

Fresh westerly to northerly winds this afternoon, diminishing tonight. Colder late this afternoon and tonight.

Appeal Made For Prompt Action On Draft Measure

Liquor Issue Looms As A Controversy

Lee Of Oklahoma To Seek Vote On Alcohol Ban

WASHINGTON, Oct. 22. Senator Gurney (R-SD) appealed to his colleagues today not to offer any controversial amendments which would delay even for one day final congressional approval of the legislation to draft 18 and 19-year-olds.

Gurney's plea, at the outset of a debate, was obviously aimed primarily at an amendment Senator Lee (D-Okla.) has said he would offer to bar alcoholic drinks from military areas.

Lee reiterated his intention of attempting to force a record vote on the amendment, and said he would reply on the senate floor to Secretary of War Stimson's criticism that the proposal was "destructive rather than constructive."

Urging speed in consideration on the draft measure, Gurney said that each day that congress delayed passage of the bill which he introduced, and which high military officials approved, meant that a day's training would be lost to the young men "who must, of necessity, come into the armed forces of our country in this time of need."

"I hope that my colleagues will sincerely consider the inadvisability of offering any amendment which will, in any way, delay passage and therefore, delay final victory for which we are all hoping, praying and striving for," the South Dakota senator said.

Gurney added that he felt that if there was complacency anywhere in the United States about the final outcome of the war, it was in Washington.

"The people are ready and willing to make all necessary sacrifices," Gurney declared. "They will send their sons to the armed forces in every-increasing numbers. They will continue to carry on at home. All that is necessary is that they know what is necessary."

He contended that if 18 and 19-year-olds were not inducted, the average age of the army soon would reach the point where it would be effective only as a defensive and not an offensive force.

"I am convinced the American people do not fight wars that way," Gurney said.

"I'll give my answer to Mr. Stimson's letter when I present my amendment," Lee said, speaking talk that he might decide to withhold it.

"It's not my intention to undertake to present any charges as to drunkenness in camps, or in any way to indict the army or the armed forces as to the situation in the camps."

"I just want to do my best to provide a clean, wholesome place for these school-age boys to train." The secretary of war wrote Chairman Reynolds (D-NO) of the senate military committee yesterday that he was "gravely disturbed" about the Lee amendment which would prohibit the sale of alcoholic beverages, including beer and wine, on military and naval posts and adjacent communities.

Further Slash In Civilian Output Is In Prospect

WASHINGTON, Oct. 22. (AP)—New and deeper curtailment in civilian goods production was forecast today by Chairman Donald M. Nelson of the war production board in disclosing a program scheduling essential civilian items exactly as military weapons are scheduled, sloughing off all but the truly necessary civilian commodities.

Nelson told a press conference he had asked the office of civilian supply to submit shortly a list of the civilian goods whose production is considered "necessary to keep the civilian economy sound so we can carry on a strong war program."

He acknowledged, however, that "there aren't a great many more civilian items which can be eliminated."

The WPB chairman said he believed more than one-third of the United States population could be brought into the war effort, if production of food were counted as part of that effort.

"If you do not count food, I doubt if we can go as high as England," because we are supplying so many civilian economy needs to England, Nelson said when asked whether this country could reach the 33-1-3 per cent participation in the war achieved by Great Britain.

The new approach to the problem of civilian supply Nelson said, will be on "positive basis—we will direct the manufacture of so much of each item, instead of ordering the curtailment of items as in the past."

"Thus repair parts for mines and railroads, steel and equipment for transportation and communications will be programmed just like steel for the army and navy. The things not listed as essential will be sloughed off."

New restrictions on clothing styles will be necessary, Nelson declared, in line with renewed emphasis on simplification and standardization of civilian goods and services. "Considerable" manpower can be diverted to the war effort, he declared, through the curtailment program. The new clothing standards, however, will not be rigidly severe, he added.

Another Ship Loss Listed

By The Associated Press. The torpedoing of a medium-sized U. S. merchant vessel in the North Atlantic last month by a U-boat with the probable loss of three crew members was announced today by the navy.

The sinking raised to 502 the Associated Press count of announced losses of United Nations and neutral ships in western Atlantic waters since Pearl Harbor.

Survivors landed at an east coast port from the latest vessel sunk said that the attacking sub was not seen by any of the crew as the fired two torpedoes into the starboard side of the vessel. The survivors were picked up shortly after they abandoned ship.

CAR STOLEN. J. W. Piner, 507 Runnels, reported to the Sheriff's department today the theft of his car, a 1936 Ford coupe taken Wednesday night.

Cold Weather Slows Russian Conflict

First Snow In Area; Reds Claim New Successes

By HENRY C. CASSIDY. MOSCOW, Oct. 22. (AP)—Snow swirled across the steppes of the Don-Volga corridor today as the Russians announced recapture of several buildings within the industrial area of northern Stalingrad and a major trench raid northwest of the city in which more than 200 Germans were slain.

Winter was starting to grip Russia's greatest battlefield of 1942. The steppes were converted into muddy bogs.

A Pravda dispatch reported an abrupt shift in the weather, with dry warmth suddenly succeeded by rain, a cold wave and the first snowfall of the season.

Whether the snow had reached Stalingrad was not apparent, but a Red Star dispatch said rains and high winds—apparently forerunners of the steeper storm—hampered enemy movements there.

Russian seizure of the initiative in the northern suburbs was reported to have come at a time when the last offensive was slackening to attacks in restricted sectors. All assaults at the two principal points of combat, near a north side factory and a workers' settlement, were reported repulsed.

Invastia said a Russian counter-attack outside Stalingrad had driven the Germans from an important hill overlooking the city. Another height was declared captured through a red army flanking maneuver which overran two Nazi defense lines.

The moon communique announced that Soviet troops had broken into German entrenchments northwest of the city and had slain more than 900 Germans in hand-to-hand fighting.

The diminished attacks upon Stalingrad were said to have been initiated from the west, against red army lines formed through the factory yards, and from the north.

Pravda said the Germans still held numerical superiority, sometimes putting twice as many men as the Russians into action. The Russians were said to have adopted the classical round defense at individual points where the enemy hit hardest.

Deep snow fell in the mountains of the Caucasus, where the Germans have bogged down in two main sectors, the district of Mosdok and southeast of Novorossiysk.

Soviet dispatches said the Germans continued to press numerous attacks in the foothills without effect.

Three Injured In Ordnance Blast. TEXARKANA, Oct. 22. (AP)—An explosion at the Lone Star Ordnance plant yesterday injured three persons, one critically.

The injured were listed by Capt. James R. Fraser, public relations officer, as Judson Rubert Shipp, 36, shift foreman and former Dallas resident, considered critically hurt; Harold Samuel May, 21, truck driver of Simms, Texas, and Winfred Ray Livingston, laboratory operator.

Cause of the blast, which occurred in a storage building, had not been determined, Capt. Fraser said.

Big Naval Battle May Be In The Making In The Solomons

PERCY GRAINGER

VIRGINIA ELLIS

WASHINGTON, Oct. 22. (AP)—Allied and Japanese forces counted mounting losses in the battle of the southwestern Pacific today as planes and ships of both sides jockeyed for positions to throw decisive blows.

Washington Reveals Sinking Of Two Destroyers. WASHINGTON, Oct. 22. (AP)—The two U. S. destroyers were regarded as evidence of the presence of larger American warships in the Solomons.

Westward of the Solomons, allied heavy bombers blasted an enemy ship in New Britain's harbor of Rabaul causing fires and explosions. More fires were started on the Rabaul airfield by bombs dropped by fliers under Gen. Douglas MacArthur's Australian command.

Another raid inflicted serious damage on Japanese-occupied Moabisa in Timor, north of Port Darwin. Meantime, the Japanese backing firing attempt to grab Port Moresby in New Guinea, suffered another setback as Australian troops swept on the foe's flank in the Owen Stanley mountains and forced a retreat, MacArthur's headquarters reported today (Australian time).

A spokesman said greater numbers of troops are engaged on both sides and that the Japanese might be making a last stand before backing nine miles north to Kokoda, midway of Moresby and the enemy's Buna invasion base.

Announcing losses within the last few days of the 1,570-ton O'Brien and the 1,630-ton Meredith, the navy said last night all of the personnel of the former were believed saved and many from the Meredith.

The destroyer O'Brien was launched Oct. 20, 1937, at the Boston navy yard and carried a normal complement of 175 officers and men. The Meredith, with an equal personnel normally, was launched April 24, 1940, at the Boston yard.

American planes continued the aerial assault on Japanese war vessels, meanwhile, and bombed enemy positions and ammunition dumps on Guadalcanal, where the United States grip on the island airbase is the focal point of an expected Japanese invasion.

Heavy Losses Revealed By Both Sides. WASHINGTON, Oct. 22. (AP)—Secretary of War Stimson said today it was possible that some of the American flyers who took part in the Doolittle raid on Tokyo had been forced down after leaving Japan and had been captured by the Japanese.

Stimson said the names in Japanese propaganda broadcasts "fairly well correspond" with those of army air men long carried on army records as "missing."

Stimson told his press conference that the war department had no reports other than those by the Japanese radio that the men had been subjected to trial.

"Our flyers who attacked Tokyo were instructed to attack only military objectives, and our reports are that they did so with remarkable accuracy," Stimson said.

Some Tokyo Raiders May Be In Jap Hands

WASHINGTON, Oct. 22. (AP)—Secretary of War Stimson said today it was possible that some of the American flyers who took part in the Doolittle raid on Tokyo had been forced down after leaving Japan and had been captured by the Japanese.

Stimson said the names in Japanese propaganda broadcasts "fairly well correspond" with those of army air men long carried on army records as "missing."

Stimson told his press conference that the war department had no reports other than those by the Japanese radio that the men had been subjected to trial.

"Our flyers who attacked Tokyo were instructed to attack only military objectives, and our reports are that they did so with remarkable accuracy," Stimson said.

"We abide by the Geneva convention governing the conduct of war and we expect our enemies to do the same."

"We are very loath to believe Japan is going to violate those rules."

"We have allowed the Red Cross to inspect the condition of all Japanese prisoners held by us and are making every effort to see that the rules of the Geneva Convention and the rules of humanity are carried out."

Yesterday the Tokyo radio, as picked up in New York, named four airmen it said had fallen into Japanese hands after the April 18 raid on Tokyo led by Brig. Gen. James H. Doolittle.

The names were given as Second Lieut. William J. Farrow, 25, of St. Jones Street, Darlington, S. C.; Second Lieut. Dean E. Hollmark, 27, 80 Way Avenue, Dallas, Texas; Corporal Jacob D. Deshauser, 29, of Oregon, and Sergeant Mechanic Harold A. Spatz, 26, of Kansas.

Re-Assignment Of Older Soldiers Is Considered

WASHINGTON, Oct. 22. (AP)—The war department is studying plans to reassign men in the army with a view to releasing some who are physically unequal to war's demands to industry and agriculture, Secretary Stimson said today.

Some 4,000 former miners already have been furloughed to speed production of copper and other critical ores.

Stimson told his press conference that the reassignment would consider the physical condition and the technical qualifications of the men now in service.

"It is determined that some over 40, because of these two considerations are more valuable to industry and agriculture, these may be released, as replacements become available from younger men," he said.

Enlistments To Be Stopped On Oct. 30th

WASHINGTON, Oct. 22. (AP)—The war department is studying plans to reassign men in the army with a view to releasing some who are physically unequal to war's demands to industry and agriculture, Secretary Stimson said today.

Some 4,000 former miners already have been furloughed to speed production of copper and other critical ores.

Stimson told his press conference that the reassignment would consider the physical condition and the technical qualifications of the men now in service.

"It is determined that some over 40, because of these two considerations are more valuable to industry and agriculture, these may be released, as replacements become available from younger men," he said.

Stimson told a questioner he assumed the survey would include men already overseas, although these might not be considered as soon as those stationed at home. He said it was not definite that the age 40 would be the minimum considered.

As long ago as last January, Stimson said the army had been sifting its personnel, transferring equal numbers to units unable to stand the pace of fighting commands. In this process he said age was a factor but not the sole consideration.

Fortresses Down Nine Nazi Planes

LONDON, Oct. 22. (AP)—Nine enemy fighters were destroyed by United States flying fortresses in their raid yesterday on the German submarine base at Lorient, France, headquarters of the United States army air force announced today.

"Interrogation of the bombing crews indicated that the engagement in which these planes were destroyed began as the flying fortresses crossed the enemy coast on their way to the target," said the statement, issued by the headquarters of the eighth air force, USAF.

