13 Texico Students To Reagan Inaugural

New Mexico will be well represented during the inauguration of the nation's 40th president, Ronald Reagan, next Tuesday, Jan. 20, as 13 Texico High School students join six other New Mexico High School students and various New Mexico Republican leaders on a charter flight to our nation's capitol tomorrow, (Saturday).

The 13 Texico students attending will be joining some 50 other young people, led by such notables as Theresa Anderson, Miss New Mexico for 1980. The other high schools represented will include Roswell, Goddard, Lovington, Logan, Tucumcari and Las Cruces.

While the trip will be paid in full by those individuals attending, it was all made possible through an invitation from New Mexico Senator Pete V. Domenici.

Those attending from Texico will be Ruthann Rickert, Kent Harding, Montie Powell, John Kelley, Teresa Golledge, Jill Jesko, Becky Eshleman,

Dwight Brown, Lisa Coffey, Nikie McDaniel, Neal Snipes, Terri Bradley and Lisa Crooks. Traveling with the group as sponsor and chaperone will be school superintendent James Pierce.

Republican leaders in New Mexico will make up a large portion of the 230 member charter led by Frank Bird, state chairman for the George Bush Campaign in New Mexico.

Native Americans will also be well represented at the Inauguration, with the largest group, 200 in all, coming from the All Indian Pueblo Council, led by Chairman Del Lovato. Chairman Peter McDonald will be among the ten representatives from the Navajo Nation and Chairman Leonard Atole will be among six members of the Jicarilla Apache Tribe scheduled to attend.

The Texico students will depart Texico at 1 p.m. MST tomorrow (Saturday) for Washington, D.C., and arrive back home at 6 a.m. MST Wednesday, Jan. 21.

After arriving in Washington the group will hardly find boredom a problem as a full schedule has been arranged for them.

They will have the opportunity to see everything from a Beach Boys or Fred Waring concert at Constitution Hall to opera, ballet, classical music or a symphony at the famed Kennedy Center.

Receptions will also make up

a major portion of the festivities.

Two of them are open to all New Mexicans attending. The first is being sponsored by the New Mexico State Society and will be tomorrow, (Saturday) at 8 p.m. EST in the Cannon House Office Building. A live Mariachi band is expected to be on hand to perform.

The second is being sponsored by the New Mexico Congressional delegations, Senators Domenici, Harrison Schmitt, and Congressmen Manuel Lujan and Joe Skeen, and is set to take place Monday, Jan. 19, from 4-6 p.m. EST, in the Dirksen Senate Office Building.

But the icing on the cake for the visiting New Mexicans will

be the Inauguration Day activities. This is their chance to see history in the making.

Their day will begin with coffee in the office of the New Mexico Senator or Congressman of their choice at 9 a.m. EST. They will then head over to the west front of the Capitol building for the swearing-in ceremonies which are scheduled to get underway at 11:30 a.m. EST.

A parade will follow the ceremony and at 5:15 p.m. EST there will be an Inaugural Day Fireworks Salute in front of the Lincoln Memorial.

Rounding out the day's activities are a number of Inaugural Balls scheduled at various locations throughout the city.

One Man Arrested In Theft Of Calves

One person has been arrested in connection with the theft of calves belonging to Johnny Alvarez. The calves were allegedly stolen the night of January 4 or early January 5, according to Parmer County Sheriff Bill Morgan.

"We have recovered two of the three calves," said Morgan. "We know where the third one is, but doubt we'll ever get it back," he added.

Alvarez reported the three 200-pound calves missing from his property located east of Friona early last week. The calves were valued at \$200 each.

Morgan said that officers had arrested one subject in connection with the theft of the calves, and he is currently out on bond. The sheriff said the subject is now awaiting grand jury action.

In other action this week with the Parmer County sheriff's department, officials have been investigating reports of theft and vandalism throughout the county.

Edwin Lide of Bovina reported that \$35 worth of tools had been taken from his tractor. Lide reported also that thieves had been unsuccessful in stealing his radio and other

valuables located in his tractor.

Jerry McClaran, south of Bovina, reported that sometime since mid-December over \$200 worth of meat had been stolen from his freezer. McClaran had been keeping his freezer unlocked.

Harold Joe Wells of Friona reported that five wheels and tires were missing from his pickup. He placed the total value at \$300.

Gayland Rhodes of Agri-Sprayers of Bovina reported that the business' flood light had been shot out sometime in the last two weeks.

A pickup truck belonging to Kayle Watts of Farwell was reported broken into and one tape caddy with four eight track tapes; two speakers; one booster; and a five-band graphic equalizer had been stolen. Watts placed the total value of the missing items at \$360.

Terry Travis and Mike Norris, both of Farwell reported two separate incidences of a broken glass in their tractor cabs due to vandalism. Travis' damage was estimated at \$100. There had been no dollar amount placed on Norris' damage at press time.

To Washington

Whether you're Democrat or Republican, the chance to see a new President of the United States sworn into office is a once in a life time experience, and these Texico High School students will have that opportunity next Tuesday. They have been invited to attend the

inaugural festivities in Washington, D.C., traveling there on a special charter flight, provided by New Mexico State Senator, Pete V. Domenici. Those planning to attend are, from left, back row: John Kelley, Teresa Golledge,

Dwight Brown and Montie Powell; front row, Ruthann Rickert, Nikie McDaniel, Becky Eshleman, Terri Bradley, and Neal Snipes. Also attending will be Jill Jesko, Lisa Coffey, Kent Harding and Lisa Crooks who are not pictured.

1981 Program - -

Acreage Not A Factor For Farm Eligibility

The number of acres planted to program crops will not be an eligibility factor under the 1981 wheat, feed grains and cotton program, and any farm may participate in the program regardless of the number of acres of program crops planted on the farm, according to Prentice Mills, County Executive Director for Parmer County ASCS.

"It was announced earlier that a participating farm would be restricted to an acreage of program crops no larger than the farm's assigned Normal Crop Acreage (NCA)," said Mills who added, "This is not true now. There is no limitation on the acreage of program crops that may be planted on a participating farm."

Mills stated that all a person is required to do to participate in the program is to measure his acreages very carefully, report these acreages to the

ASCS office and to sign an application for program benefits.

The ASCS director listed program benefits as: The Disaster Program "which is the same as it was in 1980." The loan program, "to be basically the same as it was in 1980 with the reserve program being available with interest-free loans," he said.

"Also, if the market should dip low enough, there will be a deficiency payment on applicable crops," Mills stated.

According to Mills, a farm's 1981 plantings will have no bearing on the NCA established for the farm in future years. "As far as is known at this time, there will be no voluntary set-aside acreage offered in 1981," said the director.

Target prices for 1981 were listed by Mills as feed grains, they will be at least - corn: \$2.35 bu.; grain sorghum: \$4.46

cwt.; barley: \$2.55 bu.

For wheat - no less than \$3.81 bu.

For cotton - somewhere between 68.5 and 75.5 cents per pound.

"Producers should encounter no problem in participating in the 1981 farm program," Mills remarked. "However," he said, "all are invited to contact their local ASCS office with any question they may have concerning the program."

Farwell Hires New Part-time Employee

A part-time sanitation department employee, Robert Bergner of Clovis, was hired by the Farwell City Council during its meeting Monday, Jan. 12. Councilmen voted to hire the new employee to assist in the sanitation department when employee Jackie Doshier is taken from that department to work at the Farwell cemetery.

Doshier was appointed as cemetery sexton in November of last year and told at the time that the position would be only part-time, but that it would override his duties in the sanitation department. The new employee hired Monday night, at the suggestion of sanitation department employee John Johnson, will take up the slack when Doshier is putting in hours at the cemetery.

In other business at the council's regular bi-monthly meeting held at Farwell City

Hall, City Clerk Janie Bowery read a letter from the engineering firm of Parkhill, Smith and Cooper setting prices for work they provide in miscellaneous engineering, consulting and design services. For the year 1980 the City of Farwell spent approximately \$5,349.29 with the firm, most of that money coming from matching funds.

The clerk then advised the councilmen that the city had received its quarterly revenue sharing money in the amount of \$3,035. She advised that the amount had been sent directly to their bank account.

Before closing the short meeting the city fathers once again discussed the area's dog problem. Securing items such as muzzles, tranquilizing guns and cage entrapments were all discussed and John Johnson was advised to check with local veterinarians on the purchasing of muzzles.

Attending the Monday night meeting were Mayor Walter Kaltwasser, councilmen Fred Chandler and Johnny Curtis, city clerk Janie Bowery and employees Dee Hammitt and John Johnson.

Comptroller Rep. Here Third Wednesday

Texas State Comptroller Bob Bullock has announced that Kay Doggett from his Lubbock Field Office will be at the Parmer County Courthouse on Wednesday, Jan. 21, from 2-3:30 p.m. CST. Bullock said that one of his representatives is available to assist Parmer County residents at the courthouse here the third Wednesday of each month.

The comptroller urged anyone with problems or questions concerning state taxes to contact Ms. Doggett at the courthouse in person or to call the Lubbock Field Office at 806-795-0691.

A toll free telephone number, 1-800-252-5555, is also available to Texas taxpayers.

Farwell Band Members Receive Region Honors

Farwell's High School band members have received yet another honor to add to the many they have received through the years. Six members were chosen for the 1981 North Zone A-AA-AAA All-Region Band, according to Lynn Burton, band director.

Those chosen will participate in the All-Region Band clinic to be held at Monterey High School in Lubbock on January 29, 30 and 31.

Clinician for the band will be Dr. Gary Garner of West

Texas State University, Burton said. "A concert for the All-Region Band will be held January 31," the director said.

Farwell members chosen for the honor are Tori Hardage, alto clarinet, second chair; Polly Turner, E-flat contra bass clarinet, first chair; Rocky Ford, baritone saxophone, first chair; Cydney Ford, trumpet, 13th chair; Robin Vinton, trumpet, fifth chair; and Jack Smallwood, trombone, 11th chair.

All Region Band

Six members of the Farwell High School band were recently selected for the North Zone A-AA-AAA Region Band.

They are, from left, Polly Turner, Tori Hardage, Rocky Ford, Jack Smallwood, Robin Vinton and Cydney Ford. The

students are scheduled to participate in the All-Region Band Clinic January 29, 30 and 31st in Lubbock.

