VOLUME XIV—NUMBER 11

## WHEELER FREEZING WHEATHER FELT RING MONTH

January started out as a cold and wound up cold, according to Wheeler county weather men made public this week. Only two days has the mercury failed to drop below the freezing point and the low on days was only two above the zero-degree mark.

Days 8 and 9 were the coldest days, the little red thermometer dropped to 15 degrees. February 15 and 16 were the balmy days when 34-degree weather was

and low for each day of the month.

Day	High	Low
1	46	18
2	59	29
3	64	29
4	62	18
5	62	32
6	57	29
7	34	15
8	39	15
9	37	15
10	44	26
11	51	23
12	60	25
13	67	30
14	65	30
15	77	34
16	61	34
17	68	30
18	46	28
19	45	23
20	31	25
21	50	22
22	60	24
23	69	22
24	39	22
25	34	22
26	22	20

will have rain or snow between March 3 and 7. Golson predicted that he believed the weather would be in the form of a forecast is made in reply to MANY REQUESTS. Golson only declared.

## KELTON GIRLS PLACE SECOND

The Kelton girls team brought football honors to Wheeler county by placing second in strong competition. After defeating McLean, Samnorwood and review, the Kelton girls were awarded first place by Friona Panhandle last Saturday night. The Friona girls have been undefeated, having won 38 games in season.

The Kelton girls gained the early in the game but failed to hold their advantage in the second quarter. In the last few minutes of the third quarter, Dale Kelton went off with a technical foul for the first time during season. Friona then began to momentum. With only five minutes left, they pulled ahead to 9 point lead before the end of game.

Kelton placed three girls on the star teams and Friona placed girls. The Kelton girls who are all-star teams were: Dale, Wiley and Mills. Patricia Adams suffered from a sprained back and did not get to enter the game with Friona.

## Mrs. Barry Surprise Party-Shower Honoree

Mrs. Lee Barry, who has served as sponsor of the Briscoe Grade School 4-H Club during the absence of the County Home Demonstration Agent for the past two years, was given a surprise Valentine party and shower February 26 by the 4-H club girls in appreciation for what she has done for them.

Refreshments of sandwiches, cake and punch were served to the following: Tolene Parker, Anell Helton, Mary Ann Morgan, Patsy Waters, Patsy Tipps, Patsy Sample, Zetha Parker, Joyce Caudell, Lucille Caudell, Billie Jones, Erma Deen Murray, Merle Mae Cox, Doris Nell Helton, Edna Dell Fillingim, Joyce Helton, Sibill Willis, Nelda Fulks, Annette Dixon, Martha Ann Andlee, Evelyn Fillingim, Lottie Murray, Clara Pauline Oles, Nancy Walker, Wilma Lou Smith, Patsy Ramsey, Mrs. R. L. Ramsey, Mrs. R. L. Willis, Louise Hicks, Mrs. Leonard Fulks, Mrs. Coleman, Mrs. Clifton Walker and Mrs. Lee Barry.

## Kelton Box Supper Planned On March 7

There will be a box supper at Kelton on Friday night, March 7, to raise money to defray expenses of a 10-day singing school opening at Kelton Monday, March 19. The public is asked to bring boxes, pies and some change to the box supper so the success of the school will be assured.

Sam Davis and daughter of Meridian, Okla., will conduct the singing school starting the night of March 10. It will continue for 10 straight nights and there will be some other singers assisting with the instruction.

## WILLIAMS BULL TOP AT PAMPA

Real champions competed for top honors in the Top O' Texas Hereford Breeders Association Show held at Pampa this week, and so it was an honor of more than usual significance for a Wheeler breeder to place the grand champion.

The grand champion Hereford selected by W. L. Stangel of Texas Tech College at Lubbock was "O Prince Domino 101st," bred and consigned by W. L. Williams of Wheeler. The reserve champion was "Plus Blanchard 39th," bred and consigned by Combs-Worley of Pampa. "O Prince Domino 101st" had placed first in the junior bull division and another W. L. Williams entry, "O Prince Domino, 97th," placed second in the same division. "Club Mixture Designer, 4th" consigned by Lyndon Sims of Wheeler, placed fourth among junior bulls.

The Grand Champion cow, "Albertine, 7th," was also consigned by the Combs and Worley Ranch. "Dainty Domino, 11th," consigned by H. H. Reeves of Shamrock, was placed Reserve Champion cow. Approximately 400 Hereford Breeder Association members and their friends jammed and packed the Pampa sale barn, to enjoy the complete entertainment program.

Jack Taylor, Amarillo, principal speaker, told those present, "I grew up on the farm and for many years, when the fact was mentioned, I used to fade into the background and drop my head." He added, "However, the older I grew the more I have changed. Today, I'm not only proud that I'm from the country, but I also feel sorry for the boys who don't have the opportunity to grow up on the farm."

## \$386 RAISED POLIO DRIVE

The towns and communities of north Wheeler county did a better job in the recent March of Dimes campaign than was first expected, raising a total of \$386.53 compared to \$497.74 last year.

Director Harry Wofford reported the campaign closed the past week with Wheeler, Kelton, Mobettie and Briscoe contributing \$386.53.

No final report was available on Shamrock Wednesday but the campaign was lagging far behind there last week. Last figures reported Shamrock had raised \$437.73 in the current campaign as against \$798.24 in 1946.

Director Wofford reported late contributions in Wheeler were: Wheeler Hospital \$10 and money collected in March of Dimes boxes \$27.20. The Mobettie Sales Company turned in \$20.50 contributions and Jack Patton of Mobettie, gave \$4.50.

Following is a final report of north Wheeler county by communities:  
Wheeler \$205.45  
Kelton 78.50  
Mobettie 67.51  
Briscoe 35.07  
TOTAL \$386.53

## Mother Of Mobettie Woman Passes Away

A delayed report of the death of Mrs. Maudie Lewis, mother of Mrs. Allen Williams of Mobettie, was given The Times this week. Mrs. Lewis passed away at Rock Hill where she had resided the greater part of her 63 years, and interment was made in the Rock Hill Cemetery on January 23. "Aunt Maud" had been in failing health a number of years. She is survived by two children, Mrs. Williams of Mobettie, and Mrs. Bruce Tolbert of the Rock Hill community.

## FRANCES WOOD HAS IMPORTANT RED CROSS JOB

FRANCES O. WOOD

American Red Cross worker Frances O. Wood, daughter of A. C. Wood of Wheeler, is in charge of setting up the overseas volunteer unit of the American Red Cross in the Philippines and Okinawa. The Texas worker, who has been with the American Red Cross in the Philippines since 1945, has recently returned from Toyko where she attended conferences led by Mrs. Douglas McArthur, head of American Red Cross volunteer Service in the Far Eastern Theatre of Operations, and other Red Cross leaders. Upon her return here, she started the wheels which will put the Red Cross volunteer units in operation in the Philippines and Okinawa.

According to Miss Wood, the whole American Red Cross program has always had the volunteer corps as its backbone. "It is only proper that the Red Cross give the wives of American military personnel in the Philippines and Okinawa, a chance to serve the same magnificent manner as they served during the war, and are still serving in their Red Cross chapters in the United States."

The Wheeler resident first joined the American Red Cross in September, 1943 as a hospital recreation worker in the Barnes General Hospital in Vancouver. Just previous to coming overseas, she organized the Red Cross volunteer services in the AAF Regiment and Convalescent Hospital at Fort George Wright in Spokane, Washington. She received her overseas appointment late in 1945.

Before joining the Red Cross she was a dancing instructor at Pomona College in Claremont, California. Prior to that, she taught dancing and physical education at secondary schools in Oakland, California, also maintaining her own private dance studio and concert group.

Miss Wood is a graduate of Baylor college, Belton, Texas, and has attended post-graduate sessions at Columbia University in New York and the University of California at Berkeley.

