## Wheeler Has First Game Friday Night

### Mustangs to Open Football Season Against Wellington 'Rockets on Local Gridiron

Ready and willing—though hardly prepared—to test their skill, speed and strength, the Wheeler Mustangs open the 1941 football season in a home game against the Wellington Skyrockets tomorrow, Friday night. Beset by a full share of obstacles common to football, the Wheeler lads are cognizant of the ruggedness of their opponents and the stiff contest facing them.

Yet they are eager to enter the fray and carry on the honored traditions of Mustang squads who have gone before them by playing the game fairly, cleanly and to the very best of their ability. Few have been the occasions when a Wheeler team or player even appeared to falter in giving its or his best. The custom has been an honorable defeat in preference to a dishonorable victory.

And each succeeding team, regardless of the foe, has given its best and tomorrow night, The Times predicts, will be no exception. The 'Rockets unquestionably hold a strong edge over the Mustangs.

Loss through graduation of most of its lettermen crippled the Mustangs. Absence of a regular coach has been another serious handicap. It was thought, just before school opened, a full-time, experienced coach had been employed. A more attractive offer took him elsewhere. Efforts to obtain another have thus far failed.

In the meantime, recourse has been had to the services of Gordon Phillips as mentor. Phillips has not specialized in this work, but directed his talents more along other lines. Yet, with a knack for teaching and natural leadership, he has been able to encourage an excellent degree of co-operation and enthusiasm among the boys. This mental attitude, combined with considerable gridiron technique, has produced a very creditable football machine that bids fair to give a good account of itself before the season closes.

The main team roster consists of more than 20 candidates, many of whom give promise of worthy performance. The list, with tentative positions, follows:

**BACKS**—H. Whitener, C. Pendleton, F. B. Craig, O. Burton, C. Farmer, L. Johnson, J. Hall.

**ENDS**—H. Garrison, C. R. Riley, G. Henderson, T. Hyatt, J. Weatherly.

**TACKLES**—K. Reeves, W. A. Goad, W. C. Noah, D. Hunt.

**GUARDS**—L. Pendleton, J. Johnson, W. Herd, C. Pettit, C. Guynes.

**CENTERS**—L. Lamb, D. Red.

If local supporters of the team show their customary loyalty and enthusiasm tomorrow night, a good crowd and an interesting game—regardless of its outcome—is assured. The gates open at 7:30 and the game starts at 8 o'clock. Usual admission prices will prevail.

## Canadian Youth Weds Mobeetie Young Lady

Miss Lavern Dysart, Mobeetie and Mr. Arthur B. McPherson, Canadian, were united in marriage at 3 o'clock Thursday afternoon, Sept. 18, at the home of the bride's parents, Mr. and Mrs. C. A. Dysart, in Mobeetie, with the Rev. Ted Ewing reading the simple ceremony in the presence of Mrs. Ewing.

Mrs. McPherson has many friends in Mobeetie where she has been employed at the First State Bank since graduating from high school.

Mr. McPherson is well and favorably known in Canadian, where he has lived for some time and is employed as engineer for the Santa Fe railway company.

Mr. and Mrs. McPherson left immediately following the ceremony on a honeymoon trip to Chicago, Ill., and Washington, D. C., to visit relatives for a short time.

They will make their home in Canadian.

## PUCKETT'S STORE INSTALLS MODERN MEAT DISPLAY UNIT

On Tuesday night of this week, Puckett's Grocery & Market installed a modern Koch meat display unit of latest design and appointments. In addition to its refrigerating feature, the unit is equipped with indirect fluorescent lighting fixtures to reveal the counter's contents to the best advantage as well as greatest convenience to the customer.

Finished in gleaming white and shiny black inside and out, the new fixture is a thing of beauty as well as utility.

## ATTENTION, WHEELER CITIZENS!

Your co-operation and help is earnestly solicited.

Bud Martin, district attorney, and C. G. Miller, Times publisher, were recently appointed as a committee to solicit attendance of Wheeler business and professional men and women, and others, at surrounding community gatherings.

First among these is the Kelton Community fair which will be held tomorrow, Friday. The committee wishes to see a large delegation from Wheeler attend this fair. Everyone who possibly can is urged to take off at least a little while and visit the exhibit and meet the Kelton folks and let them know Wheeler appreciates their friendship and their patronage. It need not take long—visit Kelton Friday.

The next similar event will be at Allison on Oct. 10, when the committee again requests Wheeler citizens to show their goodwill and interest by attending Allison's first annual fair. Let's go!

## Legislative Measure Saves County \$26,000

### Passage of Road Bond Assumption Bill Effected in Special Session Last Week

A special session of the Texas legislature ended at noon last Friday after passage of the much-discussed road bond assumption bill. A few minutes later Gov. Coke Stevenson signed the bill and it became a law.

Passage of the road bond assumption measure, for which the special session had been called, will save the taxpayers of Wheeler county approximately \$26,000 this year and almost that much next year. It will affect most Texas counties in a similar manner and it was through their efforts the special session was called.

Capital observers say it has been many years since the legislature has proceeded so swiftly in its work and that only routine labors remained for the final day of the session. Usually it smashes through to the closing moments in a mad scramble to clear up remaining business and frequently becomes involved in a hopeless tangle.

The senate placed a firm ban on local bills that often consume much time and cause more or less confusion; the governor had submitted only the bond financing question in his call. Only two bills were passed in the 10 days the legislature was in session—the bond bill and the usual \$150,000 expense account item.

## Close Reforestation Plant Here this Week

Removal of equipment and supplies from the Cam Austin building, preparatory to closing the local reforestation plant, is in progress this week. This action is a result of reduced appropriation by congress for forest service work and necessity of sharp curtailment of the program.

The sub-district offices here and at McLean are both being discontinued and the fixtures moved away.

Of eight civil service employees in the Shamrock district, only two are retained. They are Ralph V. Johnston in charge of the Shamrock office and who will supervise Wheeler and a part of Gray counties, and Wm. J. Grigg at Wellington for Collingsworth county. According to Johnston, the reduction prevails throughout Texas and Oklahoma, with extensive consolidations in both states to keep within financial limits.

Wheeler county has an allotment of 30 miles of shelterbelt planting for next year and of this amount 26 miles have already been signed up, indicating the program's popularity here. There is a possibility, it is said, of increasing the local allotment if some of the other counties in the district should decide to relinquish a part of their quota.

## AMARILLO RADIO STATION TO PUBLICIZE PANHANDLE

Panhandle newspapers and the people of the many towns will be featured in a program over KGNC, Amarillo, Sunday morning, Sept. 28, at 7:45 o'clock. The program, named The Exchange Editor, will be heard every Sunday.

Lewis Nordyke of the Globe-News staff will conduct the informal program. Much of the material will come from weekly newspapers.

The station said the program was offered as a sort of regional announcement service, and that the various community projects would be publicized. An effort will be made to cover the Panhandle on each program.

## Fall Term of County Court Starting Oct. 6

### First Week Non-Jury; Second with Jury—Heavier Docket than Usual in Prospect

The regular fall term of county court will open here on Oct. 6, it was learned yesterday from Judge D. A. Hunt, who will preside. The judge declared that present prospects point to one of the heaviest dockets of county court in a long while.

Some 12 or 14 actions are expected to require jury service, it was stated. These will be in addition to the minor cases usually appearing in a county court term.

The first week, starting Oct. 6, will be non-jury. Owing to the regular commissioners court session scheduled for Oct. 13, county court will reconvene on the 14th, the date on which a panel of 36 petit jurors is expected to report for possible service.

### Petit Jury List

The petit jury list, as released from the office of County Clerk Harry Wofford, includes:

T. A. Greenhouse, Jack Miller, Charles Nixon, jr., Clebron Turner, C. H. Candler, R. G. Lancaster, Fay Bearden, Hugh Lane, G. L. Orr, G. C. Wright, C. F. Melton and Ike Heare, Mobeetie; R. Wm. Brown, Ernest Dyer, W. H. Black, R. G. Russ, Harold C. Shively, E. Tillman, J. A. Bryant, S. D. Conwell, W. L. Erwin, P. L. Farmer, Evert Goad and Deward Wofford, Wheeler; C. V. Brown, Edward Burkhalter, Ace Henderson, B. F. Risinger, W. J. Stephens, H. H. Reeves, A. F. Burnaugh, L. E. Clay, B. D. Howe, C. E. Johnson, O. C. Hager and L. S. Griffin, Shamrock.

## Hemphill County Man Killed in Auto Crash

Vance Morehead, 45, of Canadian died Sunday from injuries received in an automobile collision six miles south of Laverne, Okla., and about 33 miles northwest of Woodward. Charles Rigby, 27, also of Canadian was seriously injured and Charles H. Nicola of Alva, Okla., died in the crash which occurred at the intersection of U. S. Highways 270 and 283.

Morehead, a longtime resident of Hemphill county, had been a farmer and rancher until recent years when he was engaged in the construction of earthen tanks as a part of his duties with the government soil erosion control program.

Morehead is survived by his wife and two daughters, Miss Iola Morehead, who is attending WTSC at Canyon, and Mrs. Elnor Hemphill of New Mexico and his parents, two brothers, six sisters and a number of other relatives.

Funeral services were conducted Tuesday afternoon by Rev. Uel D. Crosby of Canadian assisted by Rev. O. C. Evans of Briscoe, at the Washita school house, followed by interment in the Washita cemetery.

