

G&C Auto Store Opened Monday At New Location

A formal opening of the G&C Auto in their new building at the corner of 4th and Harrel is scheduled for later this month. G. C. Chandler announced this week.

The firm moved over the weekend and was open for business in the new location Monday morning. Associated with their father in the business is Slick and Odell Chandler.

G&C Auto is now the largest auto parts dealer between Lubbock and Albuquerque, N. M. In addition to their local retail and parts also operate stores in Sudan and Anton.

The 50' x 50' building, formerly occupied by Littlefield Laundry, has been completely redecorated in shades of light green.

A 30' x 30' equipment display room has been arranged across

the front of the building and a 30' x 22' office has been built. The remainder of the building will be used for warehousing the firm's increased stock.

College Choir Appears in Assembly Here

The Chorales from Grand Canyon College, Phoenix, Ariz., appeared in the regular weekly high school assembly Wednesday morning. The 30-voice mixed chorus presented a program of classical and semi-classical numbers.

Robert Fulton, inventor of the steamboat, was an avid submarine enthusiast. He built several submersible warships, one of which was known as the Nautilus.

Mrs. Robert Lindsey Is Speaker At Amherst Tea

"We are organized to educate ourselves to serve our people", Mrs. Robert Lindsey, president of the Seventh District of the Texas Federation of Women's Clubs, told more than one hundred ladies who attended a Federation Day Tea Monday night at 8 p.m. in Fellowship Hall of the First Methodist Church in Amherst. The tea was given by the Junior Study Club of Amherst, honoring all federated clubs of the county.

Mrs. Lindsey told the visitors, "Ask yourself what do I need in my community to make my family and my home happier?" To the program chairmen she said, "Look around your community, plan your programs to fit your own community. A program suitable for Washington, Chicago, or some other place may not be suitable for your town. Make your own programs, use your own local talent."

She enumerated the many things that the women's clubs had been directly responsible for. Among these were: The first home economics and manual training departments, art and music in schools, four out of five libraries, the first national park in Florida, the pure food and drug laws, the strips in the center of the highway, the privilege of voting and our duty to serve on juries, and many others.

In closing she said, "Youth is our obligation, what am I doing to make my home, my club, and my community a better place to live. Search your own life and answer this question?"

Mrs. Gerald Coffer, president of the club welcomed the guests after Mrs. W. P. Stovall, president of the Senior Club gave the invocation.

Mr. and Mrs. J. H. Penn gave two musical selections.

Mrs. W. P. Holland, Jr., introduced Mrs. Lindsey. Following Mrs. Lindsey's speech Mr. Penn sang another number accompanied by Mrs. Penn.

The guests were served from a table laid with a pink organdy cloth. The center piece was a small styrofoam piece styled in the State of Texas edged in gold surrounded with miniature red roses. Pink ribbons were fastened to "Texas" and led to a pink organdy and lace parasol which covered the entire arrangement.

Cookies, nuts and mints were served with coffee or spiced tea. Representatives of the federated from Springlake, Earth, Sudan, and Littlefield attended.

MRS. ROBERT LINDSEY

Mrs. Harmon Is Shower Honoree

Mrs. Bennie Harmon was the honoree at a layette shower given in the home of Mrs. Aubrey Jones Friday afternoon.

Mrs. Barry Bearden registered guests and Mrs. Charles Hinds served iced fruit punch and individual cake squares decorated with pink rosebuds. The tea table was centered with a floral arrangement in pastel shades in a light blue ceramic bassinet and lighted tapers in crystal holders. Favorg in pastel shades held assorted mints.

A chest of drawers was the hostesses gift. It, with a large array of other pretty and useful gifts were on display in a bedroom.

Hostesses were Mesdames Jor's, Guy Huffstodler, Comer Hall, Doyle Tapley, H. L. Messamore, E. E. Gee, Joe Porter, Jake Moreland, Claude Emmons, Victor Oxford, Barry Bearden, Doc Shavor, I. N. Griffing, Charles Hinds, W. P. Holland, Prentice Holland, Lee Payne, C. A. Duffy, C. A. Duffy, Jr., Marvin Wagner and Lester LaGrange.

Out-of-town guests were the honoree's grandmother, Mrs. H. C. Holt, Muleshoe; her aunts, Mrs. Annie Carter, Levelland, and Mrs. Guy Bellamy, Sudan; Mrs. J. H. Phelps, Manitou, Okla., and Mrs. D. D. Yantis, Littlefield.

Friends Honor Deborah Holland On 4th Birthday

Mrs. W. P. Holland, Jr., entertained with a party for her daughter Deborah on her fourth birthday, March 23.

Pictures were made and indoor games played.

Punch and individual birthday cakes were served to Darlene and Linda Weaver, Pat and Charlotte Hinds, Kay Campbell, Bryan and Linda Ayers, Barbara, Mike and Mandy Coffer, Jan and Paul Holland, the honoree's grandparents, Mrs. W. P. Holland and Mr. and Mrs. Fred Hamm of Hart.

Mr. and Mrs. Webb Chosen To Head Jr.-Sr. High PTA

Over 200 parents and teachers heard Forrest Martin and Glen Reeves, principals of Junior and Senior High School, discuss the school curriculum at the Junior-Senior High Parent-Teachers meeting Monday night.

"It's a big step in the life of your child when he passes from the sixth grade to Junior High School," Mr. Martin explained.

"He begins to take on responsibilities that he has not known before, such as having his own locker, having a different teacher for each subject and making more and more decisions for himself."

Martin outlined the typical day of a Junior High Student and explained the requirements to pass, honorariums, exemptions and attendance.

Reeves continued the discussion by explaining the big differences in Junior High and High School.

"In High School," he said, "if your student fails a subject he does not receive any credit at all and must take it over the next year." He explained that it takes 18 credits to graduate, 9 required and 7 elective. He also discussed school policies as to absences, student-teacher conferences, etc.

Benny Williams, a high school student, gave the opening devotional and the Melody Belles sang two numbers.

Following the program a business meeting was held and officers were elected for the coming year. They are: president, Mr. and Mrs. Alvin Webb re-elected; vice-president, Mr. and Mrs. M. C. Dunagin; secretary, Mrs. Charles Heathman, and treasurer, Mrs. G. M. Nickelson.

Charm School Set For All Earth Teen-Agers

Mrs. Osage Free began a charm school for teen-age girls in her new beauty shop Friday night. The school for teen-age girls in her town 12 and 19 years of age. The group discussed a project to raise money for the new swimming pool, and decided to have a hobo day. They will wash cars, windows, clean house, baby sit, or anything they can do on this day. The time will be set at the next meeting on April 19th, at 7:30 p.m.

Carol Hamilton was elected as president of the class; vice-president, Kathleen Weslan; secretary and treasurer Pat Armstrong; reporter, Beverly Province; social committee, Frances Cole and Janis Prather.

The group chose "Jod-etts Charmers" for their name.

Visitors Are Honored With Luncheon

Mrs. Winston Barton of Tucson, Arizona and Mrs. Dale Blake of Hayward, California were honored with a dinner party at the Ming Tree in Lubbock last Saturday by Mrs. Bill Cox, Mrs. Rudolph Harvey, and Mrs. Hugh Trimble.

Mrs. Barton has been visiting her parents, Mr. and Mrs. U. E. Kelley, and her parents-in-law, Mr. and Mrs. Acrey Barton.

Mrs. Blake has been visiting her parents, Mr. and Mrs. G. A. White, her brother, Don White, and her sister, Mrs. Hugh Trimble.

After dinner the group visited Mrs. G. A. White who is confined to the Methodist hospital with a heart ailment.

Norma J. Stovall, Bride-elect, Is Shower Honoree

Norma Jean Stovall, bride-elect of David Ceurley, was honored with a shower Saturday evening in the home of Mrs. Roy Neal.

