CWE CHAT WITH EDITOR
By Louis C. Stas

Congratulations, Taylor Sparks and Michael Gaines, Wheeler athletes, and Colbey Hanson of Ft. Elliott, for the recognition they received in the *Globe-News*. Michael and Colbey play football and Taylor runs cross country.

— cwe —

Don't forget! Parkview Hospital is operating their Flu and Pneumonia Shot Clinic at the First Methodist Church Thursday and Friday.

— cwe —

OK MUSTANGS! Let's keep the winning streak going.

— cwe —

Don't forget the Blood Drive on Monday at the First Baptist Church.

— cwe —

We have the obit for Mrs. Flowers this week. She wrote a column for the *Times* for many years and always used the onion method for predicting the rainfall for each new year.

— cwe —

I have read the explanation of the onion process for forecasting weather, but never did quite understand how you made the onion placed in what order you placed them.

— cwe —

We traveled Thursday to OKC.

— cwe —

On Friday I went on an excursion to Noble, OK, for 'Grandparent's Day' at the request of my 'other grandson', Jaden Jackson. Jaden, my 'other grandson' is Liz's son.

— cwe —

I had been there before, but not driving, so I had not paid much attention on how we got there. I used the GPS and it showed I had an extra 21 minutes. As usual, I did not pay attention to Megellin and was a few minutes later than I had intended. But I got there before the student.

— cwe —

I received the award for having traveled the greatest distance.

— cwe —

Now the trip back was the real experience. Upon leaving school, I was not sure which road I had come into Noble on, but I found it, Hwy 9 in two turns. Had I used the GPS, it would have taken me through Norman and OKC and I wanted to go around.

— cwe —

I turned onto Hwy 9. Not having been on this road for the first time since I did not notice any landmarks; this did not concern me. After traveling some distance, I thought I should be at I-35. I was going just as best as I could go.

— cwe —

I stopped at a business and ask which way was west. The individual, a delivery truck driver, was not sure right off, which way was west, but she knew "Dallas was that way and OKC was the other", so west was the opposite direction from which I was going.

— cwe —

I was several miles before west became west to me. And, this was a straight road.

— cwe —

Yes, Barbara called to check on me, after I had learned of my mistake. Not that it would have made a difference if she had called earlier.

— cwe —

When I did make it back to Jennifer's I looked at my 'atomic' watch and it read

'12:45'. I thought, 'No wonder

STORM REPORT

As Reported by...
Stormie Meriwether,
First Grade Student

Cowboys are so cool! They can ride horses and rope cows. My cowboy (Scotti and Wes Campbell and Dustin Hunt) did that at my ranch. One day my big calf was sick. The cowboys rode the horses to the calf. The calf ran away. The cowboys made him come back. They roped his head and his feet. He fell on the ground, but it was soft grass. It didn't hurt him. Wes got the rope off his neck so he won't choke. He tied his legs and sat on him. Shantel and I gave the huge needle to Wes. Wes gave the calf a shot in the neck. Now my calf can be well.

I hope I won't be sick. That was a really big shot!

I rode the horse with Scotti all the way back to my house. I love the ranch and my cowboys! That's it.

OLD TIMES NOT FORGOTTEN

By Roland Miles

WORKING FOR THE CROWS

Strange as it may sound, people usually had a special name for their home place; Sand Hill, Rock Bottom, etc. The first year of the two that we lived on this rented farm, Dad referred to it as, "Old Double Tuff." Nothing seemed to be even close to easy. He had an old, Regular Farmall tractor, which was made by International Harvester Co. Power-steering on tractors, or anything else for that matter, didn't exist. So, it comes as no surprise that this tractor didn't have a power lift that would lift plows out of the ground. At each end of the field (called a turn row) Dad would have to manually push a lever to lift each of the two plows out of the ground. After turning around, he'd release the levers to let the plows go back down. This routine would be repeated 200 or 300 times a day. Dad never weighed more than 130 pounds, but I never once heard him complain. Folks of his generation were a really hardy bunch. "Double Tuff," you could say.

When our maize (milo) had headed out and the grain almost matured, we borrowed a team of horses, Old Son & Old Blue, along with a wagon, from my "Uncle Fat." The horses would pull the wagon up and down the rows, while you cut the maize heads off with a pocket knife. When you had cut all the heads on your row as far forward as the front of the wagon, all you'd have to do was holler, "up a little," and the horses would pull the wagon forward exactly one length of the wagon and then they would stop. Immediately, they would go back to munching on the maize heads. It sort of kept them refueled as they worked. Kind of kept them gassed up, too! But, they sure knew their job.

