THE COUNTY SEAT NEWSPAPER

Men In Service Boost Wheeler County War Bond Sales \$19,300

Not only are they doing the fighting but they're doing their share of financing the war. Information received today by Robert Holt, Wheeler County War Finance chairman, reveals that men in service from this county have invested \$19,300 in E Series bonds since the Fifth War Loan got under way. This example of the boys in service buying bonds in addition to the real sacrifices they are making should provide a real challenge to every patriotic American residing in the county.

Wheeler county is still \$16,474.25 short of its goal of \$170,000 of E Series bonds in the Fifth War Loan, according to tabulation made Monday even though it has invested a total of \$381,178.00 in all type bonds surpassing the quota of \$360,000.

Purchases of E, F and G Series Bonds during the remainder of July will be counted on the county's quota in the Fifth War Loan.

Funeral This Afternoon For Former Wheeler Man

Funeral services were to be held at The Wheeler Baptist church this (Thursday) afternoon for Frank Walker, former Wheeler county man who died Monday at his home at Port Arthur.

Walker, who was 41 years old, was the son of Mrs. F. E. Walker, who resides southeast of Wheeler. At the time of his death he was Secretary-Treasurer of the Texas Steel and Manufacturing Co. and was formerly connected with the H. R. Hudson estate of Oklahoma City and Brownsville.

Besides his mother he is survived by one sister, Miss Stacey Walker of Dallas; and four brothers, Malcolm of Locust Grove, Cash of Briscoe and Huffman and Norris who are in the armed forces; his wife and one son.

The body arrived by rail in Shamrock yesterday and was brought to the family home where it will lay in state until time of the funeral.

Burial will be in the Wheeler Cemetery.

REV. DUKE SHAW WILL PREACH HERE SUNDAY

Rev. Duke Shaw will fill the pulpit of the Wheeler Baptist church again next Sunday at both the morning and evening services, it has been announced.

IS SHERMAN COUNTY AGENT

David F. Eaton, Jr., former assistant county agent of Wheeler county, this week took over the duties as county farm agent of Sherman county. He will reside in Stratford. Eaton left Wheeler to move to Pampa in Nov. 1942 and has been assistant agent in Gray county since that date. Mrs. Eaton and their 2 1/2 year-old son, Michael, will join him at Stratford as soon as a house is available.

OIL WELL ABANDONED

The Jenkins & Portman No. 1 Johnson test well in section 7 block A-8 H & G N survey Wheeler county has been abandoned as dry at a depth of 2520 feet.

CEMETERY WORK NOTED

Grass and weeds were mowed off the Wheeler Cemetery early this week, and improved considerably the appearance of the grounds.

Hospital News

Eugene Lamb, Wheeler, underwent a major operation Sunday, July 16.

Janet Russ, Shamrock, underwent a tonsillectomy, Tuesday, July 18.

Mr. and Mrs. Geo. Ingram, Canadian, are the parents of a son born July 18.

Mrs. Ira Fisk, Allison, entered the hospital for treatment July 18.

Kenneth Waldrip, Allison, underwent a tonsillectomy July 19.

Harold Newberry, Allison, underwent a tonsillectomy July 19.

Mrs. S. W. Williams, Mobeetie, entered the hospital for treatment July 15.

The young son of Mrs. Fern Lawrence, Mobeetie, underwent a tonsillectomy July 18.

Mrs. Buck Grimes, Amarillo, underwent a tonsillectomy July 17.

Mrs. B. B. Cantrell, Mobeetie, underwent a major operation July 17.

Donald Oglesby underwent a tonsillectomy July 17.

Glenn Ing underwent a tonsillectomy July 20.

Mrs. G. B. Anderson, Myrtle, entered the hospital for treatment July 18.

J. A. Herring, Mobeetie, underwent a major operation July 19.

Mrs. Walter Sorenson, Myrtle, entered the hospital for treatment July 18.

Mr. and Mrs. Geo. Haroldson, Briscoe, are the parents of a son born July 16.

Lt. James Passons Is Killed In Action

Lt. James P. Passons has given his life in action in the service of his country according to a brief telegram received by his parents, Mr. and Mrs. Ira Passons, Saturday afternoon. The message received from a Marine Commandant did not tell where the young man was nor when he was killed, but it is known that he was somewhere in the Southwest Pacific. The Commandant stated a letter would follow.

Lt. Passons, the only child of Mr. and Mrs. Passons, was a graduate of Texas A. and M. where he majored in Agricultural Economics and received his degree in the spring of 1942, volunteered for service in the U. S. Marine Corps in March of that year and was called to active duty in November.

Born March 5, 1921, James came to Wheeler county with his parents later that year. At the age of 12 he became a member of the Baptist

LT. JAMES PASSONS

church and had been active in church work ever since. He graduated from the Wheeler High school with the class of 1938 and lettered in football for three years.

An outstanding 4-H club member, his club activities started when he was 10 years of age and 10 of his 11 calves fed in projects placed for honors in local, state and tri-state contests. Besides feeding a calf each year in his club work he had annual crop projects and was twice world champion in the production of kafir grain. This was in 1932 and 1933. His projects won him three trips to the (Continued on Last Page)

South Side Fails To Move NFLA Office In Saturday's Election

The Wheeler County National Farm Loan Association office will remain in Wheeler.

By a majority of only 7 votes in a special called election last Saturday afternoon, stockholders voted to keep the office in Wheeler rather than move it to Shamrock. The vote was 69 to 76.

WHEELER SCHOOLS START AUGUST 21

Superintendent Jesse J. Dyer announces that the Wheeler schools will begin their 1944-45 term Monday, August 21. The decision to start the school year early was reached in a called meeting of the board Tuesday night. It is anticipated that school will be recessed for four weeks at a time most appropriate for picking cotton and other crop gathering. The exact date to be set later.

Mrs. Olive O. Vanpool was named teacher of the sixth grade and will replace Mrs. C. J. Meek who tendered her resignation last spring. Mrs. Weldon Sandifer was named substitute teacher.

Good Neighbors Come To Aid Of Local Farmers

The "good neighbor" policy was expressed in this community Tuesday when neighbors drove 15 tractors to the Elmer Lowrie farm, two and one half miles south of Wheeler and plowed 240 acres of row crops in 8 hours. Mr. Lowrie has been in Shamrock the past week where his small son is seriously ill at a hospital. Mrs. Lowrie and baby are still in the local hospital. Those helping with the farm work were: A. M. Galmor, C. D. Mitchell, T. M. Wright, E. B. Dyer, A. D. May, Alvin Sellers, Leonard Reid, M. W. Pierce, Gwynn Crossland, Ruben May, Gordon Whitener, Otis Ford, Fred Waters, Allen E. Isaak, Boyce Farris and W. L. Williams.

The following ladies assisted Mrs. W. L. Williams in preparing lunch for the workers: Mesdames J. H. Lowrie, Mitchell, W. L. Gaines, M. W. Pierce, Gordon Whitener, A. M. Galmor and Ellen E. Isaak.

Good neighbors also came to the aid of Mr. and Mrs. Ira Passons in their sad hours of bereavement in the loss of their son, James. Fourteen tractors and six hoe hands cleaned out their row crops of 85 acres. Names of the workers were not available.

GEORGE HEFLEY, now serving his tenth year as Commissioner of Precinct 7, is candidate for County Judge. Mr. Hefley, prominent farmer who resides east of Twitty, has lived in Wheeler county for 30 years.

