

Did you notice the foliage last week? It was as colorful as a body might find anywhere. We seem to have had just the right amount of freeze to bring out the color in all our variety of trees. Of course, you had to look quick because the ever-present wind took a lot of the leaves off in short order.

...
We are probably going to tread on delicate ground but we do not believe in "demonic possession." Evidently some folk so believe because we read where some lawyer plans a murder defense based on a claim that his client was "possessed" and therefore apparently incapable of resisting the impulse to sticking a knife in another of boy.

Our opinion is "hog wash." If a profession will allow its practitioners to turn the clock back to the days of the Salem witch hunts it needs to examine itself rather closely.

We think the judge should summarily throw the defense case out of court and to recommend the attorney for a short session with the local shrink. The story goes on to say that it is anticipated that jury selection could take from two weeks to two months. Good grief! Think of the taxpayers' monies squandered on that deal.

Everybody probably has some odd-ball ideas. If you sift through enough people you are bound to eventually find a few kindred nuts. We do not believe this is the right way to go about the process of jury selection.

Amongst other things a little sanity needs to return to the judicial process. It is so bad now that the criminal receives more judicial attention than the innocent.

...
The Administration is looking back over its shoulder at the specter of increased budget deficits and thinking of some new ways to raise taxes. Apparently all the methods of tax raising have already been put on the pore of public so retreading some old ones seems to be in order. It has not escaped political notice that taxing sin seems to raise a minimum of howling so now comes the indication that Congress might hike the levies on tobacco, booze and entertainment tickets.

While holding no particular brief for these commodities we feel that adding taxes in those areas would be extremely counter-productive.

In the first place, there would be some people who might give up the weed, quit tipping or going out to a show or game. But we firmly believe that what would be the much more likely scenario would be for the people to spend their limited resources for their smokes, booze, beer, and other entertainment schemes as before.

They would make up the additional tax expense by short potting their families, other creditors and increase their cheating on public relief. Unfortunately, when you battle sin with high taxes it is the helpless and the government that wind up paying the tab.

...
If a person is looking for exercise, there are many ways I've found.

Among them are beating around the bush, and throwing your weight around.

Another way is to drag your heels, while also passing the buck, or one can stick his neck out.

At the same time pushing his luck.

Though wading through paper work is apt to create a little stress.

Making mountains of molehills won't help you climb the ladder of success.

Gold Star Winners

Winners of the 1981 4-H Gold Star Awards, the highest distinction Parmer County 4-H can award, were Charles Johnson and Devera Rhodes. Johnson, a freshman at Bovina High School, and Devera, a

Friona High School freshman, will be honored at the District Gold Star Banquet November 23 in Lubbock. The two received the County Gold Star awards Monday night at the Parmer County 4-H Achiev-

ement Awards Banquet at Bovina schools cafeteria. Both winners have been active in 4-H activities for five years, holding offices and serving on committees in their respective clubs.

Gold Star Winners Named At Banquet

Approximately 200 Parmer County 4-H'ers, their parents and special guests gathered Monday night for the annual Achievement Awards Banquet, sponsored by Bailey County and Deaf Smith County electric cooperatives.

Highlighting the evening, which took place at the Bovina schools cafeteria, was the naming of the Gold Star Girl and Gold Star Boy, the county's highest 4-H distinction.

Selected to this honor were Devera Rhodes of Friona and Charles Johnson of Bovina.

For five years Devera has been active in the 4-H program in Parmer County. The daughter of Mr. and Mrs. Wayne Rhodes of Friona has had many projects, including swine, sheep, horse, clothing, food and nutrition and food preservation.

Food and nutrition has been a major emphasis for this 4-H'er as she has received many blue ribbons at county and district level food shows, as well as at the county project fair.

The 1981 Gold Star Girl has served as vice-president and council delegate in her local 4-H chapter, as well as having served on various committees.

Devera is a freshman at Friona High School.

The 1981 Gold Star Boy was introduced by last year's

honoree, Scott Johnson, who this year had the honor of naming his own brother to receive the award.

Charles Johnson, the son of Mr. and Mrs. Billy Johnson, has been an active member of the Bovina 4-H club for five years. Projects he has carried during that time include swine, beef, field crops and shooting sports.

He has been a member of the 4-H livestock team and competed in area judging contests and field days.

Johnson has served his local club as vice-president and president, and is a member of the Parmer County Teen Leaders, president of the County 4-H Council and repre-

Sunday Accident Injures Driver

Following a one vehicle rollover Sunday night at 8:28 p.m., Jerry Foskey of Douglas, Ga., was transferred to Lubbock Methodist Hospital where he was listed in serious condition at mid-week in the intensive care unit.

Foskey received massive head injuries including a fractured skull on the left side. The incident took place approximately 7.5 miles southeast of Farwell on U.S. 84 near Lariat,

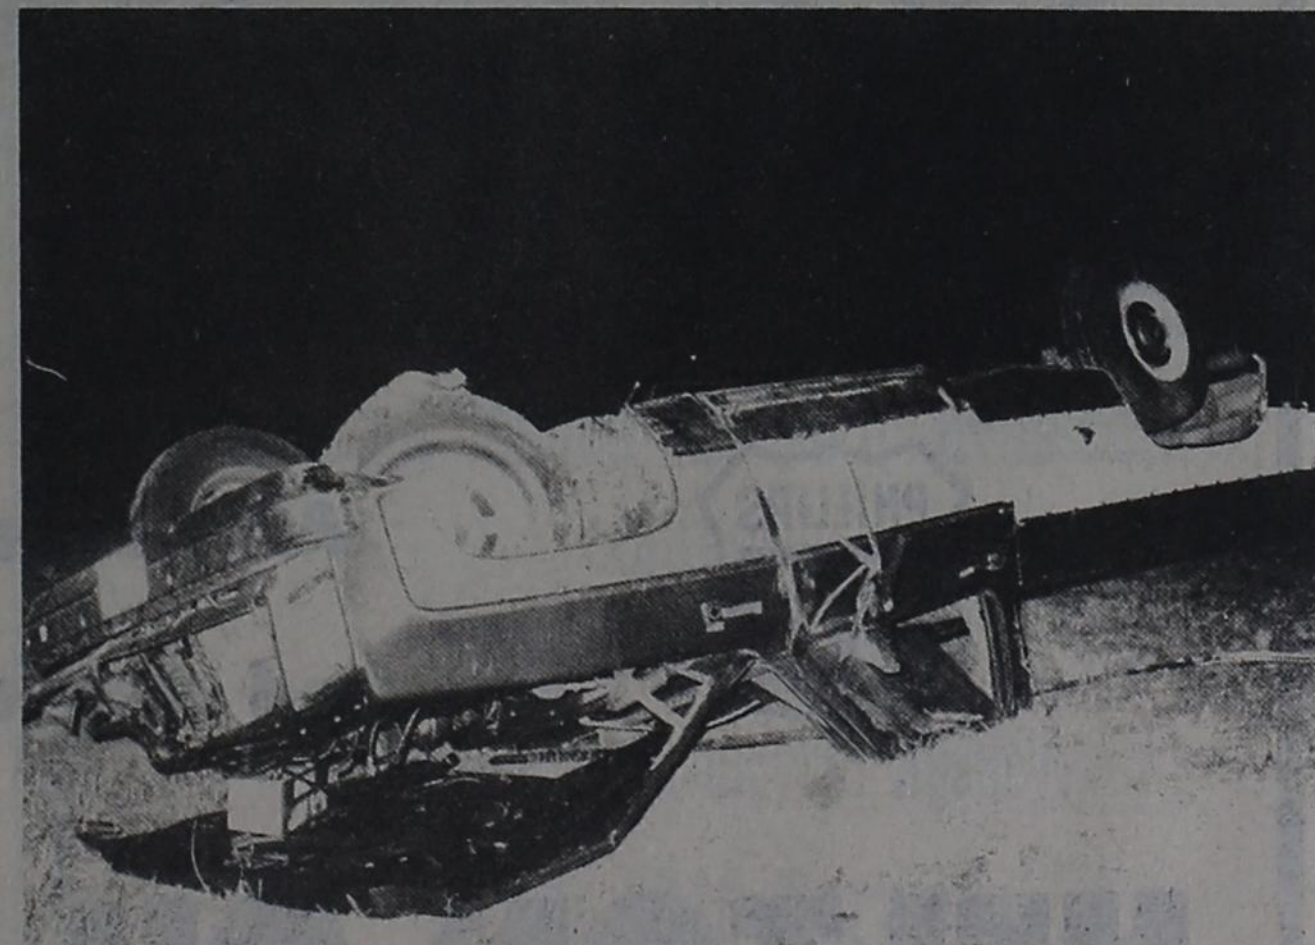

according to Craig Hunt, Department of Public Safety investigating officer.

