

## Harry Wofford Heads March Of Dimes Campaign

Harry Wofford of Wheeler has been appointed Wheeler county Director for the 1946 March of Dimes campaign to carry on the work of the National Foundation for Infantile Paralysis in its battle against the dread crippling disease. George of Shamrock is treasurer and Mrs. Helen Barkley of Shamrock vice director of women's work.

Other officers include S. B. Conwell of Wheeler, vice director, L. E. Dewey of Shamrock, executive secretary, and the following directors: Walter Elliott of Kellerville, L. D. McCauley of Mobeetie, Gordon Stiles of Wheeler, Hiram Whitener of Wheeler and Roy Waters of Briscoe.

George Waverly Briggs, chairman of the Texas State Committee for the fund-raising celebrations in January, announced the appointment of the local director who, in turn, will organize a full committee of local civic leaders immediately.

Entertainments of all kinds and cash collections for the March of Dimes are being planned to raise funds for combating the disease which cripples thousands of America's children each year. The local campaign will tie in with activities in all Texas counties, now being intensively organized.

Last year 253 Texas counties participated in the campaign, raising \$611,192, of which Wheeler County raised \$1131.63. Citing the severe polio epidemic of summer, 1945, the director expressed hope that the 1946 contributions would be materially increased.

"Fortunately, through funds from last year's March of Dimes campaign, we were prepared to meet the 1945 epidemic," Mr. Wofford reported. "More than \$6,500,000 — or 65 million dimes — was

## Wheeler Vet, Ill In Hospital, Would Like To Receive Letters

Mr. and Mrs. Gwyn Edwards returned home Friday from visiting their son, Pfc. William Wayne, who is in the hospital at Ft. Sam Houston. He has served 18 months in the Pacific theater of war. He is suffering from a nervous disorder. They were accompanied by his grandfather, Scott Helton of Wheeler.

His folks would appreciate it very much if his friends would write him. His address is: Pfc. Wm. W. Edwards, 33904739, Broke 16 M.P. Section, (Old) Brooks General Hospital, Ft. Sam Houston, Texas.

## County Oversubscribes Quotas In Victory Loan Financing Campaign

In keeping with its record of backing every war campaign since Pearl Harbor, Wheeler county residents over-subscribed their quota of E bonds in the Victory Loan campaign just ended. R. J. Holt, Wheeler county chairman of the War Finance Committee, announced this week.

Against an over-all quota of \$225,000, Wheeler county residents purchased \$302,643.25 worth of Victory Bonds, Chairman Holt said.

Total E bond purchases in the county amounted to \$142,481.25, exceeding the quota by \$2,481.25,

he said. Chairman Holt and Co-Chairman Jack Montgomery of Shamrock expressed their thanks to co-workers and citizens generally for their work and co-operation which enabled the county to "go over the top" in the final drive.

County Chairman Holt is in receipt of a letter from Judson S. James, Jr., executive manager of the War Finance Committee of Texas, congratulating him on the splendid record made by Wheeler county citizens.

"This last drive has been tough on everyone but thanks

to you and your organizations of workers, Texas, on the final tabulation, made its Series E quota," wrote James. "Series E sales for the state were \$92,399,838.75 or 102.7% of the quota. Over-all sales were 221.7% of the state quota.

"As you know, the E, F and G Savings Bonds and Stamps will be on a continuous sale although no organized drives as such will be made. We know that you will want to continue your interest in this program in its peacetime setup and it will be known as the U. S. Savings Bonds Division."

## AGED RESIDENT LAID TO REST

Funeral rites were held at the Wheeler Baptist Church for Mrs. Mary Annette Morris, 74-year-old pioneer resident who passed away at 2:30 o'clock last Saturday afternoon. Rev. P. D. Fullingim, pastor, conducted the service. Mrs. Morris was laid to rest in the Wheeler cemetery by the side of her husband who died in 1931. Hunt Funeral Home was in charge.

