

THE WHEELER TIMES

(USPS 681-960)
 VOLUME 51, NUMBER 31

WEDNESDAY, JULY 3, 1985

SINGLE COPY 25c

CWE CHAT WITH EDITOR
 By Louis C. Stas

June, 1985, proved to be a wet month. The showers last Wednesday produced 0.23 inches; this made the total for the month at 5.91. This makes the total rainfall received for the first six months to 18.66. In looking back at the records, we received 3.52 inches of rain in June, 1984.

Additional proof of the moisture received are the beautiful lawns and gardens. You might know, the year I fail to plant a garden is the ideal year. We had roasting ears and fresh green beans over the weekend; everyone was reporting a bumper crop.

You may notice a difference in the looks of the type this week. I finally called in a repairman to correct "Junior's" ailments. It has certainly been nice to just turn him on and type without having to wait 1 to 2 hours for him to "warm up".

"Thank You" to everyone for the cooperation in getting the copy for the paper into the office early. It certainly makes for a short week in getting everything done.

On Thursday of last week, the "Times" crew gathered at the house

Steve & Cindy Venable

Mobeetie Methodist Welcome Pastor

The First United Methodist Church of Mobeetie welcomes its new pastor, Steve Venable. Steve graduated this past May from Asbury Theological Seminary in Wilmore, Kentucky. Originally from Garland, Texas, Steve attended South Garland High School. He then went on to the University of Texas at Dallas where he received his B.S. degree in 1982.

Steve married Cindy Griffin of Quitaque, Texas June 29, 1985 in Quitaque. Cindy also graduated from Asbury in May. Before attending Asbury Cindy graduated from Valley High School in 1980 and WTU in 1983.

Mobeetie Senior Class of 1965 Reunion

The Mobeetie Senior Class of 1965 recently held a class reunion in Amarillo at the home of Billy Whitten.

The Class had 12 students in it. They were: Billy Whitten, Susie Cass, Joe Fred Mixon, Eddie Vowell, Judy Uzzle, Jerry Rector, Judy Rowell, Eddie Hodges, John Bradley Trout, Jackie Barton, Cary Jack Johnson and Jimmy Johnston.

John Bradley Trout has since deceased. Those attending were: Dale and Susie (Cass) Langley, and family of

CLASS OF 1965: (l. to r.) Jimmy Johnston, Judy Tipps, Billy Whittens, Susie Langley, Jackie Barton, Judy Bradley, Jerry Rector.

NANCY WARREN

CELEBRATES 90th BIRTHDAY

Nancy Warren celebrated her 90th birthday in the home of Katie Finsterwald. Those attending were: The honoree; Nancy Warren and husband, George Warren; Mr. and Mrs. Olen Maxwell, Wheeler; Mr. and Mrs. Herman Topper, Borger; Mr. and Mrs. Paul Topper, Wheeler; Mr. and Mrs. Jack Mitchell, Wheeler; Mr. and Mrs. Ronnie Bell, Amarillo; Bruce Topper, Miami; Phillip and Dena Topper, Amarillo; Mrs. Charles Snelson and Spike, Amarillo; Matthew Artzburger, Amarillo; Mr. and Mrs. Bob Underwood, Wheeler; Ann and Andrew Underwood, Wheeler; Mr. and Mrs. Clifton Fletcher, Pampa; Bud and Tommie Fletcher, Pampa; Russell Mitchell, Pampa; Bill and Jason Mitchell, Pampa; Mollie Mitchell, Pampa; Susan Mitchell, Pampa; Mr. and Mrs. Mark Topper, Pampa; Jennifer and Keely Topper; Robert and Rachel Stiles, Wheeler; Joe Dan and Jarrod Ledbetter, Wheeler; Mr. and Mrs. Larry Finsterwald, Wheeler; Kristi and Ike Finsterwald, Wheeler; Mr. and Mrs. Joel Finsterwald, Wheeler; Caleb and Lyndi Finsterwald, Wheeler; Mr. and Mrs. Rick Woollard, Russell, Kate and Will Woollard, Mobeetie; the hostess, Katie Finsterwald.

A bountiful basket lunch was spread for the noon meal with the beautiful cake decorated with live flowers in her favorite colors of pink and purple. Crowning the whole meal. The day was spent in visiting taking pictures and singing.

Eastern Panhandle Cattlemen's Club Meet

The Eastern Panhandle Cattlemen's Club will meet Thursday, July 11, at 8:00 p.m. at Maxey's Steakhouse in Wheeler.

The program will be presented by Mr. Elbert Harp, of the Texas Grain Sorghum Producers Board. Mr. Harp will discuss the upcoming Texas Grain Sorghum Check-off Referendum, the activities of the Texas Grain Sorghum Producers Board, and the current grain sorghum situation. The presentation should be of interest to all grain sorghum producers and other people connected with the grain sorghum industry.

Anyone planning to attend this meeting should contact Don King at 826-5243 by noon, Wednesday, July 10.

Everyone is invited to attend the meeting and join the Eastern Panhandle Cattlemen's Club. Contact Van Baize or Don King for a membership application. There is an annual membership fee of \$15.00. Programs at the monthly meetings concern all areas of the beef cattle industry and related topics.

Educational programs conducted by the Texas Agricultural Extension Service serve people of all ages regardless of socio-economic level, race, color, sex, handicap, religion, or national origin.

Graveside Rites For Rebecca Arganbright

Rebecca Jenee Arganbright, 4-day-old infant daughter of Mr. and Mrs. Al Arganbright of Rush Springs, Okla., died Saturday in Oklahoma City.

Graveside services were held at 2 p.m. Tuesday, July 2, in Wheeler Cemetery. Rev. Jerry Parker, pastor of First Baptist Church, officiating. Arrangements were made by Wright Funeral Home.

Top O' Texas 39th Annual Rodeo

Plans are complete for the 39th Annual Top O' Texas Rodeo to be held in Pampa, July 11-13, with performances at 8:00 P.M.

Bennie Beutler of Elk City, Oklahoma is returning to Pampa to produce this year's rodeo. Clem McSpadden, former senator from Oklahoma, will be at the microphone once again this year to describe the action in the arena.

The "Country Critters", a western band from across San Antonio, will

Translator System Need Subscribers

The Wheeler Translator System is in dire need of subscribers. Those using the translator are not paying their dues as they should and I'm sure there are a lot of new people in the area who should be paying. The address is Box 737 for those who wish to pay. There is a possibility the system may be turned off until further notice unless we get the necessary funds. Thank you.

WHEELER COUNTY

RANGE & PASTURE TOUR

DON KING

The Wheeler County Range and Pasture Tour is scheduled for Wednesday, July 10. The tour will begin at 9:30 a.m. at the Bill Caswell Farm, 1 mile west of Mobeetie. The tour is being sponsored by the Wheeler County Agricultural Committee, the Texas Agricultural Extension Service, and the Wheeler County Soil and Water Conservation District.

During the first stop, we will look at a field of Plains Bluestem that was planted last year. There is considerable interest in Plains Bluestem and this stop will give producers a chance to see the grasses growing under local conditions.

The second stop will be at a Goldaster herbicide demonstration on the Joe VanZandt farm west of Wheeler. Six herbicides have been applied to Goldaster to test their effectiveness. The Goldaster problem is increasing in the county and producers are urged to become familiar with the weed and possible control measures. Heavy infestation of Goldaster can completely stop grass production.

A third stop will look at brush control. There have been changes in the herbicides available for shinnery control. Dr. J. F. Caddenhead, Extension Range and Brush Control Specialist, will be on hand to discuss the herbicides that have been taken off the market and what will take their place.

Another stop is being planned to look at new grass seedings. This may include WW Spar and/or lovegrass. Each stop at grassland sites will include a discussion of establishment and management practices.

All producers in and around Wheeler County are invited to attend the tour which will conclude by 11:30 a.m. Educational programs conducted by the Texas Agricultural Extension Service serve people of all ages regardless of socio-economic level,

race, color, sex, handicap, religion, or national origin. The tour will give producers a chance to stay abreast of developments in range and pasture management.

RECOGNITION: E. R. Carver and his wife, Stella Witt Carver, were among four Texans and 150 Retired Senior Volunteers from around the country to meet with President Reagan and actor Harry Morgan at a Rose Garden ceremony on April 26. The President spoke with the volunteers and awarded Certificates of Recognition to them as part of White House activities celebrating National Volunteer Week.

