YOUR COUNTY SEAT NEWSPAPER

WHIMSY

By M. L. M.

Mrs. Gordon Whitener's high school home ec girls and yours truly are state champions in our class. Yessir!

At the state home ec meeting in Fort Worth last week, home ec classes over Texas submitted designs for an emblem for the Future Home Makers' organization.

Mrs. Whitener's girls agreed upon a design which they thought had possibilities.

They wanted their entry to be as neat as possible, figuring it would have a better chance to win. But none of the girls is an artist, except in sewing and cooking.

So they brought the rough sketch to the editor of their home town newspaper, and could he work the design out with type and a small cut?

He promised to see what he could do, and the result took first place, with all the honor that goes with it, besides a \$5 prize.

Now, I contend that the girls having taken first place and my having helped them makes me a state champion too, and I rush in to cop whatever glory there is in it for me. I hope there is enough to go around.

However, I was prompt to inquire of Mrs. Whitener who got the \$5. She says it goes to the home ec girls, and I don't get to participate at all.

So my fleeting vision of beefsteak for dinner quickly vanished.

But nobody can take away from me the satisfaction of being an assistant champion getter-upper of a state emblem.

And there is the further gratification of having won with Mrs. Whitener's girls. I am particularly fond of home ec girls anyway, for I think I know what they are; I married one once.

Methodist Announce Mothers Day Service

The 11 o'clock services at the Methodist church will be held as usual Sunday morning, according to Rev. E. C. Raney, pastor. It had been announced previously that there would be no services at the morning hour because of the commencement sermon, but it was later learned that the baccalaureate service would be held Sunday evening.

The morning exercises at the church will include the church school and a Mother's day service with appropriate music and sermon for the day.

The bishop's crusade has been well recognized in this church from the standpoint of attention, study, and contribution, Rev. Raney stated.

The third quarterly conference will be held in the evening of May 30. Plans are being made to be ready for it, Raney said.

Kelton Junior Class To Present Comedy

The junior class of Kelton high school will present a "spooky" three-act comedy, "Demon in the Dark," Friday night, May 7.

Included in the cast are Barney Lee Davidson, Imogene Beaty, Genevieve Britt, Mary Perryman, Lavern Reeves, T. J. Clay, Merl Kuykendall, Lemoin Wagner, Truman Henderson and Lorene Clay.

Admission prices announced are: grade students, 5 cents; high school students 10 cents, adults 15 cents, and for the family, 50 cents.

Social Hour Features Legion Post Meeting

A social hour featured the regular monthly meeting of West Post 138 Tuesday night. Dominoes furnished the diversion for the evening.

Temporary plans were made for memorial services to be held here on Memorial day. The Legion will sell poppies for that day.

A big meeting, including program and a supper, is planned for the regular meeting in June.

Those who attended the Tuesday meeting were: Dick Craig, Claude Cos, Tommy Vinson, U. V. Traylor, Jim Risner, and Aaron Williams.

LUTTRELL IS NEW POSTMASTER AT BRISCOE

Elmer Luttrell became postmaster at Briscoe May 1. He was carrying a rural route out of Pampa until he exchanged positions with I. E. Byers. He also took charge of the Byers' store.

Mr. and Mrs. A. B. Crump attended the senior class play at Canadian Friday night, in which Mrs. Crump's nephew Stanley Meeks was the leading character.

Rural Schools In County Re-elect Most of Teachers

All of Wheeler county rural schools except four have reported the election of their teachers for next year to the County Superintendent B. T. Rucker's office.

"There is the greatest percentage of re-elections in rural schools in this county that I have ever known," Rucker stated. "It is no longer true that we can't have good rural teachers because of the rapid turnover; for there is no such thing now. Our teachers are well qualified."

Briscoe re-elected their entire faculty. They are: W. A. Swinburn, superintendent, Elmo Scott, principal, James Coney, coach, Ima Scott, O. C. Evans, Lavelle Coney, Beulah Hubbard, Glennis Wiseman, Ruby Lee Williams, and Edith Stubbs.

Bethel reports the election of R. N. West, principal; Mrs. Lucille Fleming, and Mrs. Lola B. White. Paken re-elected Vinson Younger, principal, and Clara Anderson. Mr. and Mrs. George A. Weems will return to Ramsdell. J. D. Rucker and Hortense Lister will teach at Union. I. C. Evans, principal; Mrs. I. C. Evans, and Novella Whitener have been re-elected at Twitty. Magic City reports the election of A. S. Wharton, principal; Mrs. Annis Wharton, Naomi King, Mrs. Ruth Caldwell, and Gordon T. Phillips. A. L. Jones, principal; Mrs. A. L. Jones, and Madge Richerson were the teachers re-elected at Center. Arvagine Deering has been elected at Mt. View.

The Corn Valley teachers have been re-elected, provided that they have enough scholastics to maintain a school another year. The teachers there now are E. A. Deering, principal, and Florine Currie.

Store Celebrates First Anniversary With Special Sale

The Wheeler Auto Supply and Electric Co. will celebrate completion of its first year in business here with an anniversary sale. The store was opened for business a year ago Saturday, and is managed by Harold and Sherton Nash, who came here from Sayre, Okla.

A full line of Norge refrigerators, auto supplies, electrical appliances, and radios is carried by this modern store. Only nationally advertised lines are handled and their stock is well known by people in the Wheeler trade territory.

In a statement Wednesday Harold Nash said: "I have found Wheeler an excellent place in which to do business. I greatly appreciate the co-operation of friends and customers and wish to thank them for their patronage."

A large advertisement about the anniversary sale will be found elsewhere in The Times.

May 15 Deadline For Worksheets

Time limit for signing work sheets in the 1937 farm program has been designated as May 15, states a circular letter issued this week and signed by Jake Tarter, county agent, and P. L. Ramsey, chairman of the county committee. This applies to range work sheets as well as to farms, the letter declared.

"Producers and committeemen should make note of this in order that all who wish may sign work sheets at the county agent's office any day until the 15th," it was stated.

"Local committeemen as well as county should give this information out so that farmers will know about the final date of signing work sheets and will not be deprived of signing if they wish," Tarter said.

County School Pupils Get Standard Tests

Standardized tests are being given in the rural schools this week, according to B. T. Rucker, county superintendent. Some of the tests were given last week, and one will be given next week. The Detroit reading test will be given in the first grades. The new Stanford achievement test will be given in the other grades. Superintendents of the independent schools are giving the tests in the rural schools.

"These tests are very good," Rucker said, "and so far the grades have been satisfactory."

Harold Dean and Dolores Wright of Childress are visiting their aunt, Mrs. John Henry Watts.

Miss Daisy Crump or Mobeetie was in Wheeler Tuesday.

Recent Bride

Mrs. Hugh Auchterlonie Jr.

