FINAL "CASH" DRAWING WINNERS

CWE CHAT WITH EDITOR
By Louis C. Stas

HAPPY NEW YEAR to each of you. May the new year bring each of you health and happiness.

The holidays were not as Happy for those who have lost loved ones during this holiday season. Our sympathy is extend to each of the family and friends.

The "Times" office felt the loss of Roberta Adams as a friend and the mother-in-law of our co-worker, Marie Adams. We became acquainted with Carroll and Roberta shortly after our arrival in Wheeler through their association with Mrs. Guthrie. Roberta served a number of years as a teacher in the Wheeler and area school systems and I served on the Wheeler Library Board with Roberta until her health failed. To the families of Sheriff Jimmy Adams and Bobby Hill we extend our sympathy.

Our appologies for the absence of the "Weather". Ricky Pfeil reports the part is on order and we are awaiting its arrival. We could continue to report moisture measurements, but there are none. Unless we receive moisture in these last few days

of December, we will have only received only 0.04 inches of moisture for the month. This was in the form of snow with a ground cover on December 11

I had the opportunity to be on the receiving end and see how the 'big boys' do it Saturday morning. Mother Stas "passed out" Saturday morning and we had to call the ambulance. And, yes she was in about the smallest room of the house off the hallway where the cot wouldn't fit—my fellow ambulance workers can appreciate that. Hopefully I handled myself with some dignity, even though I realized I didn't have my glasses when I went to take the blood pressure—I had to have Cathi read the number I pointed to.

Mother was treated and released and back at the Arnold residence for Christmas Eve. I believe all but three of the 'tribe' of children, grandchildren and great grandchildren made their appearance Saturday. If my number is wrong and I don't name names, they won't know who I forgot.

We were only able to make an appearance at the gathering of the 'Porter' clan, as we had to get back to Wheeler to put mother in the hospital.

At this writing, mother is on the road to recovery and Dr. Mendiola told her she should have a "Happy New Year".

