HIGH FARM INCOME

Farm purchasing power in the United States this year promises to be substantially higher than last, in spite of lower prices for farm commodities. The Department of Agriculture's latest estimate is that farmers

will receive about \$13,388,000,000 for this year's production of wheat, corn, cotton, tobacco, peanuts and rice, in comparison with a value of \$12,287,517,000 for these crops last year.

In this situation the prodigious crop yield now in the grainaries or ripening in the fields plays a double role of cause and effect. Unprecedented grain production has caused the prices of wheat and corn to drop sharply. But the sheer volume of crop production promises to sustain farm income and even to raise it above last year's prosperous level.

What is known in industry as the return per unit sale—in the farmer's case, the price per pound or per bushel—will be lower than in the last crop year. But the number of units the farmer has to sell will be higher, thus boosting his income to or above last year's level.

Thus the largest corn crop on record, 30 percent above the 1947 yield, will mean 24 percent greater income to the farmer than last year despite a lower price per bushel. The 15,219,000-bale cotton crop foreseen by the Department of Agriculture will be worth approximately \$2,785,000,000 to the farmers, topping the record set in 1919 and exceeding last year's return by \$500,000,000. The record-breaking peanut crop also is expected to pour more dollars into the pockets of farmers than any ever before grown.

Lower production and lower prices will combine to reduce the return on rice, tobacco and wheat below last year's figure. But total farm income and purchasing power, a vital factor in the general prosperity of the nation, will be far from the vanishing point, with prospects that urban consumers also may reap the advantage of bumper crops by a welcome decrease in the cost of food.—From Ft. Worth Star-Telegram.

61,296,000 JOBS

Many readers will recall the sensation produced when the goal of sixty million jobs in the United States was proclaimed as a necessity to economic well-being.

There were those who hooted at the idea, but the Census Bureau reports that civilian employment last June reached a record high of 61,296,000 Americans working for pay, profit or benefit of the family. This does not include house-working wives.

It is interesting to note that farm employment at 9,296,000 was nearly 1,000,000 below a year ago. Non-agricultural industries, however, with a total of 51,899,000 employed, were up 2,221,000 above the figure for last year.

Success doesn't depend so much on lying awake nights, as it does staying awake days.

LEGAL NOTICE

THE STATE OF TEXAS
COUNTY OF WHEELER
NOTICE OF EXECUTION
AND SALE

By virtue of an order of sale and execution issued out of the District Court of Wheeler County, Texas, on a judgment rendered in said court on the 24 day of July, 1948, in favor of L. C. Austin against J. R. Austin and T. E. Austin in cause No. 3876 in such court, I did on September 4, 1948 at 2:30, o'clock p. m. levy upon the following described land situated in Wheeler County, Texas, to-wit:

Southeast Quarter (SE 1/4) of Section 47, Block A-4, HAGN Ry. Co. Survey, consisting of 160 acres, more or less.

And on the 5th day of October, 1948 being the first Tuesday of said month, between the hours of 10 o'clock A. M. and 4 o'clock P. M. on said day, at the courthouse door of said County, I will offer for sale and sell at public auction, for cash, all the right, title and interest of said J. R. Austin and T. E. Austin in and to said property.

Dated this 4th day of September, 1948.

JESS SWINK
Sheriff of Wheeler County, Texas

Get Things In Shape For Planting Cool Weather Flowers Now

If you put in a little extra work around the yard about this time of year, you can get things in shape for planting the cool weather flowers and shrubs.

Both bluebonnets and gladioli can be planted until the middle of September, says Sadie Hatfield, extension landscape gardening specialist of Texas A. and M. College. She also says that pansies sometimes bloom early if they are planted now and protected from the sun until cool weather gets here.

Flowers that withstand cold can be planted now in flats, cold frames or frame gardens, and later transplanted along about October. Some of the flowers Miss Hatfield refers to here are snapdragons, stock and calendulas. Others that don't quite stand up to the cold as well are petunias, ageratum, sweet alyssum, late cosmos and periwinkle. But they do well if there is a late fall season. Now is a good time to get the

soil ready for planting shrubs in the winter. It is about this time to underpin your edge of the house to keep under the house from all year round, too. It can also be done of bricks or boards. If you mix the mortar, put in flagstone walks around the house. When the field work up, it's a good time to clothesline. And a good area near the house—public area, says Miss

THANKS!

POSSIBLY SO

NEVER CROP GROWS HERE

FARMALL C WILL BE THERE ALL THE WAY!

Grains, grasses, field row crops, vegetables—whatever is planted in this mellow, weed-free seed bed, the new Farmall C Tractor with Touch-Control will be on the way. The Farmall C is shown here with the Disk-Deering No. 10-A Disk Harrow.
 The Farmall C delivers practical 5-way power: (1) at the front for pulling trail-behind machines; (2) at its mount for pushing forward-mounted implements; (3) at the rear for the power take-off; (4) at the Touch-Control arms for raising, lowering and regulating mounted implements by hydraulic power. All at surprisingly low operating costs!
 Available for the Farmall C is a full line of matched, quick-change implement units. New and simple in design, each low-mounting mounts on the tractor to form a compact operation. Rear-mounted implements, likewise, are quick-change for the Farmall C are under the complete, 2-way control of the Farmall Touch-Control. The Farmall C has 16-inch or two 12-inch bottoms; cultivates two wide-planted crops. Ask for full information.

FARMER'S EQUITY SERVICE, INC.
 Miller, Mgr. Mobeetie, Texas

FARMALL LEADS THE WAY

Farm Facts

1. Will vaccination control Bangs Disease?
 50% 23 to 25 lbs. per 100 hens
 40% 20 to 22 lbs. per 100 hens
2. Do hens need more feed when egg production is high?
 70% 29 to 32 lbs. per 100 hens
 60% 26 to 28 lbs. per 100 hens
3. How much meat can I do produce in a year?
 In a well managed rabbitry, a doe should raise approximately 25 young rabbits in a year, and they should weigh at least 4 lbs. a piece in 10 weeks. This would make a total of 100 lbs. of rabbit meat per doe each year.

