STORM REPORT
As Reported by Stormie Meriwether, Kindergarten Student

We put on white dresses like God's. We have a hat like you throw in the air; 'cept Mrs. Ruth-erford said, "Do not throw your hats." We took a picture. Now we are almost going to "graduate".

Sometimes I get in a little trouble. One day I wanted to stay on green, but I got out of my seat too many times. My teacher just pulled my card. Now I'm on purple! then I go to the playground. "All" the kids play with the rocks. I pulled my shirt out on the bottom and filled it full of little tiny rocks. I just wanted to dump the rocks. The rocks fell on the kids heads. I got 'a-lotta' trouble. Four kids are in trouble with the

Firefighters' Recognition And Appreciation Sun.

The Wheeler UMC Administrative Council began discussion several months ago on conducting some special Sundays for recognizing and showing appreciation to various groups who serve our community, i.e.: Firefighters, EMS & Sheriff's Dept employees, Medical workers, school teachers and administrators, etc.

Wheeler UMC will kick this program off with a Special Firefighter Appreciation Sunday on May 3, 2009. All Wheeler County firefighters and families have been invited to join us for a catered Bar-b-que lunch following morning worship in the Wheeler UMC Fellowship Hall.

Compete For \$100 Cash Prize; Come On Out, Spend The Day

The Wheeler Chamber of Commerce will sponsor their annual City-Wide Garage Sale and Car Show on Saturday, May 2, 2009. The garage sales will be located throughout the city limits and the car show will be on the square in the 100 block of Main Street. It is hoped to bring in lots of shoppers from out of town with the men having a car show to go to while the women shop the town's bargains.

The Chamber will again be selling hamburgers. The booth will be on the northwest corner of Main and Oklahoma.

The chamber wants to invite the community as well as all others to come out and enjoy the festivities.

Added this year will be entertainment on the square. Richie Rodriguez will be on hand with music and karaoke. So plan on

being in town for a while and be entertained while you shop, look and eat.

The Wheeler Chamber of Commerce is sponsoring a Wheeler County Idol competition on Saturday, May 2. If you like to sing, here is your opportunity to become the first Wheeler County Idol. The winner will receive a \$100 grand prize.

The competition will be held on the courthouse square from 10:00 a.m. to 2:00 p.m. in connection with Richie Rodriguez's entertainment.

If you would like to enter the Idol contest, registration will be on the day of the event. Just follow the sound of music. Bring your own CD or pick a song from Richie's enormous karaoke library.

The public is invited to come laugh, sing and enjoy the entertainment of Richie Rodriguez.

REGIONAL QUALIFIERS: Wheeler I.S.D. will be represented at the regional track meet on Friday and Saturday, May 1-2, 2009 by eight high school students. Haley Sparks will compete in the 3200m and 800m and Taylor Sparks will run the 1600m. The young men are members of the 800m relay team. Pictured here are (back row, l. to r.) Wheeler Museum Will Be A Great Education Opportunity For Schools

The proposed Wheeler Museum will be a great educational tool for Wheeler County Schools. Field trips offer students an out-of-classroom setting in which they encounter different kinds of historical data—art, artifacts, photographs, documents—that can provoke them to engage in historical thought and practice. These objects are arranged and presented with a seemingly invisible, yet academically informed curatorial hand. A carefully thought-out field trip provides students the chance to further develop the tools of thought and activity that

are essential to helping them make sense of the myriad pieces of historical information that confront them outside the classroom.

There are many methods by which these materials can integrate primary sources into classroom instruction. Document and photograph analysis is an activity that focus students attention on historical topics. Document analysis can lead to brainstorming by students to determine what places, names, concepts and issues are contained in it/ them. Students can visualize another place or time by viewing and analyzing graphic materials. Documents can serve as examples for student-created projects. For example: If an economics assignment is for students to create a poster encouraging young people to save money, a

at the business on South Highway 83 in Wheeler.

Door Prizes will be handed out and at the end of the day Wares will be drawing the name of the winner of a Toshiba Flat Screen 26" TV. Don't forget to register.

Also check out the company's inventory of new vehicles, program vehicles and used automobiles. Zero percent financing over 60 months is now being offered on part of the inventory.

N. D. Ware started Ware Chevrolet in a one-room building next to the old First National Bank building in downtown Wheeler in April 1949. He had previously been a Chevrolet dealer in Fargo, Oklahoma, during the 30s, but when World War II became a reality, he was no longer able to obtain cars and ventured into the farm implement business.

When the opportunity to become a Chevrolet dealer in Wheeler, Texas, became available after the war, N. D. and his wife, Kate, moved to Wheeler and opened Ware Chevrolet. In July 1949, newleyweds, N. D. Ware, Jr., and his bride, Ro-

berta, moved to Wheeler to join the family business.

The following year, the business moved to a larger building directly east of Nicholson Hospital (the current location of the library) and N. D. Ware, Sr.'s daughter and son-in-law, Betty and Bob McNeil, were recruited to help with the family-owned business. Bob remained the head mechanic until he and Betty

ALLISON NEWS

By Juanita Boydston

Wherefore be ye not unwise, but understanding what the will of the Lord is. And be not drunk with wine, wherein is excess; but be filled with the Spirit; Speaking to yourselves in psalms and hymns and spiritual songs, singing and making melody in your heart to the Lord; Giving thanks always for all things unto God and the Father in the name of our Lord Jesus Christ; Submitting yourselves one to another in the fear of God. Ephesians 5:17-21

Great is the Lord, and greatly to be praised in the city of our God, in the mountain of his holiness. Beautiful for situation, the joy of the whole earth, is mount Zion, on the sides of the north, the city of the great King. God is known in her palaces for a refuge. Psalm 48:1-3

The mighty God, even the Lord, hath spoken, and called the earth from the rising of the sun unto the going down thereof. Out of Zion, the perfection of beauty, God hath shined. Our God shall come, and shall not keep silence: a fire shall devour before him, and it shall be very tempestuous round about him. He shall call to the heavens from above, and to the earth, that he may judge his people. Gather my saints together unto me; those that have made a covenant with me by sacrifice. And the heavens shall declare his righteousness for God is judge himself. Selah. Psalm 50:1-6

God is our refuge and strength, a very present help in trouble. Psalm 46:1

The weather here in Allison on this Tuesday morning is cloudy overcast and foggy. Allison is to receive more rain and storms this evening. So this reporter is already praying about the size of the hail and please no tornadoes Lord!! The Lord takes care of us tho and I'm so very thankful. Allison received officially two and half inches of rain. Praise the Lord for the rain, but also the ground was covered with hail at least twice and Allison received three different hail storms, but praise the Lord he brought us thru it and not much damage was done. We are so thankful that the tornado's above us went on over and we were spared. Praise be to God!!

