## Remodeled Cobb's Celebrating

### Sale And Prizes Offered All Week

"We have confidence in Muleshoe and the Muleshoe trade area, and because we feel there is a great future in this area, we were willing to spend money for a modern, up-to-date store

for the people in this area," said Elmer East, of Lubbock, owner of the newly remodeled Cobb's Department Store in Muleshoe.

"The people here are entitled to the best, and we try to furnish it for them," he continued. "They deserve it and shouldn't have to go to Lubbock or anywhere else to get it."

East was one of the stockholders in the Cobb's chain of department stores which was originally 15-20 stores. When the chain sold out in 1960, East and Jack Rice purchased the department store in Muleshoe. In February, 1970, East purchased Rice's interest in the store. Cobb's has operated the department store in Muleshoe at the same location for more than 20 years.

### Jaycees Slate Junior-Adult Golf Tourney

The popular Muleshoe Jaycee-sponsored Junior and Adult Golf Tournament will be held at the Muleshoe Country Club on Saturday May 22.

There will be two junior flights, open and novice, and two adult flights in the tournament.

Trophies will be given in each division for first, second, third and longest drive, nearest hole (par three) and novice medalist, and entry deadline is 6 p.m. Friday, May 21 for the juniors and Saturday, May 22 for adults.

The Jaycees said the entries will be open only to the first 44 received by the Jaycees for the junior division. Late entries will be disqualified and the entry fee of \$3.50 will be refunded. Entry fee in the adult division is \$5, and the adults will play under full handicap.

Emphasized was that any player meeting the entry specifications, and who has previously participated in the state tournament, is eligible.

Groundbreaking for the new Muleshoe Area Public Library will be held at West Second and West Avenue at 1:30 p.m. Wednesday, May 12.

Attending the groundbreaking ceremonies will be library officials, the contractor for the new construction and other interested individuals. Everyone is invited to attend the ceremony.

Mrs. Evelyn Northcutt of Muleshoe and Don Boedeker of Levelland will be graduating with highest honors during the commencement exercises at South Plains College Friday morning in Texan Dome in Levelland.

These students will be among the 283 receiving degrees or certificates during the exercises. The program will begin at 10 a.m. and is open to the public.

Cleve L. Bland of Muleshoe Motor Co., was among Ford dealership salesmen honored for outstanding sales performance during 1970 at a banquet in Dallas last Saturday morning.

On Friday, May 7, a facsimile of the band uniform which will be purchased for the Muleshoe Mighty 'M' Marching Band is on display in St. Clair's front window display, said Mrs. Herbert Griffiths.

The band uniform will be shown local civic clubs and organizations during the current band uniform fund drive.

Three Muleshoe area students are among the record 1,731 candidates for the state FFA contest.

AMBASSADORETTES MODEL MARION'S CLOTHING - - - Four members of the Muleshoe Chamber of Commerce Ambassadors modeled a few articles of the clothing manufactured at Marion's of Muleshoe. Shown here, from left, is Kathy Pena, modeling a matching skooter skirt and top; Traci Cowan in ruffled culottes; Cathy Mardis in a colorful full-skirt dress and Cathy McCormick in a mod Maxi. The expanding company has just completed 3,000 of the matching hot pants and short top as shown by the girls on each end of the line. The racks behind the girls are some of the completed articles of clothing ready for shipment. Bailey County Judge Glen Williams is the new chairman of the board for the locally owned manufacturing company. Pat Allen, formerly of Las Vegas, N.M. is the manager.

## Continued Expansion Adds To Economy

Muleshoe has a small but thriving industry that most people may not be fully aware of. Marion's of Muleshoe has more than doubled in size since it first opened its doors for commercial sewing in October, 1969.

Located at 221 East Avenue B, the sewing factory has increased in size from 16 machines to the present 38 industrial sewing machines. They have increased the number of employees from the original 20 to more than 50 and the operation is constantly buzzing.

Pat Allen, originally of Las Vegas, New Mex., is manager of the operation. He and his wife, Stella, have two sons, John 11, and James, eight. They will be moving here from New Mexico in the near future.

Allen said he has been in the textile business for the past 18 years and sees a great potential for the garment industry in this area.

Although all the operation to date has centered around the junior and petite girl market, Marion's has made several hundred bright red hunting vests for marketing.

Marion's has made dresses, shorts, skooter skirts, hot pants, a varied style of blouses, slacks, culottes, maxi-dresses, hunting vests, shirts, and tentatively plan to add a different type of double needle machine in order to make a heavy western-type wool coat with pile lining.

Marion's has its own truck which is equipped with special racks to move the hundreds of garments to Dallas where they are re-inspected and shipped directly to stores.

Thursday, the garment factory has just completed 3,000 blue and white striped hot pants with red polka dot top and were ready to ship them out for marketing. They operate five days a week, with some night work when completing an order and turn out over 700 garments a day.

Where at one time, production dipped to 38 percent, through improving methods used for

## Banquet To Honor Area Law Officers

Area law enforcement officers will be honored with a special recognition banquet Tuesday, May 11, at 8 p.m. in the Corral Restaurant. The banquet is being held for the officers during National Law Enforcement Week and is sponsored by the Muleshoe Support Your Local Police Committee.

James Freeman, Texas Department of Public Safety officer from Amarillo will be the guest speaker at the dinner. Freeman was formerly stationed in Muleshoe and Bailey County.

A number of area officers from outside Bailey County are expected to attend the banquet and invitations have been issued to all city, county, state officers and dispatchers to be guests, along with their families.

The two Texas Highway Patrolmen stationed here are Gene Sisemore and Joe Young. Bailey County Sheriff Dee Clements has two male deputies and one female deputy sheriff on his staff.

They are Pete Black, N.C. 'Bud' Street and Mrs. Howard Spawn. City Police Chief Harold White has three city officers who assist him in patrol of the city of Muleshoe. The other city officers are Joe Albro, Buddy Black and Forrest Williams.

There are three dispatchers who work evenings, nights and relief dispatching. The dispatchers are Mrs. Forrest Williams, Mrs. Ruth Briscoe and Mrs. R.B. Cunningham. Cieta

Williams also works on a part time basis as a dispatcher. During a meeting last week of the Support Your Local Police Committee, it was voted

## Lubbock Man Charged Here With Forgery

A man from Lubbock who allegedly attempted to pass a forged check at a local grocery store last Friday was surprised to find himself identified and arrested within three days. He was so much surprised that he immediately gave a statement to Sheriff Dee Clements concerning the incident which happened at a grocery store in Muleshoe.

