ORGANIZE IMPROVE HERDS

County dairymen met at the Wheeler office at the invitation of W. K. Frey to discuss the Wheeler Improvement Association.

County Agent Ralph describing the operation of the duties of the supervisor or field agent gave the following information:

Herd Improvement is a cooperative group of farmers who join together to improve their herds. Information that will help to improve their herds is to visit each farm once a month and check the dairy herd records.

Man weighs and samples from each cow for the Babcock test. He also feeds and figures the record book, which the member, the field agent and the butter-maker of each cow, the product, the cost of the value of the product below feed cost.

Man calculates economic mixtures and makes for improvement. A breeding date, dry-cow and calving date is now.

W. K. Frey told that in addition to the system of book-keeping in the herd, the improvement through culling and better feeding, breeding, etc., there were several ways in which a D. H. help dairymen in the.

He said that at regular meetings of the D. H. members of discussion of problems in feeding and would be helpful. In addition this is on Last Page)

AN EDITORIAL Keep Backing The Mustangs

The Wheeler Mustangs played their first District 3-A conference game at McLean Friday night and got off to a bad start, but just because they got off on the wrong foot is no reason for anyone to quit backing them. Your presence at future games is not only desired, but urged.

It's true that you were perhaps disappointed in the playing of the team at McLean last week. It may also be true that some of you are saying—that the team can't win a game. But it is also true that we, as fans, must back the Mustangs or they won't care whether they win or lose.

Almost everyone, no doubt, has heard the story of the Texas Aggies' famed 12th man, in fact, the Aggies have a 12th man club which is made up of thousands of boys who attended the school who cannot make the powerful football team but do their part by backing their team to the utmost, win, lose or draw. In our case, that 12th man is US, the citizens of Wheeler. Without the 12th man, the 11 playing on the field have no incentive to win.

Most people realize that a good football team in a town helps in more ways than one. It's first of all a good sport for a young man in high school or college, providing him with an outlet for his energy, teaching him teamwork and sportsmanship. A good football team is also an asset to a town, for a good football team brings the town worlds of publicity, good publicity. With that publicity will come a recognition of the town, and people about the town, will possibly want to make that town their home town or trading place.

So there are numerous reasons why we want a winning football team. The fans can't get out on the field and help the team score those all-important touchdowns, but they can give those 11 men a reason for wanting to win.

Because the Mustangs lost to McLean is no reason why we should fall down on them now. That was only one game. There are others coming up. Let's stay behind them. The large delegation from Wheeler at the McLean game last week shows that we are for them, were last week end at least, and here's hoping we keep that way—win, lose or draw.

MARKER PLACED DEADLINE NEAR MILLER GRAVE ON PEANUT DATA

A group of Panhandle people headed by J. V. Coffee of Miami recently placed markers at the graves of the late Judge and Mrs. L. D. Miller at the Wheeler cemetery.

Judge Miller, an early-day lawyer whose eccentricities made him widely known, served as county attorney of Wheeler county and was elected district attorney in 1886. He missed election as district judge by a margin of a few votes and then served as county judge of Wheeler county for four terms—from 1916 to a short time before his death.

Wheeler was the last home of the Millers.

Judge Miller was once a partner-at-law of John B. Harrison who later became a justice of the supreme court of Oklahoma. Among Judge Miller's close friends and contemporaries were: Judge W. B. Plemons, John W. Veal, H. H. Wallace, and Lt. Governor J. N. Browning all of Amarillo; the late well-known Judge H. E. Hoover of Canadian, and Temple Houston of Old Mobettie, son of the noted Sam Houston.

A half century ago Lorenzo Dow Miller, better known as "L. D." was known to practically every person in the Panhandle country, while his wife was popular and loved where ever she and her husband lived. Mrs. Miller's personality and rare ability as a teacher are recalled even today.

Mr. Coffee of Miami recently began a quiet campaign to place memorials at the gravesides of Judge and Mrs. Miller.

The Millers have one living daughter, Mrs. Winnie Davis Miller or Wiley (Mrs. R. E. Wiley) who resides at San Antonio. Judge Miller's first wife and two sons are buried at Miami.

Mrs. Coffee of Miami recently began a quiet campaign to place memorials at the gravesides of Judge and Mrs. Miller.

The Millers have one living daughter, Mrs. Winnie Davis Miller or Wiley (Mrs. R. E. Wiley) who resides at San Antonio. Judge Miller's first wife and two sons are buried at Miami.

The Union Quilting club met Wednesday, September 17, in the home of Mrs. Leslie Waters. One quilt was completed and Mrs. Ernest Abbott was honored with a pink and blue shower in the afternoon.

These attending were: Mesdames Walter Evans, Deward Beck, Jake Allen, John Corcoran, Everett Coleman, Walter Green, Phil Corcoran, Alex Gudgel, Geo. Kilcrease, Alex McCray and Mrs. Leslie Waters.

Those sending gifts were: Mesdames Mac Ayers, Bud Scribner, Bob Leonard, Doyle Grimes, A. H. Burch, H. Burke, Walter Coward and Maurice Ray.

The next meeting will be with Mrs. Walter Green October 2.

Mr. and Mrs. Homer Pitcock and Jan were visitors in Oklahoma City from Sunday until Tuesday and while there attended the State Fair.

MAY GIN MORE COTTON IN '47 THAN '45 OR '46

Wheeler County will gin more cotton this year than in each of the two preceding years. That is the belief of most Wheeler County ginners, cotton buyers and producers interviewed this week.

Estimates by the men who are in close contact with cotton production in this area run from 7,000 to 8,000 bales. One man who has made an annual survey of the county for the past several years estimates that Wheeler County and the northern part of Collingsworth county, will produce approximately 10,000 bales.

One ginner believes that the 1947 crop will not exceed 5,000 bales.

Last year, 6,285 bales were ginned in the county. The preceding year the total was 5,959 bales.

In 1946, the county had only 30,000 acres planted to cotton. Although the exact figure this year is not known, it is estimated that the acreage is from 10 to 15 per cent greater. One of the farmers interviewed believes this year's production, over the county, will average one-fourth of a bale per acre.

All agree that the production will depend largely on the outcome of the late cotton which was damaged greatly by the current drought.

This year's crop will give producers a much greater return in dollars and cents. The loan rate this year is approximately three and one-half cents higher than last year. The average loan rate for 7-8-inch middling cotton, gross weight, is 26.49 cents per pound, which is 92½% of the parity price as of August 1, 1947. Last year the loan rate was 22.83 cents per pound.

Late Wednesday afternoon, the two Wheeler gins had handled a total of 6 bales of 1947 cotton and the three gins at Shamrock had received 43 bales. The compress at Shamrock had handled 80 bales.

County Singers Elect Convention Delegates

The Wheeler County Singing Convention met at Kelton Sunday with a large crowd in attendance and was treated to some extra special music by the Church of God Quartet from Pampa which was accompanied by Shelby Ruff a former Mobettie resident and the Davis Quartet from Sweetwater, Okla.

The convention elected as their delegates to the Texas-Oklahoma Singers Association Convention which is to be held in Quanah on October 2, D. Vines of Kelton, George Fulk of Gageby, J. W. Henderson of Twitty and E. J. Cooper of Shamrock.

Hester Dodson, president of the Wheeler County Convention, stated that the next meeting would be held at the Baptist Church in Twitty on October 19.

Think Before You Beat Up Football Officials, They Can Get Your Team Disqualified For Honors

Allen Kavanaugh, Wheeler County School Superintendent, after hearing of the way officials were treated at the Shamrock-Perryton clash in Shamrock last week when the Perryton team won a decisive 20-0 victory, brought in a copy of the "Interscholastic Leaguer" which carried reports of schools being suspended and disqualified because of misconduct toward officials.

