

WATCHING THE TEMPERATURE rise on the United Fundgoal thermometer are workers for the drive in Texico, from left to right, Mrs. Elmer Teel, chairman, Mrs. Melvin Burns and Mrs. Buddy Pearce. Three hundred nine dollars and fifty cents had been collected in Texico Wednesday afternoon as workers neared the \$500 goal set for Texico.

Drive Nears United Fund Completion

With more than half the money collected toward their goal of \$500, workers in the United Fund drive are this week making last minute contacts before the drive ends.

On Wednesday afternoon \$309.50 had been collected toward their goal to surpass the total sum donated by the town and surrounding area last year.

Mrs. Elmer Teel, chairman of the drive in Texico, and Mrs. Buddy Pearce and Mrs. Melvin Burns, workers, expressed their appreciation this week to the following persons who have made donations:

Golden West Seed Company, Gifford Hill Western, King's Machine Shop, Helton Oil Company, Southern Union Gas Company, Tom Finley, Melvin Burns, J. R. Hadley, J. M. White, Robert M. Walker, John H. Spearman, Buddy Pearce, E. R. Tharp, Texico Modern Homemakers Club, John Hightower, Carl Penn, Homer Kelley, Loren Wilson, Dewey Pierce, Glenn Bocox, Oris Eshleman, Texico Firemen's Ladies Auxiliary, Mrs. Orley Taylor, Mrs. Alvis Clark and Mrs. Paul Skaggs.

Several other donations have been promised to the drive, including donations from the Texico School faculty, so workers are optimistic about reaching the \$500 goal.

Farwell School To Aid In World Clothing Week Drive

Beginning Monday, November 6, students in the Farwell area will collect bundles of used clothing to aid needy children and adults in the United States and overseas.

The clothing drive, called World Clothing Week, will continue through November 10, and is part of a nation-wide campaign sponsored by World Clothing Fund, Inc., a non-sectarian charitable organization which assists orphans and other needy children and adults.

Superintendent of schools, W. M. Roberts, has this to say in announcing the drive: "We expect World Clothing Week to be one of the finest service projects ever conducted in our schools. The clothing collected will be distributed in poverty-stricken areas of America to needy children--some of whom can't even attend school regularly because they haven't a rag or shoe to wear."

"It goes to orphaned children, and to Indian children living on reservations in utter poverty. Free clothing and bedding is also given away by World Clothing Fund in disaster areas, when normally self-

Little Wolves First In EPAC Softball Toumey

For the second year in a row, the Texico junior high team brought home the first place trophy from the East Plains Athletic Conference Softball tournament.

This year's tournament was played in Portales, with the little Wolverines knocking over Floyd, San Jon and Dora in order to be champs once again.

Their only close game of the toumey came Friday when they faced Floyd, the only team to beat them during regular season play. The locals were behind 5-2 going into the seventh inning, but came up with six big runs while holding Floyd to two to take the game.

Saturday they played San Jon, taking an easy 11-0 win behind the expert pitching of Mike Spearman who allowed no walks and gave up few hits in taking the victory.

In the finals Saturday afternoon the little Wolves faced Dora and rolled to a 12-2 victory. They were never threatened during the game.

Coach Johnny Green commented that good fielding, especially in the outfield, was a big factor in the junior high team taking the championship.

The older Wolverines didn't fare as well as their little brothers in the toumey, however, and lost their Saturday game to San Jon, after closing out a perfect season the previous week.

Going into the tournament the Wolverines boasted an 8-0 record, having taken all their wins by big margins.

The San Jon team hit three home runs in taking the overtime win from the locals, 12-11. Billy Campbell and Don Reid pitched for the losers.

Season statistics for the senior high team are listed below:

	AB	R	OB	A
Kit Doran	4	0	4	1,000
Vic Harrington	19	8	15	780
Skippy Tipton	10	4	7	700
Jerry Thornton	23	13	15	650
Vernon Thigpen	24	11	15	620
Dale Brown	5	1	3	600
Jerry Walker	10	1	6	600
Hal Ed Helton	26	9	15	574
Wayne Hudnall	21	9	12	570
Lynn Doshier	26	9	13	500
Weldon Walker	23	9	11	470
Dwight Turner	21	7	10	470
Don Reid	11	5	5	450
James Hudson	7	2	3	420
Bobby Hapke	3	1	1	300
Freddie Taylor	16	6	6	370
Billy Campbell	11	3	3	270

ALL SET for "trick or treating" on the big night Tuesday, are Debbie and Cheralee Tharp, daughters of Mr. and Mrs. Lonnie Tharp of Texico. The girls couldn't keep from admiring each other's costumes as they tried them on this week in preparing for Halloween. Debbie is seven and in the second grade at Texico, while Cheralee is three.

Plans Begin For Exes Banquet

Plans are beginning for the annual ex-students banquet for Farwell Consolidated Schools, says Harold Carpenter, president of the organization. The exes meet yearly for a banquet and to renew acquaintances, the first Saturday night after Thanksgiving.

Other officers of Farwell Exes are Herman Gerles, vice president; and Mrs. Gerald Curtis, secretary-treasurer. Both Carpenter and Gerles reside here and Mrs. Smith lives in Portales.

BULLETIN

Funeral services are pending for P. A. Lee, a former resident of Oklahoma Lane, who died suddenly at his home in Freemont, Calif. Wednesday. Services will be in Clovis, with burial in the Oklahoma Lane Cemetery.

Dimmitt Group Charged With Farwell Burglary

Over \$725 in merchandise which was taken from Gladys's Ready-To-Wear Shop in the Sept. 4 burglary in Farwell was recovered this week, Sheriff Charles Lovelace reports.

The action came after a Dimmitt trio was apprehended in connection with similar thefts in the area.

Lovelace reports that two of the group, Randy Follis and his wife, Helen Marie, have signed a confession admitting to the Farwell burglary.

Among the items returned to the Farwell shop were 48 pairs of women's hose, dresses, coats, gloves, sweaters, purses and jewelry.

The Follis couple and Charles Ray Houtchins, a commercial photographer, were charged with burglary in Potter County Sunday afternoon. Some of the stolen items were revealed upstairs above Houtchins' photo shop. Other articles were located in the homes of Follis and Houtchins.

Warrants were also issued for the couple and holds were filed by the Parmer officials. The group will face charges here after the completion of legal action in Potter County, Lovelace said.

Reports indicate that nothing taken by the trio was disposed of. Careful searching turned up almost every item on the impressive list of stolen merchandise.

Police say that Mrs. Follis went through the store in Farwell selecting the items which were taken. Police believe the dress shop was burglarized specifically for her.

RECOVERED CLOTHES are inspected by Gladys Hromas; Tom Atkins, deputy sheriff; and Charlie Lovelace, sheriff, after Lovelace returned the items from Amarillo where they were taken following their discovery in Dimmitt. The lady's apparel was taken in the Sept. 4 burglary of Gladys' Ready-To-Wear Shop in Farwell. A Dimmitt couple is charged with the crime.

Mrs. Walling Winner In Contest

Mrs. Mitz Walling joined the ranks of the winners in The Tribune football contest this week by guessing correctly all ten of the games listed. And to help keep the family in the running, Edith Ann, teen-age daughter of the Wallings, placed third, by missing only one. Last week, Milton Lee Walling, son, tied for second place. The past two weeks were the first times the family had placed in competition this year, however.

Jim Clements placed second by guessing nine right and predicting the Farwell-Hale Center score closer than other contestants. At that, he missed 23 points, giving Farwell a one touchdown lead 28-21. His consistent high average for the past seven weeks has put him in line for the grand prize. He is tied for second for the Cotton Bowl trip, with Henry Haseloff still holding first place

slot. Haseloff got seven this week to reach 51 points. Clements has 50, also tied for second is Dargin Kirk.

The field has narrowed with Mrs. Albert Johnson in third place. Dropping down to fourth this week are: Albert Johnson, Don Gerles, Bill Moss and Mr. and Mrs. Loyd Smith.

What would have been a perfect score for Clements, was changed by the White Deer-Gruver contest. The young Farwell Steer, who must have a healthy respect for White Deer thought they would win.

Edith Ann did all right calling the high school games, but missed when she picked the San Francisco 49'ers over the Chicago Bears. She missed the Farwell-Hale Center score by 24 points, saying Farwell would win 20-14. Farwell won the game 44-14.

To Collect For UNICEF

"Trick or treaters" from the Oklahoma Lane Methodist Church will be out Tuesday evening collecting for UNICEF.

The group will call at homes in the Oklahoma Lane Community and in Farwell for UNICEF donations. The money is spent to provide medical care and food for underprivileged children around the world.

Farwell Chamber Of Commerce To Meet Tuesday

Civic boosters of Farwell are reminded that the monthly Chamber of Commerce meeting is to be Tuesday evening, says Hurshel Harding, CC president.

Attendance has been poor in past meetings, and it has been difficult to make decisions with so few of the members represented, officials say.

