PICKLE, COOK, TALBOT ELECTED

Captain Frank Hawks Reaches Oklahoma City In Glider DALLAS MEN DUE HERE AT 6:50 P. M.

HOME TOWN TALK

By Beddy

Ho, hum! Another election over. Let's see, we vote Saturday on school trustees and April 17 on \$125,000 in school bonds.

Not to speak of party primaries and the general election in July, August and November. Wotta life!

Associated Press reports from the numerous Texas cities which chose officers Tuesday indicate things were exceedingly quiet here, comparatively.

This evening we have a flock of the leading figures in the industrial life of Dallas as our special guests. A group of local men are in Colorado hob-nobbing with them this afternoon. The Dallasites will ride through to Midland, returning here by 6:50 p. m. to stay over night.

At the First Presbyterian church this evening local men will join the visitors informally; the visitors will seek to sell Dallas and "sell" Big Spring.

We ought to be very glad these men are visiting us because we've got some things here that will open their eyes. Old Homer Wade, whom you all know was manager of the West Texas Chamber of Commerce several years and is general manager of the Dallas Chamber now, knew what he was about when he planned this particular good-will trip. He stipulated that only the executives of larger concerns should join the party.

Homer D. was thinking, we'd wager, of the days when he was laboring to give the rest of Texas, and the world, the proper conception of the resources of West Texas. He was recalling how ignorant a lot of folks back in the black land were about this section. So he decided it would be good for Dallas, as well as West Texas, to get those fellows out here.

Show 'em a glad hand. There'll be no parades and band music. The Dallas men had asked all towns on their itinerary to refrain from any pretentious entertainments, and show 'em just a good informal welcome.

4 BANDITS ARE KILLED

Gang Escapes Troops With Bristow Still Captive

TEPIC, Nayarit, Mexico, April 2 (AP)—Four members of the bandit gang holding J. E. Bristow, oil operator of San Angelo, Texas, prisoner, were killed in a clash with federal troops south of Ixtlan, Nayarit, Tuesday. Others of the gang escaped with the prisoner, being held for 30,000 pesos ransom—about \$15,000.

The troops, headed by General Jose Lacarra, had been pursuing the bandits for several days. They finally caught up with them and in a bitter fight routed them. The bandits to escape were believed to have taken to a hill which now is surrounded by the soldiers.

There will be no attack, however, the soldiers preferring to starve the bandits out, rather than risk the bandits' killing their prisoner, or his being struck by a stray bullet from the attacking force.

The bandit gang is said to be headed by Cruz Delgado, former Cristero, or religious rebel, leader, Donaciano Flores and Trinidad Langarica. Delgado, the principal

GOOD WILL BANQUET IS ARRANGED

Earlier Arrival Will Allow For Tour Of City

Change in the plans of the Dallas delegation of business men who went through here at 2:30 o'clock this afternoon enroute to Midland, will give them forty minutes more in Big Spring when they return tonight at 6:50 o'clock instead of 7:30 p. m. This change in schedule was made after the Big Spring delegation met the Dallas group in Colorado where they had spent the afternoon.

To your city
When the Dallas men return to this city tonight they will be met with cars and taken on a tour of the city. This would have been impossible if the earlier arrangements had been carried out. After the trip around the city the delegation will be entertained at a banquet at the First Presbyterian church.

Two Dallas men will speak at the banquet. They are: A. H. Bailey and E. T. Moore. Dr. J. D. Sandifer of Abilene will also speak. Mr. Bailey is vice-president and general manager of the Higginbotham-Bailey-Logan Co. Mr. Moore is president of the Simms Oil Co., and Dr. Sandifer is president of Simmons University, Abilene.

FLIGHT IS COMPLETE

Plane Towed To Dock After Long Hop Over Ocean

HAMILTON, Bermuda, April 2 (AP)—The American monoplane "Pilot," carrying Captain Lewis A. Yancey and two companions, arrived safely at Hamilton today.

The plane came into Hamilton harbor under the tow of the motor-launch Gregory, after spending the night on a calm sea.

The plane was anchored to a buoy off the dockyard at 9:50 o'clock this morning, completing her trip from New York to Bermuda almost 24 hours after it had started.

Soon after being anchored off the dockyard, the plane took the air and made a triumphant flight over the city of Hamilton. The ship, for the first time in the history of ocean flying, had descended at sea spent the night there and then been able to continue her voyage under her own power.

The monoplane, which was equipped with pontoons, descended on the sea when but sixty miles from the tiny Bermuda group because of darkness last night. She had been in the air eight hours. This morning the sturdy craft appeared off north rock, about five miles from St. George's and anchored there.

She remained there an hour or more preparing for the final stage of her 750-mile perilous flight from New York and then was seen flying toward Hamilton harbor. She was at a low height, about 100 feet above the surface of the sea. Finally observers on the shore reported she descended and was taken in tow by the launch.

CEMETERY DONATIONS
The following donations to the Cemetery Association were reported by John Wolcott, treasurer: Mrs. W. G. Nabors, \$10; Algamated Meat Cutters, \$5; Mrs. Louise Ryan, \$5; Kate Falnum, \$5.

B.Y.P.U. Meeting Ends, Colorado Chosen For 1931

Colorado was selected as the next district convention city by Baptist Young People's Union and Sunday school delegates who ended a two-day session in Big Spring Wednesday noon.

The B.Y.P.U. and Sunday school convention is an annual affair and its being held in Big Spring this year was instrumental in attracting delegates to this city.

The convention was interesting and profitable with numerous outstanding church workers from all parts of the state taking part in the programs which opened Tuesday afternoon. Local churches offered close cooperation with Baptists to make the annual district convention a success.

Interesting sermons and musical offerings featured the closing session Wednesday morning over which Owen C. Taylor, president of the B.Y.P.U. organization, had charge. Rev. Dow H. Heard opened the services with prayer. Dr. George Greene of Sweetwater followed with an address and conference on church music. Rev. Heard presided at a business session prior to a vocal solo by Mrs. Heeham of Lamesa. Miss Grace Conn of Dallas delivered an interesting talk on training service of the church. Dr. Campbell of Lubbock delivered a sermon and the closing prayer was delivered by Dr. Greene.

In the Tuesday afternoon session Mrs. J. T. Mercer, pianist, of Big Spring and W. I. Taylor, choirster, of Lamesa, conducted an interesting congregational musical program. T. C. Gardner, state secretary of the B.Y.P.U. organization addressed the opening session after Rev. S. B. Hughes, pastor of the Fourth Street Baptist church, had led in prayer.

Various conferences dealing with B.Y.P.U. work were held Tuesday with the following departments and directors: Junior conference, Miss Vera Adkins of Big Spring; intermediates, Miss Grace Conn, Dallas; seniors and adults, T. C. Gardner, Dallas; records, that record Rev. S. B. Hughes, Big Spring; solo, Mrs. Backham, Lamesa. After conferences had been reported and those present had listened to an address by Rev. Perry Evans of Fort Worth, the first session Tuesday afternoon was brought to a close.

The Tuesday evening session was in charge of Rev. Heard, Sunday school president. After the opening song, J. I. Woodward of Roscoe led in prayer and a general conference on Sunday school work was held.

Bert Lowe of Abilene addressed convention delegates on possibilities of B.Y.P.U. work and Miss Conn spoke on the church reaching and maintaining the standard of excellence through B.Y.P.U. conferences.

Annie Eleanor Douglas of Big Spring offered a group of musical selections and the congregation sang numbers before Dr. Greene of Sweetwater addressed the gathering on "The Church as a Channel for the Investment of Life." The Tuesday evening meeting closed with a social hour during which Mrs. Martin and Miss Susan directed games. Refreshments were served.

Retail Clerks To Get Charter
The charter and supplies for the Retail Clerks' union, just organized here, have arrived. The local number will be 672. An open meeting for all retail salespeople will be held Thursday evening, April 3, at W.O.W. Hall, 114 1/2 East Second street, at 8 p. m.

MEN OF DALLAS! THESE ARE FACTS YOU OUGHT TO KNOW

This, gentlemen, is the oil refining center of West Texas; the scene of the largest single industrial construction now under way west of your own city; the theatre and hotel center of this section of the state.