Co-hostesses were Mrs. R. H. Belew, Mrs. Pody Welch, Mrs. Leonard Stephens, Mrs. Oliver Tunnell, Mrs. C. L. Roberts, Mrs. John Laing, Mrs. Ronald Clevinger, Mrs. Lena Hite, Mrs. Bob Usery, Mrs. V. D. Coker, Mrs. J. D. Newton, Mrs. W. O. Wood, Mrs. Wayne Rutherford, Mrs. Pete Parish, Mrs. Guy Kelley, Mrs. E. C. Hudson, Mrs. M. E. Kelly and Mrs. J. L. Hinson.

Frances Cole and Pat Armstrong served strawberry chiffon squares and coffee from a table decorated in green and white, centered with a huge arrangement of pink daisies, flanked with pink tapers.

Guests were greeted by Larus Glasscock and registered by Janice Prather.

Background music was played during the evening by Sue Neal, Wayne Rutherford and Carol Hamilton.

About 60 guests were registered.

MR. AND MRS. ELBERT JOE DILLION — Photo by Nail

Miss Janet Kuykendall And Mr. Dillion Are Wed

The First Baptist Church of Sudan was the scene Sunday of a double ring ceremony uniting in marriage Miss Frances Janet Kuykendall and Elbert Joe Dillion. Rev. Wayne C. Perry of Sudan officiated.

Miss Kuykendall is the daughter of Mr. and Mrs. Orvell T. Kuykendall of Sudan. Mr. and Mrs. J. E. Dillion of Littlefield are parents of the groom.

The couple stood before an archway of greenery and baskets of white stock tied with blue bows, and blue tapers in silver candelabra.

Miss Joyce Braker of Anton sang "Whither Thou Goest" and "The Lord's Prayer," accompanied by Miss Marthana Masten of Sudan and Lubbock who also played traditional wedding music. Given in marriage by her father, the bride wore a street-length model of white imported organdy over taffeta, the bouffant skirt accented by crinoline, and pinned to a midriff of fagoting and white satin bows, the self-pleated bodice

outlining the deep V-neckline and cap sleeves. Her fingertip length veil of silk illusion falls from a thora of seed pearls and iridescent sequins. The bridal bouquet was of white roses, with satin streamers.

For something old the bride had a penny in her shoe made in 1880. Something new was the bridal dress, for something borrowed she wore the veil borrowed from Mrs. Robert DeLoach of Muleshoe. The traditional blue garter was worn for something blue.

Matron of honor was Mrs. John Morrow of Lubbock, sister of the bride. She wore a street-length dress of baby blue lace and chiffon, the lace bodice and full-gathered skirt over taffeta of the same hue, fashioned with high neckline in front plunging to a deep V in back. She carried a nosegay of blue carnations.

Best man was Edd Wilson of Littlefield.

Ushers and candlelighters were Ralph Edmondson of Tulsa, Ok-

Tea Honors Bride Elect

The Sudan Community Center was the scene Thursday afternoon for a Tea-Shower honoring Miss Donna Beth Robinson, bride elect of Harold Testerman.

Registering the guests calling from 3 to 6 was Mrs. Pat Kent. In the receiving line were Miss Robinson, Mrs. A. L. Robinson, and Mrs. Earl Testerman, mothers of the couple.

The tea table was covered with a white cut-work cloth and arranged with silver appointments, white stock and pink tapers.

Performing the serving hospitalities were Mrs. Lindell Harlin and Mrs. Wayne Whiteaker.

The honoree was presented an electric appliance as a hostess gift. Other hostesses included Mesdames Joe T. Salem, C. M. Furneaux, W. V. Terry, G. W. Maston, Theresa Baccus, F. E. Miller, L. E. Slate, W. H. Lyle, S. D. Hay, and E. E. Crow.

W.S.C.S. Has Luncheon In Church Parlor

Mrs. Houston Hoover and Mrs. Jed Clarida were hostesses Wednesday at noon to the Women's Society of Christian Service in the parlor of the First Methodist Church.

Twenty women heard Mrs. Ross Lumsden give a program on "The Spirit of Christ—For All of Life".

The buffet lunch was served from tables decorated with white cloths and decorated with spring flowers. A white Madonna encircled with flowers represented the Easter season served as a worship center.

Jahoma, and Freddie Jamieson of Amarillo.

For her daughter's wedding Mrs. Kuykendall chose a dress of slate blue silk with white and navy trim, accented by accessories of white and black patent. Her corsage was of red roses.

Mrs. Dillion wore a sky blue lace dress, with accessories of white, and a corsage of red roses.

Miss Pat Lynch and Miss Zerlina Tollett, both of Sudan, registered wedding guests.

For a wedding trip the bride wore a pink linen sheath with cap sleeves and a large pink organza bow, with brown and white accessories.

The bride is a 1956 graduate of Sudan high school and until recently was employed by Littlefield Press. The groom attended Littlefield schools and served in the United States Army two years.

The couple will be at home in Littlefield at 709 East 9th Street, where the bridegroom is a partner in Dillon Lumber Company.

Miss Lauderdale To Wed Mr. Norman Thetford

Mrs. Earl Moore Honored With Layette Shower

Mrs. Earl Moore of Stillwater, Okla., who is the house guest of her aunt, Mrs. C. G. Landers was named honoree with a layette shower Friday at the home of Mrs. Bruce Wren, Jr., northeast of Whitharral. Co-hostesses were Mrs. Hub Spraberry, Mrs. Jack Bryant, and Mrs. J. E. Wade.

Mrs. Wren gave a reading and Mrs. E. G. Wade, Jr., directed a game before presenting the beautiful gifts.

The refreshment table, laid in lace, was centered with yellow fuscia in a crystal bowl flanked on either side with baby shoe candles. The color scheme of green, yellow and white was further carried out in the refreshments of lime punch, nuts and individual cake squares, served to the honoree, and Mesdames Kenneth Wiseman and Driscoll Bryant of Sudan, C. G. Landers, Fred Newsom, Roy Taylor, T. C. Wade, Weldon Newsom, J. B. Wren, Sr., Doss Maner, E. P. Havins, Wayne Maner, and Billy Williams.

Capt. and Mrs. Robbins are visiting Mr. Robbins in Littlefield.

Capt. and Mrs. Robbins recently sailed from New York on a tour of duty in Zaragoza, Spain in an army hospital. Capt. Robbins recently completed a six-month course in Spanish in an army school in Washington, D. C. While in Littlefield he is also visiting his wife, Olene Gibson, and a brother, his family, Mr. and Mrs. Robbins.

Social Security Benefits Can Earn Up To \$1200

People receiving social security benefits are permitted to earn up to \$1200 a year and still draw all their monthly checks, according to John G. Hutton, Manager of the Lubbock Social Security office. They can earn between \$1200 and \$2000 and still receive payments for some months in the year, he said.

For those beneficiaries who earn more than \$1200 there is a form especially prepared for them to use in reporting their earnings to the Social Security Administration. This report must be filed before April 15 of the year following that in which the beneficiary earned over \$1200.

For those who make their tax reports on other than a calendar year basis, the deadline for reporting is 3 months and 15 days after the end of the taxable year. This annual earnings report is not necessary for any year after the year in which a recipient of social security benefits reaches age 72, Mr. Hutton added.

This annual report to the Social Security Administration has no relation to income tax reporting responsibilities. It is in addition to any tax forms which may be filed with the Director of Internal Revenue.

The Lubbock Social Security office has a supply of these necessary report forms and will be glad to assist in the completion of them.

A representative from the Lubbock Social Security Office will be in Littlefield on April 11 at 9:30 a.m. at the Employment Office.

Kitchen tip: add sugar and flavoring to heavy cream you are whipping after beating long enough so the cream has begun to thicken. Two to three tablespoons of confectioners' sugar is about right for one cup of cream.

SMACKIN' GOOD AT SNACK TIME!