Peggy Chandler's birthday was Saturday and those helping her celebrate were: Cindy and Tony Burrus and grandchildren, Allissa and Jagger of Canyon, Texas, Sue Chandler of Wheeler, Texas, Bridget and Shea Weatherly and children, Hagen and Audra of Wheeler, Texas. Peggy reported a wonderful birthday and lots of good visiting and after the party Cindy, Tony and Shea helped to plant flowers and tomato and pepper plants for Peggy. They did a great job and Peggy sure did appreciate it.

Pete Gilmer visited his sister, Peggy Chandler on Monday.

On Sunday night, Mike and LaQuinta Hulse from Sarharita, Arizona came to Louise Boydston's home, then on Monday evening, she had guest for supper, those present were: Josh, Heather and Paisley Archer, Bennie and Debbie Boydston, Opal and Juanita Boydston, Juanita made chocolate pies and homemade vanilla ice cream, Cheryl Dupont and Makenna of Amarillo, Texas were also there. Later on, Sue Martin of Leedeey, Oklahoma and Shirley Chadwick of Jones, Oklahoma came to visit.

Wednesday, Juanita Boydston and Peggy Chandler went to Cheyenne, Oklahoma for Peggy to get her hair fixed and they did some shopping and enjoyed a meal at Zoe's.

Wednesday night, Opal and Juanita Boydston enjoyed a game of Spinners in the home of Louise Boydston.

Thursday, Juanita Boydston drove for Peggy Chandler to take her to Amarillo, Texas where she had a couple of doctors appointments and Opal rode along with them and she enjoyed a really nice visit with Warren and Charline Brown while Peggy and Juanita were at the doctors appointments. Peggy and Juanita enjoyed a meal at Chicken Express between doctors visits. Then they enjoyed shopping at Coulter Gardens afterwards. So many beautiful flowers and garden items, it was hard to decide which you could afford and you wanted one of each, but knew that your pocket book couldn't afford them. Just a really nice place to shop for sure. On the way home, Peggy, Juanita and Opal stopped in Panhandle and shopped at the Family Dollar and then enjoyed a meal at the Dairy Queen and also enjoyed visiting. Then onward to Pampa, Texas, where Juanita went into Wal-Mart's and did some shopping as Peggy was to tired and Opal didn't cherish the walk around in Wal-Mart. They arrived home around nine p.m. that evening. Had a good time but was all three tired.

Friday, Juanita Boydston became the official weather reporter for Allison for the measurement on rain, hail and snow. And did she ever receive a good start with all that rain and hail Allison received.

Friday, Opal and Juanita Boydston enjoyed a game of Spinners in the home of Louise Boydston and Opal won this time

around.

Saturday, it was very stormy in Allison and all around the eastern panhandle and in Oklahoma as well. A Severe storm warning was in Wheeler, County and so that put us in the cellar for while, but thank God it went seven miles west of us and then northeast. We are truly blessed.

Sunday, Allison was under a tornado watch and that put us back into the cellar again. That is when we had hail nickle, dime and quarter and some golf ball size. And the hail covered the ground. Not a good sound in the cellar and scary when upside. Just a scary time for this reporter for sure.

I want to make a correction: Julie's friend last week at her house was Jeri not Sherry and I left out that Amie Purcell was there, that is Gary and Julie's daughter, how could I leave her out. Please forgive me!! Its so hard to try to name all those there when you don't write them down, but I was busy cooking that night,

I made several pies so guess that is my excuse this time. Sorry about that folks! No one is perfect and if you think you can do a better job at this, I'm willing to let you try. Thanks!!

Was saddened to hear about Larry Brown's friend, Rainy getting hurt and having to have stitches in her head after a board and table leg came up and hit her really hard on the back of the head knocking her out and sending her to the hospital in Oklahoma City, Oklahoma for awhile. Praise be to God she is able to go back to her home in Kileen, Texas but we wish her a speedy recovery.

Roma and Billy June Brown are in Pampa, Texas today where she is taking therapy after her strokes. We are praying for you Aunt Billy!!

May God Bless and Keep ya'll till next time!!

Garage Sale To Benefit Fire Victims

A garage sale in the south end of the Wheeler County Show Barn will benefit Wheeler county fire victims.

Items for sale are those donated. Local victims have selected what they want of these things. If you have items you would like to donate to the sale, contact Wheeler Vet Clinic at 826-5821.

The items will be priced; you pay what it is worth to you.

Sale begins at 7:30 and continue until everything is gone or day ends. Items not sold will be donated to Salvation Army.

Zach Andis will conduct the sale as one of his projects needed for his Eagle Scout Badge.

"Happy Anniversary" to Billy and Cendie Newman and Bob and Mary Cornell, April 26; Billy and Kathy Janes, April 27; and John and Frances Collins, May 1.

"Thank you, Lord, for saving my soul; thank you, Lord, for making me whole."

Sorry to hear that Earl Corse had a heart attack and is in B.S.A. Amarillo. Remember Earl and his wife, Carolyn, in your prayers. (Heard later that Earl is home and doing better.) Praise the Lord!

