James Passons' Heroism Cited As Award Made

A Silver Star Award "for conspicuous gallantry and intrepidity" was presented posthumously to First Lieut. James P. Passons, USMC, son of Mr. and Mrs. Ira Passons of Wheeler, in a public ceremony on the West lawn of the courthouse Wednesday afternoon.

The presentation was made by Capt. K. R. Nelson, commanding officer of the Marine Aviation detachment at the Naval Air Station, Norman, Okla., to the parents of Lieut. Passons. The Silver Star was awarded Lieut. Passons for his bravery on the Island of Saipan where he died while leading his platoon on June 23, 1944.

Captain Nelson flew here with Lt. R. C. McGuire of the Marine Corps, Lt. Comdr. J. W. Jones of the U. S. Navy, and Chief Photographer Whitaker, USNR. Mayor R. H. Forrester presided at the brief ceremony, held before a large gathering of friends and members of James Passons and his family. Sprinkled through the crowd were many discharged servicemen, some of whom had been in the toughest fighting in Europe and the Pacific and many of them boyhood friends of James.

The West-Passons American Legion Post presented the colors and after invocation, Mayor Forrester presented the citation by James Forrester, secretary of the navy. Captain Nelson then presented the medal to Lieut. Passons' parents who stood at the front of the crowd. Rev. Hugh H. Hunt, pastor of the Wheeler Methodist church, closed the program with a brief address to the young hero in which he called on the public to "live to be worthy of the sacrifice of this young man and his family."

Minister B. M. Litton of the Wheeler Church of Christ gave the invocation.

Following is the text of the Citation which accompanied the award:

"For conspicuous gallantry and intrepidity as a Platoon Leader attached to the First Battalion, Twenty-Ninth Marines, Second Marine Division, in action against enemy Japanese forces on Saipan, Marianas Group, on 17 June, 1944. Although wounded himself in the cross-fire from enemy troops descending the high ridge under attack, First Lieutenant Passons courageously refused evacuation and, taking charge of an adjacent position whose leader had become a casualty, valiantly led the two groups in a determined assault which resulted in the capture of his company's objective."

"Immediately organizing his position, he successfully directed his men on the repulsion of several enemy counter attacks throughout the remainder of the campaign, until he was mortally wounded. First Lieutenant Passons' inspiring leadership and indomitable fighting spirit were in keeping with the highest traditions of the United States Naval Service. He gallantly gave his life for his country."

Lewis Goodrich To National Convention

Because he is attending the national convention of the American Legion as a delegate from the state convention, Lewis Goodrich, Wheeler county service officer, will be unable to be in Wheeler next Monday, November 19, to confer with war veterans on their problems. He will be in Mobeetie as usual on Friday, Nov. 23, and will be back in Wheeler on November 26.

Goodrich was in Wheeler Tuesday of this week instead of Monday on account of the death of his father-in-law, W. F. Griffin, widely known wheat grower and former merchant of Tulia. Mr. Goodrich who is the father of Mrs. Griffin passed away Saturday and the funeral was Monday. Lieut. Col. Meade Griffin who is a prosecutor in the Nazi war criminal trials, was in Germany when his father died.

James Dale Adams Home On Discharge

MOMC James Dale Adams has received a discharge from the Navy after three years in the service. James Dale is a Kelton boy and the son of Mr. and Mrs. L. H. Adams. He took his training at San Diego, Calif., and Seattle, Wash.

James was on the ship U. S. S. Hoback. He saw lots of action in the South Pacific. He was given his discharge at Norman, Okla., Nov. 5.

Public Can Help Eliminate Danger Of Tuberculosis In Wheeler County

Within a few days residents of Wheeler county will have the opportunity to purchase 1945 Christmas Seals through the recently organized Wheeler County Tuberculosis Association which is sponsoring the campaign for the first time as a means of raising funds to combat the dreaded disease at home.

Heretofore the Seal sale has been handled by the state association which annually mailed hundreds of county residents sheets of Christmas Seals for which they remitted one dollar to help fight the disease over the nation. This year a group of public minded citizens formed a county association which will work in cooperation with the state and national association. The county group will handle the sale and 80 per cent of funds from the Seals will stay in Wheeler county.

Many citizens will be mailed sheets of the Seals within a few days while others will have the opportunity of buying them from officers of the association, at schools or through cooperating local organizations.

Urging upon Wheeler county people the importance of enlisting in the fight against tuberculosis, the local association cited the fact that "enemy guns cost the lives of 253,000 Americans during the past war while nearly 206,000 Americans died from TB."

"The guns are silenced now but TB is still killing," said Dr. H. E. Nicholson, president of the county group. "Help fight TB by buying Christmas Seals. We have an active group of men and women anxious to give whatever time is necessary and may be depended on to lead this fight if they have the backing of the citizens of Wheeler county."

"You can help yourself, your neighbors and your county by re-mitting for the seals when you receive them. Be as generous as you can and show your interest further by using the seals. We can eliminate tuberculosis from Wheeler county if you will but help."

