

Fuel Alcohol - -

Feasibility Study Heard; Plant 'Go Ahead' Urged

Approximately 200 members of the High Plains Grain Products International Cooperative heard the results from an alcohol fuel feasibility study at their meeting Wednesday night, April 9, at the Muleshoe Civic Center.

The members of the organization, which includes farmers from Bailey, Parmer and Swisher counties, voted unani-

mously to continue with plans for construction of a \$62 million dollar alcohol fuel plant in this area.

The feasibility study, initiated at the request of the High Plains GPI was conducted by Dr. Ravindra Nadkarni and Dr. John Nystrom of Arthur D. Little, Inc., of Cambridge, Mass. The result of the study was that the

proposed plant is feasible and would work in this area.

Also speaking at the meeting were William D. Leavitt, president of Leavitt and Associates of Little Rock, Ark., and Joe P. Johnson, president and chief executive of Martin Ryan Haley and Associates of Washington, D.C.

The membership of GPI was presented with the overall

findings from the study. According to the study as reported by the consultants, the farmers would be looking at \$6 cwt. or more for their grain sorghum, a price that would be also determined by the availability of raw materials. When operating at peak efficiency, the new plant would produce about 50 million gallons of fuel alcohol each

year. According to Bert Williams, Farwell member of the board of directors for the group, these figures are very conservative. The figures are based on \$1.70 per gallon for fuel alcohol and the price today is \$1.88 per gallon. With the increase of grain to \$6.80 cwt, this would give an increased price per cwt. of 80c on alcohol

alone. These figures, plus the investment tax credit which is now up to 20 percent, depreciation and appreciated equity in the plant will bring the return on a farmer's investment to over \$1 per bushel more over what they are now receiving. According to Williams, this makes the proposition even (Continued on Page 3)

PERSONAL

by John

Main Street, Ave A, otherwise known as Highways 70 & 84 in Farwell, will receive an extensive face lifting. The highway from Seventh Street to the state line will all be taken up and relaid during the next ten weeks.

It will be done by working on the south half of the road first and then going back and getting the north side. This will impose an inconvenience on the local traffic in this time period.

First you may have already noticed that the even numbered streets are closed to the highway. Later they will get to the odd numbered ones. However, the biggest problem is that all parking on the highway is banned at this time.

Jim Bishop, our local DPS man has been instructed to issue tickets for the "no parking" violators; however, with only two lanes of traffic to carry the load it would appear to be only prudent to keep out of the way of a fast moving eighteen wheeler. Remember no parking on Main Street.

Everybody wants the budget balanced. But the general consensus seems to favor cutting the other fellow's portion and leave our part intact. In order to really achieve a balanced and reduced budget, some worthwhile items must be pruned along with the blatant social boondoggles.

To reduce some of the more beneficial expenditures, maybe we ought to look at what causes these budget items in the first place. One example comes to mind with the cry about cutting the federal assistance to law enforcement agencies. Here again a different approach to law enforcement may well allow termination of this federal assistance.

Our answer to a budget cut in law enforcement assistance is to force the courts to jail the law breakers for extended periods. In reality, our lawmen do an excellent job of apprehending the large majority of criminals.

Our courts and lawyers teamed with addepleted psychologists keep right on freeing the hardened and repeated criminal. An example is the Amarillo police department which announced that they have a prime suspect in one of the brutal knife slayings there recently. The suspect is described as a repeated offender. That killing could have been avoided by a "keep'em in the jug" attitude in our courts.

When we finally do get a criminal put away for life it often seems we have the wrong individual locked up. A lifer in the Texas system has just lost a Supreme Court decision on his life sentence. This one is in the pokey for a series of rather small con scams, nothing violent. In fact we have a former area person in the same fix, locked up for life on confidence and swindle games. Again no violence, just suckering folks who were too greedy in the first place.

How come we never hear about the murderer or rapist getting salted away? Practically every major violent crime of murder, rape, muggery or armed theft and assault is finally traced to a repeated offender in the violent crime category.

Nuts, instead of picking on a few slick talking con men, why aren't we able to tie the can to the really few violent members of society????

You've heard Murphy's Law which indicates that if anything can go wrong, it will, but maybe you don't know that Glenn Rea has a friend down at the Azle News who passed along a list of corollaries. Anyway, here they are:

1. Nothing is as easy as it looks.
2. Everything takes longer than you think.

3. If there is a possibility of several things going wrong, the one that will cause the most (Continued on Page 2)

Man And Woman Of Year

Aryle Crooks and Ann Cooper were honored as Texico's Man and Woman of the year at the annual Texico Chamber of Commerce banquet staged Monday night at the Texico

gym. Both recipients are active in community affairs and projects and believe in promoting their town. Presenting the honorees were last

year's award recipients, Bob Spears and Dardanella Helton. This year's recipients hold the plaques awarded them by the chamber.

May Primaries - -

Absentee Voting Now Underway For Texans

Absentee voting for the May 3, 1980 Texas Democratic and Republican primaries began Monday, April 14, according to Bonnie Warren, Parmer County Clerk.

Those wishing to vote absentee should mail in their applications for absentee ballots or pick up the ballots personally and return them to the County Clerk's office no later than 5:00

p.m. (CST) Tuesday, April 29, in order for their votes to be counted.

Mrs. Warren also asked that voters remember to bring their voter registration certificate when obtaining their absentee ballots.

On the local scene in the Republican primary only two candidates are on the ballot. Nick R. Hand is the Republi-

can candidate for Sheriff and Raymond Euler is the candidate for County Commissioner, Precinct 1.

Locally there are two contested areas on the Democratic primary ballot. For County Judge, Joe Buchanan and Porter Roberts are competing to run to fill the unexpired term of Paul Fortenberry (Continued on Page 2)

Highway Construction Underway

Major highway re-construction of U.S. Highway 70-84 has been scheduled within the city limits of Farwell, Muleshoe and Sudan.

Rhea Bradley, supervising resident engineer for the Texas Highway Department, has announced that the total project will be two and a half miles long, and would cost in excess of \$1.5 million.

In Farwell, the project will be from Seventh Street west to the AT&SF Railway. This work began this week and the projected completion date is June 30 in Farwell.

Farwell residents are being requested by the THD to be patient and endure inconvenience for approximately the next ten weeks.

The engineer said that the work will be done in half-widths, with one-half of the existing pavement to be torn out and replaced at a time. After completion of the stabilized base, re-construction of the second half will begin.

In Farwell, the work began Monday on the south half of the highway. During this

period of time the highway will be limited to only two lanes open for traffic at any one time.

The city has asked that there be absolutely no parking on the highway during this time. "When two big trucks meet in only two lanes, there will be no room for parked cars," said Farwell Mayor Walter Kaltwasser.

Texas Department of Public Safety Officer Jim Bishop stresses that citations will be issued for violation of any illegal parking on the highway.

Approximately 60 percent of the curb and gutter in the Farwell area of re-construction will be either removed or re-built. This will improve drainage. The highway department will re-do any sidewalk it is forced to remove.

The highway will be the same width as before. The stakes now visible beside the highway are not the markers for the new pavement line but rather the footage marks for the curb and gutter. The curb and gutter will remain where they are presently.

Texico Receives Bonding Check

Marie Christian, Texico City Clerk, announced that the City has been reimbursed by the bonding company for the fund shortage they experienced. As with all public employees who handle public money, Clara Wiehl, former city clerk, was bonded in the amount of

\$20,000. Tom Burns, insurance representative of the bonding company, presented the city with a \$20,000 check Wednesday morning to discharge liability in the case. That sum was the limit of liability of the bond policy.

Highway Work Begins

Re-construction of Highway 70-84 through Farwell from Seventh Street west to the railroad tracks began Monday. Farwell residents are asked to endure the inconvenience and

specifically to avoid parking on the highway during this period. DPS officers are instructed to issue citations to anyone in violation of "no parking" on the highway.

SIXTY-SEVENTH YEAR

25 CENTS

At Annual Banquet - -

Texico CofC Honors Man, Woman Of Year

A large crowd was on hand Monday night at Texico gymnasium when the chamber of commerce honored Texico's Man and Woman of the Year at the annual chamber banquet.

Mrs. Ann Cooper and Aryle Crooks were honored as citizens of the year at Texico for their service to the community and its residents.

"Be A Sport -- Join Our Team" was the theme of the banquet whose speaker was Don Perkins, former Dallas Cowboy. Cowboy colors of white, blue and silver dominated the decorations that featured blue and white checked tablecloths, blue and white pompons and miniature football figurines sitting atop blue and white stars centering the tables.

Fight slogans and school names appeared on pennants stuck in the pompons, and the placemats and programs featured designs of footballs, helmets and Cowboy logos

along with the words "Be A Sport -- Join Our Team."

The speaker's table was near the basketball goal under which the slogan was again used. This table was centered with floral arrangements of greenery in wrought iron baskets lined with blue foil and tied with white ribbon. These baskets were given as door prizes.

Bill Christian served as master of ceremonies, and Buford Schwarz gave the invocation.

Lewis Cooper introduced special guests, including several County and New Mexico politicians along with Chamber representatives from Melrose, Farwell, Ft. Sumner and Clovis, and Kelly Dobbs, Border Town Days Queen.

Ed and Juanita Hardage provided dinner music and Jim Pierce introduced the speaker.

Directors for the coming year were introduced, including Louise Engram, president; Ann Cooper, vice-president; Joe Caywood, secretary; and Lewis Cooper, A.D. McDonald, Jim Pierce and Bill Christian.

Joe Caywood presented a progress report of the city of Texico.

As might have been expected, Perkins did choose to talk about athletes in his speech

before the crowd; however, he stressed the importance of an athlete being the one to choose whether or not he competes in sports.

"It takes something special to be an athlete; it takes ambition to come off the sidelines to perform and be a

part of a team; it takes desire and dedication to excel," Perkins said.

"But," the former Cowboy running back said, "it is important that the athlete be there because he wants to be and not because his parents or (Continued on Page 2)

Cooper, Crooks Active In Community Affairs

Texico's outstanding citizens were announced Monday night at the annual chamber of commerce banquet. The honorees were Ann Cooper and Aryle Crooks who are both active in many phases of community service.

In presenting Mrs. Cooper as Texico's Woman of the Year, last year's honoree, Dardanella Helton, said, "Always it is a joy to have the community honor two of our citizens; so I would like to tell you something about our woman honoree."

