

NATIONAL BOY SCOUT DAY was observed in Farwell Monday, as members of Farwell boy scout troop 201 were in uniform all day. The boys are pictured above with their scout master J. T. Ford. On the front row are Lawrence Bryant, Bruce Dollar, Lewie Bradshaw, Jerry Ford, Tim Crume, Mike Camp, James Johnson, Charles Morton and Rickey Hubbell. On the back row are Howard Sanders, Hobby Coffman, Warlick Dollar, Jimmy Mace, Mike Watkins, and Dale Camp.

Pee Wees Cop Wins Over Clovis Teams

Both the Yearlings and the Steers, local Pee Wee football teams, were in the winning columns Saturday when the Yearlings topped the Clovis Bears 12-6 and the Calves won over the Bombers 14-7.

Playing at Bell Park in Clovis, Ricky Stanley made both scores for the Yearlings, one on a 65 yard run and the other from about the 10. Saturday's game gives the team a 1-1 record says Harry Sheets, coach.

Roster for the Yearlings includes 18 boys: Douglas Autry, Stephen Birchfield, Tim Crume, Robert Curtis, Greg Hargrove, Buddy Lunsford, Skippy Magness, Greg Martin, Tim Martin, Greg Meeks, Roger Patrick, Kyle Sheets, Ricky Stanley, Milton Walling, Terry Travis, Carl Goetsch, Danny Williams and Danny Reed.

The Calves, who played the

Bombers at Steer Stadium here, were paced by Al Phillips, who scored the two touchdowns to give the local team a 14-7 win. Running the two extra points was Bruce McCuan.

Roster for this team, says Glenn Phillips, coach, includes: James Haseloff, Al Phillips, Craig Phillips, Bruce McCuan, Dan Prince, Denny Lunsford, Lynn Jones, Willard Hutsell, Dale Camp, Bob Haseloff, Randy Crooks, Mike Haseloff, Dan Billingsley, John Snider, Keith Morris, Tom Love, Rod Seale, Dan Seale, Kenneth Askew, Drake Brandt, Ronny Childress, and Tommy Thompson.

Conference Game Time Set At 7:30

Farwell football fans are reminded this week that all conference football games will get underway at 7:30.

The steers will meet their first conference foe on October 13 at Steer stadium when they play Kress.

Starting time for all other season games has been 8:00, however, the 7:30 kickoff time will apply to the Kress, Hale Center, Sudan and Springlake games.

Rummage Sales Continue

Rummage sales are continuing this week by members of Theta Rho chapter of ESA, says Mrs. Pike Jordan, president of the group. Supply of good rummage is dwindling and any donations of articles for sale, will be appreciated, she says.

The sales are held in the Muckleroy building near Tom Paul's Beauty Shop.

UF Drive Begins

Texico United Fund Drive got underway this week, with workers beginning their door-to-door campaign.

Mrs. Elmer Teel, chairman of the Texico drive, has appointed Mesdames Melvin Burns, Ed Baldrige and Buddy Pearce as workers. The woman will be identified by badges when they call at homes.

The drive will give citizens an opportunity to donate to nine worthy causes at the same time. Money will be used to benefit the Red Cross, Salvation Army, T. B. Association, Boys Ranch, Disabled Children, Curry County Polio, Girls Scouts, Boy Scouts and Mental Health Association.

All money taken in for the disabled children, polio and mental health associations will be used in Curry County, with money for the other funds used in the county and portions sent to the state and national foundations.

TEXICO UNITED FUND DRIVE got off to a good start this week as Golden West Seed Company gave a \$50 donation. Pat Patrick, manager of Golden West, is pictured above as he signs the check before handing it to Mrs. Melvin Burns, one of the United Fund Workers.

Coronation To Climax Fire Prevention Week

Three Texico High school girls have entered the "Miss Flame of 1961" contest which is being conducted in observance of National Fire Prevention Week October 7-14.

Sponsoring the contest is the Texico Fireman's Ladies Auxiliary and one of these girls will be crowned Saturday night, October 14, as the highlight of a "42" tournament the organization is also sponsoring at the Texico School Auditorium.

Votes for the three girls are five cents each and voting will continue until just prior to the coronation. Girls who have entered the contest are Carol Bell, Barbara Chandler and Sandra Pendergrass.

"The tournament is open to any couple in the area," announces Mrs. Perry Winkles, Auxiliary president. Dominoe fee is 50 cents a player, with playing time starting at 8 p. m. Winners will receive prizes.

"Olan Schleuter will act as official director of the tourney," Mrs. Winkles added.

A 50-block state flower design quilt will be given away during the evening, and a concession stand will be set up to serve patrons. Free movies will be shown to entertain smaller children.

All proceeds raised from the activity will be spent to help provide Christmas for local needy families.

"MISS FLAME OF 1961" will be chosen from one of the three girls pictured above, and will be crowned at the Fire Department Auxiliary "42" tournament Saturday. From left to right are Barbara Chandler, Sandra Pendergrass, and Carol Bell.

FIRE PREVENTION WEEK

Fire prevention week begins Sunday and continues through the 14th. Six local businesses salute the members of the local fire departments in a full-page message in The Tribune this week. Sponsoring the salute are: Lone Star Elevator, Helton Oil, Golden West Seed, Piggly Wiggly, Cooper Gin and Worley Grain.

Steers Ready To Go Against Plains

Farwell Steers will be ready to move tonight (Friday) when they battle Plains, before what is expected to be a capacity crowd. Annual homecoming festivities, when the football queen and pep club beau will be crowned, are scheduled before the kickoff. Time for the coronation has been set for 7:30.

The Steers will open the doors to a big team, with the Plains line outweighing the Farwell boys an average of 5 lbs. per man.

The Plains team, although they don't have an impressive record, plays good ball, says Coach Dempsey Alexander. They have one win and four losses, but they played well against Sudan last week, losing 6-0. Their win was 30-0 over Friona. Farwell topped the Chiefs 20-0.

The condition of the Steers is good, says Alexander, with the team at full strength. Donald Dale will be back this week. A senior

end, he had broken his shoulder last year while pole vaulting, and had been out of the picture this season. He will see limited service now, "but we'll be depending on him later on," the coach adds.