The county chairman said local plans ultimately provide for a full-time trained nurse to ferret out homes. He said school teachers

active cases in the schools and public officials have pledged their cooperation. Every active case of TB will need prompt X-ray examination and every suspected case will need attention. All of this will require money. Incidentally a person can send as much more as he wishes over the one dollar asked for the Christmas Seals.

Flake George of Shamrock, is first vice president of the county association. Mrs. Lee Barry of Briscoe is second vice president. Harry Wofford of Wheeler is secretary and County Judge Geo. W. Hefley is treasurer.

Other directors include Mrs. Chas. Chandler of Mobeetie, Glenn R. Walker, M. D., of Wheeler, Mrs. J. M. Tindall, Mrs. H. E. Forgy and B. F. Risinger of Shamrock, L. D. McCauley of Mobeetie, Mrs. R. D. Holt and Mrs. Clarence Robison of Wheeler, Jack Miller of Mobeetie, A. C. Wood of Wheeler, Mrs. Ernest Lassiter of Twitty, Mrs. Ernest Zybach and Mrs. Clarence Zybach of Briscoe and Sam Begert of Allison.

North Wheeler County Refuses War Aid Pleas

Failure of committeemen to complete their canvass and report their contributions is responsible for Wheeler county remaining near the bottom on the list of Panhandle counties in the National War Fund as it nears the end of the drive, according to E. K. Caperton, county chairman, and Harry Wofford, chairman in North Wheeler county.

While no figures were available as The Times went to press, it is believed the county as a whole has raised less than 65 per cent of its quota and North Wheeler county has subscribed less than 50 per cent of its quota.

Realizing they are busy people, Chairman Wofford again urges committeemen to complete their solicitations at once and report to him so his records can be sent in to county and state headquarters.

The surprising thing about this final USO drive is the small number of citizens contributing. There have been less than one-third as many small individual contributors as in past years while business men and the larger donors, when solicited, have come in far better averages.

There seems to be general indifference on the part of the public. Many citizens seem to think that now that the shooting has ended, the war is over and there is no need for funds. They forget our large occupation forces and the continuing need for enlarged USO entertainment and they overlook the urgent need for funds for countries overrun by the Nazis and Japs.

It was pointed out by Governor Coke R. Stevenson, honorary president, and Judge Ben Powell, president of the United War Chest of Texas, that although the nationwide Victory Loan was in progress the drives should not be assumed to cover the same phase in successfully completing the war job. It was hard to conceive that one should succeed and the other fail.

The public is urged to give to the War Chest as aid to those for whom the war is not yet over.

Lawrence Hubble Is Discharged By Navy

S1c Leo Lawrence Hubble arrived in Wheeler Monday morning from Camp Wallace separation center where he was given a discharge after three years of service in the Navy. Leo is the husband of the former Miss Elva Willard. His mother, Mrs. H. Y. Hubble, lives at Bandera, Texas. Seaman Hubble was a gunner on supply ships, among them the S. S. John Cabot, Mormachawk, Morgan Robertson, and John G. Todd.

Serving on a supply ship meant touching about every port where ships dock and here are a few of the places Leo visited, Guam, Okinawa, Saipan, New Herbrides, Solomons, Aleutians, New Guinea and Pearl Harbor. He and Mrs. Hubble left Wednesday for a two weeks visit with his mother.

\$1,799 Contributed To Church Of Christ

Contributions to the Church of Christ building fund amounted to \$1,799.00 Sunday morning. The congregation wishes to acknowledge contributions from H. M. Wiley of Wheeler, D. A. Hunt and family of Wheeler and W. R. Smith of Abilene.

Ruby Green Was in Amarillo Sunday and Monday Visiting Friends

Program Friday At Mobeetie High Gym

Residents of the Mobeetie community are reminded there will be quite "some doings" at the Mobeetie High Gym around 7 o'clock Friday night. There will be a box supper, amateur program, quiz program and music by the Mobeetie String Band.

Everybody looking for some high class entertainment is urged to turn out.

Mrs. Jack Boyd and Mrs. Verle Tinkler and daughter of Keller were shopping in Wheeler Wednesday.

Leon Waldrip Back From Jap Prison Is Going For Biscuits

Mother's cooking is occupying most of the time of Corporal Leon Waldrip, son of Mr. and Mrs. R. T. Waldrip of Allison, who is home on a 70-day furlough after undergoing some of the toughest experiences of any of our Wheeler county men in the armed forces.

Leon spent more than three years in a Jap prison camp. He was in fair condition when he arrived home Wednesday of last week. He was in the same outfit with Jack McMillian until Leon was moved to Toyko from the Philippines.

The Times hopes to get an interview with Leon when he gets caught up on his eating.

Vet Of 15 Missions Is Given Discharge

Lt. Donald W. Carmen has recently received his discharge from the Army Air Corps. Donald took his training at Shepherd Field, Texas and Western Reserve University, at Cleveland, Ohio. He received his wings at Ellington Field in August of 1944.

