MRS. A. N. TROTTER

BRISCOE MEET OPENS TONIGHT

The Briscoe Assembly of God church will start a revival tonight with Mrs. A. N. Trotter of Muskogee, Okla., in charge. Mrs. Trotter spent two terms as missionary in Africa and her sermons are full of strange and interesting experiences.

BAKER ATTENDS COACH SCHOOL

Wheeler's new athletic coach, Grady C. Baker, and his wife have moved into Wheeler and Coach Baker is putting around making plans and trying to get all his football equipment and everything in shape to start the Mustangs right to work the first day of September.

Wheat Fertilizing Demonstration Started

A four-acre plot of wheat land on Clifford Walser's place north of Mobettie is being set up as a wheat fertilizing demonstration plot by the Wheeler county agent's office.

City Bakery To Re-Open On Monday, August 18

Mr. and Mrs. Aaron Williamson announced this week that they would re-open the City Bakery here effective Monday, August 18. They stated that they will bake everyday and you can rest assured of buying fresh bread and pastries made in Wheeler.

County School Trustees To Meet At Courthouse

A. C. Wood, acting County Superintendent, in the absence of Allen Kavanaugh, who is attending school this summer, announced this week that the county school trustees will meet at the Courthouse in Wheeler at 1:30 p. m. Friday, August 22.

CONSERVATION PROGRAM HAS BEEN RESUMED

Conservation activities by Wheeler County farmers under the 1947 Agricultural Conservation Program (ACP) have been resumed according to Chairman Shaffer of the County Agricultural Conservation Committee.

HIGDON HEADS REVIVAL AGAIN

So successful was the revival meeting at the Twitty Baptist Church last year, that Rev. Buren L. Higdon, who delivered the series of evangelistic sermons, has been invited back to conduct this year's meeting.

COURT GUEST OF CLUB COUNCIL

Members of the Home Demonstration Council entertained the County Commissioners and the County Judge with a covered dish luncheon in the Home-making Cottage, Monday, August 11, at the noon hour.

75 MEN MAKE REYDON TRIP

Thirty-five members of Wheeler County Veteran's Vocational agricultural classes and forty other Wheeler county farmers and stockmen made the trip Tuesday to Reydon, Okla. to see the regressing plots of the Soil Conservation District there.

L. P. Fort of Pampa To Pastor Allison Church

L. P. Fort of Pampa, has been called to pastor the Allison Baptist church which will be a full-time church as far as the number of services held monthly are concerned. Mr. Fort will retain his job in Pampa and will go to Allison each weekend to conduct services.

Here's Opportunity To Be Wheatheart If Jilted By Sweetheart

Any Wheeler county Miss who would like to compete for the title "The Nation's Wheatheart," a contest being sponsored by the Perryton Chamber of Commerce, is asked to apply at the office of The Wheeler Times.

County School Trustees To Meet At Courthouse

A. C. Wood, acting County Superintendent, in the absence of Allen Kavanaugh, who is attending school this summer, announced this week that the county school trustees will meet at the Courthouse in Wheeler at 1:30 p. m. Friday, August 22.

REV. B. L. HIGDON

MOSS EXPLAINS NEW FEATURES TRAFFIC CODE

EDITOR'S NOTE—At the request of The Wheeler Times, County Attorney Homer Moss has prepared the following brief article touching on the state's new Uniform Highway Safety Code.

Because of increasing numbers of traffic accidents in Texas resulting in untold hardships, the Legislature has enacted a new uniform traffic code to become effective throughout the State after September 6, of this year.

These rules have grown out of careful study by those in the know in public safety, and is modeled after similar sets of laws.

The code is a bit more lengthy because it covers situations that were not dealt with by the former laws, but all in all is far more understandable, and workable, eliminating much of the confusion present with some of the rules now in use.

MRS. CARVER IS BURIED SUNDAY

Several Wheeler people attended funeral services at Shamrock Sunday afternoon for Mrs. W. E. Carver who succumbed Saturday morning after an illness of almost a year.

Death came to Mrs. Carver, 60 years old, at 9:25 o'clock Saturday morning at her home 402 South Arkansas Street, Mrs. Carver had been a resident of Shamrock for 22 years.

Rev. Hubert Bratcher, pastor of the First Methodist Church, was in charge of the last rites, and Mrs. Earl Hamill sang "How Beautiful Heaven Must Be."

Acting pall bearers were: H. W. Runaway, Amarillo; Lester Hartsfield, Earl Hamill, Curtis Hamill, Neylon Morgan and Clark Bumpers.

Honorary pall bearers were: B. F. Holmes, A. N. Holmes, W. S. Pendleton, Sr., H. M. Wiley, Wheeler; Ernest Snell and Bert Boland.

Flower bearers were: Mmes. John O'Gorman, Lester Hartsfield, Earl Hamill, Curtis Hamill, Neylon Morgan and Clark Bumpers.

Interment was in the Shamrock Cemetery with Clay Funeral Home in charge of arrangements.

Mrs. Carver was born in England on May 22, 1887, the daughter of Mr. and Mrs. John Howden. When Mrs. Carver was in young childhood, her mother died and her father, a ship builder, brought Mrs. Carver and her sister to America.

She was married to W. E. Carver in Seattle, Washington on July 23, 1911. The couple, with their only son, W. J. Carver, came to Shamrock 22 years ago from Dallas.

Survivors include the widow, Mrs. Myrtle Martin; a son, Bud Martin, Oklahoma City; a daughter, Mrs. C. A. McCann, Oklahoma City, two sisters and two brothers.

The body was taken to Oklahoma City for burial.

State Will Build Spur From 83 To Briscoe At Cost Of About \$10,000

Residents of the Briscoe community will be elated to learn the Texas Highway Department has voted to spend \$10,000 to build a spur from U. S. Highway 83 to Briscoe, a distance of one and one-half miles.

County Judge G. W. Hefley is in receipt of a letter from T. H. Webb, assistant state highway engineer, as follows: "As information we quote you minutes passed by the state highway commission on August 1, 1947:

"In Wheeler county, it is ordered that a spur be designated extending from U. S. 83 to Briscoe, a distance of 1.5 miles on condition that Wheeler County furnish any required right-of-way, free of cost to the state.

"The State Highway Engineer is directed to proceed with improvement of the road at an estimated cost of \$10,000.00, the work to be performed in the most feasible and economical manner."

MORE INTEREST GIVEN SOFTBALL

Interest in the Wheeler softball league is still growing and more and more players are taking part in the contests which are being played every Tuesday and Thursday afternoons according to Supt. W. O. Carrick sponsor of the league.

There are now five teams entered in the league and it is hoped that someone else will organize a team and bring the number to six so that a schedule could be worked out whereby all six teams would see action at least once a week.

Teams entered to date include the Courthouse club, a team sponsored by the Service Cleaners, one by the Wheeler County Produce Association, one by Supt. Carrick and the latest entry is being sponsored by the Crescent Cleaners.

So far, relative standings of the club is about equal regardless of the fact that the Courthouse team has had to perform short-handed on a few occasions due to the fact that some of its members have renegged for various reasons.

The public is cordially invited to come out and watch these softball contests and you are guaranteed that it will not cost you one thin dime unless one of the sluggers knocks a ball through your windshield.

STROKE FATAL TO E. L. MARTIN

E. L. Martin, widely known Wheeler and Oklahoma City rancher and oil man, died Thursday, August 7, in a Billings, Montana hospital.

He was stricken August 3, while on an automobile trip between Billings and Red Lodge, Montana.

Mr. Martin had maintained a residence in Wheeler since 1935, moving to this county from Sayre, Okla. He also maintained a residence in Oklahoma City.

He operated a large ranch near Wheeler and had for many years been an exhibitor at the Amarillo Fat Stock Show and the Tri-State Fair.

Mr. Martin was a native of Sulphur Springs, Texas. He was 63 years old.