This city has grown in population since 1920 from 4,500 to 12,000 (Uncle Sam's going to prove it this month).

To provide proper water distribution, sewer collection and disposal and a second concrete and steel viaduct over the Texas & Pacific tracks the people of Big Spring recently approved \$265,000 in bond issues—by majorities of five to one.

We found ourselves much in the same position that you of Dallas did, insofar as sewer disposal was concerned (rapid growth created the condition). We therefore did just what your own fellow citizens did yesterday—we voted bonds to build the needed facilities.

When the second viaduct is finished this will be the only city in Texas without a grade crossing within its limits.

Out here we pay little, if any, attention to stock market capers. Monday's bank call produced statements showing total deposits in the three banks (all national institutions) of \$3,814,681.23 which is but \$231,790.07 less than the total March 31, 1929; notwithstanding what lots of folks say is general depression throughout the country.

The Texas & Pacific Railway company, which has maintained division headquarters here since the road was built in the 80s, is right now spending more than \$750,000 on a complete new divisional terminal; 23-stall round house, and 12 other large structures.

During 1929 the Texas & Pacific carried 941 persons on its Big Spring pay roll. They received \$1,984,157 in salaries and wages. Additionally, the T & P spent \$156,165 for supplies, taxes, etc., in Big Spring—total expenditure during the year of \$2,140,322.

Four oil refineries located here have payrolls totaling \$760,000 annually. They are the Cosden, Richardson, Great West and Big Spring refineries. The largest, Cosden, is also the largest in West Texas. Recently Mr. J. S. Cosden announced its capacity will be doubled in the near future.

You will notice the Settles hotel; rising 15 floors above the street. This structure, which will cost \$450,000 furnished and equipped, is being built by Mr. and Mrs. W. R. Settles, pioneer Howard and Glasscock citizens, who own the Settles oil field. They're spending home made money at home.

Completion of the Settles will provide Big Spring with 450 modern hotel rooms in the three largest hostleries. The Crawford and the Douglass have 150 each.

Plans have just been drawn for a \$300,000 motion picture theatre, for which the site has been purchased by R & R Theatres—the well-known concern which originated in Big Spring 20 years ago. This new playhouse, with the Ritz, which is the most beautiful theatre in West Texas, will strengthen Big Spring's position as the foremost theatre city of West Texas.

Postal receipts at the local office (the only first class post office between Abilene and El Paso) have increased from \$24,955.77 in 1926 to \$58,854.30 in 1929. Receipts for the first two months of this year, totaling \$10,064.55 show an increase of eight per cent over the same period last year.

Big Spring has the best equipped airport in West Texas with the single exception of that just completed in Abilene.

(CONTINUED ON PAGE 8)

The Questions May Sound Useless Census Army Attacks 30,000,000 Homes But Uncle Sam Says Answer Them

Place: Front door step of one of the 30,000,000 American homes.
Time: Ten minutes before husband is due for dinner.
Principal actors: Tired census enumerator; tired "woman in the home"; three miscellaneous children.
(In background: mops and pails, rolls of rugs, bowls of unidentified child, smell of scorching potatoes.)
Woman: (pushing back straggling hair and slapping Junior for pinching Hilda.) Read and write? Of course he kin read and write and so kin I.
Census enumerator: Mere routine madam—and has any member of your family attended school or college since September 1, 1928?
Woman: Kids too young.

C. E.: Where were your parents born?
Woman: Mother was born in Hobokus, New Jersey, and father was born in Bohemia.
C. E.: Then your father is Czechoslovakian?
Woman: Bohemian.
C. E.: Czechoslovakian.
Woman: The potatoes are burning, hurry up, Junior, quit pinching Hilda. It was Bohemia when he was born there.
C. E.: Yes, but its Czechoslovakia now. (Quickly) Do you own your own home? If so how much is it worth now?
Woman: (suspiciously) You'll have to ask my husband.
Child in the background: Ma, th' dinner's burnin'.
Woman: (with harassed gesture.)

CRAFT SEEN OVER HERE

Transcontinental Trip Gains Speed During Day

OKLAHOMA CITY, April 2 (AP)—Captain Frank Hawks arrived at the Oklahoma City municipal airport in his glider attached to an airplane at 12:30 o'clock today. He cut the sail plane loose from the tow ship to entertain the spectators with a glider demonstration before landing. Hawks left Wichita Falls, Tex., at 11 a. m.

The fragile craft landed lightly at the north end of the field at 12:40 p. m., 13 minutes after it had been cut loose from the towing plane.

WICHITA FALLS

WICHITA FALLS, Tex., April 2 (AP)—Captain Frank Hawks took off here in his glider attached to an airplane at 11 a. m. The take off was delayed a few minutes by a crowd that had gathered at Staley Field where he landed at 9:10 a. m., after a flight from Sweetwater.

Captain Hawks passed over the Big Spring airport at 5:40 p. m. Tuesday, in his glider, "The Eaglet," being towed by a plane. The ships were moving rapidly at an altitude of about 2,000 feet. They had passed over Pecos at 3:10 p. m. After refueling in Midland the hop to Sweetwater was started, the landing having been made there at 6:25 p. m.

where he spent last night. His second stop of the day was planned for Oklahoma City.

WICHITA FALLS, Texas, April 2 (AP)—Captain Frank Hawks, en route from San Diego to New York in a glider towed by an airplane, landed at Staley Field here at 9:10 a. m., after a flight from Sweetwater, Texas, where he spent last night. He soared over the field for 25 minutes after cutting loose from the towing plane. The captain said he would take off for Oklahoma City, next refueling stop, in about 30 minutes.

ABILENE

ABILENE, Texas, April 2 (AP)—Captain Frank Hawks, in his glider, towed by an airplane, passed over Abilene at 7:19 a. m. today.

SWEETWATER

SWEETWATER, Texas, April 2 (AP)—Captain Frank Hawks took off from here at 6:51 a. m. today in his glider from Wichita Falls, Texas, in continuation of his flight from San Diego, Calif., to New York City.

The glider was towed by a small biplane piloted by J. D. Jernigan Jr. The takeoff was without untoward incident. Captain Hawks said he hoped to make Wichita Falls, Texas, by 8:45 a. m., Oklahoma City, by 12:15 p. m., and Tulsa later in the afternoon. He planned to spend the night at Tulsa.

Yesterday the pair encountered a squall over Lordsburg, New Mexico, which Captain Hawks described as "terrible." He demonstrated the tiny glider craft's airworthiness, and boasted afterward that "The Eaglet is waterproof."

When the two airships landed here at 6:25 p. m. yesterday, they had traveled 710 miles in six hours and 35 minutes and had negotiated a total distance of 1,130 miles from San Diego.

Captain Hawks said they were in the squall over Lordsburg only ten minutes, but "it seemed like ten

(Continued On Page 8)

The Weather

West Texas: Generally fair tonight and Thursday; colder tonight.
East Texas: Partly cloudy tonight and Thursday; cooler tonight in northwest portion. Moderate to fresh southerly winds on the coast.

Speaks Here Tonight

F. B. SHEPHERD

W. N. Thompson Is Speaker; Interest In Meeting Grows

Large crowds are attending services being held this week at the Church of Christ, Fourteenth and Main streets. Leading ministers of the church are addressing large congregations at three services daily.

This evening Mr. Shepherd, minister of the Highland Church of Christ in Abilene, who conducted a successful revival meeting in Big Spring last summer, will speak. Services begin at 8 p. m.

Speakers on Thursday's program include J. E. Mullins of Slaton, Horace Teddlie of Sweetwater, J. D. Harvey of Colorado, W. M. Speck of Snyder and E. M. Borden of Clovis, N. M.

Last night Will N. Thompson of Fairwell delivered a powerful address dealing with divine and profane testimony substantiating the inspiration of the scriptures.

He said that there is ample evidence, monumental, traditional and documentary that the Bible is the word of God. He cited the Jewish nation's present status as monumental evidence, as well as fulfillment of prophecy. He also cited prophecies concerning the fall of Babylon, of Nineveh and certain seeming contradictions between different books of the Bible dealing with the same incidents of prophecies. The history of Egypt has been fulfillment of prophecy, he added.

