

Mrs. Joe Helton, program chairman, and John Spearman, Texico P-TA president, visit with Mrs. Chas T. Stone, state P-TA president of Roswell. Mrs. Stone spoke to the local organization Monday night.

## Parents, Teachers Trade Notes, Hear State PTA President

A good crowd of mothers and fathers attended Texico School's "back to school night," a program feature of the P-TA. Mrs. Chas T. Stone, state P-TA president of Roswell, was present for an official visit. Mrs. Joe Helton, program chairman, introduced Mrs. Stone, who spoke briefly about plans of the state officers for 1961-62. She also brought greetings from other officers and solicited cooperation of the local P-TA, in plans for better schools as suggested by the state organization.

Paul Frederick, principal, explained the night's schedule and parents followed their children's daily school schedule, meeting each class in 20-minute sessions. Following the workshop, attendants were served individually iced cupcakes bearing the inscription "P-TA." Coffee or hot chocolate were served.

A thanksgiving decorative motif was used by the hostesses, Mesdames Jack and Orris Eshleman and Fred Danforth. Cut flowers were arranged as a centerpiece.

### May Fined in Court

Sanford May, 38, from Clovis was fined \$50 and court costs in Farmer County Court after attempting to pass an \$18.32 check in Farwell last week.

### "Junior Day" November 11

Members of the Texico junior class will sponsor "Junior day" on Saturday, November 11, with members of the class doing various jobs to raise money. A car wash will be held at Jim's 66 station in Texico, and members will also rake leaves, mow lawns, wash windows, do housework or various other jobs. Anyone desiring to obtain the services of a class member is asked to contact Hal Ed Helton, Diane Baldrige or Shirley Huber.

### Girls Basketball Teams In Scrimmage Games

The newly named Farwell "Steerettes" opened their 1961-62 basketball season last Thursday evening by splitting a twin-bill with Hart in two scrimmage games.

In the "B" game, Hart took a close 27-26 decision over Farwell. Leading scorers for the locals were Joann Rhodes with 10 points and Jane Hubbell with 8. Bailey of Hart had 12 points.

The "A" team game was a different story, as Farwell took an impressive 46-19 victory. Sparkling defense jobs were turned in by guards, Margaret Haseloff, Sandra Hendrickson and Patsy Herrington. Leading scorers were Christine Paine and Iris Goldsmith with 16 points each. Pat Kaltwasser had 9.

Tuesday evening the Farwell teams were handed two defeats by Hart in return games played here. Both games were close down to the closing minutes with the "B" team losing 16-15, and the "A" team taking a 27-24 loss. Kaltwasser and Paine with 7 points and Goldsmith with 6 points led the A team scoring.

Last night the teams played Nazareth in scrimmage games. Regular season play will begin in November 14, when the Steers and Steerettes host Lazbuddie. Game time is 7:00 with admission 50¢ for adults and 25¢ for students.

FARWELL BAND SWEETHEART, Sylvia Smith, is pictured with her escort, Bobby Tomlinson, following the coronation which took place at the half time of the Farwell-Sudan game. Miss Smith is the daughter of Mr. and Mrs. Asa Smith of Lariat. Crowned as band favorite was Doyle Johnson. Both are active members of the marching and concert band.

# Hornets Steer Victims Friday 48-14

Farwell Steers assured themselves of second or third place Friday in District 3-A when they dusted the Sudan Hornets 48-14 in a runaway game at Steer Stadium. Only foe on the schedule now is Springlake, with the game played at 7:30 Friday on the home field. Since Kress is the only team winning over either Springlake or Farwell, winner Friday will be second in the district and the loser will be third. The Sudan game was a field day for the Lovelace brothers, Jerry and Leon, who figured on every scoring play. Jerry Lovelace staked the Steers to their first score when he rambled 18 yards to score on the first series of plays; Leon Lovelace then booted true to give the Steers a 7-0 lead. With three minutes in the first quarter, Farwell scored again with Jerry going the last 9 yards around right end from the 9. Leon kicked the extra point and count read 14-0. It wasn't over yet. For the third time, the Steers had pos-

session of the ball and Leon went over the line standing up just as the buzzer sounded for the quarter. He had run 10 yards on a keeper. Quarter ended, 20-0. Sudan held the Steers to one count in the second period, with Jerry making the touchdown on a short run giving Farwell a 26-0 halftime lead. Extra point was no good. Moving into the second half, Leon made a 64-yard jaunt for the big gainer to widen the margin 32-0. It took Sudan almost three quarters to find scoring range, but their offense perked up when J. A. Wingo scored from the 3. Point was no good and score was 32-6. Farwell immediately reciprocated when they took the kickoff and marched down the field to end the show with a 13-yard pass from Leon to Danny Lindop. Jerry made the conversion run for two points and a lead of 40-6. With about a minute remaining in the third period, Joe

Bellar scored for the Hornets and the team ran the conversion for a 40-14 score. It was all over but the shouting when in the fourth, Jerry set up his own touchdown run when he pushed through for a first and goal. He then went over from the 1-yard line; then Leon passed to Jerry to end the scoring 48-14. Coach Dempsey Alexander commends all the boys who played Friday night, adding that Danny Lindop was probably the top man on defense. Jerry Lovelace made the most points that he has tabulated in one game this season, and possibly during his career. Springlake will be the last foe of the Steers on the local field Friday. They have lost only to Kress, 28-14. Springlake beat Sudan 27-13. One of their most formidable foes has been Idalou, who will meet Kress for bi-district. Springlake beat them, 7-6.

