

Chamber Of Commerce Asks Aid Of School Board To Open Canteen

A poll of members of the Wheeler chamber of commerce at the bi-weekly luncheon Tuesday reflected strong sentiment favoring use of the Wheeler high school gym as a 'teen age canteen.

A committee was named by Acting President A. B. Crump to convey this expression to members of the school board with a request that the gymnasium be made available as a social center for 'teen age children.

Several chamber of commerce members expressed the opinion a recreation center is needed for youngsters of Wheeler and vicinity and that the present gym, since it is not in constant use, was the solution, rather than construction of a costly youth center at public expense.

The civic body in approaching the school board will assume full responsibility for proper conduct of the canteen, having been pledged

ed the cooperation of several school and public groups in furnishing chaperones, managing the gym and underwriting the expense.

The committee will report back to the chamber of commerce at which time steps will be taken to perfect organization of a governing body for the canteen, provided the school board gives its consent.

Investigation of possibilities of securing federal funds to help build an airport at Wheeler was suggested to the civic group by Mayor R. H. Forrester. The mayor said it was his understanding the federal government would defray half the cost of buying the needed acreage and building runways.

Acting President Crump asked Mayor Forrester and four other members to check the matter with proper authorities.

Crump also named a committee to work with the Wheeler school in arranging a Victory Loan program for Pearl Harbor Day after

Supt. L. G. Kammerdeiner had expressed the school's willingness to sponsor an auction or program if the town desired it.

Dr. H. E. Nicholson, president of the Wheeler County Tuberculosis association, made the announcement that 80 per cent of all funds derived from the sale of Christmas Seals would remain in the county this year for the first time. He urged citizens to purchase Seals and use them as a means of combatting TB at home, declaring that tuberculosis killed almost as many Americans in the same length of time as were slain by Nazi and Jap guns from Pearl Harbor to V-J Day.

Guests at Tuesday's chamber of commerce luncheon were Earl Etter of Shamrock and Cliff Weatherly of Wheeler who are new members of the Wheeler County Selective Service board, and Herbert Martin who is the new Wheeler county farm agent.

Victory Loan Is Far Behind With Two Weeks Left

Wheeler county is getting off to a slow start in the Victory Loan with less than one third of its quota purchased and only two weeks to go, R. J. Holt, chairman of the Wheeler County War Finance Committee, said Tuesday.

The county quota is \$225,000 in the campaign which started October 29 and closes December 8. Of this amount the E bond quota is \$140,000.

"Wheeler county citizens have over-subscribed every war bond drive except the first one and your committee feels confident we will surpass our quota this time," Holt told Wheeler chamber of commerce members Tuesday. He said buyers were going to have to shake off the apathy they have shown so far, however, if the figure is reached.

Holt announced receipt of the following letter from Geo. E. Benson of Lubbock, co-chairman of the Amarillo Region War Finance Committee:

"On November 12th C. M. Smith, Executive Manager of the Amarillo Regional War Finance Committee, was severely injured in a highway accident near Lubbock.

"The ambition and hope of Charlie Smith was to wind up this last Victory Loan Drive in a manner commensurate with the results obtained in the seven previous drives. We have talked with him in the hospital and he is greatly worried over the fact that he cannot help with this one and that it might fail.

"You know the importance of distributing War Bonds among as many of our people as we possibly can. In our opinion, there is no better insurance of maintaining our present system of the 'American Way of Life' than the sale of War Bonds to the masses which we have done in the past and which we must do in this Drive. Let's keep as many people directly interested in owning a share in our Government as we possibly can.

"Therefore, will you not dedicate this Victory Loan Drive to your good friend and co-worker, Charlie Smith, and see that your county comes through with flying colors. It can be done if your committee will decide to do it. We know you will."

Wheeler county residents have gone over the top in every fund-raising project during the war and have responded generously to every call made on them for time or money. They have spared nothing in seeing that our young men and women in the armed forces had the finest of protection and supplies. The war is over now, and Nazi and Jap guns have been silenced. Tuberculosis, however, which killed almost as many Americans as did the Nazis and Japs from Pearl Harbor to V-J Day, continues. The Wheeler County Tuberculosis Association asks your help. If you receive Christmas Seals through the mail or by personal solicitation, won't you respond generously? Eighty per cent of the money will be spent here in Wheeler county, fighting tuberculosis.

PROWLERS GET WHEELER TIRES

Citizens are warned to park their cars closer to their residences and to maintain close vigilance over loose property around their premises as a result of a series of thefts in Wheeler after midnight last Wednesday.

Wheels and tires were removed from cars belonging to Jud Johnson, Percy Farmer and Ray Lee, and a truck and car belonging to Floyd Morris and R. W. Roth were masked and personal property stolen.

All cars were parked near the residences of the owners.

Officers are without sufficient clues on which to base arrests. A suspicious truck said to have been seen in the Wheeler area on the night of the thefts, owned by a man in a nearby town, is being checked, and officers in nearby cities have been notified to be on the lookout for the appearance of any of the stolen property.

Frances Ovilla Wood, daughter of A. C. Wood of Wheeler, has arrived in the Philippines to serve the armed forces as an American Red Cross assistant field director. Until her overseas assignment, Miss Wood served with the Red Cross at State Hospital, Fort George Wright, Wash., and Barnes General Hospital, Vancouver, Wash. Previously, she was a dance and physical education instructor in Pomona College. She is a graduate of Baylor College and attended Columbia University and the University of California.