Donald was in England 4 months and made 15 missions. He landed back in the States in May of this year, and was discharged at Fort Sam Houston, Oct. 27. Donald and wife left Wednesday for San Antonio where they expect to make their home. He is the son of Mr. and Mrs. H. T. Carmen of Kelton.

Legion Post Gets 25 Members Nov. 11

The West-Passons Post No. 138, American Legion, received 25 new members during the open house on Armistice Day, Adjutant Jim Risner reported. This brings total membership of 99 of which 36 are veterans of first World War and 63 are veterans of the last one.

Legionnaires reported a large number of visitors on Armistice Day, including many men now serving in the armed forces who were home on leave.

S1c Carrol Pettie and S1c Raymond Sanders left Friday for San Diego, Calif., after a short leave with their families.

CHILDREN NEED PLACE TO PLAY

Purchase of needed playground equipment for the Wheeler schools is the objective of a committee formed among representatives of men's and women's organizations.

Members of the sponsoring group are: Lonnie Lee, chamber of commerce; Mrs. R. W. Brown, study club; Jim Risner, American Legion; Mrs. R. H. Forrester, Business and Professional Women's club; Mrs. C. L. Bridges, Home Demonstration club, and L. G. Kammerdiener and Mrs. Geo. Weems, the Wheeler schools.

First step toward raising the fund will be a big box supper at the Wheeler Gym Tuesday night, November 27. All school girls and ladies are urged to bring a box packed with goodies.

Contests to decide the prettiest young lady and ugliest man will be held and there will be plenty of music and entertainment. Persons who will be unable to attend the box supper are asked to make contributions to any of the committee members.

TOWN TO CLOSE NEXT THURSDAY

As has been the custom for many years Wheeler will observe a holiday on Thanksgiving which will come on November 22 this year.

All business firms are expected to close for the entire day as will all public offices, the postoffice, and bank.

Wheeler schools will be dismissed on both Thursday and Friday, November 22 and 23, Supt. L. G. Kammerdiener said this week. Classes will be resumed on Monday, November 27.

The Wheeler Times will endeavor to publish its edition a day early next week, going to press on Wednesday. The staff will greatly appreciate the help of merchants in turning their copy in a day early.

Ruby Green was in Amarillo Sunday and Monday visiting friends.

Mrs. Margie Ford was a visitor in Pampa Monday.

Old Days Of Flour Sack Underwear Recalled By Homemakers' Ingenuity

Those of us who wore "flour sack" underwear thirty or more years ago because the family budget did not permit the "store bought" variety, never knew we were laying the foundation for a home industry that would blossom into the present widespread use of articles made from flour, feed and salt sacks.

Forced to resort to their own initiative in providing items of wearing apparel because of the lack of piece goods as well as the finished products, Wheeler county housewives led by home demonstration club members have achieved an amazing record in these home-made articles during the period of war scarcity.

The Good Neighbor Home Demonstration club consisting of 15 members, for instance, has made more than 500 articles out of

the display which caused amazement from spectators.

Mrs. J. G. Haralson made a beautiful bedspread with nine white sacks as a background for chenilla tufting. When the spread was finished it had a value of twenty dollars or more. The actual cost was very small not counting the many hours of labor involved. It is something she can well be proud of.

Mrs. Farmer Hefley made a gay patch work quilt from small flour and meal sacks. Small white sugar sacks were used to set it together and large white feed sacks were used for lining. It is very attractive.

Mrs. H. J. Finsterwald made a dozen school dresses for her three daughters and Mrs. Elmer Haralson's sons were well dressed in snowy sack suits made from crash feed sacks.

LELAND H. KNIGHT

MEETING OPENS MOBEETIE SAT.

The public is invited to attend the gospel meeting opening at the Mobeetie Church of Christ Saturday night when Evangelist Leland H. Knight of Booneville, Ark., will occupy the pulpit.

"We are fortunate in having secured the services of Evangelist Knight for this meeting," said Minister Lester Hathaway, "and take this opportunity of extending all of you a welcome to hear him."

Services will be held twice daily, at 10:30 a. m., and 7:30 p. m. Bible questions are welcome and will be answered from the pulpit. The meeting will close Sunday night, November 25.

Minister Hathaway will have charge of the song services.

DISTRICT COURT IN DAY SESSION

Judge W. R. Ewing of the Thirty-first district court was in Wheeler Monday, disposing of a few civil cases. District Attorney Walter Rogers was also here looking after pending criminal cases which will come to the attention of the court at a later date.

For the past two years, the district court has been in continuous session with Judge Ewing hearing cases over the district at more frequent intervals than previously when fixed court terms were set for each county. This has avoided a congested docket and resulted in a saving to the taxpayers and a saving of time to jurors and court litigants.

Under this continuous term plan, a grand jury is selected as before but is called only when needed.

It is understood a Wheeler county grand jury will be called in the near future to investigate several matters that have been brought to the court's attention.

