Knocks on Bovina but Opportunity, Welcome to Bovina".

Jim plans on developing community goals and a community mission statement to guide the efforts of all of the various community organizations and businesses. This common goal will guide grant writing efforts, BEDC spending plans, and community development. The impression of the community is that we have several well meaning organizations, but there is very little coordination and economy of effort.

This is a great time for development of businesses in and around Bovina. We have a terrific community, a clean environment, a low crime rate, low property taxes, and low utility costs. Property values are low. There is a void in competition.

It's a prime time and place for establishing and developing businesses. The important thing is Bovina is no longer waiting for things to happen. Bovina is taking an active part in recruiting and inviting businesses to town and the area. It's a positive change and an exciting time for Bovina.

Registered dogs, purebred dogs, papered dogs, what does it all mean? In the simplest explanation, a purebred is an animal whose parents, and grandparents, are all the same breeds. A registered, or "papered" animal is one whose parents and grandparents are purebred and have their lineage verified through an organization that keeps these pedigree records. Some records can trace a pedigree back well over one hundred years. Nearly every purebred domestic animal breed has a registry somewhere.

When you buy a registered dog, the seller should be able to give you a registration certificate or a litter certificate. If the seller says that the paperwork has not come back, then he should be able to give you the registration numbers and registered names of both parents and the date the puppy was born. Being registered is as close to proof as you can come to a guarantee that your dog is purebred. Though, it is not one hundred percent because there are unethical people everywhere.

Some people assert that the AKC and UKC "ruin" breeds of dogs because these organizations promote dog shows. Hogwash! Sure, some breeders breed

dogs just to win, but there are also many that care deeply about proper disposition and health. Both of the main registries promote dogs that are representative of their breed both in appearance and attitude. In addition to the "beauty" shows, there are also hunting, herding, obedience, agility, and lure coursing shows.

Is a purebred better than a mix? Both have their good points, and personal preference is the only criteria. When you get a purebred from a breeder who knows their breed, you can be pretty sure of certain things like adult size, appearance, and behavior. In other words, that Golden Retriever will look like a Golden, have a soft mouth, and will show an interest in birds and retrieving. On the other hand, a Golden Retriever mixed with a Collie will give you a pup with hybrid vigor, less likely to have genetic illnesses, and often many of the best traits of both breeds. Drawbacks for purebreds are that some breeds are more predisposed to certain genetic disorders, and some breeders just do not care if their dogs are healthy or good specimens of the breed. Mixed breeds are a bit of a grab bag, with a combination of traits from the various breeds in their background. Most mixes are fun and good looking dogs, but other times they can be strange creatures like a Rottweiler/ShihTzu mix I once knew who was short legged like a Bassett hound, with short spiky hair, and a pushed in face. She had a wonderful, sweet personality, just like her ShihTzu father, but it was hard to see the Rottweiler characteristics of her mother, other than size.

Award ceremony for Bovina Youth Baseball was last Thursday. We took a blanket and set out on the grass at the city park and just enjoyed the beautiful Texas weather. It was so neat to see the kids' faces as they received their trophies.

Friona United Methodist Church had their Ceta Canyon Sunday get-together with about 80 participants. The youth in grades 6 and up got the opportunity to participate in the rock wall climb and zip line at the camp. Both of my middle children enjoyed this! I loved seeing the smiles on all of the faces of the kids as they walked back up the hill to return the lines to the person on top of the rock wall landing. The youth ministers planned this spectacular adventure, along with the many others that we have enjoyed this summer. They have both done a great job. Good going, Nate and Michael.

Methodist minister plans leadership training class

by Danielle Cargile
Bovina and the surrounding community welcomes Rev. Amelia Gonzales.

Rev. Gonzales is the new preacher of the Bovina United Methodist Church.

After coming from Lubbock, this is her first time to the area. "I love it here," she said. "It's a wonderful place to be."

Rev. Gonzales is not slowing down just because she's new to Bovina. She's already putting herself to work and helping out her new community.

She is holding a leadership training class for evangelizing Hispanics and Latinos on July 30. This workshop is open to anyone who wishes to participate. It will be held from 6 to 8:30 p.m. at the Methodist church.

While concentrating on Hispanic heritage, she also has scheduled a "Celebration with Christ" Hispanic cultural celebration in September.

If anyone wishes to know more about Rev. Gonzales' plans, you may call her at 251-1674. She would love as many people to get involved with these events as possible and it would mean a lot to her to get to know her new neighbors.