Kavanaugh stated that he would hate very much to see any team get kicked out because of the fans' mistreatment of officials, but that it was entirely within the power of the Texas Interscholastic League athletic committee to suspend teams if either the players or fans were guilty of misconduct toward officials, and the officials reported same to league officials.

For the information of the general public, Kavanaugh ask the Times to reproduce a couple of these notices from the "Interscholastic Leaguer", which is the official publication of the Texas Interscholastic League.

Goldthwaite Suspended

Goldthwaite High School is suspended in football for 1947 because of misconduct toward officials in the game with Burnet on November 27, 1946.

Disqualified for Honors

Angleton High School is disqualified for football honors in 1947 because of mistreatment of officials in the game with Galena Park on October 11, 1946.

MCLEAN TIGERS DOWN MUSTANGS IN 3-A CONTEST

Wheeler's Mustangs took a 51 to 13 trouncing at the hands of the McLean Tigers in their opening football contest of the current season at McLean last Friday night but came back to work Monday afternoon with renewed vigor and greater determination than ever before.

The Mustangs will be idle Friday night since Coach Grady Baker has been unable to secure an opponent for a contest, but they have been putting in long hours on the drill field each afternoon, perfecting their plays and working more and more on the fundamentals of football, blocking and tackling.

Coach Baker and his lads are working hard in order to be in tip-top shape for their next tussle which will be against the highly touted Shamrock Irishmen on the local gridiron Friday night, October 3. Th Irishmen reportedly have on of the classiest Class A ball clubs in the panhandle this season but the Mustangs will be out to spring an upset on them.

In last Friday night's battle, the McLean Tigers came out clawing after having looked like a bunch of gentle little kittens at Panhandle the previous weekend and jumped right into the lead which they held throughout the contest.

The Tigers scored three times in the first period to hold a 19 to 0 advantage as the quarter ended then scored twice more in the second quarter once on a bad snapback from the Mustang center to make the count 33 to 0 at half time.

Following the halftime intermission, the Mustangs came back fighting to score their two counters. The Mustangs took the second half kick off and marched 72 yards to pay dirt with Gene Hubbard finally going over for the counter after some fine running by Bill Robertson and Corky Robertson had placed the pignskin in scoring position.

The second Mustang counter came after a 64 yard drive with Corky Robertson carrying over from the 1-yard line after the ball had been placed in that position by a 15 yard unnecessary roughness penalty assessed against the Tigers.

The Tigers then came back strong to count three more times during the final period and make the final score 51 to 13.

The Mustangs scored a total of 16 first downs against 12 for the Tigers but could not reach pay dirt as often.

The starting line-ups for the contest included: Wheeler, Barr and Colliers at ends, Goad and McCormick at tackles, Hardecastle and Waters at guards, Bradford at center, C. Robertson at quarter, Lowrie and B. Robertson at halves and Hubbard at full. McLean, Shelton and Eudey at ends, Andrews and Myatt at tackles, Allen and Newton at guards, Smith at center, and Bruner, Boston, Langham and Griffith, backs; Wheeler substitutes included: Erwin, Johnson, Bailey, Ragan, E. Hubbard and Crossland.

Mr. and Mrs. P. A. Martin and Mrs. Annie Sivage were Sunday guests in the home of Mr. and Mrs. Lewis Martin.

Three County Ladies Attend THDA Meeting

Wheeler county women who are attending the Texas Home Demonstration Association's meeting in Galveston this week include Mrs. Ernest Zybach of Briscoe, Mrs. Lester Johnson of Briscoe and Mrs. W. A. Allen of Papan.

The theme of the annual meeting of the Texas Home Demonstration Association is "Let There Be Light" according to the state president, Mrs. Gus Rogas.

All the delegates from the Panhandle district went on a special bus which started from Amarillo and came through Wheeler and Shamrock to pickup the Wheeler County delegates. The group will spend one night in Dallas both going down and on the return trip.

Louise Hicks To Take New Position Oct. 1

Miss Louise Hicks, who has been Wheeler County's assistant county home demonstration agent for the past 13 months, is being promoted the 1st of October to county home demonstration agent of Menard County. Menard is the county seat of Menard County.

Miss Hicks has been very efficient in her work in Wheeler County and has built up the girls 4-H clubs a great deal. Mrs. Emma Hastings, county home demonstration agent, stated:

Miss Hicks successor for Wheeler county has not yet been named.

"We The People" Is Subject WSCS Program

The W.S.C.S. met at the Methodist Church Monday, September 22, for a study on "We The People", with the vice-president, Mrs. Luther Parks, in charge. Mrs. J. M. Glover brought the devotional, followed by a prayer, "We've a Story To Tell". Mrs. S. Y. Allgood gave a supplementary item.

Members present were: Mesdames Pete Mayfield, Ollie Hubbard, J. M. Porter, C. M. Hampton, J. M. Glover, Doris Hutchison, Luther Parks, C. C. Robinson, S. Y. Allgood, Rev. Allgood and Little Richard Parks.

Proceeds from the sale will be used to help furnish the kitchen of the new American Legion building which is now under construction. Mrs. Vernon Brown, president of the organization, stated.

100,000 Acres Land In Wheeler County Needs Be Terraced To Save Soil

About 100,000 acres of Wheeler county land should be terraced to save water and conserve soil, chairman Shaffer of the County Agricultural Conservation Committee states.

WHEELER PLAY NEGROES SUN.

The Wheeler Baseball Club which is sponsored by the West-Passions post of the American Legion is sponsoring a baseball contest here Sunday afternoon between a team of All-Stars picked from the players of the Texas-Oklahoma League and the Pampa Black Oilers, a first class negro team from Pampa.

The contest will be played on the local diamond which is located west of town on highway 152 and will begin promptly at 3:00 P. M. Billy J. Darnell, who managed ed Wheeler team this season, stated this week that his starting lineup would probably include; either Maurice Burgess or Leonard Reed at catcher, Joe Henderson at first base, Cash Walker at second base, Junior Martin or Adrian Risner at short stop, Grady C. Baker, Red Richerson or Ed Brawley of Erick at third base, Roe Green in left field, Buddy Vanpool in center field, Leroy Robison in right field and Prater pitching.

Darnell stated that the colored boys had agreed to bring their own umpire with them; so, you can come out expecting to see a real show.

Admission prices will be 50c for adults and children under 12 years of age will be admitted free of charge.

GILT SHOW HELD WHEELER SAT.

The Sears gilt show for this County was held in Wheeler Saturday afternoon September 20th. Howard Weatherly, Vocational Agriculture teacher at Shamrock, judged the gills.

The winners were as follows: first, Thurmond Wayne Calcutt, Kelton; second, Lawrence Whiteley, Kelton; third, Kenneth Whiteley, Kelton; fourth, James Cox, Wheeler; and fifth, Ronald Pitcock, Kelton.

Other boys that have gills are Max Herd, Wheeler; Clifton Boydston, Allison, and J. T. Johnson, Wheeler.

The first place gilt, owned by Thurmond Wayne Calcutt, and the Sears boar, owned by Joe Van Zandt of Mobettie were taken to the district Sears show at Amarillo Tuesday September 23rd. The gilt placed 8th in her class, and the boar placed 11th.

There were also 9 of the 24 steers that are on feed in this county for the spring shows here Saturday. They were brought in so that each boy could compare his calf with some of the other calves that are on feed. Those that received a good bit of attention were Carrol Pitcock's, Kelton, Jimmie Clark's, Wheeler, Gene Watson and Jimmie Harris of Kelton.

Teachers Treated To Picnic At Wilke Lake

Teachers in the Wheeler schools enjoyed a picnic recently at Wilke's Lake northwest of Wheeler.