The man walked into a grocery store in Muleshoe and tried to give the checker a \$55 check for the purchase of two cartons of cigarettes. When the checker called June Waggon to the checking stand, Waggon said he did not know the man, so he called the person who supposedly signed the check. On finding the man had not written the check, he called the Bailey County Law Enforcement Center and investi-

## Hospital District Discusses Funding

Eight of the nine members of the Bailey County Hospital District Board attended the regular meeting Tuesday night at West Plains Memorial Hospital. At the meeting were Dr. Charles Lewis, president; A.R. McGuire, Earnest Locker, Marvin Drake, Mrs. Bernard Phelps, Mrs. J.G. Arnn, C.G.

Lewis and Neal B. Dillman. The minutes of the last meeting were read and approved, followed by the reading of a letter from J.E. Peavy, M.D., commissioner of health for the Texas State Board of Health informing the board that the application for \$900,000 in Hill-Burton matching construction funds had been turned down. This action was due to limited funds made available to the state and applications made in high priority.

The State Health Board had requests in excess of \$14,000,000 for Hill-Burton funds and the state was allocated only \$300,000.

A letter was also read from

the hospital board attorneys saying that after a motion was filed early in April after a motion filed early in April for an appeal rehearing in the Chester B. Setliff, et al vs. Rober Gorrrell, et al suit, it was overruled by the Court of Civil Appeals in Amarillo.

A motion was made by A.R. McGuire to borrow money from a bank to pay bills due on bonds, for the board members. The motion was approved.

Board President Charles Lewis reported that as of the time of the meeting, no reports had been received from the Housing and Urban Development in reply to an applica-

## FFA Awards Three Honorary Members

"If you start projecting ahead -- you can tell we have problems. Problems with war, poverty, hunger, discrimination and other problems, and even our problems have problems in the United States," said Marty Clatyon, vice president of the Texas Association of Future Farmers of America from Lamesa.

He was speaking to the more than 300 persons who jammed the new upstairs convention room at the XIT Steakhouse for the annual Parent-Son FFA banquet Tuesday night.

"Look at the present seige on our nation's capitol. We are caught between a rock and a hard place," he added, "as we continue to find new problems. Some are rooted so deep that many people wish they could go back to 'the good old days.' The young speaker said the

good old days were days of blood, sweat and tears when the United States was a raw wilderness and said America is the only country in the world where there is equal opportunity that applies to everyone. Where, for instance, anyone can go to college. He added that many people earn every penny it takes to go to college.

"You have a right to use it!" He emphasized, "The opportunity is yours to get up, quit sitting back and letting our country go to pot."

The forceful speaker is a graduate of Lamesa High School. He attended Texas A&M during the first semester, then transferred to Angelo State College.

FFA PRESENTS HONORARY CHAPTER FARMERS - - Homer Lackey, left, Keith Bray, center and Carl Bamert, right, were all honored by the Muleshoe Chapter of Future Farmers of America as honorary members. The awards were presented during the annual FFA Parent-Son banquet last Tuesday night. The awards were made to the persons seemed to have been most helpful to the chapter during the past year.

LOOKING OVER THE REMODELED STORE - - Elmer East, left, owner of the Muleshoe Cobb's Department Store and Roger Albertson, manager, are shown looking at the toiletry counter in the newly remodeled store. Included in the new look is the gold carpet, French Provincial counters and display cases, wallpaper and paint. A remodeling sale will be held at the store beginning tomorrow (Monday) and will conclude Saturday.

During the meeting, it uties are far below the pay allocated for officers in most surrounding counties. They are also below the pay allowed local city and state officers.

Mrs. Gene Lowe is president of the Support Your Local Police Committee and the group said membership in the organization is open to anyone who is interested in good law enforcement, adequate pay and protection for officers and to show public support for the law officers in this area.

The Muleshoe Support Your Local Police Committee emphasizes the fact that the local officers are trained, efficient and show remarkable cooperation not only with local citizens and business firms, but among themselves.

Reservations to attend the banquet may be made by contacting Mrs. Lowe, Kenneth Heathington or Ray Precure.

Three Lubbock County deputy sheriffs accompanied Sheriff Clements to the address and after talking with persons at the house, they asked one man to accompany them to the Lubbock County Sheriff's office for further questioning. The man was told that he was not under arrest, but if he were identified, he would be placed under arrest and charged with forgery.

A number of pictures were shown to the Muleshoe store owner and he finally identified one of the pictures as being of the man who attempted to pass the forged \$55 check. Following identification of his picture, the suspect then gave the statement to the officers. He is charged with attempting to pass a forged instrument.

ion submitted for hospital funds. Dillman asked, "What are we going to do about the existing hospital fold up?"

Board members expressed the desire to seek out all avenues in which to apply for federal funds for hospital construction.

Drake wanted to know if there was a government agency to help non-profit hospitals and Mrs. Arm was curious as to whether or not a complete investigation had been made into the possibility of a Hospital Corporation of America or other type corporate hospital being constructed.

Dillman pointed out two things to be considered... what the board we ted to do and where the board was going to get the money.

Mrs. Phelps inquired about the temporary approval by Medicare for the present hospital which was due to the Hospital District Board looking for ways to construct a new hospital.

President Lewis suggested that the first problem is trying to keep the present hospital open and at the same time to find an avenue to construct a new hospital.

It was decided to arrange for the district board architect to attend the next meeting and assist the board with various ways to acquire funds for hospital construction. Also, a corporate hospital and Hospital Corporation of America will be discussed at the next meeting.

Muleshoe FFA introduced special guests and President C. L. Myers was master of ceremonies.

Jerry Scoggin, vice president of Area I FFA, introduced the speaker and the officers presented special awards. Officers of the Muleshoe Chapter of FFA include C. L. Myers, president; Gary Lackey, vice president; Danny Noble, secretary; Rex Black, treasurer; Greg Little, reporter; Tommy Taylor, sentinel; Terry Gunter, chaplain; Matt Street, parliamentarian; Debbie Bruns, sweetheart and Lizan Gunter, plowgirl.

Advisors for the Muleshoe FFA are Bill Bickel and Keith Bray. A special award was made by R. D. Angeley, president of the Muleshoe Young Farmer Chapter. He presented Douglas Walker a \$25 check as the 'Hustler' of 1970-71.

Honorary memberships were awarded Keith Bray, Homer Lackey and Carl Bamert for their work with the group. Future Farmers of America awards were presented Aaron Kelton, crop farming; Gary Hooten, livestock; Lusky Green, poultry; Steve Holfield, dairy; Steven Bell, home improvement; Ricky Hardage, soil and water management; Greg Little, fish and wildlife management; Nickie Nickels, agriculture mechanics; Rex Black, Chapter Star Farmer and Steven Bell, Star Greenhand.

hundreds of applications for workers, but his turnover is less than one percent. Allen does plan to use a few high school age girls during vacation time this summer.

In order to expand more, Marion's will have to find larger facilities, added Allen. Manufacturers are asking for producers of toddler clothing, jeans, boys sports shirts and other garments on a year round basis, and the manager of the local sewing factory said that with expansion, the market is limitless. He said there would be no trouble acquiring additional workers due to the large area to draw from.

