## KELTON FAIR PROGRAM GIVEN

The program for Kelton's fair on Friday, October 5, has just been released from those in charge. It comprises a number of interesting features that indicate a well-rounded day's entertainment for all who attend.

All competitive entries must be in place by 10 a. m. Friday when judging will begin. The program for the day is as follows:

10:00 a. m. — Judging begins.  
10:15 a. m. — Sack race (not over 14 years of age).  
10:30 a. m. — Fat man's race.  
10:45 a. m. — Bicycle race (not over 14 years of age).  
10:55 a. m. — Bicycle race (over 14 years of age).  
11:05 a. m. — Girls' relay race.  
11:15 a. m. — Tractor salesman's contest.  
12:00 noon — Lunch hour.  
1:30 p. m. — Tractor races. (Ford, Allis Chalmers, H-Farmall and John Deere).  
2:00 p. m. — Greased pig contest.  
3:00 p. m. — Football game, Kelton vs. Miami.

Football queen will be crowned at the half.  
\$1.00 prizes will be offered in all contests.

The ladies will meet at the Kelton school gymnasium at 2 p. m. Thursday, October 4, to arrange exhibits and everyone is asked to bring non-perishable entries during Thursday afternoon so the ladies can arrange them.

Besides the various agriculture departments of dairy cattle, beef cattle, horses and mules, swine, poultry, cotton, grain, seed, head and ear grain, baled stuffs, vegetables that have already been announced for the fair, there will also be the ladies needle work and canning departments. Needle work material for which first, second and third ribbons will be given includes hooked chair and table mats, hooked rugs (woolen), hooked slips (other materials), towel, pillow slip with decorative finish, pillow slip with plain finish, dresser scarf, dresser scarf (linen), dresser scarf (cotton), tufted bed spread, best piece light work warm clothing, cotton quilt, baby crib quilt, boys cotton suit, girls cotton dress (under 10), women's made over dress, women's wash dress print or gingham, button-holes, mending (patching), darning, any other needle work not mentioned will be accepted.

Canning department will include fruits, vegetables, jellies and jams, pickles and meats. Contestants may bring pint or quart size, standard size jars with any type of lid.

The money to defray expenses of the fair has been raised by the folks of the Kelton community and while solicitations of outside business firms have not been made, several have expressed their desire to contribute to the fair. Those wishing to do so may see J. A. Tucker, general chairman, W. Willoughby, Henry Hink, Jim Henderson or Charlie Lang. Any dealer wishing to display equipment, hardware, appliances etc. should see Mr. Hink or Henderson since these exhibits are invited. No charges are made for any of the entries or erections of booths. J. M. Tindall, gin and oil mill owner, is offering cash awards of \$5 for best stalk of cotton, \$5 for best individual booth, \$3 for second best individual booth and \$2 for third best individual booth.

Lloyd Childress received a call Monday from his brother, Cloris, who has been overseas the past two years. Cloris reported he is now in San Antonio and will receive a discharge soon.

Miss Agnes Reynolds of Shamrock received word Saturday that her nephew, J. B. Reynolds, son of the late Frank Reynolds of Wheeler, has been liberated from a Japanese war prison. J. B. has been a prisoner since the spring of '42.

## Pvt. Cecil L. Holley Is Decorated For Outstanding Service

PVT. CECIL L. HOLLEY

Pvt. Cecil L. Holley, son of Mr. and Mrs. Sam Holley of Littlefield, former Wheeler residents, has been awarded the Bronze Star for outstanding service in the South Pacific. He has been in the service nearly two years and overseas a year. His wife and son make their home in Littlefield.