A surprise to her friends in Wheeler was announcement of the marriage in Wichita, Kan., on April 11 of Miss Jacqueline McCrohan to Mr. Hugh Auchterlonie jr. Mrs. Auchterlonie is the daughter of Mr. and Mrs. G. O. McCrohan of this city.

Crump Points Out Benefits of West Texas Chamber

A. B. Crump will attend the annual convention of the West Texas chamber of commerce at Brownwood May 11-13 inclusive. Crump is chairman of the election committee which will pass on the eligibility of the voters there. Wheeler will have five votes, Crump said.

"Wheeler receives the same benefits from the West Texas chamber of commerce that the other towns receive," Crump said. "The organization assists in every way in doing the things which will benefit this section. Some of the measures which the organization has assisted in putting over to help West Texas are freight rates, drouth rates and soil conservation."

"The chamber of commerce is one of the greatest factors in molding public opinion for the good of West Texas as a whole," Crump said.

Mr. and Mrs. Crump will leave for Brownwood Sunday morning.

Long Time Resident Of County Passes

Mrs. Cora Bell Scott Lott, 63 years old, for 30 years a resident of Wheeler county, died at Wheeler hospital Tuesday after having been in poor health for several months. Death was attributed to heart trouble.

Funeral was held at the Methodist church by Rev. E. C. Raney and C. C. Merritt Wednesday afternoon and burial was in the Wheeler cemetery.

Surviving are her husband, J. A. Lott, two nephews and a niece. One nephew, W. D. Scott of Sylvester, and his wife and two children attended the funeral. Also present at the funeral was Lott's nephew and his wife, Mr. and Mrs. T. S. Jordan of Wichita Falls.

Mrs. Lott was born in Cass county in 1874 and lived there until her marriage in 1905. No children were born to this union.

The Lotts moved to Wheeler county in 1907 and except for brief intervals have lived here ever since.

Mrs. Lott had been a member of the Methodist church since childhood.

Allison School Re-elects Teachers

Announcement has been made of the re-election of some of the teachers in the Allison schools at a meeting of the Board Monday night. John Peoples, superintendent, was re-elected some time ago and given a two-year contract.

Teachers re-elected at the Monday night session include Mrs. John Peoples, Miss Doris Richardson, Mrs. Leon Field, Miss Audrey Kiker, and Miss Mary Jane Williams.

Funeral Held Sunday For Clayton Child

Funeral services for Morris Leonard Clayton, 10 months old, son of Mr. and Mrs. Raymond E. Clayton, were held at the Methodist Church Sunday afternoon at 4:30.

The child died in an Amarillo hospital Saturday afternoon after a week's illness with pneumonia. The family lived here until a short time ago, when they moved to Sunray.

He is survived by his parents; a brother, Kenneth Ray, and his grandparents, Mr. and Mrs. Zelman Clayton of Wheeler and Mrs. Hurley Simpson of Weatherly, Okla.

Rev. E. C. Raney conducted the rites. Interment was made in the Wheeler cemetery.

Miss McCrohan's Marriage to Wichita Man Announced

An announcement of wide interest in Wheeler is the marriage of Miss Jacqueline McCrohan, daughter of Mr. and Mrs. G. O. McCrohan of this city, who became the bride of Mr. Hugh Auchterlonie, jr., Sunday afternoon, April 11, in the chapel of St. James Episcopal church at Wichita, Kans.

Rev. Samuel E. West, rector of St. James, performed the impressive ring ceremony. The couple was attended by the groom's brother and sister-in-law, Mr. and Mrs. William Auchterlonie. Those witnessing the ceremony were Mr. and Mrs. G. O. McCrohan of Wheeler, Mr. and Mrs. Hugh Auchterlonie, sr., and Miss Margaret Auchterlonie of Wichita.

Mrs. Auchterlonie spent all of her public school days in Wheeler except her senior year. She graduated from Amarillo high school in 1933, and attended Texas State College for Women at Denton, for two years. For the past year and a half she has been in training at St. Francis hospital in Wichita, Kans. Mrs. Auchterlonie had asked that the marriage not be announced as she desired to finish training, but she recently decided to discontinue her work.

Mr. Auchterlonie is a native of Scotland, coming over to America with his parents in 1924. He is a graduate of Wichita high school, and is now associated with the Wichita Terminal Railway company.

Mr. and Mrs. Auchterlonie are now at home at 1126 North Emporia, Wichita, Kans.

Plan Observances For Mother's Day

A number of special Mother's Day programs are being planned for Sunday in Wheeler and neighboring towns.

The local Methodist church will have a Mother's Day service with an appropriate sermon and music.

The Mother's day observance at the Baptist church will be in the form of an afternoon tea given by Mrs. Jim Risner's Sunday school class in honor of all mothers of the church.

A community Mother's Day program will be given at Allison Sunday night.

The Twitty Baptist church will have a special program in honor of the day, according to Rev. V. M. Lollar, pastor. The program is being arranged by a committee with Mrs. J. E. Tindall as chairman.

County Club Group Visits Short Course

Miss Dalton Bureson, county home demonstration agent, and several home demonstration club women attended the third annual short course at Canyon Thursday. Those who attended the program were Mrs. Jim Trout, chairman of the county council, Mrs. J. M. Porter, Mrs. Jess Crowder, Miss Lou Clark, Mrs. Jim Risner, Mrs. John Ficke, Mrs. R. Irons, Mrs. Lula Mae Farley and daughter, Barbara Jeanne.

Mrs. Trout will appear on the program. She is a candidate for the vice-presidency of this district.

All of the group except Mrs. Irons and Mrs. Farley and daughter returned Thursday night. They went to Happy to visit Miss Pauline Irons. They and Miss Irons and Miss Evelynne Irons of Morse will return Friday night.

School Group Ends Year's Work, Elects

The final meeting of the Superintendents' and Principals' association was held Tuesday night with a banquet and business meeting at Maloy's cafe.

Officers were elected for next year. J. M. Knowles, principal of the Mobeetie schools, was elected president, and C. B. Witt, principal of the Wheeler school, was elected secretary-treasurer. C. C. Brown was president of the organization this year.

The local group was one of the first organizations of its kind in the Panhandle. It was formed about five years ago.

Allison Farm Groups Meets

Allison Agricultural association met Monday night with Chairman W. V. Hickerson in chair. J. Z. Biard of Kelton gave a very interesting talk on his trip to Temple and on organization topics.

Mr. and Mrs. Forrest Galmor and son, William C., who have been living in Borger for some time moved back to Wheeler and are living in the Glen Williams house.

End Sought to Discrimination Against WPA Workers Here

Mrs. Chambers, 90, Dies at Kellerville

Funeral services for Mrs. Frances Chambers, 90 years old, were held Wednesday afternoon at 3 o'clock at the McLean Church of Christ.

Mrs. Chambers had been in ill health for several months. She died Tuesday morning at the home of her daughter, Mrs. T. J. D'Spain of Kellerville.

She had made her home in the McLean vicinity for the past 35 years.