## Paul Brannon Starts Station at Mobeetie

Addition of a second Panhandle Service station, located at Mobeetie, is announced by Paul Brannon, proprietor of a station just west of the City Drug Store in Wheeler, and who is sponsoring the new station which was opened to the trade last Saturday.

With Ebb Patton as operator, the station is located just west of Brannon's store, owned by J. M. Brannon, father of Paul.

Both service stations will retail and wholesale Panhandle products—gasoline, oils, greases and kerosene—from whence the name Panhandle Service stations is derived. In a neat and attractive building, at an advantageous location, the new Mobeetie station will make a strong bid for its share of patronage.

## Chic-O-Line Schedule Starts in The Times

Utmost confidence in their product, together with selection of the best publicity medium for the region, is exhibited by the Chic-O-Line Feed Mills of Hobart, Okla., as that concern presents in this paper the first of a series of nine advertisements extolling the merits of Chic-O-Line feeds.

J. M. Brannon, Mobeetie, and the Briscoe Feed Store are dealers for Chic-O-Line products in this territory.

Mr. and Mrs. Stina Cain and daughter, Carol, motored Saturday to Amarillo and visited Mrs. Cain's parents, Mr. and Mrs. Ott Eckert, returning that night.

## School Lunch Program for Briscoe Community

### People to Be Commended in Raising Substantial Sum for Project Through Co-operation

That Briscoe is a community where the people work together, and get things done, is evidenced by a report received from there today. Joining forces, three groups and other citizens not allied directly with any of them, have raised the sum of \$461.50 in cash with which to erect and equip a building for serving hot lunches to Briscoe pupils during the current school term. In addition to the cash, pledges total \$99.50 more.

The hot school lunch project had been discussed separately at various times by the Community Agricultural association, the Parent-Teachers association and the school board. More recently, with the opening of school, interest became greater and resulted in a joint meeting of the three bodies, together perhaps, with other interested parties.

Outcome of the combined conference was the decision to see what could be done about it. It was decided to learn if the community wanted it and how badly—in dollars and cents.

A committee was named, consisting of Herbert Finsterwald, Mr. and Mrs. Farmer Hefley, Mrs. C. H. Candler, Mrs. R. L. Ramsey and Lee Barr. Their canvass of the area, seeking donations to the project, yielded the handsome returns mentioned. A mass meeting was held Wednesday night with Mrs. Nathan Lummus, new county WPA lunch supervisor, present to offer suggestions.

It is planned to erect the building and equip it at the earliest possible moment, after which the service will be instituted. Considerable aid through WPA channels is expected and, together with what the Briscoe folks have already done, should carry the program forward in a wholly satisfactory manner.

It is hard to put in words the genuine admiration entertained for a community which will "take the bit in its teeth" and go right out and perform in so commendable a manner for the benefit of its present and future adult citizenry.

Men and women of the present are benefited by the knowledge that they have achieved something worth while through united effort, and the men and women of tomorrow will be benefited by the more palatable and nourishing food provided for active boys and girls through the hot lunch program. Sincere compliments and congratulations to the enterprising people of Briscoe community.

## WHITENER BUYS SUBURBAN HOME OF RAYMOND WATERS

Raymond Waters of Lubbock came Thursday of last week and spent the night with Mr. and Mrs. J. H. Richards, east of town. While here, Waters sold his suburban home and acreage on Highway 152 at the west edge of town to Mr. and Mrs. Herbert Whitener.

The new owners expect to move to their future home about the first of October.

M. L. Gunter of Muleshoe spent the week end in Wheeler with his mother, Mrs. M. L. Gunter, and family.

## Monday Named Wheeler County Day at Tri-State Fair in Amarillo

### Affords Opportunity to Meet Gov. Stevenson—Cash Attendance Prizes are Offered

Following a visit here this morning by the Shamrock Chamber of Commerce secretary, who contacted several local men on the subject, H. M. Wiley reports that next Monday, Oct. 4, has been designated Wheeler County Day at the Tri-State Fair in Amarillo, which also opens that day.

Gov. Coke Stevenson of Texas, who succeeds Senator W. Lee O'Daniel as head of the state government, will be an honored guest at the opening day of the fair.

In connection with this and to afford as many people as possible from this county an opportunity to meet the governor—and give the fair a good start-off—Monday has been selected as the day when Wheeler county people are especially invited. They will also be welcome on any other day, of course.

For Monday, however, a cash attendance prize of \$100.00 is offered. In order to compete for this, it will be necessary to register at the Merchants Building while in Amarillo. Regarding this, Wiley stresses the

## "NORTHERN LIGHTS" SEEN HERE THURSDAY NIGHT

Many Wheeler people, some for their first time, saw a vivid display of "northern lights" or the aurora borealis, last Thursday night. Mrs. J. L. Gilmore, passing the Times office on her way home and observing the force at work, phoned to tell of the phenomenon. The display consisted of a brilliant silvery band low across the northern sky, with occasional "fingers" or shafts of light extending toward the zenith. Reports say that coloring was not so apparent here as farther north, or even on other occasions here. It continued for several hours, which is not generally the case. Usually a few minutes or an hour or so terminates the lights' duration.

## Second, Third "First Bales" Reach Wheeler

### Roy Lamb Brings in Second Monday and Mrs. McClain on Tuesday—Each Share in Bonus

Wheeler received its second and third "first bales" this week. On Monday Roy Lamb brought in the second bale and on Tuesday the third was delivered from the Mrs. R. L. McClain crop. Lamb's bale was ginned at the Wheeler Co-op gin and the other at the Farmers Co-op gin.

Lamb also brought in a fourth bale Tuesday after the delivery of the McClain cotton. There is a nice little courtesy in connection with this which should not be improper to relate.

Lamb could easily have taken third bale honors, also, with its extra financial feature, but deferred delivery to allow Mrs. McClain to claim the credit and added premium money. Those familiar with the facts, including an extended illness of Mrs. McClain, will approve and appreciate Lamb's action.

Each of these producers will share in the "first bale" bonus money donated by Wheeler business concerns and individuals, which was published in last week's paper. Besides this, each of them will receive at the rate of \$75.00 per ton for the seed from their cotton. H. M. Wiley, Wheeler Cotton Oil company manager, has authorized purchase at this price, as announced last week by him. He paid \$100.00 per ton for seed from the No. 1 first bale and the lesser price on the next two bales.

Mobeetie received its first bale last Saturday but it was not ginned until Monday. A. B. Lancaster was the grower. It has not been learned what bonus Mobeetie raised this year, but it is noted for doing this act handsomely.

Advices from Shamrock are to the effect that town ginned its first bale of the season on Monday of last week, but reports say it was from Collingsworth county. If this is correct, Wheeler received the first bale of cotton from Wheeler county for the current season this year, which is something of a record. Usually the south edge of the county has cotton ginned from 10 days to two weeks ahead of this area.

## Wheeler Colt Show Date is October 11

### Arrangements Being Made for Trade Area Event Here—Substantial Premium Fund Donated

Although minor details have not been perfected, arrangements are going forward nicely for the Wheeler trade territory's annual mule colt and horse show here on Saturday, Oct. 11.

Following the custom of former years, entries will be limited to residents of the Wheeler trade territory and the show will be conducted along the same general lines as heretofore. A good range of classes is to be listed. Due to absence from the community of Bob Irons on a business trip, the classes of entries for competition and show are not available for publication at this time.

Irons is one of the leading spirits of the colt show. After a survey of sentiment showed a favorable attitude toward the event by Wheeler business interests, Irons circulated a subscription paper last Friday and Saturday, realizing a neat sum which will be allocated to the various classes.

While neither of the lumber yard managers has as yet been contacted in regard to the matter, it is assumed they will have no objection to roping of the street in front of their yards, south of the bank corner, and heartily co-operating, as they have done in former years. City authorities have always readily concurred in closing the street.

Overflow space and hitching facilities have been provided in each of the yards at other shows.

Announcement of who will act this year as superintendent of grounds and show arrangements has not been made. White Whiteley from the Kelton community capably handled that duty last year and if nominations were in order his name would be proposed. Whiteley usually enters a span of draft horses that carries off one of the best prizes offered—a year's subscription to The Wheeler Times. And Bob Irons, with a team of mules, generally captures a similar award.

Both of these gentlemen and their entries will be watched for again this year.

Next week, The Times hopes to publish a list of entries, donors to the premium fund and other particulars about the Wheeler mule colt and horse show.

## W. A. Strickland Dies Recently at Mobeetie

The funeral of William Andrew Strickland was held from the Mobeetie Methodist church on Sept. 12, with Rev. G. W. McLain, pastor, in charge. Interment was made in the Mobeetie cemetery.

Strickland was born in Tipper county, Miss., Nov. 20, 1861. He moved to Lamar county, Texas, in 1886, thence to South Texas in 1887, West Texas in 1898, New Mexico in 1910, and in 1925 to Mobeetie, where he made his home until the time of his death at the age of nearly 80 years.

W. A. Strickland was the only son of James and Emily Jane Strickland. He leaves to mourn his passing one sister, Mrs. A. A. Burch, two years his senior; a nephew, A. A. Burch; a niece, Mrs. Ella Stone-man, of Briscoe and nine great-nephews and nieces. He had never married.

