WHEELER BOYS WIN FIRST PLACES IN ANNUAL PIG SHOW

Wheeler County held its annual 4-H Club pig show at Shamrock Thursday. Odis Calcote, member of the Wheeler 4-H Club, exhibited the best breeding gilt and received \$4.50 as a prize.

In the barrow and open gilt class, the best animal was that shown by Bennie Westmoreland, Wheeler Future Farmers of America member, who won \$4.

Best boar in the show was one entered by Charles Burton Welty, Twitty 4-H Club. His award was \$3.25.

There was only one entry in the sow class, a pig entered by Allen Martin, Briscoe 4-H Club, who won \$4.50.

Total number of entries in all classes was 28, Charles V. Hanning, Wheeler assistant county agent, said.

Prize winners, besides the ones listed above, by class of pig entered, name of exhibitor, club, rank and award:

Breeding gilts — Frank Vines, Twitty 4-H, second, \$3; R. T. Reeves, Twitty 4-H, third, \$1.50; Kenneth Vines, Twitty 4-H, fourth, \$1; Bennie Westmoreland, Wheeler FFA, fifth, \$1.

Barrows and open gilts 225 and over — Tom Laman, Jr., Mobeetie 4-H, second, \$2.50; Bryan Close, Shamrock 4-H, third, \$1.50; J. R. Pennington, Shamrock FFA, fourth, \$1.

Boars — Jimmie Ray Wegner, Twitty 4-H, second, \$2.25; Bennie Westmoreland, Wheeler FFA, third, \$1.50.

Of the barrows and open gilts over 225 pounds, there were six entries. These entries were all fine specimens of pork on foot.

Of the boars, there were three entries. The first place winner being a senior boar of the Charley Frantz stock. The second place winner was a junior boar from the W. A. Williams stock. The third place winner was a junior boar from the J. R. Oliver stock.

Most interest and enthusiasm was shown during the judging and throughout the day. Many visitors came by and complimented the boys on the fine hogs that were present. The day was spent very profitably for all boys and hog enthusiasts.

Homer Brumley of Hereford acted as judge.

Allison, Briscoe Get First Bales Of Cotton

Pedro Mecias who resides northeast of Briscoe in Hemphill county brought a load of 1,850 lbs. boll cotton to the Briscoe Gin last Thursday and received a 540 pound bale of lint cotton for the first bale of the season in that community. B. F. Holland, gin manager said this week. Holland said that Mecias also delivered the first bales to the Allison gins and the other gin at Briscoe. The cotton was reported to be of very good staple.

Barney Burgess, manager of the Wheeler Co-op Gin, said this morning that nine bales of cotton had been turned out at the local gin and all cotton that had been graded had graded 13-16 staple or better.

Wheeler County NFLA Members Meet Oct. 3

Notices of the first annual meeting of the Wheeler County National Farm Loan Association were sent out this week.

The meeting is to be held in the Rogue Theater building at Wheeler Tuesday, October 3, 1944 at 2:00 p. m. All stockholders of the Wheeler County National Farm Loan Association are urged to be present at the meeting and all borrowers, either from the Land Bank Commissioner, which is ordinarily known as the Federal Farm Mortgage Corporation, and all persons who own land sold to them under a deferred payment plan either by the Federal Land Bank or the Federal Farm Mortgage Corporation are extended a hearty invitation to be present. R. H. Forrester, secretary-treasurer states.

There will be some important business for the stockholders to transact. In as much as the Wheeler County National Farm Loan Association is a new corporation and its present board of directors was only appointed temporarily until the stockholders could elect a regularly constituted board of directors, there will be five directors to elect, two of whom shall serve for three years, two of whom shall serve for two years and one of whom shall serve one year. Since this is an annual meeting of the stockholders, any other business that any officer of the association or any stockholder of the association thinks to be important enough for action by the stockholders, may be transacted.

There will be distributed at the meeting a 5 per cent dividend on all stock owned by the stockholders of the association and the officers of the association are taking this opportunity to disburse the regular annual 5 per cent dividend. "It is hoped and deemed entirely possible that such a dividend will be paid each and every year hereafter," the secretary stated.

After the business has been transacted the borrowers will be entertained with an excellent motion picture free of charge. This picture is called "The Conquering Hero" and is a comedy worth anyone's time to see.

The association reports ten new loans made since its consolidation and a clear operating profit of \$222.15 up to and including August 31, 1944. It is one of the large financial institutions of Wheeler County, being capitalized in the amount of \$100,000.00 and having a charter from the Department of Agriculture to operate in Wheeler County, Texas. Memphis Cyclones Down Mustangs

The strong Memphis Cyclones and their power house drives proved too much for the lighter Wheeler Mustangs in their first home game of the season last Friday night when the local lads were defeated 33 to 6. The lone score for the Mustangs came late in the fourth quarter when a successful passing attack accounted for the tally. The Mustangs have no game scheduled for this week but will encounter the Amarillo Yankees Friday Oct. 6. Oct. 13 the Mustangs will invade the Shamrock gridiron for their third conference tilt.

WAC RECRUITERS WILL BE HERE MONDAY

Those interested are reminded again that a WAC recruiting team from Amarillo will be in Wheeler Monday, Oct. 2, to interview women who are eligible for the Woman's Army Corps. Any one who wishes to contact the recruiters may do so by leaving her name with the local postmaster.

PUBLIC SALES

H. M. Sims who resides 1 1/2 miles southeast of Mobeetie, has announced a close-out sale of cattle, work stock, farm equipment and miscellaneous items next Tuesday, Oct. 3, beginning at 1:00 p. m.

Green and Pettit are listed as auctioneers and Bill Godwin as clerk.