Rummage Sales Ended Saturday

Rummage sales which have been held each Saturday for the past few weeks, were concluded over the weekend, says Mrs. Pike Jordan, president of ESA, sponsoring organization.

Rotarians Hear George Glive

George Glive, community mental health consultant from the Curry County Health Department in Clovis, spoke to members of the Texico-Farwell Rotary club when they met Wednesday for a regular meeting.

Mr. Glive spoke on mental health, using various cases in illustrating his talk.

Steers Halt Hale Center 44-14 On Owl Field Friday

Praise for the Farwell Steers was heard this week from a fan of the opposing team with the remark of Tom Rambo, Hale Center editor, who stated "Your team looked like state champs." The Steers jumped back into the win column Friday night by rolling over Hale Center 44-14.

The Steers were clicking again as they took the contest handily from their hosts. They had dropped a heartbreaker to Kress the week before in a game that made a big difference in who would represent the district.

First touchdown Friday night came when the Hale Center delegation scored with only 3:46 minutes left in the first quarter. Perry Ritchey scooted across from four yards out to make the Steer fans wonder briefly if maybe a repeat performance of last week's encounter was at hand. The kick was blocked.

Following a series of plays, Farwell punted from their own 31. Lloyd Louthan fumbled and the Steers recovered and began a march for their first tally. Leon Lovelace ran 12 yards for paydirt and then kicked the point after.

Runs by Danny Lindop and a completed pass to his brother

David Lindop helped to move the ball to the 4-yard line where Jerry Lovelace carried the ball to the 1 and then over to score late in the half.

Leon Lovelace and his talented toe furnished the extra point, putting the Steers in the lead by a touchdown, 14-6.

The Steers were picking up steam and when the Owls fumbled, the alert Farwell eleven recovered on Hale Center's 40. The locals pushed toward the goal line and Leon Lovelace raced over from the 13 and passed to his brother, Jerry, in the end zone, to led 22-6 with 11:14 minutes left in the first half.

Hale Center began action with a 35-yard pass from Ritchey to Mark Laney on Farwell's 31. Jim Cain then intercepted a pass and ran back to the Steers 43. His glory was shortlived as Gary Douglas reciprocated and took a Farwell pass on the 49 as the half ended.

Farwell took the second half kickoff, but was unable to penetrate the Hale Center defense. A fourth-down punt gave the ball back to the Owls on the Fa-well 30 where a Hale Center fumble was recovered by Farwell. The Lovelaces and William Dannheim pushed to the Owl's 30, then Hale Center recovered a

fumble. But they couldn't get through the Steer line, and Richey punted to the Steer 29.

The Steers made successful trips to the 1 where Jerry Lovelace took a handoff over the line for the fourth Farwell TD with 1:20 left in the third quarter. Leon Lovelace kicked the bonus point.

William Dannheim was responsible for another quick score when he recovered a Hale Center fumble and on the first play from scrimmage, took off for a spectacular 31-yard dash to the Hale Center end zone. Leon Lovelace followed through with a good kick for the extra point.

Hale Center made a 40-yard jaunt, but the Steers defense held and soon the pigskin was back in Farwell's possession. Joe Reed started another TD drive by going from his own 37 to the Hale Center 20, with Dannheim taking the spotlight to score 6 points, and then snagging a pass from Leon Lovelace for another 2.

Starting a drive for their second score, the Owls made it to the Farwell 45, then Louthan took a handoff and broke through the line and sailed 45 yards for a count. Sid Berry ran over the

line for the extra two points.

Last few seconds of play saw the Owls recover a Steer fumble to halt an offensive drive.

Where Farwell got the edge on Hale Center was through fumbles, says Coach Dempsey Alexander this week, who adds that Hale Center had a lot of bad breaks, but the fumbles really hurt them.

He says that the Steers played a good game, with the Hale Center and Morton contests the two best showings made by the local eleven this season.

He cited Leon Lovelace, who was quarterbacking as a regular for the first time, as playing his best game. "Of course, we were watching him closely" Alexander explains.

The Steers are idle this week, as they get ready for Sudan, next on the schedule. If Kress should lose to either Hale Center or Sudan, and the Steers can take Springlake and Sudan, the Farwell boys still have a chance at the district title. Coach Alexander feels that Kress may be set for an upset. "Springlake almost got 'em last week," he comments. Too, Kress will play both games on the opponents field.

Entered as second class matter at Farwell, Texas, under the act of March 3rd, 1879. Published every Thursday.

Capt. Freeman Gets Award

FORT LEAVENWORTH, KAN. (AHTNC) --Capt. Belvin S. Freeman, son of Mr. and

Mrs. W. L. Freeman, Texico, N. M., recently received a certificate of achievement while attending the U. S. Army Command and General Staff College, Fort Leavenworth, Kan.

Captain Freeman received the award for outstanding performance of duty during his recent assignment with the Intelligence and Operations Sections of the 3d Infantry Division in Germany.

The college, the Army's senior tactical school, was established in 1881 as the School of Application of Infantry and Cavalry.

The captain is a graduate of Texico High School and a 1960 graduate of the University of Maryland.

Summer spreads of tufted cotton or chenille are cool looking and easy to keep clean. They may be washed and dried in automatic laundry equipment and returned to the beds without ironing.

Fair Home Division Winners Announced

Winners in the FHA division at the Lazbuddie fair are listed below.

Biscuits--Twila Gallman, 1; Frances Myers, 2; and Janette Slayton, 3.

Yeast rolls--Linda Gleason, 1; Sharon Parham, 2; and Shelia Vaughn, 3.

Gingerbread -- Linda Gleason, 1.

Cornbread--Wynell Barnes, 1; Janette Slayton, 2; and Linda Monk, 3.

Cakes--Jan Nowell, 1; Kay Smith, 2; and Kay Hassell, 3.

Oatmeal cookies --Janette Slayton, 1; Donna Precure, 2; and Marsella Mayfield, 3.

Ice box cookies--Jan Nowell, 1; Frances Myers, 2; and Linda Hodge, 3.

Peanut butter cookies--Linda Monk, 1; Marsella Mayfield, 2; and Charlotte Seaton, 3.

Brownies -- Linda Monk, 1; Carol Motes, 2; and Linda Gleason, 3.

Chocolate drop cookies -- Johnnie Ivy, 1; Bobby Jones, 2; and Katie Blackstone, 3.

Lemon pie -- Marsella Mayfield, 1; and Janette Slaton, 2.

Chocolate pie -- Elaine Embry, 1; and Janette Slayton, 2.

Cherry pie--Gail Ivy, 1; and Judy Koelzer, 2.

Apple pie--Janette Slayton, 1 and Gail Ivy, 2.

Fudge -- Elaine Embry, 1; Carol Motes, 2; and Brenda Mason, 3.

Canned beans -- Linda Weaver, 1; Janette Slayton, 2; and Gayla Seaton, 3.

Tomatoes--Sharon Parham, 2; and Janette Slayton, 3.

Peaches -- Gayla Seaton, 1; Kay Hassell, 2; and Sharon Parham, 3.

Pears--Gayla Seaton, 1.

Cucumber pickles --Janette Slayton, 1; Linda Weaver, 2;

and Jan Mason, 3.

Beets--Sue Hassell, 1. Jam--Frances Myers, 1. Jelly--Pat Chitwood, 1; Kay Smith, 2; and Linda Hodges, 3.

Cotton dress -- Brenda Mason, 1; and Sharon Parham, 2.

Wool garment--Sharon Parham, 1.

Informal dress--Sharon Parham, 1; and Linda Lesly, 2.

Tea towel--Frances Myers, 2 and Brenda Mason, 3.

Pillow cases--Linda Gleason, 1; Katie Blackstone, 2; and Sharon Parham, 3.

Shirts and blouses -- Judy Koelzer, 1; Linda Gleason, 2; and Charlotte Seaton, 3.

JUNIOR DIVISION. Tea towels--Jan Mason, 2.

Pillow cases -- Juanita Pierce, 3.

Skirt -- Shelia Vaughn, 1; Cheryl Ramage, 2; and Nedda Foster, 3.

Blouse--Marsha Schuman, 2 and Jill Mimms, 3.

School Dismisses For Teachers Meet

Texico students are having an extra - long weekend, as school dismissed Wednesday afternoon at 2:00 so teachers could attend the New Mexico State Teachers meeting being held in Albuquerque.

The Teachers' convention began Wednesday morning with registration and a council meeting. Registration continued until Thursday morning, and the final program is set for Saturday morning.

SCHOOL MENUS

October 30--November 3 TEXICO SCHOOL:

MONDAY--salmon croquettes, buttered hominy, whole wheat muffins, butter, lettuce and tomato salad, cherry cobbler, milk.

TUESDAY--pinto beans, potato salad, corn bread muffins, butter, fresh onions, cake squares, milk.

WEDNESDAY -- Salisbury steak, creamed potatoes, hot rolls, butter, carrot sticks, applesauce, milk.