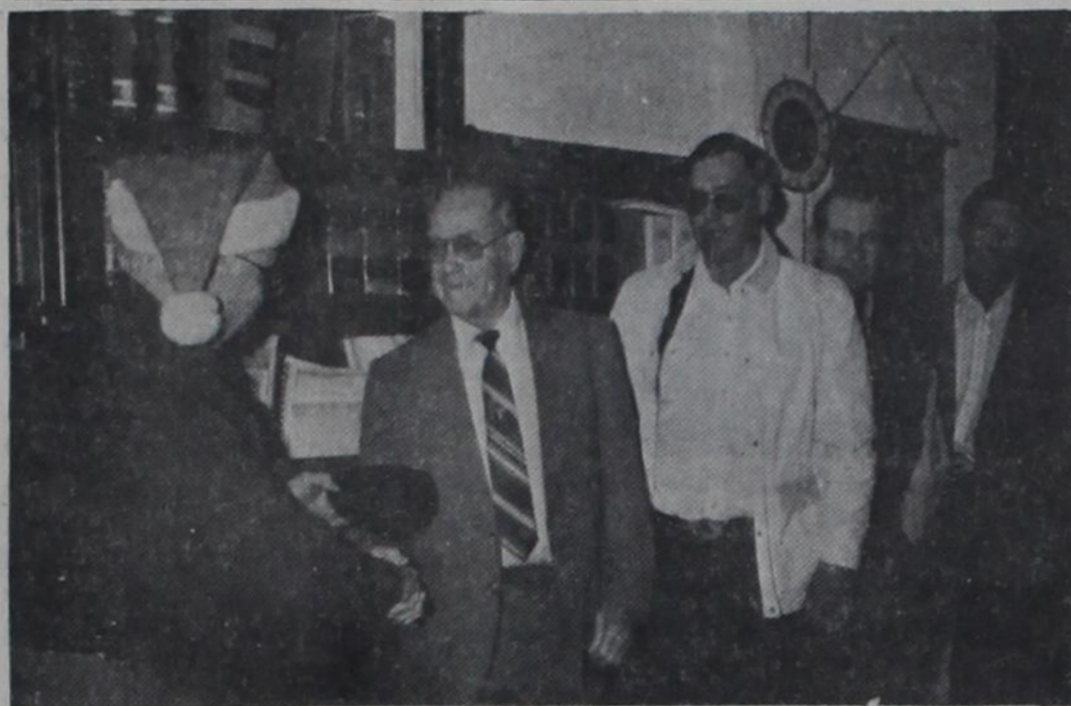

On the bright side, we were with the 'kids and grandkids' and 'Santa' was good to us. But, I didn't come home and find that new Chevrolet pickup setting in my driveway.

See you next year.

CHRISTMAS LETTER
The following story was written Dec. 14, 1988 by a 1st grader. Her name is Jennifer Haning. She is the daughter of Mr. and Mrs. Buster Haning. This is the first year for Writing to Read in Wheeler. We're very proud of the children's efforts. Notice the use of phonetic spelling. Just read it as it sounds.

Terraces For FSA 1990 Compliance

We very often hear some of the farmers in this area make the statement - "I realize that my farm needs terraces, but they are so hard to work that I just don't want them." Or we may hear the remark - "I guess terraces are alright, but I doubt if they are worth the trouble and inconvenience that they cause."

It is true that a field with terraces is not as easy and pleasant to work as one that is nearly level and does not need them. Unfortunately, not all of our farm land in this area will fall into this category. Indeed, a great many farms have slopes from 1 to 5 ft. fall per 100 ft. or even greater. Cultivated land of this type should be terraced to keep run-off water from forming gullies and to keep down sheet erosion, which is sometimes hard to detect. If we would stop to consider which would be worse - working terraces or working a field that has gullies that cannot be crossed, it would be logical to make a decision in favor of terraces.

Not only will a good terrace system save our farm from eroding into gullies and stop sheet erosion, but there are other benefits as well. In our area where we have periods of drought, terraces will help to conserve moisture by holding water on the land longer and allow time for the water to penetrate the soil. This will help to distribute the moisture more evenly over the land. If all the inconveniences of terraces and all the benefits are carefully considered, surely the decision for a good terrace system will be made.

In many cases terraces may be one of the alternatives to bring a farm into compliance with the Farm Security Act of 1990.

When a farmer makes a decision to construct a terrace system, he may contact the personnel in the Soil Conservation Service which is assisting The Wheeler County Soil Conservation District with farm problems of this nature.

The fourth and final of the annual Wheeler Chamber of Commerce "Cash" Drawings was held Saturday, December 24. A large crowd gathered on the west side of the square for the event. Immediately following the Chamber drawing, the Wheeler Lions Club held a drawing to give away a shotgun.

Seven people shared the \$400 given away by the progressive Wheeler merchants and business men. The money was divided into 4-\$25 envelopes, 2-\$50 envelopes and 2-\$100 envelopes.

With each of the tickets drawn, someone stepped forward to claim their winnings. Chris Hatcher was called twice by the announcer.

First to be given away were the \$25 envelopes. These were given to Samme Coberly, Laura Guthrie, Chris Hatcher and Jan Newland.

Claiming their \$50 envelopes of "cash" were Cathy Montgomery and Pearl Williams.

The two \$100 "cash" envelopes went to Chris Hatcher and Nita Evans.

The Wheeler Lions Club then held the drawing to determine the winner of the Remington shotgun. Money raised through the sale of the chances on the gun went to the Lions' Club project fund. The winning ticket drawn belonged to Jerry Horton.

Once again, "Thanks" to those who helped organize the drawing, those who helped each week to see that everything was ready, the merchants and individuals, who each year sponsor the drawing and most of all to YOU, the people who shop in Wheeler—it is your support and patronization which makes it all possible.