"She is artistic, enjoys people, stays busy with crafts, promotes her community and likes to camp in the mountains. She is a native New Mexican, attending schools in Kenna, Elida and Vaughn.

"While living in Portales, she owned and operated a beauty shop. After moving to Texico she was a part of the local business community, but still had time to be active in the Texico Woman's Club. For three years her artistic ability won first place in district and

state scrapbook competition for the club.

"She served as vice-president in charge of membership for two terms, served as historian and then directed the club to a very successful year as its president. For four years she was a delegate to both the district and state convention for the club and served as president for two terms on the District Planning Council. This Council presented the community's needs to the State Planning Council.

"This year's honoree is an active member of the Chamber of Commerce, promotes the Border Town Days celebration and is always instrumental in decorating floats for the chamber's entry as well as her own entry in the parade. These floats are usually winners in the BTD parade."

Mrs. Cooper and her family attend the Central Christian Church in Clovis. She is married to Lewis Cooper and is the mother of a son and a daughter.

The Man of the Year honor went to Aryle Crooks and was presented by Bob Spears who received that honor last year.

Crooks was born in Estelline, Tex., and during his childhood lived in Childress, Tex., Buena Park, Calif., and Melrose.

He moved to Texico in time to attend junior high school there and also graduated from Texico High School in 1953.

From 1956 to 1958 he was on active duty with the United States Army.

He is a past member of the Texico Riding Club, has assisted with 4-H Club projects, was a member of the Kiwanis Club for several years and served as its president during 1978-79.

Crooks is a member of the Texico Wolverine Booster Club and assists as a timer at the home track meets. He filled the vacancy of Bud Pearce on the Texico School Board in May 1974 and is now serving as president of the board.

He is married and has three children and one grandson.

Program In Jeopardy - -

Parents Urged To Help With Summer Baseball

Officers of the Texico-Farwell Little League and Pee Wee summer baseball program are issuing a last call for help this week and say that if more parent participation is not forthcoming by Monday of next week, the entire summer baseball program for the Twin Cities will be cancelled.

Because of lack of interest on the part of the parents, tryouts have been cancelled and the program is in a holding pattern until more parents agree to work with the boys and girls.

At this writing only two coaches and one helper have signed up to work in the Little League division and only two coaches have agreed to work with Pee Wees. This is simply too few persons to handle the approximately 100-110 boys and girls wanting to play in the program.

So, if you are a parent who wishes his child to play baseball in the Twin Cities this summer, contact Joe Hughes or Jim Walker by Monday of next week so that tryouts and game schedules can be worked out.

Texico CofC Directors

Directors of the Texico Chamber of Commerce for the coming year include, from left, Bill Christian, Ann Cooper, Lewis Cooper, Louise Engram, Joe Caywood, Jim Pierce and A.D. McDonald. Mrs. Engram is serving as the group's new president; Mrs. Cooper is vice-president; and Caywood is secretary. The directors were recognized at the chamber's annual banquet Monday night.

Chamber...

(Continued from Page 1) coaches want him to be. Sports are great if a player wants to be out there." Perkins stated that he had been only a father to his four children, never an athlete-idol and that whatever they chose to do, they did it from their own choice and not because he tried to influence them. And to this end, he said, he had no trophies or other forms of his recognition in his home. He went on to criticize coaches and administrators of colleges and universities who recruit young athletes and stress athletics with no academic requirements, saying that this was a disservice to young men and women. He went on to say that children should not have a standard of excellence from their parents - or be expected to fill roles of which they are not capable. Banquet goers enjoyed a meal of roast beef, baked potatoes, green beans, tossed salad, hot rolls, coffee, tea and cherry cobbler prepared by the cafeteria ladies of Texico Schools.

Former Cowboy Speaks

Former Dallas Cowboy running back Don Perkins was guest speaker at the Texico Chamber of Commerce banquet Monday night. Perkins stressed that an athlete should be an athlete because he wants to be and not because of pressure from someone else. A large crowd was on hand for the annual affair which featured a Dallas Cowboy motif in decorations and used the theme "Be A Sport-Join Our Team."

Purely Personal...

(Continued from Page 1) damage will be the one to go wrong.

1. If you perceive that there are four possible ways in which a procedure can go wrong, and circumvent these, then a fifth way will promptly develop.
2. Left to themselves, things tend to go from bad to worse.
3. Whenever you set out to do something, something else must be done first.
4. Every solution breeds new problems.
5. It is impossible to make anything foolproof because fools are so ingenious.
6. Nature always sides with the hidden flaw.
7. Mother nature is most unkindly-like.

Now, the variations and further implications of this sorry truth about life and living.

The Murphy Philosophy: Smile...tomorrow will be worse.

O'Tolle's Commentary on Murphy's Law: Murphy was an optimist.

Chisholm's Second Law: When things are going well, something will go wrong.

Corollaries:

1. When things just can't get any worse, they will.
2. Anytime things appear to be going better, you have overlooked something.

Highway Construction...

(Continued from Page 1) to 23-24 inches in places. This will permit the re-construction of the existing pavement.

During this re-construction period, the construction company, K. Barnett and Sons of Clovis, will attempt to leave at least one driveway open for each business along the route whenever possible.

City Commissioner Johnny Curtis said, "The Company and the highway department have stressed that they will work to our convenience as much as possible. But we also need the cooperation of all citizens."

Once this excavation is started, there will be limited access to the highway. As of Tuesday, Second, Fourth and Sixth streets were closed to the highway. For the time being, First, Third, Fifth and Seventh streets will remain open to highway traffic.

"We want to work with the people when we can," said Kallwasser.

If anyone has a problem or a question, call City Hall, any of the city commissioners or Dee Hammit, water superintendent.

In Muleshoe, the project will be from West Eighth Street, west to the four-lane divided highway and East Sixth Street, east to the four-lane divided highway. The median islands will be removed and the THD will be grading, salvaging and replacing the base with four and one-half inch asphalt stabilized base and one and one-half inch of hot mix asphaltic concrete pavement.

In Sudan, the re-construction will be from Austin Street, northwest to the end of the curb and gutter at Sudan Street.

Approximately 10 percent of the curb and gutter will be removed and re-constructed in Muleshoe and around 90 percent in Sudan.

In the total project, 10,600 feet of curb and gutter will be removed and replaced, 21,000 tons of asphalt stabilizing base and 7,800 tons of asphaltic concrete pavement will be installed in the 200 working days.

Farwell School Board Officers Re-elected

In a rescheduled regular monthly meeting Thursday night, April 10, the Farwell School Board was reorganized. Officers are Wilbert Kalbas, president; Billy Mayfield, vice-president; and Jim Walker, secretary. They all held these same offices last year.

The meeting, originally scheduled for Monday, April 7, was opened by James Craig with a prayer.

The board canvassed election returns and declared Jim Walker and Billy Mayfield to be returned for their three-year terms of office.

Dickie Clayton and Ken Horn of Horn-Clayton Insurance met with the board in regard to the insurance program. The board called a special meeting for April 22 to study the school insurance needs.

The school principals gave reports on school activities for their respective schools. Richard Montgomery reported on FFA activities.

The financial reports were approved by the board and the members voted to pay all bills.

Five days of sick leave for all non-professional personnel were approved by the board.

The tentative budget for 1980-81 was presented and discussed and was approved as presented.

Craig was named as the

authorized representative for the school lunch program and the commodity program.

The board voted to continue contracted services with the Region XVI Education Services Center.

After retiring into executive session to discuss coaching personnel problems, the meeting was re-opened and the board offered their support to the athletic director and high school principal in alleviating the existing problem, according to Superintendent W.M. Roberts.

The board accepted the resignation of Gem Palmer as speech and hearing therapist.

Board members present for the meeting were Joe Hughes,

Bill Martin, Doyle Ford, Billy Mayfield, Jim Walker, Wilbert Kalbas, and Caroline Anderson.

Also present for the meeting were W.M. Roberts, James Craig, Tom Knoy, Jerry Owen, Don Malone, Dorothy Eason, Georgia Lee Rundell, Richard Montgomery, Terri Baker, Lynn Burton, Ken Horn and Dickie Clayton.

May Primaries...

(Continued from Page 1) whose resignation was effective January 1, 1980.

For the seat of County Commissioner, Precinct 3, Cecil Atchley and Max C. Crim are both competing with incumbent Archie L. Tarter.

Running uncontested in the Democratic primary are Johnny W. Atkinson for County Attorney, M.C. (Bill) Morgan, Jr. for Sheriff, Hugh Moseley for County Tax Assessor-Collector, Ernest Anthony for County Commissioner, Precinct 1, and Albert H. Smith for Justice of the Peace, Precinct 1.

Running uncontested in the Demo primary are County Chairman Richard Collard and Precinct Chairmen Martha Hamilton, Jay E. Beene, Ken Horn, Wilfred Quickel, Mrs. Max Steinbock, Wendol Chris-

tian, Raymond K. Schueler and Mike Buchanan.

Republican voters will also vote on two propositions in the May primary. One proposition state that "under the supervision of a judge, the state police should be able to use electronic surveillance methods, such as wiretapping, in cases where suspected drug dealers are involved."

The other proposition states that "Texas should have Initiative and Referendum, a way for the public to vote directly on issues and make law in elections rather than depending only on the state legislature."

Voters will vote either "for" or "against" on each of these issues.

Farwell City Commission Accepts SPS Rate Increase

At their regular meeting Monday afternoon, Farwell City Commissioners unanimously voted to approve an ordinance accepting the Southwestern Public Service Division Manager, presented the 10.762 percent state-wide increase that was approved by the Public Utilities Commission of Texas. Farwell rates will go up approximately 11 percent.

The commission meeting was the scene for a discussion from several concerned local citizens about a zoning variance. According to Ronald Byrd, local real estate agent, the variance has been requested by an Amarillo couple, Mr. and Mrs. Bill Pennington, and concerns city lots 13-16, block 23.

The couple would like to place a 14'x70' Lancer mobile home on the lot on a concrete foundation and then attach another 14'x70' to it. The entire building would be covered with a gabled roof, a two-car carport would be built and a wooden fence added. The problem is that this area is not zoned for mobile homes.

According to Byrd, the couple looked at several areas in the city that are zoned for mobile homes but found none of them acceptable.

The objection raised by residents of this area was to the mobile home being placed on the lot originally. The residents wanted a time limit placed on the completion of the project.