A fast spreading virus had bothered some of the younger boys early in the week including Bob Scott Anderson, Ronny Ussery, Clifford Nicholson and Edward Copeland. All the starters are ready though, Alexander says.

Starting lineup this week for the Plains tilt: Mike Nelson, left end; Bobby Atkinson, left tackle; Jim Cain, left guard; Jim Clements, center; Dickie Gerie's, right guard; Darrel Crook, right tackle; David Lindop, right end; Max Fields, quarterback; Jerry Lovelace, fullback; William Dannheim, left back; and Joe Reed, right back.

Portales Senior Tells About UN

Howard Melton, a high school senior from Portales, was featured as speaker Wednesday when members of Rotary met for a noon luncheon, says Bob Crume, secretary.

Melton, who is district governor of Key Clubs for the Southwest region, discussed a trip to the United Nations the past summer. Not only did he discuss the UN, but he also told of highlights of the tour while enroute to his destination. The young man discussed a visit to the Russian Embassy and to the International House, a dormitory for foreign students, where possibly 50 countries are represented. He was introduced

(Continued on last page.)

Burglars Strike Farwell Lanes

Thieves broke into the AA Bowling Alley in Farwell and escaped with between \$40 and \$50 in cash, and small quantities of cigarettes, candy and chewing gum early Friday morning, Charlie Lovelace, Farmer County sheriff, reports.

Bolts were removed from a section of steel siding on the building and the section was bent up to allow entrance, Lovelace said. The thieves used a large screwdriver to pry open the filing cabinet. Otherwise, little damage to the building was reported.

The burglars were tracked

about one quarter mile from the building to the spot where they had parked a vehicle, Lovelace said.

Walter Berringer, 38, was returned Sunday to Parmer County from Bryan, Texas where he was arrested on forgery charges following indictment by grand jury Oct. 5, 1960. Berringer is charged with passing "hot checks" to two businesses in Friona.

Mrs. Wilma Whitley is being detained by the sheriff's dept. following grand jury indictment for burglary at the Sept. 6

(Continued on last page.)

Corypenn Has Formal Opening

Formal opening at the Corypenn station in Texico was "successful," according to Ray Lockhead, manager. "We popped around 45 lbs. of popcorn, used about 100 lbs. of ice for snow cones and gave away all the balloons and suckers we had," he commented.

The formal opening was held Saturday.

Court Sentences Richardson

Dennis Richardson, Melrose, was convicted and sentenced on charges of stealing farm equipment last week. He was apprehended following discovery of thousands of dollars worth of equipment by Charlie Lovelace, Parmer County sheriff.

Richardson was removed to New Mexico State Penitentiary

at Santa Fe where he will serve a one to ten year sentence.

Parmer County officials are in the process of placing a hold on Richardson pending his release. He will be returned to Parmer County upon completion of his sentence or parole in New Mexico. He will then face charges of theft in this area.

Field Narrows As Contest Concludes Fourth Week

Three more sideline quarterbacks who took pencil in hand in search of winning football predictions last week, were listed among the weekly winners. Dargin Kirk took the prize in the guessing game sponsored by a group of local business people and appearing each week in The Tribune. Albert Johnson moved into first place in the overall contest with 31 points.

Kirk's selection of eight out of ten winners was matched by six other prognosticators, but his tie-breaking guess of 20-0 in favor of Farwell earned him the prize. Farwell won 26-0.

Other entrants with only two errors were Jean Green, Mrs. L. C. Herington, Melborn Jones, Bill Moss, Leatha Jo Roberts and Loyd

E. Smith. Moss won second place and Mrs. Herington was third.

The tie between TCU and Ohio State upset the tabulations of all three of the top guessers and Kirk and Mrs. Herington both picked Hale Center over Petersburg incorrectly. Moss got that one right, but missed out by picking Idalou over Springlake. Moss said Farwell would top Sundown 27-6 and Mrs. Herington set a score of 29-8. Only two contestants selected Sundown over Farwell.

The top guesser after four weeks of competition, Albert Johnson, is trailed by three in second place slot with 30 points each—his wife, Mrs. Albert Johnson, Murlene Smith and Bill Moss. In third place are Elmer Hargrove, Henry Haseloff and Loyd E. Smith. Loyd and Murlene Smith are husband and wife.

Queen, Beau To Be Named At Farwell Homecoming Tonight

Candidates for the honors of football queen and pep club beau for Farwell Schools have been selected, with the names of the two students to be revealed at coronation ceremonies before the kickoff of the Plains-Farwell football game Friday night. Time of the coronation has been set for 7:30, according to Miss Tinkey McKenzie, who is in charge of festivities for the evening.

The Friday game has been designated as homecoming. A bonfire and pep rally last

night on the lot south of the school, sparked the beginning of festivities. Also, the seniors are sponsoring a chili supper this evening from 5:30 to 8 p.m.

Candidates for the title of pep club beau are: Jimmy Cain, Dickie Gerie's, Danny Lindop, Bobby Atkinson and Butch Ford. Football queen hopefuls include Zell Billingsley, Bonnie Cochran, Janice Prince, Mikala Austin and Carolyn Lindop.

FARWELL football queen and pep club beau will be chosen from the ten candidates pictured above. Top row are Janice Prince, Bonnie Cochran, Carolyn Lindop, Mikala Austin and Zell Billingsley. On the bottom row are Dickie Gerie's, Bobby Atkinson, Butch Ford, Danny Lindop and Jimmy Cain.

Entered as second class matter at Farwell, Texas, under the act of March 3rd, 1879. Published every Thursday.

SUBSCRIPTION RATES -- Farmer and adjoining counties, \$3.00 per year; elsewhere, \$4.00 per year. Payable in advance.

A Fireman's Prayer

Dear God, please hear this fire fighter's plea to thee,
Hear my prayer and help me give the very best in me.
Grant me strength and courage, keeping my heart free,
From fear, as I help protect my neighbor's life and property.

When I am called to duty, God, wherever flames may rage,
Please guide me safely to where a life needs to be saved.
Help me find a fright-hidden child before it is too late,
Or some old or sick person from a horrible fate.