"You will never find a geographical blunder in the Bible," declared the speaker. He cited instances wherein inspired writers and taught things not discovered by human scientists for centuries later.

POTENTIAL HERE IS UP

Potential production from wells in the 2,200 feet pay horizon in Howard and Glasscock counties gained approximately 4,000 barrels during March, but the 3,000 feet pay lost approximately 1,000 barrels to partially offset the gain.

Despite the fact that total potential output of two prorated pay levels in Howard and Glasscock counties revealed an increase of approximately 3,000 barrels, the allowed output was curtailed from 25,330 barrels daily to 24,983 barrels daily. This cut was caused by major pipe line concerns which elect to handle a maximum of 25,150 barrels of oil during the month of April as compared with a limit of 27,000 barrels daily during March.

According to gauges made of wells prior to April 1, the 3,000 feet pay in Howard and Glasscock counties rates a potential output of 16,716 barrels daily as compared with 17,140 barrels daily from the same horizon March 1. In the 2,200 feet pay, a total potential of 41,586 barrels daily is reflected by gauges made, a gain of 3,802 barrels over the potential of 37,784 registered on March 1, according to figures compiled by E. E. Andrews, production umpire.

750 VOTE IN MUNICIPAL ELECTION

Citizens of Big Spring, showing only ordinary interest in the election, Tuesday chose J. B. Pickle, R. L. Cook and C. E. Talbot members of the board of city commissioners. The eliminated candidates were L. L. Bugg and W. S. Davies.

The vote:
J. B. Pickle 503
R. L. Cook 458
C. E. Talbot 600
L. L. Bugg 420
W. S. Davies 235
Total number of ballots cast was 753.

J. B. Pickle was the only member of the commission seeking election. He had served, however, but a few weeks, having been appointed to fill a vacancy.

R. L. Cook and C. E. Talbot will take the places occupied during the past two years by Mayor C. W. Cunningham and Robert T. Piner. W. W. Inkman and W. A. Gilmour with the three elected Tuesday will compose the commission for the next twelve months. The commission will appoint one of its members as mayor.

Mr. Inkman and Mr. Gilmour were elected last April for two-year terms. Opponents of the candidacy of Mr. Pickle and Mr. Cook contended they were "pro-administration" candidates. Mr. Talbot was generally considered a fusion candidate, and the fact that he received more votes than any other candidate bore out that position.

(By The Associated Press)
Cities and municipalities all over Texas today prepared to welcome into office new officials chosen at the polls in yesterday's elections.

Much interest attached to the contest in Pampa, where city administration candidates were overwhelmingly victorious and election day was a quiet affair.

Sheriff E. S. Graves said the only election excitement was a dog fight, although Monday state rangers went there to investigate a report that violence was expected. The rangers left before the polls opened, satisfied the report was unfounded.

Miss Beulah Alford, dry crusader who was still in jail refusing to make bond on a charge of unlawfully transporting liquor, had supported the defeated "law and order league" faction.

D. W. Osborne, out for re-election as mayor, defeated R. C. Campbell 826 to 240, and Lynn Boyd and Clyde Fatheree were elected commissioners.

Dallas Bonds
Dallas, by a two to one vote, passed a \$4,000,000 sewer bond issue. All city officers of Laredo, headed by Mayor Albert Martin, as well as eight aldermen, were re-elected. Gainesville retained the city manager form of government by voting 810 to 698 to defeat fourteen amendments to the charter proposing reversion to the aldermanic form.

In Waco, two eleventh hour candidates, drafted Monday night by a citizens committee opposing Cecil Shear, chairman of the Waco water board, and Dr. Ed Smith, seeking re-election, went into office by a landslide.

Wichita Falls
Walter Nelson, Jr., was elected mayor of Wichita Falls, defeating F. B. Curd and O. B. Kelly. E. H. Eddleman and J. N. Prothro, aldermen, were elected. The victors espoused the city manager form of government, in effect in Wichita Falls for the last two years.

In a spirited election at Temple, D. K. Northington, W. S. Sealy, A. J. Kuykendall, W. W. Sellers and Louis Bryan were elected city commissioners. A total of 1,675 votes, the largest ever polled in a city election there, was recorded. L. B. Cardwell was elected mayor of Plainview, defeating T. J. Shelton, incumbent, by 123 votes.

Man Found With Bullet In Head

ABILENE, Tex., April 2 (AP)—An unidentified man, about 35 years old, was found with a bullet wound in the head in a gravel pit on the edge of Cisco today. Officers said tracks at the scene indicated the man was carried there in an automobile. He was taken to a Cisco hospital where attendants said there was no hope for his recovery. The laundry mark "C. T." on his shirt was the only clue officers found to aid them in establishing his identity. His hat bore the label of a Curo merchant.

Jim Dorwood of Snyder spent yesterday in town.

Mr. and Mrs. J. B. Litter left Monday for Austin. They expect to return tomorrow.

COUNTY TEACHERS' ASSOCIATION TO HOLD YEAR'S FINAL MEETING

Final meeting of the Howard County Teachers' Association for the present school year will be held Friday evening, April 11, in the basement of the First Methodist church. The party will be in form of a social and only such business as is absolutely necessary will be transacted, according to Pauline Cantrell, county superintendent.

All rural teachers in Howard county, their friends, district trustees and all others interested in school activity are invited to attend the last meeting. Refreshments will be served when business is concluded.

Efforts are being made to secure special music for the meeting and other interesting and educational

numbers will be offered, Miss Cantrell said.

Highway school, north of Big Spring, has completed its seven and one-half months' term and other schools will close between April 18 and June 8, the superintendent said.

Mother Of Local Man Laid To Rest

BRYAN, April 2—Mrs. Amelia Woltin, 65, mother of John B. Woltin of Big Spring, died at the family home here last Saturday, after a lingering illness.

Funeral services were held at her residence, and at the St. Josephs Catholic church, with Rev. J. B. Gliessner officiating.

Rotarians Grow Humorous In Talk At Tuesday Meet

The board of directors of the Rotary Club decided at yesterday's meeting that each member of the board should give a talk on "Rotary" one a week. G. L. Wilke will give the first talk on "What is a Rotary Club," stressing the obligations of holding membership in the club.

The program of yesterday's meeting was as follows:

Kotary songs; Pauline Melton at the piano. "Telephone Communications the World Over," talk by Paul Cayton. "On the Dry Goods Jobber," talk by Albert M. Fisher. Talk by President W. T. Strange

EPSILON SIGMA ALPHA

The Epsilon Sigma Alpha will hold its regular bi-monthly meeting Thursday evening at 7:30 in the clubhouse.

Mrs. E. E. Eldridge will be hostess for the occasion.

Mr. and Mrs. A. E. Platote will leave Thursday morning and motor to Hot Springs, Ark., where they spent two or three weeks.

Jr. "The Wrecking Crew," talk by Bob Cook.

"In a Pickle," talk by Joe Pickle.

"Who Is the Airport Crowd?" B. Resgan.

"Dallas Business Men," C. T. Watson.

Gerald Miller, a new Rotarian, was introduced by Bruce Frazier.

The ten attendance teams are running neck and neck, with C. T. Watson's and E. E. Fahrenkamp's teams in the lead.

WARNS PARENTS NOT TO CODDLE CHILDREN

CHAMPAIGN, Ill., April 2 (INS)—Correct, don't coddle children who are led into juvenile courts. This is the advice offered by Dr. Donald Reed Taft, professor of sociology at the University of Illinois.

Individual attention should be given these children to get at the root of their offenses, Dr. Taft said. Such a court should have the whole-hearted cooperation of welfare and civic societies to secure the best results, he asserted.

SORE GUMS NOW CURABLE

You won't be ashamed to smile again after you use Leto's Pyorrhoea Remedy. This preparation is used and recommended by leading dentists and cannot fail to benefit you. Druggists return money if it fails. Cunningham & Philips—Adv.

