# Border Banter

By Mike Pomper

## We need more BTD musicians

We've had a sudden change in some of our Border Town Days plans this year. Jim Jones, of Oklahoma Lane, had planned to have his band perform. Jim suffered a heart attack recently, and is scheduled for surgery. Our thoughts are with him and hopes that all goes well.

Thus, we have had to adjust our musical schedule.

We plan to rent a sound system from Clovis. Fred Chandler will be in charge of this. But if anyone has a sound system available, please call Fred at the Sherley-Anderson-Pitman grain elevator in Farwell.

Also, we do have room for an extra musician or singer or two. If you are interested in performing at BTD on July 28, please call me (Mike Pomper) at 481-3681.

Otherwise, plans for BTD are continuing full speed ahead.

We've had several more floats entered in the parade, plus more antique tractors. This promises to be one heck of a great parade this year, fans.

And as you can see from the other stories in this week's Tribune, there is a lot going on!

There is another area I need some help in from volunteers.

If all goes well, the highway will be closed for the parade, and traffic routed down Hereford Street in Texico.

We sure could use some folks (teenagers on up) to volunteer to help during the 45 minutes that the parade takes place.

These kids would help with traffic control to ensure safety.

If you have a teen who can help, or if you are reading this column and can help, please call me asap.

Yes, I know, getting volunteers is not easy. But our community sure needs some help here, folks.

I'm not asking a lot. Just someone to help wave traffic through or stop it for a minute while it uses the bypass route.

Please call me at 481-3681 if you or your child can give a few minutes.

I saw an interesting Associated Press article that I wanted to pass on.

It told of a national commission that says that colleges with low athlete graduation rates should be banned from post-season play.

Right on! I think it's a disgrace how colleges use athletes to make money. I don't blame any athletes for leaving college early for the professional ranks. Actually, I'm surprised at those who stay in college for four years.

It's time for the popular Merchants Giveaway to start for Border Town Days! J'Dan Sudderth shows the poster that will be placed at many Twin City businesses to note that they are participating in this year's fun giveaway.

## Giveaway under way

A multitude of Twin City businesses will be participating in the 20th annual Border Town Days Merchants Giveaway program in conjunction with the annual BTD celebration on July 28.

This year's giveaway will start at 12:30 p.m. at the Saturday festivities in Farwell City Park. To enter, you must be at least 12 years of age and you must be present to win.

In charge of the giveaway are Jerry Adams, Debbie Parmer and J'Dan Sudderth.

Any merchant who has not been contacted but wishes to participate in the giveaway should call BTD Chairman Mike Pomper at 481-3681 immediately.

Each participating business has a box in which customers may register for the prize (in some cases, prizes) to be given away by the merchant. You must be at least 12 years old to participate.

A person may sign up once each time he or she is in a store until July 26, when the boxes will be picked up and taken to the park for the drawings.

A list of where all the boxes can be found is listed elsewhere in today's Tribune.

Drawings will be held from each individual member's box and the person whose name is drawn will be allowed several minutes to claim the prize. If the winner doesn't show up in that time, another name will be drawn. It is essential that a winner be at the park to hear when his or her name is called. No entrant can win more than one prize each, thus allowing for more winners.

No purchase is necessary at any of the participating merchants in order to register for the prizes. Boxes will be placed at the participating merchants on July 12.

Following is a list of participating businesses and the prizes they are offering. Some prizes will be announced later. Participating are:

- \* Lowe's Supermarket, \$50 worth of groceries.

(Continued on Page 5)

Judy Lekovich, owner-operator of Borderline Cuts in Texico, has donated a brand new tricycle to the winner of the Decorated Tricycle Contest at Border Town Days on July 28. This is a new competition, for youngsters ages 4 and 5. This year's theme is "Wild and Wacky West." Registration opens today at Texico City Hall for the contest.

Teddy Lopez, left, and his dad, Ted Lopez, of Tedson Trailers, Texico, have donated a brand new boys' bicycle (for the 22nd consecutive year) that will be given away to one of the top two winners at this year's Decorated Bicycle Contest at Border Town Days on July 28. Registration opens today for the contest at Texico City Hall. This year's theme is "Wild and Wacky West."

