Halloween Carnivals Set In Area Saturday

Area youngsters and others who pretend to be ghosts, spooks, goblins and other eerie creatures in celebration of Halloween will have plenty of opportunities to attend and participate in fun-filled events throughout the area on Saturday night, Oct. 30.

Farwell Convalescent Center is hosting its annual Halloween Party while the Farwell and Lazbuddie schools will have their traditional Halloween Carnivals.

Kicking off the evening will be the party at the Center where costumed kiddoes up to the age of 10 years are invited to come by and enjoy trick-or-treating with Center residents. Games will be played, and for a donation of 25 cents, every visitor can make a tour through a spook house.

At 6:30 p.m. at the Lazbuddie High School auditorium, the Halloween Royalty will be crowned. A king and queen will be selected from each of the three school sections: high school, junior high, and elementary, with voting being done on a monetary basis. Following the coronation, the Halloween Carnival will take place in the school gym.

From 7 to 10 p.m. at the old gym at Farwell School, the high school Student Council will be sponsoring its annual evening of games, booths, and concessions.

A 50 cent entrance fee will be charged to all those who arrive not dressed in Halloween costume. A mask or costume will gain free admission to the festivities, and will also give the wearer the opportunity to win a prize for being the best dressed spook or goblin or whatever.

The costume contest will be for four categories, adult, high school, junior high, and elementary. Everyone is reminded to vote for the best costumed attendant.

Student Council members also ask that everyone please drive carefully around the school and the rest of town on Saturday night, as this will be

the night that the Trick-or-Treaters will be out and about, and caution from all motorists is encouraged.

The senior class will have a concession stand featuring homemade goodies, including corn chip pies, nachos, hot dogs, soft drinks, coffee, cocoa, and popcorn. The seniors will also sponsor a Kiss-the-Pig contest.

The junior class game booth will feature a 12-inch black and white television set for their grand prize. The game for this prize will be played at 9:00 p.m. and tickets to play will be \$2 each. All other games will be played for prizes donated

from area merchants for 50 cents per game. The announcers for the junior booth will be Vester Joiner and Mike Martin.

The sophomore class will be sponsoring the "jail house." For a price you will be able to "lock-up" the person of your choice. That person will be able to gain their "release" only by paying bail or having someone else pay bail for them.

The sophomores will also sponsor a hay-ride to a haunted house. The house will feature a "Hatchet Room" among its seven other attractions. There will be adult supervision

at all times. Freshman class members will have the traditional cake walk along with a dart-throwing balloon booth. There will also be a jar of beans with a special prize for the lucky person who makes the closest guess as to the number of beans in the jar.

The Future Homemakers of America chapter will sponsor the football toss, and prizes will be homemade goodies that have been made by the FHA girls.

At Lazbuddie, the evening will begin with the traditional (Continued on Page 2)

Jumping Jack-O-Lanterns

Jaime Morton, left, and Blaze Hardage are only two of Marcia Cole's kindergarten students at Farwell who are thrilled to show off the jack-o-lanterns they decorated this

week. The students not only made the jack-o-lanterns but also went to a pumpkin patch where they got to select their own pumpkins. The class

learned how to scrape out a pumpkin and later will turn them into pumpkin pies, and will toast the seeds for an added treat.

Thefts, Arrests Keep Sheriff's Dept. Busy

Parmer County Sheriff Bill Morgan reports that during the past week, county law officers have made six arrests and have had numerous reports of thefts.

On October 22, Scott May, 21, of Farwell was arrested by the sheriff for theft by worthless check. He was fined \$1.00 plus court costs and restitution of the check in County Court.

On October 24, James Kendrick, 31, of Dimmitt was arrested by sheriff's officers and charged with DWI, violation of occupational license, and unlawfully carrying a weapon. Bond was set at \$500 for the DWI charge, \$500 bond set on the weapon charge, and the violation of occupational license charge set at \$150 bond

plus court costs. County Judge Porter Roberts presided. On October 24, Rajelio Caballero, 21, of Friona was arrested for DWI and fined \$200 plus court costs in county court.

Also on October 24, Rene Ramos, 20, Friona, was charged with public intoxication and fined \$35 in Judge Albert Smith's justice of the peace court.

On October 26, Olivia Huffstikler, 22, of Friona was charged with damage to personal property. She was released on \$200 bond by Judge Porter Roberts.

On October 26, Mary Abeyta, 26, of Friona, was charged with damage to personal property. She was released on \$200 bond in county court.

The sheriff's office was also kept busy this week with reported burglaries and thefts.

On October 22, Roy Byrd of Lazbuddie reported a house burglary with approximately \$5,000 in household furnishings gone and said that it was possible (Continued on Page 2)

Texico Band To Play For Reagan

Texico School Band, under the direction of Jerry Sadberry, was one of the New Mexico bands invited to play when President Reagan visits Roswell this Friday. The band was leaving at 6 a.m. Thursday.

The band, rifle and drill team, the cheerleaders, Student Council President Jesse Orozco, Superintendent Jim Pierce, math instructor Ronnie Warmuth, and others from the school were planning to attend the festivities.

Pierce and Orozco will have special front row seats at the Roswell Industrial Center where the reception is to take place.

U.S. Senator Harrison Schmitt from New Mexico made the invitation to the group to attend the event, the first time that an active president has ever visited the city of Roswell.

Farwell Church Of Christ Lectureship Begins Sunday

Farwell Church of Christ will conduct its fall leadership series of Bible lectures October 31 through November 3.

"Spiritual Maturity" is the theme that has been selected for the lectures. Ralph A. Weinheld from 16th and Pile Church of Christ in Clovis will begin the lectureship on Sunday, Oct. 31, at the 10:50 a.m. worship service. The opening lecture is entitled "Spiritual Revival In And Through The Home."

Cecil Bunch from the West 21st Street Church of Christ, Clovis, will speak on "Spiritual Revival In And Through The

Bible Class" on Monday, Nov. 1 at 7:30 p.m.

"Spiritual Revival In And Through Worship" will be the subject matter on Tuesday, Nov. 2 at 7:30 p.m. of John Boor from the Muleshoe Church of Christ.

The series will culminate with Mel Schulman from the 16th and Pile Street Church of Christ in Clovis on Wednesday, Nov. 3 at 7:30 p.m. who will lecture on "Spiritual Revival In And Through Preaching."

General Election Balloting Is Tuesday

Parmer and Curry county voters will join others throughout the United States in casting ballots in the general election next Tuesday, Nov. 2. To be elected in the two states are governors, lieutenant governors, U.S. Senators and Representatives, and a host of other state candidates both in Texas and New Mexico, as well as decisions on constitutional amendments, seven to be voted on in New Mexico and six to be decided in Texas.

However, on the Texas side of the border, voter turnout is expected to be very light as there is only one contested race on the county scene, that being the Precinct No. 2 County Commissioner's race in Friona. Tommy Williams, Democrat, and Dale Hart, Republican, are in this race.

In Curry County, one main item of interest besides the national and statewide races, is the bond issue for the erecting and furnishing of a new jail facility. Citizens of the city of Clovis will also be voting on whether or not to

allow the sale of alcoholic beverages on Sundays.

Other contested races within Curry County include Anita C. Merrill vs. Cullen Williams for the position of county commissioner of District 2; the race between Emzy W. Gaydon and Paul M. Williams for the district magistrate, Division II; and Douglas C. Williams and Richard A. Burke for the office of Probate Judge.

Texas voters will be deciding whether to re-elect William P. Clements Jr. to another term as governor of the state or to give the nod to Mark White of the Democratic party, David Hutzelman of the Libertarian Party, or to Bob Poteet of the Citizens Party.

Another strongly contested

battle is being waged by incumbent Democratic lieutenant governor Bill Hobby and Republican contender George W. Strake, Jr. Laurel Kay Freeman is running on the Libertarian ticket.

In New Mexico, voters will decide between Democrats Toney Anaya and Mike Runnels for governor and lieutenant governor, respectively, or John B. Irick and Colin R. McMillan running on the Republican ticket.

In the hotly contested U.S. Senatorial race, incumbent Harrison H. Schmitt, Republican, and Jeff Bingaman, Democrat, are running. Incumbent Joseph R. Skeen, Republican, and Democrat Caleb J. Chandler are seeking

the post of U.S. Representative, District 2.

In Parmer County, uncontested candidates are Jack D. Young for District Judge, 287th District; Porter Roberts, county judge; Charles Aycock, county attorney; Marjorie Watkins, district clerk; Bonnie Warren, county clerk; Benna Felts, county treasurer; Also, Raymond McGehee, commissioner, Pct. 4; Albert H. Smith, justice of peace, Pct. 1; Frances Euler, justice of peace, Pct. 2; and Wayne Spears, justice of peace, Pct. 3.

Uncontested candidates in Curry County are Florine Hawkins, running for county clerk; Anita J. Zachrel, county treasurer; Alyce "Pat" Littlejohn, county assessor; Wesley A. Myers, county sheriff; Claude W. Burkett, commissioner, Dist. 1; and Travis Stovall, commissioner Dist. 3.

In Texas, running for other statewide offices are Kent Hance, Democratic incumbent of District 19, U.S. House of Representatives, is being challenged by E.L. Hicks of the

Republican Party while Mike Read is running for the Libertarians.