Survivors include the widow, Mrs. Myrtle Martin; a son, Bud Martin, Oklahoma City; a daughter, Mrs. C. A. McCann, Oklahoma City, two sisters and two brothers.

The body was taken to Oklahoma City for burial.

C. C. WRIGHT IS BURIED CLAUDE

The many friends of Clyde Campbell Wright, 57-year-old Wheeler County farmer, were saddened to learn of his death Thursday morning, August 7, in the Groom hospital. He had been ill several years.

Mr. and Mrs. Wright spent the last two months with their daughters, Mrs. Vivian Hazzard and Mrs. Lucille Gilley of Claude, while Mr. Wright received treatment at the Groom hospital.

Mr. Wright was born Oct. 15, 1889 in Giles County, Tennessee, in a small village called Campbellsville, named after his mother's parents. He moved with his parents to Texas in 1890, the family settling near Austin. After his father's death in 1900, Mr. Wright moved with his mother to Roby, Texas where she taught school for over eleven years.

Mr. Wright was married to Mrs. Josephine Sharp in 1910 and to this union were born four children. After their marriage they settled in Wheeler County where he engaged in farming until his death.

Mr. Wright enjoyed friends and always endeavored to be one of the many with whom he became acquainted. He was a member of the Presbyterian Church.

Funeral services were conducted from the Claude Methodist Church Friday, August 8, at 4:00 in the afternoon. Bro. Godwin, pastor of the Panhandle Baptist Church, officiated, assisted by Bro. Rollo Davidson, pastor of the Claude Methodist Church. Interment was made in the Claude Cemetery.

Mr. Wright is survived by his wife and four children, one son, Richard Wright of Wheeler, and three daughters, Mrs. Maxine Bowen of Amarillo and Mrs. Ima Lucille Gilley and Mrs. Vivian Hazzard of Claude, eight grandchildren and one brother, Edward D. Witt of Moffet, Okla.

TWITTY CHURCH OPENS REVIVAL

F. E. McCown, recently appointed minister of the Twitty Church of Christ, announced this week that a revival meeting will open at his church on Friday, August 15, and continue through Sunday, August 24.

Minister Gordon Teel of the First Christian Church of Durant, Okla., will do the preaching. Bro. Teel was in charge of the revival meeting at Twitty last year. His messages proved so popular that the congregation was unanimous in its choice to bring him back for this summer series of sermons.

Hester Dodson of Twitty, well known and popular leader of songs, will be in charge of singing. Gospel songs will be a big part of each service, Minister McCown said.

"The Church of Christ at Twitty invites everyone to come and worship God with us," Minister McCown declared.

Citizens State Bank Birthday Is August 11

Due to an oversight on the part of the Times editor and R. J. Holt, Sr., it was incorrectly stated in an advertisement and news story in last week's Times that the Citizens State Bank's birthday was on August 13. The correct date is August 11.

Methodists Revival Sunday

Rev. S. Y. Allgood, Methodist church pastor, announced this week that a revival meeting will open at his church on Sunday, August 17, and continue through Sunday, August 24.

Wheeler Revival Sunday

Rev. S. Y. Allgood, Methodist church pastor, announced this week that a revival meeting will open at his church on Sunday, August 17, and continue through Sunday, August 24.

SUNDAY SCHOOL TEACHERS

Heartly words of commendation should be said for the great number of people who have been serving as Sunday school teachers. They have devoted a great deal of time to this effort. It would have been pleasant for them to use the Sunday school hour as a time of rest, and the time spent in preparing the lessons for their own work or diversions. Motives

like religious faith, enthusiasm for youth, and desire to help the youngsters to get good ideas, kept them going on this teaching effort.

Countless men and women have looked back to the good influences of Sunday school teachers, and their inspiring words of counsel, and have said that this influence was a powerful factor in helping them on to a good life.

SUNDAY SCHOOL EXPERIENCES

Some of the people who have taught Sunday school classes have said it was hard to get the interest of their youngsters, and that they doubted if the boys and girls got any great good from the instruction. Probably those young people took in many more good ideas than was realized. In spite of any restlessness they might show, they no doubt profited by this instruction and the earnest and helpful words of those devoted teachers.

Anyway, the people who render this service make an important contribution to the development of youth, and the life of the community, and gratitude should be expressed to all who render this important service.

DIABETES CAN BE CONTROLLED

Despite the fact that modern medicine can do much to help the diabetic live out a normal life span, nevertheless diabetes took a toll of several hundred lives in Texas during the past year, according to Dr. Geo. W. Cox, State Health Officer.

"While deaths from the communicable diseases such as typhoid fever, malaria, diphtheria, and smallpox are annually decreasing in this country, diabetes is still taking a tragic number of human lives each year, especially in the middle age group," Dr. Cox said.

"Until recent years diabetes was not noted as a major health problem, but it became accepted as such in direct ratio to the development of medical laboratory procedures, which made the disease more easily diagnosed."

Dr. Cox said that diabetes is generally recognized as a class disease. It seems to attack white collar class of indoor men and women much more frequently than

On August 23 go to the polls and vote "yes" for the College Building Amendment.

Remember the crowded conditions of our 16 state colleges last year.

Remember the thousands of GI's and other deserving young men and women who were turned away from our colleges because these colleges lacked building facilities.

Remember, if this amendment is not passed no other plan is proposed for the relief of these colleges.

And remember that passage of this amendment will not cost tax-payers a single additional penny. The amendment re-allocates the state ad valorem taxes; it does not create any new taxes.

It does the outdoor person whose work is more vigorous and calls for more exercise. Whatever the actual cause of the disease may be, vocational and economic conditions apparently are factors, since it seems a fact that those persons whose occupations call for manual labor and simple living are not frequently affected.

Dr. Cox stated that simple, wholesome diets, sufficient exercise and sleep are factors in the prevention of diabetes, and an annual physical examination, especially in middle aged persons, is important so that if the disease is present, competent treatment can be instituted while the disease is in its early stage.

Ninety-five pounds of ground wheat or 95 pounds of un-ground wheat is equal to about 100 pounds of No. 2 shelled corn in a hog ration. Wheat is lacking in Vitamins A and D, however, which can be made up with alfalfa meal or hay, or green grazing.

FARM FACTS
WORTH KNOWING

Q. When a few chickens in a broiler plant are suspected of having Newcastle disease, what steps should be taken to prevent spread of the disease?

A. Any chickens suspected of having Newcastle disease should be kept in strict isolation until an accurate laboratory diagnosis can be obtained. In a broiler plant, the plan to follow is relatively simple:

1. Quarantine.
2. Finish out the birds on the premises and then depopulate completely.
3. Thoroughly clean and disinfect the premises.

Q. Is it safe to keep rabbits that have recovered from snuffles for breeding stock?

A. No. Rabbits that have recovered from snuffles are likely to be carriers and may be a constant source of infection to other rabbits. It's a good idea to dispose of them and start with clean breeding stock.

Q. Will chicks hatched after May 1 make satisfactory replacements for a laying flock?

A. Yes. At the Research Farm of the Ralston Purina Company pullets are grown out each month in the year and on all types of feeding programs. These tests show that it is possible to grow out pullets for replacements any time during the year and by so doing have ready-to- lay pullets at any season to replace hens which are culled or die.

Q. What qualities should be considered in selecting brood sows?

1. Select only those sows that:
 - Are of desirable type and conformation.
 - Are from large litters that produce rapidly growing pigs.
 - Have broody underlines, with 12 to 14 widely and evenly spaced normal teats.
 - Have no blind teats.
2. Are feminine or matronly in appearance and have quiet and even dispositions.

A Great Oil Company introduces a Great NEW Oil

Phillips Research brings you the motor oil for your car ever to be Phillips 66 trade-mark!

When a great oil company brings out a completely new, different motor oil—that's news!

