Funeral services were conducted from Hamlin Memorial Methodist Church Wednesday afternoon at 2:30 p.m. for Mrs. Elizabeth Engram, 84, Texico pioneer, who passed away at

### Farm Program Meeting Set For Monday Night

The Parmer County Cotton Producers Association is sponsoring a Farm Program information meeting in Bovina, at the school cafeteria, Monday, Nov. 15, 7:30 p.m. at which time a representative from the Parmer County ASC office will be present to explain the 1966 Cotton and Wheat program.

Arlin Hartzog, president of the Parmer County Cotton Growers Association, urges all farmers to attend.

Several weeks ago, I mentioned the advantages of suburban living, that is, to live in Texico or Farwell and work in Clovis. While giving this passing meditation from time to time, I came across a very thought provoking article in the November issue of the American Legion magazine. The piece concerned the rapid spread of a concept of home ownership called "condominium". Very simply, it means ownership of a part of a building.

As most of us are aware, Amarillo, for example, is experiencing a surge of "High Rise" apartment buildings. It has many advantages of plush living with all modern built-ins, climate controlled heating and cooling, swimming pools, patios, game rooms, etc. Of course, all drudgery such as lawn care, snow shoveling, is done, even contract cleaning is provided. We all know that competent help of these rather menial chores is becoming increasingly difficult to find and expensive to hire if it can be found.

As our society grows, there are several trends becoming apparent such as longer life for both men and women. Twenty or thirty years ago it was fairly common for the husband to die while there were children still at home. Today, as we marry younger, produce less children earlier in life, this is disappearing. We now have many middle age couples who have raised their families and are enjoying a rather large income. This means the old concept of a family homestead to be passed down from generation to generation is fading into the past.

Today, we have many couples from age 45 and older who have no children at home, both work and bring money into the family account. There is not time for the chores of washing, ironing, lawn mowing, and home repair. To this expanding class, apartment living is becoming more and more appealing. The principal deterrent has been that as one rents, one accumulates no equity, the money was just gone. Also, the tax advantages of home ownership was denied to the renter.

Now comes the "condominium" concept which removes these serious objections. A provision for condominium ownership was written in the National Housing Act of 1961 and since then all our states have written enabling legislation in their laws. It occurs to me that a condominium project located in our community might just be the answer to getting more people in our town.

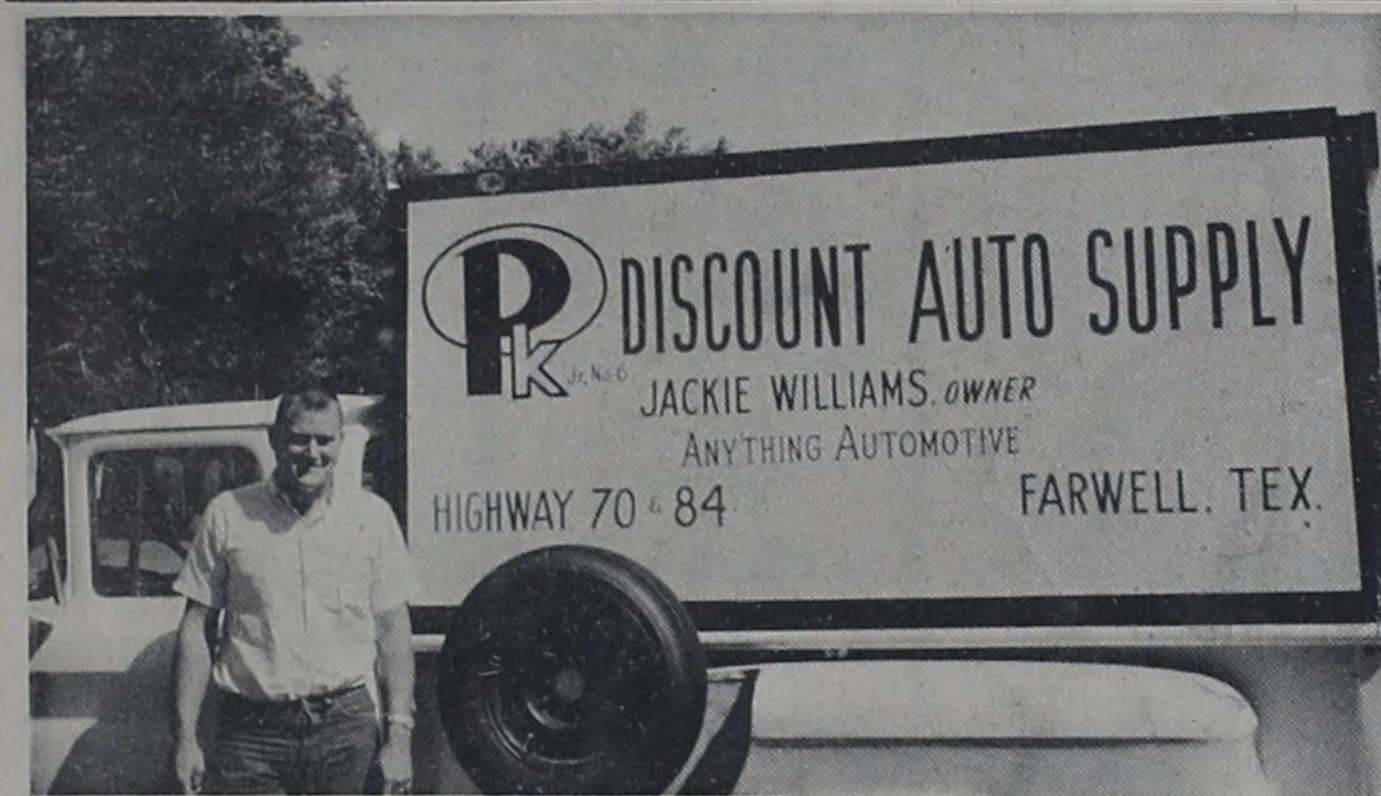

We have a great natural advantage in our plains. The view from only 30 or 40 feet in the air is breathtaking. Let us combine our natural assets with some imagination and take advantage of the coming tide of living in our society. I am sure that from this brief and confused description, there are many questions left unanswered, but a group of interested citizens could quickly gather a complete dossier for further study and evaluation.

Our society is changing for better or worse, the old ways are giving way to new concepts. Let us not reject something because it is new or that we may not have heard of it. Intelligent inquiry, diligent application of our gained knowledge, and a willingness to hear all ideas will keep us in the growing generation.

### Open House Sunday

The general public is invited to attend an open house in two of the homes recently completed by Hromas and Vincent, building contractors, on Sunday, Nov. 14, 1:30-6 p.m.

Both of the homes to be viewed are all electric homes in the M'no Addition of Farwell, they are located at 905 4th Street and 903 5th Street.

"ANYTHING AUTOMOTIVE" -- Jackie Williams who is opening a P.K. Jr. Discount Auto Supply store in Farwell Saturday says we have a complete line of auto supplies and accessories. He invites all residents of the area to come by the store and visit on opening day. Refreshments will be served throughout the day.

### Meet Set Nov. 18 --

## Chamber May Be Organized In Texico

A meeting was held in the Community Room of the Texico Citizens Bank last week in regard to organizing a Chamber of Commerce in the town.

Bob Spencer, manager of the Clovis Chamber of Commerce, attended the meeting and discussed with the 18 persons present the possibilities of organizing the Chamber and the necessary steps which must be taken before a Chamber can be organized. He also discussed how a Chamber of Commerce

St. Francis Hospital in Santa Fe, Monday night.

Mrs. Engram and her husband, who passed away in 1940, moved to the Texico area in 1906 and settled on a farm south of town. She still made her home on the farm at time of her death.

Mrs. Engram was a member of the Methodist Church.

