

LE WILSON KILLY HURT LAS CRASH

Rites were held at the Baptist church Monday for Miss Lonnie Gayle, 23, daughter of Mr. and Mrs. L. Wilson of Pampa, who died in a Dallas hospital after injuries received in a car crash at Dallas Saturday morning.

Wilson, an employee of Airways in Dallas, was on his way to work with two companions when another automobile struck their car, knocking it into the path of a street car.

A graduate of Wheeler school, Miss Wilson received her education at North Texas college at Denton, being graduated from that school in 1935.

The Wilson family moved to Wheeler about three years ago.

She survived by her parents, sisters, Capitola Wilson, and Mrs. Dixie Lee Clay.

Funeral services were conducted at 2 p. m. at the First Baptist church, Pampa.

Wilson was a niece of R. Austin of Wheeler.

ENTRY AWARD.

This is the symbolic "victory" charm which will be presented to every contestant in the News-Globe Golden Gloves next week, Jan. 21-22-23-24, whether he wins or loses. Of course it isn't quite this large, but it would take color printing to do it justice. Pretty nice, huh, you boxers?

JOSEPH DODD SUCSUMBS TO HEART ATTACK

Details have just now been received of the death at Pasadena, Calif., on January 3, of Joseph Earl Dodd, 60-year-old beloved resident of the Gageby community. Death came to Mr. Dodd while he and Mrs. Dodd were visiting their son, Earl, and family and Mrs. Dodd's brother, Thomas C. Barker.

Mr. Dodd passed away following a heart attack. He was a victim of heart trouble and had suffered a serious attack last September.

Born in Erath County, Texas, Jan. 27, 1887, he married Miss Florence Barker at Ranger, Texas, in 1910 and moved to the Gageby community in 1923, where he engaged in farming and taught in the Gageby, Briscoe, and Pleasant Valley schools for many years. He had been a faithful member of the Gageby Baptist church ever since moving to the community.

Left to mourn his death are his wife; two sons, Grady Dodd, of Amarillo, and Earl Dodd, of Pasadena; two grandchildren, C. G. Jr., and Jacquelin; four brothers, H. C. Dodd, R. N. Dodd, C. L. Dodd, and E. L. Dodd, all of Fort Worth; his mother, Mrs. Nettie Dodd, of Fort Worth; and a host of friends and neighbors.

Funeral services were held at the Gageby church January 7 with the Rev. W. L. Crawford, Shamrock Baptist minister, and the Rev. O. C. Evans, Methodist minister at Shamrock and former pastor of the Gageby church, in charge. "If We Never Meet Again This Side of Heaven" was sung by Mrs. Murray Vise; a mixed quartet sang "The Empty Tomb"; and a mixed choir sang "Rock of Ages."

Pall bearers were J. L. Hefley, Allan Meadows, E. E. Meek, Leon Fillingim, I. G. Fillingim, and Forrest Vise.

Box Supper Will Be Held At Briscoe Mon.

A box supper will be held in the Briscoe high school auditorium Monday night, January 20, starting at 7 o'clock. Proceeds will go to the athletic department and a larger attendance is hoped for.

The other box supper, advertised previously, was called off because of bad weather. Everybody is invited to the one next Monday. An announcement from the basketball boys and girls adds this note, "bring boxes and a pocket full of money."

MARCH DIMES WILL OPEN IN WHEELER SOON

Harry Wofford, Wheeler county director of the 1947 March of Dimes campaign to carry on the work of the National Foundation for Infantile Paralysis, said this week Texans have again been asked to do their share in the annual drive which opened in this state January 15.

Flake George of Shamrock is treasurer and other officers include: S. B. Conwell of Wheeler, vice director; Norman Patrick of Shamrock, county campaign director; and the following directors, Walter Elliott of Kellerville, Grady Harris of Mobettie, Gordon Stiles of Wheeler, L. E. Depew of Shamrock, Hiram Whitener of Wheeler and Roy Waters of Briscoe.

Plans for the drive in Wheeler and the north part of the county have not been completed. It is understood the Shamrock territory will formally launch its drive next week.

The appeal will continue through January 30, the birthday of the late President Franklin D. Roosevelt.

A proclamation setting the latter half of January aside for the annual appeal was signed by Governor Coke Stevenson in the presence of Governor-elect Beauford Jester and George D. Wilson of Houston, Texas, chairman of the National Foundation for Infantile Paralysis.

Although Texans are not assigned a specific quota, they are expected to give liberally under the grim reminder of the epidemic of poliomyelitis which raged in this state last year. The national goal, set by Basil O'Connor, foundation president, at \$24,000,000, must be raised through the March of Dimes. The money will continue the care and treatment (Continued on Last Page)

WHEELER AND MOBETTIE IN CAGE FINALS

The Wheeler Independents, Mobettie All-Stars, and the Montgomery Chevrolet team emerged winners in the first session of the Shamrock Junior Chamber of Commerce Independent Basketball Tournament which got underway at Shamrock Monday night.

The tourney will continue with three games each Monday night, with the 16 teams entered vying for \$100.00 in prizes. Games will be in the Shamrock gymnasium on the nights of January 20-27 and February 3-10 with the finals scheduled for February 17. The prizes are \$50.00 for first, \$30.00 for second and \$20.00 for third.

The next session, Monday, January 20, will include the following games: McLean Independents vs. Briscoe Independents, Wellington Modern Market vs. Groom Independents, Childers Independents vs. Borger Painters Union. The first game will begin at 8 p. m., the second at 9 p. m. and the final at 10 p. m.

