CWE CHAT WITH EDITOR

By Louis C. Stas

Congratulations, Jaicee Herren and Curt Smith! They were named the District's Most Valuable Players.

CWE—
Congratulations, Coach Russell Schaub and Coach Curtis Smith! These two Ft. Elliott Coaches were named Basketball Coaches of the year in District 5-1A.

CWE—
Apologies to Corner Deli! We had an error in the ad last week. It was corrected prior to publication, but showed up in the paper. The little gremlin is loose again.

CWE—
March 17 is the final date to have your name placed on the ballot for the City of Wheeler election or any of the area school elections to be held May 1.

CWE—
Bea Smotherman's nieces were in the office after a copy of the obituary last week. They had a new "weather forecast". "Aunt Bea" had always warned, "If it thunders in February, it will freeze on the same date in April."

CWE—
If this forecast is true, it is supposed to freeze in Ochiltree County around the 12th.

CWE—
The only recorded moisture we had in February was the 6th. I remember thunder in January or February, but not the dates.

CWE—
We will have to see if Lois Flowers, our Sweetwater Reporter, has heard that prediction.

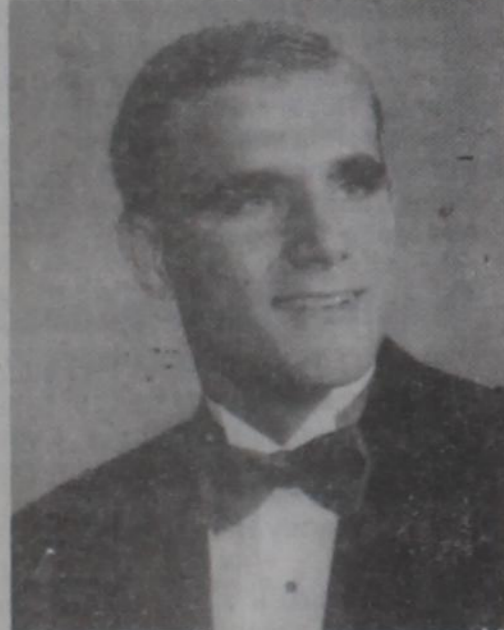

CWE—
Speaking of Lois Flowers, we did not hear from her this week. Hope you are well, Lois.

CWE—
One of the players on the Rankin team when they played Ft. Elliott in the Quarterfinals at Plainview was Aaron Valencia, the son of Brenda Wallace Patterson. Aaron is a Senior. His grandmother Johnnie Peairson was on hand to see him play.

CWE—
Our trip to Oklahoma last weekend included a stop in Weatherford to pick up a passenger. Kyren Jones was going to spend spring-break from college with Jennifer and Brice. She also got in some card playing.

CWE—
The Monday night game was not too good for Barbara, Paul and I. We only managed to win one. Patsy was called for the sixth player and was a member of the winning team with Dwight and Mike.

CWE—

My father had a theory that, as the child in the womb goes through the various stages of the created animal world, so in early years it continues its progress through the primitive history of man; and it is therefore most necessary, he would say, that children should travel, at the time when in their epitome of history they are nomads by nature.

Ecclesiastes 3: 11-13: He hath made everything beautiful in his time; also he hath set the world in their heart, so that no man can find out the work that God maketh from the beginning to the end.

I know that there is no good in them, but for a man to rejoice, and to do good in his life. And also that every man should eat and drink and enjoy the good of all his labor; it is the gift of God.

It is a foggy Monday morning here in Allison; but we are thankful for the rain that the Lord sent our way last night.

Last Tuesday morning the U.P. Church ladies went to Wheeler Care Center and entertained the residents there for an hour with singing Gospel songs and Wanda Walker gave an interesting testimony of encouragement to them.

Wheeler Church of Christ
Congregational Concerns:
From Sunday, March 14th, through Wednesday, March 17th, the Church of Christ in Clarendon will host a gospel meeting. The preacher for this gospel meeting will be Avon Malone, a Bible instructor at Oklahoma Christian University. More information about this gospel meeting is posted on the bulletin board in the lobby.
A thank-you note has been received from Minnow Baird, expressing appreciation for the love and kindness that this congregation showed to her at the recent death of her husband. This thank-you note is posted on the bulletin board in the lobby.
Lewis Rodgers is hospitalized in the local hospital. His condition is slowly improving.
Eunice Edwards is hospitalized in the local hospital.
Wanda Lane, the sister of Sheryl Lane, was hospitalized in the local hospital. However, she was released last Sunday and is now recovering at her home.
Dusty White, the son of Carroll and Debbie White, is hospitalized in the local hospital.
Sympathy must be expressed to Ruby McLaurin upon the death of her mother. The funeral was held last Tuesday afternoon in Clarendon.
Thought For The Week:
No one will ever get out of this world alive. Resolve therefore to maintain a reasonable sense of values. I Timothy 6:6-10 says: "Godliness actually is a means of great gain, when accompanied by contentment. For we have brought nothing into the world, so we cannot take anything out of it either. And if we have food and covering, with these we shall be content. But those who want to get rich into temptation and a snare and many foolish and harmful desires which plunge men into ruin and destruction. For the love of money is a root of all sorts of evil, and some by longing for it have wandered away from the faith, and pierced themselves with many a pang."