A resident of Wheeler county since 1908, Mrs. Morris had been a member of the Baptist church here since 1913. "Grannie," as every one knew her, was converted and joined the Baptist church at an early age and was a faithful, active member as long as her health permitted.

Mary Annette Miller was born near Enfala, Ala., Jan. 4, 1872, and died Jan. 5, 1946, at her home near Wheeler at the age of 74 years and one day. She was married to K. D. Morris Feb. 10, 1887, and to this union were born five children.

They are: Mrs. E. T. McCleskey, Mrs. C. M. Garner and Floyd Morris, of Wheeler, Ivy A. Morris, Berkeley, Calif., J. P. Morris, West Point, Calif., nine grandchildren, 25 great grandchildren, four brothers and four sisters.

The brothers are Joe T. Miller, Gladewater, Tex., J. A. Miller, Stratford, Okla., Dave Miller, Marshall, Tex., J. H. Miller, Albuquerque, New Mex. The sisters are Mrs. Mattie Wacasia, Mrs. E. A. Young, Ft. Worth, Mrs. J. A. Tyler, Marshall, Tex., and Mrs. Myrtle Cole, Boyd, Texas.

## CROP LOANS TO FARMERS READY

Loans are now being made to finance 1946 crop production in Wheeler County, according to Chas. C. Bishop, local field supervisor for the Dallas Emergency Crop Loan Office of the Farm Credit Administration.

Applications for these loans are being taken in Wheeler at County Agent's office, each Friday morning. The security required is a first lien on the crops to be financed. The loans are available only to those farmers unable to secure loans from banks or other sources.

These loans, generally known as "The Seed Loans," have been made in Texas since 1931 and have proven of great benefit to farmers whose cash requirements are small. Repayment of the loans has been high. Borrowers are required to plant large gardens for home use and a balanced program of feed, food and cash crops is encouraged.

A loan to finance the purchase or production of feed is also made on livestock by this agency. The maximum loan to an individual is \$400.00.

The seed and feed loans are administered in Texas under the direction of W. E. Farwell, manager of the Emergency Crop and Feed Loan Office, 405 U. S. Terminal Annex Building, Dallas 2, Texas.

## Raymon Holt Taken To K. C. Specialist

Raymon Holt, cashier of the Citizens State Bank, was removed by plane this week to a Kansas City hospital where he is under the care of a heart specialist. Raymon stood the trip good but his condition continues extremely grave. He developed a kidney complication following the heart attack. His many friends wish him recovery. The town doesn't seem the same without "Red" bantering and joking with folks.

## TEMPLETON IN DISTRICT RACE

R. L. Templeton of Wellington announced his candidacy for Representative of the 122nd Legislative District this week. Templeton, who is a veteran of the early air battles in Europe, set forth his views in the following straightforward statement:

"Most of the people of this district will remember my race for the office of Representative two years ago when I was defeated by a very narrow margin after being compelled to make the race on a 'write-in' in two counties. I made a valiant effort to win that race in spite of such a discouraging handicap because I felt that I had been unjustly handled and because I felt that this District needed an ex-serviceman in Austin.

"My feelings in this regard have not changed in the two years that have elapsed. We need a capable ex-serviceman for Representative because many of our greatest problems in these times concern ex-servicemen. We need a man who has been through the trials of war and who has made the adjustment to civilian life so that he will be able to understand and cope with problems of this nature.

"I believe that I will be able to understand the problems and attend to the Legislative needs of your sons, brothers and husbands who have returned from the war because I have been through similar military experience. After the U. S. Army Air Corps discharged me in 1940 I enlisted in the RCAF as pilot and flew in the early part of the war until I was injured in a crash in England. After some time in the hospital I was sent home in 1942, and was given a

## WHEELER BARS DOORS TO KIDS

Not one Wheeler family has offered to entertain a visiting high school boy who will be here next Friday night for Wheeler's Invitation Basketball Tournament scheduled for Friday and Saturday, January 18 and 19.

Sleeping accommodations will be needed for approximately 50 visiting players next Friday night, and persons wishing to take one or two games will probably be touch with Coach W. O. Carrick at once.