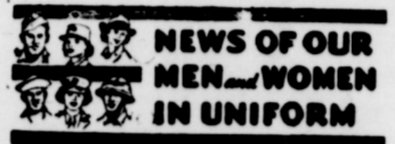

Miss Betty Inez Hunter who has been training at Pittsburgh, Penn., with the Nurses' Corps, arrived in Wheeler Friday night for a visit with her parents, Mr. and Mrs. R. G. Hunter. She expects a call to active duty in the near future.

Mrs. Floyd Atherton, Briscoe, was a Wheeler visitor Wednesday.

Mrs. Holt Green and Mrs. Buford Conwell were Pampa callers Saturday evening.

REV. E. J. PROBST, pastor of the Pilgrim Holiness Church, known as The South Chapel, located 10 miles northeast of Mobeetie, states they have just closed a good revival with Rev. and Mrs. J. W. South and announces the beginning of regular services each Sunday afternoon. Sunday School will begin at 2:30 o'clock and preaching services at 3:30 o'clock.

Awarded Air Medal

15th Air Force in Italy — Technical Sergeant Elvis M. Moore, 26, of Wheeler, radio operator-gunner on a 15th Air Force B-17 Flying Fortress, has been awarded the Air Medal, for meritorious achievement in aerial combat.

Sgt. Moore attended Wheeler high school prior to entering the Air Forces. In civilian life he was employed at the monument works of the Shamrock Memorial Company.

Sgt. Moore is the son of Mr. and Mrs. James C. Moore, of Wheeler.

PURCHASES WAR BONDS

An Eighth Air Force Fighter Station, England — Cpl. Rufus W. Beck, son of Mr. and Mrs. M. S. Beck, of Mobeetie, is one of the war bond purchasers who helped his P-51 Mustang station reach a record-breaking total of \$111,000 in the Eighth Air Force "Victory Squadron" bond drive, surpassing all other groups in the Eighth Fighter Command.

Aiming at an original quota of \$53,000, he and his fellow soldiers — members of the fighter group commanded by Col. Harold J. Rau, of Hempstead, N. Y. — more than doubled that figure in a five-week all-out bond drive. The money will go towards the purchase of a Victory Squadron of airplanes, bought entirely by personnel of the Eighth Air Force.

Cpl. Beck, whose wife, Mrs. Margaret Beck, lives in Mobeetie, is a wire chief in a Signal Corps.

AT KLAMATH FALLS, ORE.

Marine Pfc. Edmond D. Davis and Marine Cpl. William I. Davis of Kelton, both veterans of the Marshall Islands campaign, are now stationed at the Klamath Falls, Ore. new and unique Marine Barracks where Leathernecks returning from overseas are sent for treatment of tropical ailments.

First unit of its kind to be established, the Barracks is situated 4800 feet above sea level in a mountain valley near Klamath Falls.

Outstanding specialists in tropical ailments have been brought from the civilian field into the Navy medical corps to care for the men at this post. The high altitude and stimulating climate of this area have already proven of great benefit to the men stationed here, and the natural resources of the surrounding country enable the Marines to engage in many outdoor activities.

Hunting and fishing are popular, and participation is encouraged by the officers in charge. Sports, together with performance of regular Marine duties, carefully watched over by Navy doctors, are rapidly rehabilitating many of the youthful veterans.

They are the sons of Mr. and Mrs. Claude D. Davis. Mrs. William I. Davis now resides in Klamath Falls.

Dale Hiett, gunner on a merchant marine ship and his parents, Mr. and Mrs. L. A. Hiett of Cheyenne, Okla., spent Sunday with Mr. and Mrs. O. D. Arganbright and Mr. and Mrs. Narville Arganbright and son. Young Heitt had several souvenirs with him, among which were a Japanese parachute and a watch band made from parts of Jap Zeros.

Wayne Rogers S3c left Tuesday for San Diego after spending a ten day furlough with relatives here. Rogers has been stationed in Florida.

HAVE YOUR FENDER DENTED, MISTER... IT'S NEW FAD SWEEPING OVER WHEELER

An unexpected new fad struck Wheeler this week. It's something new and something different and got under way early Monday. It isn't the latest design of wearing apparel or hair-do, but something new for your car and you must have from a 1939 model to a sleek 1942 product to be eligible.

To be up to snuff now it is necessary to have a nice crease in the flowing contour of your jalopy's fenders or sweeping 3 cornered dent in one of its doors or front grill and head lamps bent back to the place usually occupied by the motor's fan.

The Lee Guthrie's 1942 Chevrolet was the first to undergo this partial change of design when it collided with a milk truck at the intersection at northwest corner of the square, but for only Monday and most of Tuesday did the two-tone job hold honors for its departure from original styling. Tuesday evening, neighbors called on the Guthrie's and the V. B. Hardcastle's Ford, Novella Vanpool's Ford, Clara Finsterwald's Chevrolet and the R. H. Forrester's Chrysler were parked out in front when the H. M. Wiley's Chevrolet collided into the Hardcastle car bouncing it against the Vanpool car, it against the Finsterwald car and it against the Forrester car. So, there's a whole half dozen of 'em now... who's next?

No, nobody was injured.

Last Rites Conducted For Mrs. M. W. Jones

Funeral services were held at four o'clock Tuesday afternoon from the Wheeler Baptist church for Mrs. Dora Jones, 72, who passed away suddenly early Monday morning. The husband, M. W. Jones; two sons and three daughters survive. One son and one daughter, preceded their mother in death.

Mrs. Jones was born in southwest Missouri December 28, 1871. She and Mr. Jones were married at White-wright, Texas October 8, 1902 and had been residents of Wheeler since November, 1928.