Public Is Invited To Junior Carnival

Wheeler merchants are contributing prizes for the bingo games to be held in connection with the Junior Carnival under sponsorship of the Junior class, to be held at the high school gym Tuesday night, November 20. There will be food stands, side shows, coronation of the king and queen, and many carnival features. The public is invited.

Day And Night Cafe Opened By Browns

Mr. and Mrs. E. R. Brown announce the opening of the Day and Night Cafe in the building formerly occupied by Cotton's Cafe. They will be quartered in this building only temporarily, moving later to the J. C. Moore building, next to Hibler Implement Co., which is now being reconditioned. The cafe will serve meals, steaks and short orders, and will be open 24 hours a day.

Trip Is Promised Gold Star Winner

The Wheeler County girls' 4-H Council, meeting Saturday in the home demonstration agent's office, decided the 1945 Gold Star winner would be given a free trip to the historical museum at Canyon in recognition of her splendid accomplishments. All entries for Gold Star Winner must be in by December 15th when a committee of sponsors will do the judging. To be eligible a girl must have been a 4-H club girl for three years.

Another decision of the council was that the club having the best scrap book during 1946 would receive an award.

M. W. Jones left Wednesday for Canyon to visit his son, J. C. Jones, and family.

County Can Give Thanks To Vets By Buying Bonds

Purchase of additional Victory Bonds at this time is suggested by R. J. Holt, chairman of the Wheeler County War Finance Committee, as a tangible way for citizens to express thankfulness for victory over our enemies abroad and for the blessings which the year has brought at home.

"It is suggested that Wheeler county residents celebrate a real Thanksgiving Day of the total amount of bonds purchased in Wheeler county and the chairman and bond committee members are hopeful it will show the county near its quota.

The county has a quota of \$225,000 in the first Victory Loan which opened October 29 and closes December 8. Of this amount the E bond quota is \$140,000.

The enormous obligations incurred in the achievement of victory will drain the Treasury balance quickly and additional funds will be needed early in December. Secretary of the Treasury Fred M. Vinson warned at the opening of the Victory Loan for \$1,000,000,000.

He said "government expenditures are being drastically reduced and this will continue vigorously" but that "the aftermath of war, however, carries grave responsibilities that must be met."

The Secretary was referring to hospitalization of the wounded, their retraining so they can make their own way in life, the clothing and feeding of those yet to remain in enemy nations, the transportation of men home, mustering out pay and payments for munitions already used to win the victory.

He said a "substantial army and navy must be maintained until order is restored throughout the world" and that "the Victory Loan, while the last organized on a national basis, will not see the discontinuance of the sales of Series E, F and G securities." These types of securities will continue to be sold because their sale is necessary to help defray continuing expenses.

HUGH H. HUNT IS RETURNED

Methodists of North Wheeler county are rejoicing that Rev. Hugh H. Hunt, pastor of the Wheeler church, and Rev. Homer Salley, pastor of the Mobeetie church, were returned to their charges by the Northwest Texas Conference in Abilene last week. Rev. H. H. Bratcher was assigned to the Shamrock Methodist church and Rev. V. E. Willard to the Clarendon district as superintendent.

Reverend Hunt, Mrs. J. M. Porter, who was lay delegate, Patsy Sue Hunt and Josephine Noah returned Sunday from the Abilene Conference. The young ladies attended the Youth's Rally where more than 1,000 were in attendance. They report about 40 volunteers of life service in the Lord's work.

Reverend Hunt said the Abilene Conference was one of the best spiritual meetings he ever attended.

Have Pity On Staff, Please!

The Wheeler Times will go to press one day early next week in order that employees may observe next Thursday as the Thanksgiving holiday. The newspaper plant will be closed all day Thursday as will all other Wheeler firms.

Publishing the paper one day early will work a hardship on the Times staff and we will appreciate it very much if merchants will turn in their advertising copy one day earlier than usual. We will also appreciate club reporters and others having news items turning them in the last of this week or first of next week.

ACTING IN TIME

There are many evils in the
world which are seemingly un-
avoidable. There are others which,
too late, we realize could have
been prevented if only we had
known "how" in time.

Some diseases fall into this latter
classification. We give no
thought to them until some one
dear to us falls ill. Then, asking
"Why?" we learn that needless
suffering could have been prevented
if a few simple precautions had
been taken.

Tuberculosis is such a disease.
Nearly 57,000 Americans die of

tuberculosis each year, more than
were killed in World War I. Yet,
tuberculosis can be prevented and
there is no excuse for us to say
we do not know how.

The Wheeler County Tubercu-
losis Association, organized to
fight tuberculosis in our commu-
nity, has a well-planned program
for the control of this disease.
Through the printed and spoken
word it is planning to put be-
fore us facts about tuberculosis
and its control. It is up to us, the
men and women of the commu-
nity, to heed those facts and to
act on the basis of knowledge
learned from them. Health edu-
cation is predicated on the theory
of preventing disease — of pre-
venting suffering and economic
waste.

The health education program
of the tuberculosis association is
financed by the sale of Christmas
Seals. When we buy these Seals
we are directly aiding a campaign
to prevent the spread of a deadly
disease. Only once a year, at
Christmas time, are we asked to
contribute financially to this cam-
paign. In doing so, by purchasing
Christmas Seals, we are protect-
ing ourselves.

