BAPTIST CHURCH AT MOBEETIE TO HOLD REVIVAL

Revival services will begin Sunday, March 30, at the First Baptist Church, Mobeetie, and will continue through Sunday, April 6. Morning services will be at 10:00 o'clock and the evening services will begin with a prayer meeting at 7:00 o'clock and the preaching service will begin at 7:30 o'clock. Rev. C. T. Aly, pastor of the First Baptist Church at Phillips, will do the preaching. He is God's man with an evangelistic gospel message. He is a man that is loved by the youth of the Panhandle district, having been camp pastor at Panfork Baptist Encampment. He served as Chaplain in World War II overseas and had many experiences to enrich his christian ministry.

Raymond L. White, education and music director, Grace Temple Baptist Church, Denton, will direct the singing. Mr. White has served in the capacity of music and education director in various churches of the Panhandle, South Plains and East Texas. He has many acquaintances and friends in this section of the county. He is a talented vocalist and a man who loves the Lord. Mrs. J. R. Patterson, First Baptist Church, Mobeetie, will be the pianist. The pastor will conduct the services on the beginning date of the revival. The singer and evangelist will arrive to take charge on Monday, March 31. A cordial welcome is extended to all.

FARM BUREAU MEMBERS MEET

Wheeler County Farm Bureau members and their wives met together for a chili supper at Wheeler last Friday night. The cold spell cut down on attendance but everyone there enjoyed the meal. Jimmy Pond entertained the crowd with some fine piano playing. O. K. Hoyle, Organizational Director for the Texas Farm Bureau spoke on "Why Should There Be a Farm Bureau".

An election of directors was also held and the following were elected to serve for two years: Edgar Baker to replace Billy Cantrell for Twitty community; Raymond Moore re-elected from Kellon community; Paul Macina, re-elected from Pakan community; Tom Helton replacing Clarence Zybach from the Briscoe community; Logan Clay to replace A. P. Bumpers for Shamrock; Ray Gossett re-elected for Kellerville; Ray Wofford to replace Leroy Oswald for the Bethel community. Three new communities were added and directors from each of them was as follows: Ramsdale, Jess Pennington; Lela, Bennie Schlegel; Allison, Lloyd Jones. A director's meeting will be held later in April and election of officers will be held from members of the Board of Directors.

Allison Methodists To Have Services Sunday

Rev. Gene Louder announced this week that he would conduct preaching services at the First Methodist Church of Allison Sunday morning, March 30, at 11:00 o'clock and at the First Methodist Church of Briscoe at 7:30 o'clock Sunday night.

Mr. and Mrs. Lester Robertson and boys of White Deer and Bill Robertson of Pampa were weekend visitors in Wheeler with relatives and friends.

Wheeler Whisperings

By J. C. Howell

Spring is here officially and it's about clean-up time again. At least it's the time of year when everyone begins to think of cleaning up. The City of Wheeler usually holds a general clean-up campaign some time during the month of April in an effort to head off the dangers of Polio and other summer diseases as much as possible. We are sure that the City will be sponsoring such a drive about the middle of next month so we urge that every resident of this area make plans now to participate wholeheartedly in this campaign.

Mrs. Harrison Hall called last night and ask us to straighten out a situation that has developed over the Wheeler float which was entered in the St. Patrick's Day Parade at Shamrock. Mrs. Hall has finally informed us that the float was not sponsored by the Wednesday Study Club but was a community project and the women of the WHEELER HOME DEMONSTRATION CLUB helped with the project as much as did the members of the study club. We would like to congratulate everyone who had a part in making this float a success and let members of the home demonstration club who participated in the project know that we are sorry that their activities in this connection were not mentioned sooner. We would like to point out, also, that everyone who told us anything about the float told us that the study club was sponsoring it.

We have heard nothing but praise for Judge G. W. Hefley and the commissioner's court for the fine job of face lifting they have given the courthouse square here in Wheeler this week. The only suggestions we have heard concerning the clean-up is that they couldn't see why they didn't go ahead and finish the job by taking out the old cracked up fish pond and make a clean sweep of it. Congratulations, gentlemen, we think you are doing a fine job.

Methodists To Begin Spring Revival April 13

The Spring Revival at the Methodist Church in Wheeler will begin on Easter Sunday, April 13th. Rev. Frank Beauchamp, pastor of the First Methodist Church in Littlefield, will be the Evangelist. Rev. Beauchamp is the Secretary of the Board of Evangelism of the Methodist Church of the North-west Texas Conference. Rev. Beauchamp is an outstanding preacher and is in constant demand for revivals. The public invited to attend all the services, which will be held twice daily. Announcements as to time of the meetings will be made next week.

Fellowship Night To Be Wednesday, April 2

The monthly meeting of the Family Night Fellowship will meet at the Methodist Church Wednesday night, April 2, at 7:30. A fine fellowship has been enjoyed in the previous meetings. A covered dish supper will be served at 7:30. Following this will be a travelogue showing "Beautiful America". For the boys and girls a comedy film will be shown. Everyone is invited to attend.