Ten teams have been entered, two more than were expected. Erick and Briscoe entered late and may cause Coach Carrick to play two games on Thursday night. In case he does, Carrick said he will match teams from nearby communities so they can return home that night.

The Invitation tournament is an all-boys affair. Teams entered are: Lefors, Shamrock, Hedley, Kelson, Mobeetie, Reydon, Meridian, Erick, Briscoe and Wheeler. more boys are asked to get in played Thursday night, three Friday night, two Saturday morning, three Saturday afternoon and two Saturday night. Trophies will be given first, second and third place team winners and individual awards will be made outstanding players.

## Virginia Marrs Is Society Reporter

Miss Virginia Marrs has been employed as society reporter and office assistant at The Wheeler Times following the resignation of Mrs. Cliff Weatherly who is assisting her husband in his accounting office at Shamrock. Virginia is a graduate of Wheeler high school and attended West Texas State College at Canyon the past semester. She studied typing and bookkeeping in high school and was an honor student her first semester at Canyon. The Times will greatly appreciate the cooperation and assistance of readers in reporting news items to Virginia. Until she becomes familiar with her duties, we will appreciate club and church reporters handing in their items already written, as far as possible.

## Money, Money Is Everywhere But In Our Pockets

There is more money on deposit in the banks at Wheeler and Mobeetie than ever before in history, according to official statements of financial condition published by the two institutions in this week's Wheeler Times pursuant to a call made by the Banking Commissioner of Texas.

Combined demand deposits of individuals, partnerships and corporations of the Citizens State Bank of Wheeler and of the First State Bank of Mobeetie amounted to \$1,834,073.43 as of December 31, past.

Deposits of the Wheeler bank were \$1,194,550.69 while deposits of the Mobeetie institution totaled \$639,522.74.

The combined December, past, deposits of \$1,834,073.43 compared with \$1,366,210.69 as of January 11, 1945, and with \$1,512,415.92 as of June 30, 1945.

Deposits on January 4, 1944, amounted to \$1,199,121.92. Further financial prosperity of the North Wheeler county territory is reflected in the drop in loans and discounts shown in the bank statements which show only \$283,318.60 as of December 31, 1945, compared with approximately \$600,000 as of two years ago.

## MAY SPEED UP RURAL LIGHTS

Possibilities of speeding up the rural electrification program in Wheeler county were discussed at an informal meeting in the office of J. H. Martin, Wheeler county agent, attended by Orval Couch of Wellington, manager of the Greenbelt Electrical Cooperative, and V. W. Chesser of St. Louis, REA officials of the Application and Loan Association.

Several county leaders in the rural electrification program were present and took part in the discussion. Couch informed the group that an extensive construction program is being planned by the cooperative which includes Wheeler County. Every effort is now being exerted and will continue to be pressed to make it possible for the people of Wheeler County to have REA service at the earliest possible moment.

Chesser stated that the Rural Electrification Association intends to see that every rural home in Texas receives or has electrical service available. Wheeler County is a definite part of the program. He further stated that REA is aware of the widespread interest in the program.

Materials and the manpower shortage are forming a bottleneck at present but it is generally agreed that both will be flowing more freely by early summer.

## Cpl. C. H. Patterson Is On Magic Carpet

Cpl. Clifton H. Patterson, husband of Mrs. Wanda N. Patterson of Wheeler, is one of 300 high-point Army veterans whom the "Magic Carpet" is bringing back to the States aboard the U.S.S. Starlight.

The U.S.S. Starlight which is one of more than 300 carriers, battleships, cruisers and attack transports in the Navy's famed "Magic Carpet" fleet, left Saipan, December 19, and was scheduled to arrive in San Pedro last week.

The Starlight is one of the many APAs which proved the worthiness of these ships as troop carriers, hauling more than 12,000 men without a single serious casualty. This ship characterizes the part the APAs have played in giving the U. S. the Naval superiority needed to defeat Japan.

