Meet Friona Chieftains Sept. 13 --

Steers Look Good In Scrimmage Game

The Farwell Steers looked better than had been expected in the scrimmage game with Portales Rams last Saturday night, according to Coach Toby Booth. The Steers scored two TD's to their opponents one and another TD by Danny Prince was called back due to a clipping penalty.

Coach Booth said, "The Portales Rams were a much better club than they were last year; but also our boys looked better than had been expected. We (the coaching staff) were well pleased with the overall performance of the Steers and with their effort. Their passing is way ahead of schedule for this time of year, their defense is good and running is good in spots; however they need much

work on the running game and to improve on defense."

TD's were scored by Craig Phillips and Dean Stovall, Quarterbacking the team this season is Greg Hargrove, a 135-pound junior who saw some action last year in that position.

Other players and their positions are Charles Bowery, tackle, 220 lbs; Robert Curtis, tackle, 220 lbs; Randy Johnson, guard, 160 lbs; John Long, guard, 175 lbs; Denny Lunsford, guard, 150 lbs; Robin Mahaney, end, 135 lbs; Roger Patrick, tackle, 165; Al Phillips, back, 180; Kyle Sheets, back, 160; James Symcox, guard, 155; Terry Travis, tackle, 165; Milton Walling, back, 180; Carl Goetsch, back, 120; Greg Hargrove, QB, 135; Doug

Harriman, end, 155; Robert Haseloff, center, 165; Greg Meeks, center, 170; Dean Stovall, end, 160; Dan Prince, end, 162; Mark Williams, end, 145; Bob Wiman, tackle, 195; Randy Chandler, back, 165; Mike Flowers, back, 155; Gene Sheets, back, 145; Barry Williams, tackle, 170, and Dennis Ensor, end, 150.

Managers of the team are Hal Haynie, Randy Stewart and Frank Galvan. Coaches are Toby Booth, Vernon Scott, Jerry Owen and Larry Taylor.

First regularly scheduled game for the Steers will come on Sept. 13 when they meet their cross-county rival, the Friona Chieftains on the local field, Coach Booth said he knows little of the Chieftains, except that they have five returning offensive men, and six returning defensive men with the backfield from last year remaining intact this year.

The Steers will be at full strength, barring accident, when the two teams collide next week. Game time is 8 p.m.

Enco Station Under New Management

The Enco Station, which has been operated for the past few

years by Johnny Watford, opened early this week under new management. New manager of the station is Jack Doshier, a native of the Farwell area.

The station, next door to Watts Oil and Tire Company, specializes in washing and lubricating of cars and they invite all their friends to come by for a visit, or call and they will pick up and return your car when the job is completed.

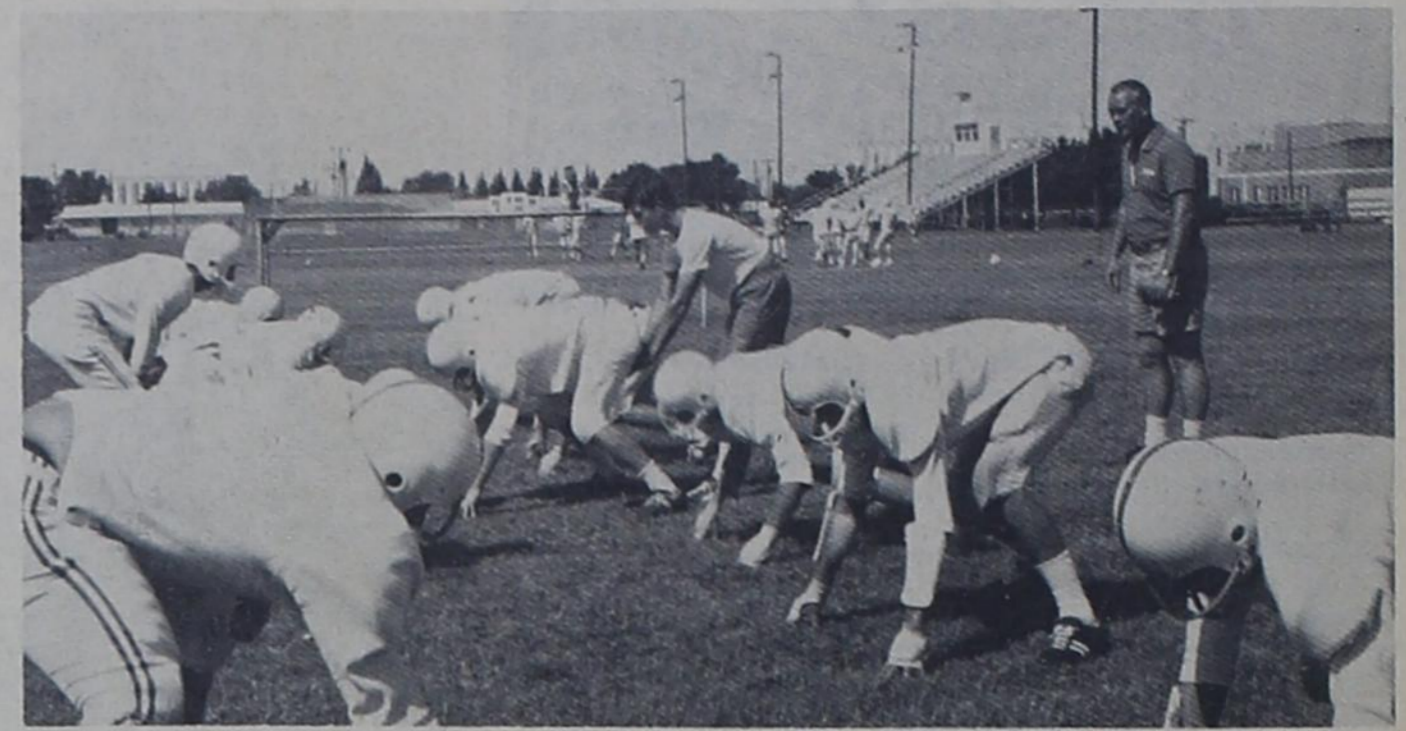

Watford could not be reached to learn what his future plans are.

Vote In General Election --

New Residents Have 15 Days To Register

Voters who have lived in Texas less than a year must apply for a ballot during a 15-day period beginning Friday, September 6, if they want to vote for President and Vice President in the coming general election, Bonnie Warren, Parmer County clerk, has announced. Applicants must appear in person at the county clerk's office.

This will be the first time that persons having less than a year's residence in the state will be able to vote in a presidential election, Mrs. Warren said. A law passed by the Texas Legislature last year permits a voter who moved to Texas from some other state less than a year before general election day to vote for President and Vice President, but for no other offices, if he will have

LINE IN ACTION -- The Farwell Steer line is being coached in fundamental moves by Vernon Scott, assistant coach, as they prepare for the coming season when they will meet ten foes, including one new opponent, Vega High School.

BACKFIELD AT WORK -- Preparing for their game with Friona on September 13, the Farwell Steer backs, directed by Coach Toby Booth, are working hard.

Pleasant Hill Area --

Hail Damage Heavy

Although Texico-Farwell received only a slight sprinkle of rain Tuesday evening, the area north of Texico and east of Bovina suffered heavy damage to

crops in the deluge of rain and hail which left varying amounts of moisture in a ten to 15 minute period.

Bovina received approximately 1.4 inches of rain accompanied by damaging hail during the storm which struck around 9 p.m. Don Geries, who lives two miles north of Pleasant Hill and one mile east, reported 1.6 inches of rain accompanied by hail which did heavy damage to milo crops and an estimated 100 per cent damage to cotton in that area.

Further west across the state line in New Mexico on the Herman Geries farm, some 2 1/4 inches of rain fell accompanied by severe hail, although not as heavy as that reported by Don Geries.

Leon Langford, eight miles north of Texico, reported 1.4 inches of rain accompanied by heavy hail in that vicinity. He estimated the milo crop damage in the neighborhood of 1000 lbs. per acre. Damage to cotton crops in that vicinity was also heavy.

There were no reports of rain in Oklahoma Lane and Lariat, or in the area south of Texico-Farwell.

O. C. McBride

Dear Turnrow Tunkel . . .

DON'T YOU think North Vietnamese leaders were encouraged by all the "stop the bombing" speeches at our political conventions?

Yes, I kept hoping at least one speaker would call for "increasing the bombing," just to shake Ho Chi Minh up a little.

ACCORDING TO a jar manufacturer, home canning is on the increase.