Sincere sympathy to family and friends of Thurman Calcote, 73, of Kelton in his death. Funeral was Friday, April 24, at Wheeler Baptist Church with burial at Kelton. God bless you all. Survivors include sisters, Odessa Mooney and husband Elwood and Oleta Ellis and Paul and Butch.

Sincere sympathy to family and friends of Clinton Stribling, 88, of Mobeetie in his death. Funeral was 10:30 a.m., Saturday, at Mobeetie Methodist Church with burial at Mobeetie Cemetery. Wife surviving is Maurita Stribling. Sweet people.

"That they all may know from the rising of the sun, to its setting, that there is no one but me. I am the Lord and there is no other. I form light, and create darkness: I make success and create disaster: I the Lord do all these things" (Isaiah 45:6-7).

Correction: Tamera Hartline goes to college at WTAM and is an assistant professor. Sorry I had her in the wrong school. God bless you, Tamera. WT is special. Tamera graduated with a Bachelor's degree and is working on her Master's at W.T.A.M. Her fiancée is working on his doctorate. Best wishes...to you two special people!

Preparing and serving the good Wednesday night supper at Wheeler Baptist Church were Kent and Angie Ware and Bob and Evangeline Wills. Many others brought good desserts. Thank you! Then, Wesley Steen led singing for church service. Bro. Larry Mitchell had a good message from the Bible and there were prayers for ill and bereaved. Visitors welcome.

"If you see someone without a smile, give them one of yours."

I turned 87 years Saturday, April 25 (and here I am...still a kid. Ha) But, I'm so thankful for my family and other relatives and friends and God's care and so many other blessings including my church family and sweet people who are kind and helpful. Thank you, everyone! I love you! Many thanks to those who sent sweet cards. I love you!

Sincere sympathy to Carl Simpson, who grew up in the Briscoe area, and other family and friends in the death of his son, David Carl Simpson, 54, of Amarillo. David's mom was Audean Simpson and grandparents included Mr. and Mrs. Elmer Simpson who were our near neighbors; sweet people who attended Gageby Church when we did, but all deceased.

Enjoying quilting and visiting at Totty School Thursday were Audrey Seitz, Jamie Johnston and Riggins, Zelda McClellan, Jimmae Hines, Betty Haines, Sydney Lynch, Augusta Brown and visitor, Mendy Reeves. Mendy is not able to quilt, but enjoys the fellowship.

"It is easy enough to be pleasant when life goes by like a song, but the one worthwhile is the one who can smile when everything is going dead wrong."

Many, many thanks to all who sent the sweet birthday cards for my 87th birthday. You made my day! Still can hardly believe I am 87, but so thankful for all the good years and family and friends. God bless you, everyone!

Peggy Chandler's family celebrated Peggy's 75th birthday with a good lunch at Peggy's home in Allison Saturday. Some there

were Peggy, Sue Chandler, Bridget and Shea Weatherly and Audra and Hagen and Cindy and Tony Burrus and grandsons, Scout and Jaggur, from Canyon.

Nice to have Rita Pearson and Lindsey Criswell and Blain and Dagen take me to supper at Maxey's Saturday night for good food and a good visit. Thank you! Best wishes to Trenton Gaines and Kimberly Johnson who were married at Wheeler Baptist Church Saturday, April 25, and will be making their home in Wheeler. Kimberly is from Fritch and is a dispatcher for the sheriff's department. Trenton works for Wheeler County helping with roads, etc. He is the son of Phillip and Carrie Gaines. May God bless and guide and help you, Trenton and Kimberly, to live happily ever after.

Ray and Glenda Hudson went to Choctaw, Oklahoma, to take their alpacas to be sheared getting ready for summer. Their wool is prized for making things. They also attended an oil and gas show and stayed with old acquaintances Monday and Tuesday at Hugoton, Kansas, Dean and Twylaha Simmons. Glenda also went to Perryton to see granddaughter, Ashley Jones, play softball. Ray and Jamie and Leonard Powell helped move furniture out of (and back into) Glenda's office at 415 Main in Canadian so new carpet could be put down. It's across from the courthouse. Friday, Powells helped rebuild fence at Briscoe for Ray.

Those who attended Tatum Meadows' birthday party April 26 at the home of Mark and Mandy Meadows were greeted upon arrival by the 'birthday girl', (Tatum), 9 years old. She is quite a young lady. She appears to have grown 2 inches in the last week. She was proud of her gifts and had a beautiful cake with ice cream. Sam and Barb Meadows were there, as well as Mike, Rolanda and Seth Meadows, Ty, Christie, Sydney, Quinton, Colton and Landon Ferguson, Landy and Barrett Meadows and Gene and Vicki Ferguson. A large rain and hail-storm came just as the party was going and part of the guests left during the storm. Congratulations to Tatum Meadows, 9 years old. Good party!

Gene and Vicki Ferguson had a wonderful time at the Shelton Ranch at Mobeetie, Texas, beginning Thursday night with a meal and wonderful fellowship at the Chuck Wagon with Joe Shelton, Kevin Romines and Gerald Roscoe. Friday night, they had a meal at the Wagon and slept out under the stars. What a wonderful sight to watch the magnificence of the sky when God turns on the lights! There were the stars of the Big Dipper and others and there were more and more as the darkness became light. The planes, the satellite and falling stars across the sky were quite a show.

All the above happened after a gorgeous sunset. At 4 a.m., was breakfast on the Wagon. At sunrise (the most awesome sight) was the most glorious large sun of many colors. They witnessed the earth wake up and bless the wonders of God's making. They rode and gathered cattle, branded calves and sprayed and treated the cows. They saw children learning the "cowboy way" in God's cathedral. All or some of Joe and Nancy's grandchildren and great-grandchildren were there flanking calves. After completing the branding, they had an awesome meal at the Chuck Wagon. Some rested and the Ferguson's headed home after a glorious day or two declaring it a "Blessed Weekend."

Ray and Glenda Hudson and Winnie Gilmer ate lunch at Mobeetie Elementary Sunday. It was a fundraiser to help kids go to church camp. They also went to the Oasis Café for the flea market. Many things for sale. Trade Days, and many to visit with. They also went on to Borger to the First Baptist Church to the replica of the Tabernacle as told in the Bible. The saw LaJo Crownover and Terrie there.