I talked Dad into letting me try my hand at heading maize, but promptly gashed my finger. He sent me to the house to get bandaged up. That pretty much ended my career as a maize header.

When the wagon was full, we'd haul the load of "heads" to a small barn and unload them with a maize fork. One time, part of the

heads weren't quite dry enough to store in the barn, so Dad unloaded those in a long pile on the turn-row. He planned on hauling them to the barn as soon as they dried out a little more. That never happened, the crows ate every drop of it! At that time, there were countless thousands of crows around the Wheeler area. From then on, we never missed an opportunity to kill a crow.

ALLISON NEWS
By Juanita Boydston

Great is the Lord, and greatly to be praised in the city of our God, in the mountain of his holiness. Beautiful for situations, the joy of the whole earth, is mount Zion, on the sides of the north, the city of the great king. God is known in her palaces for a refuge. Psalm 48:1-3

In the beginning was the Word, and the Word was with God, and the Word was God. The same was in the beginning with God. All things were made by him; and without him was not any thing made that was made. In him was life; and the life was the light of men. And the light shineth in darkness; and the darkness comprehended it not. John 1:1-5

Then spake Jesus again unto them, saying, I am the light of the world; he that followeth me shall not walk in darkness, but shall have the light of life. John 8:12

Jesus answered, Verily, verily, I say unto thee, Except a man be born of water and of the Spirit, he cannot enter into the kingdom of God. That which is born of the flesh is flesh; and that which is born of the Spirit is Spirit. Marvel not that I said unto thee, ye must be born again. The wind bloweth, where it listeth, and thou hearest the sound thereof, but cannot tell whence it cometh and whither it goeth: so is everyone that is born of the Spirit. John 3:5-8

O sing unto the Lord a new song: sing unto the Lord, all the earth. Sing unto the Lord, bless his name; shew forth his salvation from day to day. Declare his glory among the heathen, his wonders among all people. For the Lord is great, and greatly to be praised: he is to be feared above all gods. Psalm 96:1-4

The weather here in Allison on this Tuesday morning is cloudy and very foggy. Thank the Lord for the rain Allison received on Saturday and Sunday. Almost an inch of rain. That will help the thriving gardens and keep the lawns green and pretty and the flowers as well. Praise the Lord for his goodness!!

MOBEETIE NEWS

By Sue Mayfield

Good morning! Hope you have been able to enjoy our beautiful fall weather. We have been lucky to have cooler days, except a couple of 90-degree days. We have been blessed with some misty rain and a few short showers that left us with only about a quarter of an inch. But, it all helped. Of course, we had a couple of really foggy days with that, too. The Ft. Worth area has had a whole week of fog and rain; our nephew thought he was back in England. He hated it there because almost every day was foggy most of the day. He was so glad to get back to New Mexico and soak up the sun. They have had over 6 inches of rain. Wish they could send part of that our way. All that cement and tar isn't going to grow.

Our deepest sympathy to Jerry and Ann Killingsworth and the family and friends of Michael, 41, of Wheeler. We always thought of him as part of the Mobeetie community while he stayed with Gary Morris. He worked several years with Gary. Michael died on Tuesday, Sept. 8, 2009. Memorial services were held on Friday, Sept. 11, at the First Baptist Church of Wheeler with Rev. Larry Mitchell and Toby Henson officiating. Michael is survived by his parents, Jerry and Ann Killingsworth of Wheeler, a sister, Karen Wallace, and husband, Kenn, of Madill, OK, along with a niece, Katelyn Sisco and husband, Josh, of Stillwater, OK, and many friends. Michael spent most of his school years in Kelton and graduated from Kelton High School. He was a member of the Wheeler First Baptist Church. Michael was a very active member and helped wherever he could. He enjoyed working with the youth and singing. Michael loved music. He made several of the church's mission trips a priority. He looked forward every year to the Special Friends Camp at Panfork. Michael made several trips to Branson, MO., seeing a different show each time. The glitz and glamour of the stage shows made his trip even more enjoyable. Traveling was always an enjoyable adventure. Michael was a caregiver and enjoyed cooking and making his friends feel special. He was a companion to Gary Morris, here in Mobeetie for many years. After Gary passed away, he went to help friends at the nursing home in Canadian. He tried to brighten their days. Michael will be greatly missed.