## R. J. Dison Family Goes To Levelland

Mr. and Mrs. R. J. Dison and family left today for Levelland, Tex., where Dison has accepted a position as advertising manager of the Hockley County Herald. Mr. and Mrs. Dison published the Wheeler Times for three and one-half years, selling it last October to its present owner. Under their direction the Times became one of Texas' outstanding weekly papers, having been adjudged the best weekly in the state in a town of less than 2,000 in 1944.

The Times joins the many friends of the Dison's in wishing them happiness and success in their new home.

## Fate Of New Postoffice Rests With Washington As City Receipts Hold

Whether Wheeler gets a new postoffice under a program recently recommended to Congress by the Public Building Administration of the Federal Works Agency and the Post Office Department, rests with the "powers that be" in Washington.

The local office barely passed the \$10,000 minimum required before a town is considered eligible for a new building. The 1945 receipts of the Wheeler office were \$10,275.27, Postmaster Chester Lewis said this week.

It is the second year the office has passed the \$10,000 figure, the 1944 gross having been \$10,409.93.

Of the 11 towns announced in October as being on the program for new buildings, many of them doubled the \$10,000 required gross in 1944 and practically all of them exceeded the figure by more than 50 per cent.

The fact Wheeler has passed the required minimum for two consecutive years means only it will give Congressman Gene Worley some ammunition to use on the Washington departments in his fight to get Wheeler included in the list of towns slated for new buildings. Worley recently told Wheeler friends he was "shooting the works" in Wheeler's behalf.

Worley said there is a hard and fast rule that an office must have receipts in excess of \$10,000 before Washington departments will even consider it, and that ordinarily much higher receipts must be shown to get favorable action.

Panhandle towns included in present plans for new postoffice buildings are: Spearman, Paducah, Panhandle, Perryton, Phillips, McLean, Matador, Canadian, Clarendon, Dumas and Tulla.

## COUNTY SHORT IN WAR CHEST

Wheeler county citizens subscribed \$3,440.22, or 71 per cent of our quota of \$4,841.00 in the United War Chest Drive, County Chairman E. K. Caperton of Shamrock reported last week.

Of this amount, North Wheeler county raised \$855.42 or approximately 60 per cent of its quota of \$1,400.00, Chairman Harry Wofford of Wheeler recently reported.

"Although the drive was not what we could call successful, our efforts compare favorably with those of other Texas counties and the nation as a whole," County Chairman Caperton said. "Very few Texas counties met their quota and likewise few states in the nation were able to come up to the goal set for them."

"Texas raised approximately 52 per cent of her quota, while the result nationally was about 75 per cent," Caperton stated. Wheeler County's quota of \$4,841.00 was the same as in 1944. The county had exceeded all previous War Chest quotas.

Chairmen Caperton and Wofford expressed their appreciation for the cooperation they and their fellow workers received during the drive just closed and all former campaigns.

National headquarters have reported that a drive for funds will not be necessary in 1946.

## MUSTANGS HAVE UNLUCKY WEEK

Three Briscoe basketball teams walloped Wheeler in games played here last Friday. Briscoe A boys won 38 to 18, Briscoe B boys nosed the Mustangs out 12 to 11 and the Briscoe girls' team was on the long end of a 19 to 16 score.

Wheeler lost two games to Meridian played on the Oklahoma court Monday night, the A boys losing 12 to 14 when Meridian made two free tosses on fouls after the score was tied at the end of the regular period. Wheeler girls lost by a 6-point margin. In a quickly matched game, the Mustangs journeyed to Canadian Tuesday night to drop two more games, A boys and girls. The boys played a close game until the final minutes when Canadian ran wild, winning by the lopsided score of 51 to 10.

## LLOYD ANGLIN IS CANDIDATE

Lloyd Anglin has authorized The Times to announce his candidacy for county commissioner in precinct one, subject to the will of voters in the Democratic primaries. Anglin comes to the voters with a splendid record of achievement but modestly avoids mention of it in his official statement to the voters. His statement follows:

"I believe with the knowledge I have acquired during the time I have been in office, I will be better qualified to serve the public in the future.

