

'Not Needed' - -

City Dads Say No On Hiring Marshal

"I've had quite a bit of discussion with the people, and that's who I'm here to serve," said Farwell Mayor Walter Kaltwasser to city marshal applicant Charles Lovelace, "and the majority of the people I've talked with are against hiring a marshal at this time."

This was the consensus at Monday's city commission meeting held at Farwell City Hall, where city fathers informed Lovelace they did not intend to hire him, or anyone, for the job as Farwell city marshal.

The discussion between the councilmen and Lovelace involved what the council had heard from the citizens of Farwell and what people had been saying to Lovelace.

"Maybe you haven't talked to the same people I've talked to," Lovelace said. "I've talked to a lot of the people and I think if it was put to a vote most would want one (a marshal)."

Councilman Fred Chandler told Lovelace that "we get varied opinions, most who are for a marshal just want a night watchman, just someone to be seen on the streets at night."

"Well, I make a pretty good night watchman," Lovelace commented.

Farwell's first city marshal was hired in May of 1975 and held that post until January of 1979. Upon his resignation, to assume a similar position at Olton, the council, consisting of the same members as now, decided not to hire a new marshal until a majority of the people living in Farwell asked them to do so.

Although petitions were floating around the city at that time requesting the hiring of a marshal, the issue eventually died down and was never raised again until retired sheriff Lovelace applied for the job.

"Did you feel that your first

marshal was needed?" Lovelace asked the commission Monday night.

"We were pressured into hiring him from Bovina and Friona," said Chandler. "They accused us of taking free sheriff service at that time and we made a mistake in hiring a marshal. We should have never hired a city marshal. I've regretted it a hundred times since then," he said.

When the former marshal resigned, his salary was \$750 per month. Lovelace has asked to work for automobile expenses only.

Mayor Kaltwasser explained further to Lovelace that "those

people who were against hiring a marshal were VERY against it and strong in their opposition," adding, "I was also very surprised at the people who told me they were against hiring a marshal."

Councilman Chandler pointed out that following an article printed in the Tribune several weeks ago soliciting comments from the citizens on the city marshal issue, he has had several people voice their opinions. "Most were against it. Of the ones who felt a marshal was needed, 75 to 80 percent felt we only needed a night watchman."

"Well, if you don't need one,

you don't need one," the former sheriff said. "That's fine with me. Let me assure you there are no hard feelings, none whatsoever."

Kaltwasser advised Lovelace that if the need should arise where a marshal is required, or requested by the majority of the people, "You'll be the one considered for the job."

"I like to be fair," said the mayor, "and this is the way it turned out."

Lovelace expressed his understanding to the council and said, "You're just like me. You're just working for the folks."

Ronald Reagan tossed the fat into the fire and our more liberal politicians and labor leaders are burning up. An example of political demagoguery, to our way of thinking, was uttered by Rep. Henry Reuss of Wisconsin. He was talking to David Stockman, the budget director, who was testifying before the House Joint Economic Committee about the President's program to cut federal spending and federal taxes.

Reuss suggested that Stockman go back to the drawing boards and "find rich oxen to gore." Ah me, what a beautiful populist snide political remark to make. How out of touch with the realities of economic life. This gentlemen's mental concept of economics is one of the root causes of our inflationary problem today. He and others of his political ilk have "soaked the rich" for 10 these many years, and in the process have helped to dry up the well-springs of venture capital and operating capital with which business and commerce operate.

It is the "rich" individual or corporation that provides the money that builds the factories that provide the jobs that make the weekly paychecks possible. It is the "rich" individual or corporation that provides the money that all trade and commerce operate on.

As Reuss and his political henchmen have dried up these sources of money, our industrial plant has aged and deteriorated to the point that it is not technologically capable of competing with foreign manufacturers.

Yes, Reuss, you might have "gored the rich ox" but you have in the long term put it to your laboring constituents. It is finally being recognized by the electorate that your brand of economics has been a dismal failure, and that a change must be instituted if the paycheck issued to the working man will continue to buy even a loaf of bread.

Another economic anachronism laboring the very ones it purports to help is the labor movement headed by AFL-CIO President Lane Kirkland. From their utterances at Bal Harbour, Florida, where the union big wigs are in session, they too will fight to continue the very policies that have contributed to our present economic mess.

Inflation has been fueled by unrealistic wage increases, by outrageous "fringe benefits" and uncontrolled government social expenditures. Big labor as well as big business and big government must all cooperate to scale down the wants and desires of each if the economic whole is to survive.

We think 'hat, at this time, Reagan's program offers the best balance of controlling all three of these segments of our economic picture. If labor, business, and government do not cooperate in such a scale down, then the demise of the economic system as we know it is eminent.

Can any leader, political, business or labor, honestly look at communist countries and say that their economic situation in any manner, shape or form compares to the great plenty that still prevails in America? From their actions and utterances, a body could almost conclude that some so think.

A Texas rancher stopped at a New Hampshire farm to ask directions. Then he asked the farmer, "How much land do you have here?"

"Not much," replied the farmer, "just a few rocky acres."

"You know how much land I've got?" bragged the Texan. "Why, in the morning I'll get in my car and start driving. By the end of the day, I still haven't reached my property line."

"Tough luck," sighed the farmer. "I had a car like that once."

April Elections - -

March 4 Is Deadline For Candidate Filing

Wednesday, Mar. 4, is the deadline to file for candidacy in any of the four upcoming April 4 elections.

Voters will elect new board members for the Farwell Schools, Lazbuddie Schools, and the Farwell Hospital District, in addition to electing a mayor and two councilmen in Farwell.

Citizens wishing to have their names placed on one of the election ballots have until next Wednesday to do so.

In the Farwell city election, at presstime only two persons had filed for candidacy. Incumbent councilman Fred Chandler and incumbent mayor Walter Kaltwasser are both seeking re-election to the positions they now hold.

Don Williams has been appointed by the city fathers to serve as election judge during the voting.

To have his name placed on the election ballot, a person must obtain an application from the Farwell City Hall.

Those wishing to vote absentee in the city election may also obtain an application to do so at the city hall. Absentee voting is March 16-31 for "any eligible voter who will be unable to be in the city on election day," said city clerk Janie Bowery.

There are currently 584 registered voters in the city of Farwell.

Three persons had filed for candidacy on the Hospital District Board at presstime, including LaMoin Williams, Mike Norris and Jimmy Mace.

Those wishing to add their name to the ballot may do so by getting applications at the Farwell Clinic or at Rose Drug.

Members of the hospital board whose two-year terms will expire are Pudge Rose, Lee Hutchins, Robert White, LaMoin Williams and Jim Berry.

Absentee voting will take place from March 16 to March 31 and applications for this

process may be obtained at the Parmer County Courthouse, in the county clerk's office.

Chosen by an election committee to have their names placed on the Farwell School board election ballot are Joe Hughes (incumbent), Ed Corn and Eddie Winegeart. The three are to run for the board's three-year term.

Chosen to run for the board's two-year term are Richard Haseloff (incumbent) and LaVerne Vaughn.

Although the committee has chosen these people to run for school superintendent W.M. Roberts explains that "anyone can have his name placed on the election ballot simply by coming by the superintendent's office and signing an application."

Roberts stated that at presstime no one had volunteered to have his name placed on the ballot.

Trustees whose terms are expiring are Doyle Ford and Joe Hughes.

Billie Blain will serve as presiding judge for the elections.

Absentee ballots may be obtained at the Parmer County clerk's office in the courthouse. Absentee voting will take place March 16-31.

Candidates for the Hospital District Board and the Farwell School Board will appear on the same ballot, and voting will take place at the County Courthouse.

At presstime no one had filed

Veteran Speaker Newberry Slated For C of C Banquet

Dr. Don Newberry, veteran speaker and director for communications for the Tarrant County Junior College District, is scheduled to be the guest speaker at the Farwell Chamber of Commerce annual awards banquet set for March 12.

It has been said that when Newberry reaches the podium, where he has been some 2,000 times in most of the 50 states, he is one of the nation's "unstuffed" speakers.

He relies on his varied background, penchant for "people watching" and close scrutiny

of the day's news to delight audiences.

An educational public relations director for more than 15 years, his degrees include B.A. from Howard Payne University; M.J., University of Texas-Austin; and Ph.D., North Texas State University.

During college he also worked regularly reporting sports and news for the local radio station and newspaper, officiating high school basketball games and editing a weekly newspaper.

Later he served a six-year stint as Public Relations Director

for the Lone Star Athletic Conference. He also served several years as a correspondent for several regional newspapers.

Since 1967 he has been Director of Communications for Tarrant County Junior College District, which has three campuses and some 20,000 students.

As of April 1 of this year, Dr. Newberry will begin a new job as president of Western Texas College of Snyder, Tex.