RED CROSS FUND DRIVE TO END NEXT WEEK

C. J. Meek, chairman of the North Wheeler County Red Cross Chapter, made the following observations this week regarding the annual drive for funds for the Red Cross which is always conducted during the month of March: "We all remember the flood disaster in Kansas last year; some of our people made direct donations to those flood sufferers, knowing the great need of those people. From all reports the Red Cross was a great factor in relieving suffering in that disaster. We now have a disaster being the result of the storms that passed through Tennessee, Arkansas and other states where many lives were lost and some 2,000 homes destroyed, and we know how the Red Cross moved in immediately and soon had the situation under control. "We can recall troubled areas nearer home and we know how the Red Cross immediately goes to the rescue. "We have been asked to add \$95.00 to our quota of \$975.00 making a total of \$1,070.00. "We now have a greater incentive to give, as it is natural for the American people to aid people in distress. "I think it is a wonderful thing for a community to respond to calls for help, and especially where so many were killed, injured and rendered homeless in this recent storm area. "Our fund chairman, Thurman Rives, has been mighty busy during March with collection of taxes and has not had time to complete the Red Cross Drive, but we have decided to try to complete this drive on Tuesday and Wednesday of next week; so, be thinking about this opportunity for rendering service to others and the privilege of giving where it is needed so badly. "It is not necessary to give until it hurts, but let be liberal in your donations and let us meet this obligation by going over the top."

BRISCOE SRS. TO GIVE PLAY

"Comin' Round the Mountain" is the title of the three-act comedy that has been chosen by the Briscoe senior class to be presented by them in the auditorium on the evening of Friday, March 28, 1952. "Comin' Round the Mountain" is a truly novel comedy of funny doings in the backwoods of the mountain country down South. Maw and Paw Skitter and their family are typical hillbilly characters who have arranged a marriage for their beautiful daughter, Corney Bell, to a bachelor neighbor, Sammy Fester. Sammy is giving the Skitters as a dowry a beautiful "hawg" by the name of Pansy Sue. But Corney Bell has different ideas. She has fallen in love with a handsome resorter from the "outside" and the family decide to "git" him, even if they have to use a shotgun! These are only a few of the many, many uproarious, and sometimes almost ridiculous, situations in "Comin' Round the Mountain," which, everybody says, is one of the most entertaining plays to be published this year. And, as if the story and characterizations weren't funny enough, there is also a hillbilly band to play the old pieces and entertain us. The play begins at 8:00 p.m.

CUB SCOUT PACK IS ORGANIZED IN WHEELER

The Cub Scout Pack, for boys 8, 9, and 10 years of age in Wheeler and vicinity, sponsored by the Wheeler P-T-A, has completed its registration. Mrs. W. A. Tacker, president, announced this week. The adult leadership of the Pack includes: R. G. Russ, Jr., Institutional Representative; Pack Committee Chairman, C. W. Burgess; Committeemen, Homer L. Moss, George S. Gandy, Darris L. Egger, and Frank D. Walker. Cubmaster is Thomas J. Seay, Jr., Min. of the Wheeler Church of Christ. Den Mothers for the Pack are: Mrs. W. A. Tacker, Mrs. Watson Burgess, and Mrs. Albert S. Thomas. Boys who have completed their Bobcat Rank requirements and turned in their applications with the registration fees are: Jerry Burgess, David McQueen, Jimmy Bennett, Philip Roland Russ, Bryan Speck, Robert Beauchamp, Darris Egger, Jr., W. A. Tacker, Bill Green, and Frank D. Walker, Jr. Several other boys are working on their requirements and will be registered before the first Pack Meeting, to be held on the second Thursday in April. Cub Scouting is the program of the Boy Scouts of America for all boys 8, 9, and 10 years of age, and with the organization of the P-T-A Cub Pack, the Scouting program in all of its phases—Cub Scouting, Boy Scouting, and Exploring are now available to the boys of Wheeler and its vicinity. The Boy Scout Troop No. 72, and Explorer Crew No. 72 (attached to the Boy Scout Troop) are sponsored by the Wheeler American Legion. Scoutmaster of the Boy Scout Troop is Barney W. Teague, and Explorer Advisor is Albert Gunter.