"I believe I have made a few friends while I have been your commissioner as well as kept the ones I had when I was elected. I cherish this very highly.

"I am asking the support of the voters of the precinct for a second term and if elected, will do my best to serve the people of my precinct and in all parts of the county without partiality. I will thank you for your support."

## Pvt. C. E. Hampton Is With Army In Japan

Private Charles E. Hampton, son of Mrs. Co Hampton, of Wheeler, is a member of the 10th Chemical Warfare Service Company, now in Japan with the occupation forces.

The 10th General Service Company has been in the Pacific theater for 44 consecutive months. It has operated in Australia, New Guinea, and the Philippines. Among the many commendations this company has received, is one given them this year by Major E. G. Plank for outstanding achievement.

## Wheeler To Enter Shamrock Tourney

Wheeler will enter both boys' and girls' teams in the Shamrock Annual Invitation Basketball Meet, starting today, Coach W. O. Carrick said. The girls' team was scheduled to play Kelson at 3:30 this afternoon and the Wheeler boys and Shamrock boys were slated to play at 9 tonight.

Approximately 1,000 basketball players, coaches and managers are expected to enter the 3-day tournament starting at Shamrock Thursday.

They are doing a magnificent

in the world why they should not  
have the bakery business in  
Wheeler "sewed up."

It seems to be the natural atti-

Quite the opposite is often the  
case.

People in Wheeler often buy in

A diver here descends to inspect the Lake Pontchartrain crossing  
of United Gas Pipe Line Company's Lirette-Mobile pipe line. The  
14-inch pipe, for approximately 25 miles, rests on the floor of the  
lake and recently was found to have been attacked at several points  
by barnacles. Protected by "somastic" (a coating composed mainly  
of asphalt and sand) the pipe was serving as an excellent anchorage  
for the small marine animals which for centuries have been a source  
of annoyance to seafarers. Chemical engineers of the company  
found that certain sections of the pipe which were covered with mud  
were relatively free of barnacles, indicating that submerging the  
entire line in mud might discourage any further attack by the crusta-  
ceans. The boat shown above is a part of the United Gas marine  
equipment which operates in the marshes, canals and lakes in the  
company's New Orleans district.

By BOYCE HOUSE

It was Mark Twain's "Puddin-  
head Wilson" who remarked, after  
listening 15 minutes to a dog howl-  
ing under the floor of the village  
grocery store porch:

"I wish I owned half of that  
dog."

"What would you do?" someone  
asked.

Puddinhead replied, "I'd kill my  
half."

Like the fellow who bought a  
half interest in a cow. In fact, he  
bought half of the cow, the front  
half, and his partner owned the  
rear half. This fellow said:

"All I did was feed my half and  
the other man milked his half."

"What did you do about it?"  
somebody inquired.

"Oh, I quit feeding my half—  
and his half died."

Some years ago, Dr. A. C. Scott,  
Jr., noted Temple surgeon, was ap-  
pointed to represent the United  
States when the Pan-American  
medical society was having its  
first meeting in Mexico City. He  
wanted to convey a greeting to  
the delegates in their native Span-  
ish — but there was one draw-  
back; he didn't speak Spanish!

But he wrote out his speech in  
English, had a teacher translate

it into Spanish, then he had these  
words written out phonetically so  
he could pronounce them correctly  
as, of course, letters have differ-  
ent sounds in a foreign language  
to what they have in English.

He then memorized the speech.  
But, unfortunately, he didn't know  
which words were important and  
which were not, so he pronounced  
them all with the same emphasis.  
If you will think back to the days  
when you were in the first grade  
and slowly read, "Does - baby -  
love - Rover - yes - baby - loves -  
Rover," you'll have the general  
idea of what I mean.

But the Texan could not be dis-  
couraged. He had the teacher  
mark the important words. When  
at last he stood before the assem-  
bly of Latin-American medical  
leaders, he surprised them by  
waving aside an interpreter and  
addressing them in their own lan-  
guage. The ovation the audience  
bestowed was worth all the effort.