Surviving children include: R. E. Jones, Ft. Worth; J. C. Jones, Amarillo; Mrs. M. M. Sanders, Wheeler; Mrs. H. L. McCarley, Ft. Worth; Mrs. Eugene Skaggs, Oklahoma City. Three brothers, Otto Simmons, Seaworld, Mo.; J. A. Simmons, Floresville, Texas and Rev. G. W. Jones, Wheeler and sixteen grandchildren also survive.

Palbearers included Roy Weatherly, Curtis Pond, Harold Hill, R. A. Lyle, Floyd Pennington and Tom Bradstreet.

All the children and all but three of the grandchildren were present for the last rites that were conducted by Rev. P. D. Fullingim, local Baptist pastor. Interment was in the Wheeler Cemetery under the direction of the Hunt Funeral Home.

Mechanic And Welding Course To Get Under Way Next Monday Night

Starting next Monday, Oct. 2, at 8:00 p. m. in the Wheeler school Vocational Agriculture shop building will be a mechanic and welding course taught by Otis Reid and Joe Tilley, Jack Spence, local Vocational Ag teacher and sponsor, announced this week.

The course is similar to those carried on last year by the government with the purpose of the course being to train mechanics and welders as well as to get cars, tractors and farm equipment worked upon and repaired.

On Monday, Wednesday and Friday nights Reid will be in charge to help with work on the vehicles and farm implements and Tuesday and Thursday nights Tilley will be on hand to give instruction on welding.

Spence said that those wishing to take advantage of the courses could participate in both at the same time if they would devote the five nights per week to them.

All who are interested in either or both the training courses are asked to see Reid, Tilley or Spence and to be on hand at the Ag. building Monday night.

Good Rain Falls Over Entire Area

Slow, ground soaking rains have fallen over the entire Panhandle area Tuesday night, Wednesday and Wednesday night. The fall locally has amounted to about one and five-eighths inches. While considered of little value to cotton and feed crops, the rain is of much benefit to range land and wheat crops. Cotton picking is just getting under way and the harvest of grain crops had begun in most sections of the county.

CEILING PRICE IS PLACED ON COTTON HARVEST

Thirty-one counties in this area petitioned the State Food Administration Wage Board to establish ceiling prices on cotton pulling under the Fair Wage and Hour Act in a manner which could be enforced, county agent Jake Tarter reports.

Final hearing was held in Paducah September 21 and representative farmers and laborers from the 31 counties were invited to attend. All counties, including Wheeler county, were represented.

The group voted to place a ceiling price of \$1.50 per hundred on cotton pulling with the general understanding that the pulling price would begin at \$1.25. The Wage and Hour Act provides: enforcement by the Internal Revenue Department and the U. S. Department of Labor to the effect that if the counties present petitions which are necessary to put the provision into effect, any farmer exceeding the \$1.50 per hundred without first having an inspection by the County Wage Board, will be deprived by the Internal Revenue Department to deduct amount paid for cotton pulling from his income taxes and the U. S. Labor Board will have the privilege of applying a fine of \$1,000 and one year imprisonment. However, anyone can pay any amount under the \$1.50 per hundred that they can get cotton pulled for as there is no minimum wage set.

"In case \$1.50 per hundred is paid, the puller will get \$32.90 for pulling the average bale of cotton; the producer, after paying rent and pulling, will receive \$30.10 and the War Food Administration Labor Board considers that if the puller gets as much for pulling a bale of cotton with a short time devoted, or as a producer gets for producing a bale during the year, that would surely be fair to the puller," the county agent stated.

Wheeler county was represented at the meeting by C. A. Dysart, Mobeetie, and J. Z. Baird of Wheeler. Baird was spokesman for the county. Thirty of the counties adopted a wage scale. One county, Wichita, rejected it.

Tarter states that Wheeler county has sufficient signers on a petition, together with cards and the One Variety Cotton Improvement Organization to place the plan into effect. The plan will not go into effect legally, however, unless as many as 16 of the 31 counties get as many as 51 per cent of the cotton producers to sign a petition. Representatives from all counties represented were of the opinion that it would be an easy matter to get a sufficient number of signers to make the provisions effective.

Center Will Help In Preparing Foods For Shipment Overseas

The Wheeler Canning Center is still going in full swing with a number of persons canning peas, tomatoes, hot-tamales, ranch style beans and sweet potatoes, Mrs. Bill Perrin, local instructor, says.

Mrs. Perrin invites all who want to send cakes, candy, nuts or similar foods to the overseas soldier to go to the center and prepare it for shipment by sealing it with the electric sealer since postal authorities are asking that such foods be sealed. Several women have already used the center in preparing and sealing the Christmas goodies for overseas mailing.

The canning center will remain open until Dec. 22 if there is need for it that long. Those in charge invite those desiring to can meats, any type, to use the center and its facilities to get the job done.

NEPHEW OF F. B. AND CICERO CRAIG IS KILLED IN ACTION

Word has been received from the war department by Mr. and Mrs. M. M. Craig, Jr., of Miami that their son, Captain Newton V. Craig, 24, was killed in a vehicle accident, Sunday, Sept. 17, somewhere in the Asia war theatre.

Captain Craig, who is a nephew of F. B. and Cicero Craig of Wheeler, was born May 22, 1920 in Miami, was reared there and after graduation from the Miami high school spent four years at Texas A. and M. College, from which he entered the army as second lieutenant three years ago. He has been in foreign service since November, 1943 and was in the quartermaster corps. He has a younger brother, Frank, also in the service.

The last word received from him by his parents was a letter written on July 26, in which he stated he had been in a hospital with malaria fever, but was much improved.

Congress has sensibly voted down all attempts to secure unemployment compensation for the men and women whose work will be stopped when war ends. Each state must take care of their own and the states are in actual touch with the needs at home than would be the government.

There is some doubt as to any great amount of unemployment after the war. There is need of thousands of men at home to carry on every line of business. True there may be five men to do one man's work at home and the wage scale will not be excessive, but there will be a job and a good living for many more than politicians would have one believe.