It should be a good game, predicts Alexander, with both teams winding up the season and trying for second in district. Only Steer that will be out is Kenny Smith. Ten seniors will be seeing action for the last time—Donald Dale, Jim Cain, Jim Clements, Scotty Turner, Dickie Gerles, Dave Lindop, Jerry Lovelace, William Dannheim, Max Fields, and Mike Nelson. Jerry Lovelace is now top scorer in the region with 118 points. The Steers lack only 14 points being the top scoring team, says Alexander. Kress is in the top slot now, but with Friday's game, the Steers have a good chance to emerge ahead. Another new team was added to the list of opponents for the 1962 season, says Alexander. Next year, the Steers will play Portales instead of Sundown.

## Forgery Artist Nabbed

Checking up on a check passer resulted in the arrest of a forgery artist Tuesday in the Twin Cities. Jailed is Harry Robbins, 55, who gives his address as Los Lunas.

He was arrested by Sheriff Chas. Lovelace after a call by Mrs. Judge Stone of Stone's Variety in Texico. He passed a \$20 check there after forging a fictitious name to it. Mrs. Stone's call to the bank revealed no such account and so she contacted the sheriff.

When arrested Robbins had another check in his possession and was headed for Farwell Piggly Wiggly to cash it, speculates the sheriff.

The forger was through the community once before, in 1959, but got by without being arrested for his check activity. He is an ex-convict with a lengthy criminal record, says Lovelace.

### Cemetery Dinner Saturday

A complete turkey dinner with "all the trimmings" will be served Saturday at the Texico Cemetery Association for upkeep on the cemetery.

The event is the association's annual fund raising affair, and will begin at 11:00 and continue as long as there are customers according to association members.

### Parents Of Team To Be Honored

Parents of the members of the Steer football team will be honor guests at a coffee tonight (Friday) in the fellowship hall of the Methodist Church, immediately after the football game.

Hostesses for the occasion are wives of the coaches, Mesdames Dempsey Alexander, Bill Mayfield and Dan Truelove.

Fans are also issued a special invitation to attend the coffee, says Mrs. Alexander.

# Texico Basketball Begins

With two regulars returning from last year's team which racked up a 20-8 season record, Texico has high hopes of having another successful basketball season.

Dwight Turner, 5-10 senior and high scorer for the Wolverines along with leading rebounder, Leon Kelley, 6-3 senior, are the two returning regulars around which Coach Paul Frederick is beginning to build the 1962 basketball team.

Don Reid, 5-9 senior guard, and Skippy Tipton, 5-11 junior forward, are the only other returning lettermen. Reid will probably take over the playmaking chore vacated by his brother Bill, who was lost by graduation.

Coach Frederick and assistant coach, Johnny Green, feel that Texico will have a team with good experience and scoring power, better overall speed, but rebounding and defensively the green and white might be hurting at least slightly.

First home game for the locals is with Logan on November 18, after they open the season at Dora the previous night.

Seniors on the 1961-62 squad are Leon Kelley, Dwight Turner, Kit Doran, Dale Brown and Don Reid.

Juniors are Lynn Dasher, Jackie Dyer, Vic Harrington, Kenneth Glaze, Hal Ed Helton, Buddy Spence, Joe Teel, Willie Stover, Skippy Tipton and Weldon Walker.

Sophomores include William Campbell, Lonnie Curry, Ronnie Curry, Billy Fields, Allen Hill, Wayne Hudnall, Gary Skaggs and Jerry Thornton.

Schedule for the team is as follows:

## Six Scout Dens Organized Monday

Six dens of Cub Scouts were organized Monday night when adult leaders met at the Firemen's hall for discussions on Cub Scouting, directed by Terry Edwards, Scout executive from Clovis. Program quarterlys and notebooks were handed out to mothers, and M. A. Snider Jr., Cubmaster, aided in assigning boys to dens.

Further organization was underway this week as den mothers scheduled first meetings with the boys and their parents. Mothers names will be included when the list is completed.

ACCEPTING a check for winning first place in this week's Tribune football contest, is Mrs. Truman Kittrell. Asa Smith, manager of Sherley-Anderson Grain in Lariat, one of the contest sponsors, is presenting the check to Mrs. Kittrell.

## Clovis Man Badly Injured In Crash

A Clovis resident, James Brock, about 65, was seriously injured in a two-car collision near Farwell Thursday after-

noon. He is in Clovis Memorial Hospital.

Brock was a passenger in a car driven by James H. Reynolds which collided with a car driven by Vickie Moss, 16, on Highway 70 near the Farwell Wrecking Company.

Miss Moss, headed east, was making a left turn off the highway. The approaching automobile met the Moss vehicle head-on. Miss was also injured but not hospitalized. Both automobiles were heavily damaged.

## Women Take Honors

The women again took home the checks in the Tribune football contest this week with Mrs. Truman Kittrell calling nine games right for first. Second was Mrs. Murlene Smith and third was Mrs. John Porter. Mrs. Smith won first the beginning week and has seen running high in the overall contest.

Mrs. Kittrell missed by picking WT over Bowling Green; Mrs. Smith was wrong on that one and in calling Mississippi over LSU; Mrs. Porter failed by selecting Mississippi over LSU and Green Bay over Baltimore Colts.

Henry Haseloff leads with 66 points; Jim Clements, Dargin Kirk and Mrs. Smith have 63 each; Mrs. Albert Johnson has 62 and Don Gerles has 61.

PLAYING THEIR LAST GAME for the blue and white when they meet Springlake tonight, Friday, are the ten senior members of the team pictured above. From left to right on the front row are Max Fields, Jim Clements, David Lindop, William Dannheim and Jim Cain. Back row are Donald Dale, Dickie Gerles, Mike Nelson, Jerry Lovelace and Scotty Turner.