Pancake Chefs

Joel White (left), Randy Adrian, (center), and James Williams are all set for tonight's [Friday] Booster Club Pancake Supper to be in the Farwell School Cafeteria

beginning at 5 p.m. CST. The fund-raising event will also feature bacon, sausage, coffee and milk on the menu and will continue until 8 p.m. CST. Cost for the Booster-sponsored din-

ner is \$2.50 for adults and \$2 for children under 12. Tickets will be available at the door or from any Booster Club member.

PURELY PERSONAL
by John

The worm is showing signs of turning. The Reagan administration's cabinet appointments in testifying before Congressional committees are saying some things we have longed to hear in official Washington.

Foremost among those who have bowled down our alley is Alexander Haig, nominee for Secretary of State. Listen to these words, "My experience in the international community suggests to me that our deterrent achieves its credibility by the perception of our willingness to do whatever is necessary to protect our vital interests if challenged. And that must include the arsenal of nuclear weapons that we maintain at such great cost today."

With this astute observation Haig immediately threw the liberal politicians, commentators and assorted bleeding hearts into a tizzy. It is such incisive thinking and articulation of thought that is making his confirmation hearings a Capitol Hill event. The nature of his detractors is a measure of his capabilities.

Haig also said, "There are things we Americans must be willing to fight for. This republic was formed by armed conflict for the freedom and liberties we enjoy today. . . . We must understand that. We must structure our policy under that credible and justifiable premise."

Go to it Alex-it's about time common sense was heard in the halls of Congress.

Our, and a goodly portion of the civilized world's, football season came to a crashing halt last Sunday afternoon. O well, let's wait for next year for the Cowboys to win it all.

All "eyes" will be on February. The free enterprise system will "spud in" on a gusher of new promotions. We can hardly wait for the fun. We received a release that began, "Banish the February blahs by celebrating February as Potato Lover's Month."

In the past we knew that February was very important to the well being of many people. We have always associated February with American Heart Month, Boy Scout Anniversary, National Cherry Month, Ground Hog Day, Children's Dental Health Month, National Crime Prevention Week, National Electrical Week, Thomas Alva Edison's Birthday, Abe Lincoln's Birthday, George Washington's Birthday, Valentine's Day, Future Farmer's of America Week, Brotherhood Commitment Week, Negro History Week, National Beauty Salon Week, National Kraut and Frankfurter Week, and now we must also suitably recognize it as Potato Lovers Month...urp.

However, before we dash off into the mad whirl of celebrations in February we will practice a little by suitably recognizing National Do Nothing Day, today January 16th.

W.L. 'Preach' Edelman Rites Thursday

Funeral services were to be Thursday afternoon at 3 o'clock in Sixth Street Church of Christ in Friona for W.L. "Preach" Edelman, 74, a prominent Parmer County cotton farmer and former Friona mayor and school superintendent.

Interment was to be in Friona Cemetery under the direction of Parsons-Ellis Funeral Home of Friona.

Mr. Edelman was killed Tuesday morning when his pickup truck collided with a truck-tractor rig five miles southeast of Friona at an intersection on Farm Road 3140.

The Department of Public Safety reported that the acci-

dent occurred at 10:40 a.m. and Mr. Edelman was pronounced dead at the scene. Driver of the truck-tractor, Vernon Redwine of Brownfield, was uninjured according to the investigating officers.

Mr. Edelman, who was born in Lometa, Tex., came to Friona from Springlake in 1937. He graduated from Texas Tech in 1929 and worked as an instructor in parliamentary law at Tech and later taught in public schools. He was superintendent of schools at Springlake before moving to Friona where he served in that capacity from 1934 to 1941. From 1966 to 1970 he was mayor of Friona.

He was a charter member and first president of the Friona Lions Club, was Lions International District Governor in 1966-67 and was named to the Lions Club Hall of Fame in 1975.

In 1967 he was named Friona's Man of the Year and he also served for 10 years as a director for Girls Town USA. He was a member of the Sixth Street Church of Christ.

For four years, Mr. Edelman was chairman of the local soil conservation committee and 12 years was a trustee of the High Plains Research Foundation. He also served 12 years as county director of Plains Cotton Growers and was a director of Texas Corn Growers Association.

In 1929 in Lubbock he was married to Ruth Officer.

Besides his wife he is survived by a son, Von of Friona; a daughter, Jan Edelman of McLean, Va.; one sister, Mrs. Mildred Williams of Mesa, Ariz.; two brothers, Grady Edelman of Muleshoe and Claude Edelman of Dumas; and four grandchildren.

Memorials may be made in the form of contributions to Girls Town USA.

Twin Cities Experience Some Dollar Growth In '80

Both the City of Farwell and the City of Texico registered dollar growth in many areas of their respective governments in 1980, but the City of Texico had a decrease in its annual sales tax.

The City of Farwell issued a total of 10 building permits in 1980 totalling \$172,383 in value, according to city clerk Janie Bowery.

The permits were issued for two new conventional homes, two businesses and the rest were for home additions. The two businesses were one service station and one telephone building.

For the past year the total assessed value of property taxable by the City of Farwell was \$17,314,631, representing

an increase of \$209,833 over the 1979 assessed value figure of \$17,104,798.

This means the city will receive a tax revenue of \$56,978.91, an increase of \$5,662.22 over the 1979 figure of \$51,316.69.

The number of water meters has dwindled since 1979 by 10. Mrs. Bowery reports a total of 547 water meters registered with the city and the 1979 figure was 557.

For the year 1980, the City of Farwell has received \$24,297.78 in sales tax, Mrs. Bowery said,

which is an increase of \$6,395.45 from the 1979 sales tax figure.

Texico city clerk Marie Christian advises that Texico has a total property evaluation for 1980 of \$1,220,393, which is an increase of \$816 from previous figures. The city's operating tax is .002225 Mrs. Christian said.

The City of Texico saw a decrease in its sales tax. For the year 1980 the city had a total of \$30,444.62 in sales tax, which is \$1,020.93 from the 1979 figure.

Texico is currently servicing approximately 325 water meters, according to Mrs. Christian, which she indicates is an increase from 1979.

Although in 1979 Texico officials predicted a population figure of 1,000 persons, the 1980 census showed an actual count of 910, which Mrs. Christian says has since been changed to what she believes is a lowered amount. The actual figure was not available at press time.

In love with older women

Two out of three young men tell the romance researchers that they've been in love with older women. But only one out of three older women say they've been in love with younger men. Interesting, and no doubt true. The hereabouts must be dotted with sad lads longing for unreturned affection from experienced ladies. This is no surprise to our Love and War man. Further, he is aware that a young man who is fascinated by a disinterested older woman is exceedingly vulnerable. A young lady of his own age need only say something flattering to a fellow in this condition, and he's a goner.

Which is more sensitive to pressure, your nose or your fingertip? Your nose is. Prove it. Touch your fingertip to your nose gently and your nose will feel the contact first.

Maybe you didn't realize that the abbreviation "U. S. A." stands for "Union of South Africa."

TAPE REPORT

Q. Aren't young women a bit bustier now than they were 40 years ago?

A. Not really, they only seem so because their waist and hip measurements today are slightly smaller. Average then, 26.6-inch waist; now, 25.8. Then, 37.5-inch hips; now, 36.9. The bust measurement average of this particular group remains unchanged at 34 inches. So show the statistics on 350,000 women in their 20s. Not much room for error in such a sizable sampling.

Q. Louie, were you brought up in the days when everybody was saying, "Twenty-three skidoo" and "Oh, you kid"?

A. No, sir, those were a lot earlier. When I was a young fellow, people were saying, "Things are tough all over" and "Oh, my aching back!"

Q. Who's the woman in politics known as "Joan of Art"?

A. Vice President Walter Mondale's wife. She's into it.

REACH

If a prizefighter's reach were really significant, the Dallas Cowboy's Too Tall Jones might have made it as a boxer. His reach at 88 inches was 20 inches greater than Rocky Marciano's, 12 inches greater than Joe Louis', four inches greater than Mohammad Ali's and seven inches greater than Larry Holmes'.

When pollsters asked 500 citizens what they feared most in all this fearful world, 190 of them said, "Getting fat," or words to that effect.

County Commissioners Have Lengthy Agenda

During the recent meeting of the Parmer County Commissioners Court, members voted to try and qualify the Parmer County juvenile probation office position to serve both Parmer and Bailey counties. County Judge Porter Roberts has been contacted previously about this possibility and the commissioners voted unanimously to make it possible.

In other action, commissioners voted to pay county volunteer fire departments a total of \$3,500 each to assist them in their operating costs. "When the fire departments are called out to a county fire they are using city equipment," explained Judge Roberts. "This money is to help defray their costs of traveling to county fires," he added.

In other money matters the commissioners voted to invest \$25,000 in a CD to mature by March of 1981. The money is to come from the county's general fund.

Sheriff Bill Morgan met with the Court to explain the new organization of his office and to ask that one more dispatcher be allowed for more efficient operation of his office.

After much discussion the board voted unanimously to amend their budget by \$6,300 to allow for one more dispatcher for the sheriff's office. This will allow the secretary to work separately from all dispatcher duties.

Bonds received on newly-elected county officials were approved. They were for Porter Roberts, Albert Smith,

Hugh Moseley, Johnny Actkinson, M.C. Morgan, Jr., Archie Tarter and Wayne Spears.

Also during the meeting commissioners voted to pay a \$186 boarding care bill received for Dora Fields.

The following soil conservation work was approved and ratified:

Precinct 1 - Hollis Horton, \$50; R.J. Renner, Jr., \$67.50. Precinct 2 - Glenden Suderth, \$6.26; Morris Wallace, \$87.50; and Kregg Wilson, \$75.