Those present included: Mr. and Mrs. W. O. Carrick, Mr. and Mrs. O. B. Williams, Mr. and Mrs. Barney Teague, Mr. and Mrs. J. A. Clepper and baby, Mr. and Mrs. Grady Baker, Miss Celeste Wiley, Miss Effie Rankin, Miss Doris Mahafey, and the host and hostess, Mr. and Mrs. C. L. Wilkes.

AUXILIARY SELLS PASTRIES

The Wheeler chapter of the American Legion Ladies Auxiliary will hold a pastry sale Saturday, September 27 on the sidewalk in front of Puckett's Food Market. The ladies will offer home made pies, cakes, cookies and candy for sale.

Proceeds from the sale will be used to help furnish the kitchen of the new American Legion building which is now under construction. Mrs. Vernon Brown, president of the organization, stated.

Mr. and Mrs. M. L. Gunter, Jr. of Spearman visited with Mrs. M. L. Gunter and Mr. and Mrs. Terrell Gunter Sunday.

Mrs. Ernestine Weeks of Pampa visited in Wheeler Sunday.

Mr. and Mrs. Norman Gardner of Lometa, Calif visited in the home of Mr. and Mrs. W. L. Williams last week.

Mr. and Mrs. Norman Gardner of Lometa, Calif visited in the home of Mr. and Mrs. W. L. Williams last week.

Mr. and Mrs. Norman Gardner of Lometa, Calif visited in the home of Mr. and Mrs. W. L. Williams last week.

FARM PROSPERITY NECESSARY
Business men in Wheeler are interested in the welfare of the millions of American farmers. They realize that the cash money the farmers receive is turned their way as the agricultural population purchase the desired products of industry.
Many years ago, it was said quite truly that the wealth comes from the soil. It might not be a

miss to point out that, in the United States, the smooth-working of the business cycle depends upon the financial condition of agriculture.

While about one-fourth of our population resides in the rural region, the economic segment is important because it is an eager buyer of commercial products. In many counties of this country, the business of merchants depends absolutely upon the ability of farmers to buy. When the agriculturists are in a purchasing mood, the local merchants order from manufacturing plants. This means employment for workers, which, in turn, benefits farmers by giving additional outlets to the products of the farm.

We think it is important for Americans to understand the true nature of their economic cycle. We call attention to it because the farmer, during recent war years, has enjoyed increased dollar income. Present high prices will not continue when world production gets back to normal, after the exigencies of the war, and once again. We are afraid, the United States will face the necessity of taking positive steps to assist agriculture.

While the crop-control program was thoroughly denounced by so-called "rugged individualists" in recent years, there is nothing left for agriculture to do if domestic and foreign markets are unable to take the full output of our American farms. Economists who are always insisting that only production represents wealth, overlook the effective controls that industry and manufacturing exercise over production.

They overlook, too, what many farmers understand, that increased production very often is accompanied by a drop in prices that give the growers a smaller net income. Until farmers can be assured of greater profits for larger crops, some form of crop control is certain.

KEEP IT DARK
When a society leader in an Eastern city was first told about the theory of evolution, she protested.

"Descended from apes! My dear, we will hope it is not true. But if it is, let us pray that it may not become generally known."

Nearly 60 per cent of the farms in the United States now have electricity.

LEGAL NOTICE

CITATION UPON APPLICATION FOR PROBATION OF WILL AND LETTERS TESTAMENTARY

The State of Texas. To the Sheriff or any Constable of Wheeler County, Texas, Greetings:

You are hereby commanded by posting a copy hereof at the Court-house door of Wheeler County, for not less than 10 days before the return date hereof, exclusive of the first day of service by so posting, to cite all persons interested in the Estate of Eff Lynch Martin, deceased, and you are further commanded to cite Margaret McCann and A. C. Martin, who are each nonresidents of Texas, as heirs-at-law of Eff Lynch Martin, deceased, by making publication of this citation for one time not less than 10 days before the return date hereof in a newspaper of general circulation published in this said County of Wheeler, and such posting and publication shall cite them and each of them, and they and each of them are hereby cited to appear in the County Court of Wheeler County in the Courtroom thereof on the first Monday after completion of such posting and publication, which is the 6th day of October, 1947, and contest, shall they desire to do so, the application of A. C. Taylor, filed in the said Court on the 22nd day of September, 1947, which will then and there by such Court be acted on, for the probate of said Last Will and Testament of said Eff Lynch Martin, deceased, filed with said application, and for letters testamentary as Independent Executor.

Herein fail not, but have you before said Court on the 6th day of October, 1947, this writ, with your return thereon, showing how you have executed the same.

Witness (SEAL)
HARRY WOFFORD,
Clerk of County Court of Wheeler County, Texas
41-11c.

A SOUR NOTE
"Why did you stop singing in the choir, Thomas?"
"Well, one Sunday I was sick and didn't sing, and a lot of people in the congregation asked if the organ had been fixed!"

SEEKING 'SWEETHEART' CROWN

IN DISABLED AMERICAN VETERANS' contest to pick "America's Sweetheart," Mrs. Audrey O'Connell (above) of Washington, D. C., will represent Virginia, the District of Columbia, Maryland and West Virginia. Entrants must be wife, sister or sweetheart of a disabled vet. Mrs. O'Connell's husband was machine-gunned in the leg and wounded in the head while serving with 5th Rangers. (International Soundphoto)

Leave Chrysanthemum Alone If Good Variety

Leave chrysanthemum buds alone if your plants are the new hardy garden varieties, says Miss Sadie Hatfield, Texas A and M College extension specialist in landscape gardening.

The beauty of the new varieties lies in the profusion of blossoms rather than in the size of each individual flower, the specialist says. The custom of trimming back the tops of chrysanthemums to produce sturdy low-growing

plants should be stopped at least 10 or 12 weeks before flowers are expected, though the time varies with the variety.

The plants should be watered during dry weather, and if they look weak and have light green leaves, they are likely in need of help. Miss Hatfield recommends liquid manure or a feeding solution made of a heaping tablespoonful of a complete fertilizer such as 5-10-5 to a gallon of water. It is more important to have a weak fertilizer applied at frequent intervals than a heavy one infrequently.

Rheumatic Heart Is Cause Child Deaths

Rheumatic heart disease is now the first cause of death among children aged 10 to 14, and is second only to tuberculosis at ages 15 to 25. Despite the importance of this disease its epidemiology is not completely established. No vaccine such as those that prevent typhoid, diphtheria, small pox, and whooping cough has yet been developed for its prevention or control. We do know, however, some of the danger signals and with the physician's accurate diagnosis some of the damaging results of the disease may be prevented.

Exposure to frequent chilling, damp or overcrowded living quarters, a poor diet, an attack of scarlet fever, a bad cold or other infection caused by certain streptococcus germs are likely to be predisposing factors in the appearance of rheumatic fever.

Dr. Geo. W. Cox, State Health Officer, points out that in general the danger signals of rheumatic fever are pain and swelling in the joints of the knees, ankles, elbows, or wrists. The pain usually is felt in one of these centers and spreads

to the others. Often the child will get irritable and complain of any visible signs of reason for this attitude. The child may develop nervousness. A physician should be consulted at once in such a situation, for these symptoms may be the beginning of rheumatic fever.

According to Dr. Cox, safeguards against this disease are to have each child vaccinated at least once a year by a physician, to have the right food and plenty of rest. Rheumatic fever is suspected of being present, a doctor should be called at once, and if the prescribed bed rest, his advice be implicitly followed.

SO EASY!
"Now, how would you like to be a bookkeeping teacher of a business training class?"

"Oh, that's simple," said Ed, as, fitting her words to his, she closed them with a bang.

CHIC-O-LINE CHIC-O-LINE CHIC-O-LINE CHIC-O-LINE CHIC-O-LINE CHIC-O-LINE

At Last . . . Feeds Tested For The Southwest!

