

BY HOPPER

The Grahams took in a fair last Saturday—our first in a number of years—and it was a typical family fowlup. We had fun all right, but it does amaze me how complicated we manage to make some of the more elementary things of life.

Surprise visitors Saturday morning were the Ken Hanks from Roswell, so we couldn't see what could stop us from all going to the fair in Amarillo and giving the kids a break, so that's that we set out to do.

The women engineered the plan, which seems to be the way things usually get engineered, and we took out in not one, but two cars. Why all of us, even with a half-dozen kids, couldn't ride in one station wagon I can't guess, but two cars it was so away we went.

After Ken and I got to counting noses and found out we got stuck with the boys in our car, things began to be a little clearer, but I didn't complain. After all, we were in his car and the upholstery was fully washable. That proved to be handy.

The deal was that I was supposed to stay with Ken until we got to Amarillo and then change over to the womenfolks' car to do a little driving in the traffic.

In the meanwhile, I was wheeling Ken's little Volvo, which is a treat for me, and so I banked off of the expressway when we entered town to give the wife a chance to catch up. I figured she'd do the natural thing, but of course that was my first bad mistake of the day. She didn't.

Nope, she made a turn on a side street and the first thing you knew we were separated. There wasn't much to do except go on out of the fairgrounds, we figured. Typical of our always-be-prepared planning, we had made no suggestions previously as to what would be the procedure in such an event. We were shafted from the start.

I figured maybe we'd get to the gate before the females did, and then we'd just sit and wait for them to come by. That was a good idea until we found out they had four gates into the grounds. That did it, so we ditched the car and herded the boys onto the midway, who were of course jumping up and down and yapping to get on with things.

This went on for a couple of hours, during which I constantly strained my eyes to see if the womenfolk would turn up. No soap. My eyes got tired from squinting, my arms tired from tugging, my ears tired from shouting, and my pocketbook was beginning to hurt too, so we reversed field and went to a pavilion near the auditorium.

Before leaving home, we had discussed that we'd probably take in the ice show. Sure enough, the squaws turned up. It developed that they were on the midway too, and in fact got in on some of the rides that we did. That was hard to believe. Not seeing them, I mean.

I say this because several times I would break away from our mob and leave Ken in charge and go looking for the gals. Whenever I came back, which was usually in a quarter of an hour, they would have changed locations, but I never once had any trouble finding them. Beats me how the women kept so scarce.

Anyhow, we saw the show, and it really is okay. A real professional job and I'll recommend it to anybody. The kids were attentive for nearly all of the show, which is a real feat since it lasted two and a-half hours. Matter of fact, if it hadn't been for those frequent escort trips to the restrooms, I would have gotten a little weary myself. You really get your money's worth.

After the show we made the exhibits for a while, then hit the rides again. This second foray on the midway was courtesy of Porter Oakes, who was nice enough to stuff a handful of free passes into my pocket. I ran into him while looking for the wife. He didn't take the matter as very serious. As a matter of fact, he laughed. Then he gave me the tickets to cheer me up. It helped a little.

After we wrapped up the fair, we decided to go eat. No more of this separation stuff. The Grahams in the Graham car and the Hanks in the Hanks car. Just in case, you know.

We made a deal to rendezvous at Underwood's. You guessed it.

School Budget Set At \$281,931

Farwell Independent School District has adopted a budget of \$281,931 for the 1961-62 school year, according to W. M. Roberts, superintendent.

The budget, which has been approved by the local school board, represents an increase of about \$30,000 over the \$251,716 for the year just concluded.

Major part of the increase is a result of the teacher pay raise approved by the Texas legislature, says Roberts.

A breakdown of the budget shows the following totals earmarked in the nine categories: administration, \$17,386; instruction, \$158,366; health services, \$4,762; transportation, \$19,110; operation of plant, \$20,522; maintenance of plant \$4,000; fixed charges (insurance), \$8500; capital outlay, \$2000 and debt service, \$47,285.

Administrative expenses mainly cover the salaries of the superintendent, secretary, tax office salary, plus contracted service.

The amount set aside for instruction is mainly for \$147,566 in salaries, but also includes textbooks, library and audio-

visual supplies and teaching supplies for the departments. Funds for health services include the cost of a school nurse and supplies for that program.

Transportation includes \$7260 for salaries and \$5000 for replacement of buses. Insurance and maintenance and operation are included in this fund.

Plant operation, according to breakdown of the budget, includes salaries, heat, utilities and supplies and maintenance funds provide for upkeep. The \$2000 in capital outlay has been earmarked for furniture and equipment.

Debt service includes \$21,106 for retirement of Serial bonds, \$7700 for retirement of short term loans and \$17,565 for interest on bonds. Interest on short term loans is \$414 and \$500 is listed for other debt service.

Estimated revenue will include \$148,939 from local sources, \$3031 from county sources and \$126.67 from state sources, with \$750 from sale of property (bus sale). Total receipts are listed as \$279,187. Last year's receipts were listed as \$248,34.

Shuman Wins New York Trip

R. S. Shuman of Graham-Shuman-Haseloff Insurance Agency in Farwell was the lucky winner of the Mr. X World Series contest sponsored jointly by radio station KZOL, Security State Bank, Sherry Grain Company and the Holiday Store.

Shuman received the grand prize from a field of thirteen finalists who had guessed Mr. X—Edward Murrow.

He and his wife will attend the first two games of the World Series which will be played in New York, and will stay at the Vanderbilt Hotel after traveling to New York by Continental Airlines.

The contest ran for four weeks, with clues posted each day at Holiday's in Farwell and given over the local radio station the following day.

Free Gift To Be Given Away By Cory Penn

Saturday will be a big day for one of the newest businesses in Texico-Farwell. Cory Penn has taken over the service station location formerly operated by Charlie Bieler on the Highway in Texico. The building has been remodeled and is open for business. Formal opening is set Saturday.

According to Carl Bullok of Cory Penn, Ray Lockhead will manage the business. Lockhead is originally from Clovis. Free gifts, including Sno-Cones, popcorn and balloons are planned as an open house feature, says Bullok, and will be given away all day on Saturday.

An ad gives further details on the opening, with citizens invited to drive out and get acquainted Saturday.

Steers Meet Match In Morton Indians

A perfect record was spoiled Friday night, but Farwell fans aren't ashamed of their Steers. Morton's highly-rated AA Indians edged Farwell by four points, 24-20, on the Cochran County field.

It was an evenly matched ballgame played in near-perfect football weather, and even though the large crowd that traveled from Farwell to Morton to see the contest was disappointed at the outcome, they had plenty to cheer about and were furnished lots of excitement.

The game was highlighted by electrifying long runs by Farwell's Jerry Lovelace and Morton's Wilbur Zuber. Both boys proved that speed and power can sometimes be found together. Zuber made three TD's, Lovelace two.

The Steers' game was pretty lackluster in the first half. They allowed the Indians to score first and the Morton team led 6-0 at the end of the first quarter. Farwell

came to live briefly on the strength of one of Lovelace's long runs when he charged into the secondary on a line play, cut to the east sideline, and outraced a heavy of would-be tacklers 68 yards to the goal.

That play had the fans from Farwell feeling lots better, but only a few moments later Morton did practically the same thing as Zuber raced 53 yards to score, putting the Indians back into their 6-point lead, which they held, 12-6, at halftime.

The second half was filled with excitement and both teams displayed their best performance. The Steers unscathed their pass game (otherwise unsuccessful during the evening) as Leon Lovelace arched a long one to David Lindop in the end zone.

The crucial PAT attempt was successful for Farwell this time as J. Lovelace charged

"Our Best Game"-Alexander; Sundown On Deck Tonight

"Despite getting beat, I thought it was the best game we'd played all year," said Coach Dempsey Alexander. "Our offense looked better than it did against Lazbuddie, but we were just up against a real fine time."

Morton has scored more points than any other AA team on the Plains.

"That Middleton (Morton's quarterback) was about the finest quarterback we'll meet all year," the coach said. "He made Zuber, the fullback, and some of the other backs look real good."

Even though his Steers did get beat, Alexander said that he still thought Farwell had the best overall team. "It was just a matter of them scoring when they had the ball, and us scoring when we had it—and they scored first and last," the coach said.

He said the bad break in the fourth quarter, when Morton recovered the ball after a punt, was the deciding factor.

Alexander thought his entire team looked good in its losing effort, but he gave special praise to Jerry Lovelace and Max Field. Lovelace put on a great show, scoring 14 of the

team's 20 points, and he had a total of 308 yards.

The coach praised Field for his ball-handling and the manner in which he operated the team at quarterback, and added, "It's almost unbelievable how much that boy has improved since the first game."

Alexander is looking for another good game this week when Sundown invades Steer stadium for a "Parent's Night" contest.

Sundown has a smaller team than usual, "but they're the type of team that can beat you," Alexander said. "They've got that roughneck tradition to live up to, and they've been doing it, despite having won only one game in four starts," the coach said.

The Roughnecks defeated Sudan last week 27-13, and their losses have been close ones. Two of their losses were to a couple of good teams. Hale Center defeated them 8-0, and Idalou eked out a 12-8 win.

Friday's game will be Parent's Night, and one section of the stands will be roped off for the mothers and dads of all the players.

Drive Kicks Off October 2

Texico citizens are reminded board of directors says the that the United Fund drive will county goal is set for \$63,260, begin Monday, October 2 and Mrs. Elmer Teel is fund chairman and has selected cap-

Melvin Burns, Texico representative to the Curry County

(Continued on page 6.)

Cotton Ginned At Farwell Wednesday

Farwell's first bale of cotton was ginned Wednesday afternoon at Cooper Gin.

The bale weighed 565 pounds and was ginned from 2180 pounds of seed cotton. Lavon Jones producer of the cotton received 50¢ a pound for the Gregg variety cotton.

Land from which the cotton was pulled was planted the last week in April and watered until August 15 although rain had fallen on the field since that time.

Jones used 100 pounds of 11-40-0 preplant and side-dressed with 80 pounds of anhydrous ammonia.

This is Lawrence Cooper's second year at the gin which has been remodeled and repaired in preparation for the ginning season.

Nickels Gin also received a load of cotton Wednesday, but it will not be ginned until later. Fred Horner brought the load to Nickels.