He and his wife Brenda and their three daughters, Julie, Jana and Jeanie, are active in

Forth Worth's University Baptist Church, where he is a deacon.

Tickets for the annual awards banquet are available for \$7.50 from any Chamber of Commerce member.

The banquet is to be held in the Farwell School cafeteria, culminating with the naming of Farwell's Man and Woman of the Year.

Nominations for the yearly honor are still being taken and the deadline for nomination is March 6. Nominations should be delivered or mailed to I.W. Quicker or Tom Nichols.

In Friona - -

Sheriff's Dept. Probes Sat. Night Shooting

Parmer County Sheriff's Department and officials from the District Attorney's office are currently conducting an investigation into the Saturday night shooting death of a Levelland man and the wounding of a Friona police officer, according to Sheriff Bill Morgan.

"At approximately midnight Saturday, Feb. 21, city police at Friona were called to a domestic disturbance at 1001 Virginia Street in Friona, resulting in one police officer, Nick R. Hand, 31, being

stabbed in the left side with a blade from an electric knife, and subject Cesario Mendoza, age 26, being shot," Morgan said.

"Both men were taken to Parmer County Community Hospital in Friona where Hand was admitted for stab wounds and Mendoza died a short time after arriving at the hospital," Morgan concluded.

The sheriff said that the investigation is routine and occurs whenever a death results from wounds inflicted by

a law officer.

In other action this week, the sheriff's department is investigating two thefts of gasoline from area vehicles.

Marvin Anderson of Farwell reported to officials that vehicles parked in front of his residence had been siphoned of gasoline at approximately 5 a.m. February 22.

Tide Chemicals of Farwell also reported having had gas stolen from their vehicles over the weekend. No dollar amount was placed on either incident.

Regional Playoffs Tonight At Texico

Texico's varsity girls enter Regional B playoff competition tonight (Friday) hosting the event in the Wolverine Gym.

The Lady Wolverines are scheduled to play San Jon, and Floyd is to play Logan. Gametime is set for 6:30 p.m. MST, with Texico beginning their play at 8 p.m. MST.

Winners of tonight's games will compete for the regional trophy tomorrow night (Saturday) against the Wolverine courts.

In commenting on tonight's action with San Jon, coach Roy King said "We have already beaten San Jon once this year but it was in early January. They shot very poorly against us the first time, but I'm sure they will be ready to play tonight."

Texas Public Schools Week - -

Open House Slated At Farwell Schools

Next week is being observed as Texas Public Schools Week and the Farwell schools have set aside that time for parents of students to visit their school system and their children's classrooms.

An open house and band concert have been scheduled for the junior high and high school Tuesday, Mar. 3, according to high school principal Don Malone.

The entire community is invited to the concert to be presented by the Farwell Concert Band from 7 to 7:30 p.m. in the school auditorium.

Following the concert, the junior high and high school will be on a "mini schedule" to give parents an opportunity to

visit each of their children's classrooms.

Teachers will be available for visits from the parents from 8:30 to 9 p.m., Malone said.

Kindergarten parents are being invited by teacher Marcia Cole to tour the kindergarten classroom from 6 to 6:45 p.m. on Tuesday, before the concert.

Parents with children in the elementary school are being given an invitation from principal David Gobble to tour that school any day during Public Schools Week. "We have no formal open house planned, our doors will be opened all week and persons

who would like to come visit during the week are welcome to do so," Gobble said.

Texas Public Schools Week is March 2-6, and is sponsored by the Texas Masons.

The first observance of public schools week in 1951.

Holiday Set

Students enrolled in Farwell Schools are reminded that Monday, March 2, is an in-service day for teachers but there will be no classes for students.

Regular classes will resume March 3, according to Don Malone, high school principal.

The April 4 election there will be held for the purpose of naming two trustees for full three-year terms.

Gene Paul Jarman was appointed election judge by the board and Judy Brockman and Robert Gallman will serve as clerks. Robert Gallman is alternate judge and Carri Flores as election interpreter.

Dennis Owen was appointed clerk for absentee voting, which is to be held March 16-31 at the Lazbuddie ISD Tax Office.

The terms of Alfred Hicks and Max Steinbock will expire in April. Those desiring to serve on the Lazbuddie School Board may pick up an application to do so at the Lazbuddie superintendent's office.

grills and one large one for the park. The decision was made on the purchasing of the grills at Tuesday night's regular bi-monthly city commission meeting at Texico City Hall.

In other action taken by the city fathers, members were advised by Environmental Improvement Department (EID) spokesman Boyd Hamilton that only a few minor repairs are needed before the city's swimming pool can open for the summer season.

Hamilton also advised the city councilmen that he will be the person conducting all further inspections required by the EID.

The city will begin accepting bids on the repair of the equipment barn door soon, and the remodeling of the city offices was discussed.

The councilmen are now seeking someone with heavy equipment to pack the pits at the city's land fill.

Attending Tuesday's meeting were Mayor John R. Hadley, trustees Donnie Morris, Truman Kittrell and Vane Doshier; employees Mickey Fenn, Marie Christian, Billy Hammit and Dave Panter; and visitors, S.W. Moore and Boyd Hamilton.

Williams Named To Vice-President's Post

Jack Williams, branch manager of Tri-County Savings and Loan of Farwell since July 1977, was recently named as vice-president of that organization. Williams' selection to that post was made at a recent meeting of the board of directors.

Williams, a retired educator, has been with the local business since its opening in Farwell.

Prior to his work in the savings and loan institution, Williams had been in the Farwell School system for 32 years, coming to the school here from Muleshoe.

He was born in Oklahoma, received a bachelor of science degree from Southwestern State Teacher's College at Weatherford, Okla., and a

master's degree in administration from Eastern New Mexico University.

Williams' teaching career began in Leedey, Okla., then he taught in the Muleshoe schools and worked there for the Farm Security Administration before accepting a position with the Farwell Schools in 1945. His career here included serving as math teacher, football coach and boys basketball coach, high school principal, superintendent and elementary school principal.

Williams and his wife Ella Ruth have four children, Dr. Bert Williams, Dr. Tommy Williams, Dr. Richard Williams and Mrs. Israel (Sharon) Armendariz.

Open House Set For Texico Fire Station

A tentative date for the Texico Fire Station Open House has been slated for Saturday, March 28, from 1-4 p.m., according to Frances Kube, member of the Texico Fireman's Auxiliary Service Team, sponsor of the open house.

Mrs. Kube stated that it is the hope of the organization that New Mexico Senator Harrison Schmitt will be available for the open house program.

"We've been told that he will probably be able to be here, but it hasn't been confirmed," she said.

The Auxiliary has planned a gala event for the open house to include a formal ribbon

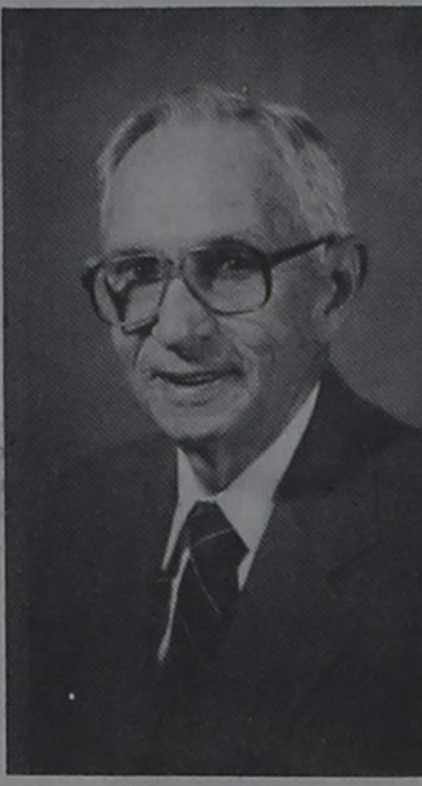

cutting, and members of the Texico High School band will play the Star Spangled Banner for the ceremonies.

"Everyone will be invited to the event," Mrs. Kube said. "We want everyone to keep this date in mind and plan on attending."

The Tribune will run full details as the date nears.

The Auxiliary held its regular meeting February 20 where plans for the open house were discussed.

Attending the meeting were Captain Teddy Spears, Clerk Jerri Tharp, Dawn Panter, Ann Cooper, Glenda Thigpen, Frances Kube and Marie Christian.

City Hears Plans For Waste Water Treatment

Representatives from the engineering firm of Parkhill, Smith and Cooper spoke during a public meeting held during Farwell's regular bi-monthly city commission meeting Monday night, presenting a slide presentation on the city's waste water treatment plant.

John Kelley, design engineer from the Lubbock firm, explained to those attending that his firm is in Step I of a three-step process of the Environmental Protection Agency construction project for a new waste water treatment plant in Farwell.