Harry Morgan, best known for his role as Colonel Potter in "M.A.S.H.", is the Honorary Chairman of the retired Senior Volunteer Program (RSVP). As Honorary Chairman, Morgan is promoting recognition of the tremendous service that seniors provide to their neighbors and communities. Last year, RSVP volunteers alone contributed more than 64 million hours of their time and talents. The Retired Senior Volunteer Program offers older adults, age 60 and over, a meaningful life in retirement through volunteer service to their communities.

More than 350,000 RSVP volunteers serve nationwide in settings such as schools, libraries, hospitals, nursing homes, churches, and other community service organizations. Their services include adult basic education, tax aides, Meals on Wheels, home weatherization, health care and substance-abuse counseling. RSVP

projects are community-planned and controlled, and are supported by federal and local funding.

E. K. Carver is a RSVP volunteer for Amarillo Senior Citizens Association, Amarillo College and Amarillo Schools, local RSVP project sponsors.

Stella Witt Carver was born in Wheeler in 1905 and graduated from Wheeler High School in 1924. The couple presently makes their home at 1220 Fannin in Amarillo. They attended the Ex-Student & Teacher Reunion in Wheeler on June 8.

Carver retired from teaching in 1966, but retains a busy schedule. He has served on boards for RSVP, the Amarillo Senior Citizens Association, Senior Aides program, Panhandle Regional Planning Commission and the Central Church of Christ. He has spent the last 13 years working with ill and injured students as home on a one-to-one basis.

Through his work with the Association of Retired Persons and the Retired Teachers Association, Carver was invited to become a defensive driving instructor. After training in Dallas, he returned to the Panhandle and has completed 16 years of classes for students and other instructors—all on a volunteer basis.

Carver enjoys youngsters and through RSVP's Adopt-a-School program he has the opportunity to work with young people. His duties range from telling children about pioneer days in special story hours and tutoring to help supplement social activities for children. He enjoys telling the students about coming to Texas in 1910 in a covered wagon.

Carver commented: "I get more fun out of working for fun than working." See Page 6

New Arrival

REBEKAH RACHELLE GRISWOLD

Mr. and Mrs. Richard Griswold of Wellman, TX. are the proud parents of a baby girl, Rebekah Rachele was born June 26, 1985, at 3:02 P.M. She weighed 7 lbs. 3 oz. and measured 21 1/4".

Grandparents are Mr. and Mrs. Tom Bryant of Rt. 1 Wheeler and Mrs. Mae Griswold of Virginia Beach, VA.

Services Held For Clara R. Childress

Clara Ruth Childress, 77, died Sunday.

Services were held at 3 p.m. Tuesday in the First Baptist Church. Burial was in Wheeler Cemetery by Wright Funeral Home.

Mrs. Childress was a lifetime resident of Wheeler. She married Lloyd S. Childress in 1926 at Wheeler. He preceded her in death in 1981.

She was a member of First Baptist Church and Order of the Eastern Star, where she was a past worthy matron.

Survivors include four sons, Lavoe of Wheeler, L. D. of Briscoe, Rondell of Wichita Falls and Kenneth of Wheeler; four daughters, Helen Dyson of Heaton, Okla. Wynola Sanders of Pampa, Joann Bresciani of Crowley and Carol Remy of Mobeetie; two brothers, Ben Moore and Huell Moore, both of Santo Rosa, Calif; 30 grandchildren; and 33 great grandchildren.

Pallbearers were her grandsons: Draton Childress, Johnny Childress, Kelly Childress, Wayne Childress, Robert Bresciani, Rick Dyson, Jeff Remy and Bob Sanders.

"It takes two to speak the truth—one to speak and another to hear."

Gageby News

Verna Fillingim

(Trimble) Lansaw to our community. They were married Saturday night at the home of Jim and Bobby Hill in Wheeler. They are living on the Rex Helton place, which is now owned by Dan Trimble. Alesa has a daughter, think she will be in first grade this fall. May God bless their home!

Congratulations to Eric and Pauline Zybach on the birth of their new baby boy named Kabe. He is also welcomed by Misty and Kyle Zybach.

Happy Birthday to Shonda Meek on July 1, Diann Rose on July 2, my sister Mary Van Sant on July 4, Aaron Hartline and Cecil Meadows on July 6, Tonya Gilmer on July 8, Angie Louder on July 11, Jimmy Nelson, Sara Powledge, Jaclyn Brown and Billy Harden on July 12.

Happy Anniversary to Dale and Shonda Meadows on July 2, LeRoy and Nancy Bible and Dan and Caroline Cornett on July 5, David and Becky Zybach on July 9, Dick and Ruth Irvine on July 11.

Correction: Richard Lackey has been going to college at Bluefield in West Virginia taking pre-med courses. Nice to have this fine young man in our community this summer.

Gaye Hale and children left Thursday to go to Midland to be with Gaye's mother, Wanda Savage, who was having knee surgery.

Wilma Bible had surgery Wednesday at Shattuck to remove a parathyroid tumor. Did real well. Nice to have her come spend Friday night with us. Walter Bible and LeRoy and Nancy Weatherly came Saturday to get her. All doing well. Good to see them all! Tom Bible is to be married to Michelle Garipey on July 27 in Borger.

Gageby Church will now be starting Sunday night services at 7:00 p.m. Also Wednesday nights.

Christina Ogle had the misfortune to get thrown of the "Barrell Bull" at the Y— camp meeting. Had to have several stitches in her mouth and two front teeth were loosened. Hope she is soon O.K.

The Y— Camp Meeting was well attended and was a blessing to many. Good to see people from many different churches and states and towns worshipping the same Lord together. Good to see Roberta Adams there with daughter Bobbye and Jim Hill and Esther Hill. We will be looking forward to another camp meeting next year the last weekend in June at the Norris Arena. Many, many thanks to the Norrises and all the local people who made it possible. All the officers were re-elected and had done a great job. They included: Donald Stuckey, President; Ray Hudson, vice-president; Lynnetta Crenshaw, secretary and Bill Popham, treasurer. Shawn Everett and Billy Harden rode steers, a little while.

Greg and Mona (Sumpster) Worley are the proud parents of a new baby boy born June 29, at Childress Hospital. May God bless their family. We welcome George and Alesa

working with the sound system.

Wednesday supper guests and to go to church with us and spend the night were: Rich Lackey, Frank, Francis and Kerry Hickman and Melody Ratliff. Peggy Thompson and Jeff and Kelley

visited in the afternoon and Peggy helped paper our bathroom. Sure looks nice. Peggy also helped me fix hair at the Wheeler Care Center Friday. Many thanks, Peggy! Monday visitors were Bea Ogle and Christina and Shellie, Tina Lehman and Rodney Hudson.

Some visiting Darren and Kristi Hefley Tuesday night were Mitch Reynolds, Lisa Hickman, Leslie and Ben Meadows, Keith Meek, Billy Harden, Lajuana McElroy, Kevin Ratliff and Mark Meadows.

Mitch Reynolds and Brady Hudson went to Lake Altus with friends Sunday.

Nice to have Ray and Velma Forbes' grandsons, Allen and John Forbes of Pampa visiting Gageby Church Sunday.

Our sympathy to the family of Clara Childress who passed away Sunday. Sweet little lady.

Lorene Vise had to have more surgery at St. Anthony's Hospital in Amarillo Thursday. She had a serious blockage in her intestines so had to remove quite a bit, but was not malignant. Evelyn was there Thursday to be with her and Lafoy. Still in intensive care at last hearing. Hope she will soon be feeling fit as a fiddle. Remember her in your prayers.

Sunday dinner guests at Evelyn Meek home were Mark and Annette and Kaleb and Jocelyn Meek. Evelyn and Kaleb visited Marsha Reynolds and family in the afternoon.

Tom and Alice Bell Helton and Verne and Susie Lohberger went to Ewell Steen's funeral Friday. Sorry I was unable to go. He was a good friend. Thomas Roy Helton was a pallbearer.

Saturday dinner guests at Tom Helton's were David and Sharon Bradstreet and Lori and Kassie.

Sandra Meek and Kaleb visited Evelyn Meek Thursday. Evelyn visited Jewell Holloman Saturday.

Alicia, Teresa and Tina Currie and Christy Gaines of Pampa spent from Thursday till Sunday with us. Verline and Stacie Currie also visited Tuesday as did Christina Ogle.

Down on the FARM WATCH UP FOR POWER LINES

Power lines can be dangerous.

Touching irrigation pipe to a power line can divert the electricity through the pipe... and to anyone in contact with it. In this part of the country, this is the leading cause of farm injuries and deaths in electricity-related accidents. Any equipment of unusual height represents a potential danger. Lift arms on field equipment, combine auger spouts and even radio antennas can cause serious injury or death if they, and you, make contact with a power line.

Keep an eye up for power lines. Watch up, for safety's sake.