One of the huge storage tanks at Worley Grain is pictured on the ground, with mounds of grain showered from the one erect structure. The tank fell Tuesday morning.

Huge Grain Tank Topped To Ground At Worleys

A slow motion drama unfolded in Farwell Tuesday morning as one of the giant steel tanks at Worley Grain slowly buckled, weaved a little and plummeted to the ground with a boom that resembled the sound of a jet plane breaking the sound barrier.

The trouble began at 8 o'clock in the morning, according to Herb Potts, manager, as workmen were pulling grain out of the storage tank. Two or three of the bolts that held the steel sheets together at the bottom, broke. "Then the bolts started popping like shirt buttons," says Potts.

Personnel kept working with the damaged tank and thought two or three times that they would be able to save it, but at 1:15, the grain-filled structure plummeted to the ground.

Potts estimates the loss at about \$30,000. About 20,000 bushels of grain was stored in the tank, but very little loss of grain was noted. "We'll have another tank up in about 10 days," Potts adds, as he explains that the grain and old tank will need to be cleared away first.

This is the second time one of the storage tanks has been damaged, he says. A foundation gave way on one of them several years ago.

Not many townspeople knew about the trouble until it was all over. Potts felt that this was a factor in avoiding any injury. "If word had gotten around, we might have had a crowd when the tank fell," he says.

Chili Supper Is October 6

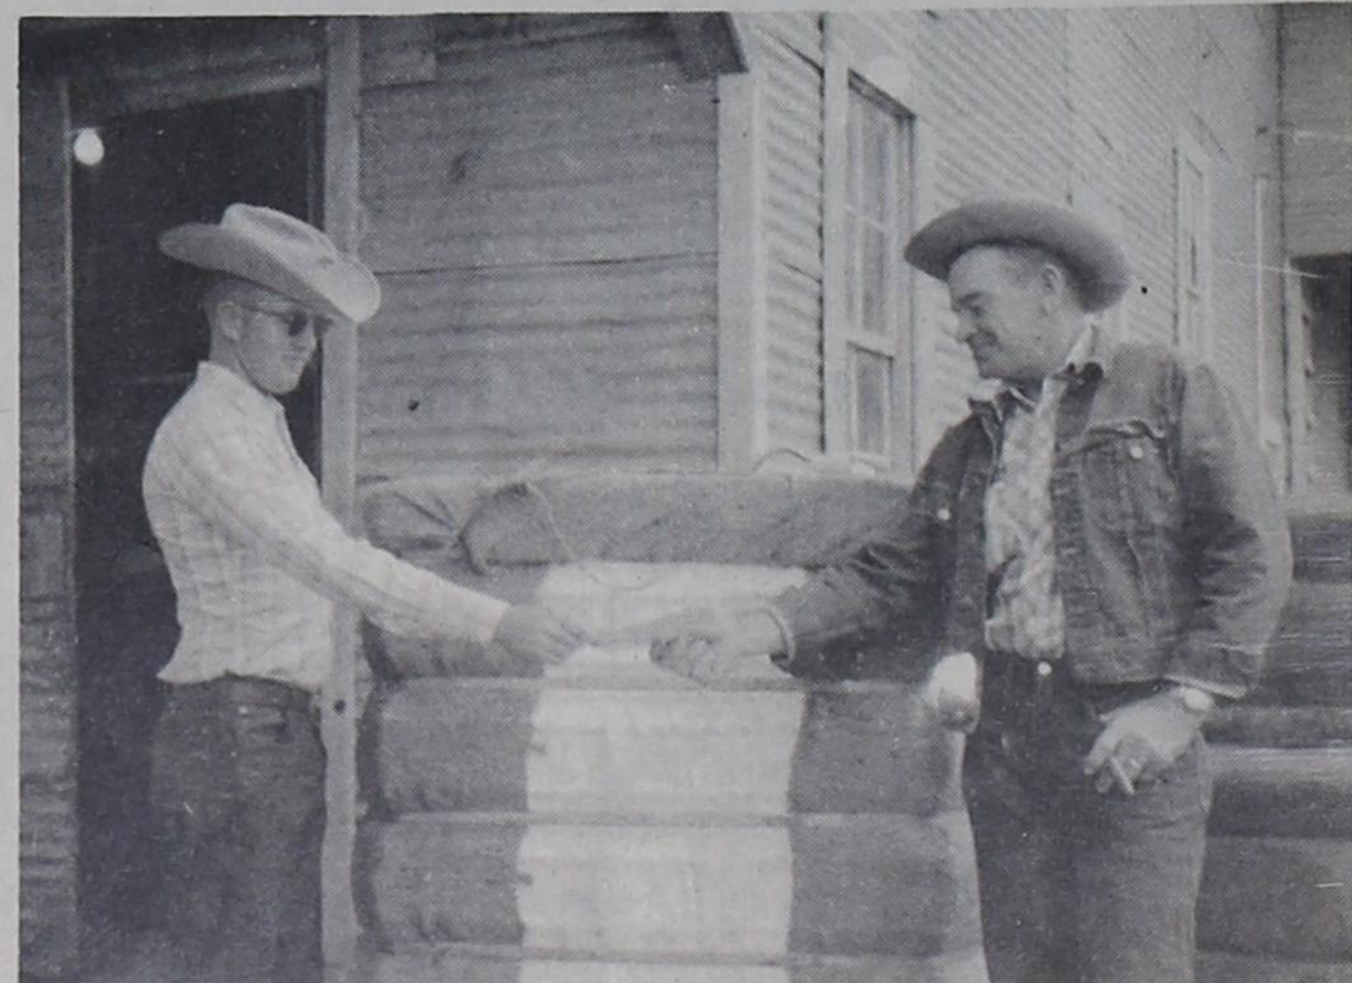

Tickets for the senior chili supper which is set for October 6 in the Farwell school cafeteria, are now on sale by members of the class. Adult tickets are 75¢ and children's 50¢.

The supper, which will take place before the homecoming game with Plains, will begin at 5:30, with serving until 8 p.m. Chili, crackers, iced tea, coffee and pie will be served.

Texico PTA

Officers of the Texico P-TA urge all parents, teachers and members to attend the next meeting of the organization on October 2 at 8 p.m. in the school library.

Program for the evening will be a panel discussion on P-TA.

FARWELL'S FIRST BALE was ginned Wednesday at Cooper Gin. Above Lawrence Cooper, gin owner, presents a check to Lavon Jones for bringing in the first bale.

Formal opening Saturday is planned by the new Cory Penn station in Texico. Free gifts are to be given away during the day.

Entered as second class matter at Farwell, Texas, under the act of March 3rd, 1879. Published every Thursday.

SUBSCRIPTION RATES -- Farmer and adjoining counties, \$3.00 per year; elsewhere, \$4.00 per year. Payable in advance.

Letters to the Editor

Midland, Texas
600 South Ft. Worth St.
Sept. 19, 1961

State Line Tribune,
Farwell, Texas . . .

Greetings to all of the staff . . . We surely do enjoy getting the Farwell news in the Tribune. One never seems to appreciate their home paper until they move away. We look forward each week to receiving the Tribune.

Please change our address from Box 273 Farwell, Texas to 600 South Ft. Worth Street, Midland, Texas.

Sincerely,
Nelson C. Smith
P. S. Have a real nice set up for my ham shack. Had a long 'ham' chat with all of the Blackwater Valley members last Sunday, surely good to hear all of their voices again, seems almost like a personal visit. I spent many hours on the air, listening and talking when I could help out during the hurricane Carla.

We have met many fine friends here, but of course we still think of our dear friends in and around Farwell.
N. C. S.

Jesse has accepted a position with the department of the interior at Big Bend National Park as a civil engineer. He, his wife, the former Betty Hubbell of Farwell, and their infant daughter, Vivian Lorraine, recently made the move.

Irby will work with Chance-Vought Aircraft at Grand Prairie where he will be an industrial engineer.

Pleasant Hill

BY MRS. BUCK TAYLOR

Pleasant Hill WMU members met Tuesday at the church for a mission study which was led by Mrs. Posey Clark. Ten members attended the program. Next meeting will be October 3 in the home of Mrs. Corda Taylor.

Mr. and Mrs. Jim McCullough accompanied his mother,

Mrs. W. P. McCullough to her home in Oklahoma last week. They also visited in Texas with his brother and family, Mr. and Mrs. Gus McCullough and her sister and family, Mr. and Mrs. Jack Watkins.

Mr. and Mrs. Marlon Walker, Sarah Beth and Weldon and Gwinette Lovett attended the Tri-State-Fair in Amarillo Saturday. Sunday guests in the home of Mr. and Mrs. L. D. Taylor were his sisters and brothers-in-law, Mr. and Mrs. Earl Hardy, Whiteface; Mr. and Mrs. D. G. Hand, Friona; Mrs. Johnny Taylor and children, Muleshoe; and Mrs. Taylor's mother, Mrs. Janie Anderson, Anton; a sister, Mrs. Robert Servatius and a sister-in-law, Mrs. Ruby Anderson.

Recent guests in the home of Mr. and Mrs. Dewey Pierce were Mr. and Mrs. Horace Vicks and daughters, Vicky and Debby from Farmington.

Mrs. Wanda Berryman from Bovina visited Monday in the home of Mrs. Lorado Servatius.

Mr. and Mrs. Buck Taylor visited in Plainview Saturday with their daughter and family, Mr. and Mrs. Cecil Osborne.

Mrs. Joe Nickaboin returned to her home Friday after spending six weeks in St. Paul, Minnesota, visiting her mother, Mrs. Nancy Badboy and other relatives.

Mr. and Mrs. Earl Servatius from Fritch spent the weekend in the home of Mr. and Mrs. Robert Servatius. Other guests on Sunday were her mother, Mrs. Janie Anderson and a brother and his wife, Mr. and Mrs. Clarence Anderson.

Mr. and Mrs. Earl Servatius visited Sunday morning in the home of Mr. and Mrs. J. J. Armstrong.

Mrs. Margie McClure, daughter of the Weldon Danes, is visiting for a few days with relatives and friends in Whiteface.

A 320-acre "test tube" forest has been established in western Washington where researchers will continue efforts to grow better trees faster.

FIVE POSTPONED

Jury Gives Verdict In One Case Monday

Decision was rendered in one case and five other civil suits were postponed in District Court action in the Court House in Farwell Monday.