The Citation received by Mrs. Holley Wednesday states that her husband was awarded the Bronze Star "for heroic achievement in connection with military operations against the enemy at Okinawa Shima, Nansho Shoto, on April 19 and 27, 1945. When Private Holley's platoon was directed to form a fifteen man combat patrol, he volunteered for the mission. During the program of the patrol, it received heavy machine gun fire on its flanks. With disregard for his own safety, Pvt. Holley advanced towards the machine gun and with rifle fire and grenades, destroyed the enemy position and killed two Japs. This allowed the patrol to move forward and complete its mission. On another occasion, when his platoon was assaulting a hill which was holding up the battalion, Pvt. Holley took a B.A.R. after its team had been wiped out and moved forward, placing fire on the machine gun position that had the whole platoon pinned down. Upon noticing that three men of his platoon were wounded, he rendered first aid until an aid man could be called to the scene of action. He placed the men under the best possible cover and directed the litter bearers to them. Pvt. Holley made the evacuation possible by firing on the enemy from an exposed position."

## Capt. Jno. McCarroll To Revert To Inactive Status In November

Chanute Field, Illinois, Sept. 26 — Captain John McCarroll Jr., of Mobeetie, who for the past three years has served in the Army Air Forces will revert to inactive status on November 23, 1945. Col. J. H. Davidson, Commanding Officer of Chanute Field, Illinois, announced today.

Captain McCarroll will return to Mobeetie before resuming his civilian activities.

"This officer, like many of his fellow officers, responded to the patriotic call for men at a time when our country faced its darkest days," said Colonel Davidson. "The valuable experience which he brought with him into the service contributed to the rapid organization and training of our present day fighting forces."

"It is the policy of the Army to relinquish specialized personnel as soon as possible to strengthen the support the Army must have on the home front. Officers who revert to inactive status will be subject to recall to active duty when and if it should become necessary in the country's interest."

## H. D. Agent Leaves To Join Husband

Mrs. V. J. Zeman, county home demonstration agent since January of this year, left Saturday morning for Livermore, California to join her husband, Chief Petty Officer Virgil J. Zeman of the Seabees, who has just returned to the States and will receive a discharge.

A new agent will be appointed in the near future. Mrs. Zeman left plans for the continuation of the home demonstration work in the county until a new agent arrives.

Coxswain Robert Noah and wife of Amarillo are expected to arrive in Wheeler today for a visit with his parents, Mr. and Mrs. F. J. Noah. Robert received a discharge from the Navy at San Pedro, California last Thursday. He has been in service 33 months, serving in the southwest Pacific.

## Capt. Clyde Fillmore Arrives Back In Texas

Capt. Clyde C. Fillmore of the 131st Field Artillery Lost Battalion, liberated from a Jap prisoner of war camp in Siam on August 31, was met yesterday in Ft. Worth by his wife who went there from their home in Wichita Falls to greet him and drive him to Ft. Sam Houston.

Capt. Fillmore, former Wheeler county attorney, arrived in New York Sept. 18 by plane.

Mrs. Fillmore and Mrs. Roe Green of Wheeler are sisters.

The following story, concerning Jap treatment of prisoners, appeared in last Friday's Wichita Falls Record-News.

One hundred thirty-three members of the Second Battalion, 131st Field Artillery of the 36th Division died while prisoners of the Japanese because of poor food and worse medical treatment, according to a statement made Thursday in New York by Capt. Clyde C. Fillmore to a representative of the Associated Press.

The death roll of 133 represented 22 per cent of the 456 Americans in the battalion when it was captured March 8, 1942, in Java. Members of the unit were imprisoned at Batavia, Java, and Singapore. Fillmore spent 41 months and nine days in Jap prison camps.

Death usually was the result of ulcers, the young officer related. Prisoners were subjected to frequent mistreatment, both physical and mental. He said they frequently were slapped and beaten, but that even more difficult to take were means devised by their captors to impose mental suffering upon them.

Although forced to do heavy labor on railroads and other projects, the American prisoners were provided "terrible" food. Dirty rice, containing worms, was the best they received. They went into the fields, picking up leaves to put in a tasteless watery stew served them daily, so that they could swallow it.

"We had very little leisure," Fillmore said. "After working hard all day we were so tired at night that we just fell asleep. The sanitary conditions were unspeakable. We slept in bamboo huts six and a half feet long by 32 inches wide. Often we had no water to drink."

Fillmore said he lost 23 pounds during imprisonment. He added his conviction that "the Japs cannot be trusted, but General MacArthur will see to it that they live up to peace terms."