Care Center Comments

BY IDA FARMER

Mr. Oscar Pittman's daughter Mr. and Mrs. Fred Flemming from San Angelo came Thursday for a visit. She will also visit her sister Greta Thompson.

Mrs. Ivy's granddaughters from Arizona were here for a few days.

Our State Inspectors were here for two days checking our Home. They gave us a "High Rating". They were well pleased with every Department, such as cooks, janitors, laundry, arts and crafts and nursing staff.

Mrs. Muse visited with Stella Fields Friday.

Debra Brown and daughter Manda of Weatherford, Okla. visited with her grandmother Vera Hopkins.

Thanks to Ruth Taylor and Fannie Bradstreet for passing the juice cart Friday.

Paul and Charlene Luttrell of San Marcus visited his mother Lelan Luttrell.

Josephine Drapper and Katie Glasscock of Shamrock visited in the Home with friends. We are always glad to see them.

Mr. and Mrs. B.A. Hyatt attended their sons wedding in Lubbock Saturday.

Mrs. Eula Orr of Kelton visited with friends Saturday morning.

Mr. and Mrs. Edd Gossett of Pampa visited his mother Mrs. Coy Gossett.

Ruth Miles took her mother, Alene Holt to the eye doctor in Shamrock.

Florence George visited with Ida Farmer Saturday.

Catherine Holt of Archer City visited Saturday with Alene Holt.

Mr. and Mrs. James Thompson of Andrews visited Saturday with his grandad Oscar Pittman.

Margaret Weatherly of Denver, Colorado visited with Reenee Weatherly.

Wayne Hopkins of Pampa visited his mother Vera Hopkins.

Jannie Bliss and Georgia Nell Wells of Shamrock visited friends in the Care Center Saturday.

Mr. and Mrs. Will Burke visited Saturday in the Home.

We hate to see Mr. Wells leave us. He has gone to his home in Ft. Worth. His daughter, Mrs. Johnson and husband of Lela came for him Sunday. We will miss Mr. Wells.

Mary Bledsoe had a host of friends from Shamrock Sunday afternoon. They were: Cora Brown, Virginia Brown, Lena Burton, Mr. and Mrs. Jerry Burton and Louie De Vanny.

Shorty Sechrist came by the Home Sunday afternoon to visit friends.

Mr. and Mrs. Ken (Junior) Ahler of Amarillo visited his Aunt Hattie Lee.

Beth Porter of Shamrock visited with her husband, John Porter.

Vivian Mitchell of Shamrock came by Sunday for a visit with friends.

Mr. and Mrs. Tommy Hyatt of Borger visited with his mother, Nora Hyatt.

Jack Morgan of Briscoe visited with his father, Mr. Morgan who is a resident in the Care Center.

We are glad to have Hester Dodson back with us. He has spent a few days in Shamrock.

We hope Willie May will soon be out of the hospital.

Mr. and Mrs. Nile Patterson of Claude visited his mother, Nora Patterson.

Mary Clay of Pampa visited her sister, Pauline Reeves.

Maggie Winburn of Pampa visited Sunday morning with Vera Hopkins.

THE SEA OR OCEAN BY IDA FARMER

The Ocean is big and Brave
Do you see her wave?
She is very Blue,
But always True.

She wears pretty white Caps,
She likes to come in Laps.
But when she gets Mad,
She is very Bad.

She tosses my Boat,
Also can make it Float.
Some call her the Sea,
But an Ocean she had rather Be.

Briscoe News
 By Vetola Parker
 Thursday 27, June 3:30 p.m. just arrived home from Coal Creek Canyon, Colo. We left Saturday morning. Tuesday Tolene took us up 9400 feet to see the house they had

just finished, well it was a big nice pretty house. Next morning the old boy called Tolene said there was 1 inch of snow on ground up there—Tolene and George are 8400 plus feet up. George had to build a big fire in his wood stove Tuesday nite. Colie and most of the bunch were freezing, with their jackets on. Colie threw a heavy jacket in car as we were leaving home, I would of threw it out in the yard as we were backing out, but was afraid the dog would tear it

up—it was so hot here. He was the only smart one. We went to Central City, Tuesday, everyone had a sweater or short coat on (but me), and I did not need the big fire Tuesday night—Ha. We missed the road coming back east of Denver went 40 miles into Kansas, up on north side before we noticed. We had been coming down to Limon then turned east to Garden City to come by Weldons at Perryton. Got there Wednesday nite. This was the farthest north I had ever gone, sign said 40 miles to Nebraska—a long long old ride 550 miles up there I think. It rained everyday and to be 8400 feet up, when it thundred you felt like it was right there on top of your head. You could look at a mountain for a short time, a cloud would come between you and the mountain, then the mountain would disappear for a few minutes. We went north of Dumas we never had gone that way before. Someone said Raton was bumper with cars—so we tried this other way. Going we ran into rain and hail, pretty big, but it was soft what saved the day. I think I like the level land, not so many big hills.

from a Colo. trip they are visiting George and Avis Parker to nite Thurs. nite. Ralph and Juanita are at George and Avis's tonite, they leave for Gallop, New Mexico in morning to visit their children
 Mable said they had got 1 inch of rain this week.
 Others at Tolene were Deanna and Tony Ashley, Debby Clark and Annette.

W.O.W. Just read where our news has to be in the office by noon Monday.

Read Ab's story, if he can get that fertilizer covered up or turned under—all stink will go. My sister Hoyle use to be a skunk hater, she got her gun follow them, killed lots, they would turn on her chase her, but she always managed to get that stink on her clothes. She just dig her a trench bury her clothes a couple of days, then was all smell gone. Now Mable Parker has a good green thumb, she digs a hole puts her plants in, lays a cow chip on each side of her plant puts some straw or cotton burrs, over all, then lay plastic, or news paper or

magazines over all this, cover with dirt water all good, the watering really lasted.

Now she has a underground watering system. Would sure liked to had a load of fertilizer put on my garden—Colie said he was not about to buy any with a barn yard full. But now getting it on my garden since I hurt my knee.

Last Sunday was Jane Ann Hall birthday, they celebrated with ice cream and cake at Elberts and Ruby. All were there Ruby said. Ruby remembered, Tolene had to bake her own cake.

Last Sunday Ruby, Jane Ann, Kent, Krista (probably I am leaving out some) wenet to Canadian, Abraham Nursing home to see Ruby's sister Ardell George, Ruby said she was doing better.

Thursday night Bill and Doraene Owen visited them.

Beulah Stuart visited Addie Swift and the Fat Childresses, Monday.

Wanda visited Roy and Willene and checked on Buddy.
 Mike and Melody Goad and children went to Reno, Nevada last week to a Bob First invitational team roping, Mike and Royce won 1st in the 3rd go around. They spent one night in Las Vegas.

Thursday night Melody and Mike gave JaNae her 4th birthday party. She got a swing set, black Cabbage Patch doll, her party was carried out as Rainbow Brite party. Brenda Hefley made her a Rainbow Brite cake, had ice cream. Ones there were Dub and Ida Mae Goad, Kim and Fred Goad, Mika and Bret, Ardie Martin, Rozena Zybach, Mac and Gaye Purcell, Lori, April and Josh, Jim

Gonding, Royce and Deedy Zybach, Julia Clarence an Irene.

No I am not sick, I can't get sick—Colie and the kids will take me to the hospital. I don't like to stay in hospitals. I like to eat other peoples cooking, but I don't like the beds, and the I.V.s, drawing out of blood, ex-rays, but sometime you got to have it to live.

Bob Markham was in hospital four weeks this time W.O.W. what a stay—glad he is at home again.

Sunday Dan and Lou Trimble and children went to her folks B. F. and Margie Meadows, others there were E.J. and Joy Meadows and Misty, Richard and Bonnie Meadows and children, Leonard and Susie Fulks and Nelda Brooks, now there are some faces I would love to see.

Eunice Edwards was cooking up a storm, she was looking for her daughter Marie and Hank Brown and twin grandsons from Ft. Worth this afternoon.

Last weekend Essie Finsterwald and boys had Mona and Don Reynolds for weekend. They canned Mona some beans, on Sunday others there were Marie and David Wright.

Recently Essie had Ken and Melody Reed and Mark and Kathleen Frankenbery came home with them from church.

Colie and I visited the J.O. Heltons Friday evening. Others there were 3 grandkids, Darren Brown, Jeffery and Christopher Helton.

Our visitors over weekend were Weldon he came Friday evening, Garry, Scotty and Billy came Saturday morning, Shane, Tish, James, Joe Stuart, and Sheridan came Saturday nite, Leroy and Janice and Angie came Sunday night to help Colie get his wheat cut. They got the wheat cut and part of the feed plowed now we can breathe deeper, now kids and grandkids can sure give you a lift.