**CARD OF THANKS**  
Crossing the Bar  
Sunset and evening star  
And one clear call for me,  
Any may there be no moaning of  
the bar  
When I put out to sea.  
But such a tide as moving seems  
asleep,  
Too full for sound or foam,  
When that which drew from out  
the boundless deep  
Turns again home.  
Twilight and evening bell,  
And after that the dark,  
And may there be no sadness of  
farewell  
When I embark.  
For though from out our bourne  
of Time and Place  
The flood may bear me far,  
I hope to see my Pilot face to face  
When I have crossed the bar.  
We wish to express our sincere  
appreciation to our many friends  
and neighbors for the acts of  
kindness, beautiful floral offerings  
and words of comfort extended us  
in the loss of our husband, father,  
grandfather and brother, Ernest  
Balch, who died Dec. 22.

The Wheeler Home Demonstration  
Club met in the club room at  
the Court House January 2 for  
their first meeting of the year.  
Mrs. Bill Owens, president, ap-  
pointed committees and the club  
made plans for the year.  
An amusing and interesting dem-  
onstration was given by Mrs. J.  
H. Watts on, "Cracking black wal-  
nuts."  
The next meeting will be in the  
club room at the Court House at  
2:30 p. m., Jan. 16. Non club  
members are especially invited.  
Miss Betty Arganbright of Go-  
tebo, Okla., niece of Narville  
Arganbright enrolled in the  
Wheeler schools Monday.

**EYES ARE RATIONED**

**ONLY ONE PAIR TO LAST A LIFETIME!**

Eyesight is their most precious possession.  
So protect their eyes with proper lighting at all times.  
When home work becomes tedious and the children  
begin to get sleepy before bedtime, chances  
are, it's the lighting in your home.  
Make sure you have the proper-sized lamp bulb; that the  
bowl is clean and that the lamp is placed in the  
right position to avoid shadows and glare.  
Remember, they have only one pair of eyes to last a  
lifetime, so protect them always.

**Audrey Alexander Weds Lonnie Powell**

Mr. and Mrs. A. D. Alexander Mobeetie announce the reception of their daughter, Audrey, to Lonnie J. Powell, son of Mr. and Mrs. L. D. Powell, of Mobeetie.

Rev. Buren L. Higdon, pastor of the Mobeetie Baptist Church, performed the ceremony. Miss Annie Alexander, sister of the bride, was the couple's only attendant.

The bride was attired in a light dress with black accessories. Mrs. Powell was attending school at Mobeetie high school at the time of her marriage.

Mr. Powell attended school at Mobeetie high school before entering the armed services Nov. 25, 1940. He has recently been discharged from the service after two years overseas with the first Cavalry Division.

The couple plan to make their home in Pampa.

**Bible Lesson Led By Rev. Fullingim**

The W. M. S. of the First Baptist church met at the church Tuesday afternoon for Bible study. Rev. P. D. Fullingim, pastor, taught the lesson from Psalms. Mrs. Gordon Whitener led the opening prayer and presided over the business session. The closing prayer was led by Mrs. Cecil Martin.

Those present were Meses. Marl Jaco, Lee Guthrie, Gordon Whitener, George Hefley, Cecil Martin, Minnie Farmer, P. D. Fullingim, C. R. Flynt, Lillian Wright, J. M. Burgess, J. W. Williams and Geo. Porter.

**Lombra Sue Brazil Weds in New Mexico**

Mrs. R. E. Brazil, of Las Cruces, New Mex., formerly of Wheeler announces the marriage of her daughter, Lombra Sue, to Francis Addison Hepburn, also of Las Cruces, on Sunday, Dec. 9.

Mrs. Brazil formerly operated a variety store in Wheeler and is a niece of J. M. Burgess.

**Examines Tojo's Fan**

Lovely Frances Rushmore, a John Powers model, is shown examining the fan stained with his lifeblood which was found on former Premier Hideki Tojo, Japanese warlord, after his abortive suicide attempt in his home as he was about to be arrested as a war criminal. The fan and the bullet with which Tojo tried to end his life were brought back to the United States by Harry T. Brundidge, associate editor of Cosmopolitan magazine, shown above, who was at Tojo's home when the suicide attempt was made.