MRS. YOUNG NAMED DELEGATE TO DISTRICT CONVENTION AS FEDERATION REPRESENTATIVE

Mrs. J. B. Young, secretary of the Women's Federation, was chosen yesterday at the regular monthly meeting at the club house as delegate to the district convention in Coleman April 10-12.

It was also decided that the Work Bridge Club would be hostess for the next tournament at the club house, the date to be set later.

After the business meeting Mrs. H. S. Faw took charge of the program and presented Mrs. D. W. Faw of Amarillo who gave two selections from American composers. Mrs. Tracy Smith read a story from O'Henry and Mrs. Mary Bumpass gave a short talk on the museum which her history students at the high school contemplate.

Mrs. Faw then gave two selections from Texas composers, one, "Prelude," by Britton, and "Bluebonnets" by Losch.

Mrs. Creath Dinner Hostess To Forsan Teachers On Sunday

Mrs. J. R. Creath of Big Spring was a Sunday dinner hostess to several teachers in the Forsan school and their friends.

The party included Misses Jimmie and Jessie Isen, Catherine Rainwater, Helen Creath, Marvin Dowell, Mr. Miller, Mr. McCarthy, Mr. Blake, Evelyn Creath who was here from school visiting Lola Smith, Henry Huffman and Morris Sargeant.

Organ Recital Here Tonight

Mrs. D. W. Faw of Amarillo, organist of the Central Presbyterian church of that city, will give an organ recital tomorrow evening at eight o'clock at the First Presbyterian church. Mrs. Faw is visiting her son, H. S. Faw, of Washington Place.

The program is as follows: Concert: Prelude in D minor, Kraemer; Liebestraume, Liszt; March to Calvary, Maunder; Gondoliers, Nevin; Largo from the New World Symphony, Dvorak; Arogonaise from Le Cid, Massenet; Dawn, Jenkins; Finlandia, Sibelius.

E. E. Eldredge Home Is Scene Of Party

Mr. and Mrs. E. E. Eldredge entertained the Congenial Card Club Tuesday evening at their home on Scurry. Three tables of players were engaged in the games. Gentlemen's high score was won by Mr. Davis while ladies' high was taken by Mrs. C. C. Carter.

Refreshments consisting of a salad course were served to the following guests: Mr. and Mrs. C. C. Collins, Dr. and Mrs. C. C. Carter, Dr. and Mrs. C. D. Davis, Mr. and Mrs. V. W. Latson, Mr. and Mrs. Stanley Norman, Mrs. T. S. Jenkins and the host and hostess.

Educator Defends Use Of History Book In State

DALLAS, Tex., April 2 (AP)—Although claiming the "early European history, school text criticized in a petition signed by 400 Dallas residents, was "as a whole entirely harmless and was standard in content," Ben F. Tinsinger of Garland, chairman of the committee on textbook revision, said today the protest would be read before the state board of education at its meeting on April 14.

The chairman, in commenting on the petition, said no book could be judged by isolated passages. Why, if you tried to read the Bible itself by bits, you could prove that the sun revolves around the earth, he declared.

"I hope this won't stir up unnecessary dust," he declared. We won't want any Tennessee publicity of that kind for Texas.

The entire cadet corps of Virginia Military Institute has contributed to a fund to buy a sword of honor for Rear Admiral Richard E. Byrd.

M. H. Patton Head Of Local Airport

Through a mistake in information, The Herald inadvertently printed a story Tuesday listing Lee Garner as manager of the Big Spring Airport. M. H. Patton has been selected temporary manager of the airport to fill the vacancy caused by resignation of Charles Smoot.

Important Naval Conference Delayed

LONDON, April 2 (AP)—Postponement of Friday's plenary session of the naval conference until some time next week and the delivery of the Japanese reply to proposals worked out in London today marked important developments in the naval conference negotiations.

It was stated in American conference circles that the postponement of the plenary session was to be taken as a good sign rather than the reverse and as indicating progress in the negotiations.

War Risk Money Is Not Taxable

AUSTIN, April 2 (AP)—Attorney General R. L. Bobbitt today held that moneys representing war risk insurance, disability compensation, death compensation or adjusted compensation benefits paid by the U. S. Government to guardians of beneficiaries of the U. S. Veterans Bureau are not subject to taxation in the state of Texas.

One Favorite Beaten In Women's Tourney

PINEHURST, N. C., April 2 (AP)—Virginia Van Wie, willowy Chicago star, was eliminated from the North and South Women's Golf tournament today by Edith Quier of Reading, Pa. The score was 4 and 2.

Terrific drives coupled with accurate approach shots and putting gave Maureen Orcutt of Haworth, N. J., a four and two victory over Mrs. O. S. Hill of Kansas City.

Glenna Collett, national champion and defending titleholder, trimmed Mrs. Leo Friedman of New York, easily, 4 and 3. Helen Hicks of Hewlett, L. I., and Louise Fordyce of Youngstown, Ohio, battled for 22 holes before Miss Hicks won their match one up.

War Risk Money Is Not Taxable

AUSTIN, April 2 (AP)—Attorney General R. L. Bobbitt today held that moneys representing war risk insurance, disability compensation, death compensation or adjusted compensation benefits paid by the U. S. Government to guardians of beneficiaries of the U. S. Veterans Bureau are not subject to taxation in the state of Texas.

Jamaica Ginger Causes Man's Death

TYLER, Tex., April 2 (AP)—The first death here from paralysis attributed to the drinking of Jamaica ginger was recorded when J. C. Brooks, proprietor of a cold drink stand, died today. He was ill only a few hours.

RATTLESNAKE BITE IS FATAL TO LAD ON COAST

CORPUS CHRISTI, Tex., April 2 (AP)—George B. Spruce, 4, died here today from a rattlesnake bite suffered yesterday while playing in the yard of his home south of here.

Guardsmen Blamed For Defeat Of Citizens' Ticket

WEST LAS VEGAS, N. M., April 2 (AP)—A municipal election here supervised by national guardsmen apparently brought defeat yesterday to a citizens ticket whose sponsors asked state troops to preserve order.

Bristow—

(Continued From Page 1) leader, according to reports, kept Bristow on the same horse with him and guarded him personally during the flight from the troops, who have been ordered by General Pablo Rodriguez not to return without the captive.

Three members of the band sent to Tepic a few days ago to negotiate ransom for the prisoner were arrested there. Bristow's son, Gordon, has been here for a week trying to effect his father's release.

Mrs. Armer Killed From Auto Crash

HOUSTON, April 2 (AP)—Mrs. Dorothy Schaeffer Armer, 29, wife of E. G. Armer, traffic manager for the Gordon Sewall Company, was dead today as the result of a traffic crash last night in which a car occupied by Mr. and Mrs. Armer collided with a car driven by a negro. Mr. Armer suffered a fractured shoulder. The negro, B. M. Lewis, was charged with "murder by auto."

FOUR MORE ACES ADDED TO BRIDGE

NEW YORK, April 2 (INS)—The very latest bridge-ten wrinkle along swanky Fifth Avenue and which has invaded the Bohemian studios of little old Greenwich Village as well consists of tea balls with the ace of each suit printed on the tab at the end of the string.

SOUTHWEST MAN IS CHAMPION RADIO FAN

DALLAS, April 2 (INS)—After 111 hours—over four and a half days—of continuous listening to good and bad of radio broadcasting, Chester Slaton, of Dallas, has been declared champion radio listener.

Seven contestants in the radio audience marathon began the grueling test, but one by one they toppled over for sleep and were eliminated. The last one to take a nap was Miss Betty Blake. Then Slaton was left.

PILOT, DOWN ON OCEAN EMPLOYS 'CHUTE AS SAIL

PORT AU PRINCE, Haiti, April 2 (AP)—Ensign C. C. Ward didn't qualify for the Caterpillar club, yet

New Living Room Suites That Will Add "a Heap o' Living" to the Home

The soft, luxurious comfort of a richly upholstered living room suite will do much to make the living room the center of the home's festivities, and a place of cheer and relaxation at all times.

See the suites in our window—come into the store and let us show you others.