WAR'S COST-VICTORY LOAN

We've won the war, or have we?
To be sure, we've won the fight-
ing. But, no, we haven't won the
war. Because in order to win the
war we must win the peace first.
And just so long as there is an
armless veteran without a new
arm and trained for a job he can
do, we haven't won the peace.

We haven't been told such
things as this too frequently. But
the war's cost and veteran assis-
tance will total about 434 billion
dollars by next June. That's a
staggering sum, but freedom is
well worth that many times over.
Some one must pay this cost and
that some one is all of us.

That is one of the reasons why
our government planned the Vic-
tory Loan campaign for \$11,000-
000,000. That is why this money
is needed to give hospitalization,
training and opportunity to the
men who sacrificed so much for
us, so that we could one day
raise the roof when Japan sur-
rendered.

Sure we bought War Bonds.
But that was to win the war. We
didn't want to get licked and
overrun by a horde of enemies.
Not us. So we bought War Bonds.
But now, now comes the test.
With no enemy available to over-
run us if things go wrong we
must not become selfish.

We still have a job to do. Our
boys are still in Europe and
Japan and will continue to be
there a long time. They'll need
clothes, food, the best of every-
thing. That is another reason for
the Victory Loan.

Freedom — even the winning of
a war — comes high. But its
worth it.

Do you agree?

PAY YOUR POLL TAX

The American Legion has issued
a plea to discharged service
men to exercise their duty and
privilege as free American citizens
by immediately paying their poll
tax. The statement which is of
equal importance to all other citi-
zens follows:

"It is your duty as an Ameri-
can citizen and your privilege as
a free born human being to pay
your poll tax so that you may
have a voice in the affairs of your
country."

"There will be issues coming up
for vote on which you will want
to voice your approval or disap-
approval through the ballot. There
are going to be men asking for
office who you will either want to
support or vote against so don't
overlook this most important tax
— pay it immediately.

"Do not be like the man who
gripes long and loud about the
way his government is running
things but does not have enough
interest to pay his poll tax so he
may try to correct the evils he
dislikes by voting against them.

"The American Legion urges
you to pay your poll tax!"

PRESIDENT SUGGEST FARM PROGRAM POLICY

The most debated question
among farmers today is what
crops should we plant and what
prices can we expect for our pro-
duction. Do we have any assur-
ance of holding the price line or
will it drop as after world war
one? Here is what happened from
peak of inflation to bottom of col-
lapse 1920-21. Cotton dropped 75
percent, hogs 69 percent, butter
56 percent, milk 32 percent, beef
58 percent, poultry 36 percent,
eggs 72 percent, wheat 64 percent,
oats 71 percent, corn 77 percent,
peanuts 70 percent, lambs 61 per-
cent, potatoes 85 percent, oranges
21 percent and rice 79 percent.

President Truman's reconver-
sion message to Congress included
high praise and encouragement
for the nation's farmers. He cred-
ited farmers with a magnificent
production job in the war and said
that no group in America labored
long or harder to meet the war
demands put upon them.
"The government now must be
prepared to carry out the nation's
responsibility to aid farmers in
making their necessary readjust-
ments from a war time to a peace
time basis," President Truman
pointed out. He asked for addi-
tional legislation "to strengthen
the machinery for carrying out
price support commitments, and
for laying the basis for broader
peace time markets for agricul-
tural products."

The President's recommendation

TOUGH AS AN ELEPHANT'S HIDE!

That's Phillips 66

When you pay for protection—it pays to get the best! That's why we'd like to call your attention to Phillips 66 Motor Oil—the oil that's as tough as an old bull-elephant's hide!

You know, toughness isn't something you can refine into an oil. It's got to be there in the first place. Well, Mother Nature made this oil tough—and it took her thousands of years to do it!

All we do is pump it out of the ground... give it some special Phillips refining... and bring it to you with all those wonderful God-given lubricating qualities unimpaired!

When there's only a few pennies difference between "the best" and "mediocre," why take a chance? Drive in where you see the big Orange-and-Black sign with the double-six and say—"Fill 'er full o' Phillips!"

You won't find a more honest, natural lubricating oil in America!

"Fill 'er Full o' Phillips!"

The NEW PONTIAC

... WITH THESE IMPORTANT IMPROVEMENTS
New, beautiful exterior styling Improved rust-resistant bodies
New instrument panel
Heavier chrome finish
New interior trim Improved clutch
New wheel rims Longer-life muffler and tail pipe
Improved cooling.