Geryl Roach, right, and Jerry Cunningham, not pictured, owners of Master Tech Auto Service, of Texico, have donated a brand new girls' bicycle that will be given away to one of the top two winners at this year's Decorated Bicycle Contest at Border Town Days on July 28. Registration opens today for the contest at Texico City Hall. This year's theme is "Wild and Wacky West." Pictured with Geryl is store employee Chad Lasiter, left.

show that about 42 percent of men's basketball players and 48 percent of football players graduate.

What gives?  
And I always thought it was the mission of schools to educate. Darn!  
I doubt the commission's recommendations (such as stripping off the corporate logos from player's uniforms, and promoting tougher academic standards) will take. There's simply too much money involved.

Party schools like Florida and Florida State virtually live and die by their football successes. I'd love to know what their graduation rates are.

That's one of the key reasons I admire a coach like Bob Knight. I forgot what his graduation rate for his players was, but I believe it was one of the highest in the country when he coached the Hoosiers.

Oh, you notice that I almost forgot to say what the full name of this "commission" was?

The Knight Foundation Commission on Intercollegiate Athletics.

No surprise there. Texas Tech is indeed fortunate to have signed Mr. Knight onto its athletic

staff. It will mean an immediate upgrade of its academic standards for athletes.

Do I remember correctly when star running back Hanspard was at Tech before leaving early for the pro ranks? Is it true that he never went to a class his last semester?

Surely not...  
Let's face the truth: big time college athletics are a minor league for professional sports.

One other note about Border Town Days:

The Texico-Farwell Rotary Club does a super job at putting on a great BBQ, honcho'd by Walter Hughes.

Tickets are now available from Chamber members ... and it's time for you to get out and buy some.

Walter, aided by club members and good friends, cooks that BBQ all night long. IT comes out just great.

So don't hesitate to buy a ticket now. They are available from Rotary Club members at Kelly Green Seeds, the local banks, State Line Tribune, the law office, Kirkland CPA, Wilbur Ellis, Franse Irrigation, Farwell Conva-

lescent Center, Riddle Rx, Accessory World, Hughes True Value and other places too numerous to mention.

**Obituaries**

**Billy Thigpen**

Services for Billy Francis Thigpen, 59, of Farwell, a manager at Farm and Ranch Supply, were held Saturday at Steed-Todd Chapel with the Rev. Richard Laverty officiating. Burial was in Texico Cemetery.

He died July 5 in Friona. He was born Sept. 1, 1941, in Pettit, Texas, to Francis and Mattie Thigpen.

He moved to Texico in August 1945 and graduated from Texico High School in 1959.

He worked for Worley Grain Seeds for 25 years, then for A&M Farm and Ranch Supply for 15 years.

He was a member of the First Baptist Church of Texico, Texico Chamber of Commerce and Texico Volunteer Fire Department.

He was preceded in death by his parents, and a brother, Vernon.

Surviving are 2 daughters, Schree Burkhammer, of Amarillo, and Sonya Robinson, of Clovis; 2 sisters, Verlene LaRue, of Texico, and Jerry Trower, of Andrews, Texas, and 4

grandchildren.

Pallbearers were Dale Burkhammer, Todd Thigpen, Steve Doolittle, L.K. Jones, Bob Spears and Danny Ogle.

Honorary pallbearers were friends and neighbors.

Memorials may be made to the Texico Volunteer Fire Department.

**Linda Salazar**

Services were held on July 6 for Linda Salazar, 34, of Bovina, at St. Ann's Catholic Church with the Rev. Juan Carlos Barragan officiating. Burial was in Bovina Cemetery.

She died July 1. She was born July 9, 1966, in Friona and was a lifetime Bovina resident. She was employed at Prairie Acres Nursing Home and was a member of St. Ann's Catholic Church.

Surviving are 2 sons, Arturo Aguillon and David Salazar, both of Bovina; her parents, Joe and Santos Salazar, of Bovina; her grandmother, Juanita, of Edinburg; a brother, Joe Luis, of Bovina, and a sister, Margaret, of Bovina.

Many folks in our community are involved in fund-raising activities for 4-year-old Carlee Luscombe, daughter of Mr. and Mrs. Richard Luscombe, of Texico.

The little girl is undergoing cancer treatments, and the cost, as you can expect, is very high. She will be receiving six weeks of chemo and radiation treatments.

I know the Luscombes. They are good folks. And we need to help in their time of need.