FUNERAL HELD FOR MRS. GOAD

Funeral services for Mrs. Martha J. Goad, who passed away at Los Angeles, Calif. March 19, 1952 at 2:45 a.m., were conducted at the Wheeler Church of Christ Monday, March 24, at 2:00 p.m. with the Wheeler Church of Christ minister, Thomas J. Seay, Jr., officiating, assisted by G. B. Stanley, minister of the Shamrock Church of Christ. Active pall bearers were W. A. Goad, Jr., Loyd Goad, Jimmie Goad and Carroll Goad of Wheeler; Eddie George and Bobby Zybach of Briscoe. All were grandsons of the deceased. Children attending the services were Evert and W. A., Sr. of Wheeler; Mrs. Ardell George and Mrs. Elbert Zybach of Briscoe; J. R. of Plainview; Emmitt of Riverside, Calif.; Berga and Oshel of Los Angeles, Calif. Relatives attending other than the children were Mrs. Gertrude Parker, a sister, of Olustee, Okla. and a niece, Mrs. Fran Harrison of Altus, Okla., a brother, Zack Coleman, of Wheeler, a host of nieces, nephews and other relatives. Interment was in the Wheeler Cemetery with Kirk-Mason Funeral Home in charge of arrangements.

VOICE AND PIANO PUPILS GIVE RECITAL FRIDAY

The parents and grandparents of the voice and piano students of W. D. Wheatley were entertained in the Frank D. Walker home last Friday night at 7:30 o'clock with the following program: "America" by Frank Walker; "Tune of the Tuna Fish" and "The Sphinx" by Marilyn Whitener; "Meal Time at the Zoo" and "The Band Played Dixie" by Frank Walker; "Lightning Ranger" and "Etude" by Dorothy Hall; "Billy Boy" and "Standing in the Need of Prayer" by Alden Dean and Jim Jolly; "Lullaby" and "Captain Silver" by Kathryn Whitener; "Star Dust" and "Waltz King" by Elaine McCasland; "Happy Birthday" and "Viennese Waltz" by Kitty Hibler; and "Be My Love" and "One Alone" by William D. Wheatley, tenor, accompanied by Miss Sylvia Smith. Following the program, guests were served a refreshment plate carrying out the Easter motif. Thirty-six guests were present. Others present besides the parents and grandparents were Rev. M. B. Smith and Sylvia, Mr. and Mrs. Luther Parks, and Mr. and Mrs. George Henderson of Gem.

CITY AND SCHOOL ELECTIONS TO HOLD SPOTLIGHT HERE

Two elections of importance to residents of this area will be held next week. The first to be held Tuesday, April 1; the second is the school election which not only affects residents of the city of Wheeler but also residents of the entire county and state. In the City Election, residents of the corporate limits of Wheeler will go to the polls and elect a mayor and three councilmen. The election will be held in the County Commissioner's Court Room at the courthouse with W. B. Wofford acting as election judge. The terms of Mayor R. H. Forrester, and Councilmen Morris Green, H. W. Coffman and J. C. Howell expire. No names have been filed for places on the ballot but the mayor, Green and Howell have indicated their willingness to serve another term if the people see fit to return them to their positions. Since H. W. Coffman has accepted a position at Shamrock and is moving to that city, it will be necessary to elect a new man to fill his position. There has been a great deal of interest manifest in the Wheeler Independent School District Election which is to be held Saturday, April 5, at the Wheeler High School Building. The terms of Cleo Gaines and Luther Parks expire this year and the names of seven candidates have been filed with Judge G. W. Hefley for these two openings. Candidates for the two openings on the Wheeler Independent School Board are: Gordon Whitener, Joe Rogers, Harrison Hall, Albert Thomas, George Gandy, Loubet Moore and N. L. Sechrist. At Mobeetie where there are three board members to be elected, the names of four candidates have been filed with the county judge. Those filed include: J. M. Mixon, Jake E. Allen, Clifford Walser and Douglas Baird. The terms of Stanley Richardson and Frank Risner expire at Allison and six names have been filed with the county judge for these two positions. Those filed for the Allison board include: W. A. Crenshaw, Rayborn Hall, Clyde Dukes, M. K. Levitt, Nick Wiebe and Stanley Richardson. The terms of George C. Walker, E. A. Zybach and Claude Barker expire at Briscoe and the names of H. B. Peterman, Clarence Zybach, Grady Dodd, Milton Finsterwald and Claude Barker have been filed for these three vacancies. At Kellerville where the term of Forrest G. Switzer expires, the names of Switzer and Norman Fulks have been filed. The names of H. M. Wiley for county trustee at large on the county school board and T. M. Britt for county board member from precinct 2 have been filed for re-election. There will be no election in the Kellon and Lela Districts, County Superintendent Jesse J. Dyer reported this week. Pfc. Jack H. Swetnam is home on a 30 day furlough visiting his father, Jess Swetnam of Jowett, and sister, Mrs. C. H. Turner and family of Wheeler. Jack left last year in April for Korea and returned here last Sunday, March 23. He is scheduled to report to Ft. Sill after the furlough.