## Texico-Farwell Seniors Honored At Banquet

Seniors of Texico and Farwell were honor guests at a banquet at the Methodist Church Tuesday night. Women's Society of Christian Service members were hostesses. Other special guests were class sponsors and administrators.

Thanksgiving was the theme and focal point for the table grouping was a stage set with shocks of feed, pumpkin, squash and other items and illuminated by a "harvest moon."

Dr. R. L. Willingham, First Methodist Church, Clovis, discussed "Motives," emphasizing that Christian faith forms a good basis for motives. Rev. R. L. Tomlinson, local pastor, was master of ceremonies. Class presidents are Dickie Gerles of Farwell and Larry Richardson, Texico.

Centerpiece for the head table was a tiny pine cone tree, accented by colorful fall leaves and miniature Pilgrim and turkey candles. Bouquets fashioned from unusual designs of cotton, maize, love grass and button chrysanthemums lined the banquet tables and menu card plate favors were Pilgrim boys and girls. Mint cups were crepe paper turkeys with pipe cleaner necks and candy corn heads.

Donald Callouett, Larry Richardson, Mike Trower and Kenneth Murdock sang "He" and "He's Got the Whole World in His Hands," accompanied by Donna Kay Osborn. A vocal ensemble including Sue Martin, Judy Lovett, Dickie Lovett, Mildred Hukill, Donna Kay Osborn, Larry Richardson, Richard Ridings, Betty Lockhart, Jean Hadley and Carol Bell and directed by Harold Barnett, sang "Fairrest Lord Jesus" and "Were you There?" The two groups are from Texico.

Concluding the musical program were duets by Dorris and Jolene Donaldson, Farwell, "Shine on Harvest Moon" and "Return to Me." Accompanist was Linda Nelson.

Serving the banquet were Misses Barbara Bieler, Cheryl and Donna Mills, Dianne Lovelace, Linda Phillips, Joy Reed, Phyllis Christian and Carolyn Lindop. In keeping with the theme, they wore black skirts and white blouses, with white aprons and white Puritan bonnets.

## Date Changed For Meeting

Farwell Study Club will meet Monday night instead of the regular meeting time, the third Monday, says Lucille Brittain.

The session is slated in the home ec cottage and Mrs. Jack Williams and Mrs. Bruce Blair will be in charge of the program on "Communism."

## Local Women Attend Regional Meet Of Delta Kappa Gamma

Mrs. E. G. Williams and Mrs. John Boling of Farwell were among the 112 Delta Kappa Gamma members who attended the regional meeting of

the society at Plainview Saturday.

The registration and coffee was followed by initiation of six candidates from over the area. A sing - song, led by Mrs. Velma Weaver, state chairman of music, followed roll call. Mrs. Faun Welker of the Delta Xi Chapter was accompanist for the musical program.

A report from the Southwest Regional meet held in Phoenix last summer was brought in the form of a skit by Mrs. Mildred Hulsey of Tulsa and Mrs. Velma Weaver.

Chapter problems were discussed in four interest groups and reports were given in the general assembly.

Miss Gladys Wallis of Amarillo, state chairman of pioneer women, brought the main address of the day at the luncheon meeting.

## Completion Pins Awarded At 4-H Meet

At a recent meeting, members of the Pleasant Hill 4-H Club had a wiener bake at the Elmer Langford home before going to the A-A bowl in Farwell for an evening of bowling.

Year completion pins were awarded at the meeting, going to Lynell Lovett, 10-year; Donna Kay and Dewey Gale Pierce, 9-years; Judy Lovett, 8-year; Johnny Pierce, 7-year; Dianne Baldrige, Janet Sharp and Wayne Fahsholtz, 6-years; and Gwinette Lovett, Kathleen Smith and Veda Wilson, 5-years.

Four - year pins went to Jeanine Clark, Glennis Fahsholtz, Leon Smith and Don Baldrige; 3-years to Bettye Clark, Vicki Lovett and Marilyn Pounds; 2-years to Pat Fahsholtz and Terry Pierce; and 1-year to Carolyn Langford, Janet Wilson and Johnny Buford.

During November, the club will have election of officers, and also take part in the county-wide recognition night.

## ESA Members Go To Two Functions

Two functions were on the agenda for members of Theta Rho chapter of ESA over the weekend, with several members attending a coffee for state officers and another group going to the district meeting.

Members of Clovis ESA chapters honored the state officers, who were in the area to attend the district meeting. A coffee was held Saturday at the Country Club. Mrs. Bobbie Cloud of Albuquerque is state president.

Greeting the officers from Texico-Farwell chapter were: Mrs. Pike Jordan, president of the local chapter; and Mesdames M. C. Roberts, Frank Pritchett, Joe Roark, Bobby Joe Crume and Joe Helton.

Portales ESA members were hostesses for district regional Sunday, with the unique regional theme of "peanuts" used in their decorative motif. Among the 100 delegates were Mes-

dames Jordan, Helton and John Getz, John McFarland, Bert Williams and Gilbert Watkins. Faces of "girl name tags" were designed from peanuts and each attendant was presented a corsage of golden sprayed peanuts tied with blue satin ribbon.

Speaker for the meeting was Mrs. Marcella Davidson of Clovis who discussed "Civil Defense."

Education was announced as the theme for the year, and reports on cystic fibrosis, state project, were given. A new portable machine has been purchased for treatment of the disease at a cost of \$250 and \$200 has been designated for research. The local chapter has also given funds for the cystic fibrosis chapter in this area.