Allison Baptist Revival Will Start July 23rd

A revival meeting will get under way at the Allison Baptist church July 23. Rev. R. L. Porter, Lela, father of the pastor, will do the preaching.

The meeting is to extend through August 6. Services will begin at 10:30 mornings and 9 o'clock evenings. M. L. Porter, the church pastor, announces and invites everyone to be present.

Another Good Rain Received Early Today

Upwards to two inches of rain fell over entire Wheeler county between 3 a. m. and 8 a. m. today (Thursday) and will be of much benefit to crops now showing promise of a bumper yield.

TO BECOME CHAPLAIN

Rev. Wayne Cook, former Wheeler Methodist church pastor who went from here to Stanton, has received notice of his appointment as U. S. Chaplain and is leaving for training for that work.

Mrs. M. E. Harris and children, Mrs. F. O. Rucker and children, Mrs. Kate Hansen and daughter, all of Houston, are visiting Mr. and Mrs. Homer Moss and boys this week. The three women are sisters of Mrs. Moss.

MAJOR THOMAS O. WOOD RECEIVES AIR MEDAL FOR BOMBING MISSIONS OVER JAPANESE HOME LAND

Eleventh AAF Headquarters—One with missions against Paramushiru and Shimushu and other bases in the Kuriles. These raids, which now require up to 2,000 miles of over-water flying, until recently were considered the longest over-water missions of the war.

This crew, led by Major Thomas O. Wood of Wheeler is credited with having completed some of the deepest photographic as well as the most hazardous bombing missions ever accomplished in this sector. It is also credited with having made one of the first missions over the Japanese Kurile Islands last summer in the face of heavy enemy opposition estimated at being between forty and fifty aircraft.

Referring to their accomplishments during the period of 4 August 1943 to 27 May 1944, General Johnson's

MAJOR THOMAS O. WOOD of Wheeler is shown receiving the Air Medal from Major General Davenport Johnson, commanding general of the Eleventh Army Air Forces.

order proclaiming the award said: "These officers and enlisted men were members of a heavy bomber crew which participated in numerous attacks on Japanese positions in the Northern Kuriles with highly effective results."

These long over-water flights, (Continued on Last Page)

Receives Air Medal

S/Sgt. Hiram A. Whitener, who is a gunner on a B-24 and is serving with a Heavy Bombardment Group in Italy, has recently been awarded the air medal upon completing his 25th mission over enemy occupied territory. Hiram has been in service for 23 months and left the states for over-sea duty in March 1944. He is the son of Mr. and Mrs. C. A. Whitener.

CANDIDATES, VOTERS ARE READY FOR SATURDAY PRIMARY ELECTION

Regular Election Party To Be Staged

Arrangements are practically complete for receiving and displaying Democratic primary election returns at the court house in Wheeler during the evening and night of election day, Saturday, July 22.

Large blackboards will be placed on the west side of the court house for listing the names of state, district, county and precinct candidates, together with their respective votes as rapidly as returns can be obtained.

Prompt receipt of and public dissemination of county election returns is in compliance with regulations controlling elections in this state. A. B. Crump, Democratic county chairman, stated this week. He has suggested announcement, through the columns of The Times, of the election party to be held on the court house lawn, and an invitation to everyone to be present and watch the figures as received and posted.

In connection with this, the chairman has reminded election officials throughout the county of their duty to complete a count of the returns as quickly as possible after the polls close and transmit the figures to his temporary headquarters in the collector's office of the court house.

When not possible to report by telephone the officials are authorized by Crump to send them in by car or other method of transportation, charging the cost to the county central committee.

The chairman also states that it will be a big help to election officials and the returns committee if every voter in the county will go to the polls as early in the day as practicable and cast his or her vote. He urges town voters to vote before noon so farm folks may cast their ballots soon after arriving in town. Such action will permit counting to start much sooner than if everyone waits until the last minute to vote, he explained.

Mr. Crump is asking election judges to please see that all ballot boxes are returned with official returns by Monday so the official report may be made to the State Democratic Executive Committee at Austin as early as possible.

Funeral Held Today For N. M. Tipps

Masonic last rites were to be held at Briscoe at 2 o'clock today for N. M. Tipps, 51, prominent Briscoe farmer who passed away early Wednesday. Mr. Tipps suffered a heart attack two weeks ago last Saturday and had been critically ill since last Saturday.

A resident of the Briscoe community for several years, Mr. Tipps had been quite prominent in Masonic work for some time and was installed as Master of the local lodge July 3. He was also a director of the Wheeler County National Farm Loan Association.

His wife and several children survive. Names of all the children were not available as The Times went to press.

R. H. Forrester, past Mason Master, will be in charge of the Masonic rites. Burial will be in the Zybach Cemetery with The Hunt Funeral Home in charge.

New Machinery Rationing Order Is Released

On July 10 a new machinery rationing order was signed in Washington and becomes effective July 20, 1944. V. B. Harcastle, Administrative Officer Wheeler County ACA, said this week.

Schedule 1 equipment as of July 20 includes the following machinery only: manure spreaders, combines, corn binders, corn pickers, mowers, side delivery rakes, hay loaders, pick-up balers and tractors. Schedule 2 includes potato planters, grain drills, power sprayers, potato diggers, ensilage cutters, deep and shallow well water systems, power pumps, irrigation pumps and farm milk coolers.

After July 20, 1944 any item of farm machinery not included in either schedule above will be released from rationing restrictions and may be purchased without a certificate.

"Up to this date no quotas have been received for Schedule 1 equipment and no certificates can be issued for this machinery as previous quotas have been exhausted several weeks. As soon as quotas are received this information will be released," Mr. Harcastle states.

Schedule 2 equipment applications can be approved after July 20 if equipment is available to qualified purchasers.

Polls Open At 8 A. M. And Close At 7 P. M.

Despite the fact that there is only one county office and two precinct offices with more than one candidate listed on the ballot in this year's Primaries, candidates and voters are ready for the first go around next Saturday. Polls will open at 8 a. m. and close at 7 p. m. County Democratic Chairman A. B. Crump stated, the time being based strictly on Central War Time.

Election judges and voting places in precincts 1 and 2, the two commissioners precincts comprising the north half of the county are:

Mobeetie — John Dunn, school house; Briscoe — T. A. Treadwell, school house; Wheeler — R. H. Forrester, Legion Hall; Allison — Carl Levitt, school house; Stanley — R. D. Holt, commissioners court room, Court House; McBee — Gordon Stiles, Leonard Rathjen home.

At Kelton voting will be done at Johnson's store with Claude Davis acting as judge.

County Clerk Harry Wofford reports that 168 applications had been made for absentee ballots before the deadline yesterday and that 101 had been filed.