FHA CAN MAKE PRODUCTION LOANS IN COUNTY

All Texas counties are now under designation as disaster areas by proclamation of the U. S. Department of Agriculture. The action qualifies farmers who have suffered crop losses and who are unable to obtain credit elsewhere for loans from the Farmers Home Administration to put in 1952 crops. Announcement of the designation was made at Dallas, headquarters of the Farmers Home Administration by L. J. Capplemann, State Director. Bad weather conditions in 1951 reduced crop yields materially and tightened up credit conditions, to the extent that many farmers were unable to finance crop plantings. Disaster loans are now available in each county. Farmers who have sustained production losses on crops and livestock may apply for funds to pay for seed, fertilizer and materials for insect control where needed, gas and oil for tractors, feed for livestock, essential farm and home operating expenses, machinery repairs and other expenses incident to the production of a crop. Credit is advanced under authority of Public Law 38 and is available to farmers who have sustained losses, and who cannot obtain from local sources the funds needed to plant a crop this year. Before a loan is made, a County Committee of three farmers must certify that the applicant suffered a substantial production loss. Farmers may apply for loans at the office of County Supervisor Homer H. Lynch located on the third floor of the County Courthouse in Wheeler.

H DEMO COUNCIL HAS MEET SAT.

The Wheeler County Home Demonstration Council met in its regular monthly meeting March 22 at 2:30 in the agent's office. Nine of the ten clubs were represented. The meeting was called to order by the Council Chairman, Mrs. Grady Dodd, followed by a club song, "Blest Be the Tie," led by Mrs. Glen Robertson. The Treasurer reported that \$166.68 was turned in to her from the food sale at Shamrock on St. Patrick's Day. Some bills are yet to be paid before a final report can be given on our profits. All clubs reported an acceptance of recommendations of the Education Expansion and Recreation Committees. Council 4-H Chairman, Mrs. Katie Finsterwald, reminded the group of the 4-H Dress Revue which is to be April 26, and added that interest could be added to local revues by the clubs giving small awards to entrants. Mrs. R. L. Ramsey, the County T. H. D. A. Chairman, gave her report. In this she asked: 1. Help from each club president in making her radio broadcast during National Home Demonstration Week. The exact date will be announced later. 2. Mrs. Ramsey also announced that the district T. H. D. A. Vice-President, Mrs. V. H. Poncet, is up for re-election and recommended that we support her with our votes. 3. The District T. H. D. A. will be held at the First Baptist Church in Pampa on May 8. Lunch will be served by the Catholic Ladies. Those attending should send \$1.25 by April 25 to Mrs. Q. G. Smith, Box 1756, Pampa, for reservations. 4. She can get a film and speaker on Warm Springs Foundation for Crippled Children if the clubs can arrange to use same. Mrs. Clifton, the Vice-President, gave a summary of the business to be taken back to the clubs. Mrs. Stanton gave the report for the day: Three officers present, nine clubs present, seven presidents, seven delegates, one alternate delegate, one visitor, one T. H. D. A. Chairman, one 4-H Chairman, one agent, making a total of 21. (Continued on last page)

STOPPING POLIO

About seven months ago nearly four hundred persons, who represented the entire population of the little Texas town of Frost, each took five rabies shots. This is an experiment to determine whether rabies shots will prevent infantile paralysis. At

the present time there have been no polio cases reported since the shots were given. Of course, the test comes in August and September, which are bad polio months in Frost.

The experiment is the brain child of Dr. Herbert Hipps, of Waco. The success of the experiment is a result of the untiring efforts of Dr. Will Miller, who alone inoculated two hundred persons and who paid a substantial part of the expense of the experiment. Dr. Hipps explains that his theory is based on the similarity of rabies and polio, both of which he believes are virus infections which attack the nervous system.

LEAVE US ALONE WEEK

The Commerce Department reported recently there were only twenty-four days left in the year which were not designated days. All the weeks and months have been taken and, in many cases, taken twice. The Department suggested that the days not designated for any sort of national observance be called "un-days."

There are so many commemorations and designations of days and weeks this year that nobody will be left alone. The Department's calendar listed 147 weeks and twenty-two months as special commemorative weeks or months in 1952. Since there are only fifty-two weeks and twelve months in the year, the overlapping is extensive.

The editor suggests, in addition to the twenty-four "un-days" left, that there be a sort of armistice in which several weeks and several months each year will be left as "un-weeks" and "un-months." There might even be a national "Leave Us Alone Month," though it is doubtful if anyone would leave us alone.

BABY BOOM IN '51

The United States Public Health Service reports that preliminary records indicate a record number of births in the United States in 1951—about 3,833,000. The agency also reported that the infant mortality rate had been reduced again in 1951, for the fifteenth straight year.

The 1951 infant mortality rate was 28.8 per 1,000 live births. This contrasts with 47.4 in 1940 and 64.8 in 1930. The progress which has been achieved in this field is quite considerable and continuing each year.

The Public Health Service reports that the over-all death rate in the United States last year was below ten deaths per 1,000 population for the four year in a row.

One of the miracles of this civilization is how the young people manage to survive the advice of the preceding generation.

Some people are now beginning to wonder if they didn't miss a chance for a lot of free publicity by failing to announce for the presidency.