CINNAMON BARS

1 cup sifted, all-purpose flour
 1/4 teaspoon salt
 1 teaspoon cinnamon
 1/4 cup INSTANT PET (in dry form)
 1/4 cup soft shortening

3/4 cup brown sugar
 1 egg, separated
 1/4 cup water
 1 teaspoon vanilla
 3 Tablespoons sugar
 1/4 cup finely cut nuts

Sift together onto a piece of waxed paper the flour, salt, cinnamon and the Instant Pet. Mix in a 2-qt. bowl until light fluffy the shortening, 3/4 cup brown sugar, egg yolk, water and vanilla. Add about 1/2 of flour mixture at a time, mixing well each addition. Spread batter in a greased 9-in. square pan. Egg white slightly and spread over top of batter. Sprinkle with a mixture of 3 Tablesp. sugar, 1/2 teasp. cinnamon and the nuts. Bake near center of a 350 oven (moderate) 30 min. as cake pulls from sides of pan. Cut into 21 bars while still warm. Cool in pan.

Mrs. Arlene Reed of A.C.C. spent the weekend here with her parents, the Carl Reeds and Linda Reed.

Mrs. Seminoles for the weekend with relatives were Mr. Doug Stephenson and Mrs. and Mrs. Claude and son, Jim.

Mrs. Ralph Wade, Cathey were in Pampa weekend to take Mrs. Alton and Mrs. Melvin Copeland with Mr. and Mrs. James. Mrs. Copaus will visit for Boise, Idaho to her husband, who is stationed there.

Mrs. Rankin Howard of Lubbock Friday to attend the funeral of C. L. Christ is seriously ill.

Mrs. Will Reding are with their daughter, Mrs. Hutto, who recently returned from a stay at a Dimmitt hospital. Mr. Don Reding and children and their sister and family on.

Olton, Spade Students Receive Polio Shots

Four hundred and seventy-two students were given their first polio vaccine in the Olton home economics building, Tuesday afternoon.

Assisting with the project were Dr. B. J. Shoulders, Dr. Lynn Fite and Dr. James Fite, all of Olton, and Dr. W. C. Nowlin and Dr. F. W. Jones of Littlefield. Nurses assisting were Nadine Timian, Elizabeth Brown, Jewel Richards and Irma Roberts of Littlefield and Juanita Shannon, Margarita Martinez, Mary Hooper, Mrs. Cooper, Mrs. Paul Spain, Mrs. Joe McGill, and Mrs. Elsie Hackler, all of Olton. Also helping were PTA members.

Shots were given to 948 Littlefield students last Friday. Doctors and nurses in charge of the inoculation program were Dr. W. C. Nowlin, Dr. John Holdor, Dr. W. A. Dillon, Dr. F. W. Jones and Dr. O. W. Still, all of Littlefield, and Dr. R. A. Gutekunst of Sudan. Nurses from Sudan and from both the Littlefield Hospital and Medical Arts Hospital assisted.

Eighty-one students received inoculation at Spade Wednesday afternoon. Dr. D. J. Stafford was assisted by Ann Mathis and Clelland Rowland.

Amherst children will receive shots this afternoon.

Hundreds Attend School Dedication At Amherst

Several hundred school patrons, former teachers and other attendees of the formal dedication of Amherst's new school building, Sunday afternoon.

Supt. Vance Osborne presided and Mrs. Alfred Schroeder, P.T.A. president gave the welcome after Rev. John Rankin pronounced invocation.

Paul D. Bennett, President of the School Board presented the key to Francis Young, president of the student council.

E. H. Boulter of Lubbock, a member of the State Board of Education spoke. He said we are living in the Golden Age of Education, made possible with excellent school plants, cafeterias and better trained teachers.

More emphasis is being placed in teaching citizenship. Guidance and counseling are among educational activities now days." He congratulated Amherst on the good rating of her school at the state level.

The Amherst girls chorus sang, "Whatever God Ordained is Good" with J. H. Penn, director.

A band concert opened the program led by Mr. Penn. High School Principal Elmer C. Watson gave the benediction.

A tour of the building followed the program and a reception was held in the cafeteria.

The new public speaking system was used for the first time last week, at the senior play and the Sunday afternoon affair.

Land Judging Contest Slated Sat.

The Lamb County Soil Conservation District Board of Supervisors have announced they are sponsoring a District Land Judging Contest to be held Saturday morning, April 6th at nine o'clock. Teams have been asked to assemble at the Courthouse in Littlefield. From there they will go to local farms where the teams will determine land capabilities. The winning teams will be selected on their ability to determine soil depth, texture, structure and permeability; land slope; amount of erosion, erosion hazards and the needed land treatments.

Future Farmer's of America chapters from Littlefield, Sudan, Springlake, Olton, Amherst and Spade, have been invited to enter teams. A team from the 4-H Clubs has been invited.

FFA teams from Muleshoe and Brownfield have been invited to participate with only the teams from the Lamb County Soil Conservation District eligible to receive the plaques.

Don Newman and John Harmon of the Soil Conservation Service will assist the SCD Supervisors in conducting the contest.

The highest scoring team from the District will go to the regional Land Judging Contest to be held at Texas Tech. Should the local team become eligible for the national contest the Lamb County SCD will continue their sponsorship, furnishing expenses for the team to travel to the national contest to be held in Oklahoma City.

Weldon Findley Wins Fourth Place In District Spelling Bee Outcome

Weldon Findley, Jr., Lamb County Spelling Bee Champion placed fourth in the Lubbock Avian-Journal Spelling Bee held Saturday afternoon at the O. L. Slaton Junior High school auditorium. His prize was \$10, and a trophy.

Weldon, who is a seventh grade student in Littlefield Junior High, placed two "r's" in "Charade".

Two students from neighboring schools also made a good showing in the contest. They were Tony Piaz of Bula and Lendyl Chisholm of the Whitharral school. Tony, who was the Bailey County champion, is an eighth grade student in the Bula school. He is the son of Mr. and Mrs. Ben Piaz of Bula. Tony left the line on the word "barbarian". Piaz spelled into the final words before missing this word.

Lendyl is the son of Mr. and Mrs. A. L. Chisholm, Littlefield, Rt. 2. He missed "comparatively", placing himself in seventh in the contest.

Mrs. Lenton Smith of Littlefield was Weldon's coach. Mrs. O. B. Wilson of Bula was Tony's coach, and A. A. Mitchell coached Lendyl.

Roy Boyd, Lubbock County Superintendent of Education directed the bee. Miss Glenys Honey, Tom S. Lubbock High School English teacher pronounced the words.

All students spelling in the bee received trophies and were recognized as coming to the bee as champions and going home champions.

Congratulations to

Mr. and Mrs. J. D. Fox on the birth of a baby son, Jackie Fox. The baby was born on April 3 and weighed 7 lbs., 4 ozs.

Mr. and Mrs. Cecil Andrews on the birth of a baby son, Chris Len Andrews. The baby was born on April 3 and weighed 6 lbs., 1 oz.

Morris, Cunningham And Jones Top Winners In District Meet

Greer Is Second In Two Races

By J. D. TRULY

The Littlefield Wildcats captured third place in the District 1-AAA relays at Amarillo last Saturday with 26 points. The meet was first scheduled to be held at Canyon but was later changed to Amarillo. Phillips took first place with a total of 57 7/15 points. Dumas took second with 37 11/15 points.

There were two rain storms just preceding the meet and the track was very slow. The ground was wet and soft and the times turned in in the running events was not spectacular.

The two Littlefield aces, Max Morris and Bobby Cunningham, won their individual events but their performances were nothing extra. Cunningham ran the mile run in a comparatively slow time of 4:50.2. Morris also won the discus throw but his heave was some 30 feet short of the one that he made in the West Texas Relays at Odessa the week before.

Buddy Jones pulled a mild upset as he won the broad jump with a distance of 20'10". Jones had not figured prominently in any meet so far this year.

Mike Greer was also a good point getter for the Wildcats team. Greer did not win any first places but he took two seconds and ran on the fourth place 40-yard relay team. He contributed seven points for his team.

The winners of this meet will have an opportunity to participate in the regional track and field meet to be held in Lubbock a week from Saturday.

SUMMARY

100-Yard Dash — 1. Dean McLellan, Dumas; 2. Mike Greer, Littlefield; 3. Danny Elliston, Hereford; 4. Jackie Wiles, Levelland, 10.2.