Protect your rights!
"Render" your taxable property by April 15th.
A "rendition" is a report to the appraisal district that lists all the taxable property you owned or controlled on January 1st of this year. The rendition form is available at your local appraisal district office... or you may draft a similar form.
Who must file a rendition?
You must file a rendition if you own tangible personal property that is used to produce income—such as the inventory and equipment used by a business.
Are there any advantages to you?
The advantages of filing a rendition are:
• You give your opinion of your property's value. If the appraisal district believes the value is higher, it must notify you in writing of the higher value and explain how you can protest that value to the appraisal review board.
• You record your correct mailing address so your tax bills will go to the right address. If your bill is mailed to the wrong address, the law still holds you responsible for paying your taxes on time or paying extra charges for late payments.
• You can also file a "report of decreased value" to notify the appraisal district of significant depreciation of the value of your property in 1998. The district will look at your property before assigning a value in 1999.
What's the deadline?
The last day for filing 1999 renditions is April 15. Call your appraisal district for the last date the rendition may be post-marked, if mailing. You can get an extra 15 days if you ask for it in writing by the April 15 deadline.
Where do you file?
File renditions with your local appraisal district at:

Chalone Hefley in the birth of their new baby boy, Dawson Slade, born Thursday, March 4, 1999, at Lubbock.

David and Phyllis Hefley went down to see that beautiful new baby. Dave Pearson is taking care of David's chores—calving heifers. Dave is also taking care of Richard Meadows cows while Richard and Bonnie and Reagan went to Levelland to the games. David Pearson is such an efficient, helpful person. Richard and family drove

home after the game Saturday night. Congratulations to Lisa Jahnel and Katie Shipp for winning a 1 in voice at W.T. and a trip to state competition. Good luck! Also to Andy Finsterwald for a 11 in voice. Also to Marlana Helton and Carolan Aycock for a 1V. Keep trying. You have pretty voices. Sincere sympathy to family and friends, of Dorothy Risner, 71, in her death. She was a wonderful lady, who will be missed by many. But what a joyful time in heaven.

First Baptist Church ladies at Allison prepared a delicious bountiful feast for the Panfork Association members Tuesday night. There was a good singing led by Milton Morfan and video tapes and talk of Mission Service Corp volunteers. Fred and Georgia Davidson from Gruver talked of their call and work with Mission Service Corp.

We always look forward to Senior Day at Panfork Baptist Camp with fun and inspirational speeches, lots of good singing and visiting and a delicious meal. It has been changed this year to the last Friday in April, April 30. John Glover will again be in charge. All seniors invited. \$7.00 each for the day. Plan to come. Several choirs usually sing and John Glover keeps things peppy.

Gene and Norma Keelin and Daniel and Tracy were Sunday dinner guests of Rosalie Keelin.

Pray for Willa and E. G. Fillingim. They've both been pretty sick.

Pray for Margaret Brown in Colorado. She had to spend several days in the hospital in Colorado with bleeding ulcers and a blockage. She is home now and on a liquid diet, but has to drink 4 cans of Ensure every day. Doctors felt she wasn't up to an operation.

Pat and James Lewis Smith went to Paris, Texas, Wednesday to be there for their daughter, Amy, and husband's new baby girl's birth. They also have a little boy to welcome the baby. James Lewis was to fly into Amarillo Wednesday so Pat could stay longer and help with the baby and have a car. R. J. and Georgia were to meet James.

Nice to have JoAnn Morgenstern and Ellen Schmidt from Miami join us for supper at Maxey's Saturday night. Big crowd there. Also there, Darville and Sammie Atherton on their regular Saturday night date, Nova Powledge and Lois Meadows, Joe Don and Misty Glassey, Homer Sanders and Edna May, Steve and Tasha Vandiver, Adrian Risner.

Pray for Dav and Sammie.

Congratulations to Stacie (Dukes) and Jeremy Fitzer on the birth of their new baby girl at Pampa Saturday night. Her name is Kaymi Nicole, 6 lbs. 7 ozs weight and 20 inches long. Grandparents Clyde and Jane Dukes were at the ball game at Pampa when she

went to the hospital.

Fat and Wanda Childress went to Pampa Saturday. Friday night Fat and Wanda went to a revival at a Baptist church in Pampa. A special youth group from Oklahoma City was there.