His father died when he was only 11 months old and he grew up in a widow's home, early in life assuming the responsibility of the family. After his mother's death and marriage of his sister, his connections were shifted to that of his sister's home, who had lost her husband in death, leaving her with two small children. He continued to make his home with this family until each of the children had married, after which he made his home with a nephew, A. A. Burch, until his passing. Devotion of uncle and nephew to each other was beautiful, and more so during the last illness; the same may also be said of his other relatives, who so faithfully ministered to his needs.

He was converted and at the age of 17 joined the Methodist church, which he loved with true Christian devotion. Speaking to his pastor just a few days before his death, Strickland said he was thinking of and praying for the Methodist church. When asked how he felt he would say, "O, I have lived long enough; I want to go on." Under such circumstances, the pastor was reminded of a saying of John Wesley, founder of the Methodist church, who observed: "Best of all, our people die well."

## REAL RELIGION

Someone has said, "If we could get religion like a Baptist, experience it like a Methodist, be positive about it like a Disciple, be proud of it like an Episcopalian, pay for it like a Presbyterian, propagate it like an Adventist, and enjoy it like a negro—that would be some religion!"

## THE MENACE OF INFLATION

The administration is much disturbed now over the danger of inflation, and the danger is real. When a government adopts irredeemable paper money, as this administration has done, as its basic system of currency it opens wide the road to inflation.

It was to avoid the hazards of inflation that the founders of our government placed in the constitution the provision that prohibits the states from making any money legal tender except gold and silver. They had had a sad experience with a destructive inflation that resulted from the use of irredeemable paper money and they tried to protect us from a repetition of this experience.

When a country has a metallic basis for its money, gold and silver, inflation is practically impossible. But the present administration abolished the metallic basis for our money, and launched out on the treacherous sea of paper promises. Since a government may promise anything without limitations and pay nothing, the value of money based solely on such promise is as uncertain as the winds.

Many millions of poor people, and people of moderate means have invested billions of dollars in insurance. In 1931, 121 million life, industrial and group insurance policies were in force. Those policies were represented by over 20 billion dollars in assets. The billions paid for these policies were made up of gold dollars, and were the results of hard work, sacrifice and economy.

It would be nothing less than a calamity for a government to cheat the beneficiaries of this sacred fund by paying them off in 25 cents or 10 cents on the dollar. This is the meaning of inflation.

## DISGRACEFUL PROFITEERING

The act of 1,250,000 railroad workers in authorizing a strike because impossible wage demands have not been met, presents the country with a dangerous defense problem.

The railway workers have deliberately refused mediation and arbitration. They have held tenaciously to wage demands which, if accepted in their entirety, would cost the railroads the sum of \$900,000,000 a year—more than 20 times the average net income of the railroad industry in 10 years ending 1940! They have said, in effect, that if

## MANY HANDS MAKE FAST WORK!

NEWS ITEM: SUBCONTRACTING SPREADS DEFENSE PRODUCTION TO THOUSANDS OF SMALL PLANTS.

## OUTCOME IS CERTAIN

The railroads and the government mediation board do not capitulate, a defense program on which the very life of free, democratic government in the world may depend, will be brought to a standstill.

These railroad workers are the highest paid major working group in this country—and that means they are the highest paid in the world. Their hour and working standards are unsurpassed in any industry. An elaborate, government-enforced arbitration system exists to protect them against any injustice. Their wages are higher than in the boom year of 1929, even as their living costs are lower. Yet, they vote for a strike—despite the need for accelerating the arms program, despite the president's declaration of an unlimited national emergency which demands the full, the unqualified co-operation of every American.

No one needs to be told what stoppage of rail transport would mean. The vast bulk of war production, no less than normal production, must move by rail, and by rail alone. Thus, a railroad strike in this country would do more for Hitler and his Axis than a dozen military victories in Europe.

It is impossible to exaggerate the gravity of this situation; 1,250,000 highly paid, highly favored workers are threatening an out and out hold-up strike against the safety of 130,000,000 Americans. It is a disgraceful example of war profiteering.

## PRESIDENT ON HUSTINGS

In his third article for Collier's magazine, the president explains his personal intervention in the Democratic party primary of 1938. Considering first Roosevelt's candid admission of the instances in which he spoke personally and secondly the use of his name made elsewhere without rebuke from the White House, the president's insistence that he made no effort to tell the people how they should vote is a contradiction in terms.

Actually the policy of presidential interference in party nominations is only indefensible if the head of the party is insistent on complete support from his congressional colleagues. It may seem unfair, for the president has a distinct weight of authority with a trusting electorate.

But as the largely ill-fated Roosevelt purge of 1938 clearly showed, the people are more inclined to trust their chosen representative than Washington carpetbagging. The president's intervention was not an unjustified policy, but it was a political blunder, one of the few that the most astute politician to occupy the White House has ever made.

Critical analysis in the past has noted the weakness in our constitutional form of government is its failure to make mandatory responsibility of the executive department to congress.

No previous administration has gone as far as Roosevelt's to prove the soundness of the criticism. This is because previous presidents, no matter how avid for power, have recognized the critical danger in pressing too much the executive position at the expense of the more representative legislative body. Roosevelt, an ardent centralizer, apparently minimizes the risk but it is quite possible that his own administration may for the historian of the future mark the turning point at which a luckless country deserted its traditional concepts of a republic within a democracy to court the dangers of dictatorship.

Insofar as Roosevelt's personal appearance on the hustings in 1938 might pave the way for a system under which the president does assume and defend his acts under fire, it would be a valuable contribution to American political practice.

But it is not on record that Roosevelt in 1938 accepted such a gage of fair battle. He went into the primary to damn, not to explain under cross-examination.

The best argument in favor of the strictest possible reduction in non-defense government spending is found in the new tax bill. The bill will reach down into income brackets never touched before by direct federal taxation. It greatly increases taxes in all brackets, and on all industries and individuals. It is the stiffest tax bill in American history. Yet it will produce less than four billions additional a year—and our arms spending alone, according to estimates, will soon reach 36 billion dollars a year!

There is but one way this country can be saved from a burden of debt and taxation that would ruin us as surely as would military defeat. That way is by cutting every non-defense item in the budget to the absolute bone. Government must end its competitive program against highly-taxed private business, on which it depends for the bulk of its tax revenue. Government in banking, in the electric power field, in real estate, in farming and scores of other projects, is simply destroying its future source of tax revenue.

Either we will maintain the old American system of private enterprise, or in another decade, at the pace we are traveling, we will wind up under a program of state socialism, which will parallel the Hitler regime.

## FINE PIECE OF WORK

Well, the legislature did it—met in special session, accomplished the job and went home, all in 11 days—an example of democracy functioning at its best, reports Boyce House. It proves what can be done by harmony and co-operation.

Governor Coke Stevenson demonstrated that there is a steady hand on the helm of the ship of state.

It was a real emergency that brought the legislature into special session as most of the counties were threatened with a heavy increase in taxes to pay bonds that the state highway department had received the benefit of and the state had on hand the money to pay the bonds.

It was a fine piece of work done by the legislators and governor, it is agreed on all sides, and now with that emergency met, observers see nothing on the horizon to make another called session necessary.

## BIG TOWN STUFF

Living in a big city is bad. Living in the national capital is worse.

That idea is based altogether on what a government employe from Washington told me a few days ago. Can't give his name. His job would not last 15 seconds if I did. He says there is a lot of scandal going the rounds because of the three or more thousand British who have gathered in Washington to celebrate the easy money coming by way of the Lend-Lease bill.

He says that one daily was bold enough to give an account of where \$30,000 was spent for "whoopie juice" and eats at one swell affair given by some of that colony. He remarked that the small item of 100 portable air conditioners was a mere drop in the bucket as compared to what our taxpayers are being made to spend on keeping that bunch going many of whom are nobility afraid to stay on the other side of the ocean.

The above was printed in the Washington Times-Herald, and was reprinted in the Congressional record. Is it a new deal or a raw one?—Donley County Leader.

Saturday morning T. H. Black, who has been president of the First National Bank in Higgins for several years, announced that he had sold his interest in the bank, the deal having been closed Friday. He and Mrs. Black and their daughter left Saturday morning for Fort Worth, where they will make their home.—Higgins News.

## Pertinent Paragraphs from Panhandle Press

Items of interest culled from newspapers on 'The Times' exchange list.

M. C. Martin, owner of Martin's Boot Shop, walked into Sheriff Sid Talley's office in the Ochiltree county court house, handed a .45 caliber revolver to the sheriff and surrendered a few minutes after Ernest Anderson was shot to death at his home on South Main street. The shooting occurred about 12:30 Saturday afternoon. Anderson, age 50, was shot twice in the face. He died instantly. Mrs. Pearl Colvin, daughter of Anderson who recently moved to Perryton from LaJunta, Colo., to make her home with her father, was present at the time of the shooting.—Ochiltree County Herald.

There will be more comfort living next year. Already a machine is being placed upon the market that will answer for a gas stove during cold days, and with a mere twist of the wrist, turn into an air conditioner when hot weather comes along. It will be sold at about half what the present day air conditioners cost we are informed.—Donley County Leader.

I knew a man once, who said he would like to be religious, but the religious people would not let him. He may have been halfway right about it.—Jodok in Friona Star.

Sheriff Jas. G. Ramsay plans to leave Saturday on a business trip to Brazil. He will board a ship at New Orleans to make the 3,000-mile journey and expects to be away about three months. Dan Graham has been appointed by the commissioners court to serve as sheriff of Roberts county during the absence of Ramsay. Mrs. Thelma Berry, deputy, will attend to the office duties.—Miami Chief.