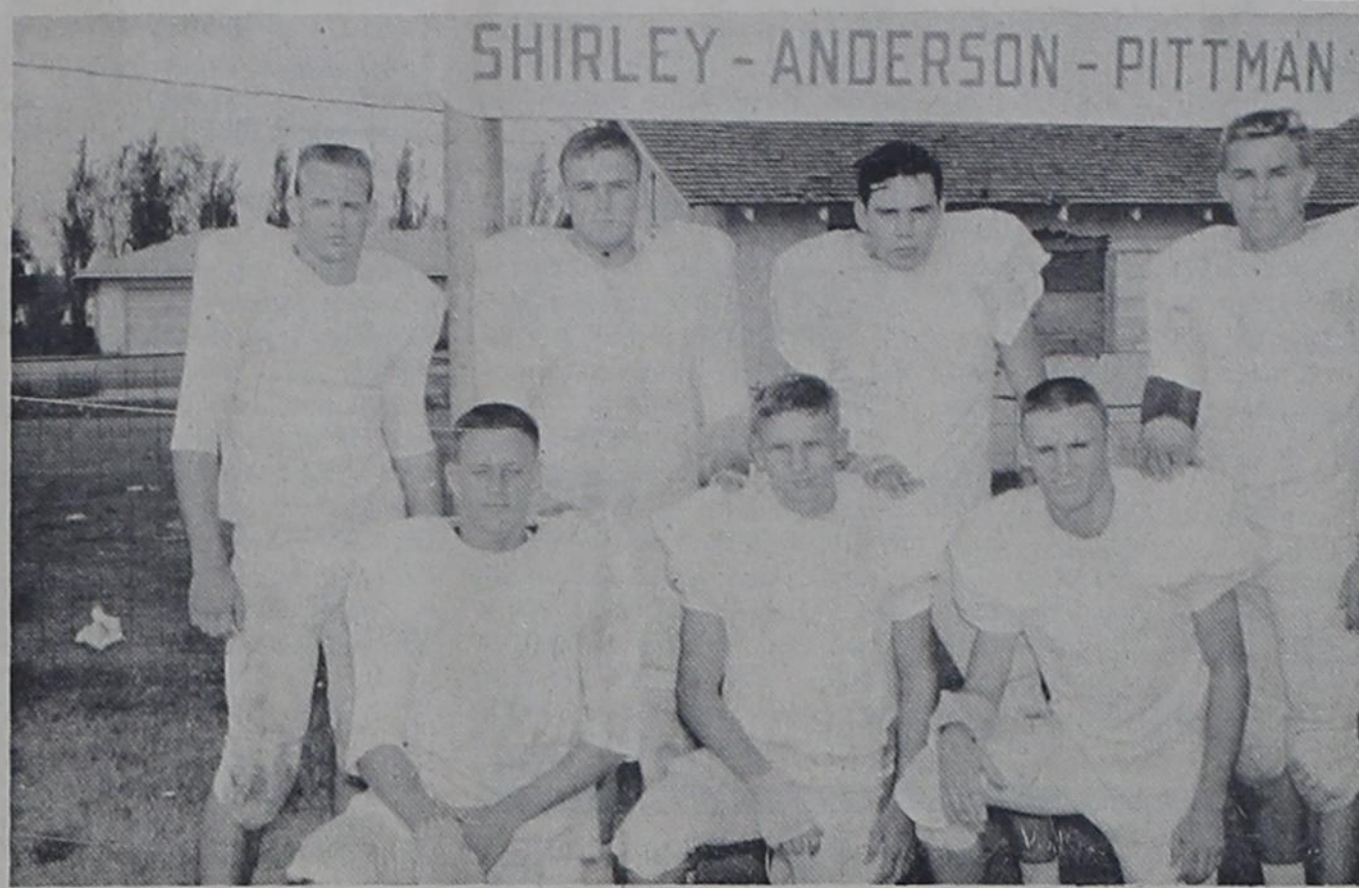

Last rites were conducted by Rev. Leonard Gillingham, pastor of Kingswood Methodist Church in Clovis, assisted by Rev. W. C. Strickland, pastor of Hamlin Memorial Methodist Church. Burial was in Texico with Steed Funeral Home directing arrangements.

Survivors include two sons, Edward, Friona; Wesley, Texico; three daughters, Mrs. Mattie Boddy, Santa Fe; Mrs. Eunice Lewis, Wichita, Kansas; Mrs. Willie Yoder, Fullerton, Calif.; one brother, two sisters, 11 grandchildren, 16 great-grandchildren and many friends.

Casket bearers were Joe Blair, John R. Hadley, Claude Curry, James Gillian, Russell Johnson, and Walter Baldock. Honorary pallbearers were Leroy Faville, Tom Grady, W.J. Matthews, Sam Randol, Orval Frances and Ebb Randol.

### Always A Battle --

# Farwell Vs Springlake

PLAYING THEIR LAST GAME FOR THE BLUE AND WHITE -- Farwell seniors playing their last football game Friday night for the Farwell Steers are front row, 1 to r: Hobbie Coffman, Lester Gray, Doyle Johnson; back row, 1 to r: Larry Flowers, Mike Camp, Jack Walker and Larry Gregory. Not present for the picture was Rickey Fletcher.

Tonight, Friday, the 1965 edition of the Farwell Steers winds up season play at Steer Stadium. Gametime is 7:30 p.m. Opponents will be the powerful Springlake-Earth Wolverines. Most unusual this time, but there will be no district championship riding on the outcome.

Both teams have been eliminated from district consideration by virtue of losses to Kress and Hale Center. The Wolverines earlier in the season were ranked as high as seventh in the state among Class A teams. Following their losses, they have dropped from the ratings. Season record for the Wolverines is seven wins and two losses. The Steers have won six and lost three for the season.

A victory will be sweet for either team at this point. The Springlake aggregation boasts a heavy line and an explosive

backfield. They have a good passing quarterback in Doug Messer and a real workhorse halfback in Jerry Don Sanders. This duo will be hard to stop. The team has clicked on many pass plays and will pose a real test for the Farwell pass defense.

Farwell will be in good physical condition for the game, according to Coach Toby Booth. "We expect to give Springlake a taste of hard-nose football and will be eager for the win," said Coach Booth.

Playing their last game for the Blue and White will be seniors Hobbie Coffman, Larry Flowers, Jack Walker, Lester Gray, Mike Camp, Rickey Fletcher, and Larry Gregory. These Steer stalwarts will be out to make their last game a winner and promise the fans a thrilling windup to a winning season.

## P. K. Jr. Discount Auto Supply Store To Open Sat.

Jackie Williams and his wife, Janie, will open a P.K. Jr. Discount Auto Supply Store in Farwell Saturday. The store, located east of Capitol Food, in east Farwell will be open six days each week from 8 a.m. until 7 p.m., says Williams. Plans for the store were begun in June by Williams when he obtained a franchise from Paul Kasishke of Amarillo, owner of the P.K. Discount Auto Supply Stores in Amarillo. Work was begun on construction of the Williams building in early September. In addition to the local P.K. Jr. Discount Auto Supply Store, there are at least seven other such stores in operation in the

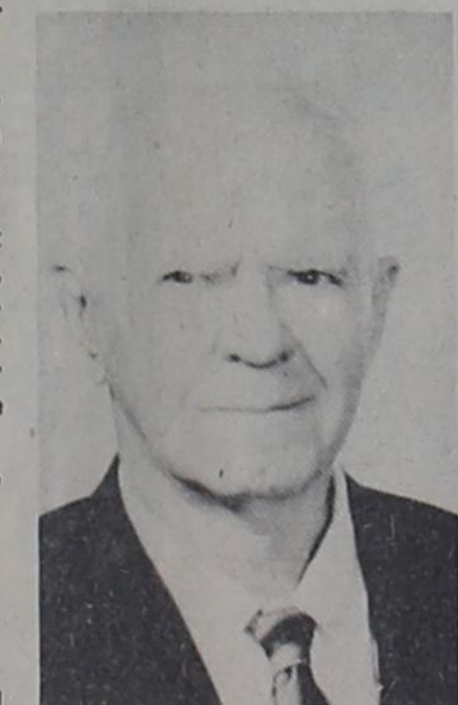

Texas Panhandle and eastern New Mexico. The local store is the newest of the P.K. Jr. stores. New home for the business is of sheet metal exterior, interior of the building is all walnut paneling. The building is 100 feet by 50 feet and houses, in addition to 3,000 square feet of display area, 1,500 square feet of storage space, two offices, and two rest rooms. In the display area 768 feet of shelves hold a complete line of auto supplies and an additional 1,152 feet of bins hold hard parts. Williams said the slogan of the business is "We feature anything Automotive" including

all kinds of oils and greases, all brands of spark plugs, complete line of auto accessories, rebuilt lines, complete line of rings, bearings, hoses, belts, and batteries, anti-freeze, cleaners, polishes and waxes. "In short, anything for the auto minded person," adds Williams. Working with Williams and his wife in the store will be Ernie Paro, an experienced parts man. Mrs. Williams will serve as bookkeeper and Williams will manage the business. Jackie is not new to the auto parts field, since he has been a car enthusiast since a small

boy. He has rebuilt many cars in the past few years. Following graduation from high school, he attended college for one semester and then returned to Farwell to work with his brother, Leroy, at Farwell Motor Company for a period of time. He was later employed as mechanic by Friona Motors and until a few months ago he was a partner at State Line Motor Exchange with Junior Robertson. In opening the parts store, Jackie says, "I am finally seeing a dream come true." He invites all residents of the area to come by and visit the store on Saturday. Refreshments will be served throughout the day.

### W. D. Carpenter Okla. Lane Pioneer Succumbs At 81

Funeral services were conducted from the Oklahoma Lane Baptist Church on Friday afternoon for W. D. Carpenter, 81, one of the pioneers of the Oklahoma Lane area. Mr. Carpenter passed away in Parmer County Community Hospital on Tuesday evening. He had been hospitalized approximately two weeks at time of his death.