220-Yard Dash — 1. Dean McLellan, Dumas; 2. Mike Greer, Littlefield; 3. Danny Elliston, Hereford; 4. Marvin Brain, Phillips, 23.4.

440-Yard Dash — 1. Jim Boxwell, Dumas; 2. Bud White, Dumas; 3. Jesse Hofacker, Levelland; 4. Buddy Jones, Littlefield, 3.1.

880-Yard Run — 1. Bill Bowers, Levelland; 2. Marvin Morris, Phillips; 3. Ron Cook, Hereford; 4. Carl Brown, Levelland, 2:09.0.

Mile Run — 1. Bobby Cunningham, Littlefield; 2. Jim Barry, Phillips; 3. Bobby Rooker, Levelland; 4. Milner Duval, Hereford, 4:50.2.

120-Yard High Hurdles — 1. Ned Jolly, Phillips; 2. Ted Jolly, Phillips; 3. Vance Orr, Phillips; 4. Paul Higgins, Hereford, 16.15.

180-Yard Low Hurdles — 1. Ted Jolly, Phillips; 2. Ned Jolly, Phillips; 3. Bobby Cunningham, Littlefield; 4. Vance Orr, Phillips, 22.0.

440-Yard Relay — 1. Dumas, (Jim Boxwell, Kent Vick, Bud White, Dean McLellan); 2. Phillips (Wilson, Richardson, Bryant, J. Bennett); 3. Hereford (Danny Martin, Bill Calloway, Bill Drake, Danny Elliston); 4. Littlefield (Mike Greer, Bobby Cunningham, James Pressley, Buddy Jones), 45.6.

Mile Relay — 1. Phillips (Wilson, Ned Jolly, Bryant, Ted Jolly); 2. Dumas (Jim Boxwell, D. Mowery, Bud White, J. Tendler); 3. Levelland (Jesse Hofacker, Jesse Ballew, Bill Bowers, John Feitz); 4. Hereford (Jim Curtis-

son, Cavin McCreary, John Bryant, Bill Drake), 3:35.0.

High Jump — 1. Tie among Ned Jolly, Phillips; James Cleveland Dumas; Dean McLellan, Dumas; 2. T. T. Aman; Vance Orr

Phillips, Butch Cross, Phillips, Jesse Suddreth, Levelland; Paul Higgins, Hereford; Norman Whitsett, Dumas; M. Lee Duval, Hereford; Larry Tipton, Levelland 5'7".

Pole Vault — 1. Jim Dean, Phillips, 11'; 2. Butch Cross, Phillips, 10'8"; 3. Tie between Jim Cagsinger, Hereford, and John Burston, Dumas, 10'.
Broad Jump — 1. Buddy Jones,

Littlefield, 20'10"; 2. Ted Jolly, Phillips, 20'7"; 3. Gordon Richardson, Phillips, 20'2"; 4. Jackie Wiles, Levelland, 19'10 1/2".
Shot Put — 1. Johnny Anderson, Phillips, 47' 1/2"; 2. Thomas

Cowan, Levelland, 45'11 1/4"; 3. Kent Vick, Dumas, 45'4"; 4. Joe Hoover, Littlefield, 44'7".
Discus Throw — 1. Max Morris, Littlefield, 128'7"; 2. Tommy Newman, Phillips, 124'6"; 3. Kent

Vick, Dumas, 121'10"; 4. Joe Hoover, Littlefield, 117'10".
TEA TOTALS — 1. Dumas, 58 7/15; 2. Dumas, Littlefield 26; 4. Levelland 25.

Girls Lose First Round In Dist. Volleyball Tourney

The Littlefield girls volleyball team dropped their first round match to Levelland in the opening round of the District 1-AAA girls volleyball tournament. Levelland took the contest in straight games, 15-7 and 15-6.

The tournament was held in the Littlefield High School gymnasium Tuesday evening. Only three teams were entered in the tourney. They were Littlefield, Levelland and Phillips.

The Littlefield girls started the scoring and grabbed an early 2-0 lead. The Wildcat sextet took a 4-3 lead and then the Levelland team caught fire. They won seven points in a row and led 10-5 before Littlefield could serve again.

Littlefield came storming back and won three straight points, to make the score 10-7. Their attack, however, was short, lived and Levelland captured the first game with five straight points and a 15-7 victory.

In the second game, the Littlefield girls got the first point but their lead didn't last long. The Levelland girls won five points and led 5-1 before Littlefield could serve again.

The Wildcats came storming

back behind the power serving Jane Weaver and tied up the score 5-5. Levelland, however, played in five point spurts and before they lost they had stretched the score to 10-5.

Littlefield tried vainly to make a comeback but they could only get one point before losing the ball.

Levelland got their third outburst of five points and won the game 15-6.

The Littlefield girls seeing action in this district tournament were:

Barbara Chester, Jan Pearson, Danelise Wadding, Jane Weaver, Daris Putman, Georgia Matthews, Janice Duncan, Gloria Clevenger.

After an hour of rest, on intercollegiate rulings, the Levelland girls met the Phillips Black Hawks. Phillips had drawn a first round bye and automatically advanced into the finals.

Phillips showed a great display of power in downing the Levelland girls, 15-8 and 15-2.

It took less than 30 minutes to win the games as Phillips showed its superiority in District 1-AAA girls volleyball.

LITTLEFIELD, LAMB CO., TEXAS, THURSDAY, APRIL 4, 1957

NUMBER 43

DRAKE'S COFFEE BREAKS
Just Slightly Stimulating
By MORLEY B. DRAKE

A mother is a mother still . . . the holiest thing . . . dead or alive. That statement should convey to you how, in our opinion, Mother-in-Law Day, Sunday, April 28, and Mother's Day, the second Sunday in May, should be observed.

Mother's Day has been recognized with reverence. Mother-in-Law Day seems to have taken on the quips, cracks, and general jesting that has been associated with the mother-in-law of the land down through countless years.

In the case of a married woman, her mother-in-law is her husband's mother; in the case of a married man his mother-in-law is his wife's mother. Everybody knows these facts. The reason we mention them is to bring into the picture a realization that lack of respect for a mother-in-law is not only an insult to her, but an insult to your mate in life.

Our mothers come first . . . or should . . . with all of us. Our fathers occupy . . . or should . . . an equal place, or almost a similar position, with our mothers.

Men . . . you would not have a wife if it wasn't for a mother; women . . . you wouldn't have a husband if it wasn't for a mother. We are reminded of these familiar words:

"For the hand that rocks the cradle is the hand that rules the world."

Motherhood is the pattern of life set by God. Should we make light of . . . should we just about . . . a plan for propagation of the world set by God?

Kipling said: If I were hanged on the highest gall,
Mother o' mine, O mother o' mine!

I know whose love would follow me still,
Mother o' mine, O mother o' mine!

There are countless references to motherhood in prose and poetry of this and other lands. Here is a favorite with us:

STUDENTS in Mrs. Quinton Belomy's Kindergarten are taking a series of educational tours around the area. The children are pictured above as they visited Chisholm's Floral. Earlier in the month they went on a guided tour of the Security State Bank. Upper photo left to right, Mary Jane McBride, Kathy McBride, Ginger Maurer, Nancy Hall, Janice Oldham, Roboleta Hubbard, Pamela Coleman, and Stephen Webb. Upper right photo, left to right, Carolyn Jones, Sam Fain, Ann Roberts, Donald White, Gay Nicholas, Gary Hoak, Peggy Dean, Janie Hyatt, Jack Gafried and Rhonne Mayfield.

There is none, in all this cold and hollow world, no fount of deep, strong, deathless love, save that within a mother's heart.