Many Texans can remember when a large part of a family's food was home canned, and at Saturday night dances the fruit jar was as important as the fiddle.

HOW DO you account for the recent popularity of men's sideburns?

I suppose they give men a feeling of superiority. Women are claiming they are equal to men in every respect, but when it comes to growing long sideburns, men have them beat a country mile.

IN YOUR opinion, did any good come out of the turmoil at the Chicago convention?

Yes, We found the ideal man to take charge of security in Saigon: Mayor Daley. He'd round up those Viet Cong terrorists so fast we'd have to build two new jails to hold them all.

DON'T YOU think the cost of a child's school supplies these days is outrageous?

Yes, I can remember starting to school with a penny cedar pencil and a 5-cent tablet. We may have been short on equipment in those days, but we made up for it at lunch time. How many of today's kids take along sandwiches made of thick slices of country-cured ham between big homemade biscuits?

I UNDERSTAND that regular air service between New York and Moscow is now in effect. A round-trip costs \$1100.

If I ever took one of those flights, I'd certainly want a round-trip ticket, and I'd prefer to go on the "fly now-pay later" plan. The Russians have been known to cancel the return part of a traveler's ticket, but they'd probably allow a fellow to go home if they stood to lose 1100 bucks by keeping him,

Texas Highway Department --

\$3,900 Approved For Road Improvement In Parmer County

Parmer County Judge Archie Tarter has announced that the Texas Highway Commission has approved the expenditure of \$3,900 for highway safety and betterment and for Farm to Market Road Improvement in Parmer County during 1969.

According to Judge Tarter, Oscar L. Crain of Lubbock, district engineer, said a total of 1.9 miles in Parmer County

will be involved in the annual project. Work will be under the supervision of James W. King, district maintenance engineer, also of Lubbock. The work is a part of the Highway Commission's combined FM Road Improvement and State Highway Safety and Betterment program for the coming year.

The safety and betterment part of the program includes

seal coat for 0.5 miles of highway in Farwell from the New Mexico State Line to Seventh Street in Farwell. Cost of this project is estimated at \$2,100. An additional \$1,800 will be used on the FM road improvement program.

Crain stated that the proposed improvements play an important role in the department's continuing highway safety program.

In Tribune --

Football Contest Begins Next Week

If you are too young or too old, too weak or too tired to get into the game of football any other way and like to take it easy and sit in "ye old armchair" and punt, pass or kick in retrospect, then the game for you is the annual guessing game, the Annual Merchant's Football Contest, carried in the pages of the Tribune and sponsored by local business firms.

Winner of the contest, which will begin in next week's issue of the Tribune, will receive two tickets to the New Year's Day Cotton Bowl football game as top prize, along with \$50 expense money at the end of the contest. In addition, weekly prizes of \$5 (first); \$3 (second); and \$1 (third) will be given to winners of the contest each week.

In order to get into the game, one must be 12 years of age or over and must have his entry into the Tribune office no later than Friday, if mailed. There

are no other rules, and anyone not only "can" but is urged to enter the contest.

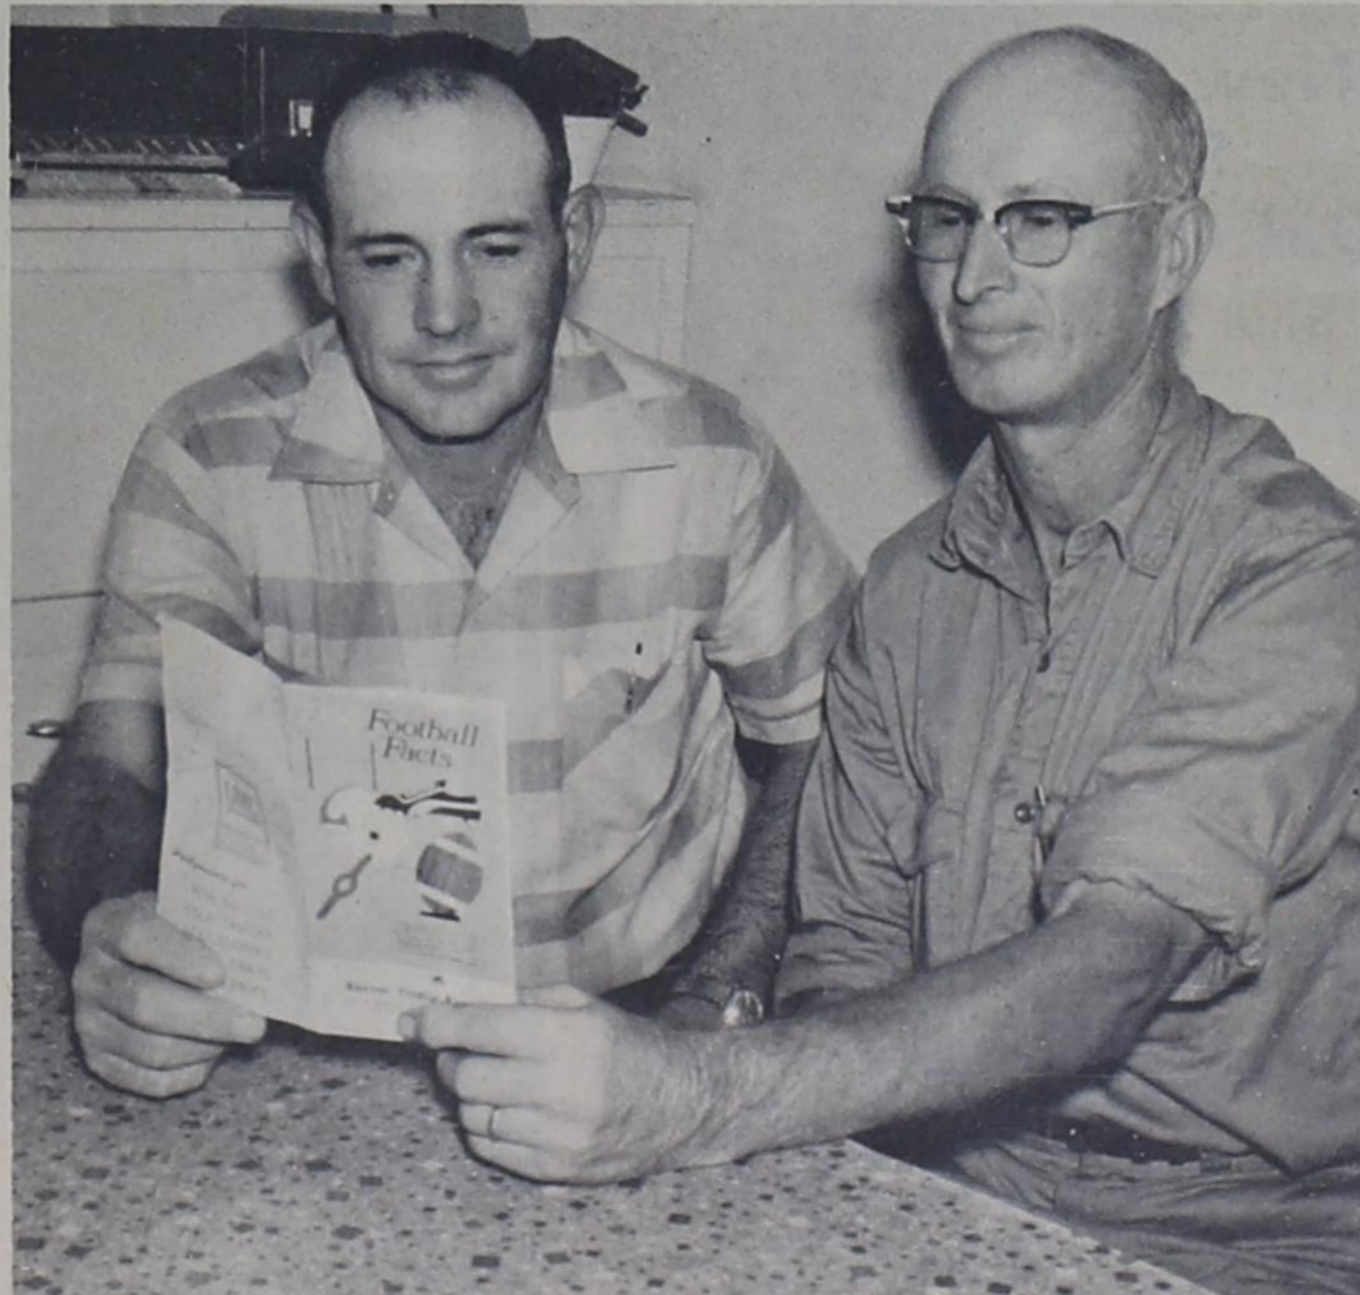

Each week during the coming twelve weeks, ten games (high school, college or professional) will be published on the contest entry. The Farwell games will appear on the contest each week, but will be used as a tiebreaker only, in case more than one person call the same number of games correctly. Contestants must pick a score on the Steer game each week. We repeat, the game will not count as one of the contest games. It will not matter if the team picked as the winner is right or wrong, since only the point spread will be used as a tiebreaker.