Jim Bob shown with his painting "Soldier of Peace"

Swafford honored at historical museum

Bovina artist Jim Bob Swafford was honored recently during the grand opening of the Mason County (Texas) Museum.

Jim Bob's painting "Soldier of Peace" welcomes guests as they enter the museum. He was commissioned several years ago to do a painting that would honor and portray the Buffalo Soldiers.

The Buffalo soldiers were stationed in area forts to keep the peace during the late 1800's. The new renovated museum is full of artifacts and history -- a must-see for anyone visiting Mason. Jim Bob's art is shown at the Mason Gallery on the square.

Local photographer captures nature on film

Rebecca Ann Trevino, wife of Rob Pomper, of Farwell, and graphic layout artist at the State Line Tribune, is showing some of her artwork in town. This is a sneak preview of some of her photographs.

Born and raised in Harlingen, Texas, Rebecca went on to attend Texas A&M University in College Station and received a degree in Wildlife Ecology. She then went on to work as a zookeeper at the Houston Zoological Gardens. Afterwards, she attended the University of Houston in pursuit of a Graphic Communications degree. Last year she moved to Farwell with her husband to run the paper.

Rebecca's interest in photography has its roots in her ongoing love of nature and art. At age 6, she was capturing photos of local birds, insects, and flowers.

While she was in college she got her first digital camera. Since then, she has estimated that she has taken around 5,000 photographs.

Luckily, the digital format allows a lot of flexibility, as well as being much easier on

the pocketbook. Since you do not have to develop each roll, you can really take the time to get the best photo possible.

Rebecca found this important because it allowed her to experiment more with her shots. For instance, in 'Stormy Sky Over West Texas', the clouds are backlit by the sun. This creates a very dramatic image but it also tends to wash out the foreground of the the photo, which includes the windmill. It would have previously taken quite a few shots to make sure that the settings were right to get the best image. This would have probably run up a rather large bill to develop all that film, but with digital equipment taking one picture costs the same at 20 or even 200 for that matter.

Along with photography Rebecca also enjoys drawing, painting, and digital imaging. A few of her photos are shown below. These as well as others can be seen on display at Gallery Fifteen in Farwell.

Texas Hill Country Bluebonnet

Green Anole "Anolis carolinensis"

Stormy Sky Over West Texas

Summer Rose After Rainstorm

African White Rhinoceros "Ceratotherium simum"

Indian Blue Peafowl "Pavo cristatus"

Golden Lion Tamarin "Leontopithecus rosalia"

Red Fox "Vulpes vulpes"

Border Banter

--Mike Pomper

Our folks make BTDA a success

Each year, I take this opportunity to thank the folks who make Border Town Days the great success that it is.

And I almost always leave off someone's name, so I might as well apologize for that first!

I will continue to say this: BTDA is the best darn celebration any small town in the whole area puts on. I will stack it up against anybody. And it's all due to the volunteers who do the work.

So when you see any of these folks, please holler "thank you" at them for the great family day that we have.

Folks like Margie Watkins, Cynthia Reynolds, Jeff Actkinson, Lynne Mahaney, Ann Cooper, Ruth Anne Bennett, Joy Stanton, DeeDee Pomper, Jerry Adams.

J'Dan Sudderth, Linda Moss, Debbie Parmer, Becky Pomper, Cynthia Thigpen, Hal Helton, Fred Chandler, Fritz Friemel, Robert White.

Charles Christian, Charlie Bowers, Dave Pollard, Nita Wilson,

James Chadwick, Texico and Farwell city employees, Texico and Farwell police along with the Parmer County sheriff's deputies, the Texico-Farwell Rotary Club.

And the folks who come back for the school reunions.

And the folks who sing at the gazebo, the folks in the parade, the folks in the arts and crafts show ... the list goes on and on.

So you can see, BTDA only "works" because a lot of folks make it happen.

And doesn't that say a lot about our community? The fact that so many folks step up? I think it's just great.

And it's one more reason why a small community like Texico-Farwell is so strong ... because it works together for the common good of its citizenry.

Well, President Bush has submitted a nominee for the Supreme Court.

He's characterized as "conservative."

That means the Democrats will get the Big Guns out.

Can't you just wait until all the mudslinging starts? What a disgusting show it will be.