Annual Banquet Honoring Athletes Held At Allison

One hundred and fifty people attended the fifth annual banquet honoring the Allison high school basketball teams Friday night in the Allison gym. John Peoples, coach and superintendent, acted as toastmaster.

The Allison sextette is nationally known, having won first place consolation in the State A. A. U. contest for two years. They defeated the Plainview team, 1936 State champs, at the state meet in March.

Tribute was paid to their unique record and excellent sportsmanship by several speakers. Arvard Abernathy, Allison merchant, was the main speaker. R. T. Alexander, prominent Hemphill county rancher, spoke briefly on the record of the basketball teams. Coach Peoples reviewed the season, introduced members of his squad, and discussed the prospects for next year.

Members of the boys' team were introduced by Roscoe Richardson, captain for the past two years. Richardson discussed the past record of the boys and the possibilities for next season. Brief talks were made by Ruby Gunter, captain for the past season, Oleta Jones, captain-elect, and Mrs. Lula Mae Farley, Wheeler.

Bob Clark of Wheeler delighted the audience by plucking lighted cigarettes and thimbles from the air. Clark has appeared on other programs at Allison and is very popular with audiences there.

The decorations carried out the May day motif. A huge maypole was erected in the center of the gym. Streamers in pastel colors formed a canopy over the tables. Spring flowers decorated the table. Menu and program cards and nut cups further carried out the May-time theme.

The banquet was served by members of the Allison home demonstration club.

Citizens Represent Wheeler at Amarillo Meetings Thursday

County Judge W. O. Puett attended a meeting of the Panhandle Conservation association directors at Amarillo Thursday afternoon.

Puett attended a luncheon at the Herring hotel given by the Amarillo chamber of commerce in honor of the Texas highway commission. Others from Wheeler who attended the luncheon were H. M. Wiley, president of the Lions club; Jim Trout and D. G. Sims, county commissioners.

The Pampa chamber of commerce will honor the Texas highway group with a luncheon Friday at noon. Judge Puett, Ernest Lee, and Mayor Robert Holt received special invitations to attend the function.

County Developing Wild Animal Life

Wheeler county is going to develop its wild animal life, according to a release this week by Jake Tarter, county agent. Twenty-one demonstrators have signed up under the wild life management demonstrations.

"The management plan seems to be very popular," Tarter said, "and the men seem to be anxious to co-operate especially with the extension service, Texas game commission, and with each other as neighbors. Everything indicates that all the demonstrators will finish their work and make reports."

Eleven of the demonstrators are featuring beavers, 14 prairie chickens, and 13 quail and fish.

Gordon Stiles, manager of the Stiles ranch, reports that beavers are as valuable as any other part of their operations. The beavers build dams and impound water where needed. Stiles added that they would not part with any of the beavers and there are none to spare.

W. O. Puett, county judge, stated Thursday he had just learned from what he considered authoritative sources that the only ways an adjustment could be made in WPA work hours here was through act of congress or executive order signed by the president. He has hopes, he said, that through proper channels a change could be made by order of President Roosevelt.

A Wheeler county delegation composed of County Judge W. O. Puett, Albert Cooper, Shamrock editor, and Bedford Harrison, secretary of the Shamrock Chamber of Commerce met representatives from Donley, Hall, Collingsworth, and Cottle counties Tuesday to discuss the WPA program in these counties.

These counties are attempting to get the number of working hours on WPA projects in these five counties raised to par with the other counties of the Panhandle. These counties are drawing a 74-hour a month working basis in comparison with the 98 to 105 hours the other counties are receiving.

A plea is being made for equality in this matter. All five counties sent petitions to headquarters at Washington Thursday asking for an adjustment of working hours in these counties.

The wage basis per hour is the same in all counties, but the wide divergence in number of working hours places WPA laborers in these counties on a much lower monthly salary than in other Panhandle counties. The highest salary which a common laborer on a WPA project can draw in these counties is \$22.20 per month. This compares unfavorably with the \$29.40 to \$31.50 received in other counties, showing a difference of \$7.20 to \$9.30 per month.

There are about 150 people in this county on WPA projects. These people alone would receive between \$1,200 and \$1,500 per month if their working hours were raised to par with those of the other counties. This money is needed and because it is not forthcoming through WPA channels the county has to bear the brunt of the burden, and in the final analysis it means that it devolves on the tax payer in this county.

Judge Puett pointed out that it is placing an unfair burden on the county. The WPA allotment for equipment is only \$4.50 per man per month. This does not pay the equipment bill and the deficiency is paid out of the county treasury. At this time the county is paying for transportation and for a portion of the trucks and teams being used on this project.

The petitions to Washington showing the unfairness in existing working hours in the five counties is being used as an attempt to place these counties on the same working level with neighboring counties.

Rites Saturday For Luther C. Hampton

Final rites for Luther Clyde Hampton, 23, were held at the Methodist church Saturday afternoon at 3:00 o'clock. Rev. E. C. Raney was in charge of the services.

Young Hampton died in a hospital at Hollis, Okla., Friday afternoon. He had been in ill health for several years, but his condition recently was thought to be improved.

He was born near Wheeler March 17, 1914, and had lived here all his life.

Young friends of the deceased acted as pallbearers and flower girls. Pallbearers were: Bill Topper, Joe Pitcock, Billie McCord, Buck Miller, Rex Miller, and Nathan Miller. Flower girls were Misses Katie and Mary Ann Topper and Miss Masel Burnman.

He is survived by his parents, Mr. and Mrs. C. O. Hampton of Briscoe, and 10 brothers and sisters: Wade Hampton, Wheeler; Gilbert Hampton, Shamrock; Guthrie and Grover Hampton of Pampa; Mrs. Thomas Pierce of Mulberry, Ark.; and J. L. J. C. Donald, Charles, and Vera Ruth Hampton, all of Briscoe; his grandparents, Mr. and Mrs. W. M. Hampton of Wheeler, and a number of other relatives.

Schools of County Get \$11,000 of State Cash

Wheeler county rural schools have been apportioned approximately \$11,000 of the \$1,080,000 deficiency bill which was passed last week, according to B. T. Rucker, county superintendent.

The money will be used to complete the present school term and for a few deficiency bills.

Hitting Bottom

There are a lot of professed Chris-
tians who must hit bottom hard be-
fore they will realize just in what di-
rection they are really going. Just
who are these "professed Chris-
tians"? Well, some of you seldom go
to church but you want the preacher,
when he is called upon to preach
over your dead body, to tell the folks
who are kind enough to listen, that
you were a faithful child of God and
have gone to glory and rest. You are
the ones I have in mind just now.

Club Notes

Happenings of Interest by and for Home Demonstration Club Women of the County.

"When making smocks, it does not show good taste to put ornamented buttons on figured material," stated Miss Burleson, county home demonstration agent, when she met with the Wheeler 4-H club girls in the agricultural room of the manual training building, May 3 at 10:50 o'clock.