A certain paper published in Texas is still sniping at Gov. Stevenson, but we are glad to live under an administration that quietly attends to business without fuss and feathers. Speaking of editors, there are very few of the old-fashioned kind that like to refer to themselves as "militant," and while their writings make interesting reading for a time or two, any kind of "one-string" music becomes tiresome very quickly.

—McLean News

Unemployment must be expected with the end of the war against Germany. Government men estimate that there will be two or three million out of war jobs within 30 days after German war ends and that four to four and one-half and maybe five million will go out by spring. Most of these workers will probably find other jobs in private industry but there will be much unemployment.

A farmer likes the suggestion of The News that farmers should organize and dictate the program of their organization before Sidney Hillman and the CIO steps in and gets control. The Farm Bureau is the farmer's organization. Unfortunately there have been too few farmers throughout the nation who have been sufficiently politically alarmed to take the necessary interest in their own organization. CIO has a group of smooth organizers. They have a bunch of ministers and college professors who can talk rings around the average farmer when it comes to organization. CIO is spending huge sums of money in the attempt to line up the farmers for just one reason — political. So far as the future welfare of the farmers are concerned, CIO does not give a whoop about this mere consideration. Hillman needs dues to extend his political activities, and he wants and needs votes to put his henchmen in office. The farmers should consider the situation very seriously before they join any organization which is sponsored by Sidney Hillman. He will not get far in the Panhandle, but may be more successful in other sections of the country.

It is difficult for Americans to understand the Junker, and even more so to understand the centuries old subservience of the German people to Prussian domination. In Germany, Frederick the Great and the Junkers successfully used the iron hand to start the people on the road to subjugation. The Junkers under succeeding Kaisers and Bismarck fashioned the German mind into the enigma that it is today.

The word Junker is derived from "Jung Herr" meaning your master. The Junkers in their East Prussian homeland are in part descended from the medieval "Kreuzritter" or Knights of the Cross. These knights made a fetish of militarism and terrorized the peoples of the Baltic lands. Their descendants have carried on that militaristic tradition down

...speak no evil!

"There is only one evil", wrote Socrates, "that is ignorance." And ignorance it obviously is, which sometimes prompts the careless car-owner to say that all motor oils are alike, that there is no difference between any of them.

Oils vary in chemical composition, in stability, in freedom from harmful impurities, in lasting power, in ability to maintain viscosity, and in many other ways as well.

That is why all intelligent car-owners naturally prefer a quality oil. But not all of them know the simple, easy way to be sure of getting it, as explained by the following facts:

Phillips offers a number of oils because car-owners' preferences vary almost as much as their cars and pocketbooks. But when you want our best oil, remember Phillips tells you frankly that Phillips 66 Motor Oil is our finest quality... the highest grade and greatest value... among all the oils we offer to average motorists.

Figure the cost per year of draining and re-filling with quality oil every two months, as experts advise, as against the cost of using cheap oil; and it is plainly foolish economy to take a chance. So when making the seasonal change from summer-worn lubricant, get quality by getting Phillips 66 Motor Oil.

No Sit-Down For Germans

It is hoped that when the unconditional surrender comes from Germany, it will be with an authorized command doing the surrendering. We can even now remember the surrender of Badoglio and how he could only concede parts of the army since the Italians didn't give up. It consequently took us practically a year to take a country that had presumably surrendered. So when Germany is defeated we must have proof that it is an over-all surrender. Those who will act as representative of all the government, must willingly arrest the leaders of the Nazi party, the Gestapo and all of those criminals that the Allied Nations feel should be delivered into their hands for just punishment. It is also necessary that Germans, after the war, shall not be allowed to passively sit by while the invasion forces feed them, work to clean up their political mess, wipe out the Nazi party power, police the territory for order. Germans should do part of this job themselves, since it means that if the majority of them are inclined to rebuild the nation, to restore homes, their right to freedom by proving they want liberty, they then can convince the world that Nazism is at an end, terrorism repelled. To make them want to do it is one thing, to see that they do it another. We are going to be hard to convince, but it is up to the Germans to show us.

Outmoded

After reading a recent criticism of the navy uniforms worn by the enlisted men in that service, we heard a man remark that it had not occurred to him before but that when you think about it, we streamline our ships and keep them on 1944 lines, yet sailors wear uniforms that were designed about 200 years ago. Take the broad middie collar for instance. In the 1700's the insects were so thick that they deloused the sailor by using tar oils on his hair. The large collar caught the dripping tar. The bell-bottomed trousers were for rolling up in order to scrub decks. Today they use dungarees for this work. Imagine a sailor trying to remove one of those tight fitting middies while he is in the deep, attempting to be free to swim! Any columnist who can further the cause of the sailor's wardrobe, deserves space, in spite of a paper shortage.

Looking Ahead

Food administration officials mention that the future outlook for beef for households, is to point to a poorer grade and fewer cuts. The WFA had previously asked for 50 per cent of beef of Army grade. Now slaughters, operating under the Federal inspection, are asked to set aside 60 per cent. The quality of beef reaching the market is of such poor grade that the armed forces can't get enough to supply them under the 50 per cent order. This gives you an idea of next winter's chances for steaks and roasts. We face a sugar reduction, also. In many parts of the country sugar supplies are at an all time low. It is predicted that the Cuban sugar supply will be less. They will take a large tonnage of raw sugar for alcohol for synthetic rubber. We see sweetness curtailed a bit, but we still will be a long ways off of a hardship standard.

Ran into my old friend, Tom Bryant of Cross Plains recently, and the sight of the veteran oil operator brought to mind the story of the biggest high gravity well in the history of the oil industry near Pioneer, in southwestern Eastland County.