"The people are going to do

the actual work themselves so they cannot put a completed time limit on it," said Byrd.

After suggestions of other lots in the city that are already zoned for mobile homes, the commission decided to set up a meeting between the zoning committee and Pennington. The commission would make its decision on the recommendation of the zoning committee.

In other business, a Certificate of Deposit was discussed. It has reached maturity and needs to be renewed. The Cemetery CD will be reinvested for \$10,000 with the remaining approximately \$3,000 to be used for cemetery operating funds.

With the new Farwell paving project in operation, the city voted to allow \$650 to replace the sidewalk in front of city hall. Dee Hammit, water superintendent, was given permission to continue with this and also to have the water lines moved.

The resignation of Bert Johnson, sanitation department employee, was accepted, effective April 15, by the commission.

Present at the meeting were Mayor Walter Kaltwasser, Commissioner Johnny Curtis and City Clerk Janie Bowery.

At GPI Meeting

Members of the High Plains GPI Cooperative heard consultants present their findings in a feasibility study presented last Wednesday at a meeting in Muleshoe. The recommendation was strong that a fuel alcohol plant be built in this area and plans are underway to seek a site for construction

of such a plant. Among those at the meeting were, from left, Dr. John Nystrom and Dr. Ravindra Nadkarni, both of Arthur D. Little Inc. of Cambridge, Mass.; Joe P. Johnson, president and chief executive officer, Martin Ryan Haley & Associates, Inc. of

Washington, D.C.; William Leavitt, president, Leavitt Associates of Little Rock, Ark.; Guy Austin of Farwell, president of High Plains GPI Cooperative; and Doug Bales of Muleshoe, member of the GPI. [Photo courtesy of Muleshoe Journal]

Feasibility Study . . . (Continued from Page 1)

more positive than the study originally indicated.

According to the consultants, the location of a site for the plant will take about four months. A late summer ground-breaking will be followed by 14-18 months construction period. Added to the estimated \$62 million for construction of the plant will be another \$13 million to be set aside for operating capital

until the plant gets underway.

Phase II, which will be a search for the site for the plant, will begin about May 1. Items to be considered for the location will include availability of grain in the area, accessibility to railway and truck lines, availability of water and utilities, and 40-60 acres with adjacent growth room available.

The GPI office is open

presently in Muleshoe at 113 West Avenue D.

A High Plains Grain Products International meeting will be held Tuesday, April 22, at the Farwell School Cafeteria at 8:00 p.m. All interested people are invited to attend, have questions answered, and receive the facts and figures.

Membership in the group will be accepted until the search for a plant location begins May 1. According to local president Guy Austin, once the May 1 deadline is reached, only the current members will own the cooperative.

Guy Nickels Services Tuesday At Muleshoe

Funeral services for Guy Nickels, 80, of Muleshoe were conducted Tuesday afternoon at First United Methodist Church of Muleshoe. Mr. Nickels died at 6 a.m. April 14 at the Muleshoe Nursing Home after a long illness.

Officiating at final rites were Rev. David Hamblin, pastor of First United Methodist Church, Muleshoe, and Rev. H.D. Hunter, pastor of the Community Church of Muleshoe.

Interment was in Bailey County Memorial Park under direction of Singleton-Ellis Funeral Home of Muleshoe.

Mr. Nickels had been a resident of Muleshoe since 1949, moving there from O'Brien, Tex. He was born August 20, 1899 at Mt. Calm, Tex., and married Bertie Jones in 1924 at Graham, Tex.

He was a member of the

First United Methodist Church of Muleshoe and was owner of Nickels Ginning Co. and Central Compress of Sudan. He was a director of the First National Bank of Sudan and of the First National Bank of Muleshoe. He was also a member of the Texas Cotton Ginners Association and the National Cotton Council Association of America.

Survivors include his wife Bertie; two sons, Johnny and Ed, both of Muleshoe; five daughters, Doris Reeves of Farwell, Floris Gilley and Joan Lowry, both of Amarillo, Evelyn Riley of Muleshoe and Nina Aduddell of Littlefield; five brothers, Fred of Orlando, Calif., O.V. of Meridian, Tex., and H.C., Bob and Lawrence, all of Littlefield; 15 grandchildren and 20 great-grandchildren.

Jason O. Gordon Rites Thursday At Plainview

Services for Jason O. Gordon, 69, of Plainview were scheduled for 10 a.m. Thursday at First Presbyterian Church of Plainview with Dr. Charles Teykl, pastor, officiating.

Burial was to be in Parklawn Memorial Gardens under the direction of Wood-Dunning Funeral Home.

Gordon was found dead in his pickup truck at about 10:15 a.m. Tuesday near Wolfroth. Justice of the Peace Melvin Powers ruled the death was due to natural causes.

Born in Albany, Gordon graduated from Texas Tech in 1932. He served as county agent in Parmer, Floyd and Lubbock counties before he and Virgil Rowland formed the Rowland-Gordon Farm Chemicals Co. The first store opened in Lubbock and the second was in Plainview. Others were added across the South Plains.

Gordon married Frankie Elliott on June 5, 1937 in Sweetwater. They moved from Lubbock to Plainview in 1950.

Gordon was a former president of the Texas Tech Ex-Students Association, a former member of the Plainview Chamber of Commerce board of directors and a member of the original board of directors of Halfway Research Station.

A former Rotary Club member, Gordon was also a member of Plainview Masonic Lodge, Pi Kappa Alpha, American Society of Agronomy, American Chemical Association and Plainview Board of Realtors.

He was an elder at Plainview First Presbyterian Church.

Survivors include his wife; a son, Kenneth of Fort Worth; a daughter, Mrs. Bobby (Mary Jane) Martin of Plainview; four sisters, Mrs. Charles Hemphill of Albany, Nina Birtciel of Levelland, Mrs. Mart G. Tederson of El Paso and Mrs. Jerome Codington of Midland; and six grandchildren.

SHERIFF'S REPORT

The main item of business at the Parmer County Sheriff's Department this week is the investigation of possible arson in a fire that destroyed the home of Moley Stacy one mile west of Bovina Sunday night, April 13. Parmer County Sheriff Charles Lovelace reports that some items had been taken from the home and that there is a possibility they may have been removed prior to the fire.

In other activity the sheriff investigated the report of a glass window being broken from a storage house at a residence in Farwell.

Roy Donaldson of the Oklahoma Lane community reported that someone had apparently stripped his irrigation motors, taking coils, wiring, battery cables etc.

Berry Rites Thursday

Funeral services were conducted Thursday afternoon, April 10, at the United Methodist Church in Friona for Emmitt A. Berry, 85, of Friona. Interment was in the Bovina cemetery. Mr. Berry died in Clovis High Plains Hospital.

He was born March 14, 1895 in Fannin County, Tex., and had moved to Friona 12 years ago from Portales. He was married to Irene Jones of Portales in 1972.

Survivors include his wife Irene of Friona; two sons, James Berry of Clovis and Alton Berry of Warm Springs,

Ore.; three daughters, Ida Jean Brazzell of Canyon, Dora Lyday and Vernell Campbell of Friona; and his step-children, Pauline Butler of Roswell and Roland Erwin of Portales; one sister, Tommie Parker of Friona; and one brother, Neal Berry of Leonard, Tex.; 17 grandchildren, 21 great-grandchildren, five step-grandchildren and one step-great-grandchild.

Pallbearers were grandsons Lynn Berry, Glenn Berry, Bobby Berry, Donnie Campbell, Danny Campbell and Marvin Lewis.

It's easy to see where
many of our priorities are.

The children of today are looking to us for ways they can prepare for their own style of life . . . families . . . and job opportunities.

To help, we'll need more electricity. It's true, electricity will play a big role toward helping expand the job market to include these adults of tomorrow. The modern use of electricity has contributed to a better educational system to prepare our young people for the new experiences yet to come.

Almost 10 years ago, the folks at

It's good to be able to tell someone what they can depend on.

Farwell Kindergarten Announces Registration

Farwell Kindergarten registration for the 1980-81 school year will be Tuesday, April 22, from 10 a.m. - 12 noon and from 1-3 p.m. Birth certificates and immunization records will be required for registration. The school nurse will be checking immunization records.

Gem Palmer, speech therapist, will be doing speech screening on all kindergarten students. Parents should bring their children if at all possible so that they may be screened

at this time. If this is impossible, an appointment will be made for the child to be screened at the speech teacher's convenience.

Kindergarten will have two sessions; a morning session from 9-11:45 a.m. and an afternoon session from 12:45-3:30 p.m. If a preference is requested it will be filled on a first-come, first-serve basis. If parents have any questions they may call Farwell Elementary School.

Sorority Officers

Alpha Rho Lambda chapter of Beta Sigma Phi installed officers at a recent meeting in the home of Sheree Montgomery. New officers, are left to right, Gloria Hutchins,

extension officer; Sharlotte Donaldson, treasurer; Mary Ann Lingnau, president; Anita Ralston, vice-president; and Cynthia Thigpen, secretary.

Faith Class Meets In Huggins Home

Faith Sunday School Class of the Farwell First Baptist Church met Monday night in the home of vice-president, Carol Dean Huggins, who presided over the business meeting in the absence of the class president.

Lois Smith, teacher of the class, opened the meeting with prayer. Visitation plans were discussed concerning absentees and prospects for the class.