NAVY BAND TO GIVE CONCERTS IN PAMPA SOON

The United States Navy Band, World famed musical organization, on its first tour of the west and southwest since the war, will be presented in two concerts on Saturday, October 16, at Pampa.
 The celebrated Navy Band will come to Pampa under the sponsorship of The American Legion, with net proceeds of the engagement to be devoted to charitable and civic causes.
 Gib Sandefer, concert tour director, has completed arrangements with the local sponsors for the engagement.
 Composed of 50 members for its tour, the band will present several featured soloists at its concert appearances. The thirty date tour has been approved by President Truman, and the itinerary will include engagements in Colorado, New Mexico, Arizona, Texas and Louisiana.
 The Navy Band, universally acclaimed for its sound musician-

ship and versatility, will play under the direction of Lieutenant Commander Charles Brendler, U. S. N., who has been a member of the band for more than 31 years.
 Since 1925, when President Coolidge signed special enabling legislation, the Navy Band has made annual tours to bring its music to audiences throughout the country, except for the World War II years, Mr. Sandefer said.
 In April and May the band played to vast concert audiences in thirteen of the mid-western states.
 They are featured weekly on three major radio networks and play for numerous White House functions and other official engagements.
 During the summer they have appeared regularly on Monday evening concerts at the steps of the nation's Capitol and have played for packed audiences on the beautiful Potomac in the shadow of the Washington Memorial.
 The United States Navy Band plays both concerts, a matinee and an evening performance, in the Oiler Baseball Park at Pampa, Texas, on Saturday, October 16, 1948, but in case of inclement weather, the concert will be held in the Junior High School Auditorium. The matinee performance will be held at 3:30 p. m. and the evening performance will be held at 8:30 p. m. Admission for students for the matinee performance will be 50c, whereas admission for students at the evening performance will be \$2.00. Admission for adults for either performance will be \$2.00.
 Tickets are now on sale at either bank in Pampa, and mail orders for tickets will be accepted and filled by mailing your check or money order to The American Legion, P. O. Box 657, Pampa, Texas.

KITCHEN MEMO

Any new way of cooking meat loaf is always a welcome addition to the recipe file. *Broiled Meat Loaf* uses only six ingredients and can be popped under the broiler flame for quick cooking. Mix together 1 lb. hamburger, 1/2 cup bread crumbs, 1 egg, 1 tbsp. grated onion, 1/2 cup tomato soup, 1 tsp. salt, pepper. Shape into two firm loaves and place on broiler grid. If you broil with the thermostat wide open, the loaves should be at least 3" from the flame and broiled about 12 mins. on the first side, 10 mins. on the second side. If you set the thermostat at 350°, place meat 2" from flame and broil 15 mins. on each side, which cooks it to well done.

If there's not quite enough batter to fill all the cups in muffin tins, pour water into the empties before placing in the oven to prevent burning of empty cups.

Any cooking food creates smoke and vapor of varying degrees. Many modern gas ranges take care of this problem with "smokeless" broilers which means, literally, that smoke rising from cooking food is consumed by the broiler flame.

Crackers spread with peanut butter and broiled until bubbly make excellent appetizers.

In 1859, reported *The American Gazette*, one hundred families used gas for cooking. Today two out of three of the 35,000,000 families in this country cook with gas.

Leftover bread crusts cut into small bits, browned with butter or margarine in oven or frying pan, make economical croutons for soups.

Although Texas is using several times as much commercial fertilizer as before the war, the supply is still limited because many of the fertilizer factories are army controlled. And the army is sending much of its fertilizer to Germany and Japan to build up agriculture in those countries.

New Series Forestry Ads Will Appear Soon

A brand new series of Texas forestry advertisements will soon begin to appear in newspapers throughout the Lone Star state. They were sponsored by the Texas Forestry Association and prepared in cooperation with the Texas Forest Service, says D. A. Anderson, acting director of the Texas Forest Service.
 The 16 ads in the series all feature Woody as the central character and have as their theme wise forest management, fire prevention and replanting of idle acres. Woody is a real wooden Texan, complete with cowboy boots and ten-gallon hat.
 The art work was created by Gene and Neal Pruett of Pittsburg, Texas, and the copy was prepared by members of the Texas Forest Service, says Anderson.
 Fertilizer may be bought today for just 50 percent more than before World War I.
 "One pound of weeds will take 350 pounds of water out of the soil in one growing season."—Robert Ripley's Believe It or not.

Stone-Riley Vows Are Exchanged In Miss.

Miss Ann Stone, daughter of Mrs. Mary B. Stone of Jackson, Mississippi, and James Herbert Riley, son of Mr. and Mrs. P. W. Riley of Wheeler, Texas, were united in marriage at 11 o'clock Monday morning, August 30, in the home of the bride's mother, Dr. Marion L. Smith, president of Millsaps College, officiated at the double ring ceremony in the presence of the immediate families.

The ceremony was held in front of an improvised altar of greenery and two eight-branched candelabra. Throughout the house, roses, asters and gladioli in shades of pink were used at vantage points.

Miss Stone was lovely in forest green ornamented with bronze sequins. Her accessories were in black and she carried an arm bouquet of specimen bronze chrysanthemums.

The bride's only attendant was her niece, Sheila Stone, who was charming in a frock of white organdy with Sweetheart roses as her flowers.

For traveling, the bride donned an original model in brown with brown accessories and a corsage of bronze feathered chrysanthemums.

Immediately following the ceremony, the bride's mother entertained with a wedding breakfast at Le Fleur's. The table was centered with a beautiful arrangement of pink asters, tuberoses and white gladioli flanked by tall white tapers.

The following out-of-town guests were present for the wedding: Miss Dorothy Dies of Oklahoma City; Miss Joy Wilna Riley, Wheeler; James Sessions, Woodville, Mississippi; Dr. and Mrs. J. H. Stone and daughters, Sheila and Margaret, of Vicksburg, Mississippi; Mr. and Mrs. H. H. Bristler of Gautier, Mississippi; Miss Sarah Hatcher of Athens, Ohio; and Mrs. Dayton Manier of Nashville, Tennessee.

The bride is a graduate of Millsaps College and a member of the Girls' Dinner Club. She is a member of Chi Omega, Sigma Lambda, leadership sorority.

She received her master's degree in Romance Language from Duke University and was a member of the faculty of Hinds Junior College.

Mr. Riley served as an officer in the armed forces of the United States for six years.