## Bethel 4-H Club Girls Have Meeting Friday

The Bethel 4-H Club Girls met February 19. The meeting was called to order by the president, Janice Chandler. The motto, pledge and prayer followed by a song were given and led by Lena Hill and Jean Ferguson.

Miss Louise Hicks, assistant county agent, showed some needle work and talked about dresses and accessories. Those present were: Jo Ann Parrish, Lavon Howard, Margaret Ault, Joan Howard, Jean Ferguson, Lena Hill, Hazel Brown, Janice Chandler, Jordan Pike, Joise Bradley, Ree Sloss, Phillis Turner, Fern Ferguson, Nesma Chandler, Doris Chandler, Onita Conner, Barbara Gispson, Wanda Pike, Mary Ault, Jimmie Daberry and Louise Hicks.

The condition of little Sharon Bradley, small daughter of Mr. and Mrs. Richard Bradley, is said to be improved at the time of this writing. She is receiving treatment in the City Hospital at Shamrock.

A report from the University of Oklahoma reveals that Weldon Armstrong, son of Mr. and Mrs. E. F. Armstrong, made outstanding grades for the past semester. He is a junior and majoring in geology at the University.

## Holt Drug Installs Everfrost Fountain

It is with a great deal of pride that Cecil Johnson, manager of the Holt Drug, points out the fact that they have secured a brand new 15-foot Everfrost fountain. The new addition is double station type with one at each end.

This new double station feature will enable them to serve just twice as many people as they previously could in a shorter length of time.

## RANGES SHOWN BY FRIGIDAIRE

A complete new 1947 line of electric household ranges are being introduced by Frigidaire Division of General Motors, it was announced today by Ernest Lee Hardware, Frigidaire Dealer, Loyd Lee recently returned from a district meeting in Ft. Worth where the new ranges were shown.

"Production of the new ranges is well under way in the Company's huge Dayton, O., plants," Mr. Lee said. "Feature model of the new line is fully automatic, two-oven deluxe range. Design and construction are completely new—from the ground up," he pointed out.

Mr. Lee stressed the fact that many new features are being incorporated into the new range models. All are constructed with one-front steel cooking tops, which give these new ranges a beautiful streamlined appearance. The new ranges are finished with porcelain—inside and out—for extra beauty and ease of cleaning. There is a full-width utensil drawer on most models.

"Many other Frigidaire features are also included in the new line," he explained. "There are three fast-heating surface cooking units plus a double-duty deep-well cooker, automatic oven-timer, time signal, large oven and waist-high broiler. One of the models is equipped with two complete broiling, baking and roasting ovens. Two other fully-automatic models of conventional one-oven design are being produced along with two lower priced ranges.

Mr. Lee states he will soon announce a special showing of the new Frigidaire ranges as well as other Frigidaire appliances including refrigerators, electric water heaters and home freezers.

## W. E. BOWEN TO GIVE BARBECUE

All farm families of the Wheeler-Mobettie area are invited to be the guests of W. E. Bowen of Wheeler at a big barbecue and picture show starting at noon Tuesday, March 4.

Barbecue, coffee and doughnuts will be served at the large new building of Bowen Implement Co., local John Deere dealer. Following the barbecue the crowd will go to the Rogue Theatre where a picture, "The Windjammer," starring "Bazooka" Bob Burns, will be presented.

The feed and entertainment are on the occasion of John Deere Day and the program will provide a full measure of top-notch entertainment every member of the family will long remember, said Mr. Bowen.

The main attraction is a 55-minute Hollywood feature, starring the famous radio and screen comedian. There will be four other all-talking pictures dealing with modern farm equipment.

Mr. Bowen cordially invites every farm family in this area to come to his farmers day program. Admission will be by ticket only but any farmer who has not received tickets can get them by inquiring at the store. Mr. Bowen stresses the program is for the whole family.

He asks guests to bring their own forks to the barbecue. Mr. and Mrs. Ralph Pugh of Amarillo visited her parents, Mr. and Mrs. Lawrence Barry and her parents, Mr. and Mrs. R. C. Pugh of Allison, over the weekend.

Lloyd Lee attended the showing of the 1947 Frigidaire Electric Range at Ft. Worth Monday. Mr. and Mrs. D. O. Beene of Andrews were dinner guests of Mr. and Mrs. J. I. Maloy Monday.

## HARRY P. MUNDY DIES OF HEART ATTACK SUNDAY

HARRY P. MUNDY

Harry P. Mundy, 59-year-old Shamrock business man, was laid to rest in Shamrock Cemetery Tuesday afternoon with the Shamrock Masonic Lodge conducting rites at the grave.

Funeral services for the popular business man, cattle breeder and civic leader, were held from the First Methodist Church with Rev. Hubert Erbacher, pastor, in charge, assisted by Rev. Ed R. Wallace, former pastor and lifelong friend.

The church was overflowed by friends and neighbors of the pioneer resident whose unexpected death Sunday shocked hundreds of friends in this community. Mr. Mundy, a leading Hereford breeder of this area, died at Pampa following a heart attack.

He had gone to Pampa Sunday to enter stock in the Top O' Texas Hereford Breeders Association show and sale opening Monday. He was stricken while talking to Ed Carr, a Pampa cattleman, at the show grounds Sunday afternoon. Mr. Mundy had been talking to H. H. Reeves of Shamrock, and had walked into the cattle barn with Mr. Carr when he was stricken. Several men present applied artificial respiration but Duengel-Carmichael ambulance attendants said they believed he was dead.

## AGED RESIDENT SHAMROCK DIES

Funeral services were conducted for J. W. Rotenberry, 74, Wednesday afternoon at 2 o'clock from Womack Chapel at Shamrock. Rev. R. J. Williams, pastor of the Assembly of God Church, officiated.

Mr. Rotenberry was born in 1873 in Alabama and had resided in Shamrock about 19 years, coming here from Wichita Falls. He was retired.

Death occurred in St. Anthony Hospital, Amarillo at 12:20 o'clock a.m. Tuesday. Mr. Rotenberry was married to Mary Jane Williams of Arkansas and to this union were born four daughters and one son. Mrs. Rotenberry preceded her husband in death.

A member of the Methodist Church since childhood, the deceased was also a member of the W. O. W. Lodge. Pall bearers were: Bill Bailey, Donley Brown, Duward Price, Earnest Baggis, Dudley Holland and Charles Lang.

Interment was in Shamrock Cemetery with Womack Funeral Home in charge of arrangements. Survivors are: four daughters, Mrs. R. C. Jones, Spur; Mrs. Bailey, Yuma, Ariz.; Mrs. A. L. Parks, Amarillo; Mrs. Lorene Nichols, Deming; and a son, W. D. Rotenberry, Shamrock. Ten grandchildren and 7 great grandchildren also survive.

## Twitty Minister Will Move To Konawa, Okla.

Minister and Mrs. Worley R. Ferguson and daughter, Elfreda and Patricia Ann, moved this week from Twitty to Konawa, Okla., to make their home. Minister Ferguson has served the Churches of Christ of Twitty and Kelton for the past 20 months. He has accepted a similar pastorate at Konawa. The young minister has made many friends in this area and both of his charges have benefitted from his able leadership.

## The Times Suggests Buying Wheeler Bread At Favorite Grocery

There was a paid advertisement of an Amarillo Bakery, in last week's Wheeler Times asking the public to call for its bread "at your favorite grocery." The advertisement was unsolicited and The Times, as a matter of fact rather not have run it. We reluctantly accepted it and ran the copy as submitted.

The attention of The Times was called soon after we had mailed our papers that no Wheeler grocers sell this brand of bread. We have changed the line "at your favorite grocery" in the advertisement which runs again in this week's issue of The Times.