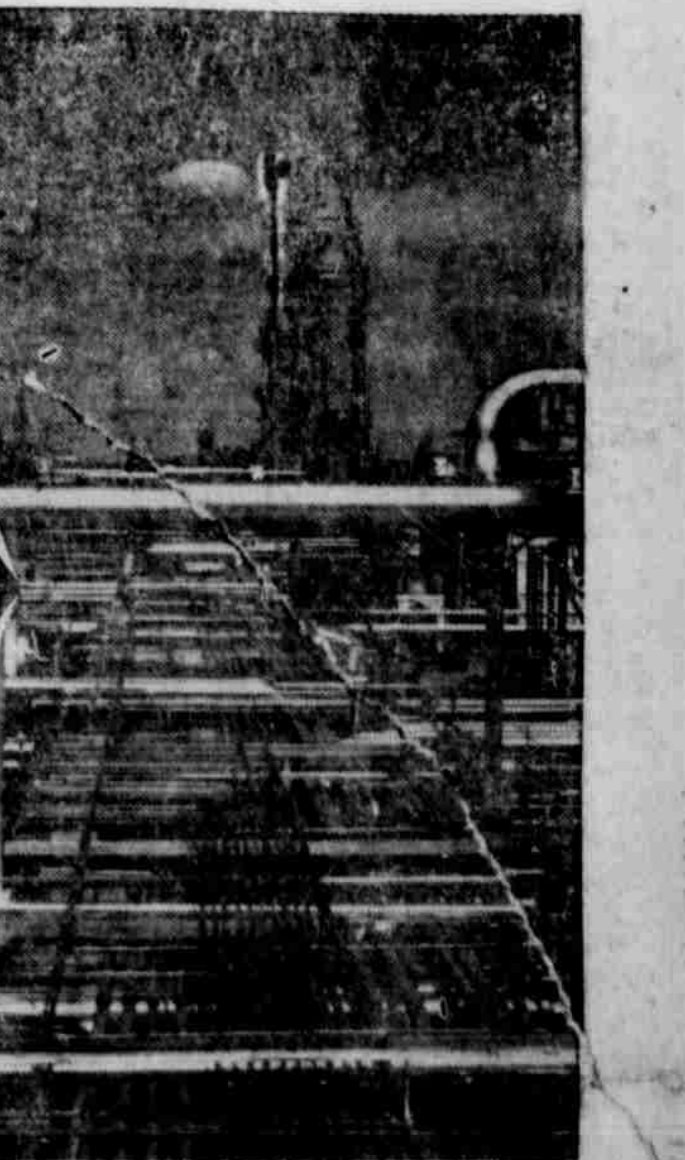

We have a wonderful mother-in-law. God bless her! Our life has been made better because of her.

Our own mother has passed into eternity. Our mother-in-law has come to occupy a position of great love and esteem in our life.

There are millions of other men and women who join with us in our deep respect for a mother-in-law.

Proverbs XXXI 23 reads: "Her children arise up and call her blessed."

Perhaps now you understand a little better why we object to a frivolous observance of Mother-in-Law Day. Any other than reverent observance of Mother-in-Law Day is sacrilegious . . . a lack of respect to motherhood and to God's plan for life.

PARTIAL VIEW OF COSDEN'S MULTI-MILLION DOLLAR REFORMING UNIT

PRINCE of PREMIUM GASOLINES!

If you drive a late-model car with high-compression engine, you'll get peak performance with Cosden's new Ethyl Gasoline, the Prince of Premiums. It's Rex-Formed! Only recently, Cosden completed the world's first fully-integrated Rexformer, utilizing a completely-new refining process to produce fuels that more than match the octane requirements of today's most modern engines.

Don't take anyone's word for it; fill up with the Prince of Premiums . . . Cosden Ethyl Gasoline, Rex-Formed to give you tomorrow's performance today.

COSDEN
PETROLEUM CORPORATION

Both Cosden Higher Octane Regular and Cosden Premium Ethyl Gasolines combine the dual advantages of the most ultra-modern equipment and the most advanced refining techniques . . . both refined in the Southwest to meet Southwestern driving conditions.

Who rates what for performance and smoother riding in the low-priced three? Chevrolet has laid the answer and the proof on the line!

First, Chevrolet won the Auto Decathlon over every car in its field, and over the higher priced cars that were tested, too. This rugged ten-way test (right, below) showed Chevrolet was the champ in handling ease, braking, acceleration, passing ability, smoothness of ride and other driving qualities you want in a car.

Then, Chevy won the Pure Oil Performance Trophy at Daytona (left, below) as "best performing U. S. automobile."

It's quite a feeling to know that you are driving a car that performs so well, responds so beautifully and is so finely built. You feel proud, of course. But you also enjoy a surer, smoother, steadier way of going, a keen cat-quick response of power, and the easiest handling you've ever experienced behind a wheel. Just try this Chevrolet (V8 or Six) and see!

Chevy showed it's still the champ ... at Daytona ... and in the Decathlon!

Like Your Garden Hose

One of the cogent reasons for the recent increase in the price of crude oil - - the first such increase since 1953, when wage and other costs were materially lower than they are now - - was to encourage producers to seek new supplies. Demand for oil products is running at extremely high levels, and the situation has been complicated by the need to supply American oil to Europe in great quantities.

We have, of course, big crude oil inventories on hand. But, due to the nature of the oil business, much of it is not available in the normal sense of the word.

The president of the American Petroleum Institute has explained this with some simple examples. Before water will come out of an ordinary garden hose, the hose must be filled from end to end. Similarly, if water is to be drawn from taps in the home, the home's whole water system must be filled.

The oil industry is in the same position. It must have a tremendously large amount of oil to fill its vast crude oil and product transportation and manufacturing systems. This liquid oil is in a continuing form of dead storage. "As a matter of fact," the API's top executive said, "more than two-thirds of all the crude oil inventories reported by the Bureau of Mines and the Department of the Interior as in storage, are actually unavailable and must remain unavailable if these transportation and refining facilities are to function properly."

Crude oil must flow day and night in huge quantities into facilities. New reserves of crude oil must be pinpointed to make sure we will have plenty of oil for future years. And only a profitable price can encourage men to take the long risks that are an inescapable part of opening up new oil wells and fields.

House Cleaning

Victor Riesel, the distinguished writer on labor affairs who was blinded with acid by goons, believes that the current Congressional investigation into alleged abuses by certain labor leaders, will result in legislation forcing unions to clean house. Public opinion - - which includes the opinion of the rank-and-file union members and the many honest officers of the unions - - will demand that.

Mr. Riesel goes on to describe three specific fields in which legislation can be expected. First, the law must see that union members run and actually control their own unions. Second, protections must be erected around the welfare and pension funds, which now total the incredible sum of \$25 billion. Third, something must be done about labor's political activities so far as they lead to corruption and racketeering.

This is all to the good. But there is one more essential step - - entirely aside from special legislative needs which will be made clear by the present investigation. That is a decision, by all the states, of right-to-work laws which make union membership a voluntary matter, which each worker can decide for himself, with coercion.

Indiana recently became the 18th state to adopt such a law and, significantly, it was the first major industrial state to do so. Right-to-work is in no way anti-union - - the unions are free to organize as many workers as wish to join. It is, however, pro-worker and pro-good union. For it makes the union "sell itself" on the basis of the kind of service it gives and the standards of conduct it follows. It does away with union monopoly - - and monopoly, in any field, inevitably breeds corruption.

PARAGRAPHS

Prosperity is the difference between shoeless toes and toeless shoes - The Chicago Daily Tribune.

Definition! - I.O.U., A paper wait. - The Oppaman Oppama, Japan.

Surely Haven't - He who falls in love with himself has no rivals. - The Port Lyautey, Morocco.

Sometimes - Silence may be golden, but sometimes it is just guilt. - The Rocket News, Shumaker, Ark.

Bible Verse To Study

"Every one that is proud in heart is an abomination to the Lord."

Highlights and Sidelights From Your State Capitol

By VERN SANFORD
Texas Press Association

AUSTIN, Tex. - After five weeks of headline making, three Legislative investigating committees still are busy.

House committee looking into ICT's failure was to run until April 1; Senate committee to April 10.

1. Several former ICT directors denied having signed a document wiping out a \$900,000 debt owed ICT by Jack Cagg and Co. Show photostat of such a document, they said it was not the instrument they signed.

2. Leaders in the Texas Federation of Labor called Ben Jack Cagg, former manager of ICT, a "scoundrel." Union members have invested millions in the company.