Ordained as deacons at the Eleventh Street Baptist Church in Shamrock Sunday were Shane Everett, Robert Huntley, Marty Malone, Kenneth Stokes, Rick Walden and Mike Wood. Martha Meek went to be there for her grandson, Shane Everett's, ordination. Many others also attended. Remember to pray for each other.

"Godliness with contentment is great gain. For we brought nothing into

this world, and it is certain we can carry nothing out. And having food and raiment let us be therewith content" (I Timothy 6:6-8).

Nice to visit by telephone with dear friend, Barbara Austin, who lived in Kelton area some years. She now lives in Utopia with daughter, Ann and Chuck Jones. They still read my column and know many people mentioned. Because of arthritis, Barbara uses a walker, but enjoys the back porch and the puppies, birds, etc. They all seem to be doing pretty well. For serious doctor visits, they go to San Antonio. Barbara enjoys getting to see the grandkids and great-grandkids some. Think grandson, Will, is building fences some. I wish I had gotten more information on the Jones kids who used to live here when Ann and Chuck taught at Briscoe...all special people and dear friends. God bless you, everyone!

Four of sister-in-law, Cornelia's, kids (Tim, Tom, Carol and Karen) from Minnesota called to wish me Happy Birthday. Thank you!

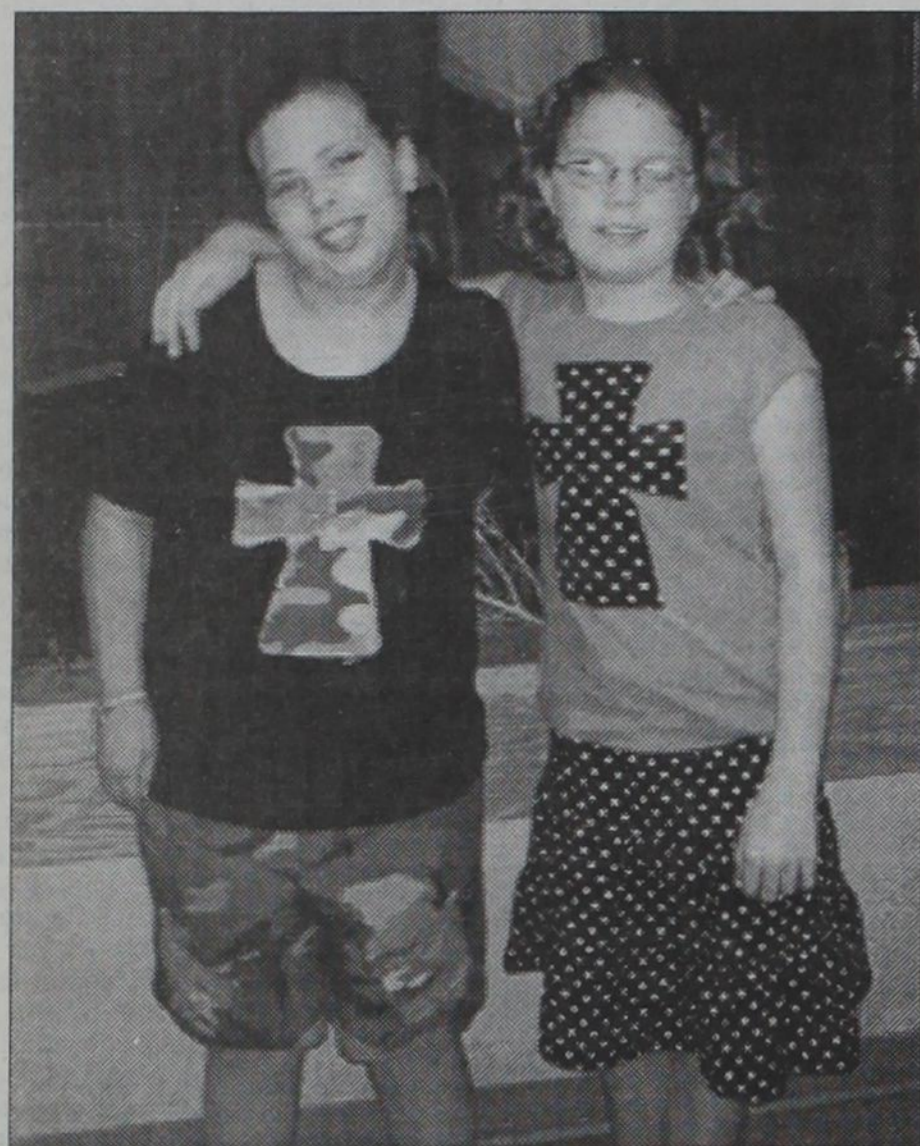

"God be with you till we meet again."

DISTRICT 1 FASHION SHOW: On April 18th 4-H youth competed in the District 1 Fashion Show held at Bushland high School. Wheeler County had two participants Julie Keelin, daughter of Tracy and Glenn Keelin and Rozenna Helton, daughter of Becky and Clem Helton both attend Fort Elliott Elementary. Julie Keelin participated in the Junior Casual Construction division and placed 5th in her division. She made a black and white polka dot three tier skirt. She wore a hot pink shirt with a cross made from the fabric of her skirt appliqued on the front. Rozenna Helton participated in the Junior Recycled/Embroidered division and placed 5th in her division. She made a pair of camouflaged shorts from recycled fabric and pattern. She added pockets from an old pair of pants. She use material from the pants to add a cross pattern to her shirt. She added bling by using iron-on rhinestones. The girls answered questions from two judges about how they made their garments, how to wash it, and other clothing project questions. We are very proud of these girls! They did a great job! Congratulations!!