Y'know, I bet if you talked to President Bush privately about the fun he has working "with" the Democrat leadership in Congress, he would say something like this:

"Back in Texas, we all got together and worked things out for the good of all Texans. And I thought I could so the same in Washington. Boy, was I wrong!"

ATA Champions

The new ATA Junior High Division State Champions! Pictured from left: coach Donnie Coker, Trevor Owen, Bo Mitchell, Trevor Coker, Tyler Mahan, Taylor Mesman and coach Rick Seaton. The team won the State Championship title on July 9 at the Amateur Trap Association State meet at the Amarillo Gun Club.

Last call, last call: Friday is the deadline for signing up for the Decorated Bicycle Contest at Border Town Days.

The champs get new bikes, and others get cash prizes.

Stop by the Tribune before 3 p.m. to sign up.

Speaking of BTDA, you can get your BBQ tickets early and avoid standing in line to buy them Saturday.

Tickets are available at Rotary Club members, including the Tribune, Kirkland CPA, the banks and the law office.

Patty Sue (my daughter) and husband Mark got a treat last week -- they got to tour the West Wing of the White House (they

have a friend who has a friend...).

Patty said they saw the press room and that the

chairs had the names of newspapers, TV stations and other media on them.

I asked if any of the

chairs said "State Line Tribune."

She said no.

Bummer.

Texico school building nears completion

(Editor's note: This article is part of a continuing series featuring issues of the Texico-Farwell News, published between 1917 and 1920. The issues were discovered a couple of years ago in the basement of the Ruby's Antiques building in Texico.)

The big news in the Sept. 27, 1918, issue of the Texico-Farwell News was that the new Texico School building was nearly completion and was ready for the teachers and pupils of the primary grades. It would be a week or more before the high school would be ready for their rooms.

Pupils planned entertainment at the school on Oct. 4 for the benefit of the school library. The whole community was invited to come and bring a pie or box as the box supper and social hour would be after the program.

Other major articles on the page involved World War I, with headlines such as "Americans operating Germans' railroad", "German people stunned by recent events in France", "Texas has sent 200,000 men into nation's service" and "National Woman's Liberty Loan."

The Methodist Church was planning the first of a series of Lay services held by men. B.N. Graham is the Lay-leader and in charge. Topics would include "Abraham's offering Isaac as an example of faith and consecration", by F.J. Doose; "David's mission to the world", by W.M. Ford; "Secret of Paul's success," by B.N. Graham; and the closing address by J.M. Hamlin.

As always, on Page 3, there was the full page ad for the Cannon Ball Motor Company. This ad has been covered in previous Tribune articles so it will just note again that the company failed to produce vehicles as offered.

On Page 2, an article said that John Bradley, one of the irrigation farmers, had half acre of onions this year that yielded 12,000 pounds which he sold at 5 cents per pound.

He also has 33 acres of sweet potatoes which are estimated to make 300 bushels per acre. Onions are \$1,200 per acre, and sweet potatoes at \$750 to \$1,000 bring in a lot of revenue if you have acres enough.

"Bovina Items" noted:

- O.J. McLean is the new possessor of a jitney.
- Bovina School is progressing nicely, with a large enrollment. Mrs. Hecox, Miss Lively, Miss Ross and Miss Gregory compose the faculty. Mr. Fish is janitor.
- Miss Camilla Patton is teaching the Daniel School southwest of Bovina, and spending weekends in town.
- Miss Irene Tidenberg and Miss Gertrude Lambert are teaching the Liberty School near the Y.L. Ranch.
- Forest Ross is home on a 30-day agriculture furlough from El Paso.

On Page 4, there was a half-page ad addressed to "The People of Texico-Farwell":

The ad said the People Auto Supply Company of Texico-Farwell was offering shares for \$100 each "when we are ready for business."

R.H. Burgess, of Texico, (who had a P.S. saying he wanted to buy your Broom Corn), said the organization would be completed Oct. 15-18. "You can get in between now and that time if the stock is not all subscribed for. ... Wholesale and retail business and 200 customers to start with. Help concentrate business. Remember the Knocker has an axe to grind. Send me your subscription today."

By subscribing the \$100, "you are entitled to buy your auto supplies at Jobbers Prices plus 10 percent ... You can save 25 percent per year and then get another dividend from the wholesale end of the business, which I am reasonably certain, will amount to from 25 to 50 per-

cent."

The rest of Page 4 carried lots of tidbits, such as:
 -- The Literary and Debating Club of Farwell High will meet Friday night at the Court House. The topic is "Should Government ownership of the railroads be adopted after the war?" Affirmative, Battenfield. Negative, White.