And when that oil company is willing to stake its reputation—to come right out and say, "This is the finest motor oil for your car ever to bear the Phillips trade-mark!"

That's food for thought for every man who owns a car!

This new Phillips 66 Premium Motor Oil is the result of extensive research, conducted over a number of years by Phillips research scientists, of the modern detergent (self-cleaning), oxidant resistant type. Lessons learned in developing duty lubricants for Army tanks and trucks, the experiences of others who have developed detergent type oils, and demands of engine manufacturers for their higher-speed, higher-pressure engines, all been taken into consideration.

The base stocks from the Oklahoma fields, oil men now recognize as among the finest in the world, are another contributing feature of this new oil.

This new Phillips 66 Premium Motor Oil is on sale at all Phillips 66 Dealers. We urge you provide your car with our finer, newer automobile lubricant.

We've learned a lot in 23 years

— and we're still learning

Yes, we've learned a lot in 23 years, and we're still learning. We're learning that folks in the Panhandle Plains Pecos Valley area need good electric service... and lots of it. We feel that we've learned how to provide that service efficiently and courteously. Now we're carrying our knowledge even farther with a \$55,000,000 expansion program that will make even better electric service available to more homes, more farms, and more industries.

Babb, are party defendants, and show cause why judgment shall not be rendered condemning said hereinafter described property and ordering sale and foreclosure thereof for said taxes, penalties, interest, and cost of suit.

Said suit is a suit to collect taxes, interest, penalties, and cost on the following described property: All of Lots, Nos. 17 & 18, (Block G) Park Addition to the City of Wheeler, Wheeler County, Texas as shown by the recorded map or plat thereof in the office of the County Clerk, said County. The amount of taxes alleged to be delinquent, due, owing, and unpaid for the respective years and in the respective amounts for each of said plaintiffs, intervenors, and

FIXING UP the HOME
By Diane Greiter

Don't Let Feet Get Tired

RESILIENCY in the floors over which we walk all day, and especially in those sections on which we stand for long hours at a time, is something greatly to be desired. As all of us know, house work can be very fatiguing when it has to be done while standing on a hard, unyielding surface.

Basement and kitchen floors, because of the moisture conditions which prevail, usually are made of materials which have less "give" than floors in other rooms. They can't be carpeted, either. I've found it to be a good idea to keep a panel or two of insulating board on hand

in these hard-floored rooms. Then, when I have ironing or some other standing job to do, I use it to stand on. The insulating board is soft and resilient, and it acts as a cushion.

You can get insulating board from your lumber dealer. It comes in four-foot widths and the man of the house can easily saw it into convenient sizes. It's the material that is so widely used nowadays in building interior walls and ceilings. Insulating board, incidentally, can also be used as a padding under rugs and carpets. Its resilience makes it ideal for this use and, since it's an insulating material, it will help to keep heat from escaping through the floor.

impleaded party defendants, taxing units, on the above described property is as follows: Plaintiffs, Impleaded Party Defendants, and Intervenor: That Are Taxing Units.

State of Texas and County of Wheeler, Taxes, Penalties & Interest due, \$75.59; Years Delinquent, 1919-1945 Inc.; Assessed to Curtis Gaylen and Unknown heirs, Wheeler Ind. School Dist. No. 17, Taxes, Penalties & Interest due, \$77.79; Years Delinquent, 1919-1945 Inc.; Assessed to M. M.

Gaylen & R. B. Hurn. City of Wheeler, Texas, Taxes, Penalties & Interest due, \$12.68; Years Delinquent, 1925-1945 Inc.; Assessed to M. M. Gaylen & R. B. Hurn, together with interest, penalties, cost, charges, and expenses of suit, which have accrued and which may legally accrue thereon.

Each party to this suit shall take notice of, and plead, and answer to all claims and pleadings now on file thereafter filed in said cause by all other parties therein.

Plaintiffs, intervenors, and defendants that are taxing units also seek the establishment and foreclosure of such taxes as provided by law.

The officer executing this writ shall promptly serve the same according to requirements of law, and the mandates hereof, and make due return as the law directs.

Ackley Park Rodeo
Dates Are Aug. 30-31

Elk City's 9th annual Ackley Park Rodeo, dates for which have been set for Friday and Saturday, Aug. 30 and 31, this year will be bigger and better than ever before and will be thrill-packed with a number of first time specialty acts featuring nationally famous rodeo entertainers, according to the Elk City Rodeo association's directors, who have adopted as their slogan for their ninth annual show, "It's different."

In addition to the presentation of new talent in the way of added attractions which will be seen at in-between spots during the wild bronc and steer riding, calf roping and bulldogging contests, the Ackley Park Rodeo for the first time will include the services of a professional rodeo band which will be under the direction of Ruby Nance, Oklahoma City, Oklahoma.

Rodeo officials have also announced that more seating space is being provided in both the reserved and general admission sections and accommodations for approximately 1,000 more persons will be available this year.

As in previous years of the annual rodeo, performances will be held Saturday afternoon and night and Sunday afternoon. The afternoon shows will start at 2:30 p. m. and the night performance at 8:00 p. m.

THE WHEELER TIMES classifieds offer more for less money, to both buyer and seller, than any other business device we know about.

Ranchmen Are Doing Unbelievable Things With Native Grass

COLLEGE STATION—Old time ranchmen of Archer County are saying that native West Texas range grasses do almost "unbelievable things" in grazing when given a chance.

The ranchmen are giving their grasses that chance by clearing mesquite growth off the range, and giving forage grasses room to grow, reports C. W. Wilhoit, Archer County agricultural agent.

Wilhoit says that Wayne B. Ray, stockman in the county, has a certain track of land that would carry 40 head of cows 10 to 20 years ago, if the cattle were given extra feed three months out of the year. Seven years ago the mesquite was grubbed off the pasture, and for the past three years 100 to 120 stocker cattle have been sold off the same land. Ray tells the county agent that this increase has come about without the extra feed bill and that his cows have been in even better flesh than when they were getting extra feed on the mesquite pasture.

Through artificial insemination, it is possible to breed 75 to 100 cows from each service of a bull.

BIG GUESS, BUT SHORT

Chicago. — When a customer walked into James Charaplis' restaurant, Chapralis bet him that he could guess his weight. He guessed that Teddie Weberling, 38, of Peru, Ill., weighed 500 pounds and lost by 25 pounds. Teddie got a free round of drinks.

"BURNED out" today may well mean being out of a place to live. Be doubly careful to eliminate fire hazards in your home. And consult us about today's higher values. Don't let fire catch you under-insured.

LEGAL NOTICE

NOTIFICATION BY PUBLICATION
STATE OF TEXAS
COUNTY OF WHEELER
R. J. Martin and wife, Mrs. J. Martin, who reside outside State of Texas at Sentinel, Oklahoma; all heirs and legal representatives of C. B. (Charles B.) Wilson, deceased, whose name and residence unknown, and the unknown heirs and legal representatives of

all the above named parties, and the unknown owner and owners of the hereinafter described property and their heirs and legal representatives whose names and places of residence are unknown, and all other persons owning, having or claiming any interest or lien in the property hereinafter described.

YOU ARE HEREBY NOTIFIED AND COMMANDED to appear and defend at the first day of the next regular term of District Court of Wheeler County, Texas, to be held at the Court House

thereof in the City of Wheeler, Wheeler County, Texas, at or before ten o'clock A. M., on the 2nd Monday in November, A. D. 1947, the same being the 10 day of November, A. D. 1947, then and there to answer a petition in a delinquent tax suit filed in said court on the 12 day of August, A. D. 1947, in a suit numbered 3837, styled The State of Texas, et al. vs. The Unknown heirs of C. B. Wilson, Deceased, et al., on the docket of said court in which The State of Texas in behalf of itself and the County of Wheeler, and for the use and benefit of Bethel Common School District No. 6, said county and state, are plaintiffs and R. J. Martin and wife, Mrs. R. J. Martin; H. L. Hise, and the unknown heirs and legal representatives of C. B. Wilson, deceased are defendants, and show cause why judgment shall not be rendered condemning said hereinafter described property and ordering sale and foreclosure thereof for said taxes, penalties, interests, and costs of suit.