Eleventh Annual Ja'Nae Goad Golf Tourney Results Released

The 11th Annual Ja'Nae Goad Memorial Golf Tournament was held April 17 & 18 at the Shamrock Country Club. Nineteen high school students played on Friday afternoon. The young folks had to seek cover twice from heavy rain and hail, but did get to finish

nine holes. This was the first year we have asked the students to play on Friday afternoon and all who participated seemed to enjoy the change.

On Saturday the temperatures were a little cool for the first few holes in the morning and the last

few holes in the evening, but all in all a pretty day. There were a total of 162 golfers which included the Friday afternoon group, the Saturday morning group and the Saturday afternoon group. The golfers, volunteers and donors again made this annual event a total success. Besides cash donations we received donations of door prizes for the golfers, all items for breakfast and lunch, and new flags for the greens.

The raffle items were a particular hit this year. The table made by RL Zybach was won by Debbie Kinnaman, the lamp made by RL Zybach was won by Sue Stiles, the year membership to the Canadian Golf Club was won by Mitchell Ford, the guided hunt donated by Buck dollar and Britt Ranch was won by Maryjane Dirickson, the golf bag donated by Mike Leonard was won by Sue Stiles, the quilt donated by Tina Lee was won by Tracy Burton, the Silpada jewelry gift certificate donated by April Goad was won by Traci Wilson, the necklace made by Dani Myers and donated by Jennings Plumbing and Myers Water Well Service was won by Andrew Hokanson and the watercolor donated by Sibyl Clark was won by Tina Lee.

The tournament committee is excited to be able to financially assist college bound students again this year. In the past 10 years, 61 Wheeler County kids have benefitted from the generosity of those who give so freely to this tournament.

MOBEETIE NEWS

By: Sue Mayfield

We were very lucky to have some very beautiful weather mixed in with the usual spring gales this week.

After church with the warm and wonderful people at the First Baptist Church of Mobeetie and a quick dinner, Mom, Carol Orthman started the last leg of her journey back to Dumas. She made it just fine, but was sure glad to get in out of the wind.

It was so nice Tues. A.M. Leola Stuart was out working in her flower gardens again. She shared so many wonderful flowers with me. I hope that some day they will be as beautiful as hers. It's a good thing I don't try to make my living as a landscaper; I would starve to death. I have a terrible time deciding where to put things and have no originality at all, but sure do enjoy the flowers when they bloom, wherever they are.

Saturday, before Easter, Leola hosted a family get-together so everyone would have a chance to visit with her niece and husband from Wyoming. Ginger and Pat Bauman always have such a short time to visit with everyone, Leola thought dinner and dominoes at her house would be a great solution for all; and it was. Enjoying a fantastic potluck dinner, great visiting and several fun games of dominoes were Ginger and Pat; her dad, Dale Richardson of Elk City, OK.; Iva Richardson; Marsha Richardson; William and Autumn Billingsly and son, Christian, all of Erick, OK.; Matt and Krista Clem and daughter of Custer City, OK.; Jerry, Sheryl and son, Tyler Richardson of Wheeler; Fat and Wanda Childress of Briscoe and Leola. Matt had worked some with Jackie Don May, so he snuck off between games and went to see how the Mays were doing. Jackie Don always has a project going and two or three more waiting for him. Shelton helps as much as he can, whenever he can. He is going to be an accomplished diesel mechanic by the time he gets ready to graduate from high school if he keeps this up.

Wednesday, Leola's sister-in-law, Sheryl, took her to her eye appointment with the specialist in Amarillo. After running more tests, she decided to change eye drops to see if they will be able to tell the difference. So far, the new medicine seems to be doing okay. Hope this is the answer. They had a wonderful day together. Sheryl and Jerry's daughter, Katie, and a friend met them for lunch at Furr's, then they all went to Walmart and did some shopping. It was a fun afternoon. Katie is well, but getting into finals, so won't have much time until school is out.

So sorry to hear that Thurman Calcote, 73, from east of Wheeler near Kelton, passed away on Tuesday. Memorial services were held Fri. afternoon at the First Baptist Church of Wheeler with Cottie Tarbet of Shamrock and Max McClendon of the Church of Christ of Shamrock officiating. Burial was in the Kelton Cemetery. Thurman was born in Kelton, grew up and attended school there, graduating from Kelton High in 1953. He served our country in the US Army and then returned to Kelton where he has been a farmer and rancher. Thurman married Linda Garner in 1964. He was a member of the Shamrock American Legion and served on the Kelton School Board for several years. Thurman was preceded in death by his parents, James and Goldie Vee Calcote; two brothers, J.V. and Bobby; and two sisters, Doretta Moore and Wanda Sailor. Survivors include his wife, Linda, of Kelton; son, Paul of Kelton; two daughters, Tammy Jo Sparks of Walker, LA., and Leslie Shaw of Lubbock, TX.; two sisters, Odessa Mooney of Wheeler and Oleta Ellis of New Braunfels, TX.; a brother, Otis Calcote of McLean and nine grandchildren. He will be greatly missed.

Our little community, along with Wheeler and Roberts Counties, lost a very special man and treasured friend on Wed. Our deepest sympathy to Maurita Stribling and the family and friends of her loving husband, Clinton, 88, upon his death, April 22, 2009, in Amarillo. The family had planned the memorial and celebration of life service for 10:30 A.M., Sat., April 25, 2009, at the First United Methodist Church of Mobeetie with burial following in the Mobeetie Cemetery. Officiating was Dr. Lewis Holland of Miami, interim pastor of the First United Methodist Church of Mobeetie, Rev. Thacker Haynes of the First United Methodist Church of McLean and Rev. Tom Stribling of the First United Methodist Church of Happy. Clinton was born in Gray Co. just south of Miami on his grandparents' home place. He graduated from Miami High School and joined the US Navy during WWII. He was an aviation machinist's mate second class. Upon returning to the Miami area, he engaged in farming and ranching. After a blind date with Maurita Laman that led to many more, they were later married and moved to the Laman farm northwest of Mobeetie to farm the place and continue caring for Maurita's father until his death. They continued to farm and ranch on the land and raised their three sons

PINEWOOD DERBY WINNER: Brock Buckingham, son of Brett and Tara Buckingham, participated in the 2009 boy scout pinewood derby race in Borger. He won 1st place for the fastest car in the tiger division and also 1st place for the fastest car in all divisions.

there. Clinton was preceded in death by his father, David Wesley Stribling, in 1958; his mother, Kathleen Stribling, in 1992 and a son, Wayne Stribling, in 2000. Survivors include his wife of almost 61 years, Maurita; two sons, Rev. Tom "Buddy" Stribling and wife, Debbie (May), of Happy, TX., and Roy Lynn Stribling and wife, Cindy, of Elk City, OK.; a daughter-in-law, Carol Chatham of Pampa, TX.; a sister; 11 grand children and eight great-grand children. Clinton touched many lives in his lifetime and left his family and friends with many precious memories. He will be greatly missed.