## Mrs. Agnes Porter Passes Away

Mrs. Agnes Porter, 78, passed away at 12:10 o'clock Wednesday morning at the home of her daughter, Mrs. W. H. Barrington, south of Wheeler. Mrs. Porter has been suffering from a broken hip received in a fall two weeks ago.

The body was taken by Hunt ambulance to Graham, Texas yesterday afternoon and funeral services will be held at three o'clock this afternoon.

She is survived by two sons, Lewis of McCamey, and Chester of El Paso, and two daughters, Mrs. Minnie Wyatt of Wichita Falls and Mrs. Barrington, one son, J. C., passed away in August 1944, and her husband died in 1918.

Mr. and Mrs. Chester Porter, Mrs. Minnie Wyatt, a brother, M. H. Bagley of Graham, Mr. and Mrs. Ira Barrington of Amarillo and R. M. Barrington of El Paso were with Mrs. Porter at the time of her death.

## County NFLA Group To Meet Here Tuesday

With official notices to its 450 members already sent out, the Wheeler County National Farm Loan Association is completing arrangements for its annual stockholders' meeting in Wheeler, October 2, at the Rogue Theatre. R. H. Forrester, secretary-treasurer, said that the meeting will start at 3 p. m., with President S. B. Davis in charge.

Aside from the report on the association's operations and plans for the coming year, the program will include: talks on farm problems and a picture show.

One director will be elected to fill term expiring this year. Directors of the association are: S. B. Davis, Tobe Frye, J. W. Henderson, S. N. Williams and J. H. Caperton.

## BUSINESS WOMEN'S CLUB ENJOYS DINNER PARTY

Miss Roberta Ferguson was hostess at a dinner party given at her home Monday evening for the members of the Business Women's club.

Those attending were Mesdames R. H. Forrester, R. J. Holt, Hervey Hutchins, E. H. Kennedy, L. T. May, W. W. Meek, Audrey Pearce, Alvie Vanpool, Misses Ruth Barr, Amy Sue Beckett and Roberta Ferguson.

Mrs. Ed Trimble and Mrs. W. L. Jolly were Mobeetie visitors Tuesday night.

REV. GEORGE M. KING, rural evangelist is conducting a revival at the "Sandy Basin" Providence Baptist Church just east of Wheeler. An old fashioned basket dinner will be spread at the church at the noon hour next Sunday, closing day for the revival. Morning services begin at 10:30 and an afternoon service will begin at 3:00. A cordial welcome is extended to everyone.

## Bryan Clemens Wins First In County Pig Show Held Here Monday

A contest was held Monday afternoon in the lot behind the City Hall here in Wheeler to determine the best Sear's Gilt raised in Wheeler County in 1945. The boys won the gilts by writing essays on "The Advantages of the Cow-Hog-Hen Plan of Farming." J. P. Smith, county agent of Gray county was in charge. The judge was Quentin Williams of Pampa who is a graduate of Oklahoma A. & M. and is now with the Soil Conservation Service.

Bryan Clemens of Twitty raised the gilt that won first place. He won the right to show his gilt at the Sear's Contest to be held in Amarillo on September 29 and will receive a \$125 heifer.

The second place winner was owned by Tom Laman, Jr., of Mobeetie. He will receive either 125 chicks, 63 turkey eggs or 32 turkey poult.

Third place winner was Bobbie Calcote, of Wheeler; fourth place was Devonne Childress of Briscoe and fifth place winner went to Walter Skaggs of Mobeetie. These three winners will have their choice of either 100 chicks, 50 turkey eggs, or 25 turkey poult.

## S/SGT. WHITENER RECEIVES HONORABLE DISCHARGE

Amarillo, Sept. 26, 1945 — S/Sgt. Hiram A. Whitener, son of Mr. and Mrs. C. A. Whitener, Wheeler, has been honorably discharged from the Army Air Forces at the Separation Center here after 3 years and 1 month of service.

Sgt. Whitener left Amarillo Army Air Field, an installation of the Training Command of the Army Air Force and his station of duty. He had served ten months overseas with the 15th Air Force in the E. T. O.