MUSTANGS TURN TO BASKETBALL

Arriving too late to do much good in football, W. O. Carrick, Mustang athletic director, is hopeful of a fair season at basketball. At least he and the boys are going through the paces to see what they can find in the way of prospects. Like most coaches Carrick is not an optimist; neither does he sell his boys short.

The new coach has had many years experience as a basketball player and coach. He lettered at Soll Ross State Teachers college four years, later played semi-pro and then served as instructor, in public schools and in the navy.

Boys forming the nucleus of the caging squad are: Donald Reeves, Clyde Revioux, Delbert McWhorter, Benny Westmoreland, R. B. Mann, Furman Maxwell, Roy Ford, Bob Lowrie, Gene Hubbard and Leon Weatherly.

The schedule is incomplete but here is the way it stands: Dec. 7, 8, 9, Kellon tournament; Dec. 11, 12, Shamrock; Dec. 14, Lefors, here; Dec. 18, Samnorwood, there; Dec. 21, Samnorwood, here; Jan. 11, 12, Shamrock tournament; Jan. 18, 19, tournament at Wheeler; Feb. 1, Shamrock, there; Feb. 8, Shamrock, here; Feb. 14, 15 and 16, bi-district.

30 DISCHARGED IN PAST WEEK

Thirty more Wheeler county young men filed notices of discharges from military service with the County Selective Service the past week.

The list follows: T/Sgt. Bobby Groves, Magic City; T/3 Douglas Groves, Magic City; Jvt. James H. Roper, Mobeetie; Pfc. Dennis H. Barker, Shamrock; Cpl. Leroy M. Westbrock, Shamrock; Pfc. Buster Waiser, Wheeler; Pfc. Temple Boxer, Wheeler; Pfc. Grady Havenhill, Twitty; Pvt. John D. McDowell, Shamrock;

Sgt. Bonnie Albie Dollar, Shamrock; Pvt. Johnnie Delbert Traylor, Wheeler; Pfc. Sam Houston Booker, Mobeetie; PM3/c Warren G. Harding Fletcher, Allison; Pfc. Homer Bonner, Shamrock; T/5 Elmer L. Bliss, Shamrock; James Lewis Smith, Jr., Mobeetie; EM2/c John Thomas Wise, Allison; T/Sgt. Max B. Jones, Wheeler.

Cpl. Loran Levi Lax, Shamrock; Pfc. Sam V. Collins, Mobeetie; S/Sgt. Billy Joe Whitefield, Shamrock; S/Sgt. Smith McGuire Drew, Shamrock; S/1c Thomas William Bushing, Shamrock; Pvt. Norman A. Patrick, Shamrock; Pfc. Carl Duvett Wagner, Shamrock; Coxswain William Douglas Cosper, Wheeler; S/Sgt. Lemy L. Pike, Lela; Cpl. Rufus Oscar Johnson, Kellon; ART2/c Robert St. John, Mobeetie; T/5 Paul Ftak, Shamrock.

MUSTANGS END BITTER SEASON

As was expected the Wheeler Mustangs took a severe pasting at the hands of the conference-pacing Wellington Skyrocks last Friday, bringing to a close a disastrous season for the luckless lads who were without a coach most of the time.

Wellington ran up 34 points against the Mustangs but there was considerable fight at intervals when the Skyrocks ran in too many second stringers and were forced to return first squadmen. Although held scoreless, the Mustangs did get within challenging distance and had the satisfaction of knowing they at least held Wellington to a smaller score than did many conference schools.

It has been a tough season on the Wheeler boys playing their hearts out without a single victory. But fans realize the handicap the boys were under and admire them for their hard fights, even if unsuccessful.

Last Friday marked the last appearance on the Mustang gridiron for eight players. Donald Reeves, full back, lettered two years, is 17 years old, has been captain one year and co-captain one year. Roy Ford, quarter back, has lettered 1 year, is 16 years old, was co-captain one year.

Delbert McWhorter, right tackle, lettered one year, is 16 years old. Corky Guthrie, left tackle, lettered two years, is 17 years old. Furman Maxwell, left guard, lettered two years, is 17 years old.

Benny Westmoreland, left end, lettered two years, is 16 years old. R. B. Mann, right end, lettered two years, is 17 years old. Leon Weatherly, left end, lettered one year, is 16 years old.

Times To Run Vet Ads Free

The Wheeler Times is glad to announce the start of a new service to discharged war veterans.

We will offer our columns to them without cost to secure living quarters or find suitable employment.

Many newspapers over the nation are joining this movement and The Times is anxious to continue serving in a small way those who wore the uniform of our country.

Just bring or mail your ad, stating such facts as any landlord or employer would want to know, and we will publish such ads when we publish such ads three consecutive times without charge and do all in our power personally to see that your needs are filled.

YOU MAY SAVE CHILD'S LIFE

A minimum of \$1,200 worth of Christmas Seals must be bought by local residents if the newly organized Wheeler County Tuberculosis Association has enough funds to begin a fight to control spread of the fatal disease in this county.

With 80 per cent of the funds remaining at home, it is estimated that at least \$2,000 worth of Seals must be purchased by Wheeler county residents to set up the organization and launch the fight.

Sheets of the Seals sell for one dollar but public-spirited people are reminded they may give as much above the minimum price as they desire. In fact, several large contributions on the part of business and professional people, sizeable farmers and others who have the financial means will be necessary to reach the goal set by directors.

Sale of the Seals will be conducted in most communities by the school children who will themselves be the principal beneficiaries of the TB control program. Some Seals will be mailed.