Bless with your protecting hand, this fire fighter as I work,
Fill my heart with courage; so in doing my duty I won't shirk,
As through heat and smoke I crawl and the searing flames I dare,
Remember, God, as silently I work, my heart is saying a prayer.

God, keep me always alert so I may hear the weakest shout,
Give me strength so I may quickly put the fire out,
And if fate should decree that I should lose my life,
Remember, God, I saw my hell on earth, grant me eternal life.

October 8th To 14th

FIRE PREVENTION WEEK

LEGAL
THE STATE OF TEXAS

TO: C. B. Cushman and his wife, Mary Cushman; Fred W. Browne and his wife, Mary E. Browne; Thurston E. Walters and his unknown wife or wives; J. H. Drager and his unknown wife or wives; and should any of the above named parties be deceased, then of their unknown heirs, assigns, devisees and legal representatives; and all unknown claimants, and the unknown husband or husbands and unknown wife or wives of all of the above named parties defendants, Greeting:

You are hereby commanded to appear by filing a written answer to the Plaintiff's Petition at or before ten o'clock A. M. of the first Monday after the expiration of forty-two days from the date of the issuance of this citation, same being

Monday the 20th day of November 1961, at or before ten o'clock A. M. before the Honorable District Court of Parmer County, Texas, at the Court House of said County in Farwell, Texas.

Said Plaintiff's Petition was filed in said court, on the 2nd day of October A. D. 1961, in this cause, numbered 2235 on the docket of said court, and styled, CLARA E. DE JEAN, ET AL Plaintiffs, vs C. B. CUSHMAN, ET AL Defendants.

The names of the parties to the cause are as follows: Clara E. De Jean, a single woman, Evelyn De Jean Dalton and her husband, Leroy C. Dalton, are Plaintiffs and C. B. Cushman and his wife, Mary Cushman, whose place of residence is unknown, and if deceased, then their unknown heirs, assigns, devisees, and legal representatives, all of whom are unknown and whose residences are unknown; Fred W. Browne and his wife, Mary E. Browne, whose place of residence is unknown, and if deceased, then their unknown heirs, assigns, devisees, and legal representatives, all of whom are unknown and whose residences are unknown; Thurston E. Walters, whose residence is unknown, and his unknown wife or wives, all of whom are unknown and whose residences are unknown and, if deceased, then his unknown heirs, assigns, devisees or legal representatives, all of whom are unknown and all of whose residences are unknown; J. H. Drager, whose place of residence is unknown, and his unknown wife or wives,

all of whom are unknown and whose residences are unknown and, if deceased, then their unknown heirs, assigns, devisees, and legal representatives, all of whom are unknown and all of whose residences are unknown; and all of the unknown heirs, assigns, devisees and legal representatives of any and all of the aforesaid named parties who are deceased, the residences and addresses and whereabouts of each and all of the aforesaid named defendants being unknown; are Defendants.

A brief statement of the nature of this suit is as follows, to wit:

Suit in trespass-to-try-title, Plaintiffs alleging that on or about the 1st day of August, A. D. 1961, they owned in fee simple and were in possession of

All of the Northeast quarter (NE1/4) of Section 16, and all of the North half of the Northwest quarter (N1/2NW1/4) of Section 15, all in Block "C," Rhea Brothers Subdivision of Parmer County, Texas, as shown by plat of said subdivision of record in the Deed Record of Parmer Co., Texas,

and that Defendants unlawfully entered thereon and ejected them therefrom and withhold possession thereof from them; and praying for judgment for title to and possession of said real property, and for writ of possession, and further claiming title by virtue of the five- and ten-year statutes of limitations, as is more fully shown

Pleasant Hill

BY MRS. BUCK TAYLOR

The Willing Workers Sunday school class met recently in the home of Mrs. Alvis Clark for a breakfast social and business meeting. Rolls and coffee were served to Mesdames Jim McCullough, Dwayne Frazier, Dorothy Pierce, Jessie Taylor, Elizabeth Range and Aulline Walker.

Sunday dinner guests in the home of Mr. and Mrs. Marion Walker were Rev. and Mrs. Hugh Fraizer and daughter, Tommie.

Pauline Servatius, a student at Eastern New Mexico University, visited her parents, Mr. and Mrs. Robert Servatius Saturday and accompanied her grandmother to her home in Anton.

Visiting Sunday in the home of Mr. and Mrs. Jim McCullough were Mr. and Mrs. Audie Pierce from Clovis.

Mr. and Mrs. Weldon Dane, Jackie and Johnny visited in Lubbock Sunday with relatives and friends.

Mr. and Mrs. Gordon Smith were in Brownfield Monday to bring her mother, Mrs. Ada Singleberry home with them. Charles McClure arrived here to visit with his wife, Margie and her parents, Mr. and Mrs. Weldon Dane. He is in the service and is being shipped over seas.

Mary Dane visited Sunday in the home of Gwinette Lovett. Penny Lynn Fahsholtz, daughter of the Fred Fahsholtz, was recently hospitalized, but is reported to be much improved.

Mrs. Dwayne Fraizer was surprised with a birthday party Tuesday in the home of Mrs. Corda Taylor. The party followed a meeting of the WMU.

Attending the event were Mesdames Fay Smith, Corda Taylor, Grace Dane, Aulline Walker, Jessie Taylor, Dorothy Pierce, Noma McCullough, Lorraine Crocker, Margie McClure, Bertha Kelley and Nell Lovett. Birthday cake and Hawaiian punch were served.

A hillbilly was making his first visit to a hospital where his teen-age son was about to have an operation. Watching the doctor's every move, he asked, "What's that?"

The doctor explained, "This is an anesthetic. After he gets this he won't know a thing."

"Save your time, Doc," exclaimed the man, "he don't know anything now!"

A GOOD JOB

Billy's getting bigger, and Susie's catching up. And Mom—like any proud mother—is delighted. Their physical progress is one indication that she's doing a good job.

But is she being just as careful about other, equally vital parts of that job? Is she also measuring their spiritual progress? As it happens, she is. Billy and Susie are both already going to church and church school.