MOSTLY MUSTANG MALARKY

The Mustang Band marched in the St. Patrick's Parade Monday and really enjoyed a full day at Shamrock. Everyone was given completely out by the time we reached home. We want to thank Mr. Higgins for driving our bus

for us and Mrs. Wofford for riding on the bus with us. We enjoyed the company.

We finally received our band jackets. They are certainly pretty. If you don't believe so ask any one who got one.

We are all sorry Mrs. Boddy hurt her ankle at Canyon over the weekend and hope she gets to feeling better very soon.

Burley, that was some letter you got Monday.

Nona Ann, how was the weekend at Aparillo? Lucky!

Laveta, won't he be coming back any more?

Dennis, do you think that you are handsome? Think it over.

James, you really looked nice in your uniform Monday. How did you like marching with us?

Claudine, what happened Monday? Did they smoke a Piece Pipe?

The band was really proud of our colleen Monday. Even if Martha didn't win she still looked pretty as the rest.

Martha Lou, whose class ring you are wearing?

Ann Rose, let's move to Allison. Janet, you are really stepping up in high cotton, aren't you?

We have left the best till last this week. We received a trophy at the St. Patrick's Day Parade. This is one trophy we can really be proud of since we all worked hard to get one. Come by and see it in the trophy case at school.

Apparently the guys who take cold showers every morning just do so to brag about it.

MODERN LIVING IS ELECTRIC LIVING!

Family feasts were quite a chore in the old days. Not too much fun for the womenfolk for they were in the kitchen for days before the feast and all day on the day of the occasion. The heat of old-fashioned cooking methods, and its slowness, made such feasts just plain hard work. But that's all changed now — thanks to modern electric cooking. Family coming for dinner? Bring out your electric roaster. Added to the oven and surface unit capacity of your electric range, the roaster makes feast preparation a snap. And it doesn't take hours of watching or heat up the kitchen either. Like your electric range, it's the coolest cooking method known—most efficient, too.

you by yourself?
Wonder where Christine was
Saturday night?

Nancy, how come you didn't get
caught in the spell like the others?

the grass gets thin and weeds take
over.

We have all seen pictures of the
famed old lawns of England and
marveled at their beauty. They
are beautiful because they are
seldom walked on. America is
said to have the best climate and
soils in the world, but we do not
have the best lawns. We believe
that in order to enjoy a thing we
must use it.

Maybe you have admired the
golf greens and wondered what is
the secret of their thick, green
carpets. For several years there
have been aerifying machines used
to perforate the lawns. It is com-
posed of a series of metal spoons
that perforate the sod, loosen the
compact soil and leave holes one-
half inch in diameter and four
inches deep. In this way, fresh
air, plant food and water get right
down to the roots, and the grass
is healthier, greener and thicker.

It is then better prepared to with-
stand drouth and needs only the
usual amount of waterings.

This year you will find new
aerifying machines for your lawn
on the market. Some work on the
same principle as your lawn mow-
er; while some work on springs
that may be pushed into the lawn
by pressing with the foot. Few
homeowners have had a chance to
buy this aerifying machine before.

The first models were large, self-
propelled units for golf courses,
but now these attachments may
be bought to work on small garden
tractors.
One aerification a year will
work wonders for your old lawn,
but two are preferable. No amount
of plant food can do much good
to a badly trampled lawn, but a
combination of aerification and
plant food will do the trick.
Now go ahead and use your lawn
in the good old American way.

We'd like you to meet a neighbor on whom both of us depend.
He's the man who operates the service station in your neighborhood.
You depend on him to take care of your car, to supply you with products
of high quality at reasonable prices. You expect, and get, from him more free
service than from any other merchant with whom you do business: whatever you
spend, he cheerfully cleans your windshield, checks your oil and tires, furnishes
you with free battery water, and renders special services as you need them.

The oil companies depend on him as the independent merchant who
distributes their products. He demands, and receives, continuously improved
products with which to compete with his business rivals. He insists on reasonable
prices that will move his merchandise in volume. His progressive attitude is
one of the chief reasons why the oil industry has supplied you with better
products at about the same prices over a long period of years.

It's a pleasure to pay this tribute to a neighbor, to thank him publicly for
being such a friendly, dependable contact between the oil industry and its millions
of customers. He is not on our payroll, but we couldn't do business without him.

Barney Burgess Is Surprised With Dinner

Mrs. Barney Burgess quaintly surprised her husband with a delectable birthday dinner in their respective home at Gageby, Monday night, March 24.

Friends enjoying the celebrated occasion were: Mr. and Mrs. Grady Dodd, C. G. Jacque and Diann; Mr. and Mrs. Pyrrman Martin and Bob; Mr. and Mrs. Jack Hefley; Farmer Hefley; Mr. and Mrs. Milton Finsterwald, Larry and Judy; the honoree, hostess and Don Meadows.

Mrs. Fillingim Hostess At H Demo Club Meet

The Pleasant Valley Home Demonstration Club met in the home of Mrs. I. G. Fillingim March 19.