"We are conducting preliminary engineering studies," Kelley said. "This is our second public meeting tonight and I plan on presenting to you alternative methods of waste water treatment available to the city."

The engineer then explained to the council with slides that the city's current waste water plant "is undersized for the city's current population. It was built for a population of 1250."

Three alternatives were then shown to the group, as well as one alternative mentioned and recommended by the EPA. The four designs shown to the city fathers were Land Treatment, Aerated Lagoons, Aerated Lagoon with Stabilization Ponds and Facultative Ponds.

Slides showing all costs, including construction costs, maintenance costs, energy costs and present worth analysis were shown to the group.

Although no definite decision was required by the city Monday, and another public hearing is to be held in two months, the Farwell water

superintendent told the city fathers when asked, that he prefers the Aerated Lagoons method.

Once again the question of the proposed MX missile project came up. "What if we get the MX system here," asked councilman Fred Chandler, "and the new water system is built for a smaller population and then we get an increase in our population due to the MX?"

Kelley and his colleague Clayton Yeager, project engineer, explained that since construction of the waste water system is not to begin until 1983, they felt the MX situation would be known by then. The subject was regarded as a "Let's wait and see" thought.

Although no Farwell citizens were in attendance during the public hearing, James Wilson of the Texas Department of Water Resources did attend as well as Alvin Woodburn of Clovis.

In other action at Monday's meeting, the council voted to pay former cemetery sexton Earl Roberts \$158 on cemetery

sales commissions. Further commission monies will be paid to Roberts as plot payments are made.

City citizens using natural gas will be receiving a refund from El Paso Gas. City Clerk Janie Bowery, explained to the commissioners that a notice had been given that Farwell was to receive a \$4,442.23 refund from El Paso Gas to commence in the second quarter of 1981. "It will be refunded to individual city users," she said.

In other business the council voted to place \$30,000 from the city's general fund into three \$10,000 CD's on the money market.

Attending the Monday night gathering were Mayor Walter Kaltwasser, councilmen Fred Chandler and Johnny Curtis; city clerk Janie Bowery; and city employees, John Johnson, Dee Hammit, Jackie Doshier, and Robert Bergner.

Also in attendance were Clayton Yeager, John Kelley, James Wilson, Alvin Woodburn and Charles Lovelace.

Q. Where'd we get the expression "toe the line" to mean stick to the rules?

N-SERVE

HOW IT WORKS

N-SERVE blocks bacterial action that would quickly convert ammonium fertilizer to nitrates. Nitrates are subject to rapid loss through leaching and denitrification. This blocking action keeps nitrogen in the soil longer so that it becomes available slowly as it's needed. This reduces the crop stress that would occur from temporary nutrient shortages if you had to rely on side-dressings to maintain a steady nitrogen supply.

Does it work? Check the results.

Livestock Show Attracts 465 Entries

Parmer County's annual livestock show attracted 465 entries last week, in addition to "a large attendance, a lot of interest and a lot of involvement," said Parmer County extension agent Seth Ralston.

The show, which was held for two days ending in a sale held on Saturday, culminated with 80 barrows, 46 lambs and 16 steers being sold. According to Ralston, Farwell had more livestock in the sale than in previous years.

Ralston said there was a slight decrease in the number of barrows entered in this year's show, but the lamb and steer divisions saw a marked increase.

"We had 149 lambs in this year's event," he said, "and 34 steers, which is one third more than last year."

The annual show took place at the Parmer County Community Center and Showbarn in Friona, with area 4-H and FFA members participating.

Marcus Phillips served the show as hog judge. Joe Ed Wise, county extension agent from Lamesa was lamb judge; and Spencer Tankersley acted as judge for the steers.

General Superintendent of the show was Chief Buchanan of Friona. Hog superintendent was James Sides of Oklahoma Lane; sheep superintendent was Bill Tanahill of Friona and steer superintendent was Gene Schueler of Rhea.

Winners of the show were as follows: Swine Division, grand champion, Joe Don Tarter of Lazbuddie; reserve grand champion, Matt Howell, Bovina.

Swine breed champions included: Wendy Jarman, Lazbuddie, exhibiting the York breed champion; Amber Rhodes, Oklahoma Lane, exhibiting the champion Chester; Angie Jesko, Lazbuddie, exhibiting the champion Berkshire heavyweight and Charlie Trimble, of Bovina, exhibiting the champion Hampshire heavyweight;

Also, Terry Petchinsky of Friona, exhibiting the champion Spot heavyweight; Lea Ann Edwards, Friona, exhibiting the champion and reserve champion York breed; Marie Pesch, Bovina, exhibiting the champion and the reserve champion Chester breed; Sherrie Seaton, Lazbuddie, exhibiting the champion and reserve champion Cross breed; and Joe Dan Tarter, Lazbuddie, champion and reserve champion Hampshire breed.

LAMBS
In the sheep category, two Bovina youths captured the two top prizes. Casey Riddle exhibited the grand champion jumbo sheep and Casper Naegle had the reserve champion heavyweight.

In breeds, Shonda Mitchell of Lazbuddie, exhibited the first place fine wool heavyweight; Tracy Moore, Bovina, first place Hampshire heavyweight; Todd Gregory, Lazbuddie, first place Southdown heavyweight; and Jon Riddle, first place in the "other and cross" lightweight category;

Also, Sheldon Mason, Lazbuddie, exhibited the first reserve fine wool lightweight; Tracy Moore Bovina, first reserve Hampshire medium-weight; Denver Riddle, first reserve Suffolk heavyweight; Sean Mason, Lazbuddie, first reserve Cross heavyweight;

Also, Bret Whitten, Bovina, first place fine wool cross lightweight; Ted Clayton, Bovina, first Hampshire lightweight; Doyle Garner, Bovina, first Hampshire jumbo; Joanna Clayton, Bovina, first place Suffolk lightweight; Shain Rhodes, Friona, first place Suffolk medium-weight; and Mark Teague, Bovina, first place Southdown.

STEERS
Roddy Berend of Friona exhibited the grand champion Steer during the show and another Friona youth, Holly Tatum, had the reserve grand champion.

Mac Langford of Farwell exhibited the first place lightweight steer and Jeff Jesko of Lazbuddie had the first place medium-weight steer.

Others who place in the show and who entered their livestock in the sale were:

Champion Chester

Amber Rhodes of Oklahoma Lane exhibited the Champion Chester breed during the Parmer County Livestock show. Serving as general superintendent of the show was Chief Buchanan of Friona, Hog superintendent was James

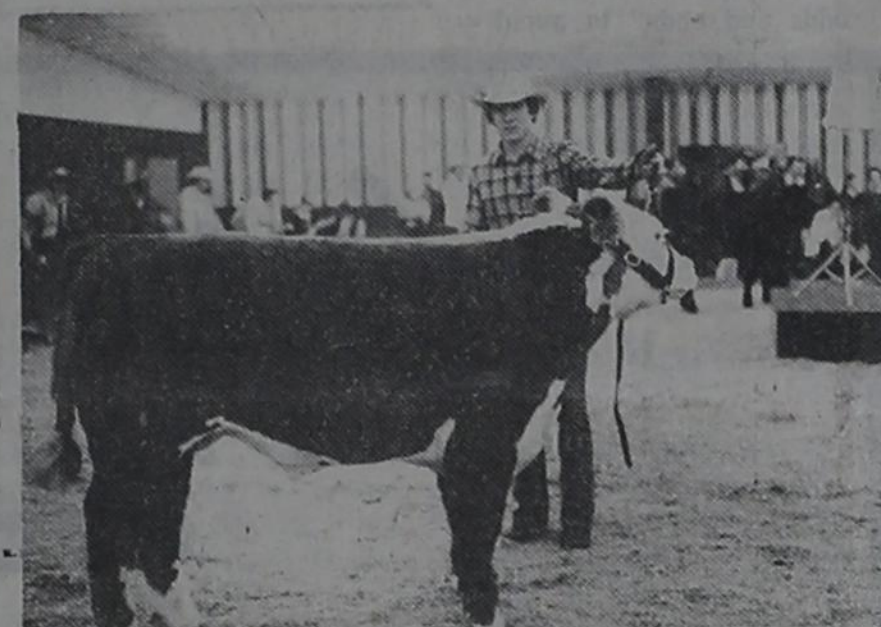

Sides of Oklahoma Lane and Hog judge was Marcus Phillips of Friona. The show attracted approximately 465 entries in the three categories of Swine, Sheep and Steers. [Photo courtesy of Parmer County Extension office.]