The smock or slips, dresses, and cup towels are to be handed to Miss Burleson next month. The dress contest will also be next month.

Those present at the meeting were: Mary Genthe, Dorothy Lamb, Frances Trantham, Alice Morgan, Thelma Hunter, Aline Coleman, Faye Webb, Viola Lamb, Ira Jo Derryberry, Carlene McBee, Helena Jones, Claudia Stinson, Virginia Burgess, Bobby Swan, Elva Willard, Miss Burleson, and Helen Flynt—Reporter.

Each member present answered roll call by stating a way in which they improved their speech. The foundation of better speech was discussed by the club, and was followed by a talk telling how better speech and character are connected by Blanche Begert. "We should have a constructive attitude toward life," she said and continued, "The voice should be used both as an inspiration and as an exercise." Daphne Pough in her speech concerning the effects of poor speech on children said that it was very essential that we older people watch our English in the presence of smaller children.

A lengthy business session was held consisting of plans and arrangements to be made for the basketball banquet which the club women were to serve.

Those present and served by Osie Keese and Myrtle Jones were: Annabel Abernathy, Ida Begert, Edna

Begert, Julia Dillon, Katie George, Ann Hamilton, Myrtle Jones, Marye Johns, Bessie Johnson, Maud Keeper, Jaunita Levitt, Grave Lee, Rubye McCoy, Dazy McCoy, Beula McMillan, Hattie Owens, Daphne Pough, Edna Richardson, Beula Reed, Emily Richardson, Ruth Trout, Theo Trout, Olive Warren, Josie Holmes, Ade Wileman, Blanch Begert, Winnie Kiker, Ella McCoy, Doris Richardson and Marye Jane Williams, Emma Hamilton was a visitor.—Edna Begert reporter.

"A well dressed woman is one who knows what to wear, when to wear it and how to wear it," stated Miss Burleson, county home demonstration agent, to the Briscoe 4-H club girls May 4, in the school building. "One must know how to select the proper colors and patterns as well as be able to know when to wear sports and tailored clothing," continued Miss Burleson.

Those present were: Joyce Sorenson, Clara Helen Seedig, Delma Lee Satterfield, Lola Meek, Berniece Williams, Alma Waters, Laverne Treadwell, Canna Faye Newman, Lena Mae Green, Alva Lee, Dollie Joe Greenhouse, Mabel Alice Smith, Tommie Cook, Augusta Strowbridge, Juanita Johnson, Joy Bill Riley and Miss Burleson. Joy Bill Riley—reporter.

"Your yard is just as individual as your dress," said Miss Burleson in her talk before the Briscoe club, May 4. "One can almost tell just what kind of individual lives in the homes you pass, by looking closely at the house and its surroundings." Kinds of walks were discussed, concrete, cobblestone, flagstone, gravel and cinder being named. Walks should be wide enough for two or three people to walk together on, especially those in front. Neatness was stressed.

Plans for landscaping the club house yard were discussed, and something will be done real soon here. Those present were: Mesdames Zybach, Ramsey, Greenhouse, Smith, Standlee, Vise, Smith, Zybach, Higgins, Anglin, McCarroll and Misses Riley and Burleson. Visitors are cordially invited.

Mr. and Mrs. W. Z. Griffin and Mary Lee gave a farewell dinner Sunday in honor of Mr. and Mrs. J. L. Stephen and sons, Arlie and Leon who left for California Tuesday.

KAPPA BETAS ENTERTAIN AT PORTER HOME

In a setting of lighted candles and flowers the Kappa Beta Club entertained at the home of Mrs. J. M. Porter last Thursday afternoon with a silver tea.

Guests were met at the door by Miss Annie Mae Green. In the receiving line stood Mrs. Porter, Mrs. E. C. Raney, sponsor, and Miss Mary Eunice Noah, reporter. Miss Winona Adams had charge of the registration table.

Dressed in evening gowns, Miss Florence Merriman, Miss Lois Kirby, and Miss Bessie Mae Ficke, ushered the visitors into the dining room. The table was decorated with a maypole, from which ribbons led to a doll queen of May. She was in white, wore a silver crown and held a silver wand in her hand. The queen's attendants were dressed in pastel shades.

May baskets on the table were filled with pink begonia and spirea. Miss Imogene Holbert, president, and Mrs. J. M. Lawrence presided at the table.

Bouquets of tulips and spirea were arranged throughout the house. Miss Kirby, Miss Merriman and Miss Bessie Mae Ficke entertained with music during the tea, which lasted from 5 until 7 o'clock.

The Kappa Beta is a service group of young ladies of the Methodist church.

Bridal Shower At Meek Home For Miss Ewing

An announcement party and bridal shower honoring Miss Ruth Ewing was given Tuesday afternoon at the home of Mrs. C. J. Meek with Mrs. G. O. McCrohan and Mrs. Meek as co-hostesses.

The reception rooms were attractively decorated with spring flowers in the bride-elect's chosen colors of pink and white.

The guests registered at the bride's book which was presided over by Miss Lavelle Jaco.

Tiny scrolls on the refreshment plates bore the message "Ruth Ewing and Ross Dawkins, June 6, 1937, Bardwell, Texas."

Miss Ewing is one of Wheeler's most popular teachers. She came here in 1934. Mr. Dawkins is superintendent at Bardwell where they will make their home. They will be married at the bride's home in Rio Vista.

A gift table was placed before Miss Ewing. She opened the packages and the gifts were placed on display in another room.

Misses Marthals Wiley, Irene Hunt, Parilee Clay, and Orveta Puett served refreshments of punch and bread and butter sandwiches to the guests.

Those present were: Mesdames; Lee Guthrie, D. A. Hunt, H. E. Nicholson, E. T. Cosper, J. B. Crowder, Raymond Waters, Roy Badley, H. M. Wiley, F. B. Craig, Jim Trout, J. M. HENRY FORD RISNER HONORED ON BIRTHDAY

Mr. and Mrs. Jim Risner honored their young son, Henry Ford, with a birthday party Sunday afternoon. He was 10 years old on April 27.

Several games of softball were played by the youngsters.

Refreshments of cookies and punch were served to W. E. Pennington, Robert Bean, Clayton Mann, Gerald Glenn, Quincy Deering, Glen Robertson, Clyde Guynes, Ray Roy McLean, "Sonny Boy" Crossland, R. C. Hale, Alfred Hale, Orval Hale, Adrian and Scotty Risner, and the little honoree.

HOMEMAKING GIRLS WILL ENTERTAIN MOTHERS FRIDAY

The homemaking classes of Wheeler high school are entertaining their mothers at a Mother's Day program and tea Friday afternoon at the home economics cottage.

A very interesting program will be presented followed by a tea. "We are proud of our mothers and we want to honor and respect them."

BRISCOE SCHOOL

State home economics rally was the largest in history.