Sorry to hear that Ann Killingsworth had to be transferred to Amarillo by helicopter and was in ICU. Hope you are feeling much better and will soon be home.

Word was received of the death of Kenneth Vines, 63, of Dumas and Fritch, on Monday, Sept. 7, 2009. Memorial services were held at the First Baptist Church of Dumas on Friday, Sept. 7 with Rev. Jerry Howe, pastor, officiating. Kenneth was a Veteran of the Vietnam War. He earned a Purple Heart, Silver Star and Bronze Star for his valiant service to our country. He married Marilyn Hutcheson in 1968. They moved their family to Dumas where he was employed by the Dumas Cop for 20 years and, most recently, worked with Potter Trucking. Kenneth was a very active member of the First Baptist Church. He was an ordained deacon. He is survived by his loving wife of 41 years, Marilyn; a son, Evan Vines and wife, Robin, of Dumas; his mother, Johnnie Ellis, of Amarillo; a sister in CO.; two uncles and three grandchildren all of Dumas. He treasured time spent with his family and doing the will of God in his life. He will be greatly missed.

Baby, Hagen Newman, had his parents, Junior and Beth, bring him to grandma Tammy Newman's for part of the Labor Day weekend. He is growing and is so sweet.

I am still hearing such glowing reports of all the fun had at the all-school reunion and, especially, the Labor Day dinner and celebration at the Old Mobeetie Jail Park. Sorry we had to miss it all. Glad to hear that Kenneth Walker is doing so well and was able to come play music every day of the celebration. On Monday, Vera got to join him. Sorry I missed you both.

We spent part of the weekend with my mother, Carol Orthman, and sister, Shannon Pool. Mom is feeling so better, but her blood pressure and heart rate are no where near what they should be. Please keep praying for her.

Friday, Leola Stuart went to Erick, OK., to visit with sister-in-law, Iva Richardson, niece, Marsha Richardson and great-nephew, Mike. His wife, Amber, and son were in Arizona visiting her family. Mike had to stay and work. Iva treated Leola to lunch in Erick and then they went to see brother, Jimmie, and his wife, Patsy. They were very disappointed to not find them at home.

They found Patsy working her mother's store of treasures. It's a very eclectic store. Sorry to hear of the passing of Rev. Snow, Patsy's dad, in August. He was the pastor at Grandma Richardson's favorite church. She thought the world of Rev. and Mrs. Snow, even before they became part of the extended family. He will be greatly missed. Iva, Leola, Marsha and friend, Karen, from Sweetwater played Hand and Foot on Friday night. Karen and Marsha both work for the Sweetwater School. They have such fun. Mike was off Saturday, so he took Karen's place and they played a few more games of cards. I guess they have their Hand and Foot fix for a little while. They haven't gotten to play this summer; everyone has just stayed too busy.

Think on This
 Health care during the 1950's and 1960's was not complicated. It was Christian, honest, fair, and it worked. Today I still do the same things and it still works.
 Now with the discovery of Applied Kinesiology it works much better on healing pain and so called "diseases" in young and old.
 To learn and experience modern healing thru Applied Kinesiology call me at 1-580-821-1506.

family and friends via the Internet that our cell phones will be going public next month. That means that telemarketers will be able to access our cell phones. We will be paying dearly for their calls. Not only are they a nuisance, but we will be paying for their calls with our minutes. Every cell phone will have minutes taken away from them and the pre-paid phones will also have to burn minutes with these telemarketing calls. This has supposedly been checked out with the FCC. Auditions Set For Red Carpet Play

Auditions for *Yes Virginia, There Is a Santa Claus* are set for Monday, September 21 and Tuesday, September 22, 2009 at 7:00 pm, located at the Red Carpet Community Theatre. Show dates are November 30 - December 6, 2009. Guest director, Mike Perkins, looks forwards to working at Red Carpet again to bring this classic to life. Needed for the show are 17 Males, 8 Women, including children ages 7 and up. This is an excellent opportunity for the whole family to participate.

Inspired by a simple, poignant letter written over 100 years ago by 8-year-old Virginia O'Hanlon to the editor of the *New York Sun*—and by the timeless editorial response printed on the front page of the *Sun*, Virginia wondered and wrote: "Dear Editor, I am eight years old. Some of my little friends say there is no Santa Claus. Papa says if you see it in the *Sun*, it's so. Please tell me the truth. Is there a Santa Claus?" Ed Mitchell, the *Sun's* editor, gives the assignment of answering Virginia's letter to Frank Church who, until his wife and baby died last Christmas Eve, was the *Sun's* best and most dependable reporter. *Yes Virginia, There Is a Santa Claus* is a play for young and old, magically reaffirming life's highest beauty and joy—"the eternal light with which childhood fills the world."