Cash If You Have It—Credit If You Need It! Phone 850 205 Runnels

his parachute carried him to safety. Forced down to the ocean 10 miles west of here when his naval scouting plane ran out of fuel, the aviator rigged his parachute as a sail and successfully beached in a sheltered bay near the eastern end of Gonave Island.

Neither plane nor pilot suffered any ill effects, and a day later they were found by a rescue ship.

The Failure Of March. THE MONTH OF March must be marked down as a failure. It never quite gives satisfaction.

Private And Public Health. Having a sore toe is a private matter. Ordinarily it concerns and affects none but the sufferer.

Property Line Dispute Leads To Man's Death. MINERAL WELLS, April 2 (AP)—Ed Brooks, 47, of Dallas, was shot and killed near the home of his father three miles east of here today.

Wewoka Gasser. TULSA, Okla., April 2 (AP)—Independent Oil and Gas Company's No. 1 Johnson, in C. NE NE 33-9-8, north of Wewoka, Seminole county, was reported making 25,000,000 feet of gas after tapping the second Cromwell sand at 3,544 feet.

San Antonio. SAN ANTONIO, April 2 (AP)—Louis Goss, former Hunt, Texas school teacher, charged by complaint with murder in connection with the death of an infant here on March 15, was no-billed by a grand jury today.

Opinions Of Others. Philadelphia Public Ledger. And one word more. America is too rich to be loved. She is well enough off to be envied.

Florida consumed 65,498 tons of commercial fertilizer in February.

America. Tourists feel it when they travel abroad. Those who read foreign newspapers or listen to foreign lecturers know it.

The Fate Of Man. EVERY NOW AND again we become quiet pessimistic, knowing as we do that there is a time in the life of man when he either gets hardening of the arteries or softening of the brain.

A Fitting Caption. AN ANONYMOUS spy reports a padlock on a local speakeasy with the penciled notation over it. "This is on the house."

How's your health. HOW'S your HEALTH. Edited by Dr. Inigo Quintana, M.D., of New York.

Private And Public Health. Having a sore toe is a private matter. Ordinarily it concerns and affects none but the sufferer.

Property Line Dispute Leads To Man's Death. MINERAL WELLS, April 2 (AP)—Ed Brooks, 47, of Dallas, was shot and killed near the home of his father three miles east of here today.

Wewoka Gasser. TULSA, Okla., April 2 (AP)—Independent Oil and Gas Company's No. 1 Johnson, in C. NE NE 33-9-8, north of Wewoka, Seminole county, was reported making 25,000,000 feet of gas after tapping the second Cromwell sand at 3,544 feet.

San Antonio. SAN ANTONIO, April 2 (AP)—Louis Goss, former Hunt, Texas school teacher, charged by complaint with murder in connection with the death of an infant here on March 15, was no-billed by a grand jury today.

Opinions Of Others. Philadelphia Public Ledger. And one word more. America is too rich to be loved. She is well enough off to be envied.

Florida consumed 65,498 tons of commercial fertilizer in February.

THE AFTER EFFECT. J. WILLIAMS. Copyright, 1930, Richard Starr.

JACQUELINE ON HER OWN. BY RICHARD STARR. "Some days ago," Mr. Dunn went on, "there appears this advertisement asking for Jacqueline Grey—inserted, mark you, by Rustum and Coles, who have the handling of Colonel Grey's estate."

Chapter 12. A PLOT IS LAID. Arnold Dunn was a shady solicitor who had office over a boot shop in a run-down of the Strand.

ODDS WITH HIM. A month ago Martini arrived in Hollywood to begin work, and although his progress in English has been considerable, he still has much to learn.

YOUNG. And he has youth—so much, in fact, that for the screen one suspects him of using make-up to add a touch of maturity.

Property Line Dispute Leads To Man's Death. MINERAL WELLS, April 2 (AP)—Ed Brooks, 47, of Dallas, was shot and killed near the home of his father three miles east of here today.

Wewoka Gasser. TULSA, Okla., April 2 (AP)—Independent Oil and Gas Company's No. 1 Johnson, in C. NE NE 33-9-8, north of Wewoka, Seminole county, was reported making 25,000,000 feet of gas after tapping the second Cromwell sand at 3,544 feet.

By Williams. "You'll have the handling of the money if you marry her, won't you? And if I put you on to it, don't I deserve some sort of recognition?"

Mr. Raymond smiled in a rather pitying way at the cadaverous face of the lawyer. "The only thing I'm afraid of," he murmured, "is that it will be too easy."

Adventure in the making for Jacqueline. Read tomorrow's installment.

Oil Production Shows Decline. TULSA, Okla., April 2 (AP)—Estimated daily average production of oil in the United States decreased 11,805 barrels during the week ending March 29.

CITATION BY PUBLICATION

Beattie Rummel vs. Frank Rummel, No. 1722 In the District Court, Howard County, Texas.
The State of Texas to the Sheriff or any constable of Howard County—GREETING:
You are hereby commanded, that by making publication of this citation in some newspaper published in the county of Howard, once in each week for four consecutive weeks previous to the return day hereof, you summon Frank Rummel, whose residence is unknown, to be and appear at the next regular term of the district court of Howard county, to be held at the court house thereof, in the city of Big Spring, Texas, on the first Monday in May, A. D. 1930, the same being the 5th day of May A. D. 1930, then and there to answer a petition filed in said court on the 24th day of March, A. D. 1930, in a suit numbered on the docket of said court, No. 1722, wherein Beattie Rummel is plaintiff, and Frank Rummel is defendant; the nature of plaintiffs demand being substantially as follows, to-wit:
Plaintiff and defendant were married October 1st, 1910 and defendant abandoned, without cause, plaintiff in April, 1926, with intention of remaining apart from her, and this abandonment has been continuous for three years next prior to the filing of this suit.
The plaintiff has been an actual bona fide inhabitant of the State of Texas for a period of twelve months and has resided in the county of Howard for a period of six months last preceding the filing of this suit.
And prays that by virtue of such abandonment she have a divorce.
Herein fail not, but have you before said court on the said first day of next term thereof this writ with your return thereon, showing how you have executed the same.
Given under my hand and seal of said court, at office in the city of Big Spring, Texas, this 24th day of March, A. D. 1930.
(SEAL) WITNESS,
Clerk of District Court in and for Howard County, Texas.

Texas May Gain Two Congressmen After 1930 Census

WASHINGTON, April 2 (AP)—Important changes in the membership of the house will follow the fifteenth decennial census, taking of which begins today.

A reapportionment of representation in conformity with the growth and shifting of the nation's population will be made for the first time in twenty years and will become effective with the congress elected in 1932.

Under terms of the reapportionment bill passed last year, the census bureau estimates that seventeen states will lose an aggregate of 23 members of the house and eleven states will gain by the same number.

It is expected the representation of the larger cities will be increased, and since these are usually regarded as opposed to prohibition a careful watch is being kept for the effect of the reapportionment upon the liquor issue.

Although the constitution provides for reapportionment every ten years, the last took place in 1911 on the basis of the 1910 census. The law passed last year provides that in the future a reapportionment be

Of Interest To Motorists-

We believe the best and most satisfactory way to market used cars is for the customer to come in contact with a member of the firm with which he is dealing. For that reason we are paying no commission salesmen. You can readily see the advantage in saving this cost to our customers.

We are offering the best values in used cars found in Big Spring. Following is a list of some of our bargains:

- One 1928 Pontiac Coach \$385.00
- One 1928 Pontiac Sport Roadster \$385.00
- One 1928 Pontiac Cabriolet \$395.00
- One 1928 Pontiac Sedan \$390.00
- One 1928 Oakland Sedan \$513.00

We have G. M. A. C. finance plan where you may buy on time to suit your pocketbook.

All of the above cars carry a Good Will Used Car guarantee. Tires are good. Paint is either new or touched up. Each car has been through our shop under personal supervision of shop foreman, Hanniford. Mechanically they are A-1.

If you are in the market for a car you have a right to expect real service from, then visit our salesroom. If you cannot visit us tell us what kind of car you want and we will be glad to bring one out to you. Don't miss our stock if you want better used cars for less money.