He graduated from Louisiana State University, where he was an honor student and a member of Phi Delta Theta social fraternity. He and his bride will be at home in Baton Rouge, Louisiana where is a graduate student and instructor.

Mrs. Helton Hostess To Countyline Club

Home made Christmas gift suggestions were displayed by club members in answering roll call at the Countyline Home Demonstration Club, September 16, when they met in the home of Mrs. Ben Helton for a regular meeting.

All officers were reelected during the business meeting and are as follows: Mrs. Tom Helton, president; Mrs. Earl Williams, vice-president; Mrs. C. C. Meek, secretary-treasurer and Mrs. Ben Helton, council delegate. The council delegate also stated that Mrs. Clyde Meek of this club had been elected T.H.D.A. chairman of the county and is a delegate to the state meeting.

Delicious refreshments were served to the following: visitors, Mesdames W. Hix, Maude Grant and Neal Crossier; and members, Mesdames Clyde Meek, Doyle Standlee, Earl Williams, Jack Meek, Carnes Meek, Tom Helton and the hostess.

Dinner Sunday Honors Mr. and Mrs. B. Smith

Mr. and Mrs. Bill Smith were honored with a lovely dinner Sunday at the home of Mr. and Mrs. Burl Cheser in Amarillo, the occasion being the first wedding anniversary of Mr. and Mrs. Smith.

Those present were: Mrs. A. C. Mitchell, Duane Bradford, Mrs. Charline Carter, Mrs. Red Richardson, all of Wheeler, Mr. and Mrs. Percy Rowe and Dreka of Pampa, Mrs. Ieyl Littrell of Amarillo, and Jan and Phil Cheser.

Mr. and Mrs. Don Rives and Mr. and Mrs. Thomas Daughtry attended the ball game at Pampa Tuesday night.

Feature of the week!
IGA Ripe 'N' Ragged PEACHES

Luscious, ragged home-style peaches... with a tree-ripened flavor that's "out of this world!"

Yes, we know how to smash inflation... **WE'RE DOING IT!**
How? ... you ask. Well, it is quite simple. Thousands of individually owned IGA stores, individually owned IGA supply houses and independent manufacturing plants are working together so closely that the highest possible degree of operating efficiency is achieved. For example, operating costs of IGA supply houses are as low as 3 1/2 per cent, and IGA retail stores are operating at costs as low as 6 1/2 per cent. That's about one-half ordinary operating cost!

But, the real credit belongs to YOU, and to the trading at IGA stores... for YOU have made possible the highest sales volume in our history with the result that our cost of doing business is the lowest in all food history.

And your continued cooperation will help us keep increasing our volume, which will enable us to further reduce our operating costs and bring you STILL LOWER food prices!

The school has just received 107 new library books which will be ready for use pretty soon. These should be useful to some of you. Well, at least you could go in and look them over, it might help you, you know.

The seniors took their chest X-rays Monday. Well, its over now

so maybe you can breath at ease now kids, and it didn't hurt a bit did it? It doesn't hurt anyone and we hope it goes over 100%.

FOOTBALL NEWS

The Wheeler Mustangs were victorious in their game with the Pampa Gorillas Thursday night, the final score being 12-0. The Gorillas were off to a good start and drove to the Mustangs 1 yard line—But soon their efforts proved fruitless. There was no score in the first quarter of the game. The Mustangs scored in the second quarter. Corky Robertson carried the ball over for the first touchdown. There was some good blocking in the line all through the game. There was no score in the third quarter. The Mustangs scored again the last quarter bringing the score to 12-0. There will be no game this week. Next week we will play Groom at Wheeler. Good luck boys!

SECOND PEACETIME DRAFT BEGINS

TYPICAL OF THE THOUSANDS of young Americans registering for the second peacetime draft is this group of 25-year-old New Yorkers waiting their turn to fill out questionnaires. Some 20,000 registration offices across the nation were faced with the task of checking the eligibility of 9,600,000 young men. First on the list are those born in the year 1922 after August 30. Other eligibles will register later. (International)

P-T. A. NEWS

Don't forget the Pie Supper the Wheeler P-T. A. members are giving this coming Friday night. Everyone will have a good time and there will be plenty to eat. They will also have a program before the Pie Supper that you won't want to miss so be there and bring your pie and your money. Everyone is welcome.

SENIOR NEWS

The seniors are making plans to have their pictures made on Tuesday, so be looking for the glamorous bunch in one of the Bromotone display cases in the near future.

Each class choose their most popular girl and boy today. The two who gets the most votes will be counted most popular of all the High School. The senior class chose Duane Bradford and Marie Edwards.

The seniors have been very busy this week. Believe it or not, we've been working. Mr. Howell, the editor of this newspaper has permitted us to help him sell newspaper subscriptions and renewals. For this, he gives the senior class a certain percentage of what we make. This has helped us to raise some funds for our class, funds which we certainly can use. We are very grateful to Mr. Howell for this opportunity, and with the cooperation of the townspeople we will do our best to make the most of this chance. We will appreciate it if everyone would consider subscribing or renewing, because besides helping Mr. Howell and the seniors, it is benefitting each of the subscribers in the long run.

Speaking for the whole school, we can certainly say that our Pep Rally Wednesday night made us all have that "good" feeling. It was really something to see all our teachers joining right in with us and doing a marvelous job of pepping us all up.

Let's keep up the good work, what do you say?

It seems that Miss Merrill and Miss Mahaffey are becoming sound effect specialists. Everytime we sing the school song they either hit someone on the head, stomp the floor, or beat on the top of the bus when it comes to the rah-rah of the song.

SOPHOMORE NEWS

Wonder why the sophomore girls have colds?

Georgia, did you have a good time over the weekend?

Wanda, did you enjoy your walk Sunday?

Gene, what do you know about buying lipstick?

Billie Jo, keep arguing and maybe you'll get what you want.

Lucille did you and Leola get enough ice cream Thursday night?

Wonder why it's always the boys that get to miss classes.

Yes Dick, your feet do smell good.

Edgar, do you and James like to make speeches?

JUNIOR NEWS

Someone whistled at Miss Mobeley in English III. She said not in class please.

Imogene seems lonesome now that Bobby has gone to college. Some of you boys lend a helping hand. Now Red.