If you have been thinking that your own children are too young to begin their religious education, why not give them the chance to measure up spiritually, as well as physically? They're apt to surprise you!

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH.

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

PORTALES--

by B. C. Goodwin, Rotarian from Portales. In talking about the work of Rotary, which is the newest organization in Texico-Farwell, Crume says that the goal this year is to get Rotary firmly established in the Twin Cities. He lists 23 members and adds that attendance is picking up. The group meets for lunch each Wednesday.

On the speaker agenda for coming meetings is a talk by Dr. Floyd Golden. A tentative program is planned by Miss Sug Conn, Miss America contestant from Clovis.

Methodist News

A Laboratory School for the training of children's workers, will be conducted at Kingswood Methodist Church in Clovis on October 8 through 12. The classes will begin at 2:00 p.m. each day.

Time for the Sunday evening services have been changed with M.Y.F. beginning at 6:00 and evening worship at 7:00.

Official Board of the church met at 8:00 in the Church parlor Wednesday evening.

Many persons might have attained wisdom had they not assumed they already possessed it.

BURGLARS--

Gilberto R. Valdez, 31, submitted a guilty plea to drunk charges before Justice of the Peace J. R. Thornton Monday and received a fine of \$20.50. Seven criminal cases are scheduled for action before Judge E. A. Bills at the Oct. 11 session, Lovelace said.

Mr. and Mrs. P. D. Barron celebrated their Golden Wedding Anniversary Sunday afternoon with a reception at their home southeast of Bovina. (Photo by D. R. Bushnell.)

P. D. Barrons Observe Golden Anniversary

Mr. and Mrs. P.D. Barron celebrated their Golden Wedding Anniversary Sunday afternoon at their home southeast of Bovina with a reception. The couple was married October 1, 1911 in the home of the bride's parents at Bradshaw. They lived at Pelican, La. for 15 months after which they resided at Turkey and Flomont communities for 15 years. They moved to Farmer County in January, 1928 and have made their home here for 33 years. Presiding at the serving table was Mrs. Donald Ray Barron, granddaughter of the honorees. A white linen cloth covered the table which was decorated with

a band of gold in the center and featured an arrangement of yellow spider mums and emerald greenery. The three tiered cake was frosted with white icing and had touches of gold with a gold wedding bell in the center. Silver and crystal serving pieces completed the table.

A low arrangement of yellow rosebuds were placed on the registering table at which Bob Mitchell and Grady Truitt, sons-in-law from Amarillo presided. Approximately 160 guests called throughout the afternoon.

All seven of their grandchildren were present and also their great granddaughter.

Hosting the reception were the couples children, Rouel of Bovina and Mrs. Grady Truitt and Mrs. Bob Mitchell of Amarillo.

Uncle Ray's "Hot Air"

Gossip appears to be letting the chat out of the bag.

When a country places a tax on a bachelorhood it's classed as unimproved property.

The toughest problem some children face is that of learning good manners without seeing any.

The little store with the big desire to serve you with better buys.

Officers Installed At Rebecca

Officers were installed Monday evening when members of the Rebecca Sunday School class of the Farwell First Baptist Church met with Mesdames Elsie Hardage and Mary Whitley as hostesses.

Mrs. J. L. Bass, installing officer, used "Mirrors" as her theme, taking the scripture lesson from second Corinthians 3:18.

Officers installed to serve for the coming year were Mabel Reynolds, teacher; Dora Johnson, assistant teacher; Carrie Hardage, president; Letha Jo Roberts, vice-president; Mary Whitley, secretary; Vida Petree, assistant secretary; Irene Henson, treasurer and recording secretary; Bessie Landrum, Class mistress; and Hattie Boling, Vida Petree and Maud Hicks, group captains.

Refreshments of coffee, tea and cookies were served to the twenty one members and one guest who attended.

Club To Tour Homes

The Garden Beautiful Club of Hereford is sponsoring a House tour Friday, October 13, from 2 to 5:30 with five of Hereford's outstanding homes to be featured. Tickets are \$1 and may be purchased at any of the following homes: Paul Stevens, Bruce Burney, James Witherpoon, Dr. Weslie Orven and J. B. Noland.

Mrs. Parks Hosts Susanah Class

The Susanah Bible Class of the Hamlin Memorial Methodist Church met Monday afternoon in the home of Mrs. J. F. Parks in Farwell.

Opening prayer was led by Mrs. N. L. Tharp, following which Mrs. Anne Overstreet presented the devotional.

Fall flowers were used through the Parks home for decoration. Refreshments of punch, cake and coffee were served to the twenty women who attended.

ON THE TEAM

A tip o' the hat to Don Williams, Harry Sheets, Glenn Phillips and Johnny Green and to the mothers of the boys and all of the others who are giving their time to help build a fine Pee Wee football organization.

Texico-Farwell hasn't seen finer teamwork anywhere. And also to the businesses and individuals who have bought equipment, the boys owe their gratitude.

Those who give their time and money to build character help to build our community. To the citizens who have planned and worked . . . we want to give well-deserved applause.

CHOOSING ACCESSORIES for one of the costumes which will be modeled in the Texico Woman's Club Style show Tuesday is Mrs. Harold Carpenter, narrator for the show.

Woman's Club Style Show Slated Tuesday

Fall fashions will be reviewed Tuesday evening at the Texico School Auditorium at 8 p. m., when the Texico Woman's Club presents their fall style show.

Approximately 45 models will appear modeling children's

teenage and women's fashions. Sleepwear, sports clothing, casual clothing and evening wear will be modeled during the show along with the proper accessories.

Admission is 50¢ for adults and 25¢ for children, with the first fifty adults receiving door prizes. A sweater will also be given away during the show.

All fashions in the show will be from Gladys' ready-to-wear in Farwell, and Mrs. Harold Carpenter will act as narrator. Stage decorations will be furnished by Reiser florist.

Mrs. Mitz Walling Feted On Birthday

Mrs. Mitz Walling was surprised Saturday afternoon with a birthday party at her home in Farwell. Her daughter, Edith Ann, was hostess for the social.