Driving a 1979 blue and white Chevy Bonanza pickup, the 36-year old Georgia man allegedly was traveling at speeds exceeding 100 miles per hour heading east. DPS Officer Hunt reports that Foskey apparently tried to make a curve at a high rate of speed, traveling from that point about a quarter of a mile, then began to slide sideways into a bar

ditch and overturned the vehicle two and one-half times in the west bound lane of traffic. Foskey was thrown from the vehicle approximately 50 feet from where the pickup came to rest, according to Hunt.

The DPS officer said the man was employed in Mule-shoe and has a brother living there also. He had been living in the Highland Motel in Clovis for approximately one week.

he lost control after trying to make a curve. Hunt reports that the vehicle began to slide sideways into a bar ditch and overturned in the west bound lane of traffic two and one-half times. Foskey was thrown from the vehicle.

One Vehicle Incident

Department of Public Safety officers were called out at 8:28 p.m. Sunday night to this one-vehicle rollover that sent driver Jerry Foskey of Douglas, Ga., to the surgical intensive care unit at Lubbock Methodist Hospital with mas-

sive head injuries. According to investigating officer Craig Hunt, Foskey, who had been living in a Clovis motel about one week, was traveling at speeds in excess of 100 miles an hour on U.S. Highway 84 heading east near Lariat when

he lost control after trying to make a curve. Hunt reports that the vehicle began to slide sideways into a bar ditch and overturned in the west bound lane of traffic two and one-half times. Foskey was thrown from the vehicle.

Wolverine Teams Play In Regional

Once again Wolverine athletes are placing Texico on the map as both the volleyball team and football team enter regional play this week.

The volleyball girls were to have played Quemada at Farmington on Thursday, competing on a wild card berth. The girls were to play at 3:30 p.m. "If we play good we can beat anybody in Class A in the state," said coach Mike Littlejohn prior to the game.

Volleyball state playoffs begin next week in Albuquerque. The varsity football team will play Capitan Friday night in regional action at 7:30 p.m. at Tiger stadium. The Wolverines closed out their regular play season with an

undefeated record of 8-0 advancing them to the playoffs. "It's going to be a competitive game, one of the tougher ones this season," said coach David Lynn before leaving for Capitan. "I don't believe in luck. I believe what you do to prepare for it is what makes it happen. We've got the talent. We can do it all, I really believe that."

Capitan lost their bid at the state crown last year losing 26-20 to Tatum. The Tigers ended this year's regular season play 7-1, losing only to Reserve.

The winner of Friday's game will play the winner of the Reserve-Tatum game next week for the state title.

High Speed Chase Follows Robberies

Two Parmer County juveniles were arrested early Saturday morning following the robberies at two Parmer County Allsup's stores and a high speed chase through three counties, according to Parmer County Sheriff Bill Morgan.

Morgan said the youths were apprehended in Randall County near Amarillo after the 16-year-old male driver led law authorities from Bovina to Friona to Hereford to Canyon, running two road blocks, traveling at speeds in excess of 100 miles per hour.

The two appeared before Parmer County Judge Porter Roberts on Monday, accompanied by their parents. The 16-year-old male was ordered held in detention for 10 days in Parmer County custody. At the end of the 10-day period, which is the maximum amount of time a juvenile may be held, no matter what the degree of crime, the youth will appear at another hearing.

Morgan said the youngster has been appointed an attorney.

His 14-year-old female companion was released to her parents by Judge Roberts.

According to the sheriff, at approximately 2 a.m. CST on October 31, the Allsup's store in Bovina was robbed by a 16-year-old male whom the clerk on duty knew personally.

"While we were there checking things out and looking for the boy on foot, he had gone to a girl's house in Bovina, picked her up and they both left in her daddy's pickup traveling to Texico, where he filled up with gas at the fuel stop," Morgan said.

From there the two went to Friona where he allegedly robbed the Allsup's store, and two customers. One customer allegedly was robbed inside the store and one allegedly was robbed outside, Morgan said.

"They left there headed east. We had radioed ahead descriptions of the truck to the Hereford sheriff's office, and just as we were leaving the store in Friona the officers in Hereford radioed they were in pursuit of

the pickup, heading east at speeds in excess of 100 miles per hour," the sheriff said.

A roadblock had been set up in Canyon, and according to Morgan, the youths ran it, heading to Amarillo. "Then the Canyon Police Department and the Randall County Sheriff's

office got in the chase," Morgan said.

Parmer's sheriff said that the Randall County authorities radioed ahead to Amarillo Police Department who in turn set up a roadblock at Canyon E-Way and Western Avenue. The Parmer youths then

allegedly ran that roadblock, according to Morgan, on the north side of Western Street exit on the Canyon E-Way. "They rammed an Amarillo City Police car from the rear, knocking it across the median and completely across the

Drager Still Leads - -

Perfect Score Nets Win For James Castleberry

James Castleberry of Farwell managed to outwit the other weekly football contest entrants by correctly predicting all 12 contest games last week, making him the first place winner. For his efforts Castleberry was awarded \$7.50.

In second place, leading a pack of seven, was Ken Horn of Farwell with 11 correct guesses. Horn was only 15 points off on his tiebreaker entry, winning him the \$5 cash prize.

Others who managed to call 11 correct games were James Dunswoth and Jeff Holland, both 21 points off on their tiebreakers; Lynn Tybbs, 22 points off; Craig Horne, and Christie Barfield, each 23 points off; and Bill Roberts, 25 points off.

Sam Drager still leads in the bid for the Dallas Cowboy tickets with a total of 77 points. But not far behind in second place is Mark Williams with 76 points. Williams and Drager have been battling it out for

the past several weeks, and with only three guessing weeks left, the tickets could still go to either one, or even to someone totally different as Ken Horn sits alone in third place with 75 points.

In 4th place with 74 points are Vicky Lynn and Mike Woods.

With 73 points and in 5th place is Thad Phillips.

In 6th place with 72 points are Richard Engelking, Carl Dean Goettsch and Jennifer Williams.

In 7th place with 71 points are W.M. Roberts and Don Williams.

In 8th place with 70 points are James Castleberry, Johnny Curtis, Ray Ford, Craig Kallwasser, Jack Kirkland, Sue Kirkland, Carlton Newell and Scott Parker.

In 9th place with 69 points are William Dannheim, Teresa King, Donnie McDonald, Dick Pylant and Mrs. W.M. Roberts.

And, in 10th place with 68 points are Hobby Coffman,

Pauletta Curtis, Max Lonsdale, Terry Newell, Diane Parker, Earlene Porter and James Craig.

Winners of the games listed in last week's contest were Texico over Cloudercroft; Clovis over Carlsbad; Vega over Bovina; Canyon over Dumas; SMU over Texas A&M; Arkansas over Rice; Texas over Texas Tech; Buccaneers over Bears; 49'ers over Steelers; Bengals over Oilers; and Cowboys over Eagles.

Of the top guessers this week, the most missed games were Bovina at Vega; and Clovis at Carlsbad.

Texico's computer and math class tied again this week, each entering eight correct predictions.

The contest now enters its 10th week, which means predicting has come down to the wire for the top weekly guessers. But for those who are not even in the running for the Dallas Cowboys tickets, do not despair, the weekly cash prizes are still up for grabs.