Bryant had drilled in a well on the Bryson in May, 1922, (one of six wells he was putting down for Tom Slick, "king of the wildcaters") for 7,200 barrels of 47 gravity oil a day and all the tanks that Bryant could find he bought and had them rushed to the new gusher. Then a week later just across the road, the Eakin No. 4 (another of the Slick wells that Bryant was drilling) came roaring in for 20,000 barrels a day.

This monster hurled a six-inch stream to the side through the control head and still had enough oil that another stream went through the top of the derrick. He dared not pinch it in as he had used second-hand pipe in order to stretch the limited money available as much as possible.

The road between the two wells

to the present time. Junkers organized the German General Staff, and through it they have always dominated the Army and Navy.

Before any attempt to reeducate the German people can be made with hope of success, the Junker influence must be stamped out. The attitude of the Junker toward the ordinary civilian is illustrated by the famous reply of General von Ludendorff when he was asked to surrender to the Allies in 1918 for the sake of the suffering German nation. "The Nation?" sneered the General. "The Nation can polish my boots."

STUDENT EYES NEED GOOD LIGHT

No, Reddy can't really do their sums for young students, or memorize all those tables, but he can solve one big problem—how to see the work with less effort. That's "home work" he knows all about!

Most home study involves hours of reading, writing or drawing. Those are all intense eye tasks that demand good lighting. If too much energy is consumed in the mere attempt to see, study and grades suffer.

Light is priceless. Light is cheap. Your electrical dealer probably has light bulbs now in all common home sizes. You can fill all your empty sockets inexpensively. Then follow these simple rules to get the best use of the light you are paying for:

- Keep lights, reflector bowls and lamp shades clean.
- Use the RIGHT SIZE bulb in each lamp and fixture.
- Rearrange lamps for "double duty"—to serve two persons at once.
- Move lamps closer to the point of use, to shed more light directly on the work.
- Reddy's glad to help with home work if you'll let him. Just make sure your light is right!

Eighth Grade News

The eighth grade organized a Citizenship Club September 8, 1944 and named it "The Elephant Club." We elected the officers as follows: President, Johnny Weeks; Vice President, Bud Harris; Secretary, Junior Anderson; Sergeant-at-Arms, Allen Lackey; Chairman of the Program Committee, Jimmy Ray Wagner. This club meets every Friday. New officers will be elected at the end of the six weeks.

The Golden Rule Club

The Golden Rule club was organized August 31, with the following officers: Richard McCandles, President; Bill Stansell, Vice-President; Wanda Gipson, Secretary; Betty Ogle, Sergeant-at-Arms; Barbara Frye, Chairman of Committees. Wanda Gipson was good citizen for the first week. Alma Cain was the good citizen for the second week.

Girl's Sport

The girls are practicing basketball. We are planning on having a much better team than last year. There are several new players. We have three seniors, Helen Whiteley, Grace Geyer, and Fern Carver. Several freshmen are coming out and are promising to be great players. Only two players were lost last year, Joyce Killingsworth and Frances Davis.

Sophomore News

We have elected our class officers and sponsor for the coming school term. They are: Patricia Adams, Pre-

sident; Neta Joyce Gipson, Vice-President; Nella Jo Hill, Secretary; Virgil Simmons, Reporter; and Mrs. Leo Hubble as sponsor.

We also had charge of the assembly program Monday, September 18. The theme was, life in the army. Everyone seemed to enjoy it, especially the part given by Patricia and Vernon.

Senior News

Our class officers for this year are: Boyd Neal Austin, President; Fern Carver, Vice President; Betty Jean Gipson, Secretary; and Judith Smith, Reporter. We have chosen as our sponsor Miss Mogene Douglas.

Although we have had our class rings a month, we are as proud of them as we were the day we received them. They're beautiful. That is our opinion, as well as the opinion of everyone else.

We are expecting out senior pictures this week. Seems as if they will never get here, but, of course, this is only Wednesday.

Senior Hay Ride

The Senior class sponsored a hayride Friday, September 15. Each class member invited a guest. The class met at the school house, Elmer Ledbetter furnished watermelons. Everyone had a super time and we may try it again sometime.

Grade School News

Juanell Mixon is back in school after being in the hospital.

Miss Rena Johnson taught for Mrs. Bledsoe. Mrs. Bledsoe accompanied her daughter, Mary Lois, to Denton, where she entered T. S. C. W.

Freshman News

The freshman class elected class officers as follows: Kenneth Killingsworth, President; Ray Keelin, Vice-President; Alene Burks, Secretary; and Elwanda Simmons, Reporter.

We are practicing on our program which we will present in assembly Monday, September 26.

Personality

Name, Alene Burks; age, 14; favorite subject, Homemaking; favorite teacher, Mrs. Hubble; favorite sport, basketball; favorite like, to eat; favorite dislike, conceited people.

Our Forward Move

Every year we promise ourselves that we shall do better work in school. Our intentions are of the best, but we usually fail to carry them out. Each of us know that our education is very important; we should try to better it in every way possible. One of the best ways of bettering our education is to put out more effort for it. Although there is a good feature on at the show, or everyone else is going to a certain thing tonight, it would certainly benefit us to stay at home and get our English, history, or some other subject. We all realize that this fact is true, yet we do nothing about it. Let's not let our forward intentions fall through this year. Let's carry them through. We shall be proud of the fact that we did.

Highlights in the World of Sports

The Kelton B team journeyed to Wheeler Tuesday night, September 19, and played the Colts of that school. The Colts were victorious, the score being 19-6. Kelton scored first on a 20-yard pass from Bud Harris to Odis Calcote in the second quarter. The Lions staved off one Wheeler thrust but was unable to stop them the second time. The score at the half was tied 6-6. Wheeler scored again a short time after the third quarter started and again mid-way in the fourth. Kelton was stopped late in the game on Wheeler's five-yard line. The Wheeler team is to play a return game in the near future. Ray Keelin will be able to play in that game. Player of the week: Bud Harris.

