O Come let us sing unto the Lord: let us make a joyful noise to the rock of our salvation. Let us come before his presence with thanksgiving and make a joyful noise unto him with psalms. For the Lord is a great God, and a great King above all gods. In his hand are the deep places of the earth: the strength of the hills is his also. The sea is his, and he made it: and his hands formed the dry land. O come, let us worship and bow down: let us kneel before the Lord our maker. For he is our God; and we are the people of his pasture, and the sheep of his hand. Today if ye will hear his voice, Harden not your heart, as in the provocation, and as in the day of temptation in the wilderness: When your fathers tempted me, proved me, and saw my work. Forty years long was I grieved with this generation, and said, It is a people that do err in their heart, and they have not known my ways: Unto whom I sware in my wrath that they should not enter into my rest.

And without controversy great is the mystery of godliness: God was manifest in the flesh, justified in the Spirit, seen of angels, preached unto the Gentiles, believed on in the world, received up into glory. I Timothy 3:16

I can do all things through Christ which strengtheneth me.

But my God shall supply all your need according to his riches in glory by Christ Jesus. Now unto God and our Father be glory for ever and ever. Amen. Philippians 4:13 & 19 & 20

While we were living on the "Old, Double-Tuff" farm, we had a really big, radio for evening news and entertainment. Since we didn't have electricity, this radio was run off of a battery that fit inside of it. Hard to imagine, but radio batteries at that time, were almost as big as a car battery of today.

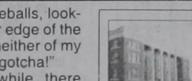

Mom, would listen to it a little during the day, and Dad, liked to listen to it some, at night. There were several "shows" the three of us enjoyed listening too, together.

The people on the radio doing the talking, really brought everything to life. In your mind, you could almost see exactly what they wanted you to see...by hearing the multitude of different sounds in the background and the wide range of expressions in their voices. Some, we listened to were; "The Buster Brown Show," "Just Plain Bill," "My Gal, Sal," and "Hopalong Cassidy." I liked old "Hoppy," pretty well. The real thriller was "The Inner Sanctum," usually called by us, "The Squeaking Door." It scared me every time the door squeaked, then slammed shut; even though I knew very

Every once in a while, there would be something really special come along that Mom or Dad wanted to listen to. Dad had become a pretty avid boxing fan after reading about the old bareknuckled fighters like, John L. Sullivan, Jake Kilrain, and Jess Willard. Later on, when gloves became mandatory, there was Jack Dempsey, Joe Louis and

Jersey Joe Wolcott. Jersey Joe, had become, "World Champion," and it looked like he might keep the title for quite a while. However, there was an upcoming, young contender named, Rocky Marciano. A title match between Jersey Joe and Rocky, had been arranged and Dad was sure looking forward to listening to it. Blow for blow, it would be exciting! When that night finally arrived, he "tuned" on that old radio for a really long time, trying to get the best volume set and get all the static out that he could. Finally, he got it tuned up to his liking. The fight was going to be a well, what was coming. I could fifteen-rounder, Hot doggie! About

Nice to visit with Ann Jones and her mom, Barbara Austin. They still live at Utopia, near the border of Mexico. Chuck has a job helping keep the golf course and clubhouse in shape and enjoys it. Von Jones and wife have triplets, a girl and two boys, and live at Alice, Texas. Triplets are now eight years old and in third grade. David Jones pastors a church at Jayton and has written some books on living a Holy Life. Christy and her husband, two girls and two stepsons live at an Army boot camp. Gena has a boy and a girl and lives at Carson City, Nevada. Chuck and Ann have 13 grandkids. (See how wealthy!) Kids ranging in age from 43 to 36 years.

We went to OKC Wednesday evening with the intent to continue on to Sherman and Huntsville, but Seth had to go to the doctor Thursday and we did not get to travel until Friday.

- cwe -We got to attend a tournament and see Dorcie's volleyball team

take top honors in the Eighth Grade tournament. — cwe –

Seth underwent surgery Tuesday morning to have his adenoids removed. It is hoped they can learn why he gets ear infections all the time. The surgery went well, but the results will not be known until later.

- cwe -Happy Birthday, Barbara! Her birthday will be Tuesday. - cwe -

We did not play cards Monday evening. Barbara was gone, Larry was sick and Dwight was in the hay field, which left only three of us to play.