WEDNESDAY--turkey and dressing, giblet gravy, candied yams, cranberry sauce, Jello fruit salad, bread, milk.

THURSDAY--hamburgers, potato chips, cheese slices, apple crisp, milk.

FRIDAY--meat loaf, buttered corn, blackeyed peas, tomato and lettuce salad, hot rolls with butter, honey, milk.

Texico Senior Play November 3

Curtain time is set for 8:00 (cst) Friday, November 3, for the Texico senior class production "Everybody's Crazy."

The three-act comedy centers around the antics that take place in a haunted resort hotel when the guests begin to arrive.

A. D. McDonald is directing the play, assisted by C. B. Stockton.

Admission of \$1.25 per family, 50¢ for adults, and 25¢ for children will be charged.

Characters in the production include Herb Stanley--joint owner of the Treasure Trove Tavern--Dwight Turner; Elmer Sneed--his pal who is interested in psychiatry--Larry Richardson; Tommy Wilkins--another pal who hates to be a lady--Kit Doran; William Bates--the landlord who wants his dough--

Bobby Hapke; Ketura Kat--an old maid who dabbles in spiritualism--Beverly Cassidy; and Julie Mather--her niece who is in love with Herb--Sharon Thompkins.

Also Mrs. Spooner--a widow with a bundle of nerves--Donna Osborn; Godfrey Van Gordon--a guest who walks in his sleep--Leon Kelley; Caroline--his wife who enjoys poor health -- Betty Lockhart; Cecil--his daughter who enjoys a good stick of gum--Carol Bell; Adam Pottle--an old bachelor who has nightmares--Jerry Walker; Libby Ann--the cockney cook who is afraid of spooks --Beth Peyton; Gladiola--the colored maid who doesn't blame her--Vicki Lovett; and Jasper--the bellhop who thinks everybody's crazy--Don Reid.

Social Security News

Parents who were dependent on their deceased son or daughter, for at least one-half of their support at the time of the child's death, must file proof of that support within two years after the child's death, according to Hal Geldon, Manager of the Amarillo Social Security Office. Parents who meet the dependency requirements can qualify for monthly social security survivor's benefits at age 62, providing they are not entitled to a greater benefit on their own record

and have not remarried. The parent who was receiving some financial assistance from their child would not necessarily meet the dependency requirement of the social security law. Normally the one year period before the child's death is used in determining the support requirements, Geldon said.

During this one year period any income received by the parent in cash, kind, or services, including any proceeds from property, is income

to the parent. Support is defined as maintenance of an individual, including food, clothing, shelter, and current medical needs necessary for his well being.

In determining one half support all of the income and the value of all items that the parent uses for support during the support year are considered. If the child was furnishing one half of this total amount, then the parent meets the dependency requirements, Geldon said.

Dr. Glenn To Convention

Dr. T. J. Glenn of Farwell is among the more than 700 family doctors attending the annual convention of the Texas Academy of General Practice, state association of family physicians this week in Houston.

The academy is the only medical organization which requires continuing medical education of its members; they must complete and document 150 hours each three years or be dropped from membership. Academy of General Practice members participating in the lecture program, at which 13 medical experts will speak, will receive 12 hours of credit toward continuing membership.

Local Soldier Participates In Orientation Tour

FORT CARSON, COLO. (AHTNC) -- Army Pvt. Edward G. Hardage, son of Mr. and Mrs. Willie C. Hardage, 604 Avenue B, Farwell, Tex., recently participated in an orientation tour of the Pikes Peak area which was sponsored by the Fort Carson, Colo., Special Services Activity.

The tour included a stop at the scenic Garden of the Gods, attendance at a buffalo barbecue sponsored by the City of Manitou Springs and ended with a buffet supper at the Colorado Springs USO Center.

Hardage is currently stationed at Fort Carson, which recently was designated as an Army Training Center. The Center is capable of training approximately 16,000 soldiers at one time.

The 22-year-old soldier was graduated from Farwell High School in 1958.

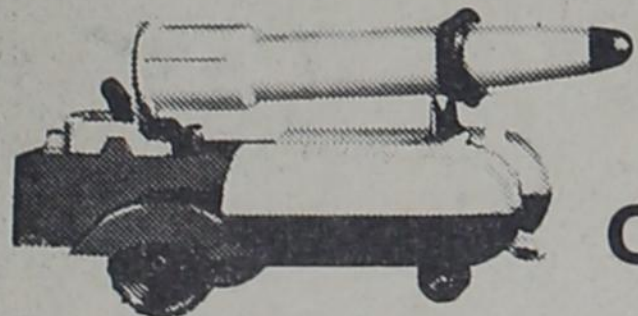

This fall shred 4 rows at once
Here's a real work horse. This 140" shredder and clipper - full 1 row size - gets work out of the way in a hurry. Shreds four rows of cotton, sorghum, or corn stalks... clips 140" swath of pasture... handling 1 1/2" brush and stalks with ease. Behind a 35 - 50 H. P. tractor it cuts from 60 to 100 acres a day, depending on field conditions.

Here is the most exciting new toy of the year!

The **ENCO** Energy Rocket with coupon from your neighbor in a HUMBLE uniform Only \$2.95*

This Humble exclusive is a fascinating toy. So safe and easy to use, a small fry of six can run it. So much fun, even Dads will monopolize it.

Its principal parts are of *Escon*,[®] Humble's tough new plastic. It's battery powered, easy to assemble, (and the car is securely held together by screws). Simply start it, place on track and after a turn or two, throw the switch. The car zips down the side-track into a plastic bumper and *ch-o-o-sh!* The rocket zooms toward the ceiling (but doesn't hit it).

Ask for a coupon at the Humble sign in your neighborhood today. Mail with \$2.95* (cash, money order or check) to address on coupon.

* (plus State tax where applicable)

Without coupon--You can buy the Enco Energy Rocket without a coupon for \$5.95.* Mail cash, money order or check with name and address to Rocket, Humble Oil & Refining Company, P. O. Box 1244, Houston 1, Texas.

"Give your car an energy boost-- fill up with Enco Extra gasoline"

Thanksgiving Social Planned At Club Meet

Plans for their annual Thanksgiving dinner were completed when members of the Oklahoma Lane Variety club met Wednesday with Mrs. John West as hostess.

The Thanksgiving social is held annually, with members' husbands as guests. The dinner will be on November 28th in the Ed McGuire home. On the menu for the evening will

be baked turkey and dressing, giblet gravy, cranberry sauce, green beans, baked potatoes, salads, orange sherbet, coffee and tea.

Members brought their own handwork to the Wednesday meeting, with cross stitching, embroidery and crochet among the many articles being worked on.

Following the meeting, refreshments were served to Mesdames Bessie Caldwell, Janie Sides, Pearl Grissom and Lola Jean, Gertrude Foster, C. C. Christian, George Lindop, E. W. McGuire, Shorty Milstead, G. T. Watkins, Ina West, G. A. Bandy, and two visitors, Mrs. Virgil Woodson and Mrs. Billy Sudderth and son.

The Andersons left Farwell on October 11 and boarded the Texas special train at Amarillo. Over 500 area bankers and their wives were aboard the train which took a route through Colorado and Salt Lake.

Douglas Dillon, secretary of treasurer of the United States spoke to bankers at the civic auditorium during the convention which began on October 18.

Mrs. Anderson attended a luncheon along with 3,000 bankers in the Fairmont Hotel and went to the Masonic Lodge auditorium for a style show by I. Magnum, during their stay.

Andersons Back From Convention

A Halloween theme was used for decorations when the Texico Fire Department Ladies Auxiliary met with Mrs. Otis Huggins as Hostess on October 23.

During the business meeting, plans for their Thanksgiving Supper, at which husbands will be guests were completed. The supper will be on November 15.

A jack-o-lantern was the centerpiece on the serving table which was covered with a white cloth. Halloween napkins were used and coffee, cake and pops were served.

Attending the function were Mesdames F. S. Thigpen, Russell Johnson, Perry Winkles, C. H. Webb, Elmer Teel, John Adams and Fred Danforth.

Mrs. Monty Parsons of Texico returned recently from Albuquerque where she spent several days with her sister, Mrs. Parnell Jackson, whose husband is confined in the Santa Fe Hospital in Albuquerque. While there, Mrs. Parsons also visited her son and family, the Howard Hudsons.

Frank Doshier, who underwent surgery on his leg at the Lubbock Methodist Hospital on October 13, was released Monday and is reported to be much improved.

Hospital Notes

Mrs. B. N. Graham underwent major surgery Wednesday in the Methodist Hospital in Lubbock. Her daughter, Mrs. William Thornton, called back Thursday to inform friends that she was doing well. Cards may be mailed to her at the Methodist Hospital.

October -- which is almost over -- means that it is time to make out a Christmas list and to plan cards; it means that most of the school youngsters have already had a report card; the leaves will be gone from all the trees that aren't already bare; and it's time to take stock of what we wish to accomplish in 1961 before the year is gone.