The unique cutting machine cuts approximately a 10 inch thick, layer of cloth in one cutting, and Marion's manager added that 500-600 dozen garments are cut each day from the bolts of material received.

They begin making spring and summer clothing during the fall and in mid-summer begin making fall and winter clothing for the market. Materials used include wool, cotton, knits and jerseys, with the locally trained operators supervised on the floor by Margie Dobbins

and Lorraine Robinson. Jane Rucker is supervisor of the inspection department.

Each garment is inspected as it completes the line from front to back of the factory. Beginning with the stacked, cut garments, they are first put through the surging machines, where the seams are sewed and cut at the same time then to the inseam banding machines. On to the pocket machines and ending up at the belt loop, button and buttonholers and into the back for inspection and pressing.

The irons used for pressing operate from a high pressure steam boiler to increase the sharp creases, and a much faster operation. From the steam irons, the garments are put on hangars for racks to fit into the truck for shipping.

Contracts have been filled for J.C. Penney Co., C.R. Anthony Co., College Campus, Un-

iversity Park Junior Petite and many other merchandisers in a wide area.

A basic sewing background is not specifically a requirement at Marion's as all employees are trained right in the factory. Main requirements are coordination, speed, ability to acknowledge and carry out orders and cooperation.

A garment factory at Sweetwater began as a small operation and after six years of operation employ more than 350 persons, commented one of the local stockholders in the factory. Marion's of Muleshoe is completely locally owned by stockholders.

They cited a present payroll above \$125,000 and said that as the factory grows, the payroll continues to grow. It is a local payroll and is being spent locally, stressed Pat Allen, manager of the factory.

Johnny Moore, Slaton, brother-in-law of the groom, officiating. Parents of the bride were Mr. and Mrs. Johnnie F. Williams of Muleshoe and Dave Aylesworth, Lubbock, is the father of the groom.

Decorations at the church included a three branch candelabra above the altar and two fifteen-branch candelabras on either side of the altar. White candles were featured in the candelabras surrounded by greenery.

Soloist, Mrs. Corky Green, sang "We've Only Just Begun" and "The Lord's Prayer".

Given in marriage by her father, the bride wore a floor length gown of white satin which featured a fitted bodice or re-

embroidered Alencon lace over satin. The long, fitted sleeves were of re-embroidered Alencon lace. The long train of Alencon lace over satin was

## Bethany Class Hosts Shower

The Bethany Sunday School Class of the First Baptist Church met at the church Thursday, May 6, at 2:00 p.m. Nelda Hunt, outreach leader, presided over the class business and prayer was led by Jaquita White.

Following the class business session, Virgie Henry showed slides of work done at the Baptist Spanish Mission in Muleshoe. Slides were of Vacation Bible School, Girl's Auxiliary Camp, adult literacy classes, tutoring classes, adult Bible classes and youth work. The class members were made aware of the many opportunities for Christian service at the Spanish Mission and at the Goodwill Center.

## Alton Carpenters To Be Honored On 25th Anniversary

Mr. and Mrs. Alton M. Carpenter will be honored on their 25th wedding anniversary with a reception at the Muleshoe State Bank community room Sunday, May 16, from 3:00 to 5:00 p.m.

Hosting the event will be the couple's four sons, Jerry Carpenter of Earth, J.R., Kenneth, and Mike of the home.

The former Miss Betty Woodward and Carpenter were married May 11, 1946, in Idalou, Texas. They moved to Bailey County in 1961.

Friends and relatives of the couple will attend the reception.

attached at the back of the empire waist by a large satin bow. Her headpiece, trimmed with white flowers and green leaves, held a tapered floor length veil of illusion.

The bride carried a cascade arrangement of white roses centered with a green orchid and trimmed with white satin streamers.

Miss Janet Ellis, Clovis, served as maid of honor and bridesmaid was Miss Barbara Lambert of Muleshoe. They wore formal length dresses of emerald green satin which featured low necklines and short puffed sleeves. The dresses were accented with dark green velvet ribbons which formed a bow at the center front of the high waists. They wore headpieces of dark green velvet. Each carried one white rose tied with green ribbon and lace.

Flower girl was Miss Caynell Williams, Muleshoe, sister of the bride, and trainbearer was Miss Donna Howard of Muleshoe. They wore formal length dresses of white dotted Swiss which featured round necklines and short gathered sleeves. The sleeves and high waists were complimented with a crocheted trim of emerald green.

Candlelighters were Johnnie Melvin Williams, Muleshoe, brother of the bride, and John David Moore, Slaton, nephew of the groom. Ring bearer was Randall Floyd Williams, Muleshoe, brother of the bride.

Serving as best man was Warner Lawson, Hereford, Groomsman was Gordon (Corky) Green of Muleshoe. Seating the guests were Jack Rennels, Muleshoe, Eugene Howard, Muleshoe, and Dan Smith, Hereford.

At the reception, held in the fellowship hall of the church, Mrs. C. W. Freeman registered the guests. Servers were Susan Wood, Sharon Davis, Lee Ann Yerby, all of Muleshoe, and Kathy Daniels of Shallowater. The bride's table was covered with a green cloth overlaid with white lace. The centerpiece was a green floral arrangement. Green and white mints, green punch and the four-tiered wedding cake (baked by Ruby Ward) topped with miniature bride and

groom, were served.

For a wedding trip to El Paso and Juarez, the new Mrs. Aylesworth wore a white knit sleeveless dress topped with a green and white coat. The couple is now at home at 401 West Avenue E.

The bride will graduate from Muleshoe High School this month and the groom is employed by KMUL Radio Station.

Out of town wedding guests were Mr. and Mrs. W. M. McDaniel of Bowie, grandparents of the bride; Mrs. D. C. Aylesworth of Plainview, grandmother of the groom; Mr. and Mrs. C. H. Soape of Amarillo; Mr. and Mrs. Louie D. Armstrong of Amarillo; Mr. and Mrs. Dave Aylesworth, Lubbock; Mr. and Mrs. Rufus Aylesworth of Lubbock; Mrs. Bill Aylesworth, Clovis; and Beatrice Moore, sister of the groom, Farmington, New Mexico.

**REHEARSAL BRUNCH**  
The rehearsal was held Friday morning, April 9. A brunch was served by the groom's sister, Mrs. Johnnie Moore of Slaton.

## Beta Sigma Phi Installs Officers

"Substance for Art and Life" was the program given by Arlene Phelps for the Alpha Zeta Pi chapter of Beta Sigma Phi Tuesday night, May 4. The speaker stressed that "everyone must have own concept of beauty, and that art is basic to life as everything around us is art." She also said that "the beauty in a person gives beauty to an object as objects have no beauty until someone adds beauty." The interest in art has been great in the last 10 years; yet it is less understood now than ever before.