Jim Collins and Lloyd Bentsen are fighting for the seat of United States Senator, the post now held by Bentsen. John E. Ford is running on the Libertarian ticket while Lianeus Hooper Lorette is running for the Citizens Party.

Running for the State Senate, District 31, are incumbent Bill Sarpalius, Democrat; John E. Kirchhoff, Republican; and Bryan Denson, Libertarian.

Seeking the office of Commissioner of Agriculture are Fred Thornberry, Republican; Jim Hightower, Democrat; and Stanley Keen, Libertarian. Garry Mauro, Democrat; Woody Glasscock, Republican; and Charles S. Fuller, Libertarian, are seeking the office of Commissioner of General Land Office.

The attorney general's post is being sought by Bill Meier of the Republicans; Jim Mattox of the Democrats; and Katherine S. Youngblood of the Libertarians.

Comptroller of Public Accounts Bob Bullock is being challenged by Mike Richards of the Republican party and Janet Tlapok of the Libertarian party.

Seeking the office of State Treasurer are Ann Richards, Democrat; Allen Clark, Republican; and Alma Kucymbala, Libertarian.

Running for Railroad Commissioner are John Thomas Henderson, Republican; James E. (Jim) Nugent, Democrat; Dick Bjornseth, Libertarian; and Bob Russell of the Citizens Party.

John L. Bates, Republican, and Ted Robertson, Democrat, are the only two running for Justice, Supreme Court, Place 1.

Ray Moses, Republican, and Chuck Miller, Democrat, are vying for Judge, Court of Criminal Appeals, Place 2.

Running for other statewide offices in New Mexico, with the Republicans listed first, are: secretary of state, Fran Hill vs. Clara P. Jones; state auditor, C. Jack Emmons vs. Albert Romero; state treasurer, William McBroom vs. Earl

PURELY PERSONAL
by John

On November 2, folks in Texas will go to the polls to vote on another six proposed constitutional amendments. Everytime we turn around in Texas, we are voting on a change in the constitution. That's the way it is in the Lone Star State.

We feel as if the vast majority of voters go to the polls with only a vague idea of what they will vote on in regard to amendments. We confess we often are at a loss to really know the proper way to mark the ballot. This goes around is no exception.

Proposition No. 1 does four things. It repeals the 10 cents per \$100 assessed statewide property tax supporting construction at state universities. It validates the already enacted statutory "repeal" of that tax effective Jan. 1, 1980. It prohibits the state from levying ever again a statewide property tax. It authorizes the legislature to make direct appropriations for construction at 17 named universities.

This amendment seems to have grown out of a series of mess ups by the state legislature dating back to at least 1979. But willie nilly, it looks to us to be a good thing to pass at this time. It solves more problems than it creates, but barely.

Proposition No. 2 asks for a welfare ceiling increase. Currently, the state constitution limits state appropriations for cash assistance programs to \$80 million per year or \$160 million per biennium. If this amendment is passed, the limit would be one percent of the state budget. This "One percent" translates into a potential spending of \$320 million in the 1984-85 biennium. This doubles the potential welfare spending.

Nothing in the proposed amendment would require the legislature to appropriate at this level. But did you ever see a government arm not spend to the maximum amount possible?

Proposition No. 3 would exempt from property taxation "implements of husbandry" used in the production of farm and ranch products. In effect, this means farm machinery such as tractors and combines, but it does not mean items such as barns and silos.

If enacted, all farm machinery and equipment will be exempt from local property taxes regardless of value or type of ownership.

Proposition No. 4 authorizes the legislature to provide terms not to exceed four years for members of certain water districts and reclamation districts.

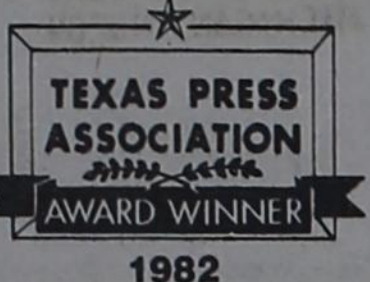

Proposition No. 5 abolishes the office of county treasurer in Tarrant and Bee counties. These counties want to turn over to their county auditor the duties of the county treasurer. They believe that the treasurer's office is a duplication of functions with the county auditor and want to eliminate the treasurer office.

The office of county auditor is statutory rather than constitutional and is filled by appointment of the district judge or judges with jurisdiction in the county. The office is mandatory in the largest counties and optional in others. Parmer does not have such an official.

We will probably help Bee and Tarrant counties see if they can do without a county treasurer. Maybe they will come back later and want the office reinstated, and again maybe not.

Proposition No. 6 will increase the maximum interest rate payable on state general obligation bonds from 6 percent to 12 percent. If the state is going to float bonds, it must be competitive in the interest field. Of course if it fails, the state might not be able to float any bonds. This could be bad — or good — depending on your outlook.

We went through this rigmarole mainly to let you know (Continued on Page 2)

Corn For Sale

Some 15,000,000 pounds of corn
are piled on the ground outside
the Sherley-Anderson-Pitman
Elevator in Farwell this week
as the elevator is filled to
capacity with corn in the loan
program or government corn.

Fred Chandler, manager at the
local facility, said that this is
the first time in history that
they have had to put corn on
the ground at Sherley-And-
erson-Pitman here. Some milo
was put outside at their

elevator at Texico last year,
but no corn was put on the
ground. The situation will
probably remain the same
until the government decides
to get rid of some of its surplus
corn.

Methodists Planning Harvest Festival

Hamlin Memorial United
Methodist Church is planning
its annual Harvest Festival
Services with this year's
special guest speaker to be
Clovis District Superintendent
Dr. E. Leonard Gillingham.
Dates of the festival are
November 7-9.

The special series of services
will be kicked off with the
Sunday worship service at 11
a.m., followed by a church-
wide Festival Thanksgiving
dinner in the church fellow-
ship hall at 6 p.m. on Sunday, Nov.
7. Informal moments and
special music will be featured
at 7 p.m. with the preaching
service to begin at 7:30 p.m.

On Monday, Nov. 8, at 7 a.m.
CST there will be a church-
wide breakfast with a meal
and devotional time. Dr. Gill-
ingham will be bringing the
message again that evening at
7:30 p.m.

Scheduled on Tuesday at
12:15 p.m. is a salad luncheon,
also at the church, and the
final preaching and worship
service will be at 7:30 p.m.
that evening.

Dr. Gillingham, who has
been recently appointed as Dis-
trict Superintendent of the

Clovis District, is no stranger
to this area, having served
Kingswood United Methodist
Church in Clovis for several
years and having conducted
special services at the local
church on occasion.

One of his latest accomplish-
ments is having had his book
"Dealing With Conflict," pub-
lished in April of this year.

He and his wife Martha have
recently moved to Clovis and
have been busy getting re-ac-

quainted with the church
families throughout the dis-
trict.

During September he was
heard on the Protestant Hour
on over 2000 radio stations
internationally.

Everyone in the entire area
is cordially invited to come
and hear this world-renowned
Methodist preacher and author
and to participate in all the
Harvest Festival Services.

Break-in Reported At Texico Schools

Texico high school and ele-
mentary buildings and the Ag
shop were broken into by
forced entry Monday night,
according to Texico City Mar-
shal Mickey Fenn.

In the high school office, a
locked file cabinet was pried
open and a money box was
taken, and a desk was also
broken into. In the elementary
building, a soft drink dispenser
was pried open and a pencil
dispensing machine in the li-

brary was broken. Approxi-
mately \$30.00 was reported
missing.

In the Ag shop, nothing was
reported missing or vandal-
ized. Investigation is contin-
uing into the break-ins, says
Marshal Fenn.

In other action by the de-
partment, Marshal Fenn re-
ported that at about 5:30 p.m.
on October 26, two juveniles
were apprehended after break-
ing into a Texico residence.
Reported missing was a pair of
pants, and a sack full of other
items were left by the door as
the intruders hurriedly left
when the owner returned
home.

The two juveniles are in jail
awaiting a hearing, says
Marshal Fenn.

Difficult times demand wise decisions . . . and strong decision-makers like Lt. Gov. Bill Hobby.

Texans are facing some difficult times. Now, more
than ever, we need experienced, compassionate
leaders in our state government.

We need a leader like Lt. Gov. Bill Hobby who has
our interests at heart. Here's how Hobby stands on
the issues concerning Texans:

JOBS.

HOBBY is working to create more and better
jobs for Texans. He is making sure jobless
Texans receive their full unemployment bene-
fits. He is working to increase the efficiency to
the Texas Employment Commission. He is
stimulating economic growth and new jobs
through responsible state spending and one of
the lowest tax rates in the nation.

CRIME.

HOBBY is for strong laws and certainty of punishment
of criminals, backed by better training and pay for our
police officers. He is helping upgrade our courts to
speed up trials of accused criminals. He is for improv-
ing our prison system and parole system.

EDUCATION.

HOBBY will not be satisfied until our education system is the best
in the nation. His efforts to improve the quality of public education
for your children and grandchildren begin in the classroom. He is
for improving teacher salaries and benefits. He is for giving more
control to local school districts.

Texas Hwy. Patrol Officer Investigates 3 Accidents

Three vehicle accidents in the Farwell area were investigated recently by THP Officer Jim Bishop. Two accidents occurred on Saturday, Oct. 23, and one took place on Monday, Oct. 25.