The official ballot for the first Primary is as follows:

FOR GOVERNOR:
Coke R. Stevenson of Kimble County
Herbert E. Mills of Galveston County
William F. Grimes of Harris County
Minnie Fisher Cunningham of Walker County

Gene S. Porter of McLennan County
Martin Jones of Nacogdoches County
W. J. Minton of Grayson County
Alex M. Ferguson of Grayson County
Edward L. Carey of Harris County

FOR LIEUTENANT GOVERNOR:
John Lee Smith of Throckmorton County
William David Turner of McLennan County

Mat Davis of Upshur County
Lee Satterwhite of Travis County

FOR ATTORNEY GENERAL:
Jesse E. Martin of Tarrant County
Fred Erisman of Gregg County
Grover Sellers of Hopkins County

FOR ASSOCIATE JUSTICE OF SUPREME COURT:
Tom Smiley of Karnes County
James B. Hubbard of Nueces County
Charles T. Rowland of Tarrant County

Gordon Simpson of Smith County
Richard Critz of Williamson County

FOR JUDGE OF COURT OF CRIMINAL APPEALS:
Joseph D. Dickson of Baylor County
F. L. Hawkins of Ellis County

FOR RAILROAD COMMISSIONER:
Beauford H. Jester of Navarro County

FOR COMPTROLLER OF PUBLIC ACCOUNTS:
Clifford E. Butler of Harris County
Harold K. Shelton of Harris County
Geo. H. Sheppard of Nolan County

FOR TREASURER:
Jesse James of Travis County
(Continued on Page Eight)

District 1 4-H Boys Plan Encampment.

District One 4-H Club Encampment will be held at Lake McClellan July 26-27-28. Boys going from Wheeler County will leave Wheeler at 1:30 p. m. on July 26 and Twitty at 1:50 P. M. and Shamrock at 2:00 P. M. on the same date. The encampment will offer the boys swimming, boating, playground ball, rifle range, and many entertainments such as boxing, moving picture shows and talks. The boys will be accompanied by County Agent J. L. Tarter and Assistant County Agent Charlie V. Hanning.

WORLEY HERE MONDAY

Congressman Eugene Worley was a Wheeler visitor Monday afternoon. Worley who is making a tour of his district while Congress is in recess, lives at Shamrock.

BABY DIED MONDAY

Funeral services were held at Mayfield, Oklahoma Wednesday for Christine Fern Castle, ten month old daughter of Mr. and Mrs. Joe R. Castle, Sweetwater, Okla. The baby passed away here Monday after a brief illness.

FORMER PASTOR PASSES AWAY

Word was received here this week of the death of Rev. Oscar M. Addison, pioneer Panhandle Methodist minister, who was pastor here from November 1918 until November 1920. Funeral services were held in Lubbock July 7. Survivors include his wife, two daughters and one son, the latter a captain in the army at Baton Rouge, La. Rev. Addison was 71 years of age.

Order It Now

Each summer when the thermometer climbs into the zone marked hot, we edit the wisdom of looking at the local coal bins with an eye to next winter's blasts. The accepted custom of most rural householders, is to fill his bin now, while the rush isn't on. With a remembrance of last winter's difficulties in obtaining the coal, of mine shortages and labor trouble, of delivery problems here at home, the best bet today is to cooperate in these summer months to care for the future needs. Though our hope is that by next winter the war will be over, and if so a fuel situation will be more normal, still we realize this may not happen and so the safest way is to give that coal order now. It is sane advice for our personal comfort and for our country's sake.

The Healthy Side of It

Look at labor from an optimistic angle, such as what physical benefit may be derived from long, expended energy. This is the view to take of hours of toil in the war garden. Take it as wholesome recreation, improving your health, getting more rest at night, being untroubled by any food shortage rumors, having calmer nerves due to contact with the blessed earth, and grateful of the knowledge that outdoors we become happier men. Improving the health means giving the doctors a break in their already over-worked field. Putting garden tools into the hands of the family brings them together in a spirit of accord for there is an inspiration from working with the soil, and after tending our war gardens, we who hoe and grovel, believe it.

Shame On Us

In examining a cross-section of population, in a survey of public opinion, facts develop that should make us talk to ourselves! Of 90 million adults in this country, 27 million don't know the Japanese have taken the Philippines, 54 million have never heard of the Atlantic Charter and that same number doesn't know what causes inflation. 33 million don't know what a tariff is, only one out of three Americans can name both senators from their states and only 37 per cent of the people realize that we have received reverse lend-lease from Great Britain. Should we blame ourselves for this ignorance in a democracy where radio, movie, press and schoolhouse make facts available. Or should we blame the democracy itself for not putting the facts before the public in a more understandable and interesting form?

Let a woman use cologne and she smells like a breath of spring but let a man dip into it and he has the aroma of a hair tonic factory.

It doesn't make any difference how false it is, flattery always seems to find a welcome in most ears.

A certain man says that when you are down, even a tombstone has something good to say about you.

Germany used to offer prizes for new jokes. Now that the biggest one is on them, it seems they will be left holding the booby.

Understand Berlin has called off the "man-in-the-street" program, due to not being able to find any man on a Berlin street.

Pertinent Paragraphs from Panhandle Press

Items of interest culled from newspapers on the Times' exchange list.

People take the water system for granted just as they do the electric service and the gas service. But when something happens, they wake up to their importance in a hurry.

This was demonstrated Sunday when the 10 inch main bringing the water to Wellington burst in two places. I do not know the scientific reason for the mains bursting, but I do know some of the results. A lot of dinner dishes and a few breakfast dishes went unwashed. Some people, remembering that cleanliness is next to Godliness, intended to take a bath before they went to Church. Instead they used perfume and others used talcum powder, but there were some honest souls who went as the great unwashed.

—Deck Wells in the Wellington Leader

Mr. Roosevelt once called the judges of the supreme court "nine old men." Well, now Mr. Roosevelt and his advisors have reached the same age. Wonder what he thinks about age now? It is strange how a man never realizes that he will get old and out of things himself.

—McLean News

The need of a strong alliance of nations—call it what you please—is shown in the case of China. Seven years ago Japan invaded China, and has carried on the war ever since. That was the beginning of World War II. Had the League of Nations been functioning at that time, Japanese aggression could have been stopped with an iron hand. But the United States blocked the usefulness of the League of Nations, and we are paying for another war, both with the blood of thousands of fine young men and billions of hard earned money. What about the future? Let President Roosevelt and Governor Dewey tell their views without-stuttering, or without high sounding words which mean nothing. The people of the United States do not want another war in another 25 years, which we shall have unless a lasting peace is written and enforced at the end of World War II.—Canyon News

When we think of the way John L. Lewis handled Roosevelt, getting practically everything he wanted from the government, we wonder how Roosevelt will fare with such forceful super-statesmen as Churchill and Stalin, in case he should head the American delegation at the peace table or will there be a delegation?

—Higgins News

Getting Ahead

If you get up earlier in the morning than your neighbor, said the town philosopher, and work harder, and scheme more and stick to your job more closely, and stay up later planning how to make more money than your neighbor, and burn the midnight oil more planning how to get ahead of him while he's snoozing, not only will you leave more money when you die than he will, but you'll leave it much sooner.—By Ira Unsell

—Groom News

The Times War Time Reporter Says

Folks I'll tell you, my granddad always wuz the nicest and kindest man I ever knowed, he always would give grandmam fresh corn shucks to fill up her mattresses with, but after it was flattened out of course he fed 'em to his stock.

He said them shuck mattresses was a little noisy at times but you had to simmer down afore you could go to sleep anyhow. He said they was right smart restful perviding you didn't get some bearded wheat mixed up in 'em and mistake is for a santa pede in bed with you, and say things you would regret later.

I never will forget the time he went to the city to see how they harnessed up the fire horses automatically, and he come back home and fixed his'n that away, so that all he would have to do every morning was pull a rope and the harness would fall down on his horses.