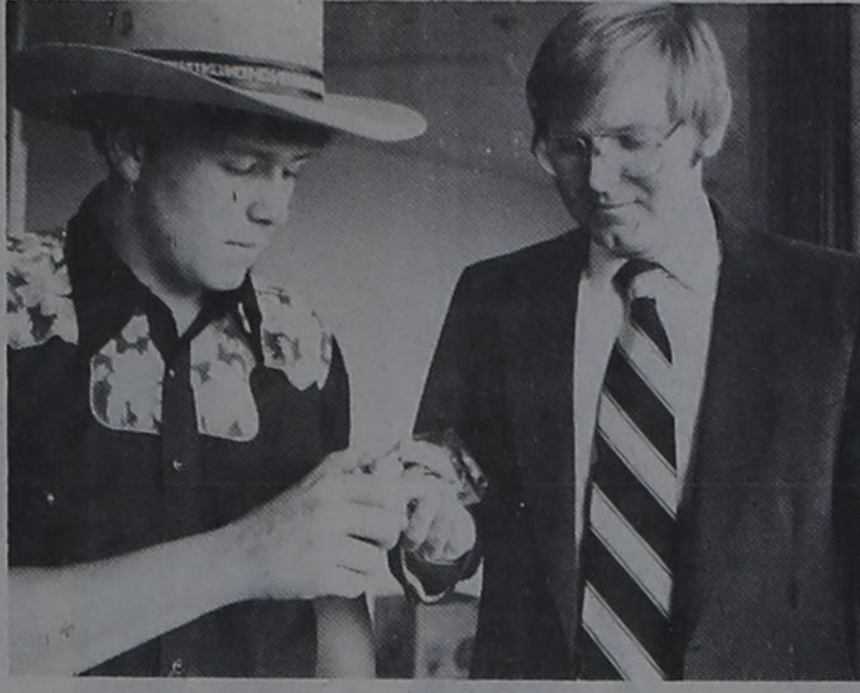

Precinct 3 - Gerald Norton, \$650; Henry Haseloff, \$62.50.

Commissioners also approved a resolution concerning Senate Bill Number 12, by Texas Senator E.L. Short. The resolution reads as follows: Resolved that Senate Bill Number 12 requiring the State to pay for court appointed counsel in capital cases receive the full support of the Parmer County Commissioners Court.

In other business during their meeting members voted to grant right-of-way easements on county roads for a City of Friona water line.

County Extension Agent Seth Ralston reported that he will attend the Denver Stock Show January 15 and will take along about eight county 4-H Club members and 23 barrows for the show.

And finally, commissioners voted that county officials and employees be compensated on a yearly salary basis divided by 12 months, and that the 1981 court terms be set as January 1 to June 30 and from July 1 to December 31.

Tail Feather Winner

Donald Lovelady of Farwell, left, brought in the longest pheasant tail feather measured at Farwell to win Farwell's first prize in the 1980 Pheasant Tail Feather Contest. Lovelady won the prize with a tail feather measuring 25 3/8 inches long. The young hunter shot his bird on the W.T.

Magness farm east of Farwell. The son of Mr. and Mrs. Roy Lovelady, Donald accepts a belt buckle inlaid with an enameled pheasant and engraved "Farwell 1981, 25 3/8," from Tom Nichols of Security State Bank, one of the annual contest sponsors.

Texico School Board Election February 3

School board election for Texico Municipal School will take place Tuesday, Feb. 3, at Texico City Hall. Three persons have filed to run for two positions on the school board.

According to school superintendent James Pierce, voters will choose from candidates Roy Thornton and J.B. Taylor for position one on the school board and Arlye Crooks for position two.

Crooks is running for re-election and the other two candidates will be filling a vacancy created by Ronnie Curry who chose not to seek re-election.

To run for the Texico School Board a person must be a resident of New Mexico and the Texico School District. Deadline for candidacy filing was December 30.

The Texico City Hall will be closed to regular business on election day.

Texico City Council Holds Short Meeting

Texico City council members discussed approaching Mrs. Nita Wilson, owner of the property by the Texico Cemetery, about purchasing approximately five acres of land from her for the cemetery's use.

Also discussed during the short meeting was the follow up of citations issued to persons on property clean-up and the possibility of condemning delapidated buildings in the city.

Ken Horn and Dickie Clayton of Horn-Clayton Insurance were guests at the meeting to discuss the city's insurance.

Also attending the bi-monthly meeting were mayor John R. Hadley, councilmen Donnie

Morris, Vane Doshier and Lewis Cooper; and city employees Marie Christian, Mickey Fenn and Billy Hammit.

Roberts Hears Cases

Parmer County Judge Porter Roberts heard four cases this week involving drunken driving, possession of marijuana and driving without a license.

Tom Livingston, 61, of Hereford pled not guilty to a DWI charge. He had bond set at \$200.

Harold Sanders, 33, of Hereford, charged with DWI and possession of less than two ounces of marijuana, was fined \$150 plus court costs and sentenced to three days in county jail. His judgement was deferred six months. For the marijuana charge Sanders was fined \$100 plus court costs.

Gary Don Young, 21, of

Enochs, Tex., charged with DWLS fined \$100 plus court costs and sentenced to three days in county jail.

John Robert Young, 21, of Canyon charged with possession of marijuana under two ounces and fined \$100 plus court costs and sentenced to three days in county jail. He received a six-month deferred judgement.

Curry County Crime Stoppers

Curry County Crime Stoppers is offering a \$150.00 reward to whoever has some information about the \$7,000.00 worth of damage committed to 18 cars and 3 pickups. These vehicles were parked in a row on the lot of Doc Stewart Chevrolet, 2500 Mabry Drive in Clovis. It is believed the vandalism occurred the night of either December 30 or 31st. It appears that two apparently adult people jumped from trunk to trunk, denting the entire line of cars.

It was reported that during this same time frame a White 1977 Ford Van was broken into on the fenced in parking lot of Big Country Ford, at 2400 Mabry Drive. Stolen from the van was a Pioneer Am, FM 8-track stereo component set, One 8 inch Hi-Fidelity speaker, along with one Pioneer equal-

ized booster unit. A digital clock was also stolen. The loss amounted to \$400.00. Crime Stoppers will pay a \$50.00 reward for information that will lead to the arrest of whoever committed this crime.

To claim your reward call 763-7000 in Clovis, our area Crime Stoppers Number, or call the State Crime Stoppers on the toll free number 1-800-432-6933. If your information leads to an arrest you might be entitled to a cash reward. Remember you do not need to give your name, your identity remains secret and the calls are not tape recorded.

Portraying Area Homemakers

by Mary Sobin

Betty Martin of Texico took an eight-year hiatus from her university studies to take care of her two young boys, Byron and Warren, and to be a fulltime homemaker. However, now she is back full time at ENMU majoring in Vocal Pedagogy, also known as voice.

The wife of Texico farmer Greg Martin, Betty has been involved in music and voice "since childhood." She took private voice lessons while in school at Clovis High School which enabled her to attend her first two and one-half years at Eastern on a voice scholarship. She hopes to someday become a private voice teacher after her graduation.

She is in her third year at the university now and says it wouldn't be possible at all if it weren't for the help of her husband. "He helps me an awful lot," she says with pride, adding, "we work on this together."

Currently she serves as president of the ENMU concert choir where she is first soprano. Last spring the voice major had the lead in the

ENMU opera production, "The L'Exor D'Amore." "I know that a lot of people don't care for opera," she says as she begins to play a bit of last season's lead performance on the cassette player. "But my voice is so high it's just perfect for me," she says. And after listening to the tape I have to agree, her voice is beautiful.

Betty has been in choirs since junior high and has sung for many weddings. "Weddings are a bit hard for me because I just don't have an Anne Murray or Tony Tennille voice," she said.

This week's area homemaker feels she is a very organized person and that is why she is able to handle making a home for her family while going to school full time. In addition to taking 22 hours at ENMU, she practices voice three hours a day and then practices the piano for an hour. Betty says, "If you don't, your voice teacher can tell right away."

She and Greg have been married 11 years and have only recently moved "off the farm" into the town of Texico. In their new home Betty has a

room off the garage where she is able to do her music all alone. "And the kids are able to still watch TV," she laughs, adding "it used to be pretty hard for them and me before I had this room."

This year for the ENMU spring opera production, Betty will be singing in the opera chorus. For last year's production she had over 385 pages to memorize in two months before she went on stage as the opera's lead. This year's performance shouldn't be quite as time consuming.

Both she and Greg are natives of the Twin Cities area, she is a 1968 graduate of Clovis High and he graduated from Farwell High. Greg's parents still live in Farwell and Betty's parents are in Albuquerque.

As a family the Martins enjoy water skiing in the summer and back packing in the mountains.

Greg farms just outside of Farwell and south of Texico.

Since she has been back in school Betty has been on the Dean's honor roll. "It was quite a shock when I first went back to school," she says. "If I decide to go on for my master's degree I won't let so much time go by this time."

Following her graduation Betty says she'll either further her education by obtaining her master's in choral education or she'll teach privately.

Even with all she does Betty still finds time to cook and she has consented to share the following recipes with us.

ZUCCHINI LASAGNA

- 4 c. zucchini (4)
- 1 t. salt
- 1 lb. ground beef
- 1/2 c. chopped onion
- 1/2 t. oregano
- 1 garlic clove, crushed
- 1/4 t. pepper
- 2 c. cooked rice
- 1 can (8 ounce) tomato sauce
- 1 c. cottage cheese
- 3/4 c. sharp cheddar cheese, divided
- 1 egg

Toss zucchini with salt.

Singer And Pianist

Betty Martin of Texico spends three hours a day practicing her voice and another one hour per day on the piano, in addition to taking 22 hours at ENMU in Portales. This

Place half in greased 2-quart casserole. Saute beef, onion, garlic, oregano and pepper until meat is brown. Stir in rice and sauce. Spread meat mixture over zucchini. Mix cottage cheese, 1/2 cup cheddar cheese and egg. Spoon over meat mixture. Layer remaining zucchini and sprinkle with cheddar cheese. Bake at 350°, 20 to 25 minutes.

GELATIN SALAD

- 1 box lemon gelatin
- 2 c. hot water
- 12 marshmallows
- 1 pkg. cream cheese.

Stir until dissolved and then place in refrigerator until

partly set. Then whip in 1 small can crushed pineapple, 1 cup whipped cream, 1/2 cup nuts and place in refrigerator. Let set. Then pour over salad 1 box gelatin dissolved in 2 cups hot water and let set.

PUMPKIN CAKE ROLL

- 3 eggs
- 3/4 c. pumpkin
- 3/4 c. flour
- 2 t. cinnamon
- 1/2 t. nutmeg
- 1/2 t. salt
- 1 c. sugar
- 1 t. lemon juice
- 1 t. baking powder
- 1 t. ginger
- 1 c. chopped walnuts

Beat eggs on high for 5

minutes. Gradually add sugar, mix in pumpkin and lemon juice. Sift together flour, baking powder and spices. Fold into pumpkin mixture. Spread into greased and floured 15" x 10" x 1" pan. Top with walnuts. Bake at 375° for 15 minutes.