Winner of the contest last year was C. L. Mahaney, who called 79 games right during the course of the contest. Willie Dannheim was runner-up with 77 correct games. Other persons holding top places during the entire course of the contest were Lonnie McFarland, 76 games right; Buck Gregor, 75 games; Glen Phillips and T. J. Kittrell, 74 games each.

In addition to Mahaney other contest winners during the past nine years have been Mazine Williams, Bunk Phillips, Jerry Dee Owen, A. D. Kirk, Thelma Alexander, Dodie Actkinson, Mrs. L. C. Herington, and Dee Owen. This could be your year to WIN!—so get out the pencil and limber up the old writing arm and prepare to enter the contest each week. Well over 200 persons entered the contest last year.

Sponsors of the contest include Lariat Gin, Farwell Equipment, Security State Bank, State Line Grain Co., Oklahoma Lane Farm Supply and Gin Co., Sherley-Anderson-Pitman - Farwell, and Sherley-Anderson Elevator-Lariat, Worley Grain,

Piggly Wiggly, Monsanto, Nickels Gin, Williams Fertilizer, Farwell Motor, Kelly Green Seed, Texaco, Inc., Hughes Insurance, Farwell Grain Exchange, Capital Foods, Clara's Spur Restaurant, West Texas Drilling, Sheets and Sheets, Farwell Hardware, City Cleaners and Watts Oil and Tire Co.

SCHOOL BEGINS----C. L. Mahaney, left, winner of the 1967-68 football contest, and W. M. Dannheim, runner-up in the contest, begin their study of college and professional football games in preparation for the coming contest. They peruse a copy of "Football Facts" to find the way various teams finished last season and the predictions for the coming year.

It is truly said that "truth is stranger than fiction" and it might also be added that last week's convention was funnier than any rehearsed script. How are we ever going to go back to regular TV fare after that performance by real life unpaid people???

In the myriad of release that cross our desk each week, a few gems of wisdom will often be found. This past week we came upon an article by Charles B. Shuman, president of American Farm Bureau Federation, concerning the tide of inflation engulfing the country. One paragraph of it is so well said that we pass it along for your study, as follows:

"Inflation has been the recurring scourge of humanity from the days of the Roman Empire to the present time. There is no mystery about inflation. Its cause, excessive government spending, is well known. Since the cause is known, the cure should be obvious. But application of the necessary therapy is resisted by the politicians who distribute the money as well as by those who are on the receiving end. . . . The recent devaluation of the British pound was apparently accepted as a means of meeting a financial crisis without the necessity of curtailing costly socialist spending programs. We in the United States are probably not far from being forced to make the same unhappy choice, devaluation of the dollar or effective control of federal spending. The people of the United States must make this decision. If left to political leaders, correction of the basic cause of inflation will be ignored while attention is diverted by striking at its symptoms through price and wage controls or other ineffectual actions. . . . Inflation gets its impetus from human selfishness and greed, and it is, in reality, an effort to conceal the cost of present day spending. It is an effort to get benefits without facing up to the problem of paying for them."

The last three sentences are about as succulent a summation of the causes of inflation that we have heard and think them worthy of everyone's deepest consideration.

Mrs. John Christian's father, S. P. Nielson of Raymondville, Tex., is a writer of poems of timely topics. Norma brought to us the following poem on the ship Pueblo:

CHANGE OF PROCEDURE
There was a time when you could go
To Zanzibar or Tokyo
You always knew Uncle Sam
Would stand behind you in a jam.

Those were the days when you took pride
When having been identified
As an American who knows
That he's protected wherever he goes.

Since then a change has taken place
Small nations slap us in the face
Like stealing our ships and crews
For which we pay them revenues.

The Pueblo is an illustration Of such a sorry situation. The old respect for Uncle Sam, Has vanished like a broken dam.

1898 - Remember the Maine!

1968 Remember The Pueblo!

Meeting Notice

James Craig, president of the Little League Baseball Association, announces a meeting of all persons interested in Little League baseball for 8 p.m. Tuesday, Sept. 10, at Clara's Cafe. At that time, officers and directors for the coming Little League season will be elected and plans made for league activities. A good attendance is encouraged by Craig.

Mrs. Patschke Republican Chairwoman

Mrs. Gil Patschke has been named Parmer County Republican chairwoman, according to information released early this week by Glenn Lust, Parmer County Republican chairman.

In making the announcement, Lust said, "I am pleased to make this appointment as Mrs. Patschke is an enthusiastic worker of the Republican party and is well qualified to work with the women of Parmer County as vice-chairman. She is a welcome and needed addition to the Parmer County Republican Executive Committee."

ANTON TREATS SCOUTS -- Anton Fire Chief and Lions Club President Louis Boothe (left) and Chamber of Commerce member Douglas Teague (right) welcomed Texico-Farwell Boy Scouts to their overnight camp-out in Anton's City Park Friday night. Eight of the thirteen boys on their 37 mile hike to Lubbock were (l. to r.) Roy Johnson, Kie Watkins, Mitchell Turnbough, Kent Blain, Ricky Johnson, Donnie Garner, David McMaster, and Randy Stovall. Present but not pictured were Mike Casey, David Turnbough, Mac's McDonald, Loren Gibbs, and Phil Baker.

Troop 200 Finds Anton Friendly On 37-Mile Hike

Anton city officials gave Texico-Farwell Boy Scout Troop 200 the red carpet treatment Friday evening as 13 members of the troop camped overnight in the Anton City Park. On their way toward Lubbock, the boys were treated to pops, fried pies, and other refreshments by members of the Anton Lions Club, Fire Department, and Chamber of Commerce.

Troop 200 Scouts had already hiked that day from Sudan, a distance of 22.2 miles. Although delayed several hours by rain Saturday morning, the boys were able to hike 14.8 additional miles, to a point east of Shallowater. They then boarded the Scout bus for the remaining miles into Lubbock.

At Lubbock's Mackenzie State Park, members and leaders visited the park's amusement rides. Highlight of the evening

Marriage Licenses Issued

A marriage license was issued from the office of County Clerk Bonnie Warren on Thursday, August 29, to Lloyd Martin Watts and Darla Catherine Howell.

Marriage licenses issued from the office of County Clerk Bonnie Warren during the past week went to: Charles David Lott and Joy Carol Chumley, Aug. 30; Royce Wayne Barnes and Connie Jo Julian, Aug. 30; Ray Edward Johnson, Jr. and Ila Leigh Cote, Aug. 30; Judy Irene Hughes and Charles Lee Herrington, Aug. 30; Michael David Parrish, Linda Kay Jones, Aug. 31; and Darrel Wayne Hayes and Emma Vida Wallace, Aug. 31.

Mr. and Mrs. Don Ford of Ft. Worth were visitors in the homes of Mr. and Mrs. R. S. Ford and Mr. and Mrs. Don Williams and family last week.

New Residents --

(Continued from Page 1)

when he goes to the county clerk's office to apply for a ballot. If he does not have written proof of his registration, it will be necessary for the clerk to obtain verification of his voting eligibility from the voter registrar or other appropriate election official at the place of his former residence before he will be accepted for voting.

Applications must be filed with the clerk by 12 noon Saturday, September 21. However, the voters will not actually vote until the period of October 21-November 1, when they will return to the clerk's office and

cast their ballots. Mrs. Warren said that each applicant will be given written notice informing him whether his application has been accepted after the clerk receives a reply from the voter registrar in the state of former residence.

Persons voting in the presidential election under this special procedure need not be registered as voters in the county where they now live.

Mrs. Warren emphasized that this voting procedure applies only to persons who will have lived in Texas less than a year on election day. If a person moved to Texas before November 5, 1967, he must be registered with the county tax assessor-collector in order to vote in the general election on November 5, and he will vote in the regular manner on election day. However, only those persons who became residents of Texas after October 1, 1967,

may register at this time, and they must register by next October 5 in order to vote in the election on November 5. Registration for persons who became residents on or before October 1, 1967, closed last January 31.