A sweetheart motif was used in decorations, with the birthday cake forming the centerpiece for the serving table. The cake iced in white and decorated with red rosebuds was inscribed with "Life Begins at 40, Happy Birthday."

Milk glass appointments were used in serving coffee, cake, nuts and mints to guests.

Cooper Family Has Reunion

The Lawrence Cooper home in Farwell was the scene for a family reunion this week. Guests included Mr. and Mrs. Henry Cooper, Portland, Oregon; C. T. Lancaster, San Diego, Mrs. Jayne Davis, and P. P. Cooper, Austin; Mrs. Jean Mauldin, Abilene; and Mr. and Mrs. M. M. Cooper of Portales. It was the first time in ten years the group had been together.

"Keys To Services" Devotional At Gleaners Class Meeting

"Keys to Service" was the topic chosen by Mrs. Clyde Magness when she brought the devotional Tuesday evening at a meeting of the Gleaners Sunday School class of the Farwell First Baptist Church.

Mrs. Magness who also acted as installing officer, used the devotional in relation to the duties of officers. Mrs. Otis Huggins is president, Mrs. Raymond Martin, vice-president; Mrs. Charlie Hromas, secretary-treasurer; Mrs. Dora Johnson is class mother; Mrs. A. E. Tatum, class teacher; and Clyde Dial is assistant teacher. Mesdames R. T. Langston and Merrill Turner are group captains.

Mrs. Huggins presided at a

short business meeting during which time members voted to discontinue having secret pals. Class money will be used for various projects.

Attending the business and social function were Mesdames A. E. Tatum, R. T. Langston, Joe McWilliams, J. L. Bass, Otis Huggins, Bruce Blair, Clyde Dial, Raymond Martin, Merrill Turner, U. L. Lesly, Charlie Hromas, Dale McCuan and special guest, Mrs. Clyde Magness.

Don Hales Have Son

Mr. and Mrs. Don Hale of Farwell welcomed the birth of their third son on Friday, September 29 at Clovis Memorial Hospital. The lad weighed 6 pounds 7 1/2 ounces upon arrival and has been named Neal Ray.

Grandparents are Mr. and Mrs. D. C. Hale of Farwell, and Mrs. Ray Ward of Houston.

Straining for altitude, the spray-plane roars up and over the power lines at the end of a cotton field near Bovina. Several area farmers are applying defoliants and desiccants in an effort to get the most out of the remaining days of fair weather.

Searching for the opened bolls is William Silveria on the N. E. Wood farm near Friona. First picking has begun in several fields of early maturing cotton in the county but most stalks are still loaded with green, immature bolls.

THE HIGH PLAINS FARM AND HOME

Final Payments Start In Parmer County

Final payments to farmers participating in the 1961 grain and feed program will begin Oct. 16, Prentice Mills, ASC office manager, reports. Farmers will be notified when their payments are ready for delivery. Payments will be made as fast as they can be prepared. Mills asks that all farmers plan their crop program for the

coming year in accordance with their wishes to participate in the stabilization programs. "It is important that the farmer plan the number of acres which he intends to lay out for each crop and where they will be," Mills said. Fields that are used for diverted acres under the 1962 program must be of regular shape, having no more than four sides and containing at least five acres, Mills reported. The only exception to the five acre minimum will be in those cases where the total diverted acreage is less than five under one of the programs. Mills suggests that all farmers plant barley or oats on idle land and plow them under next spring for a green manure.

ASC Committee Elects Officers

New county officers for the Agriculture Stabilization and Conservation service were elected in a Sept. 25 convention in the Farwell ASC office, office manager and secretary for the committee reports.

County officers are: Archie L. Tarter, chairman, Rt. 1, Friona; Tom Beauchamp, vice chairman, Star Rt., Bovina; Louis Welch, Rt. 2, Friona; Robert Schueler, first alternate, Rt. 2, Friona; and Darell Norton, second alternate, Rt. 2, Texico.

Officers for three community areas in the county were also elected. They are: Community A (Friona), Roy V. Miller, Richard Rocky, J. L. Ray, Melvin Sachs, and Jack Patterson.

Community B (Lazbuddie-Hub), John Littlefield, John Agee, Raymond McGehee, Wayne Clark, and A. L. Black. Community C (Farwell-Bovina-Oklahoma Lane), John McFarland, Leslie McCain, Joe W. Magnes, Norvell Strawn, and Robert Wilson.

Harvest Depends On Fair Weather

Every additional day of fair weather is worth thousands of dollars to Parmer County farmers during the next three weeks.

Many fields of grain require additional days or weeks to reach full maturity. Cotton plants are still heavily laden with green, immature bolls. In these areas, an early killing freeze would most certainly wreak destruction and cost county farmers over two million of the projected thirty-three million dollars income expected from the three major crops of cotton, grain sorghums and wheat.

If freezing temperatures hit within the week, cotton production would be reduced in the county by between 10 and 18 per cent and grain would be reduced by about 8 per cent, according to averaged estimates of gin managers, grain elevator operators, farmers, bank representatives and Deryl Coker, county agent.

The average freeze date for this area is Oct. 17. In an effort to beat the cold weather, several farmers are applying desiccants and defoliants to their grain and cotton fields as soon as it reaches suitable maturity for appli-

cation of the chemicals. Although the storms which forced replanting of cotton and grain in a large portion of the county in 1960 were not repeated this year, a cool and wet summer has tended to delay the maturing of area crops. Gin managers report a slight increase in the harvest of

cotton over that for the same period last year but success with early plantings is cited as the reason for the advance. Only 43 bales were accounted for in Friona by Tuesday evening.

Grain deliveries are slowly gathering momentum but the moisture content is still high. Of the 79,234,79 bushels re-

ported by three Parmer County elevators, the moisture content averaged over 14 per cent.

Warm days and soft breezes for the next few weeks are the most hoped for items of area farmers at this crucial time. Light frost was reported in several areas in the county early this week.

Does Brucellosis Control Affect Moving?

Editor's note: The following are requirements concerning transporting cattle in Brucellosis control areas, including Parmer County.