News of the Day in Pictures

IN WYOMING SENATE RACE

Charles E. Winter (left), former representative, William C. Downing (above, right), Cheyenne newspaper publisher, and Robert D. Carey, former governor of Wyoming, are candidates for the republican nomination for United States senator from Wyoming.

Liquor Buyer In Test Case

NEA Boston Bureau. The United States supreme court is to decide whether James E. Farrar, above, of Watertown, Mass., committed the crime of conspiracy to violate the prohibition law in buying two pints of whisky. A Boston judge held the purchase was not a crime and the Justice Department decided to make it a test case.

MISSING CHEMIST SUICIDE

Associated Press Photo. Body of Dr. Ernst Watzl, Cleveland chemist, missing from his home since last November, was found in hotel room in Vienna. In same room was the body of a woman known in Vienna as Josefa Kropel, but thought to be Mrs. Mary McGranahan, who disappeared from Cleveland.

Scored 120 Points

Associated Press Photo. Helen Fox, 17, of St. Scholastic academy, Fort Smith, Ark., score 120 points in one game and gave both boy and girl basketball scores a mark to cheat at.

RED CROSS MEMORIAL DEDICATED

Associated Press Photo. A memorial Red Cross chapter house of white marble was dedicated by President Hoover to the American women workers of the world war. President and Mrs. Hoover are shown during the ceremony.

Soybean Becomes Valuable Crop in U. S.

Soybeans, introduced 20 years ago from the orient, have become a major forage crop in the United States. Last year's crop was in excess of \$70,000,000. William J. Morse, U. S. Department of Agriculture specialist shown in inset, has been collecting species of the bean in China. Japanese shown here are steaming soybeans for their dish, miso. At right is a growth of beans in the United States.

Negotiating Treaty

Associated Press Photo. Premier W. L. Mackenzie King announced that Canada is negotiating with the United States for a treaty to suppress smuggling.

To Cure Rust

American wheat growers are to have the services of Dr. Len Verwoerd, specialist who has come all the way from South Africa to help the University of Minnesota authorities battle the wheat rust disease. He was brought to the United States by the Carnegie Research Laboratory.

Here's the Latest in Golf Togs

NEA Los Angeles Bureau. A lot of fun was had by all—and then some—when the first annual costume golf tournament was staged at the Long Beach, Calif., municipal links. In the inset above you see Tom Owen, who wore a deep-sea diver's outfit, playing out of a water hazard. Below, pretty Lilas McKenzie is outfitting the clanking joints of Elmer Worrel, an ancient knight who sported this bit of finely tailored hardware.

Married During Memory Lapse

Annulment of the marriage Mexico City of Alice Gutnecht above, Wisconsin University co-ed and R. A. Davis, world war veteran, ended the strange love tangle in which Davis courted Gutnecht during a temporary lapse of memory due to a shrapnel wound. When he recovered, he discovered he had another wife and two children at Mesa, Ariz.

Men Barred by This Glider Club

NEA Los Angeles Bureau. An all-girl glider club, with men barred even from the mechanical upkeep of the ships, is the newest wrinkle at Los Angeles. It is called the Marvel Crosson Glider Club, in honor of the holder of the women's altitude record, who was killed last year. Above, left to right, are Annona Hansen of the National Aeronautical Association; Jean Stapf, resident of the club, and Lois Hoadley, who is explaining operation of a sailplane.

Plans Paris Flight

Associated Press Photo. Col. Gustavo Leon of the Mexican air force is making preparations for a one-stop flight from Mexico City to Paris with New York as his intermediate point. He plans to start early in May.

Swimming Star

Three world records in 10 days—that's the splash made in swimming world by pretty H. Madison, 16-year-old Seattle, Wash. girl pictured here. Competing the National A. A. U. women's door championships at M. Beach, Fla.—her first appearance in a national event—she set marks in the 500-yard and 100 free style swims and in the metre race.

SPORTS ON PARADE

By STANLEY NORMAN

MEET DELAYED
The joint meeting between directors of the country club and the new golf fact that has sprung up in the past few weeks has been postponed until Thursday evening at 8 o'clock in the county court room of the Howard county court house.

ALL QUIET
On the surface, the joint golf fact meeting indicates nothing but harmony. We hold the personal opinion that one 18-hole course is sufficient to care for the golfing public in Big Spring with its present population. We may be wrong, but it's a cinch one 18-hole course will more adequately serve followers of the fairways than the one 9-hole course which is now available.

HO, HUM
Apparently the Lubbock sports writers are too busy keeping up with movements of Pete Cawthon to devote much attention to the lowly art of trap shooting. We waited patiently for delivery of a Monday Lubbock newspaper thinking we could find a complete score of all guns in the trap shoot held there last Sunday between squads representing Big Spring and Lubbock. We waited in vain and found no additional information from that brought back by local people attending the shoot.

SEEK REVENGE
However, to make a long story short, the Big Spring gunners are now preparing for a visit of the Lubbock Gun Club next Sunday afternoon at which time the local gunners will attempt to revenge the two target defeat suffered on the plains last Sunday. In preparation for the inter-city meet some of the local gunners will probably shoulder their shot guns and march to the trap grounds about Friday afternoon to get in one extra session before tangling with the Lubbock trigger pullers.

OY, MY
While pounding out the above paragraph it just occurred to us that trap shooting would be a dangerous sport if the competition evoked the personal strife and turmoil as in a football game. Just think what would happen if a brilliant tackle was armed with a shot gun, or just imagine the catastrophe of tackling a trap shooter.

CAWTHON ENROUTE
Referring to Pete Cawthon, as we did a few lines up the page, he is now enroute to Lubbock to take control of the athletic situation at Texas Tech. Pete has intimated he will surround himself with assistants familiar with his system of coaching. Pete has just returned from a visit at Notre Dame where he learned lots of tricks concerning spring training and while stopping in Dallas before leaving for his new post he intimated spring grid practice will be started at Tech immediately.

TACTICS
We admire Cawthon's driving tactics, his driving spirit and "never say die" attitude. He's a colorful mentor and one that will either turn out some football teams or break a leg trying. He will not be the most popular pilot obtainable and he will form numerous enemies from would-be football players who can not stand the racket, but those who stick under Cawthon should be tougher than the proverbial boot. At least the experiment at Lubbock will be well worth watching.

CANT BE DONE
Coach Indian Schultz, Nebraska track mentor, has suggested that Cy Leland be withheld from football competition because of his brilliant speed on the cinder path, but so far Coach Schultz has wasted his breath. If Cy takes a few hard bumps next football season, dislodges a ligament or two, he will never be the same brilliant sprinter, but Leland is apparently willing to take the chance because of love for football. Southwest Conference football would have little stock for ballyhoo next fall if Leland were to be withheld and the injury from which Weldon Mason is now suffering proves more serious.

Mr. and Mrs. E. O. Price, Mrs. Philip Schoeneck and Mrs. Ray Simmons left today by car for Dallas where they will meet Mr. Price's brother-in-law, B. H. McMaster.

CARTER'S PINK PILLS
This Purely Vegetable Pill will move the bowels without any pain and depressing after effects. Sick Headaches, Indigestion, Biliousness and Bad Complexion quickly relieved. Children and Adults can easily swallow Dr. Carter's tiny, sugar coated pills. They are free from calomel and poisonous drugs. All Druggists 25c and 75c red pkg.

Coach Brown To See Spring Gridsters In Action

NEXT YEAR'S SQUAD WILL SCRAP EXES

Game To Climax Spring Training Season For Footballers

Climaxing six weeks of spring football practice in which a large squad has worked diligently on fundamentals of the fall sport under direction of Coach George Brown, a battle royal will take place Thursday afternoon on the practice lot on Soth Runnels street.

Men eligible for inter-scholastic league competition next year will compose one team and men who have starred in past years or who for some reason or other are ineligible next fall will form the opposition.

Several men who performed for Big Spring high school last season will be in harness with the regulars while Sloppy Smith, Buster Bell and others slated to graduate this spring will be in the starting lineup of the exes.