Hiking on the trip completed Second Class hiking requirements for Donnie Garner, Ricky Johnson, David McMaster, and Phil Baker. Distance covered by other boys will be applied to their Hiking Merit Badge work.

WSCS Sponsors Patriotic Program

All area women are invited to attend the program being hosted by ladies of Hamlin Memorial Methodist Church at the Farwell Church September 10, 8 p.m., as a part of the Ecumenical movement of the church. Speaker for the program will be Capt. Theodore Spronger from Cannon AFB, a graduate of Trinity College in Dunedin, Fla., who holds bachelor and master degrees in Bible and who has also graduated with a bachelor of divinity degree and a Ph.D. degree in Theology from Simmons University.

Visit In Alamogordo, El Paso

Mrs. Crystal Moss accompanied by Mrs. Jerry Henson and daughter, Jarilyn of Clovis, spent the weekend in Alamogordo, N.M., and El Paso visiting with friends and relatives.

They were joined by Mr. and Mrs. Jimmy Don Moss and children of Willcox, Ariz., for a reunion with Mr. and Mrs. J. Glendon Moss on Sunday in the home of Mr. and Mrs. Edward Olsen, Mrs. Glendon Moss' parents.

Mr. and Mrs. J. Glendon Moss left Monday morning for their new home in Honolulu, Hawaii, and the rest of the group returned to their respective homes.

Visit In Local Homes

Visitors in the homes of Mr. and Mrs. S. O. Billington and Mike and Mrs. Eddie Traxson and Stephanie this week are Mrs. Leonard Williams and children, Lynne and Lyle, from Clear Lake City.

Leonard Williams will join his family here for a weekend visit before they return home next Monday.

The patriotic program will also be highlighted by Mary Rando of Friona presenting the speech, "I Am the Nation," Mrs. Joel White of the local

Women's Society of Christian Service reiterated that all women, no matter what faith, are invited to attend the meeting on Sept. 10.

Hillock Assigned To Vietnam

Army Private Steven K. Hillock, 22, whose parents are Mr. and Mrs. Vernon Symcox of Rte. 1, Farwell, has arrived in Vietnam where he is assigned as a rifleman in the 4th Infantry Division in Vietnam.

This will be the second tour of duty for Hillock in Vietnam.

His first tour of duty in that area was served as a member of the United States Navy. Following his discharge from the Navy he enlisted as a member

Mr. and Mrs. Alan Teel and son, Kyle, from Roswell are visitors in the Elmer Teel home on Sunday. Mrs. Gene Usrey and sons, Steven and Mark, also from Roswell, are spending this week in the Teel home.

Mrs. Elmer Teel reports that her husband is showing a slight improvement.

19 Participate In Ladies Golf Tourney

Nineteen ladies participated in the Ladies Golf Tournament at Farwell Country Club last Wednesday, according to Mrs. Betsy Stone, tournament chairman. A luncheon was served following the tournament and coffee and doughnuts were served before tea time.

Patty Tatum was winner of the 18-hole flight followed by Pat White. Second and Ann Johnson, third both of Colonial Park Club in Clovis.