Try the IMPROVED

CHIC-O-LINE

TURNING Sour GAS

INTO A Mighty INDUSTRY

Carbon black produced in the area we serve dominates the industrial scene.

Only in this area—with its vast resources of natural gas—is the mass production of this vital material possible. "Sour" gas, once considered worthless (on account of its high sulphur content), has become the basis of a great industrial operation. The automotive, rubber, paint and ink industries are but a few of those dependent on carbon black.

We have so much confidence in the carbon black industry—and other industries we serve, that we are investing 35 million dollars in a building program. This expansion program in our territory will bring more dependable electric service to industry and better living—electrically—to everyone!

**SOUTHWESTERN
PUBLIC SERVICE
COMPANY**
23 YEARS OF GOOD CITIZENSHIP AND PUBLIC SERVICE

Now! Especially enriched and tested for Southwestern feeding conditions, the "famous for quality" CHIC-O-LINE feeds are better than ever. Years of tests have improved even these fine feeds, and the very newest enrichment ingredients blended scientifically in up-to-date formulas mean they bring you even better feeding results for your flocks and herds. Remember, your farm will do fine—with CHIC-O-LINE.

Try CHIC-O-LINE Laying Mash. It's scientifically right to bring you more eggs . . . more profits. And don't forget CHIC-O-LINE 16% Dairy Feed. Has the necessary ingredients to help increase milk production. Or if you're fattening hogs for market, try CHIC-O-LINE 36% Protein Hog Supplement. There's a CHIC-O-LINE feed for every need and they're all lab tested and farm checked . . . Remember, keep 'em fine, with CHIC-O-LINE. For sale by . . .

EDITORIAL

There it was, the first day of school. I saw the children go to the gym to meet the new teachers and get acquainted with them. Then they went to the buildings to see the schedule and check out their books. The next day back to school again, and start the same old usual routine as the year before. Sure, they were jolly enough, but something seemed to be lacking, something I call "school spirit."

For example: If we had "school spirit" we may have done better in the game Friday, also more competition to offer the opposing team. The fellows did swell, but look what they were up against. The other team had more guys who were interested in what happened to their school. So they were playing for the Tigers team and didn't care for a few hard knocks. But what about here, the boys who go out for football and do their best, can't do it all, they need more guys out there to help them.

From where I see it, these kids could all do better. The boys who aren't taking interest, could pitch in and help, and you girls could get some pep on and yell more for them. You that aren't pitching, don't you feel left out? Don't you feel like you could help them out a lot by standing up for them?

What is wrong with our school spirit? Or do we have any? Do you know that we are the smallest school in District 3-A? Did you know that we are only playing about half of our larger boys in these games? What can we as a student body do to remedy this situation? Does it do the boys justice for us to show such little spirit while they go to the extremes the other way. To get beat is enough for a determined heart but to be beaten under condition as they now are, must be discouraging to our few who try. We have the best that can be obtained by this in the way of a coach, equipment and local backing. All we like is the determination to win by more. How shall this be gotten?

SENIOR NEWS

We put in the order for our invitations last week. We think they are pretty, with a ship design across the front.

Congratulations Mrs. Pendleton! We wish you the best of luck Dolores.

La Verne, did you go to Samnor-

FARM FACTS WORTH KNOWING

Q. In raising pullets on the range, what size shelter should be provided for 100 pullets?

A. You should have a 10' x 12' range shelter for each 100 pullets, with from five to eight inches of roost space per bird.

Q. What causes blood to appear in milk?

A. Presence of blood in milk is due to the rupture of one of the many small blood vessels within the udder. This rupture may be due to some mechanical injury or small tumor, or it may indicate tissue damage due to infection (mastitis). In the latter case the milk will be otherwise abnormal in appearance. When blood appears in the milk, it is best to call in your local veterinarian immediately for diagnosis and treatment of this condition. A small tumor in the teat canal may be quite successfully removed by surgery, while mastitis may respond to direct internal medication of the udder tissue.

Q. When should gilts be removed from the market herd and placed in the brood sow herd?

A. The Research Farm of the Reilston Purina Company recommends that gilts remain with hogs being fattened for market until it is possible to select the "good-doing" gilts of the type desired. Usually this is at six months of age when their mates go to market.

Q. At what age do turkey hens come into production?

A. With the proper feed and management practices, a young turkey hen will come into production at about 7 to 8 months of age, regardless of the season of the year when she reaches this age.

Q. When should pullets be vaccinated against chicken pox?

A. Vaccinations against chicken pox should be done when pullets are between six and ten weeks of age.

Send your questions about livestock or farm problems to FARM FACTS, 815 South Eighth Street, St. Louis 2, Missouri. Questions will be answered without charge by mail or in this column, as a service of this newspaper.

wood Sunday, and ride one of those wild cows at the rodeo?

Jody, La Verne, Pat and George did quite well leading the Pep Squad Friday night. Even though the results were enough to make them sore.

George and Yvonne found a man in their bed when they went home Friday night. It didn't seem to startle them a bit 'cause it was just Georgie's husband.

We seniors were sorry to lose one of our classmates. But we hope Joyce Brown will be happy in Colorado.

Coach Baker says he's out of shape. And no wonder! You should have seen Mrs. Baker giving him a working over in the office last week.

For the first game, and away from home we think you Mustangs did swell, even though we did get beat.

Did anyone test Ruby to see if she had fever Friday night at McLean. Boy, could she holler when a guy with a dark pair of pants and a white shirt walked in the gate. Kid, take it easy, that could run into something serious.

James, are you always in the habit of letting girls sit on your knee?

Lois, what's wrong with Rosy's car? Is that what happened the time you run it up the light post?

Darline, someone must have squeezed you too tight from the looks of that arm.

WANTED:
Home for a family of 5

WARNING STOP FIRE!

"BURNED out" today may be well mean being out of a place to live. Be doubly careful to eliminate fire hazards in your home. And consult us about today's higher values. Don't let fire catch you under-insured.

DORIS FORRESTER AGENCY
Wheeler, Texas

Bill, how are you and the cows getting along these days?
 Bob, when are you going back to see the coon?
 Max, we surely will be glad when you get over that cold, you'll soon have that poor nose blown off.
 Vaneta, stop using sickness as an excuse, just so that the Allison guy will come to see you.

JUNIOR NEWS

Who skinned the neck "Bill"?
 When are you shipping out for Alaska, Duane?
 What's his name? "Virgie."
 I missed Johnny Monday. Did you Francis?
 Horace Lee, everyone thinks you have grown at least one half inch since last year.

When have you been horse back riding, Margaret Ann?
 You give that cow bell back to your Dad, Gene Colliers.

I understand that she is in love with one guy only. That lucky stiff is Nathan Barr.

It seems that you are well liked by the eighth grade girls, Clyde?
 Richard Lee, get your little brother to teach you his technique, Boy has he got it.

"Red" Hardcastle sure has it made. Brand new mercury.
 Para Goric, why won't you join our nose club? It doesn't have to be skinned it only has to have enormous size, or shape.

Christine, so you say you're happy now? Maybe because someone is leaving your beau alone.

SOPHOMORE NEWS

Red, Duane, J. T. and Jerry, did you boys finally get full of apples?

Jack, you better stop shooting paper wads at Floy Bell or people are gonna get funny ideas.

We sophomores are sorry to lose Betty Brown. We could always depend on "speedy".
 Miss Mahaffey have you learned yet, that the sophomore girls could argue?

Did everyone hear that great big yell Floy Bell gave for Eugene Collier at McLean Friday night? Miss Wiley said it was the best yet.

Winnie, his mother isn't that bad 'cause she didn't do anything but kiss him. And is that unusual for a mother to want to kiss her son?