Last Saturday at 10:10 a.m. on U.S. 60, four miles northeast of Farwell, a 1975 Ford truck pulling a trailer was traveling northeast, driven by Robert Bruce Bruns of Muleshoe.

Colliding with the truck was a 1978 Mercury driven by Marty Tapia of Chaparral, N.M., who was traveling southwest on U.S. 60. Officer Bishop reported that apparently Tapia had fallen asleep at the wheel and drove across the center line hitting the truck and trailer. Tapia lost control of the vehicle and it landed on the railroad track.

Bruns, the truck driver, was not injured, but Tapia suffered minor abrasions and bruises. He was transported by the Farwell ambulance to the Clovis hospital, where he was treated and released.

Tapia was charged with driving on the wrong side of the road.

Saturday afternoon at 4:20 p.m., a 1979 Mack truck-tractor pulling a trailer, driven by Cleburne Boyd Stokes of Friona, was traveling north on a county dirt road at Farwell east city limits. According to Officer Bishop, Stokes stopped

at the stop sign on the highway but failed to see an oncoming vehicle and pulled out in front of it.

The oncoming vehicle was a 1972 Ford LTD, driven by Alvin Lee Tubbs of Texico and containing five other passengers, traveling west on U.S. 84. The Tubbs vehicle struck the right front wheel area of the truck.

Stokes, driver of the truck, was not injured. He was charged with failure to yield right-of-way. The six persons in the Tubbs car all had minor abrasions and scratches. They were all transported to the Clovis hospital where they were treated and released that day.

Passengers in the car were Pinkie Tubbs of Texico, Joe Jordan of Clovis, and Tracey Shaver, Bula Mae Shaver, and Stacey Shaver, all of Farwell. On Monday, Oct. 25, at 6:25 p.m., a 1972 Buick driven by Ray Galvan, 15, of Farwell, was traveling on the dirt road that extends from Ninth Street in Farwell. At two-tenths of a mile southeast of Farwell, according to Officer Bishop, Galvan, who was headed west, lost control of the vehicle in the sand and rough road and slid into the ditch.

Galvan was charged with no drivers license and driving at an unsafe speed. He was not injured.

Picked All 12 Right

Mrs. W.M. Roberts of Farwell is the only person in this year's Merchants Football Contest to pick all 12 weekly games correctly, and in so doing she won first place in last week's

contest. Presenting her with the \$7.50 weekly check is Ricky Stewart of Farwell Hardware, one of the contest sponsors. Winning the second place weekly check of \$5.00

was Jason Schilling of Farwell who was one of eight entrants to pick 11 correct games, but was closest to the tiebreaker game score.

Kittrell Holds Lead - -

Mrs. W.M. Roberts First Contestant To Pick 12

Mrs. W.M. Roberts of Farwell was the only entrant to pick 12 correct games in last week's Merchants Football Contest, and she is the only contestant this year to date to pick all 12 games correctly. For her efforts, she won the first place weekly check for \$7.50.

Winning the second place weekly check for \$5.00 was Jason Schilling of Farwell. Jason was one of eight contestants to pick 11 correct games, and was only four points off on the tiebreaker game score. He picked Texico to win 38-0. Texico beat Tatum 42-0.

Others calling 11 games right, but further off on the

tiebreaker, were Bill Boling, 14 points off; Lee Ann Holladay, 21 points; Dan Koenig, 24 points; Bruce Fellers, 28 points; Don Geries, 29 points; and Leonard Hillock and Jenni Koenig, both 35 points off. All picked Texico to win, but not by such a romp.

Still holding a one-point lead in the overall contest is T.J. Kittrell with 73 total points after eight weeks of guessing.

In second place, the same as they were the week before, are Diane (Mrs. David) Dannheim, Roy King, and Teresa King with 72 total points.

Alone in third place with 71 total points is Charles Dannheim. Charles picked 10 games

correctly while the ones who shared third place last week picked only nine.

(See contest standings elsewhere in this issue.)

Texico High School Computer picked 10 games right as did programmer Ronnie Warmuth, while the Texico Math Class picked only seven right.

Contest teams winning last week were Farwell over Olton, Springlake-Earth over Hart, Bovina over Kress, Lazbuddie over Silverton, Littlefield over Muleshoe, Clovis over Roswell, Amarillo High over Coronado, West Texas over North Texas, Arkansas over Houston, SMU over Texas, Nebraska over Missouri, and Central State over ENMU.

With only four weeks left in the contest, excitement is running high and the leaders' palms are sweating from all that pencil pushing. However, four weeks are enough time to enter the contest and maybe win one of the weekly prizes.

FIRE CALLS

Farwell Volunteer Fire Department reported four ambulance calls during the past week, but no fire calls.

The ambulance was sent to the Convalescent Center on October 20 at 2:28 p.m. where they transported a resident to a hospital.

On October 23, the ambulance was called three miles northeast on U.S. 60 at the junction of FM 2396 to a two-vehicle accident, where it transported one of the victims to the Clovis hospital.

Also on the same date at 4:20 p.m., the ambulance answered a call to another two-vehicle accident. Another ambulance was called and the two ambulances transported six persons to the Clovis hospital.

On October 25, the ambulance was called to a residence on Avenue B in Farwell where they transported a resident to the Clovis hospital.

Texico Volunteer Fire Department reported no fire or ambulance calls the past week.

Craig Is Director Of County Spelling Bee

James Craig, Farwell Elementary School principal, has been named to serve as Parmer County's Spelling Bee director for 1983.

The National Spelling Bee is sponsored nationally by the Scripps-Howard Newspapers and in the area by the Amarillo Globe-News and West Texas State University, Canyon.

Gene Parker, director of placement at the university, and bee coordinator, announces the continuation of the educational program for the 35th year for public and parochial school students.

Rules, established by the national sponsors, say that no student who will be older than 16 by June 1 of 1983, or in a grade higher than the eighth, will be allowed to enter, beginning at the classroom level.

Each director will set the date for his respective elimination event and report the

winner(s) to the newspaper no later than April 9, 1983.

The district contest to be held in Amarillo on April 30, 1983, will include champs from a 45-county, four-state area.

The Bee will be in the afternoon, beginning at 1:30 p.m. in the auditorium of Stephen F. Austin Junior High School, 1808 Wimberly.

In Amarillo all of the champs will be vying for a trip to Washington, D.C. for June, beginning on the 6th, plus other numerous gifts from the sponsors.

Once again the Amarillo Globe-News is making available the study book, "Words of the Champions" for 40 cents. The newly designed book, containing in excess of 3,000 words, plus 550 new ones over last year, is available to any principal, superintendent, or contestant. The book is not available by mail in the City of Amarillo and the City of Canyon. Orders should be

addressed to the Spelling Bee Editor, Amarillo Globe-News, Box 2091, Amarillo, Texas 79166.

The 1981 and 1982 regional winners came from Clovis, representing Curry County. Jason Trobaugh competed in the national bee in 1981 and Chris Russell in 1982. Chris finished in 32nd place, among 112 national finalists.

The district sponsors also promote a Junior Bee for students in the sixth and lower grades. These county winners will be invited to Amarillo as guests of the sponsors on April 30 and will be given special recognition. It is not unusual for a Junior County winner to also claim the Senior County championship.

Jeanne Bartlett is bee editor for the Amarillo Globe-News.

Prairie Dog Control Program Slated Nov. 1

All interested farmers and ranchers are invited to a Prairie Dog Control meeting to be held at the First State Bank in Bovina at 7 p.m. on November 1.

Mike Yeary, USDA Wildlife Predator Control officer, will give a slide presentation on current control tactics. Also, he is interested in visiting with

area producers to set up a control program in Parmer County.

For additional information, contact CEA Seth Ralston at 481-3619.

This meeting is open to anyone without regard to race, color, religion, sex, age or national origin.

Vote For Jim Hightower Commissioner of Agriculture

Having had the opportunity to work more closely in Texas politics than most of you for the past few years, we have been able to distinguish who our real friends are.

Jim Hightower, Democrat candidate for Agriculture Commissioner, is undisputably one such friend.

Jim Hightower is very knowledgeable and sensitive to the deplorable economic condition of Texas farmers and ranchers today, yet has the unique support and trust of urban people to support much needed agriculture legislation.

Jim Hightower will provide much needed leadership and directive to our state's agriculture policy and be a strong voice for our cause in Washington, D.C. where the ultimate changes in agriculture policy must be made.

For these reasons, please join us, Bert Williams and Guy Austin, with your vote support for Jim Hightower on November 2.

Indian Villages

Creating Indian houses and villages was part of a class project at the Farwell Elementary fifth grade class of Mrs. Billie Worley as the class made a study of Indians. These

students constructed various types of houses and villages in which the Indians lived when they made their home on the Plains so many years ago. Shown, from left, with their

projects are, Joanna Yruegas, Armando Hernandez, Lupe Arce, Danna Ralston, and Ron Wilson. [Karolene Inman Photo].

Fifth Graders Study Unit About Indians

The fifth grade classes of Karolene Inman and Billie Worley at Farwell Elementary School have recently completed a study of Indians.

The students learned that the native Americans migrated from Asia centuries ago across the Bering Strait. The students gave reports on the various animals these early people were probably hunting when they arrived in North America.