The Wheeler Independents defeated the Pampa Modern Market, Monday night by a 37 to 29 count in the second game. Pampa came back from a count of 17-8 at halftime to tie the score late in the first quarter 27-27, but Wheeler forged ahead to take the tilt. Risner was high point man for Wheeler with 12 points. Crump and Puett were high for Pampa with 8 points each. It was the ability of the Wheeler crew to control the backboards that won them the game, the team using Carrick, 6 foot, 6 inch center on most of the rebounds.

Montgomery Chevrolet nosed out the Wellington REA by the close score of 29-24. Wellington was leading this thriller, 24-23, with only two minutes left to play when three fast baskets by Brothers, Laycock and Dillon iced the match for the Shamrock club. High scoring honors went to Dillon with 12 points, while Thraxton of Wellington stacked up 10.

In the final game, a scrapping bunch of Mobettie All-Stars overcame and defeated a good Erick, Oklahoma Independent team. The score was tied six times during the game and was close all the way. At the end of the regular playing time, the score was deadlocked, 17-17. Using a three-minute overtime period, the Mobettie boys scored 5 points while Erick could muster only 4—final score Mobettie 22, Erick 21. L. Leonard scored 8 points for Mobettie; Skinner rang up 8 points for Erick.

Teams entered in the tournament are: Wellington REA, Mobettie All-Stars, Erick, Okla. Independents, Wheeler Independents, Pampa Modern Market, McLean Independents, Briscoe Independents, Wellington Modern Market. (Continued on Last Page)

11 Texas and Oklahoma Towns Are Represented In Basketball Tourney

Wheeler residents are asked to open their homes to visiting high school students who started arriving today to participate in the Wheeler high school annual invitation basketball tournament. Rooms are needed for 50 boys and girls for Friday night only and those who can accommodate one or more visitors are asked to call the office of Supt. W. O. Carrick at once.

Eleven Texas and Oklahoma teams are expected here by Friday morning, nine schools having entered both boys and girls teams and two having entered only boys teams.

Play started this afternoon (Thursday) and will continue through Saturday with four games scheduled in the finals bracket on Saturday.

Wheeler fans and citizens are asked to attend the tournament and to extend all possible courtesy to visiting team members, coaches and fans.

WE HAVE COMPANY!

Basketball players, coaches and fans from 11 Texas and Oklahoma communities and towns will be in our city Friday and Saturday for Wheeler high school's annual invitation basketball tournament. Rooms are needed for some of these visitors for Friday night.

If you can accommodate one or more of the students or adults for the night and possibly serve them breakfast, it would be a fine gesture and would enhance our town's reputation as a hospitable, friendly place.

Many of our Wheeler county boys and girls make similar trips to other towns to engage in friendly rivalry, and they are invariably impressed by the hospitality extended, or the lack of it. Let's treat these visiting kids like we would want our own to be treated in their home towns. Speak to the visitors when you see them on the streets. Invite them to your home if possible. Set 'em up to a crowd of them at the drug stores. Let's make these fine youngsters feel at home in Wheeler and want to come back.

VETERANS HAVE CHANCE TO BUY

An additional period of time during which offers may be submitted under veterans' priority to purchase surplus farm property at the McLean Prisoner of War Assets Administration.

The additional period, which commenced January 10, will end January 29, WAA officials announced.

The land to be sold is as follows: Two tracts of land aggregating approximately 800 acres together with any improvements and easements thereon not reserved, identified as follows: All of section 89, block 23, H. and G. N. RR. Co. Survey, including buildings Nos. 34 and 70 and Corral fence No. 35; and the southeast quarter of section 94, in block 23, H. and G. N. RR. Co. Survey—all of property being located about two miles northeast of McLean and known as the McLean Prisoner of War Camp. All sales will be subject to a reservation providing for the right of ingress and egress for the removal of all government-owned buildings and improvements now on this property which are not specifically designated for sale (Continued on Last Page)

Funeral Tuesday For Daughter E. L. Gardner

Funeral services were conducted at the Wheeler cemetery Tuesday afternoon for Glenda Fay Gardner, infant daughter of Mr. and Mrs. E. L. Gardner of Wheeler, who died Monday morning in a Pampa hospital. Born December 26, 1946, the child died of an enlarged heart.

Funeral services were in charge of B. M. Litton, minister of the Wheeler Church of Christ. Besides her parents, the child is survived by a twin sister, Linda Mae; her maternal grandparents, Mr. and Mrs. E. L. Bills of Fort Worth, and paternal grandmother, Mrs. Edna Gardner of Wheeler.

The schedule of games in the opening round of play includes the following teams: Boys, Wheeler versus Mobettie, 7 to 8 P. M. Thursday; Samnorwood versus Allison, 8 to 9 A. M. Friday; Cheyenne versus Kelton, 2 to 2 P. M. Friday; Erick versus Reydon, 10 to 11 A. M. Friday; McLean versus Briscoe, 9 to 10 P. M. Thursday; and Shamrock versus Meridian, 6 to 7 P. M. Thursday.

Girls, Samnorwood versus McLean, 8 to 9 P. M. Thursday; Briscoe versus Wheeler 10 to 11 P. M. Thursday; Kelton versus Shamrock 9 to 10 A. M. Friday; Mobettie versus Allison, 11 to 12 A. M. Friday; and Reydon versus Meridian, 2 to 3 P. M. Friday.