Here's news about the new 1946 Pontiac for which you've been waiting:
The new Pontiac has all the quality, ease of handling, comfort and stamina which made prewar Pontiacs so popular plus many impressive improvements and refinements.
The new Pontiac is still in the low-price field and still loaded with extra value features. It continues to be the fine car with the low price. It is still available as a smooth running, powerful Six or an economical Eight—and both engines are interchangeable in the same chassis.
The new Pontiac, which is now here and on display, continues to be a style pacemaker, a quality leader. Even better than prewar models, it is the finest of the famous "Silver Streaks." You are cordially invited to come in and see the sparkling new Pontiac.

to Congress included: making an additional \$500,000,000 available to the Commodity Credit Corporation to safeguard farm prices, possibly through transferring lend-lease funds to the account of CCC on a continuing basis; stimulation of export of farm products, particularly through shipment of more feed to war-ravaged areas; strengthening and further development of the Federal Crop Insurance Programs, which, together with the assurance of reasonable and stable farm prices, will go a long way toward basic problems which have plagued farmers in the past, and continuation and strengthening of programs for conservation and improvement of programs for conservation and improvement of our soil and forest resources, and also for scientific research. He reported that Secretary of Agriculture Anderson is studying existing farm programs to see if any changes are needed to meet peace time conditions and asked that Congress also consider the problem and make any adjustment which will make farm programs more effective.

President Truman states that, "changes in the general price level have made and broken more farm people financially than any other economic factor. The individual farm family can do very little about controlling fluctuations in the general price level. . . . But keeping debts at a safe level and building up a financial reserve in War Bonds will help to cushion any drop in prices that may come later."

The Victory Loan Drive may well prove to be the most important of all Bond drives. Get behind this important drive and keep the peace won, Hardcastle advises.
"From the Victory Loan Drive will come the money to bring our men home, give them hospitalization, and provide their mustering-out-pay," the administrator asserts. The drive began October 20 and will last until December 8.

The USDA Rural Health survey, which has now been completed, shows that four-fifths of the farmers contacted favor more public clinics in rural areas, and three-

fourths would like to subscribe to some flat-rate pre-payment plan to cover hospital bills, doctors and nurses for themselves and their families. We have a rural health program in Wheeler county, please see your local representative for full details.
Good farming produces more than good crops; it produces good children, good schools, good churches, good communities.

A Letter To The Citizens Of Wheeler County

DEAR CITIZENS:

We realize you are busy but we do not apologize in asking a few minutes of your time to explain a proposition which involves the most precious thing in the world — the lives of our Wheeler county youngsters. This letter, by the way, is coming from a group of your neighbors who are just as busy as you are but who feel something must be done NOW to curb Tuberculosis which kills more young people in their productive years than any other disease. And we are asking your help.

From Pearl Harbor Day to V-J Day, the war took American lives at the rate of one every seven and a half minutes. Tuberculosis during the same period, killed at the rate of one person every nine minutes. The guns are now silenced but TB is still killing citizens in almost as great numbers as the Axis and Japanese were. You can understand our vital concern now, can't you?

You are all aware of the annual Christmas Seal Sale which for many years has financed the fight against TB over the entire nation. Well this year for the first time a group of local citizens has decided to sponsor this Seal Sale locally. By doing so, we will be able to keep 80 per cent of the proceeds at home to fight TB in Wheeler County, the remainder going to the national organization for educational, organizational and research work.

We have formed the Wheeler County Tuberculosis Association which will be a unit of the national organization, and will handle the sale of the Christmas Seals here in our own county. Within a few days we will mail to a large number

of you an envelope containing two sheets of Seals and a circular asking you to buy them at one dollar a sheet or return them to us. Up to this time no pressure has been used to raise a substantial fund because none of the money remained at home to cope with the plague and for the further reason we had not been fully alive to the real conditions here. As a result not much work was done.

But now the National Association has set aside 80 per cent of the funds to any county which will assume responsibility to handle the solicitation and administer the funds in an intelligent, approved manner. Our plans ultimately provide for a full-time trained nurse to ferret out active cases in the schools and in the homes. Every active case will need prompt X-ray examination and every suspected case will need attention. Our school teachers and authorities of Wheeler county have pledged their cooperation and local and county officials want to help in this fight.

We have an active group of men and women anxious to give whatever time is necessary and may be depended upon to get the job done if they have the backing of the citizens of all parts of Wheeler county.

You can help yourself, your neighbors and your county by remitting for the seals when you receive them. Be as generous as you can and show your interest further by buying the seals. We can eliminate tuberculosis from Wheeler county if you will but help.

Sincerely your friends,

WHEELER COUNTY TUBERCULOSIS ASSN.

Methodists Enjoy Yearbook Program

Members of the W. S. C. S. of the Methodist Church met Monday afternoon for "The Yearbook Program." Mrs. Cora Hyatt was leader for the afternoon, assisted by Mrs. Harold Nash, Mrs. C. Robison, and Mrs. Luther C. Robison. Two of the subjects discussed were, "I Am The Door" by Mrs. Hyatt, and "Technique of Building Good Will" by Mrs. Nash. The group was favored with a

solo, "In The Garden" by Mrs. Harrison Hall.

Attending were Mesdames J. A. Bryant, Luther Parks, Harrison Hall, H. H. Hunt, D. E. Holt, C. C. Robison, Lloyd Davidson, Harold Nash, Pete Mayfield, Elizabeth Wren, J. M. Glover, C. J. Meek, and Melinda and Phyllis Meek, and Joe Richard Hyatt, and Richard Dean Parks.