With three locations by major oil companies for wildcat tests, Briscoe county is coming to life with oil activity. In addition to the Phillips test at Whiteley Switch 10 miles south of Silverton two locations have been made in the Antelope Flat country about 20 miles north of Quitaque.—Quitaque Post.

Purchase of a linotype machine by this newspaper on Monday of this week, marks the beginning of what the News force considers a definite step forward in publishing the happenings and doings of this commun-

ity. It also means that we are leaving the ranks of the rarities of the newspaper world of today—the handset newspaper.—Booker News.

Billy Sims, Shamrock Irish letter man, went out of a light practice scrimmage with a broken collar bone one day last week. Sims, who was a tailback, will probably be out of the lineup for four to six weeks.—McLean News.

M. C. Martin, former Spearman citizen, was charged with "murder with malice and aforethought" in a complaint filed by County Attorney Oscar Flowers of Ochiltree county, Wednesday of this week. The complaint was signed by Elmer Ander-

son, son of Ernest Anderson, who was slain Saturday, Sept. 13, at his residence in Perryton.—Spearman Reporter.

It was the first day of school at Westway and four little boys were doing the customary bragging about their daddies. In discussing money-making ability, the first little boy said that his daddy "made \$75," the second, with no idea of relative money values stated that his dad "made \$50;" the third little boy countered with a claim of \$40 for his father. But the fourth little boy was bored with the whole performance and announced: "Shoot, my dad don't make; he farms."—Hereford Brand.

# BUY QUALITY

## AUTO LITE BATTERIES

These batteries are standard equipment on many cars, trucks and tractors. By a new method of construction, much of the power wasted in ordinary batteries is saved. Be sure to see Auto Lite before buying.

## THERMOIL

No better oil can be made at any price. If it doesn't suit you as well as any oil you have ever used—regardless of price—your money will be refunded. Buy it in bulk for your tractor.

## NOXLESS GASOLINE

Equal to any and better than most gasolines. Try it and satisfy yourself.

## KEROSENE

Panhandle's Wichita Kerosene is tops. There is a reason why more people call for Panhandle every day.

Mr. and Mrs. J. D. Rutherford came Tuesday from Alturas, Calif., for an extended visit with Mr. and Mrs. George Davidson.

**See About Your ROW BINDER Now**

**FOR TRACTOR OR TEAM**

Don't take chances with your feed crop... save all of it. Don't run the risk of having to take second-choice of binders after the buying rush starts. And don't miss the reduced price we offer to encourage early buying.

This Case binder is made especially for Southwestern row-crops. Its light weight, light draft, and cart-like balance are just the thing for fast work with small tractors, or with a team. Its wide gathering points, low-working chains, adjustable side knives, and wide, open stalkway with guide springs are great for our crops here. Come in now; see how much binder you can get for your money.

**Rules Prescribed for 28-Year-Old Draftees**

The director of Selective Service under date of August 1, 1941, wrote the attorney general of the United States requesting clarification of the situation with respect to the prosecution of delinquent registrants who had attained the age of 28 on or before July 1, 1941. The attorney general has written all United States attorneys as follows:

"The recent amendment to the Selective Training and Service act of 1940 provides that all registrants who are 28 years of age or older and who are not inducted into service by July 1, in any year, shall be deferred from training and service until congress shall declare otherwise. A number of amendments to the Selective Service regulations have been issued in keeping with the change in the statute, which amendments appear in the federal register for August 21, 1941. A new volume three of the regulations is now being prepared, incorporating these amendments, and copies will be forwarded to you as soon as they are available.

"The effect of the changes in the Selective Service act and regulations is not to release persons 28 years of age or over from the operation of the act, and such persons still have certain obligations to perform. They must, of course, be registered. They must file questionnaires as all other registrants. The age of a registrant is not taken into consideration until it is determined upon the basis of his questionnaire whether or not he is to be deferred on other grounds.

"Since registrants 28 years of age or over still have obligations under the act and regulations, their failure to fulfill these obligations is a criminal offense. Any such registrants who are delinquent will be handled in the same manner as other delinquents. When delinquency reports are received from local boards, they should be referred to the Federal Bureau of Investigation for investigation regardless of the age of the registrant. No prosecutive action should be taken in any case until the investigation is completed and it appears that there has been a willful violation.

"Cases involving registrants who are 28 years of age or over and who were delinquent prior to July 1, 1941, should be handled in the same manner as they would have been if the act had not been amended. The fact that such registrants are now deferred from training and service cannot be permitted to have the effect of allowing willful violators to escape punishment. This is especially important because a similar problem will arise in future years, since registrants who reach their 28th birthday and have not been inducted prior to July 1, in subsequent years, are also to be deferred.

"It is suggested that you communicate with the criminal division relative to specific questions or problems concerning the proper handling of delinquency cases involving registrants 28 years of age or over."

The Jack Staffords of Shamrock visited Mr. and Mrs. Guynes Friday.

**Twitty News**

(By Mary Ella Westmoreland)

**PREPARE NOW**

For Chilly Mornings and Evenings and Much Cooler Weather Soon to Come. Enjoy

**QUICKER, CLEANER HEAT WITH AN Oil-Burning Heater**

These High Grade Heaters Afford Greater Comfort and Economy than Will Be Found in Many of the Higher Priced Stoves—and They are Built for Long and Satisfactory Service.

No chills and shivers this winter, if you have one of our oil heaters in your home. A turn of a valve and a match gives you instant warmth on cold mornings. In less than 5 minutes' time your oil heater can be red hot.

**Gas Heaters**

If you are convenient to gas, we can supply your stove needs with standard quality merchandise in new and modern designs. We have gas heaters in suitable sizes for every room in the house in appropriate styles and finishes.

**BUY NOW AND AVOID DISAPPOINTMENT**

Permit us to urge early buying if you are going to need any type stove this winter. Deliveries may soon be reduced sharply—or practically cease—and prices are sure to advance in the near future, according to our best information. Therefore, buy now and avoid possible disappointment.

**WOMEN'S CLUBS AND SOCIAL EVENTS**

**MRS. NICHOLSON HOSTESS TO KAPPA BETA CLUB**

Members of the Kappa Beta club met Tuesday evening at the home of their sponsor, Mrs. H. E. Nicholson, on South Main street, with Miss Evonne Hubbard as program leader, assisted by Mrs. Max Wiley.

During the business meeting, conducted by Miss Mary Eunice Noah, president, programs were made out for the remainder of the year.

Dainty refreshments were served to Misses Ina Faye Robison, Mary Eunice Noah, Evonne Hubbard, Bonnie Adams, Arlie Lee, Lois Farmer and Helen Green and Mrs. Max Wiley, Mrs. John Gilliam and the hostess, Mrs. Nicholson.

The club will meet Tuesday evening Oct. 14, with Miss Noah.

**METHODIST SOCIETY MEETS WITH MRS. TOBE GILES**

The Methodist W. S. C. S. met Monday afternoon at the home of Mrs. Tobe Giles, with Mrs. Fred Ashley, as program leader assisted by Mesdames Luther Parks, W. C. Zirkle and Tom Britt.

Others present were Mesdames Joe Beasley, Albert Hayter, J. A. Bryant, E. T. McCleskey, J. M. Porter, Lloyd Davidson, Wayne Cook and G. L. Wren.

The hostess served delicious refreshments at the close of the program and brief business meeting.

Mrs. Tom Britt will be hostess to the society on Monday afternoon of next week.

**PINK AND BLUE SHOWER HONORS BRISCOE LADY**

Mrs. P. L. Meadows and Mrs. Lloyd Childress, Briscoe, gave a pink and blue shower in honor of Mrs. Travis Keelin on Tuesday, Sept. 9.

Those attending and sending gifts were Mrs. Joe Tate, Shamrock; Mesdames E. Davee, R. L. McClain, Marvin Bradstreet, Fred Rathjen, Homer Sewell, S. T. Morgan, Lee Morris, G. A. Martin, Calvin Keelin, Arnold Waldo and Misses Mary Ruth Vinson, Lucille Hutchison, Cleo Sewell and May Mitchell, Wheeler.

Mesdames Henry Lee, Clint Higgins, Verne Lohberger, Myrl Dixon, J. B. McNeil, Jack Hays, Roy Waters, J. G. Newman, Lester Johnson, Mount Tipps, Floyd Hunter, George Bradstreet, Milton Finsterwald, Floyd Atherton, Viona Green, Darrell Atherton, W. D. Douthit, Kenneth Douthit, Wayne Morris and Jim Mason.

Mesdames Si Mason, C. P. Waters,

John Gillenwater, J. E. Steen, Henry Van Camp, Clayton Satterfield, Fred Waters, Bob Ramsey, Perry Riley, Pete Greenhouse, J. C. Moore, jr., and Mrs. Peoples, Mrs. Aderholt and Mrs. Erne, all of Briscoe, and Mrs. Marvin Cochran, New Mexico, and the honoree, Mrs. Keelin.

**"AMERICA TODAY" SUBJECT WEDNESDAY STUDY CLUB**

The Wednesday Study club met yesterday afternoon at the home of Mrs. J. W. Barr for an interesting study of "America Today" with Mrs. T. S. Puckett as program leader.

A talk on Political and Economic America was given by Mrs. H. M. Wiley; American Interests in Other Countries was presented by Mrs. Ansel McDowell, and America, Spiritually and Materially, was outlined by Mrs. J. M. Porter.