W. D. CARPENTER

The Rev. Wayne Baldwin, pastor of the Oklahoma Lane Baptist Church, assisted by Rev. Jimmy McGuire, Abernathy, and Rev. J. J. Terry officiated at last rites. Interment was in the Oklahoma Lane Cemetery with Claborn of Friona directing.

### Twin Cities Machine Works Open For Business

Twin Cities Machine Works opened for business on Monday morning in the building formerly occupied by Campbell Electric in downtown Farwell, Ave. A at 3rd Street.

Co-owners of the business are Vane Doshier and Howard Billingsley. The business, managed by Doshier, will feature general machine work, including pump repair, gearhead repair and well drilling.

Mr. Carpenter was born in North Carolina May 3, 1884 and came to Texas at the age of 21. He was married to Miss Ollie Jackson at Gober, Tex. in 1910. The Carpenters moved to Floyd County and in 1917 Mr. Carpenter came to Parmer County and bought land at Oklahoma Lane. However, it was not until 1927 that the family moved to Parmer County. They settled on the farm where Mr. Carpenter still made his home at time of his death.

He retired from active farming in 1960, but continued to maintain an active interest in farming affairs and affairs of the community.

He was active in the Baptist Church and had served as an ordained deacon for more than 30 years. He also served as a member of the Oklahoma Lane School Board for many years and was active in community and county civic affairs.

Survivors include his wife, Ollie, one son, Harold Carpenter, Oklahoma Lane, two daughters, Mrs. Helen Massongill, California, and Mrs. Frances Norton, Texico, one sister, Mrs. Alice Wallace, Belmont, North Carolina, 10 grandchild-

ren, and 14 great-grandchildren and many friends. Serving as pallbearers were his grandsons, James Norton, Darrell Norton, Gerald Norton, Charles Wade Norton, Herman Gerles, Leon Jamison and Donnie Carpenter. Named as honorary pallbearers were the Mens Bible Class of Oklahoma Lane Baptist Church and Wendol Christin, Webb Gober and Leon Billingsley.

He retired from active farming in 1960, but continued to maintain an active interest in farming affairs and affairs of the community.

### 24 Named For Jury Duty

The names of 24 Parmer County residents have been listed for jury duty in County Court.

Names listed are those of Dan Smith, W. D. Prince, Delbert Garner, W. H. Long, W. A. Mace, Carl Schlenker, Leon Wilson, Mrs. Harold Hawkins, J. E. Sikes, E. T. Ford, H. K. Kendrick, Johnnie Horn, Ray Ford, M. T. Glasscock, and C. A. Weir.

Also W. H. Rogers, Albert Cannon, Joe Blair, E. P. Woodruff, Ray Landrum, Raymond Euler, Billy Meeks, Joe Lewellen and Mrs. Clarence Mason.

## Owen Leads In Football Contest

Coming into the home stretch in the Tribune's annual Cotton Bowl football contest Jerry Dee Owen has jumped into a one game lead over his nearest contender, W. M. Roberts. Owen has called a total of 73 games right and Roberts has tallied 72 right choices.

The two men, who have been leaders (tied) in the contest for the past several weeks pick-

ed the same choices of winners in last weeks contest, except for the Kress-Hale Center tilt, with Owen picking the Kress team and Roberts choosing Hale Center.

In third place with 68 games called right are Georgia Ruddled, Jerry Mathis, Theo Actkinson and Edwina Owen. In fourth place position (seven games out) are Larry Gregory,

Henry Haseloff, Archie Thompson and L.C. Herington.

Tom Paul McCuan out called all entrants to win the weekly first place prize. Mrs. McCuan called nine games right and was seven points off on the score of the tiebreaker game. The father-son entries of E. R. Coffman and Hobbie Coffman also called nine games right to win second and third place weekly

prizes. Coffman was off 23 points on the game score and son, Hobbie, was off 29 points on the tiebreaker.

Mrs. McCuan missed only the New York Jet-Kansas City Game. Coffman called Level-land over Littlefield and young Coffman called Hale Center over Kress.

Winner of the contest who will receive two tickets to the Cotton Bowl game and \$50 prize money will be announced next week.

The contest is sponsored annually by several businesses, including Shuman-Haseloff Insurance Inc., Piggly Wiggly, Worley Grain, Oklahoma Lane Farm Supply and Gin, Clara's Spur Restaurant, Texaco Inc., Texico Branch of Citizens Bank, Shirley - Anderson - Pitman, Shirley-Anderson Grain, Security State Bank, Farwell Equipment Co., Larlar Gin, State Line Grain, State Line Fertilizer, Kelly Green Seed, City Cleaners and Continental Oil Co.

### NOTICE

The Farwell Quarterback Club will meet at Clara's Spur Restaurant, Monday at 7:30 p.m. at which time the film of the Farwell-Springlake game will be reviewed and officers elected for next year.

A good attendance is urged.

Mrs. Tom Paul McCuan pauses to chat with Harold Carpenter and Floyd Coates, of Oklahoma Lane Farm Supply and Gin Co., after being presented with a check for \$5.00 for first place weekly prize in the local football contest.

Entered as second class matter at Farwell, Texas, 79325, under the act of March 3rd, 1879. Published every Thursday.

SUBSCRIPTION RATES -- Farmer and adjoining counties, \$3.00 per year; elsewhere, \$4.00 per year. Payable in advance.

Cotton classing offices are now furnishing micronaire readings on all cotton classing samples, without additional charge. They will appear on all cards along with grade and staple.

This is in keeping with USDA's announcement on October 25 that "mike" measurements of fineness will be included as an additional factor for 1965 Upland cotton going under price support loan after October 31.

Mike readings, used widely in commercial channels, are measured on a scale from 2.4 to 5.0, in steps of one-tenth. It works like this: Compressed air at 6 pounds pressure is forced through the sample of cotton. A special air-flow instrument registers the mike reading of that particular sam-

ple. Fine cottons permit less air to pass through. Thus, the finer the fibers, the lower the readings. Fineness, depending on conditions, can be related to maturity. Fineness and maturity affect the spinability and value of cotton.

Included in the USDA announcement was a schedule of premiums and discounts that will be applied when cotton is put under loan. If the mike reading ranges 3.6 through 4.8, a premium value of 14 points per pound will be allowed. No premium or discount will be allowed if the reading is 3.3 through 3.5, or 4.9 through 5.1. But discounts from 15 to 300 points will apply if readings are outside these measurements.

**COTTON STRIPPER EFFICIENCY**

Three factors will determine the efficiency of your cotton stripping operation.

- These are:
1. Field conditions at harvest time;
  2. Machine characteristics and adjustments; and
  3. Skill of the operator.

Very important is field conditions at harvest. In damp weather, performance of a cotton stripper will be less efficient than under dry conditions. Extensive testing has shown best cotton stripper performance is obtained when humidity is below 60%.

So, for better grades and cleaner fields delay harvesting until the relative humidity is 60% or less at boll height in the field to be harvested.

Condition of the cotton stalk is also important in addition to relative humidity. Strippers are designed to handle comparatively large volumes of dry trash efficiently. But a small amount of green leaves and other green trash can cause a significant reduction in the grade of stripped cotton. For this reason, cotton harvested with a stripper prior to frost should be

treated with a chemical desiccant to kill the leaves.

After the desiccant application, delay harvesting for a week or ten days. This will allow leaves and leaf stems to become brittle. Harvest should not be delayed until the main stalk and branches are dead, as this will cause more bark to be accumulated with the cotton, which can cause a reduction in grade.

Harvesting after frost should be delayed until frost-killed leaves and stems are brittle or crisp. Here again, harvesting should be done while the main stalk still has enough sap in it to be limber. Brittle stalks and branches mean more bark in the cotton, but leathery leaves and limber leaf stems mean extra moisture in the harvested cotton which can cause sweating during storage prior to ginning.

The Annual Home Demonstration Club luncheon held Thursday, November 4 in Friona marked the end of another Home Demonstration Club year.

The tables decorated in fall motif and the horn of plenty was a colorful and attractive setting for the traditional menu for this time of year. All clubs were represented and the only ones absent were some of the invited guests. The County Commissioners were conspicuous by their absence. We were sorry they missed the good meal and the program and hope they can be present next year.

The bazaar of gifts for sale by each club not only added to the interest and colorful atmosphere but it also added to the Council fund and homemakers gift collection for Christmas.

**4-H PROJECT WORK**

4-H project work has started. Mrs. Hershel Harding and Mrs. L. C. Herington has a good head start in Foods Unit 2 and 3. Lazbuddie reported a meeting called for this week. It is hoped that more groups will get started soon, so that they will not have to rush and work under pressure trying to complete before the County 4-H Food Show. Some color slides may be borrowed for use when studying table setting. Hope leaders will not forget to send in the report cards at close of each project meeting.

**EXERCISE AWAY POUNDS**  
USDA nutritionists say time spent in moderate activity instead of reading, watching TV

or playing cards can help take off extra pounds.