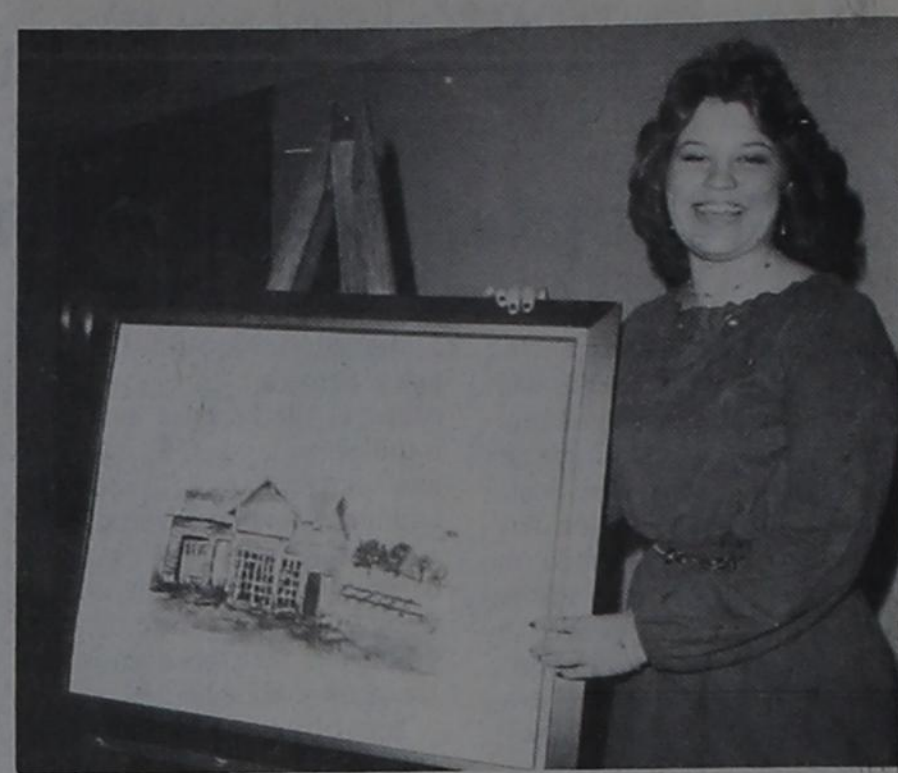

An inspiring devotional was brought by Estelle Billington on "How to Pray" using scripture Luke 11:1-4. She mentioned four ways to pray;

1) Pray often, 2) Pray specifically, 3) Pray earnestly, and 4) Pray believing.

Mary Jean Patrick, class photographer, made individual and group pictures for the class scrapbook and closed the meeting with prayer.

Refreshments of pudding cake, coffee and lemonade were served.

Present at the meeting were Mesdames Naomi Austin, Lavelle Childs, Lois Smith, Nan Preston, Loyce McClesky, Edith Martin, Mary Jean Patrick, Estelle Billington and Carol Dean Huggins, hostess.

Special Guest

Kelly Dobbs of Texico, 1979 Border Town Days Queen, was among the special guests at Monday night's Texico Chamber of Commerce banquet. Miss Dobbs had brought

several of her paintings to be displayed at the banquet which drew a large crowd to hear former Dallas Cowboy Don Perkins speak.

To remove corn silk, brush downward on the cob of the corn with a damp paper towel or terry cloth.

Entries Due For Muleshoe Art Show

The Muleshoe Art Association will be accepting entries for the annual Spring Exhibit Friday, April 25. Entries must be hand delivered to the Muleshoe Art Loft at 1529 West American Boulevard between the hours of 9:30 a.m. and 3:00 p.m. on that date.

The exhibit is open to all artists. Entries must be original, done without supervision, and should not have been exhibited previously in the Muleshoe Art Association Shows.

The exhibit will be open Sunday, April 27, from 1:30 to 5:00 p.m., and during weekday

hours of regular business of the Art Loft.

Judging the show will be Olive Bugbee, curator of the Fine Arts Division of The West Texas Museum, Canyon, Tex.

There will be \$2,140.00 given as purchase awards, merchants awards, and place awards.

Students from all area schools are invited to enter any media without entry fee. Ribbons will be given for first, second, and third, as well as honorable mention ribbons.

For further information contact Mrs. Jack Schuster 806/946-3626 or Mrs. Joe Smallwood 806/272-3137.

Alpha Rho Lambda Installs New Officers

Alpha Rho Lambda Chapter of Beta Sigma Phi met April 15 in the home of Sheree Montgomery. The outgoing president, Gloria Hutchins, led the opening ritual.

During the business meeting Founders Day was discussed. It will be at 8 p.m., April 24 at the Kingswood United Methodist Church in Clovis. Preparations were made to be ready for the chapter's participation in the banquet.

Joan Johnson will be honored that night and presented with the Order of the Rose. This honor is bestowed on 15-year members.

The City Council report was given by Cynthia Thigpen who reported on the new City Council officers for 1980-81.

Alpha Rho Lambda's chapter officers were inducted by Joan Johnson. They are Mary Ann Lingnau, president; Anita Ralston, vice-president; Cynthia Thigpen, secretary; Sharlotte

Donaldson, treasurer; and Gloria Hutchins, extension officer.

Other items on the agenda were a "Secret Sister Revealing" party to be May 20; proposed change of the meeting date; and Border Town Days involvement.

There was a presentation of gifts between the president and her outgoing officers and appreciation gifts were given to Joan for being the advisor.

Plum cake, tea and coffee were served after the closing ritual. Members present were Gloria Hutchins, Mary Ann Lingnau, Linda Foster, Robyn Palady, Pauletta Curtis, Laura Jacobs, Anita Ralston, Nedda Travis, Cynthia Thigpen, Sharlotte Donaldson, Gaye Roberts, Kendale Burch, Sheree Montgomery, Gay Goettsch and Joan Johnson, advisor.

Next meeting will be May 6 in the home of Cynthia Thigpen.

Convalescent Center Chit Chat

as reported by the Center staff

Farwell Convalescent Center is holding its annual Volunteer Appreciation banquet April 22, at 7:30 p.m. at the Sirloin Stockade in Clovis. We would like to meet at the Convalescent Center at 6:45 or 7:00 p.m.

The Center would like to thank the Magness family for the new microwave oven they donated to the staff. They will never know how much it is appreciated.

Leonard Harper, Farwell Church of Christ minister, held services at the center Sunday.

Mr. and Mrs. Otto Cox from Earth and Annie Best from Portales visited Cora Baker.

Flo Lindsey is a new great-grandmother. The baby girl was born Easter Sunday and lives in Hereford.

Velma Robertson's brother and sister-in-law, Mr. and Mrs. E.T. Bailey, visited from

Albuquerque last week.

The Center has had some new residents the last couple of weeks. We would like to welcome Ollie Bailey, Gertrude Cahill and Lewis Tharp.

FHA Group Attends Tech Fashion Show

Several members of the Farwell FHA chapter, accompanied by their advisor Barbara Knowlton, were in Lubbock last Friday and Saturday to attend a fashion show at Texas Tech University.

They left Farwell at 10 a.m. Friday and because of the snowstorm on Saturday did not remain for all of the fashion show; however, they did get to attend a lecture on "Merchandising for a Fashion Career."

and also attended the luncheon. They returned home at 5:30 Saturday afternoon.

FHA girls attending the event were Rhonda Sudderth, Paula Hukill, Rhonda Spears, Rhonda Spears, Trudy Watkins, Alice Cantu, Toni Spears, Cathy Lovelady, Esther Pena, Hortensia Galvan, Donna Bentley, Carla Reeves, Wanna Menning and Ruth Anne Whitesides.

Class Meets In Billington Home

Friendship Sunday School Class of First Baptist Church of Farwell met Monday afternoon, April 14, in the home of Mrs. Estelle Billington.

Mrs. Pearl Gerie opened the meeting with prayer and Mrs. Hattie Coffey, class president, was in charge of a short business session.

Presenting a devotional on

"Ten Rules to Live By" was Mrs. Beulah Williams.

Refreshments of pineapple cream cheese pie, coffee and tea were served to Mesdames Hattie Coffey, Sallie Chandler, Elsie Hardage, Elsie Tarr, Beulah McWilliams, Beulah Williams, Leatha Jo Roberts, Marie Cox, Pearl Gerie and the hostess.

Farwell Student Still Hospitalized

Steven Stancell, son of Mr. and Mrs. Benny Stancell, Farwell, remains hospitalized in Lubbock Methodist Hospital, room 513. According to his grandmother, Mrs. J. V. Stancell, he is "doing as well

as can be expected." Steven, a student at Farwell Junior High, was injured in an automobile-motorcycle accident on Easter Sunday. He would enjoy hearing from his friends.

Pintores Art League Sets Spring Showing

Pintores Art League has set its Art Fling date for May 17 through May 22. The event will be at Paint 'n Place Gallery, 900 Pile St., Clovis, N.M., giving the public an opportunity to see beautiful paintings from the best area artists.

Entries are to be hand delivered on May 15 between 10 a.m. and 5 p.m. The winners will be judged by Michael C. McCullough of Amarillo and will remain on view at Paint 'n Place through Thursday, May 22. Persons responsible for their paintings must pick them up after 4 p.m. on May 22 and between 10 a.m. and 4 p.m. on Friday, May 23.

Non-member artists in the surrounding areas are invited to submit as many original

paintings as they would like in each category at \$5 per entry. Fee for Pintores members is \$3. Cash, purchase and merchandise awards totaling approximately \$1,970 will be awarded.

Entries must be original (not copies of other paintings) and done without supervision. Entries are not to exceed 24 x 30 inches in size and must be framed and securely wired for hanging. Each entry must have a card attached to the back stating the name and address of the artist, media, title and purchase arrangement.

For further information call Ginie Seifert, 763-4998; B. Laney, 763-4141; or Dorothy Franklin, 763-3157. Area code is 505.

The oldest existing college for women is Mount Holyoke, opened in 1837.

Mrs. Symcox Nominee For Service Award

Julia Symcox of Farwell has been nominated for the Texas Panhandle Distinguished Service Awards which will be presented Saturday, April 19, at West Texas State University, Canyon.

Organizations in 32 Texas Panhandle communities have nominated 135 women for the awards.

The awards, given for the past four years, will be presented to several women during a luncheon at 11 a.m. in the West Texas State University East Dining Hall. Hosting the luncheon is the WTSU Office of Programs for Women.

Dr. Evelyn Milam, a WTSU graduate who now is president of Cottey College in Nevada, Mo., will speak on "A New Decade: Enter Women of the '80s."

Members of the auxiliary of Panhandle-Plains Historical Museum on the campus of WTSU will host a coffee for Milam and the award nominees at 9:30 a.m. on Saturday in the museum.

A slide show featuring the WTSU Child Care Center and other exhibits will be available for viewing in the East Dining Hall before the luncheon.

Ruth Cross, retired WTSU dean of women, and Lennie Sims, a WTSU regent from Wellington, are co-chairpersons of the luncheon. Honorary chairpersons are Gene Alice Sherman, whose husband Max is WTSU president, and Helen Shannon, whose husband Gail is WTSU executive vice president.

Dr. Gail Shannon will introduce the nominees and Helen Shannon will introduce the speaker. Max Sherman and Sims will present the awards. The WTSU Music Department will provide musical entertainment for the luncheon.