If I listed all the things I meant to do that I haven't managed to accomplish, it might be too discouraging, so I'll just plod along in a muddle and really try to get organized.

It seems that I celebrated my birthday -- but it was all lost in a maze of taking temperatures and sending various and assorted Graham boys back to bed -- again. With three out of four feeling a little puny, the day was spent checking thermometers, stripping the sickroom sheets, preparing jello and soup and dreaming up "quiet" games that get louder and louder.

Strangely enough, at the end of the day, I felt a year older. The slower pace does have compensations though. The older boys aren't so busy, and they have a chance for the little confidences that are important. I've had a chance to answer a few questions and ponder the problems that arise when one is eight or six and not 32.

The Women's Page

ANITA HENSON, Society Editor --- Phone 481-3681

Mrs. and Mrs. Dan Lewis, 2900 Smith Street, Clovis, announce the engagement and coming marriage of their daughter, Lynda, to J. C. Kelley, son of Mr. and Mrs. B. A. Kelley of Route 1, Texico. The marriage will take place at the Central Baptist Chapel in Clovis on November 18 at 5:30.

JOTTIN'S By Jeanne

I have been asked to remind some of you that many dishes belonging to area residents are at the Methodist Church. The containers were used to bring food to the church to serve the Ford family when J. H. Ford passed away.

It seems that I celebrated my birthday -- but it was all lost in a maze of taking temperatures and sending various and assorted Graham boys back to bed -- again. With three out of four feeling a little puny, the day was spent checking thermometers, stripping the sickroom sheets, preparing jello and soup and dreaming up "quiet" games that get louder and louder.

Strangely enough, at the end of the day, I felt a year older. The slower pace does have compensations though. The older boys aren't so busy, and they have a chance for the little confidences that are important. I've had a chance to answer a few questions and ponder the problems that arise when one is eight or six and not 32.

Lutheran Church

On Sunday evening, October 22, the Lutheran Women's Missionary League of the St. John's Lutheran Church at Lariat were hosts for a salad supper at the Parish Hall. Ladies groups from the Clovis and Rhea churches were guests. Highlight of the program was a book review, "Grossie," which was a story about the mother of Dr. Walter Maier, originator of the Lutheran Hour. The review was given by Mrs. Fred Ramm.

A skit, "Christian Women's Stewardship" was given by Mesdames Ernest Ramm, Adolph Haseloff, Henry Haseloff and A. R. Sander, and was directed by Mrs. Walter Kaltwasser.

A talk on their recent trip to New York was given by the R. S. Shumanns.

Full colors were used in the decorations which were arranged by Mrs. Ed Ramm, who was assisted by Mesdames Ernest Ramm, C. Kube, R. L. Foerster, and A. R. Sander.

Sunday school training classes met on October 25.

Mrs. Walter Kaltwasser addressed the Lutheran Women's Missionary League of the Christ Lutheran Church in Lubbock on Wednesday. She used "What Jesus Means To Me," as her topic.

A visitation meeting will be held on Monday, October 30, with Rev. Neunaber, circuit counselor, and a group of district officers to address the group.

St. John's Lutheran Church will observe their annual mission festival on November 5.

On November 10, the Texas Lutheran Woman's Missionary League will observe Concordia day on the campus of Concordia College at Austin. Highlight of the day will be to choose and honor the woman of the year. Mrs. Walter Kaltwasser of the church at Lariat is their candidate for the honor.

Evelyn Lingnau visited in the home of her parents Sunday. She is studying at Ft. Worth.

Tune in to the program "Day by Day with Jesus" on KZOL at 11:30 a.m. Monday through Saturday; and "The Family Worship Hour" on KMUL on alternate Sundays at 9 a.m. and 2:30 p.m. Both programs are sponsored by St. John's Lutheran Church.

Sermon theme for October 29 is "The Angel of Reformation."

Mr. and Mrs. Gerald Wright became parents of a baby boy at 6:20 p.m. Tuesday at Parmer County Community Hospital, at Friona. He weighed 8 lbs. 3 1/2 ozs. and was named Gerald Ewel.

Mrs. Wright, the former Laurie Cooper, was the society editor of the Tribune before moving to Friona about two years ago.

He is the first child for the couple. Grandparents are Mr. and Mrs. M. M. Cooper of Portales and Ewel Wright of Byars, Okla.

Homemakers Have Morning Meet

The Elmer Teel home in Texico was the scene for a Tuesday morning meeting of the Texico Modern Homemakers.

Mrs. Lillie Daughtrey, county extension agent from Clovis, gave the demonstration on "sewing tips."

Following the meeting Mrs. Teel served coffee, pops and cake to Mesdames Perry Winkles, Ed Combs, Preston Martin, Melvin Burns, C. H. Webb, J. E. King and W. E. Martin.

ESCA Rush Activities Begin

Beginning their fall rush activities Saturday with a breakfast in the home of Mrs. Bert Williams, were members of the Theta Rho Chapter of Epsilon Sigma Alpha.

The organization, using a football theme for all rush activities, featured the kickoff at the function.

A football shaped from white crysanthemums and having the letters "ESA" in blue for the lacing centered the breakfast table. Place cards were blue felt pennants.

Bacon, eggs, fruit appetizers, biscuits, coffee and juice were served to members and the following special guests, Mesdames Joe Roark, Bobby Crume, Sally Tankersley, Jack Kirkland and Miss Ettie Musil.

"Calling signals" was used to further carry out the football theme when the club met for their model meeting Monday evening in the Joe Helton home in Texico.

Mrs. Buck Doran was guest speaker for the occasion, and spoke on "parliamentary procedure."

The president's table was decorated with a football and helmet, and plate favors were miniature footballs with guests' names and "ESA Yell", printed on them.

Special guests included the speaker, Mrs. Buck Doran, and Mesdames Joe Roark, Sally Tankersley, Bobby Crume and Sue Kirkland.

Members attending were Mesdames Rosa Roberts, Donna Jordan, Joann Getz, Nell Walling, LaMoine Williams, Sylvia Watkins, Marilyn Brook, Maxine Williams, Wilma Liner, Cris Pritchett and Dardanella Helton.

Mrs. Langford Demonstrates Dried Flower Art To Club

Highlight of the Monday meeting of the Pleasant Hill Extension Club was a demonstration on dried flower arrangements and how to make pictures from dried flowers by Mrs. Elmer Langford.

Mrs. Langford showed the women how to arrange the dried flowers to make three-dimensional pictures.

Mrs. Frank Hemke was hostess for the all-day meeting, which featured a covered-dish luncheon at noon.

During the business meeting members discussed plans for a program for the coming county banquet which will be held at Hotel Clovis on November 3.

Mesdames Clarence Jones and Gene Boatrite were guests at the meeting, which was attended by the following members, Mesdames John Range, Clarence Smith, H. M. Hopper, Euel Hart, Albert Clark, Frank Hemke, Donald Clark, Tom Burnett, Maurice Clark, Leonard Kimbrough, Martha Helz, Pearl Singlettery, Lowry Winkles, Mason Neely and Elmer Langford.

Next meeting for the club will be an all-day event in the home of Mrs. Elmer Langford on November 16.

The four-year theme for the international organization is "Encouraging Appreciation of Other Cultures--an Aim Toward Universal Peace." The chapter's program focus this year is on "Self Improvement," reflecting achievement in self improvement and appreciation of other cultures.

Mrs. Della Stagner showed slides of her travels in Europe and gave comments concerning the various countries as the program. A question and discussion period followed the program, after which group singing was done.

Bovina and Friona members served refreshments before a short business meeting was conducted.

Farwell members attending were Mesdames E. G. Williams, Claude Coffey, Harry Whitley, John Boling and a visitor, Miss Maude Hicks.

Next meeting is set for November 4 at Plainview.

Red Prather and Joe Helton straddle the game they brought home Wednesday from a hunting trip into San Juan National Forest north of Chromo, Colo. On the left is Prather with a spike bull elk and Helton killed a 12-point bull. The season opened Saturday, Prather killed his elk Sunday and Helton got his Monday.

Little Known Event On Texico Sports Program

By Anita Henson

A sport which is not well known -- and for which the participants get little reward other than the physical stamina they develop during the training process -- is taking place at Texico high school this year under the direction of C. B. Stockton. The sport -- known as cross-country track -- features only one competitive meet during the year, that being the state meet which is set this year on November 18 at Albuquerque. Being just the opposite of regular track events in which participants test their speed on a smooth, level, straight course, the cross-country tracksters run up hill, down hill, on grass, sand or in other words, "cross country," in their meet.

A team of boys, usually six, start along with other teams, to run the two mile cross-country course. At least five of the team members must cross the finish line, with the first place man receiving one point, second place two points, and so on until the school with the least number of points is declared winner. A school is disqualified if five men fail to finish

the race.

A group of Texico boys entered the state cross-country meet last year, and although they returned without a trophy their time for the race was better than several of the class A schools in the meet. Eight class B schools and five class A schools were entered in last year's contest, which was run at an Albuquerque golf course.