The group said a prayer and sang "Sweet Hour of Prayer" lead by Mrs. Claude Barker.

"Article on Legislative" was reported by Mrs. Florence Dodd.

Mrs. I. G. Fillingim gave the report of the Council Meeting held recently.

Program leader, Mrs. Claude Barker, gave facts and figures on how the County Agents salaries are paid.

Mrs. Leon Fillingim explained the sources of revenue and rates

of the county budget.

Mrs. Willis Fillingim made a suggestion for a gift to send to a patient in the State Hospital at Abilene. Mrs. Claude Barker was appointed to purchase and mail a gift from the club and each member was to add a small gift to mail with it.

Plans for a Club Party were made to be held in the near future entertaining members and their families in the community.

Mrs. I. G. Fillingim, hostess, served refreshments to the following: Mesdames W. A. Powledge, Forrest Vise, Leon Fillingim, Claude Barker, Florence Dodd and Willis Fillingim.

Mrs. Leon Fillingim will be the hostess for the April 2 meeting.

Mrs. Burgess Honored With Birthday Dinner

Mrs. Watson Burgess was honored guest at a pompous surprise birthday dinner given by Mrs. J. C. Howell Saturday night, March 22.

The honoree received beautiful gifts.

The dinner table was decorated with a centerpiece made up with spring floral arrangements.

Guest friends gathering in the Howell home to help celebrate the occasion were: Mr. and Mrs. Shelby Pettit, Mr. and Mrs. Car-

roll Pettit, Mr. and Mrs. Thurman Rives, Donna Jo, Ronald and Donald, Mr. and Mrs. Watson Burgess, Jerry and Mike, Miss Gladys Mobley and the host and hostess, and Cheryl Kay and Cynthia.

Stitch-Chatter Club Meets At Guynes Home

Mrs. Dick Guynes was hostess for the Stitch and Chatter Club Tuesday evening, March 25.

The evening was spent sewing. Refreshments were served to one visitor, Mrs. McCalip, and to ten members.

The April 8 meeting will be with Mrs. Myrtle Lane.

73 Individuals Are Given Certificates At Food School

Nineteen firms were represented and seventy-three individual certificates were issued following the Wheeler Grade School food handlers' school conducted on March 18th through 20th.

I. T. Warren, Field Sanitation Advisor of the Texas State Department of Health, conducted the school and was high in his praise of interest, cooperation and attendance in this school.

This food handlers' school in Wheeler just concluded, has been long the best school I have ever held," Mr. Warren declared. "The cooperation was excellent and interest was good. The City health officer just concluded, has been

should be commended upon its services to health and sanitation problems and conditions."

Mr. Warren said the classes did not constitute merely a food handlers' school but a general health program.

"The public is becoming more and more health conscious and it is certain that the subjects covered in the classes held here, satisfy the growing demand of the public by raising their standards of sanitation and health preservation," Wheeler County Sanitarian W. R. Ritter said.

Mr. Ritter added that he was highly pleased with interest shown and expressed his appreciation for the public's cooperation and part-

icipating firms and their respective owners and managers in encouraging the attendance of their personnel and in most cases by serving the example themselves through their attendance, which made this school such a success.

Represented at the school were three restaurants, two drug stores, four school cafeterias, two grocery stores, one dairy, one locker plant, four housewives, one high school teacher, and Wheeler County Home Demonstration Agent, making a total of nineteen food establishments and organizations represented.

There was a total registration of eighty-seven, with an average daily attendance of eighty. There were seventy-nine eligible for certificates and seventy-three were awarded. The percentage of individuals receiving certificates was ninety percent with fourteen owners and managers registered and twelve receiving their respective certificates.

The number of establishments that will receive placards in recognition of having had at least eighty percent of their employees complete the course is seven. Those receiving placards are as follows: Wheeler School Home

What Do You Know About Your Local Soil CS District?

Today we are hearing Soil Conservation by improving our soils over the radio, in newspapers and magazines. Are you getting the best possible production from your soils without abuse to the permanent production of your land?

Today we are hearing more about proper land use and treatment. We know there are ways of improvement but it is hard for us to change from our old ways. There will have to be changes

made if we are to have permanent production.

Some of us do not want to change as it means terraces, seeding grasses, or planting soil improving crops. These changes are needed to keep our soils permanently productive. We have heard individuals remark "If my land gets to the point it needs terraces I will put it back to grass." Any soil with sufficient clay to form terraces and suitable for continuous cultivation needs terraces regardless of the attitude of the individual. We will all agree that terraces will make farming different than straight up and down the slope, but it has proven to be a paying practice even in Wheeler County. Yes, terraces break but

our fences do too. Any Engineer will tell us that terraces properly spaced can not be designed to hold high intensity of water over three to six inches and still be farmable. If terraces are not spaced according to the slope, they are as bad as not having any.