"Formations of F-W 190's attacked the bombers and a continuous running battle was fought until the planes neared the vicinity of Quimperle. Three of our bombers are missing."

Both transmitters of the German-controlled Hiltersum radio in Holland went off the air between 1 and 3:30 p. m. today, the Dutch news agency said, indicating that allied planes might be in the region. Hiltersum, in central Holland, is in an area recently hard-hit by the allies in blows against rail and water transport in the Netherlands.

Texas Scrap File 500,000,000 Pounds

DALLAS, Oct. 22. (AP)—Texas' record of scrap metal collections neared the 500,000,000-pound mark as additional reports came in here to Thornton Hall, director of the state's newspaper salvage drive which ended Monday night.

Reports tabulated late yesterday revealed a total of 423,711,000 pounds of scrap rounded up over the state, Hall said.

Grainger Will Give Concert This Evening

One of the greatest concert pianists of all time, who has been described as the leader of the youth movement in music, will be presented jointly with an outstanding young musician in the second of the series of the Lions Club-sponsored Community Entertainment series at the city auditorium at 7:15 this evening.

Percy Grainger, Australian-born artist who has been winning acclaim since he was 12, will be featured at the concert. In joint recital with him will be Virginia Ellis, 16-year-old violin sensation, already a veteran of both the concert stage and motion pictures.

This season Percy Grainger celebrates his fiftieth year on the concert stage, for he made his first concert appearance at the age of 10. Still, one need not suspect to find a doddering old man in the person of Grainger, for he looks 20 years younger than his age. A strict vegetarian who neither drinks nor smokes, Grainger has exercised with enthusiasm all his life and has energy and vivacity to match his younger appearance.

While Grainger is known better as a pianist, he is a composer of no less renown, for his "Country Gardens," written while he was a member of the U. S. Army band during World War I, continues to be a best seller and has broken all of G. Schirmer's sales records in the United States alone for the past 75 years. Some of his other better known compositions include "Trish Tine From County Derry," "Shepherd's Hey," "To a Nordic Princess," dedicated as a wedding gift to his bride, Ella Viola Strom, famous Swedish painter and poetess.

Since the last war he has been a naturalized citizen of the United States. Virginia Ellis is known to millions of Americans for her flawless performances over radio, in motion pictures and on the concert stage. Blossoming into an artist after only three years study with the violin, she has been making regular appearances almost for a decade. Moviegoers will remember her most recently in "See GRAINGER, Page 2, Column 4"

Resume Trial Of Soldier

BASTROP, Oct. 22. (AP)—The trial of Pvt. George S. Knapp, 38, charged with slaying Lucy Rivers Maynard, 8, was resumed late yesterday after Knapp was declared sane by unanimous vote of a Camp Swift general court martial.

Brig. Gen. Robert L. Spragins, court president, read the decision of the eight-member court martial, which said: "The court, in closed session and by secret ballot, all members concurring, has ruled that the accused at the time of the commission of the crimes with which he is charged, was not suffering from any mental disease which would prevent him from determining right from wrong."

Knapp's plea of innocent, entered by defense counsel together with a motion for a sanity examination when he was arraigned Oct. 11, remained unchanged.

The court heard one witness yesterday after Gen. Spragins ordered the trial resumed.

Colder Weather Is Due In Panhandle

DALLAS, Oct. 22. (AP)—Colder, windy weather for the Panhandle and the Dallas-Fort Worth area today and tonight is forecast by the U. S. weather bureau.

Snowfalls north of Amarillo were included with predictions temperatures might drop to about 25 in that city. Showers and stiff winds will accompany the cooler weather.

This section was expected to feel cooler winds by nightfall, with temperatures by morning hovering around 45 degrees. The low for the season here was 26 degrees on Sept. 27.

Sees Threat Of An Oil Shortage

WASHINGTON, Oct. 22. (AP)—Senator O'Mahoney (D-Wyo.) viewing depletion of the nation's petroleum reserves as a "threat of the utmost gravity," called today for greater co-ordination of federal efforts to avert an oil crisis in the midst of war.

Chairman of a public lands committee which reported the army and navy were dependent for tremendous oil supplies upon "the uncoordinated activity" of five agencies, O'Mahoney told reporters new wells must be drilled without delay.

Despite civilian curtailment, he said, crude oil consumption is keeping up with a production of slightly more than 4,000,000 barrels a day.

Yesterday's committee report disclosed that tests showed the army needed 15,000,000 gallons of gasoline a day for a ground force of 7,500,000 contemplated by war officials.

"Add to that, fuel oil for the navy and fuel oil for the merchant marine," the report continued.

"Add again, gasoline for the air armada, tonnage for explosives and butadiene for rubber. Then, at last a comprehension of the huge quantities of petroleum that are needed

Last Minute Changes In Chilean Cabinet

SANTIAGO, Chile, Oct. 22. (AP)—Sharp indications of firm treatment for axis agents in neutral Chile emerged today as a new cabinet, following two last-minute changes of personnel, took the reins of government under President Juan Antonio Rios, himself an advocate of continental solidarity.

The interior minister, Paul Morales of the radical (liberal) party, a carry-over member of the cabinet, used decree power to order banishment of three Germans accused of espionage after Magistrate Jose Arancibia had freed them of charges of secretly radiating information on ship movements.

Morales ordered the three to be held on the island of Quiriquina, facing the military port of Talcahuano, until the end of the war. At the same time, he ordered seizure of the homes of foreigners suspected of pro-axis activities.

Magistrate Arancibia had ruled that the charges against the Germans, Alfred Kleiber, Ludwig Rues and Wilhelm Dorbach, could not be prosecuted under the law for international security which Morales had invoked Oct. 7 in the original arrest of the men.

Joaquin Fernandez, Chilean ambassador to Uruguay, accepted the post of foreign minister after German Riasco, who previously had accepted, declined the office a few hours before he had been expected to be sworn in.

Francisco Solar, radical, who was sworn in as minister of commerce last night, resigned after the central governing board of his party refused him permission to accept the post and General Fojan Arriaga was chosen to replace him.

Gates Opened On Colorado Dam

AUSTIN, Oct. 22. (AP)—Several of the 24 massive outflow gates at Mansfield dam on the Colorado river were opened today for the first time since construction was completed.

Release of the torrents of water was ordered by the Lower Colorado River Authority to hold Lake Travis to the maximum operating level fixed by agreement between the authority and the U. S. Bureau of Reclamation which built the dam primarily as a flood control unit.

Discharge of 52,000,000 gallons of water daily from Lake Travis, together with the normal discharges from Lake Austin, brought the river at Austin to seven feet above normal. Flood stage is 21 feet.

INTO SERVICE. FORT WORTH, Oct. 22. (AP)—Jacqueline Cochran, famed woman flier, has reported to the air force flying training command here and today announced she will be in charge of training pilots for the women's auxiliary ferrying service.

Pair Charged In Burglary

Apprehended Wednesday night near Sanatorium by state highway patrolmen, two men faced charges here Thursday in connection with the Tuesday night burglary of the Fashion Cleaners.

Named in complaints in justice court were Alton Wolcott, 20, of Brownwood and Joe Cross, 22, who, Sheriff Andrew Merrick said, made a statement clearing up the burglary here. They were identified as convicts.

The two assertedly had a stolen car when picked up by patrolmen, and officers found in the car articles of clothing identified as coming from the Fashion Cleaners.

The suspects were taken Thursday to Comanche on a car theft charge, and may be returned here later. The sheriff's office said information revealed the two had escaped jail at Meridian, Tex., Oct. 18, with a third man who has not been apprehended.

Weather Forecast

WEST TEXAS—Windy and colder this afternoon; windy and colder in Panhandle and South Plains by this afternoon, and in Del Rio-Eagle Pass area by tonight; showers in Panhandle this afternoon and snow squalls in Panhandle and South Plains tonight.

EAST TEXAS—Colder tonight and in northwest portion late this afternoon. Fresh to strong winds this afternoon and tonight.

Annual Event To Be Held Friday Night

Plans for the Central Ward P. T. A. Hallowe'en carnival Friday night at the high school gymnasium were completed at a meeting of the group Wednesday afternoon at the school.

J. H. Greene, manager of the Chamber of Commerce and guest speaker, discussed "Knowing Co-operating Agencies in Your Community."

Mrs. R. V. Middleton gave the devotional, and Miss Marjorie Lay's room won the room count. The need of cooperative effort in the rat eradication campaign October 29 was stressed.

Others present were Mrs. James Wilcox, Mrs. L. D. Jenkins, Mrs. C. C. Choate, Mrs. Ernest Potter, Mrs. C. H. Farquhar, Mrs. J. S. Kennedy, Mrs. M. E. Anderson, Mrs. Calvin Boykin, Mrs. Alonso Cooper, Mrs. A. G. Hall, Jr., Mrs. S. McCranie, Mrs. Ralph M. Hodges, Mrs. Ira Farmer, Mrs. Chester O'Brien, Mrs. Otis Faulb, Billy Bob O'Brien, Miss Grace Mann.

Mrs. W. B. Younger, Mrs. H. E. Culler, Mrs. Joe Blum, Mrs. Lee Jenkins, Mrs. W. E. McNallen, Mrs. Robert Parks, Mrs. W. E. McGinnis, Mrs. C. T. McDaniel, Mrs. Charles Frost, Mrs. Harwood Keith, Mrs. Kelly Burns, Dean Bennett, Mrs. William Tate, Miss Marjorie Lay, Theo Sullivan, Mrs. Alton Underwood, Mrs. G. A. McGann, Mrs. M. E. Allen, Mrs. Mary Arnold, Mrs. Lee Burrus, Mrs. H. B. Herring, Mrs. Bob Wren, Mrs. L. E. Hutchins, Mrs. T. A. Stephens, Mrs. Buel Fox and Mrs. C. W. Creighton.

VISITS AND VISITORS

Mr. and Mrs. Jack Wallace have as a guest his mother, Mrs. Alan C. Jones of Los Angeles, Calif., who will be here until next week.

Mrs. A. M. Ripps is improving following a major operation Wednesday at the Malone and Hogan Clinic-Hospital.

Kathryn Fuller Is Honored With A Bridal Shower

Personal shower was given Kathryn Fuller in the home of Mrs. G. H. Hayward Tuesday night with Mrs. R. L. Gomillion and Mrs. D. D. Douglass as co-hostesses.

Miss Fuller left Wednesday for Atlanta, Ga., where her marriage to Roy Veatch will take place this weekend. Veatch is stationed with the army in Atlanta.

Refreshments were served to a group of over 15 persons who attended.

IF YOUR NOSE FILLS UP TONIGHT

Do this—Try 3-syringe V-A-T-R-O-NOL. It (1) shrinks swollen membranes, (2) soothes irritation, (3) relieves transient nasal congestion... And brings greater breathing comfort. You'll like VICKS V-A-T-R-O-NOL in folder.

Miss Laneous Notes

Thoughts When We Should Be Working

In a talk the other day, we heard a woman say that a friend of hers in London had found out that the only difference between having a big house and a small one was that the big house took two bombs to destroy and the small one only one. That's a thought you can keep on thinking about.

The most amazing picture of the war that we've seen yet is the one that appeared recently in a slick magazine showing marines in the Solomon Islands keeping up with world series ball scores between battles.

The picture we like best so far is the one of the soldiers in a dugout in some foreign land and the sign reading "Stork Club" on the camouflageed top.

They may differ on procedure and manner, but the one thing we've found common in all soldiers we've met is a willingness to be shipped overseas and "get this war won" and go about normal living again. On that point, all seem to agree.

We love the government putting a ceiling price on nylon stockings. That's almost as effective as putting a ceiling on new cars of the like. Why bother now? The nylon hose have been gone for some time.

What we want to know is this. Will food ceiling prices bring back the 35 cent blue plate lunch? It's still being served but at twice the price. The food is still terrible but the price makes it twice as unappetizing now.

Coahoma Women Have Circle Meetings

COAHOMA, Oct. 22 (Sp.)—Mrs. H. Lavelle Stamps was hostess in her home to Circle One of the Presbyterian Auxiliary, Monday afternoon. Mrs. Noble Read was program leader and the subject was "Binding America Together." Mrs. Cora Lee Echols gave the devotional. During the business session, Mrs. Truett DeVaney presided. Refreshments were served and those present included Mrs. E. R. Lay, Mrs. F. N. Shive, Mrs. Sam Hicks, Mrs. Ellie Elliott, Mrs. Cora Lee Echols, Mrs. H. Noble Read, Mrs. Truett DeVaney and the hostess.