Entering the Army at Lubbock, he took his basic training at Enid, Oklahoma. He attended schools at Amarillo, Boeing Factory and Las Vegas, Nevada, and was classified as a Crew Chief and Engineer Gunner. Prior to his discharge he had been assigned to duty as Crew Chief at Amarillo Field.

While serving overseas he flew 41 missions and was awarded the Air Medal with three Oak Leaf Clusters and Purple Heart. He also wears the E. T. O. Theater Ribbon with four campaign stars.

He is a graduate of Wheeler high school.

Pfc. Albert Gunter called his mother, Mrs. M. L. Gunter, from Washington Tuesday. Albert had arrived by plane from the South Pacific and told his mother he expected a discharge and would be home soon. A veteran of the Leyte and Okinawa campaigns, he has been overseas for the past year.

Mrs. Lloyd Crone and daughter of Wichita Falls were here last Thursday visiting her father, J. M. Burgess. They were enroute to Concord, California to join their husband and father who is stationed in California.

Mrs. C. C. Robison and Mrs. R. G. Robison left yesterday for a short visit with Mrs. C. C. Robison's brother, Bun Cole, in Springfield, Colo.

## Kelton Journeys To Gruver This Week

The Kelton Lions after playing two games at home will journey to Gruver Friday afternoon, September 28. Nothing is known about the Gruver team. This will be the second conference encounter for Coach W. H. Willoughby's boys. They defeated Mobeetie in their first conference game last week 20-6. The probable starters for the game Friday for Kelton are: Crabtree, le; Calcote, c; Killingsworth, re; Britt, qb; Harris, rb; Keelin, lb.

## Kelton Downs Mobeetie 20-6

In a game played in sunshine and rain the Kelton Lions defeated the Mobeetie Hornets 20-6 last Friday afternoon at Kelton. Kelton scored in the first quarter when Hefley of Mobeetie intercepted a pass behind his own goal and was tackled in the end zone. This made the score 2-0 in Kelton's favor. Early in the second quarter Kelton started a drive from mid-field which ended in a touchdown. Two running plays and two passes took the ball to the five yard line where Britt scored on a buck off tackle. The attempted kick for the extra point was wide.

Mobeetie got back into the game when Hefley intercepted another pass and ran it back to the Kelton 20 yard line. A series of running plays brought them a first down on the four yard line. Two runs into the line netted a loss of two yards. On the third play Corse passed to Abbott in the end zone for the touchdown. The kick for extra point was blocked and the half ended with Kelton ahead 8-6.

Rain began to fall during the intermission and got the field very soggy. Most of the third quarter was played in a drizzle of rain. Neither team scored during the period. Shortly after the beginning of the final stanza Kelton gained possession of the ball on their 30 yard line. A line play and a pass carried to the Mobeetie 40 yard line. Keelin swept end to the 35 and the next play ended up with Harris going 35 yards to pay dirt. A buck into the line was short for the extra point and the score was 14-6 in favor of Kelton. Mobeetie started a drive which ended on Kelton's 25 by the loss of the ball on a fumble. Six line plays went the length of the field to the two yard line. Harris was thrown for a yard loss on the first play and then Britt carried it over from the three to make the score 20-6. The game ended right after the kick for the extra point was low. The final score was Kelton 20, Mobeetie 6.

## G. A.'S OBSERVE BAPTIST MISSION PRAYER WEEK

The Girl's Auxiliary met at the Baptist church Tuesday evening. The program was in observance of "State Mission Prayer Week" which is October 1 to October 5. Those present were: Joyce Bowman, June Johnson, Hazel Lee, Peggy Rodgers, Georgie Porter, Neva Weatherly, Peggy Weatherly and Mrs. Raymond Sayre. The girls will meet at 7:30 o'clock, October 9 with Neva Weatherly.

Mrs. W. L. Jolly and son, Aiden Dean, were Shamrock visitors Sunday.

## PLANS MADE FOR USO FUND DRIVE

North Wheeler County is getting its organization completed to raise \$1,400 for its quota of the victory campaign of the National War Fund drive which gets under way next week.