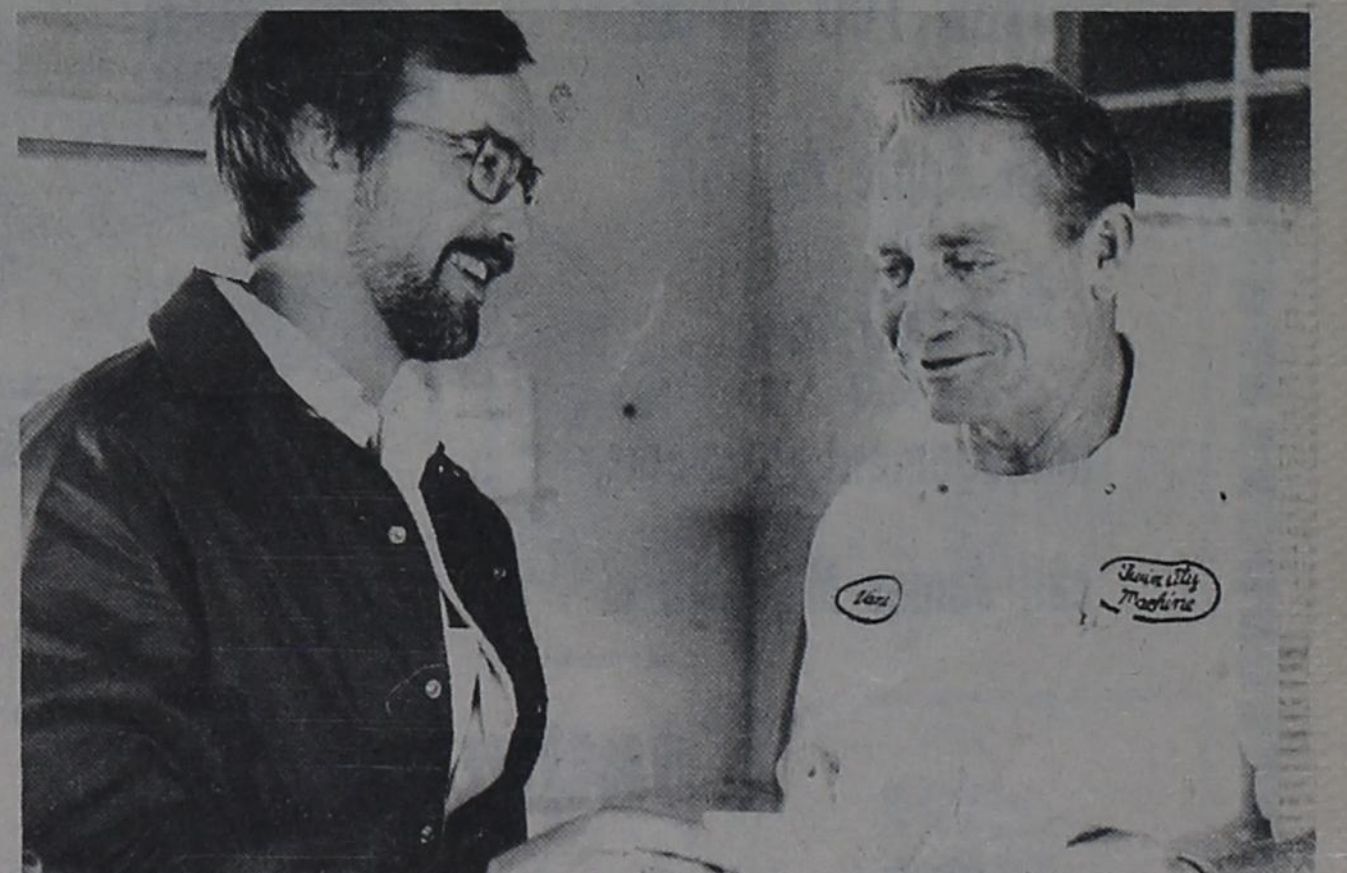

Offices Observe Veteran's Day

Both Twin Cities post offices and banks will be observing Veteran's Day, Wednesday, November 11, and will be closed.

Otis McMillan, Farwell postmaster, said that although mail will not be delivered to the routes, mail will be placed in post office boxes. Mail will not be put up in Texico, according to postmaster Louise Engram.

Texico City Hall will also be closed that day, but the Farwell city offices will be open.

The Parmer County and Curry County courthouses will be closed.

2nd Place Winner

Ken Horn (left) took second place in this week's football contest with 11 correct predictions and a 15 point spread on his tiebreaker entry. For his guessing prowess, Horn was awarded the second place cash prize of \$5 from Vane Doshier

of Twin City Machine Works, a contest sponsor. First place winner this week, with a perfect score of 12 perfect predictions, was James Castleberry. Castleberry, who was away at college and unable to be photographed, was awarded

the first place cash prize of \$7.50. Still in first place for the Dallas Cowboy tickets is Sam Drager with 77 points. Mark Williams is second with 76 points, and sitting alone in third place is Horn with 75 points.

The sheriff said the final incident totaled the youth's pickup as well as the police vehicle.

The entire chase ended at approximately 4:45 a.m. CST, Morgan said.

"The two were taken into custody by Randall County Sheriff's office where they appeared before a juvenile judge and were given their rights. They were then released to us and returned to Farwell. We got back here about 9 a.m. CST," Morgan said.

The sheriff also said that while the youths were still in Amarillo, the 14-year-old female was treated and released at the Canyon hospital, following minor injuries she received in the final roadblock incident. Morgan said the 16-year-old male received no injuries. The city policeman was also treated and released for injuries he received.

Once back in Farwell, the 16-year-old male was placed in Parmer County custody and the 14-year-old female was released to her parents, Morgan said. They both appeared before Judge Roberts on Monday.

Morgan said about \$160 was taken from the Bovina store, the Friona store and from the two customers in the second store. The sheriff also said that the boy didn't have a weapon but had used a "plastic bottle in his coat pocket which he pointed and made the store clerk and customers think was a gun."

Parmer Voter Turnout Higher Than Predicted

Voter turnout in Parmer County was higher than expected, according to County Clerk Bonnie Warren who said that approximately 20 percent of the 4600 registered voters came out to cast their ballots. County-wide all the amendments passed with the exception of Number 3.

Results of the voting are as follows:

Amendment 1, authorizing cities, towns and other taxing units to encourage the improvement, development or redevelopment of certain areas through property tax relief and the issuance of bonds and notes, 519 voted yes, 478 voted no.

Amendment 2, authorizing the commissioner of the General Land Office to issue patents for certain public free school fund land held in good faith under color of title for at least 50 years as of November 15, 1981, 775 voted yes, 221 voted no.

Amendment 3, to allow the legislature to grant to a state finance management commit-

tee the power to manage the expenditure of certain appropriated funds, 382 voted yes, 590 voted no.

Amendment 4, authorizing the use of a portion of the excess revenues of the state for water development, water conservation, water quality enhancement, and flood control purposes, 955 voted yes, 88 voted no.

Amendment 5, to provide for the inclusion of livestock and poultry with farm products as exempt from taxation, 777 voted yes, 228 voted no.

Amendment 7, authorizing the issuance of additional bonds to finance the veterans' land program and to increase the maximum interest rate allowable on veterans' land fund bonds, 650 voted yes, 345 voted no.

There were 1039 Parmer County voters who voted Tuesday, Mrs. Warren said the Secretary of State predicted only 11 percent would turn out to vote throughout the state.

Christmas Card Project Announced

Farwell Elementary School will once again sponsor its annual Christmas Card Project through the State Line Tribune.

Deadline for sending money and names to be entered on the card is December 15.

Here is how it works: Instead of spending money on individual cards and postage, a person may donate any amount of money to the Farwell Elementary School, and a decorative Christmas card will be published in the special holiday issue of the Tribune.

Simply send in the names as you would like for them to appear, along with your check

made out to Farwell Elementary School.

The money is to be used to upgrade the Farwell Elementary School Library.

Send your check with an elementary student to the school, or mail it to Box F, Farwell. The money may also be given to one of the library helpers, including Diane Actkinson, Margaret Aycock, Gwen Corn, Myrna Lingnau, Jeannie Norris, Jenine Foster, Sydney Chadwick, Karen Austin;

Also, Eva Dean Stephens, Pam Monk, Sherry Curtis, Anita Ralston, Beverly Foster, Vicky Haseloff, or Eunice Schilling.

Methodist Church Plans Annual Harvest Festival

A "Harvest Festival" has been planned for November 8-9 at Hamlin Memorial United Methodist Church, featuring Dr. Clifford Trotter, pastor of Polk Street United Methodist Church in Amarillo, as guest speaker.

The festival will begin with a covered-dish dinner in the Fellowship Hall on Sunday beginning at 6:30 p.m. CST.

Turkey and dressing will be provided and the church members are requested to bring the salads, vegetables and desserts.

A worship service will follow the meal at 7:30 p.m.

Theme of Dr. Trotter's message will be "Celebrating God's Blessings, We Share In His Message."

The Polk Street United Methodist Church Bell Choir

will present a mini-concert in the sanctuary at 7:30 p.m. to begin the worship service.

On Monday, Nov. 9, the Harvest Festival continues with an All Church Pancake Breakfast sponsored by the United Methodist Men. The breakfast will be served beginning at 7 a.m. Monday evening service will be at 7 p.m.

A salad luncheon is slated for Tuesday, Nov. 10, beginning at noon, and the evening worship service will be at 7 p.m.

Special music during the festival will be provided by the Hamlin United Methodist Church Chancel Choir directed by Nelle Craig, with solos by Bob Pfau, minister of music at the Polk Street church.

Dr. Trotter will speak at all activities during the festival.

Laymen's Revival Set By Farwell Baptists

A Laymen's Revival is scheduled this weekend at First Baptist Church of Farwell.

Starting off the weekend of activities will be a hamburger supper for all men and boys of the church at 7 p.m. in the fellowship hall. This will be followed by a worship service with Dr. W.E. King of Clovis, retired Baptist preacher, giving the sermon.

Dr. King is a former pastor of the Central Baptist Church of Clovis and is now a member

of Parkland Baptist Church there. Besides pastoring in Clovis, Dr. King also preached in Missouri, and is well-known for his participation in Cowboy Camp Meetings.

On Sunday morning laymen of the church will be in charge of all the services with several men of the congregation giving testimonies and also presenting special music.

Remember: Weekend services are at 7 p.m. Saturday and at 10 a.m. and 7 p.m. on Sunday.

Annual Parmer Show Pig Sale Set

Parmer County Swine Breeders Association will sponsor the Third Annual Fall Show Pig Sale Tuesday, Nov. 10, at the County Showbarns in Friona.