For their training Coach C. B. Stockton, takes his cross-country runners several miles out in the country during their physical education period and has them run cross-country back to school.

Coach Stockton said that he hasn't timed the runners on a two mile course to date, but Ronny Curry has the fastest time for a two and one-half mile run by completing the race in 17 minutes.

Boys participating in the event are Ronny and Lonnie Curry, Jackie Dyer, Kenneth Glaze, Ernest Meier, Willie Stover, Joe Teel, Allan Hill, Butch Billingsley, Billy Billington, Gary Skaggs, and Billy Fields.

Veterans Cite Loyde Brewer

Judge Loyde Brewer has been awarded a distinguished service citation by the Texas Veterans Affairs Commission in recognition of his 15 years of service.

Brewer accepted the position as Parmer County Veterans Service officer when he was elected County Clerk in January, 1947, but had participated in training work for the post prior to that time.

The certificate lauded Brewer's record of service in behalf of all causes related to

Texas Veterans and their families. He helps veterans and

families to obtain their entitlements under the veterans programs and advises them as to their rights under the laws.

7th Annual Meeting Underway

The New Mexico State Calvary Baptist Missionary Church began their annual association meeting in Clovis Thursday, with the opening meeting Thursday evening.

V. D. Parnell of Carlisbad was moderator for the service, with Dale C. Croom of Bayard and Irvin Martin of Farwell also on the program.

The Women's Missionary Auxiliary met at 1:30 Thursday for their opening meeting, while the Missionary Committee met at the same time in the Southwestern Public Service Company Building.

The convention, which is the 7th annual session, is being hosted by the Clovis Missionary Baptist Church. Persons from churches throughout the state

are attending. Women from the Clovis and Texico Churches served the

noon meal today at the Southwestern Public Service Company Building.

Pleasant Hill

BY MRS. BUCK TAYLOR

Mr. and Mrs. John Range and Vicki Lovett attended the Texas state fair in Dallas last week and visited with her mother, Mrs. J. W. Bell and their son, Irby Don Range.

Mr. and Mrs. Troy Lovett and girls were Sunday dinner guests in the home of her mother, Mrs. L. R. Bain, and an aunt, Mrs. Nancy Snow, recently.

Visiting Monday evening in the home of Mr. and Mrs. Mike Brown were his sister and her husband, Mr. and Mrs. Arthur Heglin from Colorado.

Relatives gathered Sunday in the home of Mr. and Mrs. Robert Servatius for a get together. Those attending were Mrs. Janie Anderson, and Mr. and Mrs. Jap Anderson from Anton; Mr. and Mrs. Clarence Anderson and Margie from Amarillo; Mr. and Mrs. Royce Hargrove and Gary from Lubbock; Fay and Sue Martin from Texico; Bud Anderson, Mr. and Mrs. Buck Taylor, Mr. and Mrs. Amos Shockley and Pauline Servatius.

Lynell Lovett from Wayland College in Plainview spent the weekend with her parents, Mr. and Mrs. Troy Lovett. Her mother accompanied her to Plainview Monday and stayed for "parent's day."

Mr. and Mrs. Weldon Dane and children were Sunday dinner guests in the home of Mr. and Mrs. Marion Walker. Also visiting were Mr. and Mrs. Jim McCullough and Jim Berta-Riemer.

Mr. and Mrs. Mike Brown visited Sunday in Clovis with their daughter, Mrs. Martha Rego and with his sister, Mrs. Ella Burnham.

Mr. and Mrs. H. M. Hopper are at home now after visiting for three weeks in Albuquerque with their daughter and family, Mr. and Mrs. H. E. McCarty. Mrs. Beulah Reed from Calton, Calif., is visiting in the home of her daughter and family, Mr. and Mrs. Edwin Fahsholtz.

Sunday guests in the Walter Crocker home were their daughter and son - in-law, Mr. and Mrs. Jerry Edens from Clovis. Another guest was their granddaughter, Penny Lynn Fahsholtz from Clovis.

Mr. and Mrs. Elmer Langford returned recently from visit-

Farm Facts

According to Francis E. Clark, U. S. Department of Agriculture microbiologist, earthworms are to be considered an indication of good soil fertility rather than its cause.

Sharp differences of opinion exist, he says, concerning the relationship of earthworms to soil fertility. Some people insist that earthworms almost singlehandedly are responsible for good fertility. Clark notes in the USDA's Yearbook of Agriculture that such a viewpoint has little basis in fact. He says organic residues ejected by earthworms are poorer in nutrients than the original residues ingested.

The beneficial effects of earthworms on plant growth

are largely those associated with improved aeration and improved tilth. They are important in mixing surface organic residues with the underlying soil.

Survey Taken On Cub Scouting

A survey to determine the possibility of organizing a Cub Scout group is underway this week, says Terry Edwards, executive officer of this district from Clovis. Farwell PTA voted at the October meeting to sponsor the movement. Boy Scouts are already active with J. T. Ford serving as Scoutmaster.

Forms were distributed to Farwell boys from eight to ten years of age Wednesday, and about 40 youngsters showed interest in Cub Scouting. Letters will be written to the parents of the boys, and a meeting will be set to discuss Cub Scouting, and to explain and answer questions on the Scout program.

Kirt Crume, Scout committeeman, says that over 20 boys are now active in Boy Scouts. A district Camporee is planned tonight (Friday) north of Clovis. The boys will sleep out and contests are planned Saturday.

Uncle Ray's "Hot Air"

"What the man who has everything needs is help with the payments."

"Give a pig and a boy everything they want. You'll get a good pig, and a bad boy."

"The trouble with many hands that rock the cradle today is they're hired hands."

When it comes to "everything" in the way of grocery buys, Uncle Ray is the man to see. And the price is always right.

Court Approves Road Proposal

Parmer County Commissioner's Court accepted the state proposals for the establishment of a farm to market road from Deaf Smith County line south, west, and south to F. M. Highway 1412 in the October 9 meeting.

There were no opposing votes to the "minute order" from the state which set forth the stipulations and conditions for the agreement between the county and state for the construction and maintenance of the 2.4 miles of road.

In other action, the court accepted a bid of \$9,000 and \$750 rental for the purchase of a Hy-Hoe (a type of truck-mounted earth-moving machine used to clean out drainage ditches along county roads) from Caprock Machinery Company. The machine was being used on a rental basis.

The commissioners also granted permission for Joe Tally to install a gas line across the county road northwest of Friona if installed below the level of the drainage ditches and on the condition that he move it should it become necessary.

LEGAL THE STATE OF TEXAS

TO: C. B. Cushman and his wife, Mary Cushman; Fred W. Browne and his wife, Mary E. Browne; Thurston E. Walters and his unknown wife or wives; J. H. Drager and his unknown wife or wives; and should any of the above named parties be deceased, then of their unknown heirs, assigns, devisees and legal representatives; and all unknown claimants, and the unknown husband or husbands and unknown wife or wives of all of the above named parties defendants, Greeting: You are hereby commanded to appear by filing a written answer to the Plaintiff's Petition at or before ten o'clock A. M. of the first Monday after the expiration of forty-two days from the date of the issuance of this citation, same being Monday the 20th day of November 1961, at or before ten o'clock A. M. before the Honorable District Court of Parmer County, Texas, at the Court House of said County in Farwell, Texas. Said Plaintiff's Petition was filed in said court, on the 2nd day of October A. D. 1961, in this cause, numbered 2235 on the docket of said court, and

known heirs, assigns, devisees, and legal representatives, all of whom are unknown and all of whose residences are unknown; and all of the unknown heirs, assigns, devisees and legal representatives of any and all of the aforesaid named parties who are deceased, the residences and addresses and whereabouts of each and all of the aforesaid named defendants being unknown; are Defendants. A brief statement of the nature of this suit is as follows, to wit: Suit in trespass-to-try-title, Plaintiffs alleging that on or about the 1st day of August, A. D. 1961, they owned in fee simple and were in possession of All of the Northeast quarter (NE1/4) of Section 16, and all of the North half of the Northwest quarter (N1/2NW1/4) of Section 15, all in Block "C," Rhea Brothers Subdivision of Parmer County, Texas, as shown by plat of said subdivision of record in the Deed Record of Parmer Co., Texas, and that Defendants unlawfully entered thereon and ejected them therefrom and withhold possession thereof from them; and praying for judgment for title to and possession of said real property, and for writ of possession, and further claiming title by virtue of the five- and ten-year statutes of limitations, as is more fully shown by Plaintiff's Petition on file in this suit. If this citation is not served within ninety days after the date of its issuance, it shall be returned unserved. The officer executing this process shall promptly execute the same according to law, and make due return as the law

style, CLARA E. DE JEAN, ET AL Plaintiffs, vs C. B. CUSHMAN, ET AL, Defendants. The names of the parties to the cause are as follows: Clara E. De Jean, a single woman, Evelyn De Jean Dalton and her husband, Leroy C. Dalton, are Plaintiffs and C. B. Cushman and his wife, Mary Cushman, whose place of residence is unknown, and if deceased, then their unknown heirs, assigns, devisees, and legal representatives, all of whom are unknown and whose residences are unknown; Fred W. Browne and his wife, Mary E. Browne, whose place of residence is unknown, and if deceased, then their unknown heirs, assigns, devisees or legal representatives, all of whom are unknown and all of whose residences are unknown; J. H. Drager, whose place of residence is unknown, and his unknown wife or wives, all of whom are unknown and whose residences are unknown and, if deceased, then their un-

Creative Writing Class Hears Jack Williamson

Speaking to members of the creative writing class at Texico high school Thursday morning was Jack Williamson, professor of English at Eastern New Mexico University, Portales, and author of numerous science-fiction novels, short stories and at one time author of a comic strip. He pointed out devices or techniques on how to write and what to write. "Write something from your own experience--something you are interested in," he told the class. He emphasized that one should write of their feelings of an experience and use fresh words. "You can learn by reading," he added, "Write and compare your writing to the Masterpieces." He also pointed out to be alert, and learn to look for material and study the writing techniques. He concluded his talk with experiences he had that had prompted him to write certain books, stories or poems. A display of a few of his books was of particular interest to the class.