Congratulations, Lindon and Charlotte on being picked the most popular in the junior class. We will certainly be backing you.

Margaret, your fathers car surely is pretty. You will have to take us riding sometime.

Martha, of all people you didn't write any news. Poor little old Winnie had to.

Floy Bell, don't get disgusted, maybe you will get that dress made in Home Ec. yet.

Barbara, what did you do to Gene's hand? Bite it nearly off?

Jo Ann, you surely seemed happy Monday. Could it have been because you got stood up? Or did you stand someone up?

J. T., we think your nose is going to grow back straight.

Winnie has her head in a book all the time now. You can tell she is not studying about Allison anymore.

Dorothy, you sure seemed happy Saturday night after Doyle got off work.

Lennie has decided when she grows up she will be a comedian. That's an excellent idea.

FRESHMAN NEWS

John, you sure kept late hours Saturday night.

Claudell and Maurine had such a good weekend. Could Mobeetie have had anything to do with it?

FRESHMAN NEWS
 John, you sure kept late hours Saturday night.
 Claudell and Maurine had such a good weekend. Could Mobeetie have had anything to do with it?

Bill, what good looking girl were you going to take to the preview.
 How was the football game at Lefors Friday night, Jo Ann?
 Johnny C., we like your new car.
 The freshman class is looking forward to the F.F.A. party, everyone is bound to have a good time.
 Annie, don't you like to dance?
 Jack, you are getting to be a taxi driver.
 Johnny G., you'd better be careful in Math class.
 Maurine, someone was sure looking for you Saturday night. But it seems like you think the show was a lot better.
 Mary Bob, isn't eleven o'clock kinda late for Allison to be coming after you? Or is that natural J. D. B.?
 Betty, we noticed you've cut your hair.
 We have another nick-name in our freshman class, how about it Wayne?

EIGHTH GRADE NEWS
 We elected our class officers Monday and they are the following: President, Nadine Barton; vice president, Betty Kidwell; secretary-treasurer, Loretta Crowder; reporter, Patricia Hubbard; annual representative, Glen Farmer and Marilyn Swink.

WONDER WHY
 La Jaune liked the party at Briscoe so much?
 Betty Lou is so interested in Mobeetie?
 Whom the letter was to that Waunetta and Molly were fighting over?
 Patricia said Saturday night that she wished that boys would speak first.
 La Nell talks so much in study hall?
 Sue and Marilyn enjoyed Friday

night.
 Everyone wish the clock in the study hall would run.
 Patricia was so sleepy Monday?
 Louise likes to go to the library?
GOSSIPS
 La Nell, you surely do run around with the older crowd a lot. Sue, I know a certain boy that was hunting for you Sunday.
 Marilyn and Betty Lou, why don't you just sell kisses? I'm sure you could do just as well as you did selling chances.
 Patricia, it seems you have the name of "Aunt Patricia" now.
 Sue, does your parents enjoy chasing you all over town?
 Bobby and Ray Cole, we surely do like Toni Home Permanents. Don't you?
 Buddy, we think you are stuck up now.

A good thing to remember is that silent contempt often prevents a black eye.

STUDENTS WELCOME NEW TEACHERS

We, the students of Mobeetie High School, want to welcome the new teachers, Mr. and Mrs. D. O. Clemons, who moved here from Elk City, Oklahoma, where they were formerly engaged in teaching. Mr. Clemons is our principal and teaches Math. Mrs. Clemons teaches Home Economics and Commercial Law. They have a small son, Oran, in grade school.

SENIOR NEWS

The seniors had their pictures taken Thursday. Mrs. Scribner, our sponsor, and Mr. Brown, superintendent, also were looking pretty. Everyone is eager to get his pictures back.

We also ordered our invitations, caps and gowns, etc.

The girls are going to graduate in white gowns and the boys in maroon.

Our diplomas are white with maroon ribbons. They will contain our class role, flowers, colors, and motto.

SOPHOMORE NEWS

Willard, why did you stay at home Thursday night?

Patsy J., aren't you robbing the cradle?

What's the matter Nell? Can't you get a date, or is it just world history?

GOSSIP

Seems as if Joy and Naomi likes free showers.

Patsy B., you really didn't think it was some girls following you the other night, did you?

Peggy, let's stop hitting Donald Ray in the nose.

Doris, who were you in the show with Wednesday night? He surely was cute.

Naomi, with whom did you gather wood for the pep rally Thursday night?

Beverly, why don't you quit eating so much; you surely are getting fat.

Mr. Brown surely is a good pep squad "yeller"; don't you think so girls?

Seems like all the teachers are still having to put up with Walden this year.

We surely are glad to have Patsy M. with us in basketball again this year.

Walden, who gets whom in trouble in English class?

Mary J., did you have a good time Saturday night?

Beverly, you must have had an interesting phone call Sunday.

Glenda, why did you have to quit playing basketball?

Some of the boys have been cutting up on the basketball court. How about that, Jerry?

Charles, you had better quit flirting with Belle.

Mary, whose bracelet are you wearing? Could it be Doug's?

Clyde, where did you get those pretty red trunks you have been playing basketball in?

Hansford, you have really been cutting up with a certain girl in the study hall.

AN EXPERT AT MAKING CHANGE

BEING ADEPT in the use of safety pins is the first lesson the male parent must learn if he intends to become an expert quick change artist. Take this from Benjamin Walthal of Shirlington, Va., who here demonstrates how he became "pinup daddy" of the week. He won a baby diapering contest held by merchants of his town. (International Soundphotos)

resting.

Walden Haynes—spent the summer in Chicago.

Jimmy Walker—attended rodeos in Pampa and Elk City, Okla.

Drew Godwin—worked in Mobeetie.

Bill Godwin—worked in Mobeetie and Spearman.

Bill Alexander—worked in Mobeetie.

Douglas Corse—worked in Mobeetie.

Walter Hill—worked in Mobeetie.

Curtis Ruff—stayed in Mobeetie, doing nothing, worked in Tulsa.

Joe Fred Leonard—worked in Mobeetie.

Paul Jones—little bit of every-

thing, whole bunch of nothing. All in all the seniors spent a very lazy summer.

WHERE THE SENIORS OF '48 ARE

Nancy Ware—attending college at Abilene.