Well don't feel any older like they think I should, we have another great grand boy. Lee and Tammie Parker are proud parents of a big boy 8 pounds, 4 ounces, born at Wheeler hospital Friday night just after mid-night. Named Gavin Lee. The grandparents are Leroy and Janice and Melinda Parker, Bobby Hall, Irene and Buster Keys.

At 7 Monday morning cloudy and cool, birds are singing and the roasters are crowing. Just to set and think—looks like the world could be going smoother and happy—not so much killing, wars, confusion, divorces, child abuse, etc going on.

Susie Parker is staying with her dad and Janice planing on going to college in fall. Leroy, Janice and Angie are on their way to see Janice folks in South Carolina, some 1200 miles plus east.

Well I am making up some space

Hoyle Helton came home from Wheeler hospital Wednesday.

Bob Markham came home from hospital Monday, was feeling pretty good. Marylu said Ralph and Juanita Markham are here visiting relatives.

Marylu folks the Kinseys are having their family reunion in Allison at Lester and Clydene Hall's home. Jr Kinseys are already here.

Only way I got Colie to go to Colo.—it came a little sprinkle Friday night he could not combine—I called down Tuesday morning—Hoyle said we had more showers. So when we got home ground was little wet, things had grew little especially the weeds.

Bud Waters came home Tuesday, is doing fairly well. Has to have help getting up and down etc. We are glad he is doing as well as he can.

Marylu said they were looking for around 30 of her people to come.

Roy and Willene Waters came home Wednesday. Willene said and I We had to come home to rest up.

Michael and Kathy Clark and children left for Calif. on a vacation trip Sunday night.

Rusty and Belinda Cole and 2 children of Longmont Colo., 12 miles north of Bolder, came to visit and help Doc Wilhelm in wheat harvest and roof his house, etc.

Talked to Mable Parker Thurs., she and Mary Ann her daughter have been canning beans. They dug their potatoes today. They all went to Spring Creek Lake north of Reydon Sunday. Others there were C.P. and Linda Bates, Larry Dale and Judy Parker.

Eddie Bates is working at the Allison elevator.

Christi Ann Erick come from Canyon Country, Calif., to visit her grandmother Mable Parker, she is Mary Ann's daughter.

Rex and Virginia Miller are home

Amarillo Tri State Fair Featuring Ray Charles

On Tuesday night, September 17, the Amarillo Tri State Fair will present the Ray Charles Show in the fair coliseum. Appearing with Ray Charles for his one-show performance at 8:00 p.m. will be The Rayettes and the Ray Charles Orchestra. This will be the first performance of Ray Charles in Amarillo since 1972. Fair officials believe that Ray Charles will bring a different type of entertainment to the fair - one that crosses the country music sound and will appeal to all ethnic and age groups. There is an aspect of the impossible in trying to capture a portrait of Ray Charles in words, sentences, paragraphs, even as no one to date has captured "soul". But there remains the fact that Charles, the genius, is a man who is a legend. And the legend, in many respects, has over-powered the image of the man. "I don't even remember when there wasn't a Ray Charles", remarks a young black actor. In September, 1985, Ray Charles will celebrate his 55th birthday and his 40th year as a professional musician. Like OL' Man River, he just keeps on rolling along. He was honored in 1983 by the NAACP's Image Awards as recipient of its "Hall of Fame Award". Also in 1983, he was nominated for a Grammy for his single "Born to Love Me", his first nomination ever in the "Best Country Vocal Male" category. To date, he has a total of 10 Grammy Awards. Tickets for the Ray Charles Show are \$10.00 each and may be purchased by mail beginning July 15. Tickets go on sale across the counter at Western Plaza Mall in Amarillo on August 26th. Send mail orders to Tri State Fair, P.O. Box 31087, Amarillo, Texas 79120.

Please add \$1.00 for postage and handling.

LEGAL NOTICE

Greenbelt Electric Cooperative and Southwestern Public Service Company hereby give notice that they have applied to the Public Utility Commission of Texas (P.U.C.) to amend their certificates of convenience and necessity to include the following area within their certificated service areas: A parcel of land situated in Northeastern Wheeler County, Texas, West of the Roger Mills County, Oklahoma and Wheeler County, Texas State Line; with the South boundary approximately 4 miles West of the Texas Oklahoma State Line, the Northern boundary approximately 6 miles North of Texas Highway 152 and the East boundary the Texas Oklahoma State Line. Persons who wish to intervene in the proceedings or comment upon the action sought, should contact the P.U.C. at 7800 Shoal Creek Boulevard Suite 400N, Austin, TX 78757, or call the P.U.C. Consumer Affairs Division at (512) 459-0223, or (512) 458-0227, or (512) 458-0221 for tele typewriter for the deaf, within 15 days of this notice. Additional information can be had by contacting the P.U.C., Greenbelt Electric Cooperative, P. O. Box 948, Wellington, TX 79095, or Southwestern Public Service Company, P.O. Box 1261, Amarillo, TX 79170.

NOTICE BUDGET HEARING

The Wheeler County Commissioners Court will hold a Budget Hearing for the 1985-86 fiscal year in the Commissioners Courtroom, Wheeler, Texas, at 1:00 p.m., Monday, July 8, 1985.

A summary of the proposed General Budget Funds will be available to the public for inspection and any written and/or oral comment.

ARB To Begin Hearing Appeals Of Real Estate And Personal Use Properties On July 25, 1985

Taxpayers in the Wheeler County Appraisal District will have an opportunity to protest values proposed for their property for local taxes. Protest hearings by the Appraisal Review Board (ARB) begin on July 25, 1985.

and she/he should be well prepared before hand. The ARB allows fifteen (15) minutes for each protester to present his/her case.

protest and indicates dissatisfaction with some determination of the appraisal office on Local Real Estate and Personal Use Property."

The protest areas are:

The ARB will schedule a hearing after the property owner files the protest notice and will inform him of the time, date, and place.

The taxpayer is then entitled to appear in person to offer evidence or argument, but he may also offer the evidence or argument by affidavit without appearing personally.

When the ARB concludes its hearings and approves a final roll of local Real Estate and Personal Use Property appraisals, and the Oil, Gas, Mineral, Utilities has previously been approved, local governments will levy their taxes against values from those two certified rolls.

*unequal appraisal of the taxpayer's property in comparison to the weighted average level of appraisals of other property in the district;

After the ARB makes its decision on the protest, both the property owner and the chief appraiser will be notified of the result by certified mail.

Marilyn Copeland, R.P.A. Chief Appraiser for the District, said that a taxpayer who wants to lodge a protest of a proposed value must file a written "notice of protest" with the ARB.

*inclusion of the property on the appraisal records;

Copeland said that protest hearings will be held for one day, and the ARB has approved the Mineral & Industrial appraisal records on June 20, 1985. This will be a split ARB with Minerals & Industrial on June 20, 1985 and local Real Estate and Business Personal, Vehicle and etc. will be scheduled on July 25, 1985.

According to Copeland, the ARB is a group of appraisal district residents appointed by the district's directors to see that property values are equal and uniform.

*identification of the taxing unit or units in which the property is located; and

A pamphlet issued by the State Property Tax Board in Austin and available from the appraisal office explains how to prepare and present an appeal. For more information about ARB hearings, or for a copy of the Taxpayer's Rights, Remedies,

Property owners need appear before only the review panel, the chief appraiser noted, instead of one for each taxing unit. "They may protest any of the following specific actions of the appraisal office, any time before the ARB approves the Real Estate and Personal Use Property appraisal records," she said. The burden of proof will be upon the property owner.

*determination that the taxpayer is the owner of the property.

The taxpayer may also protest any other action of the appraisal office that applies to him and adversely affects him on Real Estate or Personal Use Property assessments. However, Copeland said that the ARB HAS NO AUTHORITY OVER TAX RATES OR TAXING UNIT SPENDING AND WILL NOT HEAR ANY PROTEST OF THOSE MATTERS.

Official forms for a protest are available at the appraisal office. "But a letter from the taxpayer is also acceptable as a notice," the chief appraiser said, "as long as it identifies the property owner and the property which is the subject of the

International Students In Need of Sponsors

HOST FAMILIES SOUGHT BY SPONSORING FOUNDATION
 Consider this. Each year hundreds of English-speaking teenagers want to come to the United States, to live with American families, to attend local schools, to immerse themselves in school and community activities, and then return home with an enriched sense of American life to share with their families and friends.