Reserve Champion Spot

Exhibiting the reserve champion spot swine breed in the Parmer County Livestock Show was Suzahn Inman of Farwell. Inman's spot was one of 80 that sold at the Sale Saturday. The annual show

took place at the Parmer County Community Center and Showbarn in Friona, with area 4-H and FFA members participating. [Photo courtesy of Parmer County Extension office.]

First Place Breed

Mac Langford of Farwell exhibited the first place lightweight steer during the Parmer County Livestock Show held last week in Friona. Langford had previously captured the Grand Champion

ribbon at the Farwell Junior Livestock Show. The county show had 34 steers entered, about one third more than last year's event. [Photo courtesy of Parmer County Extension office.]

SALUTE TO LOCAL BUSINESS

Our Farwell business recognition this month goes to the Farwell Spraying Service, located on the east edge of Farwell on Highway 70-84. It is owned and operated by Duane McDaniel, a long time resident of this area. McDaniel began flying in 1954 and became a full time spray pilot in 1964. McDaniel pilots a Thrush Commander and sprays all kinds of crops including wheat, corn, milo and vegetable crops. He also sprays herbicides when called upon. Duane cautions farmers to look for mites and greenbugs in their wheat.

Senior Citizens To Meet Feb. 26

Regular fourth Thursday meeting of the Texico-Farwell Senior Citizens will be on February 26 starting at 5:30 p.m. MST at the Texico Community Building.

The meeting will feature a potluck supper, games and visiting.

A good attendance was noted at the last meeting of the group and all senior citizens are urged to be on hand for the get-together next Thursday.

Plans are also in the making for a bean and cornbread supper to be served on Thursday, March 12. This is to be a fund-raising event and details will be announced later.

Texico's This, That And The Other

By Texico Journalism Students

First graders in Mrs. Rita Dunsworth's class were scheduled to take a field trip to the Blackwater Draw Museum on Thursday. The children have been studying dinosaurs and the cavemen in recent studies.

Vane Doshier was elected president of the Band Booster Club and Kathy Morris was elected secretary-treasurer at a meeting last Thursday. The Band Boosters would like to thank Marie Christian for notarizing permission slips for the band members who are to visit Six Flags during the spring break.

Students in Mrs. Ann Pearce's second grade have been studying George Washington and Abraham Lincoln. The students are reading books about each historical figure.

Mrs. Kay Singletery returned to teaching last week following a maternity leave. Mrs. Teresa King substituted for Mrs. Singletery during her absence. Two new students have enrolled in Mrs. Singletery's class recently - Bruce Durgan from New York and Richard Buck from Indiana.

Students in Mrs. Jenkins' and Mrs. Lynn's kindergarten classes will soon be starting work in a new math book. They have been learning to recognize, write, and sound various letters of the alphabet.

Students in the junior high and senior high attended a movie at Farwell High School Tuesday afternoon.

Freshmen English students have been reading the play, "Abraham Lincoln in Illinois." They were also required to memorize the "Gettysburg Address" as part of their February studies.

Minister And Family

Pictured with the Farwell Church of Christ's new minister, Ralph Gates, are his wife Deana, and their children, from left, Krista, Kevin and Kimberly. The Gates family arrived in Farwell two weeks ago from Albuquerque but call Los Angeles their "hometown." Gates was ordained as

an evangelist following his 1978 graduation from the Bear Valley School of Biblical Science in Denver. He has also spent several years in the business world as well as serving in the U.S. Army Reserves as a writer and military policeman.

Church Of Christ Has New Minister

Ralph Gates has assumed the duties as minister of Farwell Church of Christ.

Arriving from Albuquerque where he and his wife Deana and their three children have lived for the past 2½ years, Gates says that this will be his second full time ministerial job since graduation from the Bear Valley School of Biblical Science in 1978.

Both he and his wife are natives of the Los Angeles, Calif., area and were married there 11½ years ago.

Following his graduation in 1970 from Pepperdine University, the minister-to-be did graduate work at UCLA before he was employed by the Trans-America Corporation as head of their employee benefits division.

From there the couple moved to Bakersfield, Calif., where Gates headed the marketing division of Superior Farming, a subsidiary of Superior Oil in Houston.

For six years, from 1970 to 1976, the father of three served in the U.S. Army Reserves as a writer for Public Affairs as well as a military policeman.

Gates was ordained as an evangelist following further graduate work and graduation from Bear Valley School of Biblical Science.

While at Bear Valley, he traveled the United States as well as Canada on various speaking engagements and evangelistic tours, as well as preaching part-time.

Many times Deana joined him on his speaking journeys, and once they were on the road together for eight weeks straight.

His first full time work as a minister was in Cortez, Colo., and from there it was to Albuquerque where he was employed at Compensation Planning, a consulting firm.

The Gates family arrived in Farwell on Friday, the 13th of

February, and are making their new home in the house located next to the Church of Christ on 5th Street.

Their children include six-year-old Krista; 2½-year-old Kevin; and 15-month-old Kimberly.

Receives Scholarship

Tim Ellison of Clovis, son of Jerry and Douise Ellison of Farwell, has recently received a scholarship for further education at the ENMU Clovis Campus in the school of Refrigeration and Electric.

Ellison was granted the scholarship based on his grades, attitude and ability. The \$300 grant is the highest amount offered by the school.

Ellison is the grandson of Mr. and Mrs. Hubert Ellison of Farwell and is a 1978 graduate of Farwell High.

LOW SUGAR DIETS - HOW SWEET THEY ARE!

Low-sugar diets - how "sweet" they are when you really try to be creative in designing one for yourself, sticking to it and enjoying the results.

These diets are essential to people who must restrict sugar every day because of special problems, such as diabetes mellitus, obesity, the symptom hypoglycemia (low blood sugar) and certain types of heart disease.

Low-sugar diets really don't hurt anyone - in fact, the Dietary Guidelines for Americans recommends that the average American avoid excessive sugars.

Most Americans consume 130 pounds of sugar every year, much of that in processed foods.

To design a low-sugar diet with built-in delectability, start by realizing they don't require special dietetic foods for the most part.

Most foods eaten by most families also can be eaten by people on low-sugar diets - with one major exception: omit foods with concentrated sugars.

SUGAR DON'TS

Concentrated-sugar items include pie, cookies, candy, doughnuts, jam, jelly, marmalade, sugar-coated cereal, syrup, honey and soft drinks. It's also a good idea to avoid beverages containing alcohol or caffeine.

Also, there's a small list of "odds and ends" to avoid -

dried fruits and frozen fruits or vegetables with sauces or added sugar, and any processed food that has the words "sucrose, glucose, dextrose, lactose, fructose or syrup" written on the label as the first ingredient. When those words appear first, they signal a large sugar content.

In addition, avoid breaded foods, items with cereal fillers and creamed dishes, since they are high in carbohydrates.

LOW SUGAR DO'S

Once you learn the sugar "don'ts," there is no limit to the nutritious creativity you can employ in designing your own special low-sugar diet.

Start with fresh fruits and vegetables, canned products without sugar - or even lightly sweetened fruits.

Then watch for low-sugar ideas in magazines, in new low-sugar recipe books and from other sources. Your collection of these could become an enviable treasure in your "not-as-slim-as-you" circle of friends.

Farwell Sixth Grader National Math Wizard

Farwell sixth grader Amber Rhodes has recently been named along with 188 other elementary students across the United States as having had a perfect score on the recently administered Continental Math League Test.

According to her teacher Karolene Inman, Amber answered six out of six math problems correctly to achieve the perfect score.

"The math problems are all story type problems," Mrs. Inman explained. "And the student is required to figure out how to work the problems and then do the computation."

Mrs. Inman also said that the math problems are "usually real life situations that relate to daily living."

This is the first year that the tests have been administered in Farwell schools, and were given to students in grades 4-8. The Continental Math League

is a national organization that sends five tests during the year to schools across the United States. The tests are sanctioned by the National Council of Mathematics.

Amber is the daughter of Mr. and Mrs. Howard Rhodes.

Hereford Woman Gives Talk On Child Abuse

Farwell Study Club GFWC met in the club house for their February 16 meeting. Beth Igal, Child Protective Agency worker from Hereford, spoke and showed slides on "The Wednesday Child - The child who is full of woe." This is the child who is subject to neglect and abuse, the speaker said, defining abuse as, "The intentional physical injury or mental damage to a child by a person who is responsible for the child's health and welfare."

She said that more foster homes are needed as the problem is growing all the time. She gave the phone numbers which may be used in case one knows of child abuse.

These numbers are Hereford 806/364-6841; Dimmitt 806/647-4181; and a toll free number at Austin, 800/252-5400.

Mrs. Carrie Christian gave the program, speaking on "If I Were Starting My Family Again."

"A Christian home," she said, "is the most important institution and is the nearest thing to heaven."