Approximately 1,400 girls and teachers attended the state rally at Ft. Worth with 270 schools participating. Briscoe took second place in the clothing group exhibit, and third on the school girl's costume graded off the entrant. The latter was won by Exie Francis.

Mrs. L. V. Sivage of Mobeettie entered the Wheeler hospital May 5 for treatment.

Seniors Complete Graduation Plans

Commencement Sermon to be Sunday Night; Class Program Set For This Friday.

Seniors are completing plans for the commencement sermon, graduation exercises, and the class night program. All of these activities will take place in the auditorium-gymnasium.

Rev. C. C. Merritt, local Church of Christ minister, will deliver the commencement sermon on Sunday night at 7 o'clock. Seniors will wear caps and gowns.

This ceremony which will climax the commencement exercises will be Thursday night at 8 o'clock. Tom Britt will be principal speaker. Parilee Clay will give the valedictory and Marthals Wiley, the salutatory.

The program for class night, Friday night of this week is as follows: Announcer Ray Norman; history of Magic City seniors, Alice Hinder; history of Wheeler seniors, Raymond Easley; Prophecy, Lois Walker; vocal solo, Dawn Weatherly; Cliftonian, Helen June George; pantomime, class; will Everett Cole, "Adieu, Adieu," class.

Honor Roll Made By 24 Ranking Students

Senior Class Head List With Four Members Making All A's.

Because some of the teachers were unable to grade the test papers, the honor roll was not announced until this week.

There were four students in the senior class who made all A's. They are Marthals Wiley, Lois Walker, Parilee Clay, and Inez Hunter.

Ray Norman, Charles Robertson, and Bonnie Adams made A's and B's. Ruth Faye Garrison made all A's.

The only junior making all A's was Cleo Sewell. Cecil Parker and Ruth Faust made A's and B's.

Four sophomores made A's and B's. They were: Earl Gilmore, Meta Bruston, Clella Beth Moody, and Johnnie Fay Tompkins.

Norma Webb and Gayle Wilson were the freshmen who made all A's. Louise Gentile made a straight B card.

Grady Anglin, Joe D. Bruton, Elizabeth Balch, Maryann Hestlow, Sarah Hilton, and Claudia Stinson made A's and B's in the freshman class.

According to Principal C. E. Witt the grades will be averaged and the winners of the medals will be determined after this six week's grades are announced.

Florene Wright motored to Corn Valley Sunday night.

Billy Burke went to Shamrock Saturday.

Extend Thanks

Both juniors and seniors wish to thank every person who directly or indirectly helped them to put over their various activities during the season.

The seniors wish to thank W. W. Adams for the use of his store for the pie sale. They desire to thank persons who assisted with stage furnishing at both Magic City and Wheeler.

Juniors wish to thank persons who arranged or spoke at the banquet and those who attended the show Thursday afternoon.

Both classes want to thank persons who patronized or helped in their plays, and the school board and drivers for the time given them and use of the buses.

7th Grade Exercises To Be Held May 12

Mary Nell Burke Is Valedictory; Adrian Risner To Deliver Salutatory Address.

Graduation exercises for the seventh grade will be held in the local auditorium-gymnasium on the night of May 12. Some prominent out of town speaker will probably be the chief speaker for the occasion.

The professional will be played by Mrs. G. O. Croghan. Adrian Risner will give the salutatory address. A poem, "Tribute to Will Rogers and Wiley Post," will be recited by Thelma Hunter. A group of girls under the direction of Mal Wynne will sing several songs. The girls are: Mary Nell Burke, Harriet Tinney, Ruby Mae Roper, and Edna Helen Blackman. After the songs Ruby Mae Roper will sing a vocal solo.

Wanda Lee Hyatt will give the class prophecy and Marie Herd will read "Home Swift Home."

Next will come the valedictory address, to be given by Mary Nell Burke.

Medals of honor in each grade will then be presented to their winners by Bob Clark, grade school principal. Last will come the presentation of diplomas by Supt. J. L. Gilmore.

CHEMISTRY STUDENTS CHOOSE PROJECTS FOR CLASS WORK

Projects were assigned to different groups of chemistry students last week.

Food analysis was done by Marthals Wiley and Rutha Faye Garrison.

Bonnie Adams and Ferrol Ficke took the analysis of metals. Stains, dyes and textiles in clothing were made by Ruth Barr, Elva Willard and Wave Wallace.

The study of photography was done by Junior Jamison.

Future Home Makers Win First In State On Emblem

Clay, Wiley To Be Honor Students

Ray Norman, Bonnie Adams, Orveta Puett Also Receive High Ranking Grades.

Parilee Clay was named valedictorian for this year in a faculty meeting April 25. Marthals Wiley, having the second highest average, will be the salutatorian.

When the grades were counted Parilee's average for the four years of high school was 95.32. Marthals had an average of 90.46.

Three other high ranking students ranked were Ray Norman, with 90.15 grade; Edna Adams, 88.88 and Orveta Puett, 86.75.

Marthals and Parilee were on the debate team which won second in the county this year. They too won second at the district meet in tennis when they were freshmen. They have attended school here all their lives.

Parilee is a member of the home making club and the Spanish club. She has represented the school in spelling at the county meet for several years. Last year she won the medal for making the highest grades in the junior class.

Marthals was a delegate to a journalism rally at Austin and the home making rally at San Angelo last year. She is secretary-treasurer of the senior class and a member of the Spanish and home making club. She is president of the local Quill and Scroll society and was associate editor of the Corral last year.

On the basketball team Marthals was guard. She represented Wheeler in essay writing in her sophomore year.

Sleepy Seniors Wish For Beds

The most noticeable thing a trip to Carlsbad does for one is that it almost puts him to sleep. The morning after the seniors got back very few were at school and if one was in the study hall he was sleeping at his desk. When he was going to and from classes his eyes were opened just enough to see.

Gilmore Gives Achievement Tests To better standardize the schools of the county, Supt. J. L. Gilmore gave achievement tests last week to students at Corn Valley and Magic City.

\$5 Prize Presented To Mrs. Whitener At Meet In Ft. Worth

Instructor Attends Breakfast At Texas Hotel With Officials.

Future home makers of Wheeler were awarded a \$5 prize for winning first place in group B division on the emblem they submitted at the state meet in Fort Worth last week. Dr. L. A. Woods presented the prize to Mrs. Gordon Whitener, home ec. instructor here.

The emblem consists of a large star with the letters T E X A S in each point of the star. In the center is a picture of a home with the words "Future" written over it and "Home Makers" written under it. Below the picture is the following poem: "It is for time we manage so well, 'E' is for economy you can all tell, 'X' is for X-ray we take of our food, 'A' is for abilities developed so good, 'S' is for sewing so well understood.

Future homemakers we all are; Test us and we'll average above par.

Mrs. Gordon Whitener, Lavell Lusk and Claudia Stinson were the delegates who attended the meet.

They met with 1,400 students and school teachers in Fort Worth, where there were 280 schools represented in the class B division.