Terraces are just one conservation practice that can and should be applied according to sound land use and needed treatments. If we could remember our neighbors comment we would find that they have land suitable for cultivation if treated accordingly to its needs, and they also have some that no matter what application of conservation practices would be suitable for cultivation. You have heard farmers remark this field should not have been broke up from its native pasture.

Today we are having trouble meeting the demands of production for our population. What will happen tomorrow?

The need for soil and water conservation was brought to National attention some twenty years ago by farmers. Since that time we have seen changes made in our economy. This brought about the farmers best tools for conservation and still operated by farmers. Soil Conservation Districts are designed to give assistance to every one with in its area. At present the Wheeler County Soil Conservation Agent and Farmers Home Administration and the Soil

Conservation Service of the Department of Agriculture to assist them in applying sound land use. Your Soil Conservation District can help you only as much as you are willing. They hold no ties as to what you do, yet they have an interest in you if you need assistance.

The following District Cooperators have established Conservation Practices:

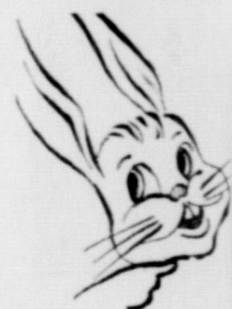

Terraces—H. H. Reeves, Earl Bradley, John P. Morris, J. B. Fenley, L. H. Hiltbrunner, Carl Hicks, J. H. Caperton, Glen King, John Ambler, Escar Armstrong, C. A. Whitener, Mrs. Harle Taylor, E. T. Zybach, E. A. Zybach.

Seeding of Grasses—Hester Dabson, J. R. Hefley, Jr., R. A. Henry, J. W. Henderson, John Ambler, Carl Adams, Ray Gossett, Jeff Turner, John May, John Dunn, Ernest Lee, Grady Harris, Mar Sims, Doyle Grimes, John Allen, C. A. Burton, Buddy Scriber, Curtis Lancaster, G. W. Hefley, Harry Wofford, Ivy Duncan, E. A. Zybach, Clarence Zybach, A. B. Crump, J. T. Wright.

There are several farmers still planning on seeding grass even though the PMA is out of favor for grass or clover seed.

Grass seeding has been on last unsuited for permanent cultivation. Also there are some who are still doing terracing.

GENE LOUDER, Pastor

The trees are preaching! Let's listen! What is that twisted tree saying to you and to me? What is the second and smaller tree telling you of life, as it twists about the other? "Only God can make a tree"; but even God's purpose to make a strong and straight tree sometimes fails. Why did not this tree grow tall and upright and sturdy? Why ill-formed and crooked and misshapen?

And so are some of us. Why do not women and men grow upward toward God and the good? Why have lives become twisted and gnarled and unattractive? Has the tree a lesson for us here? Most twisted trees were bent when they were young; some storm or some accident worked its evil will upon them. They were intended to grow straight and strong and beautiful; the seed was good, the soil was right; but they did not get the right start. When they were young some sinister influence left its mark upon them for all the years; they have grown in twisted shape because some force shaped them that way. How can we protect young human life from such twisting and scarring? The good heritage is not enough; the comfortable home is not enough; unless we elders see that this fine young life gets its chance to grow straight and true.

The neglected child of the street or of the lane gets an early twist; the storm of human wickedness and evil is too great for the young life to take; he is subjected too early to the sights and sounds of the women and men who have wrecked themselves.

The pampered child of the foolish parent who is too busy or too careless to guide the developing spirit gets twisted too soon. There are rules that must be learned if one is to play the game of life successfully; there are good habits that must be formed under patient discipline and by good example.

The frightened child who has been compelled to listen to quarreling and scolding elders gets an unhappy fear and disrespect for human contact. He has a right to live in an atmosphere of patient good will and of forbearance, but he is misdirected by selfish and unkind words and deeds.

The sour and the surly children of loveless homes and communities bear the marks of misdirection forever; every child has need of love and kindness and justice and patient understanding; these make the healthful air of human development.

Prayer and reverence for God and the good, loving fellowship in ways of integrity and of helpfulness make the right soil for straight-growing persons. As the twig is bent, so grows the tree.

YOU IN THE CHURCH
THE CHURCH IN YOU

Character is a by-product of the church. It is here that young and old alike are showered with benedictions that furnish and influence for a better citizenship and a stronger character. In the church the ministerial are molding religion character. Statesmen today declare that the church alone can furnish leadership to handle the affairs of state in these perilous times. Then we with our children should go to the church of our choice on Sunday. "You in the Church and the Church in you"—form a combination for good. Be a regular CHURCH-GOER and a daily BIBLE READER.

reporter kept books for six years in the small office where the weighing was done and at least a half dozen men talking or all wanting checks at the same time, so I think I am going to envy the bookkeeper, just a little, who will get to work in a new quiet air conditioned office. Willard Godwin, manager of the Kimbell Milling interest at Mobeetic has been in charge of the repair job just completed.