Curtis Hall Wins 1989 Chevrolet Pick-up

As a fund raising project, the Wheeler Volunteer Fire Department gave away a 1989 full size, 4x4, Chevrolet Pickup. With each \$10 donation, you stood a chance of winning this vehicle.

The money raised through the project went toward the purchase of a 1989 Ford pickup for the fire department.

The winning ticket on the picup was drawn after the annual Chamber "Cash" drawing.

Curtis Hall of Allison held the winning ticket and will be taking possession of the pickup the latter part of the week.

The Wheeler Volunteer Firemen wish to thank each and everyone of you for your support in this project.

They have been advertising "Rainman" with Dustin Hoffman lately. Cousin Johnny Haag tells me that his Golden Hawk Studebaker was used in some of the scenes filmed at Coger out on SH152. Sweetwater News
Mrs. Joe Flowers

Quite a week. Winter tiptoed in like Springtime. Truly wonderful. Seems Christmas came early this year. We sure did enjoy all the lovely displays in the towns. Many of the country homes were decorated too. Around close were the homes of the J. B. Barhams and Darville Athertons. It is a pity that some folks felt called upon to steal lights in various places.

Everyone has the Christmas spirit and love abounds. We hope it carries over thru the New Year. We appreciate the nice gifts from our editors and other friends. We wish everyone a Happy, Prosperous and Healthy New Year.

We attended the Christmas party at the Eirck Home to be with our aunt Sophia Spencer. Also from out this way were Maxine Wright, Pauline Roberts, Maxine and Truman Alexander, his sister and husband, Nelda and Rayford Bowers of Levelland. They went to Colorado for the holidays.

They say the Lord gives and He takes. It also applies to the government. We got notice of the 4% Social Security raise and the rise in Medicare payments. Joe came out \$11 ahead, David \$3 and I barely managed to stay even. So.

There has been so much in the comics about kids hating to visit their grandparents. I was very pleased when Melissa called to tell their time arrival and heard her say, "I can't hardly wait to get there."

Mr. and Mrs. Mike Kohoa had a Christmas party. Guests were the office staff of Century 21 Real Estate—Joe and Dyane Thompson and Joey of Burns Flat, Gale and Sue Brookshier and Fern Lewis of elk City.

Funeral services were at Del City for Cleo Jones, my second cousin. Burial was in the Buffalo Cemetery. Cleo was raised in this community and has a number of relatives here.

The Erick Kitchen Band gave their Xmas Party at the Elk Home Tuesday with a large crowd out. Band members were Roy Swagger, Richard Crawford, Althea and Clarence Sanders, Alvin and Virgie Marshall, Jello and Joyce Matlock, Iona Miller, Rose Aba, Hazel Francis, all of Erick, Billy and Basil Doss of Carnegie, Troy and Velma Givson, Donna and Jack Mercer, Betty Brothers, Jack Criswell of Sayre, Joe Flowers and old Five String, David and Lois Flowers.

Band Schedule for January is 1st Tuesday, Erick Home, 2nd Tuesday, Grand Place, Sayre, 3rd Tuesday Elk Home, 4th Tuesday Hensley Home. All times 2:30 and dependent on the weather. Third Wednesday night at 6:30, Joe goes up to the Wheeler Care Center to help the Johnny Reed bunch. Those playing last week were Johnny, Joe, Bertha Coffey, Johnny Grayson and Red Dukes, Betty Brothers. Among the visitors were Anna Dukes and Red's sister and husband, Rita Grayson, Jack Criswell, David and I.

Glen Tignor was featured in this month's Sparks and Flashes. He has been working for the REA for nine years. He and his partner, Ron Waldrop, serve the SW country. Glen and his wife, Kristy, live near Sayre. They have two children, David and Katie.

Congregational Concerns:
Copies of the congregational budget for 1989 are on the table in the lobby.

A fellowship luncheon is usually held on the first Sunday of the month. But due to the holidays, January's fellowship luncheon will be postponed until Sunday, January 8.