The sophomore class is proud of our football players.
 Dorothy, why go with his

cousin?
 How are the green apples boys?
 Who is the Shamrock girl beating your time Joann?
 Why is Doyle always sleepy in history class?
 Where did Imogene get the new ring? What are you hiding from us Gene?
 Where were you Saturday night Winnie?

FRESHMAN NEWS

This is the beginning of the fourth week. It won't be long until we will have to start taking six weeks tests.

Juanita what is it you like about a certain junior boy?
 Floy Bell the freshman girls want you to quit flirting with Curtis.

Le Waime who was the good looking sailor you were talking to Saturday?

Have you noticed how good looking Edgar is getting?
 Leola you look good in levis.
 James, you've got to learn how to talk like Texans.

Glenda, why don't you get somebody your age instead of an eighth grader?
 Georgia, you have a different boyfriend every Saturday night.

Curtis, you better quit flirting with Maurine Herd.
 Edgar, do you have to forget your pencil just to get a drink?

HORRORS!

The vacuum cleaner salesman who had an appointment found the housewife unable to keep it. He suggested the following day.

"That's my busy day," she said. "If you call then you will find me in a whirligig."

"That won't worry me, madame," he said. "My last customer was in a kimona."

Now Is Good Time To Begin Improving Lawn

Has your lawn failed to come up to your expectations this summer?

If so, there's something you can do about it now, say Extension horticulturists at Texas A. and M. College.

Filling in the low spots to make mowing easier is a good September lawn job. And if there are spots where your grass hasn't grown well because poor lawn grasses like Dallis or smut grass have crowded it out, you can dig those grasses out, and fill in the holes when you do your smoothing job. And while you're at it, you can make yourself a nice green winter lawn by sowing two pounds of Italian rye grass over 100 square feet of lawn and cover it lightly with rich loam soil.

In some localities in Texas, say the horticulturists, San Augustine grass has been damaged by a disease known as "brown patch". Areas several feet in diameter turn brown, the grass looks like it is dying out and the general appearance of the lawn is spoiled. A pound of seed disinfectant mixed in eight gallons of water and applied to the browned areas ought to clear up the trouble. A few days later, follow up with an application of commercial fertilizer—one pound to 100 square feet. Best fertilizing time is late evening, when you can sprinkle the area and wash the fertilizer down into the soil.

If you want to know how little men have learned, stand on the sidelines and enjoy the spectacle of an individual telling his friends how he happened to guess something correctly.

EDITORIAL

With the new athletic season beginning we think about sportsmanship. We like for our team to be a good loser as well as a good winner. A good winner doesn't go around boasting all the time and a good loser isn't sullen. So this year we are all going to try to be good sports and make Mobeetie proud of us.

The Editor

SENIOR NEWS

The seniors have received their rings and we think they are the prettiest yet. We met Wednesday September 17 and ordered our caps and gowns, invitations and diplomas. We all hope we get to wear the caps and gowns and send out our invitations and receive our diplomas.

After having such a hard week we had a nice time over the weekend and hope everyone else did.

The seniors are talking about giving their play the first semester so they won't have so much business the last semester.

JUNIOR NEWS

The juniors elected Mr. and Mrs. Boyd Beck as class parents. They selected and ordered their bracelets, lovaliers, and senior rings Thursday morning.

The junior class welcomes a new student, Waldon Haynes.

EIGHTH GRADE NEWS

The eighth grade elected their class parents. They are Mr. and Mrs. Jiggs Leonardi and Mr. and Mrs. Eb Patton.

SOPHOMORE NEWS

The sophomore class has a new boy. They gave him a hearty welcome and hope he likes their class. He is Dale Haynes from Oklahoma City.

BASKETBALL NEWS

The basketball girls are looking forward to their first game at Kelton October 3. All have been working hard each evening in hopes of getting a suit.

PEP SQUAD

The girls have organized their pep squad and chosen their leaders. They are Irvine Ruff, Betty Patton and Evelyn Robinson. The girls really supported the boys Friday in their game with Booker. They are all looking forward and hoping to get to go with the boys to all the games.

GOSSIP

Some of the kids are really doing good going to church and the prevue all in one night.

The Pep Squad girls all have sore throats and the football boys are just as sore all over. Wonder why?

Vernie, you are a favorite with all the kids since you work in the drug store.

Beverly, does Donald Ray know

that you are wearing his ring? Charlotte and Edwin are still around the halls together this year.

The freshman girls seem to think the new boys are about it. Dorothy, would you know what the fuss in the Home Ec. room was about?

GUESS WHO?

ANSWER: Preacher Reed
 She is a senior and is really cute. She is short and wears glasses. She loves to talk. GUESS WHO?

FOOTBALL NEWS

The Mobeetie Hornets took a terrific licking from the Booker Six last Friday. The boys have improved over last years team and so has the Booker team. The score was 42-0 in Bookers favor. Bookers team had two penalties called, both for off-sides. In the second quarter Walker made a touch-down on a long pass from Burke, only to have it called back Preacher Reed, Donald Waters, Jimmy Walker, Delton Burke, Charles Gatlin, David Abbott, was the starting team.

Mobeetie is to play the second game at Morse Friday. We all hope that they will win, and all that can go will be right there rooting for them.

KELTON NEWS

By Rena Johnson

Mrs. Calvin Keelin spent the week at Rantoul, Ill. with her son, Pfc. Wallis Ray Keelin.

Mr. and Mrs. R. C. Anderson have moved from Kelton to Wheeler where Raymond is employed at Lee's Hardware.

Mr. and Mrs. Oscar Johnson of Pampa spent the weekend here with Mr. and Mrs. A. C. Johnson. Mr. and Mrs. T. B. Killingsworth motored to Panhandle Friday. Their daughter, Joyce, returned home with them to spend the weekend.

Misses Rena Johnson and Virginia Dale spent the weekend in Canyon with Mr. and Mrs. Robert Dunaway.

Bette Anderson has been spending a few days in Borger. She came home Sunday with Dewey Britton in his airplane and returned to Borger Sunday afternoon.

The community extends to Mr. and Mrs. L. C. Bledsoe and family the deepest of sympathy at the death of his mother.

Mr. and Mrs. L. W. Davidson Sr. are spending two weeks in Jacksonville, Fla. with Rev. and Mrs. L. W. Davidson and Susan.

Mr. and Mrs. Albert Bearden of Pampa spent Sunday afternoon here with Mr. and Mrs. Geo. Richardson and family. While here they attended the Wheeler County Singing convention.

Mr. and Mrs. J. E. Willard of near Wheeler were visitors here Sunday afternoon.

Mr. and Mrs. Geo. Henderson spent Sunday in Borger with Mr. and Mrs. Tommy Henderson.

Mr. and Mrs. J. D. Rutherford of Borger spent the weekend here with relatives.

Rena Johnson spent last Wednesday with Mr. and Mrs. Harley Pond and daughters, Linda Mae and Glenda Kay.

The Church of Christ revival closed Sunday night. Rev. Rue Porter delivered some very inspiring messages. The churches of Kelton invites you to attend one of the services on Sunday. Rev. Roberts is pastor of the Baptist church, Rev. H. R. Bennet, pastor of the Methodist.

Mr. and Mrs. Doc Whitley of Sweetwater, Okla. spent Sunday afternoon with Mr. and Mrs. Harley Pond.

Week of Prayer For Missions Is Observed

Members of the W.M.S. observed Week of Prayer on State Missions at the Baptist Church Monday, September 22.

Those taking part on the program were: Mrs. C. N. Wofford, Mrs. Harry Wofford, Mrs. Frank Wofford, and Mrs. P. D. Fullingim.

The following members were present: Mesdams Frank Wofford, G. W. Hefley, Harry Wofford, P. D. Fullingim, C. N. Wofford, Chas. R. Flynt, T. M. Bradstreet, Minnie Farmer, Cecil Martin and J. W. Williams.

school, Kelton, Texas. 41-2tc.