And while we are on the subject, our advice to the people of Wheeler and vicinity is to buy Wheeler bread and Wheeler bakery products. We say to the Amarillo bakery to sell your bread in Shamrock. People everywhere should support their home businesses. The only excuse for buying out of town is when you can't find it at home or when the price is exorbitant.

## HONOR ROLL OF WHEELER GIVEN

The honor roll of students in the Wheeler public schools were announced this week. The list follows:

**First Grade Honor Roll**  
All A's: Jyeton Beauchamp, Juanell Wegner, Shirley Morris, Jerry Moore, Nelda Kay Good, Annette Clark, Meiba Babb, Shari Gale Lee, Peggy Pride, Alvin Arganbright, Dale Bowerman, Sandra Pearce, Roland Miles, Garth Nash, Stuart Moss, Jimmy Hill, Dale Wofford, Jerry Henderson, Gene Riley, Charles Adams, Malcolm Belote and Harold Green.

All A's and B's: Jolline Pitcock, Joe Richard Hyatt, Billy Caswell, La Juana Johnson and Jerry Smith.

**Second Grade Honor Roll**  
All A's: Patsy Burgess, Nancy Ruth Lee, Sheila Patterson, Phyllis Richerson, Peggy Jo Weeks and Della Beth Wright.

All A's and B's: Odell Davis, Cecil Pierce, Harold Reid, Dennis Wilsford, Pam Anglin, Bruce Topper, Lay Wayne Gould, Lanora Clark and Sharon Green.

**Third Grade Honor Roll**  
All A's: Donall Nell Meadows, Donna Greenhouse, Donald Less Hardcastle, Joyce Sims, Glenda Ruth Weeks and Faye Lax.

All A's and B's: Donald Oglesby, Don Weeks, William Whitener, J. N. Brooks, James Stone, Corky Tipps, Wanda Sue Waters, Paula Green, Patricia Darnell, Velma Davis, Sue Gaines, Katherine Hubbard, Barbara Mitchell, and Nolla Mae Terry.

**Fourth Grade Honor Roll**  
All A's: Janet Russ, Juanita Sanders, Patricia Pride, and Gwendolyn Richardson.

All A's and B's: Jerry Barton, Douglas Blevins, Donald Clark, Robert Denson, Doris Babb, Lonelle Lee, Bonnie Moore, Ada Pierce and Katie Pierce.

**Fifth Grade Honor Roll**  
All A's: J. E. Rogers, C. H. May, Pearl Johnson, Glen Sanders, Kent Conwell, Jerry Lewis and Wanda Topper.

All A's and B's: Martha Lou Goad, Evelyn Howe, Martha Ann Chapman, Sue Sides, Esther Rogers, Billie Owen, Vineta Davis, Curtis Clark and Dolores Clark.

**Sixth Grade Honor Roll**  
All A's: Viola Brown. All A's and B's: Marilyn Swink. (Continued on Last Page)

## Methodist W. S. C. S. In Meeting At Church

The W. S. C. S. of the Methodist Church met at the church Monday afternoon for a program from the book, "Christian Motives and Methods in Stewardship." Mrs. J. M. Porter and Mrs. D. E. Holt very ably presented the 9th and 10th chapters.

## TEACHERS GET SALARY RAISE FOR 4 MONTHS

Supt. W. O. Carrick was officially notified Saturday that the Texas Legislature has provided for an increase in the salaries of all teachers and administrators in State Aid Schools through the passage of Senate Bill No. 21.

The bill provided that in addition to the base salary and allowances, there shall be paid to each teacher and administrator teaching in State Aid schools, an amount not to exceed \$75.00 per month for the last four months of the current term.

A. B. Martin, director of equalization of the State Board of Education, officially notified Supt. Carrick of the passage of the bill and stated that application forms were being mailed to his office to be used in requesting the emergency salary raise for teachers and administrators. The forms are to be filled out and returned by March 1.

Provisions of the law are that teachers are to be paid \$75.00 at the end of each of the last four months of the school term beginning with February 1, 1947. This salary increase applies only to teachers who are teaching the last four months of the year.

The money is to be paid to the teachers and administrators as salary increase and cannot be used for any other purpose. The bill was passed as an emergency measure. A more important bill is being currently considered that would provide permanent salary increases.

In referring to the situation, Supt. Carrick pointed out that the local school is now almost entirely dependent upon the state so far as teachers' salaries are concerned.

## VETS URGED TO APPLY FOR PAY

Harris B. Zeigler, Wheeler county veteran service officer calls attention of all veterans that time for filing applications for terminal leave pay expires next September and that if they have not already filed they should do so at once.

Zeigler is at the court house in Wheeler every Monday and at the Farmers Equity in Mobettie every Friday, and he will be happy to help fill out these applications for veterans.

Zeigler calls the following information to attention of veterans:  
The Navy, Marine Corps, and Coast Guard are almost current on terminal leave payments at the present time and may have to reduce their personnel soon if the veterans do not file their applications now.

Please bear in mind that survivors of servicemen who died in service are not eligible. Many errors are made on terminal leave applications. Some of the most common ones are:

1. Failure to include photostatic or certified copies of discharge certificates.
2. Failure to include photostatic or certified copies of NAV PERS 553 for Navy, Coast Guard and Marine applicants.
3. Failure to complete Item No. 13 on the application blank, "Amount of Leave Taken."
4. Only a photostatic copy, certified copy, or "Certificate in Lieu of lost Discharge" are acceptable. A statement of the fact that a discharge is lost will not be accepted.
5. Much time is lost by Applicants sending their applications to the wrong address. For proper mailing addresses, check the back of the application.
6. Some applicants fail to sign their applications, some are not notarized, some acknowledgements are not complete, some fail to sign with their full name.

## Briscoe Church Will Open Revival March 2

The Assembly of God church at Briscoe will open a revival on Sunday, March 2, with Evangelist Edith Little of Fort Worth, in charge. Evangelist Little held a successful revival at Briscoe last spring.

Rev. M. C. Cox has resigned as pastor and Rev. Lonis from Skellytown has accepted the pastorate. Both Mr. and Mrs. Lonis are musicians.

THURSDAY, FEBRUARY 27

HOME TOWN PATRIOTISM

One good way to demonstrate patriotism is to show a keen interest in the affairs of one's home town. The country is made up of many thousands of home towns. In so far as they show a progressive spirit and so far as they do things effectively and well, they

Veterans' News

QUESTIONS & ANSWERS

Q—Before his death, my husband received a pension from Veterans Administration. Am I entitled to this pension now that he has passed away?

A—You may apply for a widow's pension. Your eligibility will be determined on application.

Q—My son has been totally disabled for the past five months. I would like to know if he must pay his National Service Life Insurance premiums or is a waiver of these premiums granted automatically?

A—No automatic waiver of premiums can be granted. A vet-

eran must be totally disabled for six months before he is entitled to apply for a waiver of premiums. He may also file a claim for refund of taxes paid from the date of waiver.

A town whose people are wide awake and ready to accept new ideas and try out many of them, does its full part in keeping the country marching along the path of progress. In so far as it solves its problems and provides advantages for its people it makes a very important contribution to national life. Its success sets an example in its own locality and state, and many communities are likely to be influenced thereby.

DISLIKES FOR WAITING

Many people have a tendency to impatience, and they do not like to wait. That spirit is often seen at street corners, where some people take chances about entering the intersection because they do not like to wait for cars to pass.

A spirit of calm patience in such circumstances would make automobile driving safer for some. If people are inclined to get impatient if they have to wait for a train, bus, or street car, they might meditate on their future plans or pleasant occasions they have had in the past, so that the waiting time would seem shorter. Or they might exchange agreeable remarks with people waiting near them, and perhaps have a bit of interesting conversation.

900 World War II veterans in the Dallas Branch Area had GI policies set. Before August 1, veterans will have only to sign a statement that their health is as good as it was at the time of last re-instatement.