The pigs will be judged and sifted beginning at 3:30 p.m. CST. Judging this year's sale will be Ed Standlee, Vo-Ag

teacher from Dimmitt. The sale will start at 7 p.m. Larry Potts of Pro-Auction Service, will be the auctioneer.

An awards program will be initiated for pigs, purchased at this sale, that are selected as county show grand champion or breed champion or grand champion at the major stock show.

All interested persons are encouraged to attend this year's sale.

Texico Claws Bears 48-0 Now Enter Regional Play

By Allan Hadley

Friday night the undefeated Wolverines once again showed that they dominate the field as they captured the District 2A Championship with a 48-0 win over the Cloudfcroft Bears at Texico stadium.

The contest started with Lloyd Williams booting the ball to the Cloudfcroft 20. The Bears had run only one offensive play when Wolverine Todd Geries intercepted the ball on the Bears' 25-yard line. But fate struck the Wolverines also when quarterback Jerry Wimberly fumbled the ball back into the hands of Cloudfcroft on the opponent's 8-yard line.

The Wolverines stiffened their defense and in five plays the Bears were forced to punt. Kent Harding returned it to the Cloudfcroft 35. With two quick carries by Earl Bibbs, the first for nine yards and the second for 26, Texico was on the board leading the contest 6-0. The PAT kick was good by Williams, and with 6:33 remaining in the first quarter, the Wolverines led 7-0.

The Bears received the kickoff on their own 36 and showed their first real threat of the game, holding the ball 14 offensive plays, moving all the way to the Wolverine 28. But penalties struck twice in a row and the Bears were pushed to the 45, forcing them to punt.

Texico seized the opportunity and three plays later were on the board again, on a TD by Geries, leading with 10 seconds remaining in the first quarter, 13-0. The PAT kick failed.

The second quarter began with a kickoff by Williams to the Bears' 20. Once again Cloudfcroft failed to generate any offense and were forced to punt after only four plays.

Penalties hampered the Green and White's attempt and were forced to punt back the ball to the visitors.

Cloudfcroft received the ball on their own 20 but the front line of the Wolverines prevailed and the Bears relinquished the ball on their own 35.

With several quick blasts up the middle, the Green and White found themselves on the Bear 10-yard line. Quarterback Wimberly rifled a shot into the arms of Kevin West, who was wide open in the end zone to make the score 20-0 with 2:41 left in the half.

Williams kicked back to the Bears, but four plays later the pigskin was back in Texico possession. The punted Bear ball was blocked by Harding, and a quick-on-his-feet Geries snapped it up and carried it into the end zone for another Green and White TD. The PAT kick was good and the Wolverines were on top 27-0, closing out the half.

Texico received the ball to open up the third quarter. Texico started a drive with the Bibbs Brothers alternating runs, but on a second down play, E. Bibbs lost the handle on the ball and Cloudfcroft recovered.

The Green Machine defense

showed they couldn't be penetrated by once again holding Cloudfcroft to only four plays. Then the Wolverines drove the length of the field, with Geries crossing the goal line from 13 yards out, pushing the tally to 34-0.

The remainder of the third quarter was a defensive stalemate with the pigskin changing hands several times.

Finally, the Bears took the ball on their 46 and went to the air. But Brad Steward intercepted and raced 58 yards down the sidelines to make the score 40-0. Cloudfcroft put a scare into the Wolverines as they drove to the Texico 10, but fumbled the ball back into the hands of their hosts.

Texico drove to their own 40, but strong Cloudfcroft defense forced them to turn it over.

On the Bears' first series of plays, the ball was fumbled and Steward fell on top of it to give the Wolverines possession their own 42. A drive to the one yard line was capped off when Ronnie Dunsworth hurdled over the top to make the score 48-0.

"It wasn't a very inspiring ball game. Cloudfcroft has a very young team. We played with very little emotion, but we played good football," remarked coach David Lynn following the final district game of the season. "Cloudfcroft will be a good team before all those boys graduate. They only lose two or three this year at graduation. One problem that Cloudfcroft has is that they do not have a junior high program."

Lynn praised Todd Geries for his superb performance. "Todd had one of the best games he's ever had. He scored twice on offense and once on defense. He had a real good ball game," the coach said.

The coach also cited the entire offensive line for their game performance, including Lloyd Williams, James Robin-

son, John Gallegos, Johnny Cantu, Neal Snipes and Dale Johnson. "It was a fun ball game. Everyone got a chance to play. We just lined up and played regular offense and defense plays," Lynn said.

Tonight the team travels to Capitán to enter regional play, "I look for a good ball game," said Lynn about tonight's competition. "It's one of those games that you have to win. It's like starting a whole new season. What you have done before doesn't make a difference. It will be the team with the most poise and preparation that will win, and I think we can do that."

Lynn is very optimistic about the game tonight, but admits that it will be a highly competitive one. "It will be one of the tougher ones this season," he said. "But we've got the talent. We can do it all, I really believe that."

The coach remarked that his entire team is "up" for the game and says they have been "goal oriented" all season. "This didn't just start in August. This started at the end of last season. But saying it doesn't get it done. You have to prove it on the field," he commented.

Capitan has a season record of 7-1, losing only to Reserve. In an interview in the Albuquerque Journal recently, Capitan coach Mel Holland was quoted as saying, "We came up a game short last year and this season we want to be the state champs." Last year the Tigers lost 26-20 in the state playoffs to Reserve. The winner of tonight's Texico-Capitan game will play the winner of the Reserve-Tatum game for the state crown next week.

Flip For It

Nobody can say Kevin West [right] didn't try for this overthrown Jerry Wimberly pass last Friday night during Texico's clash with their final district opponent, Cloudfcroft.

The pass, intended for West who was deep in the end-zone, was just a bit too high for the high jumper, but Texico went on to defeat the opposing Bears, 48-0. For the night,

West did catch two passes for 17 yards, one of which resulted in a touchdown for the Green and White. Tonight the Wolverines enter regional play at Capitán.

Jr. Wolverines Boast Winning Record Again

Under the coaching direction of Scott Parker, Texico Junior High Wolverines closed out their gridiron season with a winning record for the second straight year, this year boasting a tally of 5-1.

Their only defeat, the first in two years, came in the last game of the season, losing to Tatum 8-0. Last year, also under Parker, the young grid squad ended the season with a record, 5-0-1.

"The best part of the season was that everybody got to play," says Coach Parker. "The kids worked hard. We were inexperienced this year and they improved and learned more each game. They learned what the game was all about," he said.

Parker is not really disappointed with his team's loss of the last game either. "It's nice to be undefeated, but these young kids learn something from losing too," he said. "This was the best team I have worked with. I enjoy these young kids. They all had a lot of heart and showed a lot more feelings toward losing, this is a positive factor," the coach added.

For the season, Texico's young Green and White gave up only 14 points, holding four teams scoreless, while racking up an impressive 120 points. The team averaged 20 points per game, with Billy Bibbs averaging 192 rushing yards per game for a total of 1149 for the season on 106 carries.

"Our offensive line learned a

lot and improved with each game. That was a big key to our backs gaining yardage," said Parker. "Defense played well all year. At Tatum we made key mistakes, but that's all experience for these kids. It was the first time we'd been behind all year and they got in a hurry."

Leading tacklers for the season included B. Bibbs, 62; Doug Thornton, 50; Ronnie Galvan, 44; Rusty McCormack, 41; Jay Robinson, 35; Buddy Adkins, 29; Charlie Bibbs, 25; Stanley Cross, 24; Mark Meeks, 23; Buck Gaddis, 20; Bobby Steward, 18; Eddie Adkins, 14; and Steve Smith 13.

B. Bibbs ended the season with 8 quarterback sacks, Robinson and Galvan each had 3; Adkins and McCormack, 2 each; and Thornton, 1.

Those who placed the scores on the board were B. Bibbs with 12 TD's and 1 PAT run;

McCormack, 2 TD's; C. Bibbs, 1 TD, 4 PAT runs; Galvan, Gaddis, and Thornton, 1 TD each; Stanley Cross, 3 PAT receiving; and Danny Powell, 1 PAT receiving.

In closing out the season, Parker commented, "I really did appreciate all the support we received, especially from the junior high cheerleaders who attended all our games; our managers, Craig Sharp and Phillip Lambert, who did a great job with keeping our statistics; Willie Bibbs who was our student aide helping with both defense and offense; and especially Coach David Lynn who helped us all year."

Horns Suffer 8th Loss

Lazbuddie Longhorns came back fighting mad following their 48-0 loss to Motley County two weeks ago, showing last week's host team Silverton just what a competitive bunch they can be.

Even though the Longhorns played what Coach Terry Campbell says was possibly their best game all year, the Orange and Black lost 28-21 in a last second heartbreaker. Silverton began their last series of plays with a mere six seconds remaining on the clock with the score tied 21-21, then with one second left, the host team crossed the goal line to hand Lazbuddie yet another defeat for the season.

"But we played just a super game," said Campbell. "We beat Amherst, but we played better ball during the game against Silverton."