Allison Ramblents

Published by the students
of Allison High School

The seniors got their proofs of
their pictures and the boys seem
to take better pictures than the
girls.

Say, Gynell, you're not gonna
keep all those pictures are you?
Parilee, everyone seems to like
your side view picture best, but
then R. C. hasn't seen them yet,
has he?

Billy Bob and David, just be-
cause your pictures are the best
you don't have to get the big
head.

Yrt, do you think that Ray-
mond will like your lovely poses?
After all that smile is worth a
million.

Reta, just because your pictures
don't flatter you, you don't have
to get mad. After all the person
has something to do with it.

Everyone has been going around
holding their arms. Those shots
didn't hurt, now did they Lynn?

Jack, did you really go to Pam-
pa Tuesday?
Parilee, Joe and Reta, why were
you late to class Wednesday? Roy
you were a little late too.

Armenda, you and Bessie don't
have to run around so much at
night.
Lou Anna, who is your new
boyfriend?

Helen, you had better stay a-
wake in class or you might miss
something.
Lynn, if you don't stop calling
everyone darling someone is gonna
get mad. Course it wouldn't be
Bessie.

Bill Jones, why did you go to
Oklahoma Wednesday?
Wonder why some of the seven-
th and eighth graders were so
thrilled over who they invited to
their party Friday night.

Why does Pete and Joy Dean
fight so much?
Why was Donna Jo so thrilled
over the letter she received this
week?

We hear the boys basketball
jackets are being shipped tomor-
row, when are the girls gonna get
theirs?
Virginia, did you have a good
time Saturday night?

Why did Evelyn play hard to
get Saturday night?
Sparkie, it's been rumored you
ran over a dog on your way home
from Wheeler.

Shirley, we heard that your new
name was canteloupe.
Boyd, did you lose your new
girlfriend to Sparkie?
Where was Clint Saturday
night?

Bill, who have you been hiding
from?
Who were those two hitchhick-
ers from Allison Saturday night?
Who gave Virginia the nick-
name of "Buck" although she is
an old dear.

Bill, did you and Armenda get
cold coming home Saturday night?
I've heard thae riding in the back
of a pickup was warm, haven't
you Lynn?

What two Allison girls were
seen at Mobeetie Friday night?
Was that Pete and Jo?
We heard four little girls were
punished Sunday for what they
did Saturday night.

Katy, you can really make good
toast.
Clifton, did you think those
pictures were cute?

Allison is certainly a popular
place on Sunday. So we've heard.
Who was the couple that made
up Friday night?

Billy Bob, be careful of your
language. Especially in town.
Gerald, don't girls like to ride
in a new Dodge?

Who's picture was it Troy want-
ed Friday?
Who is the boy calling Parilee
"transler" and Evelyn "silence?"
Could he be from Mobeetie?

Johnnie, did you go to the party
Friday night?
Laura, why do people call you
Mrs. Bessire?

IDEAL GIRL
Eyes like Katy Brown
Teeth like Bessie Jo
Hair like Armenda

LAWRENCE'S BEST 21% PROTEIN Fortified RANGE CUBES

... for Stepped-Up Production!

Now... you can feed a combination of Vitamins... Minerals... Proteins... and Carbohydrates in every bite that gives your stock the very latest feeding advantages to help enable you to more profitably meet present-day market demands for better results with lower production cost.

PLUS "3" for PLUS RESULTS

Fortified Range Cubes bring you "PLUS-3" for "PLUS" production through... extra Vitamins... EXTRA Minerals... EXTRA Proteins... AND added Carbohydrates... Extra amounts over the usual just "get-by" necessary requirements.

WHY NOT MAKE EXTRA PROFITS

It doesn't cost you any more to get extra results than it does to experience "just get-by" results... in fact, it's cheaper as Fortified Range Cubes cost you no more than just ordinary "non-fortified" cubes yet offer you results, which we feel are years ahead of general present day feeding practices. Here is a feeding method for you brought up to the present high levels of breeding.

Veterans News

QUESTIONS AND ANSWERS

Q—What are some of the advantages offered to the veteran by the G. I. Bill if he buys a home under its guaranteed loan provisions?

A—With a VA guaranty, the veteran has a better chance of inducing the lender to make a loan. The lender may even consider making the loan where no down payment is to be made on the home. Another advantage is the 4 per cent rate of interest is low.

Q—Is it true that if I secure a guaranteed loan, VA will pay part of the loan without cost to me?

A—Yes, Veterans Administration pays the lender an equal amount to 4 per cent of the guaranteed portion of the loan. For example, if the guaranteed portion of your loan is \$4,000, the lender will receive \$160 from VA to credit to your debt and you will not have to repay this amount to anyone.

Q—Can the veteran get a guaranteed loan for any type of business?

A—Yes, the veteran can get a guaranteed loan on any type of legitimate business on which the lender is willing to lend money.

Q—Can I get a guaranteed loan to buy furniture for my home and a pleasure car?

A—No.

Veterans entering schools and colleges this fall may expect their

first subsistence check early in November, the Veterans Administration has announced.

The initial payment will include all subsistence allowances due from the start of the semester through the end of the last full subsistence period before the check is issued.

No serious delays in payment of subsistence allowances are anticipated, but VA is advising student-veterans to be able to meet personal financial obligations for at least the first six weeks of the fall term.

The time lapse between date of enrollment and receipt of the first check involves two factors. First, a veteran generally is not entitled to receive a subsistence allowance until he has been in training for 30 days. Secondly, all checks are mailed normally on the first of the month, covering the allowances due for the previous month. Therefore, a veteran enrolling during the latter part of September ordinarily would not receive his first check any earlier than the first of November.

The Southwestern area supervised by VA's Dallas Branch Office is expecting an enrollment of more than 100,000 World War II veterans in colleges and universities. The estimate for Texas is 75,370, for Louisiana, 20,068, and Mississippi 9,267.

Half of the nation's 14,500,000 World War II veterans have received one or more payments of readjustment allowances for unemployment or self-employment since their discharge from the service, VA reports.

However, of those who have drawn upon their benefits as unemployed or self-employed veterans, fewer than eight in every hundred have claimed all of the allowances to which they are entitled under the GI Bill.

The law provides payments up

to \$20 a week for unemployed veterans for a maximum of 52 weeks, while self-employed veterans may claim \$100 a month, less net earnings, for a total period not exceeding 10 2-5 months.

Old People Still Need Pint Of Milk Per Day

A pint of milk a day is a must if older people are to keep healthy and active, say food specialists of Texas A. and M. College Extension Service. Men and women in their fifties, sixties, and seventies often overlook milk in their diets, a neglect that deprives bones of necessary materials.

To help furnish enough calcium, protein and phosphorus for the proper upkeep of their bodies, a daily pint of milk is the minimum, say the specialists. A condition of demineralization of the skeleton in the diet and often leads to broken bones in later years. Some investigators have suggested that many a fall, which supposedly results in a bone break, is actually due to weakened bones which break and cause the person to fall.

Relatively little is known of the nutritional needs of the older age group, the specialists report, and state experiment stations are making studies aimed at correct dietary recommendations. Recent studies do show that older people have not lost their ability to store calcium and other minerals and that their diets should include milk

WELCOME TEACHERS

Here's a hearty welcome to all the new teachers as well as the old ones. We hope they will feel welcome this year and will enjoy being in our school. If you, the parents, haven't met them yet, you should make it a point to do so. We think that this will be the best year that we have had for quite sometime as courses are being offered this year that Briscoe has never been fortunate enough to have before. We know that these teachers will do their best to make it a very enjoyable year, and we hope that the students will do the same.