"Art is used as a special skill or knack. A person must have an imagination for any art. An artist tries to balance and harmony in the painting. To be able to paint, first, one must get acquainted with oneself; second, one must be honest; third, must love the work to do it well; fourth, select, eliminate, simplify and create order from confusion; and fifth, must be inventive, searching and selective."

Mrs. Phelps ended the program with the thought "you can do anything you want to do".

Following the program, Mrs. Paul Poyner had her ritual of jewels conducted by Mrs. Tom Flowers by candlelight.

The new officers for 1971-72 were installed by Mrs. Tom Flowers, outgoing president. They are Mrs. Max King, president; Mrs. Joe King, vice-president; Mrs. C.J. Feagley, recording secretary; Mrs. Doyce Turner, corresponding secretary; Mrs. Benny Splawn, treasurer; and Mrs. Don Rempe, extension officer.

The meeting was called to order with the opening ritual. A guest from the library, Mrs. Larry B. Hall, was present to talk to the members about the needs of the library. The members will decide at the next meeting what the new service project will be and what they will do.

The outgoing president, Mrs. Tom Flowers, was presented with a gavel pin from the executive board and it was presented by Mrs. Max King. She was also presented a silver tray by the chapter and it was presented by Mrs. Benny Splawn, Mrs. Flowers and Mrs. Max King were presented baby sponges, with Beta Sigma Phi engraved on the handle, by Mrs. Doyce Turner. Mrs. Flowers presented each of her outgoing slate of officers with charms depicting the office they represented.

The members discussed the state convention to be held in Dallas June 11, 12, and 13.

The meeting was adjourned with the closing ritual and then the hostesses, Mrs. Travis Bessire and Mrs. Curtis Walker, served strawberry filled cake, fondue, chips and dips and cokes to the following members present: Mrs. C.J. Feagley, Mrs. Tom Flowers, Mrs. Wayne Gregory, Mrs. Pete Guinn, Mrs. Bill Harmon, Mrs. Joe King, Mrs. Max King, Mrs. Don Rempe, Mrs. Benny Splawn, Mrs. Doyce Turner, Mrs. Travis Bessire, Mrs. Dick Johnson, Mrs. Merlyn Neel, Mrs. Elvis Powell, Mrs. Paul Poyner, Mrs. Curtis Walker and Mrs. Glen Watkins.

## TOPS News

Muleshoe Jenny TOPS, chapter 34, met Thursday night, May 6, at the Bailey County Electric meeting room. Leader June Vinson called the meeting to order. The members recited the TOPS pledge and sang the club song. Roll call was given by Evelyn Harris and 31 members weighed in. There was one guest, Mrs. George Chambliss.

A discussion was held by members who attended the SRD meeting in Amarillo.

The meeting time has been changed again to 6:30 for weighing in with the meeting starting at 7:00 p.m.

Monthly queen was Mary Johnson. First runner-up was Paula Daniels and second runner-up was Ruth Miller. The weekly queen was Bobby Spurgeon. First runner-up was Paula Daniels and Jewel White. The meeting was closed with the singing of the good-night song.

Cotton knits are also very popular for this season.

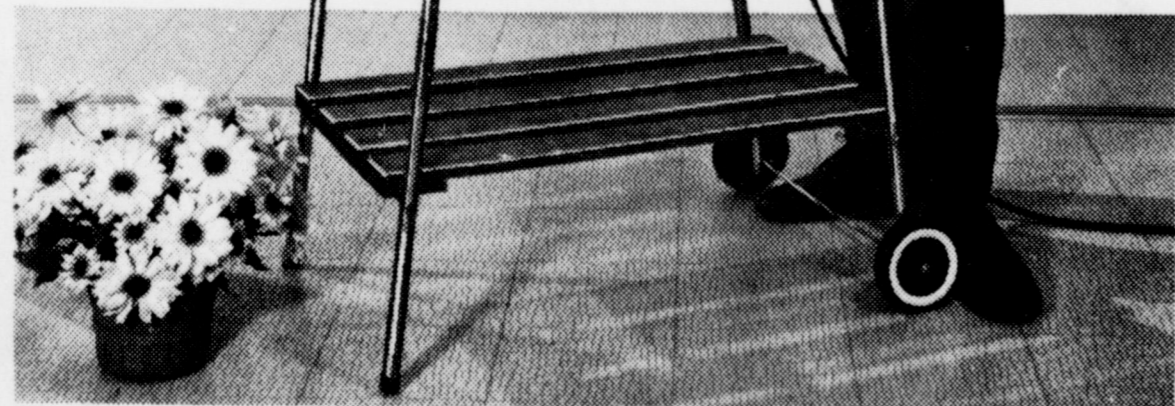

## In Fashion

Now that the summer season is near many women will look for some hand work to do while they vacation or sit in cool houses. Sewing is much faster than the finer petit point but is very attractive when used for pillow covers or seat cushions. Many of the stores carry packages of designs and materials with directions.

## Epsilon Chi Chapter Hosts ESA Mother-Daughter Banquet

The annual ESA Mother-Daughter Banquet was held at the XIT Steakhouse Tuesday night, May 4. The members brought as special guests, their mothers.

The highlight of the evening was the presentation of awards to the Outstanding ESA'er, Outstanding Pledge and Outstanding Members. Also recognized were the Outstanding Young Women of America award winners.

Mrs. Charles Lewis and Mrs. W. T. Watson were recipients of the awards for Outstanding Young Women of America and were presented gifts by Mrs. Eugene Howard.

Named as Outstanding Pledge of the spring 1970 pledge class was Mrs. Ronnie Johnson. Mrs. Johnson, the mother of two girls, Jennifer and Jill, served as scrapbook chairman this year and played a vital part in helping form a sister chapter in Friona as she served as social chairman for all rush parties

at Friona. She was named ESA Sweetheart at the ESA Valentine Dance and was program chairman for the district meeting held here in January.

Mrs. Eugene Howard was named Outstanding ESA'er at the banquet. She is the educational director this year, a junior past president and is serving as the District Nine treasurer this year. She has been awards, telephone and yearbook chairman and has entered this year's yearbook in state competition. The organization received the Gold Link award for her reports on educational programs. She is a guardian of ESA, a third degree Pallas Athene award winner and is listed in Outstanding Young Women of America. Mrs. Howard has been an active member of ESA for four years and has been the Texas State ESA Beauty Queen and the District Beauty Queen. Mrs. Howard is the mother of four children, Tonya, Kevin, Sherry

and Patrick.

Other awards went to the Outstanding Program of the year which was "Tell It Like It Is - Sex Education and Your Child" a film on sex education. Runners-up were the programs "Tell It Like It Is - The Generation Gap" and "Tell It Like It Is - To Dance or Not To Dance", both panel discussions.

Voted Best Social was the Valentine Dance and the runner-up was the August rush social when the members went to Palo Duro Canyon to see "Texas".