While hot turn out on towel. Sprinkle with powdered sugar. Starting at narrow end, roll up towel and cake together, cool and unroll. Spread filling over cake.

Filling: 1 c. powdered sugar; 1/2 t. vanilla; 4 T. margarine; 2 pkg. (3 oz.) cream cheese. Combine and beat until smooth. Spread over cake, roll and chill.

Western Jeans Get 'Shot In Seat'

Western jean's latest "shot in the seat" is the one stamped "celebrity."

Spurred by the popularity of recent western movies, TV shows and music, many manufacturers have recruited an array of celebrities to endorse their product. Becky Saunders, a clothing specialist, says in talking about one of today's newest fashion looks.

Mrs. Saunders is on the home economics staff of the Texas Agricultural Extension Service, The Texas A&M University System.

She points to examples of popular celebrities including Willie Nelson, Mickey Gilley, Loretta Lynn, Conway Twitty, Burt Reynolds, "J.R. Ewing," Larry Gatlin, Charlie Daniels, Hank Williams and Larry Mahon as part of today's jean-fashion trend.

And there are some specialty labels even banking on past images, such as John Wayne and Buddy Holly.

The celebrity endorsement most often appears as a name or picture on the label, along with recognizable decorative words (or design(s)) on the back pocket.

As with designer jeans,

prices often are higher for celebrity versions than the plain traditional jeans.

Celebrity endorsements may also extend to other western wear, such as sweat shirts, jackets, vests, shirts and hats.

However, jeans are the most popular item.

As one current fad, celebrity western jeans will offer variety to sportswear - with a fun choice of backing your favorite star.

Farwell Women Host January DKG Session

Several Farwell school teachers and one former teacher were hostesses to the January 8 meeting of the Iota Eta chapter of Delta Kappa Gamma sorority.

Hostesses for the meeting, which was held at Hamlin Memorial Methodist Church in Farwell, were Pat Owen, Frances Boling, Hattie Coffey and Edith Martin.

Dr. Jonell Brooks, professor at Eastern New Mexico University on "Careers of the Future." Also on the program was a song, "Cindy Was a Teacher," sung by Mrs. Owen, Mrs.

Martin, Elizabeth Phillips, Karolene Inman, Lynn Roberts and Judy Howard.

Special guests for the meeting were Robin Vinton and Clay Williams, last year's Girls and Boys State Representatives from Farwell High.

Mrs. Phillips, president of Iota Eta, conducted a short business session and called for special reports. Refreshments of finger sandwiches, assorted cookies, hot punch and coffee was served. A large group of women from Friona attended along with the Farwell women previously mentioned, and the guests.

Friendship Class Meets With Mrs. Billington

Friendship Sunday School Class of First Baptist Church of Farwell held its regular meeting at the home of Estellene Billington, Monday, Jan. 12.

Hattie Coffey, the class Outreach Leader, was in charge of the meeting which Sally Chandler opened with prayer.

Following the business meeting, Edith Crawford brought the devotional by reading three poems entitled, "Let Us Seek God's Guidance Through The New Year," "Make The New Year A Stepping Stone To Growth," and "How To Find Happiness In The New Year."

Refreshments of ham sandwiches, crackers, cake, coffee, cola, hot chocolate, spiced tea

and nuts were served to those attending, including Edith Crawford, Elsie Hardage, Pearl Gerles, Sally Chandler, Beulah Williams, Elsie Tarr, Leatha Jo Roberts, Hattie Coffey and Estellene Billington.

Kindergarten Begins; New Teacher Hired

After 35 students registered for Texico's kindergarten Tuesday morning, the Texico School Board felt that was too many students for one teacher to handle and hired a new kindergarten teacher, according to James Pierce, school superintendent.

Hired to create a new classroom is Vicky Lynn who holds a bachelor of science degree in elementary education and kindergarten.

The 35 students enrolled increased the school's total from last year by 7.

Texico operates its kindergarten on a half year basis,

with all day classes, beginning in January, unlike other schools in the area which run all year for half a day.

The school began the half-year system five years ago mainly because of the busing involved. Some of the kindergarten students are bused as far as 20 miles south and 40 miles north, which would be impractical for only half-day sessions.

The children are also able to eat lunch in the cafeteria along with their older brothers and sisters, a privilege permitted by the fact that they attend school all day.

Do I Have To?

Young Steven Horner doesn't seem too thrilled at the idea of starting to kindergarten. His mother, Barbara Horner, is busy filling out the necessary forms to enter him in the Texico school program, but Steven isn't sure he is at all

ready to begin school. Approximately 35 students were registered into the kindergarten at Texico on Tuesday, an increase of seven students from last year. Texico's kindergarten runs half a year beginning each January.

Listen to Your Nose.

Wonderful instrument, your nose. It can tell you when supper's ready, or when you're near a desert rose. And it can even spot a potential problem like a natural gas leak.

That's because we add a unique aromatic chemical to natural gas that alerts your nose to a leak in or around your home.

So if you detect the faint odor of natural gas, first look around. It could be as simple as a pilot light out or a partially open burner valve.

But, if the odor is very strong, open a window, leave your house and leave the investigating to us. We're available 24 hours a day to locate gas leaks and we'll be right out.

But don't use the telephone in your home and don't operate any electrical switches. Be sure to extinguish any open flame, and never, never strike a match.

Help us keep natural gas one of the safest energies available. If you smell gas, indoors or out, listen to your nose.

Then use your head... call the gas company and keep this number handy.

Double-Ring Ceremony Unites Regina Kelley, WC Bratcher

Deborah Regina Kelley and WC Bratcher, both of Lubbock, were united in marriage in a double-ring ceremony in Hodges Chapel of the First Christian Church of Lubbock on November 22, 1980.

The bride is the daughter of Glenn and Kay Kelley of Texico and the bridegroom's parents are Clarence and Modene Bratcher of McKinney, Tex.

Officiating at the ceremony was Jim Southerlin.

Forming the wedding setting at the chapel altar were arrangements of white mixed flowers flanked by candelabra. In front of these arrangements were more tiered candelabra. Votive candles and greenery marked the bridal aisle.

Julie Wyrick, organist, played traditional wedding selections and accompanied Mimi Larkin as she sang, "You Needed Me," "The Lord's Prayer," and "The Wedding Song."

The bride was given in marriage by her father and wore an original gown designed and made by her mother. The formal dress featured a beaded lace bodice with Victorian neckline and long full sheer sleeves dotted with lace appliques and ending in lace cuffs. The silk organza skirt was bordered with a lace ruffle as was her veil which was attached to a beaded lace cap. Her bouquet was of white roses and Stephanotis.

In following bridal tradition, for something old she carried pennies minted in the years of the couple's births; something new was her wedding gown; something borrowed were earrings belonging to her great-grandmother; and something blue was a garter belonging to Linda Wilson Redden.

Attending the bride as matron of honor was her sister, Glenda Letcher of Omaha, Neb. Other bridal attendants were Debra Williams of Houston, sister of the bridegroom; Diane Kelley, cousin of the bride, Mimi Larkin, and Karen Eustace, all of Lubbock.

The bridal attendants wore dresses of emerald green tulle featuring back drapes with skirts attached to slightly gathered waistlines. They carried bouquets of rust cushion mums, morning lilies and dried flowers.

Flowergirl, Amy Heard of Idalou, also wore a dress of emerald green gathered at waist and shoulders. She carried a basket of mixed fall

flowers.

Scott Letcher served his aunt as ringbearer and another nephew, Adam Letcher, distributed bird seed to guests. Both boys are from Omaha, Neb.

Michael Cain of New Orleans was best man. Other attendants of the bridegroom were Philip Johnson, Zant Woodul, Don Dennis and Larry Larkin, all of Lubbock. Ushers were John, James and Richard Kelley, brothers of the bride.

All the male attendants wore gray tuxedos.

The bride's mother wore a gown of orchid chiffon and the

bridegroom's mother chose an a-line gown of pink chiffon.

A reception was held in the Green Room at the First Christian Church. The bride's table was decorated with an array of rust, yellow and peach flowers and other tables in the room held arrangements of potted plants and arrangements of fresh fall flowers in rust, yellow and peach. House-party members were Jan Strickland, Pat Dennis and Nancy Wilson, all of Lubbock, and LuGay Blanscet of Dallas.

For a wedding trip to Cancun, Mexico, the bride wore a gray wool skirt and blazer with pink blouse and the bridegroom wore a blue pin-stripe suit.

The couple is not at home in Lubbock where Bratcher is employed with the law firm of Crenshaw, Dupree and Milam, and the bride is employed by Main Hurdman and Cranston.

The bride is a 1974 graduate of Texico High School and graduated from ENMU in 1976 and from Texas Tech University in 1980. The bridegroom graduated from high school at McKinney, Tex., and from Texas Tech University in 1972. He received his degree from Texas Tech University School of Law in 1975.

Lazbuddie Ex-Students Set Reunion

The second Lazbuddie Ex-Student Reunion is being planned for Saturday and Sunday, July 11 and 12, according to members of the Lazbuddie Young Homemakers who are sponsoring the event.

Lots of activities are being planned for the two-day reunion, including an arts and crafts show, tours of the school's new addition and lots of visiting and reminiscing.

Members of the planning committee report that they will be sending letters to ex-students in February with more details of the coming event. If anyone has questions or ideas for the reunion they are asked to contact Mrs. Harrol Redwine, Rt. 1, Box 110 B, Friona, Tex., 79035; or Mrs. Johnny Mitchell, Route 1, Friona, Tex.

Dondra Geris On Dean's List

Dondra J. Geris of Farwell has been listed on the WTSU Dean's honor roll for the 1980 WTSU fall semester. Miss Geris, daughter of Mr. and Mrs. Don Geris, joins more than 650 students at WTSU on that list.

To be eligible for the Dean's List, a WTSU student must have enrolled in at least 12 semester credit hours and ended the semester with a grade point average of 3.25 and higher on a 4.0 scale.

WTSU's fall enrollment totaled 6,559 students.