Persons desiring Seals or wishing to make outright contributions may do so by addressing the Wheeler County Tuberculosis Association, Wheeler, Texas. County Judge Geo. W. Hefley is treasurer of the association and (Continued on Last Page)

FARMER KILLED BY CAR ON 66

Olin Yates Glaze, 50-year-old stock farmer of the China Flat community, was killed instantly when struck by a car on Highway 66, about seven miles east of Shamrock on Monday night of last week.

The accident took place about 11:45 o'clock. Glaze, unable to start his car, walked out on the highway in an attempt to stop a motorist for help. Blinded by the lights of an automobile going in the opposite direction, he stepped in front of a car driven by Clory Cochran of Richmond, Calif.

Following an inquest, Justice of Peace T. E. Burkhalter rendered the decision that the accident was unavoidable.

Glaze's body was shipped to Nowata, Okla., for burial.

Miss Gwen Ratliff visited her parents, Mr. and Mrs. S. W. Ratliff, of Childress over the week end.

H. D. Club Council To Meet Saturday

The Council to the county Home Demonstration Clubs will convene next Saturday afternoon at 2:30 o'clock in the District Court room at Wheeler. All Council officers and committee chairmen are to give reports of objects accomplished this year and club presidents will answer roll call with summary of work.

This being the last meeting of this year, club leaders are looking forward to meeting special guests and council and club members. A social hour will follow the regular session.

AAA OFFICERS TO BE NAMED

Wheeler County farmers will take time out from seasonal work in the next four weeks to elect AAA community and county committeemen for the coming year.

Three community committeemen and two alternates, as well as a delegate to the county convention, will be chosen in each of the county's twelve farming communities. The delegates will later elect the three-man committee which will administer AAA activities within the county.

V. B. Hardcastle, administrative officer of the Wheeler County ACA, said this week that dates, hours, and places for holding the annual election are now being determined and announcement will be made within the next few days.

In Wheeler county approximately 1200 farmers are eligible to vote on committeemen this year. "Eligible" farmers are those who participated in the 1945 agricultural conservation, flaxseed payment, sugar, or crop insurance program.

The county administrative officer in reminding Wheeler county farmers of the forthcoming ballot, appealed for full participation.

"Solution of postwar problems ahead of us is the vital concern of every farmer," he said. "Consequently it is to his own best interest to vote in the coming elections—to make sure that the men administering AAA programs in the county are the ones he wants to represent him."

We Need More Mrs. Grahams!

The Sweetwater community east of Wheeler can well be proud of a new resident, Mrs. Ben Graham, who recently moved to the C. A. Peterman farm from Perryton.

Mrs. Graham called at The Times office last Saturday to report she had found a purse advertised in the paper as having been lost in Wheeler by Mrs. T. A. Richardson of Twitty. The coin purse contained \$53 and there were no identifying papers. Mrs. Graham turned it over to The Times staff to be returned to its owner.

Although the Times ad stated there was reward of \$15, Mrs. Graham refused to accept the reward when she learned most of the money had belonged to Mrs. Richardson's daughter who had earned it pulling bales.

Thanks a million to you, Mrs. Graham, and may your honesty inspire others to perform Christian acts.

FEWER JOBS IN THIS AREA NOW

Employers in the Wheeler area who have openings are requested to list them with Mrs. Margaret Brown of Pampa, acting manager of the U. S. Employment service office there.

There are fewer jobs open now in Gray, Wheeler, Hemphill and Roberts counties than in many months and for the first time in a few years there are almost as many applicants as there are jobs, she said.

A large number of war veterans are placing their names on file with the employment office.

Employment seekers are becoming less inclined to be particular about the type of work they select, being more concerned with the salary and permanency of the position.

Monday there were 140 persons registered for jobs with the USES with 153 positions available. Principal demands are for construction laborers.

There are 39 Pampa firms requesting manpower, one outside firm. There have not been any cutbacks in the labor market in the counties of Gray, Wheeler, Hemphill and Roberts during the past two weeks to the USES office.

Bethel School To Put On Box Supper

A pie supper and program will be put on at the Bethel school, six and one-half miles east of Shamrock on 66 highway on Friday night, November 30, and every one is invited. Proceeds will go to school and community projects, said Mrs. Harriet A. Stoneman, principal.

Sale of Christmas Seals to help in the fight against tuberculosis in Wheeler county will also be held during the program. The Seals will sell for one dollar a sheet. Good eats and plenty of entertainment are promised.

2,592 Bales Ginned Prior To November 1

A cotton ginning report from the U. S. Bureau of Census showed that 2,592 bales were ginned in Wheeler county from the crop of 1945 prior to November 1 as compared with 2,724 bales for the crop of 1944 at the same time, according to J. D. Walker, special agent for the department of commerce.

Good Eats And Lots Of Laughs Promised Public

Whole-hearted support of the people of Wheeler and vicinity is needed in the big community box supper to be held at the Wheeler high school gym next Tuesday night for the purpose of raising money to buy needed playground equipment.

Town and rural ladies, as well as school girls are asked to prepare boxes for the affair and to make it a point to see that their husbands and boy friends attend. Persons unable to prepare boxes or attend the supper are asked to hand a contribution for this worthy project to some member of the committee.

Sponsors hope to make it a big night of fun for grownups as well as students, and promise a good program of entertainment. A contest to determine the most popular girl and boy in the Wheeler school which is now in progress will terminate that night.