Said suit is a suit to collect taxes, interest, penalties, and cost on the following described property:

All of the Northwest one-fourth (NW 1/4) of Section No. 76, Block 13 H&GN RR Co. Surveys in Wheeler County, Texas.

The amount of taxes alleged to be delinquent, due, owing, and unpaid for the respective years and in the respective amounts for each of said plaintiffs, intervenors, and impleaded party defendants, taxing units, on the above described property is as follows:

Assessed to State Bank of Rocky and year delinquent 1931; State Taxes \$7.10; Int. and Pen. \$5.68; County Taxes \$15.74; Int. and Pen. \$12.74; Common School Tax \$9.60; Int. and Pen. \$7.68; Total \$58.75.

Assessed to C. B. Wilson and year delinquent 1932; State Taxes \$6.62; Int. and Pen. \$5.30; County Taxes \$11.42; Int. and Pen. \$9.14; Common School Tax \$9.60; Int. and Pen. \$7.68; Total \$49.76.

Assessed to C. B. Wilson and year delinquent 1933; State Taxes \$6.16; Int. and Pen. \$4.93; County Taxes \$9.52; Int. and Pen. \$7.62; Common School Tax \$8.00; Int. and Pen. \$6.40; Total \$42.63.

Assessed to C. B. Wilson and year delinquent 1934; State Taxes \$6.16; Int. and Pen. \$4.93; County Taxes \$9.20; Int. and Pen. \$7.36; Common School Tax \$8.00; Int. and Pen. \$6.40; Cost \$1.00; Total \$43.05.

Assessed to C. B. Wilson and year delinquent 1935; State Taxes

\$4.96; Int. and Pen. \$3.67; County Taxes \$8.00; Int. and Pen. \$5.92; Common School Tax \$8.00; Int. and Pen. \$5.92; Cost \$1.00; Total \$37.47.

Assessed to C. B. Wilson and year delinquent 1936; State Taxes \$4.96; Int. and Pen. \$3.37; County Taxes \$8.00; Int. and Pen. \$5.44; Common School Tax \$8.00; Int. and Pen. \$5.44; Cost \$1.00; Total \$36.21.

Assessed to C. B. Wilson and year delinquent 1937; State Taxes \$3.92; Int. and Pen. \$2.44; County Taxes \$8.00; Int. and Pen. \$4.96; Common School Tax \$8.00; Int. and Pen. \$4.96; Cost \$1.00; Total \$33.29.

Assessed to C. B. Wilson and year delinquent 1938; State Taxes \$3.92; Int. and Pen. \$2.20; County Taxes \$8.00; Int. and Pen. \$4.48; Common School Tax \$8.00; Int. and Pen. \$4.48; Cost \$1.00; Total \$32.08.

Assessed to C. B. Wilson and year delinquent 1939; State Taxes \$6.16; Int. and Pen. \$3.23; County Taxes \$8.00; Int. and Pen. \$4.20; Common School Tax \$8.00; Int. and Pen. \$4.20; Cost \$1.00; Total \$34.79.

Assessed to C. B. Wilson and year delinquent 1940; State Taxes \$5.52; Int. and Pen. \$8.00; County Taxes \$8.00; Int. and Pen. \$3.24; Common School Tax \$8.00; Int. and Pen. \$3.24; Cost \$1.00; Total \$31.23.

Assessed to H. L. Hise and year delinquent 1942; State Taxes \$3.60; Int. and Pen. \$1.24; County Taxes \$4.80; Int. and Pen. \$1.66; Common School Tax \$4.80; Int. and Pen. \$1.66; Cost \$1.00; Total \$18.76.

Assessed to H. L. Hise and year delinquent 1944; State Taxes \$6.39; Taxes Pol. \$1.50; Int. and Pen. \$1.78; County Taxes \$11.62; Taxes Pol. 25c; Int. and Pen. \$2.67; Common School Tax \$11.48; Int. and Pen. \$2.58; Cost \$1.00; Total \$39.27.

Total, taxes, penalties and Interest due: \$457.09.

Together with all cost, charges, and expense of suit, which have accrued and which may legally accrue thereon.

Each party to this suit shall take notice of, and plead, and answer to all claims and pleadings now on file or thereafter filed in said cause by all other parties therein.

Plaintiffs, intervenors, and defendants that are taxing units also seek the establishment and foreclosure of the lien securing payment of such taxes as provided.

Contest Winner "Brands" His Prize

A pioneer of the auto industry, hunted throughout the nation in a contest to discover the oldest Chevrolet truck in America, turned up, appropriately, in the possession of a Montana homesteader. The venerable vehicle, vintage of 1918, was still serving Rancher Leslie A. Storey, of Jordan, Mont., whose ranch lies 18 miles from a typical "last frontier" town. The award for owning the oldest licensed and operating truck was a new Chevrolet "advance design" model, which Storey brands here with his distinctive Circle-Heart brand. It was presented to him by J. W. Burke, manager of Chevrolet's truck department, as Mrs. Storey and Montana cowgirl Merle Spears (right) look on. Nearly 7,000 old-time Chevrolet trucks were entered in the contest won by this vehicle, which was one of 384 built by the division in 1918, its first year of truck production.

market roads on a cooperative basis with counties, together with the current federal aid program, would result in substantial improvements to the state's farm transportation problem.

The total investment in the state road network stood at \$934,197,811.55 on July 1, Redditt announced. This includes all expenditures made under the supervision of the Texas Highway Department since it was created thirty years ago.

"It has been a good investment," he said. "I doubt if any other similar expenditure of public funds has done so much good for as many people."

The Chairman paid tribute to the thousands of employees who had built the organization into one of the top road building agencies of the nation. "Of the 7,663 employees on the payroll today, 2,278 have been with us for ten or more years, while 100 have served the Department 25 years or more. Only one has completed 30 years of service, but two others are approaching the 30 year mark."

"This organization has made it possible for Texas to maintain its place at the top among the states of the nation in carrying out a vast postwar construction program. Today work is progressing on contracts in excess of \$77,000,000, a volume that has never before been reached in the Department's history."

Some of the Indians of colonial days thought the proper way to treat the hair was to remove it from the paleface scalp.

Do the American people work hard? At least some of the jitter-bugs seem to be doing so.

THE WHEELER TIMES
WHEELER, TEXAS

HIGHWAY DEPT. ENTERING 30TH YEAR SERVICE

AUSTIN—Reviewing the activities of the Texas Highway Department now entering its 30th year as the state's road building agency, Commission Chairman John S. Redditt reported paved mileage on the state system had more than quadrupled since it was first accurately measured in 1929.

The endless struggle to build new roads as fast as traffic demand increased has shoved the 1929 paved mileage of 6,061 up to 25,734 miles on July 1 with more being added every day. "This still isn't enough," Redditt declared. "The blight of congestion and hazards to safety on many sections of these paved roads render them inadequate to handle the heavy traffic using them."

He expressed confidence that the Commission's recent expanded policy for building farm-to-

ed by law. The officer executing this writ shall promptly serve the same according to requirements of law, and the mandates hereof, and make due return as the law directs.

WITNESS MY HAND AND OFFICIAL SEAL OF MY OFFICE in Wheeler, Wheeler County, Texas, this 12 day of August, A. D. 1947.

700 Million Chickens Now On Farms In U. S.

COLLEGE STATION — There are now over 742,047,000 chickens on farms in the United States, according to a report released by the U. S. Department of Agriculture's Bureau of Agricultural Economics.