Claude, came Monday for a visit with her and with George Porter and Dennis Porter. Mrs. G. W. Porter accompanied them to Claude to visit relatives, returning Tuesday. Mr. Kelsey left for his home Saturday. E. H. Willis of Amarillo sur-

prised his sister, Mrs. Ada Alexander, with a short visit during the holidays. Mrs. Lida Grey in west Wheeler has been confined to her bed for some time on account of illness. Her daughter, Mrs. Pearl Brigham with whom she lives, has the flu.

**A Big Step Forward**

To three-year-old Joseph Lee of Boston, Mass., this is the biggest step of his life. Recovering from a crippling attack of infantile paralysis at Children's Hospital, little Joe is shown starting the long road back to active health with the help of physical therapist Deborah Kinsman and a pair of miniature crutches. Your contribution to the annual March of Dimes, conducted by the National Foundation for Infantile Paralysis, will help thousands of others like Joe receive the best available treatment. JOIN THE MARCH OF DIMES JANUARY 14-31

Your engine will purr like a kitten full of cream when that new Phillips 66 goes to work in it!\*

Want new power, new pep and pick-up—then let a tankful of the new Phillips 66 open your eyes!

It's a high volatility gasoline made with many of the elements that formerly went into combat aviation fuels—it ought to be good!

Just pull in where you see the orange and black "66" sign and say "O.K., I want to be shown!" In city traffic or on the broad highway, you'll say there never was a gasoline like this one!

spent by the National Foundation and its chapters over the country for transportation, hospitalization, services of doctors and nurses, and special equipment such as hot pack machines, iron lungs, braces, crutches and wheelchairs. Treatment of a polio patient costs an average of \$2,500 a year and must be continued for years to effect recovery. Since no one knows where or how hard polio may strike in 1946, we must again be ready to meet the attack whenever it may come, as well as continue treatment still necessary for patients of previous years. Contributions to the March of Dimes is our assurance that no victim of infantile paralysis will go uncared for, regardless of age, race or creed.

Half the contributions raised will remain in the county chapter for care and treatment of local patients, while the other half goes to the National Foundation for epidemic aid, education and research to find a means of preventing the disease.

medical discharge. The Canadian Government granted me a disability pension and later gave me the distinction of being the first American sent to college under the Canadian "GI" Bill, which is very similar to the American "G. I." Bill. I am a member of the American Legion Frank King Post at Wellington.

"During the present war I had two brothers killed in action with the Air Forces. My younger brother, Pat Templeton, was killed in the Royal Air Force on September 7, 1942, while trying to land a crippled bomber at night in England, and my older brother, John Templeton, was killed on March 18, 1945, while flying as a gunner in a bomber over France.

"At this point I would like to have it understood that I am not seeking this office on the strength of a military record. Instead, I am seeking this office because I feel that I am qualified to hold it. For several years I have studied law at the University of Texas in order to prepare myself for such an office. I come from a family of lawyers and legislators.

"My father, the late Judge R. H. Templeton, practiced law in this District for 35 years. My uncle and namesake, the late Judge R. L. Templeton, was the first Representative from this District. He served in the legislature for four years, and was District Judge at the time of his death in 1927. My grandfather, Newton Gresham, a well-known newspaper editor at the turn of the century, was better known as the founder of the Farmers Union of America.

"My platform remains the same as it was two years ago. Namely, if elected I will do my best to be a good Representative. Because I was born in this District and have made my home here during the 25 years of my life, I feel that I will be able to understand and handle the Legislative needs of any and every person in this District who calls on me.

"I am married and have a son 18 months old. Before the election comes off I will have graduated from the University of Texas Law School and will be engaged in the practice of law in Wellington. My office will be open in the latter part of June—everyone who calls will find a 'welcome' mat spread before my door."