Circle Two of the Presbyterian Auxiliary met in the home of Mrs. C. P. Owens and Mrs. Frank Lovelless gave the devotional. A general discussion on the subject "Binding America Together" was given. Refreshments were served and those present were Mrs. Bruce Mayfield, Mrs. Frank Lovelless, Mrs. Leroy Echols, Mrs. Glenn Guthrie, Mrs. R. V. Guthrie, Mrs. Oscar Smith, Mrs. A. E. Johnson, Mrs. A. C. Hale, Mrs. Charles Read, Jr., Agnes Barnhill and the hostess.

DENTON, Oct. 22 (Sp.)—Lera Louise McClenny of Big Spring and Bobbie Lewis Haynes of Garden City, students at Texas State College for Women, have been pledged to campus literary and social organizations.

Daughter of Mr. and Mrs. C. R. McClenny, Miss McClenny is a sophomore, majoring in religious service. She pledged Athenaean club. Miss Haynes, daughter of Mr. and Mrs. H. A. Haynes, pledged the Philomathia club. She is a sophomore majoring in home economics education. Membership in the clubs is by invitation only, and good scholastic and citizenship standing are requirements for pledging the organization.

Firemen Ladies Have Business Meeting

Mrs. Willie Eyle presided over a business meeting of Firemen Ladies held Wednesday afternoon at the W. O. W. hall.

Others present were Mrs. Gladys Slusser, Mrs. Dora Sholte, Mrs. Florence Rose, Mrs. Birdie Adams, Mrs. Iona Graddy, Mrs. Leona Amerson, Mrs. Annie Wilkins, Mrs. Inez McClaskey, Mrs. Billie Anderson, Mrs. Irene Stegner, Mrs. Lill Brooks, Mrs. Besse Power, Mrs. Alice Mims, Mrs. Helen Gill, Lendora Rose and Mrs. Minnie Barbee.

Guano Birds Like Fish

LA JOLLA, Calif.—The Scripps Institute of Oceanography has established that guano birds of Peru consume 5 1/2 million tons of fish annually. No effort is made to put them on a Hollywood diet, as the resulting amounts of guano are more than compensative. The Peruvian people utilize only 4,000 metric tons of sea fish annually.

Brownie Rogers Is Honored On Birthday

DAUGHTER of Mrs. M. and Mrs. Brown Rogers was complimented on his fifth birthday anniversary with a party at the Farrar Pre-School Wednesday afternoon.

A Hallowe'en motif was carried out in the games and refreshments and white cakes topped with orange candles and orange popcycles were refreshments.

Those present were Paul Limer, Margy Jackson, Janice Underwood, Sidney Cravens, Anna Belle Lane, Ralph Wright, Janet Wright, Lynn Scott, David Gabriel, Sylvia Brigham, Tommy Tate, Hally Harris, Ray Shaw and Sadie Cowper.

Plans To Be Fixed For 'Turkey Day'

A "Turkey Day" committee, headed by V. A. Merrick, will hold a special session at 3 p. m. Friday at the chamber of commerce offices to set a date and lay basic plans for the second annual event here this year.

Last season the day, held downtown in advance of Thanksgiving, attracted several thousand people, set off several merry chases and even stirred up an altercation on two. Under rules of the affair, turkeys given by business firms are released simultaneously from the place of business which is donating the bird. The chance to see who gets the turkey follows.

Potatoes were first discovered by white men in Colombia, South America, in 1492.

WASTE FATS Are Needed For Munitions

And housewives can help in saving groceries to go into the making of explosives.

WHAT TO DO:

1. Save all your waste cooking fats.
2. Strain into a wide-mouthed container.
3. Keep in cool, dark place until you have at least a pound.
4. Take it to your meat dealer. He will pay you 50¢ a pound. For strained fats, 75¢ a pound for unstrained.

Forty-Two Club Disbands For The Duration

Mrs. Roy Hiss of San Diego, Calif., Mrs. E. B. Bethell and Mrs. Franklin Orr were guests when Mrs. D. S. Orr entertained at her home Wednesday afternoon for members of the All Around Forty-two club.

Mrs. Max Welch and Mrs. Frank Gray won high scores.

The club voted to disband for the duration and to donate the treasury funds to the USO.

Mexican refreshments were served and others present were Mrs. Alice Wright, Mrs. Guy Mitchell, Mrs. Grady Jones and Mrs. C. M. Cochran.

Stanton Luncheon Club Holds Its Final Meeting

STANTON, Oct. 22—The lovely new ranch home of Mr. and Mrs. Son Powell was the setting for the final meeting of the Luncheon club on Tuesday when Mrs. Powell was hostess. This is the last meeting for the duration.

Three tables were in play in the living room which was decorated with roses and dahlias grown by the hostess. On the mantel large pink rosebuds reflected their beauty in the full length mirror. Tallies and luncheon cloths were in Hallowe'en colors.

Mrs. Ira Watkins made high score. Mrs. Berry Burr second high. Mrs. Filmore Epley took the floating prize, and Mrs. J. E. Kellogg binglo. All were given bud vases in cream pottery.

Club members were Mrs. Earl Powell, Mrs. Owen Ingram, Mrs. Jim Tom, Mrs. Hubert Martin, Mrs. Epley and Mrs. Kelly. Guests were Mrs. Watkins and Mrs. Duff of Garden City, Mrs. Tode Houston, Mrs. Chuck Houston, Mrs. J. D. Poe and Mrs. Charles Donelson.

Big Spring Girls Join College Clubs

DENTON, Oct. 22 (Sp.)—Lera Louise McClenny of Big Spring and Bobbie Lewis Haynes of Garden City, students at Texas State College for Women, have been pledged to campus literary and social organizations.

Daughter of Mr. and Mrs. C. R. McClenny, Miss McClenny is a sophomore, majoring in religious service. She pledged Athenaean club. Miss Haynes, daughter of Mr. and Mrs. H. A. Haynes, pledged the Philomathia club. She is a sophomore majoring in home economics education. Membership in the clubs is by invitation only, and good scholastic and citizenship standing are requirements for pledging the organization.

Firemen Ladies Have Business Meeting

Mrs. Willie Eyle presided over a business meeting of Firemen Ladies held Wednesday afternoon at the W. O. W. hall.

Others present were Mrs. Gladys Slusser, Mrs. Dora Sholte, Mrs. Florence Rose, Mrs. Birdie Adams, Mrs. Iona Graddy, Mrs. Leona Amerson, Mrs. Annie Wilkins, Mrs. Inez McClaskey, Mrs. Billie Anderson, Mrs. Irene Stegner, Mrs. Lill Brooks, Mrs. Besse Power, Mrs. Alice Mims, Mrs. Helen Gill, Lendora Rose and Mrs. Minnie Barbee.

Guano Birds Like Fish

LA JOLLA, Calif.—The Scripps Institute of Oceanography has established that guano birds of Peru consume 5 1/2 million tons of fish annually. No effort is made to put them on a Hollywood diet, as the resulting amounts of guano are more than compensative. The Peruvian people utilize only 4,000 metric tons of sea fish annually.

Brownie Rogers Is Honored On Birthday

DAUGHTER of Mrs. M. and Mrs. Brown Rogers was complimented on his fifth birthday anniversary with a party at the Farrar Pre-School Wednesday afternoon.

A Hallowe'en motif was carried out in the games and refreshments and white cakes topped with orange candles and orange popcycles were refreshments.

Those present were Paul Limer, Margy Jackson, Janice Underwood, Sidney Cravens, Anna Belle Lane, Ralph Wright, Janet Wright, Lynn Scott, David Gabriel, Sylvia Brigham, Tommy Tate, Hally Harris, Ray Shaw and Sadie Cowper.

Plans To Be Fixed For 'Turkey Day'

A "Turkey Day" committee, headed by V. A. Merrick, will hold a special session at 3 p. m. Friday at the chamber of commerce offices to set a date and lay basic plans for the second annual event here this year.

Last season the day, held downtown in advance of Thanksgiving, attracted several thousand people, set off several merry chases and even stirred up an altercation on two. Under rules of the affair, turkeys given by business firms are released simultaneously from the place of business which is donating the bird. The chance to see who gets the turkey follows.

Potatoes were first discovered by white men in Colombia, South America, in 1492.

De Luxe Bridge Club Meets At Settles Hotel

Chrysanthemums were decorations when Mr. and Mrs. Ike McGann were hosts at dinner and bridge Wednesday evening at the Settles hotel to members of the De Luxe club.

Capt. and Mrs. Jack Raynor and Mrs. Paul Drouet were guests. High score was won by Mrs. W. N. Thurston for the women and Otis Grata for the men. Mrs. Grata and Marshall Allen bingloed. Members present were Mr. and Mrs. Tom Pharr, Mrs. J. C. Velvin, Mr. and Mrs. Johnny Griffin, Mr. and Mrs. Thurston, Mr. and Mrs. Allen, Mr. and Mrs. Grata.

Ceremonies Held By P.D.C. Club

The P. D. C. Club climaxed two weeks of initiation with a formal candlelight ceremony in the home of Anna Claire Waters Wednesday evening with Mrs. Steve Baker in charge of the ceremony.

Autumn flowers decorated the entertaining rooms, and members and rushes were floor length dresses.

Refreshments were served buffet style on a lace laid table centered with crystal bowl of mums.

Following the candlelight ceremony the club constitution was read and signed by new members who are Carol Conley, Ann Blankenship, Betty Jane Smith and Bobby June Bobb.

Members present were Wilma Jo Taylor, Martha Anderson, Jean Ellen Chown, Betty Alice Nobles, Joyce Jones, Betty Lou McGinnis, Helen Blount, Cora Ellen Selkirk, Nellie Mead, Bobby Jo Dunlap, Mary Nell Cook, Billy Jo Riggs, Patty McDonald, and the sponsor, Mrs. Bobbie Jo Dunlap is to be next hostess.

Littlefield Girl Weds Coloradoan

COLORADO CITY, Oct. 22—The marriage of Minnie Kate Griffin of Littlefield and Dick Lowe Jones of Colorado City took place in Littlefield Monday.

The bridegroom is the son of Mr. and Mrs. Chester Jones of the Jones ranch near Vincent and Colorado City. Both the couple are ex-students of Texas Tech. They will make their home temporarily in Hobbs, N. M. Mr. Jones is employed in a defense industry until his call for training in the army air corps in which he enlisted as a cadet several months ago.

Marriage Of Aug. 29 Is Announced

COLORADO CITY, Oct. 22—Mr. and Mrs. H. Posey of Colorado City are announcing this week the marriage of their daughter, Jonelle, to Sam Smartt Richardson, son of Mr. and Mrs. Ray Richardson, former residents now of Fort Worth. The ceremony took place in Baird August 29.

The bride is a senior student in Colorado City high school. The bridegroom is awaiting orders to report for training as an army aviation cadet. He is a 1939 graduate of Colorado City high school and attended Texas Tech and Texas University. The couple is temporarily at home in Colorado City.

Play To Be Given At Central Ward Carnival

In connection with the annual Hallowe'en carnival to be staged by Central Ward students Friday night, a playlet, "Put On Your Thinking Cap," is to be presented. Characters in the presentation will include Culin Grigsby, Jo Ann Boykin, Richard Hitt, Kelley Lawrence, Billy Bob O'Brien, Carolyn and Catherine Williams, Susan Houser, Martha Ann Johnson, Charles Ray Jones and Betty Jo Bishop.

Beeswax is used in the manufacture of at least 400 articles.

Pull the Trigger on Constipation, with Ease for Stomach, too

When constipation brings on discomfort after meals, stomach upset, bloating, distasteful gas, coated tongue, and bad breath, your stomach is probably "screaming the blues." Because your bowels don't move, it calls for Laxative-Senna to pull the trigger on those lazy bowels, combined with Syrup Pepsin for perfect ease to your stomach in taking. For years, many Doctors have given Laxative-Senna in their prescriptions to make medicine more agreeable to a touchy stomach. So be sure your laxative contains Syrup Pepsin. Insist on Dr. Caldwell's Laxative-Senna combined with Syrup Pepsin. See how wonderful the Laxative-Senna wakes up lazy nerves and muscles in your intestines to bring welcome relief from constipation. And the good old Syrup Pepsin makes this Laxative so comfortable and easy on your stomach. Even finicky children love the taste of this pleasant family laxative. Take Dr. Caldwell's Laxative-Senna combined with Syrup Pepsin, as directed on label or as your doctor advises, and feel world's best. Get genuine Dr. Caldwell's.