Each auditioner will do a cold

warms and charms; it must be why God gave us arms. So stretch those arms without delay. And give someone a hug today." (From July Happiness)

Sincere sympathy to family and friends of Michael Killingsworth, 41, beloved by many, in his sudden death. I am so sorry. We hate to lose our loved ones, but know he is in a better place. Many relatives and friends gathered at Wheeler Baptist Church Friday morning at 10:00 a.m. to bid farewell to this fine, caring Christian man. Michael loved music. Singing special songs at his funeral were Vickie Ferguson; Kloette Henson, wife of former pastor, Toby Henson and Don High, with music by Sylvia Shuler and Kloette. Thank you! Toby Henson and Larry Mitchell officiated at the funeral. Burial at Wheeler. Pray for his family. Michael was a faithful member of Wheeler Baptist Church and we will miss him.

Several ladies meet in Wheeler Baptist Church Fellowship Hall on Thursday afternoons at 2:00 p.m. for prayer, Bible study and discussion. Dessa Mitchell, pastor's wife, is the leader. Very enjoyable. Some there Thursday were Leona Coates, Dianne Sparks, Martha Meek, Sylvia Shuler, Laurel Hershman, Jeanette Bird, Vickie Ferguson, Verna Fillingim, Lavenna Pannell and others.

Nice to have a visit with Chester and Vivian Jones. They delivered some fine watermelons to my kitchen (just \$2 each!) Thank you! They raised lots of other garden goodies...okra, squash, corn, tomatoes and more to sell to others. Such pleasant folks! Come again!

"Keep telling the story...be faithful and true; Let others see Jesus in you!"

Congratulations to Donnie and Kirbie Barr on the birth of their new baby boy named Maverick Cash. He is also welcomed by big brother, Cutter. They make their home in Mobeetie. Best wishes!

Virginia Puryear still lives at Allison and works Saturdays at the Post Office and other days when needed. Good to visit with her. She is a friend of many years and is related to Oleta Rogers who used to be my neighbor. Oleta is still at a facility at Plainview because she needs help. She still has one son, Matt Rogers, who visits her frequently.

"God has not promised skies always blue, Flower-strewn pathways all our lives through.

God has not promised sun without rain, Joy without sorrow, peace without pain.

But God has promised strength for the day, Rest for the laborer, light for the way;

Grace for the trials, help from above, Unfailing sympathy, undying love." (From Michael Killingsworth's funeral brochure.) Thank you, God.

Glad to hear that Dianne Sparks' brother, John Henderson, who has been very ill, is expected to be moved to Wheeler Care Center soon to be near family. Pray for John and Dianne and the family. Think John will have therapy.

Sorry to hear Anne Killingsworth is having a really hard time. Pray for Anne...she and son, Michael, were very close...so hard to lose him.

Nice to get a little shower of rain Saturday. Thank you, God!

There was a good crowd for a Coates family reunion at the

Shamrock Park Saturday. Potluck meal with lots of good food and fellowship. God bless you all! They had fun!

Some enjoying quilting and visiting at Totty School Thursday were Betty Haines, Carol Scribner, Betty Rogers, Jamie Johnston and Riggins, Sydney Lynch, Augusta Brown, Mendy Reeves and Jimmae Hinds. They had a nice day. God bless you!

Nice to have Donna Baker go to Allison to singing at the Allison Baptist Church Sunday night with me. We had a good visit. Donna is a good driver. They had a good program and lots of delicious food! Some there from Mobeetie and Gageby churches, too. Nice to get to meet Allison Baptist Church's new pastor, Shelby Etheridge, and his wife and son. Best wishes to all!

The program started with singing by John and Angie Huff and Walker Huff as John picked his guitar. Also singing were Beverly Swift and Pastor Shelby Etheridge. Giving interesting readings were Ray Hudson, Glenda Hudson, Kaye Stiles and Rev. Aaron Laverty. Doris Finsterwald gave a piano special. Pastor Shelby also picked his guitar. All was good. Thank you!

"God be with you till we meet again."

Don't forget to give Blood Mon.