A special account has been set up at the Texico branch of Citizens Bank for Carlee (whose name I mistakenly spelled with a "K" last week...my fault).

I have made my contribution. I sincerely hope you will make yours.

Also, Ronnie Warmuth, a former Texico school teacher and city councilman, called to say that a charity 4-person golf scramble has been set up as a fund-raiser for Carlee, too.

It will be held on Saturday, July 14, at the Farwell Country Club starting at 8:30 a.m. cdt.

The entry fee is \$25 per person. Proceeds will help defray the medical expenses.

To sign up, or gain more info about the tourney, call 481-9210 or 481-9261.

# Parmer County boasts \$500,000 surplus

The annual audit for 2000 by Kirkland, Kirkland & Co., CPA, at the Parmer County Commissioners contained some excellent news for county residents.

Year-end figures showed that receipts totalled \$3,008,269 while disbursements were \$2,457,625. Thus, the county achieved a surplus of more than half a million dollars.

In addition, Parmer County has Certificates of Deposit totalling \$718,920, and a Tex Pool investment of \$328,865.

All told, the county reserves have risen to \$2,332,471.

Jack Allen Kirkland, head of the CPA firm, noted that receipts were up 16 percent over the previous year's total. And that disbursements (expenses) had risen only 6 percent (which included pay raises for county employees and higher health insurance costs).

The county is in "excellent financial shape," said Kirkland. He also presented a management report citing some auditing deficiencies, most of which already have been corrected by the individual county officials.

This is a turnaround from several years ago, when some budgets were in the "red."

Another point of interest was that collections by the county's three Justices of the Peace have increased a lot. The 2000 totals were: Friona JP, \$39,000; Bovina JP, \$114,000; and Farwell JP, \$61,000.

After the budget report, the commissioners toured the recently-painted county jail. Sheriff Randy Geries explained that new jail standards and jail population will necessitate improvements and/or expansion of the jail.

Deputy sheriff Wayne Gruben recently supervised inmates in the cleanup, and commissioners said the jail has never looked this good.

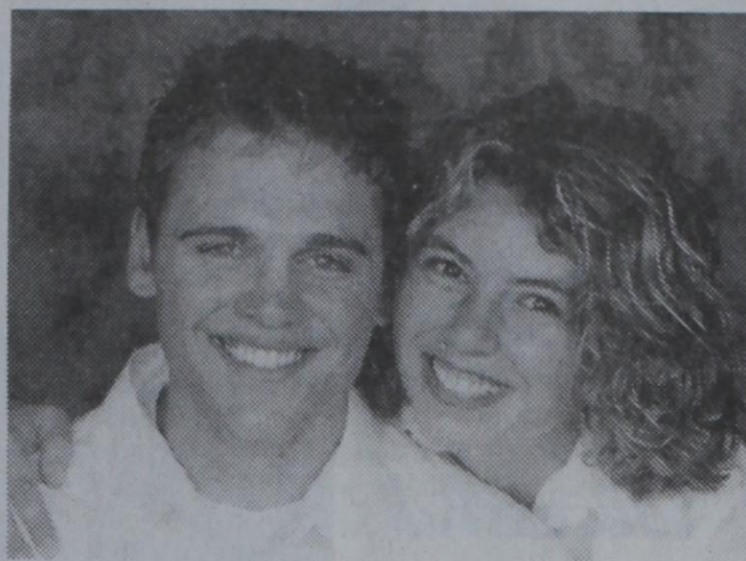

Jail standards involve segregating males and females, and persons incarcerated for felonies and misdemeanors. The Parmer County jail's deficiencies are due to lack of space.

Thus, it appears that the commissioners and Geries will work together soon on correcting this situation.

In other business, the commissioners:

-- Pointed out an error in last week's Tribune report on the coming precinct redistricting. One sentence inadvertently said that part of the west side of Friona, which is currently in Pct. 2 (the Bovina area), probably would be put into Pct. 3 (the Farwell area). That should have been Pct. 1 (the Friona area).

-- Renewed the annual \$10 fee for vehicle owners, which provides revenue for the county road and bridge fund. There are more than 10,000 vehicles registered in Parmer County, said commissioner Tom Ware.

## BTD to honor Cowbelles

The Border Town Days Committee had its last meeting before BTD on Monday night.