Best Philanthropic program was the Christmas Santo Social and runner-up was the POW letter writing campaign. The best ways and means project was the Hawaiian Luau.

The best special event of the year was the forming of the sister chapter in Friona.

Mrs. Jack Rennels, president, presided as mistress of ceremonies. Mrs. Hugh Young

gave the invocation; Mrs. Dick Chitwood gave the welcome; the response was by Mrs. Eileen Chitwood and the benediction was given by Mrs. Gary Smith.

Mrs. John Gentry introduced the speaker who was J. Fred Thompson, a writer for the Portales News Tribune. Other guests included, the speaker's daughter, Mrs. Jean Frerichs; Virginia Gleason, district corresponding secretary, Delta Sigma chapter of Tulsa; Bettie Harden, president of Delta Sigma and newly elected president of District Nine; Mrs. W. T. Watson and Mrs. Charles Lewis.

Red carnations were presented to the mother who came the longest distance, Mrs. Chris Bush, mother of Mrs. Dick Chitwood, and to Mrs. Horace Hutton for having the most grandchildren.

The outgoing president, Mrs. Jack Rennels, presented a blue and gold candle, embedded with yellow jonquils, in memory of her mother, Olabelle Lamb, to the chapter. She also presented the Merci (thank you) awards to her husband, Jack and her father, Gil Lamb.

OUTSTANDING ESA'ER AND PLEDGE . . . Pictured left is Mrs. Eugene Howard who was named Outstanding ESA'er of the Epsilon Chi chapter and Mrs. Ronnie Johnson who is the Outstanding Pledge of the spring 1970 pledge class. Awards were presented at the annual Mother-Daughter Banquet held at the XIT Steak House Tuesday night, May 4.

ENGAGEMENT ANNOUNCED . . . Mr. and Mrs. G.W. Mimms of Lazbuddie announce the engagement of their daughter, Jill, to Alvin Moudy Jr., son of Mr. and Mrs. Alvin Moudy of Happy. The couple will be married June 11, in the Lazbuddie Church of Christ.

### Homemaking I Child Care Classes Busy

By Darlene Henderson

The Homemaking I classes of Muleshoe High School have been studying the growth and development of children from the ages of two to six. The students have seen films on the growth and development of children. They have found this very rewarding and interesting.

On May 4 children from the ages of two to six attended a party given by the Homemaking I classes. The children invited were friends and relatives of the homemaking students. The girls provided refreshments and entertainment for these children. They also make observations on how children grow and act.

held at the First United Methodist Church in Lubbock. They are all members of Boy Scout Troop 633 and Roland McCormick is Scoutmaster.

Billy and Tim also plan to attend the World Scout Jamboree in Osaka, Japan during July of this year. They will be part of the South Plains Council contingent.

In order to attain the rank of Eagle Scout, a Boy Scout must achieve the rank of First Class Scout and earn 21 merit

badges including in camping, cooking, citizenship in the community, citizenship in the nation, nature, conservation of natural resources, personal fitness, first aid, swimming, life saving and safety.

In addition to earning the 21 merit badges, the Boy Scout must have been a Scout for a minimum of 15 months. Six months of this time must be served as a Life Scout.

He is required to be active within the organizational life of

the troop and must develop and carry out a service project to the church, school or community for each of the Star, Life and Eagle ranks.

The three local Scouts are the first Muleshoe Scouts to reach the Eagle rank in a number of years. It was reported that only approximately five percent of all Scouts ever attain the high rank.

The Muleshoe Volunteer Fire Department has agreed to shoot off the fireworks at our 4th of July celebration again this year. The fire department does all of the work for this highlight of our celebration, includ-

ing ordering the fireworks, setting up the displays and shooting it off. We plan to allocate more money for fireworks this year. We will have the best fireworks show we have had in several years. Besides doing a tremendous job fighting fires (incidentally, Muleshoe has the best fire rate possible in the state of Texas due to the good job they are doing) and coordinating Muleshoe's Civil Defense, they are always willing to help in Civic activities such as the Easter Egg Hunt, Parades, and the July 4th celebration. We take our hats off

to a great bunch of guys who are doing an outstanding job --

the Muleshoe Volunteer Firemen. Keep up the good work, men.

### Sorghum Yield Depend On Rain

A survey of Texas grain sorghum production areas today revealed that, with adequate rains from now on, yields for this year will be reduced only a small amount.

GSPA Executive Director, Elbert Harp, reported that the Gulf Coast and South Texas plantings have been reduced by about 25-30 percent. This area normally produces 25 percent of the state's total production.

The crops in this area will depend upon future rains. Some parts of this area are in critical condition now. Favorable weather would produce a crop that is 75 percent of normal production.

Very little additional planting will be done in South Texas even with additional rain. This is true in South Central Texas also, where plantings are reported about 90 percent completed.

### MHS Students At Drug Day Lubbock Meet

By Lou Ann Cole

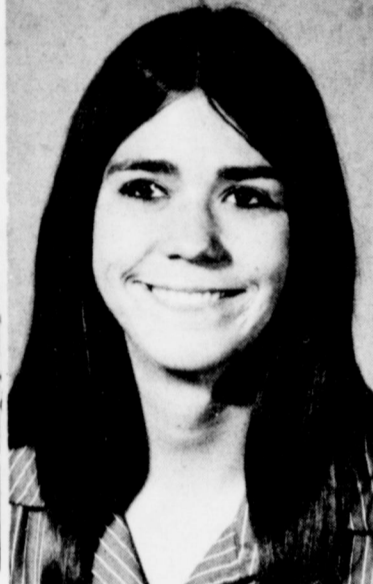

Thursday, April 29. Mrs. Elizabeth Watson, Mr. Bob Graves, Margie Silgero, and Lou Ann Cole went to Lubbock for Drug Day. This was the last session until June. At the morning session, ways to include drug education in the curriculum were discussed. Concentration was mainly on educating grade school children, Littlefield Elementary School suggested trying to have elementary children (fifth or sixth graders) write a play about drugs. Littlefield Elementary II did it and it was shown on close circuit T.V. The title of the play was "Know Yourself" and was written by a sixth grader and produced completely by the children. Two films on the elementary level were shown and discussed.

Puppets were made and skits performed in individual groups. It is hoped that these can be used in teaching the younger children about drugs and at the same time it will be something they can enjoy.

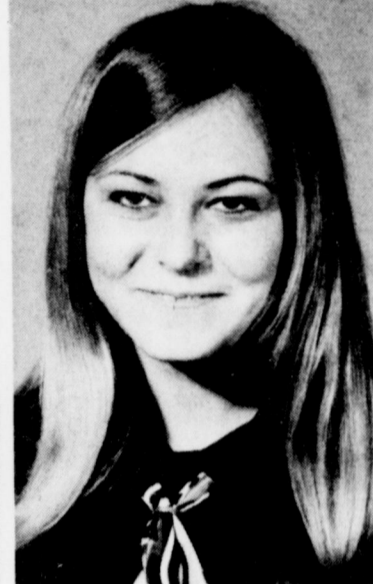

The drug session this time was centered on what can be done and not just youth involvement with drugs.