Harry Wofford, chairman, has announced the following committeemen and quotas for the various sections: Wheeler, \$800; West side square, Ladies clubs, \$125; South side square, C. J. Meek, \$75; West of Bank, R. D. Holt, \$75; Filling stations and gas, Dr. V. N. Hall, \$100; Court House, Terrell Gunter, \$100; School, L. G. Kammerdiener, \$100; American Legion, Homer Pitcock, \$150; Special gifts, Harry Wofford, \$150.

Mobeetie, Jack Miller and John Dunn, \$250; Jowett, Charles Candler, \$100; Briscoe, Lee Barry, T. A. Treadwell, Mrs. J. E. Steen, \$150; Allison, Sam Begert and M. Ball, \$150; Kelton, Albert Holcomb and Mrs. Mary Bledsoe, \$150.

There is little doubt but that the people of Wheeler county will respond to this call, the last of the USO drives to be made. They have oversubscribed every war finance drive since Pearl Harbor and it is not likely that they will fail to do their share to lend encouragement, comfort and entertainment to the millions of soldiers who have to remain in foreign lands with even more time on their hands and just as lonely for the comforts of home as when fighting was going on.

National War Fund dollars go to the support of our own service men and their allies, and to alleviate suffering among war victims throughout the world; provide USO centers for our troops in training camps at home, and send USO-Camp Show troupes abroad to entertain our fighting men in every area; provide rest and recuperation camps for our merchant sailors, through United Seaman's Service, serving the many men while sailing their ships to various ports.

War fund dollars send games, books, study courses, athletic equipment, musical instruments and many other supplies to our men in service; send food to the helpless orphans of China, whose parents have been killed and whose land has been ravished by the Japanese; send medicines, food, clothing and other supplies to the aged and helpless in areas liberated by our armies, giving new hope to the oppressed peoples while helping our own men restore the areas they have freed from the enemy.

## Mustangs To Play Memphis Friday

The Wheeler Mustangs go to Memphis Friday night of this week to encounter the Memphis Cyclones in their third conference game of the season.

Last Friday night the Mustangs were handed a 24 to 6 defeat by the heavier McLean team in a game played at McLean.

## BUILDING NEAR TOTAL LOSS AFTER FIRE LAST MONDAY

A storage building just across the alley from the Puckett Food Store was nearly destroyed by fire Monday afternoon when the flames had made headway through most of the building before fire-fighting equipment arrived. A small amount of feed was about the only thing in the wooden structure that amounted to anything. It was the second time within the past several months that the building had caught on fire. About a year ago the building was burned so badly that a new roof was required. As was the case of the first fire, several telephones were put out of commission for a few hours because of several lines converging on a pole nearby.

Mrs. Roscoe Allen and children and Mrs. Ed Trimble and son were in Shamrock Sunday.

Mrs. Homer Salley of Mobeetie was a Wheeler visitor yesterday.

Mr. and Mrs. D. O. Beene spent Sunday in Amarillo with Mr. and Mrs. Glen Scott and children.

Lt. Inez Hunter returned to La Guard General Hospital, New Orleans this morning after a visit with her parents, Mr. and Mrs. R. G. Hunter, and sister, Mrs. Raymond Moore, of Kelton.

Mr. and Mrs. R. G. Hunter, Lt. Inez Hunter and Miss Lucille Hutchison spent Sunday with Mr. and Mrs. Raymond Moore and children in Kelton.

## PUBLIC SALES

E. R. Brown, who lives northeast of Wheeler, is holding a public sale next Tuesday, October 2. Mr. Brown will dispose of all his dairy cattle, some horses and mules and all his farming equipment as he expects to move to town soon. The sale will get under way at 10:30 a. m. and free lunch will be served at noon. Shelby Pettit will serve as auctioneer and Mrs. Brown as clerk.