Two Guests Are Included At Pioneer Club

Two guests Mrs. B. Eckhaus and Mrs. Albert Joseph, were included at the Pioneer Bridge club when members met Wednesday in the home of Mrs. Joye Fisher.

Mrs. Lee Hanson won high score and received the defense stamp prize. Mrs. E. O. Ellington was named as next hostess.

Others present were Mrs. Bernard Fisher, Mrs. Ellington, Mrs. R. C. Strain, Mrs. W. W. Inkman, Mrs. V. Van Gieson.

Ladies Aid Honors President With Gift Shower

The Concordia Ladies Aid met in the home of Mrs. Herman Pachall for a business and social session. The Rev. R. L. Kasper opened the meeting with a prayer.

New members were Mrs. Case Stemple and Mrs. Bubble. Gifts were presented to Alma Ruckert, who has served as president for the past seven years.

Games were played and others present were Mrs. Crow, Mrs. Ernest Hull, Mrs. B. Rueckart, Eddie Bubbles, Mrs. R. A. Pachall, Mrs. Daniels, Mrs. W. C. Heckler, Mrs. Warn, Mrs. Bynum, Mrs. Walter Pachall, Alma Ruckert, Mrs. Henry Fehler and the Rev. Kasper.

Mrs. C. Thompson sent a gift.

University Women Hear Talk By Regional Vice President At Luncheon

Dr. Justin Is Speaker On War And Women

The part of University Women in total war effort was the theme for discussion given by Dr. Margaret M. Justin, dean of women at Kansas State college and regional vice president of the American Association of University Women at a luncheon for the local chapter Wednesday at the Settles hotel.

Dr. Justin pointed out that men were doing their part in all corners of the earth to preserve democracy and the American way of life, but that unless women stepped into their part of war and helped preserve democracy at home, that the returning soldier would find his battle lost at home.

Women left behind have the problem of safeguarding democracy, seeing democratic procedure is preserved, that youth is educated, that nutrition and health are taught, that consumer interest is urged, and that the morals and morals of the country be maintained.

The speaker urged the importance of doing first things first and that University women as leaders in the community should tackle big jobs with courage and to devote themselves as citizens to the problems of citizenry. She pointed out the need for continued education of public thinking towards the end of a just peace when war is won. University women should rid themselves of the thought of the importance of things, and realize the importance of values.

Attending the luncheon were Mrs. H. A. Stegner, Mrs. K. H. McGibben, Mrs. John Ratliff, Mrs. R. B. G. Cowper, Mrs. Charles Watson, Nell Brown, Mrs. George Lynn Brown, Mrs. Beth H. Parsons, Mrs. R. W. Thompson, Mrs. Ray Lawrence, Mrs. E. A. Gabriel, Mrs. Eugene McNallen, Mrs. Raymond L. Tollett, Mrs. J. B. Mull, Mrs. Pat Sullivan, Mrs. W. J. McAdams.

Mrs. Thompson, who introduced the speaker, announced the next meeting for Tuesday night at 7:30 o'clock in the home of Mrs. K. H. McGibben, with a board meeting preceding at 7 o'clock.

Reverses Damage Suit

HELENA, Mont.—A district court jury recently awarded \$6,000 damages to a post office robbery suspect who was held for eight hours without a warrant by the local sheriff, but the state supreme court reversed the decision. The high court held that although the man had been falsely imprisoned, the damages were excessive in view of the fact he was later convicted of the charge.

A cat's eyes do not shine—they merely reflect the faint light of dark places.

Song To Be Dedicated To The Girl Scouts On Program Friday

Girl scouts will hear a song, "America Needs You," dedicated to them Friday night over the Cities Service program, NBC network, when Lucille Manners and Ross Graham will feature the number. The song, written by Kent Cooper, expresses the thought that America needs her girl scouts now as never before.

Sunshine Hi Ho

FOR REAL HELP THESE BUSY DAYS, GET NEXT TO HI HO CRACKERS!

Busy housewives who are now trying to make every minute count give a royal welcome to Hi Ho Crackers. And for good reason! This popular cracker-treat is amazingly convenient to serve... anytime! And it has an appetizing, just-out-of-the-oven flavor—a tantalizing, nut-like goodness that makes it so delightfully different from other round-shaped crackers.

Try Sunshine Hi Ho Crackers! Find out for yourself why they're so popular.

Errol Flynn Is Named In New Charge

LOS ANGELES, Oct. 22 (AP)—Less than a week after his arrest on a charge of raping a 17-year-old girl soda jerk at a party, Actor Errol Flynn, recently divorced, was summoned into court today to answer another complaint that he allegedly raped the daughter of a hotel chef aboard his palatial yacht when she was 15.

Accompanied by Juvenile Officer R. W. Bowling, Peggy La Rue Batters appeared at the district attorney's office yesterday and swore to a complaint charging that the British-born actor raped her twice aboard his yacht Sirocco while on a moonlight cruise to nearby Catalina Island Aug. 3, 1941.

Both charges were denied by Flynn.

Scrap Held Up By Shipping

ping facilities has completely blocked bids on the heaps of scrap here, B. J. McDaniel, chairman of the defense council salvage committee, said Thursday.

Now that stacks of the material have been collected and efforts are being redoubled to get in scrap from rural sections—the problem is shipping it, declared the chairman.

Dealers are unwilling to invest large sums of money in the scrap if they are uncertain over how long they will have to hold it before being able to ship the salvage to mill. And, added McDaniel, if bids were received with the view of holding the material, they probably would be much lower than the price has been.

Aside from the point of having money tied up for a long period of time, dealers cannot make the price on the scrap that they could were they to gather it now and make one handling do for loading it on the cars.

Negro Tows Raft Of Men To Safety

HOLLYWOOD, Oct. 22 (AP)—A young naval ensign related last night how a powerful negro mess attendant swam six hours through shark-infested waters, towing to safety a raft load of wounded seamen from a U. S. destroyer, sunk by the Japanese off the Solomon.

The ensign was Robert N. Adrian, Ontario, Ore. He was wounded in the engagement, he said in an NBC radio broadcast, but despite his injuries he was able to cling to the side of the overloaded raft while the strong-shouldered negro seaman inched his way shoreward.

Ensign Adrian said the mess attendant was known to him only as "French."

A meteorite, left on display where it fell in South Africa, is estimated to weigh 80 tons.

Potatoes are native to South America but were introduced to North America by way of Europe.

THREE MEN IN A JUNGLE — Bearded following hard days and nights of fighting the Japs in New Guinea, these Australians appear a solemn trio.

NEWPORT NEWS, VA.—A shipyard bond champion is Hugh Butler, 60-year-old Scot born in Glasgow, who has allotted 100% of his pay to War Savings Bonds. Butler is shown at work in the joiner shop of the Newport News Shipbuilding and Drydock Company where he helps daily to turn out ships paid for by millions of other Americans who invest in War Bonds.

Autumnal Terracing Program Is Shaping Up For First Time Here

This is one year when farmers are not waiting for crops to be all gathered before starting to build terraces.

John Davis has machines busy erecting terraces over 300 acres on his farm three miles east of Center Point. Some 250 acres have been protected by terraces on the D. W. Christian, Jr. farm and more will be added as soon as the cotton is gathered.

Grady Cross, who lives in the old Sand Wells area of Glascock county, and Arthur Stallings, in nearby Lomax community, have purchased a whirlwind terracing builder jointly and Cross has started using it on an 800-acre project.

J. M. Kindrick has made a deal to lease W. R. Puckett's terracing machine in order to bring his lines to grade on the Dr. O. E. Wolfe place south of Ackerly.

Mr. and Mrs. Paul Adams spent the weekend visiting friends in Abilene.

Mr. and Mrs. S. T. Johnson and Bill Johnson visited relatives at Merkel over the weekend.

Shorty Terry, who has been employed at the R. N. Adams farm, left Monday for El Paso where he will enter the army.

Mrs. R. H. Unger left Monday evening for Long Beach, Calif., where she will visit with her son, Walter, who has recently arrived there from San Antonio where he was stationed for training as a meteorologist.

Mrs. Lela Goin, teacher in Garner and Iris Dunlop, senior sponsor and these members of the senior class made a trip to Caribad Caverns over the weekend: E. L. Roman, Jr., Earl Bryant, Jr., Edward Burchell and Florence Wood.

Miss Anne Martin and State Deputy Superintendent E. H. Boulter were recent supper guests of Mr. and Mrs. Noel Burnett.

Marlin Brown, son of Mr. and Mrs. J. E. Brown, spent a ten day furlough with his parents, returning to his station in California Sunday.

Mrs. Robert Riddle and sons arrived here Wednesday from Midland to visit her parents, Mr. and Mrs. J. B. Sample.

Applications of Merit System Due In By November 4

Deadline for filing applications for examinations for places with the Texas Merit System is Nov. 4, it has been announced here.

Forms for making application are available at the United States Employment Service office here. Examinations are set for Nov. 21. Positions open are for junior stenographer, junior key punch operator, junior tabulating equipment operator, interviewer and interviewer clerk.

All employees for the Texas Unemployment Compensation Commission, the USES and the Texas department of public welfare come from the Texas Merit System.

\$34,000 Volume At Livestock Sale

A heavy sales volume, running to about \$34,000, was reported from Wednesday sale at the Big Spring Livestock Commission company, with the market holding steady.

Prices: fat cows \$9.25; bulls \$8.50-9.50; cutters and canners, \$6-8; butcher yearlings, \$9-12; stocker steer calves, \$11.50-13; stocker heifers \$11-12; feeder cows, \$6.50-8.

Lieut. Fahnestock Killed In Mishap

SOMEWHERE IN NEW GUINEA, Oct. 21 (Delayed) (AP)—Lieut. Bruce Fahnestock, one of two American brothers widely known for their travels in South Pacific waters before the war, was killed accidentally several days ago in New Guinea, it was disclosed today.

Fahnestock, who had made many exploration trips with his brother, Sheridan, died as a result of the same accident which took the life of Byron Darnton, New York Times war correspondent. Details of the mishap have not yet been revealed.

Fahnestock was buried beside Darnton this morning with full honors in a quiet impressive military ceremony.

Gasoline Stocks Still Declining

NEW YORK, Oct. 22 (AP)—Total gasoline stocks and residual, or industrial, fuel oil supplies continued to decline in the week ended Oct. 17, but gas oil and distillates used in home consumption increased, the American Petroleum Institute reported today.

Total finished and unfinished stores of gasoline declined 775,000 barrels during the week to a total of 78,946,000, compared with 79,731,000 last week and 81,623,000 a year ago.

Tired Kidneys Often Bring Sleepless Nights

Doctors say your kidneys contain 15 million of tiny tubes or filters which help to purify the blood and keep you healthy. When they get tired and don't work right in the daytime, many people have to get up nights. Frequent or scanty urination with aching and burning sometimes shows there is something wrong with your kidneys or bladder. Don't neglect this condition and lose valuable, restful sleep.

When disorder of kidney function permits poisonous matter to remain in your blood, it may also cause nagging backache, rheumatic pains, leg pains, loss of pep and energy, swelling, puffiness under the eye, headache, and dizziness.

Don't wait! Ask your druggist for Doan's Pills, used successfully by millions for over 40 years. They give happy relief and will help the 15 million of kidney tubes feel out poisonous waste from your blood. Get Doan's Pills.

Midland, After Long Rest Is 'Gunning' For Steers

Locals Take It Easy On Scrimmage

Midland's Bulldogs, who play host to the Big Spring Steers Friday evening, are all set to make the party as rough as possible so far as the visitors are concerned.

Such was word from the Midland camp Thursday as the hapless but thoroughly rested Canines sharpened their teeth for Steer meat. Not only had Gene McCollum, Midland coach, been setting a defense to cope with the tricky T offense favored by Big Spring, but he had been spending the better part of two weeks shaping and polishing an aerial attack on which Midland will lean heavily for hopes of upsetting the favored Steers.

Jack Dyon, Bulldog back, has returned after being out a week with a bad knee and Bobby Jo Stuckey, back, apparently had recovered from effects of an injured ankle.

Although he made signs to ward off the hex every time someone mentioned that his Steers were still favorites, Coach John Dibrill nevertheless figured his lads were on good edge for he prescribed a light sort of workout Wednesday, eschewed all but a short period of scrimmages for the line, and pointed for another day of limbering and polishing for Thursday.