CHILDREN DASH IN FIRE

Children of William Cunningham, formerly of Mobettie, returned to death when the apartment in which they were living at Wayside, near the Panhandle's blue-ribbon sports events, is scheduled for Tuesday, Wednesday, Thursday and Friday night of next week January 21-24, at the Amarillo Municipal Auditorium.

Several young champions are included in the entry list, which is expected to reach a total of 80 or more young amateur fighters from a dozen Panhandle cities. There will be at least 15 three-round bouts each night.

Competition will be in two divisions, High School and Golden Gloves, the champions of the latter group qualifying for the state tournament at Fort Worth next month. All 32 champions and runnerup will receive handsome trophies. There also will be trophies for the winning high school team and for the outstanding individual competitor. In addition every contestant this year will receive an individual, symbolic award whether he wins or loses.

Admission nightly will be \$2 for ringside, \$1.50 for reserved and \$1.00 for general admission seats, all prices plus tax. Reservations may be made by telephoning 3-1346, Amarillo.

GOLDEN GLOVES IS NEXT WEEK

Of interest to wrestling fans of Wheeler and vicinity is the announcement that the 11th Amarillo Globe-News Golden Gloves boxing tournament, one of the Panhandle's blue-ribbon sports events, is scheduled for Tuesday, Wednesday, Thursday and Friday night of next week January 21-24, at the Amarillo Municipal Auditorium.

HEFLEY OFFICER 66 ASSOCIATION

County Judge G. W. Hefley and members of the Wheeler county commissioners court attended a meeting at Amarillo last Friday when representatives of various counties on highway 66 organized a Texas Highway 66 Association for the purpose of publicizing the highway and bettering its facilities.

Judge Hefley was elected secretary-treasurer. Bob Clark of Shamrock was named president, and Al Revilee of Amarillo, vice president.

A second meeting will be held in Amarillo January 24 when a similar organization from New Mexico will be present to install newly elected officers of the Texas Association.

Attending from Wheeler county were: Judge Hefley, Lloyd Anglin, S. B. Davis, C. W. Wells, Henry Sims, and Bob Clark.

New Store Hours At Puckett's Grocery

Vernon Brown, manager, announces a change in store hours at Puckett's Grocery & Market this week. New store hours will be 8 a. m. until 6 p. m. on week days and 8 a. m. until 9 p. m. on Saturdays.

Vernon and his employees will appreciate the cooperation of customers in observing the new schedule.

POLL TAX MUST BE PAID SOON

Only 15 days remain in which to qualify by poll tax payment as a Texas voter in any general election or special election that may occur in 1947, T. J. Daugherty of Wheeler, county tax assessor and collector, said Thursday.

If the assessed tax has not been paid by January 31, you are disqualified as a Texas voter, Daugherty said.

The tax assessor-collector pointed out that his office had nothing to do with passing the law but that it is his duty to enforce it and that he wishes to do this with fairness and honesty to all.

Whether you agree with the soundness of the political theory of a poll tax or not citizens owe the state for its assessment against them if they are between the ages of 21 and 60 and are not otherwise exempt by law.

Those who were 60 years of age or more on January 1, 1946, are not required to have an exemption to vote; those who have moved into the county since January 1, 1946 are required to have an exemption; those who have become 21 years of age since January 1, 1946 or will become 21 before election are required to secure an exemption certificate during January, 1947, before they may vote in any of the elections during the year; no charge is made for these exemptions.

The 1947 automobile license fees cannot be paid before February 1st, 1947, but must be paid between February 1st and April 1st, 1947.

Albert Andersons Buy Brown's Cafe

Mr. and Mrs. Albert Anderson of Albuquerque, this week announced purchase of the Brown Cafe in Wheeler from Mr. and Mrs. E. R. Brown, effective last week. The Andersons who formerly lived in the Kelton community solicit the patronage of old and new customers in an advertisement in this week's Times.

Expressing their appreciation of patronage given them the past year, Mr. and Mrs. Brown said it was with reluctance they sold the cafe. They have not announced their future plans but for the present will take a needed rest.

BANK DEPOSITS OF AREA HIGH

Combined deposits of the Wheeler and Mobettie banks were \$1,780,404.38 at the close of business on December 31, according to official statements of condition published in this week's edition of The Times.

The Citizens State Bank of Wheeler listed \$1,151,764.37 in demand deposits and the First State Bank of Mobettie showed \$628,640.01.

The two banks showed a slight loss in deposits over one year ago when their combined demand deposits totalled \$1,834,073.43, a drop of \$43,669.03.

The December, 1946, figure was higher, however, than on Sept. 30, 1946, when combined deposits were \$1,689,738.63.

Loans and discounts of the two institutions as of December 31, 1946, were \$301,046.64, an increase of \$17,728.04 over December 31, 1945, and an increase of \$41,242.98 over September 30, 1946.

Two Auction Sales Be Held Next Week

Two public sales are advertised in this week's issue of The Times. One is a quarter horse and Hereford sale to be held by J. R. Reed at his 11,000-acre ranch, 7 miles east and 4 north of Wheeler, on Tuesday, January 21. Forty head of horses and 100 Hereford cows are to be offered and some farm implements and equipment.

The other is a sale by T. B. Killingsworth at his place, 3 mi. south, 2 mi. east and 1/2 mi. south of the Kelton store, on Wednesday, January 22. Mr. Killingsworth lists 24 head of cows and yearlings, some horses, hogs, implements and household goods.