### Remember The Date

Are you hoping your soldier will be home before the holidays and aren't mailing Christmas boxes overseas? This might lead to disappointment for both of you so it would be far better to pack that box right now. He will get it at home, in case he returns to the states before delivery. Christmas this year will find many Wheeler boys back home to celebrate but not all of them. For those still in the four corners of the world, the mailing deadline for Christmas packages is October 15. Don't fail the men and women in uniform. Shopping for them may be difficult when you figure they have those things they need, but the stores will be glad to help you select gifts that are always welcome. There are snack boxes packaged for shipping with peanuts, bouillon cubes, beaten biscuits, hard candies, fish, cheese. There are sewing kits with needed clothespins. Knitted bed socks for women, quilted house slippers or leatherette ones in containers for the men folk. Books are ever welcome, humorous ones and historical novels and biographies have appeal too. Remember, it's October 15!

### A Big Job

Congress has its problems at any time but the Seventy-ninth Congress of today is confronted by questions grave and far-reaching. Peace adjustments are to be made and these matters are serious since the public welfare is at stake, the same as in war.

The first issue should be the settlement of demobilization plans, whether draft is needed, how many if so, how soon other men in uniform can be back in multi again. There is the manner of disposing of billions of dollars of surplus government property with decisions affecting national business. What about using or selling government-owned plants? With Lend-Lease ended, what way and how much do we direct to our Allies and others? There are the subjects of checks and controls on prices to prevent inflation, Social Security returns, tax relief, future of War Boards, employment for returning servicemen and those civilians who served faithfully in war. These are just some of the major points in question and all of them influencing lives in Wheeler County. The responsibility of Congress to meet the issues squarely and decide fairly, will bring an answer to economical problems that could throw us into a panic of depression and unemployment.

The fact that the American high standard of living demands goods that should keep factories going at full tilt turning out the needs, is a hopeful sign for employment. We place our trust in Congress to successfully lead us into a sane and substantial peace.

### Pertinent Paragraphs from Panhandle Press

Items of interest culled from newspapers on the Times' exchange list.

A soldier and his girl who conducted an informal "Gallup Poll" on the streets of Hereford Sunday afternoon are not sure whether the results were achieved scientifically; but the couples they interviewed all stated flatly that they married for love — though maybe they should have married for money. The interviewers ended up with the cynical idea that they might have received different answers if they had interviewed hus-

a purpose we invent a catch phrase and attack. Some of the chants are good. Bond drives during war, kept us in practice and now, in peace, we will catch the public eye or ear with bigger and better ones. All slogans aren't true, useful or desirable, but slogans are to publicize and advertise, and as such the public uses them. We are the market of slogans, produce and practice them. It is up to us to find out what they stand for beyond advertising.

Take radio and hear the salesmanship of the air waves. It is the opinion of many that the singing commercials place the listening public in the class of nine-year old children. To appeal to an adult with a jingle in do-re-mi to advertise a product, causes an insulted snort in numerous groups. Advertising can so belittle the intelligence of the buyer that the ad kills the goods. There is that commercial that believes repetition is the key note of selling, so the voice goes over and over and over again, while you, in revenge, swing in favor of a competitor. We only hope it isn't true that advertising with simple persuasion and force in an adult manner, is lost on the majority of the buying public. The old argument of appeal to the market through advertising has a broader range since the printed ad has the spoken (or sung) one to augment it. Of one thing we may be sure, the medium of advertising in such a juvenile vein may raise an argument but it won't raise the I. Q.

bands and wives separately instead of together. —Hereford Brand

We drove to Guymon, Oklahoma, Sunday. The wind blew very much as it did back in the old dust bowl days. And we're sorry to say that on our trip back to Higgins we experienced clouds of dust that were only slightly minor to those dusters in the early dust bowl days of 1932 and 1933. If the land isn't properly handled we can have another dust bowl. God forbid. —Higgins News Editor

Why should anyone who has been making \$12 to \$15 a day need \$25 a week from the government while he is looking for a new job? The man who does not save a little money for bad times on wages like that does not deserve help. —McLean News

Mr. Truman's recommendation that the pay of senators and congressmen be doubled — from the present \$10,000 a year to \$20,000 — is receiving rather general editorial support, in principle, though some newspapers think \$15,000 a more suitable figure. There seems to be little editorial opposition to the idea that the members should receive appreciably higher pay.