An overweight woman who eats just enough to maintain her weight can lose about 9 pounds in a year by substituting daily an hour of activities such as light gardening or a brisk walk for an hour of activities she does while sitting.

If she spends an extra second hour in active recreation instead of sitting, she'll lose another 15 pounds a year -- for a total of 24 pounds, without a change in diet.

Sports such as bowling, tennis and swimming offer excellent exercise opportunities.

While on the subject of weight, a workshop for "weight control" is being planned for Friona after the first of the year. This will be for a period of 6 weeks, its truly a work shop. Those who are interested may send their names to me here at the County Extension office. Some Beauty Salons charge a big fee for this same type of course. It is without charge from Extension Educational source, and you can benefit if you want to work at it.

### Steerettes Collide With Ft. Sumner November 16

The Farwell Steerettes will collide with the Ft. Sumner girls' team in their first game of the season Tuesday, Nov. 16, 6:30 p.m., on the local basketball court. Both the A and B teams will play.

In a scrimmage with New Deal recently, the Farwell girls defeated their opponents 121-119. They played eight quarters. Coach Vernon Scott says the girls are a much improved team over last year and are showing great desire and drive and are working hard. He urges parents and school patrons to come out and support their girls teams.

Captain of the team is Donna Dale. Serving as co-captains will be Diane Lovelace, Maudie Stancell and Melyndia Ritchie. Other girls out for the team

### 4th Grade Takes Field Trip

The Farwell fourth grade classes of Mrs. Coffey and Mrs. Springer accompanied by several parents went on a field trip last week.

They went to Portales where they visited a peanut mill and the museum at Eastern New Mexico University. On the return trip they stopped at Oasis State Park for a picnic lunch.

In Clovis they toured one of the bakeries. Approximately 70 children and 12 adults make the trip.

### Breaks Arm

Greg Hargrove, son of Mr. and Mrs. Elmer Hargrove, broke his right arm in the eighth grade football game last week. The arm has been placed in a cast and young Hargrove is back in school. However, he will be out of football for the rest of the season.

are Teresa Quickel, Katherine Gober, Jackie Gast, Deb Hargrove, Sharon Ensor, Nelda Wingear, Patsy Wilhite, Vickie Kaltwasser, Roberta Chisman and Kandy Meeks. Team managers are Lana Mahaney and Becky Strain.

The Steers will play their first basketball game of the season with Dimmitt on the local court on Nov. 19. The only boys returning from last year's team are Johnny Schell, Larry Gregory and Doyle Johnson. Other team members will be from last year's B team.

### \$1,000 In Johnny Burford Trust Fund

Approximately \$1,000 has been placed in the Johnny Burford Memorial Trust Fund, reports Allan Breitenbach of the Texico FFA chapter.

The amount was derived from the sale of young Burford's livestock, which were sold at the Curry County Fair earlier this year.

The Trust Fund was set up on September 2 in memory of Johnny Burford, son of Mr. and Mrs. Joe Burford, Pleasant Hill, who passed away in the summer, victim of leukemia.

At the time of his death, Johnny was serving as president of the Texico FFA Chapter and was a junior in the school.

Money in the Trust Fund will be used in the form of scholarships and loans to help deserving boys in Agriculture. Directors of the fund are president, Joe Burford; Howard Martin of the Clovis National Bank, A. D. McDonald, James Pierce, and Eddie West. The latter three are superintendent, principal and FFA advisor in the Texico school, respectively.

### Thumbnail Sketch Of The 1966 Wheat Program

By Prentice L. Mills

EDITOR'S NOTE -- Following is a news release from the county ASCS for this week. Prepared by Prentice L. Mills, office manager, it is a thumbnail sketch of the 1966 wheat program.)

The 1966 Wheat Program is very similar to the 1965 program.

To a participating farm there is a mandatory diversion of 15% of the allotment for the farm. This was 11,11% in 1965.

An additional diversion equal to 50% of the allotment may be made. Or, on a small farm, the total diversion can be as much as 25 acres. For example: Farm with 100 acres allotment signs for minimum participation: 100 acres of wheat is planted and 15 acres diverted. This farm could participate by diverting an additional 50 acres (divert a total of 65 acres) and planting 50 acres. In this case a diversion payment would

be made on the additional 50 acres diverted.

Another example: Farm with 30 acre allotment signs for minimum participation: 30 acres of wheat is planted and 4.5 acres is diverted. This farm could participate to the maximum by diverting an additional 20.5 acres (total diversion of 25 acres) and plant 5 acres. Payment would be earned on 20.5 acres.

#### PLANTED ACREAGE PAYMENTS

A participating farm will receive 75¢ domestic certificate on 45% of its allotment times normal yield and will also receive 56¢ payment from CCC funds on 45% of allotment times normal yield. For example: Farm has 100 acre allotment and plants 45 acres or more and has normal yield of 36 bushels per acre. The payment would be 36 X 45 X \$1.31 = \$2122.20.

It is not anticipated that export

certificates earned by a farm will amount to much, if anything, on the 1966 crop wheat.

#### COOPERATOR REQUIREMENTS:

1. Sign intention to participate.
  2. Meet conserving base requirement.
  3. Set aside mandatory diversion equal to 15% of farm allotment.
  4. Meet additional diversion intentions, if any.
  5. Comply with other allotment crops (cotton, peanuts) on the particular farm.
  6. Comply with wheat allotment or permitted acreage if applicable under substitution on other farms in which he has an interest.
  7. Plant within permitted acreage on participating farm. Substitute crops can be planted on additional diverted acreage. Not sure on mandatory acres (could not in 1965).
- Can substitute wheat for feed grain.
- Any question concerning a particular farm should be brought to the ASCS office.

### New Pit For Dumpground Approve

At the Tuesday night meeting of Texico town fathers approval was given for digging a new disposal pit at the town dumpground. Work on same was to begin immediately.

The pest control contract of Humphrey Pest Control Company of Clovis was renewed (for disposing of rats and other pests at the dumpground).

The town fathers voted unanimously to not buy the remaining equipment the Woman's Club has for sale in the building they formerly occupied, but to allow the ladies to sell the articles to other buyers if they so desire.

Announcement was made of a meeting of townspeople at which Bob Spencer of the Clovis Chamber of Commerce was to discuss the possibilities of organizing a Chamber of Commerce in Texico.

All other business was of a routine nature.

### Attend Services For Step-Father

Mr. and Mrs. Mose Glasscock and Chase Chisman returned from Mountain Park, Mo. on Wednesday, where they had been to attend funeral services for Mrs. Glasscock's step-father, W. H. (Bill) Koons, 72, Box 144, Mountain Grove, Mo., who passed away in Springfield on Friday. Burial was Monday in the Mountain Grove Cemetery beside a son, Billy Koons, who was killed at Pearl Harbor.

Mr. Koons, a member of the Masonic Order, the Eastern Star and Odd Fellows, was a former resident of the Muleshoe area. He had worked with Arnold Morris at Muleshoe and was employed by the K. K. Smith Ford Agency for many years. He was a victim of cancer.

Survivors include his wife, Mrs. Charlotte Koons, Mountain Park; one son, Chester Koons, Woodland Park, Colo.; two daughters, Mrs. Florine Burch, Augusta, Kan., Mrs. Pearl Hurt, New York; one step-son, James Bruce, Fountain, Colo.; and one step-daughter, Mrs. Mose (Nina) Glasscock, Farwell. All of the children were in attendance at the funeral services.

### Two Sentenced In District Court

In district court on Monday, Tony Ray White, charged with murder with a motor vehicle, pled guilty as charged and was sentenced to three years in the state penitentiary. He had been sentenced to five years in an earlier trial this year, but had appealed the case.

Also sentenced to the state penitentiary was Billy Don Knight. He was given three years on a forgery charge.

### Basketball Begins At Texico School

Basketball will get underway at the Texico school this week, with all of the teams, with the exception of the junior boys, playing their first games of the season.

The girls were scheduled to meet House Cowgirls on Tuesday at House. Both the A and B boys teams will meet the House Cowboys on the House court Saturday night.

Coach Johnny Green is expect-

ing a better than average season for the Wolverine team in spite of the fact that many team members were lost to graduation last year. "The boys out for the team are showing promise of developing into fine ball players," said Coach Green.

A schedule of the boys games was released last week. Following is a schedule of girls games and those of the junior high boys team.

### ENMU Homecoming November 19-20

Officials at Eastern New Mexico University announce that homecoming activities will be held next weekend (Nov. 19-20) with the general theme being "Great Moments in American History."

Highlight of the activity will be a float parade at 10:30 a.m. on Saturday, with trophies to be awarded to the five top floats. Coronation of the "Homecoming Queen" will kick-off festivities on Friday in an assembly at 11 a.m. A huge bon-

fire, pep rally, tug-o-war and fireworks display will conclude the days' activities.