Mrs. Whitener had the distinction of being invited to a breakfast in the Texas hotel with 12 officials of the state department and a few home economics teachers. At this breakfast, committees were appointed to work on the 10-month program of teaching home ec. in Texas.

Mrs. Whitener was appointed on a committee to study a report to be handed in by the teacher and the pupil.

The girls and Mrs. Whitener visited T. C. U., Lake Worth, and attended a banquet at the Crystal Ball Room at the Texas hotel.

Money won as a prize will be used to buy silver forks to use in the home ec. cottage.

Mrs. Whitener wishes to express appreciation to M. L. Moody editor of the Times, for making a cut of the emblem which was entered in the contests.

Speakers Are Selected By Seniors The senior class held a meeting Monday morning to decide on their graduation exercises. They voted on speakers and set a time for the exercises.

Aim: To record accurate accounts of school happenings interestingly.

WE ARE INDEBTED

The entire year is spent in studying books about the wonderful sights of the world. Of course the students are impressed somewhat but not particularly. Trips to the Carlsbad caverns, Palo Duro canyon, the Fort Worth home making rally, Granite, and numerous other places have enriched the practical knowledge of those having the opportunity to go. Banquets, parties, picnics and receptions are essential to develop social graces. A pupil needs a well-rounded education. Plays and programs for these trips and social entertainment not only help raise money but teach those participating how to speak in public.

Learning to meet and talk to people of other places means enlarging one's education.

The work of the students, faculty and board is appreciated by all those concerned.

OUR HOUSE STOOD AND PROSPERED

"A house divided against itself cannot stand." Each boy who has participated in athletics has helped to make Wheeler the school that it is. Many persons who never heard of the small town of Wheeler, learned about it during the past term. It's athletic accomplishments have made a fairly well-known town. This it could not have done without the boys who worked faithfully at the game, trained, and followed the coach's instructions.

Football was our strong point. Wheeler got several write-ups in the larger papers. However, the boys all say that the support of the school and town helped them a great deal. So even we had a small part in placing the crown on the Mustangs' heads. Also there was the district track meet. By hard work and scheming the coaches and the boys brought home the honors. Wheeler has also developed several outstanding boxers. Although not winning the county in basketball, the boys had a good team. The girl's sportsmanship in basketball attracted some attention. Wheeler has also developed some outstanding tennis players in both girls and boys. The volley ball girls brought honors to the school by taking first at county meet.

Of course athletics is not everything. At the Interscholastic League meet a few first place ribbons were

FROM OTHER BRANDING IRONS

The Hamilton junior high school paper, in Oakland, Calif., is very proud of its football players—a few of the stars especially noticed are—the second string water boy, the right hunchback, the draw back, the left out, third assistant pencil sharpener, and the mascot.

The exchange editor adds—the substitute bench warmer, the second best marble shooter, and the assistant Corral sports writer.

Very, Very True

You can always tell a freshman
By his green and foolish stare;
You can always tell a sophomore
By the way he combs his hair;
You can always tell a junior
By his smile and friendly clatch;
You can always tell a senior, but you
Can't tell him arround.

—The Hurch, Creston, Iowa.

An Ohio professor says he finds five kinds of dumbness. Now it seems incredible that a prominent man like that should have met so few people.

—The Prairie, Canyon.

What a grand idea! If Wheeler would only do that! But on the other hand the poor boys would be too bashful to ask the girls for dates and would consequently have to stay home.

We are proud of the distinction brought to Wheeler this year and we hope in the future to have even more and bigger honors to brag about.

SNUBBING POST

Hi, youse guys and youse dames! (Results of the gunman show last Thursday afternoon). Seriously, it was rather boring. It had a little love mixed with it—and that's what makes the world go round.

There is something about Ethel Claire that Guy likes—did you notice the lovely aroma drifting through the halls one day last week? It reminded one of "Evening in Paris"—or else an evening in the refinery!

A couple of cute grade school boys—Harry Garrison and F. B. Craig. Last Thursday an overheard conversation between the two ran something like this:

F. B. What you doing with so much money?

Harry: Oh, I'm gonna take myself and some girls to the show.

F. B. Oh, smart guy, huh?

Harry: No, ladies' man.

The journalism class had a line party last Tuesday night. Exactly three members were present. It was a real snappy show!

Colorful names given by the juniors—several dynamic speeches made. Despite the pleas made by the Corral for the gentlemen (?) to escort some poor damsel to the festival—not many dates were present.

A popular faculty member—"Poppa" Bill Zirkle. "Obie" Stephen's shirt is just the color of a nice bunch of juicy grapes. Not a new hit, by far, but always popular—"Dark Town Strutters' Ball."

Likable personalities even if their names are long—Mary Belle Johnston, Emma, Alice Wharton, Bobbie Rye Swan, Elva Belle Crouch. Did you ever notice Ruth Faust reading? She frowns very intensively. Ruth, don't you know that makes wrinkles?

Geraldine—old-fashioned, or rather (Continued on Page 3)

The Lasso's Noose

We wonder why the junior class sponsor didn't leave the students in the reformatory at Granite Thursday. We think it would have been a good thing for the whole school because then there would be no worries about a trip to Carlsbad next year.

Calvin Harmon doesn't seem to have a conscience. At least he told Miss Hohbert he didn't think he did when she asked him if this particular organ hurt him. He said his stomach hurt though. He seemed to think that was his punishment.

Ray announced that he wanted to be sure to watch the sun drop an hour at the state line between Texas and New Mexico when the seniors came back Sunday.

We wonder who could have got Ray Holley's winner at the agriculture picnic last Tuesday night?

Is Erskin Sherwood's seat behind the journalism students as just story there the short of it? Kinda getting up a case aren't you, children?

We Would Drop Dead If—

The seniors were to stay awake in the study hall after a Carlsbad trip. Irene were to go with only one boy at a time.

Maryann Hestlow were to act her age once in a while.

Albert Gunter were to get to school on time one day.

Mary Gentle were to get to school on time with her heart's desire.

All the juniors were to agree on one thing at the same time.

Dorothy Winkler would get that ring from Miami she was heard talking about.

It was warm enough to wear spring clothes.

The journalism students would turn in some copy on Friday.

The sand decided to quit blowing.

There was a senior who was peppy Monday.

Milton Moody did not wear suspenders to school.

"Obie" Stephens did not have to be told to get out his book and start studying.

If all the students were exempt on finals.

Some one would put some gossip in the gossip box.

Can you imagine Junior Jamison talking to Marilyn Johnson in Mr. Witt's study hall? Everyone thought that Junior had sworn off Magic City.

Seen talking in the study hall: Bob Noah and Dorothy Winkler and everyone thought Bob was a woman hater. What we don't know won't hurt us.