Most lapse came immediately after demobilization before records were centralized in Branch Offices. The trend has now reversed. Nearly 24,000 veterans reinstated during January alone in the Dallas Branch Area.

VA is now paying out about \$700,000 a month to \$18,688 beneficiaries of veterans in Texas, Louisiana and Mississippi on life insurance claims. About 10,000 veterans are awaiting the President's signature at the time this was written.

From where I sit... by Joe Mar

Bert Solves the Labor Problem

You hear a lot about capital and labor nowadays, as if the two could never get together. But look at Bert Childers—who has 320 acres of producing land, a fair-sized herd of cattle, and two farm hands working for him.

If you called Bert a "capitalist" he wouldn't know what you meant, and neither would Spike and Sandy, the hired men. Bert works side by side with both of them, and in the evenings they sit around the fire together—sharing a friendly glass of beer or two.

If anybody has a beef—it's about wages or hours or something—they talk it over at friendly evening sessions.

I don't say all labor problems are as simple as Bert's. But where I sit, the basic principle applies to any farm or factory business: A principle of mutual respect, of doing together in a friendly and genial atmosphere.

TEXAS HAS

Faith!

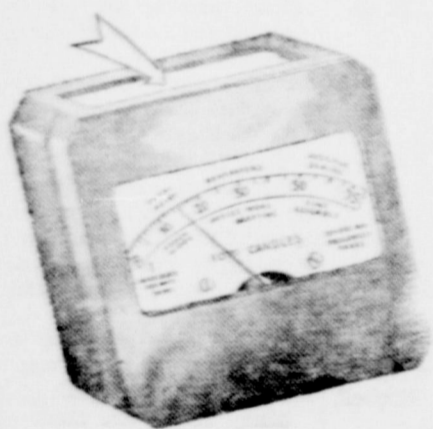

"This is my son... five years old last month. He was born in Texas... and I hope he will always stay in Texas... for he will some day inherit all the things you and I have tried to build for him. His are the industries, the vast plains, the wooded hills, the teeming ports, the boundless natural resources. His is the heritage of free enterprise that will keep Texas prospering in the years to come."

Yes—Texans have FAITH in Texas, a deep faith that has its roots in the strong, resolute, fearless souls of those pioneers who built our great state. United Gas has this faith, too, in the future of Texas, as evidenced by its expanding program of conserving gas... converting it into a USEFUL commodity. United Gas is seeking in all its operations to be a useful citizen of this great state.

Have You Ever Seen A Gadget Like This?

It's a "LIGHT METER" to test Lighting in Your Home or Place of Business

The "camera bug" in the family may say it's an exposure meter, but that's wrong. It's another sort of meter, designed expressly to measure the amount of light received on any eye task in your home or place of business.

When our lighting specialist finishes his survey you'll know just how good or bad your lighting is. Is there enough light to read by in that easy chair? Should you sew by the light of those wall lamps? Do the children have enough light in their room? Is that bed lamp right for reading?

All these questions will be answered at no cost or obligation to you. Just fill in and mail the coupon, or call your nearest Public Service Company office.

### AROUND MOBEETIE III

Doris is your ring a diamond or a dime one?  
Evelyn and Delton were in conference today at noon.

Bonnie was at Montgomery Wards at 9:00 Saturday night, but he wasn't there.

The geometry students felt mighty dumb until the teacher had to get the answer book before he knew the answer.

Old age is gradually creeping up on all the juniors.

Imogene how do you like your new boyfriend?

Nancy has been using foreign languages lately.

The students miss Mr. Bridges he has the mumps.

### GENERAL EXCITEMENT IN MOBEETIE III

The seniors received their panels today. The basketball and football jackets, for last year, arrived this afternoon. Two of the teachers are absent because of illness.

Miss Melba Wiley, daughter of Mr. and Mrs. H. M. Wiley of this city, became the bride of James M. Montgomery at 12:15 p. m., Sunday, February 16, in the Wiley home. Mr. Montgomery is the son of Mr. and Mrs. S. L. Montgomery. A reception and wedding breakfast followed the ceremony.

The double ring ceremony was read by Rev. S. Y. Allgood before a lace covered, improvised altar which was decorated with pots of golden daffodils underneath a cascade of white bells and white ribbon streamers. The altar was flanked by white candelabra and baskets of blue iris and white lilies.

The bride was given in marriage by her father. She wore a floor length gown of ice blue georgette over white organdie fashioned with a basque length blouse, long sleeves and a white lace yoke edged in white lace matching the lace edging on the sleeves. Her finger tip veil was of silk net trimmed with the same lace which trimmed her gown. She wore a string of imported pearls, a gift from the groom, and carried a bouquet of yellow rose buds with pale blue and white streamers.

Miss Pat Wiley, the bride's sister, was maid of honor. She wore a gown of pale yellow georgette over her white organdie, fashioned to match the bride's gown. She carried a bouquet of yellow rose buds with yellow satin streamers.

Gayle Montgomery served his brother as best man. Don Montgomery, also a brother of the groom, Bill and Max Wiley, brothers of the bride, were ushers. Hervey Stuart Hutchins IV, the bride's nephew, was ring bearer. The bride's table was laid with

a white damask cloth centered by the bride's cake and decorated with lilies, iris and daffodils; carrying out the wedding colors of blue, yellow and white. The picture was completed by white lace trimmed hearts and a tiny doll dressed in a replica of the brides costume. Miss Celeste Wiley poured. Mrs. Max Wiley and Miss Pat Wiley assisted her. Mrs. Hervey S. Hutchins III officiated at tride's book.

Misses Peggy Rodgers, Billie V. Brown and Francis Porter played alternately for the wedding and reception.

Mrs. Wiley was dressed in black crepe with a white corsage. Mrs. Montgomery, the groom's mother, wore a dress of black crepe with matching black accessories and a white corsage.

The bride is a graduate of Wheeler high school and Texas State College for Women. She was employed as a teacher in the Wheeler High School for the past year.

The groom attended high school at McLean and West Texas State College in Canyon. He served his country three years in the Navy, two of which were spent in the

South Pacific as Motor Machinist Mate First Class.

The bride's going away suit was of blue green gaberdine with black accessories.

The couple left immediately after the reception for a weeks trip in New Mexico after which they will make home in Amarillo.

Only relatives and close friends of the families were present.

## Methodist Women Have Bible Study

(Intended for Last Week)

The W. S. C. S. of the Methodist Church met at the church Monday at 2:30 p. m. for a Bible Study.

Mrs. D. E. Holt brought the worship service. Mrs. Lloyd Davidson and Mrs. C. J. Meek presented the chapters, "Stewardship of Wealth, Foundations and Acqui-

sitions". Meeting was closed with prayer by Mrs. Wren.

Present were: Mesdames Meek, Porter, Davidson, Hyatt, Mayfield, Huthison, Robison, Holt, Wren and Allgood.

People are warned against making catty remarks, but some will say that when the cat is active, the mice behave better.

 Freshman ..... Helen Childress

### THE SENIOR HEADLIGHT

The seniors have been very busy for the past week studying for our six weeks tests. We hope we all pass them. LaDell has been absent from school most of the week. Hurry and come back we miss you. The seniors ordered their invitations this week and they should be here soon.

### THE JUNIOR FOGHORN

Richard, we have missed you this week. Don't you know we need you in play practice? Here is hoping everyone passed the six weeks tests. Some of them were pretty hard. We are progressing nicely on our play. We made a contract with the Marquis Studio of Enid, Okla. to make our pictures next year.

### SPORTS HIGHLIGHTS

The Boys played basketball at the District tournament Feb. 14 and 15 at Quail. We played Lella Lake and beat them 46 to 23. We then played Claude and were beaten by a score of 32 to 26, putting us out of the finals. Bill Price was placed on the All-District team.