She further stated that when a child knows that his parents love each other, he needs little explanation about the character

of God's love. The love between father and mother flows visibly to him and prepares the child to recognize real love in all future relationships. When a mother and father join hands when they walk, the child also joins hands. When they walk separately, the child is slow to join hands with anyone.

The feeling of belonging is so important to everyone," she said. "If a child feels he does not belong to the family, he will find something to belong to. But if he is made to feel he is a part of the family he has a stability which can withstand taunts and cries of the crowd."

She also said, "If I were starting my family again, I would laugh, play, share the happenings of the day. I would listen, encourage, have patience and give time."

Fault finding and criticism rob a child of self reliance, while encouragement builds self confidence. Everyone needs to be appreciated, the speaker noted.

"We should not stress only the physical, social, and intellectual aspect but the spiritual aspect should be shown in the things a child notices and what concerns him. And find in them the natural way to discuss spiritual truths."

In closing she shared with the group a poem, "Formula For a Happy Home," and also read a verse about families from a Valentine greeting.

Members present were Julia Symcox, president, who presided at the session; and Frances Kube, Carrie Christian, Eunice Crume, Elma Hart, Beulah Hobbs, Linnie Mae Crook, Ellen Wurster, Ophell McDonald, Hattie Coffey and Alma Sledge.

Engagement Announced

Mr. and Mrs. C.E. Ballinger of Jefferson City, Tenn., announce the engagement and approaching marriage of their daughter Cynthia [Cindy] Sue, to James Roy Hobbs, son of Mrs. Beulah K. Hobbs of Farwell and the late J.R. Hobbs. The pair plans to be married April 11 at 2 p.m. at Mill Springs Baptist Church, Jefferson City. All friends and relatives are cordially invited to attend the wedding and reception to follow.

Cindy is a 1975 graduate of Jefferson High School, attended Furman University in South Carolina and the University of Tennessee where she was especially active in singing and piano.

James is a 1971 graduate of Farwell High School, received his B.A. degree from Lubbock Christian College, later took a real estate course at LCC, and also attended Texas Tech University. He is co-owner of Ruidoso Music Center in Ruidoso, N.M., where the couple currently plans to make their home.

Ruth SS Class Meets With Mrs. Bowers

Ruth Sunday School Class of the First Baptist Church of Texico met at the country home of Helen Bowers Thursday afternoon for its regular meeting.

Mrs. S.G. Jones opened the meeting with a devotional using a scripture taken from Exodus 13:17.

Allie Burris led the group in prayer and the secretary's report was given by Gracie Dane. Kathryn Bournon read the treasurer's report in the absence of Ann Schloss.

Fellowship followed the business meeting, after which the hostess served refreshments of fruit cocktail, cobbler with whipped cream, coffee and punch to the eight ladies present, including Mesdames Mamie Hightower, Hattie Har-

ison, Nora Miller, Allie Burris, S.G. Jones, Kathryn Bournon, Gracie Dane and hostess Helen Bowers.

Lenten Services Begin March 4

A series of Lenten Services will begin on Wednesday, March 4, at St. John Lutheran Church of Lariat, reports church pastor Herman J. Schelter.

The services, which will be at 8 p.m. nightly, will continue for six Wednesdays, ending on Wednesday, April 8. Everyone is invited to the Lenten Services says Rev. Schelter.

Texico Baptist Women Meet For Royal Service

Baptist Women of the First Baptist Church of Texico met at the church Wednesday, Feb. 4, for their regular Royal Service program, with chairman Mora Schlueter presiding.

The meeting opened with Shirley Miller playing on the piano, "In Christ There Is No East or West."

Lois Hudnall read the scripture taken from Acts 1:5 and then she listed the names of the missionaries having birthdays that day. Margaret Horne led in prayer.

A discussion was had on "Asia In Our Midst," with the following women having parts on the program, Helen Bowers, Nora Day, Velma Kelley and Gracie Dane.

Mora Schlueter gave the closing remarks, and Nora Day dismissed the group in prayer. Those present were Mesdames Mary Dell Brown, Bobbie Gilliam, Helen Bowers, Lois Hudnall, Margaret Horne,

Shirley Miller, Velma Kelley, Nora Day, Mora Schlueter and Gracie Dane.

Arts Show Accepting Applications

Artists and craftsmen in all handcrafted media are invited to apply. The deadline for applications for the 125 booths is April 1.

For application forms and any other information, contact Rob Strong, Wayland College, Plainview, Texas 79072.

'Glimpse Of Fashion' Theme Of Style Show

Texico's FHA/HERO chapter presented a "Glimpse of Fashion," a style show in conjunction with Leric's a local fashion outlet, on Monday evening in the Wolverine Gymnasium.

FHA members and mothers worked as models during the show which featured various segments: "Seasonal Classics," "This Is Fashion," "Full of Surprises," and "Winner's Circle."

Since bathing-suit weather is soon to be here, a highlight of the "Full of Surprises" segment was the modeling of a two-piece bathing suit, dating back to the "Gay 90's" period, by Mrs. Johnnie Rucker.

Lisa Crooks modeled a 1955 wedding dress in this segment, and Schree Rucker modeled a mini-skirt outfit from the late

60's and early '70's.

Other FHA models included Tammy Adkins, Sharon Anders, Jackie Burk, Valda Cavallero, Jeannie Chavez, Lisa Coffey, Becky Eshleman, Terri Fenn, Laura Horne, Pam Hoyl, Jill Jesko and Velma Quintana. Mrs. O.B. Coffey, Mrs. Joel Horne, and Mrs. Butch Tharp also served as models.

Ten door prizes, donated by local merchants, were awarded during the intermission period between each of the segments. Prizes and winners included: a \$50 savings bond, Lydia Smith; a ham, Tonya Dunsworth; a painting, J.W. Eshleman; a pen and pencil set, Judy Robinson; perfume, Mrs. Ima Gene Swinney; a surprise gift box, Carrina Hungerford; two Leric's gift

certificates, Chary Jesko and Kay Warmuth; and two plants, Britt Crooks and Wanda Beavers.

FHA members who worked back-stage, ushering, and at the gate included Anna Flores, Teresa Golledge, Nikie McDaniell, Dana Morris, Lisa Reid, and Rhonda Tharp.

Mrs. Kathy Morris and her

daughter Brenda, worked as hairdressers for the evening. Mrs. Ruth Reid, Mrs. Fern Christian and Mrs. Diane Parker were also assistants in the production. Commentator for the show was Mrs. Margie Crooks, owner of Leric's. The Texico FHA advisor is Mrs. Kendale Burch, and the president is Laura Horne.

James Pierces Feted With Housewarming

Approximately 100 guests attended a housewarming reception Sunday afternoon for Mr. and Mrs. James Pierce of Texico.

Brown, orange, and gold were featured in the table decorations. A large centerpiece of flowers in the same hues, a cake decorated with the words, "Best Wishes," and a crystal punch bowl decorated the table in the dining room.

Guests were served cake, orange punch or coffee, mints, and nuts. The cakes were decorated and baked by Mrs. Ima Gene Swinney, and the orange and white mints were made by Mrs. Howard Leavell.

Mr. and Mrs. Pierce, who moved into their new three-bedroom home at 400 Craig Street in late December, were presented with a landscaping gift certificate from a Clovis lawn and garden shop.

A living "rose tree" was decorated with paper leaves in the brown, gold, and orange colors with the names of each

of the guests and hostesses who had contributed to the gift certificate.

Hostesses for the reception included Marcia Leavell, Mary Williams, Paula Leighton, Rosa Nunez, Audrey Kittrell, Kay Warmuth, Kay West, Kay Coffey, Juanita Hadley, Sylvia Burgett, Kendale Burch, Nadine Maben, Caren Spearman, and Margie Crooks.

Hospital Notes

Mrs. Jack Glenn of Farwell sustained a broken hip in a fall Sunday night and underwent surgery Tuesday at Lubbock Methodist Hospital. Family members reported that she is doing well at mid-week although she expected to remain hospitalized for a week to 10 days.

Mrs. Ophell McDonald of Farwell is confined to Lubbock Methodist Hospital for treatment of a broken hip and broken wrist. She is reported to be resting fairly well after having surgery on Saturday. She is in Room 242.

Farwellites On Tech Honor List

Four Texas Tech students from Farwell were among the more than 5,100 students who qualified for the deans' honor rolls in the six colleges during the 1980 fall semester.

They include Chip Craft, son of Mr. and Mrs. Bill Craft; Lisa Howard, daughter of Mr. and Mrs. Buttons Howard; Sandra McMillan, daughter of Mr. and Mrs. Otis McMillan; and Deana Williams, daughter of Mr. and Mrs. Don Williams.

To qualify for a deans' honor roll a student must have a grade point average of 3.0 or more on a 4.0 scale with as many as 12 semester hours of work.