Joyce McCauley—attending college at Abilene.

Doris Barton—working in Pampa.

Bonnie Prock—in Amarillo.

David Abbot—in Mobeetie.

MOBEETIE LIONS CLUB ENTERTAINS FACULTY

On Tuesday evening, September 14, the Mobeetie Lion's Club had the school faculty as guests at their regular meeting.

After a delicious meal, Mr. L. D. McCauley made a talk, followed by brief talks from each of the teachers and some others of the group. Mr. "Pinky" Vineyard gave the principal address of the evening. The faculty appreciated this opportunity to get better acquainted with members of the community.

JUNIOR NEWS

The junior class met last week to select and order their class rings. We all decided on a ring with a ruby set and we think we will be proud to wear them.

Made In Wheeler

During the summer we have bought and installed a feed mixing machine which enables us to mix molasses with other ingredients and make sweet feeds right in our own mill.

We have made this improvement in order to keep up with the ever increasing demand of cattle farmers and dairymen in this section of the country and we invite you to come in and inspect this new machinery and try some of Lawrence's Best Feeds.

Below you will find some of the current prices we are charging:

ALFALFA AND MOLASSES	\$2.60
10% SWEET DAIRY FEED	2.75
16% SWEET DAIRY FEED	3.40
24% DAIRY FEED	4.00
20% LAY MASH	4.15
36% HOG SUPPLEMENT	5.75

We Do Custom Mixing—Molasses In Bulk

LEGAL NOTICE

CITATION BY PUBLICATION THE STATE OF TEXAS TO: Edna Cregar, Jennie Cregar, Mate Liddle Cregar, and Mat Cregar, and the unknown heirs, devisees and legal representatives of each of the above named defendants who may be deceased; GREETINGS: You are commanded to appear and answer plaintiff's petition at or before 10 o'clock A. M., on the first Monday after the expiration of 42 days from the date of the issuance of this citation, the same being Monday, the 8th day of November 1948, before the Honorable District Court of Wheeler County, Texas, at the court house in Wheeler, Texas.

Said plaintiff's petition was filed on the 21 day of September 1948, and is numbered 3935 on the Doc-

ket of said Court. The name of plaintiff is A. B. Crump, and the names of the defendants are: Edna Cregar, Jennie Cregar, Mate Liddle Cregar and Mat Cregar and the unknown heirs, devisees and legal representatives of each of the above named defendants who may be deceased.

The nature of plaintiff's suit is to secure and foreclose an equitable lien against the interest of said defendants in Section No. 1, Certificate 16-223 of the Indianola Railroad Co. surveys, in Wheeler County, Texas; plaintiff alleges he paid the sum of \$298.03 to redeem the interest belonging to said defendants from a tax foreclosure sale, and asks the court to decree plaintiff an equitable lien against the 1-12 interest belonging to said defendants, and for foreclosure of said lien in satisfaction of the sum of \$298.03, plus interest from July 7th 1948, at the legal rate.

Issued this 21 day of September 1948.

Given under my hand and seal of court, at office in the City of Wheeler, Texas, this 21 day of September 1948.

(SEAL)
CHRISTOPHER S. McCLAIN
Clerk of the District Court,
Wheeler County, Texas

Never in the history of the world has the people had so many places to go to. Every body from flea catchers to elephant trainers have some kind of a get-together. With all the conventions, associations, clubs, meets, various kinds of ball games, banquets, shows, rodeos and so fourth, Mrs. Average Citizen, it seems, has very little time left to attend to plain old productive work much less time to worship and serve God. Everybody, it seems, is afraid

they won't get to use their part of our dwindling supply of motor fuel (mostly gasoline) which will get scarcer and higher from now on.

If all of us would spend more time attending our local churches and in studying God's Holy Word and in prayer and less time burning up gasoline in seeking worldly pleasures we would all be better off, not only in this life but in the next also.

P. A. Clepper

Fruit Cheese Salad

1/2 pkg. lemon gelatin
1/2 cup boiling water
1 1/2 cups grated American cheese
6 tablespoons 1/2 cup pooled, fresh peaches*
1/4 cup bottled mayonnaise or salad dressing
1 tablespoon vinegar or lemon juice
1/2 teaspoon salt
1/2 cup pooled, fresh peaches*

Disolve gelatin in boiling water. Let stand. Mix cheese and milk; stir and cook over boiling water until smooth. Remove from heat; stir in gelatin mixture. Then stir in mixture of mayonnaise, vinegar and salt. Chill until syrupy. Cut peaches into inch cubes; fold into gelatin mixture. Pour into wet mold holding about 3 cups. Chill until firm. Turn out on lettuce. Serve as salad or dessert. Makes 4 servings.

*Sliced peaches, seedless grapes, apricot halves, or quartered plums, either fresh, frozen or canned, may be used.

You Will Need:
PET MILK
AMERICAN CHEESE
Lemon-Flavored Gelatin

EDITORIAL

At the end of this second week of school, everyone has begun to settle down to our studies in real earnest. Our annual and senior pictures are out of the way and now everyone is looking forward to the other school activities of the coming year. Let's everyone try to make this the best year yet of B. H. S.

SENIOR NEWS

We seniors are glad that Gloria is well and out of the hospital. We all welcome her back. We seniors had our pictures made yesterday. Our proofs will be here in a week or ten days. Here's hoping that they are real good. The boys all

raced to see which one could get their tie off first. We also elected our room parents. They are Mr. and Mrs. Claudie Brotherton and Mr. and Mrs. A. C. D'Spain. You youngsters, we are expecting something good to eat out of the deal and you fathers, we are expecting you to take us places.

JUNIOR JABBER

The Juniors are really enjoying trying to type. We have only handed in three assignments in the last two weeks, but it will prove to be very interesting. That must be the reason all the junior girls hurry back from the lunch room every day. After all, there is only one new typewriter.

SOPHOMORE NEWS

We are very happy to welcome Betty Culwell to our class. We hope she will enjoy it. We had our pictures made for the annual Thursday. Everyone is expecting his to be the best of course.