SENIOR NEWS

The senior class of 1947-48 met and elected their class officers. We hope that this, our last year will be a good one and that each one of us will make the best of it. The following officers were elected: president, Bill Price; vice-president, Laverne Finsterwald; secretary-treasurer, Juanita Clepper; Reporter, Iris Clepper; Sponsors, Mr. and Mrs. Roy Meadows, class parents, Mr. and Mrs. Albert Zybach.

JUNIOR NEWS

The junior class met and elected their class officers, class parents and sponsor. They are as follows: president, Richard Higgins; vice-president, Betty Standlee; secretary-treasurer, Thurman Horn; reporter, Rosemary Finsterwald; class parents, Mr. and Mrs. Doyle

Standlee and Mr. and Mrs. Oran Horn, sponsor, Mrs. A. B. Harrell. The class seems to be working hard and yet having a good time. We have ordered our class rings and will get them about the first of April.

SOPHOMORE NEWS

The sophomores are rather thinned down this year, we only have nine members in our class this year. Our class officers will not be listed this month as we have not elected them as yet. We appreciate all the teachers this year and hope that our school will be much bigger and better.

FRESHMAN NEWS

Everyone is liking school pretty well this time even if we have had two tests already. Everyone is still griping because of the shots they took Tuesday. We hope that the soreness doesn't last too long. We are glad to welcome one new student, John Gillenwater, from Pampa, Texas.

BOYS SPORTS NEWS

The basketball boys have been working hard this week. We all look forward to the game with the outsiders Friday night. We hope that everyone will come and help us in the game as the money will go to buy a new basketball.

GIRLS SPORTS NEWS

The high school girls and the seventh and eighth grade girls have been reporting regularly for the basketball practice. The girls elected their captains Monday.

LaVerne Finsterwald and Faye Francis were elected. Mozelle Wilson was elected manager for the team. Mrs. Adams, our coach has been giving us some exercise that has everyone's back screaming. But they really do help.

Our prospects look fine for this year and it looks as though we have some very good players from the freshman and eighth grade classes.

SOCIAL NEWS

Rosemary seems to be making frequent trips to Shamrock, Canadian and a few other towns. Remarks heard in the lunchroom Wednesday indicated that LaVerne Likes to have water poured on her feet. Next time keep your voice a little lower, Laverne. We'll have to admit that going to Wheeler Tuesday afternoon was fun but the after effects were not so pleasant.

Everyone is wondering which girl is going to get Bob Zybach. There seems to be quite a few in the race. Betty and Truman are still the ever steady couple around B.H.S. Janice may be staying true to Shots but Richard and R. J. seem to always find something to talk to her about. What's this we hear about some of the kids trying to find something or someone in school that can write just like their mothers. It might come in handy to go to town on. If you have been wondering why Bill Haddox is so popular at noon well, its because he has so many Cherritos to give away.

FUTURE HOMEWORK OF TEXAS NEWS

The FHT Club met in the Ec Cottage to elect new officers for the coming year. Faye Francis was elected president; Rosemary Finsterwald, secretary; Betty Jo Standlee, treasurer; Roberta Zybach, reporter; Doris Brotherton, leader; and Mozelle Wilson, list.

Committees named were: pram and year book committee; Rosemary Finsterwald, Betty Jo Standlee, Nita Clepper and Bobby Zybach; social committee: Doris Brotherton, Helen Newman, Jean Lee; refreshment committee: LaVerne Finsterwald, Mozelle Wilson and Melba Standlee. The club is having their initiation party Friday night, September 26 in the Home Ec room.

Custom is often more than law; there are any number of individuals who violate with less compunction than would offend custom.

Let's not forget in connection with all the debate about the Russians are expected enjoy unmolested any government that they desire.

Exports of all foods from United States, if loaded in pean boxcars, would make broken train long enough to three times across the Atlantic Ocean.

From where I sit... by Joe Marsh
We All Need Fun!
Nobody in Our Town is exactly lazy (even though Pete Swanson's missus claims he sleeps till seven A.M.). But the hardest working man of all is Doc Hollister—on all, morning, noon and night.
Funny thing, Doc's favorite prescription to his patients is: You ought to have fun. The pace of modern living, even on the farm, demands some relaxation.
And as Doc says—fun is a personal thing. For the missus it may mean a movie or a good book; for Dad, a mellow and refreshing glass of beer; and for the kids, parades or the radio. Doesn't mean everybody has to like the same thing—so long as they relax, have fun, together, in the home.
Doc doesn't have much time himself. After a hard day, he'll relax before the fire with a glass of beer—and wait for the phone to ring again. And from where I sit, Doc deserves each well-earned minute of that relaxation.

YOUNG PEOPLE

The young men and women of America today are to be the leaders of the country tomorrow. The direction in which these young men and women lead our country will be determined by their mental, moral and spiritual background. Our churches and religious leaders can supply the proper background for the youth of today, and the youth should look to their churches for guidance.

ing to the need for new
 structures and the con-
 struction of materials, the
 Episcopal Diocese of
 Texas is experimenting with
 a new church edifice to
 be located at Pleasantville, New
 Mexico. If this is satisfactory
 to twenty-four others,
 all have a seating capa-
 city of about 200 persons, will
 be of structural steel frame, and
 fireproof composition
 is estimated that the
 cost will be \$4,000 per building.

SOCIETY

Ahler-Pendleton Vows Read At Pampa Sunday

Miss Dolores Ahler, daughter of Mrs. Ethel Ahler and grand daughter of Mrs. I. B. Lee of this city became the bride of Carroll Pendleton, son of Mr. and Mrs. O. W. Pendleton, also of Wheeler, Sunday afternoon, September 14, in a single ring service at the parsonage of the St. Francis Ave. Church of Christ in Pampa. Minister J. P. Crenshaw, pastor, officiated.

The bride was attired in a white dress with black accessories. She is a member of this terms senior class in the Wheeler High School. The bridegroom is a graduate of the Wheeler schools, graduating with the class of '44. He served with the U. S. Navy for three years, 21 months of which time was spent in the South Pacific.

After a wedding trip to Amarillo the young couple are at home in Wheeler.

Coene Carter Honored At Pre-Nuptial Shower

Miss Coene Carter was honored with a lovely pre-nuptial shower

at the home of Mrs. George Topper, Tuesday, September 16. Assisting Mrs. Topper as hostess was Mrs. Milton Finsterwald and Mrs. Herman Topper.

Those attending were: Mesdames Roy Esslinger, L. B. Pendleton, Jack Wood, Fred Rowe of Pampa, A. C. Mitchell, Bill Rowe of Pampa, R. H. Dyson, Amos May, Cecil Richerson, Lee Guthrie, H. C. Fields, Jr., R. J. Foust, Lloyd Anglin, G. B. Cole, C. C. Robison, Minnie Farmer, B. M. Litton, O. W. Pendleton, Ira Passons, V. B. Hubbard, P. L. Farmer, Earl Barnes.

J. R. Cox, F. S. Parker, Excel Anderson, and C. M. Smith of Miami, M. McIlhany, Tom Crossland, O. Nations, Harry Wofford, Robert Noah, J. E. Willard, F. J. Noah, R. Wm. Brown, L. A. Parks, J. B. Oglesby, L. K. Fields, J. I. Maloy, A. C. Woods, Irene Dyer and Charlie Carter.

Misses Jody Reed, Joan Richerson, Janitta Smith, Edna Farmer, Jo Noah, Blanche Grainger, Lucille Hutchison, Yreva Carter, Betty Brewster and Wanda Topper.

Messrs. Charlie Carter, Grainger McIlhany, Duane Bradford, L. B. Pendleton, Jr., C. M. Smith, Carroll and Harold Smith, John

Topper and the hostesses.