3. A number of union members and officials told how they were paid by Cagg to help advance the cause of ICT among labor members. One said he thought he was paid to keep to himself his belief that Cagg was a "crook."

4. Max Wayne Rychlik, son-in-law of former Insurance Commission Chairman Garland Smith, remembered an additional \$9,800 he had received from a Ben Jack affiliate. It made a total of \$18,200 paid Rychlik for his "job without work."

5. House members investigating bribery charges questioned the former executive secretary of the Texas Naturopathic Association. But Albert D. Brown, who was with the organization back in 1955, could give only estimates and guesses on how TNA had spent some \$20,000 raised during the last session for "legislative education."

6. John McCully, labor union employee, had a difficult time accounting for his expenditures of union funds. In his operation of the union's publicity office, the Action Agency in Austin, he "accidentally" dropped a few politi-

cal advertising bills into ICT files.

BIG PUSH - Legislators face a kill pace for the next few weeks if they are to finish session in 120 days.

After that point, their pay ceases. Time is almost two-thirds gone. Multiple investigations have diverted a lot of time and energy. Important bills are stacked up.

But a major milestone - passage of the general appropriations bill - is in sight. Senate committee approved it for floor action this week. House already has passed it.

Senate committee's version differs slightly. It includes a 10 per cent raise for lower-bracket state employees, 15 per cent for college teachers.

Wrapping up the big money bill will put the session over the hump in the minds of most members. Meanwhile, both houses are hacking at the small stuff. Special sessions have turned out local and unneeded bills at the rate of one a minute.

CODE OF ETHICS - Scandals and investigations put new impetus behind the administration-backed drive for a code of ethics and lobby registration act.

But it hasn't made the subject much easier to agree on than in previous sessions. Objectors claimed it isn't possible to pass a law making people honest.

House, nevertheless, passed a bill to third reading. It would require registration of persons paid to appear before state agencies. Officials would be prohibited from using their public office for private gain, accepting gifts, favors or services that might influence official action, etc.

Sponsors fought off an attempted amendment requiring officials to file a written statement of their earnings from all sources.

DELAY GRANTED - Physi-

DOWN MEMORY LANE

(From the files of the Lamb County Leader, April 8, 1937).

Dr. Wm. Orr and Frank Lehman elected to school board.

Mayor, Phillips and Hall are new commissioners.

Drilling on E. L. Wilson No. 1 to begin within short time.

Three thousand car tags issued to date.

Mrs. J. D. Dodgen and Mrs. J. H. Barnett were in Plainview and attended an Eastern Star meeting Tuesday.

elan Life and Accident Ins. Co. has until April 11 to present a more favorable picture to the Insurance Commission.

Commission's show cause order alleged the firm's capital was impaired, Former Gov. Coke Stevenson, head of the company, said the management is "making progress" toward recovery of needed funds. He asked and was granted more time to prepare the case before the Commission.

DEPOSITORS DENIED PREFERENCE - US Trust and Guaranty Co. creditors will have to "share and share alike."

At least that is the decision of Austin Dist. Judge Charles O. Betts. Depositors had brought suit asking for first claim. Several contended the company's advertising, by Drew Peterson, led them to believe their funds were being held "in trust."

US Trust went bankrupt more than a year ago. Assets salvaged by the liquidator total a little more than \$2,000,000. Claims against it add up to nearly \$7,000,000.

Distribution of these assets may be held up further if depositors decide to appeal.

UTILITIES CONTEST - Private and cooperative utilities have moved the arena of their chronic combat from courts to Legislature.

A recent Supreme Court decision held that a coop could continue to serve customers in an area annexed by a city but could not add customers to that area.

Co-ops are working for passage of a bill that would give them this right of expansion. It provoked hot

debate before a Senate committee. men said the coops were trying to go far beyond the original concept of the rural electrification program. Coop attorney contended present restrictions would mean "slow death" to REA.

Bill was sent to subcommittee to work out compromise.

WATER BILLS MOVE - Piece by piece, the mammoth water conservation program is moving forward.

Key feature, the \$200,000,000 bond program to help finance local conservation projects, went to joint conference committee for final adjustments.

Senate committee gave approval to the next big item, another \$200,000,000 bond issue. This would be used to buy water storage space in federal dams. Committee also approved a bill which would allow use of public storm and flood waters to recharge underground reservoirs.

NEW YOUTH AGENCY - Creation of a state youth authority has received Senate committee approval.

New authority would have charge of the state's three training schools at Gatesville, Gainesville and Crockett. It would replace the present State Youth Development Council.

Halves of fresh pears filled with creamstyle cottage cheese and garnished with crisp green pepper slices made fine lunch or supper salads. Arrange the ears on lettuce and serve the salad with mayonnaise or French dressing.

Sandhills Philosopher

Applauds Expert's Advice

Editor's note: The Sandhills Philosopher on his Johnson grass farm probably is misinterpreting an article he read, his letter this week indicates.

Dear editor: I'll admit I don't have any advice to give on what to do about the traffic problem and the growing number of highway accidents, when a man looks up and sees a car coming toward him with the swiftness of a guided missile, the only advice for him is he should have stayed at home, which is a little late in the day, but I was interested in what a group of experts had to say about the problem.

According to an article I read in a newspaper last night which I found on top of the stack of papers my wife was saving to spread around in the broom-house, the American Automobile Association has come out with a set of rules for safer driving, and one of them is: if you have financial worries, let somebody else drive the car.

I believe they have hit on the right answer. You eliminate as drivers everybody who has financial worries, and the traffic problem is solved and they can tarp the highways back to grazing

land, and city streets for bicycles and jeeps.

If only the man who paid for, or, if it was his home paid for, his car paid for, his family paid for, his life paid for, in the bank, is going driving, the traffic would be over. Won't be anything Cadillac's cruising in the loneness highway.

An idea some of them minimized too, as you are priced to find out how priced cars are bought the same as the lower priced cars.

And also, I think ought to go one step further, advise any farmer who worries not to drive, or swing a hoe, or else that his financial might distract him from his work.

And if they'll get over the hydrogen bomb, eliminate the automobile. This probably is the solution, anyway. Any car accidents in Livingston's day.

Yours truly, J. A.

Plants Program Announced at High Plains Station

Research program at High Plains Station of Texas Agricultural Experiment Station was announced by Dr. Johnny H. Davis, head of the Station.

The program will include three parts: (1) field and observation plots. These will include strains recently developed which only a small amount is available. Material will be planted in single row plots to adapt to this area. (2) field varieties and hybrid vigor plots and 100 foot plots and (3) areas of varieties generally planted to compare their pro-

ductivity are: (1) 49 leading hybrids will be tested in 100 foot long replicates. (2) 100 experimental hybrids will be tested in row plots for 1 or 2 leading varieties will be planted in field plots for

25 varieties of cotton in 4 row plots 100 feet long with 4 replications. Additional test strains will be observed to observe the production of these hybrids and to study their yield.

Plants will be tested in replicated plots. (1) 21 different grasses will be planted in 100 foot long plots to study their yield in this area.

Many of the tests listed above will be duplicated on dry land to determine the productivity of these crops without irrigation.

In addition to the tests outlined above, Dr. Davis stated that Dr. J. H. Davis, head of the High Plains Station will be conducting fertilizer and other soil tests with these crops.

Official Conferees
Carl Collins, Head of the Plant Sciences Department, R.A.P.'s Assistant Business Manager and Controller and Huey Whitehurst, Administrative Assistant to the Director from the Texas Research Experiment Station spent 3 days at the High Plains Station and Plainview with officers of the Regional Council and the staff at the Station.

The conferences concerned the organization of administrative activities of the Station and the research material available and the location of seed production areas from the Station for various crops available for increase.

Delegation Visits
A delegation of businessmen, farmers and ranchers of Amarillo led by Mr. Virgil Patterson, President of the First National Bank visited the High Plains Station Tuesday, April 2. A tour of the 310 acre newly established research farm at Halfway was conducted by Dr. T. C. Longacker, Head and Dr. Johnny Davis, Associate Head of the Station. The program of research planned was reviewed by the Amarillo group.