Coach Brown has some likely looking new material in addition to some holdovers from the 1929 squad. Cook, a chunky lad from Lubbock and Hopper, a Coahoma product, are two of the most brilliant prospects. Their work Thursday afternoon will be especially interesting. Prior to spring training Dave Hopper had never handled a football, but six weeks on constant drill on fundamentals of the gridiron game has worked a phenomenal change in his appearance. Cook is apparently a natural athlete that will be an asset to anyone's football team and Coaches Stevens and Brown are expecting some flashy work from the boy next fall.

Cecil Neil, Newg Mims, Ted Phillips, Don Yarbrough, and Bob Kiddwell are some of the better known gridsters of last fall that will be given a trial with the regulars Thursday afternoon.

Sportsmen of Big Spring interested in viewing the boys in actual combat have been extended a cordial invitation to attend the bout tomorrow afternoon.

CAUTION ON WAY TO LUBBOCK FOR SPRING PRACTICE

DALLAS, Tex., April 2 (AP)—Pete Cawthon, new director of athletics and head coach at Texas Technological College at Lubbock, was en route to Lubbock today to assume his new duties.

Before leaving here last night he said he would begin next week a spring class in football work with a view of getting an early line on material available for use next fall.

He also said he would have an entire new corps of assistants probably selected from his former proteges at Austin College. He recently returned from a visit to Notre Dame University to study spring gridiron training methods.

Organized less than four years ago, the Duke university school of religion has become one of the largest graduate schools of theology in the south.

SOUTHERN QUINTETS SETTING FAST PACE IN CHICAGO PLAY

Athens Hornets Scheduled To Play Last Bout In First Round With Lankin, N. D.; Denton Meets Tennessee Five

By PAUL MICKELSON
Associated Press Sports Writer
CHICAGO, April 2 (AP)—The skirmish for the twelfth national high school basketball championship was tinged liberally with southern hardwood artistry as the second section of a large field from 26 states drove forward to complete first round games at the University of Chicago today.

Six of the ten victors in yesterday's inaugural contests were representatives from Dixie, while scattered in today's field were as many more.

Listed along today's battle front was the defending title holder from Athens, Texas. The Texas team appears to be as big and fast as they were in 1929 when they fought through a strong field to Denton, another entrant in today's first round games, they are considered one of the teams to beat for the 1930 crown.

Eight first round and two second round matches were on today's program, the feature of which will be that between Athens and Lankin, a team of giants from North Dakota.

The program:
First Round Games
10 a. m.—Branelton, Ga. vs. South High, Minneapolis.
11 a. m.—Waterloo, N. Y. vs. Kavanaugh, Lawrenceburg, Ky.
12 Noon—Denton, Texas, vs. Baylor, Chattanooga, Tenn.
1 p. m.—Casper, Wyo. vs. St. Johns' Delafield, Wis.
2 p. m.—Durham, N. C. vs. Morgan Park Military Academy, Chicago.
3 p. m.—Roanoke, Va. vs. Wheatland, Wyo.
5 p. m.—Y. M. C. A. Day School, Chicago, vs. Lee, Jacksonville, Fla.
7 p. m.—Lankin, N. D. vs. Athens, Tex.

Second Round
8 p. m.—Spartanburg, vs. Linsley, Wheeling, W. Va.
9 p. m.—Corinth, Ky. vs. Chino, Mont.

clubs. The American has won twenty-two, and one was tied.

The Braves have accounted for ten of the National League's victories, five over the New York Yankees and five over the world's champion Philadelphia Athletics. Brooklyn and Cincinnati are the only other clubs with better than an even break against teams from the rival circuit.

Cleveland and Detroit are the only American League clubs with better than a 500 percentage in inter-league warfare. The Indians beat the New York Giants in their only start against a major league club while Detroit was won five and lost four.

Fires that have burned 66 years in Atlanta's gas plant were extinguished with introduction of natural gas.

RECKLES AND HIS FRIENDS

MOM N' POP

YANKS NEED LESSONS IN FINE POINT

Uncle Billy Disch's Nine Slips Up On Famous Gehrig

NEW YORK, April 2 (AP)—New York's Yankees have just about decided that what they need to win more ball games is a college education. They played major-league baseball against the University of Texas team yesterday and found on at least two occasions that the Longhorns could out-think them.

In the fourth inning Lou Gehrig made a break for second when the Texas first baseman left his bag after Lou's single, and found that the Texas catcher, had slipped up to take the throw from shortstop to tag him out. In the eighth inning Mark Koenig was the victim of a similar play on a quick relay from shortstop. The Yankees had to

stage a ninth inning rally to gain a 4-2 victory.

Robins Reduce
Two more members of the Brooklyn Robins have been released by Manager Wubert Robinson. Kent Greenfield, who has seen lots of big league service with the New York Giants and Boston Braves, has been sent to Fort Worth of the Texas League, and Luther Roy, another pitcher, obtained from the Phillies, has been released to Chattanooga of the Southern Association.

If the New York Giants stay at New Orleans much longer, they'll lose the services of Mel Ott, the one-time boy wonder who eludes them far and often.

New Orleans is Ott's native city, and apparently he could be elected mayor without making a speech. Everywhere the Giants go Ott is pointed out, the hero of the hour. And the city has taken to Manager John McGraw as well, ever since he declared Ott to be "a phenomenal

outfielder and the greatest natural hitter in the business."

The more the Athletics see of Alfred Mahon's pitching, the more the idea grows that he will stick with the team. According to Captain Eddie Collins the rookie left-hander from Nebraska has pitched as well as any regular during the training season. He is cool under fire, has good control, a wide curve and a smoky fast ball.

Manager Shotton's early enthusiasm over the Phillies has cooled considerably in the last week. His pitchers are slow rounding into form and his hitters, even against minor league pitching have failed to hit. The Phils left Winter Haven, Fla., for home today. Their only major league victory in the south was over the Athletics.

The Chicago Cubs apparently are working overtime to get a whole season's supply of bad baseball out of their systems before the championship campaign opens.

Yesterday's 12 to 12 defeat by Los Angeles, was redeemed only by a display of batting power. The young Cub pitchers, Nelson and Shueley, were punched around and the baserunning of the National League champions was not what it should have been.

Art Shires is reaching mid-season form. The White Sox first baseman yesterday played his first full practice game and got a double, single and a walk—and bantered with the spectators. The Sox today had a game with the Fort Worth club of the Texas League, at Fort Worth, and were out to follow up yesterday's 7 to 1 victory over Dallas.

North Carolina has over 20,000,000 acres of forest lands.

forging ahead in public favor

Month after month, the Chrysler-built De Soto Six continues to win new thousands of enthusiastic owners. Today, De Soto's front-rank position in the field of low-priced sixes is firmly established.

It is plain that no car of commonplace ability could win so high a place in public favor as De Soto Six has won in so short a time. The qualities that built this quick and lasting success were and are exceptional.

Success on a scale enjoyed by De Soto Six never comes by chance. It is earned by merit alone—by offering at a low price a better kind of quality, a smarter type of design, a richer array of appointments and a greater ability to perform.

To De Soto owners, it is not surprising that the discriminating driver who gives the De Soto Six a thorough trial usually becomes eager to possess it.

BRAVES TOP EARLY PLAY

Grapefruit Champions Claim Ten Victories Out Of 27 Total

By HERBERT W. BARKER
Associated Press Staff Writer
NEW YORK, April 2 (AP)—With the Boston Braves perennial holders of the grapefruit league championship, showing the way, representatives of the National League have taken a comfortable lead over their rivals from the American inter-league encounters this spring.

Fifty games involving teams from each major league have been played, and twenty-seven of them have gone to National League

clubs. The American has won twenty-two, and one was tied.

The Braves have accounted for ten of the National League's victories, five over the New York Yankees and five over the world's champion Philadelphia Athletics. Brooklyn and Cincinnati are the only other clubs with better than an even break against teams from the rival circuit.

Cleveland and Detroit are the only American League clubs with better than a 500 percentage in inter-league warfare. The Indians beat the New York Giants in their only start against a major league club while Detroit was won five and lost four.

Fires that have burned 66 years in Atlanta's gas plant were extinguished with introduction of natural gas.