After cattle are purchased and before removal from livestock markets, it shall be the joint responsibility of the purchaser and the livestock market operator to have all cattle, subject to brucellosis tests or vaccinations, tested or vaccinated.

1. All cattle - except steers, spayed heifers, calves under 8 months of age and official brucellosis vaccinates under 30 months of age - leaving this market to premises in any county in which Type II Brucellosis Work is being conducted or has been completed, will have to comply with the following:

Cattle originating in a Modified Certified Brucellosis County or Certified Brucellosis Free Herds and accompanied by a health certificate, when

kept separate and apart from other cattle in clean pens used for that purpose ONLY, can move without further tests.

Cattle from other than Modified Certified Counties accompanied by official health certificate showing negative to brucellosis test within 30 days, kept separate and apart from other cattle in clean pens used for that purpose ONLY, can be moved directly to owners premises, under quarantine, retested in not less than 30 nor more than 60 days, and, if negative, released.

Cattle that don't comply must be negative to a brucellosis test before leaving the livestock market. They can then be moved to owners premises, under quarantine, retested at his expense in not less than 30 nor more than 60 days, and, if negative, released.

2. In the event laboratory facilities are not available in the town where the livestock market

is located, the livestock market will be required to furnish space and install necessary brucellosis testing equipment required under regulations of the Texas Animal Health Commission.

3. The veterinarian, before conducting and certifying to results of brucellosis tests at the livestock market, shall be specifically approved to conduct such tests.

County HD Clubs Plan Yearbook

Plans for the 1962 Parmer County Home Demonstration Clubs yearbook were made by the yearbook committee in an all day meeting September 20 in the Community Room of the Friona State Bank.

A dummy book was organized with member meetings scheduled. Agent and leader meetings will be scheduled later after the Foods, Clothing, and Home Management Committees of the County Program Building Committee makes annual plans.

Attending the yearbook planning meeting were Mrs. Ray Martensen, Mrs. W. T. Magness, and Mrs. Clyde Hayes, on the Council Committee. Mrs. Ralph Price, Mrs. Lewis Gore, and Mrs. Vernon Symcox, State Delegates to the THDA meeting in San Angelo also, attended.

Completing the committee were yearbook chairman of each of the clubs. Those attending were Mrs. Ellis Tatum, Mrs. J. D. Sanders, Mrs. A. L. Black, and Mrs. Dean Powell.

Dear Mr. Farm Owner:
Here are a few good reasons for borrowing money. Do you want to build a new home? Perhaps you need underground irrigation tile to conserve water and increase your yield. Or maybe you would like to buy more property.
These are major projects and few of us have the capital to finance them without borrowing money.
We would like the opportunity to discuss a long term low interest rate farm loan with you. We will loan the maximum on your farm, you pay no brokerage or appraisal fees.
If I may be of help to you on arranging a loan or assisting you on your real estate to buy or to sell, please do not hesitate to call me.
Very truly yours,

Judy Billingsley To Model In State Fair Dress Revue

Judy Billingsley will be among the 50 4-H Club District Dress Revue winners modeling garments during the State Fair Dress Revue in Dallas, Saturday, October 7. She will represent District 1 with four other district winners of Hartley, Hansford, Castro, and Sherman Counties.

Miss Billingsley will model her lavender basic wool sheath dress for competition Friday morning in the Cactus Room of the Adolphus Hotel in Dallas. Announcement of the State winner will be made Friday afternoon in a special program.

This is the climax of clothing programs carried by 4-H club girls. Important in judging will be the record books containing wardrobe planning, care and storage of clothing, and number of others helped with clothing knowledge.

All garments were judged earlier in the week as to construction. During the Friday modeling the judges will rate the fit of the garment on the girl, and the poise and grooming of the girl.

Miss Billingsley was accompanied to the judging by Miss Ettie Musil, Farmer County Home Demonstration Agent. She is the daughter of Mr. and Mrs. Leon Billingsley of Oklahoma Lane Community.

228 Attend FU Barbecue

A total of 258 guests were served barbecued beef at an annual area-wide meeting of Lazbuddie Farmers Union Thursday night at Lazbuddie School.

Jay Naman, new state Farmers Union executive vice president, was a guest speaker as was Max Crirriker, state representative from 91st district.

Highlights of the program, however, were the meal and entertainment.

Families from throughout a five-county area were invited. "Only way we could have had a better session would have been to have more people present," was way one member of the organization summed up the meeting.

NEWS FROM THE FARM BUREAU

BY RAYMOND EULER

This Thursday night will mark the 13th annual convention of Farmer County Farm Bureau. The announced place of meeting is the PCA Office in Friona. However, if the crowd exceeds the capacity of the building, a quick move will be made to the school cafeteria. There should be enough to fill the cafeteria, and your directors hope so.

There will be several subjects of vital importance to all farmers brought up for discussion and decision. Perhaps there will be resolutions brought up on the floor. Opportunity will be given for these, and we hope there will be some. Other important business to be taken care of is the election of five directors and a president.

Herman Gerles, who has done a good job the last year and a half feels that he is too confined with the operation of his farm to give as much time to the presidency as he should, and has asked that his name not be placed on the ballot for that reason.

One of the most important resolutions to be considered has to do with the question, "Do we need more or less government intervention in agriculture?" Several relative questions will be considered in coming to a decision for the

answer to the over all question. Other subjects are farm labor, child labor, farm to market road funds, building permits for rural improvements, taxes, Bloc Voting, and several others.

Bill Wedemeyer, Research and Promotion Director for Texas Farm Bureau gives this information. The American Federation of Labor and CIO have released to participants in national High School Debate Program material explaining the policies and work of American Trade Unions in support of education.

Wedemeyer says if you parents are opposed to federal control of schools, you might need to look into this if some of the mentioned material comes into the hands of your children in school.

Consider This: "Whoso stop-

County 4-H Workers Attend Workshop

One hundred and fifty-one 4-H adult leaders, county extension agents, and Extension Service Specialists took active part in the three-day District 1 4-H Adult Leader Development Workshop. This special workshop was conducted in Ceta Canyon Camp, September 27, 28 and 29. All lodging and meals were paid by the Texas 4-H Recognition Committee.