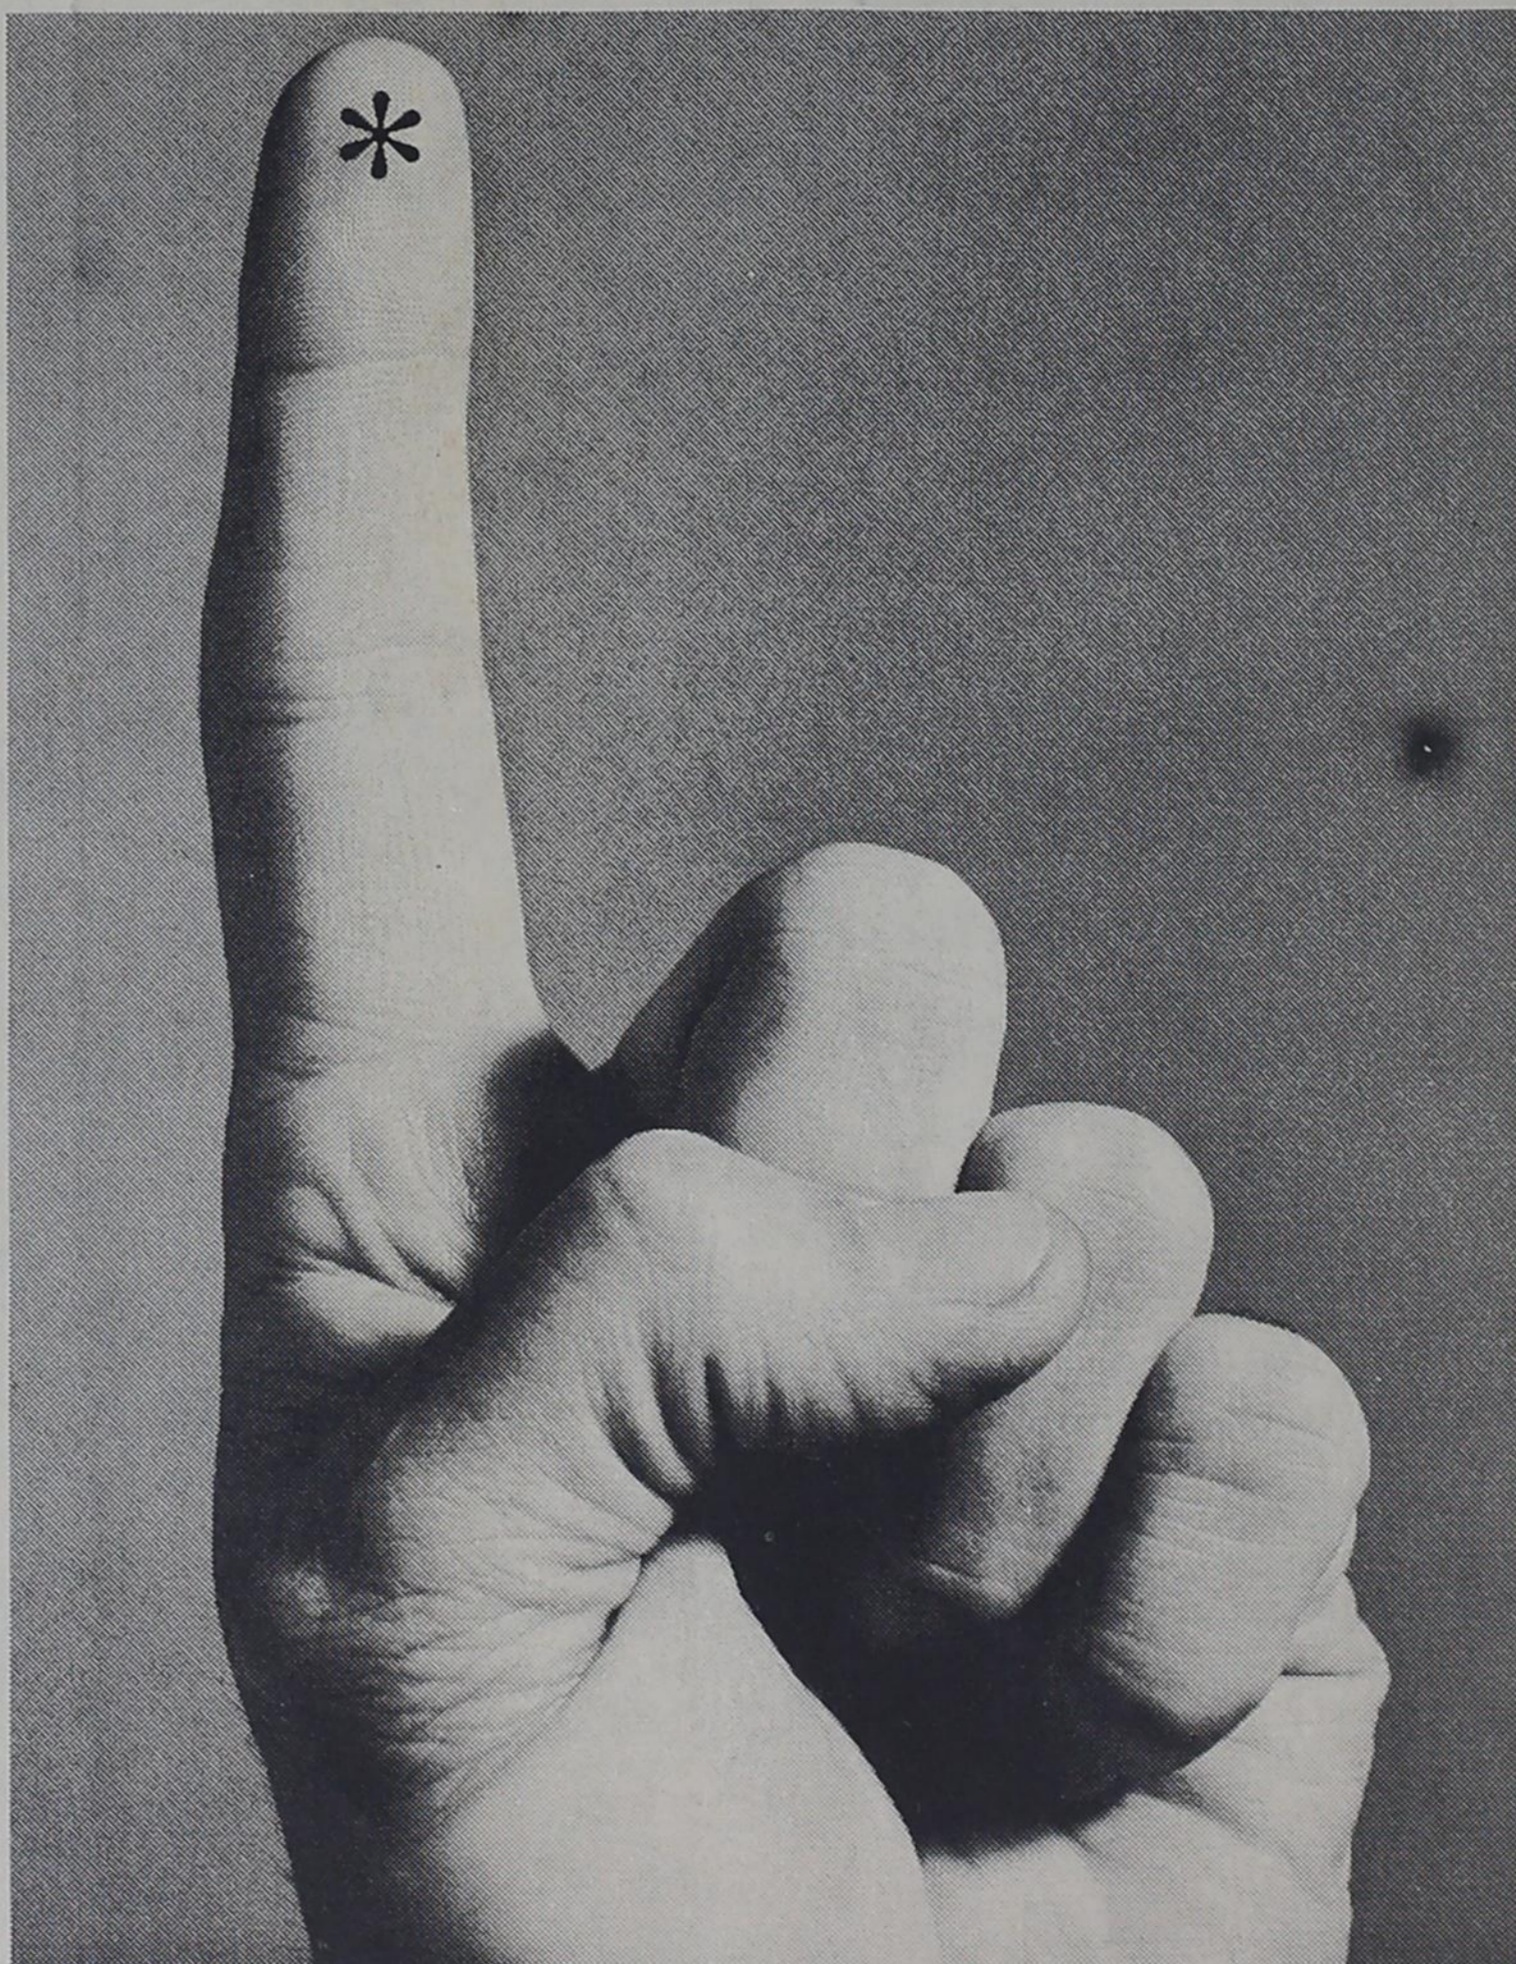

Winner of the nine-hole flight was Omata Scott. Second place winner was Jean Prince, and third place winner of the flight was Reba Bonds, all members of Farwell Country Club.

Japanese Girl Finds Texas Big, Interesting And Exciting

By Chris Moss

"It's all so big," was the exclamation of Tomiko Otonashi of Osaka City, Japan, when she arrived in Farwell for a visit in the home of Mr. and Mrs. Ronnie Wines and children nearly last week.

Miss Otonashi (Miko) and Mrs. Wines began a correspondence some seven years ago when Mrs. Wines (the former Donna Mills) saw Miko's name in a magazine (she is not sure but thinks it might have been a farm magazine or a church paper) asking for pen pals in this country. For the next few years the girls kept up a lively correspondence, but in the past few years they had heard from each other only occasionally—so imagine Mrs. Wines surprise a few weeks ago when she received a letter from her former pen pal saying that she was coming to the United States for a visit and would like to stop in Farwell for a visit with Mrs. Wines and her family.

The Wines family had been notified that Miko would arrive in Amarillo via plane at 6 p.m. last Tuesday, but when they arrived in Amarillo they found that due to the time change she had instead arrived at 1:30 p.m. and had been patiently awaiting their arrival for several hours.

As the family headed back for Farwell after their initial meeting, they ran head on into a severe hail and rain storm in the Canyon area, thus intimidating Miko to more of the various changes in weather in the area. "We have only snow with a little rain in the winter," said Miko in telling of her surprise at

seeing the large hallstones—first ones she had ever seen.

Miko, who is 24 years of age, is fulfilling a ten-year dream by visiting the United States. Although she is engaged to be married, she and her fiancé have an understanding that they would not marry until she had fulfilled her dream and made the trip. She expressed little surprise that the trip from Tokyo to California took only nine hours flying time, but did express surprise at the difference in the countries.

Many Americans live in Osaka and Miko stated that one can find all cultures in her homeland, while in America everything is "so different". "In Osaka, as in the whole of Japan, cultures from all over the world can be found," said Miko, noting that in America everything is the American way. Young people in Japan are taking up the western style of dress with mini skirts for the girls and Beatle haircuts for the boys in evidence, stated Miko, who said that the older Japanese people still cling to the traditional manner of dressing and living.

The young people of Japan do concede to dress in traditional fashion on festival days such as Happy New Year and "boy" and "girl" festival days. She explained that the boy and girl festival days are celebrated much as an American birthday. Families with boys celebrate on May 5 while families with female children celebrate on March 3.

Many of the Japanese homes are being built on western styles and furnished accordingly,

stated Miko, but the older Japanese people still cling to the wooden houses with mats on the floor and low tables from which they eat while seated on the floor. The more modern homes do have their own private bathrooms, but public baths are still much in evidence, located conveniently for an entire neighborhood. Miko quipped, "the bath house is the place women or men gather to chatter. "Japanese people still cling to the tradition of removing their shoes when they enter the house; however all Japanese families, no matter how rich or how poor, do have television sets and telephones, she said.

It is extremely hard for Miko to tell about the age of American girls since girls of all ages wear makeup and style their hair in the latest fashions. This is not so in her homeland where girls who are still in school would never wear makeup, but wait until they have completed their education and are working before doing so.

All Japanese children are required to attend six years of elementary school and three years of junior high school, where they are taught, among

other subjects, English. If they decide to quit school at the end of nine years, they can find suitable jobs, but now most of the young people realize the necessity of additional education; thus they remain in high school for an additional three years and many go on to attend junior college or the universities.

English is a required subject in the schools and most students who go on to high school and college take other foreign languages as a part of their curriculum. Miko was amazed to learn that in American schools students are not required to take a foreign language. She is a college graduate and is licensed to teach English in junior high school in her homeland. However, she is employed as an IBM key punch operator for Japan Limited.

When a young man or woman has completed his or her education, he is well equipped to provide for a family, said Miko. Young men and young women marry later than they do in the United States, she stated. Most boys marry when they are in their middle twenties and girls rarely marry before

they are 20 and many don't marry until they are 25 years of age or older, she added.