Texas Tech has an enrollment of more than 23,000 students in six colleges, including Agricultural Sciences, Arts and Sciences, Business Administration, Education, Engineering and Home Economics.

FHA Model

Terri Fenn was one of several FHA/HERO chapter members modeling fashions at a Monday night style show presented by the Texico organization in conjunction with Leric's of Farwell. A spring motif was

featured as the show included four segments of fashion. Styles from the Gay Nineties, the Fifties and Sixties as well as what's "in" right now were presented by the models.

Selected To Who's Who

Debra Coffey of Texico has been selected to Who's Who Among Students in American Universities and Colleges. The honor is based on academic achievement, service to the community, leadership in extra-curricular activities, and

future potential. Miss Coffey is a junior accounting and business information systems major at Eastern New Mexico University. She is a member of Cardinal Key junior women's honorary society and secretary of Alpha Phi Omega service fraternity. She is a member of the Office Education Association and is listed on the Dean's Honor Roll, and is a member of Spurs sophomore women's honorary society.

A 1978 graduate of Texico High School, she is the daughter of Mr. and Mrs. O.B. Coffey of Texico.

Coaches Preview Upcoming Spring Sports

With basketball season completed, Farwell spring sports are getting into full swing as school athletes are already practicing for the upcoming golf, tennis and track seasons.

A Spring Sports preview was conducted with Farwell's coaches, and all predict a strong season in the three sports.

TRACK

Coach Vester Joiner has two returning lettermen on his girls' track team, Jennifer Williams and Donna Meeks. According to Joiner, Williams placed in the district triple jump event last season, and both runners will compete on relays, sprint, 800 meter and 1600 meter runs.

Other team members include Sharon Kalbas, Suzahn Inman, Jane Ward, Johanna Mesman, and Sandra White.

The girls are to compete in the field events of high jumping, long jumping, triple

jumping, shot put and discus. "We'll have people in all of those events," he said.

In addition, Joiner says, "We'll have at least one runner in the 100 meter dash, 200 meter dash, 400 meter dash, 800 dash, 100 meter hurdles, and the mile run."

The girls will open their season March 7 at Seagraves.

This is Joiner's first season at Farwell, coming here from McLean, Tex., where he coached the girls' track team to four regional events. The coach had two hurdlers in regional competition, one high jumper, two long jumpers and one triple jumper, also in regional events.

According to the coach, Kress and Bovina will be this district's tough teams to out run.

In boys' track, Royce Baker returns for his fifth season as coach, with two returning

lettermen. Brian Langdon as shot and discus thrower, and Isidro Garcia, defending 440 yard district champ.

Baker sees his team's strong events as the quarter mile, mile relay, as well as the long jump, intermediate hurdles and the open quarter.

"We'll do better this year because we have more team members," said Baker, "however, one of our main weaknesses is that we're a young team as most are freshmen, and the juniors and sophomores are out for the first time," he said.

The boys open their season March 7 at Seagraves.

According to Baker, Springlake-Earth is the district's defending champions. "They're the big favorite," he says, adding "Vega and Kress will be their strongest competition."

Members of the boys' team include Brian Langdon, Doug

Teel, Ricky Sierra, Isidro Garcia, Claude Gobble, Raymond Garcia, Santiago Lucio, Robby Armstrong, Raymond Sierra, Todd Christian, Alan Eubank;

Also, Jimmy Bernal, Paul Fulcher, Roger Hobbs, David Daniel, Frank Cantu and Brent Green.

TENNIS

Both the girls and boys tennis teams open their season March 13 in Brownfield at the Brownfield Tournament, under the coaching direction of Ted Phillips. This is Phillips' first season at Farwell as a tennis coach, and his first coaching job ever.

His returning lettermen on the girls' squad are Karen Magness and Tracy Williams, returning district champions in doubles; and Janene Berry, who was ranked third in district singles last season.

Two other players comprising the girls tennis team are Leslie Castleberry, who Phillips cites as "a real promising freshman," and Shana Blain.

Phillips has three returning lettermen on his boys' team, Doug Cole and Clay Williams, returning district champs in doubles, and Dale Sikes.

Another "promising freshman" is Alan Eubank, and the team's fourth member is Todd Christian.

"We should do well this season," said Phillips commenting on both teams, "We've got a real good bunch of players."

GOLF

The girls' golf team is the defending state champion and their coach Mike Martin was named Panhandle Golf Coach of the Year last year.

Returning off the state championship team this year are Janene Berry and Robin Vinton. "Janene is defending regional champ," said Martin, "and Robin was third in regional last year." Martin cited the two players for their excellent golf game and added, "They will complement each other very well, they are very close in play."

Martin has three players this season who played on his B team last year. They are Sharmy Christian, Tammy Obenshain and Cydney Ford.

Rounding out his team is newcomer Kay Geuther who Martin says "will be very good for us."

As there are only two teams in Farwell's district, the golf coach says with confidence, "We should go to regional playoffs without any problem," adding, "when we'll have our big test. Regional play is as tough as state play with the same tough competition."

The girls open their season March 20 at the Tulia Tournament.

"Hopefully we'll go to state for the third year in a row," predicted coach Martin. Martin returns for his third season with the girls' team, a team that has entered state competition five out of six years.

Coach Randy Adrian returns for his second season with the boys' golf team. Returning lettermen are Brent Green, defending district medalist; Rocky Ford and Lenny Beal.

Newcomers to the greens are Forrest Cole, Brian Langdon and Nicky Liethen.

The Farwell team was runner-up in the district last year, losing out to Bovina.

However, according to Adrian, "We're the district favorites this year because we have everyone back."

The boys will open their season on March 17 at their own invitational tournament. Schools to participate in the Farwell Boys Invitational Tournament include Littlefield, Muleshoe, Tulia, Morton, Nazareth, New Deal and Whiteface.

Following this the team will play in the Tulia tournament on March 24.

Court Jesters

Ready to hit the tennis courts for spring training are lettermen on the boys team, Clay Williams and Doug Cole, the returning district champions in doubles, and Dale Sikes. On the girls squad, Tracy Wil-

liams and Karen Magness are also returning this season as the defending district champions in doubles. Returning letterman Janene Berry is not pictured. Other members of the boys squad include Alan

Eubank and Todd Christian; and playing with the girls will be Leslie Castleberry and Shana Blain. Both teams are under the coaching direction of Ted Phillips.

Steerettes Lose To District Champions

Farwell's varsity Steerettes were defeated by the district's number one ranked team and eventual district championship winner, Springlake-Earth, last Thursday night in the opening round of the District 3-2A tournament played at Hereford. The Wolverines trampled the Blue and White leaving them behind a resounding 59-30 score.

But Steerette coach Vester Joiner is not disappointed in his team's season and comments that "overall, for the entire season the girls did a good job," adding, "We have made a pledge to this year's graduating seniors that we will beat Springlake-Earth next year!"

The Springlake team is the only roundball club in the district to have defeated the

Steerettes more than once. They were winners of the district round-robin and the tournament and will represent District 3-2A in bi-district action.

In closing out the season, coach Joiner made comments on his five starting players.

SHARMY CHRISTIAN - senior - "She was a post player doing a good job until she hurt her knee. She played with a lot of pain and did a really good job for us."

ROBIN VINTON - senior - "Robin was a true leader both on and off the courts. She did us a super job. Robin was a big surprise to me, she came on and did a good job, and showed good leadership."

GINGER ELLISON - junior - "She did a very good job for a junior, and came on strong

down through the stretch." JANENE BERRY - junior - "Janene gives 110 percent everytime she hits the floor. She's an excellent hustler."

KAREN MAGNESS - junior - "She really came on strong during district play. Karen is a very good defensive player."

At the end of district play, the Steerettes were rated number four, with a district tally of 5-5.

A solution to rising irrigation costs.

One way to cut irrigation costs is to plant SeedTec sunflowers, the cash crop that thrives in the hot, dry weather of West Texas. With just one or two waterings, your SeedTec sunflowers will have all the moisture they need for top performance. Compare that to the expense of irrigating corn or sorghum, and you'll see why SeedTec sunflowers are the logical alternative to high pumping costs.

Lady Wolverines Are District Champs

Texico varsity Wolverine girls captured the district 6A title last weekend after defeating Floyd on the Wolverine courts.

"This was a big game for us," said coach Roy King. "This was the best game that we have ever played against a Floyd team."

Although the roundball action was nip and tuck in the first three quarters, Texico took over the momentum in the final leg of the game and scored 27 points while holding Floyd to a mere 7 to clinch the district title.

The teams were tied 10 points each at the end of the first quarter, but Texico managed to lead at the half 27-22. While they were able to retain that lead in the third period it was only by a slim 9

points, 39-30 at the end of the quarter.