March of Dimes Begins

Governor-Elect Beauford Jester pledged every co-operation in the annual March of Dimes sponsored by the National Foundation for Infantile Paralysis. He is pictured with George D. Wilson, Texas chairman for the fund-raising campaign, which is now under way throughout Texas and will continue through January 30. George Waverly Briggs of Dallas and W. L. ber 10-12 in San Francisco. The foreword which prefaces the reso- lutions adopted by the voting dele- gates at the national convention clearly points out the democratic principals and ideals on which this farm organization is built. A con- structive program for agriculture in 1947 may well be realized if the farmers of the nation keep ever in mind their responsibility to the Nation as set forth in the Foreword to the AFBF resolutions which follows:

"With confusion and unrest pre- vailing throughout the world, and much of humanity despairing searching for some bedrock of principal upon which they may place their trust, the United States of America, which emerged from the war as the leading nation of the world, must assume the fateful responsibility of world leadership.

"To faithfully discharge the ob- ligations which that position of leadership imposes, we must first of all put our own house in order. Today we are on trial before all the nations of the world.

"American farmers have never lost their faith in the principals of

liberty and freedom which are our priceless heritage. May we and all other groups re-consecrate our- selves to those sacred principals, and may we, a united people make a grand assault upon the forces which seek to stir up division and discontent, to the end that we may move forward to national achievement that will command the respect and esteem of all peoples.

"The overwhelming economic need today is production, and ever more production, to create the goods and services without which civilization cannot make further progress. Much of the fruits of production for six long years has been atomized into nothingness, creating a great vacuum which today menaces peace and stability and all orderly processes through- out the world. Unless we quickly fill that vacuum, it will become a whirling vortex of uncontrollable forces to destroy everything which is drawn into it.

"The future welfare of the en- tire world is in peril. Spiritual progress twaits economic recovery. The hour grows late. May we, in Christian humility, an in devotion

FARM HANDS' PAY

How much do you pay your hired man? The national average, says the U. S. Department of Agri- culture, is \$83.60 with meals, \$114.70 without.

Incidentally, hired men fewer hours than the farmer pay them—9.8 and 11.5 per day respectively. Hired in Maine and Florida work shortest in the country—8.9

As festive as the holiday season itself is this delicious mayonnaise variation made of chopped candied fruits, nuts, sour cream and real mayonnaise. It's simply wonderful served with fruit salads.

Speaking of the holiday season, Christmas candles will be scarce due to shortage of chemicals, coloring and tallow.

Know why the price of vitaminized margarine went up? Here's the reason: Cost of soybeans and cottonseed, sources of major ingredients of margarine, have soared. Soybeans sold for as little as 80 cents a bushel in 1939; they now sell for \$3.40. Cottonseed brought \$16.25 a ton; today \$100.

Tomato juice will be plentiful with the pack expected to hit a peak of 30 million cases.

Women's buyer resistance is having its effects. Retailers in many locales are eyeing expensively priced sheets and towels that found their way to shelves when cotton prices crashed. Though prices are holding firm, best opinion is that a break will come soon.

BARBECUES POPULAR IN MIDWEST

What to build up stronger local demands for poultry? Then get together with your neighbors and put on chicken barbecues for such civic groups as Rotary, Kiwanis, and Lions clubs, Farm Journal advises.

That's the suggestion of J. M. Moore, extension poultryman at Michigan State College. He says sales of poultry have gone up 50 to 75 percent in some towns after he has put on these barbecues.

The barbecues are out-of-door affairs, held where half-broilers can be grilled over the charcoal fires. (There's no reason why they could be served in a hall, though, if there's a place outside to do the cooking.)

"There's something about the aroma of barbecued chicken that whets the human appetite," Moore says.

The idea also has the merit of getting poultrymen and city businessmen better acquainted with each other.

WARM UP the HOME
 By Diane Greeter

Hot Water is an Easy Luxury

ONE feature that the modern homemaker will certainly not ignore in planning a new home or remodeling an older one is abundant hot water. The value of hot water in protecting health, furthering comfort, and shortening hours of household work is well

understood by home economists. The easy and obvious means of supplying the home with abundant hot water is an automatic gas water heater which will deliver water at desired temperatures and in desired quantities at the turn of a faucet. Modern methods of fuel distribution make this indispensable household tool available all over the country. In the cities, utility gas provides the perfect fuel for water heating because of its cleanliness, speed, and economy both in cost and in space required for the heating unit. In the suburban or country or farm home, liquefied petroleum gas—"bottled" or "tank" gas—give the same service and are supplied by dealers whose delivery systems blanket the nation, leaving no home more than one mile from a scheduled route. It should always be remembered in selecting a heater, that need for hot water varies with the seasons, the number in the family, and other factors. A heater with capacity exceeding the greatest expected demand is a wise choice. It will insure uninterrupted satisfaction.

Milton Finsterwald, Albert Newman, and the guest, Mrs. Emma Williams.

The next meeting will be in the home of Mrs. R. R. McClesky, January 23, at 2:00 p. m.

FARMERS' RESPONSIBILITY TO THE NATION

The board of directors of the
American Farm Bureau Federa-
tion will meet in Washington in
February to set in motion the
1947 legislative program outlined
in resolutions adopted at the Fed-
eration's annual meeting Decem-

March of Dimes Begins

Governor-Elect Beauford Jester pledged every co-operation in the annual March of Dimes sponsored by the National Foundation for Infantile Paralysis. He is pictured with George D. Wilson, Texas chairman for the fund-raising campaign, which is now under way throughout Texas and will continue through January 30. George Waverly Briggs of Dallas and W. L. Clayton of Houston and Washington also are serving as Texas chairmen.

ber 10-12 in San Francisco. The foreword which prefaces the resolutions adopted by the voting delegates at the national convention clearly points out the democratic principals and ideals on which this farm organization is built. A constructive program for agriculture in 1947 may well be realized if the farmers of the nation keep ever in mind their responsibility to the Nation as set forth in the Foreword to the AFBF resolutions which follow:

"With confusion and unrest prevailing throughout the world, and much of humanity despairing searching for some bedrock of principal upon which they may place their trust, the United States of America, which emerged from the war as the leading nation of the world, must assume the fateful responsibility of world leadership.