The estimate, based on reports from rural mail carriers, crop and stock reporters and hatcheries, shows chicken population to be about the same as a year ago, but three per cent less than the 1936-45 average.

Texas is listed as having 42,459,000 chickens, more than any other state except Iowa, with 54,169,000.

THE WHEELER TIMES classifieds offer more for less money, to both buyer and seller, than any other business device we know about.

The men are advised to shine in society. At least the worn garments of many shine quite a bit.

Last Chapter Timothy Subject Bible Class

The ladies' Bible class of the Church of Christ met at the church Monday at 3 p. m. for the concluding chapter in the book of First Timothy. Next week the class will take up Second Timothy and Mrs. T. J. Daughtry will briefly review the book just concluded. The ladies of the Briscoe Church of Christ will be guests on this occasion.

The class discussed the class system to some extent, and it was pointed out that we do not have to contend with that problem today as it existed in Bible times. "Godliness with contentment" was emphasized also and that every Christian must "fight the good fight of faith" in order to lay hold on eternal life. Plans were made for the furnishing of a room for the young peoples' class.

Those present were: Mesdames J. C. McQueen, W. L. Williams, Annie Sivage, Charlie Sandifer, C. L. Wilkes, J. J. Ayers, P. H. Scott, Bill Owen, T. J. Daughtry, B. M. Litton, and Miss Wanda Lou Topper.

Pannel-Calcote Vows Spoken At Briscoe Sun.

Marriage vows were solemnized Sunday afternoon, August 10, at 2:30 for Miss Dorothy Pannel, daughter of Mr. and Mrs. Eddy Pannel of near Briscoe, and Bobby Calcote, son of Mr. and Mrs. J. B. Calcote of Kelton, at the home of the bride's parents with Rev. Howard S. Bridges officiating.

The bride was attired in a two piece dress of pink with which she wore black accessories. Attending the ceremony were the immediate family and friends of the couple.

Martins Honored On Anniversary, Sunday

Mr. and Mrs. P. A. Martin were honored with an anniversary dinner Sunday, August 10, at their home. They were presented a lovely gift from their children. Guests were: Mrs. Annie Sivage, Mr. and Mrs. Louis Martin, Mr. and Mrs. W. A. Goad, Jr., Happy and Bob Martin and the honorees, Mr. and Mrs. P. A. Martin.

Mrs. Sims Hostess To Wheeler H. D. Club

The Wheeler H. D. club met Wednesday, August 6th, with Mrs. Lyndon Sims for a demonstration on "Making over clothing and seam finishes." Roll call was answered by showing made-over garments.

Mrs. Allie Minor gave the council report after which Mrs. Cecil Clark demonstrated turning shirt collars.

Mrs. E. M. Hastings, home dem-

onstrator, then took charge of the program and gave a very timely and interesting demonstration. After the social hour, refreshments were served to: Mesdames T. J. Daughtry and Marvin Bradstreet, guests, J. M. Porter, Allie Minor, Bill Owen, Cecil Clark, E. M. Hastings, and the hostess, Mrs. Lyndon Sims.

The next meeting will be Sept. 3rd, in Mrs. Hastings' office.

Mobeetie Happenings

By Edith St. John

Mrs. Raymond Hooker and Martha and Dorothy Nell Goodnight visited in Shamrock Friday.

Mr. and Mrs. R. St. John visited in the J. R. Patterson home Sunday.

Mr. and Mrs. I. T. Goodnight visited their son in Pampa over the weekend.

Mr. and Mrs. Tince Williams visited in Pampa Sunday.

Nelda Glen Baird spent Sunday with Mary Sue Brewer.

Sue Savage of Childress is visiting her grandparents, Mr. and Mrs. C. A. Dysart.

Mrs. J. R. Patterson and girls left Monday night for Mineral Wells where they will visit relatives.

Mr. and Mrs. C. A. Dysart visited in Wellington Saturday.

Elwyn Dysart of Channing visited his parents, Mr. and Mrs. C. A. Dysart Sunday.

Mrs. J. B. Duckett and children of Clarendon visited with Rev. and Mrs. R. L. Cooksey and family over the weekend.

Mr. and Mrs. Fred McCarroll of Mobeetie transacted business in Amarillo over the weekend.

Mr. and Mrs. O. Nations left Sunday for Norman, Okla. where their granddaughter, Kay, was to join them on a vacation trip to Grand Saline.

Mr. and Mrs. Lee Guthrie left Saturday night for a vacation trip to points in Colorado.

Mr. and Mrs. Ed Johnson of San Angelo are visiting her parents, Mr. and Mrs. Jess Crowder, and relatives near Mobeetie.

Dick Humphrey, refrigeration expert with Iceberg Locker Systems, flew down from Cincinnati last week to spend a few days with Carl Laffin, local distributor.

Mr. Lillard of Oklahoma City who is connected with Gentry Brown Supply Co., Dist. of Iceberg Lockers, spent a couple of days last week visiting with Carl Laffin and inspecting locker plants which Mr. Laffin has installed in this part of the country.

Our good friends, Mr. and Mrs. P. H. Schaub of Pampa, report that their recent rodeo at Pampa was a great success and they were given a free barbecue supper for having been married the longest of any couple present, which was 49 years. Mrs. Schaub celebrated her 66th birthday August 6. All children were home for the occasion except a daughter, Mrs. Pauline Wright, who was on a vacation trip with her husband and his parents to Possum Kingdom.

Mr. and Mrs. W. R. Sartor have moved to Amarillo to make their home.

Walter Anderson of Susanville, Calif. is visiting in the home of his nieces, Mrs. Betty Taylor and Miss Hattie Womack, this week.

Roe Green was a visitor in Amarillo Tuesday.

Mrs. Junior Jamison and Mrs. Homer Pitcock and Jan were shoppers in Pampa Tuesday.

COTTON QUIZ.

DOES COTTON GROW ON TREES?

ANS: YES, IN BRAZIL. TREE COTTON ATTAINS THE HEIGHT OF 15 TO 20 FEET, AND YIELDS AN ANNUAL CROP!

Wife Preservers

Keep baby's toys off the floor and put away except when the baby is playing with them. Carelessness in this matter may cause a bad fall.

Contest Winner "Brands" His Prize

A product of the auto industry, hunted throughout the nation in a contest to discover the oldest Chevrolet truck in America, turned up, appropriately, in the possession of a Montana homesteader. The venerable vehicle, vintage of 1918, was still serving Rancher Leslie A. Storey, of Jordan, Mont., whose ranch lies 18 miles from a typical "last frontier" town. The award for owning the oldest licensed and operating truck was a new Chevrolet "advance design" model, which Storey "brands" here with his distinctive Circle Heart brand. It was presented to him by J. W. Burke, manager of Chevrolet's truck department, as Mrs. Storey and Montana cowgirl Merle Spears (right) look on. Nearly 7,000 old-time Chevrolet trucks were entered in the contest won by this vehicle, which was one of 384 built by the division in 1918, its first year of truck production.

GAS RANGES

Modern, table top gas ranges in the latest designs. Some have divided top with griddle in center, while others have all four burners on one side. All have ample cooking utensil storage space. We have different price ranges to choose from. See these new styles NOW.

CHRISTOPHER S. McCLAIN,
Clerk, District Court, Wheeler County, Texas.

700 Million Chickens Now On Farms In U. S.

COLLEGE STATION — There are now over 742,047,000 chickens on farms in the United States, according to a report released by the U. S. Department of Agriculture's Bureau of Agricultural Economics.

The estimate, based on reports from rural mail carriers, crop and stock reporters and hatcheries, shows chicken population to be about the same as a year ago, but three per cent less than the 1936-45 average.

Texas is listed as having 42,459,000 chickens, more than any other state except Iowa, with 54,169,000.

THE WHEELER TIMES classifieds offer more for less money, to both buyer and seller, than any other business device we know about.