Prior to 1907, the pay was \$5,000 a year, having been at that figure for several decades. It was increased to \$7,500 in 1907, and to \$10,000 in 1925. There were unfavorable public reactions to both these increases, and some members who voted for them failed of re-election. In both 1907 and 1925, the Republicans were in the majority in both branches of congress.

The public today, we believe, would not disapprove an increase. The fact

that senators and congressmen must devote so much time to doing favors for constituents, that they are unable to hire the clerical help they need and that they have little opportunity for the close study of pending legislation that is expected of them, supports the proposed increase. But some commentators are misleading the public when they say that higher pay will attract able men to the offices. It might be difficult to show that this happy result was recorded after 1907 or after 1925. There was a time, early in this country's history, when a man of modest means could not afford to go to congress, the salary being too small. Only the well-to-do could take the job. That has been changed, but the salary today is not large enough to compensate worthy men for serving. It is a question not of improving the quality of congressional service but of doing justice to the members. —Wichita Daily Times

Unemployment is still the most-battered-around question in the nation. First, we hear that most of the war workers are loaded with money and are simply taking a vacation until they get ready to go back to their former jobs; and then we hear that most of the war workers are broke and are drifting around helplessly. We read that there are 20 different agencies trying to help the discharged G.I.'s with their employment problems, and that the men are wearing out their shoes and patience as they go from one office to another seeking aid and advice. In the meanwhile, the conflicting bureaucrats are giving out misinformation in huge quantities, much to the confusion of the public. —Canyon News

# PAYROLLS WORK FOR EVERYBODY...

**OUR PAYROLLS OF MORE THAN FOUR AND A QUARTER MILLION DOLLARS IN TEXAS HELP SPEED NATURAL GAS FOR PEACETIME RECONVERSION.**

United Gas payrolls in Texas amounted to more than four and a quarter millions of dollars in 1944 alone. These millions of dollars, being put continuously into circulation in Texas, do this:

- Create still more and larger payrolls—more jobs for more people...
- Bring more and more dollars into circulation, ultimately ringing cash registers, large and small...
- Stimulate business and make for better living!

Yes, our payrolls, scattered over a large area of Texas, work for everybody.... And low-cost, efficient, natural gas fuel speeds the day of complete reconversion to peacetime payrolls in Texas.

GREETING: You are commanded to appear and answer the plaintiff's petition at or before 10 o'clock A. M. of the first Monday after the expiration of 42 days from the date of issuance of this citation, the same being Monday the 15th day of October, A. D. 1945, at or before 10 o'clock A. M., before the Honorable 31st District Court of Wheeler County, at the Court House in Wheeler, Texas. Said plaintiff's petition was filed on the 29th day of August, 1945. The file number of said suit being No. 3625. The names of the parties in said

suit are: W. J. Johnston and wife, Elizabeth Johnston, and T. B. Mason, as plaintiffs, and the above named parties to whom this citation is addressed as Defendants. The nature of said suit being substantially as follows, to-wit: In trespass to try title, plaintiffs alleging that they reside in Wheeler County, Texas and that on February 10, 1928, they were in possession of the following described lands, in whole and claiming fee simple title thereto, said lands being: All of the East Half (E½) of Section 88, all of Sections 92, 93 and 94 in Block A-5, and the South Half (S½) of Section 2, Block A-2, all in the H. & G. N. RY. Co. Survey, Wheeler County, Texas. Plaintiff Mason owning one-half of the oil, gas and other minerals and plaintiff Johnston owning the remaining interest in said lands and that defendants on said date, entered upon and disposed plaintiffs of such premises and withhold same from plaintiffs;

Plaintiffs specially alleging that Deed from W. J. Johnston and wife, to Harry Byrens, dated January 26, 1928, recorded in Volume 63, Page 345, of the Deed Records of Wheeler County, Texas, covering one-half of the oil, gas and other minerals on property above described, and Deed from W. J. Johnston and wife, to Harry Byrens dated February 10, 1928, recorded in volume 63, Page 402, of the Deed Records of Wheeler County, Texas, covering said property are each forgeries. Plaintiffs pray judgment for title and possession to said premises. If this Citation is not served within 90 days after the date of its issuance, it shall be returned unserved. Issued this 29 day of August, A. D. 1945. Given under my hand and seal of said court, at office in Wheeler, Texas, this 29 day of August, A. D. 1945. (Seal) OLLIE W. BEENE, District Clerk 31st District Court, Wheeler, County, Texas By Grayce K. Davidson, Deputy