In addition to studying tribes throughout the continent, emphasis on the Plains, Pueblo and Navajo Indians made it more interesting since those are the ones who lived in this area or who still live nearby.

The groups also learned some Indian signs and wrote rebus stories using the signs. They learned some Navajo superstitions and sang some of their songs.

Several students constructed Indian houses, which included mounds, teepees, pueblos, longhouses, and wickiups.

Several films were seen, and one of special interest was "Maria of the Pueblos." Maria is the well-known potter of San Ildefonso Pueblo near Santa Fe who first made the beautiful black pottery that is so popular today.

The highlight of the unit was having a local farmer, Orle Jones, speak to the classes. Jones has a vast knowledge of the Indians who roamed the plains, and has a collection of artifacts which they left behind. He talked especially about the Comanche Chief Quanah Parker and some of his activities and about General Mackenzie's battles with the

Indians of the area as they tried to move them to Fort Sill, Okla., and the reservation.

"Jones truly made some history 'come alive' for the students," says Mrs. Inman.

Indian Dwellings

These fifth grade students in Karolene Inman's class at Farwell Elementary have just completed a study on Indians, and part of their studies included building Indian dwellings. Here Lisa Geries, left,

and Lesle Monk, display the models of Indian homes they had built. The various types of dwellings constructed by the students included mounds, longhouses, teepees, and wickiups. [Karolene Inman Photo].

Ordination Service For Wyatt Carpenter

On Sunday, Oct. 24, the Oklahoma Lane Baptist Church ordained their new pastor, Wyatt Carpenter, into the ministry. The ordaining council was composed of ordained clergy and laymen from the Oklahoma Lane community, Farwell, and Bovina.

The ordination service began as Rev. J.L. Bass from Bovina served as moderator of the council's examination of the candidate.

The charge service began with congregational singing led by Bro. Carroll Rhodes, who serves as the minister of music at the First Baptist Church in Muleshoe. Special music was provided by Susie and Carroll Rhodes.

Rev. Pat Riley, pastor of the First Baptist Church in Farwell, gave the opening prayer followed by the charge message which was delivered by Dr. Harry Lewis, pastor of the First Baptist Church in Halfway, Tex.

Rev. Jesse Terry of Bovina gave the ordaining prayer. A certificate of ordination was

presented to Rev. Carpenter by Bro. Robert White, chairman of the deacons.

Benediction was given by Bro. Frank Edwards.

Everyone was invited to a reception that followed the service in the Fellowship Hall of the church.

Plans In Progress For Thanksgiving Service

Plans are in progress for the annual combined Thanksgiving Services of Hamlin Memorial United Methodist Church and the First Baptist Church of Farwell. This year's service will be at the First Baptist Church on Sunday, Nov. 21, at 7 p.m. CST.

Each year the two churches have a combined Thanksgiving Service to show their thanks and appreciation for the blessings which have come their way throughout the year.

As in past years, donations collected at the service will be put into the transient fund.

Christmas Bazaar Set In Lazbuddie Nov. 13

Lazbuddie Christmas Bazaar is scheduled for Saturday, Nov. 13, from 10 a.m. until 6 p.m. in the Lazbuddie High School cafeteria.

The bazaar is sponsored by Lazbuddie Young Homemakers, and they will serve refreshments in the home ec room at the high school during the event.

"In the past we have been very proud to present the public with beautiful crafts and paintings by our local people," say the Young Homemakers, "and we are hoping for an even bigger variety of merchandise this year for your

shopping pleasure."

Anyone interested in showing crafts in the bazaar should contact any Lazbuddie Young Homemaker, or Sheryl Engelking, exhibit chairman, 965-2351; Marca Morris, assistant chairman, 965-2712; or Debbie Weir, president, 965-2302.

Visits Here

Mr. and Mrs. L.B. Hensley of Walnut Springs, Tex., arrived in Farwell last Wednesday to visit their daughter and son-in-law, June and Ted Magness. On Wednesday, the two couples, accompanied by Jason Spearman of Clovis, went to Odessa to visit the Hensleys' son and family, Leldon, Cherie, Dean and Shae, and also with the Magnesses' children, Monte, Kris and Tiffany Spearman, and Kirk and Karen Magness. They were also in Odessa for the remaining two days of the 1982 Permian Basin Oil Show.

Water Conservation Topic For Study Club Meeting

GFWC Farwell Study Club met October 18 in the home of Carrie Christian. After the opening prayer by Hattie Coffey, a supper of quiche, tossed salad, fruit salad, and pumpkin pie was served by hostesses Carrie Christian and Ophell McDonald.

The program, "Conservation — Water, Our Precious Resource," was given by Patricia Bruno of Lubbock. Mrs. Bruno is editor of "The Cross Section," a publication of the High Plains Underground Water District No. 1. The district is comprised of all or part of 15 Panhandle counties. It became active in 1953 for the purpose of giving permits on new underground wells, and to keep track of water reserves. The speaker presented a slide and lecture program, first showing the location and formation of the Ogallala Formation.

Mrs. Bruno stated that agriculture uses 85 percent of the water taken from the

Ogallala Formation and there are 70,000 irrigation wells in the district.

She told the club the High Plains Underground Water District offers free services to the farmers. One is the Field Water Conservation Mobile Lab which goes out into the field and helps farmers measure the efficiency of their irrigation system. Other services include the Moisture Monitor, which reads the soil profile, and helps the farmer set up the Furrow Dike system, a method of keeping water in the furrows and preventing runoff.

She also told of their different phases of research — looking for more drought resistant crop varieties, plant growth regulators, and studies on water evaporation; and most exciting, secondary recovery of water from underground. Mrs. Bruno also touched on how city dwellers can conserve water on lawns

and gardens.

A short business meeting was held with club president Frances Kube presiding. Roll call was answered with "An Energy-Saving Tip."

Members present were Carrie Christian, Hattie Coffey, Linnie Mae Crook, Eunice Crume, Gertrude Foster, Elma Hart, Frances Kube, Ophell McDonald, Julia Symcox, Sal Vincent, and Ellen Wurster. Special guests were Patricia Bruno, and Vernon Symcox.

Son Born To James Hadleys

James and Becky Hadley of Andrews, Tex. proudly announce the birth of their first child, a son named Joshua James, who made his arrival on Thursday, Oct. 21, at 7 a.m. in the hospital in Andrews.

He tipped the scales at 7 lbs. 12 1/2 ozs. and was 20 1/4 inches long.

Grandparents are Mr. and Mrs. Mickey Fenn and Raymond Hadley, all of Texico, and Pat Dodson of Sunray, Tex. Great-grandparents are Mr. and Mrs. John R. Hadley of Texico, Mr. and Mrs. Jim Pruitt and Mr. and Mrs. J.W. McDonald, all of Clovis, and Mr. and Mrs. John Hill of Channing, Tex.

Oran Autreys Have 2nd Son

Oran Jay and Deborah Autrey of Texico announce the arrival of a son born on Tuesday, Oct. 19, at 3:28 p.m. CDT at West Plains Medical Center in Muleshoe.

The new member of the family has been named William Ryan and weighed 8 lbs., 13 oz., and was 21 inches long. He was welcomed by a brother, Brandon, age 2 1/2.

Paternal grandparents are Mr. and Mrs. J.C. Autrey of Texico, and maternal grandparents are Mr. and Mrs. Bill Stephens of Clovis. Maternal great-grandparents are Mr. and Mrs. J.W. Stephens, Mr. and Mrs. Speck Hodges, all from Clovis, and Mr. and Mrs. Troyce Hoover, Riverside, California. Paternal great-grandparents are Mr. and Mrs. A.O. Fine of Artesia, N.M.

William Ryan also has a maternal great-grandmother, Mrs. Elizabeth Hoover of Riverside, Calif.

E-e-e-e-O-o-o-o-o Contest Winners

Three Farwell Elementary students proudly display their ribbons won in the Halloween word contest held recently at the school. Left to right are Cody Monk, second place

winner; Deana Resch, first place winner; and Brandy Martin, third place winner. Students competed to see who could make the most words using the "e" and "o" sounds.

Elementary Students Have Word Contest

Students at Farwell Elementary School were challenged by a learning contest sponsored by Debbie Janezich, migrant teacher, and Flo Davis, aide, last week in listing words that had either two e's (which made the long sound of e) or words that had two o's (which made the long sound of oo as in school).

The list was limited to 20 words with one point given for each syllable and a 10-point

bonus for any word listed that no one else had on their list.

Ribbons were awarded for 1st, 2nd, and 3rd places. Receiving the top honors with 105 total points was 4th grader Deana Resch. Second place winner was 3rd grader Cody Monk with a score of 96; and 3rd place went to 4th grader Brandy Martin. The Happy Word Hunting contest was enjoyed by most of the students.

Study Club Members To Floydada Workshop

Carrie Christian, Julia Symcox, and president Frances Kube of the GFWC Farwell Study Club attended the Caprock District of Texas Federated Women's Clubs 23rd annual Board Meeting and Workshop on October 23 in Floydada.

The group saw a slide presentation on club women and volunteerism, and heard reports from various district department chairwomen, and attended department workshops.