The jury returned a verdict in favor of Daniel Molinar in his suit against The Travelers Insurance Company. Molinar was asking compensation for injuries received as the result of an accident March 28, 1955 while working for Conner and Lasater Construction Company. District Judge E. A. Bills presided over the day-long session. The five cases which remained on the docket were postponed until 2 p. m., Oct. 11, 1961.

One case scheduled for action Monday was settled out of court. It was the case of John J. Sweeney, et. al. vs. S. N. Kesner.

Cases postponed are: Harris B. Dunn vs. E. T. Jennings,

d/b/a/Benger Air Park; Carl W. McClintock vs. L. G. Harris and Jack Blair; Jesus O. Cano vs. Texas Employers Insurance Association; and Casey Carpet Company vs. Arnold Hromas and J. A. Loflin.

Members of the jury were: Mrs. Joe C. Moore, foreman; Jack Patterson, E. D. Chitwood, Jr., John A. Agee, Mrs. W. M.

Roberts, Glen Lesley, George A. Jones, Hugh Alexander, Buck Fallwell, Thomas A. Beachamp, Mrs. Carl Davis, and David White.

One young thing to another: "We're having a little disagreement--I want a big church wedding and he wants to break off the engagement."

TEXICO HIGH SCHOOL BAND MEMBERS were in uniform this past week for a dress rehearsal before appearing in the Panhandle South Plains Fair Parade in Lubbock Monday. The band is under the direction of Harold Barnett.

Co-Editors Named At Texico For Paper, Yearbook

Co-editors have been named at Texico for both the school newspaper and yearbook.

Students who had completed some journalism training were given the tasks of working out plans for the paper and annual, with Ronald Watts and Kenneth Chappell serving as co-editors of the paper, and Carmelita Doshier and Jean Hadley named to head preparations for the yearbook.

On the sports writing staff of the paper are Don Reid, and Vic Harrington, with Bobby Hapke editor of the section. Harrington will write a sports column which will appear in each edition of the paper.

A general column by Ronald Watts will also be a regular feature in the paper.

Mrs. Jimmie Allman is in charge of the journalism department at the school.

Phillips Tips Red Prather

School Clubs Elect Officers

Officers have been elected at Texico high school to head the various clubs.

Science club officers include Kit Doran, president; Weldon Walker, vice-president; Dwight Turner, secretary-treasurer; Jackie Dyer, reporter; and Hal Ed Helton, sergeant-at-arms.

Heading the FFA club is Lynn Doshier, Richard Ridings is vice-president; Buddy Spence, secretary; Lonnie Curry, reporter; Leon Kelley, treasurer; Ronnie Curry, parliamentarian; Dale Brown, sentinel, Jim Pierce is advisor.

Beverly Cassady was elected president of the business education club, and Sharon Thompkins is vice-president. Donna Kay Osborn is secretary, Carmelita Doshier, reporter; Judy Sharp, treasurer; and members of the program committee are Jean Hicks, Janice Adams, Carol Bell, James Watts, Lattia Harrison, and Arnie Hukill.

Newly elected president of the FHA club is Jean Hadley. Sue Martis will serve as vice-president and Sue Walton is secretary. Jean Morris was named treasurer; Sharon Blackwell, reporter; and Judy Lovett, parliamentarian.

Patsy Widner was elected to

serve as president of the press club, and Carmelita Doshier will assist her as vice-president. Jean Hadley is secretary-treasurer, and Glenda Billingsley is reporter.

Texico Will Host District SC Meet

Eighteen east central New Mexico school student council groups will be guests of the Texico student council when they host the district student council meeting on October 7.

Howard Melton, president of the East Central district student council, met with the Texico group recently to help make plans for the event.

A tentative schedule calls for the day to include guest speakers, general assemblies, classes on student council, and entertainment. Lunch will be served at the school cafeteria.

Mrs. Buck Doran is sponsor of the organization.

It takes less time to do a thing right than it does to explain why you did it wrong.

-H. W. Longfellow

Pep Club Planning Homecoming Bonfire

Members of the Farwell High School pep club are asking the help of residents in gathering rubbish for the annual homecoming bonfire.

Anyone having old lumber, newspapers or magazines they would like to have hauled away is asked to phone any member of the pep club or Zell Billingsley, club president.

The bonfire is set for 7:00 p.m., Thursday, October 5, south of the school.

The lady of the house suspected one of her sons was paying attention to the attractive maid. Anxious to find out which one she asked the girl: "Mattie, suppose you had the opportunity to go to the movies with one of my sons, which one would you choose?"

"Well," replied the girl, "it's hard to say, for I've had grand times with both of them, but for a real frolicking spree, give me the boss!"

Don Tarbet, minister, shows a Tribune reporter the new broadcasting system for the Church of Christ. The equipment shown in the picture, enables programs originating in the church study, to be broadcast within a radius of about five miles. Religious programs are scheduled daily.

Church Sets Up Broadcasting System; Gives Daily Program

Electronics are linked to the ministry in a new project undertaken recently by Farwell Church of Christ. By turning to 1070 on the radio dial, citizens within approximately five miles of Texico-Farwell can hear programs originating in the study of the local church, says Don Tarbet, minister.

p.m. service is transmitted also. Weekdays, the broadcasts are set at 9 a.m. and again at 12:30. Each day, hymns and devotionals are included as well as family news, such as births, deaths, or illnesses. Saturdays are devoted to children, with songs and quizzes included and a possibility of Bible stories later.

Two New Names Added To List Of Contest Winners

Two new names have been added to the list of weekly winners in the Tribune football contest, with Sue Moten of Bovina taking the top game calling honors this week, and Mrs. Albert Johnson of Farwell and Frankie Coffman of Amarillo tying for second place.

Mrs. Moten missed two guesses. She had picked Hale Center to win over Olton and thought that Texas A&M would top Houston. Actually Olton was the winner in that game and the college encounter was a tie.

News From LAZBUDDIE

BELLS AROUND THE WORLD

The Indians could send a rallying call many, many miles by drums. Each drummer, stationed on a lonely ridge, would listen for the sound of distant drums, and relay the message to others waiting across the valley. Overnight a dozen tribes could be rallied to a common cause.

We don't need such crude methods of communication today. Men with a common purpose can join forces around the world at a pre-arranged time.

World Wide Communion Sunday is such an expression of unity. In every Christian land the church bells will summon men and women to the Lord's Supper on this Sunday.

And the universality of this great religious event will not depend on bells relaying the message from town to town. It will depend on folks like yourself coming to their Church to receive this Holy Sacrament.

THE CHURCH FOR ALL... ALL FOR THE CHURCH

| Day | Book | Chapter | Verses |
|-----------|------------|---------|--------|
| Sunday | Hebrews | 10 | 19-25 |
| Monday | Luke | 22 | 14-20 |
| Tuesday | Psalms | 55 | 8-14 |
| Wednesday | Psalms | 135 | 1-3 |
| Thursday | John | 17 | 20-26 |
| Friday | Ephesians | 4 | 1-7 |
| Saturday | Revelation | 5 | 15-20 |

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake, (2) For his children's sake, (3) For the sake of his community and nation, (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

RED CROSS PHARMACY
Texico

Elmer Teel and Robert (Prof) Morton try their luck with a sales pitch to a potential customer in downtown Farwell. The men were selling brooms, mops and other household items as a civic project for the Lions Club.

Lions Sell Brooms To Aid Project

The annual Lions Club broom sale, which is held in conjunction with the Lighthouse for the Blind, was not as profitable as members had hoped, but about \$90 was added to the sight conservation fund of the local club.

Sales were held over the weekend by local members, and a pickup was stationed downtown.

At a meeting of the group Monday night, a film on cystic fibrosis was shown. September is cystic fibrosis month and the film has been scheduled for civic clubs programs by Theta Rho chapter of ESA.

October is membership month for Lions and anyone wishing to have fellowship with club members and to aid in worthwhile projects, is welcome, a spokesman says. Loyd Cain is membership chairman.

The turkey shoot sponsored recently was quite successful, with participants present from Friona, Bovina and Clovis, as well as locally.

Texico Undefeated; Play Floyd Today

Keeping an unblemished season record by defeating the House Cowboys at Texico Friday afternoon were members of the Texico high school boys softball team.

The team, playing without the services of senior team members, made quick work of the visiting team. The locals started out slow however, and could manage only one run in the bottom of the first after seeing the Cowboys start the game with three quick scores.

The second inning was a different story as the House team could only bring in one run, while the Wolverines tied it up by scoring three. The big third inning saw the locals cross the bag seven times. They scored one run in the fourth, another in the fifth and five in the sixth inning while expert fielding and pitching kept the House crew with their original four points. Final score was 18-4, Texico.

Statistics for the local team are:

| | AB | R | H |
|----------------|----|---|---|
| Hal Ed Helton | 4 | 1 | 2 |
| Wayne Hudnall | 4 | 1 | 3 |
| Jerry Thornton | 4 | 3 | 4 |
| Vernon Thigpen | 4 | 2 | 3 |
| Weldon Walker | 4 | 2 | 2 |
| Vic Harrington | 4 | 3 | 4 |
| Skippy Tipton | 4 | 2 | 3 |
| Billy Campbell | 4 | 2 | 2 |
| Lynn Doshier | 4 | 1 | 2 |

Also playing for the locals were five members of the freshman class, Mike Spearman, Ronny Richardson, David Barnett, Tom Rickstrew and Mickey Lofton.

The team's season record stood at 4-0 as they went against Floyd today at Texico. Friday, October 6, the team will play Grady.

After making a good showing last week when they defeated a team unbeaten in five years, the high school girls fell before a strong House team by a 22-10 score.

Texico had sixteen hits in getting their 10 runs, but poor fielding proved to be their downfall as they let several runs in on errors.

Betty Lockhart and Sue Walton shared in pitching duties and Carol Bell and Millie Autrey with three hits in four times at bat were big hitters for the losers.

The team will play Grady on October 6. Their season record now stands at 2-1.

Junior high school teams will meet Grady on October 3.

Walker and Donald Dale. Purpose of the meeting was to secure officers for the new year and attend an officers training workshop. Roberts was the only boy from Parmer county named to an office, with the president from Olton, vice-president from Muleshoe; secretary from Hart, reporter from Amherst, treasurer from Littlefield and parliamentarian from Muleshoe.