The hostess served refreshments to Mesdames Buck Britt, Stina Cain, Holt Green, Lee Guthrie, Joe Hyatt, Raymon Holt, John Lewis, Jimmie Mitchener, Ansel McDowell, Floyd Pennington, J. M. Porter, Glen Porter, T. S. Puckett, H. M. Wiley, Ed Watson and W. C. Zirkle.

**BUSINESS WOMEN MEET ON MONDAY EVENING**

The Business Women's club met Monday evening at the Jaco Cook Shack for a 6:30 o'clock dinner and regular meeting.

Those attending were Mesdames R. H. Forrester, Elsie May Hood, J. L. Gilmore and Max Wiley and Misses Helen Green, Pauline Irons and Mary Eunice Noah.

A business meeting will be held Oct. 13 at the home economics cottage.

**STITCH AND CHATTER CLUB MEETS WITH MRS. BLACK**

Mrs. W. H. Black was hostess to the Stitch and Chatter club Thursday afternoon of last week at her home on South Canadian street. Needlework and visiting furnished the diversion of the afternoon.

Refreshments were served to Mesdames E. G. Pettit, Percy Farmer, T. P. Morton, W. E. Bowen, Walter Hooker, Frank Noah and the hostess, Mrs. Black.

The club will meet this week with Mrs. Hooker.

**MRS. JOLLY HOSTESS TO SEWING CIRCLE**

The Friendly Sewing Circle met Tuesday afternoon with Mrs. W. L. Jolly, sr., south of Wheeler. Mrs. W. L. Gaines was presented with a handkerchief shower in honor of her birthday anniversary, which falls on Sept. 25.

The afternoon was spent quilting. Refreshments were served to Mesdames Ben Westmoreland, Frank Rogers, W. L. Gaines, G. L. Wilson, Lee McCasland, Dorsie Hutchison, Cliff Bradstreet, C. M. Hampton, H. H. Greenhouse, W. E. Gaines and Miss Elizabeth Gaines and the hostess Mrs. Jolly.

The circle will meet Oct. 7 with Mrs. Lee McCasland.

**COENE CARTER HONOREE AT BIRTHDAY PARTY**

Mrs. Charlie Carter gave a party Wednesday afternoon, Sept. 24, at the home of her parents, Mr. and Mrs. A. C. Mitchell, in honor of her daughter, Coene, the occasion being her 13th birthday anniversary.

Refreshments of cake, fruit punch and lollypops were served to Eloyce Sandifer, Yreva Sue Carter, Virginia Rose Marrs, Patsy Wiley, Patsy June Williams, Josephine Noah, Bettie Hix, Patsy Ruth Noah, Joeline Witt, Hazel Fay Lee, Iris Conner, Margie Esslinger, Dollie Douglas, Edna Farmer, Billie Jean Pendleton, Violet Mae Cowden, Betty Jean Richardson, Duane Bradford and the honoree, Coene Carter.

Those sending gifts were Donald, Mitchell and Dreka Rowe, Pampa; Phillip and Jan Chesher, Amarillo, and Addie Lou Tinney.

**BIRTHDAY DINNER SUNDAY FOR JUANELL ANGLIN**

Mr. and Mrs. Clarence Anglin were hosts at a bountiful dinner Sunday in honor of the 10th birthday anniversary of their daughter, Juanell. A lovely birthday cake, bearing 10 candles, formed a centerpiece for the table. Cookies, punch and watermelon were served during the afternoon.

The honoree received many attractive and useful gifts.

Those enjoying the delicious dinner were Mrs. Claud Patterson and sons, Buddie and Pete, Canadian; Mr. and Mrs. Claud Lamb and daughter, Laverne, Lefors; Mr. and Mrs. Murry Sanders and children, Millard, Raymond, Lindon Dixie, Glen and Juanita, Kelton; Mr. and Mrs. W. M. Sanders, Anita Weatherly, Claudell Cox, Doris Waldo, the host and hostess, Mr. and Mrs. Clarence Anglin, and sons, Donald and J. D., and the honoree, Miss Juanell.

Those sending gifts were Dortha Nell and Wilma Lou Mason.

Callers during the afternoon were Mr. and Mrs. Roy Weatherly and children, Neva Jane and Leon; Mrs.

**Kinda Doggy, Huh?**

Out for a romp with her big shepherd dog, Virginia Grey of the movies dogs, a smart cotton pinafore play dress. The white cotton skirt that fastens with small pearl buttons is topped by a pinafore in a soft yellow shade. The bodice is accented by embroidery in white. Two slit pockets show off to advantage in the full, gathered skirt.

Revious and sons, Pete and Clyde of Kelton, and Mrs. Joe Ben Stenbridge and sons, Donald, Aubrey Lee and Dwain.

**MRS. ERWIN HOSTESS TO JOLLY DOZEN CLUB**

Mrs. W. L. Erwin was hostess to the Jolly Dozen club Wednesday afternoon when the social hour was spent doing needlework and visiting.

Lovely refreshments were served to Mesdames Bill Perrin, Homer Moss, Marlow Dill, Levi Reid and the hostess, Mrs. Erwin.

The club will meet next week with Mrs. Jess Swink.

**MRS. PATTERSON HOSTESS TO SUNSHINE SEWING CLUB**

The Sunshine Sewing club met Thursday of last week with Mrs. Taylor Patterson. The afternoon was spent doing crochet work and visiting.

Several of the members took garments home with them to make for the Red Cross.

The hostess served delicious refreshments to Mesdames Floyd Davidson, G. W. Mason, J. G. Davidson, Roy Weatherly, Clarence Anglin, Weldon Weatherly, Lloyd Davidson, Loubet Moore, T. M. Bradstreet, Cliff Mason, Miss Iva Davidson, members, and four guests, Mesdames Boyd Burke, J. T. Wallis, Albert Anderson and Olin Pendleton, and the hostess, Mrs. Patterson.

**Allison News**

(By Times Correspondent)

OIL QUALITY

You know it's tough to tell oil quality by looking at it. You can't even test it very quickly.

That is why, when you are buying a lubricant to protect your motor-car investment, it is so important to rely on the good name of the oil and its maker.

Millions of motorists know from experience that Phillips 66 Motor Oil is a lubricant with a good name, backed by a great name.

Yes sir! Phillips 66 is the name to remember when you make the regular 1,000-mile replacement, or put in lighter oil for the winter.

**PHILLIPS 66 MOTOR OIL**

**Local News Items**

Lonnie Schaub is working for the Crystal Ice company.

Mrs. Cora Teakell and Will Teakell made a business trip to Pampa Tuesday.

Mr. and Mrs. Leroy Williams of Laketon were in Wheeler Saturday evening shopping.

Mrs. Tommy O'Gorman and son of Shamrock spent Wednesday with her mother, Mrs. H. J. Garrison.

Mrs. Floyd Atherton and Mrs. Dearl Atherton of Briscoe were in Wheeler Wednesday shopping.

Rev. and Mrs. Ted Ewing and Mrs. Jess Patterson of Mobeetie were in Wheeler Wednesday, attending to business.

Mr. and Mrs. Al Watson and daughter, Dolores, of Pampa, spent the week end in Wheeler with relatives and friends.

Mr. and Mrs. Charlie Carter, who have been living a mile north of town, moved Monday to an apartment in the Watson hotel.

Mr. and Mrs. Garland Pearce and daughter, Sandra Jean, of Borger were Sunday guests of her parents, Mr. and Mrs. W. E. Bowen.

Mr. and Mrs. Hazel Crowder and daughter, Jackie, of Morton came Thursday of last week to visit relatives and to attend to some business.

Mrs. Eugene Skaggs and daughter, of Liberal, Kans., came Saturday to visit her parents, Mr. and Mrs. M. W. Jones, and other relatives and friends.

Mr. and Mrs. A. T. Davidson of Canadian came Sunday and spent the day with her parents, Mr. and Mrs. D. A. Wilcoxson, and her sister, Mrs. Neva Sampson.

Mr. and Mrs. Enos Morgan and children, Jovena and Claude, of Mobeetie spent the week end at the home of her parents, Mr. and Mrs. C. M. Hampton, east of Wheeler.

Ray Lee went to Spearman Friday to drill wheat on the H. M. Wiley farm. Mr. Wiley and daughter, Miss Celeste, went to Spearman Sunday to attend to some business.

**How to Enjoy School Work**  
The first thing is to study with a will. You may not like it at first, but will find each subject growing more interesting. After a while you will not have to force yourself to study, but will like it.

Another thing that will make school more interesting is competition with your fellow-students. Try your best to make the highest grade in class, and if you try hard enough, you will find that object—or very near it—achieved by the time the year rolls by. In so doing a much happier student will leave school than the one who entered.

**Friendship**  
A good deed is never lost; he who shows courtesy reaps friendship, and he who plants kindness gathers love. You find yourself refreshed by the presence of friendly people. We should be as careful of our words as of our actions and as far from speaking ill as doing ill. Friendship hath the skill and observation of the best physician, the diligence of the best nurse and the tenderness and patience of the best mother. The only way to have a friend is to be one. When friendships are real they are not glass threads or frostwork, but the solid things we can know.

The test of friendship is fidelity when ever charm of fortune and environment has been swept away.  
MABEL ALICE SMITH,  
Sophomore.