Kelton Grade School Club

We organized our club Sept. 8 and have meetings every Friday morning. We named it the "Kelton Grade School Club." We elected Junior Hink President; Peggy Joyce Harris as Secretary; Kenneth Whiteley as Vice President; Lu Jean Carver as Chairman of Committees; Velda Anderson as Sergeant-at-Arms. Red, white and blue are the class colors. Rose is the class flower. We have had five meetings and will continue our club through the school days of this year.

Key Hole Kitty

Wonder why the Seniors are always at the store when the mail runs? Could it be because they are looking for their pictures? Maybe.

Why don't the Kelton football boys like the Wheeler football field? Could it be padded with grass burs? Guess who we saw in Shamrock, September 8th after the carnival Saturday night? Could it be Grace Geyer? We wonder.

Why doesn't Helen get any letters from a certain G. I.? Could it be because he is home on furlough? Yes. Wonder why Fern Carver had so much fun Sunday? Was it because whom she saw?

Whose class ring is Nell Poole wearing? Could it be an ex-senior of Kelton high about two years ago? You guess.

Isn't it about time Peggy Lister found her another boy friend?

Why does David stay in so much the seventh period? Could it be because of whom is up there?

Nice looking car Carol Killingsworth has gotten. Why?

Wonder why Doyle just can't make up his mind which girl he really

(Seal) KATHRYN CARMICHAEL,
Notary Public in and for Wheeler County

The \$225.28 overdrawn on local is for 1944-45 school year and some of the items charged to 1943-44 expenses were for the school year 1944-45.

\$1,966.40 of the above expenditures was for outstanding vouchers and payment of accounts made prior to Sept. 1, 1943.

The school district now owes The First National Bank, Cameron, \$1,600.00 plus interest. J. C. Moore, \$500.00 plus interest, making a total indebtedness of \$2,100.00.

The school now has a balance of \$1,934.42 in the interest and sinking fund. The local tax for the coming year will be divided 75c for maintenance and 25c for bonds and interest. The 25c will furnish a sufficient amount to liquidate all bond obligations due for the coming year. Heretofore the tax had to be divided 50c for maintenance and 50c for bonds and interest.

CHILDREN'S CLOTHING DISCUSSED AT PAKAN CLUB MEETING

"Clothing affects the mental attitude of people. We wear the clothes we like. When we like the way our clothes are made, and their color, we are much happier when wearing them, especially in this true of children. Do not force a child to wear a garment he does not like. Make it over, if possible. Clothes should be neat, clean and well fitted," stated Mrs. Betty Sue Boultinghouse in giving a demonstration on children's clothing at a meeting of the Pakan H. D. Club Friday afternoon at the home of Mrs. W. A. Allen. During a business meeting members elected Mrs. W. B. Bertram as vice president of the club. Refreshments were served to Mesdames Joe Kilman, W. B. Patterson, Paul Macina, Cecil Seago, Boultinghouse, Misses Louise Risain and May Ruth Stauffer. The next meeting will be with Mrs. Paul Macina. Mrs. Seago will give a demonstration on set-in pockets. Members are urged to be present and guests are always welcomed.

MOVIE CHATTER

(By a Rogue)

Frog Millhouse

Yes sir, Folks, we are telling you what is right. Frog Millhouse will be at the Rogue Theatre Friday-Saturday, Sept. 29-30, with Bob Livingston in *Beneath Western Skies*. This will be the first time we have had Frog on our screen since Gene Autry went to the Army. Of course Frog played in all of Gene's pictures before the war, but in this one he will have Bob Livingston who used to play in the *Three Mesquiteers*. We are sure that you will be glad to have old Frog back with us again. There will be two comedies to go with the feature.

The Great Moment

Joel McCrea never lets you down in any picture. You will recall his fine performance in *Union Pacific*. He is just the fellow who can make a big part out of a comparatively minor role. We feel sure that with Betty Field in the cast and Joel in the stellar place, that *The Great Moment* will be altogether to your liking. The date is Prevue-Sunday-Monday, Sept. 30-Oct. 1-2.

Pete Forrester

Tuesday afternoon, Oct. 3, at 3:00 P. M. there will be a special matinee at the Rogue for all members of the National Farm Loan Association of Wheeler County. The showing of *The Conquering Hero*, with Eddie Brackeen, will be preceded by a business session of the N. F. L. A. of which Mr. Forrester is Secretary-Treasurer. Members are urged to be present for the business and the free show also. Then, Tuesday night, October 3, this same picture will be shown at bargain prices to the public. Adult admission will be 25 cents and kids 9 cents. And remember that it is a rip-snorting comedy from beginning to end.

Take It Or Leave It

You have never seen anything like *Take It Or Leave It* on the silver screen. It is absolutely new in the form of entertainment. It has been fashioned from the radio program of the same name. We are not going to try to tell you about the picture because you will simply have to see it to believe it. We guarantee it to be the most novel entertainment you have ever seen. The main stars are Phil Baker and Phil Silvers and the date is Wednesday-Thursday, October 4-5 at the Rogue.

Chester Wayne Slaten, Janice and Joe Jaco, Mary Flynt, Ronnie and Bill Havenhill, Donald Oglesby, Beth Slagle, Jerry and James Coleman, Lois and Loyd Bridges, Jay Wallis and Connie Mullin.

Mr. and Mrs. R. D. Holt returned Saturday from a short business trip to Springfield and Trinidad, Colo.

To The Taxpayers Of The City Of Wheeler

Due to the cost of improving the streets and intersections in the business section, it will be necessary that the valuation for city tax purposes of all property within the city limits of the City of Wheeler, be raised to provide sufficient income to pay the principal and interest due on money borrowed by the city to pay for the cost of improving the intersections in the improved area, and to provide income sufficient to maintain said streets after the improvement is completed.