NEW AID
BROUGHT
JOY TO BOTH

ORGATONE (ARGOTANE) HAS BEEN A GREAT BENEFIT TO MY WIFE AND I AND WE BOTH FEEL FINE," SAYS ABILENE MAN

ABILENE, March 12.—Mr. W. M. Wheeler, well known local man, a farmer, living on rural route 3, is enthusiastic in his praise of Orgatone (Argotane) the new medicine, because he and his wife have received benefits and relief from troubles of years standing. "It's true," he continued, "both my wife and I have been bothered with stomach trouble for quite awhile. It seemed that none of the food we ate digested properly, invariably after meals gas would form and we would experience severe pains and cramps in the pit of our stomachs. We took a lot of medicine but just couldn't get to the bottom where we could eat what we wanted without suffering afterwards. My wife suffered terribly from gas forming on her stomach, and would have a full, bloated-up feeling. I had a bad case of constipation.

"Orgatone (Argotane) was advertised so highly we decided to try it. Well, we certainly are greatly improved in every respect since taking Orgatone (Argotane). We both have a fine appetite now, and our food digests properly and we aren't bothered with cramping or pains afterwards. My wife isn't bothered with gas forming any more, in fact, it has done both of us more good than anything we have ever taken, and we feel better than we have in several months. Orgatone (Argotane) is a wonderful medicine and has been a great benefit to both of us."

Genuine Argotane may be bought in Big Spring at the Cunningham & Philips Drug Store.—Adv.

before that the person will probably tell him that his father was born in Turkey while he was born in Russia, but the wise census taker will put down Rumania as the birthplace of both.

By reasons of changes brought about by the World War and the Treaty of Versailles, boundary lines in Europe have wavered like ribbons in the wind. On the present day map of Europe there are seven countries and one free city which did not exist in 1914. In the Near East, five new nations have sprung from the territory which formerly was called the Ottoman Empire.

To our foreign-born population Russia contributed a larger share than any other of the countries as they existed before the World War. Next came Italy; then old Austria; and next Ireland. The coming cen-

sus will show the changes that are taking place in the composition of our foreign-born population as the result of immigration restriction and other influences, census officials have pointed out.

WASHINGTON, April 2 (AP)—The census was termed a "great stock taking of American progress" today by President Hoover, who promptly answered questions about the first family, asked by a census enumerator.

Mr. Hoover expressed the hope that everywhere the enumerators would be given the assistance "they deserve."

The chief executive said he

Dallas—

(CONTINUED FROM PAGE 1)

It is completely lighted, contains 230 acres of land and has ample hangar and shop space with a large administration building.

Two companies use the Big Spring airport daily on regular daily commercial routes. This field is division headquarters for Southern Air Transport on its line between Dallas and El Paso. Southwest Air Fast Express recently extended its Kansas City-Sweetwater line west to Midland, with a regular stop here.

Big Spring has more telephones, water meters, electric light meters, gas meters, and scholastic population than any city between Abilene and El Paso. These items are: telephones, 1975; water meters, 2340; electric light customers, 3051; gas meters, 2025; scholastic population (April 1929) 3080.

Bank deposits here are larger than in any city between Abilene and El Paso, Lubbock and San Angelo.

thought it was well to emphasize that the information obtained for the census was confidential. He made this statement as he handed J. Sterling Moran, census supervisor of the District of Columbia, a written statement answering census questions.

The president in his statement informed the census enumerator he was 54 years of age and had been married at the age of 25.

He gave his birth place as West Branch, Iowa, and that of his father as Miami county, Iowa, and his mother as a native of Ontario province, Canada. His mother's parents were born in Wooster, Ohio.

Other information was not made public.

Hawks—

(Continued From Page 1)

years. "It was the worst we had experienced," he said, "but Jernigan is a fine pilot and knew how to handle the situation after our experience near Tucson, Arizona."

In crossing the Davis mountains in Texas, an altitude of 10,750 feet was reached by the glider and its towing craft in trying to attain better wind conditions between Pecos, Texas, and Sierra Blanca.

Damage to the glider was averted by its skillful pilot at the Midland, Texas, airport when he was forced to land on a flat tire during a refueling stop. Brief exhibition flights with the glider are being made by Captain Hawks at each field where he lands.

COMMERCE, Texas, April 2 (AP)—J. D. Jernigan Jr., pilot of the tow plane Captain Frank Hawks is using in his transcontinental glider flight, is from Commerce, Texas. His mother and brother live here.

HUGE BOULDER
BLOCKS TRAFFIC

CINCINNATI, April 2 (INS)—Traffic in Elberon Avenue here was blocked recently when a boulder weighing more than a ton fell from the side of a hill opposite Mount Echo Park.

750 Vote

(Continued From Page 1)

Joseph F. Nichols was elected mayor of Greenville by a margin of 76 votes, defeating C. P. Nevill, who had been declared the nominee as a result of the contest of Nichols' one-vote margin nomination on Feb. 22.

Brownwood Bert Hise, former sheriff of Brown county, was elected chief of police of Brownwood over a field of five candidates. O. W. McDonald was re-elected mayor, unopposed.

Mayor H. D. Hockersmith won a plurality of votes at Vernon with A. M. Bourland second and W. W. Gilbert, third; and Hockersmith and Bourland a tie for a run-off.

A. A. Globber was re-elected mayor of San Angelo and R. A. Hall and W. S. Metcalf were elected commissioners. All were unopposed.

J. Morgan Crook was re-elected mayor of Paris by a margin of 25 votes, defeating T. J. Record, city secretary.

L. S. Kennedy was re-elected mayor of Texarkana, without opposition.

Only 25 votes were cast in the Corsicana election, where W. C. Strubbs and R. D. Fleming were re-elected city commissioners without opposition.

Kerrville

A hotly contested city election in Kerrville resulted in Mayor A. T. Atkins and Commissioners A. C. Schreiner and Milton Paupell being returned to office by a vote of nearly two to one.

Four elected G. B. Fleming mayor and E. J. Kelso and E. L. Greene commissioners on the good government league's ticket. At Mission, Ross Marcus was elected mayor and Commissioners Carl, McHenry, Lockhart and Brady were returned to office.

R. L. Spalding and W. W. Whipple were re-elected aldermen at Colorado.

McCamey re-elected Earl Butler and W. A. Halamicsek as commissioners. In the heaviest voting in the history of Luling, Henry G. Stein, sec-

Wild Well Still
Blowing In
Oklahoma Pool

OKLAHOMA CITY, April 2 (AP)—A wavering plume of oil and gas still smashed high over the crown block of the Mary Sudik No. 1 today, the seventh day of its wild rampage, as engineers assembled a new set of connections and valves in another effort to bring the mighty gusher in check.

Previous connections tipped out by the cutting sand hurled up with the column of gas and oil, the field men faced a difficult problem in their efforts to renew the pipes and casing torn by the blast.

Although a north wind has removed the danger of the oil spray sweeping over Oklahoma City, for the time being at least, emergency fire fighters did not relax their vigilance, and emergency patrols

were maintained all through the south Oklahoma City oil field. The well is the property of the Indian Territory Illuminating Oil and Foster Petroleum Companies.

Drilling Below
Salt Water

Phillips Petroleum Company's No. 1 Tom Good, wildcat oil test in southwestern Badren county, was drilling ahead Wednesday below 2,068 feet in anhydrite and red rock after encountering three barriers of salt water per hour in shale at 1,960 feet.

No. 1 Good is located 330 feet north and east of the northwest corner of the southeast quarter of section 46, block 33, township 4 north, T & P Ry. Co., survey.

VALUES

"THE DUCHESS OF CHICHESTER'S GOAT CART!"
BAWLED BERTRAM the BOUNCER.

"My man," reproved the Duchess, "it is seldom that I speak directly to a menial, but those rasping, grinding tones were more fitting for peddling fish than announcing my coach-and-four."

"A thousand pardons, Milady," replied Bertram humbly, "but what am I to do?"

"Smoke OLD GOLDS, fellow! The honey-smooth heart-leaf tobacco will change your growls of a grizzly to the amorous cooings of a pretty pigeon. Throat-ease follows this smoother and better cigarette as hounds follow the scent. Away with you, and OLD GOLD yourself! There's not a bark in a billion."