Each chapter was also asked to contact local doctors and county health officers to learn the number of cases in each county.

As a boy I can still remember what a wonderful sound to wake up in the night and hear the water dripping off the house. It was always a day of rest and no cotton chopping if in the summer. It still is a pleasant sound to hear dripping water, but somehow not nearly so if you have cotton in field that needs stripping or ripe milo that is already leaning and a note at the bank that is past due. Most of the time West Texas can use a rain but I sure would like to see one month of sunshine.

Golden West Seed Co. is now contracting Hybrid Grain Sorghums for spring plantings. Bill Meeks, Dub and Slim Meeks, Dwight Sheriff, Joe Reid and Robert O'Hair all have placed orders during the past couple of weeks. All Texas Hybrids are available and we can take your orders for PAG, GOLDEN ACRES, GENETIC GIANT, and almost any other variety that you might want. Why chase all over the country looking for one certain hybrid, if we don't have it we'll sure try to get it for you. Let Golden West Seed Co. help you with your seed needs.

It's getting time to limber up those shotguns again. Quail season opens in New Mexico Saturday. And a few of us have already tried our luck on the lesser sandhill cranes. They have been flying high and fast most of the time, but I got one the other day. If you want a good foot race try running one of them down in a plowed field that has a broken wing. Contrary to what some people think they are pretty good eating if fixed properly.

Now is the time to start spreading your phosphate fertilizers. They will not leach out of the field before summer and you should apply some nitrogen now to help rot your stalks and get your land in shape next spring. Let us help you on all of your dry fertilizer needs. We can deliver semi-loads directly to your farm from Houston and save you money. Come see us.

## Magness Home Scene For Class Meeting

The Clyde Magness home in Farwell was the scene for the Monday evening meeting of the Rebecca Sunday School Class of the Farwell First Baptist Church. Mrs. Magness and Mrs. Claude Coffey were co-hostesses.

Following a short business session, Mrs. John Porter gave the devotional, reading and discussing the 23rd Psalm. She stressed that each one should be thankful for their many blessings.

Refreshments of date pudding and spiced tea were served to nineteen members and two guests, Mrs. Walter Hardage and Mrs. Charles Bowman, both of Lubbock.

## Mrs. Christian Hosts Club Meet

Members of the Oklahoma Lane Farmerette Club met in the Wendol Christian home on October 31 for a social and business meeting.

Roll call was answered with each member naming something she wanted for Christmas.

During the business meeting plans for the club's 10th anniversary dinner celebration were made. The affair will take place on November 24.

Refreshments were served after the meeting to Mesdames Delbert Garner, Donald Watkins, R. E. Blankenship, James Roach, Troy Christian, Donald Christian, Avis Carpenter, and Leon Billingsley.

## Mrs. Walling Hosts Coffee

Mrs. Mitz Walling was hostess for a get acquainted coffee Friday morning at her home, honoring Mesdames Bill Mayfield, Sally Tankersley, and Lola Smith.

Coffee and assorted cookies were served to Mesdames Don Williams, Harry Sheets, W. H. Graham, Pike Jordan, Bob Anderson, Joe Helton, Alvin Mace, A. T. Watts, Dan Truelove, Dempsey Alexander, the honorees and hostess.

Effective learning for moral and spiritual values will be the theme for the Thursday evening meeting of the Farwell P-TA when they gather on November 16.

Rev. Gossett, pastor of the Oklahoma Lane Methodist Church will be speaker for the meeting.

Hospitality committee is Mesdames Pike Jordan, Jack Kirkland, Bobby Hart, Donald Christian, Kenneth Stone, Gilbert Kaltwasser, M. A. Snider, Jr., Winnie Bradley, Elmer Hargrove and Margaret Kennedy.

Mr. and Mrs. Ken Hanks and Tommy visited over the weekend in Farwell with friends.

## Mrs. Cox Celebrates 91st Birthday

Mrs. Jas A. Cox was guest of honor at two parties this week, both to honor her on the occasion of her 91st birthday.

Sunday her son and family, the James Coxes of Logan were hosts for a dinner in her honor.

Attending were Ted Cox and Charles, Amarillo; Mr. and Mrs. Clint Cox and Mr. and Mrs. W. F. Arndt and Billie, Clayton; Gene Cox, Debbie and Gene Jr., Tucumcari; Mr. and Mrs. Jimmy Cox and Randy and Mr. and Mrs. Guy Cox, Farwell, and the honoree.

Wednesday, which was actually her birthday, Mrs. Cox cooked lunch for several friends and invited them to her home to help her celebrate.

Pot roast, hot rolls, gravy, creamed cauliflower, and sal-

ads, were served along with a birthday cake which had been baked by Mrs. A. D. Smith. Attending were Mesdames Susie Jesko, Albert Thomas, and E. G. Blair.

## Former Residents Have First Child

Mr. and Mrs. Robert Tucker of Cheyenne, Wyoming, became the parents of a daughter on November 2. The little girl, their first child, weighed 7 pounds 1/4 ounce and was named Laura Lynn.

Paternal grandparents are Mr. and Mrs. Hugh Tucker of Plainview.

# First Snow Blankets Area - Harvesting Delayed Again

## THE HIGH PLAINS FARM AND HOME

WHITE HEADS . . . of grain stood in sharp silhouette against a jet black sky at midnight Thursday. The blowing snow stuck to the laden stalks but did very slight damage to the grain fields during the four-hour snow storm.

LIKE SPARKLING JEWELS . . . A combine stands glistening in the early morning sun with snow plastered to its sides. Continuing wet weather has prevented the resumption of harvesting in Farmer County during the last week. Many machines wait at the turnrows while farmers look for warm weather to return to the area and dry the fields.