The valuation of the property for tax purposes within the city of Wheeler is now so low that same produces only about \$1,600 in taxes per year, and the City Council has determined that it would be better to raise the values rather than increase the rate, which is now 50 cents per hundred dollars of valuation. So if you as a taxpayer receive a card from the BOARD OF EQUALIZATION for the City of Wheeler in the near future, showing your valuation has been raised, you will understand the reason for such raise.

WEDDINGS

WILLIS-HOLLIS

Miss Bertha Willis became the bride of Leonard Hollis, son of Mr. and Mrs. Robert Hollis, when the marriage ceremony was read in the home of her parents, Mr. and Mrs. Tracy Willis, Mobeetie.

The double ring ceremony was read at 2:30 Sunday, with the Rev. Ted Ewing of the Hale Baptist Church, officiating. The altar was banked with dahlias and ferns.

Mrs. Jack Davis sang "I Love You Truly," accompanied by Mrs. Ewing at the piano.

Sgt. and Mrs. Glen Rose attended the couple.

Mrs. Rose wore a gray street-length dress with black accessories. Her corsage was of gardenias.

The bride wore a dress of royal blue velvet with black and fuschia accessories. Her corsage was an orchid. For something borrowed she wore a strand of pearls belonging to Mrs. Floyd Crow which had been sent to her from her husband, S-2c Floyd L. Crow, in the South Pacific. She carried a white chiffon handkerchief.

Following the ceremony a reception was held for members of the bridal party in the bride's home. Punch was served with the wedding cake. Miss Charlotte Cline and Miss Dora Jane Phillips received the following guests:

Miss Jeanne Hollis, Robert Hollis, Mrs. W. T. Hollis, Mrs. Floyd Crow, Mrs. Don Egerton, Miss Louise Baxter, Mrs. M. J. Porter, Miss Charlotte Cline, Miss Dora Jane Phillips, Miss Maggie Hollis, Mrs. Raymond Hollis, Sgt. and Mrs. Glen Rose, Sgt. and Mrs. Freeman, Lt. and Mrs. Robert Burgess, Miss Aileen Vaughan.

Jack Morris, Mr. and Mrs. U. C. Epperson, Mr. and Mrs. Ted Ewing, Mrs. Jack Davis, Miss Lois Anderson, Paul Barrett, J. H. Bradley, Mr. and Mrs. Tracy Willis, Mrs. Robert Hollis, Mr. A. Hailey.

LAMB-WRIGHT

Marriage vows were spoken September 19 to unite Miss Dortha Mae Lamb and Sgt. Claude V. Wright.

The bride is the daughter of Mr. and Mrs. Roy Lamb, and Sgt. Wright is the son of Mr. and Mrs. W. F. Wright. Both families have been residents of Wheeler County for many years.

The single ring ceremony was read by Judge Joe Shelton in Archer City, Texas, birth-place of the groom.

Mrs. Wright wore a dress of blue wool with black accessories. The groom was dressed in the regular military uniform.

Attending the wedding were Mrs.

MRS. ROSS ERRINGTON HONORED SATURDAY, SEPT. 16

Mrs. Emmitt Rider complimented Mrs. Ross Errington, the former Miss Geraldine Oglesby, with a bridal shower at her home Saturday afternoon, Sept. 16. Those present were: Mrs. Zack Coleman, Mrs. Minnie Farmer, Louise Crafton, Lois McCain, Lorene Errington, Margie Wallis, Faye Jureazki, Mrs. H. H. Walsler, Mrs. J. T. Wallis, Mrs. C. W. Crafton, Betty May, Veda May, Mrs. Edgar Blocker, Betty Warren, Mrs. Gladys Slaten, Mrs. Vitula Davis, Mrs. Clifton Patterson, Maye Coleman, Eldean Havenhill, Aline Rider.

Those sending gifts were: Mesdames M. O. McKay, S. D. Conwell, Charlie Carter, Narville Arganbright, A. L. Bean, Ansel McDowell, Boyce Farris, Verna Callan, Joe Tilley, Lloyd Anglin, Jean Narda, Olen Smith, A. M. Downs, M. McIlhany, Cecil Denson, Linda Clay, Misses Violet Gaines, Blanch Grainger, Audrey Bean, Georgia Warren, Elizabeth Slaten, Onetta Patterson, and Clara Finsterwald.

MARTHA CLASS HOLDS PARTY

Members of the Martha Class of the Baptist church and their guests gathered at the home of their teacher, Mrs. Lee Guthrie, Tuesday evening for a picnic supper. Although the stage was set for an outdoor affair the rain changed the setting to an indoor party.

Those attending were: Mr. and Mrs. Vernie Hardcastle, Mr. and Mrs. Bert Kennedy, Mr. and Mrs. R. H. Forrester, Mesdames Alwyn Savage, Novella VanPool, Misses Clara Finsterwald, Reba Wofford and the hosts, Mr. and Mrs. Lee Guthrie.

T. M. Wright and Billie Earl and W. T. Wright of Wheeler, Tom Looney, Temp Sparks and Clay Ross of Archer City.

Both the bride and groom attended grammar and high school at Wheeler. Mrs. Wright graduated with the class of '41.

At the present time Mrs. Wright is making her home with her parents, but plans to go to Orlando, Florida soon to join Sgt. Wright where he is stationed with the Air Force.

CONGRESSMAN WORLEY SAYS . . .

Congress, in cooperation with the War Department, has made provision for an American flag to be presented to the family of any member of the Armed forces who has lost his life in the service of his country. If the boy died in this country and his body was returned to his home for burial it is presumed that the flag which accompanied the body was retained by the family.