Officers will meet again before November 13 to make plans for the District FFA banquet which will be held at Olton.

Roberts District FFA Sentinel

Charles Roberts, a member of the Farwell FFA club, was elected district sentinel Thursday when he and two other members of the local FFA group led the district meeting in

Each school bringing two voting delegates. Voting delegates from Farwell were Jimmy

FRIDAY

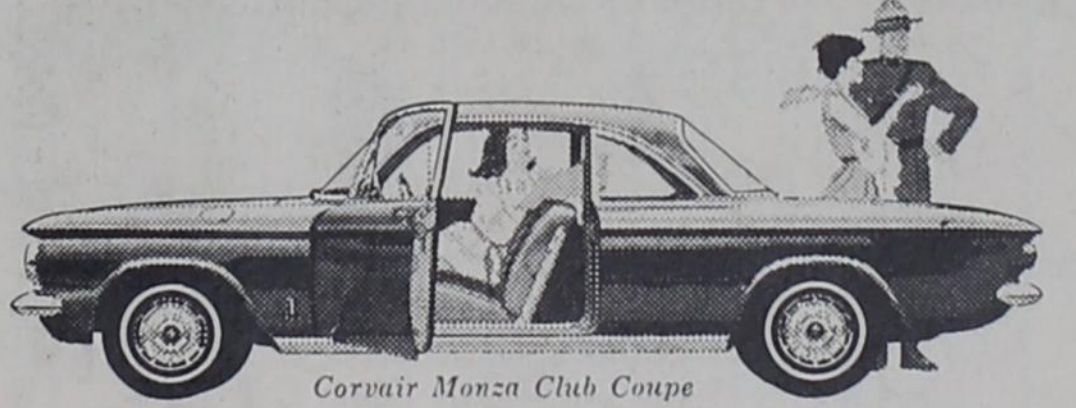

A New World of Worth from Chevrolet for '62!

'62 CHEVROLET Rich new styling with Jet-smooth ride!

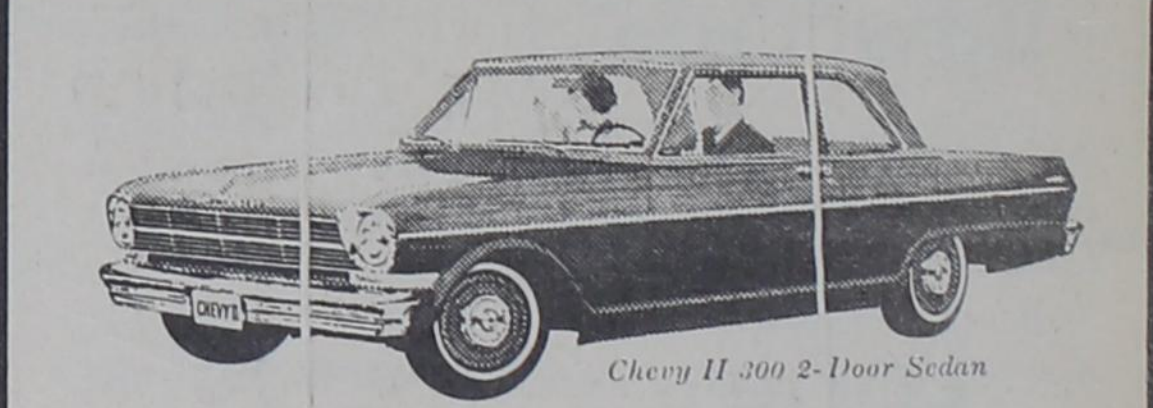

Here's everything a car fancier could want. Freshminted style that comes to a climax in the sportiest sport coupe you've seen yet. A road-gentling Jet-smooth ride. A new choice of V8 skedaddle. Rich Body by Fisher interiors. Beauty that's specially built to stay beautiful. Here in '62 is more than ever to please you from the make that pleases most people.

It's like owning an expensive car without the expense. Check it over from its clean-thrusting prow to its rakish rear deck. Then—head for the open highway. That sittin'-on-satin feeling you get is Chevrolet's famous Jet-smooth ride at work. The standard six and V8 are triggered to do special things on regular gas, and for real hair-trigger reflexes you have a choice of four optional-at-extra-cost V8's with out-

THE '62 CORVAIR MONZA

The car that puts sport in the driver's seat!
Step right up and meet the latest version of the car that's proved its mettle in the fiercest competition going—'62 Corvair. Bigger new brakes team up with Corvair's renowned rear-engine traction for just about the surest footed going on the road. A new Monza Station Wagon makes its debut. And all models sport freshly tailored upholstery inside matched by sassy new styling accents outside.

HERE'S THE NEW CHEVY II

Modern basic transportation in a totally new line of cars
Here are all the solid, time-tested virtues you know you can count on from all the Chevrolet family—plus some surprises you've never seen on any car before. A full line of saucy new-size models, each built a new way for easier service and maintenance. Thrifty? Choice of a frugal 4- or spunky 6-cylinder engine (in most models). Roomy? Sedans seat six solid citizens. Price? A real pleasant surprise!

See the '62 Chevrolets, the new Chevy II's and '62 Corvairs at your local authorized Chevrolet dealer's

Rites--

Bro. J. L. Bass, pastor of the Farwell Baptist Church, officiating. He was assisted by Rev. Harrol Morris, pastor of the Bovina Methodist Church.

Survivors include Mrs. Arthur Bolton, Mrs. Melvin Sudderth, Mrs. Sarah Ann Payne, and Walter and Bert, John, and Alva J. Hudson, eighteen grandchildren, thirteen great-grandchildren.

Drive--

tains and workers for the drive. Contributors will be given a sticker when their donations are given.

The drive, which contributes to nine worthy causes, gives citizens an opportunity to help the Red Cross, Salvation Army, T. B. Association, Boys Ranch, Disabled Children, Curry County Polio, Girl Scouts, Boy Scouts and Mental Health Association all at one time.

Hoppers--

The joint was closed, the lights were turned out, and we separated again. If the Hanks got back home, we figure we'll hear from them by mail some day.

FFA Boys--

approximately 21 firsts, one second and two thirds.

Ronnie and Lonnie Curry won two junior champions, two grand champions and three firsts for \$54 prize money on Chesterwhite breeding stock of one boar and two gilts. Ronnie also placed second with a James Hudson won \$13 prize money for third place winnings on gilts entered in the junior class and Skippy Tipton won \$13 for fourth and fifth winnings on Poland China gilts in the junior class.

Other boys entering stock in the fair were Allan Hill, Billy Campbell, Leon Kelley and Gary Skaggs.

Steers Meet--

over for the two extras. This gave the Steers a two-point lead and it looked as if the game might have reached a turning point.

But the hard-driving Zuber broke away for another spectacular long run, outdistancing the pursuing Steer secondary for 72 yards to the end zone. Morton still couldn't convert, though, and had to settle for an 18-14 lead.

In the fourth quarter it was Lovelace's turn again, the rugged Steer back again displayed power and speed as he rumbled 62 yards to score. Farwell was back in the

lead, 20-18.

A field stratagem may have been the key to the Morton victory. The Indians lined up as if to run on fourth down. The Steer secondary was pulled in and bamboozled with a quick kick that was expertly executed by the Indian backs.

In the confusion that followed, a Farwell boy touched the ball and Morton recovered. From this "break" they punched ahead to eventually score, getting the winning TD on a pass from the Farwell 14.

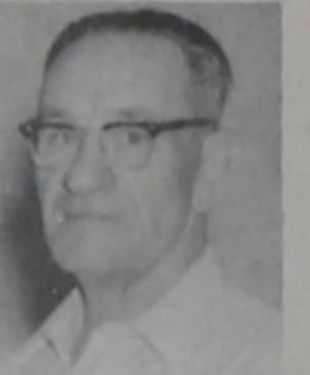

The Steers resorted to desperation aerials to catch up in the waning minutes of the game, but the spirals fell awry.

ANNOUNCING

FORD For 1962

The top offering in Ford's station wagon line for 1962 is this four-door, nine-passenger Country Squire (top). The power-operated rear window is standard in this Squire as well as in the six-passenger Country Squire and in the nine-passenger Country Sedan. The Galaxie nine-passenger wagons have the only forward facing third seat in the low-priced car field. Tailgate openings on all of the wagons are more than 50" wide. This Galaxie 500 two-door hardtop (bottom) is one of twelve models being offered in Ford's expanded Galaxie series for 1962. The sculptured body of the 1962 Galaxie gives the appearance of actual motion to its unmistakably classic Ford lines. This appearance of movement is emphasized in the recessed Thunderbird-like rear window and in the forward thrust of the roof itself. The new Galaxie series will feature an industry first—"Twice-a-year" maintenance.

Modern Homemakers Learn To Make Plastic Toy Dogs

How to make plastic toy dogs was the program when members of the Texico Modern Homemakers met all-day Tuesday in the home of Mrs. W. E. Martin. Mrs. Carroll Hendrix of Ranchvale gave a demon-

stration and showed members how to construct the animals. A buffet dinner was served at noon to the twelve members and three guests who attended. Programs for the coming year were planned and officers were elected during the business meeting, with Mrs. Paul Skaggs re-elected to serve as president. Mrs. Perry Winkles is vice-president and Mrs. Melvin Burns will serve as secretary-treasurer and reporter. Members at the meeting were Mesdames W. E. Martin, C. H. Webb, Ed Combs, Preston Martin, Joe Camp, Ernest Wood, Leroy Williams, Perry Winkles, J. E. King, Paul Skaggs, Dorothy Dudley and Melvin Burns. Guests included Bety Williams, Clovis; Mrs. Dwan Martin, Farwell; and Mrs. Carroll Hendrix, Ranchvale.

JUDY JESKO

Miss Jesko Is President Of College Class

Miss Judy Jesko, daughter of Mr. and Mrs. A. J. Jesko, has been re-elected president of her class at Sacred Heart College, Wichita, Kansas. Miss Jesko, a business major, is attending Sacred Heart for the second year. Besides leading class activities, Miss Jesko has been an active member of the student council, the International relations club and the women's athletic association. She is a graduate of Farwell High School, and while attending there was on the student council and a member of the pep club and future homemakers of America.