Cottage prayer meetings are being held this week previous to the revival that will begin Sunday, March 30 at the Baptist Church. A chain of continuance prayers will be held Saturday night, and until the Sunday Service.

A double bridal shower was given Saturday for Mrs. Charles Waters, nee LaNell Bullard, and Mrs. Lloyd Futch, nee Martha Ann Abbott. The shower was given by the Junior Class in the home of Mrs. Doyle Grimes. Thirty seven guests registered with many sending gifts who did not attend.

Mr. and Mrs. Alfred Hill have purchased the house belonging to Earl Alexander on West Third St. and will move soon as it is redecorated. The Alexanders moved recently to a home they bought from Otis Vernon in Old Mobeetic.

A refreshment party was given Monday night at the Aubrey Ruff home honoring Mr. and Mrs. Dixie Boy Jordan and daughter and Mr. and Mrs. Wall after the Amateur show. Members of the Home Demonstration Club and families attended.

Girls Auxiliary of the First Baptist Church met Tuesday afternoon with 21 girls present. The title of the mission program was "Camping in Cuba" with parts given by Marcella Patterson, Sandra Barton, Carolyn Walsler, Laura Lancaster, and Jane White. Others attending were: Sandra Coward, Janet Keahy, Kay Quarles, Melba Rector, June Wallis, Mary Jo Dickey, Ruth Bostick, Betty Newman, Imogene Poole, Glenna Patton, Betty Hickman, Ann Gattin, Phyllis Dickey, Faye Hathaway, Rosalind Eudy and Betty Jo Couch. Mr. and Mrs. Henry Flanagan and Mr. and Mrs. E. E. Johnston drove to Hollis, Okla. Sunday evening and attended services at the First Baptist Church where Rev. Ted Ewing, their former minister, is preaching. Rev. and Mrs. Ted Ewing served the Baptist Church here for a number of years.

Mrs. Frank Worthington, who has been quite ill, has returned to work at the Phillips Wholesale office.

Mrs. Hugh Reed, Borger, was in Mobeetic Thursday attending to

What Do You Know

(Continued from page 5)
General condition of our soils is good. We have had very little erosion from wind this season. In viewing some sixty to seventy farms recently, only two fields showed any need for emergency tillage and this had been done. We have better winter moisture than a year ago but we could benefit with some slow rains between now and planting time.

Clover and alfalfa have already begun to green up and if we could get some rain would be furnishing pasture within another month.

business in connection with her cafes here.

Mr. and Mrs. J. T. Wallis and family are moving into the O. E. Sims house on the highway. The Sims are moving to Amarillo to make their home. We are sure the Wallis family is happy over this move as they run the Grocery Store and Service Station the Sims ran for a long number of years and they will be right at their work.

Sunday guests in the Ebb Patton home were Mr. and Mrs. E. H. Patton, Mr. and Mrs. Leroy Patton and Ernie, Mr. and Mrs. J. L. Phillips and Mr. and Mrs. Raymond Johnson and family all of Amarillo. Sounds like the Pattons had a real family reunion.

Guests in the Jack Miller home last week were: Mr. and Mrs. Guy V. Neagle, Sr., Cunningham, Kansas; Guy V. Neagle, Jr., Little Rock, Ark.; Mr. and Mrs. Dick Roundtree, Lubbock and Mr. and Mrs. Olaf Rankin and Jerry, Friona. The women are sisters of Mr. Miller.

Mr. and Mrs. Jack Miller attended the funeral of Mrs. M. J. Goad in Wheeler Monday. The families have been close friends for many years.

Mrs. Fannie Bartram is home after spending some time at Holdenville, Okla. with her daughter and husband, Mr. and Mrs. Gordon Bate.

Mr. and Mrs. M. J. Mixon entertained Sunday with a Birthday Dinner honoring their daughter, Omega. Jim Bob Wright and Frank Worthington, who received many nice gifts. The families of the honorees attended the dinner also.

Mrs. LaVern Scribner left Monday morning for California where she will stay for some time with her daughter and husband, Mr. and Mrs. Wayne Kantz.

KIWANIS NOTES

By request of the North Amarillo Kiwanis Club, we had our meeting this week at 7:30 instead of the noon hour. Howard Ensign, president of that club, brought with him fourteen other Amarillians—entertainers, who brought a fine program. This was an inter-club program and the occasion was to present to Wheeler club the drum which is to visit every club in this district and in this drum will be the collections taken from each club to be used for the benefit of underprivileged children. It is a lot of fun to be helpful to others in the Kiwanis way. And we had a lot of fun Monday evening.

We are sorry that there were so many of our members who, for varied reasons could not be at this meeting. But the rest of us had our ladies with us and that helped to make up for our loss.

The Wheeler club will return the drum to Amarillo on April 10th. It came to us from the North Amarillo Club but we will take it to the San Jacinto Club. We are also to have a program to present on that occasion.