A Church Growth Seminar has been scheduled for Friday, January 27, and Saturday, January 28. Charles Hodge, minister of the Duncanville Church of Christ in Duncanville, Texas, will conduct this seminar. A schedule for this seminar will be distributed on Sunday, January 8.

An invitation to the wedding of Rick Hargrove and Tami Covington is posted on the bulletin board in the lobby.

The Men's Monthly business meeting will be held on Tuesday night, January 10, in the multi-purpose building at 7:30 P.M. A pot-luck supper will be held before the meeting, beginning at 7:00 P.M.

Eunice Carter remains in the hospital in Pampa. Hopefully she will be released later this week.

He had "met up" with Santa. And, knowing that he lived in the same area as the Ingalls, Santa asked him to deliver Mary's and Laura's presents. "Santa is too old and fat. He couldn't cross the creek where a long, lean razorback like me could," explained Mr. Edwards.

When the girls opened their presents, they found a shiny tin cup, two sticks of candy, a little heart shaped cake, and a brand new penny. Laura and Mary were totally ecstatic. They had never had a better Christmas!

From this story, a lesson about the importance of the little things of life can be learned. And Christmas is probably the most opportune time to learn this lesson.

Compare the Christmas that you experienced. Have you and I unconsciously allowed affluence to minimize the little things of our lives? Some of these little things are:
good friends, comfortable homes, loving families, God's love, healthy food, warm clothes, religious freedom, and many others.

I hope that you experienced a very merry Christmas. I hope that you enjoyed some of the nicest things that money could buy. But I also hope that you enjoyed some of the finest things that money cannot buy.

Bill Morrison, Minister
Church of Christ
Wheeler, Texas

Briscoe News

By Veta Parker

Saturday, 24th of December, sun out, snow did not get here, hope it waits till Monday, plus.

All of our kids have come and gone but Garry's family and Leroy's family, they are to come today.

The Clarks started home Thursday, they went by Perryton to see George's mother, and 2 sisters and families, Mollie and Donna.

We have had 2 Christmas dinners, now one this weekend, some are on diets. I will wait till after the holidays then start dieting, ha.

Last Tuesday, Colie decided to go see Andy Davis at Jr in Panhandle, We went to George and Tolene and Annette went with us. He is still about same. I don't think he recognized us a little bit.

Gene and Zetha are going to Liberal tomorrow, Sunday for their Christmas dinner. DeWayne and Donna Jean and Kids, Terry and Freddie and girls live up there.

Wanted to late to say Merry Christmas and Happy New Years to all, they came in last Monday picked my news up. I was not expecting them didn't have very much news. There were several not at home, or I never got them, like Mary Hudson, Ruby Zybach, Mae Welch, all the electric recording etc.

Talked to Iolene Wilhelm Saturday, she came home Monday I think, they visited Doc's mother, Ola Barry Harmon and Daphne Barry. Ronny was at Harmons, they saw him. She stayed at Betty Wood her daughter while she was having her ears checked, and Belinda and Rusty, she had to get a hearing aid for her left ear or trying it out. I think or know my hearing is going faster than I would like.

Talked to Mae Welch, she has a cold, wish for her to get over that quick.

Leroy Parker came Saturday around 1 p.m. brought a 20 pound turkey Garry family didn't get to come so Leroy, Colie and I had a lot of food. Leroy also brought pies, all the trimming, candy etc. he had to go back home, tonight Saturday. So tomorrow could be the first time Colie and I were alone on Christmas day. Garry may come.

Weldon called just now at 9 p.m. tonight Saturday, Marianda and her band are still going to London Monday. I sure dread this trip for her there are 150 in the band 20 adults are going, 2 nurses and 1 doctor, going.

I well tell you our news around the world is getting rough, I would not want to go around London, England.

Colie and I ate dinner by ourselves Sunday 25, around 3 p.m. here came Garry and Tish, Little Jill and Billy. So we were not alone all day.

It was rather cold Sunday, Christmas, we made it to church.