### Six Girls Named On Varsity Group

Recently tryouts were held for cheerleaders for 1971-72. After each girl did one yell, the contestants performed in small groups to demonstrate their abilities in a co-operative effort. Elected as Varsity cheerleaders for next year were Kay Douglass, Vanda Spurgeon, Janis St. Clair, Judy Winn, Melita King, and Rhonda Bland.

The 1971-72 Junior Varsity cheerleaders are Brenda St. Clair, Glenda Harlin, Brenda Weeks, Sammye Mardis, and Laticia Rogers.

The Freshman cheerleaders for 1971-72 are Ginger Johnson, Susie Cousatte, Jan Harlin, Terri Crane, and Pam Loyd.

Janis St. Clair, daughter of Mr. and Mrs. Bill Jim St. Clair, is a Junior at MHS. Janis has been a cheerleader in high school for the past three years. Janis is a member of the girls basketball team.

Janis enjoys water skiing, swimming, livestock shows and rodeos, and sports. She is a member of the First Baptist Church. Her address is Rt. 3, Muleshoe.

### DECA Winner Of Intramural Volleyball Play

The ball was bouncing wild and high last Monday, Tuesday and Thursday nights. The abilities of students in organizations in MHS were excelled in the FTA sponsored Volleyball Tournament. Each club entered in the tournament made a wonderful show. The organizations entered were FHA Rose and Rosebud chapters, D. E., Ag. I and II, Student Council, Speech, and Art Club.

After long and hard struggles, the Art Club and Ag. I played for consolation. After three games Ag. over-ran the Art Club. Next in line were the games for third place. Speech and Ag. II were in hot competition in all three games. The games were played very well with Speech coming out on top.

The MHS D. E. Club earned a hard-fought win over the Student Council to take first place in the Annual FTA Volleyball tournament held this past week. The D. E. Club lost the first of the three games to the hard spiking of Student Council President, Jerry Putman. In the second and third games, the opposition was stopped by high jumping Keith Turner; and D. E.'s Francisco Torres then became the star with repeated hard spikes to the back of the court. Set-ups by agile Jeanene Freeman allowed various members of the D. E. Club to make good plays to win the second and third games by 15-11 and 15-8.

Vanda Spurgeon is a Junior. She is the daughter of Mr. and Mrs. J. D. Spurgeon of 1722 West Avenue B. Vanda was a cheerleader her freshman year and a Mascot this year. She is FHA Parliamentarian and a member of the Spirit Club. She enjoys swimming. She attends the First Baptist Church.

Judy Winn, daughter of Mr. and Mrs. Jess Winn, is a Junior at MHS. Judy, elected varsity cheerleader for 1971-72, is a member of the Pep Squad, National Honor Society, and plays girls' basketball. She enjoys swimming, skiing, and sewing.

Judy was cheerleader for two years in Junior High and was a Freshman cheerleader at Crosbyton. Judy, a member of the First Baptist Church, lives at 1910 West Avenue D.

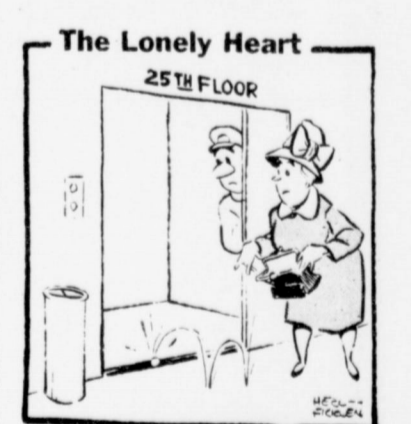

Melita King As a sophomore of MHS, Melita King was elected as a 1971-72 varsity cheerleader. She is presently serving as a representative to the MHS Student Council and is a member of F.H.A. Melita enjoys riding motorcycles, swimming, cheerleading, and dancing. She was a cheerleader her eighth grade and freshman years. She attends the First Baptist Church in Muleshoe. Melita resides at 1804 Avenue I with her parents Mr. and Mrs. Harold White.

Rhonda Bland Rhonda Bland, daughter of Mr. and Mrs. Cleve Bland, has been elected as one of the cheerleaders for next year. She has been a cheerleader for two years. Rhonda enjoys swimming, cooking, and watching all sports. Her activities include FHA, basketball, and the Spirit Club. Rhonda attends the First Baptist Church. The Blands' address is 514 E. Dallas.

Kay Douglass Kay Douglass is a Junior and the daughter of Mr. and Mrs. H. A. Douglass of 1808 West Avenue D. She has been a cheerleader for three years. Kay belongs to FHA, FTA, Pep Squad, and the basketball team. She enjoys swimming and water skiing. She attends the Presbyterian Church.

### Mother

By Jeanene Freeman

I want to thank you, Mother  
Just for being you.  
Thanks for being mine,  
And thanks for all you do.

You have the best of qualities;  
Not many girls have such a mother.  
When I needed comforting,  
It was to you I turned.

You have a gift of patience,  
For only you can calm my fears.  
No matter how busy you are  
You always lend a sympathetic ear.

I know I take you for granted,  
Not many girls have such a mother.  
And even though we fight and squabble,  
We know we love each other.

No matter what I do  
It seems you're always there.  
No matter what the world thinks,  
I know you'll still care.

I can tell it hurts you, too  
When I shed my tears.  
You wish instead it was you,  
You help me through, just by being near.

You see, Mom, you're my idol,  
You're the perfect Mother, too.  
When I'm grown up and become a mother  
I want to be just like you.

Remember I'll always love you,  
Whether you rise or fall.  
Because I think  
I've got the greatest Mom of all.

### TFB Safety Director Will Speak At MHS

Electric Shock - just a tingle in the finger -- or ventricular fibrillation (when the heart stops beating and death results).

Have you ever wondered why you were only annoyed or startled, while others apparently under similar conditions were seriously injured or killed. The answer to this very important question will be answered by Joe Smetana, Safety Director for the Texas Farm Bureau when he presents a public service demonstration to prevent electric shock at 10:30 a.m. on Monday, May 10, Fred Mardis, principal announced today.

"Nobody's Safe", says Smetana. "When you are standing on damp ground or wet concrete, bathing, washing, swimming, using or touching any grounded tool or appliance, or are in contact with any piping system or metal structure, ordinary household current passing into your body from defective equipment or accidental contact with conductors can injure or kill you," he added.

Medical authorities agree that if the amount of current required to light a 15-watt bulb, which is only 1/10 of an ampere, should flow through your heart, death might result in just one second.