The men are advised to shine in society. At least the worn garments of many shine quite a bit.

HIGHWAY DEPT. ENTERING 30TH YEAR SERVICE

AUSTIN—Reviewing the activities of the Texas Highway Department now entering its 30th year as the state's road building agency, Commission Chairman John S. Redditt reported paved mileage on the state system had more than quadrupled since it was first accurately measured in 1929.

The endless struggle to build new roads as fast as traffic demand increased has shoved the 1929 paved mileage of 6,061 up to 25,734 miles on July 1 with more being added every day.

"This still isn't enough," Redditt declared. "The blight of congestion and hazards to safety on many sections of these paved roads render them inadequate to handle the heavy traffic using them."

He expressed confidence that the Commission's recent expanded policy for building farm-to-

market roads on a cooperative basis with counties, together with the current federal aid program, would result in substantial improvements to the state's farm transportation problem.

The total investment in the state road network stood at \$934,197,811.55 on July 1, Redditt announced. This includes all expenditures made under the supervision of the Texas Highway Department since it was created thirty years ago.

"It has been a good investment," he said. "I doubt if any other similar expenditure of public funds has done so much good for as many people."

The Chairman paid tribute to the thousands of employees who had built the organization into one of the top road building agencies of the nation. "Of the 7,663 employees on the payroll today, 2,278 have been with us for ten or more years, while 100 have served the Department 25 years or more. Only one has completed 30 years of service, but two others are approaching the 36 year mark."

"This organization has made it possible for Texas to maintain its place at the top among the states of the nation in carrying out a vast postwar construction program. Today work is progressing on contracts in excess of \$77,000,000, a volume that has never before been reached in the Department's history."

Some of the Indians of colonial days thought the proper way to treat the hair was to remove it from the paleface scalp.

Do the American people work hard? At least some of the jitter-bugs seem to be doing so.

Veterans' News

QUESTIONS AND ANSWERS

Q—I am a World War II veteran and work part time. I intend to apply for readjustment allowance and would like to know how the amount I receive is computed.

A—As a partially employed veteran you can receive the maximum number of allowances to which the length of your service in the armed forces entitles you, but each week allowance would be reduced to the wages you receive so that readjustment allowance and wages combined will not exceed \$22 a week. Each weekly allowance thus received, regardless of the amount of payment, would reduce by one of the number of remaining payments available.

Q—I was released from the army with a bad conduct discharge and would like to know if I am entitled to any of the benefits under the G. I. Bill?

A—You should contact your nearest Veterans Administration office for a decision as to whether you were discharged under conditions other than dishonorable since that is the determining factor for entitlement to benefits.

Q—Will the amount of compensation I received for a service incurred disability be reduced to cover my find employment?

A—No. Earnings from such work do not affect the amount of compensation received.

Q—Is there any limit to the amount I can borrow under the G. I. Bill?

A—You can borrow any amount that the lender is willing to lend you, but V.A. will guarantee only 50 per cent of the amount up to \$2,000 on real estate loan and up to \$2,000 on a business loan.

Peasant Fashions

THE "green light" on construction of new Veterans Administration hospitals at Shreveport, La., and Big Springs, Texas, V.A. announced this week.

It is expected that the engineers will advance the bid at the hospitals within sixty days.

Meanwhile, V.A.'s new hospital construction program was being considerably boosted because of the mounting costs of building.

It came to build the hospitals with the money originally appropriated by Congress. It will be necessary to eliminate all features not essential to good medical treatment for veterans. Structures will be built.

It is expected that major modifications in plans for hospitals at Houston and Dallas, Texas, New Orleans, Louisiana, and Miami Beach and Tupelo, Mississippi, will be made.

Plans for hospitals at Houston and El Paso, Texas, will not be affected by the program.

Describe the essential features such as theaters, office space and doctors and nurses quarters are being eliminated from plans to cut the cost of the new hospital construction program.

A record enrollment of nearly 100,000 World War II veterans in Southwestern Colleges and universities this fall is anticipated by the Veterans Administration and educators.

V.A. officials expect about 22 per cent increase in the number of veterans attending college and in the G. I. Bill as compared to last spring's enrollment of \$2,000 in the higher institutions of learning in Texas, Louisiana and Mississippi.

Veterans entering school for the first time should obtain their certificate of eligibility immediately from the proper V.A. regional office. Others who plan to change schools or courses of study this fall must obtain prior approval from V.A.

Veterans enrolled in school prior to this fall and not planning to change courses or transfer to another school may continue their education without contacting the Veterans Administration.

Peasant Fashions

Young and charming costume.

By MERA WINSTON

THE PLEASANT peasant fashion assumes its picturesque place in the summer scene. Young and charming is the little costume that features a square necked white cotton blouse with puffed sleeves, which like the neckline are trimmed with coarse white cotton lace. The full skirt with a modest waist line, has the same trim at the waist and hem.

James L. Haddox who is now stationed with the paratroopers in Japan took part in the big fourth of July parade in Tokyo. It was witnessed here recently by his parents, Mr. and Mrs. T. E. Haddox. The parade was witnessed by General of the Armies McArthur.

clean healthy throat and mouth; the best possible vision and hearing; adequate diet, sleep and rest to build up resistance against disease. It will pay good dividends, and your child will be ready for school.

Seventy-two per cent of the nation's 1947 corn acreage is seeded with hybrid corn.

A boy fever victim says his ailment is nothing that should be sneezed at.

MR. & MRS. AARON WILLIAMSON WHEELER, TEXAS

CHILDREN NEED EXAMINATION BEFORE SCHOOL

School days will soon be here again. Thousands of Texas boys and girls and teachers will be returning to the schools. Each child entering school should be as fit as possible if any physical defects which can be corrected. The earlier these are corrected the better chance the child has for academic progress and for good social and emotional development, says Dr. Geo. V. Cox, State Health Officer.

August is the time for a complete medical and dental check-up. Eyes, ears, nose, throat, and teeth should be carefully examined by the family doctor and dentist, and all remediable defects corrected. If any defects are neglected, they may result in serious damage to growth and development.

Dental corrections often take time, but a person's repair many times over for good dental care. Healthy teeth and attractiveness to the person's appearance, enable through chewing of food and promote general good health.

In classrooms, children come in contact with many communicable diseases, especially the common cold and diseases such as measles, scarlet fever, whooping cough and diphtheria. Prevent the child from diphtheria and whooping cough, as well as mumps, by safe and dependable immunization.

Parents see that your child has complete preventive treatment against communicable diseases; a

MOTHER SAVES CHILD FROM DEATH

When her little three-year-old daughter became trapped inside the elevator of the apartment building they lived, Mrs. Ann Flynn, called for help, then smashed

a glass panel near the bottom of the elevator door and grabbed the child's legs, meanwhile encouraging her to hold tightly to the door knob. Firemen, summoned by neighbors, removed hinges from the elevator door and rescued the child. Had it not been for the quick thinking of the mother, the child would have

fallen six floors to her death.

Feeding wheat alone to steers is not advisable, but it can be fed safely when mixed with corn or grain sorghums in equal amounts.

LEGAL NOTICE

CITATION BY PUBLICATION
STATE OF TEXAS
COUNTY OF WHEELER
 TO: S. A. Neill, if living, whose residence is unknown; and if S. A. Neill is dead, all of the heirs and legal representatives of S. A. Neill, deceased, whose name and residence is unknown, and the unknown heirs and legal representatives of all the above named parties, and the unknown owner and owners of the hereinafter described property and their heirs and legal representatives whose names and places of residence are unknown, and all other persons owning, having or claiming any interest or lien in the property hereinafter described.