A combine stands idle in the middle of a half cut field of grain -- a cotton stripper glistens in the early morning sun at the edge of a cotton field -- a farmer peers out through a foggy window -- a blanket of blinding white snow covers waiting fields.

These have been the usual scenes in Farmer county during the past week as cold mist, rain, and snow prevented the resumption of harvesting. Warming weather at the middle of last week raised the hopes of many farmers with crops waiting in the field, but a clinging snow Thursday night smashed any chance of returning to the fields with the combines and cotton strippers for a few days.

From two to four and one-half inches of snow blanketed the county Thursday night, according to county-wide reports. The heaviest fall was in the northern part of the county with four and one-quarter inches in Friona.

From .4 inch moisture in the Rhea community to over an inch in other parts of the county were registered. Friona measured .99 inch while Black and Hub reported a little over one-half inch.

"Never since I can remember, have I seen summer come to such an abrupt end," everyone agreed. Several oldtimers could not remember seeing a comparable snow fall before the first freeze of the season.

The continuing wet weather during the past two weeks has probably damaged the cotton grade enough to lower the price by at least one cent per pound, according to Deryl Coker, county agent.

When applied to the projected cotton production of 65,000 bales for the county, the loss to the county will be over \$90,000 in farm income from the cotton alone.

"Water will squirt from some green bolls when they were squeezed," Gilbert Kaltwasser, Larlat, commented Monday.

Grain harvesting is reported to be about 70 per cent completed according to Coker. Most

of the grain is still standing and can be gathered with little trouble providing the weather dries enough to allow the crews to return to the field. Some of the grain is leaning after the snow and strong winds but can be harvested with the use of Hestands.

Clearing Skys and brilliant sunshine Tuesday again raised hopes that harvest crews could return to the fields by the end of the week.

### FOOTSAVING EDUCATION

#### Why Can't I Find Cheap Play Shoes That Fit As Well As Good Shoes?

There are two concepts of shoe fitting. One looks at the foot as it stands; the other as it works. The front of the standing foot is the toe end but the front of the working foot is the heel. Correct walking is heel and toe.

"Good" shoes are made to be fitted from the heel forward through the arch, to the ball of the foot. A properly fitted "good" shoe does not fit the toes; it must be roomy ahead, on the sides and above the toes. With this desirable roominess up front, the arch and heel sections must fit well to keep the foot from sliding forward and popping out of the shoe. Such construction requires better, slower shoe-making and that costs money.

The other concept of shoe fitting regards only the toes. The one criterion is that the toes must be at or very near the end of the shoe. The heel won't slip because a short shoe exerts enough pressure to hold it on. After a short time the toe - fitted shoes give enough to allow the great toes to hit the ends of the shoes. Then every walking step is crowding those toes forward with a lever action which exerts pressure that is six to eight times the weight of the child's body.

Unfortunately there is no pain at the time but selective service examinations, the lost - time records of industries, and the millions of dollars America spends on foot treatment are ample evidence that we sabotage the future health and happiness of Americans more effectively than any enemy could hope to.

## 200 Attend Program

Approximately 200 4-H Club members, parents, and friends attended the Annual Farmer County 4 - H Achievement Awards Program Saturday night, November 4, at 7:30 in the Oklahoma Lane Community Center. Eighty - one 4-H Club boys and girls received achievement awards medals and result demonstration completion year pins.

Linda Gleason, County 4-H Council chairman, served as mistress of ceremonies for the program. Reba Lesly, Gold Star Girl, led the group in the pledge of allegiance to the United States flag. Gary Foster, Gold Star Boy, led the 4-H Club motto and pledge. Guests were introduced by Linda. Those attending were Judge and Mrs. Loyde Brewer and Mr. and Mrs. Joe W. Jones.

Cooper Young, District 4-H Council secretary - treasurer thanked and gave recognition to many friends of 4-H who support the 4-H program in the

county. Those recognized were parents, adult leaders, home demonstration clubs and council, business people, Farm Bureau, Farmers Union, County Commissioners Court, Grain Sorghum, Producers Association, Cotton Improvement Association, Cotton Improvement Association, school administrators, community leaders, donors, Friends of 4-H, and Extension Service Agents.

Achievement Awards, medals and year pins were presented to each of the forty-five boys and girls who had the most outstanding project completions. Due to a limited number of achievement medals donated by national industries and manufacturers other club members who entered their record books received year pins. Presenting these medals and pins were County Judge Loyd Brewer assisted by Miss Ettie Musil and Deryl L. Coker, County Extension Agents.

Gold Star Awards for 1961

were presented to Reba Lesly of Farwell and Gary Foster of Oklahoma Lane Community. Reba is the daughter of Mr. and Mrs. U. L. Lesly and Gary is the son of Mr. and Mrs. Nelson Foster.

Richard Chitwood was presented the Santa Fe Award Honor of Recognition. Joe W. Jones former County Agricultural Agent, presented him with this award stating, "Richard has come a long way in his 4-H Club work." Richard will attend National 4-H Club Congress in Chicago later in November. He was among the four in the state who won a \$400 scholarship by entering his record book in the Santa Fe Railroad Award.

For the program a 4-H Club movie, "Man Enough for the Job", was shown. Richard Chitwood introduced the program and Deryl L. Coker, County Agricultural Agent, operated the movie projector.

To complete the program everyone said the 4-H Club prayer in unison led by Judy Koelzer, County 4-H Council treasurer. After the program boys and girls took part in recreation led by various 4-H members. Games were led by Katie Blackstone, Viane Lesly, and Patricia Tannahill.