Sunday night no snow yet at 11 p.m. Saw in the Pampa or rather Zetha sent me a clipping out Pampa, it read Doyle Greenhouses boy Wade was killed in a one car roll end over twice then 2 roll overs side wise, N.E. of Dumas last week. We sure hated to hear this. Our sympathy goes out to the Greenhouse families.

Billy said Dumas volleyball girls went to state and won 1st, how great. Monday morning after Christmas. Sure don't look like a plane could make it to London today, I will sure be glad when that band gets back.

J.O. and Hoyle Helton went to Bill and Christine Athertons Sunday for Christmas dinner.

Leroy brought us down 2 storm screen doors Saturday, he got one up its sure going to make that old porch room warmer.

I can hear the old wind whistling outside. It is so foggy I can not see very far.

We heard from uncle Johnny Parkers kids, the first in 12 years, 3 of the boys have died. Heard from Mr. Parkers youngest sisters kid another one of her boys has passed away this year. I mean our age of people are going fast.

We hated to hear about Effie Hays brother Paul passing away last week. Our sympathy goes out to Effie and all of his relatives and friends.

Garry and family spent the night last night.

Diana, Marianda, Michelle went to Amarillo, spent Saturday and Sunday with her 2 sisters and families, Patricia and Mary Faye.

Don't know if Tolene and family have got home or not yet.

Garland Dukes preached for us Sunday, he preached on is there a God. Now he really did good, he really proved there is a God. There are so many people don't think or know there is a God.

Sure hope all the visitors got home ok.

All of Red Dukes kids are to be at his home in Allison today.

Lois Thompson, Tish mother is back in San Antonio for leg surgery. We wish for her a speedy recovery.

All of Elbert and Ruby kids and grand kids and great grand were at their home Saturday night for supper and to open gifts.

Sunday Elbert and Ruby ate dinner with Curtis and Jane Ann Hall and Kent. Others there were Kyndal and Kathy and children.

Clarence and Irene Zybach went to Truman and Bettie Zybachs Saturday, to R. L. and Rozena Zybach Sunday.

Eric and Pauline Zybach and Kids went to Sayre to Truman and Billie Zybach Saturday, all of Truman and Bettie's kids and grandkids were there.

Sunday Pauline and kids went to her parents and grandparents in Sayre all or most all of their kids and grandkids were there.

Saturday all of Fat and Wanda Childress kids and grandkids were at Fat and Wandas.

On Saturday Wayne and Pat Childress and Amanda went to Fats Sunday they all met at Bobby and Zodel Swift, Wayne and Pat went to Sayre to her folks.

All of Pats brothers and sisters were there, some nephews and a nephew came with them to spend the time while school is out.

Eunice Edwards visitors were her son Cecil and Mary Elizabeth Edwards from Ft. Worth and Mr. and Mrs. Jerry Shulley from Perryton.

Dary and Little Mickey (I call him) came by Eunice this morning, visited a while.

Dary and Sammie had a house full Sunday nite Eunice said.

Some one lay a note on my T.V. tray where I write it says, after dinner, sit a while, after supper walk a mile, Ha, thats ok.

Mattie Jackson went to Effie Renfros Saturday, she when to E.O. and Alice Kellys Sunday.

Tuesday still looks like snow, will fall any minute.

We are all still up and at it. Still eating and talking all by bunch got back home I think, but Marianda left at 5 a.m. yesterday, went to Amarillo on bus flew to Dallas caught a plane there that took them to London. Hope they make it.

Travis and Rosalee Keelin had Gene, Norma and children, Jerry and family, Joey and family, they had some of Jerry's married kids, Katrena and David and Kyla, Jerelyn and Leo and Jerrod.

Monday Travis and Rosalee visited Gene and Norma, Joey and Risa, Travis sister in hospital Ethel Gillenwater, who is better Rosalee said hope she is doing ok soon.