A barbecue will be served at the noon hour on Saturday, on the north terrace of the Campus Union Building. Pre-game activities will begin at the football field at 2 p.m. on Saturday.

The football game will feature the Greyhounds and their old rival Oklahoma State. Chixmaxing activities will be a dance on Saturday evening.

### Schools Announce Holiday Dates

Announcement was made of the dates for the Thanksgiving holidays in both local schools this week. Both of the schools will be dismissed on Wednesday, Nov. 24, and classes will resume at the regular time on Nov. 29 (Monday).

At the same time, superintendents in the schools released the dates for the Christmas vacation. Students will be dismissed on Dec. 17 in both schools and will return to classes on Jan. 3. Most teachers prefer to have the Christmas vacation begin several days before Christmas, explained Principal James Pierce of the Texico school, in giving an explanation of the Yule vacation beginning a full week before Christmas.

**CAL CARRIES THE MAIL** -- Cal Wilkinson, Farwell back, rounds the corner and begins one of his long jaunts in the Sudan game. Cal had two long runs to his credit plus a big gainer called back on a penalty.

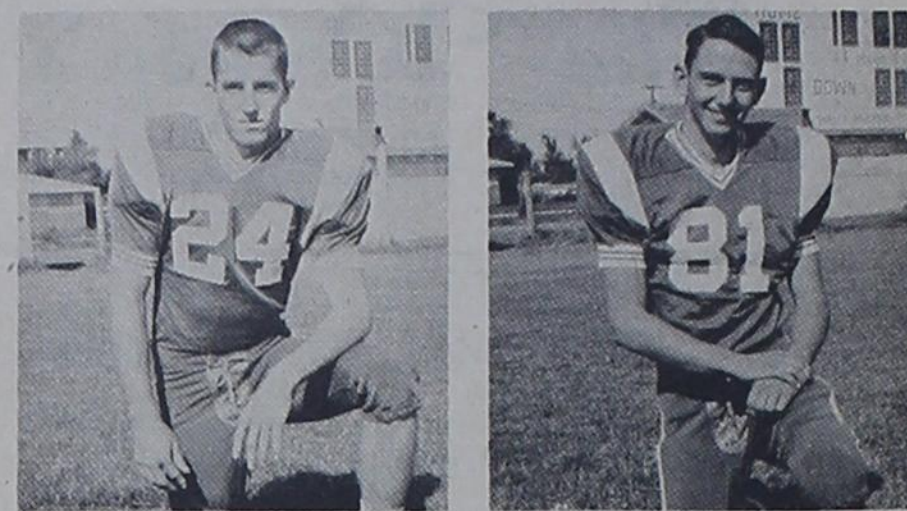

## Farwell Swats The Hornets, 20-7

A hustling band of Sudan Hornets came to Farwell Friday night with definite plans to upset the favored Farwell Steers. The Blue and White quickly put an end to the Hornet upset thoughts by tallying two quick touchdowns in the first quarter. Sudan received the ball on the kickoff on their 31-yard stripe. They picked up a first down on their 48, but were held at that point. Farwell received the punt on their own 25-yard line and Larry Flowers picked up three yards on the first Steer offensive play of the game. Steer back Calton Wilkinson raced around end, and aided by a timely block by Jim Gray, raced 60 yards to the Sudan 12-yard line. Three plays later, Flowers went over from the one for the touchdown. Farwell's kick was blocked and the score stood 6-0, with 6:43 left in the first quarter.

Al Phillips, getting tremendous yardage all night, booted the ball out of the end zone and Sudan took possession on their own 20. The Hornets made a first down on a pass play but on the next series was forced to punt, after Larry Gregory broke through for the second time to smear the passer. The Steers took the ball on their 41-yard line. On the ensuing play, Cal Wilkinson galloped another 49 yards for another Steer TD. Again the point after boot failed and the Blue and White had a 12-0 lead with 3:32 left in the quarter. In the second quarter, the Hornets cranked up their offensive machine. Taking a Farwell punt, No. 30 of the Hornets returned it to the Steer 19-yard line where he was stopped by Al Phillips, the last Steer defender. A quarterback sneak was short of a first down by

Inches. On the next play, No. 30 lugged the ball to the Steer 4-yard stripe and No. 22 took the ball over in two tries. The Sudan kick was good and the Hornets had cut the Steer lead to 12-7. The half ended on that note and the third quarter did not change it any. The game was kept on a see-saw basis by fumbles and pass interceptions until Lewey Bradshaw picked off a Sudan pass on the Sudan 42. Flowers finally lugged the ball to the Hornet 3, where he bulled it over for the final Steer touchdown. A pass from Johnny Schell to Larry Gregory for the two points ended the scoring for the night. The Steers and the Hornets played fairly even ball and both teams wound up with ten first downs, but the Steers were on the long end of the 20-7 score.

### Steers Of The Week

CAL WILKINSON

LEWEY BRADSHAW

Listed as Steers of the Week for their fine performance in the Sudan-Farwell game on Friday night are Cal Wilkinson, offensive halfback, who was cited for his running; and Lewey Bradshaw, defensive end.

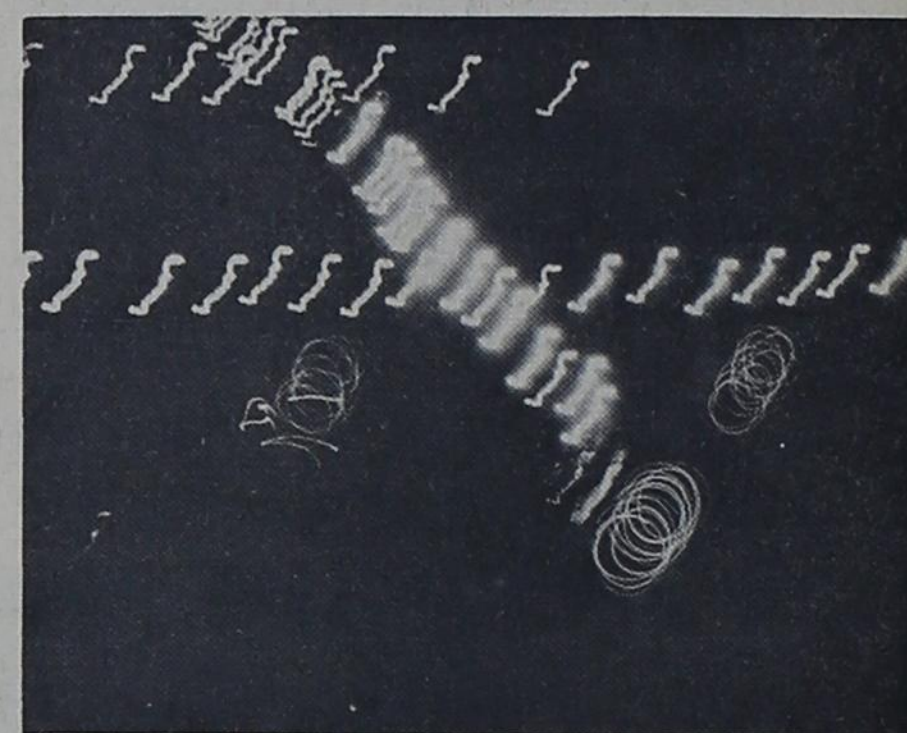

### FARWELL BANDSMEN OF THE WEEK

#### THE ENTIRE BAND

Due to the special performance in observance of Veteran's Day at halftime ceremonies Friday night, the entire band has been named as Bandsmen of the Week by Band Director Charles Turner, and Patry Tatum.

The above Farwell Band members were selected for recognition on the basis of cooperation, improvement and on marching. Each week, five members are chosen by Band Director Charles Turner, and Patry Tatum

**IMPRESSIVE SHOW** -- The Farwell band presented an outstanding halftime show at the Farwell-Sudan football game on Friday night. They are pictured in the airplane formation, made by lights on their band hats, with the twirlers lighted batons forming the propellers on the plane. While in this formation they played the Air Force Song.

### Band Presents Impressive Show

City residents are still talking about the impressive performance of the band at halftime ceremonies of the Farwell-Sudan football game on Friday night. Instructor Charles Turner directed the band in a Patriotic program commemorating Veteran's Day, Nov. 11. The band came on the field playing the Marine Hymn, wearing red, white and blue lights on their band hats, while all lights in the Stadium were turned out. They stopped in the center of the football field and formed an anchor and played the Navy song "Anchors Aweigh," after which they quickly made an airplane formation, with the majorettes forming the propeller with their lighted batons. While in the airplane formation, they played the Air Force Song. With the majorette's lighted batons forming a shell going through a cannon the band then went into a cannon formation and played the Army song "The Caisson's Go Marching Along." Climax to the entire show was

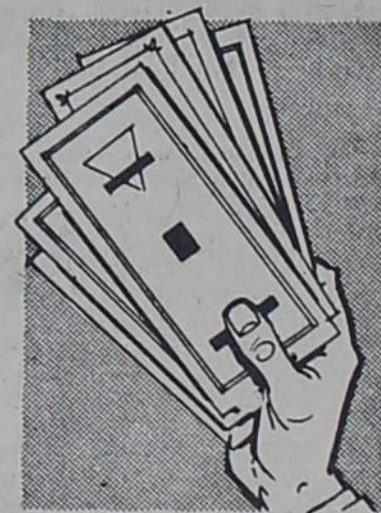

when the band formed a lighted cross and Principal Amos Tatum read "I Am an American." The high school girls' chorus sang "America the Beautiful." The program was ended with a bugler playing "Taps" from the field with another bugler echoing the strains from the distance. As the last strains of the song died into the distance, the band marched off the field in the darkness and complete silence enveloped the audience.