Regular 120-volt household current can force two times the lethal dose through you. The degree of danger depends partly on age, physical condition, how long the current flows through the body, and the path the current takes through the body. Particularly dangerous are currents passing through the chest from one arm to the other via the heart.

In a two-part, live graphic 45-60 minute demonstration, Smetana presents the causes and effect mentioned above. "The purpose of the exercise" says Smetana, "is to point out that an ounce of prevention is worth more than a pound of cure."

Most electrical accidents don't have to happen. They are caused by ignorance of the danger, ignorance of protective methods, or carelessness in handling electrical equipment. Smetana offers these prevention and protective methods: (1) make sure that your electrical system is "grounded" - connect the white neutral wire, below the fuse or circuit-breaker box on the panel board, to a metal rod buried in the ground. Make sure that the green "ground" wire is connected throughout the building to each outlet or wall plug; (2) if you purchase the latest type portable electrical tool with the three-prong plug - don't clip-off that third prong. Plug it in if you have a three-hole wall outlet, or if you have a two-hole wall outlet, use an adaptor and attach the "pig tail" under the "grounded" center screw of the wall outlet; (3) you may purchase certain quality portable tools featuring "double insulation" around the regular normal insulated wires and/or housing; (4) make sure that you have some type of "ground" wire properly connected on all stationary and most portable appliances and tools, EXCEPT, DON'T GROUND an appliance that has an accessible open-coil heating element, such as a radiant heater, some broilers, and a toaster; (5) consider the safety benefits of installing a "ground" fault circuit interrupter. The GFCI's complicated electronic circuitry senses trouble the moment any current

greater than 5/1000 of an ampere (five milliamperes) starts to flow to the ground through a person or any object not intended to carry it. Then with snapshot speed (as little as 25/1000 of a second) GPI snaps off the power. A flow of more than 15 amperes is necessary to blow the average household fuse or circuitbreaker.

YOU'RE THE WINNER --- Future Teacher of America President Jerry Putman presents Distributive Education of America President Keith Turner with a \$20 first prize check after DECA won the FTA-sponsored intramural volleyball tournament.

### FFA Group Hosts Parent-Son Banquet

By Greg Little

The Muleshoe Chapter of Future Farmers of America held its annual Banquet Tuesday night. It was held in the XIT Steakhouse and there were over 300 members and guests present. The FFA holds its banquet each year to honor teachers, businessmen, Young Farmers, parents, and friends who have helped the Chapter during the past year. Gary Lackey recognized 50 members of the Faculty of Muleshoe High School, five members of the school board, 17 Honorary Chapter Farmers, two American Farmers, the Young Farmers officers, the principals of High School and Junior High, the Chapter Plover Girl and Sweetheart, presidents of the various school organizations, FFA advisors, Area II State Vice President, Area I Vice President, the Littlefield District Vice President, the employers of the Coop training boys, and the parents and dates of the FFA boys.

C. L. Myers, president, presented the awards. Among them were three Honorary Chapter Farmer Awards given to Homer Lackey, Keith Bray and Carl

Bamert. The crop farming award went to Aaron Kelton, Livestock farming to Gary Hooten, the Poultry farming award to Luskey Green, Dairy farming to Steve Holfield, Home Improvement to Stephen Bell and Soil and Water Management to Ricky Hardage. Fish and Wildlife Management went to Greg Little, Agriculture mechanics to Nicky Nickels, Chapter Star farmer to Rex Black and Star Greenhand to Stephen Bell. The Hustler Award of \$25, given by the Young Farmer chapter of Muleshoe, was presented to Douglass Walker by R. D. Angeley. The Invocation was given by Terry Gunter, Chaplain. The welcome was given by Greg Little, vice president of the Littlefield District and Reporter of the Muleshoe Chapter. The response was given by Fred Mardis, the principal of Muleshoe High School. The entertainment was presented by Verl Burris and His Western Gentlemen. The speaker, Marty Clayton, vice president of the Texas Association of FFA, was introduced by Jerry Scoggin, Area I Vice President. The speech was very thought-provoking and awaking.

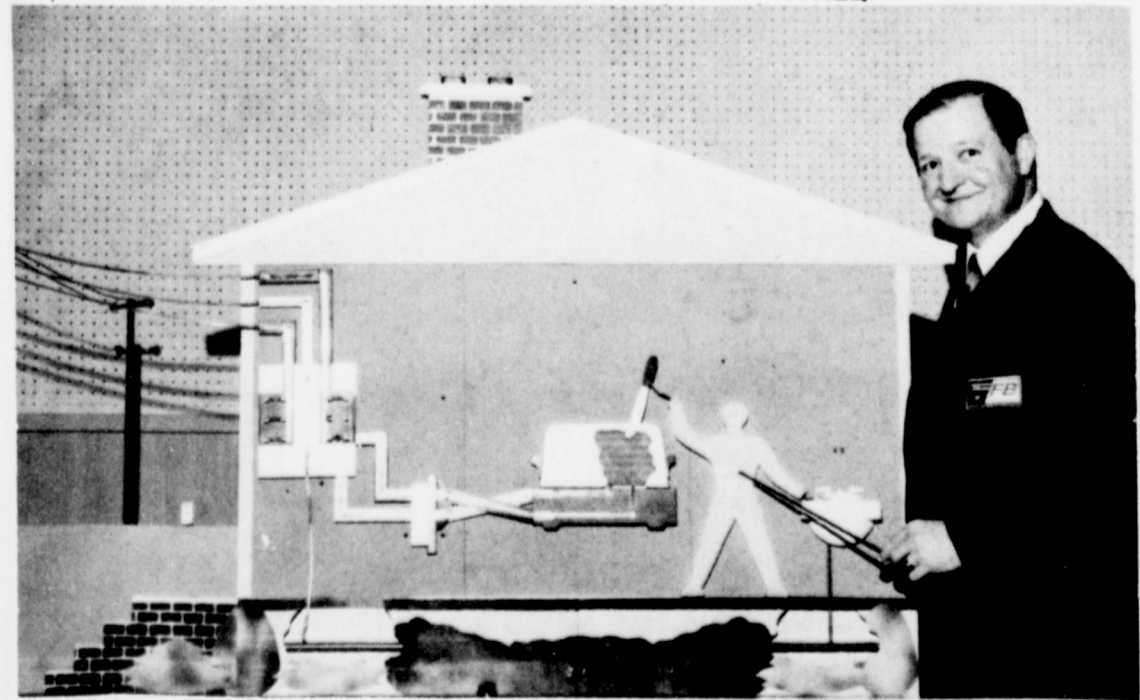

### Students Attend Democracy Forum

On Friday, April 23, a group of Muleshoe High School students attended a Forum on American Democracy at Wayland Baptist College. This forum was sponsored by the Plains American Heritage Association. Attending from MHS were Lou Ann Cole, Martha Jane Chapman, Margie Silguero, Larry Shafer, Lonnie Ferris and sponsor, Jim Jennings. The purpose of the forum was to focus on various problems that face America today. Topics discussed included pollution, ecology, drugs, Southeast Asia, Communism and others.