"To faithfully discharge the obligations which that position of leadership imposes, we must first of all put our own house in order. Today we are on trial before all the nations of the world.

"American farmers have never lost their faith in the principals of

liberty and freedom which are our priceless heritage. May we and all other groups re-consecrate ourselves to those sacred principals, and may we, a united people make a grand assault upon the forces which seek to stir up division and discontent, to the end that we may move forward to national achievement that will command the respect and esteem of all peoples.

"The overwhelming economic need today is production, and ever more production, to create the goods and services without which civilization cannot make further progress. Much of the fruits of production for six long years has been atomized into nothingness, creating a great vacuum which today menaces peace and stability and all orderly processes throughout the world. Unless we quickly fill that vacuum, it will become a whirling vortex of uncontrollable forces to destroy everything which is drawn into it.

"The future welfare of the entire world is in peril. Spiritual progress twaits economic recovery. The hour grows late. May we, in Christian humility, an in devotion

LEGAL NOTICE

CITATION BY PUBLICATION

THE STATE OF TEXAS
To: Willie Gaines, and Loyd Gaines, the unknown heirs, devisees, and legal representatives of each of the above named defendants, who may be deceased; and To: First Texas Chemical Manufacturing Company, a defunct Corporation, and its unknown stockholders, GREETINGS:

You are commanded to appear and answer plaintiff's petition at or before 10 o'clock A. M. on the first Monday after the expiration of 42 days from date of the issuance of this Citation, the same being Monday the 24th day of February 1947, before the Honorable District Court of Wheeler County, Texas, at the Court house in Wheeler, Texas.

Said plaintiff's petition was filed on the 6 day of January 1947, and is numbered 3768 on the Docket of said Court:

The name of plaintiff is D. A. Hunt, and the names of the defendants are:

McKesson & Robbins, Incorporated; First Texas Chemical Manufacturing Company, a corporation; Willie Gaines, Loyd Gaines, Homer Gaines, Morris Gaines, W. L. Gaines, Jr., Estelle Linebarger, and her husband, Elmo Linebarger, Mrs. Ida Gaines Heath, and her husband, Clifford Heath, and Billie Ruth Gaines, a minor, and the unknown heirs, devisees and legal representatives of each of said defendants who may be deceased, and the unknown stockholders of said First Texas Chemical Manufacturing Company, a defunct corporation.

The nature of plaintiff's suit is in trespass to try title to the following described tract of land situated in Wheeler County, Texas:

Being all of the SOUTH 1/3 OF BLOCK 30 of the original townsite of Wheeler, Texas, according to the recorded plat of said townsite.

Plaintiff pleads his title to said land and premises, as against all said defendants, and each of them, their unknown heirs devisees and legal representatives, and in support of his title, to said land, pleads as against all said defendants, the THREE, FIVE, AND TEN YEAR statutes of limitations. Prayer is for title and possession of said lands as against all said defendants, and that the title to said land and premises be quieted in the name of plaintiff.

Issued this 6 day of January 1947.

Given under my hand and seal of said court, at office, in the City of Wheeler, Texas, this 6 day of January 1947.

Shamrock School Is Granted McLean POW Program Recently

FORT WORTH (Special)—A building which was once part of the McLean Prisoner of War Camp, McLean, Texas has been transferred to the city of Shamrock, Texas, for school use, War Assets Administration announced today.

The building has a current market value of \$755.00 and the transfer was made at a nominal consideration. Benefits accruing to the government will be accepted in lieu of cash while all administrative expenses incurred by WAA will be paid by the city of Shamrock. The building will be moved to the city's land.

Get Phillips 66 Gasoline

What makes Phillips 66 start so quickly . . . warm up so easily these cold mornings? That extra measure of high-volatility elements!

Yes, Phillips draws on its vast reserves of high-test natural gasoline to boost the volatility of Phillips 66 as the temperature goes down.

For good service... Phillips 66

AS THE SEASONAL TEMPERATURE GOES DOWN... PHILLIPS 66 VOLATILITY GOES UP!

You'll find that this "controlled volatility" will help you to better driving, quicker starting, faster warm-up, as the weather gets colder. Stop at the next orange-and-black '66' sign and be shown!

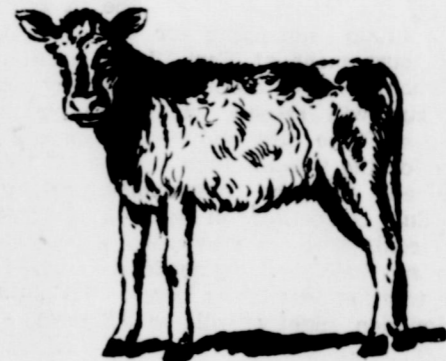

WAA said the transfer received approval of the United States office of Education after a survey showed need for additional school facilities in the city of Shamrock.

FARM HANDS' PAY

How much do you pay your hired man? The national average, says the U. S. Department of Agriculture, is \$83.60 with meals, \$114.70 without.