**Senior Class Notes**  
This week marks a great time for the seniors, because it ends the six weeks. Everyone is having to study harder.

The books are really passing from hand to hand, too, because book reports must be in by the end of the week.

The English and history work books must also be in at the end of this week. An English notebook is another thing which is being worked on.

This means burning more "mid-night oil."  
**Sophomore Scribbings**  
The sophomores are sorry that Alva Lee, one of our best class members has been absent from school lately. She has been in the hospital. We have missed her in class discussions and hope she will be back soon.

This seems to be an unlucky week for us because we are losing another class member, Glenn Robertson, who has been a member of this class for several years. He has moved to Wheeler.

The sophomore class plans to have a class party next Thursday. The party will be given us by the room mothers at the home of Mr. and Mrs. Sonntag. Further plans for the party have not been made.

**Fish Happenings**  
The freshman class presented the chapel program Friday.

Lottie Marie Zybach spent Sunday with her grandmother at Reydon, Okla.

Jack Swetnam was ill one day last week but is back in school.

Sammie Lee Daughtry gave a party for the freshman class Thursday night. Everyone present had a very nice time.

Weldon T. was complaining of sore feet Friday morning. Was it caused by walking around the house with too many girls at the party?

**Second and Third Grades**  
We have 19 enrolled in the second grade and 18 in the third. James Welsh and J. B. Langwell, are the newest pupils.

Mrs. Barry said, "What shall we write for the paper?" "Say we are happy," replied Franklin.

We are quite proud of our softball games. Each week new captains are appointed and the scores are kept for all that week to see who has the winning side. Some of our very best players are Vendall Treadwell, Alva Dean Dougherty, Richard Ledbetter, Betty Temple and Joyzelle Daughtry.

All are anxious to know whose names will appear on the honor roll in assembly Friday morning.

**Homemakers Club**  
On Sept. 19, Mary Evelyn Wood and Billy Jean Baird represented the homemakers club at the fair in Shamrock.

The club had as its entry several charts on foods. We also entered

several jars of canned vegetables and fruits.  
After some excitement the girls succeeded in arranging their entry before the time set for judging.

**P.-T. A. Elects Officers**  
The Briscoe Parent-Teachers association met Wednesday evening, Sept. 17, in the school auditorium with Mrs. Clarence Zybach, chairman, presiding. The following officers were elected:  
Miss Bessie Osborn, secretary; Mrs. Lee Barry, reporter; Mr. Mohr, song leader; Mrs. W. M. Wood, pianist.

The program theme was "The Importance of a Hot Lunch Room for School," with interesting views presented by different ones present. The Parent-Teachers meetings are scheduled for the third Wednesday evening in each month at 8 o'clock. Every patron of the school is invited to attend.—Reporter.

**Agricultural Association Meets**  
Following the Parent-Teachers meeting Wednesday evening, Sept. 17, the Briscoe Agricultural association was called to order, reports Lee Barry, Chairman of that organization. Minutes of the last meeting were read by Clint Higgins, secretary. Interesting talks were made by County Agent Jake Tarter on "Future Prospects of the Cotton Market," and Zeb Baird on the "Value of Organization." The good attendance was greatly appreciated by officers and leaders of the association.

**Personality of the Week**  
Name—Carl Simpson.  
Age—16.  
Grade—Sophomore.  
Height—5 feet, 11½ inches.

**CHIC-O-LINE  
EGG MASH  
(or Pellets)**

High egg production... with economy... that's what you need for top poultry profits. That's exactly what hundreds of southwestern poultrymen are getting with the tested and proved CHIC-O-LINE Egg Profit Program.

Here are four proved ways to increase your egg profits:— (1) keep only good layers, (2) house and care for your hens properly, (3) Market your eggs efficiently and...

(4) FEED CORRECTLY... provide your layers with a modern egg ration, rich balanced nutrition they must have for steady production at top capacity.

CHIC-O-LINE Egg Mash is the favorite feed of our customers because it has proved its ability to deliver results with economy. In all parts of this vicinity poultry raisers feed CHIC-O-LINE. They are your neighbors and friends and they will tell you that when you feed CHIC-O-LINE Egg Mash (or pellets) to good, well cared for hens, you can count on getting PLENTY of eggs at low cost.

For Economy — for Profit — for Satisfaction feed CHIC-O-LINE EGG MASH (or Pellets) ORDER A SUPPLY NOW.

Manufactured expressly for Southwestern poultrymen by CHIC-O-LINE FEED MILLS, Hobart, Oklahoma.

**CHIC-O-LINE QUALITY  
Is Well Known**

CHIC-O-LINE Egg Mash (or Pellets) give you dependable quality in every bag. Their formulas are compounded with the latest scientific information... and everyone who has ever tried CHIC-O-LINE knows that the quality of all ingredients are unsurpassed.

### Mrs. Lummus Named WPA Lunch Director

The appointment of Mrs. Nathan Lummus as supervisor of the community lunch room program in Wheeler and Hemphill counties was announced recently by Mrs. Albert Walker, district supervisor. Mrs. Lummus assumed her duties last week. Mrs. C. L. Reavis was supervisor last year.

Mrs. Walker and Mrs. Imogene Newberry of Amarillo were in Shamrock Wednesday to assist Mrs. Lummus in opening the program. The project will be operated under the same plan as last year, schools serving lunches free to needy children and to those able to pay a small sum. It is being operated through the WPA and local groups.

Mrs. Lummus is well qualified to hold the position of supervisor as she has a degree from the University of Texas in home economics and was instructor in the Shamrock high school for one year.

Many of the communities have canned a large supply of vegetables this season to be used in the program. Allison, Kelton, Center, Davis and Plainview schools have already started operation of lunch rooms and the Shamrock room will be opened with the next few weeks.

### How, When, Where of Drivers Licenses

AUSTIN.—Nearly half the people in Texas will start a stampede for new drivers licenses Oct. 1.

There's really no need to get in a hurry about it, Homer Garrison, state police director, has explained. From Oct. 1 until Dec. 31, old licenses numbered from 1 to 450,000 will be renewed.

From Jan. 1, 1942, until March 31 those numbered from 450,001 to 900,000 will be renewed.

Those numbered from 900,001 to 1,350,000 will be renewed between April 1 and June 30.

Any license numbered from 1,350,001 upward will be renewed between July 1 and Nov. 1.

Here's the procedure for getting your new license:

Obtain an application form from any highway patrolman or drivers license examiner, or by writing directly to the Department of Public Safety in Austin. The forms also will be available from police and sheriff departments, banks, and other public places.

Either print in ink or use a typewriter to fill out the application, enclose a 50-cent money order or cashier's check with it, and mail it directly to the Department of Public Safety, Austin. The new license, good for two years, will be mailed to you from Austin.

Persons renewing licenses will not have to take an examination unless they have a bad record of traffic violations or collisions.

But if you fail to renew your license in the stipulated time, you will be liable both to arrest for driving without a license and an examination.

The number of milk cows on farms in the United States increased nearly 3 per cent between June 1940 and June 1941, according to the Agricultural Marketing Service.

### NEWS in the WORLD of RELIGION by W.W. REID

"To ease social tensions and racial conflicts within our own borders is the most significant contribution that can be made to American democracy today," is the opinion of Dr. Mark A. Dawber, executive secretary of the Home Missions Council of North America. He believes that minority groups, such as the American Indians, should be included as an integral part of the whole life of America. "A greater share of the nation's wealth should be passed on to the Indians, not by dole or by patronage, but by giving them their rightful place as American citizens," he says.

The Riverside Church, New York City, of which Dr. Harry Emerson Fosdick is minister, is taking the lead in a movement to provide pensions and other old age securities for the non-ministerial members of its staff. In most denominations there is provision for pensions for ministers, but none for sextons, organists, secretaries and other lay assistants.

Because the churches want to continue to be free to express their mind upon questions of industry and capitalism when they feel something should be said upon these questions, some leaders feel that "this beam in the church's own eye" must be cared for.

Riverside church is raising a fund of \$100,000 to provide pensions for its own lay employes. Other churches are giving this matter attention.

There has just come from the press of the United Lutheran church the first edition of the New Testament ever to be printed in Yiddish in the United States. Heretofore the only Hebrew and Yiddish New Testaments were printed in Germany and in London. The former source is entirely closed, and the latter is closed because an air raid destroyed the stereotyped page plates of the old translation.

This new edition is also a new translation made over a period of years by the Rev. Dr. Henry Einspruch of Baltimore, Md., director of the mission work carried on by the Lutherans among the Jewish people. The first edition is of 25,000 copies—and was sold out before it was off the press.

The National Committee of Church Women, an interdenominational organization of women of the Protestant churches of the United States, has designated Friday, Feb. 20, 1942, as the "World Day of Prayer." It will be commemorated in all countries of Europe and in the mission fields as well as in America.

The theme of the observance will be "I am the Way," and it will be developed under various titles: "the Way men have lost, the Way back to God, the Way of self-surrender, the Way of peace, the Way of love, the Way of light, the Way of power."

An interesting comment on the 1941 celebration is that some Korean Christians are still in Japanese jails because of the World Day of Prayer—the verse "Fear not, little flock, it is the Father's good pleasure to give you the Kingdom," being interpreted by the military authorities as subversive.

### Home-Making Hints

By MISS VERA MARTIN  
Home Supervisor, F. S. A.