News From LAZBUDDIE BY MRS. C. A. WATSON

The WMU of the Lazbuddie Baptist Church met Monday afternoon for Royal Service. Opening prayer was led by Lucille Barnes, and Mrs. Raymon Houston was in charge of the services. Mrs. Artis Ivy had charge of the Royal Service Program, and singing was led by May Green. Short topics on the way of life in four different countries were led by Jeanne Wimberly, Merle Morgan, Alice Curry and Artis Ivy. Scripture reading was by Lucille Barnes and closing prayer was led by Mrs. Lena Menefee. Attending were Mesdames Artis Ivy, T. D. Reed, W. S. Menefee, Ira Wimberly, Dee Johnson, Wesley Barnes, Bill Curry, Jo Anna Johnson, Carrie Withroe, Ginger Johnson, Larry Curry and Merle Morgan. Mr. and Mrs. Joe Bullock

visited in Dallas last weekend with Mrs. Bullock's sister and family, the Coleman Alsups. Mr. and Mrs. Bob McDonald of Leveland visited friends near Clays Corner Sunday. Mrs. Raymond Houston and Marie were in Lubbock Friday to do some shopping. Birthday greetings this week go to S. T. Tipton, Charlie Neeley, October 22; David Hargrove, October 23; Junior Walker, and Salinas Yelanda, October 25; Don Smith and R. G. Treider, October 26; Wayland Beavers, October 27; and Tommie Tipton and Shorty Ivy, October 28. Anyone with news is asked to call my home YOS-3416, by 10:30 a. m. and after 4:00 p.m. Miss Donna Guinn, bride-elect of Jerry Smith was honored with a bridal shower at the Fellowship hall of the Lazbuddie Methodist Church Wednesday afternoon. Purple and white, chosen colors of the bride-to-be, were used throughout the decorations. Purple dahlias arranged in a milk glass bowl centered the white linen covered table. Pastel punch, cookies and mints were served to guests. Hostesses were Mesdames J. B. Jennings, Frank Hinkson, C. D. Gustin, L. M. Hardage, V.W. Rannals, Charlie Glover, Herbert Elliott, John Gammon, L. E. Savage, Valton Morris, Roy Miller, Earl Peterson, C. W. Mick and C. W. Bradshaw. They presented the honoree with an electric mixer. Linda Gillis registered guests at a table which was centered with an arrangement of purple flowers. Attending were Mesdames Bill Bruce, Chuck Smith, C. A. Guinn, Kay Ann Smith, Duane Darling, Roy Daniel, Laura Treider, N. M. McCurdy, L. M. Smith and Deborah; Betty Smith, Tin, Tam, Rosmary and Randy; Glenn Scott and Karan; Barney Floyd, Lavern Smith and Doyce, Lenord Henry and Sally, Volley Hodges, Faye Keeth, Jewell Treider, Freeman Davis, Ronnie Briggs, John Agee and R. B. Seaton. A dog's bark may be worse than his bite, but it never seems so personal.

When I Talk To God... THE CHURCH FOR ALL... ALL FOR THE CHURCH The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily. When I talk to God I'm sure He listens. I'm too young to realize there is such a thing as a skeptic. I admire the convictions of my Mother and Father. They have shown me by their example that they live what they believe. Because I've learned to trust and depend on those who love me, I haven't any silly illusion of self-sufficiency. It makes sense to trust and depend on God. I'm proud and happy that I'm a Christian--so I'm not afraid someone might laugh at me for believing the Truth. But, of course, my faith is no accident. I'm in Church every Sunday to worship God. Religious training is a major part of my education. I'm one of the millions of Christian youngsters who are the hope of this frightened world. And when I talk to God, I don't just talk to Him about ME. I talk to Him about YOU!

THE HIGH PLAINS FARM AND HOME

ON FEBRUARY RATE INCREASE

Plains Group Releases Irrigation Gas Report

By TRAVIS HARRELL (Editor's Note: This is the first in a series of two articles in connection with a report on the irrigation gas rate increases by Pioneer Natural Gas Company which was prepared by Dr. E. A. Steinberger, gas rate and valuation consultant, and submitted to the Plains Irrigation & Gas Users Assn. at their request.)

In February, 1961, Pioneer Natural Gas increased the rate charged for gas used by farmers for the purposes of operating irrigation wells.

Several Farmer County and area farmers immediately began to question the fairness of and necessity for the rate increase. The inquisitiveness spread quickly and on March 16, 1961, a group of farmers banded together and formed the Farmer County Irrigation and Gas Users Assn.

The professed purpose of the organization is to provide fuel for irrigation at the lowest possible price for the members of the association and to take all action necessary to promote the general welfare of irrigation farmers on the high plains of Texas—by means of legislation or any other action deemed necessary by the board of directors of the association. Interest in the organization

grew until the Farmer County organization became one of 10 counties which form the Plains Irrigation and Gas Users Assn. Membership in the organization is based on the number of wells which a farmer is operating. Dues are set at \$2 per well per year.

The Farmer association lists dues paid on 725 wells. Ninety per cent of the dues paid to the county branches are forwarded to the plains headquarters and the remainder is retained by the local group. Several other counties are in the process of establishing additional branch organizations.

Bruce Parr was elected president of the Farmer County group at the March meeting. Gilbert Kaltwasser was named vice president Carl Schlenker, secretary.

Directors of the Farmer branch are: Vernon Syncox, Marion Carson, Hap Fairchild and Fred Burch. Each county organization is entitled to send one representative to the plains association as a member of the board of directors.

Following several conferences and considerable correspondence with C. I. Wall, president of Pioneer Natural Gas Company, representatives of the association retained Dr. E. A. Steinberger, Dallas, for the purpose of making a study of the "reasonableness" of the increase of 11.129 per cent in the irrigation gas rates. Steinberger is reputed to be one of the foremost authorities in the field of gas rate and valuation

consultants. Steinberger and association members presented their proposal to representatives of the gas company and received access to the books of Pioneer Natural Gas for the purpose of making the study.

Steinberger has often been employed by the Railroad Commission as an independent consultant in gas rate controversies and has had broad experience in this field. He was chief valuator engineer for Lone Star Gas Company for 18 years before opening his own offices as a private consultant. He has been engaged in some phase of the gas business for over 35 years.

He was employed by the board of directors in August to make the study and report factual information to the board so that the board might determine for itself the fairness of the recent increase made by Pioneer Natural Gas to the irrigation farmers of the Panhandle and South Plains.

The contents of the report were released for public consumption Oct. 16.

The report, according to David Burgess, president of the board of directors of the association, reflects that Pioneer would receive a return of 12.292 per cent on their investment.

The figures are set on actual cost basis, minus accrued depreciation, plus allotted working capital.

These figures indicate an 18.852 per cent increase in the rate of return over that enjoyed under the 1960 rate.

Based upon figures submitted by Pioneer Natural Gas Company to the board of directors and used by Steinberger, if depreciated fair value were used, the 1960 rate would represent a return of 8.39 per cent to Pioneer of depreciated fair value. Under the February, 1961, rate, it would return to Pioneer 9.98 per cent as contrasted to a 6.50 per cent rate of return which is the maximum rate of return normally allowed to companies regulated by the Railroad Commission.

If sale of irrigation gas were regulated by the Railroad Commission, a decrease of approximately 25 per cent would be necessary instead of the 11.129 per cent increase brought about by the new rate, according to the association's report.

The term "fair value" refers to a somewhat complicated system of accounting. One method it is arrived at, is by taking 50 per cent of the original cost, less depreciation, plus a reasonable amount of working

capital and adding 50 per cent of the replacement cost.