## Annual HD Club Luncheon Held

Approximately 55 HD Club women and invited guests of the County Extension Program attended the annual luncheon on Thursday at the Rebecca Lodge in Friona.

Mrs. Joel White, County Council chairman, presided over the banquet. Reports were presented by the delegates to the Texas Home Demonstration Association Convention. Mrs. C. C. Graef of Lazbuddie and Mrs. Edmund Kitten, Oklahoma Lane, gave highlights of the convention which concerned discussion of school dropouts, and programs set up to provide training in Texas for youth. They told of the workshops where information was given on other problems in Family Living and recommendations for club study of these.

An installation of 1966 Council officers was held at the close of the program. District Extension Agent, Miss Edith Lois Wilson, installed the officers. New officers are chairman, Mrs. Adrian Weir, Lazbuddie Club; vice - chairman, Mrs. Joel White, Oklahoma Lane Club; secretary, Mrs. Floyd Brookfield, Friona and treasurer, Mrs. Roy Miller, Friona. A new club, Parmerton, was welcomed to the council.

## Visit In Farwell

Major and Mrs. E. J. (JeDon) Porter and children are visiting in the home of Major Porter's parents, Mr. and Mrs. John Porter. Major Porter will report to Camp Walters at Mineral Wells, the latter part of the week.

Mrs. Porter and the children will remain here until around the first of the year when Major Porter will be transferred to Kansas.

Major Porter has just returned from a tour of duty in Vietnam.

## Study Club Plans Thanksgiving Meal

The Farwell Study Club will hold its annual Thanksgiving supper at the Methodist Church Monday night at 7:30 p.m. Husbands of members will be special guests for the dinner and program.

Rev. W. C. Strickland will give the invocation and Rev. Herbert Peiman, pastor of St. John Lutheran Church at Larfat, will speak on "Our American Heritage."

Table games will be played following the program.

## Officers Elected At Halloween Party

The Pleasant Hill Pals 4-H Club held a Halloween party and regular club meeting at the Pleasant Hill Community Center last Saturday night with all members present in addition to several guests.

During the business session, officers were elected and completed pins presented. Serving as officers will be president, Bettye Clark; vice-president, Diane Kelley; secretary-treasurer, Debbie Bocox; reporter, Carolyn Langford; and council representative, Arlan Davis.

Outgoing officers, who were presented with gifts for their work last year, were president, Carolyn Langford; vice-president, Terry Pierce; secretary-treasurer, Betty Clark; reporter, Arlan Davis; and council representative, Debbie Bocox.

Completion pins were presented to Sherry Clark and Cindy Eshleman, first year; Diane Kelley and Arlan Davis, second year; Debbie Bocox, third year; Carolyn Langford and Terry Pierce, fifth year; Bettye Clark, seventh year; Janine Clark, eighth year; and Janet Sharp, tenth year.

Two new members, Gerald Dan Whitener and Dwayne Kelley, were welcomed to the club.

Following the business session games were played and refreshments served by Sherry Clark and Arlan Davis.

Other guests in attendance were Mr. and Mrs. J. D. Kelley, Elaine and Beth, Mr. and Mrs. Willard Davis and Caryn, Mrs. Glenn Bocox and Ken, Mrs. Howard Whitener, Miss Alice Mavis, Mrs. Donald Clark and Mrs. Elmer Langford.

RETURN FROM MEXICO CITY -- Mr. and Mrs. Ray Campbell, who have just returned from Mexico City, are shown visiting with Otis Huggins, manager of the local Southwestern Public Service Co. office. The Campbells were among the top 10 salesmen for electrical appliances in this area and were presented the trip along with other area winners by SWPS.

## Mrs. Boling Attends Birthday Meeting Of Delta Iota

Delta XI Chapter of Delta Kappa Gamma Society held a joint meeting with Gamma Iota chapter in Plainview Saturday.

The banquet meeting honored Gamma Iota's 27th birthday. Many of the Delta XI members are former members of Gamma Iota. Among the former members of Gamma Iota are Mrs. Harry Whitley and Mrs. Hatye Boling, both of Farwell.

Miss Mamie Lou Rayburn of Plainview, president of Gamma Iota, presided over the meeting. Mrs. Willie Merle Hitchcock gave the invocation and Mrs. Lee Nowlin directed the

chorus who presented a number of songs. Mrs. Ballard Clark brought birthday greetings, commemorating Gamma Iota's 27 years of work in Delta Kappa Gamma International.

Speaker for the event was Mrs. Nell McMains, Southwest Regional Director and Past State President of the organization. Her subject was "Creativity and the Future." She began "Tomorrow is now and nothing of today is of value

except as it is of value for tomorrow." Giving emphasis to the word "Creativity" she said, "Imaginative thinking with vision of reality, for the future will determine our national destiny and this is creativity."

Husbands of members are always guests at the annual birthday meeting. Lee Nowlin was recognized as having attended the 27 birthday meetings. Mrs. Hatye Boling attended the meeting.

## Friends Invited

All friends of Mr. and Mrs. Lee Thompson, former Farwell residents, are invited to attend a Golden Wedding celebration in their home, at 3227 Bismark, Vernon, Texas, on November 21.

Hours for the reception are from 2-5 p.m. The Thompsons request that there be no gifts.

The children of the Thompsons are hosts and hostesses for the courtesy honoring their parents.

### Future Nurses Attend Area District Meet

The Farwell Future Nurses Club members were in Clovis on Saturday to attend the area district meeting of the organization at the Clovis High School.

Speaker was Dr. Hoyt McClintock. He chose as his subject "Poise and Control." Following his talk a panel discussion, with nurses from several fields of nursing as panel members, was held.

At the luncheon, held at a Clovis Restaurant, a business meeting was held. Officers were selected for the coming year

and next meeting was set for Portales (next year).

The Clovis FNC furnished dessert for the noon meal. Dessert was a large sheet cake decorated in the FNC emblem, with the words sixth anniversary inscribed on it, in the club colors, turquoise and gold.

Rosetta Chisman, president of the Farwell FNC, received as door prize the floral arrangement from the table and a doll dressed as a doctor.

Attending from Farwell were Rosetta Chisman, Sharon Winegeart, Leslie Cooper, Pamela Wilkinson, Joyce Bass, Donna Kirk, Diana Bryant, and the advisor, Mrs. Katherine Lockhart.

### Flower Arranging Is Program Topic

Lazbuddie Young Homemakers met in the Lazbuddie home-making building Thursday with Mrs. Phyllis Beavers presenting a program and demonstration on "Flower Arranging."

The speaker was introduced by Mrs. Marlene McDonald. Refreshments were served by Mrs. Jimmie Briggs to Mesdames Bonnie Hartley, Barbara Bush, Jean Green, Billie Mason, Jarilyn Engleking, Louise Engleking, Helen Ellis, Beverly Hall, Charlene Farley, Marlene McDonald and Barbara Crim.

### My Hobby Is Roll Call Answer

Farmerettes Club met in the home of Mrs. Donald Christian Tuesday for an afternoon session. Roll call was answered with "My Hobby."

Plans were made for the annual Thanksgiving party, which will be held on Nov. 15 in Cason's Restaurant in Hereford. Husbands of club members will be guest for the social.

Club members voted to send \$15 to buy gifts for children overseas for Christmas. A Christmas party was discussed, with plans to be completed later.

Mrs. Jennie Blankenship read a humorous story from the "Dear Abby" column, after which visiting was enjoyed for the remainder of the afternoon.

Apple pie and coffee were served by the hostess to Mesdames Leon Billingsley, Ros Blankenship, Harold Carpenter, Donald Christian, Troy Christian, Wendol Christian, Lawrence Cooper, Billy Meeks, James Roach, Donald Watkins and Herman Gerles.

### HOME DEMONSTRATION CLUBS

"Teaching Children How To Manage Money," will be the topic for discussion in Home Demonstration Clubs for November Training and guidelines were given Friday, October 29, to six adult leaders from Home Demonstration Clubs at the Hub Community room. Homemakers with growing children will be especially interested in this phase of child development. If you are not a member of Home Demonstration Club, you are invited to attend, just ask about the meeting place and attend. You are always welcome.