Wednesday he put the line through a brisk drill on rushing at and blocking for the passer. Generally, the forwards looked better in giving the chunker time to get off his tosses.

Backs got none of this jarring work and dwelled on perfecting timing and on running, kicking and passing. All in all, Dibrill thought they looked much better.

Arizonans Get A First Look At Cricket Game

MESA, Ariz., Oct. 22 (AP)—Up until today cricket, to most Arizonans, was merely the name of a pesky insect that gnaws holes in a guy's best suit and attempts to cover up the crime with innocent chirps.

The more erudite westerners were aware that Englishmen played a game of rather vague description called cricket. A cup of tea somehow seemed associated with home plate—beg pardon, wicket.

But that sort of misunderstanding is all past. Or is it? Arizona last night. Not only was the match in the local baseball park the first cricket match of the 200 spectators had seen, but it was believed to be the first ever played under lights anywhere.

Cadets of the Royal Air Force from nearby Falcon Field shed their sky blue flying uniforms and donned appropriate cricket raiment for an "international" match between English and Scots teams.

The English won, 103 to 77, in one inning of three hours.

Massillon High Schoolers Grab Off Their 48th Straight Grid Victory

MASSILLON, Ohio, Oct. 22 (AP)—If the terrific Tigers of Massillon high school aren't the nation's No. 1 scholastic team—both on the field and at the gate—the 26,000 fans in this steel-making town would like to know who has 'em beat.

Massillon's Tigers knocked over undefeated Steubenville 35 to 13, as 15,400 fans looked on last week for their 48th straight contest without a defeat; 72nd victory against a single loss and two ties in the last eight campaigns; and for a five-game attendance total of 74,000, with a four-game at-home average of 16,000.

That attendance average is better than 95 per cent of the nation's colleges can boast for their early-season home games.

At least, it's a better mark than Army, Cornell, Fordham, Navy,

13 Games On The State's College Grid Calendar

By The Associated Press

Records of leading Texas college football teams:

Team	W.	L.	T.	Pts.	Opp.
T. C. U.	4	0	0	53	20
H. Simmons	3	0	0	54	12
Texas	4	1	0	158	9
Baylor	4	1	0	126	8
Howard Payne	4	1	0	67	12
Ahlbena Chris.	3	1	0	57	27
W. T. State	3	1	0	53	52
West Tex. St.	3	1	0	46	40
Rice	2	1	0	52	30

Texas' two undefeated, untied college football teams do not appear in danger of losing their standings this week but there are likely to be some changes made

George Halas Of Chicago Bears Is Navy-Bound

CHICAGO, Oct. 22 (AP)—George Halas of the world champion Chicago Bears soon may be the sixth National Football league club owner-coach to join Uncle Sam's armed forces.

Halas, who is 45, has applied for a naval commission and may make his coaching farewell Sunday when his Bears seek their 18th consecutive national championship at the expense of the Philadelphia Eagles.

The Bears' boss, who served in the navy in the last war, has been associated with college and professional football for more than 25 years. He played football at the University of Illinois and during the last war was on the Great Lakes team.

War Stamps To Be Admission To Band 'Victory Concert'

Seeking to do its part in helping Big Spring schools achieve a singular record in bond and stamp sales, the high school band is planning a "Victory Concert" for Tuesday evening.

Admission will be a war stamp or bond — you keep the stamp or bond. All the band hopes to get out of the evening is the satisfaction of having done something to boost the total of the securities sold through efforts of school children.

The concert, said Dan Conley, director, will be in the city auditorium and a varied program is being shaped. Selections will range from pompous overtures to spirited marches and popular ballads. Between 60 and 70 pieces will be included in the band for the concert.

Thank You,

Paris-Denison Contest Will Decide Title

By HAROLD V. RALIFF Associated Press Sports Editor

Paris' Wildcats, who lost only one game in two years yet couldn't win a state championship, battle Denison's Yellow Jackets at Denison tonight with another crack at the title as the prize.

If Paris can hurdle the fine Denison outfit, then you can count the Cats in with their third District Five pennant in a row.

This game headlines a schedule of 51 titles, all but ten of which are conference struggles, and the list is jammed with major tests as the field enters the championship drive at full speed.

Paris, boasting almost a score of veterans from last fall's campaign that saw the Wildcats eliminated in the bi-district round, will send a star-spangled backfield headed by mighty Bucky Sheffield against a Denison outfit few considered seriously until two weeks ago.

But today Denison is picked even with Paris and some critics think the Jackets will take the battle.

Crowding the Paris-Denison struggle for top billing is the clash of Lufkin's piney woods powerhouse with the one-man gang from Livingston — Mike Rowe.

Lufkin is undefeated and untied and has what many proclaim the greatest team ever to play in Panter spanglers. Livingston, once tied—a 13-13 game with St. Thomas of Houston—has in Rowe a ball-carrier some rank with the best of schoolboy history.

Coach J. B. Adams of Henderson said of Rowe: "I've seen some good runners in my time but I've yet to see one with more speed and a better knack of getting out of close places."

These two games are expected to virtually determine the champions of Districts Five and Eleven while seven other districts have important games.

District 2 sends Olney against Yarnon. These teams are unbeaten in conference play along with Wichita Falls.

District 7 has Masonic Home meeting North Side in a game that will cut down one of three unbeaten teams.

District 8 has Sunset playing Adamson to do likewise and District 10's division B pits Waxahachie against Bryan in a game matching the only undefeated outfit.

District 11 schedules Longview against Kilgore. Gladewater is the other undefeated team.

District 15's top title has Corpus Christi at Jefferson (San Antonio) and Brackenridge (San Antonio) at Kerrville. All four are unbeaten in conference play.

All conferences have games counting in the standings, these including the Baylor-A. and M. and Texas-Rice in the Southwest conference; Howard Payne and Southwestern in the Texas conference; East Texas State and Austin College and North Texas State and Sam Houston State in the Lone Star conference, and Texas Tech-New Mexico University, West Texas State-Arlizona State and Hardin-Simmons-Texas Mines in the Border conference.

There are thirteen games on the Texas college schedule for the weekend. They are:

Tonight: Howard Payne vs. Southwestern at Brownwood.
Friday: McMurry vs. Lubbock Flying Field at Abilene (night), East Texas State vs. Austin College at Commerce (night).
Saturday:
Baylor vs. Texas A. and M. at Waco, Texas vs. Rice at Houston, Arkansas vs. Mississippi at Memphis, Southern Methodist vs. Corpus Christi Naval Air Station at Dallas, Texas Christian vs. Pensacola Naval Air Station at Pensacola, Fla., North Texas State vs. Sam Houston State at Huntsville (night), Texas Tech vs. New Mexico University at Albuquerque, N. M. (night), West Texas State vs. Arizona State at Flagstaff, Ariz., Texas Mines vs. Hardin-Simmons at Abilene (night), Abilene Christian College vs. Southwest Texas State at Abilene.

'Hashing' Goes Out For The Duration

BERKELEY, Calif. (AP)—"Hashing," time-honored occupation by which college students worked for their meals, has all but vanished.

With well-paid defense jobs available, men students are not interested. Some scroungers rotate their own members on a co-operative basis, one has put in cafeteria service and some omit one meal a day.

Stanford university had arranged to have eleven minor offenders paroled from the county jail to work in campus cafeterias. Then a university official forbade the experiment.

Blasphemy Grasshoppers
SAN JOSE, Calif.—So far, no man-eating grasshoppers have been reported here, but conservative D. W. Dreshbach has sent in a report to the chamber of commerce indicating tree-eating ones plenty. The report advised the chamber that last year's efforts to reforestate the barren eastern hills of Santa Clara county, range, have been entirely frustrated by grasshoppers, which came this year and ate the young blue oak, incense cedar, black locust and cork oak trees, which were just getting a nice start.

Out Of Bounds
The football sparring corner, having done better on success than on floundering so far, offers this week's choices right out of the hat:

Sinkwich Becomes A Passer To Head For A New Scoring Record

CHICAGO, Oct. 22 (AP)—George's Frankie Sinkwich, the nation's No. 1 ball carrier in 1941, is rolling up most of his yardage by passing this year and it's making him football's foremost offensive threat.

Figures of the American Football Statistical Bureau today disclosed that in five games Sinkwich has accounted for 305 yards by rushing and 499 by passing. The total of 807 yards is 53 more than Bud Schwenk of Washington university of St. Louis had last year in the same number of games and Schwenk went on to a modern record of 1,323 yards.

If Sinkwich exceeds Schwenk's mark, his new found passing success will be largely responsible. In 1941 he ended far down the list in this department, but currently he is running fourth. The reverse has occurred in rushing where last year's No. 1 terror on the ground now ranks no better than 16th. But his combined talents have shoved him to the front in total offense, where he finished third last year.

Paul Governall, Columbia's passing wizard, is right behind the Georgia ball of fire in total offense although he has played in only four games. Virtually all of Governall's 700 yards, however, have come via the air. He has collected only 51 on the ground. Bob Ruman of Arizona was in third place with 773 yards, followed by Dick Fisher of Iowa Pra Flight with 697, Bob Stetuer of Missouri, 669, Otto Graham of Northwestern, 648 and Steve Filipowicz, Fordham, 588.

Governall also is running second in individual passing, having 41 completions to 54 by Ray Evans of Kansas. However, the Columbia star has the better percentage of completions, .547, and far outranks all rivals in total yards gained with

Top Honors In Womens Bowling To Rainbow Inn

Club Cafe and Rainbow Inn remained at the top of the standings with wins in Wednesday night's rounds in the women's bowling league, while Youth Beauty took a setback in dropping two games.

The Rainbow Inn crew had the best record of the evening at the Billy Simon lanes, grabbing off high team game with 765, high team series with 2115, and emerging with a 2-1 victory over Walker Pharmacy. Olive Caudle of the Rainbow team fired high game with a 120, while Fern Welch of the C. R. Anthony crew posted a 458 for top series.

J&L Drug was the club which defeated Youth Beauty, 2-1, while Club Cafe keglers were downing Anthony 2-1. The team standings:

Team	W.	L.	Pct.
Club Cafe	11	4	.738
Rainbow Inn	9	6	.600
Anthony	7	8	.467
Youth Beauty	7	7	.500
J&L Drug	6	9	.400
Walker Pharmacy	6	9	.400

Colorado Students Get In The Scrap

COLORADO CITY, Oct. 21 — Door by door, block by block, street by street, the school pupils of Colorado City took over the town Tuesday afternoon. The holiday looked like a Pied Piper exodus. It was actually the climax of the schools' drive to clean the town of all remaining scrap metal.

From the first grade through the senior class of the high school the students scoured the town for a total of 150,000 pounds of salvage metal. Proceeds from the sale of the collection will go into the Mitchell county war chest.

The 75 tons gathered by the schools out-did any hopeful estimate by the salvage committee. More than 200,000 pounds has been shipped out of the county in earlier drives.

The FFA boys furnished their own pickups, tractors and trucks for the bringing in of scrap from the farms. The club brought in a probable total of 80,000 pounds.

Graphite occurs mainly in the older crystalline rocks — gneiss, granite, schist and crystalline limestone.

Waks Forest to catch Boston College in a slump, Georgia Tech over Navy, Duke over Pitt, Illinois over Notre Dame, Michigan over Minnesota, Ohio State (the old reliable) over Northwestern, Alabama over Kentucky, Tulane over North Carolina, TCU over Pensacola, Texas over Rice and Santa Clara over U. C. L. A.