On the island of Japan, most of the world's religions are found, with Christian, Protestant, and Catholic, and Buddhism, all well represented.

Miko may stay as much as six months in the United States before returning to her native land, but she does not think she will ever forget her first glimpse of the horizon. In Osaka one can only see mountains and sea, and not where the earth and sky seem to merge as they do in our own West Texas and Eastern New Mexico. Before returning home she will visit in Guymon, Okla., Kansas City, Mo; and Tampa, Fla., with pen pals with whom she has corresponded for a number of years. The Japanese girl said, "You Texans seem to think you have everything bigger and better than anywhere else in the world," to which her audience agreed.

Arriving in the United States just as the Democratic convention was getting underway in Chicago, Miko expressed amazement that so many people in the United States are so interested in politics, for in Japan, although elections are held, little interest is shown by most of the people, she said. "It is hard for me to understand by watching television just what is going on at the convention," she said, "but I know it is all exciting and interesting."

Mr. and Mrs. Wines have expressed their delight at having Miko as a houseguest and are hoping that she will be able to return to Farwell for a visit before she returns to Japan.

FARWELL VISITOR -- Tomiko Otonashi, a guest in the Ronnie Wines home, was kind enough to dress in her native Japanese costume for a picture. Note the intricate design of the pure silk kimono, its obi (belt), her tabi (sock) and zouri (shoes). Miko explains that it takes an hour or more to dress in the Japanese fashion and she is usually assisted in dressing in the attire by her mother, since she (Miko) is accustomed to wearing western clothing.

Mr. and Mrs. L. R. Vincent returned home Monday night from Ruidoso and Cloudcroft where they had spent the weekend. While in Ruidoso they visited with Mr. and Mrs. Ira S. Levins and Mr. and Mrs. Sid Miller and daughter, former residents of Texico-Farwell.

At Home In Parmer County

By CRICKET B. TAYLOR
County HD Agent

ARE HOME FURNISHINGS FOR STATUS OR PEOPLE?

Home and furnishings have become a symbol as to the status of people. Some status seekers have show places for strangers - with little thought to convenience. Homes really

should be for people to live in and not show places.

Some homes recently observed have much to be desired as to the basic needs of individuals, their goals and values.

The physical needs a home can fulfill are: a place to rest, to sleep, and a place to eat.

There really is another need that a home must fulfill and that is mental well-being. Adequate storage can certainly contribute to this. No one can really feel peace in midst of clutter; therefore, a closet for instance should be more than a big space with doors. Adequate storage means: well-organized storage—a place for everything. Another point in storage that is often overlooked is that it should be easy to see, easy to reach and easy to grasp. The growing girl needs plenty storage space for books, treasures and clothing. A pegboard on one wall is almost a must for the teenager's room.

Few homes have a well-planned study desk for students, equipped with a good lamp designed for study. Some 4-H members who have taken projects in home improvement this year have made this addition to their bedrooms. Deborah Harding, Farwell 4-H'er, is one that made this improvement and is quite pleased with the results.

Information on study desk and study lamps are available in the Extension office, so if Johnnie is not taking the interest in his home study assignment that he should, could be he lacks the proper place to work or a poor light, or both.

Pep Club

Makes Plans

Farwell Pep Club met last week with President Karen Verrett in charge of the business meeting and 55 members in attendance. Plans were made for the year and members of various committees were told of their duties. Members voted to wear suits like the ones they used last year.

Cheerleaders led the club in some of the new yells and chants which will be used for the first time this year. A report was also given that the spirit stick will be given and all club members are asked to be on the alert for new ideas. Also, announcement was made that the school song will be used at all games and pep rallies and everyone is urged to sing with the utmost spirit.

"We would like to see everyone to stand when the school song is played, letting the Steers know you are backing them 100 per cent," said Miss Verrett. The spirit thermometer will be used this year for the first time and will be in evidence at all games and pep rallies.

Speaking for the Pep Club, Miss Verrett said, "We would like to take this opportunity to plead with everyone to help show some of that good 'ole Steer Spirit!"

Texico School --

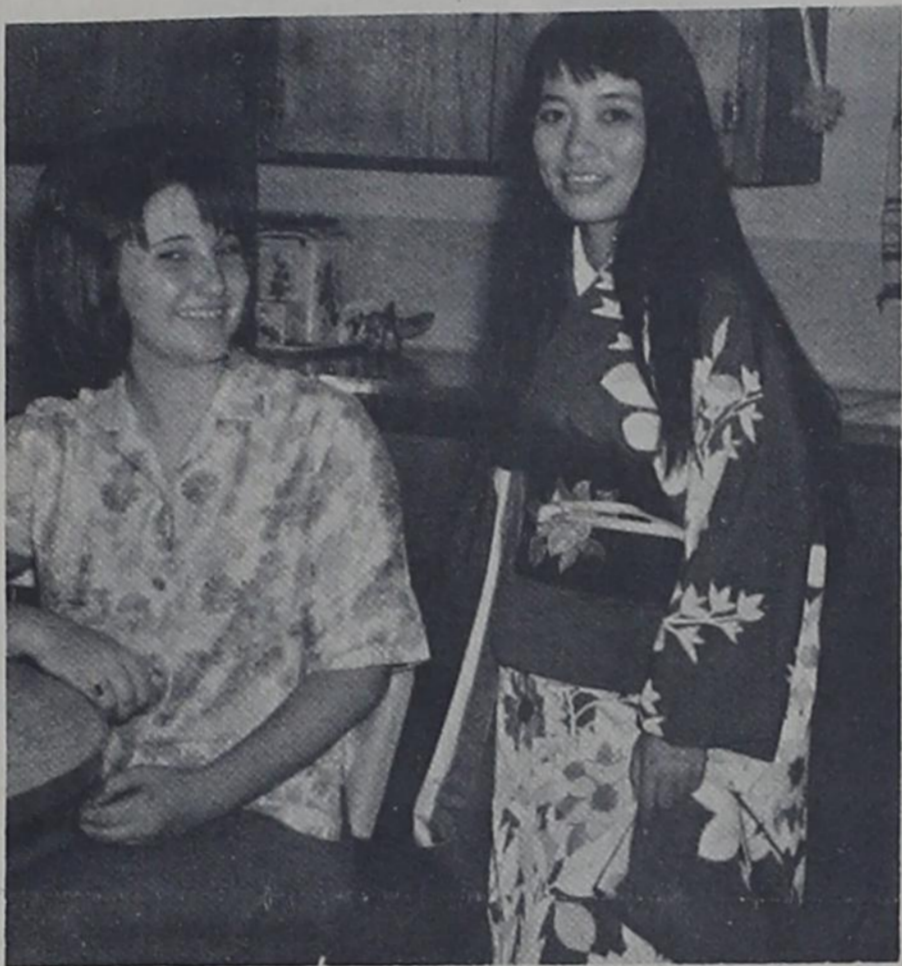

24 Out For Softball

Twenty-four boys are out for the softball team at Texico High School this year, but only two of the group are holdovers from the 1967-68 team. The two returning squad members are Charlie Tipton and Bobby Rus-

sell, seniors. Tipton saw duty last year as first baseman and short-stop and Russell played first base. According to Coach Charles Coburn, the team will be primarily made up of freshmen boys. "The squad is looking good in infield and outfield practice," said Coburn, adding that the first test will come today (Thursday) when the squad meets Causey on the local diamond at 2:30 p.m.

Other games scheduled for the season include Sept. 12, Elida VS Texico-there, 3 p.m. (CST); Sept. 19, Texico VS Grady-here, 2:30 p.m. (CST); Sept. 26, Causey VS Texico-there, 1:30 p.m. (CST); Oct. 3-Texico VS Dora-there, 2 p.m. (CST); Oct. 11-12, EPAC Tournament at Dora. Junior high school boys will be playing at the same places on the same dates.

Coach C. B. Stockton will be directing activities for the junior high school and high school girls in Texico this year. Their first game will be played at House on Sept. 10 at 2 p.m. Other games scheduled are Melrose VS Texico, here, Sept. 17-3 p.m.; Grady VS Texico, here, Sept. 24-2:30 p.m.; Dora VS Texico, there, Oct. 1-3 p.m.; EPAC Tournament, Oct. 11-12.