Attendance Goal Of 240 Planned

A goal of 240 in church school by Nov. 19, has been set by Hamlin Memorial Methodist Church. That day will climax the attendance campaign which began two weeks ago, says Robert Tomlinson, pastor. The campaign is a simultaneous one in all Methodist churches in the New Mexico and Oklahoma conferences. Attendance charts are planned for each class and personal visitation is scheduled by members. The program is in keeping with the "Christ is Lord" theme which will be climaxed in services at Easter time. The pastors of the district met Wednesday of last week in Portales to discuss the crusade and laymen met to have supper and to hear a speaker explain the program. Rev. Tomlinson attended the meeting of pastors and Buck Doran and Elmer Teel were on hand that evening. Yesterday, (Thursday), Rev. and Mrs. Tomlinson were at First Methodist Church, Clovis, for a spiritual retreat. The sessions were slated from 10 a.m. until 4 p.m.

Jack Hessers Boy Born To

Mr. and Mrs. Jack Kesser of Stillwater, Oklahoma, are the proud parents of a boy born on September 19. The lad weighed 7 pounds 6 ounces and has been named Randol Jack. The Hessers are former residents of Texico. Mrs. Kesser is the former Gloria Johnson. Maternal grandparents of the new arrival are Mr. and Mrs. Russell Johnson of Texico and Paternal grandparents are Mr. and Mrs. Ival Hesser of Stillwater. Uncle Tom Randol of Farwell, for whom the baby was named, is great grandfather.

Bridal Shower Will Honor Mrs. Bill Smith

Mrs. Bill Smith, the former Suezzy Estes, will be feted with a post nuptial shower Monday afternoon October 2. The come and go affair is between hours 4 and 6 in the home of Mrs. Harold Hawkins in Bovina. Friends of the couple are cordially invited.

Flower Design Viewed By ESA

Mrs. M. C. Roberts, educational director, entertained members of ESA with a Mexican supper at a Clovis restaurant Monday evening. The dinner preceded a short business meeting and program at the Roberts home. Mr. and Mrs. Harold Madery of Flowerland demonstrated flower arrangements using garden flowers. Highlight was simple design with garden shrubbery used as accenting greenery. In a brief business session, committee reports were heard and members decided to give \$20 to the Parmer County Red Cross to be used to help Hurricane Carla victims.

Locals

Mr. and Mrs. Monty Parsons of Texico recently returned from a two-week vacation trip to Oklahoma and Missouri. While there they attended the annual homecoming of the Bunker Hill community, where Mr. Parsons grew up. Persons from several states including, New Mexico, California and Oregon attended.

The Women's Page

ANITA HENSON, Society Editor---Phone 481-3681

SIX MORE FUTURE CITIZENS of the community are shown in the above panel. From left to right on the top row are Rhonda Lynn Walls, daughter of the Mitchell Walls; Kathy Joe Crume, daughter of Mr. and Mrs. Bobby Crume; and Kelley Jones, daughter of Mr. and Mrs. Lavon Jones. Ray Len McMahan, son of the Don McMahan is pictured on the left in the bottom row. Next is Jaquetta Crook, daughter of Mr. and Mrs. H. R. Crook; and Sabrina Kittrell, daughter of the Truman Kittrells.

Mrs. Clark Named President Of PH Extension Club

Mrs. Alvis Clark was elected to head the Pleasant Hill Extension Club when they met at the community center for a regular meeting and election of officers Thursday. Re-elected to their positions were Mrs. Eric Pierce, vice-president; Mrs. Tom Burnett, secretary-treasurer; and Mrs. Mason Neeley, reporter. Mrs. John Range was hostess for the meeting at which members worked on aluminum trays. The trays will be completed at the club's next meeting, October 5.

Mrs. Eric Pierce will be hostess for the October 5 meeting and reminds members that the county home demonstration agent will be present to give "sewing tips." All members are asked to bring a thimble so they can quilt for the hostess. Attending Thursday's meeting were Mesdames Tom Burnett, Eric Pierce, Juan Eskew, Byron Bufford, Alvis

Clark, Floyd Bocox, Mason Neely, Clarence Smith, Martha Heinz, and John Range.

Mrs. Lindop Hosts Club

The home of Mrs. George Lindop was the scene for a meeting of the Oklahoma Lane Variety Club Wednesday. During the business meeting discussions were held on the annual Thanksgiving supper and Christmas party. Mrs. Ed McGuire asked to be hostess for the Thanksgiving supper. For the program, several members made bird cages from coat hangers and others worked on cross stitching. Refreshments of cheese sandwiches, nut cake, ice cream and orange punch were served to Mesdames C. C. Christian, Bessie Caldwell, L. M. Grisson and Lola Jean, Janie Sides, W. N. Foster, Ed. McGuire, John West, E. G. Watkins, George Lindop, and two guests Mrs. Shorty Milstead and Corda Batty.

Hospital Notes

Ivan Joseph Blackburn is resting well at his home in Farwell after being seriously ill during the first part of the week. Mrs. B. N. Graham was admitted to Clovis Memorial Hospital Tuesday for medical attention. Lawrence Bowers of Texico is reported to be resting well after suffering a heart attack Sunday. J. J. Armstrong of Texico was admitted to Clovis Memorial Hospital Tuesday for medical treatment. Wilma Liner was released from Clovis Memorial Hospital Friday after being admitted for surgery Wednesday.

Brent Faville Is Name Given Stephens Baby

Welcoming the birth of a son at Northwest Texas Hospital in Amarillo on Friday, September 22, were Mr. and Mrs. Sheron Stephens of Canyon. Brent Faville was the name given to the little boy who weighed 7 pounds 4 ounces at birth. The Stephens also have a daughter, Stephanie Shawn. Mrs. Stephens is the former Mikala Faville of Texico. Grandparents are Mr. and Mrs. Leroy Faville of Texico and Mr. and Mrs. Frank Stephens of Shamrock.

Auxiliary To Sponsor "Flame Girl" Contest

A "flame girl" contest will be conducted by members of the Texico Fire Department Auxiliary during Fire Prevention Week, with the winner to be announced at a program on October 14. Plans for the contest and other Fire Prevention Week activities were made Monday when the auxiliary met at the fire hall with Mrs. Don Fought as hostess. The contest, open to any Texico high school girl (grades nine through twelve) will be judged on votes, with the girl receiving the largest number of votes named the winner. Votes will be 5¢ each, and each contestant will be responsible for securing votes for herself.

Girls wishing to enter the contest are asked to contact Mrs. Perry Winkles. Coronation of "flame girl" will take place at a program at the Texico high school on October 14. All contestants will appear in formal attire and will be introduced during the evening. A "42" tournament, cake walk and refreshment stand will be set up for the occasion, with a film on fire prevention to be shown. Members attending the Monday evening meeting of the auxiliary were Mesdames Perry Winkles, John Adams, F. S. Thigpen, Fred Danforth, C. H. Webb and Don Fought.

KEITH & KAREN HADLEY

Hadley Twins Have Birthday Party

Celebrating their first birthdays Saturday, September 23, were Keith and Karen Hadley, children of the Raymond Hadleys of Texico. Refreshments of birthday cake, lemonade and coffee were served to guests.