A fourth quarter push by the Lady Wolverines left Floyd behind a losing 52-37 score.

"The whole team played an outstanding game," King praised. "Ruth Scott and Lisa Coffey played great from the inside. Ruth scored 21 points in the first half and Lisa scored 13 points in the second half."

King also cited Schree Rucker and Tracy Dobbs for their contributions under the Texico nets. "Schree and Tracy did a good job of shooting from the outside. They also did a tremendous job of passing inside. Schree had 8 assists and Tracy had 6."

Carletta Fitz and Becky McDonald also received praise from their coach. "They didn't

shoot very many times but they played well on defense and rebounded very well," he said.

Scott poured in 27 points during the Floyd game, followed by Coffey with 15.

Also adding points were Rucker with 6 and Dobbs with 4.

Coffey led in rebound action with 18; Scott grabbed 11; Fitz, 5; Rucker, 3; Dobbs, 2; and McDonald, 1.

The girls shot an impressive 45.1 percent from the field, connecting on 23 out of 51 attempts at the nets. In free throws Texico hooked 60 percent, hitting 6 out of 10.

Texico will enter regional playoff competition tonight (Friday) against San Jon on the Lady Wolverine courts.

Texico Jr. High Ends Basketball Season

The freshman Wolverines took 4th place in the Friendship Invitational Tournament last weekend at Clovis' Gattis Junior High while the Texico 8th graders were edged out in the first round of play.

In the first game, Texico's 9th graders slipped ahead of Hereford's Stanton Junior High, 60-57.

At the end of the first quarter the Green and White held a one-point lead, 17-16, and by the half had stretched their lead to 35-27. Stanton outscored the Wolverines in the third period and led 43-42 going into the final quarter. Texico caught up and pulled ahead to win 60-57 and advanced to the next game.

Scoring for the freshmen were Kevin West, 23; Brad Steward, 14; Dennis Chavez, 11; Joe Steward, 8; and Terry Tubbs, 4. The team hit 36 percent of their free throws.

Yucca Junior High from Clovis overpowered the Texico freshmen, 79-67, in their second game Friday evening.

Yucca grabbed an early lead and held onto it throughout the game. In the first quarter, Yucca outscored Texico 23-12, and continued to push ahead to a 47-28 lead at half.

The Wolverines came back stronger in the last half, outscoring Yucca in both periods of play but their second half surge was not enough to overtake Yucca's earlier lead.

At the end of the third quarter, Texico had added 18 points to their score while Yucca added only 16, but held the lead 63-46.

In the final quarter, although the Wolverines added 21 points to Yucca's 16, it was not enough to catch up and Yucca won 79-67.

The Wolverines hit 17 of 33 free throw attempts for 51 percent at the charity line, while their opponents made 13 of 24 attempts for an accuracy record of 54 percent.

Four players scored in double-figures for Texico. West led with 16, followed by B. Steward with 13; Chavez with 11; J. Steward, 10; Tommy Boardman, 9; Tobin Tate, 5; and Tubbs, 3.

In the freshmen's final game Saturday morning, Texico fell to Portales freshmen, 83-60.

The Lambs took a 20-10 lead in the first period, and added 23 points in the second quarter while the Wolverines added 22 points, giving the Lambs a 43-32 lead at halftime.

In the third quarter the Wolverines again added 22 points while the Lambs only sank 11, to move within 3 points of a tie score.

Portales came back in a fourth quarter shooting spree to add 22 points while holding the Wolverines to only 6 points at the charity line, giving Por-

tales the third-place berth in the tournament by a final score of 83-60.

Scoring for the Wolverines were West, 22; B. Steward, 15; Chavez, 10; J. Steward, 7; and Tubbs, Boardman, and Tate, 2 each.

At the free throw line the Green and White made 28 of 35 attempts for an 80 percent accuracy record. Portales attempted 40 free throws and made 28 for a 70 percent rate.

The Texico 8th graders were eliminated in their first game when Stanton's 8th graders defeated them, 44-36. Stanton led 11-4 at the end of the first quarter and 23-14 by the half.

Stanton came back in the third period for their strongest scoring attack and added 15 points while the Wolverines hit for only 8 points.

In the fourth quarter, Texico outscored Stanton, 14-6, but the surge was not enough to overcome Stanton's lead and the Wolverines lost their right to advance in tournament play, 44-36.

Billy Bibbs led in the scoring for Texico with 22 points. Also contributing were Danny Powell, 6; Rusty McCormick, 4; Buck Gaddis, 2; and Doug Thornton, 2.

Stanton gave Texico only one chance at the free-throw line while Texico gave their opponents 9 chances for extra points, but Stanton was successful in only 2 of their 9 attempts.

The freshmen finished their season with a 5-6 record while the 8th graders had an 8-5 record. The 7th grade boys who ended their season earlier had a 1-10 record.

"I feel like the 7th grade made a lot of progress this year even though our 1-10 record might not indicate it. We were just 2 or 3 points from winning some of the games we lost. Also, we were defeated in overtime for third place in the Portales tournament," said Coach Mike Littlejohn, who coached the junior high boys' teams. Littlejohn was assisted by Coach Scott Parker.

The 7th graders averaged 26.4 points per game, while their opponents averaged 35.9 points. They totaled 290 points while opponents scored 395 points. Their win came over Gattis' 7th graders during the Portales tournament.

The 8th graders fared better during the season, managing the only winning season for the junior high boys.

Their per-game average was 32 points to their opponents' 31 point average. In all, they scored 417 points while holding their opponents to 391 points.

Commenting on the 8th grade, Littlejohn said, "The 8th graders finished the season with an 8-5 record including a

first place finish in the Floyd tournament.

I felt like the 8th grade had a very successful season. Two of their losses came against Morton and one against Hereford Stanton. These two teams were by far the best teams we played all year. I'm looking forward to having these young men back as freshmen next year!"

Following their last game Saturday, the coach also reflected on the freshmen team's season: "The 9th finished the season with a 5-6 record including a fourth place finish in the Clovis Friendship tournament and a fifth place finish (winner of consolation bracket) in the Muleshoe tournament. Both of these tournaments had excellent teams in them including Clovis Yucca, Clovis Gattis, Dimmitt, Littlefield, Portales, and Hereford Stanton."

"We had a tough year putting together the same team all year. We lost a starter with strep throat during the Muleshoe tournament, another starter was out a couple of games with a hurt knee, and a third starter moved away."

"I'm looking forward to watching these young men as they play basketball in high school."

During the season, the freshmen racked up 570 points for a per-game average of 52 points while their opponents outscored them with 595 total points and per-game average of 54 points.

The young Wolverines defeated Tatum 53-42; lost to Morton in overtime 75-64; lost to Bovina JV 32-31; beat Dimmitt 61-56 and Sudan 35-33; fell to Tatum 42-37; won over Ft. Sumner, 48-26; and lost to Morton 70-54 before they entered the Clovis tournament last weekend.

Varsity Boys Enter District Tournament

Texico's varsity Wolverine boys were to begin district playoff competition Wednesday, Feb. 25, on the Wolverine courts.

The fifth-seeded Texico boys were to compete with sixth-seeded Elida for a chance to play second ranked Tatum at Tatum Thursday, Feb. 26.

Following Friday night competition against the winner of the Tatum clash and the winners of the Melrose-Dora game, the final trophy game is set to take place Saturday, Feb. 28 at Floyd, beginning at 7 p.m.

Admission prices to all district playoff games is \$2 for adults and \$1 for children.

Texico Jr. Varsity Basketball Results

The JV girls basketball team at Texico closed out their winning season with a victory over Springlake-Earth last week, defeating the visiting Wolverines 55-42.

"This was our highest scoring game of the season," commented coach Roy King after the game, which was billed as "The Battle of the Wolverines."

Texico jumped to an early lead in the first quarter, 10-8, leading again at the half 28-23. Each team pumped in 13

points in the third period, but Texico held onto its lead, adding another 14 points in the final quarter to take the game with a 13 point margin.

Leading scorers were Becky McDonald, 15; Pam Hoyl, 12; and Lisa Crooks, 11. Also adding points were Valda Cavallero, 6; Jill Jesko, 4; Cheryl Scott, 3; and Sharlet Taylor and Karen Snodgrass, 2 each.

"Our girls have had a very successful season," comment-

ed King. "They finished with a 9-1 record."

King's varsity team will lose four girls to graduation this year, but he says he feels he has some "outstanding" players on the JV team to take their place.

"Lisa Crooks, Jill Jesko, Pam Hoyl and Sharlet Taylor have played outstanding this year," he said. "Our JV team was made up of two juniors, two sophomores, four freshmen and two eighth graders."