PLAN TO RIDE A HORSE -- Donna Wines, left, and her houseguest, Miko Otonashi from Osaka, Japan, make plans to go horse back riding, a new experience for Miko, who has seen horses but never been near or on one. Before returning to Japan, she plans to do many of the things and see many of the places she has read about and seen on television and in the movies, thus fulfilling a ten-year dream of coming to the United States and seeing first hand "what it is like."

Hospital Notes

Mrs. J. T. Ford, who was hospitalized in Clovis for several days, has been released from the hospital and is in Lubbock for a medical checkup at this time.

ATTENTION ALL FARMERS, CREW CHIEFS AND PARENTS:

Every child between the ages of 7 and 17 inclusive residing in Parmer County must attend public school regularly. The parents of such children not requiring them to attend school may be subject to heavy fines. Crew Chiefs may not work school age children during school hours. Farmers may be subject to heavy fines if they permit school age children to work on their land during school hours without a permit.

Committee Appointed At Meeting Of Ladies Assn.

A good attendance was noted at the Friday morning coffee of Farwell Country Club Ladies Association, Mrs. Norma Whitten, vice-president, was in charge of the meeting in the absence of President Bernice Norton.

A committee with Mrs. Bert Williams as chairman was named to look into cost of decorating the dressing rooms at the club swimming pool, and also to check into as to what the most important needs at the club are at the present time. Other committee members are Mmes. Reba Bonds, and Alta Gerles. A carnival or some other fund raising event was discussed for the future, and Mrs. Whitten instructed Mrs. Mona Hardage to check with President Norton to find out if the last appointed Ways and Means Committee is still in effect or if a new one should be appointed.

Announcement was also made that the bridge sessions for ladies will resume at the Country Club on Sept. 16 and will be held each first and third Monday afternoon thereafter, from 1:30-5:30 p.m. It was emphasized that ladies do not have to belong to the Country Club to participate in the bridge sessions-and all ladies interested in playing bridge are invited to attend. In addition, bridge lessons will begin at the sessions. Persons interested in further details should call Mrs. Sam Aldridge, Mrs. Johnie Williams or Mrs. Sam Rundell.

Chocolate cake and apricot cake were served with coffee by hostesses Mmes. Mona Hardage, LaVita Gurley, Ann Glenn, Alta Gerles and Patsy Blair.

Art Classes Begin

Art classes are scheduled to begin Wed., Sept. 11, with Lee Simpson of Amarillo as instructor. The classes will be held in the upstairs apartment at Sherley-Anderson-Pitman elevator in east Farwell. Classes will be in oil painting and person interested in taking the course are invited to call Mrs. JoAnn Liethen at 481-9072 for additional information.

Annual Field Day Sept. 12

Visitors will receive explanations of agricultural research underway at four stops on the farm tour at the 12th Annual Field Day of the High Plains Research Foundation on September 12. At stop number one, Dr. Douglas F. Owen, Agronomist, will show and explain the Soybean maturity groups and the dates and rates of planting of Soybeans plus other oil seed information. Dennis O. Mooney, Assistant Agronomist, will cover the herbicide research program at stop number 2. Stop number 3 will be manned by Loyd Langford, Associate Agronomist, who will show the extensive research underway to control volunteer castorbeans in other crops. James Valliant, Soil Scientist, will demonstrate an automated sprinkler irrigation system, the latest research project at the Foundation at stop number 4.

Dispatching the tours for the 12th year will be Ollie Limer, County Agent, Hale County, and Lee Dent, Executive Vice-President of the Hale Center Chamber of Commerce. These officials organize the schedule for the guides who will be on each seated truck. The Guides are professional agricultural leaders from throughout the High and South Plains. They are appointed by the District or Area leaders of the Extension Division, Farm Home Administration and Soil Conservation Service. Each guide makes one tour and is then free to enjoy the other exhibits and demonstrations.

A new display for 1968 will be conducted by Water, Incorporated. This display will show the plans made by the water import program and will be located in the Killgore Building Conference room, Cliff Chamberlain, Executive Director, will be assisted by members of the Water, Incorporated organization.

The various Governmental Agricultural Agencies will have exhibits and demonstrations at the Field Day. The Killgore Building Conference room will house the displays by Noxious weed control programs in Hale, Floyd and Swisher Counties. Wild Life Conservation will be demonstrated and displayed by the Soil Conservation Service. Home Demonstration agents and the Women's Cotton Promotion Association, along with the Farm Home Administration and the County Agent's 4-H program, will be represented at various displays.

Scout Parents Meet Monday

Parents of Texico-Farwell Boy Scout Troop 200 will meet Monday at 8:30 p.m. in the fellowship hall of Farwell First Baptist Church.

Plans for activities during the coming months will be discussed, according to Scoutmaster Gene Bitner.

There will also be a 30-minute color 16mm movie, which will show Scouting accomplishments during the summer.

Leaving Friday and returning home Monday night, Mr. and Mrs. Darrell Norton and Mr. and Mrs. Doyle Ford spent the Labor Day weekend in Ruidoso.

SHINED AND READY

"And your feet shod with the preparation of the gospel of peace." Ephesians 6:15.

These shoes fairly shine and sparkle and are ready to take their owner proudly any place. Society dictates that we should be well turned out and that our feet be shod with well-groomed footwear. The Bible tells us that we should be clad in the whole armour of God, and that our feet should be shod with the preparation of the gospel of peace. The gospel is this: "There is therefore now no condemnation to them which are in Christ Jesus, who walk not after the flesh, but after the Spirit." Romans 8:1

St. Peter advises, "Be ready always to give an answer to every man that asketh you a reason of the hope that is in you with meekness and fear." Come to church this week that you might learn of Him and that you might be prepared to give this good news of the gospel to others.

EVERYONE IN THE CHURCH
THE CHURCH IS EVERYONE

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even for a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny, the truth which alone will set him free to live as a child of God.

NURSERY NEWS

By Alvin Woodburn
 Garden Center Nursery
 Clovis, N.M.

The element of pollution is constantly with us and is rapidly becoming of more concern to a lot of people. I remember when I was in about the third grade, I read where a man in New York City had built a business of hauling dirt into the city for sale. I thought that was about the limit; selling dirt when the world was full of it. Of course, when we use things up as rapidly as we have in the time since then, the selling of dirt here in Clovis is quite an item. It is one to give some thought to.

The dump ground is rapidly filling up with dirt and other things but the good soil or dirt in which to raise plants is of great value. We have used up the natural qualities that we like to have to produce plants. The part we have left is polluted so much with noxious weeds, herbicided, concrete, toxic chemicals and several other items that are not conducive to plant growth. What gets us in an uproar is the fact that, as a society, we are persuing the course at an ever increasing rate.

Every time we turn the switch to start our car, we are polluting the atmosphere with carbon that was stored in the form of oil some thousands of years ago. This combines with the limited amount of oxygen that we have to make CO2 or carbon dioxide and further pollutes the air. Man has come along and destroyed the plants for a free-way to burn more carbon, and that is only part of the cycle and a small part of the pollution. It has been proven that growing plants will definitely keep down air pollution. The soil and water pollution is the problem of the plants.

The last several weeks, we have met a number of unusually friendly people. After the primary election of Tuesday, the number of unusually friendly people dwindled somewhat. I have never had the nerve to get into politics partly because I figured the chances of second place were very small reward and also, was afraid the "friendly" withdrawal would be as hard as the nicotine withdrawal is for smokers.

Parents of Texico-Farwell Boy Scout Troop 200 will meet Meet Monday at 8:30 p.m. in the fellowship hall of Farwell First Baptist Church. Plans for activities during the coming months will be discussed, according to Scoutmaster Gene Bitner. There will also be a 30-minute color 16mm movie, which will show Scouting accomplishments during the summer. Leaving Friday and returning home Monday night, Mr. and Mrs. Darrell Norton and Mr. and Mrs. Doyle Ford spent the Labor Day weekend in Ruidoso.

Ivy, Gober Wedding Read In Bovina

Tonya Vee Ivy, daughter of Mr. and Mrs. Tony Ivy of Vinita, Okla., formerly of Bovina, became the bride of Dale Gober, son of Mr. and Mrs. Webb Gober, Rte. 1, Farwell, in a double ring ceremony at Bovina First Baptist Church August 17.