So when it come time to get up grandmam started to milk and grandpa turned over for another nap, after awhile he roused up and he pulled the rope and started puttin' on his pants, knowing in reason his hosses was hitched up. But about that time he heard a commotion out in the barn lot and when he got out there he had grandmam and the old milk cow hitched to the cultivator. Just for a change I'm a goin' to dedicate my little poem today to grandmam's beds.

Grandmam made us all new beds of shucks and prairie hay. They weren't so much for comfort But just a place to lay.

These million airs that sleep on beds That cost them twenty bucks, Ain't never had the feeling That you get on hay and shucks.

And in the night when you would turn To ease an aching back, The noise from those rattling shucks Was awful, that's a fact.

By four o'clock in the morning You were glad to leave the hay, And the memory of that night on shucks

Was branded in to stay.

A Switch in Time saved Mine...

Now I'm over 33,000 mi.

I used to trade cars around 25,000. But if you'd offer me a new one today — unless it was free— I'd think twice. This '39 model gives me quite some pride, still running as sweet as it does. I know of people trying a dozen different oils and nearly everything else, to make their cars last. Some things worked; plenty didn't. In my case I played the hunch of OIL-PLATING my engine by switching to Conoco Nth motor oil, so as not to let engine acids get an upper hand. That worked! And why not? I knew that deadly corrosive acids are a regular part of every engine explosion. I had my faith in Conoco Nth oil's modern synthetic that attaches OIL-PLATING to working parts—like a close-fitting shield. There's the stuff that puts up a real battle against corrosive acids. You're giving your car its chance to live, as soon as you change to an OIL-PLATED engine. Get Conoco Nth oil, that's all.

CONOCO Nth MOTOR OIL

NEWS from **FOOD FOR VICTORY**

YOUR COUNTY HOME DEMONSTRATION AGENT
TEXAS EXTENSION SERVICE

Mrs. Betty Sue Boultinghouse, Co. Home Demonstration Agent

Families that have fruit this season are fortunate; so are families that have freezer lockers. But those that have both are doubly lucky. Use them together. Fruits that are especially adapted to freezing include strawberries, cherries, peaches, apricots, pineapple and all berries. Peaches are still in season so why not freeze some for variety.

Here are some suggestions on freezing fruits that are given by Extension Service specialists.

Selection and Preparation: Select berries and cherries at the best stage of maturity, firm and ripe. Freeze as soon as possible after gathering. Never use soft or moldy fruit. If fruit is green it has a poor flavor and is hard.

Prepare fruits as for eating or canning. Wash, drain, sort and cut. Use stainless steel knives in paring and coring fruits. Use a solution to prevent darkening of peaches, pears, apples, and apricots. This solution may be made with the juice of one lemon in two quarts of water or two tablespoons vinegar and two tablespoons salt dissolved in one gallon of water. Leave fruit in this solution only long enough to prepare one batch of fruit for freezing. If left longer than 20 or 30 minutes the fruit begins to soften. Small slices are better for freezing. Berries and cherries may be left whole. Slice large strawberries.

Use Syrup or Sugar for Fruit: A

syrup pack preserves the form as well as the flavor and color of most fruits. Fruits packed without syrup or sugar lose more vitamin C and have a less desirable flavor, color, and texture. Fruits without sugar or syrup may be used for pies or preserves.

A heavy syrup is recommended for most fruits; however, light or moderate syrup may be used according to taste and availability of sugar. To make syrup, dissolve the desired amount of sugar in hot water or fruit juice and cool before using.

Heavy Syrup: 1 to 1½ cups sugar to 1 cup water or fruit juice.
Medium Syrup: 3-4 cup sugar to 1 cup water or juice.

Light Syrup: 1-3 to 1-2 cup sugar to 1 cup water or juice.
Corn syrup may be substituted for part or all of the sugar. However it does not have the preserving quality of cane or beet sugar. A weak honey solution may be used, but it is not as desirable because it does not freeze as readily, it thaws quickly, and it affects the flavor of the fruit.

After syrup is made and cooled, the fruit is prepared and packed in the container. Syrup is added to cover the fruit. Keep the fruit below the liquid to retain the color of the top slices. Foods expand in freezing, therefore leave headspace. Allow about 1-2 inch for pint containers and about 3-4 inch for quarts. If glass jars are used allow 1½ inches

Girls Study Grooming

By Amy Sue Beckett
Ass't. Home Demonstration Agent

There's increased interest in personal grooming among farm girls just now. Louise Bryant of the A. and M. College Extension Service says she's found this to be true by talking to 4-H club girls at encampments and other gatherings.

To help the girls, she has developed a Personal Care Plan which she says they can easily adapt to their own needs. For instance there are some jobs which ought to be done every day... like bathing and brushing your teeth. And there are some which can be done once a week... like shampooing your hair and manicuring your nails.

Miss Bryant says you can be a better manager if you'll study your different jobs and then work out easier ways of doing things. Ordinarily a job has three parts. First, getting ready... second, doing it and finally, cleaning up.

Now about getting ready... be sure that your tools and supplies are convenient and arranged in an orderly way. After all, there's nothing much messier than a littered dresser drawer or make up kit. And when you get ready to wash your hair or manicure your nails, figure out the simplest, easiest way. Don't be one of those people who is never ready... don't usurp the family bathroom for example. And finally, when you're through, do a complete clean-up job. Put all your equipment, bobby pins, nail scissors and the like... back in their proper place.

You may find it easier to keep things in their place if you'll make you a "good grooming kit." This might include bath powder, a deodorant, and a razor. Cosmetics for your face and your comb and brush might be kept in a dresser drawer and partitions for the drawer will be helpful, too.

Take this advice: Be a model Miss... not a messy one.

headspace. As each container is packed, put in refrigerator or cool place until ready to freeze.

Dry packing is best for berries, cherries, and plums; but never use it for peaches, apricots, or rhubarb. Slice fruit and mix well in the dry sugar. Use about 1 pound sugar and four pounds fruit. Again, leave headspace in container when a dry pack is used. Extension Service Bulletins on Freezing Foods are available from your home demonstration agent.

Ennis Favors Visits Wheeler

Rep. Ennis Favors was a visitor in town Tuesday. Favors, an ex-soldier himself with an honorable discharge from the United States Army,

ENNIS FAVORS

said that he felt politics should be on a merit basis and not a patriotic basis, and that in times like these we should endeavor to put the best men in all offices. When asked what part he thought the old folks would play in politics this time, he said, they certainly knew their friends, and especially in the Legislature, and were going to stay with them. Favors was author of House Bill No. 9, lifting the ceiling on old age pensions in the last session, and is Chairman of

Lt. Jack May and Lt. Steve Trout, Childress, visited Misses Geraldine Williams and Mary Helen Jones Sunday.

a Committee which is rewriting the pension laws now. He said this had taken much of his time and he expected to devote considerable more time to the same before the next session. His wife underwent a major operation recently and is recovering nicely, and he explained that this had prevented him from visiting over the District as much as he would ordinarily.

(Paid Pol. Adv.)

Miss Bonnie Hall visited friends in Wellington Monday through Wednesday.