Incidentally, hired men fewer hours than the farmers pay them—9.8 and 11.5 per day respectively. Hired in Maine and Florida work shortest in the country—8.9.

Keep fats saved from cooking in the refrigerator because they spoil more quickly than new fats.

A new outdoor clothes drier will be a joy to housewives. Made of aluminum with 150 feet of rope it weighs only 10 pounds and opens with the ease of an umbrella.

As festive as the holiday season itself is this delicious mayonnaise variation made of chopped candied fruits, nuts, sour cream and real mayonnaise. It's simply wonderful served with fruit salads.

Speaking of the holiday season, Christmas candles will be scarce due to shortage of chemicals, coloring and tallow.

Know why the price of vitaminized margarine went up? Here's the reason: Cost of soybeans and cottonseed, sources of major ingredients of margarine, have soared. Soybeans sold for as little as 80 cents a bushel in 1939; they now sell for \$3.10. Cottonseed brought \$16.25 a ton; today \$19.

Tomato juice will be plentiful with the pack expected to hit a peak of 30 million cases.

Women's buyer resistance is having its effects. Retailers in many locales are eyeing expensively priced sheets and towels that found their way to shelves when cotton prices crashed. Though prices are holding firm, best opinion is that a break will come soon.

WARM UP the HOME
By Diane Greeter

Hot Water is an Easy Luxury

ONE feature that the modern homemaker will certainly not ignore in planning a new home or remodeling an older one is abundant hot water. The value of hot water in protecting health, furthering comfort, and shortening hours of household work is well

understood by home economists. The easy and obvious means of supplying the home with abundant hot water is an automatic gas water heater which will deliver water at desired temperatures and in desired quantities at the turn of a faucet. Modern methods of fuel distribution make this indispensable household tool available all over the country. In the cities, utility gas provides the perfect fuel for water heating because of its cleanliness, speed, and economy both in cost and in space required for the heating unit. In the suburban or country or farm home, liquefied petroleum gas—"bottled" or "tank" gas—give the same service and are supplied by dealers whose delivery systems blanket the nation, leaving no home more than one mile from a scheduled route. It should always be remembered in selecting a heater, that need for hot water varies with the seasons, the number in the family, and other factors. A heater with capacity exceeding the greatest expected demand is a wise choice. It will insure uninterrupted satisfaction.

Milton Finsterwald, Albert Newman, and the guest, Mrs. Emma Williams. The next meeting will be in the home of Mrs. R. R. McClesky, January 23, at 2:00 p. m.

BARBECUES POPULAR IN MIDWEST

What to build up stronger local demands for poultry? Then get together with your neighbors and put on chicken barbecues for such civic groups as Rotary, Kiwanis, and Lions clubs, Farm Journal advises.

That's the suggestion of J. M. Moore, extension poultryman at Michigan State College. He says sales of poultry have gone up 50 to 75 percent in some towns after he has put on these barbecues.

The barbecues are out-of-door affairs, held where half-broilers can be grilled over the charcoal fires. (There's no reason why they could be served in a hall, though, if there's a place outside to do the cooking.)

"There's something about the aroma of barbecued chicken that whets the human appetite," Moore says.

The idea also has the merit of getting poultrymen and city businessmen better acquainted with each other.

Hereford Breeders Sale And Show To Be Held At Pampa Soon

Directors of the Top O' Texas Hereford Breeders Association have plans about complete for their Third Annual Show and Sale to be held at Pampa, Texas on February 24th and 25th.

Colonel Earl Garin of Greenburg, Indiana and Walter Britten of College Station, Texas have been employed to cry the sale.

Forty bulls and twenty females will be sold from the best herd in the Top O' Texas area. A chuck wagon dinner has been arranged for members and guests at Recreation Park on the evening of the 24th.

The Top O' Texas Junior Livestock Show featuring fat calves, pigs and lambs of 4-H and FFA organizations in Gray and Roberts counties will again be held in connection with the breeders show and sale. The Junior Livestock show is sponsored by the Agriculture Committee of the Pampa Chamber of Commerce.

The Lions, Rotary, and Kiwanis Clubs of the City are cooperating in the Junior Show by offering beautiful Silver trophies in each of the three divisions supplementing the cash prizes offered by the Chamber.

L. A. Maddox is president of the Hereford Breeders Association, and Floyd E. Imel is chairman of the Chamber Agriculture Committee.

Old Age Assistance Payments Are High

Monthly payments in the form of Federal Old-Age and Survivors Insurance amount now to \$25,343.22 in the Amarillo area, according to a statement from J. R. Sanderson, manager of the Amarillo Social Security Field Office. This represents, according to Sanderson, an increase of 12 percent in total payments and 10 percent in the number of payees as compared with July 1, 1946.