The committee voted to give \$50 to the Capitol Cowbelles in honor of this horse troupe participating in the BTD parade for the past 25 years.

Ruth Anne Bennett reported that enough Farwell kindergarteners had signed up so that the group will sing at the gazebo during the Day in the Park activities.

Committee chairman Mike Pomper said that more musicians are needed to play during the festivities. Any singers who would like to perform are asked to call him immediately at 481-3681.

Also, folks are needed to help with traffic control for the parade. Again, anyone who can volunteer an hour's time that morning (July 28) is asked to call Pomper.

Ann Cooper reported that the Texico city workers have been cleaning up the highway. Mrs. Bennett will check with Farwell city employees about cleanup, too, before BTD.

Mrs. Cooper passed out special BTD t-shirts made by Southwest Screen Printing (Doug Scioli) for committee members.

## Your Bucks Go Farther Here

This is a great time of year to think about building your dream home. And naturally you want the most for your dough. So you should consider clean-burning propane gas for your home's energy needs. Propane is the dream alternative to electricity because it can warm your house more efficiently. And propane can cook your meals, dry your clothes, and heat your pool. And it can do all those things cheaper than electricity can. So you can stop dreaming, and put your money where your house is.

**BTD contests**

(Continued from Page 1)

both of Texico, have donated the two bicycles -- one for a boy and one for a girl.

And Borderline Cuts, of Texico, has donated a new tricycle.

This year's BTD theme is "Wild and Wacky West." It is very important to follow the theme since that is a large part of the judging.

The judging is done by Clovis residents recruited by the Clovis Chamber of Commerce.

Also, an anonymous donor has provided funds for cash prizes to be given away in each category.

And if that isn't enough incentive to participate, all entrants will receive a free train ride ticket for the Border Town Days Express.

The Twin City train will be operated by members of St. John's Lutheran Church at Lariat youth group. The train will make runs around the Farwell City Park after the parade ends.

"Everything is ready at Texico City Hall for kids to register," said Linda Moss, who once again will honcho the annual bike contest. And, once again, she is being assisted by Joy Stanton.

The registration deadline for the contests is at 3 p.m. on July 26.

Mrs. Moss said that youths planning to enter the contests need to register, giving their name and age, to be eligible for all the prizes.

The contest will be held one hour before the Border Town Days parade kicks off on Saturday, July 28. After the bicycle contest ends, all participants will ride in the parade to the Farwell City Park.

Prizes will be announced at the beginning of the Day in the Park activities, at 1 p.m. cdt, at the Farwell City Park gazebo.

All participants need to be on hand at that time to receive their prizes.

No motorized bikes are allowed in the contests.

All riders must bring their decorated bikes and trikes to the west side of the Texico branch of Citizens Bank building in Texico by 9:45 a.m. Texas time (that's 8:45 a.m. New Mexico time).

Room is available for the contest, and the Texico City Council has approved closing the

street next to the bank to traffic during this time. Thus, there will be complete safety for the kids during the judging.

"You must be on time or you will not be judged," alerted Mrs. Moss.

She added, "Contestants need to be sure to stick to the theme -- 'Wild and Wacky West' -- if they are going to be counted. The judges will be looking for adherence to the theme."

The contest is open to all youths who live in the Texico and Farwell school districts. Also, the BTD committee voted this year to allow children and grandchildren of local folks to enter, also, even if they live elsewhere.

There will be two judging categories:

-- Tricycles, for youths 3, 4 and 5 years old.

-- Bicycles, for youths from 6 through 12 years of age.

Other rules are:

-- All participants ride in the parade. Their folks can go along, too. (For the tricycle entries, adults are necessary to be with the youngsters.)

The parade ends at Farwell City Park and a cycle rack will be set up just across the street on the property of First Baptist Church of Farwell.

-- Riding bikes in the park during BTD is not allowed, for safety reasons.

-- You must be present at the park to receive your cash prizes (or if you win the bicycles and tricycle!) when the announcements are made during the 1 p.m. ceremonies.

**Fund-raiser set**

A charity 4-person golf scramble has been set up as a fund-raiser for Carlee Luscombe, who is undergoing cancer treatments.

It will be held on Saturday, July 14, at the Farwell Country Club starting at 8:30 a.m. cdt.