The days activities opened with a very inspiring patriotic assembly featuring the Wayland Singers. In the morning sessions, the fifty or sixty students representing ten area high schools were divided into five discussion groups. Each group was moderated by a student from Wayland College. These groups chose their own topics for discussion. These same groups met again in the afternoon for further discussions. The students re-assembled for the closing session which featured a very inspiring message by a young college professor, Eddie Daniels. Daniels seemed to be the high point of the meeting to many of the students. This was the first of what is hoped to be an annual affair. It is hoped that the forum can be expanded to include more students from more schools next year. It is also hoped that something more can come from the forum and discussion. Perhaps out of this, action can be taken which will allow the students voice to be heard in areas where it will be acted upon.

Where Is The Sting?  
The woman visitor dashed angrily up to the beekeeper and complained, "One of your bees stung me. I want you to do something about it."

"Certainly, madam," said the beekeeper soothingly. "Just show me which bee it was and I'll have it punished."

SHOCK PREVENTION --- Joe Smetana, Texas Farm Bureau safety director, points out how the human body can become a path to ground (completing an electrical circuit), resulting in a fatal shock even from low voltage electrical current. The demonstration on how to prevent electric shock will be presented at 10:30 a.m. at the Muleshoe High School Auditorium on Monday, May 10.

# WSCS Hears Reports

The Women's Society of Christian Service of the First United Methodist Church met in the chapel at 1:30 p.m. Tuesday, May 4 with 15 present. Mrs. Johnnie Prater, president, opened the meeting with prayer. Mrs. Owen Powell read Bible scripture from Matthew 6, verse 33 and gave a devotional on worry. Each circle of WSCS gave a report. The Esther-Dorcas Circle has started a study on

"The Americas". It was reported that at the last meeting, Burel Block showed film and gave a talk on Paraguay. The Joyce Hill Circle is to be responsible for the rosebud on the altar for new babies in the church. The group is studying the parable. The Mary Martha Circle is studying "The Americas". The Progress Circle has recently finished the study of "Americas" and will have a work day at the home of Mrs. Albert Davis, May 31 to make quilts. The Wesleyan Service Guild has just finished a Bible study on the Psalms. Mrs. Oscar Allison reported on the new studies that will be coming up. They will be entitled "The New Generation in Africa" and "New Machines in the New Humanity". The Esther-Dorcas Circle will have the rest home birthday party this month. Mrs. Byron Gwyn was in charge of the program and read Bible scripture from John 12: 20-26. She also read two verses of the song "Jesus Calls Us". The program was on risks that we take. Others helping on

the program were Hilda Shackelford, Mrs. James Wedel, Mrs. Johnnie Prater and Mrs. J. E. McVicker. The meeting was closed with a poem entitled "Awareness in Prayer".

## 'Outstanding' Awards Slated During Banquet

The Jaycees chose an 'Outstanding Citizen' and 'Outstanding Project Chairman' who will be awarded at the Jaycee Officer Installation Banquet on May 22. They were chosen during the Monday meeting. Doyce Turner reported on the installation banquet plans and Buddy Blackman presented the program on the Muleshoe Fine Arts fund drive to obtain new uniforms for the Mighty 'M' Marching Band. Other reports were given by Raymond Schroeder on the upcoming junior golf tournament; Glen Stevens on the Stegall-Muleshoe Opportunity Plan and Curtis Walker on the Jaycee State Convention. ## Bert Mathis' Host Fish Fry

A nice time was enjoyed by all of Cobb's employees and several friends when Mr. and Mrs. Bert Mathis entertained in their home Wednesday night with a fish fry. Mrs. Mathis recently retired from Cobb's after approximately 15 years employment. Those enjoying fish, salads and dessert were Mr. and Mrs. Roger Albertson, Mr. and Mrs. Owen Powell, Mr. and Mrs. C. O. (Dutch) LaRue, Mr. and Mrs. A. G. Taylor, Mr. and Mrs. Tommy Black and Chris, Mr. and Mrs. Bobby Bell, Mr. and Mrs. Don McCall and son, Mr. and Mrs. Richard Hawkins and two sons, Mr. and Mrs. Earl Schmitz, Tommy Taylor, Mrs. Beryl Wingo, Mrs. Mae

Provence, Mrs. Nan Gatlin and Mr. and Mrs. Mathis. After dinner, several games of 42 were played. Poland replaces her Minister of Interior.

Two of the main differences in the diet of a pregnant woman and that of her husband are more milk and more iron-rich foods for her. Liver, lean meats, eggs, green leafy vegetables, and enriched breads and cereals are all good iron sources.

## PE Education Workshop Held In Lubbock

"A Comprehensive Physical Education Program for the Primary Grades" (first through third) was the overall topic for discussion at the Physical Education Workshop at Maedgen Elementary School in Lubbock Tuesday, May 4.

Fillmore Hendrix, Texas Education Agency; C. E. Simmons, principal in Plainview and Frank Mullican, Maedgen principal, were consultants. Films, video tape, demonstrations and discussions were included in the activities. Joyce Puckett, P. E. aide at Richland Hills, Karen Black, P. E. aide at Mary DeShazo, Bill Taylor, principal of Mary DeShazo and Elizabeth Watson, supervisor, attended this workshop.

## Mrs. Allen Jones Honored With Pink, Blue Shower

Mrs. Allen Jones was the honoree Wednesday afternoon for a pink and blue shower at the Bula school lunch room. The serving table was covered with a Hallmark table cover with napkins to match, centered with the cake iced in white trimmed in pink and blue bearing the words "Congratulations to Mom and Dad". Mrs. John Fred and Mrs. Pat Risinger served the cake and pink punch to the 30 guests present.

Hostess gift included high chair, diaper bag and baby book. Hostess were, Mrs. Buck Medlin, Mrs. Glenn Salyer, Mrs. Pat Risinger, Mrs. Bill Sowder, Mrs. Jimmy Richardson, Mrs. John Fred, Mrs. F. L. Simmons, Mrs. Jim Claunch, Mrs. Marvin Drake and Mrs. Paul Young.

The greatest show on earth--nature at work in the spring!

You've been **spending too much on weeds in cotton!**

If you've been just cultivating, or using a chemical weed killer and not getting the control you need -- either way you've been spending too much. There's a better way to get good weed control, and spend less. It's with Caparol® 80W -- your partner, the weed-killer -- band applied, at planting. In just one trip across the field, you plant your crop and put Caparol on in a band. This keeps the weeds out of the rows. Then, all you do is cultivate the middles. Don't spend too much on weeds in cotton again this year. Apply Caparol in a band, at planting.