Dan and Lou Trimble and children were at her parents B. F. and Margie Meadows, they came in for Christmas, fixing to go back where it is warm, others there were E.J., Joy and Misty Meadows, Kevin, Penny and children from Tuscon, Az.; Richard

and Bonnie Meadows and children, Brady, Mary and children and John Meadows.

Mable Parker was visiting Mary Hudson when I called Mary didn't get their news.

Talked to Lacy Walker they went to Jim and Wanda Walkers Sunday, others there Ellie Wilkerson, Dorothy and Cliff Walker, Debby and Kitty,

Wayland and Katie. Lesley and Bettie Newsom visited Mae Welch Sunday night and spent the night.

Kenneth and Paulette Austin from Arkansas, visited his parents, Harold and Lessie Austin over Christmas holidays.

I want to wish every one a Happy New Year, with all the trimmings.

Ain't It The Truth

By Ab Gunter

I always thought a Used Car Salesman and a Bootlegger wuz the ones you have to watch going through this life but there is Birds out there in the World that is meaner than a Republican out of Office and that is them Oil Slicks, now I dont mean them folks that made their living diggin for Oil and the pipeliners I mean them Birds that drive up in one of them New Caddies with them fourty dollars shoes on and the three button Sears Special Suit them is the birds I am leary of, now dont grin, you are too if you will be honest. Ive seen them birds that will snitch grub out of a hungry Roughnecks Lunch pail while the Roughneck is out there on the helping to put on a new bit.

Back in the Olden Days they would be strung up like a Horse Thief but now days they dont even have to have license to come into a County and Lay it On You.

One time I was visiting with Red Adair at the Race Track and asked him why he wasnt called in on that Wild Well over by Allison and he said they had contacted him and he told them it would run about 3 of them big big Bills for him and crew to do the work to Kill the well, they said he was too high and he told me they had spent about 25 mill for they got it done. I can remember when he worked cheaper but back them he didn't have nuthin but a pair of Coveralls and a piece of Sheetiron to keep him from gettin toasted. Im old enough to remember Tex Thornton that lived in Amarillo. Are you.

Have a nice Holiday and see you one of these days.

Love Ab and Benita

ValuCare Program Begins At Hospital

Coronado Hospital is introducing a new concept in healthcare by implementing ValuCare, a program offering discounts and special benefits to persons age 65 and older, according to Norman Knox, administrator of the Pampa hospital.

Coronado joins a network of several hospital who offer ValuCare to meet the needs of the growing population of older hospital patrons. Other participating hospitals include High Plains Baptists Hospital in Amarillo and Methodist Hospital in Lubbock.

Ida Hess will serve as ValuCare coordinator for Coronado Hospital and will personally assist patients during their stay. She also will conduct follow-up visits with ValuCare members.

A \$30 annual fee is required to join ValuCare, according to Mrs. Hess. Couples can join for a total fee of \$50. Members will receive a variety of discounts and services to lower their healthcare costs and ease their hospital stay.

One of the main features is an inpatient billing discount. With that discount, patients who have approved supplemental insurance along with Medicare will not have to put down a deposit at the hospital, and their bills will be considered paid in full. For those without an approved supplement, the hospital will discount 50 percent of their deductible and co-insurance.

"The discounts do not apply to the Emergency Room and to Outpatient Services," Mrs. Hess emphasized. "Those services and the Extended Care Unit are billed differently under Medicare and so cannot be discounted under the ValuCare program.

Patients will also receive discounts on prescriptions through pharmacies participating in the program. These pharmacies, located throughout the area, are registered with the hospital, and display a ValuCare sticker.

Discounts are also offered at the hospital cafeteria and gift shop for members.

ValuCare members will also have specially reserved parking places in the front of the hospital, Mrs. Hess said.

ValuCare members will be issued a unique card that not only identifies them but also contains their medical history on microfilm.

The hospital will conduct periodic health screenings, including checks on blood pressure, diabetes, lung capacity, and other health risks.