LEGAL NOTICE

(First published in The Wheeler Times Thursday, June 29, 1944). 4tc

NOTICE TO CREDITORS OF ESTATE OF J. H. ROWE, DECEASED:

Notice is hereby given that original letters of administration upon the estate of J. H. Rowe, deceased, were granted to me, the undersigned, on the 22nd day of May, 1944, by the County Court of Wheeler County, Texas.

All persons having claims against said estate are hereby required to present the same to me within the time prescribed by law. My residence and post office address are Route 1, Box 210, Wheeler, Wheeler County, Texas.

BEATRICE GREENHOUSE, Administratrix of the Estate of J. H. Rowe, Deceased.

Thanks to Voters of Precinct 1

Our little campaign is almost ready to close—for the first count. I will appreciate the support and influence of the good people of our community. Many thanks to those who I have seen—for the nice words of encouragement.

I am now asking the voters of our precinct to ignore all last minute political dope which is usually sown broadcast by the few moss back politicians—sown by them and aimed as vote catchers.

If I am chosen as your servant I will try for improvements throughout the entire Precinct 1.

J. P. KEETON

Candidate for

Commissioner Precinct No. 1
of Wheeler County

To the Voters of Wheeler County

Although I have no opponent in my race for District Clerk, I want you to know that I appreciate your vote. I consider it an expression of confidence.

I shall endeavor at all times to give you courteous and efficient service.

D. A. HUNT, County Judge

CONGRESSMAN WORLEY SAYS . . .

Prior to the short breathing spell, Congress completed action on the following bills which have been sent to the White House for approval:

(1) The forty-five billion dollar War Appropriations Bill, popularly known as the "Hitler-Tojo Message

of Death."

(2) A measure which is designed to curb the use by government agencies of unnecessary mail, circulars, pamphlets, etc. Each agency will be required to request appropriations from Congress for this purpose and will have to justify their position.

(3) Also finally passed was a bill raising the pay of expert infantrymen \$5 a month and combat infantrymen \$10 a month. Additional pay consideration was given for glider pilots and fighters.

(4) Legislation providing for sale by Post Offices of "postal notes." These may be used to transmit through the mails any sum up to ten dollars for a flat fee of five cents each. Postmasters will have this information and forms shortly.

(5) A bill extending the Civilian Pilot Training Program for two years also was passed and sent to the White House.

(6) The President has signed legislation authorizing temporary appointments and full officer status of Army nurses who now hold relative ranks and are accorded all officer privileges.

(7) The House adopted a resolution authorizing the Secretary of Commerce to conduct a survey of postwar needs for airports in the United States, its territories and possessions.

The much vaunted (by the Nazis) robot plane has excited considerable interest. This was one of the "secret weapons" which the Nazis had long bragged about. As a matter of fact, however, both the British and American Intelligence Services were fully aware of the existence of this instrument. Both the United States Army and Navy had previously experimented with a similar device but abandoned the idea because these rocket bombs actually do little military damage. They have a wingspan of about sixteen feet and are slightly more than twenty five feet long. It is a jet-propelled rocket type "flying bomb" without a pilot. Most of them are controlled by radio. Our military authorities rejected these flying bombs in favor of more precise bombing, based on the accuracy and precision of our superior bomb sights.

Most of the damage to date has been of little military consequence. Washington officials believe the first

MOVIE CHATTER
(By a Rogue)

Cowboy Canteen

Friday-Saturday, July 21-22, brings a very unusual western picture to the Rogue. In fact, it is super western. Cowboy Canteen stars Charles Starrett, Tex Ritter, Vera Vague, Big Boy Williams, The Mills Bros., Roy Acuff and his Smoky Mountain Gang. You really have a treat coming up, so don't miss it.

The Miracle of Morgan's Creek

There is no Morgan's Creek and it is not a miracle. But we guarantee that you will think a comic cyclone has struck the old home town when Eddie Bracken and Betty Hutton make their appearance at the Rogue Prevue-Sunday-Monday, July 22-23-24. The Miracle of Morgan's Creek is one of the funniest comedies of all times. Be there.

Thank Your Lucky Stars

Warner Brothers have made a picture called Thank Your Lucky Stars, and they have put practically all their stars into it. In the cast; Humphrey Bogart, Eddie Cantor, Bette Davis, Erroll Flynn, John Garfield, Joan Leslie, Ann Sheridan, and a lot more. It plays the Rogue Wednesday-Thursday, July 26-27. What do you think?

Edgar Taylor Close has returned to Phillips after spending three weeks with his grandparents, Mr. and Mrs. W. E. Taylor.

Mrs. H. H. Creed and grandson, Charles Bryan of Mangum, Okla., are visiting in the H. M. Wiley home.

threat was to scare and alarm those in the British Isles but even that objective has fallen flat.

There are four ways to combat this new type weapon: (1) Heavy bombing of the rocket plane take off spots across the Channel. (2) Sending Allied fighter planes out to shoot them down since the robot planes cannot shoot back our own fighter planes can come in at closer range and fire more accurately. (3) Anti-aircraft defenses (4) Possible jamming of the radio controls by radio interference.

The Nazis will have to develop a better "secret weapon" than the "flying bomb" if they hope to stop the Allied drives.

3 Reasons Why You Should Feed Lawrence's Best Fortified Pullet Developer

1 Fortified PULLETT DEVELOPER supplies an abundance of Vitamins and Minerals to help supply the nutritional needs of your pullets, and to help build strong body reserve for continuous egg-making.

2 A plentiful supply of Vitamins helps avoid shrinkage of the ovaries, where every egg a hen will lay is incorporated at the time of development. Also helps avoid LASTING WEAKNESS of organs caused by Vitamin underfeeding, which shows up under the strain of heavy egg production. An egg contains over eight minerals . . . and to make eggs your birds must receive these Minerals in abundance. Fortified PULLETT DEVELOPER furnishes these vital elements so often deficient or totally lacking in grains alone, or in such feedstuffs as birds pick up on the open range.

3 Fortified PULLETT DEVELOPER contains amazing GLAND ACTIVATORS to help fight feed waste by assisting your birds to convert more of their feed into strong, sturdy bodies . . . well-equipped for their job of egg-laying which lies ahead. Frail, under-developed birds are a liability . . . a dead expense. Properly nourished birds, strong and sturdy to resist disease and the strain of heavy production are truly MONEY-MAKERS. Those are the kinds of birds that Fortified PULLETT DEVELOPER will help you build . . . quickly . . . safely!

ONE PULLETT THAT LAYS . . . IS WORTH FIVE THAT WON'T

GET YOUR PULLETT OFF TO WORK EARLY AND WELL EQUIPPED FOR PATRIOTIC, PROFITABLE EGG PRODUCTION

There is no room in the all-out Food for Victory efforts for half-way or part time producers. Every pullet in every farm flock in the nation is a potential egg-making machine . . . and like all machines . . . must be properly supplied with the right kind of "fuel" . . . properly cared for . . . in order to function at maximum, trouble-free capacity. Don't take less when you can get more. Let Fortified PULLETT DEVELOPER help you build a profitable and patriotic flock . . . Fortified EGG MASH helps you keep it LAYING . . . not LYING!