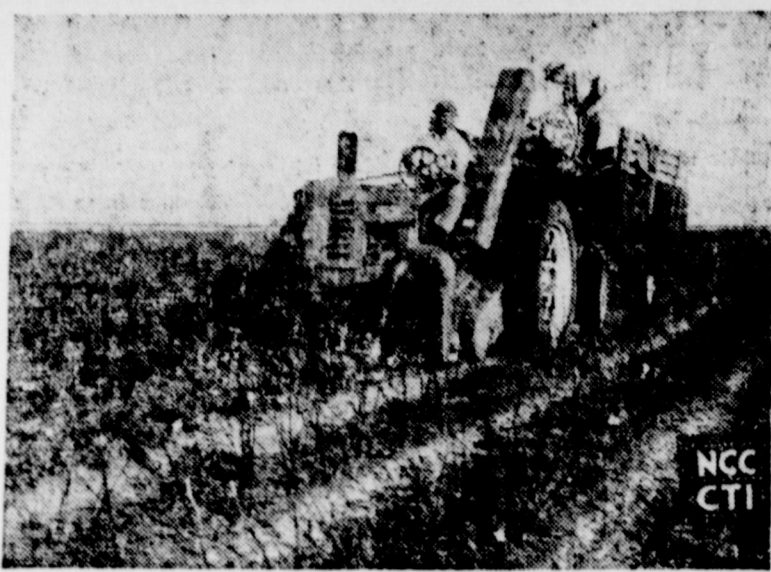

We are going to play Allison, there, Tuesday night and Samnorwood there, Friday night.

The basketball girls have been missing practice the last two weeks. We have been practicing at the junior play at our P. E. period. We are to go to Allison Tuesday night and to Samnorwood Friday night also.

### PERSONALITY OF THE WEEK

Name Eddie George  
 Nick-name—Leon, after Leon Errol  
 Age—18  
 Color of hair—Brown

 Dislikes—Economic Geography

## FIFTEEN ACRES A DAY—ONCE-OVER!

This stripper-type cotton harvester of latest design picks two rows at a time, and will gather all the cotton from as much as fifteen acres in a day. It is meant for use only after frost has killed the plants.

class and teachers that pick on him.  
 Favorite Food—Ice Cream  
 Favorite Teacher—Miss Estes.

### THE PARTY LINE

Gloria was angry enough Wednesday to pull hair. Wonder who she was so angry with and why? There has been talk of firing our lazy "Snooper" but the only trouble with that is, we don't know who he is. "Snooper", don't you have a conscience?

Price's new 1947 car is very pretty, isn't it girls? Faye, you had better watch those girls, you know how they like to ride in new cars.

Seen—everyone studying for six weeks tests. We think we all passed. The freshman are worried about their history grades. It seems nobody passed but three. Was the test a little stiff, kids?

Three freshman boys have quit school lately. Gene Dougherty, Tom Pruitt and Billy Atherton all seem to think there is better grazing some where else. We are really sorry to lose you boys.

Heard—several kids being peevish at the Editor for putting their names in the "Seen and Heard" column.

Rosemary, what were you doing Saturday night that you didn't see any one but those in the car with you. We know you were not driving.

Eddie, does your car have a new paint job or is it a new car? We

think it is very pretty, don't we girls?  
 Bill, why do you like to practice the second act of the play?

### HOSPITAL NEWS

**LEGAL NOTICE**

**CITATION BY PUBLICATION**  
 STATE OF TEXAS  
 COUNTY OF WHEELER

TO: Geneva D. Mullen, if living and if dead, her unknown heirs and legal representatives, whose residences are unknown; L. B. Mullen, if living and if dead his heirs and legal representatives, whose residences are unknown, the heirs and legal representatives of Geneva D. Mullen and L. V. Mullen if they are deceased, whose name and residence is unknown, and the unknown heirs and legal representatives of all the above named parties, and the unknown owner and owners of the hereinafter described property and their heirs and legal representatives whose names and places of residence are unknown, and all other persons owning, having or claiming any interest or lien in the property hereinafter described.

YOU ARE HEREBY NOTIFIED AND COMMANDED to appear and defend at the first day of the next regular term of the District Court of Wheeler County, Texas, to be held at the Court House thereof in the City of Wheeler, Wheeler County, Texas, at or before ten o'clock A. M., on the 2nd Monday in April, A. D. 1947, the same being the 14 day of April, A. D. 1947, then and there to answer a petition in a delinquent tax suit filed in said court on the 26 day of April, A. D. 1947, in a suit numbered 3779, styled The State of Texas vs. Geneva D. Mullen, et al., on the docket of said court in which State of Texas are plaintiffs, and the above named parties are defendants, and show cause why judgment shall not be rendered condemning said hereinafter described property and ordering sale and foreclosure thereof for said taxes, penalties, interests, and costs of suit.

Said suit is a suit to collect taxes, interest, penalties, and cost on the following described property: Ninety acres of land known as a part of Section 93, Block 13,

**MEET THE NEW MAID OF COTTON!**

Hilma Esay, a brunette, 21, has begun a tour which will take her to 45 American cities, and to Paris and the French Riviera to model an all-cotton wardrobe created for her by the world's greatest designers Miss Esay, a Memphis, Tenn., girl, will be the Land of Cotton's "ambassador" in 1947. A voice student, she is a college senior.

H&G N RR Co. Survey, Cert. No. 2-307, Wheeler County, Texas, and being the land between the North and South Banks of North Fork of Red River, according to its meanderings and being the land conveyed by G. M. Counts to Geneva D. Mullen, and described therein and recorded at p. 392, Vol. 48 Deed Records said county and State.

The amount of taxes alleged to be delinquent, due, owing, and unpaid for the respective years and in the respective amounts for each of said plaintiffs, intervenors, and impleaded party defendants, taxing units, on the above described property is as follows:

State and County, including School, \$4.39 for 1934; \$3.93 for 1935; \$3.93 for 1936; \$3.74 for 1937; \$3.74 for 1938; \$4.16 for 1939; \$4.04 for 1940; \$3.87 for 1941; \$4.13 for 1942; \$3.71 for 1943; \$3.83 for 1944; \$4.08 for 1945. Taxes were assessed to Mrs. R. Durrett for the years 1934, 1935, 1936, 1937, 1938, 1939, 1940, 1941, 1942, 1943, 1944, 1945, together with interest, penalties, cost, charges, and expenses of suit, which have accrued and which may legally accrue thereon.

Each party to this suit shall take

notice of, and plead, and answer to all claims and pleadings now on file or thereafter filed in said cause by all other parties therein. Plaintiffs, intervenors, and defendants that are taxing units also seek the establishment and foreclosure of the lien securing payment of such taxes as provided by law.

The officer executing this writ shall promptly serve the same according to requirements of law, and the mandates hereof, and make due return as the law directs.

WITNESS MY HAND AND OFFICIAL SEAL OF MY OFFICE in Wheeler County, Texas, this the 26 day of February, A. D. 1947.

FOR SALE—good Royal Standard No. 10 typewriter, just cleaned and overhauled, \$75. The Wheeler Times. 50-tpf.

**Veterans' News**

A new drug, choloriquine, discovered and perfected by U. S. doctors and research chemists, promises new advances in the treatment of malaria. A Veterans Administration consultant has reported.

Dr. Edwin S. Kagy, tropical medicine specialist from Tulane University, discussed the new drug during a conference of VA doctors and consultants in Dallas.

"Choloriquine is much more effective than drugs formerly used and lacks the toxic effects of quinine and atabrine," Dr. Kagy said. For the Pacific veteran who returned to the United States without signs of tropical diseases, the doctor had a cheerful word.

"The chances are very slight that these veterans will become ill as a result of their tour of duty," he said. Recent graduates of nursing schools can be hired immediately by the Veterans Administration even though they may not have received their state registration numbers, VA has announced.