Although an increase was expected, the unusually large increase was no doubt due to the

beginning of monthly payments to survivors of World War II veterans in those cases where the veteran has died within three years of his discharge. Legislation authorizing such payments was passed in August of 1946, and since that date there has been a steady increase in the number of such claims filed in the Amarillo

office. Payments to veterans' survivors are retroactive to the date of death of the veteran if a claim is filed before February 10 of this year. After that date payments are retroactive for a maximum of only three months, as in order of Social Security payments. For this reason, survivors of deceased veterans are urged to contact the

Amarillo field office as soon as possible. In the 26 counties served by the Amarillo office there are 1,622 persons drawing monthly payments, 540 of these are retired workers, 150 are wives of such workers, 669 are children of retired or deceased wage earners, and 263 are widows of deceased wage earners. In addition to the

regular monthly payments of \$8,954.52 in benefits was paid in the last six months where none of the entitled to monthly

BE SURE OF YOUR FUTURE

Yep... this is "Cotton Ed" on another visitin' spree... it says "Be Sure of Your Future"... well now folks, I'm sure of my future. I guess as anybody on account we all got some kind of a future. But, the thing that stops me is... when does my past stop and my future begin. Maybe if a feller stops to think... he realizes that the present makes the future and the past. Take Cotton Farmin'... that's my business... we Farmers just ought to do our business with men today that we can depend on tomorrow... "Pa" used to say, "Some men are like a tack... they can't go any further than their head will be 'em." So... I been thinkin' a little... if we want a profit in the future we better do business with them that is agoin' to have a Profitable Future to offer... I'll be around again!

Sincerely,
 Cotton Ed

QUESTIONS & ANSWERS

Q—Is a veteran of World War II entitled to emergency ambulance service to a VA hospital or other government hospital in which VA has beds allocated, if the occasion arises?
A—Yes. When a veteran or his representative contacts a field station requesting emergency ambulance service the chief medical officer or his designate will get all information possible about the case and

will grant authority, if warranted.
Q—I was captured by the enemy during World War II and was a prisoner of war camp for 15 months but my claim for disability has been denied by Veterans Administration. What can I do now that the disability is getting worse?
A—Veterans Administration will give special consideration to disability claims filed by veterans interned in enemy prison camps. You should get in touch with your nearest VA office and have your case reopened.

Q—I am going to school under the G. I. Bill. My eyes didn't bother me while I was in the service, but they bother me now when I try to do very much studying. Will VA pay for a reader to read some of my textbook assignments to me?
A—No. Veterans with visual impairment are eligible for reader service only if they are enrolled under the Vocational Rehabilitation Act. (Public Law 16).

The Veterans Administration is training many doctors in Texas, Louisiana and Mississippi in psychiatric work because of the national shortage of trained psychiatrists. Dr. Oscar E. Hubbard, chief of VA's Neuropsychiatric Division in the Dallas Branch Area, said.

About 4,000 veterans are now in VA hospitals in the three states for treatment of neuropsychiatric troubles. It is anticipated that many thousands more will require treatment on an out-patient basis in the mental hygiene clinics VA is establishing in the Southwest.

William Bendix, the stage and screen star, is coming to the Southwest to visit patients in Veterans Administration hospitals. Roy E. Eury, VA's Special Service Director at Dallas, reports.

The actor is booked for visits to hospitals at Dallas, Amarillo, New Orleans, and Jackson, Mississippi. He will be in the Dallas Branch Area from January 19 through January 28.

Women veterans, who are entitled to the same medical care as male veterans, in addition may receive treatment for non-service-connected disabilities from private physicians and in civil hospitals, VA reports.

VA estimates the potential load of women war veterans in the United States at 350,000. As of November 30, VA had only 1,339 women patients.

Veterans can speed up the service they receive from the Veterans Administration by taking extra care to identify themselves in their correspondence with the agency. Jefferson E. Kidd, Director of Contact and Administrative Service in the VA's branch office at Dallas, reports.

Kidd advised all veterans to give their full name and the identifying VA file number when writing to the VA about their insurance, pension claims or other GI benefits.

"If the veteran does not have his file number, he will get a more prompt reply from us if he gives his date of birth, his service serial number, his date of enlistment or discharge from the

IDENTICAL NAMES, WOUNDS, JOBS, CARS

Rudy M. Hernandez (left) and Eugene C. Hernandez are not relatives, but their war and post-war lives run a remarkable parallel. Both enlisted in Army from Texas, each lost a leg in ITO, both were hospitalized at Brigham City, Utah, both married Ogden girls while recuperating, both were discharged late last year, both work as forklift operators at Clearfield naval supply depot and both recently obtained identical new cars from the Veterans Administration-administered program.

service or some other information to help us identify his file," the VA official said. "There are more than 1,000 John Smiths in the VA files of this area, so you can see how important it is that we have a man's middle name and as much other information as possible to help us identify him."

QUARTER HORSES and HEREFORDS

I will sell at public auction at my 11,000-acre ranch, 7 miles east and 4 miles north of Wheeler, Texas, 36 quarter horses, 100 white face cows and all my farming equipment.

Tuesday, Jan. 21, 1947, 10:00 a. m.

40 HEAD HORSES

An outstanding group of High Bred Quarter Horses. The foundation mares were all sired by Buster Brown. Buster Brown was sired by A. D. Reed, by Peter McQue. Buster Brown was raised by John Harrold of Canute, Okla. 13 mares are sired by Buster Brown. There are bays, grays, and sorrels. All are eight years old. All these mares are bred to Palomino Quarter Horses.
 In the grouping are 12 head of 2 and 3 year old geldings and fillies and 7 sucking colts sired by Rivers, a Waggoner bred Palomino Quarter Horse.

100 HEREFORD COWS

100 good white face cows, 3 to 6 years old, bred to registered bulls. I have had nothing but registered bulls for the past 35 years. This is as good a bunch of grade cows as there are in the Panhandle of Texas. These cows will be sold 5 and 10 in a lot.

Daughterly-Atherton Vows Are Read

Miss Sammie Lee Daughterty, daughter of Mr. and Mrs. S. W. Daughterty, Sr., of Briscoe and Darville E. Atherton, son of Mr. and Mrs. Floyd Atherton, also of Briscoe.