Lazbuddie was down 7-0 at the half, and 13-0 when the second half was just begun, but early in the third quarter Bart Elliott ran 30 yards for the Longhorns' first score. The Terry Steinbock PAT kick was good and the Longhorns were on the board.

A deflected Silverton pass by Longhorn Lonnie Nail was quickly intercepted by Mark Lust who ran in for a quick 30 yards, pushing Lazbuddie into a tie score, but again the

Steinbock PAT was good and the Longhorns led 14-13.

Silverton retaliated by putting 8 points on their side of the board to lead 21-14. But with 10 minutes remaining in the game, Jimmy Garcia ran 48 yards to grab the next Longhorn TD. Steinbock booted the extra point and the Orange and Black tied the score 21-21.

But a tie was not to be as Silverton pushed even harder, took in 7 more points and won the game, placing Lazbuddie with a season record of 1-8.

A loss is always a disappointment, but Campbell says he is still proud of his Longhorns, commenting that they "have improved with each game."

Campbell said seniors Lonnie Nail, Doug Stanley, Joe Gonzalez and Terry Steinbock "played a super game."

Statistically, Bart Elliott carried the ball 23 times for 134 yards, Jimmy Garcia 11 for 83, Terri Steinbock 9 for 36 and Casey McBroom, 3 for 19.

Mark Lust had two pass receptions for 25 yards and Daniel Schacher received one pass for 12 yards.

On defense, Ralph Gonzalez covered two fumbles and had one interception.

Tonight Lazbuddie plays host to Happy in their final game of the season. Game time is 7:30 p.m.

Spikers Lose Dist. Bid, Advance On Wild Card

Texico lady spikers suffered a humiliating defeat last Thursday night, losing to Tatum in district championship playoffs, 15-8, 15-17, 6-15.

"We just didn't execute. Our passing was off, our serving was off at one time or another which clogged up the whole works," said Coach Mike Littlejohn following his team's heartbreaking loss.

"We just did not play well. We had a decent first game, but they still were not playing up to their potential. After that though it was all down hill," Littlejohn said.

But even though the girls lost their bid at their own district title, all is not lost. According to Littlejohn, the spikers were told they won a wild card berth at regional play in Farmington, playing against Quemada, a small western New Mexico town.

The coach explained since Quemada is the only team in its district, each year the New Mexico Activities Association uses a point system in selecting another Class A school from across the state to play for the Regional crown there.

"Texico is going as number two against Quemada who is ranked number one since they are the only school in their district," Littlejohn explained.

"It's really not luck. We had to earn that berth by winning this season. We dodged the

bullet once, we can't let it hit us now," he said.

The girls were to begin Regional play at 3 p.m. Thursday and a win would mean a chance to retain their state crown. Littlejohn said the State championship games are to be played in Albuquerque this year.

Quemada was the team Texico played first in the State playoffs last year. "But that's all I know about them except they, like us, have lost half their starting team from last year," said the coach.

"But if we play good we can beat anybody in Class A in the state. Offhand we should win Thursday afternoon. But we have to play to our potential."

Another bright spot in the otherwise dismal district playoffs is the fact that three Lady Wolverines were named to the All-District team. Tracy Dobbs, Ruth Scott and Jill Jesko were each named to the All-District honor. "They played real well all season. The All-District team is voted on by all the other coaches and is based on the entire season. It is a real honor to be named to the top 12," said Littlejohn.

Big District Win - -

Steers Prove Hartless, Defeat Longhorns 23-20

by Doug Cole
Farwell School Correspondent

The Farwell Steers, behind an outstanding effort by the entire team, earned their first victory over a district foe since the 1979 season, by grinding out a 23-20 shootout over the Hart Longhorns Friday night at Hart.

The Steers did it with style, too, by whipping a team that had been favored to win by over 30 points, and coming from behind in the final four minutes of play to put the Blue and White back on the winning track.

The local team got off to a shaky start in the contest, however, when a fumbled kickoff return gave the hometown Longhorns possession of the ball on the Steer 13. Hart running back Clay Barnes scored on a 12-yard burst up the middle only two plays later to give his team a 7-0 lead only 33 seconds into the ball game.

Again, a Steer fumble at their own 35 on their next possession put the Longhorns in scoring position midway through the opening period. Hart pushed the ball to the Steer 18 when, in what was the probable turning point of the district battle, a hard-hitting Farwell defense stopped the Longhorns dead in their tracks four straight plays to gain control of the pigskin on downs. Alan Eubank and Brent Green broke up two pass plays, and Jimmy Bernal trapped Hart quarterback Derek Rich for a 4-yard loss in that decisive stand by the entire Steer defensive unit.

Taking possession of the ball on its own 22, a rejuvenated Farwell offense, behind some hard running by Eubank and halfback Santiago Lucio, drove 78 yards in 14 plays for their first score of the night when Lucio crashed into the endzone from 4 yards out at 8:57 of the first quarter. When a pass for the two-point conversion failed, the Longhorns were out in front of the Steers by a 7-6 score.

Farwell defender David Daniel launched his team on another long scoring drive when he covered a Longhorn fumble on the Hart 45-yard line. Three plays later, Eubank and Bernal hooked up on a 28-yard pass play to give the Steers a first down on the Longhorn 27. The Farwell offensive line, playing its best game of the year, paved the way for the Steer rushing attack that put the ball on the Hart 3-yard line. With 2:54 left in the second quarter, Eubank put the Blue and White on top when he blasted 3 yards on a keeper for a Steer touchdown. Raymond Sierra's kick for the PAT gave Farwell a short-lived 13-7 advantage.

Hart roared right back into the lead when an interference call went against the Steers, giving the Longhorns a first down on the Farwell 8-yard line with just 8 seconds left in the half. On the very next play, Rich found Chris Clifford in the endzone for a touchdown pass, to make the score at the conclusion of the first half 14-13, Hart.

Another Steer fumble recovery late in the third quarter, this time by Jimmy Bernal on the Hart 25 gave the

Blue and White a golden opportunity to take the lead. On fourth down and 8 from the Hart 15, Sierra kicked a perfect 32-yard field goal to give his team a precarious 16-14 lead at 2:39 in the third quarter.

Taking the ensuing kickoff on their own 30, Hart quarterback Rich capped a 70-yard, 13-play drive when he sprinted 25 yards on a keeper for Hart's last touchdown of the night. With the missed PAT kick, the Longhorns were 4 points up on the Steers, 20-16.

This set the state for a come-from-behind scoring drive by the Steers. Taking the ball on their own 40-yard line with 10:00 left to play, the Steers drove 54 yards, with 36 of that total coming on a long jaunt by Eubank, to the Hart 6-yard line.

On fourth down and goal-to-go from the Longhorn 6, Steer receiver Claud Gobble was interfered with in the endzone by a Hart defender, giving the Steers a first down on the Hart 1-yard line with less than 5 minutes left in the contest. Eubank capped the game-winning drive with a 1-yard keeper for the touchdown with 4:21 left in the battle.

Sierra's kick for the PAT was good, making the final score 23-20.

The Blue and White played tough on defense the remainder of the game, giving Hart no chance to pull out a miracle win. Roger Robertson, David Daniel, and Brent Green all came up with some stalwart defensive plays in the final two minutes of the game to ice the 23-20 Steer victory over the Longhorns of Hart.

Dist. Re-alignments - -

Olton Joins Dist. 3-2A Vega Drops To Class 1A

Not only is the state government in Texas making re-districting plans, but enrollment figures in area schools have caused the University Interscholastic League, the governing body for Texas high school athletics, to announce new district alignments for the 1982-83 and 1983-84 school years.

The area's Class 2A districts underwent minor changes. Olton, which was dropped from 3A, was placed in District 3-2A along with Bovina, Springlake-Earth, Farwell, Hart and Kress.

That district lost Vega,

"We finally played the way we're capable of playing," said Coach Bruce Dollar. "We had to come from behind three times to win. Hart was so much quicker than we were, but we made up for it. We never did give up a big play and that was the difference."

Dollar praised his defensive squad and said the offensive line played its best game of the year. "It shows the character that these kids have. After you get beat like we have gotten beat, it's hard to keep going. But they just keep plugging away," the boys' mentor said. "Defense played real well. Especially when you consider how much quicker Hart was, Jimmy Bernal made some big plays on defense and Brent Green intercepted two passes. Roger Robertson played just a great game for a freshman."

On offense, Dollar cited players Alan Eubank who "played his best game of the year with 86 yards rushing and completing 6 out of 7 passes," Brent Green, Rocky Ford, Gary Haseloff, Jimmy Bernal, and Santiago Lucio. "Santiago caught two important passes that gave us two vital first downs," Dollar said.

Tonight the Steers play host to Springlake-Earth, a team that is also 1-2 in district play. "They'll be big. They'll just try to line up and run over us," the coach predicted.

Game time is 7:30 p.m. at Steer Stadium.

which dropped to Class A. District 4-2A lost New Deal and Shallowater, as those two schools moved to District 5-2A, which lost Forsan, Ropes and Stanton.