Punch and cookies were served by the Lazbuddie 4-H Club adult leaders. All 4-H Club girls brought cookies to be served.

Farwell Sr. 4-H Club Girls served on the decoration committee. Club boys and adult leaders cleaned up the building. Judy Billingsley registered the guests as they arrived.

Receiving awards medals and completion year pins were: Citizenship -- Cooper Young, Achievement -- Richard Chitwood, Beautification of Home Grounds -- Bruce Billingsley, Agricultural -- Gerald Foster, Steven Young, Daryl Foster and Danny Miller, Beef -- Charles Shulk, Jerry Cass, Terry Parham and Kirby Burch, Garden -- Dale Blackstone and Frank Hinkson, Leadership -- Timmy Foster and Mike Hinkson, Swine -- Ronald Mayfield, Bobby Gleason, Jack Walker, James Wilson and Marvin Wilson, Tractor -- Gary Foster and Ronald

# 1962 Cotton Quota Vote Is Set

Tuesday, December 12, is the date set for the referendum on marketing quotas for the 1962 crop. At least two-thirds of the upland cotton farmers voting must approve the quotas if they are to become effective.

The national acreage available for distribution to growers for the 1962 upland cotton crop totals 18,101,718 acres, this includes an allocation of 100,000 acres from the national acreage

reserve to take care of minimum farm allotments. The national acreage allotment is apportioned to States, the State allotments to Counties, and the County allotments to farms according to the provisions of law. Individual farm allotments will be made available to producers prior to the December 12 referendum. If marketing quotas are approved in the referendum, price support will be available to

growers who comply with their 1962 upland cotton farm allotments at a level within the range provided by law--between 65 and 90 per cent of parity. If quotas are not approved for the 1962 upland cotton crop, the allotment program will remain in effect, and price support will be available to cooperators at 50 per cent of parity, as provided by law. Under a quota program, growers who exceed their 1962

farm acreage allotments would be subject to penalties of 50 per cent of the cotton parity price as of June 15, 1962, on the farm's excess production of the crop. In addition, none of the cotton produced on the farm would be eligible for price support. Cotton producers are urged to keep the date of the referendum in mind. A list of polling places will be announced at a later date.

# Farmers Union Elects New County Officers

New officers were elected at a county wide meeting of the Farmers Union Monday at 7:30 in the Hub Community House. Resolutions were passed for presentation to the state convention in Waco on Dec. 7-8, following the election of officers and state delegates. Officers elected were: T. O. Lesly, county president; Robert Calaway, vice president; W. M. (Sam) Bradley, secretary-treasurer; Delegates chosen to represent Farmer County at the state convention were: Dee Johnson, Wayne Clark, W. M. Bradley, from Lazbuddie; Wes Long, Clyde Weatherly, John Renner, from Friona; Robert Calaway from Bovina; and Glen Lesly from Farwell. Alternates are Leon Grissom

from Bovina and Charles Seal of Farwell. The major resolutions adopted by the 25 members present expressed opposition to any further tax on farm equipment (such as the license on cotton trailers); and any legislation which will cancel or hinder the present bracero farm labor program. The group resolved to request that unemployment statistics be listed by occupation because the present posting methods does not reflect the "high employment rate" of farm laborers. Resolutions presented to the state convention will also ask that lay-out payments be discontinued for grain fields when the price of grain sorghum reaches parity price level.

## NEWS FROM THE FARM BUREAU

BY RAYMOND EULER

President Harry Hamilton expressed himself as well pleased with the leadership Monday night. Plans to make this an outstanding year for the local Farm Bureau are in the making, and it appears that it will be. The fact that Texas Farm Bureau has fifteen hundred more members now than it had a year ago is indicative of the fact that Texas farmers generally are interested in the Farm Bureau program. Texas now has in excess of 82,000 members. ....

This reminds me to tell you about a Large Kitchen Appliance program we have planned for November 30 in Clovis, New Mexico. This workshop or program will be held in the Southwestern Public Service Auditorium. All the homemakers in the county are invited to learn consumer education about dish washers, washer - dryers, refrigerator - freezer, and range. This program will be an all-day meeting to begin at 9:00 CST, and conclude at 3:15. Everyone will bring a covered dish of meat, vegetable, salad, or dessert to be served at noon. Look for more details later in the newspaper and listen on the radio local news. This is just a reminder or rather an announcement to check your calendar for this program. Tell your friends, too, because everyone is invited.

The weather situation which has interrupted harvest makes the number to attend the state convention in Galveston next week from this area questionable. However, it appears that several may go. Farmer County is entitled to five voting delegates this year. Aside from the business sessions, there are some very well known and interesting speakers slated for the program. Wayne Poucher, radio minister, Life Line Foundation, Inc., Washington, and Bill Kennedy, editor, Farm and Ranch, Nashville, are two good examples. The Vesper Service Sunday evening will be conducted by W. F. Munnerlyn, Jr., assistant pastor, Berachah Church, Houston. We notice that these first three men are also on the program for the Freedom Forum being held in Amarillo this week. Also speaking in Galveston will be Governor Price Daniel, TFB President J. H. West and AFBF President Charles Schuman. We are glad to see these guest speakers listed, as they are all proponents of conservatism and, more important, Americanism and patriotism, which are two of the most important ingredients of Farm Bureau. .... Consider this: "He that soweth iniquity shall reap vanity; and the rod of his anger shall fall." Proverbs 22:8.