Those sending gifts were: Mesdames J. D. Johnson, J. C. Tipton, Narville Arganbright, Audrey Pierce, Roy Mathers of Miami, Floyd Atherton, Ted Atwood, Gordon Whitener, Roe Green, Sam Watson, C. N. Wofford, Olin Maxwell, H. Starkey, Lonnie Lee, Burl Chesler of Amarillo, Max Wiley, Charlie Bradshaw, Weldon Weatherly, Floyd Pennington, Roy Weatherly, Bob Rodgers, Carl Laffin, W. L. Williams, Betty Taylor, W. A. Goad, Jr., Cecil Denson, Otis Ford, J. F. Carter, Lloyd Lee, L. L. Lambert of Dallas, C. C. Crowder, Bessie Robertson, Clyde Guynes, Dick Guynes, Revious, E. Tillman, A. L. Bean, H. N. Patterson, Augusta Beauchamp, C. O. Sandifer, Charles May, Frank Woford, L. W. Newkirk, Linda Clay, Bill Topper, Levi Reid, and Ray Davis.

Misses Audrey Bean, Ray Mitchell, Donnie Goad, Reba Wofford, Odessa Calote, Dorothy Greenhouse, Vendell Starkey, Peggy Weatherly, Peggy Rodgers, Virginia Marrs, Thelma Brewster, Neva Weatherly and Mr. Bob Smith of Pampa.

Kelton WMU Elects Officers At Meeting

The Kelton Baptist WMU met Monday, September 15. A short business meeting was directed by the president, Mrs. J. A. Tucker, at which time officers for the new year were elected. Those elected were: president, Mrs. J. A. Tucker; vice-president, Mrs. C. D. Davis; secretary and treasurer, Mrs. J. F. Rathjen; song leader, Mrs. L. T. Davis and pianist, Mrs. Wells.

The devotional was given by Mrs. Buck Henderson and the Bible lesson was taught by Mrs. L. T. Davis.

Those present were: Mesdames C. D. Davis, J. F. Rathjen, F. L. Rathjen, Gordon Stiles, Mabe, Wilson Hill, L. T. Davis, Buck Henderson and J. A. Tucker.

The Sunbeam met with Mrs. Tommy Killingsworth, leader. Those present included: Don and Sandra Wilson, Beth and Doris Rathjen, Christine Mabe, Bill Stiles, L. H. Tucker, Curtis and Karen Henderson.

Kelton Class Enjoys Watermelon Feast

The Intermediate Class of the Kelton Baptist Church enjoyed a party and watermelon feast at the home of Mrs. J. A. Tucker Tuesday night, September 16.

Those present were: Audrey Mae and Maxine Pond, Altha Mae Austin, Wenona Lister, Sylvia Mabe, Max Baird, Bobby Henderson, Joel D. Henderson, Kenneth Killingsworth, Junior Hink and Lewis Dale.

Carter-Smith Nuptial Vows Exchanged Sat.

Nuptial vows were solemnized Saturday, September 20, for Miss Coene Carter, daughter of Mr. and

Mrs. Charlie Carter of Wheeler and Bill Smith, son of Mr. and Mrs. C. M. Smith of Miami.

Arrangements of fall flowers formed the setting for the impressive service read by Minister B. M. Litton, pastor, at the Church of Christ in Wheeler, in the presence of relatives and close friends of the couple.

For her wedding the bride chose a two piece dress of grey with which she wore black accessories.

Miss Yreva Sue Carter, sister of the bride, was attired in a dress of aqua with brown accessories. J. D. Keen of Ft. Worth served the groom as best man.

Mrs. Smith attended the Wheeler schools, graduating with the class of '45 and until recently was employed in the county clerk's office.

The groom attended the Miami schools and served his country in the Navy during the recent war. The couple will make their home in Ft. Worth.

Ladies Bible Class Holds Meet Monday

The Ladies Bible Class of the Church of Christ met Monday evening at 3 o'clock in the Church auditorium for a review of the Second book of Timothy. The class will take up the book of Titus next week, and Mrs. Annie Sivage consented to teach the opening chapter.

Those present were: Mesdames J. C. McQueen, J. J. Ayres, Charlie Sandifer, P. H. Scott, W. L. Williams, O. W. Pendleton, J. C. Bradstreet, Annie Sivage, George Topper, B. M. Litton, O. Nations, and one visitor, Mrs. Charles Candler of Jowett.

Visitors are welcomed at each class.

Baptist Church Scene Weatherly-Ford Rites

The First Baptist Church of Wheeler was the scene of nuptial rites performed Saturday, September 20, uniting Miss Peggy Weatherly, daughter of Mr. and Mrs. W. O. Weatherly, and Roy Ford, son of Mr. and Mrs. Otis Ford, well-known young Wheeler couple.

Only relatives and close friends attended the service during which the exchange of nuptial vows was directed by Rev. P. D. Fullingim, pastor.

Miss Peggy Rodgers, pianist, softly played "Always" during the ceremony and the traditional processional selections.

The bride, given in marriage by her father, was lovely in a street length dress of turquoise blue accented with accessories of black. She carried a white Bible topped with gardenias.

Maid of honor for the bride was Miss Georgia Ford, sister of the groom, who wore a dress of aqua blue with accessories of white. Her corsage was of pink carnations.

J. C. Tipton of Borger was best man for the groom.

The bride's mother was dressed in grey gabardine and her corsage was of pink roses. The mother of

the groom was dressed in pink and wore a corsage of pink roses.

Both Mr. and Mrs. Ford attended the Wheeler schools and are well known here.

After a wedding trip to parts of south and west Texas they will be at home in Borger.

Hanks-Green Nuptials Read Here Saturday

Miss Claire Hanks, daughter of Mr. and Mrs. Geo. Hanks of near Wheeler, became the bride of Sunken Green, son of J. P. Green, Wheeler, Saturday afternoon, September 20, in a double ring service at the parsonage of the First Methodist Church in Wheeler.

Rev. S. Y. Allgood, pastor, officiated.

The bride was attractive in a dress of aqua with which she wore black accessories.

Mrs. Green is a graduate of the Sayre Schools and served 18 months with the WACS in the recent war.

The groom is a graduate of the Wheeler schools and served three years and eight months in the U. S. Army, 22 months of which time was spent in the European Theatre.

The couple are making their home in Wheeler where Mr. Green is associated with his father in the hardware business.

Group Organize

(Continued From Page 1) Organization could be the starting point for a cooperative movement to control and stamp out mastitis and Bangs Disease in this county, and possibly might be the beginning of an artificial breeding program.

The county agent then discussed a suggested procedure for organizing the association, election of officers, and adoption of a constitution and by-laws.

The group then nominated and elected the following temporary officers for the organization: President, E. J. Pannell, Briscoe; Vice-President, Murry Vise, Briscoe; and Sec.-Treas., W. H. Templeton, Wheeler.

Five dairymen signed up their herds for testing, beginning around October first.

The group set their next meeting date for 10 o'clock, Monday morning, September 29, at the Wheeler Courthouse. At that time permanent officers will be elected, a board of directors will be elected, and the board of directors will hire and set the salary of the fieldman.

County Agent Frey and the temporary officers expressed the hope that all dairymen in the county, regardless of the size of their herds, would be in the next meeting. Any dairymen just over the line in surrounding counties are also invited if there is no D. H. I. A. in their County.

News From

(Continued from Page One) 25 per cent loss in milk production caused by the grubs.

With the high cost of feed that is bound to get even higher, we need to use our feed more efficiently. So, let's check on our feeding equipment. A lot of feed can be saved around many dairy farms by repairing mangers, hay racks, and feed troughs.

And while doing these repair jobs, we might check up on shelters for the cows against cold weather that's coming up.

Mrs. Roy Chant of Natalia, Texas is spending several days with her mother, Mrs. Clarence Lee, and other friends and relatives in Mobeetie.