The nurses will be given temporary appointments pending successful completion of state board examinations, VA said. Permanent appointments will follow. The starting salary is \$2644.80 per year.

VA's only requirement for new graduates, pending board examinations, is a letter from the school they attended, certifying that they have satisfactorily completed the nursing course.

The number of veterans hospitalized by the Veterans Administration reached a new all-time high near the end of January, VA reported.

The report disclosed that a total of 119,845 veterans were receiving treatment at VA hospitals and homes and in non-VA hospitals under contract to VA.

Veterans with service-connected ailments are given top priority for VA hospitalization, but veterans with non service-connected disorders are hospitalized only when beds

**Mobeetie Happenings**

**How Much Do You Think Advertising Costs?**

100 TO 1  
 YOUR GUESS IS  
 TOO HIGH

Take, for instance, a widely advertised can of soup that you purchase from your grocery store for 10c. Then ask your neighbor how much of that 10c goes for advertising. She'll probably say, "Oh, about 1 or 2c" or "10 to 20%."

That is where you can correct a great American illusion. The actual cost is only 36-1000 of one cent.

And actually advertising absorbs its cost because without the wide volume of sales brought about by advertising, the soup couldn't be sold for 10c. In fact, this soup 15 years ago cost you 12c retail. Advertising, by expanding distribution and increasing sales, made economies possible which cut 2c, or 16% off the retail price of soup.

Advertising is everybody's friend because it continually acts to lower the cost of living.

## Mrs. Joe Weatherly Is Bridal Shower Honoree

Mrs. Joe Weatherly, formerly Mary Alice Waters, was honored with a bridal shower in the home of Mrs. Jud Johnson on Friday, February 14.

Miss Neva Weatherly greeted the guests as they arrived and then they were registered by Miss Jo Noah.

Misses Vendell Starkey and Nelda Barry presided at the punch bowl and June Johnson displayed the gifts.

Those registering were as follows: Mesdames L. A. Parks, Leslie Waters, C. P. Waters, Ed Riley, S. W. Dougherty, G. W. Hefley, Ira Passons, John Wright, W. D. Douthit, Sam Standlee, Gordon Whitener, Bill Black, Jess Moore, S. B. Davis, C. N. Wofford, Rufus Watts, P. L. Farmer, J. C. Moore, Jr., Ray Bailey, Cecil Richerson, Tom Crossland.

Maurice Burgess, D. A. Hunt, Cora Hyatt, Adrie Martin, Louis Martin, A. O. Vanpool, Lee Guthrie, Ernestine Weeks, L. K. Fields, J. I. Maloy, Bob Rodgers, George Porter, W. O. Carrick, J. E. Osborne, Harvey Close, V. B. Hardcastle, Carl Laflin, C. C. Robison, Harry Wofford, Cecil Johnson, Harold Nash, Shelby Pettit, Jack Garrison, R. G. Russ, Jr., E. T. Brown, J. M. Porter.

Lee Barry, Weldon Weatherly, Fred Waters, C. R. Weatherly, and Ebb Farmer.

Misses Jo Rean Moore, Ida Mae

Martin, Virginia Rose Marrs, and Donnie Goad.

Those sending gifts were: Mesdames Joe Bob Shearer, O. Nations, Max Wiley, Floyd Atherton, Hammie Herd, Milton Finsterwald, R. B. Mann, L. L. ## A New Dress For Francis Soon

Francis Richardson will have another dress as soon as the chicken feed is used from the big sack of scratch feed. It was from a sack just like it that her pretty fast-color print dress was made. The label on the bag comes off easily after soaking.

## Pneumonia Caused 2,460 Deaths In Texas Last Year

AUSTIN—According to Dr. Geo. W. Cox, State Health Officer, pneumonia caused approximately 2,460 deaths during the past year in Texas, a total which is entirely too high. This disease is most prevalent during the winter and spring months.

Pneumonia is caused by a germ called the pneumococcus, which many of us have lurking in our throats ready to start trouble, when our resistance to it is lowered. We can keep up our resistance by avoiding undue fatigue and unnecessary exposure to extreme weather conditions. When we go outside in cold weather sufficient wrap should be worn to protect us. Keeping the temperature of our homes as low as is consistent with comfort will greatly lessen the difficulties encountered in adjusting ourselves to the cold when we leave the house.

Another method of prevention in pneumonia is not to neglect a cold, for the common cold often results in pneumonia when neglected. A person with a severe cold should stay at home, and call his physician for advice if temperature persists or the cold lingers on. He should follow his physician's advice until the cold has disappeared.

The successful treatment of a pneumonia case often depends upon starting treatment very early. That is why a physician should be called at once when pneumonia is suspected. A patient may really have beginning pneumonia when he thinks it is only a cold. If the physician's advice is sought, he will have an opportunity to start treatment early if pneumonia is present, or develops in such cases.

## Does It Matter?

Does it matter to you who leads your boys and girls during the formative period of their lives? Are you anxious to see them grow up so you can point to them with pride?

You will admit that anything worthwhile costs money, won't you? You will also admit that living costs are just about double that what they were a few years back, won't you?

If these things matter to you, then get behind the Texas legislaure and urge the passage of the bill designed to give our school teachers an even break, and which will induce more people to want to become teachers and thus give us a larger pool from which to select our teachers.

Until the teaching profession is made a little more lucrative it is going to be a problem to find teachers. When you do find teachers we must be sure they are qualified by training for the exacting profession they have entered.

**OUR TEACHERS ARE ENTITLED TO A BETTER BREAK!**

  - Wanted—A good man to supply customers with Rawleigh

**Grow Perennial Flowers From Seed**

—Photo Courtesy Perry-Morse Seed Co.

You can save considerable garden money and add new zest to your gardening by growing your own perennial flowers from seed. The best quality seeds cost only a few cents a packet and with simple care will produce scores of plants to bring color and beauty to the garden for years to come. Most perennials grown from seed bloom the second year after sowing.

Seed should be started at about the same time as that of the annuals, such as zinnias and marigolds. The secret of success is to get the seedlings to transplanting size early enough so that when set in their permanent places in garden or border, they will get a good root-hold before cold weather comes on.

A specially prepared seed bed or seed box is best for starting perennial seeds. A seed bed can be easily prepared by knocking the bottom out of a good-sized shallow wooden box and sinking the sides into the ground. The top should be about two or three inches above the surface. Use finely prepared, crumbly garden loam containing plenty of humus. It is important to locate the seed bed where it will be sheltered from strong winds and from sunlight during the hottest part of the day. A seed box or flat may also be used, with holes bored in the bottom for drainage. This has the advantage of being movable to sheltered locations when necessary.

Some perennial seeds are very small. Mix them with sand so that they will not be sown too quickly in the row and merely press them into the soil instead of covering them. Larger seeds need a shallow covering of soil. Firm the soil down on them so that they will make immediate contact with the moisture and plant food. Keep the soil moist but not wet until the seeds sprout. Some gardeners spread damp burlap over the surface to furnish needed moisture, removing it at the first sign of sprouting.

Here are a number of perennials that beginners can start from seed with almost sure success: Columbine, gaillardia, coreopsis, hollyhock, painted daisy, sweet william, hardy pinks, hardy alyssum, and the violas.

Perennial seeds usually take somewhat longer to germinate than those of annual flowers. Don't be discouraged if the tiny sprouts do not show themselves for two or three weeks after the seed is sown.

**WEEKLY WAA SURPLUS NEWS**

About a million used **WAA** blankets, worth approximately \$6,000,000 when new, will be offered for sale by 23 War Assets Administration regional offices, including the Port Worth office. Ten percent of the total offering will be reserved to fill orders received from Federal Agencies by 5 p.m., March 19. Other orders received before that date will be filled in priority order. The blankets weigh about four pounds each, are standard size in olive drab and gray. They are packed in various ways, including bales, cases and cartons, containing from 20 to 50 blankets each. Further information may be obtained from WAA, P. O. Box 1407, Port Worth.