There is a movement on foot to enter a half dozen of our home-liest business men in a contest to decide which of them bears the least resemblance to Movie Star Van Johnson. A popularity contest among the town ladies is also in prospect.

The event starts at 7:30 o'clock Tuesday evening. Shelby Pettit will auction the boxes.

Members of the sponsoring committee are: Lonnie Lee, chamber of commerce; Mrs. R. Wm. Brown, study club; Jim Risner, American Legion; Mrs. R. H. Forrester, Business and Professional Women's club; Mrs. C. L. Bridges, home demonstration club, and L. G. Kammerdeiner and Mrs. Geo. Weems, the Wheeler schools.

FORMER LOCAL AGENT HONORED

The many friends of W. B. Hooser of Memphis who was assistant county farm agent in Wheeler several years ago, will be glad to learn he has been paid national recognition for his "long and efficient service in county extension work." Hooser who is farm agent in Hall county has been awarded the Distinguished Service Certificate by the National Association of County Agricultural Agents.

The certificate will be presented to Hooser on Dec. 5 in Chicago at the time of the National Association meeting and the National 4-H Congress.

Since going to Hall county seven years ago as agricultural agent, Hooser's record in the extension service field, particularly with 4-H club boys, has been attracting wide attention. For the past three years Hall County boys have won national contests in Texas and have represented the state at the 4-H Congress, and in 1944 Hall County was declared the outstanding county in Texas in 4-H club work.

In order for a county agent to receive the Distinguished Service Certificate awarded by the National Association, he must have received the indorsement of all agents in the district in which he resides. The 23 county agents in the Panhandle district voted 100 per cent in favor of Mr. Hooser as the outstanding agent in the region.

TOWN CLOSES FOR HOLIDAY

With no large Thanksgiving celebration planned in Wheeler or vicinity, most residents planned to spend Thursday at home, taking it easy. Many war vets who have arrived home recently will be the centers of attraction at family dinners and reunions.

Wheeler will be closed tighter than the proverbial jug, with all business firms and offices closed for the day. The drug stores plan to close and cafes and filling stations are expected to follow suit.

Schools will be closed both Thursday and Friday.

Mayor R. H. Forrester and city ministers call on the public to observe the day "in humble Thanksgiving for our many blessings, and above all for the cessation of world hostilities."

Practically the entire nation is observing November 22 as Thanksgiving this year. Previous years have caused some confusion due to local option being possible by proclamation of the late President Roosevelt advancing Thanksgiving one week earlier than the traditional last Thursday in the month. This year only one date will be observed by the nation.

Changes In Ruling On Overseas Mail

Major changes in regulations governing the mailing of packages to army personnel overseas have been announced by Postmaster Chester Lewis. Effective immediately, packages may weigh as much as 11 pounds and may be as much as 42 inches in length, although they may not exceed 72 inches in total length and girth.

Lewis said regulations concerning a written request for the articles to be sent were still in effect and that the rule, as sent out by the postoffice department, evidently applied only to army personnel overseas.

Mr. and Mrs. Wiley Davis and Mr. and Mrs. James Barrett of Mobeetie were Pampa visitors Sunday.

The Wheeler Times last week listed Frank Wofford as having been discharged from the service. We intended to say John Wofford.

Mr. and Mrs. Cecil Thompson and family of California were guests of Miss Lucille Hutchison Friday.

growing children, is usually some-
thing hard to find. Just when it
is planned to lay aside a little for
a rainy day, something almost
always crops up.

But our government is making
it possible for such farmers to
get ahead, to give educations to
their children. The method em-
ployed is the Victory Loan. If the
farmer would put his extra cash
reserve, his day by day money,
into Victory Bonds he would be
putting more away, actually, than
he put in in the first place.

SECOND ONLY TO NAZIS

The men and women launching
the sale of Christmas Seals in
the name of the Wheeler County
Tuberculosis association need your
help in this important fight
against TB. When you buy Seals
you are helping yourself and safe-
guarding your children against a
disease that is killing Americans
almost as fast as did enemy guns
in the recent world war.

The National Association has
set aside 80 per cent of the funds
to any county which will assume
responsibility to handle the solici-
tation and administer the funds
in an intelligent, approved man-
ner. Our local plans ultimately
provide for a full-time trained
nurse to ferret out active cases in
the schools and in the homes.

Every active case will need
prompt X-ray examination and
every suspected case will need at-
tention and our school teachers
and authorities of Wheeler county
have pledged their cooperation.

Wheeler county has an active
group of men and women anxious
to give whatever time is necessary
and may be depended on to get
the job done if they have the
backing of the citizens of all parts
of Wheeler county.

You can help yourself, your
neighbors and your county by re-
mitting for the seals when you re-
ceive them. Be as generous as you
can and show your interest fur-
ther by using the seals. We can
eliminate tuberculosis from Wheel-
er county if you will help.

and Mrs. Fred Jackson Sunday
afternoon.

PAMPA TALKS OVER HOUSING MORTGAGE, SEES NO RELIEF

EDITOR'S NOTE:—Because of the shortage of living quarters in Wheeler, trying to find a solution to the acute housing shortage, the following article is reprinted from The Pampa News telling of that city's efforts to explore the subject.

How is Pampa going to provide for 217 returning married men? This is the \$64 question," stated Paul Tracy, National Housing Agency representative, at a discussion of the housing question which was held in correlation with the acute wide shortage of houses.