The entry fee is \$25 per person. Proceeds will help defray the medical expenses.

To sign up, or gain more info about the tourney, call 481-9210 or 481-9261.

**BTD parade shaping up**

It looks like another great parade for Border Town Days this year. A lot of fun participants have already signed up.

The parade will kick off at 11 a.m. cdt on Saturday, July 28, at Griffin Street in Texico. The parade will go down the highway to 5th Street in Farwell, where it turns south, past the Farwell Convalescent Center and heads to the Farwell city park.

Has your group signed up yet? Cash prizes of \$75, \$50, \$35 and \$25 are given to the top four floats. This year's theme is "Wild and Wacky West."

To sign up for the parade, call either Mike Pomper at the Tribune, Judy Lekovich or Ruth Anne Bennett.

The list of all entries and where they line up for the parade will be published in the Tribune's July 26 issue. Here's a look at who has signed up so far:

- \* Texico varsity cheerleaders
- \* Texico Junior high cheerleaders
- \* Mayfield Cousins
- \* Antique tractors -- Clovis club headed by Boyd Trull
- \* Charlie Phillips, honorary parade marshal, in vehicle driven by Vonnie McIntosh

**Pentagon calls**

**Will Anderson**

The Tribune's South American stringer, Will Anderson, who doubles as a Naval Commander, is set to be on the move again soon.

His next "port of call" seems to be the Pentagon in Washington, D.C.

That promises to be an interesting site for more "Will Anderson Adventures."

# EPCOG wants \$4,000 from Texico

Representatives of the Eastern Plains Council of Governments (EPCOG) told the Texico City Council on Tuesday that they want Texico to pay \$4,000 for a market study for the proposed apartment complex planned for the Burrows property.

The EPCOG folks also said they want a Texico representative at the EPCOG meetings in Tucumcari. The Texico rep had been Dean Henninger, who resigned from the council two months ago.

And the EPCOG reps said the proposed complex may be called "Mesquite Village."

No actions were taken by the city council.

In other business, the council:  
 -- Received a letter from city judge Rick Queener saying he was resigning the post on July 17 and had appointed Henninger as temporary judge and had sworn him in.

At the next council meeting, Mayor Marie Christian is to appoint a city judge, with the council's approval.

-- Bought a rear bagger mower, pickup and utility trailer for the street department.

-- Scheduled a study session on July 18 to discuss increasing the city's water and sewer rates.

-- Gave a 90-day extension to Johnny Sena to remove

a trailer from his property.

-- Heard a complaint from Maria Esparza involving the response of Texico city police, when she preferred the Curry County sheriff's department to respond.

-- Heard City Police Chief Kelley Brophy report that the opening of the city pool has caused nearby homes to have decreased water pressure while the pool is open. The council asked that Brophy, street Supt. Clarence Smith and resident Craig Walls work together on remedying the situation.

-- Heard that the city pool was vandalized Monday night.

-- Approved Brophy attending training classes in Rio Rancho, N.M.

-- Okayed a fence permit for Sharon Askew, at 612 S. State Line Road.

The exam is scheduled for folks interested in working for the U.S. Postal Service in the Littlefield area, including Muleshoe and Farwell.

Stop by the post offices for complete information.

Correction: In last week's Tribune, the announcement of the engagement of Barbara Martinez, it should have said that she was the Parmer County extension service home economist.

highway department engineer from Littlefield, vacationed in Spain last week.

He participated in the "Running of the Bulls" in Pamplona, and did it safely.

Flint Harrelson, a Texico High School graduate, made the Dean's List at West Texas A&M University.

Farwell coach Steve Scott has been working as an investigator at the Farwell law office this summer.

No, he's not giving up his "day job."

Well, football workouts for the coming year have already been scheduled by the coaches.

Here's a look:

 Pre-season workouts for Farwell Steers football players will begin on Monday, Aug. 6, said Coach Jacob Thompson.

It is still undecided whether there will be two-a-day workouts, or whether there will be just a full morning workout, like Coach Brent Terry preferred.

Incoming 7th and 8th graders and new students need to make arrangements for physicals before participating in athletics.

## Lazbuddie

The first scrimmage will be on Aug. 18 at Lazbuddie starting at 10 a.m. It involves Lazbuddie, Silvertown and Roswell.

The second scrimmage will be Aug. 23 at Valley.