Mrs. Symcox of Route 1, has been nominated by the Alpha Rho Lambda Chapter of Beta Sigma Phi sorority and the Farwell Study Club.

The nominee and her husband, Vernon, are parents of seven children and grandparents to 25 grandchildren. Mrs. Symcox presented her idea of building a gazebo in Farwell City Park to the Farwell Study Club, of which she has been a member for five years. Members were first reluctant because of the size and cost of the project. She then presented her idea to Farwell clubs, civic organizations and individuals after the study club donated \$100 and then assisted in raising \$3,000 for the construction of the gazebo.

She also has been active at Oklahoma Lane Baptist Church where she is organist and Sunday School instructor. Under her guidance the study club has made donations to Girls Town, Boys and Girls State and Farwell School.

For her contributions to Farwell, Symcox has been named "Woman of the Year" in Farwell.

WIFE Chapter Sets Meeting

The Muleshoe Chapter of WIFE (Women Involved in Farm Economics) has scheduled a meeting on water importation and conservation Thursday, April 17, at 8 p.m. in the Muleshoe Civic Center.

The speaker was to be Wayne White, manager of the High Plains Water Conservation District Number 1.

All farmers and businessmen are urged to attend.

May Wedding Planned

Mr. and Mrs. Harry Patton of Clovis announce the engagement and forthcoming marriage of their daughter, Kathryn Patton, to Mike Travis, son of Mr. and Mrs. Harold Travis of Farwell. The couple will exchange wedding vows in a private ceremony in Clovis on May 17. Friends and relatives are invited to a reception for the couple in Fellowship Hall

of Hamlin Memorial United Methodist Church following the ceremony. The bride-elect is a graduate of Clovis High School and is employed at American Cattle Feeders. The prospective bride-groom is a graduate of Farwell High School, attended Texas Tech University and is engaged in farming near Farwell.

Lisa Howard Named To All-Star Cast

Lisa Howard, Farwell senior, was named to the All-Star cast in the Area One-Act Play contests in Canyon last Thursday. The daughter of Mr. and Mrs. Buttons Howard, Lisa received the honor for her portrayal of The Queen in Farwell's production of "A Canterbury Tale From the Wife of Bath."

Buchenau, were named to the honorable mention Area All-Star cast.

LISA HOWARD

Only eight persons were chosen for the All-Star cast from the eight plays presented in area competition. Farwell and Vega represented District 3-A with their entries which had been named the top two plays in district competition presented at Farwell in March.

Two other Farwell actors, Charlie Rose and Blaine

FHA Elects Officers

Farwell chapter of Future Homemakers of America elected officers for 1980-81 during a meeting Tuesday afternoon.

Officers who will take over duties with the new school year are president, Donna Bentley; vice-president, Alice Cantu; secretary, Toni Spears; treasurer, Rhonda Spears; historian and reporter, Cathy Lovelady.

Barbara Knowlton is FHA advisor. Present officers who will serve until the end of this term are president, Rhonda Suddeth; vice-president,

Paula Hukill; secretary, Rhonda Spears; treasurer, Trudy Watkins; historian, Alice Cantu; and reporter, Toni Spears.

Children Visit

Mr. and Mrs. Larry Taylor and children were recent guests in the home of Mrs. Taylor's parents, Mr. and Mrs. J.V. Stancell in West Camp. The Taylors are in the process of moving to Lawton, Oklahoma.

Alpha Rho Lambda Celebrates Birthday

The upcoming Founder's Day celebration that begins the Golden Anniversary activities of Beta Sigma Phi sorority will be April 24 at Kingswood Methodist Church in Clovis. The anniversary will be observed by the local Alpha Rho Lambda Chapter here in Farwell in association with the six chapters in Clovis and by all other chapters around the world.

Farwell Mayor Walter Kaltwasser recently signed a proclamation in honor of this event.

Every year in late April, members of Beta Sigma Phi, the world's largest Greek letter sorority, celebrate the anniversary of their organization's founding. But this year will be different.

This year, the 49th birthday of this service, social and cultural organization will kick off a year-long golden anniversary celebration that will culminate in the biggest birthday party ever held.

From April 30, 1980 to April 30, 1981, members will be working on two goals shared by all 250,000 members now active in 31 countries around the world: to extend the hand of friendship to community women; and to enjoy to the fullest extent the opportunities for personal growth that Beta Sigma Phi offers every member.

Life, learning and friendship are the bywords of Beta Sigma Phi. Begun in the midst of the Depression by Walter W. Ross, Beta Sigma Phi was originally designed to provide an outlet for women who, in those hard financial times, could not attend college and were

obliged to remain home and support their families. Ross provided these women with a program of cultural study so they could have a chance at intellectual and social growth.

From the first chapter of seven women in Abilene, Kansas, Beta Sigma Phi has grown from a small social and cultural group into an international sorority that devotes much time to service efforts as well. Hardly a charitable, health or cultural group exists today that has not been helped in some way by Beta Sigma Phi. Internationally, the chapters have created several special funds to which they contribute: the International Loan Fund, through which members help each other; the International Endowment Fund, which has donated over a million dollars to health research groups, homes for underprivileged children and many other causes; the Exemplar Fund, which helps support Literacy Village in India; and a college scholarship fund for members or their sons or daughters.

Of course, cultural and social activities still continue among the chapters. Each year, members are provided with a different outline of study in the liberal arts. Members also plan socials throughout the year, including traditional events like Founder's Day.

Traditional activities of the Alpha Rho Lambda chapter are a Pancake Breakfast on the opening day of pheasant hunting season and participation in the Border Town Days festivities, according to local president Mary Ann Lingnau.

Extension Homemakers

Meet For Programs

Oklahoma Lane Extension Homemakers had two regular meetings during March. The first meeting was March 13 in the home of Lynne Mahaney when the club had a program about food processors.

Laura Jacobs, Assistant County Extension Agent, began the program by presenting facts to consider before purchasing a food processor. She then gave members materials that compared the tasks done by mixer, blender and food processor and then conducted a quiz to find out club members' knowledge about food processors.

Connie Moyer of Southwestern Public Service Company in Clovis then presented a portion of the program and was assisted by Vicki Willis, Home Economist from Roswell. Members received material on how much energy different appliances use and also were given recipes using food processors. Connie and Vicki then demonstrated the preparation of two of the recipes and everyone enjoyed sampling the results.

The second monthly meeting was March 27 in the courthouse with Nelda Wilhite as hostess. Miss Jacobs gave information concerning the

upcoming "Sour Dough Workshop" which will be an all-day meeting April 24 starting at 9:30 a.m. at the Methodist Church in Farwell.

Members are to bring a salad for lunch and their sour dough starter, along with ingredients for two recipes chosen from a list that Miss Jacobs will mail prior to the workshop.

After Miss Jacobs' report, Sheree Montgomery presented the program on fashion forecast. She showed a slide presentation on "Liber Fashion," which are designer fabrics which may be purchased in individual homes. She also showed samples of some of the fabrics from this line.

Sorority Proclamation

Farwell Mayor Walter Kaltwasser, seated, signed a proclamation Monday to honor the Golden Anniversary of Beta Sigma Phi Sorority, the world's largest Greek letter women's service, cultural and

social organization. Looking on are Mary Ann Lingnau, left, incoming president, and Gloria Hutchins, outgoing president of Farwell chapter, Alpha Rho Lambda.

Debbie Prather Party Honoree

Debbie Prather, daughter of Mr. and Mrs. E.C. "Red" Prather of Farwell, was feted with a surprise party in honor of her 18th birthday on Tuesday, April 15.

The party was hosted by her parents at the Bordertown Playorama in Texico. Colors of burgundy, pink and purple were featured on a table decorated with pink and purple flowers. A cake decorated in burgundy and pink was inscribed with "Happy 18th Birthday."

After a hamburger cookout guests enjoyed birthday cake and ice cream.

Out-of-town guests included Mr. and Mrs. Bob Prather and Pete and Barbara Bailey, all from Ft. Sumner; Shirley Bentley and Brenda Bush, both of Friona; and Mr. and Mrs. Harry Willis, and Shirley Hickman, Timmy and Ginger, all of Grier, N.M. Others attending were Gayle Doolittle of Texico, Mr. and Mrs. James Craig, Toni and Rhonda Spears, Jay Anderson, Jimmy

and Robert Bentley, the honoree and the hosts, all of Farwell.

Anniversary Reminder

Mr. and Mrs. Frank Edwards of Farwell will observe their 50th wedding anniversary on Sunday, April 20. They will be honored with a reception in their home at 701 Second Street between the hours of 2 and 5 p.m.

All friends and relatives are invited but the couple requests no gifts, please.

Happy Birthday

Maxine

Love You,

Jenoyce

Texico Jr. High Tracksters Compete At Clovis, Portales

Texico's 7-8-9 grade boys track teams have recently competed in meets in Clovis and Portales.

On April 4 the Texico tracksters were in Clovis where the 9th graders won fourth place with 27 total points.

The 7th grade was led by Billy Bibbs who had two 5th place finishes in the 100 M dash and 200 M dash.

The 8th grade totaled 5 points, including a second place finish in the high jump by Ronnie Landis who jumped 5'0".

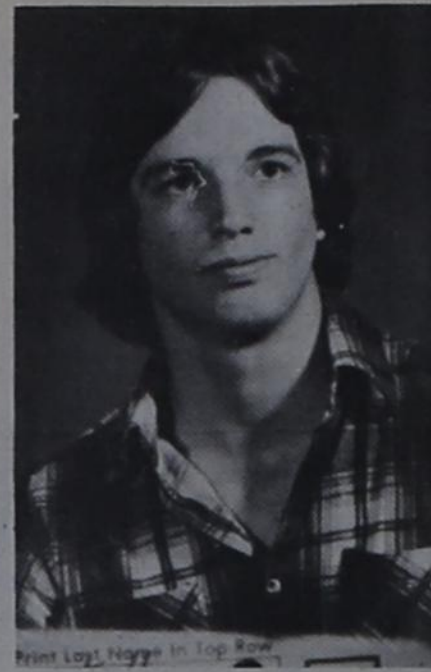

The 9th grade placed fourth with a total of 27 points. They were led by their relay team consisting of Ronnie Landis, Lynn Tubbs, Paul Salguero, Earl Bibbs.

the 110 low hurdles. He won fourth in the long jump. The 800 medley relay team and the 800 M relay team, each composed of B. Gaddis, R. Galvan, R. McCormack and J. Robinson, each took fifth place.