For the year Texico JV scored 407 points compared to 279 for their opponents, averaging 40.7 points per game.

The JV Lady Wolverines hit 145 out of 527 field goal attempts for a 27.5 average.

In free throws the girls hit 117 of 218 for a 53.6 average.

Emerging as the season's leading scorer was Tammy Landis with 92 points. Pam Hoyl had 76; Lisa Crooks, 54; Jill Jesko, 50; Sharlet Taylor, 40; Becky McDonald, 25; Valda Cavallero, 23; Carletta Fitz, 14; Chary Jesko and Karen Snodgrass, 12 each; Cheryl Scott, 6; Danna Morris, 2; and Terri Fenn, 1.

Leading rebounder was Hoyl with 97.

Assist leader was Crooks with 12 and leader in steals was Hoyl with 23.

Leading free throw shooter was Crooks with 76.2 percent.

Here they are five John Deere Tractors that deliver real power to every point and are built with real strength to back it up. Dependable power begins with John Deere-built diesel engines. All models pack a potent torque reserve. All of them pull more at the drawbar. Lift more on the 3-point hitch. Crank out more at the PTO. and carry a bigger hydraulic reserve than models they replaced. See us for details on your power size. We'll be happy to answer all your questions on the NEW IRON HORSES.

TWO MINUTES WITH THE BIBLE
 BY CORNELIUS R. STAM, PRES. BEREAN BIBLE SOCIETY CHICAGO, ILLINOIS 60633

THE CHRISTIAN HOME

"As for me and my house, we will serve the Lord" (Josh. 24:15).
 There is no place in all this world so wholesome and refreshing as a Christian home, a home where Christ is truly loved and honored.
 This writer was brought up in such a home. There were ten of us: dad, mother and eight children. There was lots doing all the time, but a truly happy home it was, for dad and mother never let us get so busy with temporal things that we brushed eternal values aside.
 On the basis that "man shall not live by bread alone, but by every word of God" (Luke 4:4), we read some small portion of the Bible before every meal, and had family devotions before retiring at night.
 Result: All eight children blessed the dear dad and mother who led them aright, morally and spiritually, and best of all, taught them the importance of trusting in the Savior who died for all our sins. More, five of the children and many of the grandchildren gave themselves to full-time Christian service, and became pastors, Christian college deans, Christian writers and missionaries in various parts of the world.
 Counting the offspring, there are now more than 100 of us and the divorces and broken homes that have brought sorrow to so many are not even known among us.
 This is not because we are one whit better than others, but because we experience the help and grace of God in our lives. But it all began as, one day, a young American, like Joshua of old, came to a decision and declared: "As for me and my house, we will serve the Lord."

Schwartz Wins Texico Science Fair

Texico high school student Becky Schwartz nabbed the grand prize ribbon at the school's recent annual Science Fair.

Judging of the event took place last week, with Miss Schwartz' "How does normal temperature of animals affect their life span?" project winning the fair's top prize.

Ruth Scott was awarded the reserve champion ribbon for her project entitled "What about diet aids?"

Only high school students participated in the fair, under the supervision of science teacher Nadine Maben.

Listed below are winners in their various categories.

GROUP PROJECTS - "Will Plants Live Upside Down?" first place, Chary Jesko and Terri Fenn; "How To Build A Motor," second place, Johnny Torres, Tobin Tate, and Troy Cochran; and "What Is The Atomic Bomb," third place, Karin Anders, Betty Edge and Rudy Martinez.

MEDICINE AND HEALTH - first place, Ruth Scott, "What About Diet Aids," and second place, Bobby Louderback, "What Is Periodontal Disease."

ZOOLOGY - first place, Becky Schwartz, "How Does The Normal Temperature Of Animals Affect Their Life Span;" second place, Pam Hoyl, "What Is A Cell;" and Karen Ford, third place, with "What Is An Ear."

BOTANY - two ties for third place only: Tammy Edge for "How Darkness Affects Plants," and Karen Flowers for "What Effect Do Vitamins Have on Plants."

CHEMISTRY - Anita Dimas, first place, "Which Detergent Is Best?;" Sharon Anders, second place, "How Do Temperatures Affect Amylase Activity;" Bill Askew, third place, "Energy Improvement."

Honorable Mentions: Jesse Orozco, "What To Control Insects;" Earl Bibbs, "Steam

Turbine;" Robert Meier, "Are Alcohol Fuels Efficient;" Teresa Martinez, "Which Insecticide Is Best;" and Patti Wilson, "How To Make Paper."

PHYSICS - Lloyd Williams, first place, "How To Produce Sound Effects"; and Audrey Autrey, second place, "What Are The Formation and Uses of Musical Scales."

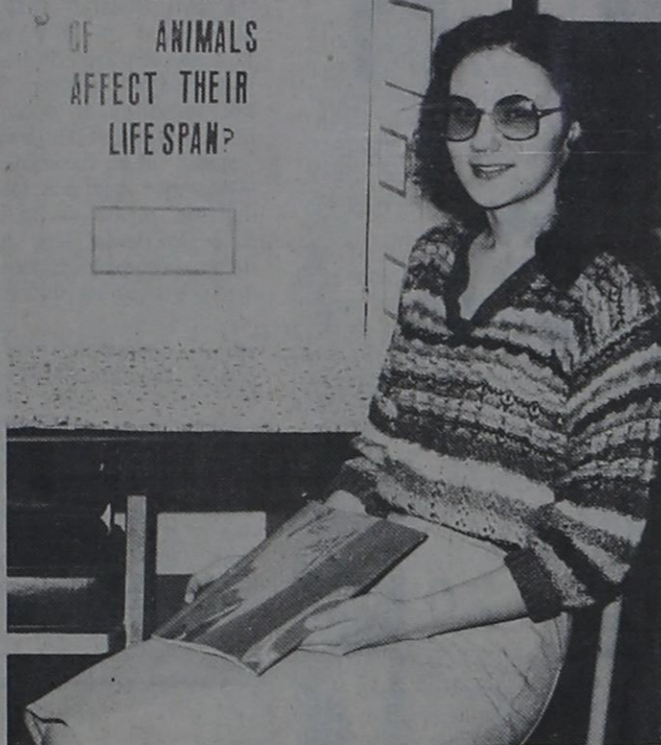

MICROBIOLOGY - Jacki Burk, first place, "How Does PH Balance Affect Bacterial Growth on Water;" Sharlet

Taylor, second place, "Is Untreated Water Safe To Drink?"

Honorable mentions: Corinna Hungerford, "How Mouthwash Affects Bacteria;" and Jeannie Chavez, "Which Mouthwash is Best?"

EARTH AND SPACE - Terri Tatum, first place, "What Are Economic Minerals Used For;" Steve Miller, second place, "What Is In The Solar System;" and Jeff Holland, third place, "What Is Volcanism."

HOW DOES THE NORMAL TEMPERATURE OF ANIMALS AFFECT THEIR LIFE SPAN?

Science Fair Winner

History Book Seeks Parmer Trivia

Parmer County Historical Commission is still seeking "general county history information," according to Commission chairman, Grace Whitefield.

"This section of the book is to cover such things as tales of yesteryear; farming and harvesting changes of implements and methods; and poems depicting the county past and present," she said.

Mrs. Whitefield also stated that sketches or paintings of historical scenes, old homes and new with contrasting pictures are also welcomed.

"We would also welcome celebrations of community interest, XIT facts and memories and colorful stories of people who settled in the county," she commented.

The committee is also asking for articles on special social events, early homelife, early day morals and manners, and pictures to show changes in people and events for a section entitled "The Passing Years."

The book is also to have a chapter entitled "Documented Firsts in Community and County," Mrs. Whitefield said, "But if anyone can help us with stories under any of the headings it will be greatly appreciated."

Contributors are asked to send information and articles to P.O. Box 579, Friona, Tex., 79035.

"There is no word limit or cost," Mrs. Whitefield advised, "The articles can also be brought into our office located in the Adult Class Room of the Union Congregational Church in Friona," she added.

During their recent meeting, the Historical Commission heard guest speaker Judy Cotton advise committee

members on the composition of their upcoming book.

A deadline of March 15 has

been set by the commission for acceptance of family histories and tributes for the book.

Early Day Family

J.S. Williams and his family were early day residents of Parmer County and some of the founders of the Farwell Church of Christ. Pictured are, from left, Johnnie, Roy, J.S., Martha B., Mrs. Williams (Malinda) and Cora. In front are America and Nannie. Five more children were born to the Williamses after this picture

was taken. Of those in this group, Cora Lunsford, America Crooks and Nannie Simpson still survive. The picture is being used in the upcoming edition of Parmer County Historical Book and is to remind county residents to get their family histories to the historical commission before the April 1 deadline.