The ceremony was read by Rev. Ken Moore, pastor of the Bovina Baptist Church, before an altar setting of candelabrum holding lighted tapers, floral arrangements and greenery. Centering the altar was a brass half-moon candelabrum holding white cathedral tapers, entwined with yellow chrysanthemums and satin ribbon bows. Flanking the center arrangement at either end were nine-branched tree candelabras holding white cathedral tapers entwined with greenery and yellow satin bows. Interspersed throughout the setting were woodruff fern trees. Focal point of the setting was a pre-dieu of white satin and brass enhanced with yellow satin bows. Parents' pews were marked with hurricane lamps of brass and nosegays of yellow chrysanthemums and greenery tied with yellow satin bows.

Candlelighters were Alan Gober, brother of the groom; Charles Ivy, brother of the bride; and Melanie Ivy, sister of the bride. Zella Donaldson of Farwell, organist, provided nuptial music preceding the ceremony and also accompanied Mrs. David Lee Carson, soloist of Lubbock who sang "O Promise Me," "More," and "The Wedding Prayer." Miss Donaldson also played the traditional wedding marches as processional and recessional.

Serving as best man was Jon Loehman of Houston. Groomsmen were Jerald Gober Lubbock, brother of the groom; Jerry Lane, Turkey, Tex., and Bruce Billingsley, Farwell. Ushers were Jerry Roach, Bovina, Johnny Atkinson, Muleshoe, and Russell Massey, Corpus Christi. Ringbearer was Brent Ivy, brother of the bride from Vinita, Okla.

Flowergirl was Ginger Gober, cousin of the groom, Bovina. Other female attendants were Mrs. Jo Bartley, sister of the bride, as matron of honor, and bridesmaids Kathryn Gober, sister of the groom, Lynn Looney, Bovina, and Jan Brunson, Irving, Tex.

Bridal attendants were attired in formal length gowns of lime green crepe, styled with batteau necklines and short sleeved empire bodices. The floor length trains were attached at the bodice backs and were enhanced with large bows. Their headpieces were lime green roses holding short veils in matching hue. Each attendant carried one long-stemmed yellow chrysanthemum enhanced with yellow satin streamers and bows.

The bride, given in marriage by her father, chose a directive gown of white angel crepe yoke and sleeved in Guipure lace. The slim column skirt was complemented by a flared train repeating a border of the same lace, and attached at the yoke with small flat bows and sweeping to chapel length. A matching lace and looped-petaled headpiece, highlighted by pearls and crystal beading, held her bouffant veil of silk illusion which extended to chapel length beyond the length of her gown.

Her bridal bouquet was a colonial arrangement of white stephanotis centered with two large white orchids. Streamers of picot ribbon were interspersed throughout the bouquet.

Following tradition, the bride wore for something old a string of white pearls belonging to her

MRS. DALE GOBER

grandmother; new was her wedding gown; borrowed was aring from her bridesmaid, Jan Brunson; and blue was the traditional garter.

Wedding guests were registered by Janice Richards of Houston.

Mother of the bride chose a dress of lime green lace, accented by bone colored accessories and a cymbidium orchid corsage.

Mother of the groom wore an oyster white knit two-piece suit with black patent accessories, complemented by a cymbidium orchid corsage.

Immediately following the wedding, a reception was held in the fellowship hall. Floating hostesses for the reception were Mmes. Norvil Strawn, Howard Looney, H. H. Kelso, Travis Lloyd, and Willford Sikes. Serving table was laid with a white satin cloth caught up at intervals with yellow satin roses and green leaves.

Centering the table was the bride's bouquet and the yellow chrysanthemums carried by the

Barbara Schulze Bride Of Glendale King

Barbara Gail Schulze, daughter of Mr. and Mrs. Monroe Schulze of Floydada, became the bride of Glendale King, son of Mr. and Mrs. Grady King, Farwell, in a ceremony at Trinity Lutheran Church at Lockney at 6 p.m., August 24.

The double-ring service was read by Rev. L. J. Durkop before a background of fan-shaped palm leaves and baskets of white gladioli.

The wedding marches and pre-nuptial music was provided at the organ by Becky Scheele, who also accompanied soloist, Fred Maxey.

Serving as best man was Ronnie Reed of Knickerbocker, Tex. Groomsmen were Lawrence King, Slaton, and Monroe Schulze, Jr., Ft. Worth. Serving as ushers were Jimmy Spikes, Lubbock, and Larry Potts, Friona. Ringbearers were Lonnie King, Slaton, and Lesia Schoppa, Vernon.

Serving as maid of honor was Donna Schulze. Bridesmatron was Mrs. Monroe Schulze, Jr., Ft. Worth. Bridesmaid was Patsy Schulze, Floydada. Bridal attendants were attired in identical street-length dresses of turquoise dazzle satin, designed with shoulder bows and slightly gathered waistlines. Their headresses were minute veils in matching hue. They wore white dahlia corsages.

The bride, escorted and given in marriage by her father, chose a formal wedding gown of ivory satin, designed with a white lace empire bodice and long lace sleeves. Her full-length veil of tulle was held by a jeweled crown. Her bouquet was a cascade Bible arrangement of white dahlias, enhanced by lace and ribbon streamers. Carrying out bridal tradition, something old was pearls; new was her dress; borrowed were the pearls from her mother; and blue was the traditional garter.

The groom, a graduate of Farwell High School, is also a senior at Texas Tech where he is majoring in Mechanized Agriculture Engineering. He is a member of the Saddle Tramps organization.

The couple is now at home at 3102 4th, Apt. 183, Lubbock.

Ruth Class Has Program On Prayers

Ruth Sunday School Class of Farwell First Baptist Church met in the home of Mrs. Lillian Guess Monday night, with Mrs. Mary Brannon as co-hostess.

The program was opened with prayer by Mrs. Brannon, and Mrs. Alice Williams gave the devotional on "prayers" using the story of the prodigal son as basis for her discussion. Mrs. Pansy Ross conducted the business meeting. Members voted to be hosts for a meal to the visiting minister and singer during the forthcoming revival at the church.

Refreshments of ice cream with fresh peaches, chocolate cake, and tea, coffee or pop were served to Mmes. L. T.

Washington Family Visits Here

Visitors in Farwell, Muleshoe and Friona this week are Mr. and Mrs. Myron Bayless and family of Richland, Wash. They are visiting in Farwell in the homes of Sheriff and Mrs. Charlie Lovelace and with Mrs. Mary Guyer, mother of Mrs. Bayless; in Muleshoe with Bayless' parents and other relatives; and in Friona with a brother of Mrs. Bayless.

MRS. GLENDALE KING

All male members of the bridal party were attired in western suits and boots.

Mrs. Schulze wore for her daughter's wedding a royal blue bonded knit dress with white accessories and a maroon dahlia corsage.

Mrs. King chose a baby blue two-piece knit suit and white accessories with a maroon dahlia corsage for her wedding attire.

A reception was held in the fellowship hall of the church immediately following the ceremony. The serving table was laid with a white lace cloth and centered by the bridesmaids

bouquets. Green punch was served with the white double-ring wedding cake, which was decorated in a western motif. A single flower centered the registration table and a large bouquet of mixed flowers adorned the gift table.

When the couple left for a wedding trip to Las Vegas, Nev., Mrs. King wore a baby blue two-piece suit with beige accessories and a corsage lifted from her bridal bouquet.

The bride, a 1965 graduate of Floydada High School, attended South Plains Junior College at Levelland and is presently attending West Texas State University where she is a junior.

The groom, a graduate of Lazbuddie High School, also attended South Plains Junior College and is a senior at West Texas State University.

Following the wedding trip the newlyweds will be at home at Schaffer Trailer Park-Space E in Canyon.

GOLDEN WEDDING ANNIVERSARY -- Mr. and Mrs. J. T. Prather of Bowie, Tex., formerly of Rosedale and Ft. Sumner, will be celebrating their golden (50th) wedding anniversary at their home in Bowie Sunday, Sept. 15, with an openhouse hosted by their children; one of whom, E. C. (Red), is a resident of Texico-Farwell, and several of whom live in this area, Bonnie Lee Sweat and J. T. Prather were married Sept. 15, 1918, in Oklahoma Indian Territory. They have made their home in Oklahoma, Texas and New Mexico with a short period of time spent in Colorado. Their seven children are all still living and they are grandparents of 11 grandchildren and one great-grandchild. Children of the couple include E. C. (Red) Prather, Farwell; Troy Prather, Clovis; Bob Prather, Ft. Sumner; Pecos Prather, Encino; Tex Prather, Henrietta, Tex.; Mrs. Mildred Cornelson, Bowie; and Mrs. Margie Hammonds, Mt. Pleasant, Tex. Area friends are invited to the reception.