For the 8th grade Ronnie Landis won first in the high jump with a 5'4" leap which is a new 8th grade record. Joe Steward placed fifth with a jump of 5 feet. The 1600 M relay team of R. Dunsforth, S. Miller, J. Steward and D. Chavez placed fourth.

The 9th graders won a first in the 1600 M relay when the team composed of R. Landis, T. Tubbs, P. Salguero and E. Bibbs ran a 3:52.8. The 800 M relay composed of the same boys won third and the 400 M relay team, also composed of those members, won fourth.

Lloyd Williams placed third in the 800 run; Arthur Chavez won third in the pole vault and third in the 400 M dash. The 800 medley team composed of D. Jones, B. Maxwell, A. Chavez and L. Williams placed fourth.

JOHN KELLEY

Texico Writer Wins Journalism Awards

John Kelley, copy-writer for the Texico Wolverine Yearbook, placed first in sports writing and second in news-writing at the Panhandle High School Press Association Convention in Canyon, Tex., Tuesday.

Fourteen members of the Journalism I, II and III classes from Texico High attended the convention. The 1979 Wolverine, edited by Celia Johnson Reid, placed second in the class C Yearbook competition and also received second place in Yearbook cover and a second in a creative spread.

Some of the Judges' comments on the 1979 Wolverine included the following: "Theme - Unique; Cover - very good; Division pages - very consistent; Special spread - good copy, effective heads; Sports spread - good heads, good layout; Activities spread - clear pictures, good copy, good head and layouts."

Kelley, a junior, received a plaque for his first-place story on the Wolverine all-state football team members printed in the State Line Tribune in November. His second-place news story was about Texico's Basketball Homecoming. Kelley's stories were judged against Division II entries which include all schools other than those in the AAAA-division.

Other winners in the sports story division were from Roosevelt, Lamesa, Crosbyton, Follett, Groom, and Canadian.

Those who attended from Texico included James Hadley, Beth Kelley, John Kelley, Steve Kittrell, Waynette Louderback, Roxanne Mayfield, Darlene Duncan, Nikie McDaniel, Becky McDonald, Kathy McLean, Montie Powell, Lisa Reid, Jacque Tatum, and Rhonda Tharp.

They were accompanied by Mrs. Kay West, Journalism teacher, and Mrs. Danalee Sluder, driver.

To Attend West Mar

Texico All-Star wide receiver Shawn Perkins, center has signed a letter of intent to attend West Mar College in Lamars, Iowa. Shown with Perkins are Wolverine coach Paul Toppliff, left, and Texico principal and athletic director James Harding. While at

Texico High School Perkins set both school and career records with most pass receptions in a season, 43; most receiving yards, 1001; and most touchdowns, 15. Joe Martinez, another Texico All-State player, also signed a letter of intent to attend West Mar.

Texico FFA In Judging Contest

Seven Texico FFA members participated in New Mexico FFA Judging Contest at Las Cruces last week.

Those judging livestock included Jeff Dunsforth, Terry Curry, and Jay Duncan.

On the meats team were Bobby Louderback, Robert Meier, and Jay Duncan.

Judging in the poultry contest were Danny Reid and Doyle Duncan.

While the group was in Las

Cruces they enjoyed several hours of swimming, and on Friday, they stopped in Juarez, Mexico, before returning to Texico.

They were accompanied by Las Cruces by Eddie West, FFA advisor.

Texico School Board Approves Budget

Approval of the 1980-81 budget was the main order of business for the Texico School Board in its regular meeting Tuesday night of last week. According to Jim Pierce, superintendent of Texico Schools, the final approval of the budget was made by the board.

April 30 has been set as the date for the budget hearing in the Texico High School library with Dr. Al Clemmons as the

hearing agent.

Other business included the acceptance of three resignations and the rehiring of all other teachers. According to Pierce, the resignations of Katherine Whitehouse, Paul Toppliff and Rebecca Toppliff were accepted. Mrs. Whitehouse teaches Elementary title 1 and Junior High Social Studies and is resigning because she and her husband are planning to move away from the area.

migrant program for the elementary.

The board also approved transfer of \$1500 from 8.311 property insurance to new equipment.

Present at the board meeting were Arlye Crooks, president; Herman Gerles, secretary; Ronnie Curry, vice-president; Jim Pierce, superintendent; Marcia Leavell, bookkeeper; Ronnie Warmuth, teacher; and Greg Martin and Mike Spearman, board members.

The next Texico School board meeting has been changed from May 13 to May 6 because of a conflict with the sports banquet.

Around The House with Laura Jacobs
Assistant Farmer County Extension Agent for Home Economics

A LOOK AT MOBILE HOMES
Mobile home increase in popularity as costs of conventional housing continue their upward spiral.

While difference in initial cost tends to be the big attraction, other cost-related factors are ever-present on the minds of those looking for affordable housing.

PRICES
Percentage-wise, mobile home prices are rising more rapidly than conventional housing, but in actual dollars, the gap has grown wider.

Between 1974 and 1978, the average price of a new house increased 71 percent - from \$9,300 to \$15,900.

SITE OWNERSHIP
The move to the owned site is a trend gathering momentum among mobile home owners.

Approximately 60 percent of the new mobile home owners are permanently erecting them on owned tracts of land, either in residential subdivisions or on individual sites.

Owners often find they can own their own site for less than the cost of rental space in a park.

LIBERAL FINANCING
Liberalization of mobile-home financing has spurred additional interest by making it possible to finance the mobile home and the land at a lower interest rate with a single mortgage.

Lower down payments and longer-term mortgages also add to the attractiveness of the mobile home-on-site package.

APPRECIATION
The age-old question of whether a mobile home will appreciate in value is still being kicked around.

Increasingly, mobile home buyers are becoming aware that locating the unit on an owned site balances gain or

loss in the unit's value against appreciation in value of the land.

But, several recent studies indicate that indeed, mobile homes can and are appreciating in value in certain areas.

LOANS
The way lenders view the mobile home has tremendous influence on assessed value and other lending practices.

The majority of lenders continue to make use of the book-value approach in determining the amount of the loan advanced on used mobile homes.

This approach is often inappropriate in assessing the value of permanent housing. In contrast, an increasing number of lenders now look upon the mobile home as a permanent and essential element of the total housing supply and assess value accordingly.

Where on-site appraisals similar to those used in determining value of a conventional house are used, the neighborhood where the mobile home is located, the home's style and amenities, and the care and improvements contributed to the mobile home are all weighed in determining value.

On-site appraisals of mobile homes do not assure higher values but they do consider essentially the same factors used in assessing value of conventional housing.

April Showers??

Just as area residents were prepared for spring, Mother Nature again presented a surprise. Friday night and Saturday morning approximately one inch of snow fell throughout the area, cleverly disguising the fact that the calendar said it was mid-April.

High winds and cold temperatures continued for most of the weekend; but the snow had disappeared by Monday.

Texico Math Students Enter Science-Math Bowl

Carol Brock's math class from Texico Junior High School recently attended the Math-Science Bowl at the Liberal Arts Building at Eastern New Mexico University in Portales. The team competed in the eighth grade math division.

The team consisted of Kevin West, Steve Miller, Johnny Torres, Ronnie Dunsforth, Dana Morris, Valda Cavallero,

Elayne Horner, Jeff Johnson, Jeff Holland and Christi Barfield, alternate.

Competing four at a time as a team, they won one of their three games. The first game was against Yucca Junior High of Clovis and Texico won 25 to -30. The second game was won by Portales Junior High with a score of 20 to 0. The third game was won by LaPlata Junior High of Hereford with a score of 75 to -5.

Win District

Farwell Tennis Girls Qualify For Regional

Farwell Steerettes doubles team of Tracy Williams and Karen Magness won the District 3-A championship at the tournament played in Hart last Thursday.
The district win entitled them to a trip to regional competition in Odessa this Friday and Saturday.
Also going to regional will be Gina Eubank and Karyn Blain the other Steerettes doubles team who took second place in the district meet.
Williams and Magness, not seeded in the tournament, won four matches to take it all, starting out with a 6-1, 6-1 win over Kress. They then beat Springlake-Earth 6-3, 6-0; de-

feated Hart 6-4, 6-4; and in the final round won over Eubank-Blain, 6-4, 6-2.
Eubank and Blain, seeded first in the tournament, drew a bye in the first round, then defeated Vega 6-0, 6-0 and Kress 6-2, 6-3, before losing in the final round 4-6, 2-6.
Janene Berry, seeded second in the tournament, placed third in district and will alternate for the teams going to regional. She drew a first round bye, then lost to Sue Jones of Springlake-Earth in a tiebreaker 3-6, 6-0, 7-6. She then defeated Templeton of Springlake-Earth 6-3, 6-2 to win third place.

Four Girls Qualify

Tracksters To Regional

Four members of the Steerette track squad had good enough times in Saturday's District 3-A meet at Bovina to qualify for regional competition this weekend at Odessa.
Representing the Blue and White in the track events will be Lorie Turner in the 100 M hurdles and the 440 and 880 relay teams composed of Turner, Trini Garcia, Donna Meeks and Jennifer Williams.
Coach Larry McDorman and his charges will be leaving Farwell Thursday to participate in the regional meet. Preliminaries in the running events begin Friday with the 440 relay team running at 4 p.m.; the hurdles to be run at 5 p.m.; and the 880 relays to start at 5:30 p.m.
Those qualifying will remain until the finals which begin at 1 p.m. Saturday.

Kress Girls Take District Track

The Kress 'Roettes scored 119 points to win the District 3-A girls track meet Saturday, outdistancing their nearest opponent, Bovina, by some 21 1/2 points.
Other standings were Vega, 94; Springlake-Earth, 66.5; Farwell, 59; and Hart, 40.
Farwell's 400 M relay team composed of Lorie Turner, Donna Meeks, Jennifer Williams and Trini Garcia placed first with a time of 54.8.
Turner placed second in the 100 hurdles with a time of 18.5, and the 800 M relay team, composed of the girls named above, placed second with a time of 2:04.4. Jennifer Williams placed third in the triple jump to round out the Steerettes' scoring.
The relay teams and Turner will be in Odessa this weekend to compete at the regional track meet.

