VOLUME 53, NUMBER 44

THURSDAY, OCTOBER 1, 1987

"Wheeler, town of friendship and pride."

# By Louis C. Stas

Congratulations Mustangs!

Another victory is added. -cwe-

I understand David and Paula Britt are scheduled to return to Wheeler this week. David's football stories are certainly missed. That's the only way I can find out what really happened during the game. I'm doing better though, I could keep up with the ball most of the time Friday night.

Mr. and Mrs. G. A. Martin recently returned from a visit to Loveland, Colo.; their son and wife, Al and Sall, run a ranch there. Helen subscribes to the "Times" each year for the couple as a Christmas gift; she had been wondering if they appreciated the gift until this visit. She said the couple and the cowboys alike can't wait until Monday, when the paper is delivered, to see what "Ab" has to say and see what "Thriftway" is giving away with "Mitey Mizers". She had to explain Mitey Mizers to them; they couldn't understand how the store could "give things away like that". Al and Sall were both raised in Wheeler-I'm sorry, I guess you know what you are getting for Christmas.

Speaking of "Ab", we had a call from a "Concerned Citizen" right after the paper came out last week. This individual wanted to write a "Letter to the Editor" concerning Ab's most recent column, but didn't have too much to say. He just commented, "It sounds like he has quit gossiping and started bragging". He didn't want his name disclosed, but said his box number was 444 in Wheeler.

Bill Riggins stopped by the office to report the replacement of the light and flag at the cemetery.

I had a wet seat again Monday morning. I had left the window down on the El Camino and it rained just enough to get the seat wet. I measured 0.02 inches. We closed out the month with 2.95 inches of mositure; rain was measured 7 times this month.

We stayed home this past weekend and I "winterized" the yard. I am sure the neighbors were glad I cleaned up the garden. To tell you just how bad it was, the city had been past with the 'brush beater' to cut next to

And, speaking of winter, I suppose you know we disproved two more 'old sayings'. We were to have had the first frost by the middle of September, according the the 'first northerner' and the 'locus'.

# **Mustangs Corral Vega Longhorns**

Friday night was both Wheeler's home opener and homecoming. The Mustangs lived up to all the ceremonial happenings here as they

squashed sixth-ranked Vega 28-14. Led by the Brutal, straight ahead running of full back Bubba Smith, Wheeler handed the Longhorns their second loss of the season; the

Mustangs ran their record to 3-1. "I think they're probably over-ranked," Wheeler head coach Preston Smith said. "I don't think either of us belong in the top twenty."

of the game, but was expected to again crack the top ten after the Friday victory.

Smith, who rushed for 118 yards on 27 carries, scored three of Wheeler's four touchdowns. Vega took an early 7-0 lead when

running back Klay Waters took the ball in on his own from two yards out. Wheeler felt the pressure and answered the call, tying the game at 7-7 as the first quarter came to a close.

The score that enabled the 'Stangs to tie was not your usual high school play, however.

Quarterback Shawn Bradstreet received the ball from center and quickly handed off to Grayson Benson. Just as it looked like Benson would run for a touchdown, he settled back and cocked his arm with his target being Smith.

Smith caught the ball and scored from 23 yards out. The halfback option was successful and gave the Mustangs a charge.

"We started working on it this week," coach Smith said. "We felt worked."

The Mustangs took a 14-7 lead into the locker room at the half, thanks to 1926. He owned and operated a Benson's 27 yard run with 7:08 left in barber shop until retiring in 1980. He and Sr. Little Dribblers Basketball Klay Waters went down with a hip inwould be 15 carries for 74 yards.

Waters, though, was not sorely missed, as reserve back James Luster picked up the slack well, gaining 73 yards on 16 carries in the second half alone. Vega scored its final touchdown

when Luster ran in from one yard out to draw to within 21-14. Just for good measure, the

Mustangs scored again when Smith took the ball in from 13 yards out.

"We were pretty self destructive most of the night," Smith said, First downs eluding to the Mustangs' 10 penalties Rushing yards for 80 yards, three fumbles and one Passing yards interception.

Ruth Taylor and Fannie Mae Bradstreet came to serve juice on Friday. Helen Sparlin celebrated her birthday on Thursday, Tillie Snelgrooes baked Elva Wood and Mary Mitchell came her a special pie and sent it to her. We appreciate you all, thanks.

Louise Hogan brought flowers made by the Jr. Class of the First Baptist Church of Mobeetie. Thank you so much, we can certainly use them to brighten things up a bunch.

I would like to thank the Kitchen Staff, each one always finds a minute to help me sing on everyones birthday. They do this for me on weekends, too, when I'm not here. We don't like to miss anyones birthday. Thanks

I was also asked to thank the housekeeping staff. Jessey and Bonnie would like to say they appreciate the three B's, Bud and Barbara Williams and Becky Case. This past Sunday when they were a little understaffed they pitched right in and did a good job.

Martha Leake celebrated her birthday this past Sunday. Happy

family while we were in town and got to eat out on the back porch, had a lot of fun and enjoyed the natural coolness of the evening. The only thing I didn't like about it was them durn Bees that seem to be everywhere, while I was gawking around at the Museum one of them got down my back and hit me a couple of times, I got over to a Medical tent they had set up and got some medicine and got my rings off. I get a reaction to any kind of Bee or Wasp sting and my hands and arms swell up. I told Benita that the reaction was going to my stomach and she said, Ab thats a bunch of Hooey, it's your durn eating that causes your belly to swell not them Bees...

# JOINT PROBLEM AND MUSCLE PAIN

If you've developed symptoms that make you think you have arthritis, it would be wise to have an examination to see if the muscles in the affected area are out of balance.

Muscles help keep a joint stable and assist it through its normal range of motion. But if the muscles on one side of the joint are weak, this puts a strain on the joint. It may also cause arthritic-like symptoms.

The doctor of Chiropractic will test the muscles to determine their balance and strength. He will also evaluate nerve patterns and may take an x-ray to study the joint structure involved. Perhaps some laboratory procedures will also be needed.

If the problem is in the muscles around the joint, treatment can be given to strengthen and return them to proper balance. Once this is achieved, the arthritic-like pain and discomfort may be greatly relieved or