Miss Mary Ruth Vinson is in Oklahoma City this week on a short vacation from her work as a nurse at the Wheeler hospital.

Mrs. Wood Leader At Baptist Meeting

Mrs. A. C. Wood was leader of the Bible study "Tour of the Bible" when members of the Baptist Church met Monday afternoon. Scriptures from the books of Luke and John were used for the lesson, "The Deity of Christ." Mrs. Gordon Whitener gave an inspiring talk on the active W. M. U.

Reports of the Workers Conference, which met at Wellington last Thursday, were given by Mrs. Lee Guthrie and Mrs. A. C. Wood. The meeting was closed with prayer led by Mrs. R. Sayre. Members attending were Mesdames Bailey, Guthrie, Guynes, Jacob, Sayre, Wood, Green, Flynn, McFarland, Wright, Burgess, Bradstreet, Whitener and Weatherly.

Rev. Fullingim Is Honored By Church

In appreciation of the year's work with the local Baptist Church and in honor of his eleventh year in the ministry, Rev. P. D. Fullingim was honored with a love gift from the church Sunday morning. A beautiful all-wool blanket, with a check for \$100.00 were presented to him. Several bouquets of lovely flowers were also presented.

And have you seen the signs our Junior girls painted? Oh, brother, are they dillies? Melba and Peggy think so, anyway. Ida, where were you Monday night? After all, how can anyone date you if you aren't at home to answer the phone?

Since Clyde, Richard and Wayne are the only junior boys of Wheeler high, they will play a big part in the school carnival. Here's luck to you!

Peggy is still griping because she didn't get Roy's big picture. Have you noticed June's big toe, lately? It's sorta' swollen, isn't it, June?

Stable Gossip
Everyone is looking forward to the football banquet given on November 23.

Wheeler was well represented at the Wellington-Shamrock game. Clyde seems to wish something would happen to Nos. 43 and 31 before Friday night.

We hear that Coach Carrick is going to show the pep leaders how to do the little dance the Shamrock leaders were doing.

We want to thank the janitor and the basketball girls for fixing the girls dressing room. It really looks nice.

Donald and Mary are going to be in a fix, so we hear. Colleges

are turning out for Thanksgiving aren't they? Which is about the time of the banquet.

There was a lot of aw's and oh's Friday. The senior pictures arrived. Donald looked like something you dream of but never see. Roy's was good enough to get a contract with Warner Bros. We're beginning to think they flatter them all. Really, kids, they're good.

What's this we hear about Margie and Edna going to put a detour sign at both ends of the block. Is someone wearing the street out?

Coene and Betty seem to be doing alright with the navy lately. We were all glad to see Charles Ray Riley visiting school Monday. He has just returned from overseas.

Miss Watt said she had been called names but when Bonnie called her momma, that was the limit.

There are quite a few kids wanting to know who writes this. Oh, wouldn't you like to know? But I'm not going to tell.

Sports

As Nov. 16 draws near and the football season closes soon, your reporter wishes to bring to mind the boys who will make their last appearance on the high school football field. We think the boys have done a good job considering they have learned all they know in the short time they have played. They only wish that they could have had Coach Carrick the entire season. The students give these boys a very hearty thanks.

Donald Reeves, full back, has lettered two years, is 17 years old, has been captain one year and co-captain one year.

Roy Ford, quarter back, has lettered 1 year, is 16 years old; was co-captain one year.

Delbert McWhorter, right tackle, lettered one year, is 16 years old.

Corky Guthrie, left tackle, lettered two years, is 17 years old.

Furman Maxwell, left guard, lettered two years, is 17 years old.

Benny Westmoreland, left end, lettered two years, is 16 years old.

R. B. Mann, right end, lettered two years, is 17 years old.

Junior Carnival
The Juniors of Wheeler high are sponsoring a school carnival, at the high school gym, Tuesday, November 20, at 7:00 p. m. We think you will find it interesting and lots of fun. Everyone is invited.

The purpose is to raise funds for the Junior-Senior banquet. We would appreciate the public's attendance. Thanks.

Fashions

It may seem odd to start a fashion column with boys fashions but that is the way this one is to start. The latest fashion in boys clothing is football jackets with leather inset sleeves and a large W on the front. Some boys are still wearing their shirts out. Shoes and socks seem to be predominant although this is some times varied boots. The boys are the center of attraction, but this wouldn't be a fashion column unless I mentioned the girls so—Sweaters, preferably large, are worn with loud plaid skirts. The predominating color is yellow, we don't know why. The hair is long and stringy, we don't know whether this is fashion or laziness. However it is held back, usually with

Stable Gossip

Lately we see LeLon escorting Josephine around.

Iris thinks R. B. is really wonderful. What you going to do about it, R. B.?

We see Edna and Delbert together again, wonder how long this time?

Margie and Patsy were the old maids Friday night. What's the matter, are you staying true to the Navy.