Wins At Golf

Alice Vinton of Farwell shot an 85 to get Medalist honors when the Colonial Park golfing ladies hosted the Hi-Plains Golf playday on April 9. Mrs. Vinton had the low gross and low putts in the championship flight.

Tennis, Track Winners

Farwell Steer and Steerette tennis and track team members who will be going to the regional playoffs in Odessa the next two weeks include, from left, Trini Garcia, Lorie Turner, Donna Meeks and Jennifer Williams, track; Karyn Blain, Karen Magness, Tracy Wil-

liams, James Castleberry, Gina Eubank and Doug Cole, tennis. Inset, Clay Williams, tennis. The girls will be competing in tennis and track this weekend while the boys will travel to Odessa for competition next week.

Main Street, Lazbuddie

Boosters, and all of the people who so graciously gave of their time and money to the Longhorn band.

GIRLS DISTRICT TRACK
Lazbuddie girls track team came out in fourth place at the District 4-B track meet April 11 in Sundown.

In the 400 meter relay, LHS placed fourth, but won second place in the 800 meter dash in a performance turned in by Cynthia Everett, Cara Smith placed 7th in that event.

Everett was a fifth place finisher in the 400 meter dash and Susan Glover finished sixth in the 200 meter dash.

Sherri Seaton and Joette Hargett both placed in the 100 meter hurdles competition, with Seaton placing second and Hargett garnering sixth.

Lazbuddie's 800 meter relay team finished third with a time of 1:56.05, behind Three Way and Sundown.

Jalayne Collins and Trestia Moore both placed in the 100 meter dash event, with Collins placing fourth and Moore, fifth.

Cynthia Everett was third place finisher in the 1600 meter run, with Tina Collins placing sixth.

In the 1600 meter relay, Lazbuddie finished on top in the event with a finish of 4:38.04.

In the field events, high jumpers Barbie Ivy placed fifth at 4'8" and Susan Glover was sixth with a jump of 4'6".

Sherri Seaton placed first in the discus at 113'8 1/2" and Shari Wilhoit placed sixth with a throw of 83'.

Wilhoit also had a sixth place finish in the shot put with a toss of 25'11 1/4".

The Longhorn girls track team placed fourth with 88 total points, and Three Way, who won the event had 141 points. They are coached by Mickey Wilson.

TENNIS TEAM WINS
Lazbuddie boys tennis team won their division in Sundown on April 9-10.
The second seeded team of Mickey Powell and David Lust

ELEMENTARY WINS UIL
Lazbuddie Elementary UIL contestants won their division of the literary events in the UIL meet held in Sundown March 28.

Final results were delayed by the results in the ready writing contest, in which there were five Lazbuddie students entered.

In the 7-8 ready writing contest, Shane Smith placed third, behind winner from Amherst and Sudan, Launa Brockman placed sixth. This gave Lazbuddie 5 points to add to a 35 point lead over their nearest competition, which was Amherst.

In the 5-6 competition, fifth grader Shonda Mitchell pulled off a third place finish to add 5 more points to Lazbuddie's total. Lezie Smith added a fifth place performance to round out the event for Lazbuddie.

The Elementary-Junior High UIL contestants have much to be proud of in the UIL finish, including a fine trophy which will remain at Lazbuddie.

BAND TO SIX FLAGS
Members of the Longhorn band will converge on Ft. Worth - Dallas next week to take part in the Six Flags Over Texas Music Festival April 23-26.

The band will board a chartered bus in front of the high school building on April 23, and will play at Six Flags the following day.

This is the first time a Lazbuddie band has been on a band trip and there is much anticipation among the bandmen.

Some of the sites they will visit include the Ft. Worth water gardens just outside of the Tarrant County Convention Center, the Wax Museum of the Southwest, and of course, Six Flags Over Texas.

Much of the money which has made the trip possible has been raised and donated by the Lazbuddie Band Boosters organization, headed by president Joyce McGehee.

Members of the band would like, at this time, to take the opportunity to thank the Band

NOTICE TO SCHOOL TAXPAYERS

Next Week

Steer Golf, Tennis Teams To Regional

Farwell Steer tennis and golf teams are working overtime this week in preparation for their upcoming trips to regional competition next week in Odessa.

The golfers play in regional action next Wednesday and Thursday while the tennis boys take to the courts on Friday.

Placing second behind Bovina, the Steers earned their berth in regional by shooting a 1162 in the recent district tournament.

Friday, the Steer linksters were in Amarillo to play in the Amarillo relays, missing the sixth place cutoff by four strokes.

In tennis action, James Castleberry placed second at the district tournament last Thursday at Hart to win a ride to regional, and the doubles team of Clay Williams and Doug Cole also placed second to advance to regional play.

Castleberry, seeded second in the tourney, drew a first round bye. He then defeated Galbraith of Vega 6-2, 6-0, and Springlake's Neinst, seeded number three, 6-4, 6-3. In the final round he fell to first seeded Smith of Springlake, 4-6, 4-6.

Williams-Cole were seeded number two going into the tournament and wound up in that place. They drew a first round bye, then defeated Kress 6-3, 6-1. In a tense, exciting match with the number three seeded Hart, the local duo came back from an 0-3 score in the tiebreaker to win 7-6. They had split sets 5-7, 6-1. In the final round they lost to the number one seeded team of Springlake-Earth 1-6, 4-6.

Dale Sikes, the other Steer competing in the tournament, wound up with sixth place. In his first action he played the number one seeded Smith of Springlake and lost 0-6, 1-6, then won his next match by default, and lost his final match 2-8 to get the green ribbon.

The District 3-A track meet for boys will be hosted by Farwell this weekend and it is possible Steer tracksters will also make it to the regional scene. A report on their finish will be published next week.

Upcoming Sports Events In Texico And Farwell

Texico Junior High Track Team will travel to Tatum, Friday, April 18, to compete in the Tatum Invitational Track Meet. Both boys and girls of grades 7, 8, and 9 and High School will attend.

Farwell varsity girls will participate in the regional track meet in Odessa, Friday, April 18, and Saturday, April 19.

Farwell girls varsity tennis team will play in the regional tennis meet in Odessa, Friday, April 18, and Saturday, April 19.

Farwell boys golf team will attend the regional golf meet in Odessa, Wednesday, April 23, and Thursday, April 24.

Expert cites aerobic benefits

COLLEGE STATION - To many a beginning runner, the pain and agony often obscures the benefits of a new exercise program.

One of the main advantages of aerobic exercise, such as running, jogging or cycling, is the effect it has on cardiovascular fitness, says a Texas A&M University physical fitness expert.

The fit body gained from sustained exercise, as in running, increases the lungs' capacity to deliver and utilize oxygen and the heart's capacity to pump blood, says Dr. John Chevrete, a Texas A&M health and physical education professor and co-author of "Running for Fun and Fitness," a handbook for the beginning runner.

Chevrete also cites reduction and prevention of hypertension, reduction of cholesterol in the bloodstream and weight control as additional running benefits.

Farwell Jr. High Hosts District Track Meet

In the District 3-A Junior High track meet Tuesday, the Farwell eighth grade boys made the best showing, coming in second with a score of 109.

The seventh grade boys and girls and the eighth grade girls all placed fourth in their divisions.

The seventh grade girls had a score of 58, being beaten by Bovina, 168; Springlake-Earth, 129; Vega, 71; Hart scored 56 and Kress had 42.

The seventh grade boys scored 75, being beaten by Kress with 152, Hart with 105, and Springlake-Earth with 84. Vega scored 52 and Bovina 12.

The eighth grade girls scored 74 1/2, being beaten by Kress with 167, Vega with 147 and Bovina with 80 1/2. Springlake-Earth scored 39 and Hart 16.

The eighth grade boys scored 109, being outscored only by Kress with 121 1/2. Bovina scored 108 1/2; Springlake-Earth, 68; Hart, 63; and Vega, 26.

According to Coach Bill Phillips, all the kids turned in very good performances. "We really seemed to peak out well for this meet. The kids worked hard and we were not disappointed for their efforts," said Phillips.

SEVENTH BOYS

Shot put: Roger Robertson, 3rd, 32'3 5/8"; High jump: Roger Robertson, 1st, 4'10"; Long jump: Roger Robertson, 1st, 16'5"; and Sammy Sanchez, 5th, 14'9".

220 Dash: Brian White, 6th, 33.0. 1320 Run: Sammy Sanchez, 1st, 4:18.9 and Mark Bristow, 4th, 4:47.2.

Mile relay: 2nd, 4:42.4, Sergio Arce, Lane Tant, Roger Robertson, Sammy Sanchez. 250 Low hurdles: Sergio Arce, 2nd, 40.1.

440 Relay: 4th, 57.6, Sergio Arce, Sammy Sanchez, Lane Tant, Roger Robertson.

SEVENTH GIRLS

High jump: Cynthia Ancira, 3rd, 3'9"; Shot put: Shayline Jones, 2nd, 21'5 3/8"; Triple jump: Shayline Jones, 4th 21'11".

880 Relay: 3rd, 2:12.8, Sandy Coleman, Toby Odle, Cynthia Ancira and Sonia Chisom. Mile relay: 5th 5:56.5, Marla Meeks, Sherry Derrick, Denise Ford, Tracy Lovelace.

100 M Low hurdles: Cynthia Ancira, 2nd, 20.0. 440 Relay: 3rd, 61.6, Sandy Coleman, Toby Odle, Cynthia Ancira, Sonia Chisom.

220 Dash: Toby Odle, 3rd, 31.7.

EIGHTH GIRLS

880 Relay: 2nd, 2:06.7, Jane Ward, Lezie Castleberry, Cassie Chavers, Suzahn Inman.

Mile relay: 6th, 6:00.0, Linda Morales, Vickie Heard, Betty Costilla, Norine Jones.

Long jump: Suzahn Inman, 2nd, 15'2" and Jane Ward, 6th, 13'9". Shot put: Lezie Castleberry.

Legal Notices

NOTICE OF OPPORTUNITY FOR PUBLIC HEARING

The City of Farwell has been granted a variance by the Texas Department of Health from the Maximum Constituent Level for fluoride contained in this Department's "Drinking Water Standards".