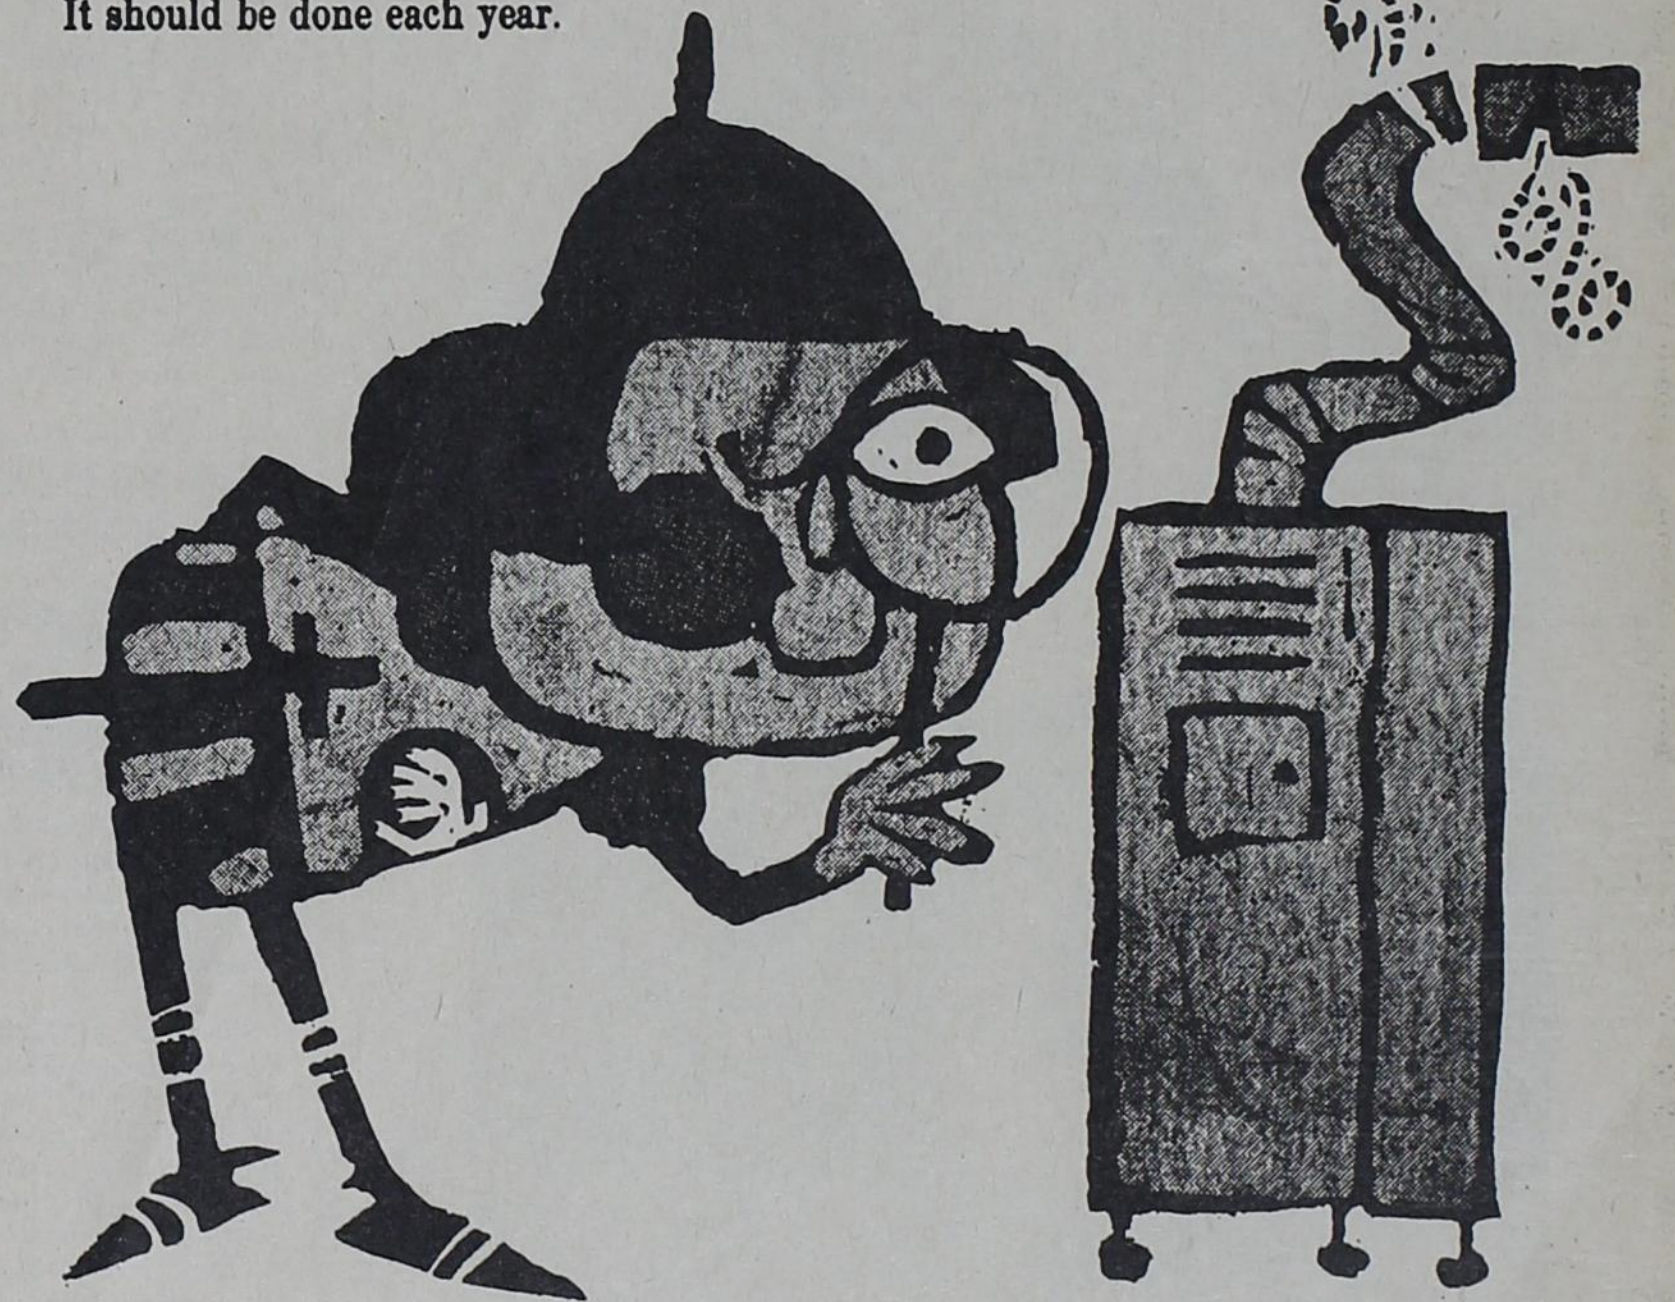

Mitchell Walls Parents Of Boy

Richard Craig was the name chosen by Mr. and Mrs. Mitchell Walls for their son who was born Monday in the Clovis Memorial Hospital. The new arrival weighed 6 pounds 5 1/2 ounces. Grandparents are Mr. and Mrs. A. N. Walls and Mr. and Mrs. Oscar Hubbell.

50th Anniversary Reception Planned For P.D. Barrons

Mr. and Mrs. P. D. Barron will celebrate their golden wedding anniversary Sunday, October 1, from 2:30 to 5:30 at their home southeast of Bovina. Friends and relatives of the couple are cordially invited to attend the reception. The honored couple's children, Rouel Barron, Bovina; and Mrs. Margaret Truitt and Mrs. Glenna Mitchell, both of Amarillo will be hosts. The Barrons have resided at their present farm home since January of 1928.

Sir Safety scanned the gas vent pipes So carefully for fear Of clogging or breaking—and he said It should be done each year.

AN ADVENTURE IN HAZARD LAND:

All gas equipment should be checked regularly. For proper installation or adjustment, call a licensed plumber, heating contractor or your gas company. Guard against all home accidents... killers of more than 28,000 last year. 3,900,000 more were injured! Make sure your home is checked against all potential dangers, such as household poisons within reach of children... toys on steps or slippery floors... overloaded wiring circuits that can cause fires... smoking in bed or while lying on a couch. You may save your life or the life of someone in your family. *Knight and day... your home is as safe as you make it!

Riethmayer Selected SCD Farmer Of Year

THE HIGH PLAINS FARM AND HOME

Courthouse

INSTRUMENTS FILED FOR RECORD WEEK ENDING SEPTEMBER 23, 1961 COUNTY CLERK'S OFFICE, FARMER COUNTY

D.T., Fred W. Helmke, F.F.S. & L. Assn., Lots 3 & 4, Blk. 71, Friona

Bob Riethmayer of Friona is Farmer County's Soil Conservation Farmer of the year.

Riethmayer, who farms a section and a half of land, was honored at annual banquet of Farmer County Soil Conservation banquet, which was attended by 150 Saturday night in Bovina School cafeteria.

Dr. Gerald Thomas, dean of agriculture at Texas Tech, was guest speaker. He pointed out need of continued, and more, soil and water conservation in years to come. "We still have a wealth of soil and water facilities," the dean pointed out, "but we need to conserve it. It's growing less each year because of misuse."

Agriculture is going to be faced with a real problem of feeding the world's people in next 25 years, Thomas predicted.

Riethmayer was presented with a plaque by Roy M. Crawford, vocational agriculture instructor at Bovina High School.

Crawford pointed out that Riethmayer's farming methods include a good rotation program with land being divided equally each year between milo, wheat, and soil building crops. A feature of his farm is five miles of underground pipe which aids in his irrigation program. All land in his farm is contoured. Farmer County's top conservation farmer decomposes his wheat stubble and does not burn it, Crawford pointed out.

Riethmayer was selected from a field of four farmers from throughout the county who were nominated for the honor. They were named by Bill Nichols of Friona State Bank.

Dr. Gerald Thomas, dean of the School of Agriculture, Texas Tech, receives further questioning from Mrs. Noyle Woods, Mrs. Pete Buske and Mrs. A. L. Black (R) after his address at the SCD banquet Saturday. A portion of Thomas's lecture was directed at the women. "At the present population growth rate, there will not be standing room on the earth in 65 years," he said.

Farwell area was represented by Bert Williams. Bovina area was represented by Gilbert Schueler, and Lazbuddie's nominee was Neal Bradshaw.

Bradshaw was presented a plaque at the banquet by T. O. Lesly, president of Lazbuddie Farmers Union. Others will be honored by their local Lions Clubs at next regular meeting of the clubs.

Marilyn Brandon, daughter of

Mr. and Mrs. C. R. Brandon of Bovina, was presented a plaque for winning first in soil conservation essay contest which was conducted last school year. Miss Brandon is a Bovina High senior.

Other essay winners were Patsy Hart, daughter of Mr. and Mrs. Floyd Damron of Bovina, who is now a freshman at East Texas State College, second; Miss Kitty Black, daughter of

Mr. and Mrs. A. L. Black of Friona, who is now a freshman at Texas Tech, third; and Patricia Ann Crawford, daughter of Mr. and Mrs. Roy Crawford of Bovina, who is a Bovina High student, fourth.

Title of all the essays was "Why I Believe in Soil Conservation." Awards were made by Joe Jones, former Farmer County agricultural agent who is now associated with Security State Bank in Farwell. Cash awards of \$50, \$35, \$25, and \$15 were presented to the four winners last spring.

A. L. Black, chairman of county board of supervisors, served as master of ceremonies. He gave recognition to businesses and individuals who had given assistance to the organization during past months. Jack McCracken, manager of Bovina Chamber of Commerce and Agriculture, gave welcoming address.

Dean McCallum, member of board of supervisors of Bovina who was in charge of planning the banquet, introduced guests from counties other than Parmer including Lubbock, Lamb, Deaf Smith, and Castro. Invocation was by Rev. Harold Morris, pastor of Bovina Methodist Church.

Entertainment was provided by Earl Hise, Bovina Schools director of music, and a high school choral group.

Members of county board of supervisors in addition to Black and McCallum are Robert Calaway, Lesly, and Bruce Parr.

Bob Riethmayer receives the outstanding farmer plaque from Roy Crawford at the annual Soil Conservation District Banquet in Bovina Saturday night.

"No Limit To What You Can Do With This Land And Water"

In a county of outstanding farmers, Bob Riethmayer was named the most outstanding at the annual Soil Conservation District banquet Saturday.

Riethmayer, who moved to Friona in December of 1956, farms one and one-half sections five miles southeast of Friona. The energetic young farmer has the furrows of his entire farm shaped to the contour, regardless of the number of short end rows which the system creates.

With a jovial smile creasing his tanned features, he is constantly searching for ways to preserve his land and increase its yield. His wheat harvest in 1961 was one of the most bountiful in the county.

He follows the recommended practices of water preservation to the letter. He has constructed waterways and catch-basins so that he can contain his watershed and use it to irrigate. He has five miles of underground pipe installed to carry water from his wells to the furrows.

Riethmayer also follows an outstanding crop rotation

plan. He has his farm divided into thirds with one third in wheat, one third in grain sorghum and one third in soil building crops. He has about 80 acres of cotton in addition.