Keeping praying for Jack Hefley. When they started to put in the stint and balloon in his heart, there was a tear in an artery. So couldn't go ahead. He is now home and recuperating.

There were 210 friends and relatives at Tom Helton's 90th birthday party to celebrate with him. Pray for Tom; he hasn't been feeling very well. Too much partying, I guess. They enjoyed having all the children and many grandchildren and great-grands besides other relatives and friends at the party.

Thursday night, March 4, Zybachs gathered at Clarendon for a surprise birthday party for Freida Tucker's 70th birthday. Freida is Carl Zybach's daughter. They ate at Howell's Chili House. Some there were Lottie Venable, Roberta Yarborough, R. L. and Rozena Zybach, Truman and Betty Zybach from Sayre, Jane Ann and Curtis Hall and Kent, Bryan and Becky Tucker and Michael and Jim and Freida Tucker. They had good visits.

We had dinner at Gageby Church Sunday noon to honor Ray and Velma Forbes and bid them God-speed and blessings as they move to Lamesa, where son Tommy and wife are. They lived there many years ago. Pray for them all.

We enjoyed going to Miami Senior Citizens Monday night. 25 there, including 8 men. WOW! Good food and fellowship and fun games of 42 and Canasta. Some there besides us and J. P. and Martha Meek were Glenn D. and Estelle Hodges, Doyle and Bulah Grimes, Frank and Evelyn Heare, Sid and Betty Taylor, Evelyn Huff, Georgia D. Holland, Barbara Alexander, Cecil, Laverne and Gladys Smyth, Twyla Taylor, June Wheeler, Vera Nolgy, Vera Murphy, JoAnn Morgenstern and son, Kem Morgenstern and Jane Bright.

We are so thankful for the nice little rain Sunday night. So many people got about 1/2 inch or so of rain.

Lou Douthit and Debbie Kinnaman went to Levelland and got a room and watched the games Friday and Saturday nights that F. Elliott Cougars played. They enjoyed seeing lots of old friends: Lucy Barnett Kent from Sudan (still beautiful), her mom, Maurine Barnett is still living. Jane Ann and Curtis Hall and Kent were there. Jane Ann and Lucy have been best friends since grade school days at Briscoe. Some of the Van Vrankins from Texline were there. Also Ernie and Brenda Wood and Ty and Trey and many, many more.

Nice to have a call from LaJuana Caroland. Her brother, Josh McElroy, won second on his steer at Houston, giving him an automatic \$5,000 besides the sale. Josh is a senior at Muleshoe. Their dad, Don McElroy, works with the computers at Muleshoe school. Mayme teaches there. Kulder's husband, Charlie McDerment, pastors a church at Rocky Ford and they have two children.

Bob and Gena Zybach got back Saturday night Feb. 27 after a 16 day vacation to South Padre Island and driving about 2000 miles. Bob does quite a bit of fishing. Gena relaxes and reads. They enjoyed the delicious fish there. They had a room with a kitchen, so fixed their own breakfast and lunch. They ate out at noon. Gena also shopped some and worked on baby blankets. Lots of showers coming up. On the way down to Padre, they spent the night at Stephenville and visited some with a cousin, Gayle Ryan. On the way back they spent the night at Marble Falls and visited some on the phone with Norman and Oleta Reid, Gena's cousins.

Monday, March 1 Bob and Gena Zybach and Mary Lea Gilliland went to Fritch to the funeral of J. D. Byerly, an uncle and visited with the cousins. They also went to Plainview Tuesday night to the Ft. Elliott-Rankin game.

We enjoyed going to Mobeetie XYZ Friday night, even though I lost pretty badly at Chicken Foot. We had seven men and seven women—about the only place we go that has as many men as women. At Wheeler Senior

Citizen only 2 men out of 16 on March 1. Miami Senior Citizens usually has less than 6 men out of 23 or so.

Thank you, Andy and Lisa Singleton for the neat card and picture of your beautiful baby. The card read:

"Special thanks to God above for sending me a sister to love. Phillip Lee Singleton is proud to announce the arrival of 'Baby Katie' Katherine LuAnn February 8, 1999 7 lbs. 12 oz 19 inches

Thankful and loving parents: Andy and Lisa Singleton"

Congratulations to Joe Don Glassey for winning at the track meet. He usually has a big hug for us, but pretty badly sunburned. Don't touch!

Thursday, nice to see Monroe and Nadine Reynolds and daughter Linda Hall at Furr's. They need our prayers. Nadine had to have surgery recently. Linda stepped in a hole and twisted her ankle and has to wear a boot cast or brace, but was getting around pretty well. Monroe is doing fair. Sweet people. We missed them at the Allison singing.