Special guest speakers were

Patricia Bruno of the High Plains Underground Water Conservation District No. 1, and Mrs. David Sutton, Immediate Past Junior Director of Texas Federated Women's Clubs, who captivated her audience with a talk on "Federation Today."

During the salad luncheon, guests were treated to a program presented by a handbell choir of Floydada.

A total of 115 Caprock District club women were in attendance. Julia Symcox of the Farwell Study Club is District Chairwoman of the Public Affairs Department.

Homecoming Royalty Crowned At Lazbuddie

Crowned as homecoming royalty at Lazbuddie High School last Friday night at Longhorn Stadium during the homecoming festivities were Lori Ivy and Mark Lusk.

Lori, a senior, is the 1982 Homecoming Queen, and Mark, also a senior, is the 1982 Football Hero.

Lori's parents are Mr. and Mrs. Robert Ivy, and Mark's parents are Mr. and Mrs. Glenn Lusk.

Other queen candidates were Anne Guy, Becky Schacher, and Wendy Jarman. Other Hero candidates were Jeff Jesko, Danny Powell, and Lee Scott, who along with Lusk were escorts to the queen candidates.

Following the coronation, the queen and her court were presented in a victory drive around the field, after the presentation of a bouquet of red roses.

Belinda Waddell served as flowergirl, and Matthew Elliott served as crown bearer.

Immediately following the coronation and victory drive, a welcome was given to Lazbuddie past graduates for the years 1975 to 1982.

The Lazbuddie Longhorns triumphed in their homecoming game, beating the Silverton Owls 28-20.

Vicki Vinton Honored With Bridal Shower

A bridal shower honoring Vicki Vinton, bride-elect of Mike Siler, both of Lubbock, was held Saturday, Oct. 23, in the Farwell Home Economics Cottage.

The honoree was assisted in opening gifts by her mother, Mrs. Robert Vinton, and Mike's mother, Mrs. Joe Siler. They each wore a silk flower corsage made by Joyce Coffman.

The serving table was covered with a white lace cloth and centered with a basket arrangement of blue and white silk flowers designed by Mrs. Coffman and presented as a gift to the bride.

Refreshments of assorted cookies, blue mints, and white fluff punch were served from silver and crystal appointments.

Coffee was served from a silver and crystal cafe. Blue napkins with "Vicki and Mike" inscribed in silver completed the table decor.

Hostesses for the occasion were Rubie Craft, Annette Black, Sharron Hughes, Jeanette Ford, Martha Curtis, Dorothy Gast, Joyce Coffman, Evelyn Curtis, Snooks Meeks, Peggy Snider, Doris Herington, Joyce Harding, June Magness, Doris Ford, Peggy Jones, and Beverly Obenshain. Hostess gift was a kitchen center.

Special out-of-town guests included the prospective bridegroom's mother, Mrs. Joe Siler of Granite Shoals, Tex.; Miss Vinton's grandmother, Mrs. Leon Vinton, Rita Morgan, Debbie, Jana and Trina, and Patton Vinton, Cari and Kandi, all of Hereford.

Alpha Rho Lambda Meets With Mrs. Montgomery

Alpha Rho Lambda chapter of Beta Sigma Phi held their meeting on Tuesday, Oct. 26, at the home of Sheree Montgomery. Plans were discussed to establish a scholarship for a senior from Texico and from Farwell.

Further plans were made for the annual pancake breakfast scheduled for opening day of pheasant hunting season.

The program was given by Kendale Burch on the subject

of "Fashion." She reported on the current styles and what the styles will be in the near future. Members report that Kendale gave an interesting test on "past fashion words" with some of the members being very challenged.

Members attending were Charlotte Donaldson, Kitty Johnson, Sandra Joiner, Kendale Burch, Gay Goettsch, Cynthia Thigpen, Pam Smith, Gaye Roberts, Linda Foster, Anita Ralston, Nedda Travis, Laura Jacobs, Gloria Hutchins, Debbie Woodson, Joan Johnson, and the hostess, Sheree Montgomery.

ESA Has Guests, Hears Program On Girlstown

Theta Rho chapter of Epsilon Sigma Alpha sorority met Monday night for a program and business meeting and entertained guests from the GFWC Farwell Study Club. Hostess for the meeting, held at the Methodist Church, was Margaret Aycok.

Guest speakers for the program were Wanda and Marshall Cooper, administrators of Girlstown, USA, at Whiteface, Tex., a beneficiary of much help from the local sorority and study club.

The Coopers presented an informative and interesting slide and lecture feature about Girlstown.

During a business meeting the members discussed the pheasant hunting lease program which the sorority is investigating in the Farwell area this year. Club members say

they still need farmers who will allow the group to use their land for hunting.

It was also reported that the deadline for turning in the proof of purchase seals from Chex cereals is November 8.

Members of Farwell Study Club present for the meeting were Julia Symcox, Linnie Mae Crook, Beulah Hobbs, Ellen Wurster, Ophell McDonald, Eleanor Kube, Gertrude Foster, Frances Kube, and Elma Hart.

ESA members in attendance were Margaret Aycok, Lillie Christian, Gwen Corn, Robin Gregory, Dardanella Helton, Altha Herington, Terri Nichols, Joyce Williams, LaMoin Williams, Maxine Williams, and the new pledges, Susan Johnson, Joyce Correll, Denise Christian and Kim Norton.

Student Council To Amarillo Workshop

All 13 members of the Farwell High School Student Council, along with their sponsor Kay Stanton, and High School Principal Don Malone, attended the Student Council District Workshop at the Villa Inn in Amarillo on Wednesday, Oct. 13.

A Student Council advisor from Colorado spoke to the group on the theme, "You've Got The Job, Now Do It."

Group activities included skits in which persons were used as parts of machines to show how each part of a machine must work for it to be successful.

Attendees also learned some new songs and had a luncheon buffet at noon before seeing a film entitled "Determination."

"All the kids had a really positive attitude after attending the meeting and said they had learned much," Mrs. Stanton reported. She also said that as a result of attending

the workshop, the local Council had decided that they will run for the office of District Vice-President in the December elections. "That's a pretty large order for a small school, but with their determination, they have a chance," the sponsor said.

Student Council members attending the workshop included Jennifer Stancell, president; Jay Anderson, vice-president; Sheran Smallwood, secretary; Andy Hughes, parliamentarian; and members Tammy Obenshain, Kelly Davis, Shelley Ford, Berny Mesman, Marla Meeks, Sheila Smith, Cynthia Ancira, Carl Hutchins, and DeeAnn Curtis. One new member, Tonya Meeks, a junior, was elected to the council on Monday of last week.

Next item on the activity agenda for the Student Council is the sponsorship of the annual Halloween Carnival set for October 30 at the old gym.

The fuel cost adjustment pass-through is fair to our customers. Costs of coal, natural gas, and fuel oil Southwestern Public Service buys to generate electricity change frequently. Sometimes fuel costs go up, and — we're glad to report — sometimes they go down. As set forth by regulatory authorities, the fuel cost adjustment pass-through requires SPS to reflect those changing costs in each customer's monthly bill. The fuel cost adjustment is designed so that each customer is charged only for the fuel that was required to generate the amount of electricity he actually used. There is no profit for SPS figured in the fuel cost adjustment. The customer pays only the current price for that fuel.

Doyle Moore, Amarillo District Manager.

SPS works hard to keep down the cost of fuel. Some people say that because fuel costs are charged directly to the customer, SPS has no incentive to keep fuel costs down. That's just not true. We have a commitment to keep electric bills as low as we can. Our customers are our partners, and we want to help them save money. Too, we always remember that electricity competes with other energy forms for the customer's dollar. So it's simply good business to keep the total cost of electric service as low as possible.

Maurice Johnson, Senior Engineer, System Planning, Amarillo.

Coal-fired generating plants help you and SPS hold down fuel costs. SPS now has two coal-fired generating plants. The newest, Tolk Station near Muleshoe, Texas, has just come on line. Fuel costs at coal-fired plants are significantly lower than fuel costs at the older, natural gas-fired plants. On the average, in fiscal 1982, the fuel cost of a kilowatt-hour generated by natural gas was 3.178 cents. The fuel cost of a kilowatt-hour generated by coal was 1.803 cents. So maximizing use of Tolk and our other coal-fired plant, Harrington Station near Amarillo, will help us, as your partners, hold down fuel costs.

Kurt Shaughnessy, System Accounting Coordinator, Amarillo.

Wolverines Whop Tatum To Retain Undeafeated Status

by Robert Meier

New Mexico's number-one rated Class A Texico Wolverines added another notch to their victory belt Friday night when they zapped the number-two rated Tatum Coyotes to the tune of 42-0 before an enthusiastic home crowd on hand for the important district meeting.

The win upped the Wolverines' record for the year to 7-0 with a 3-0 mark for district play.

Texico started play with the ball on their own 25-yard line, but a quarterback sack, a penalty, and a couple of incomplete passes forced the Wolverines to punt.

The Coyotes took the punt on their own 42, and three plays later were backed up to their 26-yard marker when Texico's Brad Steward intercepted a Coyote pass. The Wolverine jubilation was short-lived, however, when the play was called back on a roughing the passer infraction. But Texico's defense held anyway and Tatum punted to the Green and White deep in Wolverine territory at the 10-yard stripe.

Texico's offense made it only to their own 46 before being forced to punt once again.