People like Francesco, 17, who plays soccer and wants to study law and become a diplomat. Like Helena, 18, who likes to laugh, make jokes, and sing whenever the spirit moves her. Like Guillermo, 17, who is an avid tennis player, swimmer, and sailor. Like Isabel, 16, a painter and sculptor who makes friends, she says, that will last her lifetime. Like Susumu, 16, who started an English Club at his school after visiting Seattle last summer. Like Ivo, 16, who is fascinated by American history and politics, and who wants to see for himself, adding, "I don't think Dallas and Dynasty give the right impression."

Now consider this. These youngsters, or other well-rounded international teenagers like them, would welcome the opportunity to spend the coming school year living with a family like yours. The American Institute Of Foreign Study Scholarship Foundation of Greenwich, Connecticut and San Francisco, California, is sponsoring Francesco, Helena, Guillermo, Isabel, Susumu, and Ivo, as well as hundreds of other students.

"We encourage American families to participate in this cross-cultural exchange," said Paul A. Cook, Executive Director of the AIFS Scholarship Foundation. "In addition to enjoying the companionship of a student from another country and learning about that student's culture and customs, by becoming Host Families Americans are also awarded up to \$800 in scholarship funds for family members to use for overseas study. A federal income tax deduction may also be allowable by the Internal Revenue Service," Cook added.

The AIFS Foundation works closely with Host Families to find the student whose interests best fit the Americans'. Local support throughout the exchange period assures successful adjustment to American life, solid placement in the local high school, 24-hour emergency back-up, and rich interaction with the community.

For more information about how to become a Host Family, call the American Institute For Foreign Study Scholarship Foundation at 800/243-4567 east of the Mississippi, 800/458-7100 west of the Mississippi, or 800/841-9028 in California.

CANCER COMMENTS Many Cancers Can Be Prevented

Many scientists maintain the majority of cancers could be prevented.

That's the good news. Unfortunately, far too many of us don't assume the personal responsibility of avoiding known or suspected cancer-causing habits and substances, laments Dr. Guy R Newell, director of cancer prevention programs at The University of Texas M.D. Anderson Hospital and Tumor Institute.

"There's not a shred of doubt that smoking certain dietary elements, excessive sunlight and some occupational and environmental agents contribute to the high incidence of many malignancies. And we can all do our fair share to reverse these cancers," he says.

- Dr. Newell's common sense advice for preventing cancer includes:
- * Do not use tobacco, especially cigarettes.
 - * Maintain and ideal body weight, preferably slightly below the standard recommendations.
 - * Eat a diverse diet, with emphasis on reducing fats and increasing fiber-containing foods.
 - * Practice moderation when drinking alcoholic beverages.
 - * Watch closely for changes in moles on the body.
 - * Protect against unnecessary exposure to pesticides, chemicals in the workplace and various X-rays.
 - * Get help, when needed, to cope with stressful situations.

Briscoe From Page 3
 this week with a lot of malarkey, na. Those mountains and evergreens all that certainly is beautiful. But I think I like the level land best, my two sorry knees can't hardly take the level land.

I thought I was going off of my rocker here of late, I could not pin point it, just after I lay down on bed my right ear would start ringing a funny ringing. I thought high blood pressure. I'd ask Colie do you hear it, he said no. Saturday afternoon I was talking to my sister on phone, there it started I had not heard it for a month--that was first time it started me standing up, I thought, no nap for week over done it--was trying to make excuse for it, well Sunday nite, there it started as I lay down, I thought oh no--well Leroy and Janice were in bed in north of us Leroy said mother whats that? I said do you hear it--he got up mashed in a button on my electric clock--it stopped, was I glad, it would last a hour. I mean I was about ready to climb the wall or start pulling my hair. I just knew something was bad wrong inside my head.

10 a.m. Monday morning, I just received word they found Clara Childress dead. We sure hated to hear this. Our sympathy goes out to all of hee children and grandchildren.

NOTICE OF INTENT TO IMPLEMENT RATES
 General Telephone Company of the Southwest in accordance with the Public Utility Regulatory Act and the Rules of the Public Utility Commission of Texas gives notice of its intent to implement new exchange access rates for the provision of shared tenant and tenant resale services.
 These proposed rates are applicable to customers of General Telephone Company of the Southwest, excluding hotel/motel customers, who provide local exchange telephone service of General Telephone Company of the Southwest to their tenants or patrons on a resale or shared use basis. This resale or sharing arrangement is normally provided utilizing a customer-provided PABX or other similar stored control switch capable of common control processing or other features commonly associated with a PABX "Smart" switch.
 These proposed rates are designed to recover costs on a usage basis for local exchange telephone service access and are identical to General Telephone's "Optional Measured Service" rates. The monthly access rate will be \$28.95 per trunk line and the usage rates are as follows:

Over	Up To and Including	Band	Set Up	Full Rate Period Each Minute
0	7 miles	A	\$.025	\$.015
7	14 miles	B	.035	.021
14	21 miles	C	.050	.030
21	28 miles	D	.070	.042
28		E	.090	.054

As this is a new service offering, we are unable to determine the number of customers who may be affected. Currently, there are no known prospective customers. Until any customer utilizes this new offering, there will be no effect on the revenues of the telephone company, and in any event, the telephone company does not expect revenues to be affected by more than 2 1/2 percent. These proposed rates, where applicable, will provide tariffed local exchange access to customers who then will provide shared or resale services to tenants.
 These proposed rates have been suspended by the Public Utility Commission of Texas and will become effective as proposed or modified by order of the Commission on a date to be determined by the commission.
 The proposed rate schedule is on file with the Commission for public inspection and is also available at any business office of General Telephone Company of the Southwest. Persons who wish to intervene or otherwise participate in these proceedings should notify the commission as soon as possible. A request to intervene, participate or for further information should be mailed to the Public Utility Commission of Texas, 7800 Shoal Creek Boulevard, Suite 400N Austin, Texas 78757. Further information may also be obtained by calling the Public Utility Commission Consumers Affairs Division at (512)458-0223 or (512)458-0227, or (512)458-0221 teletypewriter for the deaf

THE IN BASKET
VOLUNTARISM LEADS SENIOR CITIZEN TO WHITE HOUSE

EDITOR'S NOTE: The following article written by Beth Duke, was taken from the April 25, 1985 edition of the Amarillo Globe News). One Amarilloan will celebrate National Volunteer Week at the White House by receiving an award from President Reagan.

E.R. Carver and his wife, Stella, will be among four Texans from the Retired Senior Volunteer Program (RSVP) who will be honored in a Rose Garden ceremony Friday.

When Carver got the presidential invitation, he did what any practical man would do.

"I read it and thought it was interesting but not for me. I pitched it in the waste basket," he said. Charlotte Rhodes, executive director of RSVP, already know about the invitation, however, and was determined to raise the funds to enable Carver to receive his award.

"She told me to get the invitation out of the trash and bring it to her office. Charlotte got to work on getting an airline ticket from American Airlines and RSVP voted to give me some expense money," he said.

Even though Carver retired from teaching in 1966, he has never retired from a busy schedule. He has served on boards for RSVP, the Amarillo Senior Citizens Association, Senior Aides program, Panhandle Regional Planning Commission and the Central Church of Christ.

Chances are if you have ever attended a high school football game in Amarillo, you have seen Carver in action. For 56 years, he has worked as a ticket taker at the stadium.

Retirement didn't come easily for the career school teacher.

"In 1966, they got hold of my birth certificate when I was at my best and said, 'This is it, you have to retire.' I told (Robert) Ashworth that I was doing a better job than I was when I started. For the past 13 years, I had been working with ill and injured students at home on a one-to-one basis.

It's just good household management to periodically take inventory of your valuable papers. It will help you locate the papers when they are needed, direct someone else to them in case of emergency and evaluate your financial affairs on a routine basis.

Prepare an inventory of valuable documents on paper or your home computer. Review it at least once a year and update it whenever important changes occur.

You might also want to prepare an inventory for an older relative, since you could be the person who needs to locate his or her important papers.

An inventory could include the following categories: A family record listing names, birthdates and where the birth is recorded for each family member. The name, address and telephone number of persons who should be notified in case of serious emergency. The names, addresses and telephone numbers of your family advisors. These may include and accountant, banker, broker, financial planner, insurance agent, doctor, clergy, and attorney. The location of your valuable papers including wills and instructions, personal papers and real estate papers. A list of all financial accounts, including the name and address of the firm, the identification or account number and in whose name the account is carried. This may include accounts with banks, savings and loan associations and credit unions. A list of real estate and business interests you own, including mortgages. Basic information for each property would include the kind of property, location, ownership situation, the date acquired and purchase price. A list of your stocks, bonds, securities, mutual funds, property insurance, life insurance, and annuities; accident, disability and hospital insurance; and other personal property you own, such as household furnishings and automobiles. Information concerning social security, retirement, pension and profit sharing plans. Dates of employment and employers are frequently needed for filing applications and settling estates. A list of money owed, and owed to you, size of debt and terms of payment.