The new Class 1A alignments in the area will have Amberst, Anton, Happy, Lazbuddie, Meadow, Nazareth, New Home, Ropes, Silverton, Smyer, Sudan, Sundown, Valley, Vega, Whiteface and Wilson.

All classifications are based on enrollment figures for the 1979 through 1981 school years and will remain in force for the next two years, beginning in September 1982.

7th Grade Yearlings

Members of the 7th grade junior high football team at Farwell are, from left, back row, Coach Mike Prokop, Daniel Hutchins, Raymond Osborn, Devin Vaughan, Carey Stancell, Jerry Cole and Eric

Burton; kneeling, Daniel Rubio Keith Smith, Homer Anzuldua, Jody Ketcherside, and Robbie White; sitting are managers Michael Baca, Kevin Hogan, Brent Stephens and Ernest Valenuva. Yearlings not pic-

tured are Jason Schilling and David Woods. The team has a record of 0-3 this season, but many of the 7th graders have been playing on the 8th grade squad, which boasts an undefeated record of 7-0.

Twin Cities Tumblers Garner Meet Ribbons

The advanced boys class of the Gymnastics Elite Club in Farwell competed last Saturday at the Marshall Junior High Boys Gymnastics Meet.

This was a "full gymnastics meet" where the youngsters competed on the rings, parallel bars, floor exercise, horizontal bar, pommel horse, and vaulting horse. Members from Farwell competing were Andy Pat Hughes, Jeff Actkinson and Greg Actkinson.

Hughes, age 13, received a 1st place ribbon on the rings, parallel bars, floor exercise, pommel horse, and vaulting, and was awarded a 2nd place on the horizontal bar.

Greg Actkinson, age 8, received a 2nd place ribbon on floor exercise, horizontal bar, vaulting, and parallel bars, and placed 3rd on the pommel horse and the rings.

Jeff Actkinson, age 10, received a 1st place ribbon on floor exercise, and a 2nd place

for rings, parallel bars, pommel horse, vaulting and horizontal bar.

Gymnastics Elite Club members will travel to Brownfield on November 14 for their first meet in the West Texas

More Gymnastic Ribbons

Twin Cities Gymnastics Elite Club coach Clay Burch stands behind his gymnastic students who last Saturday "tumbled" away with many 1st and 2nd place ribbons at the Marshall Junior High gymnastic meet in Clovis. Showing off their newly-won ribbons are, from left, Greg Actkinson, age 8; Andy Pat Hughes, age 13; and Jeff Actkinson, age 10. The boys competed on the rings, parallel bars, floor exercise, horizontal bar, pommel horse and vaulting horse.

Tumbling Association for the Year

The club will also present an exhibition at the Farwell High School gymnasium Wednesday, Nov. 18, at 2:55 p.m. The public is invited to attend.

Yearlings Still Winning, Boast 7-0 Season Record

Farwell 8th grade Yearlings continue to ride high on their winning streak after defeating Hart last Thursday, 26-0, giving them a season record of 7-0.

The young Blue and White gridiron players are 3-0 in district.

Their game against Hart, played on Farwell turf, began slowly with neither team able to score in the first quarter. But a 10-yard run by Steven Jaime, capping off a 60-yard drive late in the second quarter, put the Yearlings on the board. A 2-point PAT run by Kevin Owen pushed the tally to 8-0, remaining that way until halftime.

But after a short break in the locker room, the Yearlings broke loose in the second half, piling up big points, all scored by Owen.

Hart fumbled after their first try at the ball following the opening kickoff by Owen. David Rubio recovered the loose ball and the Blue and White put the Hart fumble to their advantage, producing another TD. It was a 10-yard run by Owen, which capped off the 50-yard drive which added another 6 points for Farwell. The score was now Farwell 14, Hart 0.

The Farwell defensive squad held Hart once again, forcing another Hart punt. Once they got the ball back, Farwell

pushed in for another touchdown. It was a 40-yard drive and a five-yard run by Owen that produced the next Yearling score, making the tally, 20-0.

Midway through the fourth quarter, Owen rushed through on a 40-yard run to produce the next TD. The PAT was unsuccessful and the score stood at 26-0.

"I was real happy with our defense," commented Coach Mike Prokop who said that the Yearling protectors allowed Hart to have the ball only four plays in the first half. "The offensive line blocked well, and quarterback Alan Spence played an exceptionally good game," Prokop said. "I was real happy with the way the entire team played."

The boys were to have traveled to Springlake-Earth Thursday afternoon for a 5 p.m. district encounter. Next on the agenda is a spat with Bovina Thursday, Nov. 12, at Farwell. The Colts also boast a winning season.

Texico At FHA-HERO Meet

Fifteen Texico FHA-HERO members and their sponsor, Kendale Burch, attended the recent district FHA-HERO meeting in Floyd.

Approximately 190 students from Texico, Dora, Elida, Floyd, Portales and Clovis attended the sessions, where each student participated in two workshops.

Some of the workshops offered included parliamentary procedure, fund raising, public relations, public speaking, physical fitness, scrapbook and leadership.

State president Dawn Carpenter of Roswell presented the state and national project, saying the FHA-HERO organization hopes to raise enough

funds to help construct a \$2 million building.

State officers were elected at the meeting, including Linda Urias of Dora as president, Melinda Morris from Elida was elected as a national delegate. These girls will be attending the national convention in Atlanta, Ga., this summer.

Baptist Women Have Bible Study

The Baptist Women of the First Baptist Church of Texico met at the church on Wednesday, Oct. 14, for their regular Bible Study with chairman Velma Kelley in charge.

The meeting opened with Lois Hudnall playing on the piano, "Take My Life and Let It Be."

Mrs. Kelley led in prayer

before she began the lesson on "My Bible and Material Possessions" with the other ladies taking part in the scripture reading.

Mrs. Hudnall read the scripture taken from 1st Chronicles 29:10-19 and then read the names of missionaries having birthdays that day.

Mrs. S.G. Jones dismissed

the group with prayer.

The eight ladies present were Mesdames Nora Day, Helen Bowers, Bobbie Gilliam, Allie Burris, S.G. Jones, Lois Hudnall, Velma Kelley and Gracie Dane.

2nd Daughter For D. Johnsons

Mr. and Mrs. Dennis Johnson of Clovis are the parents of their second daughter, born November 4 in Friona Hospital at 3:55 a.m.

The newborn, who has been named Laura Denise, weighed seven pounds, 11 ounces, and was 19 inches in length.

She has one sister, Chesse Duhran, age three and one-half years.

Her grandparents are Mr. and Mrs. A.V. Warren of Farwell and Gerald Johnson of Clovis.

Great-grandparents are Mrs. Loucile Foster of Ft. Worth and Mrs. Lillian Warren of Bovina.

R. Alexanders Have 1st Child

Mr. and Mrs. Ronnie Alexander of Sunray are the proud parents of their first child, a son, born October 23.

Justin Dwayne was born in Dumas, weighing seven pounds, eight ounces.

Paternal grandparents are Mr. and Mrs. Leo Alexander of Sunray and maternal grandparents are Mr. and Mrs. A.C. Shelton of Dumas.

Paternal great-grandparents are Mr. and Mrs. Harley Shannon of Farwell.

Ricky Colemans Have Daughter

Mr. and Mrs. Ricky Coleman of Hereford are parents of their first child, a daughter, born Thursday, Oct. 29.

The young lady, who has been named Jami Dawn, weighed five pounds, seven and one-half ounces, and was 19 and one-half inches in length.

Paternal grandparents are Mr. and Mrs. Jim Coleman of Farwell and the maternal grandparents are Mr. and Mrs. James Ward of Clovis.

Great-grandparents include Velma Coleman of Farwell, Hazel Lauhoff of Portales and Mr. and Mrs. Chisum of Weiser, Idaho.

Mrs. Kube says that the anniversary reception gave her an opportunity to visit with many relatives and friends whom she had not seen in a long time.

New Girlstown Home

This is one of three newly-built cottages on the campus of Girlstown, USA at Whiteface which were built to replace the dormitory which was destroyed by fire last April. Several members of Farwell Study Club, long-time contributors to Girlstown, were present for dedication ceremonies for the cottages on October 25. The local club provided flatware, dishes and some phonograph records for the new cottages. This residence will house 18 girls in six rooms while the other two cottages will each house 15 girls in five rooms.

Several representatives of Farwell Study Club were present for dedication ceremonies for three new cottages at Girlstown, USA, in Whiteface, Tex., on October 25. The occasion was the perfect opportunity for the Farwell representation to present to the facility the flatware, dishes and phonograph records provided by the Farwell Study Club.

The new cottages were built to replace the dormitory which was destroyed by fire in April. Instead of constructing one large dormitory type residence, three separate cottages were built, two to house 15 girls each and one to house 18 girls.