We enjoyed visiting with Mildred Morehead Scott at Furr's Thursday. A ladies Sunday School class from First Baptist Church meet about once a month to eat and visit. Mildred is the widow of Clifford Scott, and the daughter of Olen Morehead who lived near here. Olen was a brother to Mae Muse, Lela Simpson, and Georgia Mae Talley's mom. That made her a cousin to Carl Simpson and Paul and Earl, now deceased, Evelyn Johnson, E. J. and Harper Muse, Lola and Eleanor Morehead and others. A lovely lady. Also in the group was Collette Webster, another lovely lady. Hello to Eddie and Gladys Pannell. Hope you are feeling much better.

Don and Cindy Zumstein and family have enjoyed having a foreign exchange student this school year. Her name is Emissee (sp) and is from Hungary. Monday her mom and Dad, Tom and Judy and sister Reka, 16, came to visit them all. We enjoyed having Tom and Judy and Reka and Don and Cindy Zumstein and Daniel join us for lunch at Furr's Thursday. The mom can't speak or understand much English. Tom is some better. Reka is their translator; she has been studying English at school and does really well—even to the accent! She must have a Texas teacher. Pleasant people.

Don't forget: Fort Elliott Seniors will be sponsoring a Little Dribblers Tournament April 8, 9, and 10 at Briscoe. The March date had to be cancelled.

Thursday Lou Dean Douthit got her hair fixed at Allison and ate lunch at Papa's Cafe with Virginia Puryear. Then they went out to Edna May's and played 42 awhile with Edna and Homer Sanders.

"Springtime. It invites us to believe anew, to realize that the same Lord who renews the trees with buds and blossoms is ready to renew our lives with hope and courage."—Charles Swindoll

Thanks for praying for Lola Meek Cyphers. She is feeling better from the shingles. Keep praying. We love you, Lola.

are reported missing in our country each year. We believe that increasing awareness about missing children has never been more critical, and we're pleased we can play a role in helping parents safeguard their children", said Randy McCurley, President of First State Bank.
One in seven missing children are found because of a photograph distributed by NCMEC, making a standardized, current photograph the single most important tool in finding missing children.
"Everyone has pictures of their children, but most parents don't have a suitable photograph if their child becomes lost or missing", explained Ernest Allen, president of NCMEC. "It is very important to have a recent, unobstructed head-and-shoulder photograph of the child. The picture should be stored in a safe place with the vital statistics of the child at the time the photograph is taken".
KidCare Photo ID events have been hosted in local communities across the country by a variety of organizations including police departments, retail stores, health facilities and fraternal organizations.
The KidCare Photo ID event will take place Tuesday March 16, 1999 at 8:00 a.m. at Wheeler ISD and Thursday, March 18, 1999, at 8:00 a.m. at the Kelton ISD. For more information on the KidCare event being sponsored by First State Bank, contact Bill Howard at 826-5546.

Congratulations to Fort Elliott Cougar boys for winning over Rankin at Plainview Tuesday night, 68-55. They also were playing Friday night at the Regional Tournament at Levelland. Yeah! They played Lorenzo Friday night at Levelland. Many fans to cheer them on. Congratulations for winning, 63-55. Think everyone for miles around went to the games to cheer them on. Saturday at Levelland they met some very tall boys from Paducah that did them in with a score of 38-69. You've had a good season, boys. We are very proud of you. Sorry you didn't make it to State. We are looking forward to baseball games. And basketball next year.
I had some requests for this recipe from the Happiness Booklet. Pretty good, I call them Caramel Krispies:
1 14 oz. pkg. caramels, unwrapped
1 stick margarine
1 can sweetened condensed milk
Large Marshmallows—a pkg.
Rice Krispies—several cups
Melt caramels, margarine and milk in microwave bowl, stirring occasionally till smooth or use double-boiler, till caramels melted. Dip marshmallows in caramel mixture with a fork. Roll in Rice Krispies. Lay on waxed paper to dry. Refrigerate till firm. Enjoy!

We had a great singing at Allison Sunday night. Some singing were Marion Grimes, Kathy Kliever and Angie Huff with Julie Boydston and Judi Cornell. Children's choir with Vanessa Huff, Amy and Jeremy Kliever, Mary Hendrickson, Josiah Hendrickson and others. Lois Meadows with Evelyn and Martha Meek, Bob Meller and Nadine Lane, Rosalie Keelin, Andy and Doris Finsterwald with Chris Mick, Annie Hendrickson with Bessie and Mary. Helen Crawford read scripture. Bob Meller's cousin Brad Word, a missionary to Paraguay with Global Missions was there and talked about his work and videos were shown. Martha Meek and Willis Fillingim played harmonicas. There was a delicious feast and good fellowship following the singing.
Happy 80th Birthday, Opal Hutchison! And many more.
Keep praying for Sharon Grandstaff. She has been pretty sick. Pray also for Ray Hudson and his family.
"God be with you till we meet again."