The Texas Department of Health is proposing to issue the following compliance schedule for the City of Farwell:

1. The City of Farwell will continue investigating alternate sources of water.
 2. Written notice of the variance shall be provided to all dentists in the area you serve.
 3. Public notification shall be issued quarterly.
 4. If another water supply is not available, a new compliance schedule must be submitted to the Division of Water Hygiene by November 1, 1982.
- The Division of Water Hygiene will hold a public hearing on the compliance schedule for the City of Farwell if a valid request is received by May 16, 1980. A valid request may concern the following:

The variance compliance schedule results in an unreasonable risk to the public health.

All requests for a public hearing must be made in writing to:

Chief, Enforcement Branch
Division of Water Hygiene
Texas Department of Health
1100 W. 49th Street
Austin, Texas 78756

A copy of the compliance schedule may be reviewed at the Division of Water Hygiene, Texas Department of Health, the Public Health Region 1, P.O. Box 968, WTSU, Canyon, Texas, 79016, or by contacting the aforesaid applicant.

Issued this 3rd day of April, Robert Bernstein, M.D., F.A.C.P.
Commissioner of Health
Texas Department of Health
Published in State Line Tribune April 11 & 18, 1980.

WITH THE BIBLE
BY CORNELIUS R. STAM, PRES.
BEEBEE BIBLE SOCIETY
CHICAGO, ILLINOIS 60635

TRUE REVIVAL

In the days of Ezra the prophet, Israel was in much the same state as the Church today. Happily, however, some of the leaders became convicted that they had been neglecting the Word of God—especially that part which was addressed to them: the law of Moses.

As a result they made Ezra a pulpit on which to stand and read the Scriptures to the people (Neh. 8:4). "From morning until midday" he read to them, while others mingled with the audience and "caused the people to understand."

"So they read in the book of the law of God distinctly, and gave the sense," with the result that "all the people went their way to eat, and to drink, and to send gifts and to make great mirth. BECAUSE THEY HAD UNDERSTOOD the words that were declared unto them" (Vers. 8, 12).

Similarly, after our Lord had explained the Scriptures to the two disciples on the way to Emmaus,

they said to each other:

"Did not our heart burn within us, while he talked with us by the way, and while he opened to us the Scriptures?" (Luke 24:32).

Well-meaning groups and individuals have for decades been praying in vain for a true spiritual revival in the Church, but the only sure road to revival is a renewed interest in the Bible—and especially in what God there says to us in the Epistles of Paul.

When we become convicted of our neglect of God's Word; when men of God "study" to "rightly divide" its contents and begin TEACHING THE BIBLE from the pulpit, a great spiritual revival will inevitably follow.

As we study the Word of God in general, and His Word to us in particular, we, like the Israelites of Ezra's day, will experience the joy of understanding God's love letter to us.

Farwell High Dominates District Literary Meet

Farwell High School entered some 57 students in the District UIL Literary events in Canyon last Thursday and dominated the meet with 19 local students qualifying to compete in the regional literary meet April 18 and 19 in Odessa.

Competing against other schools from District 3-A, Farwell amassed a total of 224 points to be the top rated school in the meet, finishing ahead of Springlake-Earth, 141; Vega, 107; Bovina, 94; Hart, 33; and Kress, 1.

First and second place winners in district competition qualify for the regional event. Going to Odessa this week-

end to compete will be Bowie Howard and Johanna Mesman, debate; Charlie Rose, informative speaking; Lisa Howard and Kyle Kelley, poetry interpretation; Lisa Darby, prose reading.

Also, Jeanette Gilliam and Kim Lovett, feature writing; Lisa Hughes, Kim Marsh and Rhonda Sudderth, editorial writing; Tonda Fulcher, Paula Hukill and Rhonda Dale, headline writing; Lari Curtis, news writing; Blaine Buchenau and Cydney Ford, ready writing; Michael Boling, spelling and plain writing; and Curtis Little, typing.

Farwell students will leave Friday for Odessa where they will stay overnight prior to Saturday's events. Only the debate team will be competing on Friday according to Tom Knoy, high school principal, who will be among the adults accompanying students to Odessa.

Other Farwell participants who placed in last Friday's events but did not qualify for regional were Stacy Turner, 4th, informative speaking; Polly Turner, 5th, persuasive speaking; Donna Kalbas, 5th, science; Carolyn Lovvorn, 6th, spelling and plain writing; and Tammi Lovelace, 4th, typing.

Accompanying the students to the District UIL meet were Lucille Franse, Dorris White and Randy Long.

Literary Winners

Among the Farwell High students winning ribbons in the District UIL Literary events in Canyon last week were, back row, left to right, Kim Lovett, Curtis Little, Johanna Mes-

man, Kim Marsh, Paula Hukill, Kyle Kelley, Lari Curtis, Rhonda Sudderth and Lisa Howard; middle row, left to right, Lisa Darby, Michael Boling, Blaine Buchenau,

Donna Kalbas, Rhonda Dale, Tonda Fulcher and Stacy Turner; front row, left to right, Bowie Howard, Cydney Ford, Lisa Hughes, Carolyn Lovvorn and Jeanette Gilliam.

Commissioners Approve New Vehicle Purchase

Parmer County Commissioners Court met in regular session Monday, April 14, with Judge Porter Roberts presiding.

County Sheriff Charles Lovelace appeared before the court to discuss the purchase of a new vehicle for the sheriff's deputy at Bovina. The court unanimously approved the advertisement for a new vehicle to replace the 1975 Ford LTD presently being used there.

Sheriff Lovelace also presented for discussion an electric welder which was confiscated as evidence in a theft case. After advertising through police channels he has been unable to find the owner of the welder. The commissioners voted to approve that the welder be put up for sale through sealed bids.

Several other pieces of equipment, no longer in use in Precinct 2 were also approved to be put up for sale through sealed bids. This list includes: two 135 Massey Ferguson tractors with 7 sickle mowers, one PTO type shredder and one 4-wheel tank trailer, approximately 500 gallon capacity.

In other business, the court unanimously voted to ratify a Participation Agreement for Texas Association of Counties Unemployment Fund.

Commissioners also voted to transfer \$10,000 from the Farm-to-Market Fund and add it to the \$20,000 Certificate of

Deposit which matured on April 15 and invest the \$30,000 in a 90-day CD for Precinct 3. They also approved the transfer of \$20,000 from the Farm-to-Market Fund to be invested in a 90-day CD for Precinct 1.

A motion was passed unanimously to pay two bills for Dora Fields, a Parmer County foster child. One bill for boarding care was in the amount of \$186.00 and the other was a medical bill for \$147.00. It was noted that Dora Fields is now qualified for Medicaid.

County Treasurer Mrs. Benna Felts gave the Treasurer's Quarterly report which will be published in the three county newspapers.

Farmers Should Consider Crop Insurance

Dollars invested in planting and producing crops have always been called the "riskiest dollars in farming." But with production costs going up from one week to the next and interest rates at the highest

level in history, the risk is greater than ever, according to Carey Johnson, District Director of USDA's Federal Crop Insurance Corporation.

"This isn't to say that the likelihood of losing a crop is any greater than in past years but the financial impact of a loss is certainly far greater," Johnson says. He points out that most farmers will have more money invested in each acre this spring than they have ever had before. If they should lose this money and have to replace it with borrowed dollars they will pay interest rates that have gone up almost twice as fast as the rate of inflation.

"What's more," the insurance expert adds, "any additional debt that is used to replace a lost crop investment represents a claim against the farmer's future profits. Very few farmers today can afford to earmark next year's profits to repay last year's losses." Johnson recommends that Parmer County farmers consider an all-risk crop insurance policy that in most cases can be bought at a fraction of what it would cost just to pay one year's additional interest on a lost crop investment. He notes that while the cost of borrowing money has gone up dramatically, the cost of insuring money has remained about the same and in some cases has declined.

The deadline to apply for insurance coverage on cotton, corn, and grain sorghum in Parmer County is April 30. Information about the protection available and what it would cost can be obtained

without obligation by writing to Carey Johnson, District Director, 1205 Texas Avenue, Room 214, Lubbock, Texas 79401.

AROUND THE TWIN CITIES

The High Plains Grain Products International meeting will be Tuesday, April 22, at 8:00 p.m. at the Farwell School Cafeteria.

Farwell School Board will hold a special call meeting on Tuesday, April 22, at 8:00 p.m.

Tuesday, April 22, at 5 p.m. is the voter registration deadline for New Mexico.

Texico Women's Club meets at 7 p.m. Tuesday, April 22, at the Community Building.

Texico City Council meets at 6:30 p.m. Tuesday, April 22, at the City Hall.

Advanced Math Students

These advanced math students at Farwell High recently participated in a nationwide mathematics examination administered at the school. In this their first year to take the examination, the local students

placed 14th out of the 26 Texas schools entered in Class 1A. The classification was taken from UIL figures. Standing are, left to right, Donna Kalbas, Randy Herington and

Paula Hukill. Seated are Michael Boling, Farwell's high scorer on the exam, and Lisa Hughes. Mrs. Anne Corn teaches advanced math courses at Farwell High.

Fire Calls

Both the Texico and Farwell Volunteer Fire Departments had a relatively light week this week.

The Farwell department had two calls during the week. They responded to a weed fire at 2:41 p.m. on April 9. The fire was located along the railroad about two miles east on U.S. 60. They responded to another weed fire on the loop near the Farwell school on April 10 at 1:00 p.m.

The Texico Fire Department had only one call during the week. On April 11 at 2:30 a.m. they responded to a grass fire about 2 miles NW of Texico.

Hist. Society Requests Help

The Parmer County Historical Society is requesting help from the citizens of the Farwell area. Anyone knowing of any pioneers of the county or anyone who lived here when Parmer became a county 50 years ago are asked to please contact Jeannie Norris or Hugh Mosley of Farwell or Otho Whitefield of Friona. Names and addresses of former area residents would be appreciated.

Places 14th - -

Farwell Math Group In Nationwide Test

The advanced math students of Mrs. Anne Corn at Farwell High School recently competed in the Annual High School Mathematics Examination sponsored by MAA, Society of Actuaries, NCTM, Mu Alpha Theta, Casualty Actuarial

Society. This was the first year that Farwell students have taken part in this nationwide testing and placed 14th out of the 26 Texas schools taking the exam in the Class 1A division.

Michael Boling was high scorer for the Farwell students. Other from Farwell taking the examination were Lisa Hughes, Paula Hukill, Donna Kalbas and Randy Herington.

Almost twice as many students took the exam in Texas this year as did last year and it is hoped that more and more students will have the opportunity to take the test each year.