The big event of the season as a climax to Home Demonstration Club work is the Annual Luncheon November 4, at 12:00 noon in the Rebecca Lodge. Reports from State Delegates to the Texas Home Demonstration Association will be given by Mrs. C. C. Graef, Lazbuddie and Mrs. Edmund Kitten of Oklahoma Lane Club, Miss Edith Lois Wilson, District Home Demonstration Agent, will install the 1966 Council Officers.

### 4-H ACTIVITIES

Lazbuddie 4-H Club members had experience and fun with the mannequin that Jo Ann Bray used last week in her program on Artificial Respiration. The film on Safety was very informative for all age groups. Adult leaders taking training in 4-H Foodguides Unit I, were: Mrs. Howard Snell, Bovina; Mrs. Max Bush, Lazbuddie; Unit 2, Mrs. Earl Jamison, Friona; Mrs. Walter Schueler, Mrs. Franklin Bauer, Rhea; Mrs. Hershel Harding, Farwell; and Mrs. T. A. Mills, Bovina.

In Lazbuddie club, another leader is needed to help with first year girls. Ann Blackstone will serve as junior leader for some of the first year girls. She has had 4 years in Foods & Nutrition. The big event coming up November 20th for 4-H members will be the 4-H County Achievement Banquet. All girls and boys who completed project work and turned in record books are eligible to attend.

Special awards for County winners in various project awards programs will be given. The banquet will be sponsored by the two Rural Electric Cooperatives serving Parmer County, Deaf Smith Electric

and Bailey County Electric Cooperatives. Prizes from others will be awarded.

### REPLACE FOOD FALLACIES WITH FOOD FACTS

Fallacies, fancies, fads... by whatever name you call it, misinformation about food contributes to poor nutrition. Many food fads displace good nutritional food habits. Some fallacies are based on folklore, some are merely half-truths, and others have the backing of "crackpot" organizations. For every bit of misinformation about food, there is a nutritionally sound food fact. For every food promoted as a "health food," there is an everyday food that contributes to our good nutrition. And for every fad diet, there is a diet built around the groups of the Daily Food Guide that helps assure good health.

Many times a quick check in the United States Department of Agriculture's Home and Garden Bulletin No. 72, "Nutritive Value of Foods" (September 1954 edition), will reveal the correct information about calorie, vitamin and mineral values of foods.

For example, the idea that margarine contains fewer calories than butter is quickly disproved when a calorie chart is consulted. Both contain the same number: 50 calories per pat. And some dieters omit pork from their menus. Research has proven that many cuts of pork are just as low in fat as cuts of beef or lamb. Therefore pork, as well as other meats, has an effective place in reducing and low-fat diets.

Not all food fallacies can be checked on a nutritive value chart. Materials from our state colleges and universities, the USDA, nutrition textbooks, the American Medical Association, state public health associations and the Nutrition Foundation give information to counteract food fads. Our office on second floor of Courthouse in Farwell has free copies of these books. Come by for a copy or call 481-3619.

Much food misinformation is so widely believed that it is difficult to counteract. Some of the most commonly repeated fallacies concern digestibility of foods, conditions under which food is grown and how it is prepared.

Contrary to the popular opinion, all fats-margarine, vegetable oils, butter and other fats from animal sources-are equally digestible. The theory that food-stuffs from animal sources are more useful to the body than those from vegetable sources is a fallacy.

### Attend Funeral Of Brother

Mr. and Mrs. Homer Leavell returned home late last week from Russellville, Ark. where they had attended the funeral of Leavell's brother, Tommy. Tommy Leavell was struck by a car in Austin and killed on Oct. 28.

Mr. and Mrs. Leavell were accompanied by Mr. and Mrs. Billy Crain and children of Cee Vee, Tex.

### LOCALS

Mr. and Mrs. W. J. Mathews attended the funeral of Mrs. Otto Caley in Frederick, Okla., Monday. The Caleys lived in the Texico-Farwell area in the 1930's.

### Plans Made For Thanksgiving Social

The Companion Class of First Baptist Church, Texico, met in the home of Mrs. Billy Boling Thursday evening for their regular November meeting. Mrs. Leon London presented a devotional on Thanksgiving using as basis for her discussion Psalm 136.

Plans were made for a Thanksgiving social, with husbands invited. The social will be held at the fellowship hall at the church Nov. 23, 7 p.m. A Thanksgiving meal will be served. Plans were also completed for the annual Christmas party and gift exchange. The Yule social will be held in the home of Mrs. Dee J. Brown, Dec. 16.

Attending the Thursday meeting were Mesdames Tena Roth, Verlene Doolittle, Dee J. Brown, Leon London, Charles Bradley, Ernest Foreman, C.H. Webb, Nathan Tharp and Billy Boling.

Refreshments of fruit cake and coffee or spiced tea were served.

### Bookmobile Receives Many New Books

The High Plains Library Bookmobile is still receiving many new books from the Texas State Library to try to provide area readers with the best in reading.

The latest shipment of books includes the two Juvenile Books "Cape Cod Casker" by Lochart Amerman - a highly original plot, written in a witty style in a suspenseful tale that is the finest tradition in adventure stories; and "A Far Voice Calling" by Margaret Weeks Adair, the delightful story of Joe Whiskers (a sea lion).

"You Learn by Living" written by Eleanor Roosevelt, "Hitler, A Study in Tyranny," "The Rise and Fall of the Third Reich," "The Pioneer Spirit," "The School Dropout," "Life in Regency England," "A Time for Tenderness," "Toyon," and "Capital Punishment" are also among the latest books received by the Bookmobile.

All area residents are invited to make use of the Bookmobile when it visits Farwell in the near future.

### Donnie Carpenter Attains Rank Of Army Captain

Army Captain Harold D. (Donnie) Carpenter, 25, son of Mr. and Mrs. Harold W. Carpenter of Farwell, whose wife, Kay, and son live in Canyon, was recently promoted to his present grade in ceremonies in Kontum, Republic of Vietnam. Captain Carpenter, a Civil Officer, is assigned to the 24th Special Tactical Zone, Kontum Sector. Before entering the Army at Fort Sill, in May 1962, Capt. Carpenter graduated from Farwell High School in 1957 and from West Texas State College, Canyon, in 1962, receiving a B.S. degree. He comes to Kontum from the 6th Msl. Battalion (Hawk) 65th Artillery, at Key West, Fla. He arrived overseas in September.

The Second Corps of the Army of the Republic of Vietnam (ARVN), headquarters of Pleiku, has jurisdiction over the 13 central provinces, or an area roughly the size of the state of Florida. The varied terrain found in Second Corps makes it necessary for ARVN and US advisors to be prepared to fight four distinct types of war; the rice paddy war in the low lying coastal areas, the jungle war in the dense interior, the mountain war in the inland mountain ranges, and the plateau in the highlands.

### Royal Ambassador Week Observed By Texico Church

Members of the Texico First Baptist Church joined thousands of other Baptist churches throughout the Southern Baptist convention, Nov. 7-13, in observance of Royal Ambassador Week.

During this week the church spotlight is turned on boys 9-17 who participate in the missionary education program.

In the Texico church they sat together as a group in the worship service Sunday morning. On Monday they played a basketball game with the church

Brotherhood. A recognition service was held Wednesday night for the boys who have advanced in the program.

Counselors for the Royal Ambassadors at the Texico church are Bill Boling and Rev. Leroy Looper. Murray White is chairman of the Royal Ambassador Committee.

Approximately 18 boys are enrolled in the two Royal Ambassador Chapters at the Texico Church. There are approximately 235,000 boys in Royal Ambassador in the Southern Baptist Convention.

**AWARD WINNERS** -- Members of the Texico High School Journalism class received two certificates at the annual Texas Tech J-Day on Saturday. Journalism students shown with the certificate of honor (yearbook) and the superior certificate (school paper) are standing left to right: Jill Billington, Ralph Madrid, Pam Fitz, Lola Pearl Jarvis and Beverly Winkles. Seated left to right: Darlene Bell, Brenda Sims, Ella Mae Brown and Veda Wilson.

**Attend J-Day Receive Awards**

Several members of the Texico high school journalism staff and their advisor, Mrs. Lillian Allman, were in Lubbock to attend the 9th annual J-Day on the campus of Texas Tech.

For the ninth year the annual journalism students received awards on both the school paper "The Wolverines Tale" and the school yearbook "The Wolverine."

The yearbook received the certificate of honor (the highest award) and the school paper received the certificate of superior rating. Only two other schools, Lubbock High and Monterey High, received two awards on their school publications. In order to receive an honor awards were presented to the students at a luncheon at which Stutterin' Jake Mahaffey was main speaker.

certificate a total of 1160 points was required. Texico had more than 1600.

Editor of the school paper is Veda Wilson, senior. Co-editors of the yearbook are Beverly Winkles and Jill Billington, both juniors.

Veda Wilson and Mrs. Allman served on a panel in which problems of the school newspaper were discussed.