Marshall Cooper, superintendent of the facility, gave the welcoming address and recognized the builders and board members. He pointed out that all three of the cottages, named Harrington, Edelman and the Beta Sigma Phi, were

Farwell Study Club Members Attend Girlstown Dedication

financed by contributions to Girlstown.

The Harrington facility will house 18 girls in six rooms, and also includes living quarters for house parents. This building was financed by a grant from the Don and Sybil Harrington Foundation of Amarillo.

The Edelman Cottage was built with funds donated by the Lions Clubs of the Panhandle and South Plains Districts, and the state of Texas in the name of the late W.L. "Peach" Edelman, a 10-year director of Girlstown.

Mr. Edelman, who was killed in a traffic accident near Friona, was once mayor of Friona and was the first president of the Friona Lions Club. He was elected to the Lions Club Hall of Fame in 1975. This cottage will house 15 girls.

Beta Sigma Phi cottage was named in recognition of the support from this sorority throughout the existence of Girlstown. This unit will also house 15 girls. Cooper said that at one time the salaries of those working at Girlstown depended on the donations of this group.

In other remarks, Cooper expressed appreciation again to the seven fire fighting units from Levelland, Whiteface, Sundown and Morton who responded to the fire in April. "The first truck arrived here 22 minutes after the call."

He also said that a fire truck had been ordered for Girlstown and that the girls living there will be trained in fire fighting techniques and emergency care.

Attending the dedication ceremonies from Farwell Study Club were Mr. and Mrs. Bill Pennington, Gladys Hardage, Julia Symcox, Mr. and Mrs. J.C. Sledge, Geretta Hutchins and Suzanne Hardage.

AROUND THE HOUSE

CURB FOOD WASTE, SAVE GROCERY MONEY!

How much food in your home goes to waste?

How many grocery dollars does it stand for?

Most consumers throw away more food than they realize in many cases - leftover vegetables, meats, milk that turns sour and bread that goes stale.

Throwing out these nutritious foods is the same thing as throwing away pennies, nickels, dimes, quarters and even dollars at meal time.

Try some of these tips to conserve food you spend money for - real savings depend on your storage and preparation habits, as well as on buying:

BUYING

Buy foods in amounts your family will eat for one meal - or amounts you can set aside in the freezer or refrigerator for later without wasting.

Don't get "carried away" buying fresh foods on special if you can't store them properly to prevent spoilage.

Fresh peaches at 49 cents a pound are no bargain if you buy four pounds, eat three pounds and throw one pound away.

STORAGE

Wrap leftovers properly for freezer or refrigerator.

In the refrigerator, always cover foods with wax paper, foil or plastic wrap - or store them in a plastic bag or a container with a tight-fitting lid.

Foods stored uncovered lose moisture and can pick up flavors from other foods.

Foods for the freezer should be packaged in moisture, vapor-resistant packaging such as plastic containers, foil or freezer paper.

Label packages before putting them in the freezer.

Bread needs special storage, too. Store breads in their original container or in an air-tight container.

It's true that breads keep longer in the refrigerator, but they also can become stale there. For toasting later, this

is no problem. But for other uses, freeze bread. Freezing is best for long-term storage.

Keep fresh vegetables in the refrigerator crisper or a plastic bag - all except potatoes and dry onions. Potatoes and dry onions need cool, dry storage.

Keep milk fresh by placing it in the refrigerator IMMEDIATELY after shopping. Don't leave milk sitting on the counter - even during meal-times!

Store flours and grains in containers with tight-fitting lids. Whole-wheat flour becomes rancid rather quickly, so keep it in the refrigerator for long-term storage.

PREPARATION If your family doesn't like leftovers, prepare only the amount of food they will eat at one meal.

Involve family members in meal planning. Ask them what and how much they will eat. A cooperative effort is a definite key to saving money on the food bill.

Here are two food-saving success steps to use in preparation itself:

For "no-like bread crust" families, trim off the crust and save it to toast for croutons or bread crumbs atop casseroles - if the family will accept crust any of those ways.

In buying frozen vegetables, buy the bags, take out only the needed amount and save the rest for later.

Create your own food-saving success steps, and before long, you'll have a long list of ideas that really make an impact on the food budget.

WATCH YOUR HABITS

With rising food costs, economy is more important than ever before - in buying, storing and preparation.

To ensure your family the greatest economy possible, keep a list of foods you throw away for one week. Study the list and decide what changes you can make.

Those changes can mean a big savings on the family food dollar.

Mrs. Williams Hosts Friendship Meeting

Beulah Williams was hostess to members of Friendship Sunday School class of First Baptist Church, Farwell, when the group met Monday afternoon for their regular monthly meeting.

Beulah McWilliams opened the meeting with prayer.

Presiding at a short business session was the outreach leader, Gladys Hardage, and Hattie Coffey dismissed the session with prayer.

Pearlie Gerie gave the devotional entitled, "How Big

Are You?" and read Matthew 6:27.

Refreshments of pound cake, orange sherbet, cheese balls, chocolate candy and coffee were served to Mesdames Elsie Tarr, Pearl Gerie, Estellene Billington, Sallie Chandler, Edith Crawford, Gladys Hardage, Elsie Hardage, Hattie Coffey, Beulah McWilliams, Leatha Jo Roberts, Marie Cox, Beulah Williams and one guest, Lillian Benderman of Texico.

Son Born To Michael Whites

Mr. and Mrs. Michael White of Orange, Tex., announce the birth of their second child, a son, born October 29.

Michael Wallace White, Jr., made his arrival weighing in at nine pounds, one and one-half ounces, and was 21 inches long. He has one sister, Heather Renee.

His maternal grandparents are Mr. and Mrs. Hubert

Gohlke of Farwell, paternal grandparents are Mrs. Myree White of Orange and the late Thomas P. White.

Maternal great-grandparents are Mr. and Mrs. E.C. Hill and Mrs. Christa Gohlke, all of Littlefield. Paternal great-grandparents are Mrs. Juanita Alexander and Lonnie Turner, both of Orange.

Visit Relatives

Mr. and Mrs. Martin Kube of Farwell and sons Brian and David were in Copperas Cove, Tex., on October 25 to attend the Golden Wedding Anniversary reception for her parents, Mr. and Mrs. Alvin Daude.

Brian and David returned home following the occasion, but Martin and Frances went on to College Station to visit another son and family, Wayne and Vickie and children, a few days before returning to Farwell.

Mrs. Kube says that the anniversary reception gave her an opportunity to visit with many relatives and friends whom she had not seen in a long time.

Hospital Notes

Carl G. Davis of Farwell was dismissed from a Lubbock hospital Saturday after having surgery there two weeks ago. He is at home and able to be up and about and says it's really great to be feeling better again.

Cheryl Burton of Farwell returned to her home on Monday after having been hospitalized at Muleshoe since late Saturday.

Anne Lovelace of Farwell underwent minor surgery at Clovis High Plains Hospital early Wednesday and was released to return home the same day.

Visit Here

Visiting Mr. and Mrs. Weldon Dane of Texico last Saturday were her son and family, Mr. and Mrs. Bill Hudson of Canyon.

The Hudsons, with their two daughters Kimberly and Karrie, spent the evening with the Danes.

Mrs. Schelter Attends Workshop On Braille

Mrs. Herman Schelter, volunteer leader for the work center of Lutheran Braille Workers, Inc. (LBW), St. John Lutheran Church, of Route One, Farwell, recently completed four days of advanced training at the headquarters of LBW in Yucaipa, Calif.

Volunteer leaders from 152 work centers located throughout the United States, Canada and Hawaii attended the seminar, participating in a number of training workshops ranging from new trends in braille transcription to recruiting, directing and organizing volunteers.

More than 14,000 volunteers work for LBW producing 14 million sheets of religious materials in Braille and in a large print format called Sight-Saver each year. The materials, distributed in 40

languages, are given away to visually handicapped persons in more than 100 countries.

Locally, there are 36 volunteers from Clovis, Littlefield, Hereford, Bovina, Friona and Farwell. At present they are producing "The Acts of the Apostles" in the Greek language. These books are shipped to The Bible Society in Greece at Athens.

The leadership seminar was made possible by a \$50,000 grant from Aid Association for Lutherans (AAL), a fraternal benefit society based in Appleton, Wis. The money subsidized the travel costs of the participants as well as the seminar itself.

Electricity. Knowing what it's worth is worth knowing.

One thing we've probably all learned is to have an appreciation of things that have worth and to know their value. How would you rate yourself on knowing the value of the electricity you use? Take this simple exercise:

1. How much was your electric bill last month? \$ _____
2. Divide 30 into your answer to Number 1. This was the approximate cost of your electricity per day \$ _____
3. How many people are in your family? _____
4. Divide Number 3 into Number 2. This was the cost of your electricity per day per family member \$ _____

Knowing what electricity is worth is worth knowing. Just look around.