ANNUAL STAFF

Editor-in-Chief, Thurman Horn
Business Manager, Truman Zybach
Typist, Rosemary Finsterwald
Art Editor, Lottie Murry

FRESHMAN NEWS

We freshman have been having a good time since school started. We all think it is a little hard, but maybe we will survive. The

class has got a new pupil this year. His name is Hayden Hegdal. He seems to be a very good student. We enjoy having Hayden and hope he will like us.

SPORTS NEWS

The basketball girls are really getting a working over from our new coach. We hope to be able to see the result by basketball season.

The girls were really puffing Thursday afternoon. We played the boys.

The basketball boys have started their practice too. They also hope to have a good team. Our life-up is:

Forwards, Thomas Roy Helton, Alvie Dean Daughterty;
Guards, Truman Zybach, Tommy Eiland.
Centers, Thurman Horn, Glenn Welch.

LOCAL CHIT-CHAT

Rosemary spent Monday night with Dorothy.

Everyone came to school Thursday with a smile on their faces. It seems they were to have their pictures made.

The girls voted for the boys to wear neck ties and white shirts to school everyday.

Doris, everyone is glad that you are captain of the girls basketball team.

Mary Jo, who was that boy you were sitting with on the bus? Don't be bashful, we like to know too.

Imogene has been playing cupid. La Nell was seen in Shamrock. What about it La Nell?

Alvie, who is that girl you are so interested in?

Melba, how do you like working in the library?

Tolene, do you think Hayden is cute? We do.

Wanda, you shouldn't write letters you don't want delivered.

C. B. was very comfortable while driving his bus and wearing that neck tie.

SNOOPING AGAIN

Dear Snooper: What is love? T. G.

Dear T. G.: It's a funny little thing sorta like a lizard, winds around your heart and nibbles on your gizzard. B. C.

Dear B. C.: Maybe you could tell us a little more about this matter.

Dear Snooper: Who was driving Troy T.'s new truck around last Thursday? D. B.

Dear D. B.: Could you by any

SLEEPY TIME GAL

chance tell us?

Dear Snooper: Who was the boy that was so interested in La Nell Thursday night at the picture show? L. N. C.

Dear L. N. C.: Trying to hide something from us were you?

Dear Snooper: Was the guy that made the senior pictures married. R. F.

Dear R. F.: It wouldn't do you any good so run along. Give some one else a chance.

Dear Snooper: Why was W. C. so embarrassed Thursday afternoon in the gym? W. S.

Dear W. S.: I think maybe Tommy could tell you.

From where I sit... by Joe Marsh

Nicest Compliment I've Had

One of the nicest comments I've received about this column was from an editor in the Middle West I called on. And while I don't like to give myself orchids, I think it illustrates a point.

"Joe," he said, "it so happens I don't agree with everything you say, but I always like to run your column. Because it gets down to earth and talks about the right to disagree. And it only asks for tolerance towards the other person's point of view."

He went on to explain, by way

of illustration, that he never had happened to have a taste for ale or beer. But that when I spoke of the right to enjoy a moderate beverage like beer, well, he was right there with me!

And from where I sit, that's the important thing: not whether you share another person's tastes or point of view—but whether you recognize his right to exercise a free choice in a free land.

Joe Marsh

EVER SEE AN ICE STORM Inside A PIPE LINE?

High pressure natural gas pipe lines may be subject to miniature ice storms when outside temperatures drop to 40 or 50 degrees. If permitted to continue, the ice would ultimately choke off the flow of gas through the line. That's because particles of water mixed with certain petroleum vapors in high pressure pipe lines will freeze at temperatures far above the normal freezing point of 32 degrees. Nearly all natural gas contains moisture as it leaves the well, so it is necessary to install such facilities as heaters, separators and dehydrators to remove the liquids and vapors before the gas is placed in pipe lines for movement to market. This is one of many functions of the United Gas organization—all of which have the ultimate purpose of assuring a dependable supply of natural gas for our customers.

UNITED GAS
Union Producing Company
Serving the Gulf South

A heater must be installed at each high pressure well to prevent freezing of moisture contained in the gas.

The wet gas passes into a separator where it expands and drops its free liquids.

Water vapors are removed in a dehydrator, which contains materials that soak up the vapors like a sponge.

CHANGING VOTING PRECINCT LINES AND JUSTICE OF THE PEACE PRECINCTS

On the 9th day of August, 1948, the regular term of the Court of Wheeler County, Texas, a quorum being present, a motion duly made and unanimously carried,

it is ordered that the Center Voting Box No. 11 be abolished and that Twitty Voting Box be enlarged so that its boundaries will henceforth be as follows: BEGINNING at the NW Corner of Section 5, Block E; THENCE South 3 miles to the SE Cor of Section 34, Block A-8, H&GNRY Company Survey; THENCE West to a point where the North and East Bank of the North Fork of Red River intersects the South boundary line of Section 14, Block 27, H&GNRY Company Survey; THENCE in a southerly direction following the meanderings of the North Bank of the North Fork

SCOTT'S SCRAP BOOK

By R. J. SCOTT

of Red River to a point where said North Bank of the North Fork of Red River intersects the East boundary line of Section 75, Block 17, H&GNRY Company Survey; THENCE North to the North west corner of Section 96, Block 17, H&GNRY Company Survey; THENCE East along the North boundary lines of Block 17 and 13 to a point where the North Bank of the North Fork of Red River intersects the South boundary line of Section 8, Block A-7, H&GNRY Company Survey; THENCE in a Northeasterly direction to a point where the North Bank of the North Fork of Red River intersects the East Boundary line of Section 7, Block A-7, H&GNRY

Company Survey; THENCE North to the NE Corner of Section 31, Block A-7, H&GNRY Company Survey; THENCE West 2 miles to the NE Corner of Section 32, Block A-7, H&GNRY Company Survey; THENCE North 1 mile to the Southeast corner of Silas Phifer Survey; THENCE West 2 miles to the SW Corner of Section 22, Block L, J. M. Lindsay Survey; THENCE North 2 miles to the NE corner of Section 15, Block L, J. M. Lindsay Survey; THENCE West 5 miles following Section lines to the place of beginning.

and that KELTON VOTING BOX be enlarged so as to include within its boundaries Sections 16, 17 and 22, in Block L, J. M. Lindsay Survey; The Stephen Keith and Silas Phifer Surveys; Sections 47 and 48, Block A-7, H&GNRY Company Survey

AND THAT Justice of the Peace Precinct No. 5 be enlarged by adding to said Precinct those portions of Sections 70, 69, 68, 67, 66, 65 and 51, Block 24 H&GNRY Company Survey which lie North of the North Bank of the North Fork of Red River and that Justice of the Peace Precincts 3 and 4 be diminished by taking from said Precincts the above described portions of said Sections.