During the war, the armed forces had many robot planes radio controlled, used as targets. Now minus electronics equipment, 100 of them are being offered for sale to qualifying tax supported and non-profit educational institutions for instructional use at \$50 each. They have a lighter type O-15-1 six-horsepower motor. Each aircraft is equipped with a pair of propellers and a parachute.

The planes have a span of 12 feet and three inches, length of eight feet, four inches, and height of two feet eight inches. They come disassembled and packed in three shipping crates. Orders, accompanied by checks payable to the Treasury of the U. S. should be sent to the Educational Aircraft Disposal Division, Office of Aircraft Disposal, WAA, 425 Second St., N. W., Washington 25, D. C.

Three national bid sales of products used in repairing tires—cushion gum, tread gum and rubber vulcanizing cement—have been launched by WAA. Bids, which may be for any part or all of the items, will be opened at 10 a.m., March 7. All items are located at the General Service Depot, Ordnance Department, Columbus, Ohio.

The cushion gum and tread gum are individual cartons packed for overseas shipment in sealed wax paper in wooden boxes of various sizes and weights. The vulcanizing cement is in 55-gallon steel drums, which may be retained by the buyer. Detailed information about the products and offerings may be obtained from any WAA regional office. However, all bids should be sent in duplicate directly to the WAA regional office, 700 Race St., Cincinnati, Ohio.

Surplus new turnbuckles in a wide range of sizes, finishes and types will be offered concurrently to priority claimants and trade buyers including exporters, in a national fixed price sale by WAA. Prospective buyers may contact the Customer Service Division of the Dallas regional office, P. O. Box 6030, Dallas, which will attempt to locate the turnbuckles desired.

Products in Childress County, 1000 families. Products sold 30 years. Write Rawleigh's Dept. TXB-787-127A, Memphis, Tenn. or see J. Gilley, Wheeler, Texas, 10-3tp.

Among Wheeler people in Shamrock Tuesday to attend the funeral of Harry Munday were: Messrs. and Mrs. A. B. Crump, Robert Holt, P. L. Farmer, Bill Owen, Tom Britt, Harrison Hall, Henderson Coffman, Mrs. J. M. Porter, Mrs. Glenn Porter, Judge George Hefley, R. H. Forrester, W. L. Erwin, Frank Wofford, Harvey Close, Harry Wofford and Terrell Gunter.

**FOR SALE**—Fireproof, waterproof, non-breakable wastebaskets. Ideal for office or hospital use. Assorted colors. The Wheeler Times, 5-1tp.

**FOR SALE**—175 three weeks old Austra White chickens for \$37.50. See Vernon Brown at Puckett's Grocery, 11-1tc.

Mrs. J. B. Roper and Mr. and Mrs. J. E. Willard were visitors in Shamrock Monday.

Mr. and Mrs. Leo Hubble of Canadian, Mr. and Mrs. Charlie Roper, Mr. and Mrs. Earl Wallis and daughter and Mrs. J. B. Roper were Sunday dinner guests of Mr. and Mrs. J. E. Willard.

## NATIONAL PRESS BUILDING WASHINGTON, D. C.

By Anne Goode

If your family are boating enthusiasts they'll be interested in the new glass fibre motor boats which will be on the waterways soon after Easter. Advantages: low cost, easily transported on automobile trailer, require no painting and are immune to worms and decay.

Did you know that four baby blankets can be made from one old regular size blanket? Dye them delicate shades with all-purpose dye, then bind with ribbon or blanket binding and they'll look almost like new.

Olive oil supplies from Europe will continue scarce here for at least another year. Although production was large, people there are oil starved and they will be chief consumers of present supply.

Every housewife is anxious to know about time-saving tricks. So now that vitaminized margarine is becoming more plentiful, buy two pounds at a time. Tint one for table use with the little color water in the package and leave one as is for cooking purposes.

Tarnished gold jewelry can be brightened by rubbing it lightly with a tooth brush which has been dipped in ammonia and then in baking soda.

Ribbon is again making fashion news. It goes around blouse collars and is held fast with a pretty pin. Wider bands circle and loop at the waist. Hats boast trimmings of it hither and yon, too.

day night. Well, girls, was it the show or the boys that was so funny?

La Verne you sure are wearing a pretty watch. I think Wayne gave it to you for your birthday. Right?

Betty, Jo Rean, and Joyce work too hard, kids.

Say, we hear three of the junior girls nearly died laughing Sun- all, or something like that, huh?

It sure takes Mr. Osborne a long time to grade his papers. Lois has been trying to get him to take his lunch period and grade them, but he won't for some reason or other.

The juniors are going to start play practice this week. Don't hear that you got lost Sunday and ended up at Magic City. Is it true?

Yvonne, we hope you don't get too lonesome. Remember he won't be gone, but just a week.

Johnny, don't feel too bad because you didn't get to come to town. You didn't miss anything. Church was a very popular place Sunday night. Wonder what influenced Pat, Clyde, Glenn, and Melba to go?

Glenn it really doesn't matter as long as it is in the family does it?

Bill, what were you doing playing hokey Monday morning?

Happ, will you quit flirting with all the girls?

Nathan, now you really weren't mad about Bill being gone were you?

Dorothy, what has Kress got to do with you wanting two weeks to hurry and come?

Winnie, have your good time before March 9th.

Martha, keep up the good work in your studies.

Imogene, let other people in on your secret love.

We don't see much of Jo Ann and Barbara now. What's wrong now, girls?

Floy Bell, we like your good conduct in classes.

J. T. and Garland, do you always make girls hug your neck before they can get in the door?

Ruby how's the library coming?

Linnie, how do you like to get demerits?

Sav, Dale, did those six licks hurt?

A freshman girl says "Why not like all of the boys instead of

just one?" Guess who?

Peggy was in a dither Monday morning. Roy was leaving again.

Floy, you're not really dumb. That was a hard history test.

The seniors are expecting their play books any time. Stand by for a good time when it is presented.

Seeing Coach every period isn't enough for Mrs. Carrick. She brings his picture to sit on her desk.

Just who is Bottleneck, Jr. anyway? Loyde?

The seniors hear that Mr. Osborne is moving next week. He wants them to help him.

Nell is a working woman. Hi, Jerk.

The one day Miss Wischkaemper thought she could keep from laughing in Biology and then we didn't have class.

Richard, "rumors have been flying."

The twins went airplane riding Saturday. How's the weather up there, girls?

Vondell had company over the weekend. Her cousin from Fort Sill visited her.

Ida was sporting a black eye Monday. Basketball game or boyfriend?

Some people and their ideas. Eugene we'd like to hear more

of your harmonica playing.

A certain senior girl wishes two certain senior boys would quit trying to spread rumors about Sunday.

It has been proved that Oldsmobiles go faster than Fords in certain cases, that is.

June's weekend must have lasted a long time. She wasn't at school Monday.

Floy: Mr. Osborne do you have a fountain pen.

Mr. Osborne: No Mam

Floy: That makes two of us.

Answer to last weeks guess who's: Clyde Revis and Floy Bradstreet.

## P.-T. A NEWS

The P.-T. A. met in regular meeting Thursday February 20, at 7:30. A large number of patrons were present. First a short business meeting was held. Presided over by the president, Lyndon Sims, a report was made relative to how their present funds were being spent. The possibility of repairing the fence around the football field, and selling advertising space on it was brought up, and discussed. It was decided that the P.-T. A. should sponsor this. A committee was set to handle this. Mrs. Bill Owen, head of the entertainment committee suggested

that they sponsor a 42 tournament in March. Details to be worked out later.

The second grade and third grade entertained by presenting their Rhythm band. The program and meeting was enjoyed by all.