The group interviewed farmers and businessmen in the area regarding the Station and its expansion effect on the agricultural economic future in the High Plains Area.

The committee representatives from Amarillo included: S. B. Whitten-

Fieldton Facts By Mrs. R. A. Reed

Mrs. L. D. Cassey spent last week near Vega at the home of her son, George, in the absence of her daughter-in-law, who is with her father at Sherman. Her father has been seriously ill for the past two weeks.

Mrs. New Jarnagin of Littlefield spent part of last week here with her daughter, Mrs. E. Chester and family.

Mr. and Mrs. Bud Thomas and their son Jack and his family left Friday night for South Dakota. Jack and his family will spend the summer there and operate his father's farm. Mr. and Mrs. Bud Thomas will return home after a short visit.

Mrs. R. W. Stanfield went to Ft. Sumner, N.M., Saturday for a visit with her daughter and family, Mr. and Mrs. G. W. Woods and children.

Mr. and Mrs. R. T. Bedwell, and their two daughters, Lynette and Donna from near Lamesa, spent Sunday here with her mother, Mrs. Beulah Robinson, her grandmother and an aunt, Mrs. Little Barwood from Alabama, who is visiting here.

Mr. and Mrs. Calvin Hukill visited last week near Bovina with their son and wife, Mr. and Mrs.

Lawson Hukill. Mr. and Mrs. W. J. Aldridge visited last week at San Antonio with their sons, Bill and Guy and his family.

Mr. and Mrs. Gerald Langford and Kathy of Levelland attended church services Sunday morning at the Fieldton Baptist Church with her parents, Mr. and Mrs. J. L. Muller.

Mr. and Mrs. J. M. Pickrell and Darlene from Hart spent Sunday with his parents, Mr. and Mrs. H. C. Pickrell. A grand daughter of the H. C. Pickrell's, Mrs. Basil Jeffrey, her husband and daughter, were dinner guests.

The Fieldton W.M.U. met Monday afternoon, at the church for a business meeting.

The Young People of the Fieldton Baptist Church went bowling at Plainview Friday night for a social evening.

Mr. and Mrs. Claude McCain visited Sunday with their son and his family, Mr. and Mrs. Leslie McCain and Ben Leslie near Bovina.

GEARED TO SOUTHWESTERN LIVING

"That proves it to me... the J-2 Rocket is like two engines in one!"

GOLDEN ROCKET IN HOLIDAY COUPÉ

ME: Right! This J-2 Rocket* is really a new driving experience!

FRIENDS: Well, I've handled a Rocket Engine before, but nothing like this. They've always had pep, but this one's got that extra pep when you need it!

ME: Don't forget economy.

FRIENDS: Yes, but you can't feel economy.

ME: Feels pretty good to the pocketbook.

FRIENDS: Right! But it beats me how you get economy with a big car like Olds.

ME: Easy. For cruising around, you just use one dual-barrel carburetor.

FRIENDS: Bet that waters down your performance some.

ME: Not a bit. I've got regular Rocket performance right through the economy range. And believe me, that's plenty. But if you need more power...

FRIENDS: Then what?

ME: Go to Stage Two. You just saw what that does. Give it three-quarters throttle and you've got three dual carburetors dishing up more power and torque.

FRIENDS: Tell you the truth, I've always liked an Olds. Thought we might get one ourselves some day.

ME: Checked the price lately? You'd be surprised how easy it is to own.

*277 h.p. Rocket 7-400 Engine standard on all models. J-2 Rocket Engine, with up to 312 h.p., available at extra cost.

Construction To Begin On New Lubbock College

With approximately \$750,000 now subscribed to the Lubbock Christian College Development Fund, work will soon begin on construction of the first building. It will cost about \$671,000.

The new school will be located on a 160-acre site in Lubbock on 19th Street just west of Chicago Avenue.

This building will be 350 feet long with a four-story tower area which will house five levels of book stacks. It will also contain the administrative offices of the school, a reading room sufficient in size to accommodate 300 students at tables, a chapel and study, and 17 classrooms and laboratories. Seven hundred students can be accommodated.

The school will open next September 23 at which time registration begins. It is estimated that the student population this fall will be around 200 with an increase by fall of 1958 to 500 and it is presently thought that within ten years 2,000 students will be in attendance.

Three men with Ph.D degrees have been employed in administrative capacities as the two deans and registrar beginning this fall. Eight of the twenty additional faculty members have been employed and all will hold an MA degree.

Approximately \$300,000 was raised by the membership of the Churches of Christ in Lubbock. At the present time a solicitation is being made of the membership of the Churches throughout West Texas and the eastern section of New Mexico. \$250,000 has already been subscribed in these areas churches with the program only a few 30 per cent complete. It is felt that this phase of the campaign will produce in the neighborhood of \$600,000.

A campaign is now being organized for an additional \$500,000 among business and industry in Lubbock making a total goal of the campaign effort of \$1,500,000. As soon as the additional money is available, two dormitories, a gym, and a student center will be erected.

Temporary buildings have already been moved on the site with full assurance that the school will open this fall.

Temporary buildings have already been moved on the site with full assurance that the school will open this fall.

S.C.S. District Hosts At Joint Dinner Meeting Here

Supervisors of the Lamb County Soil Conservation District were host at a dinner and joint meeting of the Hale County, Blackwater Valley and Lamb County Soil Conservation Districts Thursday evening at Loys Cafe.

Following the dinner Supervisors of these Soil Conservation Districts and representatives of the Soil Conservation Service held a roundtable discussion on problems of mutual interest.

Thurlo Branscum, acting as master-of-ceremonies, led in the discussion of problems which were pointed at finding ways and means whereby Soil Conservation Districts could reach more farmers and businessmen; informing them of what Soil Conservation Districts are and the assistance they can provide through the Soil Conservation Districts are and the assistance they can provide through the Soil Conservation Service and the State and National Association of Soil Conservation Districts.

Concern was expressed that, though there has been good progress in some fields of conservation, there is a definite lack of understanding by many farm owners and operators that "Conservation doesn't cost, it pays".

Supervisors were pleased at the possibilities of these joint meetings to exchange ideas. They plan more for the near future.

Attending the meeting were E. O. Snelling, Earl Laney and Glenn Fragan from the Hale County SCD; Virgil Nowell, S. W. Inman, Dan Rorsey, E. N. McCall and W. H. Eubanks from the Blackwater Valley SCD; Thurlo Branscum, L. R. Goyne, Albert Lockwood, C. E. Jones and Wiley Mudgett from the Lamb County SCD.

Representing the Soil Conservation Service were Don Newman, Plainview; Duane Barteo, Muleshoe; Guy Nutt, Littlefield; and James Abbott of Lubbock.

Anton News

P.T.A. MEETING TO BE HELD

Anton P.T.A. will meet at 7:30 on April 11 in the school auditorium. There will be domino games and card games for those in attendance. Admission price is 50 cents.

This is one of the P.T.A. projects for this year, the nursery will be open for the children.

The proceeds of this well used to buy draw curtains for the windows to improve the showing of educational films, says Mrs. Cecil Mote P.T.A. president.

YEAR BOOK BEING RELIVERED

The Anton High School Year Book "The Bulldog" for 1957 is out and being delivered.

The theme of this year's book is school days.

Phyllis Oakley is editor, Mrs. Greer is annual sponsor.

POLIO SHOTS DELAYED

The mass program in the Anton school for No. 2 polio shots will be delayed a week because of illness among the personnel of the South Plains Health Unit who will help in this program, according to the announcement made by Supt. W. R. Taylor.

The date now set for the shots is Wednesday April 10th.

All persons who had the first shots at the school will be expected to be there at that time for the second shot.

CITIZENS BANK REMODELED

A remodeling job has just been completed at the Citizens Bank in Anton.

The offices of glass have been completely inclosed furnishing a sound-proof consultation room and also a new refrigerated cooler has been added.

Mr. and Mrs. D. A. Pool of Anton observed their Golden Wedding Anniversary Sunday afternoon.