Those boys, however, who died overseas were buried near the place where they died. In such cases memorial American flags, measuring 5' x 9'6" are available to their families.

All of us know and are proud of the high noble service record made by the boys of the Texas Panhandle. Many of them have made the supreme sacrifice. The families of those brave boys are entitled to receive this memorial flag and I will be glad to help them do so. If the families who have experienced the sad loss of a loved one will write to me I shall be very glad to see that their request is immediately cared for. In order to establish eligibility for a flag, it is necessary for the family to forward the notice which they received from the War Department. If, however, such notice has been lost or misplaced and if you will provide me with necessary details I shall be glad to contact the War Department for you.

The G. I. Bill of Rights seems to be getting off to a good start. For example, a former Marine, blinded by an accident and honorably discharged from the service a year ago, investigated the G. I. Bill of Rights, especially the part about education, and soon was taking a post-graduate course in prosthetics. He now has his own laboratory. Another veteran who was discharged from the service with a crushed chest and blindness is now an honor student in Law school, with many of his expenses paid by the Government. They both said, "It gives you a different outlook and a comfortable feeling to

The Times War Time Reporter Says

Folks I'll tell you: You know the last time I seen my Grandpa he was a telling me that the only way to remove the preacher hazard from your home was to take chicken off your menu. He says they is some preachers that is satisfied with just meat, but he says they is others that regulate their prayers by the size of your platter of fried chicken.

Grandad was a religious man, but he had that eye for an eye religion, and I want you to know it brought in the gravy. His neighbors fat hog got in the pen with his pore ones one day and he done a lot of meditating about it and finally he says, I remember one time your old Dominicker hen went over to my neighbors house and laid, and he never fetched us the aig, and he further says, in order to pay him his just dues I aim to eat his hog.

Grandpa wasn't a large man, but his feet was sizable large, not too large o' course but he did take night about lettin' them sleep in bed with him.

I reckon one spring he washed them a couple of times before he found out it wasn't them a smelling, but a rotten Irish potato he was carrying for the rheumatism. And just on account of Grandpa's religion I aim to dedicate my little poem to him.

I wonder if to live in Grace Should we all wear a long sad face.

Should we be lonely, sad and drear With never once a word of cheer.

To me there seems no earthly wrong In a smiling face or word of song.

Even though we are bound by fate, Bear ye no grudge or debt of hate.

To hate, to judge, condemn, defile, Is not expressed by song or smile.

know that your Government is looking out for you."

I have available additional copies of my remarks concerning the benefits provided servicemen and their dependents and will be glad to mail them to anyone interested upon request.

Football News

The Wheeler football team will have two open nights now before they play another game. We don't know why, but it seems that the team always waits until the last quarter in a game to start playing. We hope from now on that they will start at the beginning and show the other teams what they can really do. What do you say, boys, let's get in there and fight. The next game will be between Wheeler and Shamrock, and from what I hear, the boys are going to give them all that they have got.

Senior Personality

Name, Worth Fullingim; years in W. H. S., 1; age, 16; color of hair, brown; color of eyes, blue; height, 5 ft. 1 in.; weight, 140 pounds; favorite food, pumpkin pie; favorite subject, civics; favorite color, blue; favorite teacher, Mrs. Brown; favorite sport, tennis; ambition, attorney at law; hobby, stamp collecting.

Ideal Sophomore Girl

Hair like Peggy Weatherly; eyes, like Melba Little; teeth, like Ida Mae Martin; smile like Noi Lou Bolin; figure like Florine Jackson; personality like Louise Crafton.

Freshman Personality

Name, Dolores Ahler; age, 14; favorite food, fried chicken; favorite actor, Dennis Morgan; favorite actress, Lana Turner; favorite subject, Home Ec.; favorite teacher, Bro. English; hobby, riding anything.

This and That

It looks as though one red headed ex-senior girl has an influence over a certain senior boy. Ask No. 20 on the Mustang squad. (She was yelling for him Friday night.)

Our football captain certainly enjoys the company of the cute blonde pep-squad leader. Ask him. He probably won't tell you.

The Senior rings are expected to be here in about 3 or 4 weeks and proofs of the pictures will be here sometime this week.

We saw Mary Alice going toward the football field after the ten minute period Tuesday. What's cookin'?

Whom do Wayne and Bailey call "sweet seventeen"?

Junior made a speech on "Love is the biggest thing in the world," is he an authority or was he coaxed into it.

Who was Leon watching walk up the aisle in the study hall Tuesday, could it be Josephine Noah?

Who has Iris been making eyes over lately, could it be a senior boy?

We wonder what Noi Lou is going to do after Louis leaves?

It seems that the popular song among Madalene and Virginia now a days is "No Letter Today," we wonder why?

We wonder where Florine got those rings she was showing off Sunday?

It seems that the mail transportation is very bad between here and Dallas, what do you say Melba?

Would someone please explain what happened to June and J. C.?

We wonder who Louise really goes for, soldiers or civilians. Example: Saturday night.

(Continued from First Page)

The officers of the association report that the Federal Land Bank, for itself and as agent for the Federal Farm Mortgage Corporation, has again resumed its liberal attitude toward loans on farm and ranch lands in Wheeler County. The association is now offering Federal Land Bank loans on farms and ranches for either 20 or 34½ years with a contract guaranteeing interest rates never to be more than 4 per cent and the association is also offering 20 year Land Bank Commission loans at a contract not to exceed 5 per cent. The latter loan is made on many tracts of land that do not meet the specifications as a farm unit. At the present time the interest has been reduced to 4 per cent by act of U. S. Congress until July 1, 1945. These loans may also be made on small suburban tracts of land that show to be prudent investment loans.

Mrs. M. L. Clark and daughters have recently returned from a visit with relatives near Lubbock.