On the first play of Tatum's possession, Wolverine lineman Jeff Holland broke through to recover a Coyote fumble to begin what turned out to be a 23-yard scoring drive. Steward ran the ball in from six yards out to score the first TD with less than a minute to go in the first quarter. The PAT kick by Lloyd Williams was good and the Wolverines had a 7-0 lead.

Tatum could not move the ball against the Texico defense and punted it away once again. The Wolverines used six plays in this drive, scoring on an 11-yard pass from Steward to Earl Bibbs for the Green and White's second score. The PAT by Steward was good and the Wolverines had a 14-0 margin.

Then with only 1:38 left in the first half, Texico's Steward again cranked up his throwing arm and hit Kevin West for an 11-yard touchdown. Earl Bibbs ran for the two-point conversion and the Green and White then held a commanding 22-0 lead.

With time running out, Tatum quickly tried to move the ball. But once again the stingy Wolverine defense forced the punt and the Green and White went into play at the 30 seconds showing on the clock. Steward then took to the air, hit West for a 49-yarder and the TD. Williams kicked the point-after and Texico went into the locker room owning a 29-0 shut out.

The Mean Green's No-Non-sense Defense was just as tough in the second half, shutting down Tatum's Larry Hilliard, who had been averaging some 200 yards per game, to only 35 yards on the night.

The awesome combination of linemen Tommy Boarman, Jeff Holland, Lloyd Williams, Allan Hadley, and Jesse Orozco, plus linebackers Lynn Tubbs and Ronnie Galvan, and a strong secondary unit of Earl Bibbs, Billy Bibbs, Brad Steward, and Kevin West kept the Coyotes in trouble all night.

On Texico's next drive, which began at the mid-field stripe, Earl Bibbs rushed for five times, the final run being a two-yarder for the TD with 8:09 left in the third period. Steward's try for the point-after failed, but Texico then had a 35-0 lead.

Neither team could manage much action until Tatum recovered a Wolverine fumble deep in Texico territory at the four-yard line. However, the Coyotes still could not push it across despite the fact that they had first down from the one. An interference call against Texico put the Coyotes on the one-yard line, but the defensive unit lived up to its "no respect" name by forcing a penalty against Tatum and put them back six yards from paydirt.

On fourth and goal from the four, Billy Bibbs jumped on a Coyote fumble to give his team possession and end the only serious Tatum scoring threat.

Texico scored again 11 plays later on a drive that covered the 94 yards from where Bibbs had regained control for the Wolverines.

Earl Bibbs scored the TD from four yards out to make the score 41-0 with 11:57 left in the final stanza. The PAT kick by Williams was true and the Wolverines wound up the scoring for the night with the lopsided 42-0 count.

On Tatum's final possession they pushed the ball down to the Wolverines' five-yard line where the defense held on downs and the ball went over.

The second team offense came in and drove to the Tatum 19-yard line before time ran out in the contest. Texico utilized a backfield combination of Allan Hadley and Tommy Boarman for the final drive. Hadley picked up two yards on one trip while Boarman, a 205

pound tackle, drove 21 yards on three tries.

Earl Bibbs led all rushers with 135 yards on 19 carries and scored two TD's. The Earl of Texico now has 710 yards on 120 carries for the season, has scored nine TD's, two PAT runs, and has also kicked one extra point.

Steward carried the ball nine times for 84 yards and scored one TD while fullback Lynn Tubbs ran seven times for 31 yards. Billy Bibbs contributed 66 yards on eight carries.

In the pass reception category, West was the leader with four receptions for 88 yards and two TD's. Earl Bibbs caught two passes for 18 yards, one for a TD, while his younger brother sophomore Billy Bibbs, had one reception for 12 yards.

Steward threw for three touchdowns and 118 yards, completing seven of 13 attempts.

The Wolverines take on Cloudfcroft tonight (Friday) where a win will give the Green and White the undisputed district championships title regardless of what else happens in other district encounters.

The game is at 7:30 p.m. MDT and the football players will be leaving around noon. A pep rally is scheduled for Thursday afternoon to give the Wolverines a big send-off spirit boost for the big game tonight.

Wolverines Big Lick Awards

KEVIN WEST

BOBBY JOHNSON

Kevin West received the offensive Wolverine Big Lick Award for his outstanding performance during the Texico-Tatum game. He carried the ball four times for a gain of 88 yards and scored two of the Wolverine touchdowns. West also caught two passes; one for 11 yards and another for 49 yards. Coach Lynn said, "The offensive line played extremely well."

Coach David Lynn recognized the defensive playing of Bobby Johnson, senior end, for his outstanding performance during the Wolverines' win over the Tatum Coyotes. In reference to the game Coach Lynn said, "The tempo of the game was established early when Brad Steward scored from the six-yard line in the opening moments of the game."

Tryin' It For Size

These Texico lassies are trying out one of the Green and White spirit jackets which are currently being sold by the school cheerleaders for some of their school projects. From left are Rachel Jaramillo, Vicky Ortiz, and Sharla McDonald, cheerleaders, who ask that persons interested in purchasing a jacket to please contact them

by Thursday, Nov. 4. That will be the final day of sales of the jackets which come in three styles this year. A \$10 deposit is required on the jacket orders, and anyone with questions pertaining to the styles, sizes or other information, please contact any cheerleader or the high school office.

Parade Winners

Winning floats in the Texico Homecoming mini-parade were the FFA entry, "Plow the Buffalos Under," and the third grade entry, "Buffalo Burgers." These floats as well as the other parade contestants made their appearance at the homecoming pep rally at the gym and again during halftime

of the homecoming game against Melrose. Shown with the winning floats are Eric Harding, Les Frodin, Kenny Shaw, and Chad Dunswoth. Harding rode a miniature tractor pulling the plow and sign, while Shaw and Dunswoth carried their giant Buffalo Burger.

Season Nears End For Texico Lady Spikers

The Green and White varsity Lady Spikers at Texico did not have a very productive week, emerging without a win from the five games played by the team; however, the junior varsity and junior high teams had six wins out of ten games.

The Wolverine gym was the site Thursday night, Oct. 21, where the Lady Coyotes from Tatum defeated the Texico junior high team 8-15 with Texico coming back to win the second game by a score of 15-2 only to be defeated in the final game by a score of 11-15.

Texico JV spikers lost their game by scores of 2-15 and 10-15.

The Green and White varsity volleyballers lost by the close scores of 14-16 and 13-15. The Spikers had a 88 percent serving average and had good passes during the game, according to Coach Mike Littlejohn, who said, "These were good games even though we lost."

On Saturday, Oct. 23, Texico was defeated by the Melrose Lady Buffs as they won in straight sets 10-15 and 1-15. This brings the varsity season record to 6 wins - 10 losses with a district record at 2 wins - 8 losses.

Coach Littlejohn felt the lady

spikers played a good first game but couldn't stop the Lady Buffs the second game. He further said that this game displayed the best team effort of the year and that there was a chance to win, but the team just did not take advantage of the chances. He recognized Dana Morris who came off the bench and got three good spikes in the game.

The junior high team won its game from the Melrose junior high by scores of 15-2 and 15-0. The team served 95 percent and, according to Coach Littlejohn, it was their best day of serving in the season. Their season record is 9 wins - 5 losses.

The junior varsity girls lost the first set by 15-17 and won the other two sets by scores of 15-13 and 15-11. Coach Littlejohn commented, "The junior varsity team either played good or poor. They could not play a steady game." Their season record boasts of 9 wins - 4 losses.

The district tournament got underway Wednesday at Melrose with the Lady Buffs seeded No. 1. Wednesday's games were to see Dora take on Floyd at 6 p.m. followed by Texico and Elida at 7:30 p.m. The winner of the Dora-Floyd game was to play Melrose Thursday evening at 6 p.m. while the winner of the Texico-Elida game was to play Tatum in the 7:30 game. The championship game will be played Saturday.

Steers Surprise Mustangs, Stay Unbeaten In District

by Mark Cole

Farwell Steers surprised the hometown crowd at Olton Friday night by taming the Mustangs with a resounding 42-21 victory, making Farwell the only undefeated team in District 5AA.

The Steer offense, sparked by six touchdowns and over 400 yards rushing, was led by Santiago Lucio and Alan Eubank each of whom scored three TD's.

The game began with the Mustangs starting a hopeful touchdown drive on the 40-yard line, driving all the way to the Farwell 30 before the Olton quarterback was stopped for a six-yard loss on third down by Steve Schilling, Kevin Owen and Jesse Anzaldua. The Mustangs elected to run on fourth down but were again stopped, this time by Schilling and Johnny Daniel.

Farwell began its first possession of the football and executed four plays on short runs by Eubank and Paul Fulcher. On Farwell's fifth play from scrimmage, Santiago Lucio, on his first carry of the game, sprinted 35 yards for the touchdown. Raymond Sierra began another perfect kicking game by booting the extra point through the goal posts to make the score 7-0, Farwell, still early in the game.

Olton attacked back on their next possession and drove all the way to the Steer one-yard-line where on their second play from this point a Mustang back went in for the six points. The Olton kicker tied the game at 7-7.

The Mustang defense, given a charge from the touchdown, held the Steer offense motionless and set up a touchdown run from the nine-yard-line, and after a successful extra point, gave the Mustangs a 14-7 lead.