Registration began at 11:00 a.m. followed by lunch. During the general assembly the first day Floyd Lynch, State 4-H Club Leader explained "Four-H Club Work in Texas."

Subject - matter workshops were taught by Extension Service Specialists. These workshops included 4-H organization, clothing, recreation, entomology, wildlife, citizenship, field crops, beef cattle, automotive, and money management. Upon completion of these subject matter group sessions each adult leader received certifications of completion.

Each night all leaders took part in planned recreation that could be used in home counties during 4-H club parties and following 4-H club meetings. A planned theme of "Roundup" offered games and ideas for adult leaders.

Each county had a quota of ten adult leaders who will assist the extension agents in their county in organizing new 4-H clubs and reorganizing present clubs. Early harvests hand-capped the quota for Farmer County. Attending from the county was Mrs. U. L. Lesly of Farwell, and both extension agents, Miss Ettie Musil and Deryl L. Coker.

Parmer Boy Wins State 4-H Award

Richard Dee Chitwood, Lazbuddie, recently received one of the highest honors in state 4-H Club competition.

He was one of 12 winners of the Santa Fe Educational awards which are offered in connection with the 1961 National 4-H Club Congress, the state 4-H office reported. In addition to winning the educational awards, Chitwood was one of four of the group singled out for general all-round excellency in 4-H Club work and will be presented \$400 college scholarships.

The 16-year-old Lazbuddie senior joined the Lazbuddie Jr. 4-H Club under the supervision of County Agent Joe Jones when he was 9 years old.

He has been active in most all phases of 4-H work in Parmer County. His projects include beef, cattle, hogs, sheep, cotton, maize crops, grain marketing, tractor maintenance and recreation and leadership.

The 170-pound agriculturist is now a member of the county-wide Jr. Leader Club and has been elected secretary-treasurer of the District Council for 1962. He has held several offices since beginning his work with the 4-H Club.

He won the State Fair Honor Award in 1959 and is a past gold star winner.

The Santa Fe competition is judged on the basis of a general and varied 4-H record book and is one of the most difficult in state competition.

Judging to determine the winners was first done on a county basis; then the district and finally statewide. The member's leadership and achievement records, length of membership, participation in local, county, district and state activities; production records and overall achievement as shown by the records submitted were all factors in the final

selection.

Richard plans to continue his 4-H Club work at Texas A&M College, where he will study agriculture next year.

Local adult leaders and family members were cited by the winners for their assistance and guidance which proved invaluable in successful completion of their projects.

SOIL CONSERVATION DISTRICT NEWS

OUR SOIL ★ OUR STRENGTH

President John F. Kennedy has proclaimed October 8-14 as National Fire Prevention week. He calls on farm organizations as well as other organizations to bring fire safety facts to the attention of the public.

Farm fire losses in 1960 were estimated at \$165 million by the U. S. Department of Agriculture. Loss of lives from farm fires was estimated at about 850 for last year alone. November was the peak month for these fires and loss of life. More than 750 of these lives were lost between the hours of 8 p.m. and 8 a.m. Four out of every persons that died was under the age of 15.

Farm families particularly must rely on their own fire safety training, fire prevention checkups and private fire protection measures to safeguard their lives and property.

At least two escape routes should be planned for every room in your home. Every member of your family should be trained in the use of the escape routes until even the younger children understand what to do.

Get everyone out of the house the minute you discover fire or smoke. Don't waste valuable seconds by dressing the children or trying to save valuables. Feel doors before going from one room to another within the house. If the door feels hot, do not open it. Escape by another route. Closed wooden doors can keep fire and smoke out of a room for several minutes. Beware of re-entering a burning house; even the smallest, most harmless looking fire can produce deadly smoke and fire gases.

Richard Chitwood
4-H Club winner

The U. S. Department of Agriculture estimates that production of farm commodities in the U. S. S. R. during 1958 was about two-thirds of the U. S. level.

During 1958, the latest year for which comparisons are available, Soviet farm production made up 11% of the total world agricultural production and U. S. farm production comprised 16%.

ASC Designates Wheat Allotments

Farmers who wish to file an appeal for a higher yield index on their wheat acreage should do so by Oct. 6, Prentice Mills, ASC office manager, said this week.

If the yield rating assigned by the county and community ASC committees is not satisfactory, yield records for the preceding year must be presented at the ASC office in Farwell to document an appeal for a higher rating.

Over 150 farmers have al-

HD Agent's Notes

BY MISS ETTIE MUSIL

We were all inspired during the District 1, 4-H Adult Leaders Workshop in Ceta Canyon Camp last week. It was so good to see 151 leaders, agents, and specialists taking time out from their busy farm and home schedules to attend the 3-day training.

It was unfortunate that we had but one adult leader to attend. Mrs. U. L. Lesly of Farwell was our only leader who could attend. Several leaders had planned to go but could not at the last minute due to illness and harvest.

We had a good time exchanging 4-H club ideas with leaders, agents and specialists. The way everyone talked, you'd think the 4-H clubs were the club they lived and breathed. Many new friends were made from other counties. Everyone seemed to have learned so much to take back home to strengthen their 4-H clubs.

An ideal set up would be to organize boys and girls as joint clubs. Each club would have an organization leader and several subject matter leaders in subjects of interest to the boys and or girls projects or result demonstrations. All organization and subject matter leaders would be trained by the county extension agents.

One joint club meeting would be held each month which would include an inspiration, business, program and recreation planned by the 4-H club members. It would be the duty of the organization leader to plan the meeting with the officers of the club so that the meeting would be well organized and run smoothly. Inspiration would take about 10 minutes, business about 15 minutes, program about 15 to 20 minutes, and recreation about 30 to 45.

The second meeting would be for special subject matter groups for boys, girls, or boys and girls depending upon the project interest of the youth. Trained subject matter leaders would present or be responsible for the program. This could include tours, field trips, speeches, method demonstrations, or workshops. Rhea, Lazbuddie, and Farwell 4-H Club girls are already conducting subject matter groups using the leader and member guides in Favorite Foods program. Friona 4-H Club boys have beef cattle and field crops subject matter groups already functioning.