A farm production campaign for 1942 providing for a complete mobilization of American agriculture to adjust production to domestic needs for national defense and to the needs of the nations resisting aggression, was announced today by Secretary of Agriculture Claude R. Wickard.

The campaign will be under the supervision of state and county USDA Defense boards, which are made up of representatives of all Department of Agriculture agencies in the field.

Production goals for 1942 and the part which agriculture will be called upon to play in the defense effort will be discussed with farmers and farm leaders in four regional agricultural defense conferences scheduled for Salt Lake City, Sept. 15 and 16; Chicago, Sept. 18 and 19; New York City, Sept. 24 and 25, and Memphis, Sept. 29 and 30.

"For the first time in the history of agriculture in this country," said Secretary Wickard, "production goals for all essential farm commodities have been established. They have been established on the basis of a thorough canvass of the needs of improved nutrition in this country and the needs of the nations that still stand between this country and Hitler."

"Every farmer in the United States will be contacted by local farmer committeemen under the supervision of USDA Defense boards and will assist with individual farm plans to determine the extent to which each farm can contribute to agriculture's task in national defense."

"The adjustment machinery of the National farm program will be applied to the whole range of agricultural need while continuing to hold in check the production of commodities of which we already have large reserves."

"We are not going to repeat the mistakes of the first world war which brought a long series of difficulties for farm people. Through the machinery of the National Farm program farmers can produce what we need and avoid the bad after-effects of an over-expanded farm plant. The fact that we are asking for greatly increased production of some commodities does not mean that the lid is off on production of all commodities. It is just as important to national defense and our future national welfare that we hold production of some commodities in check as that we increase supplies of others."

"The goals for 1942 call for the largest production in the history of American agriculture but we are not going to have to plow up the hills and the plains to get it. We have adequate reserves of feed grains for increased production of livestock products and it will not be necessary materially to increase total crop acreage next year."

"Farm production in general is in good balance but greatly increased supplies of some commodities will be needed. In this emergency I have found it necessary to encourage the expansion of the production of hogs, eggs, evaporated milk, dry skim milk, cheese and chickens, and accordingly I have today made a formal public announcement that the Department of Agriculture will support prices for these commodities until Dec. 31, 1942, at not less than 84 per cent of parity."

"Increases in the production of other crops in 1942 are also desirable as indicated by the goals. Other proclamations may be issued from time to time if it is found that special encouragement is needed to obtain adequate or desired supplies, or supplies which are considerably in excess of what farmers might otherwise be expected to produce."

### More Wheat Growers Have Crop Insurance

More Texas wheat farmers than ever before have insured their crops for the coming year, E. R. Duke, state crop insurance supervisor, has reported to state AAA headquarters here.

With approximately 200 applications still pending, Duke said that 9,113 policies, insuring the wheat production on 11,297 farms, had been issued. No figures are available at present as to the total production covered by the insurance.

At the same time, Duke announced that 5,092 indemnity claims, representing a total of 1,663,469 bushels of wheat paid to producers, had been paid under the 1941 crop insurance program.

Ever since the crop insurance program began the number of growers insuring their crops has increased steadily, the supervisor pointed out. The increased sales indicate general approval of the program by the producers.

"Cotton growers who study the operations of the wheat insurance program will appreciate the benefits they can gain by taking out insurance on their cotton crops in 1942," Duke said. "The success of the wheat insurance program has led to adoption of a cotton insurance program which will get its first trial on next year's crop."

# NOTICE

## To All Motor Vehicle Owners!

Every motor vehicle owner is advised to secure certificates of title on their motor vehicles immediately as operation of their vehicles on the highways after January 1, 1942, without said vehicles being titled will be a violation of the law. The law states that any owner of a motor vehicle registered in this state shall not operate or permit the operation of any such motor vehicle upon any highways without first obtaining a certificate of title therefor. This does not apply to vehicles purchased new prior to January 1, 1936.

Section 63, paragraph B, of the Certificate of Title Act specifically provides that the Department or any Agent thereof shall not, after the first of January, 1942, register or renew registration of any motor vehicle, unless and until the owner thereof shall make application for and be granted an official certificate of title for such vehicle or present satisfactory evidence that a certificate of title for such vehicle has been previously issued to such owner by the Department. This, however, shall not apply to automobiles which were purchased new prior to January 1, 1936. Under the provisions of Section 63 it will not be possible for a person to file an application of title and register his vehicle at the same time, as this Section provides that the owner shall make application for and be granted a certificate of title, and the filing of an application for certificate of title does not necessarily mean that a title will be issued.

We would like to call attention to the fact that the exemption under Section 63 regarding automobiles purchased new prior to January 1, 1936, pertains only to registration and operation of these vehicles and that any automobile sold or encumbered in this State after October 1, 1939, must be titled regardless of the date it was originally purchased.

### Movie Chatter (By a Rogue)

**Power Dive**  
For Friday and Saturday, Sept. 26-27, the Rogue offers an airplane thriller entitled Power Dive, with Richard Arlen, Jean Parker, Roger Pryor and Cliff Edwards. All the world, and especially young Americans, have their eyes cast toward the sky. It would seem that the destiny of the world might be bound up in flying machines, and in Power Dive you are sure to be well pleased.

**Million Dollar Baby**  
A casual glance at the title of the show at the Rogue for Preview-Sunday-Monday, Sept. 27-28-29, might cause you to miss a very charming and entertaining picture. But when you note that Priscilla Lane is the Million Dollar Baby and that Ronald Reagan and Jeffrey Lynn are seeking her hand while May Robson watches the procedure, you will want to be on hand to grab yourself a bit of this fine picture.

**I Wanted Wings**  
It seems that the Rogue is handing you several airplane pictures in a wad, but we had to take them when we could get them. For Wednesday and Thursday, Oct. 1-2, we bring you I Wanted Wings, with Ray Milland, William Holden, Wayne Morris, Brian Donlevy and Veronica Lake. This is by far the biggest and best airplane picture to come our way for some time. Many of the scenes are made at our own flying fields at San Antonio. First we see the young cadets at Randolph Field and later we see them at Kelly Field. And with this actual background you may be sure that the picture is authentic and that we really have something to offer you in I Wanted Wings.

**PEEPING IN THE WHEELER TIMES WINDOW**

As fine fruit and grain specimens as can be found anywhere have graced The Times window during the past week. Among the many items are the following:

S. T. Morgan, living north of town, brought in Saturday a number of fine Delicious and Mammoth Black Twig apples from his orchard. One of the former weighed 14 ounces and a Black Twig touched 11 ounces.

Also on Saturday O. O. Beaty brought in from his acreage in the southwest part of town, three dandy heads of dwarf blight-resistant maize grown by him. The grain is well filled and good quality.

J. H. Creekmore, from eight miles northwest, entered a group of Red Delicious apples Monday that are beauties. One of these apples weighed 14 ounces. They are smooth and nicely colored.

On the grain side, Johnnie Reed, living 9 miles northeast, sent in Wednesday three fine ears of white corn, one measuring nearly 11 inches and all well filled to the nub end. Some of Reed's corn will be shown at the State Fair, Dallas, with the Wheeler county exhibit.

John Henry Watts, entering a 16 1/2-inch sweet potato, remarked: "If someone brings in a longer one, let me know and I'll see what I can unearth with a posthole digger." Watts is a bit proud of what his sub-irrigated tract in the east part of town will produce.

An entry of two fine Delicious apples from the Lee Black orchard at the north edge of town, placed in the window today, adds a finishing touch. One of these weighed a pound and the other 14 ounces. They're as good as could be grown anywhere.

Last Saturday, W. L. Brumley presented The Times with a large dark green watermelon, which proved to be all anyone could ask for genuine goodness in a watermelon.

Apparently, the display of a cut-open yellow rind watermelon in the window Saturday and Sunday convinced the most skeptical that J. A. Bradshaw's vegetables are really what he claimed and not pumpkins, as some alleged. But a nice pumpkin of the right size exhibited in place of "Brad's" melon would have been a sad blow to his pride and "blame high ruin" his reputation for truth and veracity.

Rev. Wayne Cook has been ill with the flu the past week.

**MOBEETIE FOLKS HURT IN AUTO COLLISION**

When a car driven by Denzil Leonard, containing eight Mobeetie young people, and one driven by Alvin Ferguson accompanied by two or three companions, met in head-on collision at a blind corner in Mobeetie about 7:15 this evening, occupants of both cars were badly shaken and bruised. Leonard sustained the most serious hurts, suffering head injuries which are not believed to be serious.

Several of the group were brought to the Wheeler hospital for examination, all returning home early in the evening except Leonard who, it was expected, would be able to leave later tonight.

Apparently, from advices received here, the accident was unavoidable and no blame attaches to either driver.

**Great Crowds Attend Bible Lover's Revival**

Great crowds, estimated at approximately 600 people at each service, are attending the Bible Lover's Revival being conducted in the Farmers Co-op gin warehouse on Highway 83 across the road north of the Garrison Service Station.

Dr. James MacKrell, who is conducting the meeting, illustrates Prophetic Truth with the aid of actual photographs thrown upon a screen above the pulpit.

This revival is exactly what its name implies, a revival of Bible truth for all Bible lovers.

The services are free of fanaticism or sensationalism and are given to

JAMES MacKRELL, D. D.

awaken an interest in the Bible and its plan for the ages.

The series will continue all next week with services every night at 8 o'clock. A special children's service precedes the regular service.