Was it because there were several boys present that Elva Bell Crouch tried to faint in front of the theater Thursday evening? Could it be (Continued on Page 3)

Football Boys Plan Fall Training Camp

Coach Clark's Farm is Again Site Of Workouts For Mustangs

Coach Bob Clark has just announced the date for the annual fall training camp to be held in Missouri in August, if present plans materialize. The boys will leave Wheeler on August 14 and begin spring training on August 16. They will return home August 27.

The site of the camp will be just out of Noosho, on Coach Clark's farm. This is the same place that last season's championship team had their fall practice and then came back and won district 2B by not losing a game.

Coach Clark stated that 25 boys will make the trip to Missouri. The boys going are: Page, Adams, Shipman, John and H. V. Compton, Glenn, Noah, Wright, Alton and Glen Weeks, Ender, Green, Glenn, Graves, Puckett, Hall, Rod, Williams, Prince, Markham, Stephens, Pitcock, Homer and Arnold James, Hale, Ferris, Flint, Moody, Asher, Crowder, Hampton, Barnes and Davis.

Coach Clark also declared that some eight or ten more boys will probably go. He has only seven letters to begin the 1937 football season with, but said, "we may not represent district champions, but they'll know they're playing us."

Bob Clark Changes Opening Game Date

Coach Bob Clark is trying to open the 1937 Mustangs football season on Sept. 3 instead of Sept. 10, so as he will have an open date the next week. The reason the coach wants to open a date on Sept. 3 instead of Sept. 10, he wants two weeks of practice before the Mustangs play the fighting Wellington Skyrokers in Wellington.

The annual spring training came to a close last Thursday when a hard scrimmage session was held. Suits have been turned in and the Mustangs are now waiting for their training to be held in Missouri next August.

JUNIORS PLAN TO SPEND DAYS' VACATION AT GRANITE, OKLA.

Plans for the junior day were made at a class meeting Monday. The class decided on Granite as the place where they would spend their day's vacation.

Bonnie Morgan, bus driver, and Wilma Adams, sponsor, accompanied them on this trip set for Thursday of this week.

EXAMINATIONS BEGIN MONDAY MORNING

Final examinations will be given on Monday and Tuesday of next week. The classes will be held in their regular order, with each exam taking two periods. Pupils will not come to school Wednesday. Thursday the students will check in their books and receive their report cards. Teachers will assemble again Friday to make out records and count books.

SPORT SLANTS

By a Mustang

Everyone already knows about it, but I'm going to talk about it anyway. Bob Clark is staying here to coach for another year, believe it or not. During a recent school board meeting a new contract was made and he has agreed to stay another season.

The annual fall training camp will be in Missouri again around the middle of August. Last season's championship team was made in Missouri (anyway, that's what I believe). The boys worked out about four hours every day and when they came back to Wheeler they were in excellent shape.

W. J. Ford, Wheeler's one man track team, has entered the state meet at Austin for this Friday and Saturday. This is the first time that anyone from Wheeler high school has ever entered in the state meet held every year at Austin.

At the regional meet at Canyon he placed Wheeler fourth in the meet with a first in the javelin and second in the shot put. He will enter in the discus, shot put and javelin at Austin. Here's wishing "Big" Ford lots of luck.

Clark, Grid Mentor To Coach Mustangs

Coach Bob Clark will remain as head coach of the Wheeler high school Mustangs, but he formerly decided to go to Erick and accept a coaching position there. Clark made this decision following a school board meeting Friday night. He was scheduled to report for work at Erick in the fall.

Clark gave Wheeler high school its first district football title and coached the track team to district honors. The basketball team lost county honors by one point. He is also an enthusiast of hand wizard and magician.

On June 1 Clark will leave for New Mexico and Arizona where he will make personal appearances at CCC camps. This tour will end June 30. The rest of the summer he will spend in the woods of Minnesota, where he will instruct swimming and diving at Canadian - Border lodge near Ely, Minn. He will also conduct a canoe tour into Canada.

JOURNALISM CLASS TO VISIT NEWS GLOBE, HELIUM PLANT

As a reward for working hard on the paper all year, the journalism class plans to go to Amarillo and Canyon Saturday. They will leave on a school bus early Saturday morning. Among the places they hope to visit are: News-Globe, Russell Stationery Store, McCormick Engraving Co., Helium Plant, Palo Duro Canyons and the museum at Canyon. This year's students who are going are: Huffman Walker, Amos Page, Aubrey Warren, Milton Moody, Irene Hunt, Cleo Sewell, Bonnie Adams, Louis Walker, Helen June George and Maxile Wilson.

Among the former students who go are Marthals Wiley, James Fassons, Dawn Weatherly, Orveta Puett, Mazie Burt, Marvin Montgomery, Laverna Oles, Evelyn Baker, Loney Mae Tillman and R. J. Puckett, Louis Jones and Theodore Connor.

SEEN ON WEEK-END TRIPS

At Carlsbad

Miss Holbert's hat on "Dip," W. J. Bonnie, Alvis, Bill, Bob Parilee, Ferrol, Marthals and Mrs. Perrin. Ferrol asking if W. J. could kneel like a horse. (She must neigh). A blow-out and five flats.

Bill Perrin telling Ferrol her name in Spanish is Caballo. (translated meaning horse). Wallace and Orveta - Ruth Faye and Troy all during the trip together. A "T" skid.

A white-sailer had slowly turning brown. Troy free after leaving Ruth Faye in Amarillo.

Saturday night Bonnie, W. J. Parilee and Alvis attended the preview. Dawn winning arguments from Herbert.

People from Hawaii. Lillie Mae and Dorothy Lee being the first to get out of the cavern.

At Fort Worth

The crowd stayed in three countries at a drug store on route. Everybody thinking Mrs. Whitener was one of the girls.

Laovell Hirling with the driver. Lavell and Claudia going to Lake Worth and getting locked up. The girls taking the best beds and letting the teachers sleep on cots.

The most girls I ever saw in my life. Some of the queerest looking teachers.

Lasso's Noose

(Continued From Page 2) possible that she wanted some attention?

Ruth Faust was heard to remark that George Campbell wasn't so bad looking after all.

Feature-Valma Hestlow putting a rat's tail in her mouth. It happened to be a rubber rat.

Aubrey Warren writing a head for a news story, seemed to want to put the juniors in a reformatory at Granite.

Olen Maxwell sang these words, "Now she's gone but I don't worry. I'm sitting on top of the world," all the way home from Carlsbad. Do you suppose he really meant deep down in his heart, "I'm gone and I'll bet she don't worry?"

Junior Jamison's latest ambition: To be awarded part interest in the Wheeler Times. How about this, Junior?

It seems that J. D. Badley has a new name. All the boys are calling him "moo cow moo." For further information see some of the high school boys.

Seniors Have Tire Trouble Enroute To Famous Cavern

Students Enjoy Three-Day Trip To New Mexico Despite Difficulties.

Friday morning at 7 o'clock the seniors left on their annual Carlsbad trip. The first stop was for 30 minutes in Amarillo, followed by a blow-out just before reaching Friona.