This is a total community problem," Tracy said, "requiring concerted effort and serious intent

... Until additional manpower and material is available the people of Pampa must double up. . . . There is not much the NHA can do."

"If we are left alone," said A. A. Schuneman, president of the First National bank, "we can solve our own problems." Tom Poore, vice president of Hughes-Pitts, Inc., former NHA regional representative, voiced the same opinion, adding that in order to enable communities to meet the demand for permanent housing facilities the basic issue of federal loan structures must be adjusted to present day values.

Drawing a picture of the returned GI and his family being

turned out of Pampa due to lack of living quarters, going to other towns where he will meet the same problem, Tracy and members of the discussion group left solution of the question to the public of Pampa, with no other present solution on hand.

That 217 married GIs return to Pampa by next September is a fact derived from Gray county statistics. Already 500 of the 1793 Gray county men in service have been discharged, leaving 1293 in service, 60 per cent of which will be discharged by September, according to present army and navy rates of discharge.

Of the 775 men to receive discharges, it has been estimated that 80 per cent, or 620 men will return to Gray county, 248 of whom are married. It is also estimated that half of the married men have already established living quarters, leaving 124 without homes. In addition 93 men have been married since entering the service, or will be married when discharged, giving a total of 217 GI families to house.

As for the workability of the housing provisions of the GI Bill of Rights, private enterprise is able to give the GI a better deal, and without the red tape, it was brought out in the discussion.

Poore briefly summarized a concrete solution to the problem, advocating a means by which it would be possible for the average man to buy a house for less than \$6,000. (On the present basis of FHA loans, the GI must put up \$3,600 in cash on a \$9,000 house, receiving a loan of \$5,400. Poore's assumption that the average GI does not have the necessary \$3,600 in cash is based on direct contact with the already returned GI.)

Because of the inflation in building some form of a federal liberalized loan is required, Poore stated. Restrictions during wartime enabled 250 housing units to be built in Pampa during four years, whereas the pre-war rate of building units was 200 a year. Building must surpass that average because of the current demand and growth of the industries of Pampa, as well as the returning of the veteran, Poore said. He estimated that Pampa is 500 houses short.

Today's housing problems around Pampa might be ascertained from rentals in the Hughes-Pitts, Inc., housing project of 107 units. The 65th frame went up this week; the builders average five houses a week, a rate which could be increased if laborers could be supplied; all except 12 of the 107 units are rental, have been reserved at least two months in advance. The corporation expects to run out of all possible vacancies this week.

Or the acuteness of the situation might be grasped by methods resorted to by Paul D. Hill, representative of the Veterans Service office. Over 50 men have inquired of houses at the office within the last two months. Having no list of vacancies, Hill listens to the local grapevine of families who are moving, sends house-hunters to such prospective houses.

The people of Pampa themselves must solve the housing shortage now. Future relief is seen in probable acts of congress, and in the supply of materials and man power.

SAID PRETTIEST IN NORTH TEXAS

Chosen by Movie Star Van Johnson from a group of 12 co-eds at North Texas State College, blonde, 19-year-old Josephine Bridges of Denton was presented to the student body and public as the "Cover Girl" for the 1946 student yearbook, the Yucca.

Twelve co-eds from the college, chosen in an earlier contest, were presented on the stage of the Texas theater and the winner, selected by the Hollywood star, was named and presented by Yucca Editor James Goode of Denton. Miss Bridges is the daughter of Dr. and Mrs. C. A. Bridges of Denton and is a junior student on the campus. Her photograph will be featured on the cover of 3,000 copies of the student annual.

Co-ed candidates who were runner-ups in the contest were Jane Wilson of Denton, Marilyn Yarrell of Dallas, Gretchen Timmis of Gainesville, Rose Marie Royall of Athens, Joyce Chafin of Cleburne, Martha Brown of Georgetown, Pat Fitz-Patrick of Dallas, Glenna Graham of Denton, Marie Power of Marshall, Alice Hearn of Irving and Billie Waters of Dallas.

The "Cover Girl" will be photographed by a special photographer from Dallas next week. She will wear a special costume sent from Hollywood and previously worn by some movie actress in a recent film, Editor Goode has announced.

Peace Is Topic At Meeting For W.S.C.S.

"Peace, Perfect Peace" was the subject for the afternoon when W. S. C. S. members met at the Methodist church Monday. The meeting opened with a song, "Sweet Peace, the Gift of God's Love," followed by responsive reading. Mrs. C. Robison was program leader and was assisted by Mrs. C. J. Meek who gave the poem "That Passeth all Understanding." Mrs. H. H. Hunt gave an inspiring paper on "Peace Through His Cross." Meditations were given by Mrs. J. A. Bryant. Mrs. Harrison Hall gave a special number, "Evening Prayer," by H. Hale.

Members attending were Mesdames Elizabeth Wren, H. H. Hunt, Ollie Hubbard, Pete Mayfield, C. J. Meek, J. A. Bryant, Lloyd Davidson, D. E. Holt, R. G. Robison, Harrison Hall, C. C. Robison, Joe Richard.

Chan Heltons Have 50th Anniversary

To celebrate the Golden Wedding Anniversary of Mr. and Mrs. Chan Helton, the family gathered Sunday evening at a six o'clock dinner. On a large lace covered dining table a three-tier wedding cake reposed adorned with a miniature bride and groom. Yellow and white mums and yellow and pink chrysanthemums with fall foliage decorated the rooms. Mrs. Helton was dressed in blue wool, and her corsage was of pink and white sweet peas.