Another finding reported by Steinberger is that the rate is directly adjusted to the consumption bracket. That is, with the rise from a low rate bracket of, say 301 m.c.f. of gas to 501 m.c.f., the gas rate also rises from a 14 per cent increase to a 16.6666 increase over the old rate of 1960. An increase of 17.391 is shown for the bracket above 1,000 m.c.f.

This means that a higher rate will be paid for gas when a large amount is consumed than will be paid when a smaller amount is used.

What does this mean to the farmer in Farmer County? What does it mean to Pioneer Natural Gas? These questions will be dealt with next week.

Farmer: "This cow here has spells when she can't get up for a day or two. What should I do?"

Vet: "Next time she gets up, why don't you sell her?"

J. B. Taylor inspects one of the many potatoes gathered in his field east of Friona. Taylor planted 60 acres in potatoes this year and has averaged about 280 sacks per acre. Harvesting of the final few acres was completed last week. They were

left in the field too long for best appearances, according to Taylor. The slick red coat of the potatoes was already turning a light brown in spots.

The HAPPY HOMEMAKER

BY JUNE FLOYD

Homemakers who haven't seen a copy of a cookbook recently published by Lubbock Christian College Associates have really missed a treat. Regardless of the number of cookbooks you have in your collection, you will want to add this one when you have an opportunity to see it.

Treasured Recipes is the title of the book and it contains menus along with recipes for appetizers, beverages, dips, candies, relishes, cakes, pies, cookies, candy, salads, meat dishes and vegetable dishes.

For the next few weeks I plan to borrow some of the recipes for our readers. Since pumpkins are in season at this time of year, the first one I have selected is for

NO-BAKE PUMPKIN PIE
1 cup pumpkin
1 package marshmallows
dash salt
1 cup heavy cream
1/4 teaspoon nutmeg
Melt pumpkin and marshmallows over hot water. Cool; add whipped cream, nutmeg and salt. Pour into cook baked pie shell. Chill 1 hour. This recipe was submitted by Mrs. Carroll Spelce of Lubbock.

The next pie recipe was recommended by Mrs. O. C. Collins of Midland and is very different. It is

PAPER BAG APPLE PIE
3-4 large baking apples
1 cup sugar
10 tablespoons flour
2 tablespoons lemon juice
1/2 cup butter
1/2 teaspoon nutmeg
Chopped apples. Combine 1/2 cup sugar, 2 tablespoons

flour and nutmeg. Sprinkle over apples, and toss to coat. Spoon into unbaked pie shell, and sprinkle with lemon juice. Combine remaining sugar and flour, cut in butter, and sprinkle over apples to cover.

Slide pie into a heavy brown paper bag large enough to cover pie loosely. Fold over end twice, and fasten with paper clips. Place on large cookie sheet. Bake 1 hour at 425 degrees. Split bag open and remove pie.

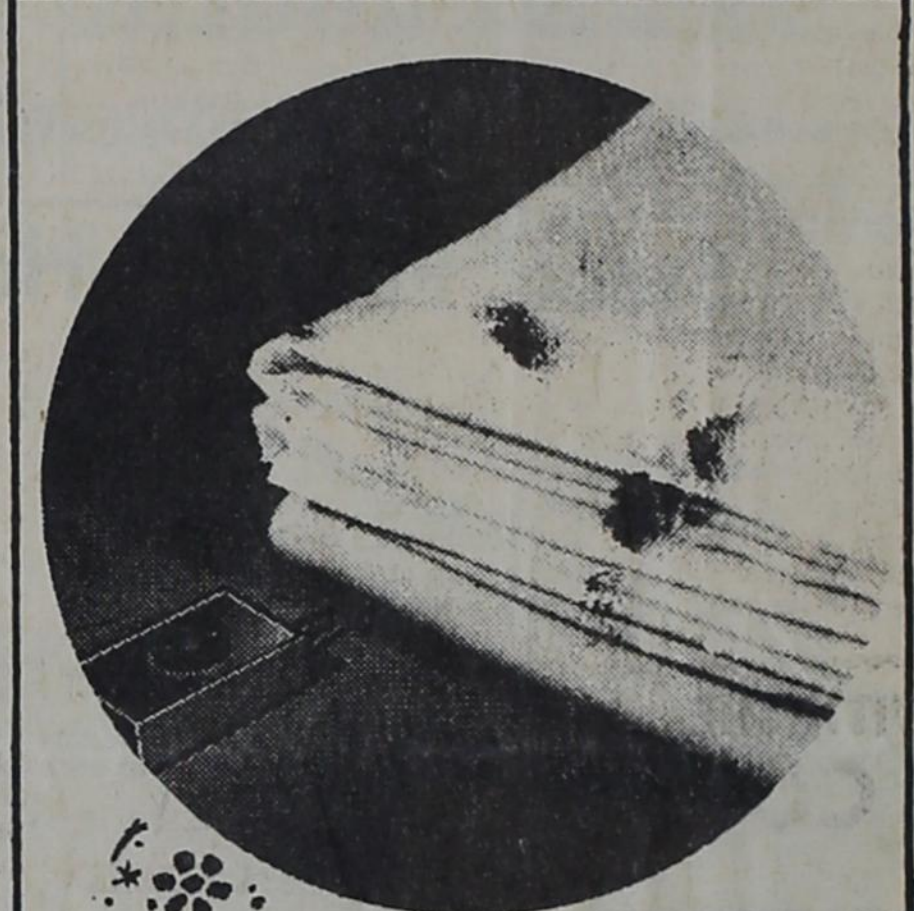

Mrs. Sue Lott of Springlake submitted the following recipe
JEFF DAVIS PIE

2 cups sugar
1/4 stick butter
3 eggs, well beaten
1 1/2 cups milk
1/2 teaspoon each cinnamon, cloves, allspice
1 teaspoon each cocoa, flour, lemon extract

Add melted butter and milk to eggs. Add dry ingredients. Pour into 2 unbaked crusts and bake at 450 degrees ten minutes then at 350 degrees 30 minutes.

Homemakers, who enjoy sewing items of wearing apparel for members of their families or for gifts for friends and relatives, should try at least one hat. Patterns for simple hats are available and materials suitable can be bought at any department store.

Several of the home demonstration clubs in this area have had hat making demonstrations and members have been well pleased with the results of their hat making efforts. Making a simple hat doesn't require any special equipment or skill and may prove to be a rewarding experience.

Solons Meet With Sugar Beet Group

Area and local farmers and businessmen interested in obtaining an increased allotment of the sugar beet crop will meet with several congressmen in Hereford Nov. 14.

Congressmen Walter Rogers, George Mahon and W. R. Poage will attend the meeting. Congressmen from New Mexico, Oklahoma and others from Texas are also expected to meet with the group. They will furnish the program following the barbecue.

Local growers hope to show beets being harvested to all who are interested.

The West Texas Chamber of Commerce has joined in the event and local clubs will hold their meetings jointly with the group that day. The meeting is intended to encourage the congressmen and to show them ap-

preciation for what they have done in the furtherance of sugar beet legislation.

The 87th Congress recessed for the year 1961 in the latter part of September without any permanent sugar legislation as was promised by congressional spokesmen. The Senate and house conferees had agreed to hold hearings and enact a permanent sugar law to replace the 15 month compromise extension of March, 1961.

The hearings were held by the House Agricultural Committee for new areas interested in production May 18 and 19 and the matter was sidetracked the remainder part of the session. Action was said to be waiting on the Secretary of Agriculture to make recommendations.

The Secretary has not made

public his recommendations as of this date. His report is expected with the reconvening of Congress in January.

The news accounts of the statements of the Secretary indicate that he will probably recommend an increase in domestic production of approximately one million tons, which would be ten new beet processing plants, and which would be equivalent of changing the ratio of domestic production, including Hawaii and Puerto Rico, of 55 per cent of domestic consumption to the ratio of 66.6666 per cent for domestic production and 33.3333 per cent for foreign imports.

Many of the western congressmen have worked toward enacting some satisfactory legislation to cover the sugar production question but have been unable as yet to find acceptance for any such bill.

HD Agent's Notes

BY MISS ETTIE MUSIL

As you well know our job as County Extension Agents is to educate the people with the latest information in home economics, agriculture, and related subjects. This includes many and varied subjects in family living to help people help themselves. We are the educational arm of the United States Department of Agriculture.

Of course, we cannot make up your mind for you, but we can help you decide on the best solution or choice. As soon as our Extension Service Specialists receive information from research, we are informed to be ready to help you, the people. For instance, last week I received much good information on "Buying Wood Furniture" and "When You Buy Upholstered Furniture".

Before you shop for furniture of any kind let us know and we shall try to help you as best we can. It is wise to give careful thought to your needs and plan with these in mind.

Style and design is the first thing to attract the eye in creating the impression of the whole room setting. The style you choose should fit the type of house in which you live as well as the room in which it will be placed.

Size of the furniture is important, too. Pieces that are too large make a small room appear smaller. Too many small pieces make a room look cluttered. Before you buy, make a definite check for size. Comfort depends on the size and proportion of pieces. This deals with the height of table, pitch of seats and backs of chairs.