Also, members of the ValuCare program at Coronado can enjoy similar savings and discounts at other hospitals in the ValuCare network.

For more information on ValuCare, call the special ValuCare number, 669-0208.

I would like very much for you to write me back.

Here & There

Christmas is over. I had my share of gifts, all beautifully wrapped. But I read an article from the New York Times News Service that astounded me. It called attention to the clever little glossy paper tote bags, which have been so widely used for a year or two. It went on to say that the sales from this specialty will amount \$135,000,000. The total sales of all gift wrappings this year are expected to be \$450,000,000. I love beautiful packages and love to wrap packages, but it seems to me that to take \$450 million and toss it in the dumpster the day after Christmas is pretty wasteful. We could do a simpler job and give the difference to hungry people.

I don't have many reports on people and their Christmas maneuvers. I'm sure the Editor will tell you where he has been.

Early in the week Patricia and Ed Forrester welcomed their son Curtis and wife Sherri of Carrollton and Patricia's parents, Mr. and Mrs. Robert Cospoer of Bedford. Her sister, Janette and husband Darrell Cathey of White Deer joined them for dinner on Thursday night. On Friday night the group gathered in White Deer for another family dinner including Janette's family Dan, Bonita, Candace and Bart Cathey. Curtis and Sherri returned to Dallas on Saturday. Mr. and Mrs. Cospoer stayed for a longer visit.

Elva Wood had early Christmas. Her son, James Hubble and family came over from Dimmitt, Texas, the week before the Holiday. On Wednesday Elva went after her granddaughter at Lefors. She stayed until Sunday when she and Elva returned to Lefors to spend the Holiday with her daughters' family, the Lanny Atchleys.

Mrs. Esther Forrester went to Amarillo last week for a check with her doctor. She is doing well. Her husband Otto, and daughter-in-law Patricia accompanied her.

Garth Nash and his family from Dallas arrived in Wheeler on Thursday of last week to spend Holidays with his parents, Mae and Harold Nash.

Melinda and Tim Whorton spent the weekend in Dumas with Tim's parents.

My sister from Tulia, Lena Herring, her daughter Edith Almond with her son Brian and daughter Janice of Thousand Oaks, Calif. came to my house Tuesday of this week. The next day the Almonds drove on to Booker, Texas for the children to visit their grandfather Almond. They returned on Thursday to pick-up Lena before returning to Tulia.

The other day Ron Bates of Amarillo News had something to say about Grinches. He describes the Grinch as a snarling, gnarling, evil green menace, scheming way to snatch the Christmas spirit from happy people. They appear all across the Panhandle to snatch decorations from neighborhood lawns. But Ron doesn't believe in Grinches. He says they are hoodlums hunting for valuables and try to cheapen the experience called Christmas time. He tells us a lot about the Grinch. I believe every word he says and would like very much to see this evil eliminated. Happy New Year to everyone.

PERSONAL

Visiting Mrs. Pauline Hooker Sunday were Mr. and Mrs. Gene Harrison, Mr. and Mrs. Don Moore, Mrs. Wanda Hefley, Justin and Tamara, Doyle Johnson, S. B. Hooker, Mr. and Mrs. Mac Shelton from Spearman, Mrs. Loretta Brillhart, Audrey and Jennie of Perryton, Mrs. Willetta Alders, Marsha and Tina from Conroe, Texas; Mr. and Mrs. Joe Gorley and Bill from Childress; Mr. and Mrs. Wayne Long and Brandy of Amarillo; Houston Hooker from Hereford, James Moore of Arlington, TX.

CHRISTMAS AT THE DAVIS HOME

The Davis Family had Christmas dinner at Alta Jean's home. Jeff who is stationed at San Diego Naval Base, spent the holiday week at home with his mother. Also present for Christmas dinner was son Kevin, his new wife Debbie, and her four children. Christopher Wade from Rockdale spent his Christmas vacation with his grandmother and family. Also present were Gary, Linda, and Shane.