Many interesting experiences of their pioneer days were related. Chan Helton and Miss Dora Bell Riddle began their life partnership Nov. 22, 1895 in Pulaski county, Mo. They made their home at Dixon, Mo., for 16 years, moving to Texas in 1911 and settling 18 miles northeast of Wheeler on the Wheeler and Hemphill county line. They lived there until last spring when they moved to their home in Wheeler.

Mr. Helton is a retired farmer and stockman and a land owner in Wheeler, Hemphill, Ochiltree, and Hansford counties. Many congratulations and good wishes were extended to Mr. and Mrs. Helton Sunday afternoon, and they were the recipients of many beautiful gifts, among them a 53-piece, 22 karat gold floral dinner set.

Mr. and Mrs. Helton are the parents of 12 children, nine of whom are living. Mrs. Forrest Anderson and Oma Dyer of Amarillo, Charlie Helton of Perryton, J. O. Perry and Jim Helton of Briscoe, Lula Carlton and Parlee Helton of Wheeler, and Mrs. Johnnie Young of Canadian.

Friends calling in the afternoon were: Mr. and Mrs. M. P. Rogers, Mr. and Mrs. Pat Huff, Mrs. Estes and daughter, Alice, all of Allison; Mr. and Mrs. Tom Helton, Mrs. Lucille Tipps, Mrs. Clifton Walker, Mr. and Mrs. Virgil Helton, Mrs. Edgar Kelly, Mrs. C. W. Helton, Mrs. Glen Lester, and Mother Helton of Briscoe; Mrs. Verne Lohberger of Allison, Mr. and Mrs. J. P. Green and Mrs. Roe Green of Wheeler.

Home Culture Club Of Allison Meets

The Home Culture Club of Allison met Wednesday, Nov. 14, in the basement of the Methodist church. Demonstrator reports were given as were reports of officers and committee chairmen. Each member demonstrated, or told of an accomplishment for the year.

At the close of the meeting refreshments were served to Mesdames M. M. Hamilton, Fred Begert, Porter Rogers, Pat Huff, Ernest Begert, M. P. Rogers, Lee George, Lester Levitt and Miss Argan Hix.

"Grooming, Posture" Topic Myrtle Club

Mrs. Raymond Burks was hostess to members of the Myrtle Home Demonstration club Thursday evening. The subject for the evening was "Grooming and Posture."

Refreshments were served to Misses Leona and Patsy Worley, guests, and Mesdames Clyde Worley, L. L. Hagerman, Elmer Miller and the hostess, members.

W. E. Dollins and daughter, Miss Myrtle, and son, T. W. Dollins, were guests of Mrs. Homer Pitcock Sunday. Mr. and Mrs. O. F. Dollins of Canadian were also guests in the Pitcock home Sunday.

Study Club Meets With Mrs. R. D. Holt

Rooms beautifully decorated with white, gold and red mums, provided a lovely setting for members of the Wednesday Study club when they were entertained at the home of Mrs. R. D. Holt last week. "Education" was the subject for the afternoon with Mrs. Lee Guthrie serving as program leader.

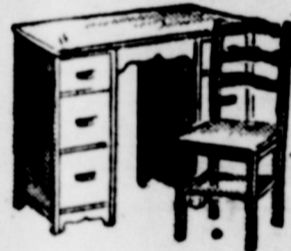

"Education is refined and cultured, common sense expressed in the language of real life," said Mrs. Guthrie in pointing out some of the benefits of education. Others assisting with the program, were Mrs. D. A. Hunt who gave a very interesting paper on "Practical Education" and Mrs. T. S. Puckett who discussed "Vocational Education."

At the close of the meeting a salad plate was served to the following members, Mesdames D. A. Hunt, Don Anglin, T. S. Puckett, J. W. Barr, Jimmie Mitchener, M. L. Gunter, Tom Britt, Ed Watson, R. Wm. Senior News

Name, Bonnye Prater; height, 5 ft. 4 in.; weight, 120; color of hair, red; color of eyes, green; favorite food, Coney; favorite actor, George Ralf; favorite sport, basketball; likes, people; dislikes, hats and purses; ambition, clothes designer.

Name, Corky Guthrie; height, 5 ft. 10 in.; weight, 176; color of hair, blonde; color of eyes, blue; favorite food, chicken; favorite actor, Van Johnson; favorite actress, Marilyn Maxwell; favorite sport, football; likes, everything; dislikes, bossy women; ambition, football coach.

We are wondering where Corky G. got his pipe. He couldn't have

that off the punch board could he?

Talk about good grades and good pupils. Just ask Coach Carrick about his chemistry class grades. It seems he is disgusted with us. Please Coach, don't be so hard. Will you not?

We are proud of our nominations for the prettiest girl and most handsome boy. As every one knows our nominations are none other than Bonnye Prater and Leon Weatherly as every one knows all seniors stay broke all the time so we call on all the good natured people in Wheeler to please vote for our seniors.

Iris and Coene sure go for those Oklahoma guys, don't they? Especially those from Meridian.

Edna please make up your mind! Clyde and Iris are getting tired trying to get you and Delbert together. But we have already given up.

Everybody is getting autographs of the football boys and pep girls. Friday night was our last night for football. Poor us!

Have you noticed Margie lately? She has been using the wall for a nailfile, hangnails you know?

Mrs. Walser did you find your car Monday, or is it still on the loose?

The Seniors are wishing their invitations would hurry and come in. Rings are due also.