AND THAT Justice of the Peace Precinct No. 1 be enlarged by adding to said Precinct all those portions of Sections 61, 62, 63, 64, Block 24, H&GNRY Company Survey, those portions of Sections 14 and 15, Block 27, H&GNRY Company Survey which lie

North of the North Bank of the North Fork of Red River, and all of Sections 34, 35, 36, 37, 38, 39, 41, 42, 43, 44 and 45, Block A-8, and all of Sections 13 & 16, Block 27, H&GNRY Company Survey, and that Justice of the Peace Precincts 3 and 4, be diminished by taking from said Precincts the above described Sections and portions of Sections.

THE VOTING PRECINCTS OF WHEELER COUNTY, TEXAS WILL HEREAFTER BE NUMBERED AND DESIGNATED AS FOLLOWS, TO-WIT:

- MOBETTIE NO. 1 as MOBETTIE NO. 1.
- BRISCOE NO. 2 as BRISCOE NO. 2.
- WHEELER NO. 3 as WHEELER NO. 3.
- ALLISON NO. 4 as ALLISON NO. 4.
- STANLEY NO. 5 as STANLEY NO. 5.
- McBEE NO. 6 as McBEE NO. 6.
- BETHEL NO. 7 as BETHEL NO. 7.
- KELLEVILLE NO. 8 as KELLEVILLE NO. 8.

Dairymen Have Five Things To Check At This Time Of Year

Small grain pastures, stomach worms, dry pastures, quality milk and sire service makes up a list of five things the Texas dairyman can check on about this time of the year, says G. G. Gibson, extension dairy husbandman of Texas A. and M. College.

When it comes to the small grain pastures, plan at least one acre for each cow. And remember, planting time is just around the corner. Talk to your county agent about the recommended varieties and practices in your county.

Stomach worms don't bother the older cattle much but the calves and yearlings are sometimes hit pretty hard by them. Symptoms of stomach worms are loss in weight, general weakness, anemia, and a rough hair coat. The animal often develops a "pot belly", and this swelling may later appear under the jaw—called "poverty jaw" or "bottle jaw". Calves and yearlings should be given the best drained, cleanest pastures, and should be kept off the worm infested acres from 6 to 12 months.

Phenothiazine can be used to a good advantage to cure the worms, but should not be given to lactating cows since it discolors the milk.

Most of the pastures over the state are dry right now. Everybody could use a little rain. Unless you get some, give the cows all the hay and silage they can eat. If they don't need it, there won't be any loss, and if they do need it, they'll pay you well for it.

Bacteria control is very important when it comes to this business of producing and selling high quality milk. Clean, safe milk comes from healthy, properly milked cows with clean equipment and the milk cooled properly. Producing clean milk is not a big job, says Gibson, but it does require attention to the little details.

You can keep the bacteria out of milk by: keeping cows healthy, using clean equipment, following clean milking methods and prompt cooling and delivery of milk.

Sire service of some of the nation's best bulls is available to Texas dairymen in many sections of the state through the artificial insemination program. Your county agent can tell you whether or not there is a technician in your county. If not, then there probably is in the neighboring county, says Gibson.

A plus in any bus!

When you switch to Conoco Nth Motor Oil and an OIL-PLATED engine, you get these triple advantages...
(1) Extra protection from power-clogging sludge and carbon due to wear; (2) extra protection from metal-eating combustion acids; (3) extra protection from destructive "dry" friction starts.
Because Conoco Nth Motor Oil (Patented) fastens an extra film of lubricant so closely to metal surfaces that working parts are actually OIL-PLATED! This extra film stays up on cylinder walls... won't all drain down, even overnight.
For plus performance... full-time protection... more miles per quart...

Make a date to OIL-PLATE!

Your Car Will Get A Plus In Performance If You'll Let Us OIL-PLATE It Now

of shoes and six pairs of shoulder pads for the Dragons, and to purchase football suits for the Junior High Team. The project of equipping the Junior High team will amount to better than \$400.00, so members are urged to pay their dues and invitation is extended to any person desiring to become a member of the organization.

Those who are not a member of the Dragon Quarterback Club are urged to attend the session Tuesday night, and see just what the club is undertaking, and then join-up with Paducah's "most up-and-coming livestock organization." Membership is \$5.00, and dues are only \$1.00 a month—the average fellow spends more than amount each month for Cokes and Coffee. Don't forget the time of meetings—each Tuesday night at 8:00 o'clock at the Dragon Lounge, City Hall.

Wheeler Lad

(Continued from Page One)
to Panhandle fans who drive to Canyon to see their college team in action.

Farm Storage

(Continued from Page One)
the Commodity Credit Corporation will accept only good grain at price support levels. And since deliveries to CCC cannot be made until next spring that means the grain must be in good storage. Then by having the grain stored

on the farm it can be sent to market in an orderly manner and without loss. When grain is farm-stored, there is not the pressure of market glut to force prices down to very low levels. Facilities for handling can be used more economically. It makes far more orderly marketing all along the line, said the chairman.

Farmers who are having difficulty in obtaining materials for storage including the expensive "snow fence" or woven wire type should get in touch with the County Agricultural Conservation Office or a member of the county committee. PMA is doing everything possible to see that materials are made available to farm communities.

LOCAL NEWS ITEMS

Mrs. Gwyn Edwards and son Wayne, and Miss Joyce Bowman spent the weekend with Pvt. Cecil Edwards, who is stationed at Sheppard Field Air Base at Wichita Falls.

Proclamation

WHEREAS, during the week of September 20, 1948, every person 15 years of age and over, in and around Wheeler County may receive free of charge, an X-ray for Tuberculosis. This free health service is to be furnished by the State Health Department of Texas and is being made available here through the cooperation of City and County health authorities.