The group stayed in Clovis for about five hours sending a telegram home for money and waiting for a reply.

A flat delayed the seniors and their sponsors some time a short distance from Roswell. Finally they reached the city of Carlsbad about 3 a. m. Saturday.

After the short nap and breakfast the students started for the Caverns. About 10:30 they entered the caves to view the wonderful underground sights.

Late in the afternoon they returned to their camp in Carlsbad for the night.

There was 1,435 persons going through Saturday. Fifty-four school groups were represented, 16 being from Texas, 36 from New Mexico and two from Oklahoma. Two people were from Hawaii.

In Parties the group talked to Mammie Lee Starkey, an ex-graduate of Wheeler. She is attending New Mexico Junior college there. The group arrived in Wheeler about 12:30 a. m. Monday morning.

Four Juniors To Join Quill, Scroll Society

In a formal initiation to be held Friday, four members of the journalism class will be made official members of Quill and Scroll, an international honor society for journalism students.

The names of Huffman Walker, Aubrey Warren, Amos Page, and Irene Hunt were sent to the headquarters by Miss Bernice Addison, instructor. These students are all juniors and in the upper third of their class in scholarship.

Marthals Wiley, president of the chapter here, will install the new members. Those who are taking journalism, have had it, or plan to take it next year are invited to attend the initiation which will be held at the home ec. cottage Friday afternoon at 2:30.

County Men Start New Industry

This may be good news to bald-headed persons who think something ought to be done about it.

A group of Wheeler county men is in possession of a formula which one of them claims to have developed, and which is claimed with equal emphasis actually to have caused a nice stand of hair to grow on a pate that once was as bald as the palm of your hand.

According to Sid Garrison of Shamrock, the discovery was made by Joe Daniels, chemist with the Midwest refinery, while employed in the Oklahoma state laboratory at Oklahoma City.

Daniels, said Garrison, had been bald for several years and began experimenting and studying to discover a remedy. Finally a compound of rare and expensive ingredients was found to do the trick. Persistent and regular applications of the concoction is said to have resulted in a healthy growth of hair.

Garrison himself tried it, for he was still developing a bald spot on top of his head. He has used it only a short while and it is getting the job done, he declares.

Garrison and Daniels, together with Harry Dugger, Shamrock, groceryman, have formed a company to manufacture and market the product, which they have named "Second Growth." They plan to establish the main office and laboratory in Shamrock and will put 10 or 12 salesmen on the road introducing their remedy. They will sell first through barber shops, perhaps later placing it in drug stores through jobbers.

University Museum Has Gruesome Curio

AUSTIN.—Shramben to the size of an orange the "curio," or mummified, head of Ayule, a chief of the Jivaro tribe of Indians in Ecuador, has been presented to the anthropology museum of The University of Texas, through Dr. C. D. Hearne of the health department of the Panama zone. This head, almost black in color, still bears its long black silky straight hair and thick black lashes. The features are perfectly preserved, and ears and lips are pierced for ornaments.

THE POET'S CORNER

TO MY MOTHER

Two things have I to be thankful for On this beautiful Lord's day.

One is my graduation without mar And the other is my mother this May.

Many girls, not as fortunate as I, Are graduating without a mother there.

While others so carelessly pass it by Without a thought of her love and care.

Eighteen years she has taught me, And led me in the paths of right; All her life she lives for me to see The things I should do, and those I might.

So when the close of life is come And I look back upon this day and see, I'll remember my graduation some And thank God for the mother He gave me.

PUBLIC FORUM

To the Editor:

Some one has said "procrastination is a thief of time."

A habit we have of waiting until tomorrow to do something, that should be done today is a proof that this old saying is indeed an axiom.

In May is Mother's day. When we realize that this day may never come does cost, it seems that we would be well wiser.

A day's time makes great changes in some things.

Some have made fortunes and others have lost all, wars have been declared, peace treaties signed and many really big things could and have happened in this length of time.

Have you ever wished for the next day to hurry and come and bring a solution to some petty problem?

Have you thought that many others may be wishing there were more time in which to do something.

If on November 11, 1918, the signing of the Armistice had been put off until tomorrow, think of the loss of life, the cost and anything else that might have happened in 24 hours.

If a thing should be done today it is not likely to help by waiting until tomorrow.

Each day's tasks of anyone who has anything to do, are usually sufficient unto themselves and you will seldom have time to do leftover tasks. In case you have forgotten.

If you are entitled to wear a red flower in honor to a living mother, don't wait awhile and so fail to send that gift or letter to her before May 9th. She will be expecting something.

za," could be purchased by the museum for not less than five or six hundred dollars, according to Helen Donovan Barnard, in charge of the museum. Hartsaw obtained a complete history of the head from an Ecuadorian official who seized it while attempting to stamp out the practice of "curing" heads, Mrs. Donovan said. He desired that it be given to the University, and transmitted it by Dr. Hearne to be placed in the Mary Hearne collection, named for the latter's daughter, who is a student in the university.

Health Officer Urges Diphtheria Prevention

AUSTIN.—A health slogan applicable to May Day Child health day, "Immunize Now—Stamp Out Diphtheria," is designed to intensify the campaign against one of the most deadly foes of children, diphtheria, according to Dr. George W. Cox, state health officer.

If parents would have their family physician administer toxoid to their child as soon after it reaches the age of six months as possible, much suffering and many deaths could be prevented.

The administering of toxoid is a very simple procedure and causes the child little or no discomfort. In approximately ninety per cent of the children receiving toxoid, there will be established a life long immunity to this disease.

To be sure, four to six months after the final dose of toxoid, the child should be rechecked to see that parents will know definitely whether their child is immune. The test consists of just a few drops of diphtheria toxin between the layers of their skin. If the child is immune, no reaction will be noticed. If not, there will appear redness at the site of the test that reaches its height the third or fourth day.

PERFECTION-MADE SUPERFEX
The Original Oil Burning Refrigerator
MEETS EVERY DEMAND FOR RURAL SERVICE

NO Electricity
NO Running Water
NO Moving Parts

● Farm life demands a refrigerator specially designed and built for rural service. Nine years ago the Perfection Stove Company created the SUPERFEX oil burning refrigerator which has since been proved in thousands of rural homes. Today its modern beauty and its super performance make it the ideal refrigerator for your home.

The exclusive Super Condenser top is cooled by air and water. The kerosene burners are "on" only 2 hours a day and go out automatically—no constant flame—but you have modern refrigeration all the time. These features give SUPERFEX the lowest operating cost of any modern refrigerator.

It's built to last a lifetime and you can use it or move it anywhere. It needs no electricity, running water, or piping connections. Styled for permanent satisfaction, equipped with handy door racks and adjustable shelves. It makes ample ice cubes and gives you the daily joy of cool drinks, tasty salads and frozen desserts. It pays for itself by its savings—and we have extra easy terms for you. Let us demonstrate it in your own home—then you will see and know the difference!