Riethmayer owns a farm near Lamesa where he lived prior to moving to Friona, but he prefers to rent a farm in Parmer county.

"There is just no limit to what you can do with this land and water," he said.

Riethmayer is also a firm believer in the advantages of hybrid seeds. While discussing the pros and cons of hybrid cotton, he remarked:

"I have begun to think that we can do just about anything we want to with plants through the production of hybrid seeds."

Even though his well-tended acres demand a lot of time and work, Riethmayer is able to slip off with his wife, Geneva, and their son and daughters for an occasional fishing trip.

Dear Mr. Farm Owner:

Here are a few good reasons for borrowing money. Do you want to build a new home? Perhaps you need underground irrigation tile to conserve water and increase your yield. Or maybe you would like to buy more property.

These are major projects and few of us have the capital to finance them without borrowing money.

We would like the opportunity to discuss a long term low interest rate farm loan with you. We will loan the maximum on your farm, you pay no brokerage or appraisal fees.

If I may be of help to you on arranging a loan or assisting you on your real estate to buy or to sell, please do not hesitate to call me.

Very truly yours,

BOB SUDDERTH REAL ESTATE

SOIL CONSERVATION DISTRICT NEWS

Our congratulations to Bob Riethmayer of Friona for winning the Conservation Farmer Award for 1961 in the Parmer County Soil Conservation District.

Bob was recognized at the Seventh Annual Soil Conservation District Banquet in Bovina Saturday night for his work in soil and water conservation.

Even though a tenant farmer, Bob considered the extra expense and trouble of farming contoured and angled rows has paid off. The increased water intake on flat rows has more than paid for the trouble in increased yields as well as controlling soil erosion.

He has a set of pumps to catch the excess water from the end of his rows and some rain-water.

Bob uses a crop rotation of one-third wheat, one-third grain sorghum and soybeans and one-third fallow. All residues are worked into the soil to increase the organic content of the soil and there is absolutely no burning of crop residues.

A system of underground pipeline consisting of four miles of concrete and plastic is located so as to stop erosion and water loss for open ditches.

As has been proved over and over, a good well rounded program of soil and water conservation pays rather than costs.

Josie: Frances was afraid the girls wouldn't notice her engagement ring.
Kitty: Did they?
Josie: Did they? Six of them recognized it at once.

FRIONA

Members of the Friona SCD tour take advantage of a few moments pause to relax while George Warner explains the advantages of one of his fifteen varieties of grass. Main interest in the grasses was their desirability as erosion preventatives.

Kenneth Neill discusses the characteristics of sugar beets and beet growing at the SCD tour Thursday. Junior Renner (L), Rudolph Jesko and Bruce Parr look on as Neill explains the grazing possibilities of the beet tops.

WITH THE COUNTY AGENT

DERYL COKER

As I have not been here but one day when this article will go to press, one thing has impressed me. That is the friendliness of the people that I have met. Every person who came in the office has offered to help in anyway possible, which I appreciate very much. I am looking forward to working with all of the people of Parmer County.

One thing we should be on the lookout for this time of year is Verticillium Wilt in cotton. It is a disease caused by soilborne fungus and the disease should be easily noticed at this time of the growing season. Plants attacked by the disease will show a mottled coloring of leaves, and the plant will gradually die. Verticillium wilt can also be distinguished by a discoloration in the main stem at the base of the plant. One of the best controls is a rotation to a fibrous root crop, such as grain sorghum in the areas affected.

There could be a shortage of cottonseed for 1962, due to adverse weather conditions this year in Texas, so if you have cotton seed stored, precautions should be taken to make sure that the seed is not being damaged by insects or weather. Cottonseed can be treated for insect infestations. Bulletins are available in the County Agents office telling how to store cottonseed safely.

Friona SCD Tour Completes Series

Friona's tour completed the series of four Parmer County Soil Conservation District outings in which area farmers were given the opportunity to observe conservation practices of local farmers.

The tour which started at 1:30 p. m., drew the largest attendance of the series. Twenty five farmers and businessmen were accounted for.

The group traveled first to John Renner's farm and then viewed the orderly crops of W. R. Riethmayer, the district's outstanding farmer for 1961.

They then moved to the farm of Bruce Parr where Kenneth Neill rendered a brief explanation of the characteristics of sugar beets and beet growing.

Highlighting the tour was the two-hour inspection of George Warner's grasses. The main interest in the grasses was their value in preventing erosion.

A grassed waterway drew several admiring comments.

"I am going to try that as soon as possible," Riethmayer commented as he viewed the grass covered ditch. "I have one waterway along the east side of my field that is had about washing."

Fifteen types of grasses were examined by the men. Warner explained the advantages and drawbacks of the grasses which he has been growing for seed and grazing purposes.

Big Blue Stem, Gramma, and Western Wheat grasses were a few of those examined.

"I've never been on one of these tours that I didn't learn something of value," Riethmayer said as the group returned from the grass fields.

A. L. Black was unanimously reelected as supervisor for the south Friona area.

"Don't feel like you're im-

posing on us. We get four dollars per month for this," Black said as he accepted the office for another term.

A school bus was furnished by Friona High School for the tour.

The Friona State Bank furnished cold drinks and homemade fried pies baked by Mrs. Kate Brookfield.

HD Agent's Notes

BY MISS ETTIE MUSIL

Oh, don't these nippy mornings feel good! Even though the afternoons do get a little warm the evenings and mornings are on the cool side of the temperature. After all, it is Fall; a week old in fact.

Yes, it's time to store those summer cottons for another season. Right storage will increase the life of your summer clothing, too. This will make your family's garments more wearable next season.

Take time to sort and store the clothes carefully as you "take them out of circulation" for a season. Before storing them mend any ripped seams, tears, loose buttons or other damage. A few stitches can lengthen the life of the garment. This is a good way to keep up with those buttons now by sewing them on the shirt or dress. Then when Spring is here you won't want to spend that time indoors mending when you'd rather be out in the flower beds and garden.

By all means wash or dry clean all clothing before storing. Clothes moths and crickets love soil on clothes. Store cottons and linens unironed. Make certain that all starch is removed. Starch can cause fabric to deteriorate and may attract silverfish, too. Besides, this is less work for you. Just think, no ironing and no starching. Make sure all garments are

thoroughly dry before storing them so they will not mildew. Large boxes or trunks are always good for storing so that you have more room in closets for the fall and winter things.

Hope many of you were able to see the television program during the Rural Youth Day in Amarillo last Saturday. We had earlier understood that the program would be televised at 9:45 a.m., but instead it was on at 3:10 p.m. The 4-H Bake Show county winners were presented on the program. Linda Gleason represented Parmer County. We learned much from the experience even though Linda did not place as one of the top three.

Education is a slow process, they tell us. That's why the advertising people give us the same message over and over. We have to have facts drilled into us, if we are going to remember them.

Even after 20 years, we can't remember that while Savings Bonds have been paying first 2.9, then 3 per cent, later 3 1/4, and now 3 3/4 per cent annually for the life of the bond, they can be worth much more than that in the later years.

For example, suppose you bought an E bond in July 1954. In July 1961, it would be seven years old. While it was a 3 per cent bond when you bought it, it will now actually pay you 4.46 per cent for the remaining two years and eight months to first maturity.

A sheet giving all this information was received in the office the other day. If you are wondering how much some of your bonds are worth, we'll be glad to give you that information.

The Ford in your future will be here tomorrow!

Starting tomorrow at your Ford Dealer's, you will discover a line of Fords so long, so new, so varied that everyone will find his personal Ford—the car that fits his pleasure and needs *precisely!* ■ For those who want a true luxury car, there are two distinguished new series of Galaxies—both swift as a rumor, silent as a secret. With Thunderbird styling, and quality that sets a new industry standard, the 1962 Galaxies give you every essential feature of far costlier cars. ■ If you are looking for economy without compromise, look to America's favorite compact: this year there are more Falcons than ever to choose from—13 in all. ■ Wagon fanciers will find unprecedented variety—from a new wagon that seats eight to a Falcon Squire Wagon with the rich woodlike finish of the famous Country Squire. ■ Pick the Ford in your future with this confidence: every 1962 Ford is built to a standard of quality so high that it will change all your ideas of how fine, how quiet, how enduring a car can be.

GALAXIE / 500 CLUB VICTORIA (foreground)
... GALAXIE TOWN SEDAN (background)
... The Galaxie / 500—new in name, new in luxury—is for those who want all of the elegant extras. The 1962 Galaxie makes it easier than ever to move up to fine-car luxury—at the low Ford price. All Galaxies are beautifully built to be more service-free. They go 30,000 miles between major lubrications. 6,000 miles between oil changes and minor lubrications. Brakes adjust themselves automatically.

FALCON SQUIRE WAGON ... Brand new for '62, it's sleek and sophisticated. Inside, it is available with Futura bucket seats and console! Outside, it has elegant woodlike steel side paneling.

FALCON FORDOR SEDAN ... Just one of 13 Falcons for 1962, this 4-door sedan has an improved version of the Falcon Six engine that last spring recorded the best gas mileage for a Six or Eight in the 25-year history of the Mobilgas Economy Run.

Farm Bureau Convention In Friona Next Thursday

The annual convention of the Farmer County Farm Bureau will be October 5 at the PCA office in Friona, according to Herman Geries, FB president. The farm leader said this will be the most important meeting of the entire year for the organization. Resolutions incorporating the thinking of the membership on local, state, and national issues will be passed. Those dealing with local matters become the policies of the county Farm Bureau to guide

it during the year. Resolutions dealing with state and national issues will be forwarded to delegates of the state convention November 12-15 in Galveston. There they will be acted upon and either accepted or amended. Those adopted become state Farm Bureau policies for 1962 (on state matters) and recommendations (on national issues) to the voting delegates of the American Farm Bureau Federation convention to be held in December in Chicago. Only members of the Farm Bureau can participate in the organization's policy making process which begins with the local county convention and culminates in the annual convention of the American Farm Bureau Federation. After the county Farm Bureau forms its recommendations on state and national issues, it sends voting delegates along with other county Farm Bureaus to the state convention. Each county's voting strength is based on its membership. These representatives of county Farm Bureaus approve the state policies for 1962 and the recommendations to the national convention.