Making an inventory of valuable papers is a major task. Once you set up a system, however, updating as changes occur is not formidable.

A variety of forms and computer software programs for financial inventories are available from commercial outlets. Your county Extension home economics agent has detailed papers to get you started on a financial inventory.

Educational programs of the Texas Agricultural Extension Service serve people of all ages regardless of socio-economic level, race, color, sex, religion, or national origin.

Teachers Association, Carver was invited to become a defensive driving instructor.

After his initial training in Dallas, he returned to the Panhandle where he has now completed 16 years of classes for students and other instructors—all on a volunteer basis.

This volunteer work led him to join RSVP where he currently gives his time in the Adopt-a-School program. His duties range from telling children about pioneer days in special story hours and tutoring to helping supplement social activities for the children.

"RSVP adopted Margaret Wills School. I like talking to the children and telling them about coming to Texas in 1910 in a covered wagon. They want to know what it was like with no school cafeterias and drinking fountains at schools. When I tell them we didn't have cars or televisions, they want to know how we had any fun," he said.

Carver claims that his volunteer work developed because he "just likes doing things for other people."

I think the reason might be even simpler: Carver just likes people. Period.

"I get more fun out of working for fun than working for money."

He says two things have given him a long and happy life and adds as an aside. "If you really want to know what a happy birthday is, it's when you are 84."

"The first thing is my sweet wife Stella who has taken good care of me. We celebrate our 60th anniversary Oct. 4 and I tell her she is the best companion a person could have."

"The other thing is I think I'm still worth something to my fellow citizens and the Lord needs some of us to help the downhearted."

conduct the patient interviews. Barbara and Wade West will co-host the Auction. Assisting them will be Bill Sexton, Bob Izzard, Royce Bodiford, Bedford Forrest and Cpl. Dianne Bosch.

By making a purchase, the viewer will enable the National Multiple Sclerosis Society and the Panhandle Chapter to continue its participation in the worldwide battle against MS, the mysteriouscrippler of young adults.

Free Anti-Pollution Booklet Available
 A new, free, eight-page illustrated booklet, entitled, "The Story of Willie Bacteria, or HOW TO TAKE CARE OF YOUR SEPTIC TANK OR CESSPOOL" is now available to owners of Septic Tanks and Cesspools from: Wheeler Lumber Co. Box 146, Wheeler, TX, 79096.

In a light vein, illustrated by cartoons, the booklet explains the workings of the septic tank and cesspool in simplified fashion. It describes the bacterial action of the disposal system and what is necessary for its proper functioning.

Chief attraction in the booklet is a humanized "Willie Bacteria", who is responsible for maintaining the efficiency of the disposal system. When the septic tank or cesspool user ignore the fact that "Willie" is working to keep the disposal system free from disease, and saturates them with an overdose of detergents, acids, lyes, caustics and other irritants, "Willie" is very unhappy, and more often than not, just stops working.

But, there is a bright side to the story too, for "Willie Bacteria" has found a way to educate the septic tank or cesspool user, so that "Willie" can do his job under modern, up-to-date working conditions, and prevent the fuss, mess, inconvenience, and expense of a clogged disposal system. The booklet was produced by the FX Lab Company, Inc., 1275 Bloomfield Ave., Fairfield, New Jersey, 07006.

CARD OF THANKS

TEXAS GARDENER TIPS
 Maintaining an attractive landscape in the summer is a grueling task but can be done, if you're able to water and take good care of your plants and lawn.
 Everyone seems to know watering is of primary importance, but how often and how much you need to water depends on many factors, such as soil type, temperatures and what type of grass and plants you are growing. As a rule of thumb, horticulturists recommend watering every five to six days, and the longer between waterings, the better.
 If you water less frequently, but wet the soil deeply enough each time, you minimize the chances of diseases developing. You should always wet the soil to a depth of 4 to 6 inches. And don't assume that because water quits penetrating the soil and starts running off that the job is done. Sometimes

water will runoff before it's penetrated the soil as deeply as it should. In that case, you should turn off the water, let it soak in and resume watering until the soil is moist 4 to 6 inches below the surface.
 Ideally, you should mow once a week.
 You also can help your lawn endure the long hot summer by getting it off to a good start through proper maintenance. Fertilize at six-week intervals throughout the summer, mow as often as needed and watch for early signs of insect or disease damage.
 Trees and shrubs also should be watered deeply at regular intervals to a depth of 4 to 6 inches. For trees, it's best to place your water hose at the base of the tree and let the water soak in slowly. Wherever possible, mulch around the trees and in flowerbeds to help conserve moisture and keep the ground as cool as possible.

One way to conserve moisture during hot, dry periods is to mulch your lawn, just as you would your vegetable garden. Leave grass clippings scattered over the lawn when you mow—unless you miss mowing and let the grass get too tall. Too many clippings in one spot will block the sun from the grass leaves.

Annual MS BEEFATHON Auction
 The Annual Multiple Sclerosis Beefathon television auction will be aired from noon to 5:30 P.m. July 5th, on channel 10, KFDD. "We've got the Beef" is the theme of this year's event.

Proceeds from the annual auction make up one-third of the Panhandle Chapter of the National Multiple Sclerosis Society's budget. The name BEEFATHON originated from the large number of donations from beef producers throughout the Golden Spread area. Today, fine jewelry, sporting goods, paintings, appliances and trips join the list of auction items in addition to beef.

The merchants of Amarillo and the Texas and Oklahoma Panhandle have donated over 200 items and the beef producers from the golden spread have donated 23 head of beef. Items range from a mink coat to a talking alarm clock, to a Seiko watch that has a tape recorder in it, to a microwave oven, a recliner, fine paintings, a sapphire and diamond ring, an Elvis Presley collector's doll to a Blue Heeler puppy.

Interspersed throughout the auction will be patient interviews and interviews with physicians who deal with the MS patient. Drs who will be interviewed were: Loralu Raburn, Joe Batson, Michael Ryan, Rush Snyder, Jan Werner, Gary Rose and Robert Gerald. Bob (Pappy) Watson will

Ain't It the Truth
 BY AB GUNTER
 Hope that all of you will excuse me for eatin while I am peckin on this newfangled typewriter. Mama made some fried pies out of our apricots that we got for the worms got em. Seems like if it ain't a freeze it will be a drouth er a hail that gets the apricots and this time me and Mama got a few for ourselves. Didn't get a big lot, just a hat full so I didn't tell Bob Hink er any of the other neighbors about the fried pies and wouldn't be tellin you cept I just finished the last one.

You know its been a long time since we visited ain't it. Not long ago I was in Tom Daughtry's office and he made some comment on some durn thing I had said back in 1963 and I told him he couldn't hold me responsible for any ting that long ago but he does. There is a lot of new folks in the community since we been gone but I see we got a lot of the older ones still here. I seen George Warren the other day and he ain't a bit purtier than he was fifty years ago and Bo Burke told me he hoped he lived long enough to have lived in three centuries, he was born, in the 1890's and he ain't got far to go till the twenty first century, and we think we are old. I got one friend in Wheeler that is settin on the hundred mark not long from now and he still smiles like a young feller, Mr. Smith told me he worked on the Courthouse back in the twenties and he still does a lot of work. Maybe I ought to have taken him one of them fried pies er maybe made a lunch of them and even given Levi Reid one of em. I am sure he would have liked one. Maybe next time I will do just that but don't figer on it.

Have you noticed all the wheat harvesting around the country, I hear some of the farmers have made near fifty bushels an acre and lots of the wheat is cuttin thirty bushels, must be the fertilizer they are using nowadays, I can remember when you was lucky to get ten per acre, and the banker got most of that.

See you next time, and don't come lookin for none of Mama's fried pies cause I'm going to keep em hid.

Here & There

BY LAURA GUTHRIE

What about Celebrating the Fourth of July? Do we celebrate just to get off work for a day? Virgil said: "The noblest motive is the public good." Another patriot said: "Those who have not risen to the level of patriotism are not likely to rise to higher levels." Is that the trouble with America? Seems to me our patriotism is lacking. What can we do about it? Something to think about.

I skipped you last week. I apologize, but that doesn't help much. I will try to be more punctual.