VITAMIN MINERALS AND GLAND ACTIVATORS FOR DEVELOPING STRONG EGG ORGANS . . . SAFELY

METHODIST WOMEN IN REGULAR MEETING MONDAY

The Women's Society of Christian Service met in the parlor of the Methodist Church at 2:30 Monday afternoon for the second chapter of their study "God and the Problem of Suffering." The program was presented by Mrs. Clarence Robison, Mrs. R. D. Holt and Mrs. J. M. Porter. Others present were: Mesdames Pete Mayfield, D. L. Johnson, Lloyd Davidson, J. A. Bryant, Elizabeth Wren, J. A. English, Ollie V. Hubbard and Miss Susie House.

REUNION HELD IN W. E. TAYLOR HOME

The W. E. Taylor home just north of Wheeler was the scene of a family reunion Saturday and Sunday when the family group gathered together for the first time in two years. Present were: Mrs. Bill Walker, Shamrock; Mrs. Harvey Close and children, Jimmy, Edgar T. and Mary Alice, Phillips; Mrs. J. G. Dyer, Jacksonville, Fla.; and Billy Taylor of Huntington Park, Calif. Mrs. Linda Clay took dinner with the group Sunday.

LOCAL NEWS ITEMS

Rev. Lester Hathaway, Mobeetie, was a Wheeler visitor Saturday.

J. D. Merriman returned Wednesday from a 10-day visit with his daughters, Mrs. Herman Vansickle and Mrs. J. M. Turner, in Pampa.

Mrs. J. W. Jeffus of Mobeetie was a Wheeler caller Saturday.

Mrs. W. L. Norris of Jasper, Texas is visiting Mrs. H. A. Whitener.

Tom Johnson returned to Quanah, Monday after a week's visit in the home of his daughter, Mrs. A. A. Williamson.

Mrs. C. F. Ford and Tommie Joe returned to Bakersfield, California, Monday after visiting relatives for a few days.

Miss Frances Noah has returned to Amarillo after an extended visit with her parents, Mr. and Mrs. F. J. Noah.

CARD OF THANKS

We wish to take this method of thanking our many friends for the kind words of sympathy and the beautiful flowers in these dark and sad hours of bereavement in the loss of our loving son who was killed in action while serving his country.

Also we want to thank each and everyone who helped work out our crop.

May God bless each of you.
Mr. and Mrs. Ira Passons

By BOYCE HOUSE

Mr. Dooley, who was the favorite philosopher in your dad's day, said that a prophet is a man who foresees trouble—no man would listen a minute to any prophet that prophesied pleasant days.

Not long ago, a burglar entered a residence at night in Fort Worth and, from the room in which the baby was sleeping, he called to the parents a threat that, if they did not give him all the money in the house, he would kill the child. Such ruthlessness as this is on a par with the barbarism of the Japs and the Nazis, and it makes one wonder if maybe it wouldn't be a good thing to revive the whipping-post and include in the punishment meted out by the law to such cowards and curs—besides a prison sentence—25 lashes on their backs.

Around Texas:

Like "Boom Town," the oil movie, is Brownwood, scene of one of the big Army camps of the nation. There are souvenir shops with trinkets that suggest the range and others with a touch of Old Mexico; instantaneous photograph booths and six picture shows in three blocks.

Pastoral beauty characterizes the landscape between Hico and Dublin—flocks of sheep, with lambs bounding about; happy farm-houses with white chickens in the yard and a few proud turkey gobblers strutting, and "the cattle on a thousand hills."

Passing through Collinsville recently, this observer remembered the day, over 12 years ago, when "Alfalfa Bill" Murray, then governor of Oklahoma and mentioned as a candidate for the Presidential nomination, came back to his birthplace—(actually, he was born in a rural community out from Collinsville). There were flags and bunting that day everywhere; a band played and, despite a cold drizzle, there was a big crowd to hear Murray speak, an overcoat turned up around his ears.

Where is Murray now—and where is that cold weather?

LOCAL NEWS ITEMS

Mrs. W. A. Dunn of Lubbock is visiting her sister, Mrs. R. L. McClain, this week.

ited in the Carl Henderson home Sun-
day evening.

Mr. and Mrs. Swain and Mr. and
Mrs. Merrick of Pampa visited in the
Rhody home Sunday.

Mrs. Ernest Moore visited in the
Bob Galmor home Friday night.

Bill Daily left Tuesday for indu-
ction into the armed services.

LOCAL NEWS ITEMS

Mrs. M. McIlhany returned Tues-
day from a visit with her son who is
stationed at Brownsville, Texas.

Mr. and Mrs. Leonard Tillman and
children are visiting his parents, Mr.
and Mrs. Ed Tillman, and Mrs. Lon-
nie Lee.

Glen Bean of Vanita, Oklahoma,
spent the week end in the home of
his brother, A. L. Bean.

WHAT SAY YOU?

Let every one of us please his
neighbor for his good to edification.
For even Christ pleased not Himself;
but, as it is written, the reproaches
of them that reproached thee fell on
me. For whatsoever things were writ-
ten aforetime were written for our
learning, that we through patience
and comfort of the Scriptures
might have hope. —Rom. 15:2-4
—W. J. Brumley

Mrs. George Watkins and Mr. and
Mrs. Thurman Ring and family from
South Texas are visiting in the
Edgar Newman home.

Precinct No. 1

Wheeler County

In the Interest of-----

FAIR PLAY

WRITE IN THE NAME OF

R. L. TEMPLETON

Of Collingsworth County For

STATE REPRESENTATIVE

On July 22nd

PLEASE READ THIS STATEMENT!

R. L. Templeton laid aside his law books at the University of Texas four years ago to enlist in the Royal Canadian Air Force. After having participated in 16 bombing raids over Germany as a Sergeant Pilot, he was discharged because of injuries received after a crash in England.

For a year after his discharge, Templeton worked in North American's big bomber and fighter plants at Dallas. He then entered Texas University to complete his law course.

While at school at Austin, he filed in good faith as a candidate for State Representative in this, his home district which comprises Gray, Wheeler, Collingsworth and Donley counties. He wrote the Democratic County Chairman of each county, setting out his desire to become a candidate and inclosing the filing fee.

After it was too late for him to correct a technical error, he was advised that his name would not appear on the printed ballots in Wheeler and Gray counties BECAUSE HE HAD FAILED TO STATE HIS OCCUPATION AND HAVE HIS STATEMENT IN THESE TWO COUNTIES NOTARIZED.

Templeton's name will appear on the printed ballots in Collingsworth and Donley counties and his friends have advised him to stay in the race and CONDUCT A WRITE-IN CAMPAIGN, and that is what he is doing.

We believe a majority of the voters of this district will resent the high-handed methods of Templeton's opponent in keeping this patriotic young man's name off the ballot by getting the Attorney General's office to rule him ineligible because of technicalities.

We think it a most unfitting way to show our appreciation for Templeton's heroic and unselfish service in fighting the Nazi war machine until he was forced to quit because of injuries. We think it an unsportsman like way to treat any American aspirant for public office—to keep a man out of the race for such a technical reason, as that he FAILED TO HAVE HIS APPLICATION NOTARIZED.

R. L. Templeton did not have to have the bombs he dropped over Nazi Germany notarized. Every American is proud of his record on the fighting front.

SHOW YOUR APPRECIATION BY WRITING IN THE NAME OF

R. L. TEMPLETON
for State Representative

NOTE: the name of Ennis Favors of Gray County is the only one which appears on the ballot. To vote for TEMPLETON, scratch out Favor's name and write in Templeton's. There isn't much room on the ballot to write in R. L. Templeton's name but we ask you to take time and give this fighting boy a chance.