**CHIROPRACTORS CONTINUE ANNIVERSARY CELEBRATION**

Chiropractors of Texas will continue this week and for the remainder of the year to celebrate the Fifth (Golden) Anniversary of Chiropractic discovered September 18, 1895 by Dr. D. D. Palmer, according to an announcement by Dr. C. C. Merritt.

The celebration takes the form of an educational campaign designed to better acquaint the people of Texas with the principles practice and aims of chiropractic. Included in the educational campaign will be thousands of pieces of literature, prepared for this purpose, by leading chiropractors before luncheon and civic clubs, and advertisements in many newspapers of the state. All these will be augmented by a campaign of radio spot announcements and lectures explaining chiropractic, its history, and goals.

Chiropractic was discovered, almost by accident by Dr. Palmer, attempting to find the cause of deafness in a patient. He gave him what is now known as an adjustment and the patient's hearing was recovered. The newly discovered science was named chiropractic from the Greek Kiro, meaning hand, and Praktikos, meaning done skillfully. Samuel H. Wedd, A. B., A. M., B. D., being responsible for that name.

Others became interested in the astonishing results of Dr. Palmer's work and research and now, fifty years later, chiropractic is practiced in nearly every country in the world.

Have you got a sailor boy in the family? Then you'll be amused by these verses from the Malakoff News, entitled "A Brother's Complaint" and composed by David Dodd and his fellow sailors aboard one of Uncle Sam's fighting vessels:

Sis is going with a sailor;  
At first it didn't faze us;  
But now the family talk is full  
Of sailor's salty phrases.  
We found it rather hard at first  
To follow all his speech  
Since talk is different on board ship  
Than it is "On the beach."  
  
For when the time to eat comes  
'round,  
He sings out "chow" for "food,"  
And always "stows it down the hatch,"  
Which Grandma says is rude.  
When talking during dinner,  
He talks like other boys,  
Except he calls the lettuce "grass"  
And celery just plain "noise."  
  
His salty talk is slangy  
And hard to understand;  
He calls the canned milk "iron  
cow"  
And sugar he calls "sand."

has thousands of practitioners, including approximately 1,000 in Texas, and is the favored healing art of millions. Nearly 100 schools and colleges are devoted to teaching chiropractic, Texas having its own Texas Chiropractic College at San Antonio.

The chicken he calls "sea gull,"  
The ketchup is "red lead,"  
The waffles are "collision mats"  
While "punk" is just light bread.

We finally caught on, though,  
And now are doing fine;  
We say "six bells" for 3 o'clock  
When we are telling time.  
When Ma goes to the city  
Or runs down to the store,  
And someone asks us where she is,  
We say she's "gone ashore."

The place has sure gone salty,  
Which makes me lots of trouble;  
For when Ma says, "come here,  
Chop-Chop,"  
I go there "on the double."  
I wish that "tar" would "weigh his anchor"  
And do what I often think;  
"Point his bow" and "Trim his job"  
And go jump in the "drink."

NO

Ye poet sings of "falling dew." He means warm air kissing cooler grass and flowers—leaving moisture. It didn't drop from heaven. Same process causes frost . . . and another cold-weather truth is this: a Winter change now to Conoco Nth motor oil will fortify your precious car's engine with internal OIL-PLATING.

OIL-PLATED lubricant is closely bonded to working parts by the magnet-like action of Conoco Nth oil's added ingredient. OIL-PLATING resists draining down to the crankcase at every stop! And the OIL-PLATING retained by inner surfaces is ready—faster than instantly—to avert the grinding wear of bone-dry Winter starts. Fighting corrosion along with lots of other wear, OIL-PLATING means protection against carbon—sludge—breakdown! Today get Conoco Nth oil—patented.