**Proper Irrigation Determines Profitable Wheat Production**

"Timing of wheat irrigation is of maximum importance in influencing the amount of take home money from wheat," says James Valliant, Water Engineer at the High Plains Research Foundation. "Irrigation properly applied and in balance with fertilizer is the key to profitable wheat production in the Texas High Plains. This would mean increased dollars returned per dollar invested balanced with highest net return or practical efficiency."

Tascosa wheat was planted on October 28, 1964, on land from which grain sorghum had just been harvested. The wheat was irrigated to a stand after being planted dry. The most profitable yield was secured when irrigated at jointing, boot, head, and dough stages in 1965. This irrigation test produced 67.7 bushels per acre. The last, or dough stage, irrigation was added in 1965 due to the lack of rainfall from May 10 to June 1 at Halfway. This dough stage irrigation had not been necessary in previous years when adequate May rainfall had been received. The gross return from the four irrigations was \$91.40 per acre. The pumping cost at 75¢ per acre-foot only was deducted, giving the net return of \$73.02 per acre. Irrigation at the jointing, boot, and head stages produced 58.9 bushels per acre in 1965.

Wheat will normally use approximately 8 1/2 inches of moisture from November 1 to March 21. Planting on moisture from fall rains plus an irrigation after a stand is established or dry planting and irrigating to a stand appeared to provide adequate winter moisture

for wheat. An extra February irrigation in 1965 was unprofitable as it reduced the yield to 48 bushels per acre.

Dean Howard, Assistant Agronomist, worked with Valliant in this wheat irrigation study. Dr. Earl H. Collister, Director of the Foundation, said, "this research program on wheat irrigation was designed to find ways and means of more efficient farming for the High Plains of Texas."

Details of this experiment are found in Report No. 161 of the High Plains Research Foundation for 1965.

**Highlights and Sidelights From Your State Capital**

**AUSTIN**-- Both ultra-liberals and ultra-conservatives have indicated they want a place on the 1966 general election ballot.

Texas liberal spokesmen hint they may run a candidate for governor and perhaps one for the U. S. Senate if Atty. Gen. Waggoner Carr is the Democratic senatorial nominee.

Conservative party already has adopted a resolution of intent to nominate state candidates next year.

**CANDIDATES ANNOUNCE**-- Two new candidates have announced for statewide office.

They are State Sen. Galloway Calhoun of Tyler for attorney general; and State Rep. Paul B. Haring of Gold for railroad commissioner.

Haring will take on Commissioner Byron Tunnell of Tyler. Tunnell was appointed by

Gov. John Connally last January to fill the unexpired term of Ernest O. Thompson, who resigned because of ill health. Secretary of State Crawford Martin of Hillsboro and State Sen. Franklin Spears of San Antonio announced earlier for attorney general.

**NEW WEAPON FOUND**-- A significant new weapon has been acquired by the State of Texas against a federal lawsuit to abolish the poll tax as a voting requirement in this state, reports Attorney General Carr. U. S. Senate Judiciary Committee has made available to Carr testimony of federal Atty. Gen. Nicholas Katzenbach purportedly acknowledging the Texas poll tax is not used for racial discrimination.

Carr maintains that, in view of testimony, Congress could not have had Texas in mind when

it authorized suits against the levy as a voting requirement under the new voting rights act. Case is set for trial December 1 in Austin.

**REAPPORTIONMENT OVER-RATED?**-- Equitable reapportionment of the Texas Legislature will bring no major switch toward liberalism, according to University of Texas Institute of Public Affairs study.

Both theory of constant urban-rural conflict among lawmakers and assumption of big city liberalism are mainly myth, study concludes.

Votes on 45 selected roll-calls were carefully analyzed. Reapportionment, the study maintained, will bring few if any major policy changes in the State Legislature. A number of exports and would-be experts strongly disagree.

**APPOINTMENTS ANNOUNCED**-- Terrell Blodgett of Austin, director of the Texas Economic Opportunity Office, will join the administrative staff of Governor Connally on December 1.

Blodgett will be replaced by State Sen. Walter Richter of Gonzales.

Connally also announced these appointments: William P. Hobby Jr. and C. T. Parker, both of Houston, to University of Houston Board of Regents, Reappointed to same board were James T. Duke of Johnson City, Col. William B. Bates of Houston and James A. Elkins Jr. of Houston.

E. C. Pannell of Fort Worth, A. M. Willis of Longview and Raymond L. Tollett of Big Spring to the Board of Regents of North Texas State University. Robert W. Knebone of Houston, reappointed to Texas Youth Council.

W. G. McCampbell Jr. of Goliad to the San Antonio River Authority.

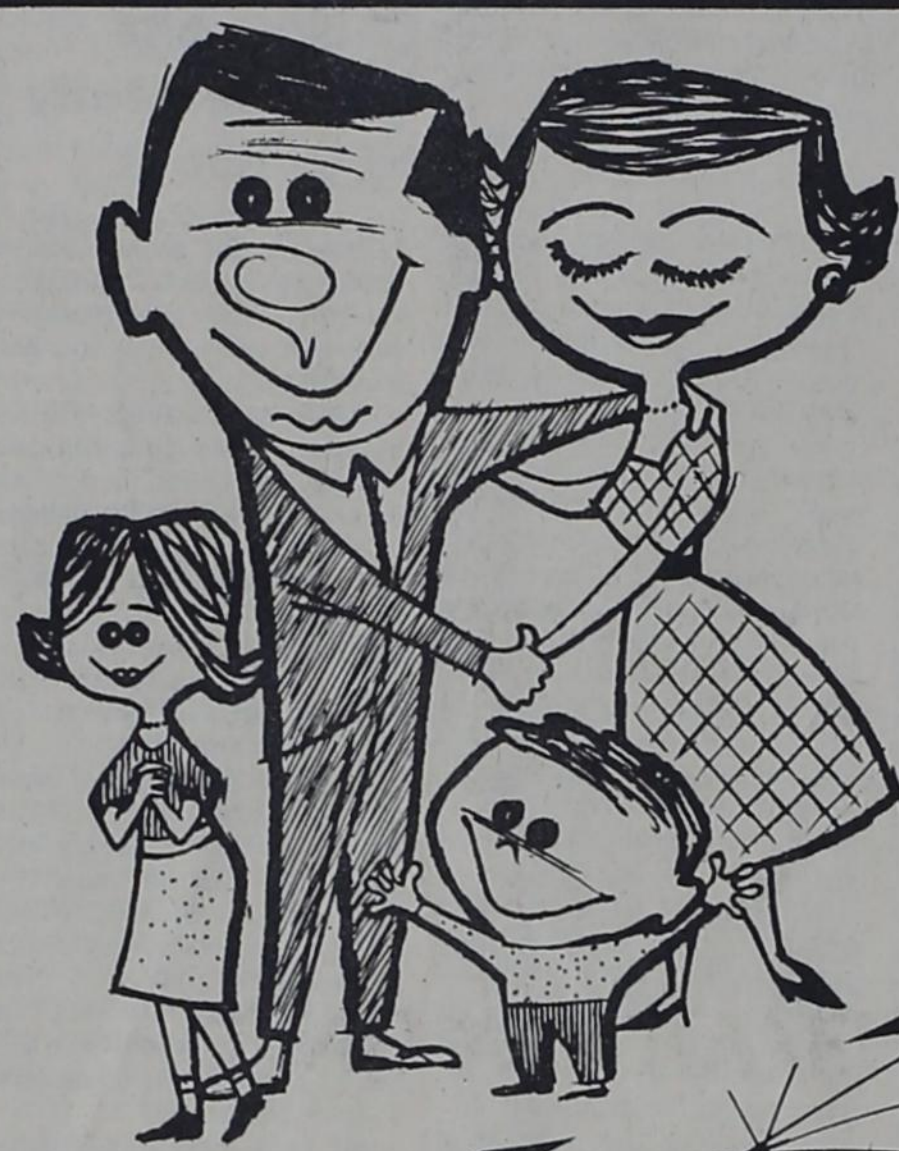

In Pecos, Ward and Reeves Counties due to "serious increase" in pink bollworm infestation, according to Agriculture Commissioner John C. White.

Voluntary program in that area calls for February 15 as plow-up date for destruction of all cotton stalks, gin trash and overwintering places. Texas Department of Agriculture will supervise a mandatory control program the following year. No cotton will be planted before April 10, 1966, under agreement of cotton farmers.

**POVERTY PROGRAMS**-- Eleven more Neighborhood Youth Corps projects have been approved by Governor Connally.

New programs will be conducted in Dallas, Eastland, Mathis, Mercedes, Olton, Orange, Paducah, Robstown, Slaton, Sweetwater and the Uvalde area (comprised of Uvalde, Kinney and Real Counties).

Washington officials have submitted a revised project, sponsored by the Texas Farmers Union, to Governor Connally for his approval. Connally vetoed an earlier proposal.