Remember that furniture looks smaller in the big furniture store than it will in your average size room. So a tape measure will save buying a chest or desk that won't fit your space at all.

Few people can recognize woods after the surfaces have been finished. Look for the label on furniture, but only

a few retail stores show this labeling on the tags. It pays to deal with reliable dealers whose salesmen know and can give you the correct information.

If you see the label on furniture that says "Solid", this means that all exposed surfaces are of the wood or woods named. If you see "Genuine" this means that the frame parts are of solid wood named, and the larger surface pieces are of veneer of the same wood.

Where we are misled many times is the appearance of the furniture. The label "Finish" refers only to the color of the finish. Inexperience buyers often see "mah" or "wal" and assume that the wood is mahogany or walnut. It really means only a mahogany or walnut stain has been put on another wood. There is a lot of difference.

A finish is put on wood to seal the surface, to make cleaning easier, bring out depth and luster, and sometimes to change the color or tone. A smooth, soft luster is an indication of quality. The best finish has a mellowness achieved by hand rubbing which is in contrast to the shiny new look of unrubbed

varnish or lacquer. Always examine the finish in a good light and from every angle that catches the light. Avoid a muddy looking finish that doesn't permit the wood to show through. Test the finish by rubbing the surface with the finger until it is warm. If the coating becomes sticky, this shows a poor finish.

The belief that furniture made from solid woods is always superior to that made of veneer is rather common, but it is not true. Low, medium and high priced furniture is made in both veneered and solid wood. Much of the fine furniture available in stores today is made with veneered plywood construction. The plywood is used for flat surfaces. The solid wood is still used for legs, frames, stretches, rails, corner posts and for sections that are carved.

To check how well the furniture was put together, check to see if it stands squarely on the floor. This shows proper bracing, joining, and gluing. Inferior furniture is frequently made from poorly cured and seasoned woods, inaccurately machined and loaded with glue.

Sign-Ups Start Winter Program

Wheat farmers of Farmer County are advised that the sign-up period under the 1961 ASC wheat and barley program will officially open Oct. 30 and will end on Dec. 1.

The wheat and barley stabilization program is designed to reduce national wheat acreage by at least 10 per cent. Wheat farmers are encouraged to make additional acreage reductions for which a higher rate of payment will be available.

In order to be eligible for price support and to earn a lay-out payment, the wheat and barley farmer must sign up by Dec. 1.

Prentice Mills, Farwell ASC officer manager, asks that each wheat or barley farmer contact his office for information which the farmer may need in relation to the program and how it affects his individual farm.

Some girls wear tight shoes 'cause it's the only chance they have to be squeezed.

Feed Grain Program Termed Successful

Today's harvest-time crop report was hailed a success sign on the 1961 feed grain program.

It is clear, that feed grain consumption during the coming year will exceed 1961 production, reversing a long-time trend, according to reports from the office of the Secretary of Agriculture.

The cost of the program is considerably below the earnings which will result for taxpayers.

Some of the benefits derived from the programs are:

A sharp rise, probably a billion dollars or more, in 1961 farm income over that of 1960 as a result of feed grain production adjustment and other price support action, as in the case of soybeans.

Supply and price stability for feed grain buyers and the consumers of livestock, dairy, poultry and products processed from these grains.

An impressive start has been made in the reduction of government owned feed grain stocks, leading to a cut in transportation, storage, and interest costs which have been dealing the Department much trouble.

The farm income jump is already being reflected in the economy of rural areas through an increase in sales of farm implements, cars and trucks, household furnishings and other such items.

It is expected that the industrial areas will soon feel some of the benefits from these improved conditions.

NEWS FROM THE FARM BUREAU

BY RAYMOND EULER

Glenn Martz, publisher of Washington News Beat, Washington, D. C. will speak in Amarillo Monday, November 6, at 1:00 P. M. The place of the meeting is the Crossroads Motel at 5th and Fillmore Street. The public is invited. District I Farm Bureau is paying Mr. Martz' expenses for this speech, and we believe it is a worthy project, as Mr. Martz has been in Washington many years in the news business, and is interested in the preservation of American Free Enterprise. Some of the subjects he will cover will be communist infiltration into agriculture, power industry, trend toward socialism, labor's design on agriculture, a farm labor coalition, the farm program and many others. We believe any farmer who has time to go will profit by hearing Glen Martz.

We have one fifty pound sack of Warfarin rat poison here in the office. If you need some, we'll sell it pretty cheap. This is fresh poison, some of which we purchase for distribution each year as an aftermath of the rat eradication program conducted a few years ago.

Parents of high school children in Bovina and Farwell may want to attend a safety program at those schools this Thursday. The one at Farwell at 9:30 A. M. and the one at Bovina at 12:50 P.M. Brake reaction and braking distances will be demonstrated with students driving the special safety car provided by Texas Farm Bureau Safety Department. Following the impressive street demonstrations a film on highway safety will be shown. The film is as interesting and impressive as any we have seen. Herman Gerles, retiring Farm Bureau President is responsible for making arrangements for this program with the cooperation of school officials and the sheriff's office and the Texas Department of Public Safety.

Donald Christian, last year's membership chairman, says he hopes about thirty five new people will pay Farm Bureau dues this week to bring the organization up to its quota of 555. If you haven't paid yours lately, why not pay them right away. Then we will be allowed one more, (a total of six delegates) to the state convention in Galveston next month. Harry Hamilton, President and all directors join Donald in this invitation.

CONSIDER THIS: A prudent man foreseeth the evil, and hideth himself; but the simple pass on and are punished. Proverbs 22:3

Have a job which is creative and which you enjoy—and if you dislike your work, change positions. Unhappiness and fatigue walk hand in hand.

WITH THE COUNTY AGENT

DERYL COKER

The Dallas Fair is over, and everyone who went was about ready to come home. A fair is always something you look forward to and glad when its over.

The 4-H members who attended were Eddie Wood, Kim Buske, and Bobby Tomlinson. Their exhibits were market steers. All three boys managed to get their steers in the auction sale. The market steers were placed in three categories. Blue ribbon, red ribbon or white ribbon. Steers in the blue ribbon and red ribbon group had to be prime or choice steers and be able to cut out a high percentage of choice cuts of beef, (such as round, loin, or rump.) The white ribbon group were steers that were not good enough to make the sale. Steers were docked for carrying to much finish.

The 4-H members not only learned some things about showing steers, but due to unwanted circumstances learned some other things as well. One boy was pick-pocketed and lost his billfold and another one got sick, which is all part of a fair.

A lot of cotton will be ginned in the next few weeks and a lot of burs are going to be burned or hauled back and put on the land.

Cotton burs application is a good way of adding humus which will improve the physical condition of the soil as well as improve the water holding capacity of the soil. The method of application is an easy one, and is fairly economical. Cotton

yields have been increased as the following table shows:

Rate tons/acre	Yield lint lbs./acre	Lbs. lint per acre	inch water
0	502	22.8	
2	612	27.8	
4	652	29.6	
6	727	33.0	

As the chart shows there are advantages to putting burs back on the land, also the addition of 30 pounds and 45 pounds of nitrogen to 4 tons increased lint yield average by 87 pounds and 211 pounds respectively.

One of the most practical methods of using burs to improve the soil is to apply 2 to 4 tons per acre per year. The above test was conducted at Lubbock, Texas.

There are also disadvantages to putting burs back on cotton land. They are that you could introduce diseases, or bring in diseases that could hurt you in the future, also, you could put weed seed on your farm that you don't want. Burs go on feed land to a great advantage also.

If you are not afraid of the disadvantages, burs could be a profitable way to add organic matter.

A sub-district meeting on Income Tax will be held at Canyon on November 2, in the Agriculture department of West Texas State College.

The school is for agents, farmers, ranchers and interested persons to help prepare agricultural income tax returns. The meeting will begin at 9:30 and continue until 3:30. Topics on the program are Income to be Reported, Farm Business Expenses, Deductions and Personal Exemptions, Depreciations and Depletions, Capital Gains and Losses, Soil and Water Conservation Expense, and Trades, Condemnations and Diseases and Livestock.

An income tax management demonstration will be given by the Gray County 4-H management team, and a question and answer period on special problems will be conducted with Ray Rogers, Internal Revenue Service, Dallas, as moderator.

ACT Exams Scheduled For Interested Farwell Seniors

Seniors in Farwell High School who are planning to enter college next autumn, are registering now for American College Testing program exams, said Mrs. B. Tucker, counselor of the school. The three-hour tests, to be given Saturday, November 4, in 50 states and the District of Columbia, are required or recommended for admission to more than 500 colleges and universities.

Youth Group Gets Attendance Banner

Young people from the Calvary Missionary Baptist Church in Texico brought home the attendance banner from the youth fellowship at Parkview Church in Lovington on October 20. Drexel Morris of Farwell gave the topic "youth service," and special music was provided by three youth from the local church. Thirty persons attended from here.