On the kickoff Farwell had a little trouble controlling the ball, but finally Santiago Lucio came up with it and broke to the sideline where he outran

several Olton players to go the full 80 yards for a TD which put a damper on the Mustangs short-lived lead and tied the score at 14-14.

The Farwell kicking team then came up with another big play. This time Roger Robertson snatched a loose ball from the grasp of the Mustangs to set up the next Farwell TD. Lucio ran the ball to the three where Alan Eubank hauled across for the touchdown, the second Farwell score in less than a minute. The half ended at 21-14, Steers.

Early in the third quarter after a series of fumbles by both sides, Olton again tied the score on a 20-yard run to bring the score to 21 points each.

Farwell came back and started their final series of touchdowns beginning with a drive that included pass completions to Robertson for 20 yards, to Jimmy Bernal for six yards, and to Manuel Cantu for four yards. The running of Paul Fulcher and Robby Armstrong brought the ball to the 20 where Eubank ran the distance for the touchdown and brought the score to 28-21.

Olton's offense tried to set up a touchdown but was stopped on fourth and three by Steve Schilling. Then the Steer offense moved the ball downfield for still another touchdown. Included in this drive were runs by Lucio for 20 and 26 yards, by Paul Fulcher for a 15-yard carry, and three nine-yard gains by Robby Armstrong. Eubank scored the touchdown from one yard out, and after the kick, the Steers led 35-21.

Olton was again stopped by the Steer defense, which forced an Olton fumble which the Steers recovered.

Farwell ended the game with a final touchdown from Santiago Lucio from nine yards out, completing the game with a final score of 42-21.

The Steers have two games remaining on their schedule: Hart and Springlake-Earth. Farwell will play Hart in Steer Stadium tonight (Friday), and

will travel to Springlake-Earth next week to wind up loop play.

"Olton has a good team, but each one of the Farwell Steers played as good as he possibly could," beamed Steer Coach Dollar after the Steers' 42-21 defeat of the Mustangs. He went ahead and commented that the offensive linemen had an excellent game and made it possible for the rushing yardage that was gained by the team.

He recognized the team efforts of Johnny Daniel, Steve Schilling, Frank Cantu, Wade Kent, Jesse Anzaldua, and Todd Christian.

"We had three players who rushed over 100 yards each. Alan Eubank rushed for 120 yards while Santiago Lucio rushed for 132 yards, and Paul Fulcher gained 140 yards. We are glad that everyone is healthy and we have not sustained any injuries."

In commenting on this week's game against the Hart Longhorns at Steer Stadium, Dollar said, "We must avoid a mental let down. The last two games have been strong struggles mentally and we must keep mentally alert in order to win."

The Steers record is now 4-4 for the season with a district record of 3-0. Everyone is encouraged to come support the Steers in Steer Stadium tonight (Friday) Oct. 29, at 7:30 p.m. when they play the Hart Longhorns.

Steers Of The Week

JOHNNY DANIEL

Offensive Steer of the Week honors went to Johnny Daniel, junior center, for his performance in the Farwell-Olton game. He was named by the Farwell coaching staff for his excellent blocking that made it possible for the rushing game to be so outstanding.

STEVE SCHILLING

Defensive Steer of the Week named by the Farwell coaching staff is senior guard, Steve Schilling. He received the honor for his 17 tackles in the Farwell-Olton game. He smeared the quarterback three times.

Steer Pep Rally Today At Stadium

The Pep Rally scheduled for today (Friday) for the Farwell Steers will be at the football field beginning at 3:15 p.m. Work is being done in the gym, thus necessitating the move to Steer Stadium for the cheering session.

At today's rally, the football players will honor a Football Steer Mom and Dad and will present them with footballs autographed by all the players and the coaching staff.

Everyone is encouraged to

attend this show of spirit for the league-leading Steers as they prepare to do battle with the Hart Longhorns tonight at 7:30 in Steer Stadium.

Since this is the last home game, everyone is encouraged to wear their blue and white homecoming corsages and to remember to bring their blue and white shakers to use at the game. Let's really make it: "Blue and White is Outta Sight" night.

Farwell Students Holiday Nov. 5

Longhorns Clip Owls' Wings

An enthusiastic hometown crowd was thrilled by the performance of the Lazbuddie Longhorns in their 28-21 win over the Silverton Owls last Friday night.

The first quarter action saw the Longhorns take the ball 90 yards capped off by a nine-yard touchdown pass from quarterback Casey McBroom to tight end Mark Lust. Senior Jeff Jesko put his toe into the ball for the PAT making the score 7-0, Lazbuddie.

Soon after the opening of the second quarter the Longhorn spread the goal line chalk again with a three-yard pass from McBroom to Lust. Jesko booted the PAT bringing the score to 14-0. Late in the second quarter Silverton quarterback Shane Reagan connected on a 20-yard touchdown

pass to Cliff Clardy with Clardy kicking the PAT and the score now stood at 14-7 with the Longhorns still in front.

After the halftime regrouping the spectators witnessed a defensive struggle with each team moving the ball well but unable to cross the goal line.

But the final quarter turned into an offensive show with the Longhorns scoring 14 points and the Owls also scoring 14 points.

Lazbuddie's first touchdown in the second half came on a nine-yard touchdown run by halfback Jimmy Garcia. Jesko booted the PAT.

Then Silverton's Shane Reagan soared over the goal line on a nine-yard touchdown run, but his pass attempt for the

PAT failed. Lazbuddie's Jimmy Garcia crossed the goal line on a three-yard run and again Jesko booted the PAT, making the scoreboard read 28-13, Lazbuddie. The last play of the game saw the Owls score on a 40-yard pass from Reagan to Clardy. The PAT pass from Reagan to Warren Jarrett was successfully executed as the gun sounded with a final score of 28-21.

Longhorn Coach Terry Campbell said, "The team contained Reagan's passing and running and controlled the ball most of the game." He complimented the ball carrying of Bart Elliott who scampered for 150 yards on 20 carries and Jimmy Garcia who ran 103 yards on 17 carries.

Next game for the Longhorns will be against the Nazareth Swifts tonight (Friday) 7:30 p.m. in Lazbuddie.

In talking about Nazareth, Coach Campbell said he felt that the two teams were evenly matched. "We have lost our last three games by four points, so we feel good about being able to defeat Nazareth," the coach added.

Deaf Smith Elec. Co-op Announces Rate Increase

Effective November 1, 1982, members of Deaf Smith Electric Cooperative will have their electric bills computed under a new rate schedule.

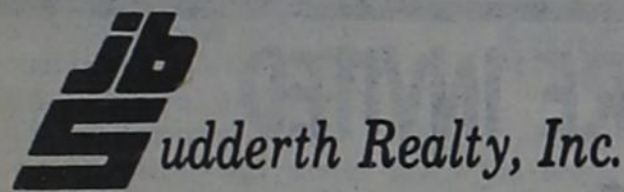

"In these days of steadily rising costs, Deaf Smith REC is fortunate to wait this long before implementing a rate increase," stated Board member Donald Wright of Dimmitt. The new rate will consist of a 42% average increase over the previous rate. This does not indicate all rates have increased 42%, but rather an average of all services combined on our system will increase about 42% based on 1981 usage.

The wholesale power contract which our power suppliers have been governed by the past 10 years expires this month. In addition to increases in the wholesale power, normal operating expenses have continued to increase due to inflation. These two items are responsible for the proposed rate adjustment.

Deaf Smith Electric has postponed this rate increase as long as possible. Now more than ever before, fixed expenses account for the largest portion ever, of the total cost of service. For example, wholesale power cost, depreciation, interest, and taxes alone amount to 89 percent of the total cost of electric service. These are expenses that are completely beyond the control of cooperative management and the Board of Directors, say members of the Board.

Wright explained, "We realize people of this area share the concern over the rising cost of production which includes cost of electricity, and trust you understand our plight and efforts to minimize these inevitable rate increases."

CAN THE TEN COMMANDMENTS SAVE?

St. Paul pointed out a basic Scriptural - and logical - truth when he said: "For not the hearers of the law are just before God, but the doers of the law shall be justified" (Rom. 2:13).

Many people suppose that God gave us the Ten Commandments to help us to be good. The fact is, however, that He gave them to show us that we are bad. Romans 3:20; Galatians 3:19 and a dozen other Bible passages teach this clearly.

How can the law be of any advantage to a law-breaker? How can it justify us unless we keep it perfectly?

Do you recall the woman taken in adultery, in John 8? She was a Jewess. She was better off than the Gentiles, for she had the law of Moses, but this didn't justify her; it condemned her.

So her "advantage" turned out to be a serious disadvantage, for "not the hearers of the law are just before God, but the doers of the law shall be justified."

James 1:23,24 says that one who knows the law but doesn't obey it

is like a man looking into a mirror, seeing his dirty face, and then walking away without doing anything about it.

This is why Romans 2:14,15 declares that the consciences of the heathen confirm what the law says, "their thoughts the meanwhile accusing or else excusing one another."

Those in heathen lands know that it is wrong to lie and steal and commit adultery, yet they know nothing about the law of God, or the Ten Commandments. How then do they know that these things are wrong? God made them with this knowledge; He gave to them a conscience, a sense of blameworthiness in doing wrong.