Thursday brought more sad news. Our condolences to Lois Reeves in the loss of her domestic partner, Bob Bull. They had lived in Mobeetie for a few years. About 7 years ago, they moved to Arkansas to be with her daughter, Penny, who was having some major health problems. As their health deteriorated, they later moved to Ohio to be near Lois' other daughter, Becky. No services had been scheduled the last time I visited with her son, Ed Reeves. Lois has had to be in a wheelchair the last year or so. The arthritis in her back has really taken its toll. Daughter, Becky, has been such a blessing and has been so good to both Lois and Bob. If you would like to send a card to Lois please send it to: Lois Reeves, c/o Becky Holden, 2791 Myres Rd., Shelby, OH 44875. I'm sure she would enjoy hearing from you. We really missed them when they moved away. They were sweet people and always tried to be good neighbors. Bob always had a project going. Lois served on the city council for a while. Thank you for the information, Ed.

Thursday evening, Jackie and Fred Thrasher welcomed their long-time friends from Ripon, Wisconsin, back to Texas for a short visit. Brian and Carol Wilson had been in Florida for 2 months and then went to AZ to see their daughter and family for a couple of weeks. They found a wonderful camper and resort area at Black Gold Mesa so thoroughly checked it and the surrounding area out. They already have reservations to spend next winter down there. It was a really great place with lots of friendly "snow birds". The girls were very excited, as this will soon become a "tradition". They had so much catching up to do. Brian and Carol's visit came at a good time as Fred was home for a few days after seeing Dr. Hampton and having some tests run, so they all got to visit more. Fred cranked up the BBQ grill and fixed his delicious ribs, chicken and pork chops. What a feast! Brian and Carol have a very nice motor home and a good-sized fenced yard that Brian can get all leveled and set up in less than an hour. The yard is for the three beautiful greyhounds that travel with them. They make sure that they get their walk in every day.

Thursday, Mom, Carol Orthman, got her apartment. She is so excited to be getting a place so she can have her own things about her again. She will be sharing it with my sister, Shannon, but they are looking forward to it. They came from Dumas Sat. morning for Clinton Stribling's funeral. Tom Stribling had been the pastor at Hunt Memorial United Methodist Church for about 4 years while he finished seminary. He also pastored the Middle Well Church. Mr. and Mrs. Harber came from Middle Well Sat. A.M. There were several from the Happy Church as well. There was a big crowd out for Clinton's funeral on Sat. Thank goodness the weather was fairly decent, except for the wind. The church was full and overflowing. Their handsome grandsons and grandsons-in-law were the pallbearers.

It was good to see Kay Batton and get a chance to get caught up with their family news. All these kids and grandkids are just outgrowing us. They have three

grandsons in the Marines and one in the Army Reserves who will be going to Ft. Dix very soon after graduating from college this spring. Then, he will have to go to Iraq sometime in Dec. Please keep all our military and their families in your prayers. So glad that Jim is feeling better. He had the flu, which he ended up sharing with Kay. At least, she didn't have to go to the hospital with hers. They have changed some of his heart medicine and it has made a big difference for him. We are so thankful.

Please keep Toney and Francis Dickey and their family in your prayers. Their son-in-law has some major medical concerns that will require some major decisions soon.

Congratulations, Savannah Estes, on your new job helping Sherry Jones and Debbie McLaughlin in the District Clerk's Office. She loves it. It was nice to see Greg and Diane Estes. They stay so busy with Bailey and Hailey being involved in sports at Fort Elliott and being seniors this year, they don't have time for much else. They don't get to see grandson, Blaze, enough, but get frequent updates from Amber.

I enjoyed getting to visit with Liz Ferguson of New Zealand. He was at Duke University when Buddy Stribling was. They were in a study group together and became fast friends. He is now the pastor at the First United Methodist Church of Anton, TX. The whole Stribling family has just adopted him.

It was nice to see the Jahnal family and Dick and Ruth Irvine back in a midst. They all worked very closely with Clifton and Maurita at the church. It was nice to finally get to meet Suzanne Lohberger. She was such a big help. The ladies of the Methodist Church and the community outdid themselves one more time and had a wonderful meal for the family and friends when they returned to the church. Later Sat. afternoon, Arica Lancaster called to let us know that there were quite a few storm trackers from the weather bureau running up and down the highway with their antennas bending in the wind and other funky things on top of some of the vehicles. They were supposed to have set up a pod north of town. Bob and I rode out that way, but didn't see it. (Continued Page 9)

Note Of Gratitude

The 11th Annual Ja'Nae Goad Memorial Golf Tournament was another huge success. The tournament committee would like to thank all golfers, donors and volunteers for once again humbling us with your generosity. This year we especially would like to thank those who worked so hard to make the greens playable. We are excited that we will be able to offer financial assistance to deserving college bound students.

Sincerely and with the greatest respect,
The family of Ja'Nae Goad and the Tournament Committee

Parkview Artery Swine Flu

There certainly has been allot reported in the last few weeks. The news stories seem to be filled up with talk about the Swine Flu. But getting the information to the General Public, educating the dos and don'ts, will help everyone stay healthy. And keep the level of anxiety down for all.