Twin Cities Students On ENMU Dean's Roll

Six Texico students and one Farwell student have been named to the 1980 fall semester Dean's Honor Roll at Eastern New Mexico University.

Texico students listed on Eastern's Dean's Honor Roll include junior elementary and language arts major Olga Chavez, "honors;" junior accounting major Debra Coffey, cum laude; senior business information systems major Nina Kim Harrington Welch, cum laude; senior biology major Peggy Harrington, magna cum laude; senior elementary and bilingual education major Lupe Loya, "honors;"

and freshman civil engineering technology major Joseph Parie, "honors."

Freshman graphic design art major Clinton K. Kelley, cum laude, from Farwell is also a Dean's Honor Roll student.

Eastern students receive one of four designations as a Dean's Honor Roll student and are graded on a 4.0 scale. Summa cum laude students have a 3.8 to 4.0 grade point average, while magna cum laude recipients have a 3.7 to 3.79 GPA. Cum laude students hold a 3.6 to 3.69 GPA and students receive "honors" if they have a 3.25 to 3.59 GPA.

MR. AND MRS. W C BRATCHER

Mrs. Range Hostess For Class Meeting

Faith Sunday School class of the First Baptist Church of Farwell met Monday, Jan. 12, in the home of Elizabeth Range for their regular class meeting.

Following the business meeting prayer was offered for the sick of the community. Bernice Pennington brought a devotional on "The New Year" using Philippians 3:13 as scripture. Class members advised that for 1981 one needs to leave some things behind such as: our past sins; forget extraordinary accomplishments and reach for new heights and goals; forget failures of past year and strive to take only one day at a time; bad habits.

Her grandparents are Gilbert and Liz Kaltwasser of Farwell and Mary Helen and Cecil DeFoor of Melrose.

Great-grandparents are Ruth Kramer of Clovis and Mr. and Mrs. E.O. DeFoor of Melrose.

Equally important for the new year one needs to take along: love for others; gratitude to God for family and friends; carry appreciation into future and show your family and friends that they are appreciated; think kindly of people one meets; truth and justice; concern for lost souls and peace in your heart.

Class president and hostess

Elizabeth Range served banana nut cake and gelatin dessert to Carol Dean Huggins, Nan Preston, Mary Jean Patrick, Loyce McCleskey, Bernice Pennington, Edith Martin, Gladys Hromas and Lavelle Childs.

STEPHANIE LINDOP 1st Birthday Celebrated

Stephanie Lindop, daughter of Mr. and Mrs. Dan Lindop of Daingerfield, Tex., celebrated her first birthday December 29th with her family and friends.

Stephanie has a brother Sergio, who is 12.

Her paternal grandparents, Mr. and Mrs. Tom Lindop, and an aunt, Jeanette Ford, all of Farwell, journeyed to Daingerfield to help Stephanie celebrate her birthday.

Hospital Notes

Joe Caywood of Texico was to enter a Lubbock hospital on Thursday and was scheduled to have surgery on Friday.

Kathryn Harrington remains hospitalized at Clovis - High Plains after undergoing recent surgery.

Mrs. Commie Blain of Farwell is recuperating in her home following a hospital stay at West Plains Hospital in Muleshoe. Mrs. Blain's daughter-in-law Billie brought her home January 13.

Marriage Licenses

Four marriage licenses were issued from the Parmer County Clerk's office this week.

The licenses were issued to Waniberto Hernandez Barron, Jr. and Irma Rios Ortiz; Francis S. Hughes and Edna Irene Smith Hughes; George Lee Saiz and Ignacia Margaret Aragon; and Alan Craig Trimm and Sharla Beth Bengé.

First Child For B. Kaltwassers

Mr. and Mrs. Bruce Kaltwasser of Ft. Wayne, Ind., have announced the birth of their first child, a baby girl, Erin Elizabeth Kaltwasser, born Thursday, Jan. 8.

The new Kaltwasser arrived weighing seven pounds, seven ounces, and was 20 and half inches long. She was born at 3:43 p.m. CST at Lutheran Hospital in Ft. Wayne.

Wedding Date Set

Mr. and Mrs. Clarence Kube wish to announce the engagement and approaching marriage of their daughter, Stephanie Ann, to Wilburn L. Brooks, son of Mr. and Mrs. Jim Brooks of Clovis. The wedding date has been set for Friday, Feb. 6, at 7 o'clock CST in St. John Lutheran

Church at Lariat. The bride-elect is employed at Muleshoe Animal Clinic and the prospective bridegroom is currently farming in the Clovis area. All friends and relatives of the couple are cordially invited to the wedding ceremony and to the reception to follow.

Steerettes Take Wins Over San Jon And Hart

Farwell's Steerettes upped their season record to 10-5 after winning their last two outings, a 55-33 triumph over the San Jon girls Friday night and a narrow 41-40 district victory over the Hart team Tuesday night at Farwell.

Tuesday's game was the first district encounter for the Blue and White who are to take on the Kress team Friday at 7 p.m. in the Farwell gym.

"This was their first district win in almost two years," said their coach, Vester Joiner after the Hart game. "The whole team played well and hustled well," he said.

The teams were in a neck and neck situation throughout the entire contest and were trailing at the half 22-20. They continued to trail the visitors in the third quarter but when the final buzzer rang, Farwell was on top by one point.

"I think they'll be able to play with a little more ease now that they have won a district game," the coach remarked, adding, "They were

a little up tight at first."

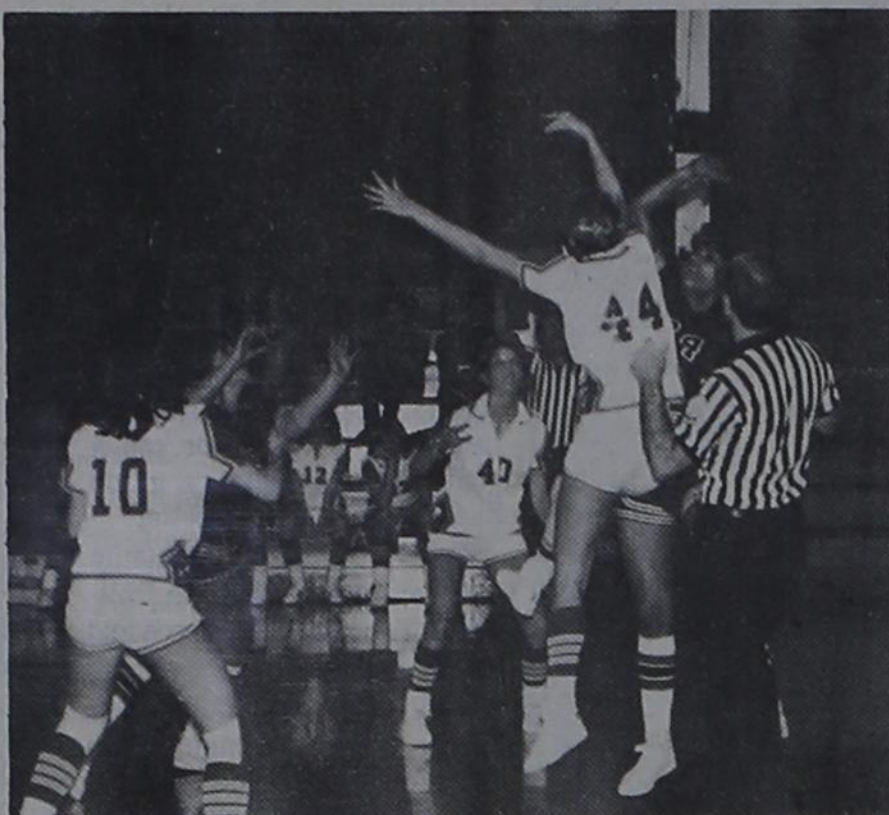

High scorer for the Steerettes was Karen Magness with 12 points; Janene Berry had 11 and Sharmy Christian had 10. Also scoring were Ginger Ellison, 6; and Robin Vinton, 2.

"We had a good hustle," said coach Joiner following his team's 55-33 victory over San Jon. "But still we need to shoot better from the floor," he noted.

The girls led by 2 points in the first quarter and scored 16 points in the second quarter to lead by 13 at the half.

Another 11 points in the third quarter boosted the tally to 37-25. The Steerettes were in for 18 in the final period while restraining San Jon to 8, and took the game by a 22 point spread.

High scorer for the Steerettes was Berry with 17. Christian had 9 and Magness, 8. Also scoring were Donna Meeks, 5; Sandra Coates and Vinton, 4 each; and Ellison, Kay Geuther, Jennifer Williams and Lari Curtis, 2 each.

Farwell Jr. High Basketball Results

Farwell's 7th grade boys' team was narrowly defeated by Springlake-Earth Monday night losing by one point.

The boys were pushed behind in the first quarter and never managed to come back to gain the lead. Springlake-Earth held Farwell to only one point in the first quarter and allowed only a few points after that.

"We had poor first half shooting," said coach Royce Baker, "however we did do well the second half."

High scorer for Farwell was Kevin Owen with 14. Others adding points to the board were Carlos Nicolas, Jesse Anzuldua and Sean Knowlton with 2 each, and Eric Williams, 1.

The 7th grade boys now hold a season record of 3-2.

Winning their first game of the season, Farwell's 8th grade boys defeated Springlake-Earth Monday night 32-25 in what coach Royce Baker calls, "Their best game this year."

The coach remarked that he thought his team had played well defensively but had too many turnovers.

Farwell took an early first quarter lead and at the half was still ahead 19-10.

The scoring was pretty even during the third and final periods, but the young Steers still managed to stay on top.

High scorer for the 8th graders was Roger Robertson with 20 points. Also scoring were Brian White with 7; Steven Stancell, 3; and Manuel Sanchez, 2.

Farwell's 7th grade girls basketball team was defeated by Springlake-Earth Monday night 15-8 in a game where Farwell was held to bare minimum scoring for the entire match.

Farwell scored only 2 points in the first quarter and 2 more in the second quarter to lead at the half 4-3. However, strong Springlake-Earth defense held the Farwell girls scoreless in the third quarter and only allowed 4 Farwell points in the final quarter, to end the game 15-8 for the visitors.

"We played pretty well," said coach Bill Phillips following the game. "They are getting better all the time," he stated.