Members of the immediate families witnessed the impressive double ring ceremony which was read at 3:30 o'clock in the home of the brides parents by Rev. S. Y. All-

good, pastor of the Wheeler Methodist Church.

For her wedding the bride chose a light blue tunic suit with grey fur trim and wore accessories of black.

Miss LaDell Atherton, sister of the groom, was maid of honor and wore a street length dress of black and aqua crepe, accented with accessories of black.

Darrell Atherton, brother of the groom, served as best man.

Mrs. Atherton is a graduate of the Briscoe High School, graduating with the class of 1944, and attended Hardin-Simmons at Abilene. For the past five months she has been teaching in the Briscoe schools.

The bridegroom was a 1942 graduate of the Briscoe schools. He received his discharge from the Marines in February of 1946, after serving 22 months in the South Pacific.

The young couple are at home in Borzer where Mr. Atherton is employed.

Mobeetie Girl Is Married Recently

Miss Clea Davis, daughter of Mr. and Mrs. Wylie Davis, Mobeetie, became the bride of Oliver B. Trimble, son of Mr. and Mrs. Finis Trimble, Hale Center, at 9 p. m., January 1 in the Central Baptist Church.

The impressive double ring ceremony was performed in a candlelight setting by Evangelist Dan Vestal, Greenville.

An altar of palms lighted by cathedral tapers in candelabra form served as the backdrop for the nuptial services.

Wearing a blue suit, made of the same material as that of the groom's suit, with a white blouse trimmed in lace, the bride was given in marriage by her father. Her hat was made of gardenias and trimmed with a veil that hung down to her shoulders. Her corsage was of white carnations and she carried a white Bible and white gloves. Following the tradition of "something old, something new, something borrowed and something blue," the bride wore her mother's wedding band, and other accessories to carry out the tradition.

The traditional wedding music before and after the ceremony was played by Mrs. W. L. Ayers who also accompanied Mr. Kenneth Trimble, cousin of the groom, who

Q. What are the principal breeds of dairy cows in the United States?
A. Principal breeds in the United States are:
Ayrshire—from Scotland—first imported 1822.
Brown Swiss—from Switzerland—first imported 1809.
Guernsey—from Island of Guernsey—first imported 1818.
Holstein—from Holland—first imported 1857.
Jersey—from Island of Jersey—first imported 1815.

Q. Should any special precautions be taken with a sow just before she is due to farrow?

A. Yes. The farrowing pen should be thoroughly cleaned and disinfected and the floor lightly covered with a bedding of clean, dry straw. The sow should be moved into the farrowing quarters about five days before she is due to farrow. This can be done easily if the proper breeding records are kept. Before putting the sow in the farrowing pen, wash her thoroughly with soap and water and then spray or sprinkle her with a good disinfectant, such as Purina Chex-R-Fect. This is an important practice in a sanitation program for the control of disease and parasites.

Q. Should rabbits be test mated?

A. Yes. It is good practice to breed the doe 18 days after she is bred for the first time. Do not try her before 18 days, because, if she has not conceived, it is quite likely she has what is known as "false pregnancy" and will not conceive until this condition has passed away, which is about 17 days after the first breeding. If the doe avoids the buck, she should be force mated, because the reaction of the doe towards the buck is no indication of her condition regarding pregnancy, whether it is the first breeding or succeeding breedings.

Q. How wide should cow stalls be?

A. They should be "at least 3'8" wide for Guernseys and 4 ft. for larger cows. Most stalls are too narrow. Construction men say that wider stalls demand a wider barn to house the same number of cows, but the height of the hay mow can be less, so that the barn will cost about the same.

sang, "For You, For Me, Forever More," and, "Together."

Prior to the nuptial service the altar candles were lighted by Mr. and Mrs. Floyd Crow. The Crows were both attired in brown and

Mrs. Crow wore a corsage of yellow carnations.

Herbert Trimble, brother of the groom, served as best man.

The maid of honor, Miss Wylene Davis, wore a beautiful blue dress trimmed with pink carnations.

Mrs. Davis, mother of the bride, was attired in a black crepe dress with a corsage of gardenias. Mrs. Trimble, mother of the groom, was also dressed in black with a corsage of gardenias.

Prior to the wedding a supper was served in the brides home, Mobeetie, for immediate relatives and members of the wedding party.

Mrs. Trimble, before her marriage, was employed for two years by the civil service commission, she is a graduate of the Mobeetie High School. The groom, a graduate of Dinuba, Calif., High School, served with the U. S. Navy for two years.

Following the wedding the couple left for New Orleans, La.

on a honeymoon. They will reside in Pampa upon their return.

There's EXTRA SAFETY in the Tire that OUTWEARS PREWAR TIRES

While many postwar products are still in the dream stage, one is not... the new postwar B.F. Goodrich Silvertown that OUTWEARS PREWAR TIRES.

It's been produced... and what is more... in the past twelve months it's been delivered to car owners in greater quantities than any tire in B. F. Goodrich history.

Of course, many car owners have heard about the thousands of extra miles of service from the broader, flatter tread that covers more road area and gives greater protection against skidding. They know about the 35% stronger cord body that gives better resistance to road shocks and bruising. It's no wonder the factory's out-

standing production has been taxed keeping up with this extra demand.

But this is one product you can take out of your dream book... it's here. If you'll be needing new tires soon... check with us today for the tire that's worth much more but costs no more—the B.F. Goodrich Silvertown that OUTWEARS PREWAR TIRES.