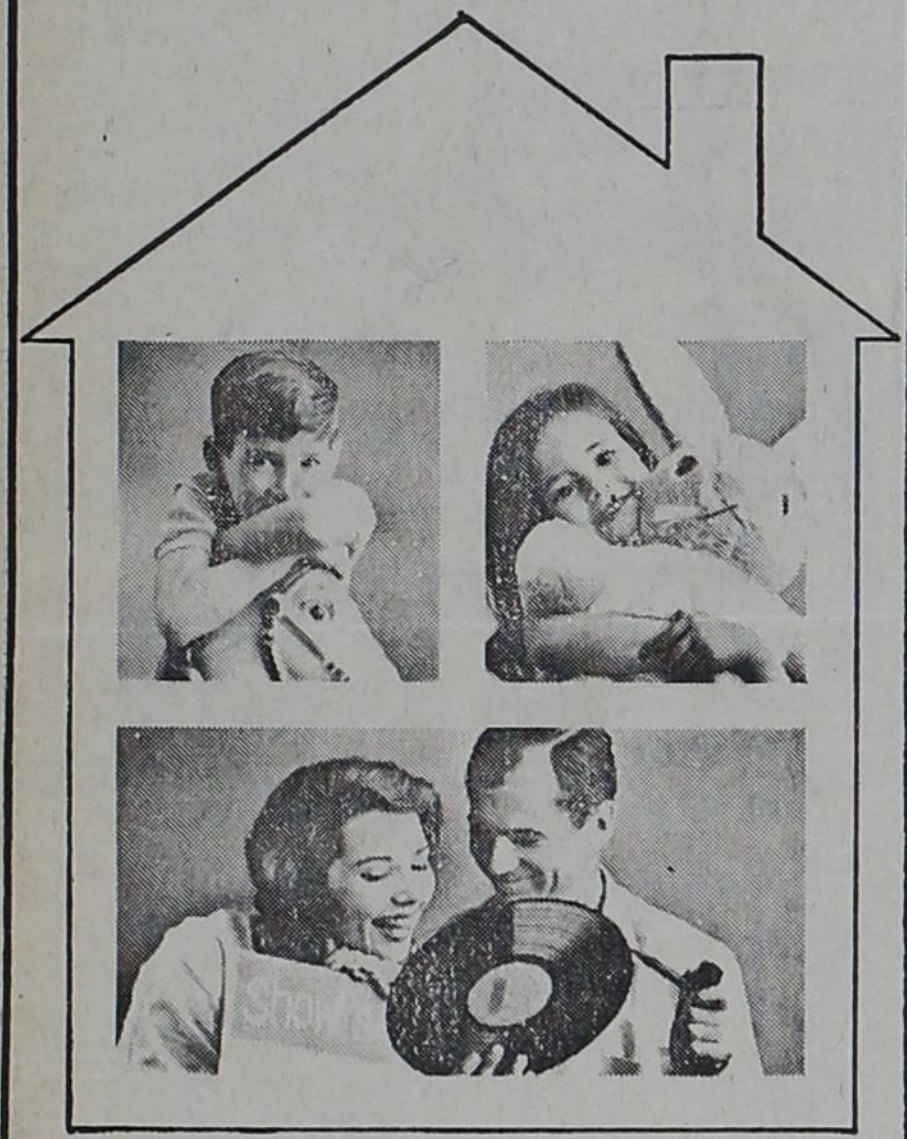

The Texas Farm Bureau, in turn, sends delegates based on its membership strength to the national convention where the national policies are adopted. Many important issues are confronting farm people now, and it is important for farmers to express themselves on these issues in a manner that will enable them to be heard, the county Farm Bureau president said. He urged all members to attend the meeting and participate in the discussion and voting.

The HAPPY HOMEMAKER

BY JUNE FLOYD

With the coming of autumn and cooler weather most homemakers are inspired to prepare taste tempting hot dishes for guests or family members. With this inspiration there generally comes a search for casserole recipes.

If you want a tasty dish that combines fish and vegetables, try this:
Saucy Salmon Shortcake
1 1-pound can salmon
2 tablespoons mayonnaise
1 teaspoon lemon juice
2 cups sifted all-purpose flour
2 teaspoons baking powder
3/4 teaspoon salt
6 tablespoons shortening
1 egg
1/2 cup milk
Drain and flake salmon. Add mayonnaise and lemon juice; mix well, reserve. Sift together flour, baking powder and salt. Cut in shortening with two knives or pastry blender. Beat together egg and milk; stir into flour mixture to make soft dough. Turn out on lightly floured board; knead 10 strokes. Divide dough in half. Pat half into a greased 8 inch cake pan; spread with salmon mixture.

Pat out remaining half of dough to fit on top; brush with milk. Bake in a hot oven 20 to 25 minutes. Serve topped with Peas and Mushroom Sauce
1 1-pound can peas
1 4-ounce can mushrooms
milk
3 tablespoons butter or margarine
3 tablespoons flour
1/2 teaspoon salt
2 tablespoons diced pimento
Drain peas and mushrooms. Boil liquid rapidly until reduced to 1/2 cup; add enough milk to make 1 1/2 cups. Melt

butter; add flour and stir to a smooth paste.

Add liquid and cook, stirring constantly, until mixture thickens and comes to a boil. Add salt, peas, mushrooms and pimento; heat to serving temperature. To serve cut shortcake into wedges; spoon creamed mixture over top.

A new type belting for making any kind of stiff belts has been developed and is now available in most department stores. This belting can be ironed on fabric and no stitching is necessary. If you have one of the lighter weight dresses that has a paper backed belt, you can use this iron on belting to reinforce the belt before it wears out.

If you have a child in the "me-do-it" stage, generally from about 10 months to 1 1/2 years of age, he will enjoy playing with empty egg cartons. He will spend a lot of time putting small items in the different compartments and closing the lid.

By the time one is worn out, you will probably have another one to take its place. In doing this seemingly small task a child learns muscular coordination and amuses himself at the same time.

Empty spoons also make nice toys for children in this age group.

Next time you have left over boiled or baked chicken, try

the following recipe:
Chicken Salad Sandwiches
1 cup cooked chicken
1/4 cup chopped celery
4 tablespoons mayonnaise
1/8 teaspoon garlic powder
1/2 teaspoon salt
1/8 teaspoon paprika
1/8 teaspoon pepper
12 slices bread
Force chicken and celery through meat grinder. Add garlic powder, mayonnaise, salt, pepper and paprika. Blend well. Spread mixture on thin sliced bread.

Farmer of the year, Boh Riethmayer, is served refreshments by his wife, Geneva, where he is working on an engine in the machinery barn. "She is also my truck driver during wheat harvest," he said.

Baby Pigs Need Care

"One-third of all pigs born never reach market," states the Louisiana Extension Service. "Most of those pigs that don't reach market die before they are one week old. Wet farrowing pens cause most of the troubles with baby pigs. To raise a greater number of pigs per litter make sure these pigs are given a chance in life. Make sure the farrowing quarters are free from drafts. Provide a source of heat such as a heat lamp. Keep pens dry."

MORAN, KANS., SENTINEL: "It may be truthfully said of men that after centuries of struggle they have surmounted the imbecilities of magic and the quackeries of medicine, but the more they permit their minds to dwell upon the art of government the more muddled their thinking becomes."

NEWS FROM THE FARM BUREAU

BY RAYMOND EULER

This is the harvest season for ideas in Farm Bureau, and local Farmer County Farm Bureau members are being urged to participate in the annual process by which the organization decides its positions on hundreds of issues on local, state and national levels.

The process begins at the grass roots with discussion meetings attended by Farm Bureau members. The first official step in the process is the county annual convention at which county policies and recommendations on state and national issues are adopted after discussion and debate. The Farmer County Farm Bureau annual convention will be October 5th at the Production Credit Association office in Friona.

All adopted resolutions pertaining to county-level matters become policies for the local organization for the ensuing year. All approved resolutions dealing with state and national matters are forwarded as recommendations to the Texas Farm Bureau convention which will be held Nov. 12-15 in Galveston.

County Farm Bureaus send delegates to the state convention to adopt state policies for the coming year and to make recommendations on national issues for consideration by the national Farm Bureau convention to be held this year in December in Chicago.

The number of delegates from a county is based upon the size of the membership of that county. For example, Farmer County Farm Bureau, which had 525 members in 1960, was eligible to send six delegates to the state convention last year.

Finally, the policy development process is culminated at the national convention in December where delegates from 49 state Farm Bureaus (all except Alaska) adopt national policies for Farm Bureaus everywhere. Here, too, the size of state delegations is based upon number of members. Only three other states—Illinois, Indiana, and Iowa—have more voting delegates than Texas.

Weed Committee Meets

Members and associates of the Farm Bureau Weed committee held their last meeting of the year Monday night in the Farm Bureau Office. Reports were given on the treating of bindweed on state highway right of ways with the last two weeks. It was believed that practically every plot on these highways in Farmer County was threatened, and plans were made for a complete clean-up early next year.

Plans were made for an overall cleanup campaign early in 1962, aimed at the elimination of all bindweed on public right of ways as well as field plots. The first meeting in 1962 is planned for March at which time the following schedule will be put in operation:

Rechecking of railroad right of ways for any bindweed that has been missed after which Santa Fe men will re-treat; Effort will be made to get Slaton Branch of railroad, running from Farwell to the Bailey County line in the program; Jack Patterson appointed to contact Lloyd Killough, state highway maintenance man, for early cleanup on those right of ways; Effort will be made to get location of all field plots of bindweed and get cooperation of ASC and land owners in controlling or eradicating these weeds to prevent spread to other clean areas; Plans were laid for another county-wide meeting of farmers, railroad officials, highway men, city officials, ASC, SCS, vocational agriculture instructors, county commissioners and others in April, 1962.

Roy Crawford and J. T. Jones reported that the City of Bovina was going to treat all bindweed in that city on Tuesday, following the Monday night meeting.

In attendance Monday night were: J. T. Jones, chairman; Jack Patterson, vice-chairman; E. C. Schilling, Joe Jesko, committee members; Herman Geries, Farm Bureau president; Joe Jones, Security State Bank; Roy Crawford, Bovina agricultural instructor, and Darrell Coker, county Extension Service agent.