WHEREAS, the plan calls for setting up of this Mobile X-ray equipment in Shamrock, Wheeler and Mobeetie, where for five days, residents in these areas will be given the opportunity to have themselves X-rayed to determine whether they carry the dreaded Tuberculosis germ. Also cancer of the lung, tumors in the chest, cysts of the lung, enlarged heart, etc., will also be noted in all X-rays for report to the family physician of all individuals participating. Three points are particularly brought out, viz: the X-ray is free; that it is confidential, that the only person notified in case of a lung condition is discovered, is the family physician whose name the person has given, and that no disrobing is necessary for the X-rays.

It is called mass X-ray, because as many as three persons a minute can be put through for X-ray after information cards are made.

That unless a large percentage of persons over 15 years of age cooperate in the X-ray program much of the value of this undertaking in Wheeler County will be lost.

That it is not necessary, in one sense of the word, to assume this service is "FREE" because this is the first service that the State Health Department has ever made available to the tax payers of Wheeler County and that they are being reimbursed for their tax money by this form of service, and it is necessary, that if in the future similar surveys be conducted, that every one participate. Every individual in this County owes it to himself, his family and his community to avail himself of this service to make OURS a progressive, healthy community in which to live.

THE ITINERARY :

WHEELER—September 20, from 12 Noon until 5 p. m.; September 21, 8 a. m. until 5 p. m.
SHAMROCK—September 22, from 12 Noon until 5 p. m.; September 23, 10 a. m. until 7 p. m.; September 24, 8 a. m. until 5 p. m.; September 25 from 8 a. m. to 5 p. m.

MOBEETIE—September 25, 10:30 a. m. until 5 p. m.
THEREFORE, the Commissioners Court of Wheeler County being aware of the value of this program do proclaim the week of September 20th as GOOD HEALTH WEEK and urge every individual in Wheeler County to participate in the program outlined above.

Personal

Mrs. Abe Williams and daughter, Mrs. G. P. Kyseth, attended the funeral services for J. D. Keahey at Mangum, Okla. Mr. Keahey was a life-long friend of the family.

Duane Bradford visited from Friday until Sunday with relatives in Amarillo.

Mrs. M. McIlhany accompanied her daughter, Miss Mary Lou McIlhany, who has been visiting in

Wheeler the past few weeks, to her home in Nashville, Tenn. Saturday, for a visit there and with relatives in Franklin, Kentucky.

Mr. and Mrs. J. H. Richards, Mr. and Mrs. Cleo Gaines and family, Mr. and Mrs. E. H. Herd and Maurice, Mr. and Mrs. Alvin Hampton and sons and Mrs. Ernest Dyer attended the Golden Wedding Anniversary of Mr. and Mrs. C. A. Richards at Post Sunday.

Society

Schaubs Celebrate 50th Wedding Anniversary

The Schaub family enjoyed a dinner Sunday, September 5, in the home of Mr. and Mrs. Mrs. P. H. Schaub of Pampa, when they celebrated their Golden Wedding Anniversary. Mr. and Mrs. Schaub were married in 1898 at Vernon, Texas and moved to Wheeler County in 1909, where they lived until four years ago when they moved to Pampa.

Those present for the dinner were: Mr. and Mrs. Wesley Williams of Amarillo, Wester Williams, Dallas; Mr. and Mrs. L. F. Forrest and family; Mr. and Mrs. Robert Wright; Mr. and Mrs. Clyde Schaub and family and Mr. and Mrs. Rufus Watts.

Pictures were made at noon about the wedding cake which contained 50 candles and carried out the color scheme of gold and white. Open house was held in the afternoon and many friends called to wish Mr. and Mrs. Schaub many more years of continued happiness together.

Mrs. Willis Hostess To Blue Bonnet Study Club

The Blue Bonnet Study Club met Thursday, September 16, in the home of Mrs. Carrie Willis. Mrs. Kathryn Carmichael, president of the club, presided over the short business session.

The subject of the program, under leadership of Mrs. Thelma Dunn was "Adoption of Antiques in Modern Decoration". The program was divided into four parts. Mrs. Dunn gave a very interesting talk on antique furniture; Mrs. Helen Stinson, antique china; Mrs. Mary Hazel Van Zandt, linen, and Mrs. Bernice Caldwell, antique glass. Each member answered roll call by displaying an antique. Mrs. Velma Brown played several piano selections.

Lovely refreshments were served by the hostess, Mrs. Willis, to two guests, Mrs. Ernest Lee and Mrs. Simon Burns and the following members: Mesdames Lavine Hathaway, Belle Willard, Kathryn Carmichael, Mary Hazel Van Zandt, Velma Brown, Para Rendon, Helen Stinson, Elsie Scribner, Bernice Caldwell, Thelma Dunn, Juanita Matthews, Sallie Harris and Mayne Patterson.

On Health Revealed Interesting Sidelights

An interesting sidelight on public health in Texas was revealed in the morbidity report of the Texas State Department of Health for the week ending August 28th, which showed a total of 2 cases of smallpox for this year, while in the same period there were 588 cases of diphtheria.

Commenting on these comparative figures, Dr. Geo. W. Cox, State Health Officer stated that diphtheria is as readily controlled by immunization as is smallpox, but that apparently the public has failed to recognize this fact, or to act upon it.

"Smallpox, which is highly contagious, is no longer considered a major health problem in Texas," Dr. Cox said, "and this is due to widespread vaccination against the disease. Diphtheria, equally contagious, can also be reduced to the point where a single case is a rarity, but only when parents are awake to the fact that every child should be immunized in infancy."

The baby's doctor will see when this should be done. All children were given attention, there would be no objection to contract this disease.

Ordinarily the immunization by diphtheria toxoid is until he is of school age. A Schick test should be made before the child enters school. If needed, an additional shot should be administered.

"When all children are immunized against this disease, it can be virtually eliminated as the health hazard it now is, to the boys and girls of Texas," Dr. Cox declared.

TIT FOR TAT

"Did you notice that bus conductor looking at you if you hadn't paid your fare?" "Yes, and did you notice looking at him as if I had?"

Holes bored in the top and bottom sections of the doors and closets will provide ventilation.

Bellezza
by LENE

ALWAYS...
The Expression of Beauty

Bellezza—symbol of your loveliness...
...the new fragrance that whispers...
...softly yet slyly—the golden notes of a love song wherever you go.