-- Mrs. Bolls, wife of the painter and paper-hanger for the new Texico school building, and who is staying at the Cannon Ball Hotel, is sick this week.

-- Mr. Snodgrass left Monday morning for Kansas City with a car load of sheep.

-- Work has begun on the new telephone building. The old building has been moved to the back of the lot and the new foundation is being laid.

-- Hamlin and Lawrence Overstreet motored to Canyon and Amarillo Thursday. Lawrence made the trip for the purpose of making arrangements to enter Canyon Normal.

-- The Las Amigas Club met on Saturday because Mrs. Fears, who helps get out "The State Line Tribune" on Friday, the regular meeting day, and thus couldn't entertain the club on Friday afternoon.

-- The Farwell Baptist Church has a new pastor, W.B. Davis.

-- Mesdames Hamlin, Triplett and Maddux motored to Clovis Thursday to do some shopping.

Mitzi Jo Palmer marries Jon Colby Miller

Mitzi Jo Palmer, daughter of Wayne and Kathy Palmer of Sundown, married Jon Colby Miller of Lazbuddie, on July 9 at the First United Methodist Church in Lubbock.

Dr. Sid Fowler and Dr. Jay Horton officiated. The bride's father, Wayne Palmer, gave her away. Aaryn Dockery of Sundown, a friend of the bride, was the maid of honor. Bridesmaids were: Debra Caldwell of Lubbock, Amanda Brown of Lubbock, Catherine Lloyd of San Angelo, and Tabitha Lloyd of San Angelo. The bridal attendants wore an ivory satin strapless bodice with a blue satin belt at their waist with a bow trim, along with a cornflower blue satin floor length A-line skirt. They each carried a cascading bouquet of blue hydrangeas and pink lisianthus.

Scott Miller of Lazbuddie, brother of the groom, served as the best man. Groomsman were: Kurt Miller of Muleshoe, Leland Brockman of Lubbock, Josh Redstone of Dallas, and Cody Palmer of Lubbock. The groom's attendants were black tuxedos with black vests and ties. They each wore a boutonniere of white freesia with blue hydrangeas. The groom wore a black tuxedo with ivory vest and tie. He wore a boutonniere of white freesia, blue hydrangeas, and white stephanotis.

The groom's nieces, Lauren Isaacson of Lazbuddie and Kyndal Miller of Muleshoe, served as flower girls. They wore a white sleeveless floor length dress with silver sparkles on the bodice and a bow on the back at the waist. They carried white baskets with pink rose petals. The bride's cousin, Cooper Lloyd of San Angelo, served as ring bearer. Marc Romito of Oro Valley, Ariz., Chip Malstron of Stillwater, Minn., Garret Attig of Lawrence, Kan., and Matt Fowler of College Station served as ushers. Emily Vafa of Dallas, cousin of the bride, registered

guests. Kristine Isaacson, sister of the groom, and Christy Fowler, cousin of the bride, served as readers at the ceremony.

The bride wore an ivory satin A-lined gown with pearls on the bodice with a drop waist and train. The veil was ivory with pearls and borrowed from her cousin, Emily Vafa. She carried a bouquet of blue hydrangeas, white and pink lisianthus, pale pink roses, and white stephanotis.

The bride wore her grandmother's ring for something old, the dress for something new, her cousin's veil for something borrowed, and her garter for something blue.

Music was performed by the Ellsworth String Quartet, Joseph Vandiver as the trumpet player, Sigurd Øgaard as the organist, and Wes Garza as the soloist.

Decorations included two lighted candelabras, blue satin pew bows, and two large floral arrangements.

At the reception at HealthPoint, the bridal table featured a four-tier Bavarian crème and strawberry cake with a variety of blue, pink, and yellow spring flowers including hydrangeas and roses. The table featured

Mikasa crystal champagne flutes, and a variety of nuts and mints. Servers were Tricia Bridges of Sundown and Kami McKee of Lubbock.

The groom's table featured a Swiss chocolate cake with white chocolate icing covered in chocolate dipped strawberries. Servers were Christie Miller of Lazbuddie and Kendra Allred of Lubbock. Next to the groom's table, a table featured a silver champagne fountain and silver punch bowl with Almond Tea Punch. There were several centerpieces of bouquets of hydrangeas and pink lisianthus.