Last week Hestell Killingsworth, Irma Kirk, Mildred Porter and Ila C.W.E. From Page 1

for a "going away" party for the Chester Jones family; They have moved to Wichita Falls. Both have teaching jobs; Vivian in Wichita Falls and Chester will drive about 10 miles. Chester had done a good job for us at the "Times", we had lots of fun and he will certainly be missed. In attendance for homemade ice cream and cookies besides the hosts and honorees were the Forresters and the Thomases, the Adamsons stopped by.

And now, for a report of the weekend activities; we had a surprise birthday party for the mother-in-law. In preparation for the surprise, I traveled to Amarillo Friday to pick-up Aunt Kate from Plainview; her presence made it possible for all six of the Seurer children to be together.

All four of the Porter girls and their spouses were in attendance. The grandchildren were not too well represented, but the honoree should get to see most of them and the other three great-grandchildren this weekend. "Mama" getting to see her great-grandchildren means I get to see my grandchildren.

On schedule, also, this weekend is the Hinton High School Reunion; the wife and I will visit the ole alma mater and see how many of the old classmates show-up. Hinton holds their reunions once each five years

Byers attended the Camp Revival which was in progress at the Young Ranch near Canadian. They enjoyed it very much.

Sybil Nelson enjoyed her grandchildren last week, while the parents had business elsewhere.

I have just found out that Audry Pearce has had a tour of Alaska. Audry is quite a traveler, but I am just now finding it out.

Ed and Patricia Forrester visited last weekend with their son Curtis and her parents in Dallas.

Chester Jones, who has been helping at the Wheeler Times for some time, has moved to Wichita Falls where he and his wife will teach school. Chester and his family were given an ice cream party at the Editors home last Thursday night.

Wheeler School Superintendent, Mr. Doyle Wilson is making his residence in the Chester Jones house, east of town.

Jo Denning of Phoenix, Arizona visited with her sister, Mae Nash last week.

WHEELER

Senior Citizens Meet

The Wheeler Senior Citizens met Monday night, July 1st, for a covered dish supper. The group sang 'Happy Birthday' to Ella Clemons and Hestell Killingsworth. Rev. Jerry Parker gave thanks.

The meeting was called to order by the president, Mary Finsterwald, Helen Sabbe read the minutes of the last meeting. There was no old business and the only new business was to get a new band for the sweeper.

Doris Hays baked the birthday cake. The room was decorated with a Fourth of July theme. Rev. Parker had the program. 88 and dominoes were played.

Those present were: Fannie Mae Bradstreet, Grace Burk, Rozena Horn, Iona May, Betty McNeill, Anna Green, Lloyd Davidson, Eli Sabbe, Helen Sabbe, Rev. Jerry Parker, Mary Finsterwald, Lawrence Lancaster, Jewell Holloman, Pet Sims, Laura Clark, Hestell Killingsworth, Ila Byars, Mildred Porter, Opal Davidson, Ella Clemons.

Sweetwater News

Mrs. Joe Flowers

A very happy Fourth of July to all of you. It should be a time of Thanksgiving that we live in such a wonderful country. I wonder sometimes if it wouldn't be even more wonderful if we'd settle down and let the rest of the world solve their own problems. We try to be everything to everyone when we'd probably do well to mind our own business.

It's summertime (I think) and the living sure is delicious. Corn, okra, squash, tomatoes from the garden and Mr. Supermarket has been coming up with some mighty fine melons.

Had a lot of calls from people who

said their tomatoes went to vine. No fruit. Maybe they over fertilized. Ours really loaded—three to five in a cluster. I give them a feeding the first of each month and water about every third day. According to how hard and hot the wind blows.

Folks out this way lost two good friends ever the weekend. Services were Monday for Jenny Hart. We all knew and loved her the many years she ran Harts variety store at Sayre.

Services were Sunday for Dr. Robert Kendall of Erick. The Kendalls had lived there since 1951 and were well beloved by all. Last time we played at the nursing home, he came to see a patient and stayed for awhile. Asked Joe to play Turkey in the Straw.

Guy Geyer, brother of Nora Hardy was drowned recently in a fishing accident, seems like Alabama. He and two more men were in a boat that was swamped in a storm.

Graveside rites were Monday for little Michael Blevins, son of Mr. and Mrs. Owen Blevins. They baby died in an Amarillo hospital. His grandparents Don and Brenda Blevins live at Texola. Burial was at Buffalo Cemetery.

Lauranell Mong and Ethel Cardin visited Dolores McKay at Borger last week. They all went to Amarillo to a reception given by the Home Interiors.

Dwight, Yolanda McArthur and her father Leslie Stewart were involved in an accident two weeks ago coming home from a reunion at Ft. Cobb. Yolanda nearly lost a foot and had some broken vertebra in her back.

She called me yesterday. Said she would be in the Baptist Memorial Hospital at Oklahoma City quite a while, room 683. She has had surgery on her back and foot is doing well. Her father is out of ICU and "bossing everyone around." She wants to thank everyone for their prayers, cards, and letters. So drop her another card.

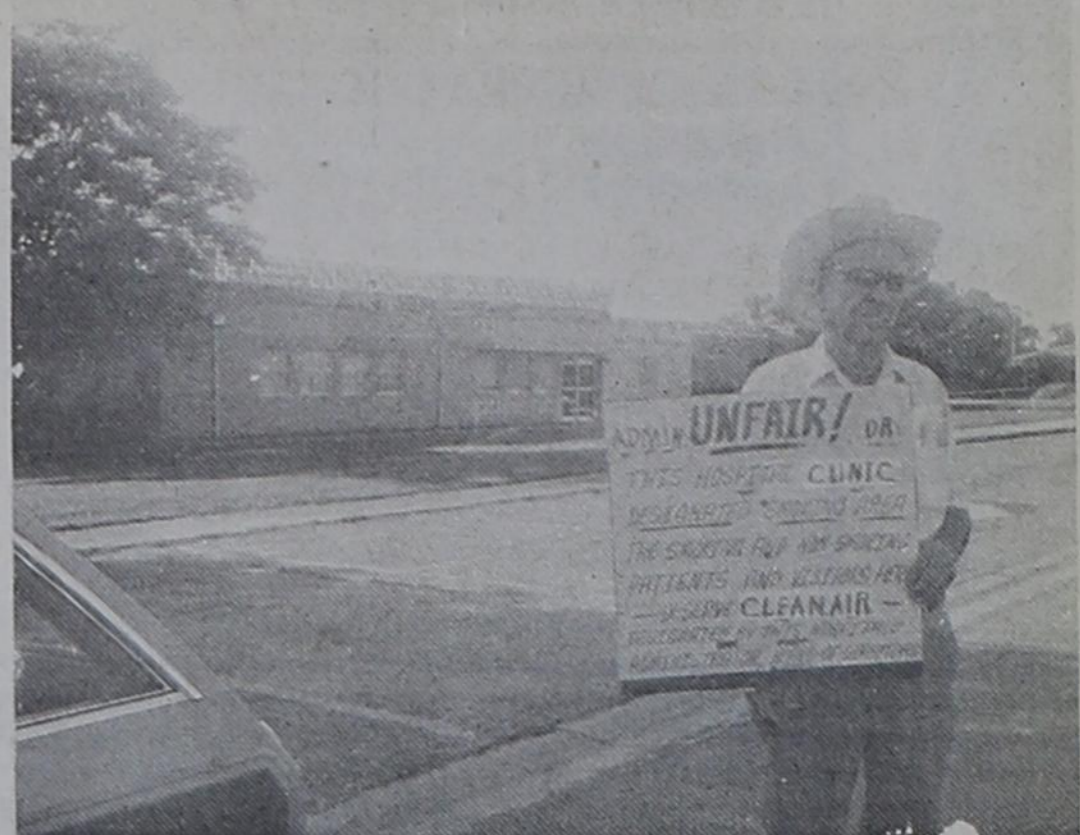

Bertha Coffey visited Lee and Hobart Mayes at Elk Friday.

Melvin McIntyre and Netty Howell are home from the Sayre Hospital. Elec and Beulah Atchley are still there but improving. Emil DeVilblos was admitted Thursday.

Ida Mae Rutherford and Dorothy Varner have been to Odessa where her son-in-law, Hilt Brunner, had five by passes. They and Glen Rutherford attended services at Earth for Glen's sister, Gladys Goodwin.

Jessica Reed, Michelle Thompson, and Mandy Carlson spent last week at the Church Camp at Quartz Mountain Park.