Every man has this inner sense, though his conscience may become seared. It is common experience for men's consciences to trouble them; "their thoughts" either "accusing or else excusing one another."

How good to know the One who has paid the penalty for our sins so that our hearts may be "cleansed from an evil conscience" (Heb. 10:22)!

Farwell Boosters Busy, Set Fund-Raising Plan

One of the busiest aggregations around town these days are members of the Farwell Booster Club who are always on hand to help boost the spirit for the athletic contestants and assist the school in many ways.

Right now they, along with all the other townspeople, are thinking DISTRICT CHAMPS as the fighting Steers head into the final two District 5-2A games in the next two weeks. The Steers are the only undefeated team in the district, and the fan support is definitely needed now to help boost them on to the championship and beyond.

Among the activities being planned by the Club as a method of raising funds is a photograph offer from a nationally known company. The club members will sell coupons for family pictures to be made on December 18 and will receive a share of the coupon sales as well as funds for having the photographer come for the sitting on the December 18 date.

out at Tuesday night's Booster Club meeting and will soon be on sale by the members.

Expenses of the Booster Club have included purchasing \$500 worth of hurdles for the track, a blue light for the victory bell, blue and white balloons which have been a big crowd pleaser and spirit builder at the Steer ball games, and a bigger and better camera for filming the games. Parts and repair for the old camera were becoming obsolete, making its upkeep quite expensive.

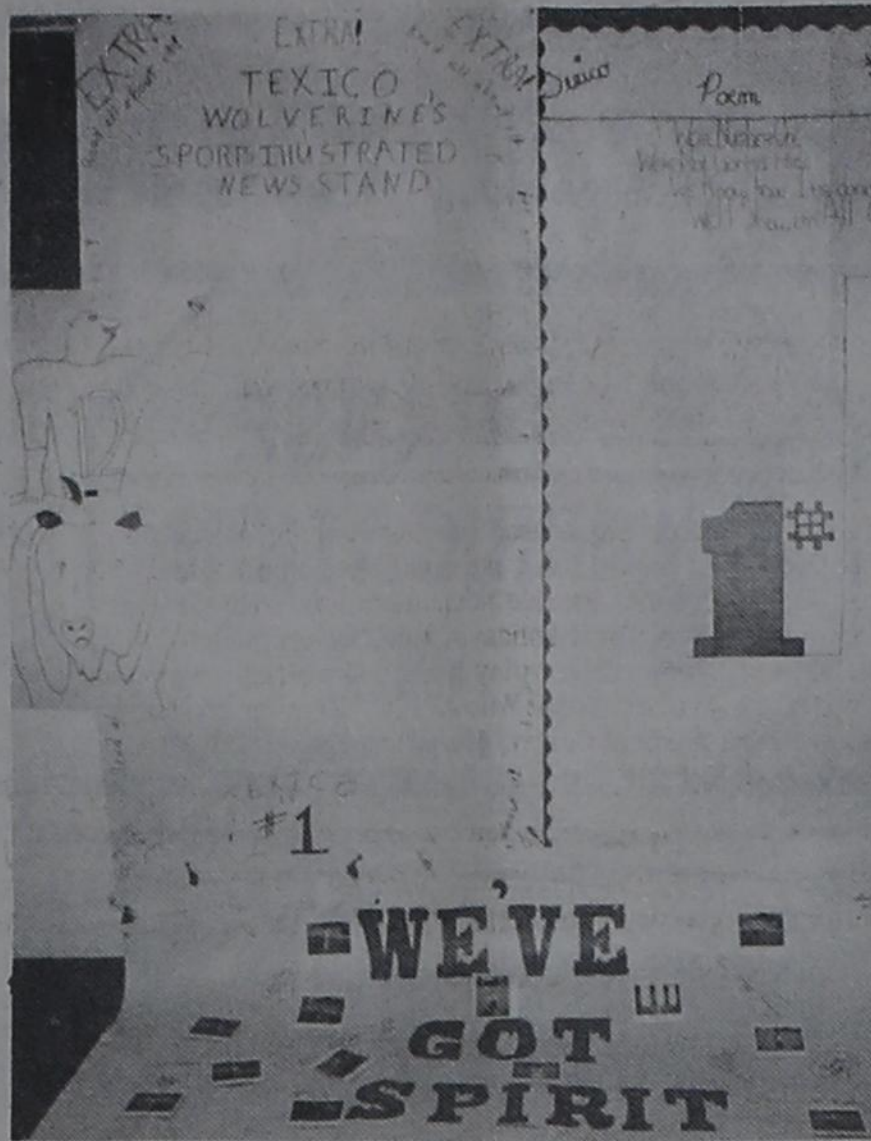

The club also had poster-schedules of the football and basketball games printed, and paid for enlarging and posting the pictures of the Steer football players around the area businesses. They will also have pictures posted for the basketball players in basketball season. They were also responsible for a hospitality room for officials and coaches at the Farwell basketball tournament, and have helped to pay for the metal Steer and Steerette heads that are shown in the yards of all the players.

Booster Club is the annual athletic banquet which honors all high school athletes in every sport. The banquet is usually held late in May after most of the sports programs have been completed so that all those who have participated may be honored.

So be sure to buy a coupon from a Booster Club member when they come by. You will receive a 10x13 color family portrait with frame and non-glare plexiglass for only \$7.95, and will have the option of having the parents' picture made separately or even have a children's group made alone. However, it was pointed out that the 10x13 does have to be of a family group.

Because of the expense, it was decided last week that the blue and white balloons for the next two upcoming games will be bought by donations from individuals instead of taking funds from the Booster Club treasury.

Dues for the Booster Club are \$15 annually and they go to help a very worthy cause: our young people.

Posters A Plenty

These were only a few of the spirit-boosting posters displayed throughout the gym and school buildings at Texico during homecoming week as students and organizations concocted all sorts of catchy and thought-provoking drawings and pictures in honor of

the occasion. All of them, of course, pictured the ways in which the Wolverines would devour the hapless Melrose Buffalos, a feat that indeed came to pass as the Green and White ended its homecoming on a sweet note with a 40-0 win over the Buffs.

Farwell Junior High Suffers Olton Loss

Farwell junior high footballers were dealt a 32-14 loss by the Olton junior high team last week.

David Woods' arm was wound up and hit his mark target — Joe Jaime — for two touchdown passes for the young Steers. The first touchdown pass of 30 yards was made in the first quarter of play with the PAT failing. Early in the fourth quarter Woods again connected on a 20-yard pass to Jaime for their second touchdown. Woods' PAT pass to Daniel Rubio made the final score Olton 32 and Farwell 14.

ez stated, "The Olton team was much more mature than our boys. They were larger, and older, and these two factors made them more mature physically and mentally."

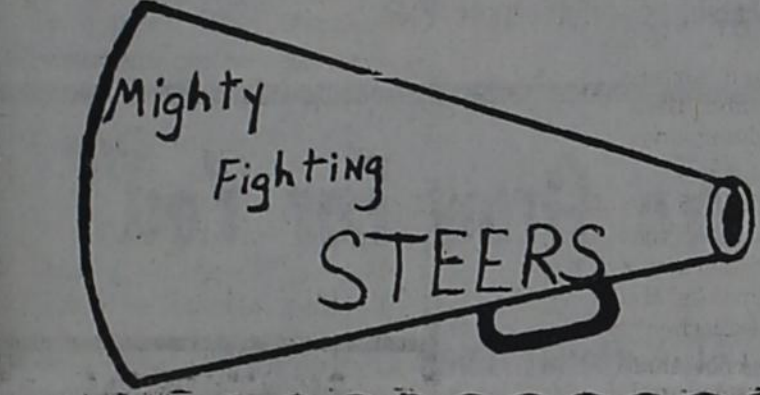

He recognized David Woods for his offensive game of attempting 25 passes with 13 completions for 200 yards. In the passing department Joe Jaime had eight completions, Daniel Rubio had three completions, and Damon George had two.

Defensively he cited Carey Stancell, Jason Schilling, and Joe Morales for their outstanding plays. Jason Schilling

made most of the tackles from his linebacker position, the coach said.

The junior high's next game was to be at Hart Thursday, Oct. 28, with the game to start at 5:30 p.m.

The junior high team members and the coach expect this to be a close game and urge everyone to come and support the Farwell Junior High.

Construction Hearing Held Oct. 26

Twenty people attended a public meeting conducted by the State Department of Highways and Public Transportation on October 26, at 2 p.m. in the County Courthouse in Farwell. This meeting was held to discuss the construction of FM 3333 from U.S. 60, 5.0 miles northeast of Farwell to FM 1731 in Parmer County.

County Judge Porter Roberts opened the meeting, and Lloyd Lust, Engineer from Littlefield State Department of Highways and Public Transportation, gave a presentation of information concerning the design of the project. He explained that drainage would be handled with culverts.

Gary Bernethy, Right of Way Engineer from Lubbock, SDH & PT, explained the State's Relocation Assistance Program and right-of-way acquisition. Right-of-way will be 100 feet on the project.

Dalton Jones, District Design Engineer, SDH & PT from Lubbock, helped to explain the design and procedures and requirements for getting started on the project.

It is estimated that easements for utility lines will be completed by January 1, 1983, and the project will be ready to let to a contract by March 1, 1983.

Maps and drawings of the proposed location and geometric design of the project were