YOU ARE HEREBY NOTIFIED AND COMMANDED to appear and defend at the first day of the next regular term of District Court of Wheeler County, Texas, to be held at the Court House thereof in the City of Wheeler, Wheeler County, Texas, at or before ten o'clock A. M. on the 2nd Monday in November, A. D. 1947, the same being the 10 day of November, A. D. 1947, then and there to answer a petition in a delinquent tax suit filed in said court

on the 30 day of July, A. D. 1947, in a suit numbered 8829, styled The State of Texas, et al vs. S. A. Neill et al., on the docket of said court in which The State of Texas and County of Wheeler are plaintiffs, and Wheeler Independent School District No. 17, said County and State and the City of Wheeler, Wheeler County Texas are intervenors, and S. A. Neill, if living and if dead, his unknown heirs and legal representatives, and Cicero Craig are defendants, and said cause why judgment shall not be rendered condemning said hereinafter described property and ordering sale and foreclosure thereof for said taxes, penalties, interests, and costs of suit.

Said suit is a suit to collect taxes, interest, penalties, and costs on the following described property:

All of Lots 10, 11 and 12 in Block No. 11 in the original town of Wheeler, Wheeler County, Texas, according to the recorded plat thereof.

The amount of taxes alleged to be delinquent, due, owing and unpaid for the respective years and in the respective amounts for each of said plaintiffs, intervenors, and impleaded party defendants, taxing units on the above described property is as follows:

Plaintiffs, Impleaded Party Defendants, and Intervenors That Are Taxing Units.
 State of Texas and County of Wheeler, Taxes, interest and penalties Due, \$50.79; Years Delinquent 1930-1946 Inc.; Assessed to Neill, S. A. City of Wheeler, Taxes, interest and penalties Due, \$14.74; Years Delinquent, 1926-1946 Inc.; Assessed to Neill, S. A. Wheeler Ind. School Dist. No. 17 Taxes, interest and penalties Due \$3.42; Years Delinquent, 1930-1931 Inc.; Assessed to Neill, S. A.; (years 1932-1946, not assessed.) together with cost, charges, and expenses of suit, which have accrued and which may legally accrue thereon.

Each party to this suit shall take notice of and plead, and answer to all claims and pleadings now on file or thereafter filed in said cause by all other parties therein.

Plaintiffs, intervenors, that are taxing units also seek the establishment and foreclosure of the lien securing payment of such taxes as provided by law.

The officer executing this writ shall promptly serve the same according to requirements of law, and the mandates hereof, and make due return as the law directs.

WITNESS MY HAND AND OFFICIAL SEAL OF MY OFFICE in Wheeler, Wheeler County, Texas, this the 30 day of July, A. D. 1947.

(SEAL)
CHRISTOPHER S. McCLAIN,
 Clerk, District Court, Wheeler County, Texas.

STUDIOUS HAWK

Chicago. — After three hours of dodging air-rifle pellets fired by custodians of the University of Chicago, a hawk, which had lived for three days in the vaulted ceiling of the lay library, was brought down when two guards fired three times at him with a .22-caliber pistol. The pellets shattered six windows. No one had any idea how the bird got into the library.

FISH ALMOST GOT FISHERMAN

Danvers, Mass.—Johnny Cragon, 8, and his cousin John Gilvray, were fishing for mackerel when there was a terrific pull on Johnny's line. Johnny was pulled out again by a passing motorist. He still doesn't know what hit his line.

Wins Men's Approval

Newest style Fall suits for women were featured at Cosmopolitan magazine's male-tested fashion display at the Stork Club. Shown above as pictured in the August issue of Cosmopolitan are William Eytke, popular young actor, Henry C. Rogers, Hollywood publicist, and Paul Henreid, scrutinizing Fall suit worn by one of the models. Suit shown above was one of those selected as best by the jury of notables.

\$95.25 BREAKFAST

Los Angeles — Red Brown, of London, visiting in town, had a yen for strawberries for breakfast. He couldn't remember whether his strict diet allowed him to eat the berries and his copy of the diet was in London. So, before ordering his breakfast, he put in a trans-Atlantic call to his wife. She informed him he could have the berries. The cost of his breakfast was \$1.25, plus the \$94.00 telephone call.

SUPER-ALARM FALSE

Chicago — Suddenly, the unique burglar alarm at American Polytechnic Research Laboratories went off and loud speakers atop the building began screaming "burglars in the building. Call police." Three squads sped to the scene but found no burglars. The alarm had been set off either by an overheated machine or by an imbalance in the electrical system caused by extra speakers recently installed.

MONEYBAG ON ROOFTOP

Alexandria, Va. — A money bag belonging to the J. C. Penney company, which had been missing since June 18 when it was placed in a night depository by store employees, was found on the rooftop of a house by a citizen who spotted it as he was repairing his roof. Inside was \$9,000 in moidy checks but the \$17,900 in cash was missing. How the bag got from the depository onto the rooftop is still a mystery.

SCRAMBLED PIGEON

Pittsburgh, Pa.—When a truck, laden with pigeons, was wrecked, some of the 50 pigeons out of the smashed truck ran up and down the street, ambulances and police taking the squeals of the birds. It was an exciting time, but two persons were hurt slightly.

**KITTENS,
 MITTENS,
 and
 LIFE....**

"Three little kittens lost their mittens . . ." Bobby is thoroughly absorbed in the antics of the kittens. He will be pleased to discover that at the end of the story they find their mittens again. Like all children, he wants his stories to have happy endings.

But soon Bobby is going to find out that life's stories don't all have happy endings. Bobby is growing up, out of the land of fairies and elves, into the world of reality. Bobby must learn to meet sorrow with understanding, pain with courage, prosperity with thankfulness, defeat with hope, success with humility—he must learn to face life.

The Church School is waiting with open doors for Bobby, your Bobby. The Church School is prepared to show your children the best ways to make life a success. The Church School is ready to teach your children—in the language of children—the eternal truths of life.

**THE CHURCH FOR ALL...
 ALL FOR THE CHURCH**

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four reasons why every person should attend and support the church of his choice. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church on Sunday and read your Bible daily.

News In World of Religion
 By W. W. Reid

Presenting to Dr. Daniel A. Poling of Philadelphia, president of the World's Christian Endeavor Union, a Medal of Merit for outstanding services to the United Nations during the recent war. Secretary of War Patterson cited Dr. Poling's influence upon the people and youthful leaders of the Christian church . . . he has much to influence religious leaders of all faiths concerning the Statement of the Christian Conference on War and Peace. On his tours abroad, he conducted preliminary discussions out of which came pronouncements of the Christian community in regard to the moral issues of the war. Dr. Poling is on the commission which reported to President Truman recommending universal military training for all American youth.

Crash Victim

(Continued from Page One)
hicles were badly damaged.
The truck swerved north out of its regular east-bound traffic lane, the patrolmen reported. It had crossed the middle passing lane on the three-lane highway and met the on-coming Ford at the edge of the westbound lane.

Following the crash, the heavy gasoline transport plunged north off the highway and rolled over on its side. About half the contents of the gas tank were spilled on the ground. No fire resulted.
The Ford was knocked backwards by force of the impact, with front parts of the vehicle smashed beyond recognition.

Patrol officers said Cook had loaded his cargo at the Texas Company refinery here about 10 minutes before the accident. The truck was a 1947 International, which had been in operation for four months.

The officers suggest the truck transport may have encountered some type of mechanical failure prior to the crash. Long, regularly spaced tire marks could be traced on the pavement for a considerable distance leading up to the point of collision.

Johnson, was a member of Johnson Bros., Ford dealers at Texola. Mr. Johnson was in charge of the implement sales phase of the business.

He left Texoma Wednesday morning to come to Amarillo on a business trip, relatives reported yesterday. He had not communicated with relatives since that time.

Surviving relatives include: Ernest E. Cliff H. Oliver S. and Herman H. Johnson, all of Texoma and three sisters, Mrs. Earl F. McDaniel, Texoma, Mrs. Raymond Sayre, Wheeler and Mrs. Homer Lewey, Los Angeles.