This hot weather sure has shook the Pony Express up. My Minn. penpal said my letter took five days. Took 8

PICKETING: Ernest Lester took his protest against smoking at Parkview Hospital to the scene Tuesday morning, when he began picketing. He has been writing 'Letters to the Editor' and collecting literature in an effort to further limit smoking at Parkview. He has also been unsuccessful in obtaining help from the City Council of Wheeler in the form of an ordinance 'against smoking in public buildings and offices'. Mr. Lester began his campaign after the death

of his wife in 1983; she died of carcinoma of the colon with metastases to the liver and other organs. Mr. Lester can show you literature on passage and enforcement of smoking ordinances in other locations. The sign reads: "Admin. UNFAIR! Dr.: This Hospital Clinic, Designated Smoking Area, The smoking and non-smoking patients and visitors here—deserve CLEAN AIR—designated by this hospital administrator and board of directors."

days for one to get to Wheeler. I could have walked up there and visited in two days.

Dave Maddoux, now deceased, was honored with two plaques in the new hospital wing at Sayre. Seems his folks were instrumental in getting the heart equipment for the hospital.

Betty Blevins tells me she has been helping some in the new Auxiliary gift shop there.

We took Frank and Ruth Hagg down to see Birdie Whipkey. She lives on her parents old homeplace. The Fletcher Apple Orchard used to be there. I can remember daddy setting the tubs in the wagon come fall and we'd go over and buy a supply of apples for the winter. Still a few trees left. I imagine they are at least 70 years old.

The Little Rock folk were so enthralled with our weed bed, a big patch of beautiful Canadian thistles, that they took a bunch of pictures. They found the swallow nest I'd been hunting and spotted the hummingbird.

Visited with Dorothy Jarnagin. her daughter Gayla Morseman has been here visiting and helping during the illness of her grandad Elec.

Sure a lot of RVs, campers and such on the road. Most of them are pushed

by boats or small cars. Some have motorcycles tied on front to pull them along in case the boats don't make it.

Dale and Sue Roberts were recent visitors in the Royce Roberts home. Pauline says Blance and Gertrude are liking Amarillo very well. Blanche is ill with her back but up and at 'em now.

Hortense Madden visited Monday with Mr. and Mrs. Bob Fanning at Sayre.

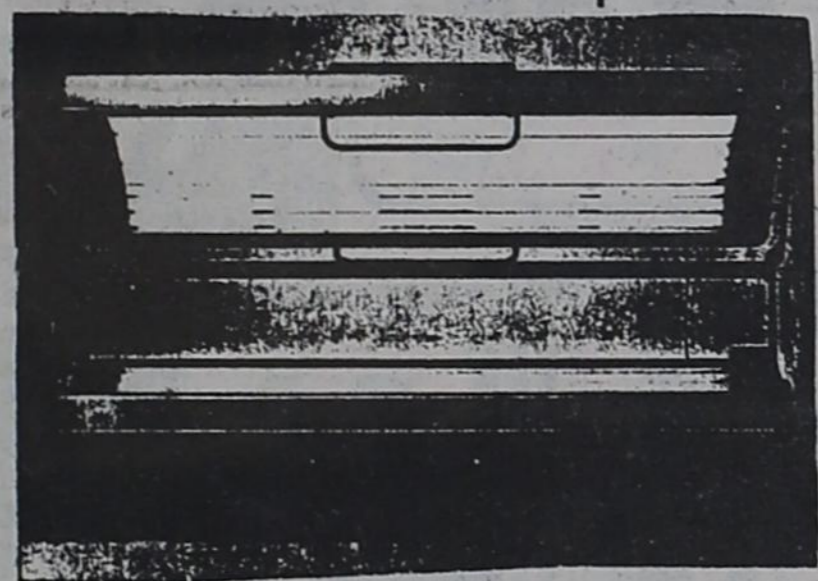

Been a week of leaking at our house. Had to buy a little 5 inch seal for the dishwasher. They sure don't give them away, \$26. Then Joe poured the water in Mr. Coffee and he spit it all in the floor. Had to go out and buy a replacement.

Would have thought that the 21 dead in the fireworks explosion would have put a damper on the spirits but every block had a fireworks stand.

It was nice of the president to forego his monthly vacation and stay home to president during the hostage crisis. Maybe he knows a little of how Mr. Carter felt when he was riding him so hard before. We hope and pray they will all get home safely without the world getting blown up. I always wanted to live to 2000 but it looks sort of doubtful where there will be a year 2000.

Senator Bill Sarpalius Reports

SENATORS' VISIT BENEFICIAL

AUSTIN — Those of us who live on the High Plains have understood for years that our region is special, the equal of any in Texas. It is those who live elsewhere that have had a little trouble understanding its charms.

For years now, we suspected our colleagues in the Senate didn't truly appreciate the Panhandle and South Plains. In fact, we sometimes sensed they didn't consider them quite as "Texan" as other parts of the state.

That can be quite a problem in an area where most cities are closer to four other state capitals than they are to Austin. Sometimes we'd get to feeling that people in Santa Fe, Denver, Oklahoma City and Topeka knew more about Amarillo than did the folks in Austin.

We decided about 18

months ago that the only solution was to bring the senators up to Amarillo and give them a little taste of the good life in the Panhandle. With the help of the Amarillo Chamber of Commerce and Amarillo-area businessmen, we did just that.

About a half-dozen senators accepted our invitation to come to District 31 earlier this month, tour the region, and attend the season premiere of "Texas" in Palo Duro Canyon State Park. Many never had seen the Panhandle before, but we're positive none will soon forget it.

The trip surpassed everyone's wildest expectations. Senators were shown the Amarillo Medical Center, a first-rate medical facility most didn't know existed. They traveled to Boys Ranch and genuinely seemed surprised to discover

such a progressive boys' home so near Amarillo. They toured the Panhandle-Plains Historical Museum in Canyon, acknowledged as a national leader in the restoration of historical artifacts. And, finally, there was "Texas," set against the backdrop of beautiful Palo Duro Canyon. The breathtaking musical served as a truly grand finale.

Our colleagues all left feeling they had been treated to a first-class trip, the equal of any offered by other Texas communities. The real winner, though, was District 31. The people of the district finally had a chance to show off for lawmakers, and they made the best of it.

Several senators now realize what a wonderful health-care and medical research facility exists in Amarillo. They understand how much Boys Ranch has done for the youth of the state. They have a better knowledge of how the Panhandle-Plains Historical Museum works and why it has been trusted to restore so many state artifacts.

And, they certainly know a time capsule was built into the Washington Monument on July 4, 1848, but to date no one has been able to find it.

what a wise investment Palo Duro Canyon State Park has been.

But, what the senators saw was just the tip of the proverbial iceberg. There is so much more to see in District 31, and, after this trip, we think the region is ready to open its door to these lawmakers.

The Amarillo Chamber helped solicit from many generous business people the financing for this first trip, but we sense a growing enthusiasm among other chambers in other areas towns to help with future trips. That enthusiasm may translate into trips covering more of the district and including more lawmakers.

With some earlier planning, the chances are good that in two years we could get both senators and representatives up to the district. And, maybe, we could bring them up while the Legislature is in session.

Other regions have been doing this for years, and it's helped them with the Legislature, especially in the area of funding. We're pleased to see our region following suit. Such action can't help but guarantee District 31 a fair hearing in Austin, something it richly deserves.

If you have any other ideas or suggestions, please write to us at P.O. Box 12068, Austin, Tx. 78711.

Lee Greenwood At Tri State Fair

The 1985 Amarillo Tri State Fair, scheduled for September 16-21, will again offer top-quality musical entertainment each night during the six-day run. Fair officials are happy to announce the appearance of Lee Greenwood at the fair on Monday night, September 16th for one show at 8:00 p.m. Greenwood's phenomenal ascent to genuine star status began in August, 1981 with the release of "It Turns Me Inside Out." His debut single for MCA remained on the Billboard Country music charts for 22 consecutive weeks. Single after single garnered such impressive radio airplay and sales that they leaped to the top of the charts, capturing the attention of fans of many musical tastes. Then the awards went to Lee Greenwood. In just eight months, he was honored as Male Vocalist of the Year by four prestigious organizations during televised ceremonies. In the pursuit of excellence, Lee enlarged his

band to six of the finest musicians in the business. One of his hits of 1984 that captured the hearts of America was "God Bless the U.S.A." His latest is a duet with Barbara Mandrell, "It Should Have Been Love By Now". Greenwood also wrote "God Bless the U.S.A." Tickets for the Lee Greenwood Show are \$10.00 each and will be available by mail beginning July 15th. Tickets will go on sale across the counter at Western Plaza Mall in Amarillo on August 26th. Mail orders should be addressed to Tri State Fair, P.O. Box 31087 Amarillo, TX 79120. Please add \$1.00 for postage and handling.