The Pools are pioneer residents of Anton and are well known here.

Coach Gene Carter took nine members of the Anton team to Odessa last Friday.

In addition to competing in a good meet with good boys, they saw some of the state's best boys in action.

Price Support Level Would Not Affect Average, Cotton Executive Predicts

By BILL KIMBROUGH County Agent

The level of price supports has no bearing on the amount of cotton that is planted, in the opinion of a number of growers. One of them, Hilton L. Bracey, executive vice-president of the Missouri Cotton Producers Association, bases his opinion on interviews with dozens of cotton farmers, whom he asked how much cotton they would plant if all acreage restrictions were lifted in 1958. He reports:

"Their answers ranged anywhere from a 20 per cent increase to the total acreage on their farms. However, most of them indicate that they would plant at least one-half again as much as their current allotments. After I asked this question, I asked them what effect the price support level would have on their plantings. In no case has any farmer even indicated that the price support lev-

el would have any bearing on the acres he would plant."

A study to determine cotton's opportunities for increased consumption in work gloves is now under way by the Council's market research section.

Cotton consumption in work gloves averages about 100,000 bales annually. Although the market section has published estimates of cotton consumption in this use for many years, the current study will be the first detailed analysis for general distribution, showing materials consumed, production, and merchandising practices of the work glove industry.

With the exception of production data, the report will be based entirely on opinions and recommendations of leading work glove manufacturers throughout the country.

Anton Pupils Win Play Meet

Anton seniors won the first place trophy in the one-act play competition in the Pioneer Panhandle Forensic held recently at Wayland College. Members of the cast were Sharon Couch, Booty McLarty, Morris Alexander, Jimmy Johnston.

Mrs. Greer, speech teacher directed the play.

Individual winners in the meet were Jimmy Johnston, who won first in Senior Boys poetry reading, Sharon Couch, second place in senior girls poetry reading, and Marison Gann, second in declamation.

The three winning students will compete in the Interscholastic League District Literary Events to be held in the Anton High School on April 5.

Ever serve toasted jam sandwiches? To make them remove the crusts from thin slices of fresh bread; spread the bread with apricot or raspberry jam and roll up diagonally. Fasten the rolls with toothpicks and toast in a hot oven.

Step into a new world of Pure Luxury
ROADMASTER 75
Custom Built by Buick **NOW ON DISPLAY**

A NEW CONCEPT in motorcar excellence awaits your inspection in the ROADMASTER 75 just introduced. You will see what we mean the first time you glimpse the interior. The impeccable tailoring and taste of the rich appointments are as obvious as the comfort is opulent. The seats, for example, They are meticulously fashioned in glove-finished fabrics of broadcloth or Nylon, with backs topped in supple, hand-buffed leather. They are thickly layered with contoured foam rubber. They are wide, deep, superbly soft. The doors present a new standard of luxury and restfulness—fully uphol-

stered and softly cushioned from floor line to window. The instrument panel, below the safety cushion, is chromed from end to end. The deep-pile carpeting is backed by foam. The integral armrests are fully in keeping with the spacious grace of the car. The complete interior is matched by the mechanical excellence that is ROADMASTER tradition. Indeed, nowhere else among the world's fine cars can you enjoy superb performance quite like that of a ROADMASTER 75—from the instant response of its brilliant new Dynaflo, to the smooth obedience of its all-new air-cooled aluminum front brakes—*newest and the finest in the fac-car field.* Your Buick dealer is ready to show you this magnificent new automobile. See him this week.

Glowing Dreams

Spinning out daydreams of a glowing future is a pleasant pastime and a national American hobby. Daydreaming alone though, won't make this world a better place in which to live, won't bring peace among the nations, law and order to the community or harmony to the family. It takes personal decision and personal commitment resulting in real work before any of these dreams can be brought closer to reality. Only cooperative organized forces can change society. The Church is one of the greatest forces for an orderly, peaceful world. Your active participation is wanted and needed — Go to Church Sunday and put your shoulder to the wheel with a half-million others who serve one another in love.

**EVERYONE IN THE CHURCH
THE CHURCH IN EVERYONE**

Is something wrong with your life—
an inner restless dissatisfaction? The
answer to every human problem comes
only from God our Maker. He alone
can forgive and reassure.
Through the church God has com-
mitted the provision and proclama-
ting love. Without a church relation
no one is securely related to God.
*Everyone should be in the Church and
the Church in everyone!*

Den Mothers Urgently Needed For Cub Scouts

An urgent appeal has gone out for women who will serve as Den Mothers for Cub Scout Dens.

According to Dennis Zahn, organizational representative of the Jaycees, who sponsor Cub Scout Pack 41, there are many eligible boys who want to become Cub Scouts but are unable to do so to lack of adult leadership.

"Many boys in Littlefield are deprived of the privilege of being Cub Scouts because they are not enough parents willing to devote time to Scouting," Zahn said.

All 33 members of Pack 41 attended the monthly meeting held last Tuesday in the Community Center. About 30 parents heard the boys explain the correct uses of the American flag. They explained the hours the flag should be flown, when it should be at half mast, when it can be draped and where it can be hung.

The meeting was opened with the singing of the Star Spangled Banner and closed with the Flag Salute.

Prospective Den Mothers are invited to attend the next monthly meeting of the Pack which will be a wiener roast at the Ned Fairburn home east of town on April 23.

"TV? . . . Oh, I thought you said look in the Want Ads for a Teepee!"

Reserve Officers May Now Ask For Recall To Duty

A limited number of Army Reserve component commissioned officers may now request extension or ask for recall to active duty under the Army's revised Critical Technical Specialist Program, Major General Lewis S. Griffin Chief, U. S. Army Military District, Texas, has announced.

Six branches of the service have been opened to qualified Reserve officers. Those whose applications were not favorably considered under DA Circular 135.9, 1955, will not be considered unless additional evidence is submitted which was not available to Department of the Army at the first time of consideration.

Branches now open and ranks sought for each, are Artillery, lieutenants, captains and majors; Chemical, lieutenants through lieutenant colonels; Corps of Engineers, captains through lieutenant colonels; Ordnance, lieutenants through lieutenant colonels; Signal, lieutenants through lieutenant colonels; and Transportation, lieutenants through majors.

In addition to these six branches, applications for grades of lieutenant in Armor, Infantry, Medical Corps and Lieutenants and captains in the Women's Army Corps, will be considered.

All officers commissioned from the ROTC presently on active duty for six months training or who have completed six months active duty training, are eligible to apply for active duty under DA Circular 135-16.

According to the Department of the Army, applicants must be able to qualify for retirement prior to age 55, not have been last released from active duty because of category denial or retirement, and not have come under the involuntary release program of fiscal years 1954-1955.

Farm Officials Describes Conditions Of State Land

AUSTIN, Texas - How big a boost toward recovery have spring rains given Texas farm and ranch lands, ravaged by "seven lean years" of drought? Here are answers from the University of Texas Bureau of Business Research:

Range and pasture conditions over the state are greatly improved. Dryland wheat, corn, grain sorghum and vegetables have received germinating moisture. Storage in major reservoirs increased 5 per cent in February (but we still at only 46 per cent of potential usable capacity). Ground-water levels are not up appreciably.

Most observers are hesitant in declaring that the state is out of the woods.

"It will take years to replenish our lost underground water resources, and without these resources, we are still in a state of drought," State Agriculture Commissioner John C. White stressed.

With their herds no longer on feed, cattlemen have stopped

FARM INCOME

U. S. farm income last year totaled \$11,856,000,000, an increase of four per cent over that for the previous year, according to the Agriculture Department. Critics of the Eisenhower Administration, however, using another set of figures, fixed farm income at \$11,586,000,000, about eight-tenths of one per cent below another estimated total for 1955.

HIGH SCHOOL AT HOME

Study and Graduate in spare time. New books, study guides and recordings furnished. Fast progress, Low Payments. Write or call for Free Booklet, National Home School, Dept. LP, 1310 10th St., Lubbock, Texas.