## "THE WINDJAMMER" Starring "Bazooka" BOB BURNS

Popular Farmer's Day Program to Be Held Tuesday, March 4 by Local John Deere Dealer

To be shown here on JOHN DEERE DAY...

Free to farmers, in this and neighboring communities, is the big John Deere Day Program to be held at Rogue Theatre on March 4.

According to W. E. Bowen, local John Deere dealer, this year's John Deere Day Program will provide a full measure of top-notch entertainment every farmer and his family will long remember.

The main attraction is a 55-minute Hollywood feature, "The Windjammer", which stars "Bazooka" Bob Burns, famous radio and screen comedian. The "rib-tickling" story

is built around a windy character, Bob Newton, by name, who claims to be able to make animals talk. His experiences, and those of his charming daughter, in filming a talking animal picture in Hollywood will be enjoyed by everyone.

In the supporting cast are such well-known artists as Gale Robins, Scott Elliott, Kenneth MacDonald, Ida Moore, Eddie Kane, Dan Duncan, and Sam Flint.

FOUR OTHER ALL-TALKING PICTURES  
 In addition to "The Wind-

jammer", four other new, all-talking pictures will be shown. They include "Headliners in Tractor Value"—the story of the new John Deere Models "A" and "B" Tractors for 1947...

"New Power for the Smaller Farm"—an important announcement of a new tractor with a complete line of integral equipment for the small acreage farmer... "Conservation Farming with Regular Equipment"—an educational picture on how to keep your soil "at home" with the equipment you have on your own farm...

and "New Pages in John Deere Progress"—a newsreel on newly developed John Deere tractors and drawn machines for 1947.

W. E. Bowen cordially invites every farm family in the area to come to his big farmer's day program. He promises good time to everyone who comes.

According to W. E. Bowen admission to the John Deere Day Program is by tickets only. Any farmer who has not received tickets can get them free by inquiring at the show before the day of the show.

## Cotton Ed... Says

### A MAN'S GOTTA PIDDLE AND WHITTLE

Ain't no doubt 'bout it... a Man's gotta PIDDLE AN WHITTLE a little in order to enjoy hisself as he goes along makin' a livin'.

After I got my last crop all out I got to WHITTLIN' and figurin' and found out I had made more money out of cotton last year than any other crop. Yep, in spite of labor costs... shortages... bad weather... and my kinfolks.

What's more... I aim to plant more Cotton this year than I did last. There's a'goin' to be a big Demand for Cotton... an I aim to give 'em a big Supply. First off folks need the Cotton... and another First off... Cotton Ed needs the money... makes sense... don't it?

Why when they perfect them machine gadgets for Choppin' and Pickin' Cotton I can save up to \$40.00 a bale on cost of making cotton... and think of the time I'll have to PIDDLE AN WHITTLE. With that kind of savin' you can't tell... I might invite my kinfolks down fer a spell. Then again... I might go a'visitin' myself... See ya.

Sincerely,  
 Cotton Ed.

**FARM FACTS**  
WORTH KNOWING

**Q. Are there any figures to show the effects of treating cattle with DDT?**

**A. Yes.** Kansas State College has recently put out a bulletin giving actual results in test demonstrations using DDT to control the horn fly. More than two million cattle were successfully treated with DDT for horn flies during the 1946 grazing season. These cattle gained about 50 lbs. a head more than untreated cattle. According to this, horn flies alone were causing a loss of at least 19 million dollars annually to Kansas cattlemen.

**Q. Does a hen's body weight have any influence on her ability to produce eggs?**

**A. No.** According to the Virginia Station Technical Bulletin No. 56, measurements of 204 White Leghorn pullets indicated that neither body weight within the normal range nor body type was shown to be a reliable index of egg-production ability of the hen, nor could either be used as a guide in predicting future egg production or in estimating the past production of a hen. However, birds that are definitely under weight or over weight should not be kept in a laying flock.

**Q. Does feeding wheat germ oil increase the fertility of bulls?**

**A. Probably not.** After extensive, independent trials, the Ralston Purina Company's Research Farm and researchers at Cornell University have been unable to find that wheat germ oil makes any difference in the fertility of bulls.

**Q. Will calves vaccinated for Bang's disease spread the disease to other cows?**

**A. The evidence is that a properly vaccinated calf will not spread Bang's disease to disease-free cows.**

**Q. How long may hatching eggs be kept before they are put in the incubator?**

**A. Hatching eggs should be placed in the incubator after a maximum of one week, although it is possible to keep them as long as two weeks. Hatchability drops quite rapidly after the eggs have been held for ten days.**

**Vegetables at Their Best**

—Photo Courtesy Perry-Morris Seed Co.

Real enjoyment of your home vegetable garden depends largely upon proper preparation of the vegetables for the table.

Gather leafy crops early in the morning, if possible, before the sun wilts them. If they are to be kept until a later meal, wash and cover them and place in the refrigerator. Pick peas and sweet corn within an hour of getting them ready for the

kettle; if gathered very long before cooking, they lose both sweetness and flavor. Gathering any vegetable too long before using causes loss of vitamins. Scrape or peel vegetables thinly; valuable minerals are just beneath the outer skin. Young carrots, beets, and summer squash should merely be scrubbed and not peeled. Neither should vegetables be soaked in water before cooking. This, too, causes loss of minerals.

Cook vegetables quickly and only until barely tender. Usually they taste better if slightly undercooked than they do if soft and mushy from overcooking. In boiling, use only a small amount of water, saving

whatever liquid remains when the cooking is finished. If there is too much to serve with the vegetable, keep it to add to soup. In boiling vegetables make sure the water is really boiling before adding them. If put over the fire in cold water, vegetables lose color, flavor, texture, and much of their food value.

Vegetables fresh from the garden need very little dressing up to make them deliciously appetizing. Simple methods of cookery are best with the simplest of seasonings added. Until you have eaten vegetables fresh picked from your garden and properly cooked, you do not know the taste of vegetables at their best.

**Harry P. Mundy**

(Continued From Page 1)  
 believed Mr. Mundy died just after he was placed in the ambulance. Death was believed to have occurred about 5 p.m.

Harry Mundy was born on December 19, 1897, at Childress, Texas, the son of Mr. and Mrs. Harry Mundy, Sr. His family moved to Wheeler County in 1906 and on February 27, 1910, Harry was married to Miss Lola Blanche Crump. In his young manhood he was City Secretary of Shamrock and worked for the First National Bank. He later became agent for the Texas Company and for many years was associated with his brother-in-law, A. B. Crump, of Wheeler, in operating the Crump-Mundy Service Station at Wheeler.

An unassuming person, Mr. Mundy always sought to recognize the ability of others by putting them in the places of honor. He preferred to remain in the background but was once drafted to serve a term as president of the former Shamrock Lions Club in which he was a moving spirit. He served as a director of the Shamrock Chamber of Commerce several years and headed many important drives and campaigns in this city. The former Lions Club in which he was very active championed most civic enterprises in past years. Mr. Mundy was a popular member of the Shamrock Boosters Club which replaced the Lions Club.

Mr. Mundy is survived by his widow, Mrs. Lola B. Mundy; a son, I. C. Mundy of Shamrock who was associated with him in the wholesale oil and gas business; a daughter, Mrs. Margaret Leftwich of Childress; his mother, Mrs. Harry Mundy, Sr., of Colorado Springs, Colo.; two brothers, H. H. Mundy of Pawhuska, Okla., and Irby Mundy of Colorado Springs; three grandchildren, Judy and John Irby Mundy of Shamrock and Ann Leftwich of Childress; and many nieces and nephews.

If you had never seen this done, you might be afraid to try it. The lower man in the picture is holding a piece of cotton fabric, less than three inches thick, against his face while the upper man directs the 1800-degree blast of a blow-torch against it. The lower man is quite safe, though, because he is demonstrating the flameproofing and insulating quality of the insulation. He knows that the insulation doesn't catch fire!