He was a veteran of World War II and a member of the Masonic order.

Moss Explains

(Continued from Page One)
idents are reduced in no more than one instance.

Though there are a number of changes and additions to the former code, what was generally known as the law of the road has changed so little in principal that the average motorist need not be alarmed that he will suddenly find himself a law breaker after September 6. The State Safety Department and Safety association will however, from time to time through the medium of the press

and otherwise, attempt to enlighten the people in safety practices with the new code as a text, and their attention is earnestly solicited.

Lack of space will not permit a full or detailed discussion of the changes and additions to present rules, but perhaps the mention of just a few of them would be of some little help.

Many of the rules already generally known by motorists have merely been classified, but some changes and improvements are:

More practical rules apply to traffic control signals and lights in towns and out of town.

Motorists who figure in accidents causing not only death or personal injury, but those causing property damages to vehicles and property along or on property, have new duties as to assistance and the giving of information and reports.

Pedestrians, persons walking, must now obey traffic signs and regulations, walk on the left of the road facing traffic and on sidewalks instead of roadways where the latter are provided. Reckless driving is now more plainly a misdemeanor. Passing cars in safety zones is also prohibited.

It is still unlawful to fail to stop for a school bus which is taking on or discharging passengers, but once the driver has stopped fully he may proceed cautiously. There is less confusion than in the old law. School buses must now have 8 inch signs and they must be covered or removed when the bus is used for any other purpose than carrying pupils to and from school. All buses and all motor vehicles transporting people for hire and use must carry one quart or overchemical fire extinguishers.

Far more requirements apply to the lights and equipment of motor vehicles than formerly and attention is called to those features.

This little observation is not to be considered as a detailed resume of the new laws or to be substituted for a more detailed study of them.

Mobeettie Loses

(Continued from Page One)
field. It was the longest hit of the game.

Mobeettie went ahead 3-2 when they came to bat on singles by Vanpool and Green.

Childress tied it up in the sixth when J. Mills was safe on Elmore's error, advanced on Griffin's single and scored on Loter's second hit to right field.

Mobeettie snuffed out a Chil-

What to Serve for Dinner When "It's too Hot to Eat"

By BETSY NEWMAN

MEALS for the warm days of summer should be refreshing to the eye and taste. Fruits and fresh vegetables, the first cooked and chilled, the second cooked well, but not overcooked, and also served raw should be played up in your menus if your family is inclined to moan that "it's too hot to eat."

Oranges and grapefruit, among our most refreshing and appetizing appealing fruits, are more scarce during the summer, but one can get them to combine in fruit salads, and citrus fruit juices in cans are always available. Citrus fruits, as you know, are the richest source of Vitamin C, with tomatoes, also a good source of that important vitamin, although not containing as large an amount as the citrus fruits.

Today's Menu
Salmon Loaf
Creamed Leftover Potatoes
Fresh Fruit Salad
Frenched Green Beans
Cockles Tea, Hot or Iced

Cherry Salad
Fresh or canned cherries may be used, but the canned are easier to pit. Remove stones from cherries and fill the cavities with cream and cheese. Arrange the cherries on beds of lettuce, and/or watercress, and serve with boiled dressing thinned with a little whipped cream.

Grapefruit and Orange Salad
1 large grapefruit
3 oranges
Lettuce
Fresh dressing Chopped mint

dress rally in the seventh. Nelson hit through third base and was caught out on a hit-run play that didn't work. Butler singled, James singled, Smith grounded out and Griffin fanned.

Childress went into the lead in the eighth inning when Griffin singled and went out on Loter's fielder's choice, Rosenhoover singled and Nelson drove Loter home with a single to center.

Childress made it 5-3 in the ninth inning when Butler opened with a sharp hit past third base, James popped out, J. Mills singled and S. Mills slapped a fast one by the second baseman, scoring Butler.

Going into the bottom of the ninth trailing 3-5 Mobeettie big guns went into action. Milton Deason and Green hit clean singles, Braden advanced them with a bunt, Gregory walked to fill the bases. Then Fullenwider doubled to center field to tie the score. McDonald came in to relieve Mills and Tom Riley hit into a double play.

In the tenth neither team threatened but in the eleventh S. Mills did his damage. Mobeettie was retired in order in the eleventh. All three men grounded out.

Clarence Robertson of Jay Okla. is visiting his sisters, Mrs. J. C. Crofford and Mrs. Durham and other relatives.

Mr. and Mrs. Ira Passons and Mr. and Mrs. W. O. Pennington and three sons returned Wednesday from a vacation trip in Colorado.

Peel and remove white skin from oranges and grapefruit. Arrange alternate, overlapping slices or sections of fruit on beds of crisp lettuce. A few sprigs of watercress may be added if you can get it. Serve chilled with French dressing and at the last minute, sprinkle with finely chopped mint leaves if you like the flavor. You can serve a whipped cream and mayonnaise or boiled dressing with this salad if you wish. I prefer French dressing. To my mind it is more refreshing. Serves 6.

Frozen Fruit Salad
1 1/2 c. fruit, fresh 1 tsp. instant or canned tanous gelatin
1 c. mayonnaise 2 tsp. cold
1 tsp. powdered water
sugar 1 pt. cream
Lettuce

Soak gelatin in cold water, melt it over steam, and beat it into the mayonnaise. Add sugar to the cream and whip it, then combine with mayonnaise. Stir in the cut-up fruit, pack and freeze 4 hours in electrical refrigerator. This makes a good dessert salad, although it, too, is a refreshing dish for a warm day to serve even with the meat course.

Special Dressing for Fruit Salad
4 egg yolks, 1/2 tsp. salt
well beaten 2 tsp. butter
1/4 tsp. sugar 1/2 pt. heavy
1/4 tsp. vinegar cream

Cook egg yolks, sugar, salt and vinegar in double boiler. As soon as they begin to thicken, remove from fire and add butter. When cold, combine with the cream which has been beaten stiff. Mix the salad dressing with the fruit one-half hour before serving.

Farmers Urged To Kill Dodder Immediately

Farmers who have not burned their dotter yet can still control the yellow pest by burning it or mowing the weeds on which the parasitic vine is growing, county agent W. K. Frey stated this week.

Frey pointed out the fact that now is the time to kill dodder before it makes seed. If it makes seed, the farmer will be three or four years longer trying to get rid of the pest.

School To Require Birth Certificates

Parents of children who will enter school for the first time this year, are reminded that there are two enrollment requirements. Each child must have a birth certificate, showing he was born prior to September 1, 1941, and must have a smallpox vaccination certificate.

The Wheeler Schools will open on Monday, September 1, and parents are urged to make necessary arrangements now to avoid any inconvenience later.

To Our Advertisers

We believe in advertising we're going to advertise to tell you what we have to sell

When you buy so many inches of white space in our newspaper what do you get for your money?

You get the good will of our readers most of whom have been reading The Wheeler Times for many years. They look to it daily for all buying needs.

When you buy an advertisement you get much more than so much white space in our paper.

For instance, a jeweler does not sell a diamond. He sells the diamond plus untold acorns of compressed fire and sunshine. He sells beauty and pride of ownership.

A laundryman sells not only clean clothes; he sells the sparkle of snowy linens; the feel of soft, clean sheets; the satisfaction of wearing a perfectly laundered shirt.

The milliner sells not only a hat. She sells a place in the Easter parade. She sells admiring glances, moral and spiritual uplift.

The style shops sell not only dresses. They sell a breath of beauty and glamour. In the evenings, moonlight and a charming gown becomes a woman.

And so it goes for each individual advertiser. Service and satisfaction are real stock in trade.

It is the same with us.

Your problems are our problems. We still sell the kind of service that gives you all of the above values.

When we sell you so much white space you get MUCH MORE than white space.

The Wheeler Times