## WITH THE COUNTY AGENT DERYL COKER

Well, they say only new comers or fools will predict the weather in West Texas and the recent weather we have had should prove this statement to some extent. In talking with several of the old timers, they tell me this is the first time that we have had a snow before we have had a real good general killing frost or freeze. However we could have used some more warm weather to a good advantage, especially on cotton, I guess we are fortunate to have had the growing season we had. It would have been a big advantage to the farmers, if we could have had a dry freeze instead of a wet freeze. The wet freeze could delay the opening of cotton and thus hurt the quality and quantity of cotton in Farmer County. I know we are hurt, but the only way we have of knowing how much is to wait a month or two and see. Some 17 species of trees or shrubs are available to Texas landowners at a cost of \$1.50 per hundred. These are made available through the Texas Forest Service. The trees and shrubs may be used for windbreaks, soil stabilization, and Christmas tree (Red Cedar) plantings, but cannot be used or resold for shade or ornamental purposes. All seedling orders will be packed in moss and moisture proof paper and shipped prepaid direct to the purchaser. Orders must be in orders of 50 and orders for less than 100 seedlings or seed (black walnut) will not be accepted. Species available are Austrian pine, black locust, black walnut (seed), catalpa, Chinese elm, cottonwood, loblolly pine, mulberry, asage orange, ponderosa pine, red cedar, rosa multiflora, slash pine, sycamore, Russian olive, euonymus, and buffaloberry. Orders should be made as soon as possible because first come, first served. Shipments will be made in mid January and mid February. Order blanks are available in the County Extension Agents Office. People always have a tendency to put off things, or always put off till tomorrow

what I can do today. A lot of us are doing just this thing with Civil Defense. Every person in Farmer County should know what an atomic war would do to our way of living and how it would affect our family, especially during the critical period or first two weeks or a month after bombs were exploded. The County Agents office has a good supply of bulletins available for all families in Farmer County. An hour or two of studying these on a rainy or bad day would be well worthwhile and could mean whether or not you and your family survived an atomic attack. If you are interested in sugar beet production, there will be a meeting in Hereford on November 14 at the Bull Barn. The Honorable Robert Poage, Vice Chairman of the House Agriculture Committee, will participate in the panel discussion on the Sugar Act on Tuesday, November 14th, in Hereford, Texas. With Congressman Poage will be the Honorable Walter Rogers, Honorable George Mahon and Honorable Thomas G. Morris, (New Mexico). Acceptances from several other Congressmen are pending. Moderator of the panel will be Loyan Walker, Manager of the Agriculture Department of the West Texas Chamber of Commerce. The forum will follow a barbecue luncheon to be served by the Hereford Rotary Club at the large exhibition hall known as Bull Barn. Presiding over the meeting will be Mr. Henry Sears, President of the First National Bank of Hereford, and Vice President for Region One of the West Texas Chamber of Commerce. Sears, with Lee Benefield and James Wither- spoon, have served as the legislative representatives of the Texas Sugar Beet Growers Association.

"Good heavens!" cried Whistler as he saw his mother on her knees scrubbing the floor. "Have you gone off your rocker?"

## Producers Reminded Of Final Sign-Up

A great number of wheat growers have not been in to the ASCS Office as yet to sign their intention to participate under the 1962 Wheat Stabilization Program and these persons are reminded that in order to receive a diversion payment, avoid a penalty, or be eligible for price support on wheat produced in 1962, it is required

that each wheat grower file his intention with the local ASCS Office prior to December 1, 1961. All wheat producers, who have not already done so, are urged to come in and sign up as soon as possible in order to avoid the last minute rush during the last day or two of the sign-up period.

## Area Farmers Seek Higher Beet Acreage

Efforts to gain a larger sugar production allotment for Farmer County and surrounding areas will be renewed at a meeting of the Sugar Beet Growers Associations and several congressmen in Hereford Nov. 14. Area farmers and their fam-

ilies are invited to attend the day-long program which is intended to show appreciation to the attending congressmen for their part in initiating favorable legislation and to encourage them to continue their efforts in this area. Congressmen Walter Rogers, George Mahon and W. R. Poage are scheduled to attend the affair and additional legislative representatives from New Mexico, Oklahoma and other states are expected to attend. The congressmen will furnish the program following a barbecue. Tickets for the barbecue will be \$3.50 per person. The West Texas Chamber of Commerce and other area service clubs will take part in the meeting. The group hopes to gain a sugar allotment which will allow the increase of sugar beet acreage in this area sufficient to support a processing mill.

## SOIL CONSERVATION DISTRICT NEWS

OUR SOIL ★ OUR STRENGTH

As bird season opens many of us in Farmer County realize that we will have to go to another county to do our hunting. This is due to our main reason, lack of cover. If cover were provided, we could have more quail than any county in Texas. We have adequate food and water, but we do not have cover. There cannot be quail without cover. Existing cover usually can be improved by fencing out livestock. A small amount of light cover is adequate if near a good food supply. A cover of a field the size of an ordinary house or a double fence for a hundred yards may do. The two main considerations are: (1) the location must be close to food; and (2) livestock must be kept out. Let's get behind Farmer County Game Protective Association and provide cover and protection for wildlife in our county.