A Novel strain of the swine flu has recently caused illness in our neighboring country of New Mexico. Milder cases have also been identified in the U.S., including two 16-year-old boys from Guadalupe County, near San Antonio. It is unclear, at this time, why people in Mexico have been effected more adversely than those in the U.S. Testing seems to indicate that this particular strain of flu contains some aspects of swine, avian, and human virus. There is a vaccination for swine flu for pigs, but one has not been developed for humans. On the brighter side, the antiviral that are available (such as Tamiflu) appear to be useful in preventing and treating this illness.

The cases of swine flu in Texas are a good way from Wheeler County, but when you consider that other cases have popped up in Kansas, California, and New York, we can't say that it will never happen here. The Texas department of State Health Services is working closely with Centers for Disease Control in tracking this outbreak and keeping it under control. You can go to the CDC web page by typing: CDC Swine Flu and You.

The systems are similar to regular human flu, and include fever, cough, sore throat, body aches, chills and fatigue. Some people have also reported having diarrhea and vomiting.

The symptoms of swine flu in people are similar to the symptoms of seasonal flu in humans and may include:

- Fever (greater than 100°F or 37.8°C)
- Sore throat
- Cough
- Stuffy nose
- Chills
- Headache and body aches
- Fatigue
- Avoid contact with ill persons.
- When you cough or sneeze, cover your nose and mouth with a tissue or your sleeve (if you do not have a tissue). Throw used tissues in a trash can.
- After you cough or sneeze, wash your hands with soap and water, or use an alcohol-based hand gel.
- If you think you are ill with flu, avoid close contact with others as much as possible. Stay at home or in your hotel room. Seek medical care if you are severely ill (such as having trouble breathing). There are antiviral medications for prevention and treatment of swine flu that a doctor can prescribe. Do not go to work, school, or travel while ill.

Questions & Answers (FAQ)
Swine Influenza (swine flu) is a respiratory disease of pigs caused by type A influenza viruses that causes regular outbreaks in pigs. People do not normally get swine flu, but human infections can and do happen. Swine flu viruses have been reported to spread from person-to-person, but in the past, this transmission was limited and not sustained beyond three people.

Are there human infections with swine flu in the U.S.?
In late March and early April 2009, cases of human infection with swine influenza A (H1N1) viruses were first reported in Southern California and near San Antonio, Texas. Other U.S. states have reported cases of swine flu infection in humans and cases have been reported internationally as well. An updated case count of confirmed swine flu infections in the United States is kept at <http://www.cdc.gov/swineflu/investigation.htm> CDC and local and state health agencies are working together to investigate this situation.

Is this swine flu virus contagious?
CDC has determined that this swine influenza A (H1N1) virus is contagious and is spreading from human to human. However, at this time, it is not known how easily the virus spreads between people.

How does swine flu spread?
Spread of this swine influenza A (H1N1) virus is thought to be happening in the same way that seasonal flu spreads. Flu viruses are spread mainly from person to person through coughing or sneezing of people with influenza. Sometimes people may become infected by touching something with flu viruses on it and then touching their mouth or nose.

How can someone with the flu infect someone else?
Infected people may be able to infect others beginning 1 day before symptoms develop and up to 7 or more days after becoming sick. That means that you may be able to pass on the flu to someone else before you know you are sick, as well as while you are sick.

What should I do to keep from getting the flu?
First and most important: wash your hands. Try to stay in good general health. Get plenty of sleep, be physically active, manage your stress, drink plenty of fluids, and eat nutritious food. Try not touch surfaces that may be contaminated with the flu virus. Avoid close contact with people who are sick.

Are there medicines to treat swine flu?
Yes. CDC recommends the use of oseltamivir or zanamivir for the treatment and/or prevention of infection with these swine influenza viruses. Antiviral drugs are prescription medicines (pills, liquid or an inhaler) that fight against the flu by keeping flu viruses from reproducing in your body. If you get sick, antiviral drugs can make your illness milder and make you feel better faster. They may also prevent serious flu complications. For treatment, antiviral drugs work best if started soon after getting sick (within 2 days of symptoms).

How long can an infected person spread swine flu to others?
People with swine influenza virus infection should be considered potentially contagious as long as they are symptomatic and possible for up to 7 days following illness onset. Children, especially younger children, might potentially be contagious for longer periods.

What surfaces are most likely to be sources of contamination?
Germs can be spread when a person touches something that is contaminated with germs and then touches his or her eyes, nose, or mouth. Droplets from a cough or sneeze of an infected person move through the air. Germs can be spread when a person touches respiratory droplets from another person on a surface like a desk and then touches their own eyes, mouth or nose before washing their hands.

How long can viruses live outside the body?
We know that some viruses and bacteria can live 2 hours or longer on surfaces like cafeteria tables, doorknobs, and desks. Frequent handwashing will help you reduce the chance of getting contamination from these common surfaces.

What is the best technique for washing my hands to avoid getting the flu?
Washing your hands often will help protect you from germs. Wash with soap and water, or clean with alcohol-based hand cleaner. We recommend that when you wash your hands — with soap and warm water — that you wash for 15 to 20 seconds. When soap and water are not available, alcohol-based disposable hand wipes or gel sanitizers may be used. You can find them in most supermarkets and drug stores. If using gel, rub your hands until the gel is dry. The gel doesn't need water to work; the alcohol in it kills the germs on your hands.

What should I do if I get sick?
If you live in areas where swine influenza cases have been identified and become ill with influenza-like symptoms, including fever, body aches, runny nose, sore throat, nausea, or vomiting or diarrhea, you may want to contact their health care provider, particularly if you are worried about your symptoms. Your health care provider will determine whether influenza testing or treatment is needed.

If you are sick, you should stay home and avoid contact with other people as much as possible to keep from spreading your illness to others.
If you become ill and experience any of the following warning signs, seek emergency medical care.