Dot's All Brothers
Note on yesterday's boss race: Shut Out was... there's another Joe DiMaggio coming up as a big time sports performer. The Yankee slugger's ten-year-old nephew and namesake is champion of the junior section of the Salsesian Boys' Club in San Francisco—at checkers... Aldo Spoldi, the Italian boxer who was barred from rings in several states as an enemy alien, had to withdraw from a spot on the Cleveland card Tuesday because of a summons from his draft board... Frank Perantoni, Princeton's star freshman center, and Penn's Bert Stiff, whom Frank tackled so effectively last week, used to be teammates at Blair Academy... Arthur Donovan, the fight referee, must have known what he was doing when he signed up with the maritimes service. He is a graduate of the Merchant Marine Academy's Scholarship, Newport, and spent two years at sea... And don't say anything about

Gene Dobbs of Tulsa who has completed 18 of 23 passes for 228 yards and an .818 mark.
Bob Margarita of Brown is the new leader in rushing, his figure of 529 yards being tops despite the fact he has played in fewer games—three—than many of his rivals. His nearest challenger, Ruman of Arizona, with 516 yards, has played in four, and Steuber of Missouri, with 498, has been in five games. Steuber is averaging 9.58 yards a try, far ahead of his 1941 record of 7.52.
The leading pass receiver is Cullen Rogers of Texas A. and M. with 17 in four games for 208 yards, followed by Otto Schnellbacher of Kansas with 16 for 228 yards in five games.
Bobby Clifters of Tennessee took over the punting leadership, kicking 31 times in four games for a 48.85 average. Next came Tom Douglas of Dartmouth with a 44.40 average in 20 tries.
Other rushing leaders were Don Griffin, Illinois, 459 yards in 4 games, Elroy Hirsch, Wisconsin, 443 in 5; Gene Feketa, Ohio State, 439 in 4 and Kennedy, Washington State, 397 in 4.
Among the passing leaders were Otto Graham, Northwestern, with 74 attempts, 37 completions and 493 yards; Sinkwich, 68-35-499; Daniels, Texas A. and M., 74-34-573; Filchok, Georgia Naval Pre Flight, 54-30-397 and Bertelli, Notre Dame, 97-29-520.

Dry Weather Is Needed For Harvesting Of Texas Crops

AUSTIN, Oct. 22. (AP)—An urgent need for dry weather in much of Texas was noted by the United States Department of Agriculture in its crop report for the week ending Oct. 18.

Harvest of feed crops, peanuts, hay and cotton continued under favorable conditions until stopped by the general rains of last week everywhere except in parts of East, South and Southeast Texas, said the combined USDA-Extension service bulletin. This adverse weather brought the harvest to a standstill.

The moisture was beneficial, however, to small grain that was in the ground. Volunteer and seeded grains were making good growth and promised to serve abundantly as pasturing when fields dried out enough to permit grazing. Rains averaging from two to five inches were reported from

of experienced crews. Delays in completing harvest was also caused in the central and south central areas.

Feed harvest had progressed so fast as the limited labor supply permitted and much bound sorghum had not been shecked at the time the rains fell.

Peanut harvesting had begun in the plains counties, while some of the expanded acreage remained to be harvested in the extreme southern counties.

Early rice threshing was well advanced and harvesting and threshing of late varieties was in progress. Fourth and fifth alfalfa cutting was being made in the irrigated sections of the trans-Pecos area, and the harvest of the late hay crop in many upper coastal counties was in full swing. Green bugs in small grain fields were in evidence in some central counties.

Range and pasture made additional under the favorable moisture conditions, and only in local areas was grass beginning to cure. Lambs moved at generally lighter weights than last year, while calves

were generally heavier.

Commercial vegetable areas continued to show progress. Growing in generally good condition. The crops, although a little ready, were outlook for snap beans improved, and a light harvest of eggplant and peppers, and squash started. The weather favored active harvest of citrus which reached about the usual volume of shipments.

Onion seed beds in the irrigated sections were in good condition; stands were good and plants were making growth. Dry land areas were in splendid condition; stands were good and plants were making growth.

Elk Calves Grow Fat

ST. HELENS, Ore.—A farmer, Pete Serafin, investigated why his prize Hereford Holstein cow was coming in at night entirely dry. He discovered hungry elk calves, from a large herd from a nearby forest, were helping themselves to his bovine's lacteal fluid while she pastured.

BKR—TRADES (Bakers) ... Putting bread in bake shop ovens ... light cruiser ... U.S.S. JUNEAU ...

Certain cobras can eject their poison to a distance of several yards.

Natives of New Guinea twist large spider webs together and use them as fish nets.

360,000 Pounds Of Scrap Collected In Dawson Co.

LAMESA, Oct. 22.—Some 360,000 pounds of scrap metal have been gathered in Dawson county this month, C. M. Burton, chairman of the scrap iron salvage committee, has announced. The drive for the scrap iron has not yet been completed, and reports from school children are needed before the final results are known. Six thousand pounds of rubber have been turned in, and 2,000 pounds of copper.

Fined for Mexican Tires

LOS ANGELES, Calif.—A local resident who endeavored to beat tire rationing by purchasing tires in Mexico returned with a tireless car and was out \$330.64 in fines according to custom collector W. E. George. The customs seized the Mexican tires which had cost \$220.

Bad Dogs Now Are Sent To The Army

NEW YORK (AP)—The old habit of judges suspending sentence on young men guilty of slight crimes if they enlist in the Army is now being applied to dogs.

The City Board of Health has ruled that if a dog bites a total of three persons, it will either be put to death or sent to the Army, which needs dogs for local defense, field messenger work and other services.

Presidential-Press Rift Unfortunate— Many Utterances Of FD Are For Foreign Consumption

(Editor's Note: Houston Harte, publisher of The San Angelo Standard-Times, has returned from a two-weeks' visit in New York and Washington.)

By HOUSTON HARTE

One of the reasons the American people are confused about the war is that many statements made by high officials in Washington are for "foreign" consumption . . . that is, pure propaganda aimed at the Axis and the Japs. Other statements are propaganda for home consumption.

In Germany, or Japan, for instance, the people are told only what is considered good for them. With our ideas of freedom of expression and the press, we hear it all, and as a result we are very

confused.

When you get to New York and talk to newspaper men back from China, the South Sea Islands, Australia, England, the Middle East, Vichy, France, and then go to Washington and listen to officials of our government and hear what is really going on, you begin to get an idea of why the American people do not know what the government wants and why the government has such a hard time telling the people its real intentions.

This situation has been stimulated by a new rupture which has arisen between the president and the press and radio. There was a time when the president caused only the publishers. He laid all the sins of our business upon the shoulders of the people who he said

"controlled" the press. Now the White House press staff, a group of about 300 regular press conference attendants, and the president are not getting along as they should.

One of the most unfortunate incidents during the war, was the peevish expressed by the White House news men over their failure to be taken along on the trip the president made over the country a few weeks ago. If you can believe what you hear for once the president is tired of crowds. He is tired of cheers. He is tired of waving his hand in campaign gesture. He is tired of speaking. He didn't want crowds and speeches and he didn't want these boys along and so he left them at home.

They did not like it. It seems silly that the secrecy of the president's trip should, in any way, raise the issue of the freedom of the press. If the president had visited Big Spring, the Herald would have felt pretty flat if it had not been able to print the news—and other newspapers no doubt felt the same way—but this is war, and not even

the worst Roosevelt hater wants to face the additional complications which would result from even a minor injury to the president.

The president did not like it that "the boys" as he has always referred to the White House press group, were sore.

His first press conference after his return got off on the wrong foot at the start. The questions the news men asked were needling questions.

Soon the president was giving needling answers and despite the efforts of Steve Early, the press secretary at the White House, to shut the thing off, it got worse and worse, until the news men had gotten the president to say that congress was slow and didn't know how the people felt, that some of his subordinate executives, were talking out of turn, that he had seen the people (from a Pullman car window) and knew they were ahead of Washington on the war and that the typewriter strategists and the radio warriors were a bunch of hams.

the president said he had not read Willkie's statements, just looked at the headlines and didn't think the story was important anyhow. What the president was trying to say was that he could not comment on such a statement.

The news men should have caught the point. Under a normal press relationship they would have—but it looks like they didn't give a darn and the story was soon in big headlines all over the world and "we the people" wondered what it was all about.

When the New York papers came out with this story, a newspaper man I was with at the time was so alarmed by it that he rushed to a telephone and talked direct to the White House and found out it was all a mistake. In times of peace it is all right for the president to make wisecracks, in turning aside an inquiry—and in peace time it is all right for news men to be literal—but in times like these it can be mighty embarrassing to all concerned.

As a matter of fact there is a

very general story going the round that Willkie's statement on a second front was written out before he left Washington and the White House fully advised. There is disagreement among newspaper men as to the purpose of these statements. Certainly they were made for propaganda purposes, but against who and for what? Was it to make the British act? To help hold up the chins of the nations in occupied Europe? To bait the Japs? To scare the Germans? Or what?

The only certain thing that has come out of the bitter press conference is that every democratic member of congress who is defeated in the general elections this year is going to lay it on the president for his remark about congress. The squawks have already been coming in from the field and the democrats are worried.

In the East Indies are lizards that fly considerable distances by gliding on membranes attached to their ribs.

Dawson's Labor Shortage Critical

LAMESA, Oct. 22.—In the midst of one of the biggest cotton crop-gatherings for several years, Dawson county farmers are facing a critical lack of sufficient labor, according to reports from representatives of the United States Employment Service. The need for 2,000 more laborers has already been announced to the USES, and 5,000 laborers could be placed immediately. Lack of tires has also been a handicap to cotton pickers in this section.

Donate Safe to Scrap STEUBENVILLE, O. — A safe weighing over 4,000 pounds was the first scrap metal donation made in Steubenville. Grocers Sam and Thomas Greenberg gave the huge strongbox, once used by the Union Deposit bank, with the request it "be made into bullets for use on Hitler."

Richland Halloween Carnival Friday

Annual Halloween carnival at box supper will be held at Richland school Friday night, October 23, beginning at 8:30. It is announced by the principal, W. Maness Woolen.

The Parent-Teacher association is sponsoring the affair, and the public is invited to attend.

Jolly Time Popcorn Sales Due To Soar For Halloween

Halloween, the biggest day in the year for pop corn, will see Jolly Time pop corn sales doubled or more over a year ago, according to current sales figures of the American Pop Corn Co., Sioux City, Iowa.

Jolly Time's fall newspaper campaign is in full swing with insertions scheduled in the Herald to continue for a 10-week period.

National magazine advertising started in October with Good Housekeeping, Ladies Home Journal, Family Circle and Western Family, and radio is also being used ahead of Halloween.

With more and more items being restricted, gasoline and mileage rationing in effect, fuel oils rationed, and other factors keeping folks at home, Jolly Time fills a definite need. It is inexpensive entertainment, and a concentrated, healthful food.

Grocers who recognize this and display Jolly Time find normal sales increased as much as 800%.

KATE SMITH says:

"Here's my favorite recipe for cool fall mornings."

"Of course, any time is the right time for homemade hot breads! But mornings like these make hot biscuits seem twice as grand! And..."

"I bet you'll love the biscuits you get with this recipe and dependable, double-acting Calumet. They'll come out of the oven flaky, tender, and light—the proudest biscuits you ever saw!"

Calumet Baking Powder Biscuits

- 2 cups sifted flour
- 2 teaspoons Calumet Baking Powder
- 1/2 teaspoon salt
- 4 tablespoons shortening
- 1/2 cup milk (about)

board and knead 30 seconds, or enough to shape. Roll 1/4 inch thick and cut with figured 3-inch biscuit cutter. Bake on ungreased baking sheet in hot oven (450° F.) 12 to 15 minutes. Makes 12 biscuits.

For tall biscuits, use 1 1/4-inch biscuit cutter and place biscuits close together in 8x8x2-inch pan. Makes 14 biscuits.

(All measurements are level.)

War Board News

A weekly column contributed by members of the Howard County USDA War Board.

Trucks, Pickups Must Have War Certificate

It will be a violation to operate any truck or pickup after Nov. 15th without a certificate of War Necessity. The certificate is issued by the Office of Defense Transportation, Detroit, Mich., upon application of the owner. Forms for making application for a certificate of War Necessity have been mailed from Detroit to persons who registered trucks and pickups. A late ruling is that the certificate is not required on detachable trailers.

Howard County USDA War Board has set up a Transportation committee to cooperate with the County Gas Rationing Board, and to provide assistance to farmers in securing a certificate of war necessity. The work of assisting farmers in making their applications for certificates of war necessity cannot be paid for as such and voluntary helpers will have to be secured. Each of the agencies making up the County War Board has agreed to use their offices for this purpose during the 22, 23 and 24th of October. The offices at which this assistance can be had are located as follows:

County Agricultural Agents Office at 311 South Seury. A. C. A. Office at 301 South Seury. The S. C. S. and F. S. A. in the basement of postoffice, and The Production Credit Association in the Ellis building, 107 E. Second street.

Farmers who have received in their mail the necessary forms, can take them to one of the above named places on one of the days, October 22, 23 and 24, for assistance. But there may not be forms available for the owners of farm trailers. A supply of these forms have been ordered. As soon as they are received farmers will be notified.

It is very important that farmers who desire help in asking application on the forms they have received take their forms to one

of the above named offices on the dates set aside for this work. Voluntary workers cannot be kept on this job for a long time. Beside if the forms for unregistered trailers should not show up, other dates would have to be set for them, and a carryover of truck applications would complicate the work of rendering this assistance, unless we can get the truck and pickup applications completed on time.