High scorer was Cheryl

Stanton with 4 points and Manuela Terrazas and Sheryl Thigpen had 2 each.

When the 8th graders took to the courts against Springlake-Earth Monday night they managed to take a one point victory, 10-9.

"We played super defense," said coach Phillips. "We were able to hold their best player to only four points."

Both teams failed to score the entire third period.

High scorer for Farwell was Cynthia Ancira with 4 points, followed by Cathey Gobble, 3; Sheila Smith, 2; and Shayline Jones, 1.

Physical education classes adjust to today's students

COLLEGE STATION — The old-fashioned gym class led by a whistle-toting, military style PE teacher is disappearing from the schoolyards and gyms.

Physical education classes now are being designed for individual activity and structured to help youngsters learn lifelong skills, say physical education experts at Texas A&M University.

With the rising incidence of heart disease and other ailments, schools are realizing they have a responsibility to help children maintain healthy bodies through adulthood by teaching a variety of physical skills, notes Dr. Charles Shea.

On the elementary level, there is less emphasis on competition, he adds. Instead teachers work on motor skills, encouraging children to learn the best way to do a movement or a series of movements. In high school students are being taught things relevant to their world now and later in life, including outdoor recreation activities, ballet, tennis and equestrian skills.

Farwell Jr. Varsity Basketball Results

Farwell's junior varsity Steers hosted the San Jon junior varsity last Friday night and sent the New Mexico team home as losers.

"We had good movement and this allowed us to get some good shots," commented coach Ted Phillips following his team's 51-44 win over San Jon. "We shot 45 percent from the field," Phillips said.

Farwell grabbed the lead in the first quarter and managed to retain it for the entire game. The boys scored 14 points in the second quarter to lead at the half 26-14.

San Jon retaliated by scoring 14 points in the third quarter but were still unable to come from behind. Both teams hooped 16 points in the fourth quarter but Farwell managed to win by 7 points.

Claud Gobble was high scorer for the JV Steers, pumping in 24 points. Nicky Liethen had 10; Jimmy Bernal, 8; Dale Sikes, 7; and Brent Green and Paul Fulcher, 2 each.

Their win over San Jon gave the boys a 2-4 season record.

Farwell's JV boys grabbed their first district win Tuesday

night, defeating Hart 30-29. "We put one in at the buzzer to win the game," said coach Ted Phillips. "Actually, we didn't play very well during the game. Hart did a good job on defense," the coach said.

Farwell remained behind in the first three quarters with Hart holding the Steers to only minimum scoring. But finally Farwell came around and shot 11 points during the fourth quarter while holding Hart to only 2.

Claud Gobble was high scorer for the JV team with 16 points. Raymond Sierra had 7; Dale Sikes, 4; and Nicky Liethen and Johnny Daniel had 2 each.

"We were slow getting started but once we got underway there was not much question about the outcome," says Farwell's junior varsity girls basketball coach Bill Phillips about his team's 39-23 win over San Jon last Friday night.

The young Steerettes hosted San Jon and after having a scoreless first quarter came from behind to net 20 points in the second quarter to lead 20-8

at the half. "We really played well after the first quarter," said the coach. "Our press looked great in the second and third quarters," he added.

Farwell hooped for an additional 12 points in the third quarter and added 7 more in the fourth to win the game by 16.

Lezlie Castleberry was leading scorer for the young Steerettes with 14. Sandy Coates had 6, Kelly Davis, 5; Tammy Obenshain, 4; Darrisa Ford and Suzahn Inman, 3 each; and Sharon Kalbas and Elaine Vaughn, 2 each. Inman led with rebounds with 7; Davis had 5; Coates and Shana Blain, 4 each; Castleberry, Vaughn and Ford, 2 each; and Kalbas and Obenshain, 1 each.

The girls' scoring was divided with 14 field goals and 11 free throws.

Their win over San Jon gave the junior varsity Steerettes a season record of 6-4.

Steers Open District By Defeating Hart

Farwell's varsity Steers split their games against San Jon and Hart, losing 49-42 to San Jon and taking the district win from Hart, 53-45. Their win-loss record now stands at an even 7-7 as they enter into further district competition.

Next district encounter is tonight (Friday) against Kress on the Steer court.

The Steers fell to the San Jon Coyotes January 9 while playing on Farwell courts.

"Actually we should have beat them," said Steer coach Mike Martin following his team's 49-42 loss. "We played much better than before. The team is really improving," Martin said.

The coach says his team scored well from the outside, "and once we get our inside game going better we will do much better," he said.

Farwell was leading at the end of the first quarter 15-13 but San Jon slipped in and took a 6 point lead at the half and Farwell never came back. The Steers trailed by 8 in the third quarter and finally lost by 7.

David Daniel was high scorer for the Steers pumping in 19 points. Boyd White had 9 points and Alan Eubank had 8. Also scoring for the Steers was Dwayne Winter with 6.

Winter obtained 7 rebounds

and Phil Hagler had 6. Also rebounding were Daniel, 4; White, 3; Eubank, 2; and Gary White and Lawrence Gobble, 1 each.

Their loss to San Jon gave the varsity Steers a 6-7 season record.

It was Farwell's game all the way as the Steers went in and won their district game against Hart Tuesday night 53-45. "We played very well," said Coach Martin. "The team has improved one hundred percent in the last two weeks," he added.

The Steers jumped ahead in the first quarter and managed to hold onto that lead for the remainder of the game. They shot a strong 46 percent in field goals and 45 percent in free throws.

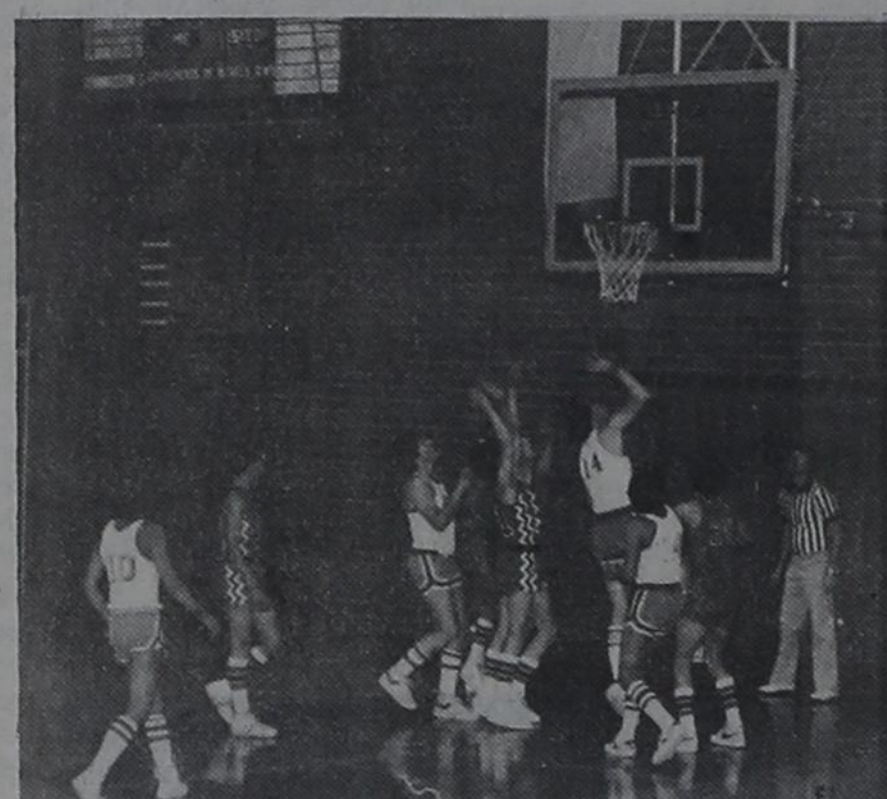

"I'm proud of the way that our kids have kept their heads up and improved," the coach said.

Dwayne Winter was high scorer for the Steers with 22 points. David Daniel had 12 and Boyd White had 7. Also scoring for the Steers were Alan Eubank and Waverly Coates with 6 each.

Winter was high rebounder with 8 and Daniel and White had 7 each; Coates had 4 and Phil Hagler had 1.

Lady Wolverines Win Two In District Competition

"We won the game on hustle," said coach Roy King about his Texico varsity girls' district win over Floyd on January 9. "We were down by 7 points with 4 minutes left in the game and then we started pressing full court," King said.

The Lady Wolverines managed to squeak by with a 2-point margin, 39-37.

"We were able to capitalize on a number of Floyd turnovers," King remarked, "Carletta Fitz cut the lead to 5 points then Lisa Coffey was fouled and made the first shot, but missed the second. However, she grabbed her own rebound and added a basket to cut Floyd's lead to 2 points."

Lady Wolverine Schree Rucker then added two important free throws to tie the game. Floyd turned around and scored but Coffey countered with a 20-foot jump shot to tie the score again. "The inbound pass by Floyd resulted in a jump ball with only 12 seconds to go" recalls King. "Texico won the jump and we called time out."

Once back on the court, Ruth Scott was fouled with a mere 3 seconds left and made both shots of a one and one to give the victory to the Green and White.

"It's satisfying to know that we can beat a good team like Floyd," said the girls' mentor with pride. "We shot very poorly from the floor, but this did not stop our girls from hustling."

High scorer for Texico was Scott with 18 points. Others scoring were Coffey, 9; Tracy Dobbs, 6; Fitz, 4; and Rucker, 2.

Scott was also leading re-

bounder with 11; followed by Coffey and Fitz, 7 each; and Rucker, Dobbs and Becky McDonald, 3 each.

To grab their second district win and give them a 2-0 district record, Texico defeated Elida, 40-31 at Texico January 10.

"Elida had a pretty good ball team and we had them down by 17 points without much scoring from our top three point getters," commented coach King following his team's win. "We are not a one or two girl team. Everyone can take up the slack," he said.

Texico pushed ahead in the first quarter 10-4 and led at the half, 20-9.

"It was a funny game," recalls King. "Elida was trailing us by 17 points at the time and then began holding the ball on us. We were a little impatient and then Elida narrowed the gap a little," the coach said.

King cited players Rucker, McDonald and Fitz as doing an outstanding job during the Elida game. "They did an excellent job of shooting from the outside," he said.

The coach feels there is still room for improvement on his undefeated district team. "We have to stop making the little mistakes," he said, adding, "we held Elida to 8 field goals but fouled too much at the end." Elida was able to score 11 free throws in the last quarter.