In children emergency warning signs that need urgent medical attention include:

- Fast breathing or trouble breathing
- Bluish skin color
- Not drinking enough fluids
- Not waking up or not interacting
- Being so irritable that the child does not want to be held
- Flu-like symptoms improve but then return with fever and worse cough
- Fever with a rash

In adults, emergency warning signs that need urgent medical attention include:

- Difficulty breathing or shortness of breath
- Pain or pressure in the chest or abdomen
- Sudden dizziness
- Confusion
- Severe or persistent vomiting

Burn Ban Allows Agriculture Burns

Wheeler County Commissioners' Court met on Monday, April 27, 2009, in the commissioners' courtroom at the Wheeler County Courthouse at 9:00 A.M. to consider prior bills and discuss matters of mutual concern.

At 10:00 court convened to take action on 10 items on the agenda. The court approved the payment of the hourly payroll time sheets as presented.

The commissioners voted to pay the bills as presented. No action was taken on the budget.

Three commissioners voted to allow only **Agricultural Burning**; leaving the remainder of the burn ban in affect. Darrell Snelgroves, Commissioner, Pct. 1, voted against; he wanted to remove the burn ban entirely.

No action was taken on item 5; as there were no minutes to consider.

Item 6 was the approval of the Treasurer's report.

Items 8 and 9: It was voted to allow Questar Exploration & Production to cross County roads "22" and "J" for the installation of an oil and gas pipeline.

The court voted to purchase both North Wheeler County Ambulance Service and South Wheeler County Ambulance Service each a new ambulance. Total cost of the ambulances will be \$194,974.00 with McLean purchasing Shamrock's used ambulance.

The next meeting of the Commissioners' Court will be Monday, May 11, 2009.

Mob. (from Page 8)
 Circle Dot ranch, so we turned around and came back. Had more important things to do (??) like making a run to town for cigarettes. It was so unusual, though. There had been a very light shower starting out by Wade and Gayla Hathaway's, but by the time we got out to the curve at Dickey's, it had been a little heavier. At the curve east of Stribling's, there were some small puddles on the side of the pavement and when we topped the hill by Meeks' barn, we could see a really heavy rain shower behind Earl and Carolyn Corse's and Bernice Hefley's. Thanks for the tip, Arica. Just took me too long to change clothes; the thunderstorm was on over by Gageby the time we got out there.
 Our family over southeast of Arnett, OK., was lucky and got only the wind at their place. Some of their new neighbors on the Bradshaw place got blown away again, as did some of the trailers with the wildlife refuge at Pack-saddle, just north of the Canadian River. Thank our good Lord no one was hurt.
 Sun. at church, Gene Harrison said that they had gotten quarter-sized hail. Nobody needed that, so we all have our order in for just the rain next time.
 Hope you got to take part in the first annual Trade Days down at the Sims complex on the highway. They had some really neat arts and crafts, along with furniture, jewelry and glassware. The metal works were so tempting and everything reasonably priced. Laverty's had their snack shack down there, along with another group. It smelled so good. Lots of fun, good visiting and hidden treasures.

economic, cultural and scientific contributions made by individuals. The museum's focus on WWII will be useful to high school United States History classes in regard to history. The curriculum states the student will understand the impact of significant national and international decisions and conflicts from World War II and the Cold War to the present on the United States. In regard to economics the museum will help the student understand the economic effects of WWII, the Cold War, and increased worldwide competition on contemporary society by describing the economic effects of WWII on the home front, including rationing, female employment, and the end of the Great Depression.
 There is no doubt that Wheeler County Schools will benefit by a museum in Wheeler located in a historically significant building that tells the story of the town and the people who have lived here and made Wheeler what it is today. 4-H Fishin' And Fun Overnight

4-H Fishin' and Fun Overnight Camp and Fishing Tournament will be held at Greenbelt Lake on June 15 & 16, 2009, starting with check-in at 1:00 p.m. on June 15. The goal of the program is to introduce kids to the life long sport of fishing. Those registered will be involved in basic fishing classes on boat and water safety, casting and fly rod fishing. In addition, participants may enter the fishing tournament.
 This fun activity is for the beginning and the expert angler. Registration fee is \$20.00 per person. Each participant is asked to bring their own tents and necessities. Please bring all available life jackets. Adults are encouraged to bring their boats and enjoy the fun. Meals, snacks and program supplies will be provided. Contact your local county Extension office for specific tournament rules and registration materials. Pre-registration is due on line via 4-H Connect no later than June 1. Registration will open on May 1. For more information, forms, and access to 4-H Connect go to: <http://texas4-h.tamug.edu/4hconnect/index.html>
 All Medical Releases and Code of Conduct forms are due June 6, 2009.
 Original forms must be mailed to: J. R. Sprague, Lipscomb CEANR, P.O. Box 119 Lipscomb, TX 79056

lowsip Hall & Atrium. All are invited to attend worship at their home church and join us for the celebration and recognition lunch. However, we extend an invitation to all to join us for morning worship at 11:00 A.M. if they so desire.

Third place in the P.M. went to Alan Segura, Flecy Segura, Mollie Segura, Josh Miller, Jim Goding and Donald Hill.

Closest to the pin was Fred Goad.

Bubba Wilson made the longest putt.

This special time of recognition is a small way for the congregation of Wheeler UMC to say THANKS and show our appreciation to the sacrifice of many who battled the Wheeler fire on April 4 & 5. We will be recognizing all firefighters and presenting Certificates of Appreciation to all the Fire Departments who responded and assisted in battling that fire.

We do ask for an R.S.V.P. by Noon on April 30, so that we may have an accurate count for meal planning purposes.

Should you desire additional information concerning this Appreciation Service and Luncheon please contact the Wheeler UMC office, 826-3114 or by email - wheelerumc@centramedia.net.

rocks. We sat on the bench by the teacher. It's fun to play with the rocks, but it gets you too much trouble.

Now we play baseball (T-Ball). I'm so excited! My team is Hink Spraying. Do you know who is the boss of Hink Spraying? It's my friend, "Johnny Cash" (Bob Hink).

I am so happy for all the people to help our baseball teams. Thank you guys! That's it.