Beside these places in Big Spring the War Board is considering opening an office in Coahoma. Earl Hull is in charge of arrangements in Coahoma.

Now if you think these things are called on to do is a headache, try to imagine yourself with our boys in the Solomon Islands, or in Egypt, or our allies at Stalingrad. Just a little experience with what they are going through would make our tasks seem trivial.

President Roosevelt appointed a committee to study the rubber situation, and its implications on our effort to win this all out war. That committee, after making a complete investigation, reported, that unless we can conserve the supply of rubber that we have, we would lose the war. At the present rate of using it up, most of our cars and trucks would not be able to run until a supply of synthetic rubber could be assured.

On the other hand if our cars and trucks were slowed down to 35 miles per hour or less, and if they are used only for necessary driving we could keep most of them going until the synthetic rubber tires are available.

But neighbors will have to pool their cars and trucks. That is, not only trying to save your own tires, but those of your neighbor as well. The president's rubber committee says we have either to do this thing, or lose the war and become slaves to the axis masters.

Your application for a certificate of war necessity will compel you to look back over your use of your car or truck during last year, and plan to get along with less travel during the coming year. Unless you do this you may not get gasoline to run it with. It may be in-

convenient to share your car or your truck with your neighbors; but let us hope that there will be few who refuse to do it. How about the inconvenience caused these 18 and 19 year old boys who must give up their careers, leave school at the end of this term, and offer their lives in order that America may still be the land of the free and home of the brave? It is true that they will fight for a free world for themselves to live in. But can we, who stay at home, do less than our best, no matter what inconvenience or sacrifice it may call for, to help them to succeed? And the rubber committee tells us flatly that they are doomed to failure unless we conserve the tires, and keep the necessary trucks and cars going.

Cotton Pickers May Get Gas, And Should Be Told

In connection with the rationing of gasoline a first rate calamity is taking place. Mexican cotton pickers are afraid they will be caught here, hundreds of miles from home, and no gasoline to go home on. These people must be assured that they can get gasoline at any time to return home, that provision is made in the rationing rules to take care of their needs. Every farmer who has cotton pickers should assure them at once, that they can secure gas for their needs. Furthermore, they should be given assistance in whatever is expected of them in connection with rationing.

This may cause the farmer a little inconvenience. He may have to

Planning Nutritious Lunches For Working Men Part Of War Work

"Keep 'em working" is as important a slogan as "Keep 'em flying" in this year of total war. Millions of man hours lost through accidents, colds, and just plain fatigue rob our fighting forces of vitally needed supplies.

In the armed forces an important part of the job of keeping the men in fighting fettle is to see that they are well fed. On the home front, seeing that the production

army is well fed so it, too, is kept in the best physical condition is the job of every homemaker. A physically-fit working army means more planes, more tanks, more ammunition for our boys.

One very important way in which every homemaker can do her part in the all-out drive for victory is to make sure that every lunch box she packs is a real contribution to the day's food requirements.

The making of every carry menu is a big sandwich of enriched bread spread with butter or fortified margarine and a nutritious filling. Enriched bread is the ideal sandwich bread. Its flavor and texture have what nutritionists call "wide acceptability"—that is enriched bread is one of America's favorite foods.

Beyond its appetite appeal enriched bread made from enriched flour with its added B-vitamins and iron is high in food value. It is an important source of proteins, calcium, iron and the vitamins—niacin, thiamin and riboflavin. As an economical energy-yielding food it has no equal.

For hard-working people, two or three sandwiches are required as a basis for an adequate lunch. And just as sandwich fillings should be varied so should the bread. Here quick breads step up to front line position to do their utmost by good menu planning.

Date bread or nut bread sandwiches spread with satiny-smooth cream cheese make welcome lunch box additions. Applesauce bread with a thick slice of yellow American cheese is as pleasing as it is nutritious. Quick breads of this type make delectable sandwiches of the bread-and-butter variety. They need no fancy dress to make them inviting.

A pint of milk, a hard-cooked or devilled egg, a crisp salad in a paper container, raw vegetables such as carrot sticks or flowerets of cauliflower, and a simple dessert of fruit and cookies supplement sandwich meals in a most satisfactory manner.

Those who eat lunches from mobile canteens or select their foods at plant cafeterias should ask for enriched bread sandwiches or enriched biscuits. In this way, workers can be sure that their lunch is contributing its part to the day's supply of B-vitamins, valuable minerals, proteins and carbohydrates.

ONE OF UNCLE SAM'S DESTROYERS — The U.S.S. Tucker (above), a 1,500-ton destroyer completed March 30, 1937, has a speed of about 35 knots.

Trainees Lacking, Class In War Industries May Close

Steadily dwindling numbers of business and material shortages have combined to threaten the continued existence of the war industries classes in Big Spring.

It is quite possible that the aircraft sheet metal and the welding classes, operated here for the past two years, will fold up after this month.

This, said William R. Dawes, director of war industries training, was more a realistic than a pessimistic view of the situation.

Currently there are 20 students in the sheet metal class and only 13 in the welding division.

Instead of operating on a round the clock schedule as has been the need almost since inception here, the welding classes are down to two shifts of six each — from 12 noon to 12 midnight.

While lack of trainees constitutes the biggest threat to existence of the classes, material shortages also are making operations more difficult, said Dawes.

With a rating higher than best priorities, the school is unable to get deliveries on 2,100 pounds of welding rods weeks past due.

Similarly, deliveries on sheet aluminum, which is the basic material for the aircraft class, are becoming more and more difficult.

Failure to secure more trainees is less of an indication of an unwillingness of the people to respond as it is that the field here has been just "plain milked dry," said the supervisor.

If it becomes necessary to close the classes, equipment possibly will be transferred to some other point within the district until that field, too, is exhausted.

During their period of operation here, the war industries classes have trained something like 700 individuals, Dawes declared.

Of this number, between 400 and 500 are now actually in war industry production, while another large number are making use of their training as specialists with the armed forces.

Still others are using the class acquired skills in other occupations and some few are still at their same places despite the training.

Largest number of the trainees from the Big Spring classes has gone to the West Coast for employment in the aircraft factories and shipyards.

Many have entered the Dallas and Fort Worth aircraft factories and still many more have settled with shipyards on the Texas Gulf coast.

Placement records show Big Spring trainees all over the nation, some being at Bay City, Mich. and others with the Pennsylvania shipyards.

Others mentioned were Jake Douglas and Schley Riley.

New names on the membership roster of the Big Spring Safety Council, as a result of the current expansion campaign, include Safeway Stores, Linck's Food Stores, Burr store, Club cafe, Big Spring Cotton Oil Co., Gulf Refining com-

pany, B. O. Jones grocery, Texas Club, J. B. Sloan Transfer, H. D. Mansur, Settles Drug store, A. V. Forsyth, Big Spring Laundry, Hask Wright, R. B. G. Cowper, Taylor Electric, McCrary's garage, K. H. McGibson, C. A. Amos.

Lieut. (jg) Carroll Jones has been moved from the Newport News, R. I. naval base to Fall River, Mass. his parents, Mr. and Mrs. R. V. Jones, have been advised. He is now in charge of a naval supply house at his new station.

Members from the Knott lodge participated in the regular weekly meeting of the Mullen lodge (I. O. O. F.) here Monday evening and had one candidate for the third degree. Following ceremonies, refreshments were served.

Ur D. Kindrick, Farm Security Administration supervisor, is off a few days, taking advantage of some of his annual leave.

Wacil McNair, formerly sports writer for The Herald, writes in from his coast guard training station at Jefferson Parish, La. that he has been punched with so many hypodermic needles of late that he could easily be used as a lawn sprinkler.

The distinction of having received mention in the "Fighting Men" section of the Dallas Morning News belongs to Miss Evelyn Tollette, nurse at the Big Spring Bombarlier School, recently transferred from Fort Huachuca, Ariz. Born in San Antonio, Miss Tollette has ten sisters and the army of the United States claims the services of eight of them. There is a strong possibility that her two "non-nurse" sisters will eventually take up nursing as a profession.

Private George T. Hardin, formerly of Star route, Stanton, is one of the soldiers stationed at the army air force bombardment base, Will Rogers Field, Okla. Private Hardin is assigned to a signal platoon undergoing basic training. He is the son of John Odas Hardin, Star route, Stanton.

There is no record of a person ever having been hit by a falling meteor.

Here and There

Fellowship in the American College of Surgeons has been conferred upon Dr. F. W. Malone, Big Spring, in the field of ophthalmology and otolaryngology. The fellowship has been conferred in absentia this year since the convocation of the college has been cancelled due to the war. This is the first year the college has made all of its fellowship presentations in absentia.

An epidemic of car stealing spread over this area Wednesday evening. Two cars were reported stolen at San Angelo, one at Sterling City and one here. One of the cars missed from San Angelo was found by police abandoned at 200 W. 2nd street. However, no trace had been found of a car stolen from G. W. Finer.

Jack Roden, Jr., who has been stationed at Sheppard Field, Wichita Falls, has received a medical discharge from the army following a three and a half month stay in the army hospital in Wichita Falls. He is the son of Mr. and Mrs. C. L. Roden. Jack will accompany his parents to Midland Friday to visit with Sgt. and Mrs. Claude Ferguson. Mrs. Ferguson is the former Deortha Roden.

Mrs. Jay Johnson has returned from Central, Ill. where she has been visiting with Jay Johnson for two weeks.

Cpl. Maxie D. Carroll, formerly of Big Spring and now stationed at Fort Sill, Okla., writes that he has met up with a number of other Big Springers stationed or passing through his post, which is the reception center for the Big Spring district. Among them were Hugh Dunagan, now in California, and Bob Ward, formerly with Couden and ex-member of the Lions club. Buck Tyrae, once with the Herald, was returning to Big Spring when last seen by Carroll, but Sam Pettit of the T. & P. railroad shop and Sidney Mallingier were still there.

Others mentioned were Jake Douglas and Schley Riley.

New names on the membership roster of the Big Spring Safety Council, as a result of the current expansion campaign, include Safeway Stores, Linck's Food Stores, Burr store, Club cafe, Big Spring Cotton Oil Co., Gulf Refining com-

pany, B. O. Jones grocery, Texas Club, J. B. Sloan Transfer, H. D. Mansur, Settles Drug store, A. V. Forsyth, Big Spring Laundry, Hask Wright, R. B. G. Cowper, Taylor Electric, McCrary's garage, K. H. McGibson, C. A. Amos.

Wacil McNair, formerly sports writer for The Herald, writes in from his coast guard training station at Jefferson Parish, La. that he has been punched with so many hypodermic needles of late that he could easily be used as a lawn sprinkler.

The distinction of having received mention in the "Fighting Men" section of the Dallas Morning News belongs to Miss Evelyn Tollette, nurse at the Big Spring Bombarlier School, recently transferred from Fort Huachuca, Ariz. Born in San Antonio, Miss Tollette has ten sisters and the army of the United States claims the services of eight of them.

There is a strong possibility that her two "non-nurse" sisters will eventually take up nursing as a profession.

Private George T. Hardin, formerly of Star route, Stanton, is one of the soldiers stationed at the army air force bombardment base, Will Rogers Field, Okla. Private Hardin is assigned to a signal platoon undergoing basic training. He is the son of John Odas Hardin, Star route, Stanton.

There is no record of a person ever having been hit by a falling meteor.

Farmer Trucks Being Registered

Farmers were arriving in town Thursday to begin registration for certificates of necessity on their farm trucks and pickups. The AAA office reported early Thursday morning that four had completed their applications and the county agent's office had already serviced some ten applications.

Detachable trailers will not have to be registered, farmers were reminded. Other offices assisting with the registration are the Farm Security and Soil Conservation offices in the basement of the post-office.

The registration is necessary in order that farmers may be eligible for gas rationing cards. Registration will continue through Saturday here and in Coahoma the American Legion hall has been made into an application office for Friday and Saturday.

Sophomore Class Elects Officers

In one of the most spirited sessions in years, the sophomore class of Big Spring high school got off to a good start Wednesday with election of officers.

Hardie Matthews was elected president, noting out Richard O'Brien in the run-off. In turn, Richard eased by Robert Swan Lee in the run-off race for secretary-treasurer.

James Bostick won the run-off with Robert O'Brien for class vice president, and Tipton Anderson posed out Bobbie Green for the office of reporter.

Twenty members attending the meeting, held in the school gymnasium, were Clara Pool, Lynette McElhannon, Lona McAllister, Juanita McCarty and Eloise Haley.