(This advertising paid for by Wheeler County friends of this young ex-service man)

LIFE'S Little TROUBLES

-CAN'T SLEEP-

No need to lie in bed—toss—worry and fret because CON-STIPATION or GAS PRES-SURE won't let you sleep. Be sensible—get up—take a dash of

ADLER-I-KA

as directed, to relieve the pressure of large intestines on nerves and organs of the digestive tract. Ad-lerika assists old food wastes and gas through a comfortable bowel movement so that bowels return to normal size and the discomforts of pressure stop. Before you know it, you are asleep. Morning finds you feeling clean—refreshed and ready for a good day's work or fun. Get Adlerika from your druggist today.

Gasoline — A-12 coupons, good through September 21.

Shoes — Airplane stamps 1 and 2 good indefinitely.

National Farm Safety Week

As a part of the National Farm Safety Week Program, July 23-29, the Department of Agriculture offers some simple safety rules for women and girls doing farm work for the first time. In handling machinery—read and follow instructions; stop machine for all adjustments and repairs; unhitch horses from machine before making adjustments; wear coveralls with no loose parts to catch in machine. Speak quietly to animals when going close to them. Wear gloves for rough work. When sun is hot, wear a broad-brimmed hat, dark glasses when needs and if skin is tender use skin lotion. To be sure you can do heavy work safely, get a medical check-up. Move a ladder often instead of stretching. In lifting, use knees and keep back straight. Cleanse slight cuts and scratches and cover with sterile material. Wear whole, clean stockings and well fitted shoes with low, level heels. Eat three well-planned meals each day. When perspiring freely use one-eight to one-fourth teaspoonful of salt to each glass of drinking water. When hours are long and work is hard, eat a mid-morning and mid-afternoon snack.

Kerosene Has Gone To War

Kerosene use on the home front

must be reduced wherever possible this year, the Petroleum Administration for War warns, because of the tremendous and increasing consumption of kerosene in vital war fuels. Diesel engines use a fuel a portion of which has been diverted from the manufacture of kerosene. Diesel fuel oil, made of approximately one-third kerosene fractions, powers bulldozers, Diesel trucks, caterpillar tractors, construction machinery, dock and yard locomotives, every American submarine and nearly 100,000 invasion barges. PAW calls on users to use sparingly of kerosene — also known as coal oil, range oil, lamp oil, burning oil and stove oil.

More Work Clothing

More civilian work clothing for men and boys is indicated by a War Production Board order requiring manufacturers of work clothing to produce during each quarter beginning July 1 at least 90 per cent of the number of garments manufactured during the third quarter of 1942. Items to be produced are bib overalls, dungarees, work shirts, one-piece work suits, pants, overall jackets and blanket-lined coats. In line with recent national legislation, manufacturers prices for the basic constructions of denim (used widely in manufacture of overalls have been raised one cent a yard, the Office of Price Administration announced.

More Calls For Nurses

A call for qualified nurses to work in Veterans Administration Hospitals to help provide adequate care for disabled veterans has been issued by the Veterans Administration. Hospitals are classified in three groups — General Medical and Surgical, Tuberculosis and Neuro-Psychiatric. Nurses work an eight-hour day, six days per week, with rotating shifts and additional compensation for overtime. Living accommodations may be ob-

tained at the hospitals. Interested graduate nurses from recognized school who are registered should write to Medical Director, Veterans Administration, Washington 25, D. C. A campaign to recruit 8,500 nurses for the Army and Navy—at the rate of 1,000 a month for the Army and 500 a month for the Navy — has been announced by the War Manpower Commission. Nurses in the Army now have the full authority of their officer rank.

OPA Price Actions

Prices for the 1944 crops of a number of fresh food items have been set by OPA. Potato prices will be the same as for the 1943 crop except that for July there will be increases in the F. O. B. shipping point prices of 20 cents a hundredweight in Nebraska and 30 cents a hundredweight in Kansas, Maryland, North Carolina and Virginia — states in which adverse weather caused decreased yield. Retail prices of 1944 sweet potatoes —with a national average of about 10 cents a pound over the 12 months —will be lower than for the 1943 crop, OPA says. Retail prices for the 1944 red sour cherries for table use or home canning will be about 18 cents a pound with stems and sold in containers and about 16 cents a pound without stems and sold in containers. The F. O. B. shipping point prices for these cherries in containers will be 11 cents a pound with stems and 9-3/4 cents a pound without stems. Sold in bulk without containers the price is two cents a pound less than the container prices. Highest prices for fresh peaches for table use should range from 14 1/2 to 16 cents a pound, OPA says, as these peaches are now under price control for the first time.

Make Chain For Farm Use

To provide necessary chain for farm uses, the WPB has issued instructions to chain manufacturers on filling orders for suppliers and dealers serving the farm trade. Chain that the WPB expects to keep available includes harness chain, wagon chain, cow ties, tie outs, halter chain, log chain under one-half inch and repair and lap links.

Calls For Shipyard Workers

Fifty thousand additional shipyard workers are needed to meet the ship construction needs for European and far Eastern operations. Vice Admiral Emory S. Land, Chairman of the United States Maritime Commission and War Shipping Administrator, announced. "Every man or woman who is able to work in a shipyard, and not at present employed in essential war work, should report at once to the nearest United States Employment Service office for enrollment in this most essential work," he said.

RUPTURED?

Experimenting with questionable trusses at the expense of your health will prove costly. See your physician at once for the proper diagnosis and we will fill his prescription to his entire satisfaction. If your condition has already been determined and you are not securing the proper comfort or relief, pay us a visit at once and be convinced that under competent hands, truss fitting has been reduced to a science eliminating all guess work.

We feature the famous line of Non-Skid Spot Pad Trusses which hold the rupture with a fraction of the pressure required by other appliances. We also have a complete assortment of Abdominal Supporters, Elastic Suspenders, Shoulder Braces, etc.

What about travel conditions?

Travel conditions are different than they were in pre-war days. Let's look at the facts:

Throughout the land, tens of thousands of men and women of our armed forces are now traveling across the country by rail.

The families of our fighting troops are taking trips to "see the boys" before they shove off for overseas.

Executives and war workers of essential industries are traveling between various plants on important missions.

It all adds up to this: More passengers than ever before are crowding the Santa Fe trains.

We are required to handle this unprecedented volume of passenger traffic with practically the same equipment we had in 1941.

Building new passenger equipment has not been permitted since Pearl Harbor.

Our government has issued instructions to the railroads under Interstate Commerce Commission Service Order No. 213, effective 12:01 am June 27, to displace or remove any passenger in any accommodation upon any train, in order to provide necessary space for sick or wounded service personnel, and their attendants, transported pursuant to a medical certificate. We hope there will be little of this.

We of the Santa Fe will do our best to carry all the passengers we can, as quickly and comfortably as we can, but we ask this before you plan a trip this summer:

Unless your trip is essential, can't you put it off until we have a little better opportunity to carry you in the traditional Santa Fe manner?

made frequently during unfavorable weather, encountered strong enemy opposition which was disposed of through superior airmanship and fighting ability. The successful leadership and completion of missions by this crew is in keeping with the finest traditions of the Army Air Forces."