Friday night Dr. MacKrell's subject will be: "Mysteries of Babylon Revealed, Proving that Easter and Christmas are Not Christian Holidays."

Saturday night: "Is America Headed for Armageddon?" An actual picture of Armageddon will be shown.

Sunday night: "The Hunger of Europe and the Famine that is Coming to the Whole World." Actual pictures of starvation in German occupied Europe will be shown.

Services continue every night next week. There will be no service Sunday morning; everyone is urged to attend the regular church services in Wheeler.

**LIEUT. WIMBERLY ASSIGNED TO AIR INSTRUCTION DUTY**

Lieut. Charles L. Wimberly, instructor in the United States flying forces at Fort Gardner, Taft, Calif., accompanied by his mother, Mrs. P. L. Wimberly, of Tulsa and two sisters, Mrs. Chas. Herring, also of Tulsa and Mrs. Don Braddy of Plainview arrived Monday afternoon for a brief visit with another sister, Mrs. Lee Guthrie, and family.

Young Wimberly entered training last January at Santa Maria, Calif., with Tom Wood of Wheeler. They were in the same flight squadron until their graduation last August 15.

Following graduation, Lieut. Wood was sent to Boise, Idaho, as a bombardier, while Lieut. Wimberly was assigned to Fort Gardner as an instructor.

**MOTHER OF FLOYD ADAMS ON VISIT HERE FROM MISSOURI**

Mrs. F. M. Adams and granddaughter, Miss Genie Adams, of Springfield, Mo., came Sunday for a visit with her son, Mr. and Mrs. Floyd Adams and son, Ray, at the Jowett power plant east of Mobeetie.

Mr. and Mrs. Adams met the Missouri folks at Oklahoma City and visited Mrs. Floyd Adams' sister and husband, Mr. and Mrs. Jack McKenzie, bringing their guests home with them Sunday evening.

**Harry Wofford Has Operation**

Harry Wofford, county clerk, who underwent a major operation Monday at the Wheeler hospital, is doing nicely. Mr. Wofford has been suffering a great deal from injuries he received about three weeks ago when he slipped and fell in the court house.

**List of Awards Made at County Club Fair**

The Times is indebted to Miss Sybil Gidden, assistant home demonstration agent, and the home demonstration office itself, for a beautifully prepared and complete list of winners and awards at the Home Demonstration and 4-H club fair held in Shamrock Friday and Saturday. Unfortunately, owing to lack of time, it is impossible to publish the entire list in this issue, only the sweepstake places and grand champion winners being listed. The remainder will appear in next week's Times.

**Grand Champion**  
Dorothy Mertel, 1st, \$15.00; Mrs. Jess Crowder, 2nd, \$10.00; Mrs. T. C. Harless, 3rd, \$5.00; Mrs. Glenn F. King, 4th, and Ladell Atherton, 5th, both honorable mention.

**CLUB WOMEN Sweepstakes**  
Mrs. Jess Crowder, 109 points, 1st; Mrs. T. C. Harless, 79 points, 2nd; Mrs. Glenn F. King, 70 points, 3rd; Mrs. J. E. Willard, 24 points, Mrs. Hester Dodson, 24 points, tied for 4th.

**Clothing and Fancy Work**  
Mrs. Roy Scrivner, 1st; Mrs. Jess Crowder, 2nd; Mrs. Joe Beasley, 3rd; Mrs. Ed. R. Wallace, 4th, and Mrs. Jap Newton, 5th.

**Canned Products and Foods**  
Mrs. Jess Crowder, 1st; Mrs. T. C. Harless, 2nd; Mrs. Glenn F. King, 3rd; Mrs. E. Willard, 4th, and Mrs. Hester Dodson, 5th.

**4-H CLUB GIRLS Sweepstakes**  
Dorothy Mertel, 122 points, 1st; Ladell Atherton, 60 points, 2nd; Rozena Helton, 22 points, 3rd; Adella Cadra, 14 points, 4th, and Joy Williams, 12 points, 5th.

**Clothing**  
Dorothy Mertel, 43 points; Ladell Atherton, 15 points; Linda Moore, 12 points; Rozena Helton, 10 points; Adella Cadra, 7 points; Joy Williams, 5 points; Edna Fay Sullivan, 3 points; Abbie Johnston, 3 points; Joy Coe, 1 point, and Emille Seedig, 1 point.

**Flowers**  
Dorothy Mertel, 13 points.

**Food**  
Dorothy Mertel, 66 points; Ladell Atherton, 45 points; Helen Macina, 11 points; Rozena Helton, 11 points; Lottie Marie Zybach, 8 points; Adella Cadra, 7 points; Marion King, 7 points; Joy Williams, 7 points; Anna Bell Locke, 4 points; Olena White, 3 points; Clifteen Daniel, 2 points, and Paula Terry, 2 points.

**FAMILY REUNION HELD AT TOBE FRYE HOME SEPT. 7**

Mr. and Mrs. Tobe Frye were hosts at a dinner and family reunion on Sunday, Sept. 7, at the Frye ranch 12 miles northeast of Wheeler.

Mr. Frye's mother, Mrs. Henry Frye, of Sulphur, Okla., was the honored guest. Others were C. G. Frye and family, Anadarko, Okla.; Charley Puryear and family and Mr. and Mrs. Bill Puryear, Sweetwater, Okla.; Louie Puryear, Denver, Colo.; Mrs. N. V. Puryear and son, Tom, Holyoke, Colo.; J. C. Young and family and Henry Young and family, Canadian; Pat Huff and family, Allison, and Mr. and Mrs. Tobe Frye and Barbara Nell Frye, Wheeler.

Afternoon callers were Mrs. D. E. Holt, Mrs. J. M. Porter and Mr. and Mrs. Joe Beasley, Wheeler.

**CHESTER LEWIS IMPROVING FROM AMARILLO OPERATION**

Mrs. Chester Lewis and children, Jerry and Amie Elizabeth, and Marion Janell Crowder went to Amarillo Sunday morning to see Postmaster Lewis, who is a patient in the Veteran's hospital following an appendix operation two weeks ago. They also visited the former's sister, Mrs. Sam Moore, and family.

Dick Craig accompanied the party and visited his brother, Matt Craig, of Miami who is ill in an Amarillo hospital. Both patients were reported as improving nicely.

**REVIVAL IN PROGRESS AT ASSEMBLY OF GOD CHURCH**

Announcement is made by George L. Grayson, pastor, that a revival meeting with everyone invited, is in progress at the Assembly of God church in the east part of Wheeler. A. D. Blue of Tyler is doing the preaching.

Hours of services are: Sunday school at 10 a. m., preaching at 11 on Sundays. Evening revival hour is 7:30 p. m., with the series continuing the remainder of this week and all next week.

**Little Conwell Boy Injured**

Kent, son of Mr. and Mrs. Buford Conwell, cut a gash in his right leg Wednesday that required four stitches to close when he jumped from the kitchen cabinet while playing with other children at the S. D. Conwell school store.

**HOSPITAL NEWS**

Miss Gillrie Baird underwent a tonsillectomy Friday.

Harry Wofford underwent a major operation Monday.

Mrs. Pete Greenhouse, Briscoe, had her tonsils removed Monday.

Steve Wilson, Kelton, entered the hospital Wednesday for treatment.

**WHEELER METHODIST CHURCH RALLY DAY PROGRAM SUNDAY**

W. C. Zirkle, superintendent of the Sunday school, will be in charge of the Rally Day program at the Wheeler Methodist church Sunday morning, Sept. 28, at the 11 o'clock hour. "The Church School Builds the Church," is the program theme, to be elaborated upon by 12 members of the church.

All members of the church are urged to be present, and friends are invited. Rev. Wayne Cook, pastor, states that a marked improvement in appearance of the church surroundings, including the whole block, results from recent removal to his farm by J. C. Moore of the old two-room house just north of the parsonage.

**Kavanaugh Out of Army**  
Allen Kavanaugh, county superintendent, returned Friday from Fort Bliss after receiving an honorable discharge from the army. He was released because over the 28-year age limit. Miss Lois Hodges has been conducting affairs of the office since Kavanaugh answered the Selective Service call for military training in June. The public generally, and especially school people, are delighted to have the superintendent return to his duties here.

**Brighten Up the Home for Fall and Winter Now**

It can be done so easily and economically with new Wallpapers from this store!

The fall and winter season when much more time is spent indoors, is near at hand. It is the time of year that you want your home bright and cheerful. When you think of the low cost to bring fresh, colorful designs into your rooms, you can afford to put on new paper more frequently. You who are home all day long will especially welcome such a change. Spruce up your kitchen walls with gay red and white prints, or soften the bedroom with pale blue or pink. Canary yellow may do wonders for your dining room. Look over our large collection of patterns. You'll get dozens of exciting ideas on how to brighten and beautify that home for the coming drab days.

**School Needs**

To those who have not yet secured their school supplies and those needing supplies from time to time, we wish to call attention to our large and complete stock of Masterpiece School Supplies. This line is rated among the best on the market and a call will convince the prospective purchaser that our prices are right on every item. If it's used in school—you'll find it right here in your Rexall Store.

**Beat 'em Mustangs**

Tomorrow, Friday, night is the opening game of the season for the Wheeler Mustangs in their home corral. To these, our home boys, we extend heartiest encouragement and the assurance that we are for them all the way. "Let's go, Mustangs!"

After the game, visit our fountain, or just stop and gossip awhile.