PERMIT ISSUED

Wine and beer retailer permit was granted by Judge Walton Morrison to Mary Hill yesterday to sell wine and beer at the Highway cafe, Lamesa Highway.

GIVE YOUR CHILD
this cold-relief used when **QUINTUPLETS CATCH COLD**
Whenever the Quintuplets catch cold—their chests, throats and faces are immediately rubbed with **MUSTEROIL**. So **MUSTEROIL** must be just about the **BEST** cold relief you can buy!

"They Shall Have Music." Despite her talent, Virginia does not class as a prodigy in the general accepted sense of the word. She is an average American girl, pretty, full of enthusiasm and charm.

Single admissions to the performance may be secured (soldiers for 50 cents—a third of the price) although Lawrence Robinson, Lions club president, advised it would still be more economical to secure season tickets in the lobby. These are available to soldiers and students for half price.

Livestock

FORT WORTH, Oct. 22 (AP) — Market generally steady; slaughter cattle and stocker supplies showed no change. Good fat calves fully steady; medium and low grade slaughter calves were steady to weak.

Butcher hogs sold 25c or more below Wednesday's average; packing sows and stocker pigs steady; top hogs 14.00, packers paying up to 14.50.

All classes sheep and lambs steady; some solid mouth ewes sold to packers at 5.75.

Good to choice fed steers and yearlings 12.25-14.00; included three loads steers 12.25; one load steers 13.75; one load heifers 13.75. Common to medium steers and yearlings 9.50-12.00, including two loads steers at 11.50; outter yearlings and heifers 8.00-9.00.

Good beef cows 9.50-10.25; some held higher; common to medium butcher cows from 8.00-9.25; canners and outters cleared at 4.00-5.00; good heavy bulls turned at 7.50-10.00; common to medium bulls 7.00-9.25. Good to choice fat calves from 11.25-15.00; common to medium butcher calves from 8.50-11.00; culls from 7.50-8.00; good to choice stocker calves up to 12.50; good stocker heifer calves up to 11.50; common to medium stocker calves 8.00-11.00; good and choice stocker steer yearlings 11.00-25; common to medium stocker steers and yearlings from 8.00-10.75; stocker cows went back to grass at 9.25 down.

Most of the good and choice 180-200 lb. butcher hogs 14.50-40; good 150-175 lb. averages from 13.50-14.40. Packing sows 14.00-25; stocker pigs 12.00-75.

Sheep, included fat lambs 18.00 down; medium grade yearlings 10.00; aged wethers at 6.50; cull to good slaughter ewes 5.00-75; feeder lambs at 9.50 down.

Grotheers Here To Assist Delafield In Revival

"When Angels Preach From Mid-Air Over Big Spring" will be the subject of a prophetic lecture to be given by Evangelist R. E. Delafield tonight at 7:45 at the Voice of Prophecy auditorium, 408 E. 3rd street, one-half block east of the municipal auditorium. Delafield will also speak over KSBT at 6:45 this evening on the topic "It Is Later Than You Think." Assisting Delafield in his radio work and nightly evangelistic meetings will be Evangelist and Mrs. Wm. H. Grotheer, who arrived early Thursday from Murray, Ky.

Editorial — New Industry In Dehydrated Foods

As the lesson sinks in that transportation and not production is the lever that will tip the scales to victory, the subject of dehydrated foods will become more important. Cargo space is undoubtedly the problem which is causing most concern to the allied strategists.

Man About Manhattan — Bowery Is Undergoing Changes For The Better

By GEORGE TUCKER (First In A Series Of Three) NEW YORK—The Bowery is beginning to take on airs. The street's merchants are pointing with pride to sidewalks uncluttered with shapeseless forms of unconscious drunks.

We stopped at a flophouse on Bowery and Broome streets to read a sign advertising beds at 30 cents, room and shower at 25, other rooms at 25 and 30.

Washington Daybook — 'This Is The Army' Would Be Terrific Boost To Morale, If All Could See It

By JACK STINNETT WASHINGTON—If there is anything wrong with civilian morale in this country (and I don't believe there really is) it could be given a terrific boost by sending every one of our 100,000,000 or so 'teen-age-and-up' persons to see "This Is The Army."

How To Torture Your Husband

Hollywood — Taxi-Dodging Is One Of The Best Outdoor Sports

By ROBBIN COONS (One of a series by Robbin Coons on a tour of the country.) NEW YORK—They have a cute little outdoor sport in these parts that for thrills, excitement, and hazard puts ice hockey, football and the subway crush in a class with kindergarten games.

Farm Trailers Are Exempt From War Certificates

Certificates of war necessity will not be required on detachable farm trailers, M. Weaver, administrative assistant for the county ACA, was advised Wednesday afternoon by the state office. Previously, it had been thought that war certificates would be necessary on farm trailers as well as on all other commercial vehicles, but this is not the case. Since all farm trucks, pickups or cars used in hauling farm materials will be required war necessity certificates, the ACA office is setting up facilities to assist farmers in filing applications. This service will be available starting Thursday, said Weaver.

Operatic Wardrobe Hits The Scrap Pile

NEW YORK (AP)—Brunnhilde will ride again, but this time Helen Traubel, the St. Louis girl who has become a mainstay of the Wagnerian opera at the Metropolitan, will be armored in plastics. Miss Traubel appeared recently at the headquarters of the American Women's Volunteer Services, bearing under her arm the plumed helmet, the spear and the shield she had been carrying as Brunnhilde. She gave them to the scrap campaign, 17 pounds of tin, copper and aluminum. In 1787 the first Shaker Society in the United States was organized. Great Salt Lake is so great that a swimmer cannot sink in it.

"Gentleman After Dark"

Officers Check On Cleaner Break-In

The second break-in within two days struck Wednesday at the Fashion Cleaners, but extent of loss could not be determined readily.

Tuesday the Gary Welding Shop had been entered, but nothing was missed, according to a quick check.

The Fashion management was making a thorough check Wednesday and estimated it would take the remainder of the day to ascertain if there had been any degree of loss.

How To Hold FALSE TEETH More Firmly In Place

Do your false teeth annoy and embarrass by slipping, dropping or wobbling when you eat, laugh or talk? Just sprinkle a little **FAS-TEETH** on your plates. This alkaline (non-acid) powder holds false teeth more firmly and more comfortably. No gummy, gooey, pasty taste or feeling. Does not sour. Checks "plate odor" (denture breath). Get **FAS-TEETH** today at any drug store. (Adv.)

Snappy Sauce Is Perfect Partner For Meat Courses—These Days

Spiced Cranberries add zip to meat course

By MRS. ALEXANDER GEORGE, Wide World Food Editor

A snappy sauce is a perfect partner for most meats. And some of the less tasty meats are made highly palatable by a good sauce or relish.

Spiced peaches are made to order for breaded veal; zippy chili sauce teams up wonderfully with pot roast and a minted grapefruit jelly highlights lamb or mutton.

HONEY APPLE SLICES for pork dishes: Core 4 firm red apples. Do not peel. Cut in half into crossway slices and place in shallow, buttered baking dish. Cover with 1-2 cup honey, 1-2 cup water, 1-3 cup red cinnamon can-

browned pork chops, grilled lamb or veal chops or baked chicken. Place 4 slices pineapple, 6 halves canned peaches and 11 apricots in shallow pan. Brush with 6 tablespoons butter, melted. Add 1-2 cup maple syrup, 2 tablespoons lemon juice and 1-2 teaspoon cloves. Broil or bake until well browned.

HORSERADISH SAUCE: Mix together 1-3 cup mayonnaise, 1 tablespoon each of chopped celery, parsley and horseradish. Stir in 1 teaspoon each chopped onions, parsley and lemon juice, add 1-4 teaspoon salt and 1-8 teaspoon paprika. Chill and pass in small dish or spread over top hot or cold ham loaf, baked chops or baked or boiled ham.

RAISIN BREAD FOR HEALTH
When adding strained honey to batters, doughs or any soft food, mix it with the liquid called for and then beat into the rest of the ingredients. This distributes it evenly.

MEATLESS DINNER
(Serving 2 or 3)
Lima Beans Savory
Buttered Kale
Honey Raisin Bread Apple Sauce
Victory Salad De Luxe
(With Cottage Cheese)
Grapes
Molasses Cake
Coffee for Adults Milk for Children

Honey Raisin Bread
2 cups flour
1 teaspoon baking powder
2-3 teaspoon soda
1-2 teaspoon salt
1-2 cup raisins
1-2 cup nuts
1-3 cup honey
1 egg, beaten
1-2 cup sour milk or buttermilk
1 tablespoon fat, melted
Mix ingredients and pour into well greased—or heavy waxed—paper-lined loaf pan. Bake an hour in moderate oven.

Victory Salad De Luxe
1 tablespoon gelatin
1-4 cup cold water
2 cups tomato juice
1 teaspoon finely chopped onions
1-4 cup diced celery
1 tablespoon chopped green peppers
1 teaspoon minced parsley
1-2 teaspoon salt
1-4 teaspoon paprika
1-4 teaspoon sugar
1 tablespoon lemon juice
1 cup cottage cheese
Soak gelatin 5 minutes; simmer for 5 minutes the juice and seasonings. Pour over gelatin and stir until dissolved. Cool and add lemon juice. Thicken slightly and pour over cheese placed in shallow mold. Chill until firm. Unmold, cheese side up, and serve on lettuce, cut in squares. Spread with mayonnaise or salad dressing.

Cheese gives a grand flavor to fruit or berry tarts. Roll out rich pastry and cut into 3 inch squares. Spread generously with fresh or canned fruit or fruit sauce. Top each with a thin slice of sharp cheese. Fold the pastry over three-cornered fashion and bake as usual.

HALLOWEEN FUN
Plan a Halloween party for an evening of fun and food. It will be filled with shrieks and chills, and have the good things to eat spooky.

REFRESHMENTS SERVING 10

Cheese Relish Sandwiches
Sliced Ham Biscuits
Funny Faces Cider Punch
Pop Corn Balls
Hot Coffee

Funny Faces (Grinning Cakes)
1-2 cup fat
1-2 cup sugar
1-2 cup molasses
1-3 cup coffee (leftover)
1 teaspoon cinnamon
1-2 teaspoon cloves
1-2 teaspoon salt
1-4 teaspoon ginger
2 eggs, beaten
1 1/2 cups flour
1 teaspoon baking powder
1-2 teaspoon soda
Cream fat and sugar. Add rest of ingredients and beat 2 minutes. Half fill greased muffin pans or paper baking cups. Bake 20 minutes in a moderate oven. Cool and stick on gum drops to mark features. The drops can be dipped in slightly beaten egg white or a small amount of uncooked frosting to make them stick on the cakes.

Pop Corn Balls
1-2 cup sugar
1 cup molasses
2 tablespoons vinegar
2 tablespoons butter
1-3 cup water
1-4 teaspoon soda
3 quarts popped corn (unsalted)
Mix sugar, molasses, vinegar, butter and water. Boil gently and without stirring until a portion tested in cold water forms a "click" ball. Add soda and mix. When foamy pour over the corn, mixing it thoroughly. Press into balls about 2 inches in diameter. Leftover bread slices are ap-

Excess Tires Are Being Surrendered

Surrendering of excess automobile tires in order to be eligible for a gasoline ration card has started here, according to Thomas A. Pharr, Railway Express agent.

Forty-five surrendered tires have been shipped from the express office here to the warehouse point at San Angelo in accordance with government regulations, he reported Wednesday evening.

No appraisal is made here since the express company merely acts as a receiving agency for the government. Staff members simply assist the tire owner in filling out government forms which specify if the tire or tires will be given or if they will be sold; and if the owner elects the latter course, if payment is preferred in war bonds and stamps or in cash.

Which ever course is followed, the money or securities will come pending fixed this way: cut into bars or squares, spread with melted butter and toast on both sides.

Try this piquant sauce for plain lettuce salad: Mix together 1-2 cup mayonnaise, 1 tablespoon each chopped pickles, olives and horseradish. Add 1-2 teaspoon lemon juice and 1 teaspoon chili sauce. Serve chilled.

direct from the government to the owner without the express company having been involved. All appraisals and grades are made at the government warehouse point.

If the tire is seemingly useless, it should be turned in regardless, said Pharr. If it is unusable, then salvage prices will be paid for it.

Under regulations outlined for the gasoline rationing program, no person will be eligible for a ration card if he does not make a statement that he possesses no more than five tires for a car.