Rucker was high scorer for the Texico girls with 12; followed by McDonald, 8; Scott, 7; Coffey, 5; Fitz, 4; Dobbs, 2; and Crooks and Tammy Landis, 1 each.

Coffey came in as high rebounder, with 10. Also rebounding were Scott, 8; Dobbs, 5; Rucker, 3; and Crooks, Fitz, Landis and Pam Hoyl, 1 each.

King said the girls showed good offensive rebounding during the San Jon game. "But we weren't playing with the intensity I like to see."

The coach also commented that some of his scorers are in a shooting slump.

High scorer during the San Jon competition was Ruth Scott with 23 points. Also putting points on the board were Lisa Coffey with 12, Tracy Dobbs, 6 and Schree Rucker and Carletta Fitz, 2 each.

First District Games Split By Wolverines

Texico's varsity Wolverines opened their district season play with a win and a loss. The varsity roundballers travelled to Floyd last Friday night and lost a heartbreaker by only 3 points, a game that had been in Texico's power in the beginning and remained close throughout.

But for their competition against Elida Saturday on the Wolverine courts, Texico rallied big and beat Elida 72-29, giving the Wolverines a district record of 1-1.

"Floyd was a good team, and we certainly didn't mean to beat Elida as bad as we did," said coach Ken Shaw following his team's first district weekend play. "All our boys played exceptionally well during both games," Shaw said.

Texico tied Floyd in the first quarter 10-10 and managed to lead at the half, 27-25.

But a 15-point scoring push by Floyd in the third quarter left Texico behind by 4. Texico had 18 points and Floyd had 17 in the fourth quarter, but Texico could never regain the lead and lost the game 57-54.

Tony Tubbs was leading scorer with 17 and Gary Mitchell had 12. Other scorers were Jeff Day, 11; Todd Gerles, Herbert Bibbs and

have been playing according to our competition and I don't feel as though the girls have played a full game up to their potential."

King said the girls showed good offensive rebounding during the San Jon game. "But we weren't playing with the intensity I like to see."

The coach also commented that some of his scorers are in a shooting slump.

High scorer during the San Jon competition was Ruth Scott with 23 points. Also putting points on the board were Lisa Coffey with 12, Tracy Dobbs, 6 and Schree Rucker and Carletta Fitz, 2 each.

Kent Harding, 4 each; and Jeff Dunsworth, 2.

T. Tubbs was high rebounder for the varsity Wolverines with 13. Mitchell had 8; Kent Harding, 6; Day, Craig Horne and Dunsworth, 3 each; and Gerles, 1.

In their game with Elida at Texico, the varsity Wolverines had control the entire game.

The Green and White opened with 10-6 first quarter lead and led 27-14 at the half.

In the third quarter, Texico went in for 16 points while holding Elida to 6. The Wolverines hooped for 29 during the fourth quarter while at the same time holding Elida to take the district win 72-29.

Both the first and second team players had a chance on the courts and almost all of them managed to score.

Lead scorer for the Wolverines was Ty Rains with 11. Jeff Day and Craig Horne had 9 each and Herbert Bibbs had 8. Also scoring for Texico were Mike Arnold, 7; Gary Mitchell and Todd Gerles, 6 each; Tony Tubbs and Jeff Dunsworth, 5 each; and Kent Harding, Danny Reid and Earl Bibbs, 2 each.

Arnold and Rains led the team in rebounds with 10 each; Dunsworth had 9; Harding, 6; Day, Mitchell and T. Tubbs, 5

In their last four roundball games, Texico's junior varsity boys won three and lost one, ending their undefeated record.

The JV Wolverines defeated Grady 47-32 on January 2 in a game they had control of from the beginning.

They led the first quarter 10-5 and after scoring 19 points in the second quarter were ahead at the half 29-16. Another 7 points in the third quarter and 11 in the fourth handed the boys an easy 15-point victory.

"Grady played their sophomores and juniors against our freshmen," said Scott Parker, "so we are really getting a

lot of experience."

Leading scorer during the Grady competition was Jeff Dunsworth with 11, followed by Kevin West with 9, Lloyd Williams, 7; Earl Bibbs, Doyle Duncan and Danny Reid, 6 each; and Dennis Chavez, 2.

West shot a field goal average of 67 percent. Reid and E. Bibbs shot a free throw average of 100 percent.

Rebounding for the Wolverines were Williams and Dunsworth, 9 each; E. Bibbs, 7; Paul Salguero, Lynn Tubbs and West, 3 each; and Duncan and Reid, 1 each.

In their game against Logan on January 3, the JV Wolverines "put a strong press" according to coach Parker and defeated the Logan team 71-25.

"Our biggest advantage is that we have a little more bench strength than some of these other teams," said the coach, adding "that really helps us a lot."

The Green and White led in the first quarter 14-4 and after scoring 16 points in the second quarter led at the half 30-15.

The Wolverines pushed through 22 more points in the third quarter while allowing Logan only 3. Another 19 points in the fourth quarter put Texico on the winning side with a point spread of 46.

Leading his team in points was Earl Bibbs with 18. Also scoring in the double digit range were Kevin West, 11; and Danny Reid and Paul Salguero, 10 each. Others scoring were Doyle Duncan and Dennis Chavez, 4 each; Ronnie Dunsworth, 3; and Lloyd Williams and Jeff Dunsworth, 2 each.

Salguero shot a 100 percent field goal average.

Leading rebounder was E. Bibbs with 10; Lynn Tubbs and West, 8 each; Duncan, Reid, Williams, Salguero, J. Dunsworth, and R. Dunsworth, 2 each; and Chavez, 1.

Before their 49-42 loss to Floyd, Texico's JV boys were undefeated on the roundball courts. But they travelled to Floyd last Friday night and were handed their first season loss.

When the first quarter ended the teams were tied 7-7, but a 15 point scoring streak by Floyd put the host team ahead of Texico at the half 22-13.

Texico rallied in the third quarter with 12 points but

could not score enough to come from behind. Both teams had strong scoring in the fourth quarter, Texico with 17 points and Floyd with 18, and Floyd won the game 49-42.

Kevin West and Earl Bibbs were leading scorers in the game with 10 each, followed by Brad Steward, 8; Jeff Dunsworth, 4; Lloyd Williams and Lynn Tubbs, 3 each; and Terry Tubbs and Doyle Duncan, 2 each.

L. Tubbs was leading rebounder with 15 and Steward had 12; E. Bibbs had 9; Lloyd Williams, J. Dunsworth and Opie Kelley, 6 each; Salguero 3; West, 4; and Joe Steward, 1.

The junior varsity Wolverines trampled Elida on the Texico courts last Saturday sending the Elida team home on the losing side of a 63-22 score.

Texico surged ahead in the first quarter scoring 20 points, and allowing only 2 points for Elida. The Green and White

had 14 additional points in the second quarter and put them in the lead at half time, 34-12.

Texico hooped in 20 points during the third quarter and restrained Elida to 4. Both teams had a low-scoring fourth quarter but the Green and White still took the game by a 41-point spread.

High scorer for the Wolverines was Doyle Duncan with 12. Joe Steward and Lloyd Williams had 8 each; and Paul Salguero and Earl Bibbs had 7 each. Others scoring for the Texico team were Dennis Chavez, 6; Danny Reid and Kevin West, 4 each; Brad Steward and Scott Elliott, 2 each; and Ronnie Dunsworth, 1.

Williams and E. Bibbs led their team with rebounds, each having 9. Also rebounding were Terry Tubbs and L. Tubbs, 7 each; B. Steward, 6; Salguero and West, 4 each; Duncan and Chavez, 3 each; Kelley, Elliott and Reid, 2 each; and J. Steward, 1.

N-SERVE

HOW IT WORKS

N-SERVE blocks bacterial action that would quickly convert ammonium fertilizer to nitrates. Nitrates are subject to rapid loss through leaching and denitrification. This blocking action keeps nitrogen in the soil longer so that it becomes available slowly as it is needed. This reduces the crop stress that would occur from temporary nutrient shortages if you had to rely on side-dressings to maintain a steady nitrogen supply.

TWO MINUTES WITH THE BIBLE
 BY CORNELIUS R. STAM PRES. BEREAN BIBLE SOCIETY CHICAGO, ILLINOIS 60635

THE NEW CREATION

In Romans 5:12 God tells us how we are all related to the first man, Adam: "Wherefore, as by one man sin entered into the world, and death by sin;...so death passed upon all men..." This verse clearly states that every child born into the world since Adam has partaken of Adam's sinful nature.

Parents sometimes wonder why their children act as they do. The answer is simple! Every child is related to rebellious Adam by physical birth, and soon rebels like Adam, whose offspring he is.

In Scripture we are told that when God saw our sinful condition He "commended His love toward us, in that, while we were yet sinners, Christ died for us" (Rom. 5:8).

When you are in trouble and someone comes to your aid, are you not automatically drawn to that person? Should we not then be attracted to the One who cared so much for us that He "made Himself of no reputation, and took upon Him the form of a servant, and was made in the likeness of men; and being found in fashion as a man, humbled Himself, and became obedient unto death, even the death of the cross" (Phil. 2:7, 8)?

Through natural birth we take on the sinful likeness of our parents back to Adam, and frequently we even have the same physical features as our parents. How touching, then, to know that the Lord Jesus Christ took on Him the "likeness of men" [apart from sin] and as the God-man died for our sins upon the cross, where sinful men [people like us] nailed Him! As we recognize this and place our faith in Him, a spiritual birth takes place and we become the children of God (John 1:12). More than that, we become members of the Body of Christ, God's new creation, for "if any man be in Christ, he is a new creation" (II Cor. 5:17), "created in Christ Jesus unto good works, which God hath before ordained, that we should walk in them" (Eph. 2:10).

Texico Jr. High Basketball Results

By Texico Journalism Students

On Thursday, the two Junior Wolverine Girls teams played two games at Portales and took victories in both matches, while the Texico 7th and 8th boys' teams hosted their Portales opponents and overcame the young Lambs in the eighth grade game.