COMPLETES COURSE

Athens, Ga., July 19 — Naval Aviation Cadet James A. Clepper, of Mobeetie, has completed the course of physical conditioning and ground school work at the U. S. Navy Pre-Flight School here. He has been selected to continue in the pilot program, and has been ordered to the Naval Air Station, Memphis, Tenn., to begin progressive flight training preparatory to joining a combat unit. Clepper, son of Mr. and Mrs. P. A. Clepper, Mobeetie, reported here from the CAA War Training Service School, Ft. Worth, Texas.

S/Sgt. Laurence A. St. John, son of Ronald St. John of Mobeetie, was among 871 United States soldiers missing in action listed in a recent press dispatch, was reported as missing.

LOCAL NEWS ITEMS

Mrs. J. I. Maloy, Mrs. T. S. Puckett and children, Tony Gene, and Phyllis Kay, returned this morning from a week's visit in Fort Worth.

Mr. and Mrs. Delton Sanders, Mr. and Mrs. Buster Gaines and daughter of Pampa, Mr. and Mrs. Bill Martin and children, Borger, and Mr. and Mrs. Albert Chapman of Wheeler were Sunday dinner guests of Mr. and Mrs. Frank Caswell of Twitty.

Miss Lucille Asbery of Borger, spent Monday and Tuesday of this week visiting her sister and family. Mr. and Mrs. M. O. McKay, and son Donald Ray.

Mr. and Mrs. Delton Sanders and sons of Pampa spent the week end in Wheeler.

Mr. and Mrs. Buster Gaines and daughter, Pampa, spent the week end in Wheeler visiting her sister, Mrs. Frank Caswell and Mr. Caswell.

District Judge W. R. Ewing of Pampa was a Wheeler visitor Monday of this week.

Ennis Favors of Pampa, State Representative for this district, was a Wheeler visitor Tuesday.

Walter Rogers, District Attorney who resides in Pampa, was in Wheeler Tuesday looking after business matters.

H. B. Hill, Shamrock attorney, was in Wheeler Monday.

J. M. Passons of Celeste, Hunt County, arrived yesterday to spend a few days with his brother, Ira Passons, and Mrs. Passons.

Mrs. Creed Petre and children of Canadian, spent Saturday with her parents, Mr. and Mrs. W. E. Bowen.

Dr. and Mrs. Glenn R. Walker and Miss Beth Stiles returned last Wednesday from Dallas where Mrs. Walker underwent a foot operation. She is reported recovering nicely.

ing over Germany on May 24 instead of the Asiatic area of operations as was stated in The Times last week.

GRADUATES

Wayne Rogers S1/c, who has been attending the Naval Air Technical Training Center at Norman, Okla., will now be transferred to a naval unit afloat or to another shore station for further instruction, according to information released from the training center. Rogers is the son of Mr. and Mrs. Frank Rogers of Wheeler and attended school here. He enlisted in December 1943 and graduated from the Naval Air Technical Training Center July 1.

CARD OF THANKS

We wish to thank our many friends and neighbors for their kindness and assistance during our recent illness.

Mr. and Mrs. Elmer Lowrie

LEGAL NOTICE

(Published in The Wheeler Times July 20, 1944) 1tc

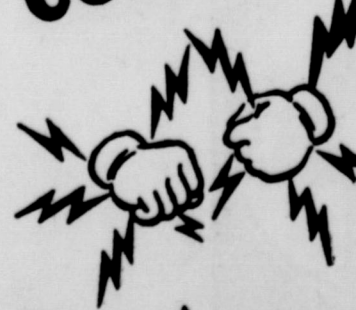

TO THE SHERIFF OR ANY CONSTABLE OF WHEELER COUNTY—GREETING:

Earl L. Koger, administrator de bonis non with the will annexed of the estate of Charles F. Baker, deceased, having filed in our County Court his final account of the condition of the estate of said Charles F. Baker, deceased, together with an application to be discharged from said administration, you are hereby commanded, that by publication of this writ once in a newspaper regularly published in the County of Wheeler, and said publication shall be not less than ten days before the return day hereof, you give due notice to all persons interested in the account for final settlement of said estate, to file their objections thereto, if any they have, in said court on or before Monday, the 31st day of July, A. D. 1944, when said account and application will be considered by said court.

Given under my hand and seal of said court, at my office in the Town of Wheeler, this 19th day of July, A. D. 1944.

HARRY WOFFORD,
Clerk County Court,
Wheeler County, Texas

McDowell Drug Co.

We Fill Any Doctor's Prescription

ANSEL McDOWELL, Manager-Pharmacist Phone 11—Wheeler

Lt. James P. Passons—

(Continued from Page One)

Short Course at College Station and one trip (1936) to the 4-H Club National Congress held annually in Chicago. That year he was also high point man of the local live stock judging team that placed first in the state contest and represented Texas in that capacity at the National Congress. In his Junior year at A. and M. he was high point man in the meat judging contest of the annual Ft. Worth show.

The sneak attack on Pearl Harbor and succeeding events brought more important ambitions to the enterprising Agricultural Economics top notcher. The safety of his country was involved and endangered.

Since it is known that the Marines usually see action in advance of other branches of the armed forces, Lt. Passons centered his efforts on becoming a top notch Marine.

While in training at Quantico, Va., Norfolk, Va., and New River, N. C. the young Marine received marksmanship medals for machine gun, rifle and pistol and expert medals in bayoneting, hand grenade and knife throwing. At each of the three training centers he was asked by his commanding officers to help train men.

CORRECTION

In its issue of July 6 the Wheeler Times reported the wedding of Miss Margie Wallis and Jerald Lester. The parents of the young people have informed the office that the report is incorrect and the wedding did not take place.

The Times has long made it a practice to not publish news items that were mailed in unless they were signed and in this case the name of one of the regular community correspondents was signed to the item, a case of possible forgery and probably more serious than the would be prankster intended.

The Times is more than glad to make a correction and will see that a proper check in regard to the source of information is made.

At each he asked his commanding officers for duty in the combat zone.

In December last year Passons landed in Hawaii and did instructive work until a month or so ago. The last letter received by his parents from him was written June 10. It was the first letter they had received in some time and intimated he had spent considerable time on a ship. It indicated that he had at last realized his desire . . . that of being with the men he had helped instruct . . . that he was with them in action in the service of his country.

JAMES O'GORMAN

ASKS YOUR SUPPORT AND VOTE FOR

Tax Assessor-Collector

Wheeler County

James O'Gorman

I am asking you again for your vote, support and influence in my race for County Tax Assessor and Collector in the Democratic Primary July 22.

Two years ago, I made my first race for public office, I was then a candidate for the office of County Treasurer. Words cannot express my appreciation and gratitude to the voters of Wheeler County for the splendid vote I received.

I have been unable to see many of you in person because of the shortage of time, gasoline and tires. I have tried to see as many of you at the courthouse and on the streets as possible.

It has been my good fortune to meet and get acquainted with a very large percentage of the voters of Wheeler county since I have been in office in Wheeler. I have enjoyed helping the many friends I have in filling out applications of every kind since I have been in office.

In carrying on the business of this important office I shall employ the necessary help and it would be my purpose that all help would be competent, and courteous to the people with whom business was transacted. However, I expect to be on duty either in the office or in the field at all times and to personally perform a good part of the assessing and collecting of taxes.

Again expressing to you my sincere thanks for all past favors and asking for your further help, I am

Respectfully,

JAMES (Jimmie) O'GORMAN