## Group Studies Screw Worm Control Plans

Farmer County cattlemen, agriculture teachers and county agents will meet at the Bovina School Cafeteria Thursday night to begin the organization of a screwworm eradication group. The county meeting is part of a state-wide drive by the Southwest Animal Health Research Foundation to organize the entire state and remove the costly parasite. All interested cattlemen are invited to attend. The main purpose of the meeting is to have the screwworm control program and what it means to the people of Texas explained and to start the organizational wheels rolling. Beef cattle producers in Texas estimate that screwworms drain at least \$25 million each year from their combined income. The parasite kills more calves than any other disease in the southern fourth of Texas, according to reports from the Foundation. In addition to labor, more money is spent for screwworm medicine than for treatment for any other single disease of beef cattle. Sterile flies will be used under the present system of control and if previous patterns hold true, the flies will breed themselves out of existence. Another of life's mysteries: Not all wives are ex-stenographers, but they all seem to know the touch system. One chorus girl to another: "Did you get that mink coat to keep you warm or quiet?"

## HD Agent's Notes

BY MISS ETTIE MUSIL

Fall is the time of year when you have many, many salesman coming around to your home selling magazines and what have you. We could summarize this type of salesmanship as, "Beware!" It's too bad that there are so many salesmen who really are not selling magazines but the magazines' companies. Some even use the magazine companies to hide behind just to take a few of your precious dollars out of your purse. Yes, it's too bad these salesmen go around from house to house impersonating war veterans who are crippled and "can't do anything else" or for veteran's credit. Later these same salesmen are in perfect physical condition. And a little richer with your nice donation rather than a magazine subscription order. When in doubt about any salesman just get rid of him before he rids you of your subscription money. In the last few weeks there have been several salesmen in the county. We do not know how many are truly authorized company salesmen, and how many are frauds. So, beware! We are so proud of all the 81 boys and girls who received

4-H achievement awards medals and year pins last Saturday night. This was our special 4-H activity of the year. Yes, the County 4 - H Achievement Awards program is an event boys and girls work hard each year to be eligible to receive awards for their projects. We would like to thank all the girls and everyone who had any part in decorating, serving refreshments, cleaning up, registering guests, flowers, cookies, making the delicious punch, and anything else that was needed to aid in the success of the program. We are indeed grateful for the hard work Leon Billingsley did in bringing more chairs from the Oklahoma Lane Methodist Church. Of course, we are so grateful for the use of the Oklahoma Lane Community Center. Next week, Monday and Tuesday, I shall be in Amarillo for a two day small equipment appliance training. We home demonstration agents in the state were trained last year in large appliances, so now we will add small electrical appliance to our list of helps for you. If you need any assistance in trying to decide about any appliance do call on

**Rev. Zinn To Speak To Exes**

Rev. Vance Zinn, who formerly taught in Farwell Schools, will be speaker for the annual reunion of the ex-students of Farwell, Oklahoma Lane and West Camp Saturday, November 25, when the group convenes at 8 p. m., says Harold Carpenter, president.

"This year, we'll meet informally, over pie and coffee," says Carpenter. He explains that no one is available to serve a banquet, as has been scheduled in past years.

Rev. Zinn, who is well-known as a comedian, philosopher and recording artist, is now a Calvary Baptist Church in Floydada.

Dues this year are 50¢, says Carpenter. Local women ex-students are asked to bring pies for the occasion.

**Bids Opened At Board Meet**

One hundred twenty - five thousand dollars worth of bonds were sold to Luce - Thompson and Crow of Kansas City and Albuquerque Wednesday evening, when members of the Texico School board opened bids for construction of a new school building.

The board received a total of nine bids with Luce-Thompson and Crow low bidders. Another \$40,000 worth of bonds will be sold in the spring according to Buck Doran, superintendent of the school.

The John Grossmann family of Oklahoma City visited with the Elmer Scotts last weekend. The two women are sisters.

Mr. and Mrs. B. L. Scott and Mrs. John Scott of Frederick visited the Elmer Scotts Saturday and Sunday.

**JOTTIN'S**  
By Jeanne

Our two-year-old extrovert, John Dudley, might have been the only little bear on Halloween who consistently wore his mask upside-down. He seemed to like it that way, even though he couldn't see at all. The eyeholes were on his chin.

In fact, it was this little problem which nearly lost him from his big frothers. We pulled into the M. A. Snider driveway because Cheryl Boling who accompanied us, wanted to show Wilma her costume. With six little "trick the treaters" in the car, I watched them file by in front of the headlights, then noticed that only five had gone by.

In a few seconds, when the sixth one didn't appear, I got out of the car and began looking for John. Another group of youngsters was returning from the door of the Bob Andersons next door. I followed and

sure enough, John had merely followed the crowd.

I've wondered since what Ann Lovelace and Mrs. Dargin Kirk would have done when they discovered their extra. I know what Mama would have been doing. I'm sure, however, that they would have returned our little bear.

It's a credit to our young people. If you haven't driven by the new Farwell cemetery out on the Amarillo highway, you should make it a special trip and see what a beautiful spot it is.

Farwell should be indebted to those men who saw the need to do something about the cemetery situation and were willing to make it a personal project.

These are the products of man's labor—and God's. From the moment the seedlings were placed in the warm earth, they have been under constant care.

First came the rain and the sun—and then the ceaseless work of fertilizing, cultivating, and spraying. Last, came harvest time, when the proud growers gathered the rewards of their labor.

Only by such diligence can we hope for a truly bountiful crop. God has given the refreshing rain and warm sunshine, but He expects us to do our part.

And so it is with the care and cultivation of our spiritual lives. Man is endowed with many talents and qualities, but unless he tends and nurtures these gifts, they will not increase and grow.

Harvest time in the life of every person is at maturity, when men are at the peak of their usefulness and wisdom. By attending the services of the Church and by studying the Scriptures, we will realize greater happiness and contentment here on earth—and will be preparing ourselves for the RICH HARVEST of a life hereafter.

**THE CHURCH FOR ALL . . . ALL FOR THE CHURCH**

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