Organization and subject matter leaders would be trained according to leader guides developed by Extension Service Specialists in each field of study. These subjects could include automotive, citizenship, clothing, favorite foods, field crops, beef cattle, swine, money management, time and energy management, recreation, entomology, health, parliamentary procedure, home improvement, wildlife, and others. Each club member would be furnished a member's guide to follow in completing his or her project.

We have so much more information on strengthening our 4-H program in Parmer County. If you wish us to help you in your present club, to organize new clubs in your community, or to reorganize community clubs both Deryl Coker, County Agricultural Agent, and I would be happy to meet with you.

ready made appeals and plan to participate in the 1962 wheat acreage ASC program, Mills said.

"We expect to start signing farmers for participation in the 1962 wheat stabilization program by Oct. 16," Mills said Monday. All who wish to participate must register with the ASC before Dec. 1.

Participants in the barley program must also register during this period, according to Mills.

Weights And Measures Fees Announced

A New York statistician recently estimated that inaccurate grocery scales are costing citizens of that city more than \$4,000 per day.

Grocery scales alone! Not to mention gasoline pumps, drug-store measures, large commercial scales and the many other weighing and measuring devices on which our daily trade depends.

Who loses when scales are inaccurate? It may be the seller or the buyer, depending upon the maladjusted scale. But somebody loses. And it amounts into the millions each year throughout the United States.

The Texas Department of Agriculture is charged with the responsibility of keeping many of our weights and measures devices accurate. The round tag on gasoline pumps across the state means a department inspector has been there to make sure you get a full gallon of gas on each purchase--no more, no less. The grocery scale at the supermarket checking counter, the meat scale in the rear where prepackaged meats are made

up, the truck scales where agricultural and other transit products are weighed--all these are regularly checked by the department field men.

The expense of such a program can be enormous, considering the scope of activity in a state the size of Texas. Money to maintain the inspection program is always at a premium.

This year, the Texas Legislature has levied a fee system in order to make the program more nearly self-supporting. To reduce the need for additional tax money, the scale owners, themselves, will be assessed a small fee to keep the inspection program going. But in the long run, the accuracy of the adjusted scale itself will prevent the owner from losing far more money on under-weighted sales items than the fee he paid.

The fee system went into effect September 1st of this year as follows: For each gasoline, kerosene and diesel pump, 50¢; each scale with capacity up to 999 pounds, \$1.;

scale capacity from 1,000 to 1,499 pounds, \$2.50; scale capacity 1,500 to 4,999 pounds, \$5.00; scales 4,999 pounds and over, \$10.00. In addition, each butane and propane measuring device is \$5.

Full measure for every dollar spent by the consuming public is the goal of the Texas Department of Agriculture.

Cotton markets threatened

The supply situation facing cotton today contains all the elements that led to vast market losses, and a threat to American security, during the Korean War, the president of the National Cotton Council warned today.

J. Clyde Wilson, Phoenix, said this points to an acreage increase next year over that established for 1961 in order to avoid the threat of a shortage of American cotton. He said a committee of the council is meeting with the secretary of agriculture September 21 to review the problem.

The secretary is required by law to set the national acreage allotment by October 15.

The committee, appointed by the Council board at the close of its meeting last week in Fresno, is headed by Wilson. In a letter this week to the Council's delegate membership, he said the board's request for an acreage increase is based on the following facts:

1. The carry-over of old crop upland cotton was down to 6.8 million bales on August 1, and official estimates of the U. S. Department of Agriculture indicate a further reduction this season.

Foreign stocks, in relation to business volume, are around the low point for the entire post-war period and contain nothing to offset a war threat.

2. The USDA's estimates for the current season, indicating only a modest reduction in the carry-over by next August 1, are relying on an export figure of only 5.75 million bales. There are indications of a higher export volume. If the national acreage allotment should turn out to be inadequate, a rush of export orders to build up foreign stocks could be expected. This could exhaust stocks and bring on export limitations, with soaring world prices to foreign suppliers.

3. If present trends are maintained, the most likely output in 1962-63 will be about 15.5 million bales. Considering the relatively tight stock situation, the acreage allotment should be designed to produce at least this many bales.

4. Recent trends in yields per acre and in under-plantings demand that these factors be given full weight in calculating an acreage allotment capable of providing the production needed. This season, for the first time in many years, the estimated crop is substantially lower than the quota announced last October. Failure to take this into account could be enough in itself to result in a critical under-supply.

WITH THE COUNTY AGENT

DERYL COKER

At this time of the cotton season farmers are always wondering if they should use a defoliant or a desiccant. Lets keep in mind that our normal freeze is just around the corner and that we need all the time we have to mature the cotton in the boll, that hasn't opened. However, if your cotton is 50 to 60% open it could be a paying proposition to put a defoliant on, or if your cotton is 75 to 80% open it could pay to put a desiccant on. If your cotton crop fits into either of the top two categories and you put a defoliant or desiccant on and it should come a freeze, you have not lost everything, for the cotton should open up a little faster, and you should be able to start stripping quicker after the freeze. A desiccant will make the leaves dry and stick on the stalk, while a defoliant will cause the leaves to drop. Bulletins are available in the County Agents office giving approved defoliants and desiccants.

Also, this is the time of year for 4-H members who plan to feed lambs or barrows for the spring shows to be looking around and finding some suitable animals to feed. A barrow farrowed in September will be approximately 6 to 7 months old for the spring shows. A lamb must be under one year old at show time and must have his baby teeth in tack. The question has come up about using desiccants on grain sorghum. Lets keep in mind that the Food and Drug Commission has to approve any chemicals that we use on food grains or feed grains. If you plan to use a chemical of any kind you should check and see if it has been approved.

FOOTSAVING EDUCATION

by James E. Edwards

When Does A Baby Need Hard-sole Shoes?

Most doctors recommend hard soles when the baby begins to pull himself up. There are good reasons for this.

The trouble is that too many mothers think of stiff soles when the doctor says hard soles. This writer has surveyed many doctors and found that they do not want stiff shoes on their baby's feet nor on themselves for that matter.

Hard sole shoes can and should be very flexible to allow normal foot functions.