Seems as though Gene and Georgia Gaye are back together after a series of fussing.

You should've seen Mr. Kammerdiener Hallowe'en night in his clown suit. Now he is not only acting the part but dressing for it.

Clyde, you're going to get in trouble using the same line on two Pat's.

Corky, we hear someone was out looking for you Friday night. You should get in earlier.

Take Notice! We wish the junior girls would quit chasing the senior boys.

There's a few sophomore boys running around unattached, how about it girls?

Hazel is wearing a navy jacket. Some back rows can get away with talking, but not in Algebra I.

The students are getting anxious for their report cards in General Science, so they will know whether or not they will get to go to the show this month.

The students have a hard time getting eight pages of Junior Business everyday. And there is no help from anyone. (Ha Ha)

Georgia Gaye did you have a nice time Hallowe'en night?

Wonder who write Freshmen of 1945-46" on the pavements, sidewalks and windows Hallowe'en night? Couldn't have been some freshmen girls? Oh NO.

Anita you are cheating, you have two hearts. Oh, one of them is Pike?

The Mustangs truly believe that Mary will make the best queen ever crowned. The Mustangs are also praying for a better basketball season. Maybe Lady Luck's frown will change into a smile. Well, at least we hope so. The Mustangs are very proud of their new coach, Mr. Carrick, and only wish he could have been here all season.

The pep squad and football boys wish to thank everyone who helped when the bus broke down on the way to Canadian Friday night.

Basketball News

The girls have been practicing basketball. We hope to have a good team. The basketball girls wish to express their sincere thanks for the swell job Peggy Weatherly, June Johnson, Helen Little and Melba Little are doing in the girls' dressing room and in the gym. They have done a wonderful job painting the lockers and showers and expect to do more work in that line.

WHEELER MAN HEADS LEAGUE

L. G. Kammerdiener, superintendent of the Wheeler schools, was paid a signal honor for a new man in this area when he was elected general director of the Interscholastic League at a meeting of superintendents and coaches of all Class A schools in the northern Panhandle area.

School heads decided to hold the Boys' Basketball Tournament for 1945-46 in Wheeler's high school gym on February 14, 15 and 16.

Class A school that will participate in this district tournament are Memphis, Clarendon, Wheeler, Wellington, Shamrock, Lakeview, and McLean. The tournament will be played round-robin style and each team will play six games. The winning team will be decided on a percentage basis and this team will represent the southern half of District 3A at the Regional Meet.

Approximately 84 players, managers and coaches will be in Wheeler the three days. Sleeping accommodations must be secured for part of these boys. Anyone who can keep two or three boys is asked to notify Superintendent Kammerdiener or Coach Carrick at a later date.

Further information and details of this tournament and the Invitation Tournaments to be held at Wheeler will be announced later.

Anita Maxine Babb Weds Amarillo Man

Miss Anita Maxine Babb became the bride of Cecil M. McCollough Saturday evening at 6:30 o'clock in the parlor of the Polk Street Methodist church at Amarillo. The double ring ceremony was read by the pastor, Dr. Neal Cannon. Music for the occasion was played by Mrs. Bob Watson.

The bride wore a beige wool suit with black accessories. Her corsage was of white carnations. The couple was attended by Pfc. and Mrs. Robert W. Vetter.

Mrs. McCollough is a graduate of the Wheeler high school in the class of 1939. She attended Amarillo Junior College and Amarillo Commercial College. She is now employed by an electric firm of Amarillo.

Mr. McCollough, the son of Mrs. J. D. McCollough of Big Spring, is a veteran of 30 months service

in the armed forces in the southwest Pacific. He is now attending Amarillo Junior College. Mr. and Mrs. McCollough are at home 2216 South Taylor street, Amarillo.

When they come back...

United Gas employees, serving in our armed forces, have been notified that we have jobs for them, when they return. . . In reply to a questionnaire sent them, hundreds of answers already received indicate a deep appreciation of the Companies' interest, and practically all of them want to come back to us.

We asked if they thought their military experience had fitted them for special work in our organization. Many indicated a preference. We will do everything possible to give them the work they desire. . . To all of those who have served or are serving in our armed forces, we all owe an everlasting debt of gratitude.

WHERE WOULD WE BE WITHOUT OUR PUBLIC SERVANTS?

Your taxes and ours pay the salaries of these fine people. We couldn't get along without our public servants and they couldn't get along without us taxpayers. Their work is vitally necessary and their services are appreciated by all.

These are only four of many American privileges we enjoy and pay for under our democratic form of government. Your Public Service Company, as one large taxpayer, has always willingly its share of taxes to help build the communities we serve and the nation in which we live.

ATTENTION

WE INVITE YOU TO VISIT OUR STORE

We are like everyone else in the appliance business. There are many items we do not have in stock at the present time. BUT we will take your order for the quickest possible delivery and assure you that we appreciate your business.

We do have NOW, a good stock of some items, including many Christmas toys — we even expect to have red wagons and tricycles SOON.