Crop, Livestock Reports Needed From Farmers

The Texas Crop and Livestock Reporting Service in Austin will begin interviewing Texas farmers and ranchers in mid-November on 1981 final acreage, yield, and crop production and end-of-the-year poultry and livestock inventories for Texas and individual counties.

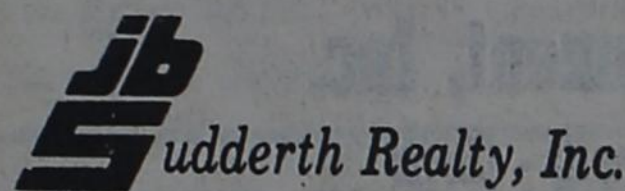

The confidential interviews will be conducted through the mail or phone or in person by field enumerators. Data collection will end in early January.

Doug Murfield, state statistician, has urged farmers and

ranchers to return questionnaires promptly. He said all information reported is kept confidential and is combined with other reported information for state and county estimates.

These estimates will give Texas farmers and ranchers information on which to plan their production and marketing activity in a way that will be most beneficial to their individual operations.

Leaking Rail Tanker Returned To Odessa

A representative of El Paso Products Inc., of Odessa, confirmed last week that a leaking rail tanker containing a highly inflammable chemical has been safely transported back to the West Texas town.

The company had shipped a chemical, liquid styrene monomer inhibited, by rail on Santa Fe Railway from Lubbock to Clovis last Monday when the Santa Fe train crew discovered a leak in the 25,000-gallon tanker.

Jim Collins of El Paso Products said the chemical,

originally destined for Val Verde, Calif., has been returned to Odessa.

Parmer County law officers, accompanied by Bailey County law officials, blocked a two-mile stretch of the Lubbock highway last Monday night at the request of Santa Fe officials, after the tank car developed the leak five miles southeast of Farwell.

The insulated tank car was carrying about 23,500 gallons of the chemical, used in making plastics, paint and synthetic rubber, Collins said.

TOMI Dates Set For Nov.

Information on the farm bill, dairy products, feed grains, soybeans, citrus, cattle on feed, agricultural outlook and buying beef will be featured during November on "TOMI."

TOMI (Telephone Outlook and Market Information) is a system of recorded telephone messages to help producers obtain up-to-date information on a variety of subjects, points out Seth Ralston, county agent with the Texas Agricultural Extension Service, Texas A&M University System.

Recorded messages are prepared by Extension Service economists, using the latest available information.

By dialing 713/845-TOMI, anyone can get market and outlook information seven days a week, 24 hours a day, notes

Ralston.

Information scheduled to be available through TOMI during the month is as follows:

November 6-9 -- Agricultural Outlook, Carl Anderson, November 10-13 -- Farm Bill Update, Ron Knutson. November 14-16 -- Cattle on Feed Analysis, Ed Uvacek. November 17-19 -- Feed Grain Analysis, Roland Smith. November 20-24 -- Soybean Production Update, Johnny Feagan. November 25-30 -- Texas Citrus Update, Gordon Powell.

TOMI can help you keep abreast of the latest happenings in various commodity markets and also provides other pertinent information designed to help you with both short- and long-range planning, says Ralston.

TRUE RICHES

To know God through Christ and His redeeming work is to be rich indeed.

The Scriptures have much to say about the infinite riches of God. They tell us of "the riches of His glory" (Rom. 9:23; Eph. 3:16), "the riches of His wisdom and knowledge" (Rom. 11:33), "the riches of His goodness and forbearance and longsuffering" (Rom. 2:4) and "the riches of His grace" (Eph. 1:7; 2:7). God would have us enjoy these riches through faith in Christ, who died for our sins.

"For ye know the grace of our Lord Jesus Christ, that though He was rich, yet for your sakes He became poor, that ye through His poverty might be rich" (II Cor. 8:9).

We should rejoice continually that God, in addition to being rich in wisdom and knowledge and in glory and power, is also "rich in mercy" (Eph. 2:4) and that "the same Lord over all is rich unto all that call upon Him, for whosoever shall call upon

the name of the Lord shall be saved" (Rom. 10:12,13).

To St. Paul, the chief of sinners, saved by grace, God revealed the greatest riches of all. Paul said: "Unto me, who am less than the least of all saints, is this grace given, that I should preach among the nations the unsearchable riches of Christ" (Eph. 3:8). These riches include, among other things, "all the riches of the full assurance of understanding" (Col. 2:2). How wonderful to have an intelligent understanding of God's plan of salvation and of all He has purposed in His heart of love for those who accept the salvation He has provided through His beloved Son!

True riches are not comprised of material things. The Scripture calls these "uncertain riches" and warns us not to trust in them (I Tim. 6:17). True riches are "to know the love of Christ, which passeth knowledge" and so to be "filled with all the fullness of God" (Eph. 3:19).

Twirlers Rate UIL I, Marchers Given A II

by Doug Cole
Farwell School Correspondent

The Farwell High School marching band traveled to Lubbock Tuesday for the Region 16 UIL marching contests at Jones Stadium and came home with a rating of II for their performance. The twirlers received a rating of I. Thirty-two high school bands from across the South Plains in classes A-5A competed in the event, judged by Gerald Babbitt from Austin Westlake High School; Gary Laramore of Canyon and Bill Dean of

Odessa.

Of the 18 bands competing in class 2A, only two, Ropesville and Hale Center, received a rating of I. In District 3-AA, Farwell and Springlake-Earth earned the best ratings, with both bands earning a II for their marching and playing.

On the Steer band's performance, director Lynn Burton commented that for the year, it was "the best we've ever done," and added "the judging was very critical."

Burton continued by saying,

"We had some good comments (on the critiques) and some critical ones also. Most of the criticisms came on our playing," he said.

Steer twirlers Tammi Obenshain, Kay Geuther, Shelley Ford and Vicky Heard earned a Division I rating on their group twirling routine, as they have done the past several years.

On their solo performances, Tammi was awarded a Division I, while Kay earned a II. Both Shelley and Vicky received a rating of III for their performances.

Top Rated Twirlers

Farwell twirlers received a Division I rating on Tuesday at UIL competition in Lubbock. Members of the baton twirling group are, from left, Vicky

Heard, Kay Geuther, Tammi Obenshain and Shelley Ford. Tammi also received a I rating for her solo performance, and Kay was awarded a II. The

Steer Marching Band was awarded a II rating, the highest rating given in District 3-AA Tuesday. [Farwell Schools Photo.]

Costumes Decide Royalty At Farwell Carnival

Farwell's Halloween Carnival was a huge success as several hundred students, parents and friends gathered in the old gymnasium to take part in games and concessions.

A king and queen from high school, junior high, elementary-pre-school, and adult were selected from all those who attended in costume. Attendees voted for their favorites at a Student Council sponsored

booth.

Voted as the Halloween royalty were, high school, Jim Routen and Johanna Mesman; junior high, Paul Meeks and Angie Bristow; pre-school - elementary, Bruce White and Dani Palady; and adult, Lucille Franse and Ron Baker. Costumes ranged from witches to monsters, to Star Wars characters to even a sports referee.

Chosen for having the best decorated booth was the Senior Class for their concession stand "Granny Good Witch's". No one left the festivities

hungry as everything from burritos to sloppy joes, to candied apples and popcorn balls was offered for sale.

Some of the many booths and games at the carnival included the popular bingo booth, a jail, football and basketball toss, marriage booth, and cake walk.

The junior high building was transformed into a spook house, and everyone had the opportunity to take a tour there.

Fire Calls

Farwell volunteer fire department received four emergency calls this week, and Texico's department had one, according to dispatchers at the departments.

In Farwell, the ambulance was sent to 407 Avenue G on October 31 at 2:52 p.m. On November 1, the ambulance was sent to 306 Second Street at 6:53 p.m.

Also on November 1 an ambulance was sent to a car accident one half mile from Lariat on Highway 84 at 9:01 p.m.

On November 4, the fire truck was sent to the Farwell Convalescent Center at 6:41 a.m. According to a spokesman at the Center, a broken belt in the heater caused smoke, but a fire was averted by the firemen.

In Texico, the fire truck was sent on a false alarm November 3 when it was reported a trailer house was on fire. The incident occurred at 8:31 p.m. two miles west of Texico near Stucky's. When the firemen arrived it was learned that the fire was only trash being burned.

Roberts Hears Cases

Parmer County Judge Porter Roberts heard two cases this week, both involving driving with a suspended license.

Terri Cole, 19, of Farwell, charged with DWLS, was fined \$150 plus court costs.

John Holly, 24, of Levelland, charged with DWLS, was fined \$150 plus court costs.

SHERIFF'S REPORT

Preston Martin of Route 1, Farwell, reported to Parmer County sheriff's authorities that his home had been burglarized on October 29.

According to Parmer County Sheriff Bill Morgan, the burglars entered the Martin residence by breaking out glass in the back door. The burglary is believed to have occurred sometime between 8 a.m. and 8 p.m. CST.

Taken from the home were a .38 caliber pistol, two cassette players and one clock radio with a total value of \$300.