Sophomore News
Bob and Jody were elected the most handsome boy and the prettiest girl in the sophomore class.

Dolores and Georgia Gaye seem to like Wellington. How about that girls?

Why was LaVern so excited Friday night? How about it LaVern?

The Sophomore class had a party Monday night. Everyone reported a very good time.

We hear that a new "lovers lane" has been discovered, for further details see Dolores and Jody.

Junior News
Name, Ida Mae Martin; age, 15; birthday, Dec. 18; color of hair, brown; color of eyes, brown; height, 5 ft. 3 1/2 in.; weight, none of your business; favorite food, steak; favorite actor, Dennis Morgan; favorite actress, Peggy Ann Garner; likes, civilians; dislikes, hateful and gripey people; ambition, to be housewife or girls basketball coach.

Monday was a busy day for the Juniors in their preparations for the carnival. A large crowd was expected and fun was assured for all.

Wonder why Melba was so happy Monday? Could it be she is on good terms with a certain guy?

Peggy had guests over the weekend. Her parents from Amarillo were in town.

Ida was sorta down in the dumps Monday, weren't you Ida? We hope the twins were doing a little kodaking for the annual this week.

Freshman News
Name, Gene Hubbard; height, 5 ft. 9 in.; weight, 150 lbs.; color of hair, blonde; color of eyes, blue; favorite food, pork chops and fried potatoes; favorite actor, George Montgomery; favorite actress, Lana Turner; favorite subject, general science; favorite sport, boxing; likes, sports and ponies; dislikes, women, ha, ha; ambition, prize fighter.

English I themes are due Wednesday the 21st. Will they be on time?

We are all looking forward to

the short vacation we are having during the Thanksgiving holidays. The general science students thought they were doing pretty good until they got their three weeks test papers back. Oh brother!

The freshmen haven't donated very much to the most beautiful girl and most handsome boy but they are ahead of the other school classes.

Stable Gossip
There was a lot of excitement going on Thursday night after the party of the G. A.'s. Just ask the seniors, or Pat and Clyde.

Iris says she has changed again. She likes someone besides R. B. now. Who is he?

Gene and Georgia Gaye are at it again. We wish they would make up their minds to or not to break up.

Anita, who were you looking for Friday night?

Clyde was happy half of Friday night and mad the other. Oh! These senior girls.

Edna thinks it is nice to have a girl friend stand up for her when she isn't there.

If you haven't been over the new lovers lane, by all means go over it.

There's a little talk about the football banquet being put off to a later date, but I think we'll live over it.

We wish the junior's would quit blaming the senior's for everything, it's not really their fault.

The members of high school are going to have to work hard if they beat the grade school for the beauties at the box supper.

If you want to know something funny, it's to hear kids talk about you, when they don't know who writes this. You'd better be careful what you say around people because, that is the way I find out what's happening.

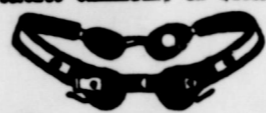

You know it's a downright shame the way some girls treat some of the boys and the way they act. Won't the girls ever grow up?

J. C. Moore Family Has Reunion Sunday

Sunday, Nov. 18 is a day that will be long remembered by Mr. and Mrs. J. C. Moore and members of their family. Not long ago there were two sons overseas fighting for our country. Both were in England, one a gunner on a B-17 and the other an X-ray Technician in the Medical Corps with the 188th General Hospital. Both boys are now back home with discharges and records they can well be proud of.

Cpl. Leo H. Moore entered the service Dec. 8, 1941, the next day after Pearl Harbor. He took his training at Camp Berkeley, Abilene and Camp Joseph T. Robinson of Arkansas and served in England as an X-ray Technician in the Medical Corps. Leo arrived back in the states Nov. 9 after almost 4 years in the service. He received his discharge from Camp Fannin, separation center Nov. 16 and arrived in Wheeler Saturday night to be with his mother who is ill. His wife, who resides in Pampa, was here to greet him.

Sgt. Marion E. Moore was in the service more than three years, serving with the 15th Army Air Corps as radio technician and gunner on a B-17. Marion, "Spud", made 50 missions during his 6 months overseas. He received his

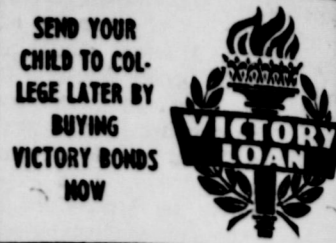

R. D. HOLT DRUG

discharge Oct. 2. All the family were at home Sunday except Miss Doll Moore and Mr. and Mrs. Spud Moore of Lubbock.

Those present were Mr. and Mrs. Oren Horn, Mr. and Mrs. J. C. Moore, Jr., and children, Mr. and Mrs. Jesse M. Moore and family, Mr. and Mrs. Loubet M. Moore and children, all of Wheeler. Mrs. Bill Cole of Lefors, Mrs. Maude Flowers of Hillsborough and Bud

Thomas, a brother of Mrs. J. Moore's.

POWER

and more POWER to build a Better Tomorrow

When war industries needed an abundance of electric power we were ready to serve them. Electric power did a big job in helping to win the war.

And now that victory is ours, this same power is being utilized to build a better nation — to rebuild a better world.

In the home, in industry and on the farm, there is an abundance of cheap, dependable electric service to make for better living, better working conditions, new and greater economies.

Yes, there is POWER and more power to help build tomorrow's world.