In the game matching the seventh grade girls, Texico narrowly slipped by their opponents, 18-15. In the first quarter, Texico kept Portales scoreless while putting in 6 points, and in the second period, each team netted 8 points, but the Green and White led 14-8 at the half. Portales added 4 points to their score in the third quarter while Texico was scoreless. In the final period, Texico added 4 points while the Lambettes added only 3.

Scoring for the Wolverines were Helen Jo Boardman, 10; and Kelly Lynn and Lucia Jesko with 4 points each.

In the girls' eighth grade match, the Wolverines were victorious with a 26-20 score. Although the first quarter ended in a 4-4 tie, the Lambettes added 6 during the second quarter while Texico added 4, leaving the score 10-8 at halftime in Portales' favor.

The second half saw the Wolverines score 16 points to the Lambettes' 6, leaving Texico victorious over Portales 26 to 20. Wolverine scorers included Cheryl Scott with 17, Valda Cavallero with 7, Chary Jesko, Elayne Horner and Karen Snodgrass each with 2 points.

While the girls were playing at Portales, the seventh and eighth grade boys' teams were playing host to their Portales counterparts in the Wolverine Gym. The Portales 7th grade team defeated the Texico team, 26-14, in the first game, and in the next game, the

Wolverines defeated their visitors, 32-11.

The Green and White boys were able to put only two points each in the basket during the first three quarters and added four points during the fourth period, in the regular play. Their cause was aided by 6 points on free throws.

Scoring for the Wolverines were Joe Loera and Jim Landis, 4 each; Jody McDonald, 3; Charlie Bibbs, 2; and Stanley Cross, 1.

For the final game on Thursday, Texico thrashed the Lambs, 32-11 in the eighth grade boys' match-up. At halftime, the two teams were tied 4-4, but a third quarter hitting streak by Billy Bibbs pulled Texico ahead with a lead that sustained them through the fourth period and gave the Junior Wolverines the victory. Scoring for the Wolverines were Bibbs, 16; Danny Powell, 8; Buck Gaddis, 6; and Buddy Adkins, 2.

Texico's 8th and 9th grade combination girls' team defeated the Coyotes 32-28, and brought home the only junior high victory in the five games played there.

Both teams were tied 6-6 at the end of the first quarter. The Wolverines held the Coyotes to 9 points in the second quarter, while scoring 14 to make the halftime score 20-12. The Wolverines led in the third quarter 8-5. In the fourth quarter the Coyotes outscored the Wolverines 8-4. In spite of Tatum's last quarter effort the Wolverines won the game 32-28.

Scorers for the Wolverines included: Valda Cavallero, 15; Cheryl Scott, 8; Karen Snodgrass, 6; Elayne Horner, 2; and Chary Jesko, 1.

In the other girls' game between the seventh graders, Tatum pulled ahead in the last few seconds of the fourth

quarter to defeat Texico, 24-21.

In the first quarter the Wolverines were ahead 6-5. By halftime the Coyotes had caught up and tied the score 13-13. In the last half of the game the Coyotes jumped ahead with 11 points, while the Wolverines made 8, for the Coyote win.

Scorers for the Wolverines included: Helen Boardman, 14; Katie Tubbs, 4; Lucia Jesko, 2; Coy Jo Burk, 1.

In the boys' 7th grade game against Tatum, the Coyotes came out on top, 22-20.

Tatum took the first quarter scoring 6 while holding the Wolverines to 4 points. The second quarter was slow-scoring with both teams making only two baskets, to make the halftime score 10-8 in favor of the Coyotes. In the second half of the game each squad scored 12 points. The Wolverines came up 2 points short for the loss.

Scorers for Texico included: Stanley Cross and Joe Loera, each with 6; Jimmy McDonald, Kyle Shipps, Charlie Bibbs, Jimmy Landis, all contributing 2 points.

In the 8th grade boys game against Tatum, the Wolverines were defeated 28-13.

In the first quarter of play, Tatum outscored Texico 10-4. The second quarter went the same direction with Tatum scoring 14 to the Wolverines 9, to make the halftime score 24-13. In the second half of play Texico hit a "cold spot." The Wolverines were out-scored 4-0, giving the win to Tatum.

Scorers for Texico included: Billy Bibbs, 6; Rusty McCormick, 4; Buck Gaddis, 2; and Danny Powell, 1.

In the final game at Tatum, the young Coyotes defeated the Junior Wolverines' freshmen boys, 47-37. Tatum took the lead 14-10 at the end of the first period, and added 13 more points during the second period while the Green and White added only 4.

Following halftime, the Wolverines came on strong to hold the Tatum team scoreless while adding 12 points to their own score. In the fourth quarter, Tatum added 15 points while the Wolverines added 11 to give the Tatum the win.

The Wolverine freshmen made 13 of 17 free throws, while their opponents made only 10 in 25 attempts.

Scorers for Texico included Kevin West, 20; Brad Steward, 7; Ronnie Landis, 5; Joe Steward, 4; and Dennis Chavez, 1. West hit 10 of 11 free throws.

Texico Jr. Varsity Basketball Results

The San Jon Coyotes hosted Texico's JV girls Tuesday night and sent the Lady Wolverines home as 44-13 winners.

"This was the best JV game played all year. Everyone played well," said coach Roy King, adding "One thing about this team I really like, they aren't afraid to shoot. The minute they cross the half line they start looking for the basket."

The JV girls left San Jon scoreless in the first quarter 12-0 and then allowed only 5

County Action Center Now Operating HEAP

Parmer County Community Action Center is now operating the Heat Energy Assistance Program (HEAP) for low-income families.

Cheerleaders Collecting Newspapers

Texico's cheerleaders are still collecting old newspapers as a money-raising project, according to sponsor Paula Leighton.

"Now we are able to accept all old newspapers, magazines, telephone books and catalogs," she said.

For those without children in the Texico school system and unable to get their old printed matter to the school, Mrs. Leighton suggests they call the high school office at 482-3305 and a student will come and pick up anything to be donated.

Families now receiving assistance through Supplemental Security income, Aid for Dependent Children, and Food Stamps, will be receiving checks through the mail from this program sometime in January.

Other low-income persons may obtain information about this assistance program at the Bovina Center at 105 N. 2nd Street or by calling 806/238-1366. Applications are now available.

Two New Teachers At Texico Schools

Texico School Board hired two new teachers during their Tuesday night meeting and discussed the upcoming school board election.

Hired as the new kindergarten teacher was Vicky Lynn. Mrs. Lynn was hired due to the increase in number of kindergarten students registered for the new school year.

Ann Liethen was hired as the new Social Studies teacher, replacing the late W.B. Walters. Walters died last month in an Albuquerque hospital following a long illness.

The board then selected school board election officials for the upcoming February 3 election. Name of those selected were not released at press time.

It was decided that a special meeting of the board would be held February 5 to canvass the school board election votes.

In other matters, the board increased the price of reduced lunches from 10 cents to 20 cents, and it was decided that the snow make-up day would be April 20.

Those attending the monthly meeting were Arlye Crooks,

Animal Immunization

Veterinarians of Curry County are cooperating with the Curry County Field Health Office in sponsoring a reduced fee immunization clinic for dogs and cats, according to Fran Seaton of the Curry County Health Services Division.

Curry County Health Services Division. Mrs. Seaton said that all Curry County veterinarians will be participating in the clinic which is to take place in their respective offices January 17 and January 24.

The rabies vaccine will be administered from 8 a.m. to 3 p.m. MST at each veterinarian's office, she said.

The rabies vaccine will be offered at the reduced price of \$5 and all other vaccines will also be offered at reduced prices.

New Mexico State law requires that all dogs and cats be vaccinated annually after three months of age.

Although the immunization clinic is taking place in the City of Clovis only, residents of both Texico and Farwell are eligible to participate and take advantage of the reduced vaccine rates, Mrs. Seaton said.

Marie Christian, City Clerk for the City of Texico, advised that Texico will still sponsor its annual vaccine clinic at Texico in the spring. A Clovis veterinarian will be present to administer the shots at that time.

For further information phone Mrs. Seaton at 763-5583.

Coach Mike Martin Named Golf Coach Of The Year

Farwell coach Mike Martin has been named to the Panhandle Sports Hall of Fame as Golf Coach Of The Year for 1980. "Of course I'm very pleased about being chosen," said the coach about receiving the honor. "But I feel like it's just another award the girls on the team made happen," he added.

Martin and his 1980 golf squad recorded a Class A record (now AA) of 729 in defeating second place Ganado by 25 strokes, grabbing for the team the Texas Class A state crown.

"The girls worked hard and I'm getting the recognition for it," he said, "but it was the

girls who went out there and played."

When Martin first came aboard as Farwell's golf team mentor, in 1979, he guided the team to Class A state runner-up.

During the 1980 season, the Farwell team won the Region 1-Class A tournament with a round of 711, in addition to winning the small-school division of the Amarillo Girls' Relays and finished fifth in a Lubbock tournament after competing against Class AAAA and AAA teams. The Farwell girls also won their own tournament.

"We had five good golfers," remarked the coach about his 1980 state champions, "and they were good before I got here. After finishing second in 1979 and having everyone return in 1980 we had to set our sights on winning the crown that year. Anything short would have been a failure."

Martin will be honored at ceremonies Sunday, Jan. 18, at Amarillo College's Ordway Auditorium when honorees in all sports will be inducted into the Panhandle Sports Hall of Fame.

The ceremonies are open to the public and there is no admission charge.

Allsup's To Sponsor UCP Money Campaign

Allsup's Convenience Stores, Inc., will be sponsoring a neighborhood drive in support of United Cerebral Palsy, and all area youngsters are encouraged to visit their local Allsup's store Saturday, Jan. 17 and Sunday, Jan. 18, to pick up a collection envelope.

After collecting donations for Cerebral Palsy from friends and neighbors and turning it back into the store, "Allsup's will give them a free fountain

drink of their choice," said Kurt Verlei, Director of Public Relations for Allsup's.

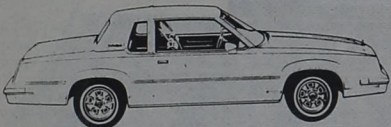

"We hope all the children of the area will help us make this telethon more successful than ever before," said Verlei. "Cerebral Palsy is an injury to the brain that can never be cured. We feel that money raised will go along way in helping the Cerebral Palsied lead a more normal life," he added.

Some people throw salt behind them when it spills because it used to be believed the salt would hit the devil in the eye.