Prior to the wedding there was a bridal shower on May 22 at the home of Rita Paxton in Levelland and a bridal shower on June 5 at the home of Judy Wilbanks in Muleshoe. There was also a lingerie party on June 25 at Texas Land and Cattle.

The bride graduated from Sundown High School in 2000. She is a Registered Dietician and will graduate with her Master's degree in Nutrition in December. The groom graduated from Lazbuddie High School in 1995. He is employed by Pfizer Pharmaceuticals.

Sittin' in the Corner
by Wade Cargile

Were these guys from Europe?

I couldn't sleep the other night, so I through I'd go outside and view the stars for awhile.

As I was gazing skyward, I saw a little bright dot hovering right over where I was sitting. I stared at the obstacle for a few minutes when it swooped down and landed in our backyard.

It was a saucer-shaped object, about thirty feet in diameter, and about ten feet tall. It landed on three legs strutting out in equal distances from the bottoms.

Suddenly a hatch, or door, or whatever you call the entrance/exit part of a UFO, opened and out floated three space aliens. They were about three feet tall and floated over to where I was sitting.

It seemed to startle them that I was not frightened or horrified at their presence.

The first one, who I took to be the leader, began speaking in a foreign language that I couldn't even begin to understand. I put my hand out to shake their, uh, paws or hands, or whatever their appendages were called, and the leader was taken aback by my gesture.

I smiled at him/her/thing and shook my left hand with my right hand and gestured to his/her/thing's limb part. The "thing" seemed to understand and shook my right thumb with its thing on its right limb.

I then proceeded to speak to it: "Welcome to Earth. I can't take you to my leader, as I have been barred from the White House because of my repeated attempts to find out the President's wife's true hair color."

The alien seemed startled at my speakage and looked at his/her/it's companions and they started talking again in that strange language.

I then asked them, "Say, you guys aren't from Europe, are you?"

The second one, the short one, looked at the leader, smiled (?) and then looked at me and said, "Europee! I this one know for it."

I was surprised at his/its understanding me and looked at the leader and said, "Me speak English. What you speak?"

The leader looked at the other two and said, laughing, "Him/it watch many too old westerns, speak with tongue forked." They all began to laugh at me again, which wasn't funny at all, I thought.

The leader then asked me, "Why not you afraid of us? We come from far-away galaxy to scare."

Come have fun with us in the Farwell City Park at Border Town Days!

RUSTLE-UP

Welcome to the 39th Annual Border Town Days

Hey, kids:
Don't forget to attend **THE BIG PARADE** at 11 a.m. cdt Saturday!

OPPLIGER LAND & CATTLE CO.
Pleasant Hill -- 389-5321

I looked at them and said, "Heck, you don't scare me. I've worked in an ER, in a government office at the state capitol, and have watched every episode of "I Love Lucy" and "Gilligan's Island." Just what are you doing here anyway? Don't you have to be at other planets and both other beings?"

They all laughed again and the leader said, "We from place called Namatoobukaah. It way far from here. We lost following phony space map. We member of, what you call it, comedy routine. We sent from home to see idiot and make fun of him, use it/him in our show at home. Bring in much denoro. You make good subject. We use you in our show. Smile please for Kubaracha (which I later found out is their work for camera)."

Suddenly it hit me! "I get it! You guys are from Candid Camera. Sure I'll give you a routine."

I slowly pulled out my baseball bat and walked over to their spaceship and began pointing on it, destroying it with each blow.

"This is for my segment on "America's Funniest Home Video." In a minute, I'll give you guys a shot of being on TV."

They just stared at I was bashing their ship. When I was done, the leader pulled out something of a space-gun, and pointed it at me.

"You not funny more any. I give you taste of own medicine."

He/it then fired the thing at me, hitting me in the forehead. The effects of its ray gun were astounding!

I woke up two months later, only to learn that since I was responsible for destroying their spaceship, I was required to provide them a living until they could rebuild their ship and leave. I wonder if the IRS would accept three more dependents on my return?

Vandalism

There's been some vandalism in Farwell recently. This animal sculpture was busted at a yard on First Street last week. And some paper in a mailbox was set on fire at another home. Farwell Police Chief Robert Achterberg said, "The idiots who did these things need to stop. Obviously, they have nothing better to do." He is investigating the incidents.

Welcome to the 39th Annual Border Town Days

Enjoy all the fun activities on Saturday.

There are lots and lots of rides for the kiddies.

And the Big Parade looks like it will be great.