Bridge Club Meets With Mrs. Joe Hyatt

Members of the Contract Bridge Club were delightfully entertained Thursday afternoon when Mrs. Joe Hyatt was hostess. The entertainment was beautifully decorated with cut flowers. Prizes were awarded to Mrs. Harrison for high score and to Mrs. Porter for low.

A lovely luncheon was served to Mrs. T. S. Puckett and Mrs. Mesdames Hall, guests, and Mesdames A. Hunt, H. E. Nicholson, Ed. Eason, R. D. Holt, Glen Porter, and R. Wm. Brown, members.

Mrs. Raymond Sayre Is Honored By G. A.

Members of the Girls Auxiliary assembled at the home making cottage Tuesday evening for a party honoring their out-going sponsor, Mrs. Raymond Sayre. The auxiliary colors of green and white were used in the decorations. At the close of the evening the girls presented Mrs. Sayre with a lovely gift in appreciation of her excellent work.

Those present were Mary Alice Waters, Peggy Weatherly, Roy Ford, Donald Reeves, J. T. Johnson, Millard Sanders, Coene Carter, Worth Fullingim, Leon Weatherly, Pat Wiley, Dolores Ahler, JoRean Moore, Carl Mason, Vaneta Brewer, Patsy Noah, Billie V. Brown, Peggy Rodgers, Anita Weatherly, Yreva Sue Carter, Josephine Noah, Edna Farmer, Glenna Hefley, Marjorie Esslinger, Yvonne Clark, Ruby Reid, Jo Evelyn Reid, Barbara May, Bennie Westmoreland, Corky Robertson, Doyle Waters, Leon Bridges, June Johnson, Henry Risner, Gene Hubbard, Georgie Porter, Betty May, Joyce Bowman, Iris Conner, Dorothy Esslinger, Lillie McClain, Neva Weatherly and the honoree.

BUT HE DIDN'T FINISH—Tender hands of Naval Medical men steady this Marine as the war comes to a close for him—in the middle of his last sentence, while another awaits his turn for treatment, face showing anguish. Disabled men who survived will fare better through Victory Loan War Bond dollars because they will be trained to hold their own in life, after discharge. (Navy Photo.)

County Line Club Displays Old Hats

Wearing attractive hats that had been remodeled, members of the County Line Home Demonstration Club met at the home of Mrs. Clyde Meek recently. Many helpful and interesting suggestions were offered when the home food supply demonstrator, Mrs. Clyde Meek, gave a report on her year's work.

Mrs. Jim Shelby gave a report on her work as bedroom improvement demonstrator and Mrs. Carnes Meek gave a report on different forms of recreation. All members gave a written report on what they did on the home front to help the war effort, in supplying food and clothing at home. A very interesting display was made of their accomplishments for the year. The ladies were invited to the lovely new home of Mrs. Jack Meek where several spacious clothes closets as well as many other features of convenience, were inspected.

Games for the recreation hour were directed by Mrs. Carnes Meek and Mrs. Earl Williams.

Refreshments of pumpkin pie, whipped cream and coffee were served to Mesdames Claude Barker, Tom Helton, Maude Grant, Ben Helton, Earn Whitson, Jim Shelby, Carnes Meek, Brady Meadows, C. N. Straybridge, Clyde Meek, Earl Williams, Dodd and Miss Argan Hix and the hostess.

\$74,000 SOIL WORK OKAYED

A total allotment of \$74,238 in agricultural conservation for 1946 was approved at a recent meeting of the Wheeler County ACA committee, according to V. B. Hardcastle, administrative officer of ACA.

Erosive control and soil-building projects were as follows: terraces, \$3,000; dams, \$11,300; wells, \$4,500; strip crop, \$4,500; summer fallow, \$750; contour listing, \$2,200; contour farming, \$15,100; seeding on contour, \$750; leaving stalks as protection against erosion, \$22,700; deferred grazing, \$1,800; seeding pasture grasses, \$590; plowing fireguards, \$75; harvesting legume seed, \$700; seeding winter cover crop, \$2,483; and green manure cover crop, \$3,700.

At the meeting of ACA committee, all 1946 cotton insurance yields on individual farms were checked and approved and yields approved for farms not having a five year average production.

Regarding the erosive control and soil building work, Hardcastle said the money to be paid by each individual farmer is determined by the number of acres of cropland and pasture in the farm. He said in 1946 farmers must have the written approval of the county committee before carrying out any of the approved practices.

Mobeetie War Vet Marries Pampa Girl

A marriage of interest to people of Mobeetie was that of Miss Janie Vaughn and W. T. Seitz of Amarillo which was performed at the parsonage of the Line Avenue Baptist church of San Jacinto on November 18. The bridegroom is a graduate of Mobeetie high school and has recently returned from overseas duty where he served with the U. S. Army in England, France and Germany for the past two years.

Rev. J. W. Sizemore officiated at the wedding and R. L. Galmor of Amarillo was best man with Miss Francene Stockton of Pampa bridesmaid. Other attendants were the bride's sister, Mrs. Nettie L. Woodall of Pampa, Miss Ernestine Seitz, sister of the bridegroom, and Mrs. R. L. Galmor and son, Bobby. The bride is a graduate of Pampa high school and was assistant manager of the F. W. Woolworth store there before her marriage. They will make their home in Amarillo.

What remembrance costing so little would mean as much as 52 issues of the home newspaper to a former resident of Wheeler county?

Why not make up a list of friends and relatives away from here and have us write them letters on December 20, saying The Times is being sent them during 1946 with your compliments?
